Entered as Second Class Matter at Hicksville, N.Y. Post Office.

SCIENCE FAIR winners receive their awards from Victoria Penner, at left, president of the Phy-Chem-Bi honor society of Hicksville High School. Winners were Roy Zolnoski, first ward; Mary Jane Pierce,

2nd; and Jerry Miskovsky, 3rd. First annual Science Fair at the High School, Friday and Saturday, drew hundreds of spectators. See story below (Photo by Jaar.)

First Science Fair Impresses Parents

By J. R. BRADLEY

The First Annual Science Fair of Hicksville Schools was held on the 28 and 29 at the Senior High School. Many varied entries from many schools were represented. Models of satellites, precision instruments, space projects, electronic devices, biologic bits, chemical exhibits and trade exhibits were displayed. An excursion through the many bits displayed in the huge gymnasium was more than worth the time and effort. The faces of many parents, reflected the awe and pride

of the abilities of their own and of their neighbor's children. Many of the exhibits were uncanny, not only in the sense of design and application, but in the showmanship in which the exhibitors presented their wares. A feeling of profound satisfaction routed any thoughts of juvenile backwardness or delinquency. A visitor couldn't help but see a representation of strength and security of a nation soon to be placed in the hands of this generation. Fear and frustration of the future of our country and of our children was stamped out by the ingenious and incredible ability of

these youngsters.

Top award went to Roy Zolnoski, 15-year-old son of Mr. and Mrs. Charles Zolnoski of 50 Myers Ave. a sophomore at Hicksville High, who exhibited an oscilloscope, which when coupled to a detector-amplifier and microphone projected a visual wave pattern image of the heart beat of an animal non the scope screen. An interpretation of the abnormalities of this organ could be accomplished with such a device. Roy anticipates a career in electronic engineering.

He was also awarded a first prize medal in 10th grade physics.

Second place award went to Mary Jane Pierce, a sophomore at Hicksville High, for her unusual display of a butterfly collection. Mary has not completed the plans for the future.

Third place award went to Jerry Miskovsky, student at Junior High who displayed a unique electronic photo cell relay assembly. Time, patience and ingenuity made for a fine presentation. Jerry plans to pursue a science and engineering course in college.

Tom Woodruff also of Junior High, won first award in biology.

CANCER CRUSADE

The Bethpage Cancer Crusade is now underway. During the month of April, several hundred volunteers under the direction of Mrs. Arthur Gulden, 78 Broadway, will visit every home.

Albany Enthusiastic

Extra School Month Looms

HICKSVILLE -- A longer school year for public school students, by enlarging the summer school program, is more than a remote possibility, it was learned this week. The State Education Dept at Albany is enthusiastic about the possibilities it was indicated following a presentation by Dr. Wallace E. Lamb, Superintendent of Schools.

School Board President Emil J. Szendy suggested the so-called 11-month school year during recent discussions with representatives of the Classroom Teachers Assoc. regarding the teachers' salary scale.

Under consideration by Board members is a plan to add a half of the extra month next August and the other half in July 1959. With 40 additional teachers coming into the system next year, plus replacements, the extra month employment would be valuable, the School Administration feels. New teachers would become acquainted with the school curricula, supervisors and administrators during the extra period and the system could start off "under full sail" right after Labor Day.

The Classroom Teachers Assoc. has issued a statement regarding an extended school year declaring the Board of Directors of CTA favors in principle, the extension of the school year.

However the CTA feels it "should (1) be completely voluntary for teachers and students, and (2) increase teachers' salaries by a proportionate addition to base pay. The teachers do not enjoy their two month period without pay. This forces professionals to seek other employment every summer."

In advancing the longer school year proposal, Szendy noted "the root of the salary problem is that teachers work for a period of 41 weeks but attempt to earn a full year's salary in that time." At present, teachers who work in the Summer High School are paid extra for the voluntary application at their regular rate of pay.

The budget as prepared for (continued on page 2)

Meter Parking At Two Fields

Metered all-day parking will go into effect in several Hicksville parking fields on April 15, it was learned today. Metered control as five cents for two hours and 25 cents for 12 hours are: No. 4 east of RR between E Marie and E Nicholas; No. 6, east of RR between Heltz Pl and E Marie St. Changed to a five-hour limit will be No. 8, west of Broadway between Carl and Cherry Sts. No. 5, east of RR between Heltz Pl and Bay Ave will be limited to resident parking permits available at the Town Hall Annex, 32 Eway, Hicksville.

Time limits on most other fields are two hours.

Lions Offering Hear-A-Lite

Lawrence G. McCaffrey, President of the Hicksville Lions Club, announced to the membership at a recent dinner meeting at Henningsens, that the club, as part of the aid to the visually handicapped program, will participate in the Hear-A-Lite plan.

Dr. Lowell D. Gatt, chairman of the Sight Conservation Committee of the Lions, explained the Hear-A-Lite as being an aid for the hearing blind.

For further information about the new device and how to obtain it write the Hicksville Lions Club, P. O. Box 201, Hicksville.

School Board Meets Saturday

HICKSVILLE -- The Board of Education will meet again this Saturday afternoon, April 5, at 2 o'clock in the faculty-cafeteria of the high school, combining a special budget preparation meeting with the regular weekly session. The Friday night meeting this week has been changed to Saturday because of the religious holiday.

There was little official action last Saturday afternoon. The Board assembled at 2 o'clock, began a discussion of proposed changes in the teachers' salary schedule, went into executive session by formal motion at 2:30. There were about 30 spectators in the audience, mostly teachers.

At 5:30 Board Vice President Allen Carpenter announced to those assembled that the Board would, as a committee of the whole, meet with a committee of the Classroom Teachers Assoc. Various

board members left between 5:30 and 6 and the meeting was adjourned, lacking a quorum, shortly after 6 in the evening.

The meeting last Friday night was devoted largely to paying bills and personnel changes.

The Board this Saturday is expected to set the dates for voter registration for the Annual Meeting and Election, May 6 and 7.

One trustee will be elected for the School Board on May 7. Emil J. Szendy, member of the Board for two three-year terms and its president last year and this year, announced publicly over the weekend that he does not intend to seek re-election.

One trustee of the Public Library for a five-year term will be elected at the annual meeting on May 6. The term of John E. Hansen, appointed to the Board to fill a vacancy, expires this year.

Alaskan, Hawaiian Theme For Pack

Flowered leis, made of paper, fruit baskets, and songs of Hawaii sounded the theme of the month - Hawaii - and Alaska at Cub Pack 375's meeting of the month at St. Stephen's Lutheran Church in Hicksville. Miniature towns and maps depicting the land of Alaska were also exhibited by the Cubbers. Den 2 presented the colors in an impressive marching flag cere-

mony, leading the Pack in the Pledge of Allegiance, Cub Scout promise and law of the Pack. Mrs. Coffee's Den 5 boys acted out a skit, illustrating the industries of Alaska, and Mrs. Anderson's Den 2 Cubbers acted out some of the games played by Alaskan children. Cubmaster Harold Van K. Dyke was presented a going away gift as he and his family are planning to

leave for California within the next two weeks. Mr. Van Dyke has been transferred to the West Coast. Robert Jens is assuming the duties of Cubmaster. Chairman Herbert Nelson announced that the April meeting is re-charter night and additional committeemen were necessary to fill the requirements of Council. Response from the Dads was immediate and if attendance at the April meeting is as planned, Cub Pack 375 is well on the way to another year, with plans under way for bringing in additional boys to fill the places of those boys who have gone into Scouting.

All boys receiving awards marched to the Stage for inspection. Bobcat badges were awarded to: Anthony Bucci and Frank Kozluk. Wolf Badges: Donald Hughes, Gary Hubbs, and Donald Nelson. Bear Badges were won by John Tucci, Thomas Hughes, Jeffrey Jina, Lion Badges were awarded to: Terry Glenn, Richard Carroll, Meyer Valente, and Bruce Meier. Gold Arrows were won by Donald Hughes, Gary Hubbs, Bertram Jantzer, James Brophy, Louis Raffa, Carl Bowen, John Tucci, Thomas Hughes, Terry Glenn, Jeffrey Jina, John Van Dyke, Richard Fortgang, Terry Glenn, Harvey Blum, Bruce Meier, Kenneth Nelson, and James Bowra. Silver Arrows were awarded to: Stanley Arbatowicz (2), John Coffey, Carl Bowen, Richard Fortgang, Bruce Meier, and Kenneth Nelson (2), and James Bowra. A one year pin was awarded to John Rabbit. Two year pins were received by Richard Carroll, Meyer Valente, John Van Dyke, and William Sjien. Three Cubs were graduated into Webelos, they were: Terry Glenn, Harvey Blum, and Kenneth Nelson.

DEAR JEAN..

Our Assemblyman ED FEHRENBACH of Bethpage was a guest speaker before combined political science groups at Hunter College yesterday (Wed.) at 12 noon. GEORGE S. SQUIBB, great grandson of Dr. E.R. Squibb, founder of the drug firm, was interviewed on the WHLI program broadcast from Mid Island Plaza last week. North West Civic Assoc. in a bulletin to its members comments: "a vote of thanks to the LI Lighting Co for their round-the clock work during the recent severe storm. The LIRR is also to be commended for setting up the train at the Hicksville station for the use of those people who were without power". The Assoc. holds its third annual dance May 10 at Hemminger's Restaurant. Dr. HAROLD E. MITZEL of Hicksville has been appointed director of research and evaluation for the teacher education division of the New York City Board of Higher Education. Nassau CD office suggests you mark the Conelrad frequencies (540 and 1240 KC) on your radio dial. The Community CD office will provide, free of charge, small Civil Defense decals for this purpose if your radio is not already marked. KURT POHL INSISTS THAT HE IS "definitely not" a candidate for the School Board this election. OHLL reports the average temperature for the week Mar 15 to 21 was 37.42 degrees compared with 44.57 degrees the same period last year. April 26 is the last day for filing of petitions for School Board candidates in Hicksville.

MEDARD OFENLOCH is scheduled to be re-elected tonight (Thurs) for his second term as Chief of Hicksville Fire Dept. although there have been reports of a possible write-in. The firemen of Hicksville will make their house-to-house canvass for their welfare fund in a single day, Sunday, May 18. Four of those six old pianos in the school system were sold, with prices ranging from \$7.50 to \$65.00. Ten of those old Nicholas St. School desks were also sold to residents who bid on them. School Board in Hicksville on Saturday set some kind of a record. It was called to order at 2 o'clock, went into executive session at 2:30 and then adjourned at about 6 o'clock lacking a quorum to do business. Three out of six members present left at various times. BOB GOODRICH could not attend because he had a dental engagement at the time. KAY von FREYMAN who is publisher of the Bellmore Home News will be heard this Sunday afternoon, April 5th, on Notes from Your Home Town Editor's Desk on WHLI at 2:45 PM. FRED J. NOETH of the Herald is program coordinator. Citizens for Better Government in School Affairs was scheduled to meet last night (Wed) at the high school; likewise the Citizens Advisory Committee on Education and likewise the Civic Information Council. Nassau County District Attorney FRANK GLETTA will be guest speaker tonight (Thurs) when the Mid Island Italian-American Fraternal Assoc meets at their clubrooms, 351 So. Bway, Hicksville. BEST WISHES for the Easter season to all our readers. If no one has been to your home for the Red Cross Fund Drive, leave your contribution at the HERALD office, 225 Bway, near Old Country Rd., and we'll see that you get a receipt.

The East St. PTA meets this (Thurs) evening at the school and an interesting meeting has been planned with square dancing and refreshments following all business. Old Country P-TA Has Election

At the Mar. 19 meeting of the Old Country Rd. P-TA of Hicksville election of officers for 1958-59 was held, and the following are the new officers: Mrs. Edwin Arundell, President; Mrs. Robert Capel, Vice-Pres.; Mrs. Samuel Christiano, Rec. Sec'y; Mrs. D. Whitman, Corres. Sec'y; Mr. M. Cohen, Treas.; and Mrs. M. Abramowicz, Council Delegate.

P-TA Council Backs Children's Theatre

A children's theatre program, bringing professional entertainment on a non-profit subscription basis to elementary school youngsters, was approved at the Mar. 26 meeting of the Hicksville P-TA Council. Mrs. Martin Polsenski presided. Mrs. Bert Adams was appointed chairman of the new committee. Delegates representing the 10 schools of the district were: Mrs. Bernard Paul, Burns Ave; Mrs. Robert Mackin, East St; Jack Drutman, Dutch Lane; Mrs. Charlotte Melnitzky, Fork Lane; Mrs. L. Foran, Jr. High; E. Jacob, Old Country Rd; Mrs. John Figlia, Woodland; Mrs. Charles Glaser, High School; Mrs. H. F. Schuler, Lee Ave; and Mrs. Lowell Glatt, Nicholas.

Following election of officers, a Life Membership in the P-TA was presented to Mrs. Gertrude Low for her many activities on behalf of the P-TA during the past years.

After the business meeting, Chris Ward, Director of Hicksville CD, presented a very interesting program on what people should do in the event of a disaster. A film was shown which portrayed the needs of the Medical Service in the event of such a disaster. Ward also stressed the need for more cooperation in Civilian Defense.

The Joseph Barry Council, 2520, 1st St. of Columbus, friends, relatives, and parishioners of St. Ignace R. C. Church volunteered to participate in a great work of charity, on Tuesday, Mar. 25. 140 people came to St. Ignace Cafeteria for the purpose of donating their blood. This total the Inter-County Bank accepted 103 donors. A remarkable amount in such as last year's total was 88. It was then considered a record. Records are made to be broken, but the most important of it this wonderful evening was the way these people practice the true of charity.

A delicious buffet supper was served. The Supper Committee was headed by Herman Agipito who as usual did a superb job. The committee would like to thank all the women who prepared the delicious salads and hot dishes, and also Frank Englert for donating all the bread, rolls, and cake used for this occasion.

The Chaplain, of the Joseph Barry Council, Rt. Rev. Monsignor George M. Bittermann V.F. was present all evening and added much to the affair.

Bill Schiffmacher was the chairman of the large, efficient, hard working Blood Donors Committee.

Town Approves Industry Zone

OYSTER BAY -- The Town Board has approved a zone change from residential to industrial for a parcel of property on the west side of Cantigue Rock Road, Hicksville, with a frontage of about 500 feet on Cantigue Road. It was learned today. The proposal was the subject of a recent public hearing. An irregular seven and a half acre plot on the east side of New South Road, about 300 feet north of the LIRR crossing, is the subject of a public hearing on a proposed zone change industrial "H". The hearing takes place here on Tuesday morning, April 8.

OPERATION VFW

Hicksville Veterans of Foreign Wars Post No. 3211

by Lou Palladino

We have now elected our new staff for the coming year. With the new slate complete except for the selected positions, we are ready to go for another year.

This is the way it turned out; Commander - Lester Leiber; Sr. Vice - Bob Obermeyer; Jr. Vice - Jim Rock; Quartermaster - Palladino; Chaplain - Ed Shannon; Post Surgeon - Bernie Paul; Advocate - Harry Valentine; County Delegates - Jack Mulligan, Hill Frohenhoefer, and Fred Sutter; Alternates - Jim Klueg, Joe Gilman, and Harold Schliefer; Trustee for Three Years - George Hemmer. These men have all been elected to their respective posts. When we receive the selected ones we will give it to you.

We must commend our commander, George Walden, and his entire staff of officers for the great job they did this past year. Also his fine selection of committee. We are confident that the new slate with Les Leiber at the head will try to do just as well, and may even do their utmost to surpass the last group. Good luck, fellows, we're all with you. By the way, our installation will be held April 14.

We'd like to see as many of you boys as possible. Bring along your wives. The Ladies Auxiliary is also having their election, but we didn't get the slate as yet. We'll pass it on as soon as we do. The girls have been conducting themselves very ably so far, so there's no reason not to expect them to keep up their good work. We heard that the girls did very well at the Costume Jewelry Demonstration. They also raffled off a basket of cheer that night, and it was won by our good comrade, Alton Glese. It might be a good idea to pay him a visit at this time, as you may have a chance of getting a drink, a quite possibly a few extra flowers in your Easter bouquet. Either way the odds are on your side.

We have a sour note from one of our older members, Michael Donahue. Mickey is an old timer in Hicksville, and has had a heart attack. Drop him a card. It does so much for one that is laid up. His address is 57 Harrison Ave., Hicksville.

Legionnaires' Log

CHARLES WAGNER, Post #21, Hicksville, N.Y.

By ARTIF RUTZ

Just make a claim to fame and right away someone will dispute it....Last week I mentioned the fact that a claimant to the title of the youngest member of The American Legion with a 40 year consecutive membership rating was a woman who just displaced the first claimant by 33 days at the age of 58....Now I have a new and even younger claimant to that honor....He is 55 years old Vincent Bow of Greenville, Michigan....I wonder if the Army did its recruiting in the Boy Scouts during World War 17....I hope Nassau's oratorical hope in the Department finals at Syracuse makes the grade this year as it would be a nice trip to the National Finals which are being held on April 21 on the campus of Eastern New Mexico University at Portales, New Mexico and there's a \$4000 scholarship thrown in for the finals winner besides....

Our second Cocktail Party which was held last Sunday afternoon produced a gross that almost doubled the previous take....Sophie Stinson and Gloria Hesel were the busy and generous ladies who produced the fancy cocktail snacks....And Pete Seitz provided extra music with his bugle....Come out to next month's Cocktail Party and enjoy a few hours of Legion sociability. The 40th National Convention of The American Legion is scheduled for Chicago this year and this marks the second time since the close of World War 2 that the mammoth conclave will be held at an inland city....Convention sessions will be held in the Chicago

Stadium and the Palmer House has been selected as the National Headquarters hotel. The Conrad Hilton Hotel is to be the headquarters of the Auxiliary....Offices and Housing for the National Headquarters staff will be at the Morrison Hotel. The Big Parade will be held on Labor Day and this promises to be the biggest parade the Legion has ever held yet....

Herb Bachenheimer still at Mid Island Hospital and recovering nicely from his heart attack.... Sorry to say that there are too many old timers whose names appear on the Suspended List for failure to pay their 1958 dues.... Have you paid yours?...More information concerning Legion Life Insurance due to be released very soon, probably at the next meeting. How many Legionnaires realize the very fine job your commander Guy Smith has done this past year?...How many Legionnaires realize the fine efforts that the members of the Post's Advisory Committee for the Sons of The American Legion are making?...Incidentally, if you are the parent of one of the members of The Sons, don't let him miss the trip to Kings Point on April 19th....Come along yourself....Probably the trip will be by bus, ask your boy for the details or check the next issue of your Post newspaper....Come out to the next meeting and say "Hello" to your fellow Legionnaires, enjoy their company, enjoy the free food and if you are lucky you may enjoy the free cash....

Heating Systems Need a Check-Up

Spring, the time when home heating systems become idle, is the best time to ready those heating systems for safe operation in the Fall, says the National Board of Fire Underwriters.

A qualified expert should be called in to service and adjust the heating plant, flues and chimney, and inspect the whole system for defects or weak spots which may need repairs.

If you are now using portable heaters to bridge the gap between furnace heat and summer heat, take these important safety precautions:

1. *Electric heaters.* See that they do not overload electrical circuits.
2. *Portable oil heaters.* Keep them level. Fill them outdoors. Never fill or carry a lighted heater. Provide adequate ventilation in rooms where they are in use.
3. *Gas heaters.* See that they are vented to the outdoors.
4. *All heaters.* Keep them clean and in good repair. Place them out of people's way and away from combustibles: drapes and furniture, for example. Do not let children play with, or too near, them.

Paint Brush Use

Grip the brush on the metal ferrule, the handle between the thumb and forefinger. Use a long steady, even stroke. Lift the brush gradually at the end of the stroke to feather out the edge. Never ride your paint brush.

Wood Siding Available In Variations Spring Clean-Up

Home owners planning exterior renovation of their homes, a fact often carried out at the time an addition is made to the old house, have a choice of various types of wood siding at the local lumber yards.

They can obtain effects of pattern, texture, color and line that give a new distinction to an ordinary old house.

Many new houses designed by architects and builders depend on imaginative use of wood siding for dramatic architectural effects, according to the National Lumber Manufacturers Association.

Big Appearance

Narrow widths of bevel siding or narrow widths of vertical siding give an appearance of greater size to smaller homes.

Random width bevel siding, applied in regular rotation, varying from 4-inch to 10-inch boards, gives an individuality comparable on the outside to the effect of random width flooring on the inside.

Vertical siding may be used in combination with horizontal siding to give pleasing proportion to long, low houses.

The three principal kinds of wood siding are bevel, drop and vertical. Bevel, also called lap siding, is a direct descendant of clapboards. The first clapboards were rough square-edged boards lapped over each other to shed the rain. Later, they were tapered to make one edge thinner than the other and, thus, provide a tighter fit against the house frame.

Today's bevel siding is made by sawing square-edged boards diagonally to produce two wedge-shaped pieces. Bevel siding eight inches or wider is often called bungalow or colonial siding.

Rabbit Joint

Bevel siding is sometimes manufactured with the inside part of the

thick or bottom edge cut away. The thin or top edge of the next piece fits into the cutaway portion to make what is called a rabbit joint.

When rabbeted bevel siding is used, the backs of the boards lie flat against studding or sheathing and the shadowline on the exposed surface is somewhat less than provided by the plain bevel.

The exposed surfaces of all bevel siding have an outward slant.

Drop siding comes in many patterns and is machined on the edges so that each board joins the next in a shiplap joint or tongue-and-groove arrangement. A shiplap

joint is much like a rabbit joint. A channel is cut along the bottom inside edge of each board, the top edge of the next board is machined to fit under it.

Drop siding, sometimes used without sheathing, does not slant outward as bevel does but fits flush on both sides.

Modern methods of manufacture, selection and grading assure that wood siding gives even better technical performance than ever before. Wood siding contributes to the rigidity and stability of a home, adds a high degree of insulation to walls, and gives lifetime service when properly applied.

Medicine Cabinet Prevents Poisoning

Since accidental poisoning kills more young children than polio, diphtheria and scarlet fever combined, it is important to select a sufficiently large medicine cabinet when planning to remodel your bathroom.

The medicine cabinet should be large enough to store all dangerous products out of the reach of small children. Standard cabinets are available with storage capacity ranging up to 1919 cubic inches. Capacity can be doubled or tripled through the use of twin or triple cabinet installations, joined together by simple joiner strips. A special folder on this subject has been prepared by the F. H. Ton Co., Cincinnati 4, Ohio, and is available free upon request.

Designed to Stay Bright
Gleaming porcelain enamel and metal surfaces of new gas appliances are designed to stay smooth and bright for many years and just won't hold dust or grime. In hidden spots, too, such as range ovens and broilers, smooth shining surfaces mean minutes saved in clean up time. Just seven minutes a day, the Gas Appliance Manufacturers Association points out, add up to more than 40 hours a year.

Clean-Up Can Cut Exposure Threat

One of the greatest personal benefits of a community-wide clean-up campaign is that it can reduce the danger of exposure—that is, the danger of one fire being caused by another originating nearby.

Figures compiled by the National Board of Fire Underwriters for a 10-year period show that exposure ranks among the top 5 causes of fire today. A building free of fire hazards is still in danger of being set afire by sparks from a nearby burning structure, or by a fire which starts in rubbish or tall grass on a nearby vacant lot and spreads to surrounding buildings.

Every local citizen has a direct interest in the safety not only of his home but also of the mercantile establishments, industrial plants and public buildings of his community. Damage or destruction of any of these results in personal loss of one kind or another, ranging from mere inconvenience and loss of time to loss of job, home or family. By reducing fire hazards in every part of town, a successful clean-up drive brings added safety benefits to all.

Freedom Salute Due On Apr 28

Fraternal, religious and philanthropic organizations in the communities of Bethpage, Hicksville, Jericho, Plainview and Syosset are sponsoring an Israel Tenth Anniversary "Salute to Freedom" program on Monday, April 28 at 8:15 P.M. at the Plainview Theatre.

Rabbi Jacob Polish of Temple Israel in Kew Gardens will be guest speaker; Rabbi Polish will discuss the importance of Israel, as the only pro-Western democracy in the Middle-East, to the security of the United States.

The program will include an Israeli short, the full length film "Hill 24 Doesn't Answer" and the regular main feature, at the Plainview Theatre during that week. There will be no fund-raising throughout the evening. Tickets are on advanced sale and may be purchased at regular box-office prices, by calling WE 1-1188 or WA 1-2641.

Geo. Jackson School Becomes Community Center

By DAVE MARK

From a boy's-eye view, the new night opening program at the George A. Jackson School in Jericho is a welcome addition to our community's teen-age activities.

Birchwood Park and Jericho boys now can have free use of the school gym from 7:30 to 10:00 PM on Wednesdays and Fridays. Monday nights are ladies' nights...young ladies that is, in the teen-age group somewhere between fairy tales and pony tails.

The athletic fare provides for basketball and volleyball. This is an elementary school and such gymnasium paraphernalia as parallel bars, horses, flying rings, etc. are not standard equipment. Provisions for quilts and shuffleboard may be made later. But, for the boys who have attended the first few night openings, the opportunity to play basketball with their friends next door in their "own" gym is all the inducement needed for them to plan regular attendance each week. We might add that, for those young athletes who want to improve their outwork, a plan is under consideration to set aside part of Friday nights for dancing. (Anyone for rock and roll basketball?)

The gym will be under the supervision of interested adults. During the first few nights, enthusiastic parents attended and immediately went to work as basketball referees. The boys provided their own equipment and are planning to form teams to play against other community centers. While the school showers are available our rugged lads have been in the habit of wearing their

photo by Allen C. Lyon

basketball shorts under their street clothes, coming and going, and cool off on the way home at 10:00 o'clock.

The program under the aegis of the Jericho School Board, is supported by the Youth Council and the Birchwood Park Civic Assoc. among many other interested organizations. The formal opening of the program will be launched with a party in approximately three weeks. However, the gym is open now to all eligible teen-agers.

We visited the gym a few nights ago and found nine boys having a spirited, if uneven, game. Their enthusiasm resounded from the unfinished floor to the unfinished ceiling, which eventually will be acoustically tiled. As many as thirty five boys have shown up on some nights, and they are certain to attract more boys - and girls - to the program. Except for a visit to a bowling alley, or an occasional invitation to another community center gym, these youngsters have had little outlet for after dinner activity. They were most vocal in their expressions of appreciation for this new program and their spirit should be contagious to our whole community.

AN EDITORIAL:

It's One Community

Most of our residents are aware of the fact that the children of our community attend two different school districts. In general the children in section 1-5 go to the Jericho School, while the children in section 6-9 go to the Syosset Schools. It is also a fact that our community belongs to two different fire districts broken down in almost the exact manner as the school districts. However, for all other important matters such as builder relations, entrances, boundaries, post office mailing address, voting, State, County and Water taxes, etc., we all have the same common problem.

Our Civic Assoc. has recognized this problem and has attempted to solve it by making certain that our committees represent the entire community. For example, a separate school committee for each district has been appointed with each having its own chairman. The taxation and zoning committee has members representing each district, and so it goes with all other committees. The VILLAGER wishes to further point out that three of the current seven top officers of our Civic Assoc. live in the Syosset School District section of our community.

However, despite all the sincere efforts of our Civic Assoc. to truly represent the entire community, the VILLAGER occasionally hears grumbles of discontent, such as: certain sections of Birchwood are being favored while other sections are ignored, certain sections feel that they are treated as "orphans", others feel that the original residents of our community have captured the civic association and will not give others an opportunity to do a job.

The VILLAGER has checked the facts and finds that the above complaints are not valid. Every resident of our community has the same privilege of becoming a member of our civic association. As a member he has the right to vote for officers of his own choosing. Every member has the right to join any committee of our Civic Association because all committees are open committees. The truth of the matter is that our Civic Association is most anxious to get more and more active members on all its committees.

We all bought our homes in Jericho, and Jericho is where we intend to remain. The fact that our children may go to different schools does not alter the fact that we are one community irrevocably tied together by boundaries, common problems and neighborliness. We defy a stranger entering our community to identify which homes belong in what school district.

Recently a conflict arose in which a certain charitable organization representing Syosset area intended to solicit funds from sections 6-9 of our community, machinery to collect similar charitable funds had already been set up to solicit our entire Birchwood community, including sections 6-9. Our residents from section 6-9 vigorously protested solicitation by the Syosset group, pointing out the conflict of jurisdiction. The Syosset, charitable group withdrew, and we are happy to report that a successful financial charitable drive was made by volunteers representing our entire community.

At the present time many of our children are confused as to which "little league" to join. It appears that many of the children in section 6-9 received notices in school inviting them to join the Syosset Little League. Many of the children did join the Syosset League not realizing that they were eligible to join the Jericho Little League. We believe that all our children should join the Jericho Little League thereby giving them an opportunity to meet and play with the children of our community.

Remember, one community we are, and one community we shall remain, resisting any effort to alter this natural harmonious position.

Invitation To Hilarity

THE DRAMATIC GROUP of our Civic Assoc. will present the Broadway hit, "Anniversary Waltz" at the Syosset High School on Saturday and Sunday evenings, April 19 and 20. Admission tickets are \$1.85. All residents of the Mid-Island area are urged to purchase tickets and attend one of the performances of this rollicking comedy. Above are scenes from rehearsals. The cast consists of a talented group of Birchwood residents who have had previous dramatic experience and have formed this dramatic group under the auspices of our Civic Assoc. They have worked for many months rehearsing this play and all who attend may rest assured that a most enjoyable evening is in store. Tickets may be obtained by calling WE 8-8716 or Overbrook 1-3623.

EDITORIAL NOTE

The Villager is happy to announce that David Mark, author of the above article, has joined the staff of this newspaper. Mr. Mark's treatment of his initial assignment for the Villager attests to his skill as a Villager Reporter. We welcome Dave and look forward to a long and pleasant association.

A Crisis Overcome

Dr. M.L. Lawrence
Chenon Health & Public Safety Comm

On March 20 and 21 a snow-fall of unusual intensity and depth hit Birchwood Park at Jericho along with other parts of L.I. It was obvious from its inception that this storm would be most devastating in its effect on the lives of the residents of our community.

Late Thursday afternoon on the 20th of March, an electrical power failure occurred in over 95% of the homes in our area. Within one hour about 50% of these were back in operation, the remainder of which were without electricity from 24 to 36 hours.

A great exodus from freezing homes began Thursday evening thru Friday. Most of these families were taken in by their friends and neighbors who responded to a community emergency magnificently and with no hesitation.

The obvious demonstration of unpreparedness for such a power failure with no stopgap lighting, cooking or heating facilities was almost complete throughout the community except in the crudest and most makeshift form. A few near tragedies occurred due to the lack of knowledge while trying to heat a room with improper equipment and an insufficient oxygen supply.

The commanding officer and men of the 2nd Precinct, Nassau County Police, on Broadway, are certain-

HERE AND THERE

A Thank You luncheon given by Hazelwood Drive who bowled 177 Cerebral Palsy for all those who helped in the drive was held Wednesday afternoon, March 26. The place - the Jericho Country Club at no cost to Cerebral Palsy graciously donated by the owners.

Two membership teas were successfully given by the Jericho Jewish Center Sisterhood. The homes of Lillian Braunstein, 21 Magnolia Lane and Marcia Widrich, 14 Birchwood Park Drive, were the meeting places.

Mr. and Mrs. Philip Wasserman are the proud parents of a girl. The Wassermans reside at Mellow Lane in Birchwood.

Election of officers were the highlights of the B'nai B'rith meeting held Wednesday, Mar. 26 at noon. Again the Jericho Country Club donated their room to this organization and B'nai B'rith wishes to thank Lou Straus and Mrs. Shore for their cooperation. The women elected were as follows: Pres. Sylvia Nueren - Four Vice Pres. are Sydelie Sterling, Sylvia Richner, Dorothy Saltzman, and Audrey Chalkin. Corres. Sec. Roz Elsmann, Fin. Sec. Edith Schwartz, Rec. Sec. Lila Schell, Treas. Shirley Meshakow, Counselor - Zelda Isko, Trustees - Edith Moss 3 yr, Bea Berger 2 yrs, Shirley Eagle 1 yr. Alternate Delegates to convention - Dorothy Saltzman, Audrey Chalkin, Shirley Meshakow, Council Alternate Delegates - Shirley Eagle and Edith Schwartz.

Mr. and Mrs. Edmond Grant of 76 Hedgerow Lane just returned from abroad after visiting Portugal, Italy, Spain and last but not least Gay Paree. Welcome home Diane and Ed. (I wish it were me).

A Model Seder was held Saturday, Mar. 29, at the American Legion Hall in Hicksville for the children of Temple Or-Elohim. Passover was the celebration. Rabbi Paul Levinson officiated.

Congratulations are in order for Mr. and Mrs. Ralph Diamond of 22 Fountain Lane on the Bar-Mitzvah of their son, Kenneth Stuart. The date was March 29, the place of services Jericho Jewish Center. Sisterhood of Temple Or-Elohim scored again. The Bowling Party held on Sunday, March 23, was acclaimed as a tremendous success. The trophies were carried away by Morris Herrick of 108

Happy Birthdays to the following: Michael Lyons of Forest Drive, Dennis Shephard of Maytime Ct., Ilene Pincus of Maytime Court, Irwin Friedman of Maytime Ct., Susan Ladmer of Middle Lane, Barry Berger of Maytime Dr.

Get well fast Bea Gumerov of Bounty Lane.

Well, I'm just about thawing out from that lovely spring blizzard week-end without heat and lights for three days. I never appreciated the little things in life like being warm and watching Playhouse 90. Thanks to my neighbor's hotel we were warm till the lights went on over Long Island. (We had to sign the register at our neighbors but we didn't mind. In time of trouble, all Birchwood was turned into a Motel community. Thanks to all our neighbors who helped neighbors. (We'll never forget.)

We hope the Meyer Seidman's of Forsyth Lane are fully recovered by now. (Moral: don't light charcoal fires in the house.)

Gala card party and buffet sponsored by the Assoc. for the Help of Retarded Children, Syosset Auxiliary, was quite a success. The cause was and is a good one so please continue to attend their functions. For more information as to this Auxiliary please call Edith Silverstein, WE 8-9826.

Welcome home to Jack Shephard of Maytime Court. Back from Texas the smallest state (are there any Texans present?) oops, I mean next to Birchwood its small.

At the ORT general meeting the following slate of officers was presented: Those nominated will be elected at the general meeting in April. The slate consists of the following: Pres. Vera Mark; Vice President - Edith Kilnow, Membership-Co-Chairman - Ida Coburn.

An Unlucky Story

By Gloria Brunswick

Once upon a time on the first of Spring, 1958, a family named Brunswick who lived on a Lane and Hedgerow had an adventure with 149,000 other humans. It all started with a snowstorm. It was not unusual during this peculiar era of history. In fact it snowed so much and so fast that most people drew pictures to remind their children what the streets looked like.

Because of this particular snowstorm, a strange phenomenon occurred: the electrical power failed. On Hedgerow Lane it failed with discrimination - only one side of the lane lacked lustre. The Brunswicks lived on this side. At first they thought that maybe because the mortgage payment was delayed - but then as phone calls came in timidly asking, "Do you have heat, light, etc.?" they realized it was the work of some being higher than the Williamsburgh Savings Bank.

The man of the house arrived home early and just in time to see the paint job. The woman of the house was making a soot trail of a fire. She soon learned that in pioneer days her husband would cheerfully have traded to the Indians and kept his red moccasins.

The Brunswicks were fortunate enough as they had a fireplace which provided warmth for a radius of three square inches and a fair supply of wood thanks to the Williams and their newly finished basement. One neighbor, who exhausted fuel quickly, deliberated for an irrational moment and burned her son's bamboo drapes. It worked as though the son would slow when the father arrived in the nicotine and rammed two Mill towns down his spouse's mouth. At darkness came, so did the Rescue Committee. The bright side of Hedgerow Lane soon became a socialization center with a motto: "Be a Neighbor. Take in a Neighbor - His Kids, Dog, Cat, and Parrot." With their worldly possessions, (a limp, defrosted chicken and can of Campbell's Turkey Noodle) the Brunswicks trekked across the street to the warmth (literally as figures) of friends on Irving Mill.

Edith of Birchwood's heated lies, the Millers just couldn't tolerate. Elaine took one sad look very ditto chicken and threw a steak into the broiler. This was devoured later on by the red who feasted in the dining room. The Millers ate like chop-eaters. The party-like atmosphere continued throughout the except when Mr. Mason, Elaine's Father, thoughtfully reminded us, "You wanted Jericho - you got Jericho!"

While, back at the split-things were status quo. And as time for the Brunswicks

THE WALLS OF JERICHO

By Herb Shopiro

Less than one month to go to D Day (Drama Day at Birchwood). Tip - get your tickets now for the production of Anniversary Waltz, produced, directed, and enacted by residents of this community. Brooks Atkinson reports that scalpers are after any tickets they can get their hands on, and plan to sell them at \$300, a pair.

Another prerequisite to living at Birchwood. Heretofore, you only needed an income of \$50,000.00 per year. Now you can't live here without a snowplow, an electric generator, and hip boots.

Vespocket commentary on our civilization - We make Sputniks and machines that think, but have to scatter like refugees when a power line breaks. Maybe we can get one of our thinking machines to come up with an answer to that one - or at least figure a way to pin it all on the builder.

Home Owners Education Committee planning new forum on "How to survive in Birchwood without benefit of Lilco."

Business was so sensational at the hotels nearby that the several owners got together and are seeking to hire a team of trained gophers to go around snipping power lines in Birchwood.

In line with our policy of scrupulous fairness, we print the following statement by the builder regarding our report of the disappearance of an automobile in the hole at our entrance. "It's all a pack of lies, propaganda by our enemies to embarrass us, political mish-mash, and dialectic materialism - and besides, it wasn't a Renault at all, it was a Volkswagen."

Education Committee working hard on the problem of safety precautions at the Jackson School. Parents are concerned lest their children get hit by the many cars that infest the school area at peak periods. And so with safety in mind, they have been swarming to the school in great numbers to look after their children. We might add that they have been coming by car... silly isn't it?

Athletic program for our Teenagers underway at Jackson School Gym. Look for a rash of Father-Son Basketball Games soon. We're waiting for the Mother-Daughter games...now that should be a dilly. Town planning Committee starting long range program that may have a profound impact on our communal life. They are seeking to pursue the Telephone Co. to bury their wires under our streets. Our ladies, bless their active little jawbones, will keep these wires so hot that there will never be another snowbank in Birchwood. Open letter to George: Dear George:

Have you seen the new 'get-rich-to go even though the Millers kept protesting they liked to sleep on the floor and it was good for the posture and recommended by Good Housekeeping. So back they went and by candlelight, (romantic, yet) got dressed for bed.

Next morning, after checking with LILCO, who assured them they were doing everything in their power but were powerless to restore the power, the Brunswicks, screaming like MacArthur, "We shall return!" went home to Mother and Dad. Their tiny apartment was crowded but all took the situation cheerfully, especially Dad who kept muttering, "Put your life's savings into a house and you can't even live there!"

The return of the natives came about when the lights went on again all over Birchwood Park. That was the second day of Spring, 1958.

deal circulating about? You do not have to invest a red cent, but U.S. Savings Bonds come rolling in like mad. All you do is buy a list for \$75.00, add your name to it and sell it again for \$75.00. This is a new twist to the old Chain Letter racket...only here a lot of people are going to get clipped. Not only does the low man on the totem pole get clipped eventually, but is entirely possible that these lists are being manufactured wholesale and distributed like confetti. Just thought you should know about it, just in case someone slides up to you and whispers "How would you like to make \$53,000.00?"

Zoning News

The Oyster Bay Town Board has denied the application of the Sem Co. for down-zoning to industrial use of a 27 acre business parcel located on Jericho Tpke, approximately 1/2 mile east of Robbins Lane, because such down-zoning would not be in accord with the comprehensive plan of the Town.

As a result of militant opposition by local civic groups, the U.S. Department of Defense reversed its position with respect to the erection of low cost housing facilities in conjunction with the installation of a Nike Defense Site in the Brookville area.

The Government's plan with respect to housing was opposed on the ground that to erect 16,500 homes in a two acre zone area would create a breakdown in zoning restrictions, leaving the way open for developers to further down-zoning. This would result in bringing many more children of school age into the Jericho

While the Government is going through with its plans to erect the Nike installation, it will now arrange to make other provisions for housing its personnel.

ly deserving of our heartfelt thanks and gratitude. They turned in an excellent job during this critical period. A constant patrol of our community and all the homes contained therein was in effect and a house to house inquiry by police officers was the procedure, to see if any emergency existed.

When called upon for an emergency these men answered the call with miraculous speed considering the adverse weather and road conditions, probably saving more than one life in our community. It is quite comforting to know of the dedication of the men who are charged with the safety and welfare of our families and property.

A complete and comprehensive study is being made by our committee on minimum emergency equipment and the proper use of such equipment in any locality whether it occur at any time of the year. This is not the first power failure in L.I. and undoubtedly will not be the last so we must BE Prepared!

EDITORIAL COMMENT

The Villager, in behalf of our entire community also wishes to thank those thoughtful neighbors, who opened their homes and their hearts to fellow Birchwoodites during the recent snowstorm. We also wish to thank the Police - Fire and other Public Service Departments, including the maintenance crews of the L. I. Lighting Co. and the Telephone Co. for their efforts, often beyond the call of duty, during this emergency.

Civil Air Patrol

Applications are now being accepted for membership into a newly formed Civil Air Patrol squadron at the Robert Seaman School, Jericho. Young men and women between the ages of 14 and 18 are eligible to join the CAP which is an auxiliary of the Air Force.

The instructors of this program are qualified Air Force personnel. The meeting of the CAP included drilling, instruction in aerodynamics, and techniques used in rescue work. Qualified CAP cadets are offered many interesting programs, among which are: flight scholarships; international exchange program; and summer encampments. Moreover appointments to the U.S.A.F. Academy are available to qualified cadets who wish to enter the Air Force.

More information can be obtained by writing Wm. Ladner at 19 Middle Lane, Jericho, or by attending a meeting of the Civil Air Patrol on Wednesday evening, at 7:30 P.M. at the Robert Seaman School in Jericho.

Red Cross Needs Help

The mid-island area is lagging behind in the Red Cross Fund Campaign, it was learned this week. Hicksville with a quota of \$4,250 has collected \$414. With George W. Mathen and Mrs. W. Ashley Burrows as co-chairman. In Plainview where the goal is \$1550, co-chairman Mrs. Mae F. Sodaro and Mrs. Eileen M. Moylan have raised \$550. Bethpage led by Mrs. Gene Mazzara has raised \$500 with a goal of \$2,265. Jericho is credited with \$734.90 under co-chairman Mrs. James Alley and Mrs. Francis C. Catmody, special gifts, and a quota of \$3,355.

County Red Cross headquarters urges all who have not contributed to be their own volunteer solicitor and mail gifts to the Red Cross at Mineola. All contributions will be credited toward local quotas.

THE PEOPLE OF THE STATE OF NEW YORK to CHARLES L. LONG, as administrator of the estate of AMY L. LONG, deceased, and JOHN L. E. SAUVAGE, GREETINGS: WHEREAS, HAROLD C. PURCELL, who resides at 22 Hamilton Place, Garden City, New York has lately applied to the Surrogate's Court of our County of Nassau, to have a certain instrument in writing bearing date the 23rd day of August, 1957 relating to both real and personal property duly proved as the last Will and Testament of GERTRUDE C. KALB, a/k/a GERTRUDE C. KALB, deceased who was at the time of her death a resident of 152 Fairview Boulevard, Hempstead, in said County of Nassau, THEREFORE, you, and each of you, are cited to show cause before the Surrogate's Court of our County of Nassau, at the Surrogate's Court, Nassau County Court House, at Mineola in the County of Nassau, on the 16th day of April 1958 at ten o'clock in the forenoon of that day why the said Will and Testament should not be admitted to probate as a Will of real and personal property. IN TESTIMONY WHEREOF, We have caused the seal of the Surrogate's Court of our said County of Nassau to be hereunto affixed. WITNESS, HON. JOHN D. BENNETT, Surrogate of our said County of Nassau, at the Surrogate's Office, at Mineola, in the said County, the third day of March 1958. MICHAEL F. RICH, Clerk of the Surrogate's Court. (SEAL) HENRY W. SCHUBER, Attorney for Petitioner, 150 Old Country Road, Mineola, New York A86x4/4

SUPREME COURT, NASSAU COUNTY:

CENTRAL QUEENS ELECTRIC SUPPLY CORP. Plaintiff against, GENE SICKLES, ind. and trading as ELECTRICAL MAINTENANCE SERVICE, Defendant.

By virtue of an execution issued upon a judgment, rendered in the

District Court, County of Nassau, Second District, a true and correct judgment having been filed in the Nassau County Clerk's Office on the 3rd day of June 1955, in the above entitled action, in favor of said Plaintiff and against said Defendant, tested on the 29th day of November 1957, and to me directed and delivered, I hereby give notice that on the 28th day of April 1958, at 10 o'clock in the forenoon at the front door of the Nassau County Court House, facing Old Country Road, at Mineola, Town of Hempstead, New York, I shall expose for sale as the law directs all the right, title, and interest, which said Defendant, Gene Sickleless, trading as Electrical Maintenance Service, had on the 3rd day of June 1955, or at any time thereafter of, in and to the following described property:

ALL that certain plot, piece or parcel of land, with the buildings and improvements thereon erected, situate, lying and being at Hicksville, in the Town of Oyster Bay,

Pack 91 Assembles

Pack #91 of Hicksville had its monthly meeting on March 28 in the St. Ignatius Loyola School cafeteria. Due to the absence of Chris Riemels, John Gilinka was acting Cub Master. The dens were all very well represented by cubs and their families. A pleasant evening was spent watching skits and seeing the wonderful display of things the boys had made. The next pack night will be April 25.

NOTICE

The resolution published herewith has been adopted on the 25th day of March, 1958, and the validity of the obligations authorized by such resolution may be hereafter contested only if such obligations were authorized for an object or purpose for which the Town of Oyster Bay, in the County of Nassau, New York, is not authorized to expend money or if the provisions of law which should have been complied with as of the date of publication of this notice were not substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty days after the publication of this notice, or such obligations were authorized in violation of the provisions of the constitution.

HENRY M. CURRAN

BOND RESOLUTION OF THE TOWN OF OYSTER BAY, NEW YORK, ADOPTED MARCH 25, 1958, APPROPRIATING \$110,000 FOR THE CONSTRUCTION OF AN ADDITION TO THE WATER SYSTEM OF THE PLAINVIEW WATER DISTRICT OF THE TOWN OF OYSTER BAY AND AUTHORIZING THE ISSUANCE OF \$110,000 SERIAL BONDS OF SAID TOWN TO FINANCE THE APPROPRIATION.

WHEREAS, the Board of Water Commissioners of the Plainview Water District of the Town of Oyster Bay, Nassau County, New York, has approved and recommended an increase of the facilities of said Water District by the construction of a second well having a capacity of 1200 g.p.m. at Plant No. 3 on Orchard Street, Plainview, including installation of water mains to connect with existing transmission mains in Orchard Street and necessary appurtenances thereto, land or rights in land, and building to house said well and the necessary original furnishings, equipment, machinery and apparatus required therefor, all in the District, and has submitted a written petition requesting the Town Board of said Town to call a public hearing thereon and to make funds available therefor pursuant to the Local Finance Law, and

WHEREAS, said Town Board has duly determined that it is necessary to so increase the facilities of said Water District, and following a public hearing duly called and held, has adopted a resolution and order after public hearing determining that it is in the public interest to so increase the facilities of said District and has ordered the construction of said improvements, including the acquisition of the necessary land or rights in land at an estimated maximum cost of \$110,000, which resolution and order will be duly recorded in the office of the Clerk of Nassau County, and it is now necessary and desirable to make funds available by the issuance of obligations of the Town of Oyster Bay to finance the cost of said increase of facilities, now, therefore, be it

RESOLVED BY THE TOWN BOARD OF THE TOWN OF OYSTER BAY, IN THE COUNTY OF NASSAU, NEW YORK (by the favorable vote of not less than two-thirds of all the members of said Board) AS FOLLOWS:

Section 1. There is hereby authorized the financing of the construction of an addition to the existing water system of the Plainview Water District of the Town of Oyster Bay in the County of Nassau, State of New York, by the construction of a second well having a capacity of 1200 g.p.m. at Plant No. 3 on Orchard Street, Plainview, including installation of water mains to connect with existing transmission mains in Orchard Street and necessary appurtenances thereto, land or rights in land, and building to house said well and the necessary original furnishings, equipment, machinery and apparatus required therefor, all in the District, all as hereinabove referred to in the Recitals of this Resolution and in accordance with plans, specifications and estimates of cost prepared by Henry G. Holzmaier and Associates, District Engineers, C.E., consulting engineers duly licensed by the State of New York, on file in the office of the

LEGAL NOTICE

Town Clerk and hereby approved. The estimated maximum cost of said specific object or purpose, including preliminary costs and costs incidental thereto and the financing thereof, is \$110,000 and the said amount is hereby appropriated therefor. The plan of financing is the issuance of serial bonds of the Town of Oyster Bay and the assessment, levy and collection of the principal thereof and the interest thereon from the lands and parcels of land within the Water District in the same manner and at the same time as other Town charges.

Section 2. To finance the appropriation, serial bonds of the Town of Oyster Bay in the principal amount of \$110,000 are hereby authorized to be issued pursuant to the provisions of the Local Finance Law, constituting Chapter 33-a of the Consolidated Laws of the State of New York, as amended.

Section 3. The following additional matters are hereby determined and stated:-

(a) The period of probable usefulness of the specific object or purpose for which the bonds authorized by this resolution are to be issued, within the limitations of Section 11.00 a.1 of said Local Finance Law, is forty (40) years.

(b) Current funds are not required by the said Law to be provided prior to the issuance of the bonds authorized by this resolution.

(c) The proposed maturity of the bonds authorized by this resolution will exceed five (5) years.

Section 4. Each of the bonds authorized by this resolution and any bond anticipation notes issued in anticipation thereof shall contain the recital of validity prescribed by §52.00 of said Law and said bonds and any notes issued in anticipation of said bonds shall be general obligations of the Town of Oyster Bay, payable as to both principal and interest by general tax upon all the taxable real property within the Town without limitation of rate or amount. The faith and credit of the Town of Oyster Bay are hereby irrevocably pledged to the punctual payment of the principal and interest on said bonds and provision shall be made annually in the budgets of the Town by appropriation for (a) the amortization and redemption of the bonds to mature in such year and (b) the payment of interest to be due and payable in such year.

Section 5. Subject to the provisions of this resolution and of said Local Finance Law, and pursuant to the provisions of §30.00 relative to the authorization of the issuance of bond anticipation notes and of §50.00 and §56.00 to 60.00 of said Law, the powers and duties of the Town Board relative to prescribing the terms, form and contents and as to the sale and issuance of the bonds and the sale and issuance of any bond anticipation notes and the renewals thereof are hereby delegated to the Supervisor as the chief fiscal officer of the Town.

Section 6. It is further stated that

LEGAL NOTICE

the validity of the bonds authorized by this resolution, and of any bond anticipation notes issued in anticipation of said bonds, may be contested only if:-

(a) such obligations are authorized for an object or purpose for which the Town is not authorized to expend money, or (b) the provisions of law which should be complied with at the date of the publication of such resolution, are not substantially complied with, and an action, suit or proceeding contesting such validity, is commenced within twenty days after the date of such publication, or

(c) such obligations are authorized in violation of the provisions of the constitution.

Section 7. This resolution shall take effect immediately. A127 X4/3.

Faculty vs Dads Game Is Success

Last Thursday evening, March 27, the Burns Ave P.T.A. of Hicksville sponsored a Faculty vs Fathers Basketball Game. According to Mrs. Robert Dierker, Co-Chairman of the Recreation Committee and Mrs. Joseph Peisel, Chairman of the Boys and Means Committee, the affair was a huge success. Nearly 200 tickets were sold and everyone present seemed to have a wonderful time—especially the teachers who soundly defeated the fathers with a final score of 85 to 41.

8 Nights Left In CYO Bowling

By BILL SAKAL

HICKSVILLE. With only eight nights of bowling remaining in the season, for the Holy Family Section of the CYO Bowling League, the Red Sox were still in the lead last week at Woodbury Lane, although they had been cut to 5 1/2 games. The Braves, smarting over their defeat last week, bounced back into 2nd place by taking 4 points from the Indians, and dropped the Redskins to 7th place. Another upset of the evening was when the 7th place Giants trounced the Cards by 3 points and climbed into 3rd berth, while the Cards plummeted to 8th place spot.

The pressure is on all the teams and some fancy bowling is bound to be seen from here on in, with upsets expected weekly.

High series for the evening went to D. Snyder with a 587, which helped his team pummel the Cards.

Other double century keepers were: J. Wingenbach 221; P. Eposito 215; E. Arundell 211; N. McCormack 210; H. Poole 210; T. Staudt 206; M. Fuchs 202; R. Carline 202; and B. Gribbens 202.

Delay CYO Baseball Opener

By DON BROWN

HICKSVILLE. The anticipated starting date of the St. Ignatius CYO baseball season has been pushed back a week or two in order to comply with a request of Chet Jaworski. Last Thursday evening when the allocation of playing fields was made by Jaworski, he requested that all organizations utilizing the School fields, not make use of the fields until after the 15th of April in order that they may be put in first class condition.

The first tryouts were originally scheduled for April 5 but will now be held on April 19. All boys who registered will be notified by post card when and where to report. Mr. Douglas would appreciate the cooperation of all the boys if they will report at the proper field at the time stated and so as not to complicate matters at the tryouts.

We are glad to hear that our other baseball czar, Charlie Grimmer is home from the hospital and although still confined to his bed, is coming along OK. We'll all be glad to see you out at the ball fields soon Charlie.

PBC TEAM CLOSES

St. Ignatius' PBC team closed their basketball season with two wins in non-league tilts. March 18 they won a close one 57 - 51 over Merrick. McGunagle continued to lead this aggregation dropping in 15 points closely followed by Chris Colletta with 14. On March 27th they rolled over the Bayville All Stars 55 to 37 as McGunagle had 21, Colletta 14 and Dushnick 11.

THREE WAY TIE

The Hazards and Wildcats by virtue of sweeps of three bowling games on Saturday moved into a tie with the Quick Flyers for first place. The Lancers who last week shared the top spot with the Quick Flyers dropped two of their three games and dropped into second

Monthly Meeting For Church Group

The Rosary Altar Society of St. Martin of Tours R.C. Church of Bethpage will hold its next meeting on Tuesday, Apr. 8, immediately following Novena devotions. Program for the evening will be the N.Y. Telephone Co. slides on "The Empire State".

The Society will also sponsor a Square Dance on Thursday, May 29 in the auditorium. Tickets will be \$1.50 per person with a buffet supper included. For tickets contact Chairlady Loretta Buehner at WE 5-0150.

The Children's Penny Auction which was sponsored by the Society on Saturday, Mar. 29 was a tremendous success. Approximately 500 children attended, and were surprised by the attendance of Peter Cottontail who distributed Easter candy to all. They had a wonderful afternoon thanks to Chairlady Kay Rembecker and her committee, who worked very hard to make it a success.

place which is a crowded position this week being occupied by four teams. The Fireballs are still rolling high, wide and handsome as they topped three more games to make it 8 out of their last 9.

Seven teams made clean sweeps of their series this past Saturday and all of them in so doing, improved their standing by at least one place. The teams wedding the brooms were the already mentioned Hazards and Wildcats plus the Upsets, Fireballs, Igglies, Jacquars and the last place Arrows who have vacated that lowly spot and moved into a tie for tenth. Only one game separates the first seven teams in the league with three tied for first place and four for second. You couldn't get this race any closer and anyone who would dare make a prediction as to the eventual winner would be quickly caught up by the men in the white coats.

The assault on the record books was abated somewhat this past week with none of the leaders being replaced. This is the first time this has happened since the beginning of the season. T. Kowalski took over second spot for high game in the boys division when he rolled a neat 193 and displaced P. Ditionaco's 186. For the girls, K. Sheridan displaced K. Millevotte for high 3 game series when the topped 348 plus, six more than the previous high. For the men, J. Wise took over second place in the high average standings when he boosted his average to 170 and replaced E. Connelly's 160.
