Voters Add 15 Cents to Tax Rate, Boost Pay for Teachers \$124,000

Voters at the annual Hicksville School District meeting added \$124,000 to the budget to make the total gross \$7,303,507.31 and in the process added about 15 cents per \$100 to the tax rate for 1958-59. The budget prepared by the Board was for a rate of \$4.99 per \$100 for schools and 13.2 cents for library. The new total as approved will probably be \$5.28 per \$100.

The new rate, based upon the May 5 district-wide assessment, will increase annual school taxes on a home assessed for \$4000 by \$19.50. For a home assessed at \$7000, the boost will be \$32.41.

ADVISORY ACTION
While \$124,000 was added to instructional services for increases for assistant principals, supervisor, principals and teachers, the action was purely advisory to the Board of Education. The tax was authorized but the Board is not compelled, under the law, to spread the increase and jack up the teacher pay scale.

The voters also took two items out of the budget: \$750 for installation of a rifle range in the high school basement and \$850 for the purchase of rifles for a rifle team. They also voted, 142 to 72, early in the meeting to keep the salary for the District Clerk, at \$2160. It has been proposed by the Board at \$2600.

Howard Finnegan was elected chairman of the meeting after numerous nominations declined to serve. Most votes during the meeting were determined conclusively by a simple show of hands, pro and con.

JOKEY RECREATION
Board President Emil J. Szendy offered a motion late in the evening to have \$32,000 removed from the budget to be submitted to a separate referendum on a "winter recreation" program in June. The motion was rejected. Szendy also called attention to the rifle and rifle range appropriations which were deleted from the total.

A motion early in the meeting to limit debate by one person on a single question to five minutes was defeated.

Efforts to remove the proposed purchasing agent and reduce the proposed salary for the agent to \$5400 were both defeated.

Jericho Rejects Four Issues

JERICHO - The Annual Budget Meeting and Election of School Trustees was completed at midnight on Tuesday. The voters approved a budget of \$1,060,675, 299 to 44, included in which was the amount of \$2,000 for special transportation added by the voters.

In addition to the two standard propositions relating to the term of office for school trustees (3 or 5 yrs.), the voters approved the placing of 5 special transportation propositions on the ballot, and then proceeded to defeat 4 of them by wide margins.

Special Prop. No. 1 - Appropriate the sum of \$11,000 to purchase

and operate a bus for district students attending Our Lady of Mercy Academy was defeated 203 to 107.

Special Prop. No. 2 - Appropriate the sum of \$250 to transport district students attending St. Mary's Academy in Roslyn, was defeated 212 to 157.

Special Prop. No. 3 - Appropriate the sum of \$5,000 to purchase and operate a station wagon to transport district students attending St. Patrick's school in Glen Cove, was defeated 208 to 166.

Special Prop. No. 4 - Appropriate the sum of \$2,000 to provide a late bus for district students attending Carle Place High School in Westbury, was approved 291 to 99.

Special Prop. No. 5 - Appropriate the sum of \$800 to provide transportation for district students attending Eastern Military Academy was defeated 248 to 122.

The proposition to continue the term of office for school board members at three years was approved 285 to 54.

The voters also elected two school trustees, as the terms of Martin Penn and H. Willes Underhill were expiring. Both ran for re-election, with Penn running unopposed, and Underhill being opposed by William Kochnower, who defeated him. Penn received 318 votes; Underhill 169, and Kochnower 201.

Bethpage May Conclude Tonight

BETHPAGE - The Annual Budget Meeting of the Bethpage School District will continue tonight (Thurs.) at 8 o'clock in the Broadway school. The meeting was adjourned at 12:37 a.m. Wednesday with the budget only half finished. Election of a Library Trustee will also take place this evening.

Three propositions were voted on Tuesday night, two of which pertained to the term of office for school trustees, whether the present 3 year terms should be continued or whether the terms should be increased to 5 years. The 3 year term was overwhelmingly approved 407 to 68. Proposition No. 3, which pertained to reducing the size of the school board membership to 5, was defeated 330 to 147.

Seated at his right is Francis D. Ganley, assistant director. Bean was the initial director of the program which grew from a few dozen courses to an enrollment of thousands. Special guests include Pastor and Mrs. Cranston Clayton of Hicksville Methodist Church. Bean will be retiring as director of the program this year. (P. Charbonnet photo)

Vet Groups Arrange For Memorial Day

The first meeting of the Hicksville Memorial Day Committee took place last week at American Legion Hall, on E. Nicholas St. and was conducted by William Olitsky, chairman.

All of Hicksville's veterans organizations are represented on this committee whose responsibility it is each year to plan and produce a suitable and proper program honoring Hicksville's War Dead. The committee this year consists of William Olitsky, Jewish War Veterans; Guy B. Smith, American Legion; Louis Migone, Amvets; William Frohnhoefer, Veterans of Foreign Wars; Frank Eschback, Catholic War Veterans and Arthur Rutz, American Legion, publicity representative.

Planning of the program progressed rapidly; and the committee adapted the split observance program so successfully instituted last year. The first part of this program will be carried out on Sunday, May 25, with all the veterans' groups assembling at the veterans' section of the Plainview Cemetery, Old Country Road, at 10 A.M. Appropriate services will be conducted and this will be followed by the placing of a single, gigantic wreath in memory of those resting there. A container will be placed alongside of this wreath which will contain American flags for the placement on the graves by the families concerned.

The second part of the Memorial Day observance will come on Friday, May 30, with the annual parade through the streets of Hicksville and the placing of the wreaths by the various organizations at the Memorial Mall on the grounds of the Jerusalem Ave Junior High School.

Chairman William Olitsky asks that any questions concerning the Memorial Day ceremonies be directed to him at 73 Sleepy Lane or call WE11 5-8166.

Call for Gold Star Mothers

The Veterans' Memorial Day Parade Committee announces that Mrs. Lillian Doran, a past president of Charles Wagner Unit, American Legion Auxiliary, has been named director of the Gold Star Mothers division in Memorial Day Parade.

Mrs. Doran, who for many years has been closely associated with the Gold Star Mothers' appearances in the local parade is seeking information. Due to the rapid growth of Hicksville and the shift of people from one section to another, the present list of Gold Star Mothers is all but obsolete. Mrs. Doran is appealing to all Gold Star Mothers to make their whereabouts known to her so the list can be brought up to date. Mrs. Doran lives at 9 Lenox Ave. and her telephone is WE 1-0478.

In making her plans available to the HERALD, Mrs. Doran stated that "each Gold Star Mother would receive a bouquet of Poppy's and would be picked up at their homes and chauffeured throughout the parade by Henry G. Eisenmann and Mrs. Arthur Huttner. At the Memorial Mall, each Gold Star Mother will be escorted through a lane of Legionnaires by an Explorer Scout for her seat of honor."

Troop 91 Scouts Receive Awards

Another False Alarm Fire

Fire calls answered by the Hicksville Fire Dept. during the period of Apr. 30 thru May 6, included the weekly false alarm, and one ambulance call.

On May 1, there were two oil burner fires; one at the residence of Chris Ward, 95 Winter La., and the other at 74 Tiptop La.

The false alarm was on May 2, from Box 251, located in the center of Alpine La. The same day they put out a washing machine fire at the home of N. Renner, 251 Acra La., and a leaf and brush fire in the woods adjoining the sanatorium on Cedar Swamp Rd. The Fire Dept. ambulance took Mrs. Dorothy Cubbin, 47, of 95 East End Ave., to Mid Island Hospital, Bethpage, also that day.

The vamps extinguished a garbage fire the next day, May 3, in a Town Sanitation truck.

CURRENT COMMENT

Very Few Will Shed a Tear

BY FRED J. NOETH

HICKSVILLE held what was probably the last "annual district school meeting" for the community, Tuesday night. We can't say truthfully we are sorry to see it go.

The meeting opened at 8 PM and the final vote tally was announced at 3:05 AM. During those seven hours, with the attendance never much over 300 persons (including about thirty who had to be there as Board members, administrators, etc and another 14 registrars of voters and 28 inspectors of election), the enormous sum of \$1,990 was sliced off the seven million dollar budget for a saving of about two-tenths of one cent per \$100 of assessed valuation. This amounts to about 10 cents on a home assessed for \$4,000 or 14 cents on the total school tax bill of a home assessed for \$6,000.

At the same time, 15 cents per \$100 was added to the tax bill for the coming year (about \$6 per year on a \$4000 home or ten bucks on a house assessed for \$6000).

The tax rate figures are calculated on the 1958-59 Hicksville School District total assessed valuation of \$82,221,918, as estimated on Monday of this week. The assessment gain for the community as a whole is only about two million over last year, in sharp contrast with the leaps made in recent years.

The addition to the tax bill took the form of a consolidated motion recommending to the Board of Education that \$124,000 be added to the budget as follows: \$14,000 to Supervisors' and Assistant Principals' salaries, \$10,000 to Principals' salaries, \$50,000 to teachers' salaries K-6 and \$50,000 to teachers' salaries 7-12. The instructional services (code 3) was thus, in effect, increased from \$4,087,087.91 to \$4,211,087.91.

In future years, because Hicksville has been divided into election districts for school voting purposes, the school budget and the library budget, as well as the candidates for School Board and Library Board will be on the voting machines. There will be no further annual meetings such as was held Tuesday of this week.

Instead, it is anticipated the Board of Education will conduct preliminary budget discussions far enough in advance of the voting to obtain the viewpoints of the public and to make changes in the budget if it sees fit.

We would like to state in passing, that Howard Finnegan did a fine job as chairman of the meeting. About 20 persons were nominated and declined the honor before Finnegan accepted the role. Most of the declinations were due to the fact that those named did not wish to be forced to stay until the bitter end.

We can recall some highlights of annual district meetings we attended over the past 20 years or so. For example, August P. Deppisch for many successive years was traditionally elected the permanent chairman of the annual meeting and did an excellent job. We also recall the night bus transportation was voted right out of the budget but was voted back in a few months later at a special referendum demanded by aroused parents who discovered the next day what had happened.

We also recall the fact that for two years running, money for a recreation program was refused on special propositions. Both times the margin was just 15 votes. The first time the vote was 45 to 30. The second year, when it came up again and hundreds were present because of a transportation issue, the margin of defeat was the same—15 votes.

We also recall the role of the late Andrew B. Heberer as the District Clerk and feel honored that it was our privilege to occupy the seat of District Clerk the past two annual meetings, particularly this last in a long, long series.

CONFIRMATION for 750 children took place for two groups at Our Lady of Mercy RC Church on Apr 30 with the Most Rev Walter P. Kellenberg, Bishop of Rockville Centre, officiating (top picture). The group sponsors were William Brennen and Frank Struyvesant, Assisting the Bishop were Father James Coffey of Pius X Church

Plainview, and Msgr Fox. There were 45 priests present from Brooklyn and Rockville Centre Dioceses. In the lower picture which was a time exposure without flash bulk, Father Stephen Stolz is addressing the children.

LI Houses Welcome Tourists

Historic houses open to tourists in the Long Island area are listed in a new and much-expanded edition of "Houses of History in New York State," a 40-page free booklet issued by the State Dept. of Commerce.

Copies may be obtained from the Department at 112 State Street, Albany 7, N. Y.

The booklet points out that special attention is being focused on Theodore Roosevelt's Oyster Bay home, "Sagamore Hill." A nationwide observance this year marks the hundredth anniversary of Roosevelt's birth. Sagamore Hill remains today just as it was when used as the summer White House of the strenuous President. It is open to visitors daily, admission 75¢.

Also at Oyster Bay is historic Raynham Hall. During the American Revolution this house, then in the center of British-held territory, was the headquarters of George Washington's spy network. The house is open daily, admission 50¢.

At Lawrence is Rock Hall, acknowledged to be one of the finest American colonial homes standing today. The three-story Georgian house welcomes visitors daily, except Tuesday, from April to November. Admission is 50¢ for adults, 25¢ for children.

Ten miles east of Patchogue, near Mastic Beach, is the Manor of St. George. The estate was granted in 1693 to Colonel William Smith, first Chief Justice of the Province of New York, and remained in the same family for 261 years. It is now maintained as a museum by the Town of Brookhaven. It is open daily, without charge, from May 15 to November 15.

In Setauket is the 18th century saltbox house of Dr. Benjamin F. Thompson, the first Long Island historian. The house is furnished in the period of the 18th century and is the headquarters of the Society for the Preservation of Long Island Antiquities. Visitors are welcomed daily, June to October. The admission is 25¢ for adults, children free.

St. George's Manor, at Setauket, was built in 1845 and has been owned continuously by the same family. The architecture is in the English style that was popular at the time the house was built. Visitors are welcomed Tuesday afternoons, 50¢.

Sagtikos Manor, Bay Shore, welcomes visitors daily during the summer months. During the Revolution the British commander, Sir Henry Clinton, had his headquarters here.

The Vanderbilt Museum, Centerport, was the Spanish-Moroccan mansion of the late William F. Vanderbilt. On display are the wild animals and the marine life he collected on his world travels. It is open daily, except Monday, May through October. Admission is 75¢ for adults, 25¢ for children.

The Old Custom House, at Sag Harbor, recalls the days when this village was a thriving seaport. The house is open daily from July to September.

Church Drive Nears \$300,000

School Building fund drive of Holy Family Church in Hicksville today neared the \$300,000 minimum goal. With only 50% of the parish visited and the campaign still in the Memorial Gifts phase, a total of \$226,000 in gift pledges has already been raised, according to the Rev. Martin O'Dea, Pastor.

The goal for the school-convent fund campaign is \$800,000. The latest total was reached Sunday morning by the 120 campaign "salesmen" in the parish. By tonight (Thursday) when the Memorial Gifts team meets again to tabulate

their returns, it was expected that the sum total would exceed the minimum goal, said Edward Collins, drive chairman.

The difference between the memorial total and the fund goal will be raised by another 700 men of the parish who volunteered to assist in the general parish canvass. At their first meeting last night (Wednesday), the volunteers were given their initial instructions to visit parishioners who have not already designated memorials.

"Our successful campaign is a tribute to the generosity and sense of obligation on the part of every family," said Father O'Dea. On Tuesday, the Most Rev. Walter P. Kellenberg, Bishop of Rockville Centre, will preside at the solemn opening of the school drive. Bishop Kellenberg visited the school this past Tuesday to bestow Confirmation and at the same time to get

Erect Sign For Jewish Centre

By Irving Hershowitz

Despite the inclement weather a fair sized crowd was on hand at the sign erection ceremonies of the Jericho Jewish Center which took place on April 27, on the land adjacent to the new Jericho fire house on Broadway.

The property was recently purchased from the builders of Birchwood Park and it is the hope of the Jewish Center that construction plans will be set into operation very shortly.

The Center anticipates the completion of their new building in various stages. It is believed that the initial phase of the building program calls for the erection and furnishing of the basement in order that its facilities be made available as rapidly as possible.

Those attending the ceremonies included Dr. Lant, Superintendent of the Jericho Schools; Frank Walsh, President of the Jericho Civic Assoc.; Messrs. Somow and Schwartz, builders of Birchwood Park; Herb Schwartz, President of B'nai B'rith and several members of the Board of Directors of the Birchwood Civic Assoc. at Jericho.

Committee Reports of Assoc.

The third regular meeting of the Board of Directors of the Birchwood Civic Assoc. at Jericho was held March 18. After an exchange of friendly greetings the meeting was called to order and the following committee reports were made:

PUBLICATION--Gilbert B. Stein reported that the treasury of the "Villager" contained more than \$300 since its commencement. It was further stated in glowing terms the excellent cooperation of its Editorial Board and Staff. George Frankel will assume the position of acting editor during Gilbert Stein's temporary absence.

ENTERTAINMENT--Lawrence C. Gibbs, acting chairman, has held meetings for programming a future open-air carnival for the latter part of June. A proposed "chick-in-the-basket (cabaret style)" and an oldtime melodrama stage is planned. He further stated plans for a theater party (Westbury Music Fair) for the end of July. Tickets will be made available for large groups at considerable savings.

ZONING AND TAXATION--St. L. Tiffenberg was unable to conduct a meeting due to a poor attendance of the committee.

YOUTH--Irving Gamm reported satisfactory progress in the youth activities being held at the Jackson School gymnasium. Activities have increased to over 40 boys and 25 girls on alternating nights. It was stated by the committee that financial support for youth activities will not be available from the Jericho School Board at this time.

ARBITRATION--Jerry Gold, temporary chairman, reported slow progress on arbitration procedure. It was suggested that additional sub-committees be formed to support the present working committee.

TOWN PLANNING--Vincent Rapaport, temporary chairman, stated that Somow & Schwartz have agreed to start completion of park areas in early part of April. Letters have been sent to proper authorities to correct mail deposit box problem, street improvement on Robbins Lane and garbage and refuse violations on parkway embankment on Village Drive.

HOMEOWNERS EDUCATION--Ralph Diamond, acting chairman, stated plans for a gardening session to be held at the Jackson School, date to be announced.

CONSTITUTION REVISION--Sam Hecht, acting chairman, called meeting and a proposed recommendation for changes in the Constitution was discussed.

MEMBERSHIP--Julius Wilson, acting chairman, reported an increase in membership and announced plans for a concentrated effort for new membership.

SYOSSET EDUCATION--Arnold Koplik was elected Chairman of The Committee, succeeding Ralph Diamond who resigned to take over his new duties as Vice-President of the Civic Assn. The new Chairman selected Morton Fishman as Assistant Chairman.

A meeting was held March 31, and reports were made on several items of general interest to the Committee members. The two school bus accidents which occurred on Birchwood Park Drive and Robin's Lane and on the RR at Hicksville, were discussed by members of the Committee with members of the School Board and reported upon at their meeting. The policy of the School Board in handling school bus accidents is very rigid and inflexible. They simply fire the driver involved--they allow no margin for error. It was suggested that pressure be brought to bear on the builder to repair the road at the junction of Robin's Lane and Birchwood Park Drive and, in addition, that the "coffee" truck presently parked there be asked to move elsewhere to avoid congestion at that dangerous intersection.

It was reported that the Wantagh-Oyster Bay Expressway, as planned in its original route, would go right through the parking lot of the Syosset High School. This would bring heavy traffic within a short distance of the school grounds, would reduce their essential parking space and would be unsightly to an area recently built at extremely high costs. The School Board requested that all interested groups write to the Oyster Bay Township complaining of this situation. However, within the past ten days it has been reported that the route will be changed to by-pass the high school grounds.

The balance of the meeting was devoted to a lengthy discussion as to the policy of the School Board with references to the curricula in classes and the general tightening-up of scholarship standards.

The Jericho Auxiliary of United Cerebral Palsy is celebrating its first anniversary with a gala dinner and dance at Montis Lawn and Country on May 24 at 8:30 PM. Tickets are limited so call now for reservations: Mrs. Louis Weinstein, WE 7-412. Aside from a delightful dinner, hilarious entertainment a wonderful band to dance to, there will be a corsage for every lady and gift too.

First Anniversary

Mrs. and Mrs. P. Zulkofsky Sr., of Oyster Bay Rd., Jericho, are the proud parents of little Margaret Ann born April 19, at Nassau Hospital.

The Villager

FOR THE RESIDENTS OF BIRCHWOOD PARK AT JERICHO

Editor Visits Virgin Territory

By Gil Stein

Thanks to VILLAGER advertisers and our Civic Assoc. treasury (vastly inflated and flush with the sale of several million tickets to "Anniversary War"), this newspaperman was able to travel first class via Pan American Airways to the Virgin Isles.

St. Thomas, center of the islands, with its famous Virgin Isle Hotel, was our first port of call. We ascertained that this place will be ideally suitable for the upcoming big three meetings between Messrs. Sassnow, Schwartz and Jerome Abrams, president of our Civic Assoc.

Our next VILLAGER assignments was to deal with the history and origin of the Virgin Isles. Having been briefed by a convention of Birchwood Medical men, this writer was able to immediately proceed with interviewing price specimen of the local population. Precise facts and figures are being prepared now by Hofstra College and will be published later.

Our next assignment dealt with the state of Civic Associations in native developments. We found native developments to be somewhat fuller, yet more exposed in comparison with the average Birchwood development. Local Civic Wssoc here have no need for builder Liaison or builder Arbitration committees. Native huts have a vastly superior construction to the average Birchwood Home. Organizational meetings are being conducted outdoors and nary a night passes without meetings, or perhaps the other way around. After attending several of these meetings the writer gained the definite impression there was a lack of something. In retrospect this no doubt was not a matter of decorum but rather of attire.

The bare facts of life here in the beautiful caribbean leaves me no choice but to offer my home for sale burn my mortgage and send for my mother in law via special delivery. Oh yes, those native head shrinkers sure do a job

Items picked at random from the Virgin Island Villager.

CHARTER PRESENTATIONS for Jericho Lodge and Jericho Chapter of B'nai B'rith took place, together with installation of officers, at the North Shore Temple of Syosset on April 20. The charter presentation was made to the Jericho Lodge by Julius Neiman, vice president, Metropolitan Council, assisted by Edward Coletti, Past President, Manetto Hill and New Israel Lodges and Bernard Selser, past president, Central Nassau Lodge. The charter presentation was made to the Jericho Chapter by Mrs. Alvin Strauss, program chairman, Women's Dist No. 1. Acceptance was by Herbert L. Schwartz, president of Jericho Lodge and Mrs. Emanuel Neuren, president of the Chapter. Installation was by Mr. Neiman.

"They kept me in business in spite of the fire"

"Though a fire closed my insurance office, few of my clients ever knew it. For, barely half an hour after the fire started, a telephone man arrived. He immediately arranged to transfer my calls to a temporary location. Later, a telephone crew came and helped pump the water from the basement so they could repair my equipment more quickly. And when I found I couldn't move back into the office right away, they even set up my phones in temporary quarters. Thanks to these phones, and the efficiency of the telephone men, my business was hardly interrupted."

Dependability (the average phone is out of service only once in 6 years) and quick repairs when trouble strikes are two big

Organize New Boy Scout Troop

At a recent meeting, a group of Hicksville citizens set in motion plans for the organization of a new Boy Scout Troop.

The new troop, 508, is sponsored by Holy Trinity Episcopal Church, Old Country Road and Jerusalem Ave., Hicksville.

Speaking for the committee, John Feehan, Chairman, stated that the troop has as its initial nucleus three experienced Scouts, an experienced scoutmaster and assistant scoutmaster, and committeemen who have been active in scouting. The remainder of the troop is composed of unqualified tenderfoot scouts who will be qualified by May 31st.

The scoutmaster is Warren Linstead. His assistant is Colter Carl Pugh. The qualified scouts are Star Scout William Sutton and Second Class Scouts Frank Wall and Warren D. Mueller.

The troop plans a variety of activities including hiking, camping and various outdoor and indoor handicrafts. The camping program will consist of at least ten days and nights for each troop member under proper leadership and conditions. A camping trip to Camp Wauwepex is planned for the week-end of May 10th and 11th. Boys eleven years of age or older, living in the Mid-Island area are eligible to join.

For further information, contact Scoutmaster Linstead, WE 8-7049.

the Sportlight

by HOWARD FINNEGAN

The results of the meets won't show it this year but Coach Howard Bowers has gotten Hicksville High on the forward movement in track and after two decades of indifference the future looks bright.

A shot in the arm came to the downtrodden sport when the Comets upset Glen Cove, 54 1/2 to 49 1/2, last week.

This victory lifted the spirits of the growing squad - the unheard of number, for Hicksville, of 55 are in uniform this season - and indicated that the purpose of practice and hard work will have its rewards.

Every place was important in the match with the Comets. Ted Greve won the 180-yard low hurdles in 2:11.9 and Fitz Pawlitschek came in second.

Fitz also won the High Jump at 5 feet, 6 inches. John Brown won the mile and Bill Sherin came in third. Russ Redman and Jim Perry placed two, three in the 100-yard dash.

Jim Grasso was second to teammate Bill Wright's winning 57.8 time in the 440. James Shall won the 800 and Gary Black was third. Kim Perry ran for third in the 220.

A blanking for the Comets in the 1000 yard jump drew the tally tight but Redman, Greve, John Pizarri, and Perry turned in a 1:39.2 in the relay to offset that reverse. Phil Fink and Larry Slofkin added pace points in the Shot Put and Discus to set the stage for the relay which proved to be the winning event.

For a school to have a true power in track the squad must be big and constantly growing. This is what Mr. Bower's has undertaken and the movement is already successful.

Hicksville edged Carle Place 5 and 4 and halved its match with Hempstead 4 1/2 to 4 1/2 to keep its unbeaten status on the Golf links and have built up such confidence that some think the Orange can get past strong Bethpage this week.

On the green course at Bethpage John Anderson shot an 83 to beat Bob Rosen of Carle Place 7 and 5. Ed Quimby won 3 and 1 and Hicksville took best ball 4-3. Alex Althausen went down 5 and 4 and Ken Foran bowed 2 to 1. Best ball to Carle Place 7 and 6. Paul Scalzetti lost 5 and 4 but Roger Downey won 3 and 7 and the winning best ball was taken by Hicksville 2 and 1.

The Hempstead match was aspine tigger. Anderson took what was looked at as a bad defeat 6 and 5 but it wasn't. He went the first 9

in 40 and his opponent blazed away at 36. Quimby won 4-3. Althausen halved. Scalzetti won 3-2 and Downey won one up. Best Balls were divided 4-3.

Hicksville High hopes for a second straight North Shore baseball championship seem to be going down the drain. The Comets left the bases loaded three times in a 3-0 loss to Mineola and are 2-2 on the campaign.

The lack of practice prevented by the seeding of the high school grounds is seriously short changing the boys. We all agree that landscaping is a fine requisite of an orderly, clean school but in this case we think a little more considerate planning would have been in order.

Phil Anselmo managed two hits but lone singles by Dick Stillman, Joe Naso and Dick Rady could not push over a run.

The Comets play Farmingdale in the Bethpage Bowl today (Thursday).

Personnel in The Spotlight

Hicksville High's star athlete and star student, Richard Stillman, apparently likes Dartmouth best of the many colleges his talents can get him in.

Ted Greves, who finished second Saturday at the rainsoaked 43rd renewal of the historic Port Washington Invitation in the Low Hurdles, will be spending full time at Cornell College in North Carolina come the fall.

Edward was roundly applauded by the three straight sold-out audiences and he will carry both his fine athletic ability and acting presence with him when he enters Kings Point in September.

John Brown carried the Hicksville colors in the mile event at the Port classic and got them over the line third out of a big field.

Bill Holton of the Comets JV baseball team tripped with the bases loaded as Hicksville swept over Mineola 6-4. Orange pitcher Bob Panchel struck out 12 in notching the win.

Joe Grim tossed a no-hit game at Carle Place for the Junior High club. Bradford Jaworski got 3 hits in the game and is now 7 for 13 on the season.

It can't go North. It can't go west. Will it go up? Will it go down and how far? THE MONSTER is on the move.

144 Parents and Children Take Part in CYO Bowling

by Don Brown

Hicksville-The St. Ignatius C.Y.O. Bowling League closed a very successful, initial season on April 26. A total of 144 parents and children participated with such enthusiasm that we expect a much larger turnout when the second season opens in the fall.

The Hazards who came up to the last day leading by a game and a half and needing two out of their last three games to clinch, did just that against the red hot Fireballs. The Quick Flyers who were in second place kept the pressure on until the last pin was toppled by winning their last three games but this left them a scant half game behind. Pressing right along with the Quick Flyers were the third place Lancans who also swept their last three and wound up one game off the pace. These three teams were not alone at the top as a mere five games separated the top ten teams in the league.

A 15 year old, Ray Hildebrand, led the league for single high game with a 257 which he rolled the next to last day of the season. This kept Art Baldwin from making a clean sweep as he held the high game record up to that time with a 245. Art came out on top with a high three game series of 629 and high average of 182.

and no runs in the middle two innings while Ray Strasberger finished up the last three innings giving up three hits and two unearned runs when Trieste committed the only Bantam error.

The team looked very sharp in their new uniforms and also looked very sharp in their play afield. The coaching staff has high hopes for success in the coming season when they will compete against St. Dominics, of Oyster Bay, St. Aidan, East Watson, two teams from Our Lady of Loreto, Hempstead and St. Rocco of Glen Cove. A good turnout of rooters at the Manhasset game kept the boys on their toes and it is hoped this following will continue and increase during the league season which is scheduled to start this coming Saturday. The schedule has not had the finishing touches put on it as the Herald goes to press, we will have it for next week's edition, along with the other schedules for the Junior and Grammar leagues.

The intra-parish leagues will be getting started very soon now and we will give you a complete rundown on these teams as soon as the starting date is definitely set.

PAPER DRIVE

A very important change has been made in the paper drive which is conducted on the third Saturday of each month. We will no longer be able to make any pick ups at the homes. The committee wishes to thank all those people who have so faithfully saved their old newspapers, cardboard and rags in the past and to apologize to those who were waiting for a pickup last month and did not have the pickup made. The paper drive will continue and we hope that all who have been saving their papers will be able to bring them to the lot in rear of the school before noon, time on the third Saturday of each month.

FIELD NOT READY

The start of the playing season for baseball and girls' softball is still pending. The School District having invested a large sum of money to improve the playing surfaces at the school fields are desirous of giving the grass a good chance to take hold before turning them over to all the different leagues who will use them during the course of the season. All you boys and girls who are so impatient to get out and answer the cry of "Play Ball!" will not regret the delay when you see the improved brand of play made possible by the better playing fields.

LARGE TURNOUT FOR GIRLS

The registration for girls' softball was much larger than anticipated, 80 girls signing up. The girls will play at the Burns Ave. and Woodland Ave. schools on Saturday mornings from 9:30 to noon. Lou Curtis who is in charge of this activity informs us there is a need for more mothers and young ladies to handle the coaching and umpiring duties. The girls will be notified by mail when the season is ready to start and will also be told where to report.

BANTAMS UNDER WAY

The St. Ignatius Bantam team played its first game last Saturday, a practice game against Manhasset. The total score was St. Ignatius 4-2-1, Manhasset 2-4-2. Tom Peploe Jr. was the winning pitcher, giving up no runs and no hits in his two inning stint. The rest of the pitching chores were capably handled by Gene Huber who gave up one hit.

CIVICS WIN

The North Bethpage Civic "Ball Jugglers" are still trying to find out what they did "wrong" by beating Manetto Hills on their own field by the score of 14-0 in a rain-shortened 7 inning game. The NBCA record is 1 win and 1 loss so far this season.

The Amber Inn softball team remained undefeated in league competition by beating Denny's Tavern last Sunday in a game played at the latter field 14-7. The Black Knights had to come from behind to do it--and they now have 2 wins, no losses.

Braves Have Eye On Crown

by Bill Sakal

Hicksville-The big question in the Holy Family Section of the CYO Bowling League is whether the Braves can wind up in the No. 1 spot. On Apr. 29, they were still in second place, with the Red Sox gaining 2 games, and only 3 playing nights left in the season. Prior to this they had been snipping away at the Red Sox lead, and it looked almost certain that when the season ended they would be crowned the Champs.

The loss of two games for them hurt, and the betting is on the Red Sox. However, with only four games separating the two teams, anything can happen, and it remains to be seen whether the two game loss has put them in the doldrums, or made them fighting mad. At any rate they have definitely secured second spot, barring an unforeseen upset.

The big battle is for third spot, with the Athletics, Indians, Cards, Phillies, and Yanks definitely contenders. The Tigers and the White Sox have all but been eliminated, with the latter dropping from No. 3, 2 weeks ago to No. 9, last week. The standings of the other teams remain practically the same.

Standings as of April 29:

THE PAJAMA GAME MAY 12-3 MUSIC COMEDY

OPERATION VFW

Wm. M. Gouse Jr. VFW Post, Hicksville

By Lou Palladino

We are happy to report that Les Fehle conducted his first meeting as commander, and did a commendable job. Of course nobody is surprised at this occurrence. He has to go about selecting his committees and pick whom he thinks can give a good effort. It's not always wise to go back to the same group, in order to give everybody a chance to do his part. So because of this he has quite an ordeal cut out for himself.

We are happy to report that the team sponsored by Firestone won the Market house league bowling championship. Of course we are doubly proud because each member of the team and the sponsor are members of this post. The team composed of Capt. Bob Obermeyer, along with George Walden, Al Hanlon, Ed Shannon, and Ed Ortel. We are also proud that this post was instrumental in forming this particular league. Let's not forget

that another member sponsored team finished, Wagner Funeral Home.

County Council notified us, and we in turn pass it on to you, that thanks in any form should be given to Gov. Harriman, for his approval of the Tax exemption for the Vets on real estate. We know that most vets are interested in this law because it saves them a few dollars each year. This may not seem like much, but a few bucks here and there add up. I don't know about others, but I like saving money.

Another note of good cheer. We already mentioned that Mickey Donahue has returned to his employ. We received a thank you note to make it official. It wasn't read until recently, because of our installation.

We have the pleasure to announce that Paul Kurtz has entered our fold as a new member. Hope Paul likes our boys, as I'm sure the boys

will like him. We are always pleased to add new names to our group. We don't pretend to be the largest post in the country, or even the county, but we know that you can't find a finer bunch of men, than is found at Wm. M. Gouse, Jr. post.

Our lovely ladies wish to announce that they had their 18th annual dinner to celebrate their charter. They had the celebration at the Valley Stream Park Inn. A good time and excellent cuisine was reported. They also mention that this will probably be the last call for reservations on their 3rd annual buffet and dance to be held at the post on May 17. For reservations call Esther Palladino, PY 8-3827. Their past affairs have been very successful, always fine music by the Trautman's, and plenty of good food. These girls of ours sure know how to throw a good shindig.

This is all for this writing. Our next meeting will be held May 12 at 8:30 p.m. We always enjoy a large delegation, so make it your business to turn out. If you can, so here's hoping for good health to all and to see you at our next meeting.

THE PAJAMA GAME was presented three nights ago last week to all houses at Hicksville High by the High School Theatre Workshop and Orchestra. Above, at left, are the dancers; center are Nancy Walsh as Babe Williams and Edward Zivica as Sid Sorokin, the leads; in the 3rd picture are Jean Perry as Mae, Steve Dunefsky as Mat, Pat Neehan as Brenda, Richard Dixon as Charlie, Judy DeVincentis as Poopsie and James Kelly as Joe; and at the extreme right are Craig McIntosh as Prez, Polly Crammer as Gladys, Sean Blasberg as Hines, and Dick Sneckenberg as Mr. Hasler.

DAR Honors Victoria Rux

Observing its 26th anniversary the Oyster Bay Chapter D.A.R. honored New York State officers, regents of the Long Island Roundtable and guests at a luncheon held on Saturday, May 3, in the Victorian dining room at Raynham Hall, Oyster Bay. Mrs. Irving Hutchinson, chapter regent, acted as hostess. Miss Miriam Lane Best, State Chairman of Good Citizens Committee and member of the chapter, presented Victoria Rux, daughter of Major and Mrs. Victor S. Rux, 20 Arbor Lane, Hicksville, with a \$50. Savings Bond and the Good Citizens award as the winner of the tenth judicial district in the D.A.R. sponsored essay contest.

Miss Rux, a senior at the Hicksville High School, recently won a New York State Regents Scholarship to the University of Rochester. She is a member of the National Honor Society, band and orchestra. As one of 560 senior class girls attending public high schools participating in the state-wide essay contest she was selected by faculty and class mates to represent Hicksville High. A transfer student from Newburgh, this year, Miss Rux also attended schools in Japan, Germany, England and California. The topic of the contest this year was "A Goodly Heritage." Prior to the presentation Miss Rux read her essay to the assembled guests.
