Renews Interest in Joint Town-School Pk Project

Taxpayer approval of a site and construction of a new building in the school district is viewed as a major hurdle in getting a community college established in Hicksville. The Board of Education this week gave its official sanction to a concentrated study of the proposal with a progress report anticipated from Dr. Wallace E. Lamb, superintendent of schools, by mid-October.

"A community college can be established by a school district," Dr. Lamb informed the Board. "In fact, one has been established by the City of Auburn, which is no larger than Hicksville."

"Past experience in the State indicates that a suitable building for 500 students could be built for \$1,600,000. The State pays half, so there would be \$800,000 capital outlay by a school district. The annual payments of principal and interest would probably start at about \$50,000 decreasing to \$34,000 over a 30-year period."

Dr. Lamb in a confidential memorandum to the Board of Education on Tuesday, July 22, asked if the Trustees wanted him to investigate the topic further.

Curiously, the next day (July 23) Trustee Robert D.P. Eaton sent a memo to Board members recommending establishment of a two-year community college to operate during evening hours for a year or two until land is bought and a building erected.

The School Board on Friday night was unanimous in approving a motion to have the Superintendent of Schools coordinate with the University of the State of New York in the possible establishment of a Community College in Hicksville.

The initial announcement about the possible establishment of a two-year college here, which would feed students into Hofstra, C.W. Post and Adelphi, was warmly received earlier this week. Interest was renewed in the proposal of Supervisor John J. Burns, made in early February, for a joint school-park community recreational facility combining park and playground with school functions on a single site thru co-operative planning.

Probably the only available site in the district large enough to accommodate a community college would be the former Press Wireless area, some observers felt. The joint school-park plan developed when it became known that a school site on the Press Wireless land was being considered. At the same time, the Town Board has before it a 1,190-signature petition asking for a 50-acre park in the same area.

When the PW land was rezoned from residential to industrial use, plans for an elementary school on Cantigue Rd were dropped. The 50-acre park petition is still pending.

Dr. Lamb's memorandum of July 22, no longer marked confidential, noted the cost of attending college away from home is likely to be more than \$2000 per year. If there were a community college here the

DR. WALLACE E. LAMB
Superintendent of Schools

cost might be \$275 per year. "No one seems to know when and if the County will decide to build community colleges. Action by us at this time could hasten a County decision and should make fairly certain that a college be located in Hicksville."

Regarding cost, Dr. Lamb said current expenses in one community college amount of \$725 per pupil. If this \$275 is paid by the State; \$275 in tuition by the pupil; and \$275 by the District. If Hicksville had a community college and there were 300 pupils from Hicksville, the District's share annually for operating expenses would be \$82,500 based on upstate figures. This would be less than a mill on the tax rate or one-tenth of a cent per \$100. If 100 pupils were from Hicksville and 200 from other districts, the State would pay 1/3, the student 1/3, and the County of Nassau 1/3. Thus if Hicksville had only 100 pupils the local taxpayer's

Teachers Get Salary Hike Jan 1, Boost Pay for Cafeteria Workers

Increased wages for teachers of the Hicksville School District and cafeteria workers were approved by the Board of Education at the regular meeting, Friday night, in the public library auditorium. The teacher salary increase approximates \$300 more per year but will not become effective until January 1, 1959.

Pitches Perfect Game To Win Little League Title

Bruce Damm, star pitcher for the Hicksville American Little League All-Star team, wrapped up the District 30 championship, Saturday, by pitching a perfect game against Hicksville National League at Underhill Field, Syosset, while his mates capitalized on 5 "National" errors and a home run by catcher Joe Abramowski, to win 3-0. The District Championship came after preliminary victories over Hicksville International 6-0 and Syosset South League 6-0.

Damm who is 12 years of age and lives at 174 Nevada St. struck out 13 "Nationals" and did not allow a man to reach first base. As the game went into the late innings, the crowd of several hundred partisan spectators sat on the edge of their seats and cheered each pitch as this 12-year-old put on a performance which will be long remembered in Little League circles.

In any of the spectators had been present at the opening game of the tournament when Damm allowed only one runner to reach base safely while defeating Hicksville International 6-0. To further document the fabulous pitching career of Bruce Damm, his last regular league game before the start of this tournament was also a perfect game against FEDERAL SAVINGS. In 3 complete games, therefore, Damm has allowed only 1 base - runner, a probable Little League pitching record.

The opening game of the tournament was played at the Carmen Ave. field in East Meadow and saw the "Americans" launch an 8 hit attack against the Hicksville International, including home runs by Bruce Damm in the 4th inning with none out, and by Bob Malizia in the 5th with 2 mates aboard. Ron Keneff who got an infield single in the 4th inning was the only baserunner for the International League.

The semi-final game was played at Levitt Field and saw the American League All-Stars defeat Syosset - South Little League by a score of 6-0 behind the fine pitching of Jim Erwin. This game produced one of the most spectacular fielding plays ever seen in a Little League game. In the 4th inning after Dick DiBonsis of Syosset led off with a single, Steve Brown belted the ball for what appeared to be a sure home run over the right center field fence when the

BRUCE DAMM

American League center-fielder Aloisio raced over toward the fence, leaped high to spear the ball as it was leaving the field and then crashed down onto the fence. Altho shaken up by his collision with the fence, Aloisio held on to the ball and then doubled off DiBonsis who was running with the pitch.

The results of games in the District 30 tournament which led up to the championship for Hicksville

The cost of the new salary teacher schedule based on a full school year, would be \$146,300 as a total with nearly 500 teachers of \$3,483,200. Beginning teachers will be paid \$4300 as compared with \$4000 last term; the MA degree schedule starts at \$4600 instead of \$4300 and the Doctor level begins at \$4900 instead of \$4600.

The new schedule was adopted with "the intention that this remain the schedule for at least two years". The effective date was set for January 1st so as to complete a two-year cycle on the current schedule. While official action has not been taken, it is understood that the new salary schedule may be put into effect without increasing the total district budget and the anticipated tax rate.

The schedule adopted by the seven-man Board last Friday night by a 6-1 vote (Arthur L. Ehrlich voted no) is expected to result in a review of other salaries in the District as well, prior to January 1st, including Principals, Assistant Principals and non-teaching personnel such as clerical.

Teachers in Hicksville District with a Bachelor of Arts degree will move by 10 steps from \$4300 by \$300 a year, to \$7000. The 11th to 20th steps, \$7200 to \$9000 are described as "transition" steps. The 13th step remains the "merit step."

On the Master Degree schedule the progression in 19 steps is from \$4600 to \$9300 and the Doctor Level goes up from \$4900 in 19 steps to \$9600. On the previous schedule the Doctor level ended at the 18th step at \$9000.

Where Did Lil Birdie Go?

The three children of Mr. and Mrs. Charles Barvels are hoping that someone has seen their very tame, dark blue, finger-trained parakeet who has been missing since last Friday. The bird has a gold band on its leg. It is believed to be in the vicinity of Lee Ave. School and Ninth Street, Hicksville. If you have seen the pet, please call WEIIS 5-9646 and make three youngsters very happy.

School District Bonded Debt Now at \$11,793,000

Hicksville School District has bonds outstanding in the amount of \$11,793,000 and has paid off about two and a half millions of bond sold since 1922. It was disclosed this week. As of June 30 there was \$15,000 still outstanding on the original \$365,000 bond issue number one on the old high school site and construction.

The Board of Education will hold a sale Wednesday, Aug. 13, upon \$1,455,000 of bonds authorized by the voters as part of the Junior High School alterations and additions.

There have been 19 bond issues for Hicksville District for a total of \$14,138,500 since 1922. Aside from the \$365,000 original high school issue (now Junior High on Jerusalem Ave), the district went for 28 years without the current school and library building and expansion began in 1950.

Miss Marguerite Amelia Donovan, daughter of Mr. and Mrs. Edwin N. Donovan of 183 West Marie St., Hicksville, became the bride of James Joseph McDonagh, son of Mr. and Mrs. John T. McDonagh of 132 Carley Ave., Huntington, on Saturday, June 7 at ten o'clock Nuptial Mass in St. Ignace Loyola R.C. Church, Hicksville. The Rev. Leo J. Goggin, performed the ceremony, celebrated the Mass and read the Papal Blessing.

The bride, given in marriage by her father, wore a white floor length gown of silk organza and imported French Chantilly lace, with a sabrine

neckline, long pointed sleeves and a chapel train. Her fingertip veil fell from a cap of seed pearls and Chantilly lace. She carried a prayerbook with white orchids and stephanotis.

Miss Patricia A. Mollitor, cousin of the bride, of Bridgeboro, N.J., was maid of honor and wore a ballerina gown of pervanche blue silk organza. Her headpiece was a blue French bow of silk organza and she carried a cascade of white majestic daisies.

The bride was also attended by Miss Irene Zebrowski, cousin of the bride, of Floral Park; the Misses Sally Fee, Phyllis Kowalski, and Joan Lauck, all of Hicksville, and Mrs. Helena Heinlein, of Huntington Sta. The bridesmaids also wore pervanche blue silk organza gowns, French bow headpieces, and carried cascades of light blue majestic daisies.

Joseph Heinlein of Huntington Sta. was best man. Ushers were John McDonagh, brother of the groom; Robert Etherson, both of Huntington; Joseph Ryan of Kings Park, Irvin Hargrave of Oyster Bay, and Arthur Groeninger of Huntington Sta.

Mrs. McDonagh is a graduate of St. Dominic High School, The Katharine Gibbs School, and attended Hofstra College, and is now employed as a secretary at Hofstra College.

Mr. McDonagh is a graduate of St. Dominic High School, Notre Dame University, and is employed as an engineer at Grumman Aircraft Engineering Corp.

Following a two week honeymoon in Florida, the couple are residing in Huntington.

DEAR JEAN..

County Supervisors on Monday considered a resolution authorizing the County Attorney to settle a \$10,000 action by SUVEYOSHI SADA of 544 Old Country Rd., Hicksville, against the county of \$250. He was injured when hit by a car operated by Deputy Public Welfare Commissioner John Siegelmeier on Sept. 17, 1956 at East Meadow. Those new postage rates go into effect at 12:01 AM Friday (Aug 1). Letters postmarked before midnight tonight will slide thru at the old rates. But you better be careful about addressing hereafter. There is extra charge involved as of Aug 1. Recent police checkup found 190 uninspected motor vehicles riding on the highways during June. Perfect attendance tabs when to HAP HOLDEN for six years and WILLIAM E. KOUTENSKY, LI National Bank president, for nine years at the Hicksville Kiwanis lunch last week. Kiwanis delegates JAY SCHWARTZ and BILL MURPHY have returned from the international convention held in Chicago. Key Clubber KEN FORAN was a guest at the Kiwanis meeting. School Board last Friday approved purchase of a \$330 outdoor public address system for the recreation program and other activities. Also purchase of 25 outdoor wire mesh baskets to help keep school grounds tidy. School District is hiring nine groundsmen. Make applications at the School Administration Bldg (Pentagon) on Newbridge Rd. We hear the teachers are quite pleased and happy with the new salary scale adopted Friday night.

We have heard recently about the excellent work done at the Kay-Laure School of Beauty Culture, 8 Duffy Ave., Hicksville. And somebody goofed when the name of JOYCE SCHIKOWITZ was not included among the talent quest winners of the recreation program at Lee Ave School. Joyce is a talented ballerina. We're not gonna mention the proposed Rotary Club Bake again, except to say they've changed the date (for the third time). It is now Monday, Aug 4 at Reinhard's Park, Bayville.

When HAROLD HAWKHURST celebrates a birthday it means the gathering of the clan, numbering about 50 relatives at his home. Members of Horse and Ladder Co 6 joined in the party last week and came calling, led by the ROOSIAN, LARKIN. It is reliably reported that Larkin discovered he just could not drink all the vodka ever distilled. THE JOHN LARKINS celebrated the set up of their outdoor pool and some of the firemen came calling (sociable, ain't they?). They wound up their visit by toasting John in the new pool much to the dismay of the small Larkins. Our thanks to ARTIE RUTZ for the vacation post card, postmarked "Allegany State Park, Salamanca, NY". The picture on the card? A sly red fox. Hicksville School Board packed a great deal of business into their session last Friday. There were a total of 61 motion made and acted upon.

Congrats and best wishes to Miss BARBARA A. ASARO, whose engagement to Thomas G. Klein of Huntington was recently announced by her parents, Mr. and Mrs. Joseph L. Asaro of Hicksville. Also best wishes to Miss PATRICIA A. McCAFFERY, daughter of Mr. and Mrs. William S. Reiff of Plainville who has recently become engaged to Ronald V. King, son of Mr. and Mrs. Robert V. King of Batavia, Ill. Local friends of BEN VYRN will be sorry to hear that he has been quite ill and is a stay-at-home until the middle of August. Ben and wife, Florence and children, are former residents of Rising Lane, Hicksville and now make their home in Huntington. It's good to see two grand persons, KITTY and SAM WEISS of Willoughby Ave., Hicksville rejoicing on the news that their son Harvey and his family, will be stationed at a nearby New Jersey Army Camp. This means that Grandma and Grandpa will be able to see the children more often. Harvey was formerly stationed in Virginia.

The VINCENT HOOSACK'S of Twilnaws Ave., Hicksville are on an up-state vacation for the next two weeks. We see that PATRICK DOWLING of Hicks Circle is home on vacation and helping around the house with all the little Dowlings. The BOB CORCORANS of Twilnaws Ave. are home again after a vacation stay in the Catskills. Dr. JOSEPH LaFLARE of W. Cherry St., Hicksville back to work again after a week's rest enjoyed with his family. Dr. WALTER STILLGER and his family off for a vacation. DOUG BRANDI of Twilnaws celebrated his 11th birthday, Monday, with a family party at home. He told us, his Mom, Mrs. Frank Brandi, baked his favorite cake for the occasion. Aunt OLGA and Uncle JOHNNIE FOX of Willow St., Hicksville celebrated their wedding anniversary on Saturday evening with a gala dinner at Beau Sejour, Bethpage. Mr. and Mrs. PAUL CAGLIONI of Utica St., Hicksville, announce the arrival of their eighth child, a son, born on Monday morning at Nassau Hospital.

A new clothing store is planning to open in Mid Island Plaza the end of August. Known as Andrew's Clothes. Mrs. ELEANOR LECKIE is convalescing following a recent operation. Her many friends pray and hope for her speedy recovery. We like that Chevron TV gasoline commercial: "It fits any shape gas tank". The big Floral Park firemen's drill takes place this Saturday. The parade is in the evening, starting at 5:30.

CURRENT COMMENT:

Len Hall For Governor

by FRED J. NOETH

IN 25 DAYS the New York State Republican nominating convention opens at Rochester and with it rides Long Island's hopes of electing a native son as Governor of the Empire State. It is our conviction that if the Republicans hope to elect the next Governor of the State, their only real candidate is our own Leonard W. Hall.

Ever since Len Hall was given the unanimous endorsement of the Nassau County Republican Committee and the pledge of all its delegate votes, various local publications and periodicals have been boasting how they predicted weeks before, months before and even years before that Hall would run for Governor. At this time we miss the late Uncle Charlie Smith who probably mentioned Lenhall (as he was prone to write on occasion) as a future resident of the Governor's Mansion long before any other writer, bar none.

Uncle Charlie is no longer with us, but in that special place reserved for "scriveners" after they leave this mortal plane, we are sure he is watching the day-by-day reported pledging of delegates with a merry twinkle as he lights up his favorite corn cob.

Len Hall for Governor is more than just a campaign slogan for us. We knew him and wrote about him back in 1937. He was then in Albany as a member of the State Assembly serving on the powerful rules committee, internal affairs, judiciary, and relief and welfare committees of the legislature.

After a distinguished career in Albany which began in 1926, Len went on to Congress in 1938 and followed the difficult foot steps of Robert Low Bacon back in those days when the First Congressional District included all of Nassau And Suffolk and a portion of Queens County.

Time magazine in March, 1956, in a feature article on Hall as the National Republican Chairman, noted: "Len Hall's unwavering conviction enabled him to keep the Republican elephant moving forward at a time when most Republicans were sucking their thumbs."

During four active years as National Chairman, he travelled over a half million miles around the US, consulting the party brass, greeting the voters and keeping the Republican organization in good working order. The 48 Republican State Chairmen while gathered in Washington in 1955 unanimously passed a resolution of recognition and appreciation of Len Hall which stated: "We consider him the most outstanding National Chairman in the century-old history of our party".

Current published reports regarding the number of delegate votes pledged to one or the other of the announced candidates for the Republican nomination for Governor have been greeted with a typical Len Hall rejoinder:

"Phony polls will not stampede the convention in Rochester—that is a moth-eaten old political trick."

He also said earlier this month: "Nobody can tiptoe into this nomination nor can the Republican candidate tiptoe to victory in November".

Len Hall as the Republican candidate will bring into the campaign the kind of hard-hitting, vigorous leadership so sorely needed in New York State. He will make a great Governor.

burden for current expenses would be only \$27,500 per year.

It was also noted that if the Hicksville voters approved the expenditure for a site and building, the state would allow the district to use the Senior High School from 4 to 10 PM as a temporary expedient.

"Thus", Dr. Lamb noted, "if a referendum approved new building construction this year, the community college could be in operation in temporary quarters by Sept. 1959."

\$232,902.49, plus \$9,334.93 from the milk program and \$70,887.81 in state subsidy payments. Disbursements during the year were \$329,456 with food accounting for the major portion of \$190,705.93. Salaries for cafeteria workers were \$98,254.50 plus \$25,402.68 for office salaries. The breakdown of cafeteria receipts by individual schools of the district is reported as follows:

Burns Avenue	\$21,662.55
Dutch Lane	19,032.91
East Street	19,612.00
Fork Lane	17,974.03
Lee Avenue	24,637.36
Old Country Road	17,832.76
Woodland Avenue	17,219.84
Nicholas Street	8,165.80
Jerusalem Ave. J.H.	44,782.85
Senior High	42,082.39
Total	\$232,902.49

The School Lunch Program is "self-sustaining" in that the cost is financed by the money received from the sale of lunches, milk plus the state subsidy.

EDWARD WESSBERG died two hours after his car rammed the rear of a tractor-trailer hauling poles at Woodbury Rd. and South Oyster Bay Rd., on the Hicksville-Plainview boundary, last Friday afternoon. The car was flipped over by the collision and the pole snapped off. Attendants from a nearby gas station righted the car and notified the police. Twelve year-old Joseph Hill of 117 Haverford Rd., Hicksville, was a witness to the crash and notified the HERALD. Wessberg was a 39-year-old father of two on his way to work for the Telephone Co. in Brooklyn, police said. (Exclusive Herald photo by Frank Mallett).

New Service For Travelers

Western Union will now reserve rooms in motels as well as hotels in a nationwide Hotel-Motel Reservation Service which will be officially inaugurated tomorrow. Designed to aid travelers who want their room reservation problems at hotels and motels solved fast and economically without handling the details themselves, the new Hotel-Motel Reservation Service will replace the telegraph company's former Hotel Reservation Service. The reservation service works like this. First, the customer is asked if he desires a hotel or motel room. Then, acting for the traveler in the destination city, Western Union's reservation bureau calls one to four hotels or motels named by the customer and reserves the type of room requested.

A Wise and Gentle Shepherd

CLERGY present at the reception and testimonial in honor of Father Coffey on Sunday night included, from the left, Rev. James B. Richter, Rev. Louis Ira Newman, Rev. Charles A. Boyd, newly appointed pastor of St. Pius X RC Church; Rev. James

F. Coffey, guest of honor; Rev. Peter A. Chiara, and Rev. Paul F. McKeever. Banner across wall of auditorium, summing up sentiments of all present, was the work of Jovana Scarangelo.

Honor Founder-Pastor of St. Pius X

A Reception and Testimonial was held for the Rev. James F. Coffey, founder-pastor of St. Pius X Catholic Church, Plainview by the clergy and laity of the parish on Sunday evening, July 27, at Holy Family Auditorium in

Hicksville. The parish hall was crowded with parishioners and friends eager to express their heart-felt gratitude to Father Coffey for his devoted labor.

A Spiritual Bouquet and Testimonial Gift was presented to Father Coffey in behalf of the parishioners by the Rev. Charles A. Boyd, newly appointed pastor. A beautiful model of the parish church, made to scale and faithfully reproducing in detail the

features of the building, was presented to the guest of honor as a memento of his priestly labors here. The model church was the handiwork of Charles Sauer, Robert Exton and Stanley Bedusz. In presenting the gifts, Father Boyd recalled the tremendous growth in the parish since Oct. 1955 when Father Coffey offered the first Mass in the Hartmann barn. Within a year, the beautiful new church was erected for Divine worship and within two years, plans have been completed for the erection of a 16-classroom school and auditorium. But behind all the physical growth is the spirit of faith and sensitivity to spiritual values which Father Coffey has left as his mark upon the parish.

Father Coffey greeted each one present after the talks were concluded. Refreshments were served and the hall was attractively decorated with flowers by the women of the Rosary Society. Victor Ialeggio was at the piano.

A committee of the United Societies of the parish was in charge of the arrangements; Robert Exton, Holy Name Society; Mariel Liguori, Rosary Society; Eugene Tagle, Legion of Mary; Dr. Edgar Tonna, Youth Council; and Michael Tortore, Chairman of the Building Fund Drive.

Democrats Set For Campaign

Considerable activity was initiated at 14 Herzog Place, Hicksville, as Democrat Zone leader Flem Harding announced the appointment of prominent citizens to serve on election committees: Fred J. Sutter, Chairman Veterans Comm.; Vincent P. Helly, Chairman Local Comm.; Harold D. Krainin, Chairman Civics Committee; Elwood S. Kent, Chairman Zone Publicity.

Jack Chasen, Financial Chairman of Township of Oyster Bay, addressed the local Finance Chairman, outlining plans for fund raising in a concise manner. Details will soon be made available in order to invite public participation.

Elks in First in Ruth Loop

With victories over both Nat's Texaco and the Mid Island Plaza teams last week, the Hicksville-Levittown Elks took a firm hold on first place in second half play of the American Babe Ruth League.

Cerone picking up his fifth win of the campaign had an easy time of it over Nat's Texaco on Monday night. With the Elks clobbering Nat's pitcher Lorenzo for 10 runs, Cerone held the Texaco entry to a single run.

On Thursday the Elks kept on the victory path with an important decision over Mid-Island. Bob Mc Gummigie of the Elks was able to hold off the Mid-Island team and won a squeaker 4-3. Dushnik pitched for Mid-Island and was charged with his 3rd defeat.

The Republic Thunder chiefs also won a pair during the week ending. Down Mid-Island 8-0 on Tuesday night with Glibowski getting the win. The Thunderchiefs continued their shut out string on Wednesday night with a 4-0 victory over Nat's Texaco. R. Brown won his fifth game. Stanley was charged with the Mid-Island loss and Schrimpe took the defeat for Nat's Texaco.

GIRL SCOUT NEWS-NOTES

Fifteen Girl Scouts from Mrs. Winnie Collack's Troop #426 took a three hour boat trip around Manhattan Island, to wind up their active year. Their efforts during the sale of Girl Scout cookies provided them with the funds to pay for this wonderful treat. Mrs. Louis Sak arranged for the bus transportation into the City and back. Mrs. Richard Wicks, assistant leader, and Mrs. J. Shea, Mrs. D. Moynihan and Mrs. R. Millet, mothers, enjoyed the day with the troop.

Girl Scout Troop #366 which meets at Burns Ave. School, hiked from Leader Mrs. Olga Arnold's home with Co-Leader Mary Schlosser to Teate 'Wolf's' house for a cook out. In true Girl Scout tradition, the fire builders built fires, cooks prepared meat balls and spaghetti and walk-away salad. All roasted marshmallows and enjoyed dessert and cokes. The cook out was climaxed by a dip in the 20 foot pool. The long hike back to the dismissal area did not dim the day's fun.

Troop 366 held a Court of Awards at their final meeting of the season. The girls who received their second class badges were: Beverly Jo Arnold, Penny Boyle, Sandra Burke, Doreen Cimmino, Jane Ditaranto, Linda Fichter, Patricia Fitzgerald, Kera Greene, Katherine Kienast, Lynn LaVergna, Carol Roisman, Carol Roudreau, Linda Sess, Marianne Shields, Karen Schlosser, Patricia Schmoor, Kath-

ryn Simmons, Marijean Smyth, Sherry Rieca and Nancy Wolf. The girls and leaders participated in "Scouts Own", each girl reading an inspirational poem Mrs. Arnold read the "Invocation of Girl Scouts". Refreshments were served and the meeting ended with taps. The girls each have a "secret scout" to write to over the summer vacation.

A group of British Rangers (comparable to our Senior Girl Scouts) arrived in N. Y. on July 25. They are guests of the Mid-Island Council Girl Scouts families until Aug. 1 when they will sail for home. Miss Thelma Green, 19, from South Wales, is the house guest of Susan Jackson, a Senior Scout. Miss Margaret Peel, 18, from Belfast, Ireland, is the guest of Mrs. Stone. Miss Anneta Blake, 17, from Edinburgh, Scotland, is staying with Mrs. George Whitson. Penelope Mayone White, 17, of Suffolk, Eng. is the guest of Mrs. Lawrence Leight, and Cadet Captain Kathryn Benson-Evans, 33, from South Wales, is the house guest of our former President Mrs. Wm. Welch. Monday was spent in sight-seeing in New York with Susan Jackson, Ellen Pitts, Ann Smith and Dale Muller as guides. Tuesday, they spent at Camp Edey. Wednesday was visiting day at Girl Scout Headquarters in N. Y. and more sight-seeing. Thursday has been left open to the decision of the visitors. On Friday morning, they will be taken to their ship for the homeward trip. Mrs. Lyle Crimes, a former Mid-Island Council trainer who is the Commissioner of the North Atlantic Girl Scout Council and who has helped to make this British Ranger visit possible, is the house guest of Mrs. C. Aubrey Hood during their visit.

Mrs. George Whitson coordinated the details of the Rangers visit. Saturday, Aug. 2, watch for the Girl Scout display at the Mid Island Bake Shop window at the Mid Island Shopping Plaza. This display is the end result of several weeks of work by six members of troop #425 who with the cooperation of their ambitious leaders, Mrs. Winnie Collack and Mrs. R. Wicks have their Garden Flower Badge. The six Scouts namely Diane Miller, Barbara Wicks, Judy Manning, Susie Sak, Rhona Appelman and Joanne Shea, met at their leaders' houses during the summer.

The Bayport Trail Riders Horse Show will be held on Sunday, Aug. 31, 1958. Mid Island Scouts will be riding in the show which will take place at Green Acres Farm, Old Broadway (No. Montauk Hwy) Camp Edey-Girl Scout Camp, Bayport, L.I. All proceeds will go to Camp Edey Inc. The show will start at 9 A.M. sharp. There will be a Square Dance Exhibition by Melville double diamond riders. Seven classes will be held and pointers won in certain classes will accumulate towards the high point trophy to be presented by the L.I. Horse Show Committee at the end of the season.

MISS JEAN NACEWICZ, daughter of Mr. and Mrs. Alexander Nacewicz of 107 Duffy Ave., Hicksville, became the bride of Melvin Moelius, son of Mr. and Mrs. William Moelius of 147 W. Marie St., on June 22, at 4 p.m. at St. Ignatius Loyola RC Church, with the Rev. John Wissler, officiating.

The bride wore a gown of white heirloom lace with scalloped neckline, trimmed with seed pearl, and 3/4 sleeves. She had a tiara of seed pearls and sequins, with elbow length veil, and carried an old fashioned bouquet of white roses. Her maid of honor was Miss Joanne Mucieski, who wore a ballerina length yellow lace dress with short sleeves, and carried a bouquet of tea roses.

Joseph Nacewicz, brother of the bride, stationed with the U.S. Army at Ft. Lee, Va., was best man. Following the ceremony, a reception was given for the newlyweds in the home of the bride's parents, and afterward the couple left for a honeymoon trip upstate.

The bridegroom, a graduate of Hicksville High school, is stationed with the U. S. Army in Germany, and returned there after the wedding trip; while the bride, a graduate of Wilbur H. Lynch High school, Amsterdam, N.Y., and employed by the Perfect Line Mfg. Co., is staying with her folks. (Herald photo by Frank Mallett)

PAYROLL (Cont. fr. pg. 1)

An increase in the pay scale for cafeteria workers in the school lunch program was recommended at the annual district meeting in May. The Board of Education, last Friday, adopted the recommendations of School Lunch Program Director Barbara Fenerty. A fifth year has been added to the pay scale which previously ended at the fourth.

Head cooks in the secondary school will get \$2.10 an hour on the fifth year; head cafeteria workers in elementary schools serving between 300 and 600 will get \$1.90 on the fifth year and head cafeteria workers in elementary schools get \$1.75 on the fifth year.

The new schedule for cook starts at five cents more of \$1.20 and goes up 10 cents per hour to \$1.60 on the fifth year.

Food service helpers will start at \$1.10 instead of \$1 per hour and go up 10 cents a year to \$1.50 on the fifth year.

The 13th step is the "merit step" on both Master and Doctor schedules as in the past. Seventeen teachers are on the

20th step at \$9000 (BA) on the new schedule, 22 will be at the 19th step \$9300 (MA) and two at the 19th step \$9600 (Doctor).
