Newest Fire Fighter Arrives

NEWEST FIRE TRUCK of Hicksville Fire Dept. which is now undergoing severe Fire Underwriters' tests is this Mack pumper arrived at 1,000 gallons per minute which arrived in Hicksville on Friday. Tests will be concluded this week and, pending the outcome of the tests, the new fire truck for Chemical Co. 3 will probably be in service the end of next week. The voters approved the purchase of the \$30,000 vehicle some time ago. The cab seats six men and for Hicksville, which in recent years has leaned toward the open-cab style it means a change in policy. It will replace a wartime purchase of a Dodge fire truck. 200 Seniors Leave On 3-Day Trip

About 200 senior students of Hicksville High School are leaving by LIRR train tomorrow (Fri) morning at 8:09 for the annual Senior Class Trip to Washington. At New York they will change trains for Baltimore and then transfer to a boat which will be their "hotel" until they return to Hicksville Sunday night. It will be the first time the Seniors have utilized a boat in their Washington Trip. While aboard they will travel to points of interest in Maryland and Virginia. By bus they will tour Washington DC and attend church services, according to Principal Leon J. Galloway.

Gertzen Heads St. Pat Parade

Malcolm Gertzen of 8 Adams St., Hicksville, state commander of the Amvets, was the marshal of the St. Patrick's Parade in Buffalo on Sunday. He is an honorary member of the United Irish-American Society and while in Buffalo appeared on TV with city and county officials. He made the trip upstate and return by plane. A delegation of 40 Amvets waited at the airport for the state commander most of the day, Friday, when snow delayed all flights.

RR Fares Rise Again On Apr 8

Long Island Rail Road fares will increase 5.9 per cent on April 8, adding 55 cents to the price of weekly commutation tickets, \$2 to restricted monthly tickets, \$2.20 to unrestricted monthly tickets and 4 cents to single ride tickets selling for 35 cents or more. There will be no change in price on one-way tickets selling for 34 cents or less. The LIRR announcing the increase said it was "unable to hold the line any longer against steadily increasing operating costs".

County Executive A. Holly Patterson said Nassau would be represented at the Public Service Commission review of the LIRR increase to oppose it.

So many answers were received in the aerial photo contest that a few more days will be required to fix the precise date the picture was taken. Some entries specify an exact day, month and year. - Editor.

Teachers Oppose Merit Scale

Three spokesmen for the Hicksville Classroom Teachers Assoc. appeared before the Board of Education, last Friday night, at a meeting attended by more than 200 persons -- largely teachers of the school district -- and urged an end to the merit salary scale and the adoption of a new, higher pay scale.

The merit scale, which provides for pay increases beyond a certain point when a teacher has earned additional scholastic points, was adopted a year ago following a series of meetings between committees representing the teachers, School Board and the school administration. The Teachers Assoc in a letter to the Board declared this week they never accepted the principle of "Merit". "Any misunderstanding on 'Merit' appears to be the responsibility of our Association for not having informed the Board of its consistent and continuing opposition to 'Merit Rating'", Diane Freedenberg wrote the School Board on behalf of the (continued on page 4)

Park Was 10-Year Goal Of Civics; Opponents Propose Referendum

The establishment of a community park was a goal of the Hicksville Civic and Community Assoc more than a decade ago, it was recalled this week. William L. Geyer of 21 Grove St., first president of the Civic Assoc., pointed out

that the group when it was organized adopted a 17-point platform which included "park and recreational facilities". Many of the original objectives were achieved over the years including the elimination of duplicate

street names, more adequate parking in the business district and community ambulance service. Other goals are on the way to achievement, including grade crossing elimination.

The Civic and Community Assoc took an active part in the creation of the Hicksville Park and Parking District which was the first established in the Town of Oyster Bay, Geyer noted.

HAND CLASP registering the support of the North West Civic Assoc. of Hicksville for a park in the area is given by William Kress, NW Civic Assoc. President, at left to Allen S. Carpenter, chairman of the Hicksville Citizens' Park Advisory Group when the latter was guest speaker at a meeting of the Civic Assoc. at Burns Ave. School last week. The membership is on record as being in favor, not only of the proposed park for the Press Wireless property but also the down-zoning to light industry of the remainder of this tract. Kress said: "It is understood that the proposed park would be a buffer zone between the residences in the northwest section and any light industry in the northwest section and any light industry in this area". Eight Alarms

Hicksville Fire Dept answered eight alarms, including two calls for the ambulance, during the week ending Tuesday, Mar 18.

A boxwood shrub fire in front of 72 Friendly Rd. called out the volunteers on Mar. 11. The following day, Mar. 12, they put out an oil burner fire at 41 Walnut St., and a fire in a 1955 Ford Taxi, owned by the Levittown Taxi Co., at Jerusalem Ave. and Herzog Pl.

On Mar. 13, the firemen administered oxygen to William Slater, an employee of Meenan's on Duffy Ave., and put out a grass and fence fire near 206 Jerusalem Ave.

At 2:05 a.m. on Mar. 14, they were called out to investigate a possible fire, and upon arriving at the scene discovered that the reflection of road flares caused the erroneous alarm. Later the same day the ambulance was summoned to take Mr. Falkenstein of 53 Thorman Ave. to Mid Island Hospital, Bethpage, with a heart attack.

On Mar. 18, the ambulance was summoned to the office of Dr. Harry D. Malasky, 33 Adelphi Rd., to take Mrs. D. Koenigsamen of 34 Arpad St. to Nassau Hospital, Mineola.

MICHAEL J. SULLIVAN, retired president of Hicksville Republican Club, was congratulated by County Executive A. Holly Patterson and more than 300 other friends at a dinner given by the GOP Club at the Milleridge Inn, Saturday night. Sullivan is town attorney and vice chairman of the Town Republican Committee. Francis Donovan, newly installed club president, was master of ceremonies. Speakers included Rt. Rev. George M. Bittermann, pastor of St. Ignatius; Supervisor John J. Burns, County Clerk Ernest F. Francke and others. (Photo by Jim Healy).

CARD PARTY SET

The Hicksville Branch of the Women's Auxiliary to Nassau Hospital

will hold its Annual Card Party on Friday evening, Apr. 25 at the Masonic Temple, W. Nicholas St., Hicksville.

Burns Ave P-TA Elects Mrs Gregg

The Burns Ave P.T.A. of Hicksville held an election of officers for the coming year at its regular meeting last Thursday evening, March 13. The nominating committee presented the following slate to the membership and they were voted into office unanimously: Mrs. Margaret Gregg, President; Miss Margaret Ryan, Corresponding Secretary; Miss Diane Fredenberg, Recording Secretary; and Mrs. Marie Peisel, Treasurer.

The business part of the meeting was preceded by a Flag Ceremony conducted by the following Brownies with their leaders: Mrs. Rose Smith and Mrs. Elizabeth Hannigan; Janet Kapsol, Marilyn Gettis, Linda Gregory, Susan Hannigan, Pamela Smith, Patricia Lance, Betty Anne Rocke, Joanne Haupt, Regina Dumbrowski, Lois Hauk, Debra Smith, Betty Hannigan, and Patricia Wenzel.

During the meeting a letter from the Hicksville Classroom Teachers Assoc requesting support of a salary increase was read by the President, Mrs. Libby Kozma. She stated that letter of support had already been sent to the School Board by the Executive Committee. A motion was made and seconded from the floor that the membership follow suit and send a letter of similar nature. This was unanimously agreed upon.

The program of the evening then followed. Grade workshops from the kindergarten through the fifth grade were held and, from the comments that followed the meeting, proved very interesting and informative to the parents present. Mrs. Gladys Kist, chairman of the P.T.A. workshop committee, organized and presided over the program.

The following members of the 4-H Club, under the leadership of Mrs. Irene Barberie, acted as hostesses for the evening and helped with the refreshments: Carol Adams, Jean Barberie, Joan Zahora, Caroline Bassett, Barbara Udvarhely, Carol Barberie, and Diane Lane.

The following Fifth grade mothers contributed the cakes for the evening: Mrs. Mullen, Mrs. Esposito, Mrs. Chaner, Mrs. Petersen, Mrs. Daub, and Mrs. Goscinski.

CAPTAIN KANGAROO TREASURE HOUSE SAVINGS ACCOUNT

GIFTS FOR EVERY MEMBER

FULL INTEREST

In cooperation with Captain Kangaroo® of CBS television fame, we are initiating a completely new thrift incentive program for young people. Every child who starts a savings account at Meadow Brook with an opening deposit of \$2.00 or more is eligible for membership in the "Captain Kangaroo Treasure House Savings Club." As a member of the Club, the youngster receives a Captain Kangaroo badge, ring, book and other gifts. Regular correspondence from Captain Kangaroo will help to continue the habit of thrift among the young club members.

The outstanding advantages of this Treasure House account plan are that every balance of \$1.00 or more will be credited with interest at regular intervals, and, following the opening deposit, any amount of five cents or more will be accepted for deposit.

* Captain Kangaroo® appears on CBS television (Channel 2) each weekday from 8 A.M. to 8:45 A.M., and on Saturdays from 9:30 A.M. to 10:30 A.M.

Charter Night on Saturday

William Mannilla is the new president of the Hicksville Rotary Club which will hold its charter night this Saturday, Mar. 22, at the Millidge Inn. Dr. Sam Elkind is in charge.

Mannilla succeeds William Payoski. Other officers are John Hill, first vice president; Dr. Elkind, second vice president; Aaron Rochman, treasurer; Freeman Parr, secretary; and directors are Roy Barlow, William Staryk and Mark Madden.

Armand Lowell, of Lebkuecher & Lynch Inc., was guest speaker at the Mar. 13 meeting of the Rotarians. The Rotary Club bulletin states: "The main theme of his talk was an explanation of the reason for the constant increase in insurance costs."

"If you were to read in tomorrow's paper that all of the people in the Hicksville area had been killed and that there would be a mass burial, the tremendous sight of these 40,000 people being buried would make a great impression on each individual, if you were lucky enough to be the one remaining to witness this burial. This is just what has happened over our country during this

past year...that one entire community of this size had been killed in needless accidents.

"This is one of the real reasons, but not the only reason for the cost of insurance rising."

Dr. Cannizzaro thanked Mr. Lowell for his fine talk and presented him with a Four-Way Plaque.

Art, Curio Show Set for Today

An Art and Curio Show, featuring treasures of unusual interest from faraway places and faraway times, collected from the homes of members of Holy Trinity Episcopal Church, Hicksville, will be held today (Thurs.) from 10 a.m. to 9:30 p.m. at the Holy Trinity Parish Hall, Jerusalem Avenue at Old Country Road.

An added attraction will be the presence of Morris Rappaport, a member of the Appraisers' Assoc. of America, well-known for its recent connection with the National Antiques Show at Madison Square Garden, whose services will be available, for the very modest fee of \$1 per item, to anyone desiring to avail themselves of such an unusual opportunity. Rappaport has offered to give an informal talk and will be pleased to answer questions.

Ninth Grade Chorus Joins in Festival

Hicksville's contribution of members to the first Nassau County Music Festival has been increased from 10 to 16 students by the addition of six members of Miss Florence Bowmar's ninth grade chorus. As with the instrumental students, these children will rehearse Friday and Saturday, March 28 and 29 at the Garden City High School. The chorus of 120 mixed voices will be directed by Cleveland L. Howard of Schenectady.

The combined program of band, orchestra and chorus will be presented Saturday, March 29 from 3:30 to 5:30 p.m. Admittance is by invitation only.

Miss Harriet A. Spink, supervisor of vocal music for the district, is happy to announce that the following choral students have been selected for this honor: Dorothy Traub, Nancy Sheman, Helen Wiedhoff, Richard Osborne, Ronald Cavallo and Robert Leckman.

OPERATION VFW

Hicksville Veterans of Foreign Wars Post No. 3211,
by Lou Palladino

We must inform you that our relations were not held at our last meeting as planned. Our reason for postponing was a logical one. We received a suggestion from the National VFW to hold the final nominations and elections for the last meeting in March, which is Monday, Mar. 24. Many of us went to the meeting with the thought of voting, and wondering what the outcome would be. Now we have to do it over again.

We won't mention the nominees again this week, but after election we will give the names of all the officers. Just as the State of Texas, allied itself with the United States in declaring war on the Nazis, we will ally ourselves with the V.F.W. and hold our elections on Mar. 24. Hasn't it always been said that we are a cooperative group?

Our installations are to be held in April, and we will be honored with the presence of our County Chaplain, Chilton Brinkerhoff. This is a fellow who received our full support in County Council, and our efforts were partially responsible for his becoming chaplain. We are pleased and looking forward to his attending, happy that he hasn't forgotten us. Also invited are our guests. With the baby sitting problem, we don't always get as many as we would like, but they are always gracious enough to give us a delegation present. Our girls always make our events more cheerful. You can't live with them and not live without them.

We have a little information that may be of interest to the younger element. With all the unemployment we have been reading about since the beginning of the year, we find there are more civil service jobs available in the forest rangers for the State of New York. This may be a good opportunity for the young fellows who are interested. I doubt if it is a possibility for the older boys with families. We have no idea what the minimum salary is. This is all the information we have, and are passing it on.

It is always a pleasure to attend one of our meetings. Everybody brings a big grin to each other. It is quite possible that a new member will find strange and out of place when he appears. It's a known fact

that most of us may be squeamish at first. Consider too, that the members may feel that way too, but if you give yourself and the boys half a chance, you will find yourself feeling the same way as the rest. These are a fine group of men, and I am proud of them. Time marches on, and we are all aging slowly. So our post is something worth while looking forward to.

We don't have any more information for this day. Oh yes, it was wonderful, at this meeting nobody was known to be sick. If you know of some member that is, please let us know, so our group can try to spread a little sunshine. We didn't want to overlook mentioning this. We aren't looking for trouble, but if we can help, then we'll try our darndest. Hoping all is well with all, and wishing to see you at our election meeting, we sign off.

Sisterhood Will Meet and Elect

The Sisterhood of the Congregation Shaarei Zedek will meet on Tuesday, April 1st, at 9 P.M. in the vestry room of the Synagogue on E. Barclay St., Hicksville.

The state of officers will be presented. Nominations from the floor will also be accepted. A very enjoyable evening is planned with films and songs. Rabbi Skalist will discuss Passover and the ritual of the Seder. The Bible class meets one hour earlier at the Hebrew school. Mrs. Skalist will discuss Noah and the Ark on April 1st.

Christening Held

Little Eleanor Susan, infant daughter of Mr. and Mrs. George H. Finn of 154 Third St., Hicksville was christened on Sunday, Mar. 9 at St. Ignace R.C. Church. God-parents were Miss Dolores Finn and George Muller aunt and uncle of the little one. Eleanor was born on Feb. 24 at Mercy Hospital, Rockville Centre. This makes for a double celebration at the Finn household because it's Daddy's birthday too.

The Finns have four other children. Mrs. Finn is the former Miss Clara Muller.

THE GOLDEN KEY to Nassau and Suffolk Counties was presented to Stuart J. Satullo, National Commander of the Amvets, by Nassau County Clerk Ernest F. Francke of Hicksville when the veteran organization leader came to Hicksville on March 12. Hicksville Fire Dept. helped provide a welcome for Commander Satullo of Ohio and escorted him to the Amvets Hall on E. Marie St. Left to right are James J.

Nickman, Nassau Amvet Commander; Michael E. Maler, Suffolk Amvet leader; Commander Satullo, Malcolm Gertzen of Hicksville, State Commander who was presented with the Distinguished Service Award, the Amvets' highest recognition; County Clerk Francke and John J. Burns, supervisor of the Township who extended an official welcome. (Herald photo by Frank Mallett).

Mrs. Ramundo is a member of the Hicksville Parent Teachers Association and the Plus X Fraternity.

Fehrenbach Seeks Aid for Schools

Assemblyman Edwin J. Fehrenbach of Bethpage during his first session in the State Legislature has made his major efforts to assist taxpayers with the problem of raising local school district aid. He reviewed his efforts in a detailed report regarding the legislative session, Saturday afternoon.

State Aid to schools will amount to \$520 million under the present formula for next year. Fehrenbach predicted the Republican majority will pass a bill this week which will mean about \$52 million more in state aid, over and above that which the school district will already receive. This will mean, he noted, five million dollars more for Nassau County alone.

In addition, Fehrenbach has introduced a bill with Senator Edward Spoto of East Meadow which will mean almost three million dollars to "hard-pressed" districts of Nassau and could mean as much as quarter million dollars for Plainview School District, one of the poorest districts in Fehrenbach's Assembly District which includes West Bay Township and the City of Glen Cove.

He has also introduced a bill with Senator William Hulse of Port Washington to grant tax forgiveness to new industry in the hope of bringing about diversification of industry in Nassau County and increase local opportunities for employment.

The Muriel Goldman Council of Waldemar Medical Research Foundation will hold a Card Party at King Wah's in Huntington, on Tuesday, Mar. 25 at 8:30 PM to raise funds for further research in the field of cancer.

Maternity Study Favors HIP Care

David Pardo, Acting Chairman of the Subscribers Committee, of the East Nassau Medical Group, 350 S. Broadway, Hicksville has reported that a comparative study of maternity cases has shown that women who received maternity care under the Health Insurance Plan of Greater New York, have a lower infant mortality rate than patients generally in the metropolitan area.

The research, reported in the February issue of The American Journal of Public Health, showed that the 1955 infant loss rate for the general New York City population, including private and ward patients, was 38.1 deaths under one week old for each 1,000 deliveries. This compared with 23.9 for each 1,000 deliveries for H.I.P. patients.

Lower mortality rates for H.I.P. patients, researchers found, when the comparison was limited to New York City births. Those figures were 30.1 per 1,000 for the city and 21.3 for H.I.P., according to the study undertaken jointly by the plan and the New York City Health Department.

Limiting the comparison to white births, the H.I.P. figure stood at 20.8 and the city's at 29.4 for 1,000 live births and fetal deaths.

Still remaining unanswered and slated for further study under a Public Health Service grant are the reasons for the differentials in pregnancy loss, the researchers concluded. Thus, the study will go to birth certificate records to classify the physicians according to their professional status in ob-

stetrics and to study the families' socio-economic status.

Among the many questions to be answered, researchers reported, was whether the difference could be caused by greater availability of specialists in obstetrics and gynecology in H.I.P. than in the city generally.

Figures showed that the ratio of these specialists in the city in 1955 to women in the 15-44-year-old child-bearing age was one to each 3,300. In H.I.P. group practice, the corresponding ratio was one to each 1,000.

NOW AND THEN Nicholai School Cost \$6,000 to Build And Was Improved For \$7,500 in 1897

The Mid-Island community of a half century ago, was portrayed in a feature article published in the Brooklyn Daily Times of November, 1904, which discussed "educational privileges", "manufacturers" and other phases of community life in Hicksville. The first installment was published in the HERALD on Feb. 27.

Today when there are many times over the number of pupils of 1904 counted on the faculty, the comment on "educational privileges" takes on special interest:

"The new Union School building is a large, handsome and well-kept building with ample grounds and plenty of shade. It was not until 1874 that it became necessary to have a larger school house, and then the building now occupied as a furniture storage house was erected on the site of the new building, now standing. The land was given by John F. Heitz.

"The Rev. Mr. Horace taught the first school in this building and later Miss Bierly, now Mrs. M.A. Forgie, and still living here (in 1904) taught for several years. In 1889 an addition was added. In 1892 the school building being again found

to be too small, it was decided to sell it and erect a new building at a cost of \$6,000 which was done. "The new building never gave satisfaction and after a Union Free School District was organized, in 1896, steps were taken to remodel the building and bring it up to date with modern improvements and on July 7, 1897, the taxpayers voted to expend \$7,500 for remodeling the school building, and it was a wise move, and not one taxpayer has ever regretted voting for the improvement."

(Editor's Note - Today's taxpayers can say "Amen" to that comment of a half century ago. The Nicholai St. School building, which later was enlarged to double its original size, is still in use and appears to be destined for use for a decade or more into the future).

Continuing the report of 1904: "The school is now under the Regents, and stand very high. The Board of Education is composed of the following business men: John Puvogel, president; William M. Simonson, secretary; William Meyle, Frank P. Wetterau and John Reinhardt. The appointive officers are Frank Marrs, Clerk; Henry C. Stolz, Treasurer; William Stolz, Collector; and Jacob Brengel, attendance officer. Prof. Eugene Woodard is principal of the school."

(Editor's Note - Frank Marrs, much like today's Hicksville District Clerk, was a newspaper writer from his pen. It would not be surprising to find, for example, that he had authored the article being quoted herewith.)

CIVIL WAR DAYS

Back in 1925 when the High School (now the Jerusalem Ave. Jr. High School) was dedicated, the "Long-Islander" published an article about earlier days when Hicksville had a one-room school house. The account was written by "three boys" - Henry A. Kuhl, Henry C. Stolz and John H. Hahn - who had attended the early school during the Civil War Days:

"The one-room school was built in 1853. It was a one-story frame structure, containing one room with a nine-foot ceiling, a single roof and a rough 10-inch clapboard siding painted red.

"The size of the building was 20x28 feet. It contained seven windows, three on the north side, three on the south side and one on the east side. There were no windows on the west side.

"The building faced the west. One entered through a porch or lobby. There were no windows in this lobby. On two sides were shelves on which dinner pails were kept. Below the shelves coats and hats were hung on wooden pegs. We entered the school room from the lobby and walked down the center aisle to our respective seats.

"At the extreme east end of the room was the teacher's desk and it was a wide and long affair, elevated about a foot or more above the floor, and looked very much like our grandmothers' cupboard as it had cupboard doors and shelves.

"However, in this desk or cupboard, the teacher kept all the school belongings, one of the compartments being large enough to hold a wayward boy at times and which it did on numerous occasions. It being a rather gloomy place for a boy, he would amuse himself with the aid of his jackknife by gouging holes, through which he could get a clear view of the school room. These peek holes were not discovered by the teacher for quite some time, the work on them or the cutting being done while the teacher was absent from his desk. These holes could hardly be noticed from the outside as all the gouging or cutting was done from the inside and the size of the hole decreased to almost the size of a pin head.

"The walls and ceiling of the

BROADWAY as it looked a half century ago. This would be the view if you stood at the corner of Herzog Place and looked south. Hahn's Dept. Store is the building with the awning, the present day site of Spiro's, Maglin's and A & P.

school room were boarded with four inch wide tongue and groove beaded pine boards about 7-8 inch thick and painted a medium grey color. "A map of the United States and a cleaned black board about 8x6 feet decorated the east wall.

"The seats or benches as they were, had no back rests on them. They were about eight feet in length, made of a 10 inch pine board, supported by three legs or supports, one in the middle and one at each end. They were made of the same width board with a V cut in the lower part.

"The desks or book and slate rests were the same length as the benches, one end of them nailed fast to the wall and were made of a 10-inch pine board with a cleat nailed at the bottom to prevent the books and slates from slipping off. This board was on an angle of about 45 degrees, and on top of this board was a flat four inch strip with two inch back stop. On this flat surface was kept the ink bottle, slate rag, slate pencils and pens and a small bottle of water for cleaning the slates. In case the pupils ran out of spirit, "There were 12 of these desks and benches, six on each side of the aisle which was about five feet wide. There were also four smaller sets of desks and benches at the east end of the room, placed lengthwise of the room, about five feet in length, two on each side of the teachers desk. These four sets were used by the small attendants.

FISHING FOR MICE

"The flooring was single boarded with 10 inch wide tongue and groove pine about one inch thick and laid crosswise of the room. Knots had dropped out in some parts of the floor thus affording an opportunity to fish for mice which was often done, with a piece of string and pins baited with some left over lunch."

But to resume our story of Hicksville in 1904: The principal industry of Hicksville is the manufacture of gold, silver and aluminum leaf and ten shops are in operation

the year round. A large number of girls are employed as cutters and both the beaters and cutters earn good wages and have steady work. Mrs. Louisa Braun was the first to start the business in this village and that was in 1866 and the business has gradually grown and still the demand is great.

"Hicksville has an up-to-date brewery where the finest of beer and ale is made. The brewery was erected by William Becker in 1864 and recently he sold it to Staehle Brothers, and this firm has had the brewery made into an up-to-date establishment with new machinery of the latest pattern, and their brewing is fast growing in favor in this vicinity. They will make their own ice this coming summer as they have had an ice plant erected. The capacity is 3,000 barrels annually.

EARLY INDUSTRY

"Two large pickle plants are located here. The first one to locate in Hicksville was the H.J. Heinz Co. and they have a large salting house, sauerkraut building, vinegar plant and main building, and they contract for large quantities of cabbage, cucumbers and apples during the year. Alart & McGuire also have a large pickle and sauerkraut house in the village. Both of these factories are a great boom for the farmers as it gives them a home market for their produce and the prices received is generally very satisfactory."

The article also reports on "Musical Hicksville":

"Being a German village it would be strange if it had no brass band. The Hicksville Band is under the leadership of Aden Albrecht, and is in demand for all occasions where brass music is wanted, and when an orchestra is wanted the

THE ORIGINAL Nicholai St. School building which later, was doubled in size with a connecting corridor. Just visible beyond on the right is Trinity Lutheran Church, a frame building since demolished. This picture is dated about 1900.

MARVEL of its day, about 1893, were the large plate glass windows of Huettners Dept. Store at the corner of Marie St. and Broadway where Bahrenburg's (Englert) Bakery stands today. Henry F. Huettners bought the business of Julius Augustin in July, 1890.

Gilbert B. Stein, intimately known as the "Little Caesar" of Birchwood activity, has been elected Editor of the VILLAGER by unanimous decision of the Editorial Board.

Gil, President of Steaditex Inc. Textile Converters, served in the 3rd Division U.S. Army (Infantry) during W. W. II, where he was awarded the Silver Star and Purple Heart for bravery in action. He was Managing Editor of the Villager during the past year and was recently elected to the Board of Directors of the Civic Association, where he holds the position of Vice-Chairman of the Board. Gil is a member of B'nai B'rith and Temple Or Elohim. Gil Stein succeeds Joseph Schwartz as Editor. Joe will continue to serve as a member of the Editorial Board along with Florence Berger, Gloria Brunswick, Ralph Diamond, George Frankel and Irving Herskowitz. Jean Rosenthal remains as Secretary of the VILLAGER and Al Lyon as the Staff Photographer.

ly, the Villager has functioned in a near professional manner. Our residents have accepted us, and our advertisers like us as a medium which brings results. It is for these and other reasons that I look forward with great hopes to our second year of publication as the voice of this community.

We, who work at your newspaper enjoy doing it. We seek no special praise for giving much of our spare time to planning it, seeing to its administration and financing. Even if some of our tasks are mechanical, we have gained much from this association. The pleasure of accomplishment, the satisfaction of doing something worthwhile, and the friendships forged in associating with others doing these things, are most rewarding.

I am honored and delighted to have been chosen as the editor of the VILLAGER by my fellow members on the Board of Editors. I shall do my best to be worthy of their trust. May the coming year bring much cheer and good news. And before all, may I always have the strength to live up to my own creed for living: "Impatient with failure - humble with success - but forever honest and trying."

Burps From The Editor

All the world loves a winner. Ours has been a successful venture. As I gratefully and humbly take over the helm of the SS VILLAGER, I must first of all thank past editor, Joe Schwartz and those men and women who have made this newspaper possible. In less than nine months, not more than a dozen volunteer "Weekend Journalists" have given this community a voice and with it a means of communication. Our readers and advertisers to doubt have had occasion to fault us on errors of omission and commission. No one has doubted our dedicated effort to report all that is news here at Birchwood Park at Jericho as impartially and completely as possible.

The staff and the Editorial Board of the VILLAGER can pride themselves in having accomplished much in a short period of time. Administratively, Editorially and Financially.

Birchwoodites To Present Smash Hit

by IRVING HERSKOWITZ

"Anniversary Waltz", the Broadway Smash Hit Comedy will be presented by "The Little Theater Group" of your Birchwood at Jericho Civic Assoc. at the Syosset High School Auditorium on Saturday and Sunday Evenings, April 19 and 20.

Tickets are \$1.85 -- and the opportunity of meeting and speaking with the talented stars of this production is yours for the asking. Merely call any of these listed numbers to secure your tickets.

This is unsurpassed entertain-

ment value --- and it is made possible only because of the untiring, unselfish, and time consuming efforts that have been contributed by the dramatic group and your civic association.

The feelings of the stars and other members of the cast is that our initial production, "Anniversary Waltz", --- will be, at least as good, if not better, than the original Broadway Production. The entire cast is of this opinion, quote, "We earnestly believe, with pardonable lack of modesty, that our performance in Anniversary Waltz, will overshadow by far, anything else that has ever been staged on Long Island."

Through the efforts of your civic association we have secured new furniture for our stage settings from

our neighbor in the Mid-Island Plaza. Sacks Quality Furniture Stores. Sacks has also graciously offered us the services of their interior decorator to insure a tastefully decorated background.

The Syosset High School Auditorium is one of the very finest on the Island. The environment it affords for viewing a dramatic production is second to none.

In Summary -- we have the play, "Anniversary Waltz" -- we have the cast -- each and every player a star in his own right -- we have the theater -- we have the finest settings and furniture -- At this time we are soliciting our audience -- You.

Please secure your tickets immediately to avoid disappointment. We have a limited supply and they are going fast.

Cheap Date

The poor mortgaged homeowner seldom, if ever, gets something for nothing. The VILLAGER has learned that our Civic Assoc has scheduled its inauguration of officers and Board members for Saturday evening, April 12 at 8:30 PM to take place at the Robert Seaman School. We were further advised that this affair will be a combination barn/cha-cha dance with plenty of entertainment to be provided. In addition to this our Civic Association stated that all participants will be fed with frankfurters, pretzels, potato chips and various cold drinks will be served. This shindig, we were told, is absolutely free of charge to all members of our Civic Association, husbands, wives, as well as their teenage offspring (16 yrs and older). This newspaper felt, that this proposition sounded too good to be true. We are sceptics at heart and we smelled a rat.

How, can our Civic Association possibly afford to feed and entertain such a tremendous crowd of Birchwoodites, which this affair will draw. This, only 9 weeks after our community was greeted by its Civic Association at an election dance which featured free coffee and cake, free dancing and entertainment. We are not in the habit of looking a gift-horse into the mouth. But we are a responsible newspaper and our Board of Editors could not conceive how a \$5.00 per year Civic Association membership could possibly pay for all these "goodies."

We assigned one of our female crack-reporters to check this story and Mrs. Gloria Brunswick has spent considerable time away from her kitchen, automatic laundry and other duties to get the facts. Following are the results of this investigation:

- 1) We checked the minutes of the meetings of the Board of Directors of our Civic Association and found that a total amount of \$400.00 had been appropriated to cover the expenses of this proposed Inaugural affair.
- 2) We interviewed Mr. Ralph Diamond, Vice President of the Civic Association and Chairman of this event, who confirmed to our reporter the accuracy of the reported plans as outlined above.
- 3) We then, interviewed Mr. Charles Kraft, Treasurer of our Civic Association. Mr. Kraft advised us that he had the authority to issue checks up to but not exceeding \$400.00 in payment for rental fees, entertainment, food and drinks, as well as incidental expenses connected with this event. Mr. Kraft also assured us that the Treasury of the Civic Association had ample funds to cover all contemplated expenses.

- 4) We confirmed all the above with Mr. Jerome Abrams, President of

Check Your Assessment

by RALPH DIAMOND

The VILLAGER has learned that some of our residents have been fully assessed while others residing across the street from them may have only been partially assessed. This means that it is possible that you are paying considerably more or less than your neighbor in 1958 Real Estate Taxes. There is nothing any one of us can do about altering this situation; however, it is suggested that you check your assessment to make certain that the Bank is paying the correct amount from your escrow fund.

Information regarding your 1958 tax assessment can be obtained by writing to the Dept. of Assessment, Nassau County Courthouse,

East Building, Mineola, N.Y.

It is further suggested that you also write to the Town of Oyster Bay, Box 359, Oyster Bay, New York, for copies of your tax bills. The copies of your tax bill should be compared to the Assessment information received from the assessor's office. The tax bills should then be compared to the Bank's deduction for Real Estate Taxes paid from your escrow account. You will know for certain that your payments are correct if the figures regarding your 1958 tax assessment received from the Assessor's Office, the Town of Oyster Bay, the Mortgage Bank, are identical.

Make certain you state your section, block and lot number when requesting your information.

School Busses Collide

by HORACE BERNSTEIN

Two Central District #2 School Buses, filled with children, collided on the morning of Friday March 7 at the rear entrance to Birchwood Park where Birchwood Park Drive intersects Robbins Lane.

Upon notification of the accident, school administrators had Doctors and Nurses ready at the Robbins Lane School to examine each child for injuries. Happily none of the children were hurt in any way. The bus drivers were immediately relieved of their duties and were not permitted to even continue on their routes.

As a direct result of this accident, Central School District #2 Board of Education, at their meeting on the evening of Monday, March 10, passed a resolution stating that any Bus Driver involved in any accident while transporting children would be dismissed immediately.

Frank Manaret, acting School District Superintendent, speaking to members of our School Committee after the meeting requested that a message of thanks be conveyed to the parents of the children riding the involved buses. He felt that their fine attitude and calm thinking helped immeasurably towards handling of the situation.

Your Syosset Education Committee of the Birchwood at Jericho Civic Assoc. wishes to make it known to residents living in this district that they will work with all efforts towards the elimination of factors that may lead to another avoidable accident. The committee will work towards having the entrance roadway filled in to eliminate ruts, and to the removal of the lunch wagons which make the narrow road narrower along with presenting a possible visibility hazard.

SENIOR CITIZENS of Birchwood had their picture taken after a recent social at the home of Mr. and Mrs. I. Herskowitz, 134 Birchwood Park Dr. For information regarding this Golden Age Club, phone Mrs. Herskowitz at OV 1-1307.

Your Blooming Presence

WANTED: Spring! Please return to Birchwood Park in Jericho at the earliest convenience. Your blooming presence is desired! Please send you! For further information contact Pete Moss and Wade Dendron, co-chairmen of the Warm-up Committee.

The above ad will be answered, we hope, as you are reading about it. We have experienced an exceedingly harsh winter and Friend Spring will be a most welcome guest. So it's timely to remember that as we lower our thermostats we raise the curtain on our second season of outdoor living. Will this be for better or for worse? It's up to us to better our ways and keep Birchwood a dignified, beautified community.

So you installed a Hi-Fi this winter! And its power and tones are fantastic! That's fine--but when the windows open, please mind your arias and sonatas. Your neighbor might be a rock a roller!

So you widened your circle of friends this winter! And you're waiting for warm weather to entertain the whole gang outdoors! That's fine--but when the mer-ment wakes the baby next door, you and your friends may turn into somebody's enemies!

So you're a canine collector! And your Rover is smart and friendly! That's fine--but when he playfully romps in the neighbor's shrubs where he shouldn't, the neighbor may start growling and barking! So you have children! And some of them go to school to gain an education! That's fine--but if they've been putting through various back-yards to make shortcuts, you'd best educate them in the use of sidewalks when the community begins to fertilize and reseed its lawns.

So you own a beautiful home! And it cost you a lot but there's one thing that you've got--it's a mortgage! That's not so fine--but we still want to wish all of you a healthy, happy, well-mannered Spring!

Jackson School by our children at least 2 nights a week.

We can visualize some interesting scenes at the door: Heavily paunched gentlemen pushing 40 trying to convince guard that he's really only 18 and therefore entitled to play basketball with his school chums. Standing order to the guard: "Confiscate his hip flask, give him back his YO YO and send him on his way."

the Association. Lastly we checked with the Robert Seaman School to verify that the evening of Saturday, April 12, had actually been reserved for this event and that the kitchen, a clothing check room and the main auditorium of Robert Seaman School have been reserved to accommodate at least 500 to 800 merry Birchwoodites.

In conclusion the VILLAGER finds: The April 12 affair is legitimate in every respect. Free square dancing, a competent caller, chachas and other entertainment. Free franks and assorted cold drinks and all this without charge to Birchwood at Jericho Civic Assoc members, their families and teenage children 16 yrs and older. Admission to non-members \$1.50 per person.

P.S. Your Civic Association membership for 1958 is due March 31st, 1958, do not fail to send in your \$5.00 quite a bargain at that. - GBS

Membership Drive

A membership drive has been launched by the Nassau Division of Pioneer Women for the North Shore marking the National Organization's 32 years of service for Israel.

A regular open meeting will be held for the Jericho, Syosset, Plainview and North Hicksville area on Monday, March 24 at 8:30 P.M. in the home of Mrs. Harold Lash, 177 Forest Drive, Jericho. Mrs. Lash is Vice President of the newly chartered North Shore Chapter of Pioneer Women.

Guest speaker for the evening will be Dr. Victor Perlow. He will narrate and deliver a lecture on a film, "Breast - Self Examination", sponsored by the American Cancer Society, Nassau Division.

Mrs. Harold Tabocoff of Jericho, Membership Chairman for the North Shore Chapter invites all women interested in helping to provide vital social service for the women and children of Israel to attend this meeting.

Chapter Meets Wednesday

The Jericho Women's chapter of P'hat B'rith in Formation will hold their first general meeting on Wednesday evening, March 26, at 8:30 o'clock at the Jericho Country Club. Please be sure to attend so that you may participate in the nomination and election of officers.

The goal of 60 members has almost been attained. If you have not already paid your dues come prepared to do so. Bring your friends who intend to join so that they may have the privilege of becoming charter members. Only paid up members are eligible to make nominations, run for office, and vote. Looking forward to seeing you at the Jericho Country Club on the evening of March 26.

Confessions of An Ad Salesman

by GILBERT D. STEIN

Contemporary business enterprise, along with Split Level Homes, Discount Stores and sculptured automobiles, has seen fit to give birth to the Suburban Shopping Center. For Jericho folks that means the Mid Island Plaza. It is here where Horn & Hardart Retail Shops cater to Mah-Jong playing housewives and where a Health Studio slims down overweight commuters. One can purchase everything here, from Pizza Pies to tricycles, from aspirins to pets.

All you need is your credit card and a low resistance to what the men in grey flannel suits from Madison Avenue call "sales promotion". Should you change your mind and decide not to buy carpeting, wrist watches or birds eye diapers, there is always the Long Island National Bank ready to take your deposit. Parking is free of course and most items sell either at a discount or below cost. All you need is money.

This Villager ad salesman has quite a number of friends at Mid Island. The most unlikely place for any man to be found every other Saturday is a Beauty Parlor. So be it. Jose Master Hair Stylist has been my destination now for over 6 months. Every other Saturday morning, I gather courage and determination, and enter, what at first looked like a combination of a nightclub and a dental laboratory. A lovely lass named Doris is the boss and mistress of ceremony. She also places the ads. We get along very well.

After my first two or three visits I no longer needed a dictionary. Words like "frothing, tipping, and setting" took on meaning. It is a friendly place and you. No one would think of calling anyone anything but darling, dearest, dear or sweetheart. One never hears a cussword inside a Beauty Parlor. Women usually wait till they are out the door, or facing their husbands across the dinner table.

I have learned not to look for my neighbors of the female sex, though scores of them seem to be congregating there under dryers and in various positions of beautification. Wouldn't want to walk out with the feeling that they might know that I know how they look with their hair down, lashes off or worse. But somehow I cannot help but feel that in Beauty Parlors all men, oops, women are created equal. It's only after the process is completed that they begin to look like individual dolls.

We have many media which disseminate news and information to the public. There is Radio, TV, the magazines, newspapers and of course the comics. Yet after all these Saturdays, I am beginning to see my

shortcomings as a weekend Journalist. The place fairly buzzes with news items, gossip and local tidbits. I still feel that one of these days all Beauty Parlors will be wired for sound. That will happen no doubt when Confidential magazine reaches the US Supreme Court and wins acclaim as a contributor to contemporary American Culture.

Back to the Beauty Parlors for a minute. Here amidst pastel hues, uniformed attendants, modern decor, and an atmosphere of intrigue, our female fellow residents congregate. They submit, sit and suffer. They move from station to station, gathering gossip and information. As a husband, I have often wondered why Thursdays we have Lentil Soup for Dinner and Friday night dining out is so necessary for our morale. It isn't only that things cost more money and that food is sky high. The Beauty Parlor shares in the distribution of the weekly budget. Men may call me traitor, but fellows please, I have seen the results and let's face it. Our dolls do look like Madison Avenue wants them to look. And who are we to argue? In fact, we are probably proud of the results.

As to any particular Beauty Salon, far be it from me to recommend anyone's service, never personally having been subjected to it. But generally speaking neighbors, they are nice places to spend a morning or an afternoon. And the decor is usually very attractive. And they know all about the latest styles. And they all cater to the budgets of mortgaged homeowners. Therefore, and as long as we men like to see a pretty head around the house, subject to surprise changes in color and style, I say: "May they long continue to tint, dye, frost, tip, wave and curl."

DES Card Party

The Emersa Chapter no. 676, Order of Eastern Star, will hold a jamboree card party at the Hicksville Masonic Temple on Apr. 12 at 9 P.M. In connection with the affair, members are making available more than 128 special prize awards.

NOW AND THEN

(continued from page B)

director turns it into an orchestra at short notice.

"The Hicksville Saengerbund is an old German singing society, and during its existence has won several trophies for singing. Its headquarters is the Broadway Hotel and the officers are: John Kallet, president; William Zimmermann, vice president; Henry J. Nickolaus, secretary; John Morenburg, treasurer; August Reinhard, librarian; H. Rasche, director.

"The music teachers are Prof. Walker, Matilda Fleischbein and Mrs. E. Gutwiler, piano; Sidney Walker and Frank Milacek, violin."

CIVIC PROTECTION

Two other public-spirited phases of community life a half century ago were the Hicksville Protective Association "which was organized in 1889 by the citizens for the purpose of protecting themselves against tramps, thieves and fire, and the night watchman is paid by the Association. The officers are: August Fleischbein, president; Charles H. Voigt, secretary and treasurer." Those were before the days of local police.

The other organization, "Village Improvement Association" the article reports "was first formed from the committee which had charge of the firemen's convention held here in 1901, but it was not until the spring of 1902 that it was in full operation and active interest was taken in the association by the taxpayers. The association was formed for the purpose of improvement of the village and it has been very successful in many ways. They compelled the water company to make several concessions and they had a hand in seeing that the water mains were run where they would do the most good and also the placing of fire hydrants.

"The electric light was secured through the association and various minor things have been done that have been of benefit to the village. The officers are: Prof. G. Otto, officers, president; John H. Hahn, vice president; Henry J. Nickolaus, secretary; John Reinhard, treasurer. The association meets quarterly and the dues are \$1 annually. An executive committee of five has charge of important matters that come up between meetings and have the power to act for the best interest.

The next installment in this series, will present the story of churches, the fire department, fraternal societies and sporting clubs. Strangely enough the "Republican Association" and the "Democratic Association" (not clubs, as we call them today) were listed under "sporting clubs."

Arrange Benefit

The newly formed St. Rose Convent Guild will hold a Luncheon and Fashion Show March 29 at 12:30 P.M. in the Westbury Manor, Jericho Tpke, Westbury.

The proceeds of the affair will be used to aid the convalescent and retired Dominican Nuns now residing at the convent in Melville. Mrs. Augustine W. Finston is Chairman. Reservations may be made by contacting Mrs. Mario Calogero-IV 6-0838.

DINNER-DANCE SUCCESS

St Ignatius CYO Tourney of Champs Draws 250 Fans

by DON BROWN

HICKSVILLE - The first basketball Tournament of Champions sponsored by the St. Ignatius CYO at the Junior High School Gym, Saturday night, was a huge success with about 250 spectators present.

The four games played kept the crowd hopping up and down in their seats as the boys played their best games of the season. It was very evident that playing before such a good crowd the boys were putting out their best effort of the year.

The first game played by the Hawks and Falcons of the Midget Division which is made up of 7 and 8 year olds was a real crowd pleaser. It was a hard fought game that could have gone either way, the Hawks came out on top after trailing at the end of the first period, 3-1. The final score was 5 to 4. The Falcons dominated play in the first quarter and seemed to be primed to walk away with the game, but as the second quarter started Hart of the Hawks hit with a nice shot to tie up the game and shortly thereafter dropped in another to put his team out in front to stay.

The second game was another exciting game between the Tigers and Apaches of the Intermediate Division for boys 9 and 10 years of age. This game started out in real ding dong fashion as first one team and then the other would score. The Tigers moved out in front at the end of the first period by 9-6 and were never headed. The Apaches were a real hard luck ball team this night as they had at least six shots that went in the basket and popped back out and many others that rimmed the basket but refused to fall the right way for them.

In the last period after having been held scoreless for the middle periods through a combination of bad luck and some very good defensive play on the part of the Tigers, the Apaches started to hit and were coming on fast but it was a case of too little too late. Final score of this one 17-12.

Plan Science Fair

Hicksville students are joining with thousands from the neighborhood in the presentation of the Westbury Mid-Island Science Fair to be held at Westbury High School, Apr. 24 to 26. Participating firms include: Republic, Grumman, Sperry, Air Force, Navy, Sylvania and L.I. Lighting Co. The fair will be open from 10 AM to 10 PM with admission free.

In the third game the St. Ignatius Bantams downed the Lee Ave. All Stars 24-18. This was another fast moving game with the boys from Lee Ave. giving a good account of themselves against a team that has played together all season. The All Stars trailed at the half by one point 8-7. The Bantams started to pull slowly away at this point but had no easy task in doing so.

The final game of the tournament pitted the Tyros and the Juniors. These older boys displayed a fine brand of basketball which resulted in a crowd pleasing game. The Tyros who have a top team this year as is evident from their seasons record in which they compiled a 14-0 record in league play and an overall record of 22-2, downed the Juniors 33-24. The Juniors were handicapped in that they had to play the whole game with only five men. Jarvis and Mueller of the Juniors shared high scoring honors for the game with 9 point apiece, while the Tyro scoring was fairly evenly divided among the team. Dushnick and Biani led their team with 8 and 7 points respectively.

PAPER DRIVE
The paper drive Saturday showed a slight improvement over last month but is still a long way off from what it has been. The committee has requested that we ask people not to drop off their papers before the third Saturday of the month. They have had to go up to the vacant lot in rear of the school on the second Saturday to pick up papers that have been dropped there.

If you have so many papers before the third Saturday call either of these numbers and they will be glad to arrange for the pickup beforehand - WE 5-2536 or WE 1-3382. We urge you to continue to save your old papers, cardboard and rags and ask your neighbors to do likewise. Let's see if we can bring our collections up to where they were next month and if possible exceed the old high.

PRIZES FOR SELLERS

This coming Saturday, Mar. 22, the boys who earned prizes by selling boxes of candy will receive their prizes plus a treat of hot dogs and soda pop. At 11 AM at the St. Ignatius School cafeteria the committee will make distribution of the prizes to the 134 boys who earned them. Each boy will be notified by card of this information and must bring his card with him as his ticket of admission.

BASEBALL TRY OUTS

Baseball registration closed this past Sunday with approximately 440 boys signed up for the coming season. The first tryouts for the older boys will be held on Saturday, April 5 with the medical examination tentatively for this same weekend. The committee is going to notify all boys by card when to register.

TEAM WINS ANOTHER

The St. Ignatius PBC basketball team racked another one up in the win column this past week when they downed Lakeville by 41 to 37. McGinnigle was held to a mere 19 points in this one, while Chris Colletta dropped in 12 and Patty Di Monaco had 10. The rest of the team plays Merrick this week at the Jr. H.S.

BOWLING

The bowling league continued dropping the pins this past Saturday in ever increasing numbers. In next week's edition of the HERALD we will give the up to the minute standings and the latest highlights from our keepers.

COMMUNITY PARK

(continued from page 1)
there was only one P-TA for the entire community, has long advocated establishment of a community park. Before the days of Mid Island Plaza, the former St John's Protectors property on North Broadway was visualized by many as an eventual community park. Loren Portman, president of Midland Civic Assoc which has described itself as spearheading "organized opposition to the park proposal", this week suggested the question of a 50-acre park be submitted to a public referendum.

The Midland Civics content that while a park is desirable, "was not a necessity and should therefore not be considered until all necessary school and local programs have been completed."

Regarding a referendum, Portman said: "Should the Town Board be reluctant to spend the money involved in holding a special referendum, we suggest that the Town official arrange with the School District authorities to include this proposition on the voting machines at the election of School Trustees in May. We realize Portman continued, "that such an action would be unorthodox and could not be legally hiding on the Town Board, it does however afford the opportunity, at no extra cost to the taxpayers, to determine the true wishes of the people in this matter."

It was learned unofficially that

an "informal referendum" has also been discussed by the Citizens Park Advisory Group appointed by the Town Board. The Advisory Group is submitting its findings directly to Supervisor John J. Burns, and the Town Board. Meanwhile, the committee of citizens which circulated a petition asking the Town Board to acquire a 50-acre tract in the northwest section for long range development

as a park, now headed by George Windsor, is willing to provide speakers on the proposal at local organization meetings.

CAN YOU GUESS what these tools are used for?

They make your phone more dependable...help keep its cost low

No wonder most of us take the telephone for granted. It's always there, ready to serve us, any hour of the day or night. Fact is, the average phone is out of service only once in six years.

Such dependability doesn't just happen. Keeping millions of dollars' worth of intricate, complicated equipment in top working order is an exacting job. And it would be a lot harder, and costlier, without specially designed tools like the ones shown here.

Over 1,700 different "telephone" tools are in use right now. Helping install new equipment. Speeding repairs. Spotting trouble before it starts. And, most important, helping to keep the price of good, dependable telephone service lower than you might otherwise need to pay.
