Against basketball stars playing softball ... so says HOWARD FINNEGAN in Spotlight this week. Page 4.

Vol. 11 No. 25 HICKSVILLE, L.I., NEW YORK JULY 10, 1958

Entered as Second Class Matter at Hicksville, N.Y. Post Office

**BOTTLENECK** for traffic thru the middle of Hicksville when North Bway and South Bway are widened will result in the demolition or removal of structures on the west side of Bway (to the right in picture) from LIRR south to Old Country Rd. It was admitted at the Chamber of Commerce meet-

ing, Tuesday night. Julius Schwartz, Chamber secretary, said State engineers have told him "it is impossible to tell when this widening will take place ... but it is also impossible to stop it." (Photo by Frank Mallett from roof of Professional Bldg.)

## Chamber to Hire Exec Secretary

A plan designed to strengthen the Chamber of Commerce and promote Hicksville was given the blessing of members present and voting at a dinner meeting at the Old Country Manor, Tuesday night. The Constitution was amended to permit the Chamber directors to go into debt up to \$3000 without a general membership vote and the by-laws were amended to set up new classes of membership with a boost in annual dues.

The key to the plan is the employment of a paid Executive Secretary "for promotional purposes". After considerable discussion about down-town business conditions, the effect of Mid-Island Plaza upon retail business, the growth of area and neighborhood shopping centers in recent years (estimated as high as eight by one speaker), the plan was adopted without a dissenting vote.

Chamber President Patrick Caputo, explaining the plan was the result of long and careful study by the board of Directors, said it is proposed to unite "all Hicksville under one paid professional man." He stressed the importance of "speaking of Hicksville as one."

### GHOST TOWN?

Frank Englert, who seconded the motion to adopt the changes, worried about Hicksville becoming a ghost town and the "power and unfair practices" which, he said, appear destined to eliminate Mid-Island Plaza as a business center. He urged the Chamber of Commerce "not to put its fingers into it."

"We're concerned with Hicksville's future. We don't like to see the Hicksville is getting to be a ghost town," it was asserted. Paul Walker, manager of Gerz's, president of the Mid-Island Plaza Merchants' Assoc. He admitted the Plaza and Gerz's "is after all the business we can get" and pointed out that the Plaza is a \$100,000 budget for sales, advertising and promotion.

Walker insisted that the employment of an executive secretary could suit in amore vigorous Chamber

## Town Adopts New Map, Adds 190 Acres Industry

Oyster Bay Town Board by unanimously approved resolution has adopted the new zoning map for the westerly section of Hicksville including the redesignation of the former Press Wireless area for a vast industrial sector. The resolution was adopted on July 1st, and adds about 190 acres of industrial area to the map. (See map below)

The resolution of the Town Board is published in this issue of the Mid Island HERALD as a legal advertisement. It records the roll call vote of Supervisor John J. Burns and all Councilman in favor.

## New Start for School Trustees

The newly reorganized Hicksville Board of Education will meet tomorrow (Fri) night in the Senior High School Faculty Cafeteria at 8:15. For the School Board, there will be several innovations. Allen S. Carpenter is the new Board president having been elected last week. The starting time of the meeting is 15 minutes earlier and the meeting agenda has been prepared by the Superintendent of Schools.

Robert D.P. Eaton has requested time on the agenda to present new, revised teacher salary scale.

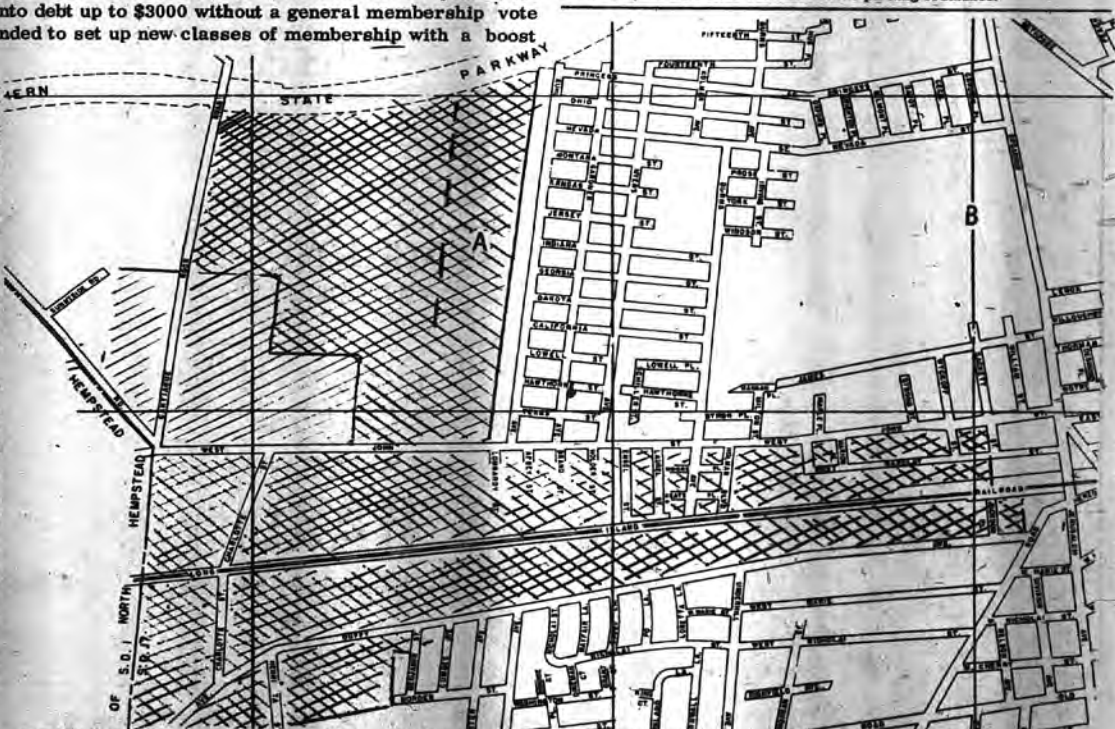

## Debate on China For Republicans

A debate entitled "Should Red China Be Admitted Into The United Nations?" is scheduled for the meeting of the Hicksville Republican Club tomorrow (Fri) night which will be held at 8:30 P.M. in the Masonic Temple. Congressman Sykes and Wainwright will act as moderator of the debate. Two pro and two con debaters from the New York Young Republican Club will participate.

Last minute arrangements are being made for the Republican Club's big picnic to be held, Sunday, July 20, from Noon to 6 P.M., rain or shine, at Reinhardt's Park, Bayville. The affair includes entertainment, dancing, swimming, pitching horseshoes, and card playing. Refreshments in the form of hot dogs, clams, hamburgers, corn, beer and soda will be available.

## Deadline on Car Parking

Councilman Louis Sisia advises residents of the Bethpage Park and Parking District that the deadline for the issuance of parking stickers is July 15. Sisia said that the Police Dept. will issue warnings for a seven-day period following the expiration of the July 15 deadline. After July 22 the Police will enforce the parking ordinance.

## DEAR JEAN..

A big golf tourney is in the making for some time in September and a number of trophies have already been pledged. JAY SCHWARTZ will be in charge, according to LOU SMITH. It will be co-sponsored by the Kiwanis, Rotary, Chamber and Lions. Incidentally, the Rotary won the annual inter-service club golf match earlier this year. LOU SMITH says it is not true that he is trying to organize a Hicksville Night at Los Angeles this year. County is due to resurface Old Country Rd. from the Parkway bridge, east to the LIRR, it was announced at the Chamber of Commerce meeting by ERNEST F. FRANKKE, Tuesday night. The Supreme Court this week refused to let Jericho Country Club go ahead with a series of outdoor dances using a band and public address system. If they borrowed the PA system from Hicksville Schools, nobody would object. It seems to go on the Fritz everytime its used. Is it a sign of the times when the local funeral homes are enlarged? Down town merchants were all shook up recently when a band of "Indians" swooped down on Broadway as part of the promotion of Bids for Kids. FRED SUTTER has become a Democrat committeeman in the 3rd Election District. Efforts will be made to locate the Oyster Bay Town Annex "south of the LIRR" on Broadway when it must get out of its present location because of the road widening. MAL PIERCE said this week there are 100 empty stores in Hempstead.

Campaign headquarters of HAROLD FERTIG of Syosset, Democratic candidate for County Comptroller, have been established at 28 Lincrest St., Hicksville. A garden party in honor of the candidate was held at the home of Mr. and Mrs. PERRY BUCHOLTZ, of 3 Lincrest St. Saturday night. We've seen the revised plan for the office of Dr. RAND and Dr. CAPIELLO which is proposed for Jerusalem Ave. near Fifth St. and it looks like a fine, private home. Rand has been practicing in Hicksville for 21 years and is being forced to move off North Broadway due to the widening project. We moved down to 225 Broadway just in time. It's getting to be a real sorry mess around the Post Office.

When the Pepsi Golf tourney was held in East Norwich last week, some of the nation's leading golfers stayed at the brand new Meadowbrook hotel and restaurant on Jericho Tpke. Among them were DON JANUARY and ERNIE VOSSLER from Texas. More than 100,000 lbs. of frankfurters, enough to stretch end-to-end the entire 75 miles of the LI Expressway (when its built) will be shipped to BOHACK food markets to kick off a big "red hot" sale in all Bohack stores, today. We were incorrect, last week, in naming ALLEN S. CARPENTER the leader of Explorer Troop 293. He is the institutional representative of the Methodist Church for Explorer Troop 293, Scout Troop 293, Cub Pack 293 and Cub Pack 64. ROBERT ASHBURN is the senior counselor of the troop and GEORGE WILLIAMS is the troop committee chairman. EUGENE NYE of Hicksville is in the east of "Doctor in Spite of Himself" being presented by Hofstra drama students July 18 and 19 while MICHAEL MATTHIAS, also of Hicksville, is in "The Boot", another comedy being staged the same evening. The public is invited.

Upstate vacation travellers will be interested to know that the American Museum of Firefighting at Hudson, NY, has reopened. It features the oldest fire engine in American, a hand-drawn wooden machine brought to New York from London in 1731. The museum is operated by the Firemen's Home. State Boat Channel at Jones Beach is still producing flounder, according to the State Park Commission.

Our sincerest sympathy to the family of SIRO PAVA of Westbury, who died on Friday, July 4. Mr. Pava will be remembered as the kindly Italian gentleman who ran the delicatessen at 67 Jerusalem Ave., Hicksville until a few years ago. Also our deepest sympathy to an old friend, RUDY BOUSE and his family who lost their beloved mother, Mrs. Bertha Bouse of North Bellmore on July 5. Welcome home to MRS. JACK MULLIGAN and the new baby. Daddy and Jack, Jr. and your Twinlawn Ave. neighbors are glad to see you home.

DOUGLAS BRANDI and DONALD HEBBERER of Twinlawn Ave., Hicksville, left Sunday for a two week's stay at Camp De Wolfe, Wading River. Happy camp days boys. PAUL GIAMONACO of Hicks Circle, is a summer employee of Big Ben's in Hicksville. Paul is a senior at Cham-lade. Belated congratulations to JEANNE and DOM ESATTO of Hicksville Farms, who celebrated 17 years of wedded bliss on Saturday July 5. The Esatto's live in Babylon and have a son. The HOOSACK boys, David and Vincent of Twinlawn Ave., Hicksville expect to leave for Camp Columbus, Auburn, N.Y. on July 25. We understand their uncle is one of the priests - in - charge up there.

Everyone knows that JACK (Firestone) EHMANN is the most ardent fisherman in the world. Last week he had a party out fishing off Montauk and in the group of five, guests who got drunk. Which school board member is writing a book? PHIL KNEETER was a guest of ED GIANNELLI at the Hicksville Kiwanis last week. We would have been glad to use the publicity picture from the Democratic Club last week but the caption referred to a woman in the picture and the photo showed only men.

gent Mrs. Frank Lucas, secretary; Mrs. Charles Elbeler, treasurer; Mrs. Gerald Hull, corresponding secretary. Newest members include Mrs. DORIS RICHARDSON and Mrs. DOROTHY CONNELLY.

Three Hicksville residents are among 91 students at C. W. Post College, Brookville, who have been named to the dean's list for the second semester of the 1957-58 academic year. They are HOWARD FINKELSTEIN of 51 Alpine Lane, STANLEY MILLER of 16 Chance St. and Mrs. DIANE FINE of 61 Summer Lane.

Plans are being discussed to have the Hicksville Republican Club mobile elephant make the trip to Syracuse and cheer along the nomination of LEN HALL for Republican candidate for governor. The elephant was in Oyster Bay, July 4th, for the Teddy Roosevelt parade.

## Miss Elsie Meyer Becomes Bride

Miss Elsie Meyer of West Derby, N.Y., daughter of the late Mr. and Mrs. John Meyer, formerly of Hicksville and stepdaughter of Mrs. Elizabeth Meyer, and Donald Robert Stobbs of Newfield, N.Y., were married at 7 P.M. on May 29th in St. John's Episcopal Church, Ithaca. The bride was given in marriage by Carlton Hunt of West Derby. A reception for 150 guests was held at the Parish House. Among the guests was the bride's grandmother, Mrs. Charles Chapter, also an old Hicksville resident, now residing in Huntington.

#### CHAMBER TO HIRE (continued from page one)

Commerce and pave the way toward the solution of many, common problems.

Irwin Goldman, chairman of the retail division of the Chamber of Commerce, told the group that "the small retailer will be the major recipient of the benefits when the Chamber is an executive secretary."

Julius Schwartz, secretary of the chamber of Commerce, took issue with Engliert. He said the Chamber is parking fields which in the past a retailers association (Business Men's Assoc) "could not get." He claimed that maps and set-backs for the widening of North Broadway came into existence 12 years ago and that the line for the widening of South Broadway was established 8 or 10 years ago.

#### BOUND TO COME

As for the widening of the heart Broadway, from Old County Rd. north to the RR, Schwartz said that had conferred with State engineers at Babylon and that it was impossible to tell "when it would be place but that 'there is bound to be a widening ... otherwise the middle of Broadway will be a bottleneck ... with the widening at both ends ... it will be impossible to stop." He objected to comments that the builders of Mid Island Plaza had anything to do with "the proposed widening. He added: "I can't see where the widening of this street is going to do us a bit of harm."

William E. Koutensky, president of LI National Bank, said he did not take issue with anyone. He spoke strongly in favor of the employment of a public relations man and recalled that when Hicksville

had a population of only 10,000, the Chamber of Commerce and BMA had 140 members. He indicated that the new constitutional change would raise dues in some categories as much as 800 per cent but emphasized that "Hicksville is a big community" and by working together the business people of the community could accomplish much.

John Dobaqa made the motion to adopt the proposed changes in constitution and by-laws which was seconded by Engliert. President Caputo said the action was unanimous.

#### VonGerard Heads Bethpage Board

Officers elected at the Bethpage School Board reorganizational meeting on July 1, were: Ralph Von Gerard, President, and Joseph Ellinger, Vice President; Mrs. Margaret Tintle was appointed District Clerk; Peter Pernicliaro, District Treasurer; Kendrick C. Smith, Attorney; Agren & Lehmann, Auditors; and Drs. Malone, Lambert, and Lutge, School Doctors.

#### Quiet Week For Firemen

It was another quiet week for the Hicksville Fire Dept. from July 2 through July 8, with two minor fires, one false alarm, and an ambulance call. Last year at this time a rash of grass fires kept the vamps on the go, with an average of three a day.

On July 2-the volunteers extinguished a fire in lumber near the Half Way Tavern on No. B'way. The same day the Fire Dept. ambulance took John Strance of 65 Linden Blvd. to Meadowbrook Hospital.

A fire in the roof of the garage owned by J. Spinner, 42 Duffy Ave., called out the vamps on July 3.

## Grandpa, what do folks mean by Defense Business?

Son, primarily "defense business" means the protection of a country. It also means much more. Here on Long Island, defense business is everybody's business. Starting with the 14,000 folks your Dad works with at Republic, it spreads out to cover all the small and large plants that produce for the military ... all the people from these plants who earn their weekly pay, and spend it for shoes or milk or cars or groceries, or most anything that's

bought and sold on Long Island.

At our house, you might say defense business buys your new fishing rod ... mom's hat ... and the ring job for the car.

You see, son, defense business is really anyone you know or meet on Long Island. It's any way or anywhere you turn. It's a way of life which helps promise the permanent peace we're all working hard to achieve.

by HOWARD FINNEGAN

Monty Cheslock, manager of Fairway Farms, is tired of these blokes who have no sacred regard for his beloved game of softball.

Take this guy Dick Alcock. He's got the best rep in town for snuffing a basketball through a bent piece of iron. So does he stay in his own ballwick? No! He takes up pitching!

Everybody knows the book call for Fairway and Madden's to wage another death struggle for the 1958 Hicksville Community Softball League title. It's to be a two-team go.

As Fairway takes the field for its second game, not a nerve has panic. Who's Geary's anyway? Nothing but a bunch of tryers with a converted sneaker sorter on the mound.

Admire his gym work but enjoy his earned run average of nine. So, what happens? Everybody's finding the handle hot. Errors all over the place. In the fifth inning, Fairway ain't hitting the kid but its 4-3 edge can be improved upon.

Now comes the undesired twist a defending champion shouldn't have to endure.

A walk generates interest in the stands. Up to the plate comes Ray Guckenberger. Him---he's only Alcock's relief pitcher and it's been a long pull since he sent the horsehide into free flight.

So Boom! Ray knocks a screaming line drive over the left fielder's head. That ball cuts through space like it's got terror chasing it. Both runners score and it's a burnt turnover, 5-4.

Get the bat! Fairway is going to kill this Alcock. But, he's got friends. An error gets the even run on base. An annoying time! Geary's has to let rightfielder Rube Zirk leave for an appointment.

They pull another basketball player from the bleachers named Ted Schwarward. And the only thing he ever caught before was a winning touchdown pass against Mineola in the final six seconds.

That may have made him a hero in his youth but that won't help him now.

Right in the general direction of the new tender spot, the next batter projects a blast.

Schwartzing stumps and even turns the wrong way starting out. Should he overtake the drive that spectator wheeling over, with wild abandon, from center will knock him on his surprise even if he gets within yards of the ball.

But the scoreboard change to 6-5 is vetoed. Bill Cheslock doesn't trample over Schwartzing and the latter makes a spinning ballet (heavy-weight style) catch.

The last inning provides the basic fundamental. Never give an impostor a break or else he turns into a genius.

There are no dramatics. Just three outs. Alcock's got a well deserved triumph and Monty a headache early in the campaign.

What we need is new rules!

Basketball players should stay in the gym. I. # 10 # 3.

Long Island University took a long hard look at Jimmy Grassio, tall center from last winter's HHS court team, and the local boy will be enrolled at that school in September.

Jim only came to Hicksville in his junior year and began his basketball interest in earnest.

His coach, Ed Petro, says "Jim still is two years away from realizing his potential, but in that period he should put on weight and move along fine."

Evidently LIU shares his confidence in Jim's development.

Pat Enos who worked his way up in the Dodger baseball chain as high as Spokane, Washington, asked for and got his release from the organization last week.

The ex-Hicksville High diamond star couldn't move a lad Grey out of the third base slot and after many differences with manager Goldie Holt sought out of the Dodger system.

The Giants had been watching, however, and quickly signed him to their respected Class A Club, Springfield, Mass.

So if Hicksville High is going to have Enos be the first product to make the Major leagues it will be in the shadow of the Golden Gate span rather than the Brooklyn Bridge.

Incidentally, the Dodger management replaced Holt with brash Bobby Bragan three days after he was fired as manager of the Cleveland Indians.

Hicksville High definitely will play its home football schedule this season. Rumors were wild that the reseeding job would require tearing up the gridiron again, but we have been assured that the new planting and watering procedure will have the field ready in September.

Comet supporters are still adamant about the demise of the baseball team because of the reseeding but we have seen both School Board Trustees, Jerry Zeller and Herb Johnson, inspecting the gridiron and they are positive the community will not be denied the color and excitement of the fall campaign.

## The CYO Corner: Win Two No Hit, No Run Games

The St. Ignatius Bantam team won two no hit no run games this week. Tom P.B.C. league this past week. Tom Huber and Tom Peplie combined their talents in both these games, each going three innings and each being credited with a win.

The first no hitter was against the P.B.C. team #2 with the final score 10-0. Peplie started this one, striking out 9 and walking 2 in his three inning stint. Huber finished up striking out 5 and allowing 2 walks. The second one was against the P.B.C. team #3, totals were St. Ignatius 11-15-0 and P.B.C. #3 0-0-0. These two boys struck out 15 between them and Huber helped himself with a bases empty homer. Triola weighed in with a triple and Rottkamp and Hood doubled. This team now leads the P.B.C. league and is in second spot in the C.Y.O. Bantam league.

The girls' softball league is well under way with four teams and they are having some spirited competition. The Blazers are blazing a trail for the other teams to follow as they have won four straight. The Shamrocks and Gems have each split their four games and the Blue Tops have dropped four for four. Don't count the Blue Tops out of the race however as they are improving with each game. This league has seen some very good softball played and we expect to see the number of teams increased next season. Keep up the good work girls.

The St. Ignatius C.Y.O. picnic and softball game is this Sunday at Salisbury Park from 11 AM on. We have Picnic Area #1-B reserved, use parking field #4. Bring plenty of food and some high spirits and a good time will be had by all. Geo. Maguire has a program of games set up for youngsters and the usual soft ball game for the men, so come one, come all.

Recognizing that holiday weekends bring holiday accidents, Nassau Red Cross today issued a set of general rules for behaviour in the face of an accident at home or on the highway.

Says Red Cross, "If an accident occurs where you are in a position to help, don't panic--take it easy. The immediate care given to accident victims within the first few seconds may make the difference between living and dying. Even persons with no first aid training can be of some help by following these general rules:

1. Don't move the injured person unless it is absolutely necessary. If he has a spinal injury or internal injuries, moving may make them worse.
2. Look for bleeding first. Most serious bleeding can be stopped by applying pressure directly on the wound. If the person has stopped breathing, begin artificial respiration immediately.
3. Help prevent shock by keeping the injured person lying flat until you know how serious his injuries are.

Keep the victim from becoming chilled.

4. Send someone to call a doctor or an ambulance. Give clear directions on location of the accident and the nature, cause, and probable extent of the injuries. If it's a traffic accident, post someone in the road to prevent traffic jams until the police arrive.

5. Keep him comfortable and cheerful if possible. Never give liquids of any kind to an unconscious person.

6. Keep onlookers away from the victim. They won't do him any good and may interfere with proper care.

## Seeking Eligible Families

Eighteen women from all parts of Long Island—one of them a local matron—engaged in a brain-storming session at a luncheon recently in an effort to help solve a serious community problem.

Mrs. Gerry Weitzman, 333 Bond Lane, Hicksville, was one of the selected group of foster mothers called together by the Jewish Child Care Assoc. of New York to assist in locating six very special families whose services are urgently needed by the association. The luncheon was held June 24 in Jamaica.

The families sought, the women told by Mrs. Elizabeth K. Radinsky, director of the association's Foster Home Division, are needed for a demonstration project in foster home group care for school-age children with special needs. The project which was described in the June 19 issue of the Mid-Island HERALD, involves a search for six Jewish families with homes big enough and hearts generous enough to take in four foster boarding children each.

These families, Mrs. Radinsky explained, must have two vacant bedrooms available for two children each. Experience in parenthood is another requirement. The families must have raised their own children to a point where they are out of the home or nearly so. Families with young children cannot be considered.

Special subsidies are offered as a financial inducement for people who measure up to these requirements, Mrs. Radinsky reminded the group. The families selected will receive board and

subsidy payments totalling \$500 a month when four children are in residence. Clothing, full medical care and other special services will also be supplied by the association.

The search for eligible families in the Hicksville area will be spearheaded by Mrs. Weitzman. Asked who are the children for whom these special group homes are needed, she said:

"They are Jewish boys and girls, ranging in age from 8 to 13, who are unable to live with their own families. They are not eligible for adoption but need long-term foster boarding homes. Those selected for the group project are children whose emotional needs make it inadvisable for them to live in a regular foster home. They will be more comfortable and will respond better to living in a small group."

Mrs. Weitzman asked local Jewish couples who are interested in applying to contact Miss Weeks at the Long Island office of the Jewish Child Care Association, 89-14 Sutphin Blvd, Jamaica, AX-7 8700.

**NOTICE TO BIDDERS - SEALED PROPOSALS** for Installation of Water Mains, Hydrants, etc. in Herman Estates will be received by the Board of Commissioners of the Hicksville Water District at the office of the Board of Commissioners, 85 Bethpage Road, Hicksville, New York, until 8:00 P.M. on July 15, 1958, at which time they will be publicly opened and read. Specifications, information to Bidders and Contract may be obtained on the deposit of Five Dollars (\$5.00) at the Office of the District Engineer, H.G. Holz-macher & Associates, 66 West Marie Street, Hicksville, New York.

## HERALD HOMEMAKER'S CORNER

### Mow Your Lawn Often

Each year, summer brings lawn-mowing, baseball, picnics, and more lawn-mowing.

It doesn't really matter what kind of mower you use, just so it's in good condition and is used correctly, says Prof. Ernest Schaulier of the New York State College of Agriculture at Cornell.

Under average conditions, proper mowing is among the most important practices in growing successful permanent lawns. The mower you use should be sharp enough to cut the grass clean without bruising and tearing.

Mow cool-season grasses such as bluegrass and fescue no shorter than one and one-half inches. Closer mowing, especially in hot weather, will weaken and sometimes even kill these grasses. When this happens, crabgrass and weeds move in quickly.

Mow your lawn frequently. Never cut a great deal off the top at one time. Too heavy a cut shocks the plants, weakens them and slows their growth.

Removing a small amount of top growth means clippings can be left to disintegrate and add organic matter to the soil. Remove heavy clippings or they will smother the grass.

### Novice Tennis Match July 21

On Monday, July 21, the 13th Annual Novice Tennis Tournament will begin at Bethpage State Park. The tournament will be conducted in men's singles, women's singles and men's doubles. Entries for this tournament can be made at the clubhouse at Bethpage State Park or by writing to the Superintendent of Bethpage State Park or to the Director of Special Events, Long Island State Park Commission, Jones Beach State Park, Wantagh. The entry fee will be \$1.50 in the singles and \$2.00 in the doubles. The closing day for all entries will be Tuesday, July 15.

## The Dogwood Mimosa

By L. Gibbs and C. Kraft

Friday evening, June 20, while Jerry Abrams was attending a Civic membership committee meeting and Ben Abrams was at still another meeting, Larry Gibbs and Charlie Kraft attached artificial pink dogwood blossoms to Jerry's prized mimosa tree standing in the middle of front lawn - a tree which Jerry had been watching expectantly for signs of its first blooming.

The following poem subsequently written by Jerry is his accusation directed at the alleged culprits whom he suspects of having perpetrated this dastardly deed. His proposed revenge is to be taken against the respective dogwood trees of the suspects in the event their own dogwood is planted barerooted off - season - do not survive.

### THE SCOUNDRELS

Two dastardly knaves, Gibbs and Kraft,  
Who are undoubtedly, at least presumptively, completely dast,  
With premeditated cunning, they did conspire  
To arouse good neighbor Abrams' fiery ire.  
As so with stealth and unrestrained glee,  
They planned some flowers on their neighbor's tree.  
The neighbor, alas, was naive and gay,  
As if Maytime in their beds did lay,  
But the wretches did not reckon with a wife so true,  
With detective-like skill unshared the clue,  
They were footprints and wires and pipe smoke too;  
The knaves could find no glue,  
So the Scoundrels have been brought to bay --  
Are Larry Gibbs and Charlie K.  
The sentence for their crime shall be  
To tempt to preserve their dogwood tree,  
And they do not and cannot win,  
They shall be punished for their sin.  
The self-same flowers shall then be fused  
On their dogwood trees, if they can be used,  
To hide the shame of the dogwoods dead  
With artificial blotches of pink and red.

FROM THE EDITOR  
TO THE READERS: GIBBS, KRAFT, ABRAMS  
RE: YOUR SUBMITTALS THE SCOUNDRELS AND THE DOGWOOD

MIMOSA  
Editor of The Villager regrets to inform,  
that dogwood vignettes are below our norm.  
The story, so funny to you, may tickle...  
readers (Provided they're sufficiently tickle)  
tint the news and human events,  
even in those a good deal depends  
on much of a story there is to report.  
Always the item must pass our Board.  
style is (to say it mildly) quite atrocious,  
the contents at best must be called precocious.  
Jerry, your poetry borders on crime,  
a lack of rhythm as well as of rhyme.  
You will agree, this publication  
sustained by now some elevation.  
few of such lofty standard we say:  
Item REJECTED. Our Comment: OY - VAY!

### From Editorial Board

our efforts to eliminate suppression of the press, and in our dedication of the policy of printing the news as it happens, (or at the most within the limits of its happening) we offer the 3 foregoing epistles. Editorial comment is unnecessary -- the reader can lean on his own journalistic instincts -- but some background information must be related.  
Being bodily maimed, the editorial board literally tore these masterpieces from our editor's teeth as he was about to shred, chew, and swallow these immortal words forever. His reason was not clear. We will improve; and with pride in the knowledge that we saved these invaluable news items from being sent down the drain, we present them for our readers. No comment is invited.

## League Celebrates Parents Day

Over 150 boys and some 300 adults were on hand at the Jericho Little League diamonds back of the Robert Seamen School Sunday afternoon. The occasion was the first annual Little League Parents Appreciation Day designed to thank those parents who have assisted in the running of the Little League season and to interest those parents who still have not made an active contribution to Little League ball.

The day was a beautiful one following an all day and night rainfall. When the crowd began to gather at 1:00 P.M., one of the diamonds was unplayable but by relocating the bases all fields were finally put into play. The 12 teams comprising both the major and minor leagues all played regularly scheduled games.

Refreshments were served beginning at 2 p.m. and a total of over 800 frankfurters and 750 bottles of pop were distributed. The cook-out crew worked feverishly over 5 grills and did a marvelous job of keeping everyone fed.

The games were all interesting and close for the most part. The

Leafs just about clinched the 1958 Major League Championship by beating the Maples 8 to 1. The Oaks and Pines retained some small chance of still finishing first by defeating the Birches and Acorns respectively. Competition between the Minor League teams was especially keen and many parents expressed great surprise at the fine fielding plays and powerful hitting turned in by the younger boys.

The Jericho Little League season ends Saturday the 20th. Despite the rain and coldest spring on record the league enjoyed a good deal

of success and the Board of Directors stated that they will begin working on next year's activities immediately after school opening in September. A public meeting will be held at that time and trophies will be presented to the 1958 champions. It is expected that this meeting will also see the election of new officers and the formation of committees for 1959's Major, Minor and Babe Ruth activities. It is also a part of the program to make a concentrated effort to secure better fields and maintenance for the 1959 season.

## Organizing Blood Bank

The Jericho Community Blood Bank has been founded and is now in full operation.

This very important community project is being sponsored by the Jericho Jewish Center in memory of Abe Margolies, whose sudden and untimely death alerted the community to its importance.

The rules and general mechanics that are necessary for its successful operation have been formulated and adopted. All residents living in Jericho are eligible to participate

in this tremendously important function.

This great and wonderful project will be non-sectarian, and will serve all Jericho regardless of color, race or creed.

It is strongly urged of every person living in Jericho to get behind this project because one never knows, "WHEN YOU OR YOURS WILL NEED BLOOD."

## Leaf Me Alone!

by GLORIA BRUNSWICK

If you should see a truck coming down any street in Birchwood and if, on that truck, you might observe anything that vaguely resembles a tree, bush, bulb, or sprig--please tell the driver of that vehicle to stay away from mah door!

Ever since Groundhog Day I have been the willing victim of the "Green Seal." The hum of a motor, any motor, sends me flying out of the house to see what wares Mr. Green Thumb is offering today. Very often I have flown into the arms of the Dugan's Man who has to convince me no tuberous begonias are hidden behind today's special, Apple Crumb.

Now here comes "the" truck ambling slowly down the street, allowing me to take full note of thick foliage and colorful blossoms. Almost immediately my vision becomes hazy, my nostrils twitch, and in a completely mesmerized state, I find myself ambling slowly alongside the truck.

My Svengali spots his Trilbe and the truck comes to a halt.

"Lady, this Chrysanthemum Opulis here is a rare specimen, sure to grow seventy feet in no time. This is the last one I have. I tell you they've been going like crazy--"

His words are unnecessary. He sees in my glazed eyes every symptom of shrubitis. As he plants the bare stick which is a full 18 inches high, he knows that in my mirage I look way up to the sky breathing hard at the sight of my giant sequoia. I press the money into his waiting hand anxiously as I am not sure he will accept it. Then he leaves, promising to return with bigger and rarer specimens from Rockefeller or Dupont's Estates (I forget which).

Four weeks later, when he passes again, I timidly inquire why the Chrysanthemum is not Opulating.

"Oh, it's in shock, Lady--just wait, you'll be amazed."

Suddenly his truck moves rapidly. I gaze fondly at my specimen, hoping to instill a sense of security. Weeks pass--I spray, I feed, I prune, I run to the Yellow Pages but nothing is listed under Bush Psychiatrist. The stick remains a stick, still in trauma, refusing to adjust to a happy Botanical existence.

I see a truck ambling slowly. I run into the house and lock the doors. I pull the shades. The bell rings. I answer the ring. (It could be the Fuller Brush Man!) It isn't.

"Lady, your neighbor says you might be interested in this rare Maximilaitous Hydroxalia--"

## Drama Group On The Move

by IRVING HERSHKOWITZ

One of the main topics on the agenda at a recent Board of Directors meeting of the Birchwood Civic Assoc. was... "how may the interest of the Drama Group best be served--and what methods and direction was the board of directors prepared to employ to achieve this objective."

Two members of the dramatic group were invited to this meeting in the capacity of spokesmen for the group, Dale Berg and Phil Rosenthal. They submitted a bill of particulars for the board's approval which was to serve as a bases and guide for the future activities of this group.

Among the highlights of the prospectus offered were: ticket sales, publicity, and all facets of the business aspects be the responsibility of the civic association. All profits, or losses to be revert to Dr. Borneby the civic association respectively.

The privilege be granted for the group to select their own plays or musicals subject to the approval of the Civic Assoc.

Rehearsal facilities and space for fabrication and storage of theatrical equipment may be made available to them by the civic association. An active liaison tax be established between group and board of directors. It's purpose

to avoid mistakes that were made previously. Ralph Diamond was announced the liaison for the board of directors.

These points were unanimously approved by the board of directors and the given light was given to accelerate the pace for another dramatic venture to serve as the worthy successor to "Anniversary Waltz."

The players have a very ambitious program outlined which they plan to implement as rapidly as possible. Their desires to enlarge this group offers a golden opportunity to those who may wish to share - join - and pool their talents with a cohesive and well knitted dramatic group -- who from past experience have proven themselves to be well seasoned performers.

Anyone who expresses a desire to tread the boards of dramatics in all it's phases... technical production - directing - acting is cordially invited to participate. You need not live in Birchwood.

Call any of these listed numbers and be assured that you desire to participate will be warmly welcomed.

- If you have scored 100% on the above test, you are not only the Teacher's Pet, but also the kind of citizen to whom all may point with pride. If your grade falls short of perfect, now is the time for self re-examination. With a little HOME work and a little quizzing, you too can don cap and jeans and graduate to a Degree in Honorable Homeownership!

It's very generous of you, Russell, but I don't believe your resignation would help our crowded school situation."

## HERE AND THERE

By Florence Berger

We hear tell that Harold Pepper is casting for another musical which he will be writing, for the youth group of Jericho Jewish Center. Teen-agers contact Harold Pepper. If interested call Weils 1-5277.

Congratulations to Robin Spanier on her 4th Birthday. Robin's granddaughter of Cell and Ivy Rifkin of Magnolia Lane.

Best wishes to Mr. and Mrs. Harry Richner on their 25th Wedding Anniversary. The Richners live on Magnolia Lane and Rose Richner is the Sister of Cell Rifkin of Magnolia Lane. Confusing isn't it?

Dennis Shephard of Maytime Court pulled what he thought was a big weed out of his garden and it turned out to be the biggest potato you ever saw. They are all over his garden now and he is selling them at a very reasonable price.

Went to the 110 Drive-in July 4th and met everyone from Birchwood there. It looked like a Meeting of some sort except for the little darlings accompanied by their doting Parents. Among those there were the Armond Brunwicks of Hedgerow Lane, The Jandoris of Birchwood Park Drive, The Thors of Magnolia Lane, The Freedmans, Shepards, Pincus's, all of Maytime Court, Pearl Abrams and family of Hightop Lane to the rest who were there sorry I forgot your names but I hope you had a good time. P.S. I forgot to add that a few of our people were stopped by the management for lighting sparklers to celebrate the Fourth. Were they peevish? "We can't have any fun," they said, (as the place blew up).

Remember the date July 12th this Saturday evening. The Jericho Women's ORT chapter will be having their Barbeque at the picturesque Greenhill Country Day Camp Grounds. For tickets call WE 8-8716, or OV 1-3174.

Congratulations to Mr. and Mrs. Cluckson of Birchwood Pl. Drive on the birth of daughter.

Happy Anniversary to Mr. and Mrs. Irving Greene of 30 Bounty Lane. It was their 25th. To their son, Michael, Happy Birthday. I hear tell that his Teen Age Party was a great success. By the by, Irving Greene won a trophy at the Golden Slipper for being the best dancer present.

There was a Block Party on Forest Drive, July 4th. Adele Zorn entertained them all on her patio. A good time was had by all.

Ann Likesser, Manny Gottesman, Dave Lambert and Dina Klein gave all the folks a laugh when they cavorted around the Jericho Country Club Pool in authentic 1920 style bathing suits. Ann was sporting a gas mask, World War I style. Where did they get those suits? They looked a lot like the new baggy childrens look of today.

Winners of costume party at Jericho Country Club were: First prize Boys: Neil Kahn dressed as Witchdoctor, First prize Girls: Hedy Troupin dressed as Panama Hat. Second prize Boys: Eugene Eichner of Magnolia Lane dressed as Zorro. Second prize Girls: Linda Weitz dressed as Tarzan's Jane and Chacha. Chacha was a real Mike Monkey. - By the way July 13th there will be a Fashion Show sponsored by Casual Shops of Mid-Island at the J. C. C. Models will be our own Blossom Keamer, Susan Goldstein, Mary Miles, Helen Hall, and Arlene Brauns.

Having moved to Jericho just a year ago from an established community, my expectations have been surpassed to see how a barren area such as ours be developed into a beautiful park-like site in short a time. # Fairway Makes Bid For 1st

FAIRWAY FARMS continued their hot pursuit of 1st place ROTARY last week with a pair of wins over V.F.W. 4-0 and FIRESTONE 4-1 in the Hicksville American Little League. Don Christianson won his second shut-out victory of the season, giving up only 3 hits to the "VETS". Bob Malizia, who was tagged with the loss, had pitched no hit ball, going into the 5th inn-

ing. Suddenly, a walk followed by a single by Bob Newman and a home run by Jim Erwin broke up the no hit performance and the ball game.

Later in the week Jim Erwin took the mound for FAIRWAY and defeated the FIRESTONE "Tiremen" with a 1 hit effort. Losing pitcher Joe Abramowski got the only FIRESTONE hit and drove in their run. The FIRESTONE defense was guilty of 5 errors, all of which figured in the scoring. Frank Decillis of FAIRWAY reached base safely 3 times and scored 2 of the runs for the "Milkmen". Jim Baldwin's extra base knock chased home 2 runs in the 4th inning.

The GILSON "Knitters" split a pair of games, topping FIRESTONE 5-3 and bowing to ROTARY 7-0. Otto Gabrielson of GILSON won his 3rd game against FIRESTONE, scattering only 4 hits. For the "Knitters", Pat Blaser led the attack with 3 hits which sent over 3 runs while Joe Abramowski kept FIRESTONE in the game with a 2-run homer in the 3rd inning. Simpson started the game for FIRESTONE and was relieved by Tony Pionksi who was tagged with the loss.

ROTARY maintained their slim hold on 1st place by blanking GILSON 7-0. Bruce Damm won his 4th game against 1st place FIRESTONE and was relieved by Tony Pionksi who was tagged with the loss.

Central Federal Savings jumped on Richie Wright and a stunned ROTARY club, for 5 runs in the 1st inning and one more in the 2nd to edge the "Rotarians" 6-5. "Banker" Mike Sikorski led the attack with 2 triples and a single which deposited 2 runs. Mike scored twice himself and in the 6th inning, saved the game for pitcher Paul Aloisio with his clothes line peg to catcher Barry Damm to cut down the tying run at home plate.

Aloisio helped his own cause with a triple and single. For ROTARY, Mike Germaine belted a 3 run homer in the 3rd inning and Howie Correll and Andy Koehler produced extra base hits but could not overcome the early lead of CENTRAL FEDERAL.

CENTRAL SAVINGS won their 4th game in a row when they beat V.F.W. 6-4. Ed Jerabek, who had lost his last 4 starts, found the formula for winning and set down the "Veterans" with 3 singles. The "Bankers" defense did not help their pitcher in this game, committing 5 errors afield, but losing pitcher Bockmiller also suffered from the 4 errors made by his team-mates. Pete Martin of CENTRAL blasted his first roundtripper while Tom Farrell, Jim Enrico and Don Myers raked the offerings of Bockmiller for extra base blows.

**Flames Ruin  
Five Corners**

An early morning fire of undetermined origin on July 2nd, nearly destroyed the Five Corners Tavern at Hempstead Turnpike and Stewart Ave., Bethpage.

The fire was discovered at the old landmark at 8:10 A.M., with flames shooting 20 feet through the roof. Damage was estimated at \$40,000.

Seventy-five firemen under the command of Fire Chief Edward Cava of Bethpage battled the blaze, which was brought under control in an hour.

Charles Ferrand, a fireman sustained cuts on hands and wrists from falling glass and was attended to at Mid-Island Hospital. Other firemen who received slight injuries were Frank Fendel and former Chief Gerald Albertson.

In addition to the Bethpage Fire Dept., Farmingdale was alerted on a standby basis.

**New Zoning Map**

The North Bethpage Civic Association's Zoning and Planning representative, Ed Flin, in a report at the last monthly meeting notified the membership that a new zoning map of the Bethpage area should be ready for study shortly.

The Town of Oyster Bay's zoning consultants' recommended zoning changes will appear on the new map, which will serve as a basis for discussion and comment at a public hearing which will be held at the Town Hall.
