More Commuter Parking RR Freight Yard Serves 2 Villages

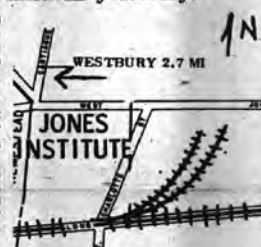

The new LI Rail Road freight yard serving both Hicksville and Westbury, off W. John St. at Charlotte Ave next to the Jones Institute, is expected to be in service within a week or two. Paving of the area between the newly laid tracks is all that needs to be done to start the loading and unloading of freight cars.

While commuters at Hicksville RR station may notice some slight improvement in parking facilities when the new freight yard goes into operation, the real improvement will be noted about Nov 1 when the entire former freight terminal off Jerusalem Ave is converted into auto parking with about 150 spaces, a spokesman for the LIRR told the HERALD yesterday.

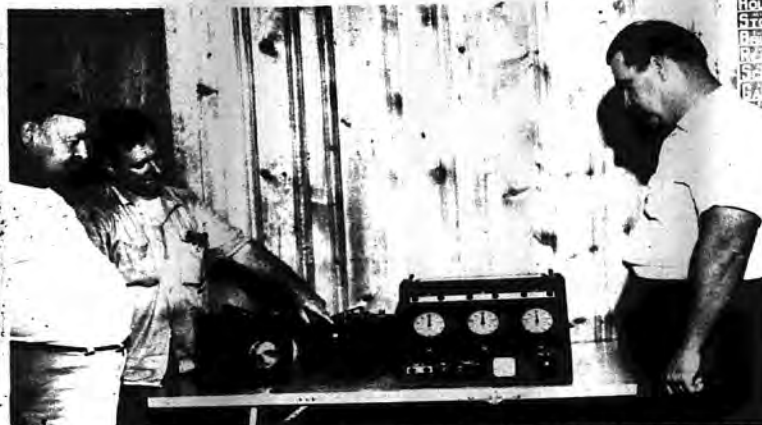

The Public Service Commission this week authorized the LIRR to discontinue its freight yards at the Westbury station. Patrons who have been using the public team tracks at Westbury for carload freight will henceforth ship and receive shipments at the new Hicksville freight yard, 2.7 miles further east, or at the freight terminals at Mineola or at Roslyn.

No opposition to the discontinuation of the Westbury freight terminal was voiced at a public hearing before the PSC. The space at Westbury station will also be utilized for commuter parking.

At Hicksville weather conditions will be a factor in the paving program. About Oct. 15 the freight station at Hicksville depot will be rebuilt and relocated at the new terminal, freeing more area for commuter parking.

TEAM TRACKS of the new LIRR freight yard serving Hicksville and Westbury is almost on the boundary line between Oyster Bay and Hempstead Townships, off W. John St. and Charlotte Ave.

ELECTRONIC TIMER will be used for the first time in the 30-year history of Hicksville's Labor Day Firemen's Tournament. The essential parts of the \$1000 machine, developed by the Racing Team Captain's Assoc., are here being studied at North Bellmore Firehouse by (from the left) Harold Hawxhurst, fire commissioner and Capt. of Co 6; Arthur Bizzoso, custodian of the equipment, pointing to the photo

electric cell which notes the start of events; and Ex-Chief Larry Huttie, chairman of the Labor Day tournament and parade. Three electric clocks record the time of contests within a hundredth of a second, eliminating all possibility of ties. The tournament will again be held this year at Mid Island Plaza.

Fiber Glass Factory Ready to Close Radio Network To Air College

Pittsburgh Plate Glass Company's fiber glass division has offered for sale its industrial building and property at Hicksville. The division has used the plant since 1954 for the manufacture of air filters and battery separators.

Cooney Associates, Inc., of Greenvale, N.Y., has been employed to effect the sale of land and buildings. The plant on New South Rd., Hicksville, has approximately 90,000 square feet of floor space. It was constructed in 1946 and utilized for

fiber glass manufacture by the Glassfloss Division of Tilo Roofing Co. until purchased in 1954 by Pittsburgh Plate.

The factory currently has approximately (continued on page two)

The proposal to establish a community college in Hicksville, will be the subject of a special half-hour program on the Long Island radio net work of station WGSN, Huntington, and WGBB, Freeport, starting at 2 PM this

Sunday, Aug. 10. The program was recorded on Wednesday at the Huntington Station and features Dr. Wallace E. Lamb, superintendent of Hicksville schools; and Robert D.P. Easton, member of the Board of Education.

FOREIGN COUNTRIES DAY AT SCHOOL PLAYGROUNDS

HICKSVILLE PLAYGROUNDS windup this Friday with a Big Round-Up starting at 10 a.m., including a parade, arts and crafts exhibit and the High School Band at Mid Island Plaza. When foreign countries day was held last Friday many colorful costumes appeared at the school play-

grounds. AT LEFT, Woodland had these "Dutch" children, Martha Donner, Glenn Siedner, Donna Bruno, Elliot Steinberg, Jan Yasen and John Och. AT RIGHT are East St youngsters Margaret Muraz as Swiss, Timmy Long as Arab, Paul Werkstell from Brazil and Sandra Schnepf, Dutch lass. (Photos by Frank Mallett)

PERSONAL MENTION

Mrs. ELIZABETH SHRIMPE of Bloomingdale Rd., Hicksville and her sister, Mrs. EMILY YOPP and her sister-in-law Mrs. AUGUSTA SCHOPPMAN recently returned from a seven-day New England tour. Travel arrangements were made by the Travel Service Mart of Hicksville.

LOUIS KUNZ, son of Mr. and Mrs. George Kunz of 17 Spruce St., Hicksville, recently reported to Lackland Air Force Base, Texas, for basic training.

JOHN E. HENNESSY, seaman apprentice, USN, son of Mr. and Mrs. Edward J. Hennessy of 50 James St., Hicksville, is attending the Radarman School at the Naval Station, Norfolk, Va.

The BARVELS youngsters are as pleased as can be. Their dark blue parakeet, reported missing in last Thursday's HERALD was returned to them. The pet was found on the other side of town by a little girl on Haverford Rd., whose mother called the Barvels the same day the HERALD came

out. Now the little girl on Haverford Rd. is unhappy.

CORYDON M. JOHNSON, president of CM Johnson in Bethpage will attend the 9th annual Congress of the International Astronautical Federation in Amsterdam, Netherlands, Aug. 25 to 30. He is flying to Amsterdam via KLM airlines on Aug. 20.

CHARLES STOLZ of Florida is in town, renewing old friendships. He is staying with the HAPHOLDENS...

GLASS FACTORY

(Continued from page one)

imately 200 employees and this number will be reduced, in steps, as final production requirements are met. Employees were notified several months ago that the plant would discontinue production before the end of 1958.

Tentative plans are for Pittsburgh Plate's fiber glass plant at Shellyville, Ind., to produce the basic filters for air filters. Assembly of the product will be completed there and possibly at other midwestern sites now under construction.

Dealers and other sales outlets handling air filters will continue to be supplied the product line through present distribution channels.

Transportation and national distribution difficulties "inherent in the Long Island location" were important factors in the Company's decision to discontinue manufacturing operations at the Hicksville location, a company spokesman disclosed.

LEGAL NOTICE

PUBLIC NOTICE
NOTICE IS HEREBY GIVEN to the qualified electors of the HICKSVILLE WATER DISTRICT in the Towns of Oyster Bay and Hempstead, Nassau County, New York, that an Annual Election will be held within the said Water District, in the Court Room, Hicksville, New York on

Tuesday, September 2, 1958 between the hours of seven (7) and nine (9) o'clock P.M. (EDST) for the purpose of the election of a Water Commissioner for a term of three (3) years in place of GEORGE A. KUNZ, whose term of office expires.

Said Annual Election is called pursuant to Section 324.3 of Article 2 of the Nassau County Civil Divisions Act.

All qualified electors of the Town who shall have resided in said District for a period of thirty days next preceding the election of Commissioner and are the owner of property within said District assessed upon the last preceding County Assessment Roll, are eligible to vote for Commissioners.

BY ORDER OF THE TOWN BOARDS OF THE TOWNS OF OYSTER BAY AND HEMPSTEAD
HENRY M. CURRAN

DEAR JEAN..

Roller Escapades, fourth of the season's roller skating exhibitions will be held at Jones Beach this Sunday, Aug. 10, starting at 9 PM featuring National, Sectional and State Champions.... Pay checks totaling \$3 million went out as 14,000 Republic Aviation Corp employees started on vacations Aug. 1. Work resumes on Aug. 18.... Congregation Shaarei Zedek holds a special meeting next Monday night, Aug. 11, at 9 PM.... If you collect S&H Green Stamps, there is a special bonus offer in the advertisements of GOLDMAN BROS in this issue. Don't overlook it.... Vacation post card of the week came in yesterday from WM C GODFREY of Willet Ave. It was mailed in El Salvador, Central America.... Auditors interested in doing the quarter/annual audit of Hicksville School District are reminded that they must file their applications with Dr. WALLACE E. LAMB, superintendent of schools, Administration Bldg., Newbridge Rd., not later than Aug. 15.... Hicksville School Board meets this Friday evening in the Public Library cellar, pardon us -- auditorium, at 8:15.... Two new members of Hicksville Rotary Club welcomed last week were BILL SIMMONS of Jericho and JAMES DOWDELL. The Rotary Governor makes his visit to the club on Aug. 14.... FRANK (Brownie) MALLETT was having such a good time at the Rotary Clambake last Monday night he forgot to take pictures. Yes, the Clambake was held last Monday after three changes of date.... Dr. PAUL Z. FRISCH, resident of Jericho, and member of Adelphi College Psychology Dept. is attending a five-day workshop on psychoanalysis at the University of Michigan, Aug. 9 to 13.... Li has recovered from the recession sooner than both NY State and the Nation as a whole, according to Hofstra College Bureau of Business and Community Research. Nassau-Suffolk rate of unemployment which had hit a peak of 7.0 percent in February dropped to 5.1 percent in June while in the State 10 percent and in the Nation 7.7 percent of the labor force remained idle.... Hicksville Kiwanis is due to have a meeting of its Pancake Breakfast committee with the Chamber of Commerce today regarding a joint promotional plan. KENNETH FORAN, vice president of the Key Club, was guest speaker at Hicksville Kiwanis this past week and thanked the club for the opportunity of attending the Kiwanis Convention in Chicago.... About 40 members of Hicksville Fire Dept. will be in Amsterdam, New York, on Aug. 22 and 23 for the state firemen's drill and parade. Many of the fellows are taking their wives. Chief MEDARD OFENLOCH and Commissioner HAROLD (Life Time Subscriber) MANASKIE went up to Amsterdam and vicinity a week ago to line up motels and other accommodations for our visiting firemen.... JOHN LARKIN, the Roostler, had more trouble this week. His fuel oil tank sprung a leak, like to many in the Spiegel section. A nice friend suggested he store the fuel oil in his swimming pool in the winter. After all, you can't go swimming in the winter when you need the oil.... LARKIN, we hear tell, has challenged HAWKIE HAWKHURST to a game of "golf". We have heard of pilots who fly blind, but this would be the first time a golfer played golf "blind". Just look at the trim waist line of the HAWK on this week's front page and you'll know what we mean.... The Internal Revenue in a nice little news release warns taxpayers they better put enough postage on those returns.... We got a real bang out of a feature article in the Sunday Express a few weeks ago entitled "The Case of the Old-Living Room Sofa". Have you ever tried to get rid of a sofa that has outlived its usefulness?.... What a job.... A narrow margin of 49 votes put Plainview's vote, Saturday, on two more elementary schools and a junior high over the 2/3rds majority....

JOE SILL of Bank Lane, Hicksville, expects to return to work the end of this week. He has been recovering at home following an appendectomy. Joe, whom we have not seen in many a moon, is with the NY Daily Mirror.... We got a letter from an outfit called Simjian & Co in Terehan, Iran, asking for THREE one-year subscriptions to the HERALD. We were elated to the spreading fame of the community's favorite newspaper until we tried to mail the bill for the subscriptions. Although it had the eight cents postage now required for overseas, the envelope came back with a big red ink stamp: "Fraudulent - Mail to this address returned by order of Postmaster General". A check with the local PO disclosed that Simjian & Co has been on the Postmaster General's list of people you can't send mail to for more than a year. We don't know how Mr Simjian is gonna find out why he can't get the Herald unless one of our local boys, now over in the middle east with the Yanks, stops by Teheran, Iran and tells him....

CURRENT COMMENT:

Let's Really Plan Ahead

by FRED J. NOETH

BLAME IT on the hot weather if you like, but we have a thought which is brought into focus by all the upheaval of streets and avenues of Hicksville these days. The swinging boom is knocking down houses and stores on North Broadway as if they were so many match boxes. Many merchants in town are depressed by the talk of widening thru the middle of down town.

Vast areas are now wide open as parking fields are being developed by private and municipal groups. You can now stand on W Marie St near Broadway and look right straight over to the Hicksville RR station, something that could not be done for a century or so.

Our thought, which is by no means original, is this: While we are rebuilding, widening, raising the RR tracks and what not at a cost of millions of dollars, are we thinking about local traffic and community conditions say 25 or 50 years in the future? No reflection upon the engineers and the traffic experts, but is it not obvious that they are building only for the next five or ten years at the most?

Take these parking fields for example. Acres and acres are being cleared. Some cynics say that eventually Hicksville will be a collection of parking lots surrounded by houses. We are not objecting to the parking fields, although some folks believe they should have been provided about five years ago. Why can't we build platforms of steel and concrete over the parking areas and erect there on tax-producing structures, office space, stores or even parks and gardens?

In fact, why not raise the entire level of pedestrian traffic in the heart of Hicksville, including the entrances to stores and shops? Leave the ground level for vehicle traffic and congestion. For example, there is active talk (and much marking of streets by surveyors) about a thirty-foot slice off stores on the west side of Broadway. If the level of pedestrian traffic as well as the store entrances were raised a story or more, then the ground level could be widened not only 30 feet, but 60 or 120 feet.

We visualize something like the Mid Island Plaza malls. Trucks with deliveries move below the pedestrians in a tunnel. Above is safety without traffic, noise, odor.

Maybe we cracked our heads the last time we dove into the pool.

Ordain Arthur Erb Sunday

This Sunday, Aug. 10 at 4 o'clock Arthur Erb will be ordained into the holy ministry of the Lutheran Church and at the same time be commissioned as missionary to the Philippine Islands. At this service, which will be held in the Trinity Lutheran Church, 40 West Nicholas St., The Rev. Everett Kalin, assistant pastor of Trinity, will officiate, in the ordination and commissioning. The guest speaker will be Dr. O.H. Schmidt, executive secretary of the Board for Missions in Foreign Countries of the Lutheran Church -- Missouri Synod.

Mr. Erb is a graduate of Hicksville High School, class of 1948. After graduating from Concordia College, Bronxville, N.Y. in 1953, he completed his theological studies at Concordia Theological Seminary, St. Louis, Missouri, graduating in June of this year.

On June 14 he was married to Carol Haltenhoff, the daughter of Mr. and Mrs. William Haltenhoff of Lake Forest, Illinois. Mrs. Erb graduated from Valparaiso University, Valparaiso, Indiana in 1955 with a BA degree. After this she went to work in St. Louis as a social worker with a Lutheran Children's agency, later attending graduate school for one year at Washington University in that city.

Mr. and Mrs. Erb are presently visiting his mother, Mrs. Fred Erb. On Aug. 14 they will leave for Lake Forest to spend several weeks with Mrs. Erb's parents before sailing for the Philippines for the West Coast in September. They will be working on the Island of Luzon about 100 miles north of Manila.

MISSION ACCOMPLISHED - J.R. Bradley and Dick Solner (from the left) deliver their charges to the director of Camp Grant where their youngsters will stay at guests of Hicksville Rotary Club. (Photo by Frank Mallett)

Airline Pilot Loses Way on Ground?

By J. R. Bradley

The heading was easterly and the day was slightly overcast. The first phase of the assignment was to wind through the Canbah - like labyrinths of Hicksville developments and pick up passengers for the trip out to Calverton. After pick-up, the rendezvous point was on Plainview Ave., the home of "Zoomar" Mallett.

"Zoomar" held the briefing session and it was decided that he would lead the convoy to Northern State Parkway. At that point, Dick Solner, the airline pilot, would assume lead position and command the trip through completion.

Everything went along fine and according to schedule. All passengers and baggage were safely aboard and the convoy was ready to get under way. Last minute place exchanges among passengers delayed the trip for at least sixty seconds.

Once underway, the trip was a pleasant one. The passengers were looking forward to the terminal point with eagerness. Laughter and gay chatter filled the air as the convoy proceeded along the chartered course.

At a point immediate to the Huntington Cut-Off, temporary confusion set in. The lead craft slowly but deliberately banked to the right and executed a 180-degree turn. This was not in the flight plan - at least this reporter couldn't find it in his. The confusion was accentuated by straccato blasts from "Zoomar's" craft, which was holding the rear po-

sition. The contagious blasts set off a similar sound from the middle position craft piloted by your reporter.

The din and clamor was echoing through the overpass tunnel as Solner proceeded unperturbed on his way.

Thinking that perhaps Dick has misunderstood the flight plan, "Zoomar" and the middle craft hovered a bit and continued in the planned direction.

It was assumed that Dick and party would arrive at Calverton later because of the less direct route he had chosen. Some 45 minutes later, our two craft convoy pulled into Camp Grant. Directly up ahead, relaxed and speaking with one of the counselors, was Dick Solner and group. With a disdainful look at both "Zoomar" and me, he said, "When I'm the navigator, I'm the navigator". This piece of news gave us the impression that we should have followed him back at Huntington.

All things being equal, it was a good trip. The passengers - kids from the Hicksville area - were pleased as punch with the camp site. They were to be the guests of the Hicksville Rotary for two weeks. Dick Solner, along with being the "lost pilot", was chairman of the project. The following named lads are enjoying their stay at Camp Grant, Calverton: Bruce Stevens, George Petry, Paul Stevens, Harold Coleman, Victor D'Amico, Joseph Marzullo, Robert Malon, Charles Pettit, John Pettit, Richard Powers, Ernest Siegel, Eugene Siegel, David McCann, Charles Petry and Charles Montinero.

OBITUARY

WILLY G. HESS

BROOKLYN -- Willy G. Hess of 2502 Ave. D, died here on Monday, Aug. 4. He is survived by his wife, Anna; three sons, Herbert, Henry and Helmut; a daughter, Mrs. Lisa Lotte Janovek, and eight grand-children. All his children are residents of Hicksville.

Religious services were held at 9 p.m. last evening, Aug. 6 at the Thomas Dalton Funeral Home, W. Marie St., Hicksville. Interment will be at the Pinelawn Memorial Park, Pinelawn, L.I., this morning (Thurs) at 11:30 a.m.

Arrangements were by the T.F. Dalton Funeral Home.

Voters League Gives Reminder

Next Monday morning, Aug. 11, members of the League of Women Voters will appear at the Hicksville, R.R. Station to distribute to the commuters some 3,000 fliers with information concerning the primary election.

This action is one of the many non-partisan methods that the league uses to draw the attention of the voters to the necessity

of his participation at the polls for the Primary.

Primary Day, next Tuesday, is Aug. 12; the polls at regular voting places will be open from 12 noon to 9 P.M. for party members who enrolled last November on General Election Day.

For any further information call Mrs. Keith Echols, Voters Service Chairman at PE 1-0570.

Toddler Group

To Meet Again

Another class is being opened at Shaarel Zedek to both members and non members for a nominal fee. Children must be between 3 1/2 and 4 1/2 years of age.

The toddlers will be taught about the Jewish holidays and interesting holiday projects will be held for them. They meet once a month for 1 1/2 hours.

PLAQUE FEATURING cover of new Nassau Telephone Directory which commemorates the centennial of the birth of her father, Theodore Roosevelt, is presented to Mrs. Richard Derby of Oyster Bay on the lawn of her Cavendish, Vermont, summer home.

Sagamore Hill, Roosevelt's Oyster Bay home and now a national shrine is featured on the cover of the new Nassau now being delivered. Elvin Edwards, Telephone Company, Nassau division manager made the presentation.

Republic Launches Space Study

Republic Aviation Corp. reported Tuesday it is embarking on a \$35 million research and development program "to intensify development of the advanced forms of aircraft, missiles and spacecraft called for in the aeronautical industry's transition to astronautics."

A four-year program, without precedent in the 27-year-old history of the jet aircraft builder, will include the erection of a \$14 million Engineering Research and Development Center at the firm's main plant in Farmingdale, to house highly specialized research and development laboratories, said Mundy I. Peale, president.

The program also calls for major expansion of the firm's technical

personnel by the addition of scientists and engineers to the Engineering, Development and Scientific Research staffs.

In a letter to stockholders Peale said the comprehensive program has these objectives: to develop new, sophisticated forms of aircraft, to develop new families of missiles and missile systems that are as yet uncharted, and to stimulate design of manned vehicles for space travel. A corollary of this intensive effort, Peale said, would be the creation of "a host of new products and hardware" to support this technological advance.

"Our long-range objective, quite frankly," he said, "is to capture a position of leadership for the company in the field of astronautics."

Democrats Open Hdq Aug 13

August 13 will be Oyster Bay Open House for Democrats at newly established campaign headquarters on Herzog Pl., Hicksville, it was announced by Jack Nass, Treasurer of the 1958 campaign effort.

Invitations have gone out to all candidates for public office in Nassau County, county committeemen, members of Democratic clubs, all enrolled Democrats in the Oyster Bay area, and their wives.

Daniel P. Cassidy of Massapequa, selected by the Democratic organization to be Town Democratic leader, will cut the tape to signal

the start of the 1958 election campaign, at 9 P.M.

Among celebrated guests are: Bernard S. Meyer, Democratic county Chairman; Otis Pike and Walter Lynch, running on the party ticket for Congress; in their respective districts; Charles W. Anderson, state senatorial aspirant; and William H. McCaffrey, Jr. candidate for state assembly.

Special guests are Don Mankiewicz, noted novelist, who is campaigning chairman of the Nassau county effort, and Jean Aaronson, Vice Chairman.

Award County Road Projects

County Executive A. Holly Patterson awarded the contract for resurfacing of 43,244 feet of county roads in the Town of Oyster Bay to Zara Contracting Co. of Hicksville for \$281,719, low bid of two recently submitted.

The County Executive awarded the contract for resurfacing of

54,183 feet of county roads in the Hicksville-Plainview-Farmingdale area to Litz & Sons of Oyster Bay for \$358,439, low among three bids submitted.

Sections of Old Country Road, Westbury-Hicksville Road, Hicksville-Woodbury Road, Massapequa-Woodbury Road.

Street Lights for Birchwood

by Ralph Diamond

In response to numerous inquiries THE VILLAGER has made a complete study of the street lighting situation in Birchwood. The following facts were obtained by our paper and verified by officials of the Town of Oyster Bay and LI Lighting Co.

These are the steps that must take place prior to the time that street lights are actually installed. a) the builder must comply with all the Town of Oyster Bay's requirements pertaining to dedication of streets and file a set of papers indicating such compliance. (b) the Engineering Department of the Town then reviews the builders filed documents and examines the streets to check on said compliance. In the event the Engineering Department approves the builders papers the Town issues a permit. (c) the permit is then forwarded to the LI Lighting Co. who make a survey regarding location of lights, etc. (d) the survey conducted by LI Lighting Co. is then filed with Town which examine and review the survey. When the survey has been approved it is submitted to the Town

Board for formal approval. The Town Board upon approval issues an authorization to Lighting Co. to proceed with the installation of the street lights.

Sections 7 & 8 have had the survey made by LI Lighting Co. and it was approved by the engineering dept. of the Town. It is expected that by the time this article is published the Town Board will have approved the authorization. Street lights in Sections 7 & 8 according to the highest official opinions will be in operation within the next two months.

Section 6A (Village Drive) has had their survey made by LI Lighting and is presently being reviewed by the engineering dept. of Town. Anticipate lights within three to four months.

Section 9 - Builder has not as yet filed his papers with Town. It is expected that within the very near future the filing will take place and the machinery set in motion to obtain the street lights. No anticipated date can be stated.

Favor Municipal Garbage Collection

by GILBERT B. STEIN

At a special Sunday night emergency meeting of the board of directors of the Birchwood Civic Assoc. held on July 27, the Board of Directors went on record as endorsing the proposed establishment of a Jericho Garbage Collection District. A hearing to this effect was held on July 28 by the town board at Oyster Bay and the Civic Assoc. went on record favoring the establishment of township garbage collection for Birchwood by sending a telegram to this effect to the Town Board.

The cost of municipal garbage collection, which will be composed of Birchwood, at Jericho primarily, as well as some other nearby areas to each taxpayer or resident here, will be approximately the same as what we are presently paying to private contractors. However, Oyster Bay proposes that we get a minimum of three pick ups per week and one additional pick up for refuse and other waste material would also be provided. Garbage would have to be

placed at a specified point at the curb and no facilities for rear collection are at present contemplated. The proposed budget for the new Jericho Garbage Collection District will not exceed \$48,500 per year and this will incorporate the purchase of a new garbage collection truck, and also the utilization of other existing equipment. Inasmuch as the real estate valuation in this new proposed garbage collection district exceeds \$16,000,000, the board of directors of the Civic Association was able to determine that the cost to the average Birchwood home would be approximately \$28 per year based on an average Birchwood assessment of \$10,000 per home. This money, incidentally, would be collected by the Williamsburg Savings Bank as the mortgage holding institution and would be in the form of a two tax, naturally, as such a tax deductible item to all residents and carrying with it an additional advantage.

The board of directors of the Birchwood Civic Assoc. spent several hours discussing the pros and cons of this proposed Garbage District and it was agreed that the performance that is presently

given by two private contractors, in terms of garbage collection, leaves much to be desired in our area. Many of our residents have tried in vain to reach these private contractors to complain about lack of service.

The board of directors, also, sent a communication to the Township requesting that present Oyster Bay township garbage collection rules be amended to provide for rear pick up of garbage wherever desired by our residents. Your Civic Assoc. will certainly try to push this amendment once the Garbage District for Jericho has been set up.

This newspaper will keep our residents informed of further developments pertaining to the garbage collection problem.

Thank You ---

Mrs. Abe Margolis of Maiden Lane wishes to publicly thank all her many friends in the community who have sent expressions of sympathy and encouragement to her and her children.

Abe Margolis, one of our most popular and loved residents, passed away recently, and it is in his memory that the Jericho Jewish Center started the Jericho Community Blood Bank.

Sunshine for Sonny?

by Gloria Brunswick

You need no introduction to little boy named Sonny. You know him as the wide-eyed five year-old across the street with the face of an angel and the temperament of a demon. You also know him as the All-American Butch who lives next door and flashes you his toothless grin as he tramples your bushes to retrieve his ball. You see him in your very own kitchen, his dinner all over his impy face, his dungarees dirty and torn from today's Marathon Race.

Sonny is, of course, any little boy you have ever known and loved. He lives in a lovely new home in Birchwood and his parents have many shining dreams for his welfare and future. Outdoors from dawn until "Pull - in" time, Sonny and his friends are in a state of perpetual motion. And life is so good for Sonny!

Would you want to be the one to take it all away from him? Could yours be the speeding, unheeding car that might run Sonny down, leaving him in a pool of blood with little arms and legs forever still? Could you bear to hear his Mother's screams every night of your life as you lay in your sleepless bed?

Everytime you sit behind the wheel of your car and drive through the streets of this community, will you think of Sonny? Will you report every reckless driver to the local Police Precinct for his sake? Will you help the VILLAGER to write someday: "Mr. and Mrs. Sonny's Parents of Every Lane are proud to announce the engagement of their son ---", or will it be: "Today a tragic accident occurred that took the life of ---"?

Drive Slowly! Sonny's life could end so fast!

Dues are Due

During the process of collecting the dues owed by the members of the Civic Assoc. for the current year, it has become apparent that many residents of the community do not fully understand the constitution of the Civic Assoc. with regard to the payment of dues.

The fiscal year of the Civic Assoc. runs from April the first of one year to March 31 of the succeeding year. Thus, all residents who pay their dues now, are entitled to full membership privileges until Mar. 31, 1959. The constitution of the Civic Assoc. makes no provision for the partial payment of dues, nor for the pro-rating of dues.

Immediately upon receipt of payment of the \$5.00 dues from any resident of the community, a permanent record is made, and a membership card is mailed out. In a few cases, previous members of the Assoc. have, through some oversight, allowed their memberships to lapse. All the residents should be aware that membership dues payments can be made at this time. Please make your check payable to Birchwood Civic Assoc. at Jericho lpc, and send it, together with your name and address, to the writer at 226 Fountain Lane, Jericho.

George J. Frankel
Financial Secretary

Tactics Generate Resentment

as reported by GILBERT B. STEIN

On Sunday night, Aug. 3rd, Our Civic Assoc. Board of Directors was called into Emergency Session to deal with the unprecedented request made in writing by Bayside Carting Co., one of our two local private garbage collection firms. Bayside Carting has sent invoices to Birchwood residents calling for immediate prepayment of garbage collection fees up to and including Dec. 31st. This notice also stated that unless such a payment would be made by Aug. 10, collection would be stopped.

The Board of Directors of the Birchwood Civic Assoc., speaking for an aroused community, sent a telegram to this firm, which we are printing below. The Board suggests to all Birchwood residents, that they pay only the usual amount, covering the two months garbage collection fee to Bayside Carting. Naturally, if any resident is in the arrears, that amount should also be included.

Following is the text of the telegram sent to Bayside Carting: "The Board of Directors of the Birchwood at Jericho Civic Assoc. demands you immediately rescind your recent Billing of our residents to Dec. 31, 1958. Your action clearly indicates bad faith and a drastic change from your previous billing practice. Unless we hear from you within 24 hours, we will take every legal step to have your license revoked. Publicity releases of our action will be issued to all newspapers. Copy of this telegram is being forwarded to Town Officials. Signed: Birchwood at Jericho Civic Association, per Dr. Martin Lawrence, Chairman of Public Safety."

Negotiations between the Civic Assoc. and the private collection firm appeared to end following one conference. Dr. Lawrence reported, following a conference on Tuesday night with Bernard McCaffrey, Deputy Town Attorney, that the town will do everything within its scope and power to protect the homeowners. McCaffrey said he would study the present contract between the Town and the private carter and then suggest a course of action. He also said that the town will see that refuse removal is carried on without interruption during an interval until the municipal district is created, if necessary, by calling in other collectors. It has been recommended that residents continue with their present collection service and payments but that they advised they are not required to pay the charge billed for service thru to the end of December.

IT COULD HAPPEN HERE — These pictures were staged for the VILLAGER... but it might happen in Birchwood. Residents please note: 20 mph is safe, 30 mph is risky, 40 mph is dangerous and 50 mph is reckless. Faster yet is murderous.

Country Club Fence Poses Problem

by Gilbert B. Stein

The Board of Directors of the Birchwood Civic Assoc. at its July 22 meeting voted to establish a special committee in response to requests by member residents pertaining to the Hidden Lane access to the Jericho Country Club. This committee, through its chairman Ralph Diamond, made a report to the Board at the Sunday, July 27 special board meeting. By special invitation, a number of residents directly affected by this matter, attended this meeting and took an active part in the deliberations. As a result of the restrictive covenant entered into by the Jericho Country Club and the Civic Assoc. established in 1937 for the protection of the residents living opposite or near to the Country Club, a fence was to be erected behind certain residents on Hazelwood Drive. This picket fence was to cross Hidden Lane, a short dead end street, leading towards the property of the Country Club. For over a year, erection of this fence had been delayed and it was finally that during the middle of July this task

was completed by the builders, Sarnow & Schwartz. To the annoyance of Hazelwood Drive residents many youngsters on their bikes, some adults and supposedly quite a few dog walkers utilized Hidden Lane to reach the property of the Jericho Country Club and in many cases walked across the rear property of various Hazelwood residents. The object of this was to avoid the long route to the Country Club via Merry Lane and Jericho Turnpike. Residents affected also claimed that adults in various forms of bathing attire crossed through this opening and that youngsters were delivered to this Hidden Lane spot by car and also picked up there by their parents during various times of the day. While parked cars constituted an additional nuisance, the worst part of it all seemed to be the signaling by drivers to Jericho Country Club Bathers from Hazelwood Drive and this constituted an intolerable amount of noise.

This was the case presented by the committee of residents at the

Civic Association special Board Meeting on July 27. The Civic Investigation Committee established on the 22nd of July dealing with this matter then made a report stating that approximately 30 to 40 youngsters used this Hidden Lane short cut to the Country Club on bikes daily, thus avoiding the terrible traffic hazard on Merry Lane and Jericho Turnpike. The committee further felt that to preserve the lives and limbs of teenagers certainly did deserve some consideration. After inspection of this site by this special committee on July 23rd and until such time as an all around satisfactory arrangement could be completed, the Civic Assoc. prevailed upon the builder to provide a very small opening in the newly erected fence at Hidden Lane to enable youngsters to squeeze through and reach the Country Club via this safe route.

Thus, the case stood when the Board of Directors met Sunday night, July 27. All sides were heard after which a promising avenue was explored by Larry Gibbs. He felt that after conversing with the Town Park Commissioner, the township would open the gate at the Merry Lane Park permitting youngsters to cross this property to reach the Country Club in this manner via a safe route. All that would have to be done would be the cutting of another opening in the park fence at the Jericho Country Club side of the park. Since the township has as yet not accepted this park site from our builders, due to some small matters pending completion at the site by the builder, Gibbs stated that the superintendent of parks would upon receipt of written assurances by the builders, Sarnow & Schwartz, open up the park short cut leading to the Country Club. A compromise suggestion advanced by Herbert Shapiro, chairman of the Board of Directors, was then adopted after lengthy discussion. Under this compromise, the small and temporary opening in the present Hidden Lane fence would be kept open until Aug. 15th, permitting youngsters access to the Country Club, but without their bikes. The fence would definitely and permanently be closed off after Aug. 15.

In the meanwhile, the Civic Assoc. will contact the builders, to obtain a written commitment that the park site at Merry Lane will be made ready for acceptance by the town. The Civic Assoc. will at the same time follow up with the Park Department our request that access to the Country Club be made possible by opening of the park site gate at Merry Lane and by the cutting of another gate at the opposite side of this park adjoining the property of the Country Club.

Three representatives from the Hazelwood residents affected, who were present at this special board of directors meeting, agreed to this compromise in the interest of the overall needs of our community. The VILLAGER shall report in future issues any further developments.

Traffic Problems And Control

Dr. Martin I. Lawrence-Chmon, Traffic Comm.

Our young community is a sprawling giant spread over a large area. The streets within in addition to leading in and out of the Village are a constant threat to life limb and property by vehicular traffic. Certain measures to safeguard our residents have been taken by the authorities at our request and others have been turned down or delayed. This action by the state or local governing agencies have not been left lying by our committee, but follow up requests have been made constantly in view of the impending dangers in heretofore in the local traffic conditions.

As you all know stop signs, slow down signs, and school stop signs have been installed in certain key areas in our community. Many more locations and placements were requested but not approved during four separate surveys done by the Nassau County Police Department.

Matters which are pending at the

present time are:

1. No through trucking in Birchwood Park.
2. Reduction of speed limit.
3. Installation of traffic lights when construction is completed on Broadway and on Jericho Turnpike.
- In order to help maintain a good safety record in our own back yard let me caution you to follow a few basic rules.
1. Observe all stop signs by coming to a complete stop.
2. Do not go over 25 MPH in the community and warn all your teen-age drivers to do the same.
3. Impress all youngsters not to ride their bicycles in packs across streets but in a single line at the side of the road.
4. Do not double park to converse with a neighbor.
- In your driveway if there is no grade.
5. DO NOT allow children to play inside your automobile.

Civic Progress On Many Topics

The Nassau County Town Planning Commission, in reply to our letter, has stated that it will make every effort to see that our streets are put in good shape to prevent puddling along the curb and that it will not release the contractors from their performance bond until this is done.

In reply to our complaint, the Street Maintenance Dept. has agreed to paint, at an early date, the street corner posts to which our street signs are affixed. The regulations require these posts to be painted and in view of the fact that this was never done in our community, the same are rapidly rusting and otherwise deteriorating.

The Supervisor of the Town of Oyster Bay, John Burns has informed us that our request for a traffic light on Jericho Turnpike and on Broadway have been placed be-

for the State Highway Dept. in Albany for consideration.

We informally queried Oyster Bay about possibility of erecting entrance walls on Town property. Without any formal commitment having been given, it would appear that the Town would not be unfavorably disposed in this connection.

For information of residents of Hazelwood Dr. whose property adjoins Jericho Park, the builder of the Park has advised us that it is his intention to permit us many trees as possible to remain on his property. This should afford peace of mind to our many Hazelwood Drive residents who have been troubled that the forests in back of their homes will be completely done away with.

Birchwood will soon have a lovely park on Maytime Drive adjacent to the Jackson School. There will be trees, shrubs and benches. The Park Commissioner, Peter Hussey, has stated that he expects to commence this work within the next few weeks. At the same time, work will begin on the athletic field on Merry Lane. Both of these projects should be completed by fall.

Lawrence C. Gibbs
Vice Pres. Birchwood Civ. Assoc.

LEGAL NOTICE

NOTICE TO BIDDERS

PLEASE TAKE NOTICE that the Superintendent of Highways of the Town of Oyster Bay will receive Sealed Proposals at the Town Hall, Oyster Bay, Nassau County, New York, until 10:00 A.M. on August 19, 1958, at which time they will be publicly opened and read in the presence of the Town Board for the Construction of Bituminous Surfacing of Robbins Lane, Jericho, Long Island, New York.

A charge of \$10.00 dollars will be required for a copy of the plans, specifications, proposal sheet and form of contract to be made payable to the Town of Oyster Bay Highway Superintendent. This amount will be refunded to those who return the plans, specifications, etc., in good condition within thirty days of the award of contract or rejection of all bids.

Plans and specifications may be seen at or procured from the Office of the Superintendent of Highways, Town Hall, Town of Oyster Bay, New York, 9:00 A.M. to 4:45 P.M., Monday through Friday.

Each proposal must be accompanied by a certified check on a solvent bank or Trust Company,

LEGAL NOTICE

In an amount equal to not less than five (5%) percent of the amount bid, made payable to the Town of Oyster Bay as assurance that the contract will be executed if awarded to such Bidder.

The Contractor will be required to comply with all the provisions of the Labor Laws of the State of New York.

The Superintendent of Highways of the Town of Oyster Bay reserves the right to reject any or all bids if it is deemed in the best interest of the Town, subject to approval of the Town Board.

Public Liability and Property Damage Insurance and Construction Bond will be required as set forth in Instruction to Bidders and the contract form.

Gala Luncheon At County Park

The Jericho Auxiliary of the United Cerebral Palsy Assoc. of Nassau County will hold its gala "Forget-Me-Not" Luncheon on Oct. 8 at the Salisbury Club House, Nassau County Park.

Tickets are \$4.75 per person and include a sumptuous repast, many door prizes and an afternoon of side-splitting comedy.

Those who attended the auxiliary's Spring Dance will remember Lee Wallace, humorist magnificus, who will return by popular demand.

Reservations may be made through Mrs. Irving Rifkin - Overbrook 1-1856 and Mrs. Jerome Abrams - Wells 8-7353.

The VILLAGER is Your Community Newspaper

Here's A Way

C Lustig of Birchwood Park Drive has suggested that one of our local organizations undertake the promotion of a worthwhile community project: namely to paint every house number fluorescent paint on the curb near the driveway. This is done with a stencil to make these numbers neat and easily seen. For this service, which would be rendered once a year, each homeowner would pay approximately \$1.00.

This project seems an excellent fund-raising venture for organizations as The Little League, Boy Scouts, etc. At the same time it would be a public service to all residents, future mailmen, relatives, and visiting firemen looking for a house in the community.

The VILLAGER will be happy to publicize such an undertaking and we ask that interested organizations contact The Editor.

HUES & VIEWS

By: BEN SHLESINGER

Streamlined simplicity brings a fresh approach to window treatments. Even in period rooms, traditional draperies are being abandoned in favor of "different devices" for this eye-catching area. Louvered shutters, trellis work and the ingenious use of tapered panels take care of such common problems

as radiators, air conditioners and "difficult" windows. If you have a furniture problem do consult with an interested decorator at his shop. Even if you uphstered pieces are in perfect condition we realize you can tire of them, in that case the answer is slipcovers. Slipcovers in a completely different color and pattern, custom tailored to suit the most discriminating. For further facts, come to Living Interiors, Inc., 372 Woodbury Road, Hickville, phone: Overbrook 1-0990

Gas Station at Our Entrance

The Board of Directors of our Civic Assoc. has learned of the possibility that an application may be filed seeking a permit to build a gasoline station at the corner of Jericho Turnpike and Merry Lane. The Taxation and Zoning Committee

has been alerted to be on the lookout in the event that such an application is filed, and take the necessary steps to present the facts to the Board of Directors for appropriate action. RALPH DIAMOND, Vice President

Confessions of a Speeder

The old adage, "Confession is good for the soul," is the motivating factor that compels me to cleanse my soul via this letter.

I happen to be afflicted with what is commonly known as, "a chronic case of SPEEDITIS." This dreaded malady can become very contagious -- especially when displayed very promiscuously, and without regard to geographic location.

If this disease were confined to an area where it couldn't spread too rapidly, like the New York Thruway, Jersey Turnpike or any other fast moving State Highway where they would be in possession of antibiotics to combat this situation, I would not be too concerned. But the fact that I brought this sickness to Birchwood where it has reached epidemic proportions is wrecking havoc with my conscience. Every time another person pays their death - dealing machine through the streets of Birchwood at 40 and 50 miles an hour, with the assurance that no antidote is available as yet to combat this epidemic, the realization that I, and I alone, am responsible for this condition gives me the shudders and makes me feel petrified.

In observing these speeders tearing through the Birchwood streets, with a complete disregard for life, limb or property, awakens me to a period of retrospection, in which I visualize the hundreds of people I might have killed because of my senseless "SPEED-IT-IT." I am tortured by this fact and ask myself hundreds of times, "What have I done -- why did I bring this fatal disease to Birchwood?"

That stark reality of the repercussions of this disease finally hit home last week. I was cruising along Birchwood Park Drive very northbound at my customary speed of 70 miles per hour when I observed a ball darting in front of me. Being fully aware that where there is a ball in the street a kid was sure to follow, I prepared myself for that eventuality. That is exactly what happened. Where there was a ball now stood a little boy of 12 years. As confident as I felt that I could stop in time -- that's how badly I misjudged the whole situation. With perfect brakes and complete confidence I attempted to stop my car within fifty feet while traveling at 50 miles an hour.

When the realization, (which only took two seconds) dawned on me that I didn't swerve I would surely kill that little boy, I turned sharply to the left and found a nice big fat juicy truck waiting for me. My son always wanted a truck so I made one expressly for him with my car. My car is completely useless and so am I. I suffered two broken legs, a busted arm, broken nose and jaw. Six fractured ribs which al-

As Told To Irving Hershowitz

most choked me to death. All in all, that dreaded malady, "SPEEDITIS", cost me untold anguish, pain, misery -- plus around five thousand dollars.

Please -- I beg all of you who are afflicted with this disease -- if you feel you are incurable don't drive -- it's not worth it. If you must drive try to cure yourself -- get there a few minutes later -- but save someone's life -- even if you have to save your own.

JERICHO JOE
P.S. This letter is being dictated to a nurse from an oxygen tent. I will have to remain in the hospital for at least two to three years.

Quote of the Week

"The difference between modern and old-fashioned educational methods is simply a matter of which end of the child you pat." -- Changing Times.

HERE AND THERE

by Florence Berger

Ed Sherman of Magnolia Lane and Ivy Berger of Maytime Drive went fishing July 26 out of Oyster Bay. They came home that noon with 57 Proties and eleven Flounders. This is no Fish story as the neighbors can attest to that and the inevitable pictures were taken. Next time just call them and you'll get fresh fish. (Only you have to clean them.)

A Happy Belated Birthday to Carin Javorsky of 299-Birchwood Park Drive. Carin was 3 years old on June 22 and her letter to the editor about her event went astray till now. Please forgive us.

Mr. and Mrs. Samuel Springer of Mellow Lane joyfully announce the birth of a girl. The Springers have two sons. Best of luck to all.

Happy Birthday to Janice Abrams of 54 Hightop Lane who is celebrating with a Supper Party August 16th at her home.

Chella Saltzman of 24 Merit Lane will be a year older on Aug 7th. Happy Birthday to you.

Anita Breslau of Mellow Lane is a frustrated counselor and a good one at that. About ten children were having the time of their lives playing all sorts of games on her patio, running bases and such. Anita, thanks to you ten children were occupied on a nasty afternoon, under your supervision. How many of us mothers would stop our work to do this?

Happy Birthday to April Nathanson of Friendly Lane who was hostess at a Teen Age Party.

Congratulations to Mr. and Mrs. Gerber of Middle Lane on birth of Second Son.

Saw Ronnie Kraft of Hedgerow Lane, Barbara Shenker of Middle Lane and a host of Teen-Agers from Birchwood listening with all or both ears to Dr. Rebecca Liswood who talked on teen-agers and their problems at the Jericho Country Club. Dr. Liswood has the patience of a saint in answering all their ques-

the Old Timer

Thursday Friday Saturday

the HERALD Sportlight

by HOWARD FINNEGAN

Newsstands are bludging with College and Pro magazines reports on the coming football season and with interest in the fortunes of Hicksville High mounting at an unprecedented rate the HERALD joins the early line with a review of the 1958 Comet gridiron hopefuls.

It has been a long winter and spring for Hicksville as Comet fans and players look back and recall that the 1957 championship of powerful Section 1, NSAA, was left on the one yard line at Garden City in the final, tragic minute of the first half.

Following that 20-14 loss to the Trojans, the Comets swept over five straight opponents to close the year. Ever since then the Orange players have been straining at the bit to get on the field again and work off the frustration.

Graduation cut heavily into Coach Howard Bower's squad, but it did not entirely rip the core from it.

Such splendid runners as Ted Greve, Richard Stillman, Richard Zarczynski and William Wright are gone. The loss of Howard Lattman, who with Greve and Stillman, was a titan on defense in those five winning contests will hurt.

The departure of strong linemen like Edward Zivica and Eugene Yetter Joseph Jooster and Charles Glasser is not to be discounted but a good part of the line remains in tact.

250-Pound Larry Slokin will be back at Tackle and Bill Fink-Mickey Anglin combines to hold the fort in the center of the line.

Fritz Pawlitchek, Richard Solby, Martin Polerski, Harold Pearsall, Robert Nadell, and Ivars Bemberis are all veterans who are eligible to return.

Joe Naso will serve his third season at quarterback and there is speculation that Bowers will also work the young and sound Bemberis in that slot.

However, the success of the Comets in the demanding schedule will depend on the fusion of players from the Junior Varsity who had a respectable '57 mark and those who can come all the way from a season's stint with the undefeated Freshmen.

Richard DiLeo, Bill Schrimpe and Harri Jalovarra are other holdovers who will need plenty of help from the new candidates, expected to run over 100 boys at the outset.

Henry Ksiazek, Richard McKenna, James McKinstry and Stephen Ruggiero who displayed assorted strength, speed or needed dexterity with the JV to merit consideration for this season's varsity.

Capable of attempting the long jump from Freshmen to varsity are halfback Edward Caesar and Fullback Robert Cerone.

Robert De Martio rated a number of nods for strong defensive play as did Bradford Jaworski in the line. Quarterback Robert Moore moved the club nicely and called upon Robert Zarczynski, 190-lb. brother of the varsity star, a number of productive times.

Other names who may be candidates this season and who command attention last year include Arthur Center, Robert Chepac, Larry Sakadinsky, Thomas Westenberg, Joseph Gallipoli, Robert Clements, Joseph Grimm, David Joosten, Dennis Stillman and Henry Cierski.

It cannot be told now who will be the headline makers and team sustaining stars. Some bright prospects will fade and others, unsuspected, will rise up suddenly.

However, Hicksville has a number willing to give it a try in the powerful league schedule and that important intersectional date with Freeport, Nov. 1st.

There is also the great confidence in the ability of Coach Howard Bowers and his staff to produce a good representative and that is why we have this great early anticipation.

MORE ACTION IN CVO baseball this week at East St. School, Hicksville. (1) "Well, what do you think of that", Thomas Daur of the Tigers seems to say "I'm the first one to score" in the top of the second inning as the Athletics bowed to the Tigers, 1-14 on Aug. 2. (2) With bases loaded, Brian Sullivan of the Tigers comes home on a bunt by Billy Schneider. (3) Jack Curtis of the Yanks starts to slide into

home plate to score the second run for his team while Indian Catcher Klugallon waits patiently to no avail. The Yanks - Indian game was held as a practise when the Indians failed to show up with a full team and forfeit. The practise score, with three men loaned by the Yanks, was 12-2 in favor of the Yanks. All Photos by Charles G. Layer.

Whiting 1st In Old Country

Whiting 6 Whiting with a score of 9 victories and one loss is first in the Old Country Minors of the Hicksville National Little League with the second half concluded.

In the Cornell Minors, final second half standings show Roberts Chevrolet in first position while Fred's Gulf has first place in the Class A Minors.

Levoe Drugs is leading in the Major Division with a 5-3 record for .625 percent.

Team standings as of Aug 3 were:

GOP To Hear Dory Bedell

Theodore Bedell, comptroller of Nassau County, will be guest speaker tomorrow (Fri) night when the Hicksville Republican Club meets at the Masonic Temple on W. Nicholas St. at 8:30 P.M., according to Francis Donovan, president of the Club. All interested residents are cordially welcomed to attend.

All Stars 2nd At Syracuse

The Bethpage Babe Ruth All Stars put Bethpage on the map in Syracuse by reaching the finals in the New York State Regional Tournament, coming in second to Massapequa who beat them out in the last game 21-4.

On Monday, July 28 in the first game of the tournament Bethpage beat Staten Island 5-1 behind the two hit pitching performance from Peter Nistad. Frank Octavio, second baseman came through with a pair of two run scoring singles to spark Bethpage to its victory. His first hit scored Ralph Ferragline who had walked and Chas. Olson who had reached first base on an error in the second inning. His second single brought home James Miranda and Ferragline who had walked in the third. The other Bethpage run scored on an infield out.

On Tuesday, July 29, Bethpage beat the Saratoga team 2-1 behind James Miranda's three hitter. Terrific running catches by left fielder Jack Hajduk stopped any threat on the part of Saratoga to take the victory.

On July 30 Bethpage beat Schenectady over all odds (Schenectady was the favored all the way through the tournament to win) 5-2. A nifty pitching job by reliever Pete Nistad held on to Bethpage triumph. Pete allowed two hits for three frames. Bethpage hitless through the first four innings combined four hits with a hit batsman, a walk and two steals for all its runs. Dale Conroy started the rally with an infield single. Di Nundo came in to run for him. Fraser Shaw was hit by a pitch, and after a double steal Chas. Olson walked to tie the bases. Pete Nistad hit to right field to bring in two runs. Curtis Farrell followed with a single to bring two more to plate and scored himself on Frank Octavio's single. This win put Bethpage in the finals against Massapequa.

On July 31 Bethpage failed to beat Massapequa. James Miranda with only one day started for Bethpage, relieved by Fraser Shaw, John Brauman and Ed Koute, Bethpage went down in defeat 21-4.

The above wins would not have been won without the full cooperation all pitcher received from their infielders - Larry Cramer, 3B - Dale Conroy, 3B Curtis Farrell, SS - Frank Octavio 2B and outfielders Jack Hajduk, James Miranda, Ralph Ferragline, Rich- are Iovino and Fraser Shaw who in the first six games played like professionals making terrific stops and catches.

50 - Lap Auto Races Next

50 - lap races are considered championship events by the auto racing fraternity. Thus, August becomes "championship month" at Freeport Municipal Stadium, for co-promoters Kedenburg and Donaldson have scheduled no less than four 50 - lap events for the current month.

The non-Ford classic, scheduled for Saturday, Aug. 9, will be followed on Saturday, Aug. 16, by the slam - bang fender busters of the crowd - pleasing novice division. Friday, Aug. 22, the speedy modifieds compete for their share of the 50 - lap honors.

Earn Trophy

The Bethpage Colonial Fife & Drum Corp. received a trophy for first place in the "Ancient Class" in a competition in Smithtown on Saturday, Aug. 2. Majorette Patricia Flynn of this Corp. tied for first place in the Junior Class Majorettes.

A barbecue followed at the home of Mr. and Mrs. William McKay for the Bethpage Colonials.

Russ Heiser, Manager - and Coaches Augie Barone and Pip Miranda accompanied the boys on the trip.

ing at the Cove Theatre, Glen Cove, now thru Tuesday, Aug. 12.

Attending Convention in Denver

Mrs. Rosalie Gershow, Vice-
President of the Mid Island Chapter
here, will attend the four-day
convention of the nonsectarian
Jewish National Home for Asthma-
tic Children at Denver, Colo.,
to be held Aug 10 to 13 in Denver.

The National Home, founded in
1907 and the only charitable medical
and research institution of its
kind in the world, provides treat-
ment on a free, nationwide basis
to all children suffering from in-
tractable asthma, the severest
form of this illness.

Mrs. Gershow said the National
Home's treatment facilities are a
local health resource for intract-
able asthmatic children from Long
Island and its surrounding areas.

"Any Long Island child between
the ages of 5 and 14 who is af-
flicted with intractable asthma is
eligible for admission to the Na-
tional Home," Mrs. Gershow explain-
ed.

The Mid Island Chapter devotes
its year-round efforts in helping
to maintain the National Home's
medical and research programs,
which are supported solely through
voluntary contributions. Occupying
17 1/2 acres near the foothills
of Colorado's Rocky Mountains,
the Jewish National Home for
Asthmatic Children has under
treatment intractable asthmatic
children from every state in the
nation.

2400 Token Dollars For Bike

Good neighbors and his own enter-
prise brought results for nine-year
old Earl Huling of Amityville, during
Saturday's Bids for Kids auction
at Mid-Island Shopping Plaza,
Hicksville.

A fifth grade student, Earl bid
2,400 dollars in tokens for a bright,
new, two-wheel bicycle that he
proudly took home with him.

The youngster said that many of
his neighbors helped him accumu-
late the big hoard of tokens over
the past six weeks.

Bidding for the bicycle was a-
mong the most spirited seen at the
bi-weekly auctions. Actually,
Earl was not the high bidder; but
when the youngster who topped his
bid did not have sufficient tokens
to cover, the glittering prize went
to the Amityville boy, who stated
happily that he would be 10 in just
a few days.

In all, nearly \$3,000 worth of
games and toys were auctioned to
some 1,100 youngsters by O. Run-

dle Gilbert, chief auctioneer, and
his assistants.

Gilbert pointed out that Satur-
day's bidding was the best he had
seen thus far at Mid-Island Plaza
since the Bids for Kids program got
underway two months ago.

Bids for Kids tokens are dis-
tributed to shoppers with each pur-
chase made at any of the Mid-Island
Shopping Plaza stores. The next
children's auction is scheduled for
Saturday, Aug. 16 at 10 a.m.

Boxing Show

The Baldwin Unit of the Nassau
County Police Boys Club will hold
its Fourth Annual Boxing Show
on Tuesday, Aug. 12 at the St.
Luke's Parking Field in Baldwin.

Boxing fans who were present
at the previous PBC boxing shows
are once again looking forward
to another action-packed card of
amateur bouts among youngsters
hailing from Baldwin, Island Park
and Untondale.

INSURANCE

**what are
your ideas on
auto insurance?**

We, at Nationwide, have a
guiding idea - the idea that
people working together can
accomplish anything.

Where automobile insurance
is concerned, that idea be-
comes this... you and we,
working together, can ac-
tually lower auto insurance
rates - at the same time
maintain, and even increase,
the protection that insurance
affords. We believe it's a good
idea. More than 2,000,000
drivers agree!

The Nationwide idea can
help you to worry-free driv-
ing, financial protection, and
dollar savings. Find out how.

Name: Cambridge Hall, located at Plaza, Hicksville, Long Island, N.Y. Purpose: To own, hold and deal with the fee ownership of the buildings and personalty in the block bounded by Union Turnpike, Grand Central Parkway and Springfield Boulevard, Queens County, N.Y. Names, addresses, cash contributions, percentage share of profits of General Partners: David Kogel, 39 Deer Park Rd., Great Neck, N.Y. \$3,000., 1.0; Leonard B. Schoffman, 18 Ridge Dr., Great Neck, N.Y. \$3,000., 1.0; Limited Partners: David Kogel, 39 Deer Park Rd., Great Neck, N.Y. \$66,000., 22.0; George Kogel, 198 Kings Point Rd., Great Neck, N.Y. \$42,000., 14.0; Pearl Diamond, 87-03 Chevy Chase St., Jamaica, N.Y. \$30,000., 10.0; Leonard B. Schoffman, 18 Ridge Dr., Great Neck, N.Y. \$57,000., 19.0; Irving Klein, 112-39 65th Ave., Forest Hills, N.Y. \$30,000., 10.0; Robert Hyman, 38 Rogers Rd., Great Neck, N.Y. \$30,000., 10.0; A. Irwin Kleinman, 1949 B. 23rd St., Brooklyn, N.Y. \$14,000., 4.0; Gladys Sherak, 67 Bay St., Harrison N.Y. \$9,000., 3.0; Daniel Lipsky, 150 Crown St., Brooklyn, N.Y. \$3,000., 1.0; Norman Schmukler, 81-06 229th St., Queens Village, N.Y. \$3,000., 1.0; Sol Ronald Gordon, 32 Debora Dr., Plainview, N.Y. \$3,000., 1.0; Julian Littau, 29 Brace Terr., Dobbs Ferry, N.Y. \$3,000., 1.0; Nancy R. Kogel, 20 Wheately Rd., Old Westbury, N.Y. \$3,000., 1.0; Seth Lawrence, 90-40 108th St., Forest Hills, N.Y. \$3,000., 1.0. Term of the partnership from March 17, 1958 to December 31, 1973, subject to possibility of earlier termination

LEGAL NOTICE

or further extension. No additional contributions are agreed to be made by limited partners. The capital contributions of each Limited Partner to remain in the partnership until December 31, 1973 unless sooner returned in whole or in part in the discretion of the General Partners, subject to conditions in Section 105 of the Partnership Law. Additional Limited Partners not to be admitted. No Limited Partner may substitute an assignee in his place except as provided in the partnership agreement. No Limited Partner has any priority over any other Limited Partner as to contributions. Rights of a Limited Partner as such are not affected because the Limited Partner is also a General Partner and wherever the same person is both a General and a Limited Partner, his two interests are treated as wholly separate partnership interests for all purposes of the partnership agreement. In the event of the death, insanity or bankruptcy of a General Partner, the remaining General Partner has the right to continue the business.

New Teachers Get Orientated

About 100 new teachers in Hicksville Public Schools will participate in a unique two-week orientation program which begins on Monday, Aug. 18, according to Donald F. Abt, assistant superintendent of schools. In previous years one or two days were devoted to orientation for new faculty members. The program, for which time the teachers will be paid the regular scale of pay for their positions, opens with The Teachers of Hicksville, Aug. 18; and concludes on Aug. 28 with a trip by bus around the town.

Hicksville Fire Dept Busy This Week

July 30-Oil burner at Martin Bullock home of 18 Bridge La.,
July 30-Fire in the rear seat of 1954 Packard belonging to Mark Geronimos of 159 Blacksmith Lane, Levittown.
July 30-A grass fire at Kuhl Ave.,
Aug. 1-Frayed light cord at 109 Cambridge Rd. The Fire Dept. was asked to investigate.
Aug. 2-An empty house, property of Bernard Miller, at 288 Old Country Rd., considerably damaged.
Aug. 2-A garbage fire on Duffy Ave.
Aug. 4-An ambulance call for Mrs. Bassett of 205 Ohio St., taken to Nassau Hos., Mineola.
Aug. 5-A garage fire at Broadway and Gerald Ave.
Aug. 5-Electrical fire at Charles St. and Woodbury Rd. at the John E. Peote & Sons Concrete Works.
Aug. 5-Ambulance call for Herman Brund of 35 Chestnut St., Hicksville, taken to Nassau Hos.

Music Students' Concert Aug 10

For the sixth consecutive year, Hicksville student musicians are hard at work in bands, orchestras, and ensembles, preparing themselves for future performances. This year, the School District program has been divided into two areas.

The Summer High School program has 135 players registered in Advanced and Intermediate Bands, and Orchestra. They are under the direction of Thomas Buttice and Charles Gove. Elementary students attend either the Dutch Lane or East St. schools where they receive lessons and instruction in band and orchestra. R. Gerard Pellerin and Ross Shub direct the program at Dutch Lane, while Henry Gates and Buttice perform similar tasks at East St.

The public will have an opportunity to hear the fruits of their labors on Aug. 10 at 4 P.M. when there will be a Festival Concert in the auditorium of the Hicksville High School.

Two Weeks With PLAY!

We're on vacation—all 14,000 of us! From August 4th to 18th we're fishin' and boatin' and sunnin' and swimmin', and just plain lazin' around. But while we're playing, we're paying, too—paying out \$3 million in two full weeks vacation pay. Three full weeks pay to the 2,500 of us who've been here 12 years or more!

Time off from work—we've earned it, every man-jack and lady-jill of us. But Republic people never take time off from contributing to the economy of Long Island. 52 weeks a year, Republic—and its business, community and individual neighbors and co-workers—all help make Long Island the best place in the world to work... and play!

REPUBLIC AVIATION CORPORATION
FARMINGDALE, LONG ISLAND, N.Y.
