OPERATION COUNTERPOINT: Launches Unique Youth Program Here

Theodore P. Conlin of 60 Lafayette Ave., Westbury, has launched a "uniquely devised organized effort designed to help the youth of Long Island to help themselves". He calls the Plan "Operation Counterpoint".

Commenting on the plan, which is being started in Hicksville, Conlin points out:

"To tap the pulse of today's youth both in Nassau and Suffolk Counties

...one had best be prepared for a rude awakening. For this pulse is definitely indicative of a seething restlessness... a restlessness with a dangerously low kindling point... a restlessness more widespread and more devastating than that which we have witnessed throughout the streets of New York City. Already there is adequate evidence of organized activity on a near 'county-wide' scale here in Nassau. Already there is adequate evidence of 'tie-ins' with 'metropolitan' elements. And might we not say there-fore that organized activity is now functioning on an 'inter-county-wide' basis?

The methods used in Counterpoint are not new, Conlin claims. They are merely adaptations of standard procedures found most effective in combating related forms of social maladjustment... such as alcoholism, mental illness and crime. Each of these problems has its own organization specializing in 'self-help through

group therapy' for the afflicted. In the same order they are as follows: Alcoholic's Anonymous, Recovery, Inc. and Father Jones's St. Leonard's House. These organizations serve as a working model for Operation Counterpoint. Counterpoint leaves actual psychiatric work to the professionals, seeking to help individuals only through specific actions.

"Counterpoint will focus its initial efforts upon the heart of the whole problem... the 'social clubs'... better known to society as 'youth gangs'." Conlin sees Hicksville as a "ripe target" for the activation of his organization. Statistics reveal this particular area as a real trouble spot, he states and adds that at present there exists no alternative plan of a workable nature to cope with the problem.

Conlin invites individuals, including business concerns interested in the Counterpoint movement to call him at ED 4-5891 or write him at 60 Lafayette Ave., Westbury.

Another three hour hearing was held, Tuesday, upon the question of whether Dr. Alwyn Rand may build an office on Jerusalem Ave. at Fifth St., Hicksville. The Town Board recently rejected a zone change from residential to business use. The hearing this week was upon a special permit use.

Julius Schwartz was present as attorney for those objecting and offered a petition with 350 signatures in opposition. Attorney John McGinn also appeared for objectors.

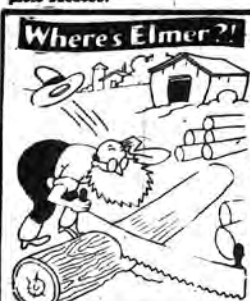

Phillip Robinson, attorney for the applicant, offered a petition with 757 signatures in favor. Those approving were from all sections of Nassau and some in Suffolk, believed to be largely patients of Dr. Rand.

Everyone Knew Sister Catherine

Sister M. Catherine Augustine, O. P., entered Queen of the Rosary Novitiate, Amityville, April 15, 1906. For 52 years she devoted her life to teaching in the elementary grades of Parochial schools in Brooklyn and New York and to teaching of music. Sister was stationed in St. Ignatius Convent, Hicksville, for 21 years, during three of which she was Superior.

In 1956, due to increasing illness and advancing age, she was retired to Villa Maria, Water Mill, L.I. Here, early in the morning of June 17, God called her to her eternal reward.

Everyone in Hicksville knew "Sister Catherine", as she was informally called. Straightforward, decisive, firm, forthright in her dealings with all, she was universally respected as a woman "who would say what she had to say", and say it without contraction. But with all, Sister could be gentle and kind, sympathetic and understanding as the occasion required.

Sister Catherine Augustine is survived by a sister and a brother-in-law, Mr. and Mrs. Walter Wolff of East Moriches, and several nieces residing in East Williston.

Sister's remains may be visited in Queen of the Rosary Convent, Amityville. She will be buried on Friday, June 20, in the Sisters' Cemetery, after a Requiem Mass in the Convent Chapel at 9:30 a.m.

LYNN FONTAINE TALIAFERRO, granddaughter of Mrs. Fontaine Taliaferro Sr., of W. Marie St., Hicksville, graduated from the Cathedral School of St. Mary at Garden City, June 9. Lynn was awarded the Floyd Jones Prize in Chemistry.

After a two month tour of Europe with her parents, Mr. and Mrs. Lewis Hellenbach of Brightwaters, Lynn will enter Sweet Briar College, Virginia, in the fall.

Lynn's great-grandfather founded the first general store in Hicksville and her grandfather, the late Dr. Fontaine Newton Taliaferro, was one of Hicksville's first doctors and operated Hicksville's first drugstore.

Fireman Goes To Hospital

Thomas McCarthy, of 93 E. Marie St., a member of the Hicksville Fire Dept. Racing Team, was taken by Fire Dept. ambulance to Manhasset Medical Center, Manhasset, Monday June 16, suffering from a broken wrist suffered during racing trials. The ambulance took Mrs. Mae Healy, 76, of 120 Division Ave. to Nassau Hospital, Mineola, earlier in the day.

The firemen answered six alarms during the period of June 11 through June 17, one of which was false, and another a First Aid call.

On June 12, they extinguished a fire in a Renault owned by T. Scalzetti of 2 Glow La., which had been parked in the High School parking field. The motor, wires and rear cushion were damaged by the fire. The same day, the Emergency Squad was called to the Phil Kneeter residence, 32 W. Barclay St., to administer oxygen to Kneeter's baby.

A rubbish fire at Railroad Ave. & Old Country Rd. called out the vamps on the 13.

The false alarm came in from Box 135, East Ave. & Genesee

Only those who already possess State Civil Service certification will be considered, according to Dr. Lamb. The starting salary will be from \$7500 to \$8500, depending upon experience. Applicants who are properly certified should have their written applications in the hands of Dr. Wallace E. Lamb, Superintendent of Schools, Administration Bldg. by Monday, June 23.

Meanwhile, the School Board has narrowed down to about a dozen the more than 200 applicants for the new position of Purchasing Agent of the District. Personal interviews with the dozen were scheduled this week by the Board as a committee of the whole.

Let Us Hear From You

BY FRED J. NOETH

WITH THE END of the school term, vacation time is officially here for mid-island families and their children. It is a time for family fun and relaxing, enjoying our fine local facilities and wishing we had more -- like a community swimming pool. Maybe if we can get a real piece of land set aside for a community park we may someday have a community-wide pool.

Anyhow, when you go on a trip, send us a post card and tell your friends, thru the HERALD, about it.

And while we are inviting vacation notes, we would also like to hear some of the other good things you know. Good deeds, done by one person for another, outstanding achievements, records of service and such. All too much of the news we print is unhappy: higher taxes, fighting over zone changes, deaths, sickness, sorrow. Our new Personal Mention dept is designed to focus attention upon the personal items about our community's citizens.

Enjoy your vacation, but please keep in touch. We'll be looking for those "wish you were here" cards and notes.

Legionnaires' Log

CHARLES WAGNER, Post 421, Hicksville, N.Y.

By ARTIE RUTZ

The weather was just right for the Flag Burning Ceremony and the Post may be well proud of the ceremony it conducted Saturday night... A fine gathering of Legionnaires, Auxiliaries and Sons of The American Legion were present to participate... A special note of thanks to the Boy Scouts and Leaders of Troop 491 for their appearance and participation in the ceremony... A note of thanks to the three lone Girl Scouts who stood on the sidelines and to the hundred or so adult spectators who watched the proceedings with reverence... Too many people think the Legion is the bottomless well... At next year's ceremony, money will be given away and perhaps the green color will be a better drawing card than the red, white and blue... Past Commander Jay Jabour did a wonderful job conducting the ceremony and Dick Evers worked like a professional commentator behind the microphone... Johnny Hodkinson's work on the drum added the right touch to the ceremony... And once again, the Post is indebted to Ray Television for the installation of the loudspeakers for the occasion...

The Post Birthday Party which followed the ceremony was quite a successful affair and it's been a long time since the hall was filled entirely with Legionnaires... Awards for meritorious service were handed out to past Commanders Bob Beard, Rudy Bousse and Walter Barnett and to Welfare Officer Ernie Gundlach, Americanism Officer Jack Ehmman and First Vice Commander Ed Hodkinson and an Essay Award to Artie Rutz... The show was good and plentiful and the huge Birthday cake was cut by Auxiliary President Ethel Habenicht... Needless to say, the Post footed the bill for the refreshments...

A tentative date of July 14th has been set for a second carnival with Walter Barnett and Tom Koerner acting as co-chairmen... Your new commander for 1958-59 is Al Barlow who easily won over

Gunner Barnett and Artie Rutz... All other officers were unopposed... Will let you know when the installation date is set... Don't forget to back the Post by marching in the convention parade at Hempstead this Friday night.

Parade, Fireworks To Honor Teddy

A day's outing in and around Oyster Bay is set for Friday, July 4th, commemorating the 100th Anniversary year of Theodore Roosevelt's birth.

Leonard W. Hall, chairman of the Independence Day Committee, said that the area of the parade, speaking program and fireworks was selected because it is also the "hometown" of Teddy Roosevelt.

The parade will form on Berry Hill Road starting at 9 A.M. and will "march" at 10 A.M. via main streets to the reviewing stand on Shore Ave., dismissing just west of that point.

Hall will preside at a brief speaking program from a rostrum opposite the reviewing stand at 11:30 A.M. Guest speaker will be Admiral Jerrald Wright of the U. S. Navy. Platform guests will include County Executive A. Holly Patterson and Robert L. Doxsee, Chairman of the Nassau County "TR" Commission.

Elements in the parade will in-

declared for the party's nomination, but definitely believed a candidate, received only 17 percent of the young Republicans' tallies with 3 percent for Congressman Kenneth Keating and U.S. Senator Jacob Javits and U.S. Attorney Paul Williams sharing one-percent.

Unique House Hunt in Hicksville

A new kind of house hunt is being conducted in Hicksville these days.

It involves a search for six families with homes big enough and big enough to take in four foster children each.

The Jewish Child Care Assoc. of New York, which is conducting the "house hunt," is attempting to set up a demonstration project in foster home care for school-age children with special needs. Hicksville has been selected as one of the communities for the experiment.

To carry out the project, involving a total of 24 children, the association is trying to find six mar-

ried Jewish couples who meet four basic requirements.

1. They must really like children and be tolerant of their problems.

2. They must have two vacant bedrooms available for two children each.

3. They must be experienced parents, whose own children are grown up or at least of high school age.

4. They must allow the foster children to maintain contact with their own families through occasional prearranged visits.

To attract people who measure up to these requirements, the Jewish Child Care Assoc. is offering substantial subsidies over and above the regular board rate. Approximately \$500 a month will be paid to the families selected when four children are in residence. Clothing, full medical care and other special services will also be supplied by the association.

Who are the children for whom the association is seeking these special homes?

They are Jewish boys and girls, ranging in age from 8 to 13, who are unable to live with their own families. They are not eligible for adoption but need long-term foster homes. Those selected for the group project are children whose emotional needs make it inadvisable for them to live in a regular foster home. They will be more comfortable and will respond better to living in a small group.

Children living in the group foster homes will attend neighborhood schools and take part in community activities. Each group will be carefully balanced by the Jewish Child Care Association so that the children may live in harmony with each other and with the foster family.

Jewish couples who are interested in applying should call Miss Weeks at the Long Island office of the Jewish Child Care Association, 89-14 Sutphin Blvd., Jamaica, AXTel 7-8700.

Beautiful Tribute by Floral Staff

A beautiful tribute was given to the Past Leaders of Emera Chapter #676, Order of the Eastern Star, on Past Matrons' Night, June 11, with a lovely ceremony by the Floral Staff. Each Past Matron was presented with a corsage of pink carnations, and the Past Patrons' with a boutonniere.

All the women present wore a clever little corsage hat corsage made of rainbow hues by Worthy Matron, Kay Walters, who also composed the following poem, as recited by the Floral Officers:

To-night Past Matrons and Pastrons, our hats are off to you. For without you, no telling what we would do. Your willingness to give of your wisdom, not complain, would take volumes and days to explain.

When problems loom so dark and black

We turn to you, to lead us back On to the path of what is right Out of the darkness, into the light. So our hats are off to you All through our years of "growing pains"

In our thoughts one sentence remains -

"Ask one of our past leaders what to do."

So surely our hats should be off to you.

Today our Chapter is 37 years old, Ours this we need not be told. But, if it were not for your courage, faith, and wisdom

We shudder to think of what we would have done.

So our hats are off to you.

You ask no acclaim nor reward Except that we all get along in accord.

To you our problems are not new, You always know what to do.

So to-night our hats are off to you.

I this tribute we hope we have explained.

All you have done toward the success we have attained.

Emera Chapter has grown through dark days to skies of blue,

Only through the efforts of past leaders, such as you.

Past Matrons and Pastrons present were: Sophia Davis, Lucia McIntosh, Elsie Broadt, Florence Valentine, Berta Heberer, Cora Heberer, Dorothy Rusch, Neva Marrs, Ethel Zurian, Ellen Reichert, Elsie Oliver, Beatrice Brehm, Rose Pattison, Charlotte Harvey, Merle Stoll, Edith Smith.

William Binner, Philip Zurian and Henry Krawchuk.

Present Matron and Patron are Kay and Fred Walters.

Nat's Retains First Position

HICKSVILLE - Nat's Texaco continued to lead the American Babe Ruth League by virtue of their 2-1 win over the Hicksville-Levittown Elks, Lorenzo, winning pitcher, was able to nail down the win by striking out Fisher of the Elks with the tying run on third, and the potential winning run on second, in the bottom of the sixth, after the Elks had pushed across one run for their only tally of the game.

The Thunder Chiefs, after having their game with the Plaza nine rained out on Tuesday, handed the Texaco men their first defeat Wednesday night. Both of the Republic Aviation Team's runs were the result of the home runs over the left field fence. Gregory, of the Thunderchiefs, hit his in the second while Helmrich's solo blow came in the fifth. R. Brown held the Texaco squad to 1 run, while Schrimpe, who tolled for the losers, was tagged with the 2-1 defeat.

On Thursday, June 12, Mid Island Plaza and Elks met for the second time this season, and the Plaza team lost no time in putting the game on ice, scoring in the top half of each of the first four innings to take a 5-0 lead. Valenti, making his first start in Babe Ruth ball, was charged with the defeat, although relieved by Mojo. The Elks threw a scare into the Plaza team by scoring one run each in the fourth and fifth innings, and had Plaza pitcher, D'Esposito, with his back to the wall with bases loaded and two out. D'Esposito held onto his victory by striking out the next batter, and picked up his second victory of the campaign. Both wins came over the Elks.

The Grammar Team by virtue of winning two the past two Saturdays are in a tie for first place in the Northern Division of CYO Grammar Baseball League. On June 7 they traveled to Kings Park to take on St. Joseph. St. Ignatius went all the way in this one having an easy time of it as all the boys had their bats loaded for this one. The final score of this one was 18-3. This past Saturday the boys invaded Hempstead to take on Our Lady of Loreto. Frank Biasi was really up for one this one he shut out the Hempsteads with one hit, that coming in the 7th inning, spoiling his chances for a classic job. He ran up a string of 13 strikeouts in this one. Tom Mosley and Chris Colletta led the St. Ignatius attack in this one as they both went 2 for 4. Final score 7-0.

BANTAMS LOSE 1 WIN 1

June 7th saw the St. Ignatius Bantams go down to their first defeat at the hands of St. Aidens of Williston Park. Gene Huber was the loser digging his own grave with walks. The totals were St. Ignatius 2-5-0, St. Aidan 3-2-0. St. Ignatius scored first in this one, but Cain the winning pitcher came up with a home run with no one on to tie it up. In the third Huber walked the first

two men he faced and was replaced by Tom Peplow who filled the bases with another walk and then got the next two men via the strike out route. Up came that pesky fellow Cain again and rapped a single off the glove of Delano at second which scored the deciding runs as all the runners were off with the swing. Ray Strassberger finished up the last three innings held St. Aidan hitless and scoreless.

This win by St. Aidan gave them sole possession of first place with a 4-0 record while St. Ignatius slipped into second by one game with a 3-1 record.

Last Saturday the boys regained their winning ways as they defeated Our Lady of Loreto 'A' team at Hempstead. St. Ignatius 12-11-2, O.L. of L. 1-1-2. Tom Peplow went all the way for the win giving up just one hit and one unearned run striking out 15 along the way. The losing pitcher for Our Lady of Loreto was Larocco. Butch Strassberger weighed in with a four batter for St. Ignatius.

Peplow was backed up nicely with three double plays, two going Cerone to Delano to Rottkamp and the third the hard way, short to first to third, Cerone to Pignataro to Strassberger.

Next Saturday, the Grammar team travels to Williston Park where they take on St. Aidan at 9:00 A.M. and the Bantams travel to Oyster Bay to play St. Dominic at 10:00 A.M.

Cerone had a lust 5 won and 1 lost pitching record. Grimm had a 2-0 record and Sanossian 1-0. Gene Burke lost one decision.

Three players hit .300 or better to support the pitchers. Brad Jaworski banged out a .363 average and Ed Caesar was close behind with a brilliant .360. Cerone helped his own cause mightily during the season as he hit at and even .300 pace.

Rotary Builds League Lead

The weatherman threw the Hicksville American Little League a real curve ball in the form of rain, this week. As a result the MINOR "A" and MINOR "B" Divisions have a number of make-up games scheduled. The MAJOR Division managed to get in the full schedule of games although several contests were shortened by the weather.

In the MAJOR Division, ROTARY continued to dominate the league, picking up their 4th and 5th wins this week, without a loss. Bruce Damron, ROTARY pitcher takes the hurling honors this week with a 1 hit 6-2 victory over CENTRAL SAVINGS on Wednesday. Damron struck out 15 "Bankers" enroute to his 2nd win of the season. ROTARY catcher, Vinnie Hannigan was the big gun of the week at the plate. On Monday, Vinnie went 3 for 3 and drove in 2 runs and then on Wednesday, drove in 4 more runs with another 3 for 3 performance including a home run. Just to add some frosting to the cake, Vinnie relieved on the mound during the 7th inning of the game with V.F.W. and picked up credit for the win, 3-2 in 7 innings.

GILSON KNTWEAR edged FAIRWAY FARMS 4-3 in a game which saw a parade of catchers. For FAIRWAY, Carfora, Czarnieki and Hoozack saw action behind the plate, while GILSON used Blaser, Kuhl and Carlson. Injuries by foul tips caused this unusual occurrence. Gabelson picked up the win for GILSON, while Christianson was charged with the loss.

FIRESTONE, behind 4 hit pitching of Abronowski, shut out CENTRAL SAVINGS 5-4. Saverly took the loss in this one for CENTRAL. In their second game of the week, FIRESTONE took the measure of GILSON 8-4 in a game which was halted after 4 1/2 innings by rain. Tony Pionick picked up the win, aided and abetted by his twin, Bob, who chased over 3 runs with a 3 for 3 performance at bat. Abronowski homered for FIRESTONE in this game.

FAIRWAY FARMS pitcher, Erwin picked up his 2nd win of the season by blanking V.F.W. 6-0 in a game which was halted after 5 innings by the rain. Parrella and Igoo pitched for the "Vets" with Parrella taking the loss.

GERTZ outlasted G.L.F. in a donny-brook 21-12. GERTZ scored on 20 hits and committed 2 errors in the field. G.L.F. had 11 hits but were hurt in the field by 4 miscues. Vin Morabito picked up the win while R. Selig was the losing pitcher.

Little League Parent's Day

The Jericho Little League held its mid-season general meeting with 150 enthusiastic parents in attendance.

Herbert Tytel presided, assisted by John Chatterton, VP; Harold Leinwand, Treas.; and George Schanfield, Publicity Director.

The general theme of the meeting was the need for parent cooperation in the actual operation of the league activities, and the need for parent attendance at the games, especially the mothers on week days.

Tytel told the successful efforts

on the part of Bernice Lang, Little League Secretary and Dix Hausman, Director of the Babe Ruth League activities, in the establishment of the Babe Ruth Division, against serious odds. As a result the older boys have now been integrated into the Westbury Babe Ruth League as representatives of Jericho.

The efforts of all other active workers, including officers, managers, umpires, scorekeepers and assistants were also lauded, and the loyal support of the sponsors was again noted. It is hoped that those who benefit by their generosity will reduplicate by patronizing these business establishments.

Each sponsor has a team named for him, and the boys play in uniforms purchased in part from these sponsor's donations. The following is a list of sponsors: MAJOR LEAGUE - Duco Oil, Duane's Shoes, Smith's Pharmacy and Millerville Inn. MINOR LEAGUE - Food Fair, J. J. Newberry's, Jericho French Cleaners, Huntington Town House and Bargain Center.

One of the highlights of the meeting was the announcement that Parent's Day would be held this Sunday, June 22. Festivities will begin at 1 p.m. on the ball field of the Robert Seaman school, and the parents who attend will have the opportunity to watch their own boys in action in what will be the climax of a hot pennant race. As a special treat, there will be hot dogs, soda and ice cream for all.

Set Registration

The registration of children for the religious school of Reform Temple Or-Elohim will take place Saturday, June 21, from 10:30 AM to 12:30 PM and Sunday, June 22, from 10:30 AM to 12:30 PM at the Singer Home at 66 Bryant Lane, Jericho.

Combined Meeting

The B'nai Brith Jericho Chapter will hold a combined meeting with the Men's Lodge of the B'nai Brith Chapter, on Thursday evening, June 26 at 8:30 P.M. at the Robert Seaman School, Jericho. It was announced by Mrs. Emanuel Neuman.

Entertainment for this combined meeting will be provided by the "Spotlight Players".

8. Each limited partner agreed that he will allow the capital contributed by him to remain in said partnership business until December 31, 1973 or sooner, in whole or in part in the discretion of the general partners, subject to the conditions set out in Section 105 of the Partnership Law.

9. The share of the profits which each General Partner and Limited Partner will receive by reason of his contribution, is as follows:

General Partners	Percentage of Net Profit
DAVID KOGL	One Percent (1%)
LEONARD B. SCHOFFMAN	One Percent (1%)

Limited Partners	Percentage of Net Profit
DAVID KOGL	Twenty-two percent (22%)
GEORGE KOGL	Forty percent (40%)
PEARL DIAMOND	Twenty percent (20%)
LEONARD B. SCHOFFMAN	Twenty percent (20%)
IRVING KLEIN	Nineteen percent (19%)

10. Each limited partner is given a right to substitute an assignee as contributor in his place and stead, and to assign his share in whole or in part (in a fraction which the sum of \$3,000.00 or multiples thereof bears to such limited partner's Contribution as it shall then exist) to the Assignor's spouse, legal descendant, spouse of legal descendant or trustee for the benefit of any of them; also to any other party only after offering such such share to General Partners on conditions set forth in the Co-Partnership Agreement. No such assignment is effective until the Assignee agrees, in writing, to be bound by the terms and provisions of said agreement.

11. No right is given to the Partners to admit additional Limited Partners.

12. No limited partner has any priority over any other limited partner as to contributions. The rights of a limited partner as such are not affected because the limited partner is also a General Partner and wherever the same person is both a General and a Limited Partner, his two interests are treated as wholly separate partnership interests for all purposes of the Partnership Agreement.

13. In the event of the death, insanity or bankruptcy of a General Partner, the remaining General Partners has the right to continue the business of the Partnership.

Burns Installs Lions Officers

Supervisor John J. Burns conducted the installation of new officers of Hicksville Lions Club at the Villa Victor Sunday on June 8. DeJongh is the new president, succeeding Lawrence McCaffrey. Other officers are Jack Weber, first vice president; Larry Scaleri, second vice president; Lowell Glatz, third vice president; Ernest Boupene, secretary; Phil Levine, treasurer; Pierre Charbonnet, trailmaster; Thomas Hogan, lion tamer and trustee; James Bell, John Petrone, Cliff Freitag and John Weibolt.

Seek Change In Covenants

Mid Island Plaza builders and owners, Walter G. Stackler and Leonard L. Frank, have asked Oyster Bay Town Board for a modification of the restrictive covenants on their property on both sides of North Bay, Hicksville. Their request will be the subject of a public hearing before the Town Board on July 1.

The request, according to Stackler, is technical in nature and is required because the original covenant requires a 50-ft side yard between buildings. The change proposed is within the interior of the two plots and does not affect boundary line property owners.

FINAL MEETING

President Mary Walker of the North Bethpage Civic Association announces that the meeting on June 18th will be the final meeting of the summer. Regular monthly meetings will resume on Sept 17, and as always will take place on the third Wednesday of the month.
