William McCaffrey and Joseph Campanella won re-election as Democratic committeemen in the 87th Election Dist., Plainview, on Tuesday with a write-in of 130 votes. ## Teacher Proud of US Exhibit at Fair

This week the Mid Island HERALD received a letter from Mrs. Ovid Hively of 130 West Old Country Rd., Hicksville. Mrs. Hively, a language and Arts teacher at Hicksville's Jr. High School, left July 22 from Idlewild Airport for a trip to Brussels, the World's Fair and various other points of interest in Europe. She wrote this letter so that HERALD readers might be able to see the wonderful job the representatives of the U.S. are doing at the Fair. The letter reads as follows:

"No American can come away from the U.S. exhibit at the World's Fair of 1958 in Brussels without being happy with what our representatives are doing. The building itself is beautiful, the participants are friendly and wholesome. The wonderful exhibits ranging from prehistoric Indian relics to nuclear fusion challenge the most discriminating taste. Among the many subjects explained to the thousand and thousands of visitors were: art as taught to young children with an

actual classroom situation, a football suit (very popular), pictures from some of our prominent art galleries, pictures flashed on screens of famous paintings, movies showing life in America; typical tape and hi-fi combinations; the contributions of all scientists toward the geophysical year projects all over the earth and its surroundings; an early model car; the explanation and model-building displays of atom clearance by Philadelphia, traffic control by large cities, and above all the Circarama prepared with the help of the Ford Motor Company showing a trip across the United States by car, boat and plane whereby the photographers achieve the unique effect of taking the audience along with them. Ice cream cones, snack bars and a restaurant serving American food, a fashion show in action as well as an fully set-up television station.

"A person could easily spend two days in our exhibit alone so it is impossible to see all of the World's Fair but all of us can be proud of our contribution, the well-organized and true depiction of our country. As for the small glass etching there was so much clamor about I was unable to find it with all the marvelous displays.

## Increase Fees For Adult Study

Enrollment fees for residents will be increased \$1.50 to \$4.50 in the Hicksville Adult Education hall pro-

gram while non-residents will find the fee boosted from \$6.00.

The Hicksville Board of Education approved the new fees upon the recommendation of Francis Ganley, of 51 Admiral Lane, director of Adult Education, and Dr. Wallace E. Lamb, superintendent.

The new fees are due to changes in the State Laws regarding state aid for adult education. The state law change is also expected to reduce the enrollment to 3,455 students from 3,900. The budget for the program which is financed by registration and laboratory fees, state and federal aid, is \$40,300.

The Staff and Board of Trustees of Hicksville Free Public Library introduce the new "Library Corner" series in an effort to promote the good will of our patrons, describe our function in the community, and introduce our services to those unfamiliar with them. We believe our facilities are unsurpassed on Long Island. The Trustees realize that in order to render the best service communication between the public and the library is vital. So we request your suggestions and questions which we will endeavor to answer and comment upon in this column.

Do you know about the people involved in the service of your library? The trustees are five people elected by the taxpayers, one each year for a five-year term. Theirs is the responsibility for providing library service to the public, for setting up a budget to submit for public approval, to hire the professional staff, and to formulate policy. The present Board of Trustees is: Ely H. Bean, President; John E. Hansen, Vice-President; Leon J. Galloway, Secretary-Treasurer; Mrs. Robert E. Goodrich and Mrs. Joseph J. Ulmer. There are four members of the professional staff; Kenneth S. Barnes, Library Director; John Savage, Assistant Director and Reference Librarian; Theodore Rands; Cataloguer; and Miss Dorothy Broderick, Children's Librarian.

The first Hicksville Library books were purchased from the proceeds of a concert given by the Hicksville Choral Society in 1926. It was also in that year that we received a provisional charter and the first Board of Trustees was formed. Among that distinguished group was Miss Louise Augustin, our foremost patron. The first library was located on the second floor of the venerable Nicholas St. School. It was 24 years later, in 1950, that your library expanded to its handsome headquarters on Jerusalem Ave., where the spacious Duerk garage was later converted into a children's room. Today we have a new building capable of serving our community with up to 75,000 books, a fine collection and a spacious auditorium.

Have you visited your Hicksville library lately? We want you to visit your building, see the facilities, learn where different types of books are located, listen to some of the record collection in the music listening room where there are two phonographs with headphones. The young adults will enjoy finding a good collection of books for both light reading and school book reports. The main area of the new building is divided into three sections: a browsing area with sofa and easy chairs, where you can relax while you browse among the books, magazines and newspapers, is in the front of the library; the reading area with tables and chairs is in the center; the reference section is next with an excellent collection of reference books and a reference librarian on duty. A joining the reference area there is a patio, with its chairs, tables and gay umbrellas, just waiting for you to bring your reading outside in the nice weather. When it gets too warm, remember the library is air-conditioned. The auditorium, downstairs, is available for meetings, for art and music programs, as well as movies for both adults and children.

What is the policy for public use of the auditorium?

Organizations that are mostly composed of residents of Hicksville School District may use the library's auditorium for public meetings on the approval of the Board of Library Trustees. Application may be made at the library. Organizations that are political or religious by nature may use the auditorium only if the meeting is of general interest and open to all.

## Vamps Study Plane Rescue

Although the Bethpage Fire Dept. is not a branch of the Federal Government, nevertheless their interests are closely associated with the Defense Dept. And though the local firefighters are a ground unit their future plans will go directly connected with aircraft, particularly to Grumman and Republic Aircraft plants in this area.

Fire Chief Edward Cava has instituted with the cooperation of the aircraft companies and the County Vocational Education and the Defense Dept., a course in Aircraft Rescue, a series of informative classes in the rescue and aircraft fires.

This series of classroom aircraft rescue technique will be a four session duration.

LEUKEMIA SOCIETY will be \$7.50 richer, thanks to the efforts of Kenny Bean, 14 Meadow Ln.; Randy Schaeffer, 34 Meadow Ln., and Greg Jastrab (not pictured), 30 Meadow Ln., all Hicksville. They brought the money to the HERALD office, where it was forwarded to the Society at 27 Williams St., N.Y.C.

THEODORE BEDELL, Nassau County Comptroller, and candidate for reelection opened the local Republican County Campaign with a talk at the meeting of the Hicksville Republican Club, Tuesday night.

Bedell traced the tremendous population growth of the County, and made the point that hundreds of thousands came to Nassau because they found conditions here ideal for home and family life.

In the course of his remarks, Mr. Bedell said: "A large share of the credit for creating such conditions must be given to the Republican County Administration - an administration that formulated and adopted the modern Charter form of government. While progressing required improvements, and inaugurating new services, the County Administration has always taken care to first let the people be heard as to their needs and desires, and, at the same time, has prevented County taxes from adding too heavily to the burden of the homeowner."

## Legionnaires' Log

CHARLES WAGNER, Post 421, Hicksville N.Y.

By ARTIE RUTZ

Well, vacation is over, and back to pounding out this column each week plus the normal publicity stories that are part and parcel of a year's work, plus editing our Post newspaper every two weeks and to make sure that I have no free time at all, I have accepted that heart-breaking job known as "Publicity Officer Nassau County American Legion." So let's see how things work out....And things DID happen while I was away enjoying the cool, clean mountain air and visiting numerous upstate Posts....In fact, upon reaching Hicksville and learning of this and that, I was immediately mentally transferred back to the grounds of the Geneva, New York, Post, where they use a P-51 as a lawn ornament....Just for a lawn ornament....

With Commander Al Barlow off on vacation, the last meeting was conducted by 1st Vice Commander, Ed Hodgkinson (who is now on vacation also)....Dr. Wycoff was the winner of the capsule prize and Herb Bachenheimer took home the Dark Horse offering....Have you made up your party yet for our annual picnic at Salisbury Park on Sunday afternoon, Aug. 24th....Have you gotten your park permit yet?....If not, time's awasting....Too bad that vacations caused the Color Guard to by pass the Department convention in New York last month....Hear the boys had a good time....In fact, I met Ontario County's 40 & 8 engine on the Thruway near Syracuse and there was a gay group aboard....First time I ever saw a Greyhound Bus get passed on a highway....

Are you going to the National Convention?....Just thought I'd tell you that the National Convention Dance is being sponsored by the U.S. Brewers Foundation this year at Chicago's famous Aragon Ballroom on September 3rd....And Skokie's Indians will be hard put this year in their attempt to win the Senior Drum & Bugle Corps national championship for the 4th consecutive year as many midwestern corps that don't go to the seaboard convention sites will be on hand to strut their stuff of which they have plenty....And please, do not bring any more old newspapers to the Post as we are very suddenly

out of that business....Thanks a lot for your past contributions....Gene Iacopelli and William J. Markey, Jr. are the latest veterans to join our Post....Keep cool until next week.

# Bids for Kids Boost Store Sales at Mid Island Plaza

With sales up 27 percent in some stores since the start of the Bids for Kids promotion two months ago, merchants at Mid-Island Shopping Plaza are ready to greet another big influx of youngsters at this Saturday's auction.

In four previous auctions, nearly \$15,000 worth of games and toys have gone to young bidders who flock to the auction stands every second Saturday to exchange their brightly colored Bids for Kids tokens for valuable items.

Tokens are distributed with every purchase made in Mid-Island stores. To date, well over a million dollars worth of tokens have been distributed to shoppers. As a result, bidding has been high, and it has not been uncommon for youngsters to push the bidding on some items as high as \$3,000 in token "currency."

Despite these high bids, the base, in general, has been low enough so

that toys and games have gone to thousands of boys and girls who turn up at Mid-Island with only modest amounts.

With the step up in business, more tokens have gone into distribution each successive week, and Saturday's auction could well be the biggest yet.

Not all of the tokens given by the merchants go to would-be bidders, however. Many thousands of dollars in tokens go into strategically placed charity receptacles, dropped there by shoppers who wish to aid a charitable cause.

Merchants throughout the 88-store shopping plaza have noted an increasing awareness on the part of shoppers as to the value of Bids for Kids tokens. Said the manager of one Plaza store: "It no longer is necessary to remind our clerks to distribute tokens with purchases — our customers now ask for them."

THREE TRACK new curriculum of Hicksville Public Schools is expected to be ready for the fall term instead of two tracks as were originally scheduled. More than 50 teachers and administrators of the District have been working this summer on the new curriculum which is now being printed in the High School Vocational Print Shop by Raymond Adams (shown operating the offset press). Board of Education last Friday night authorized the employment of Patrick Steiner, John Schep, William Bittruff and Don Austin, in addition to Gardiner Gregory previously authorized, to work in the print shop so that the printed curriculum will be ready for the opening of the term. The project has attracted widespread attention with requests for copies of the finished work from many districts.

## Mother, Son Reunited After 46 Years

A happy reunion was held recently when Mrs. Pierrette Bondy, of Montlucan, France, came to spend a month's visit with her son, well known local photographer, Pierre Charbonnet of 59 Briggs St., Hicksville. The mother and son had not

seen each other for 46 years. This is her first visit to this country. She will spend the month of August at the home of her son and his family. While here, Mrs. Bondy, who is the head instructor at the Conservatory

of Music at Montlucan, where she teaches piano, music and voice, will make arrangements for American exchange students to study at the Conservatory in the coming year.

## Slow Week For Volunteers

Four calls made the week of Aug. 6 thru Aug. 12 another slow one for the Hicksville Fire Dept.

They put out a rubbish fire on No. B'way between Notre Dame and Thorman Aves. on August 7, and later that day transported Gertrude Winsche, 23, of 12 Fordham Ave. to Nassau Hospital, Mineola.

The following day, Aug. 8, they put out a fire in the 1957 Pontiac owned by Willard Lippman of 53 Sunrise St., Plainview, at Old Country Rd. and B'way.

A washing machine fire in the home of Steve Ruggiero, 125 Bay Ave., called them out on Aug. 11.

"One of my family's favorite stories concerns a frail young woman in Mahopac, N. Y., who was about to have her first child. Her grandfather was quite concerned about her, so he did an unusual thing for those days. He had telephones installed in his house and in his granddaughter's. (There were only 2 other phones in the whole neighborhood.) When the baby was born, she was carried right to the phone and announced her arrival, quite loudly I'm told, to her relieved great-grandfather. That was 55 years ago. So I've always thought I was probably one of the first babies to be announced by phone."

## Visitors Edge Bethpage 1-9

A spectacular downfield drive in the fourth period of last Sunday's polo game at George Stone Park helped a visiting squad from the Blind Brook Club of Purchase, N.Y., defeat its local team.

Stuart Feick of Blind Brook stole the ball from the mouth of his own goal, as it appeared certain the Fred Zeller would tally for Bethpage, and with five mighty swings of his mallet drove the ball a full three hundred yards to score.

Archie Young, local polo stalwart who was substituting on the visiting squad, tied the season record for most goals scored in a single period set by Dave Ellis on June 29th by hitting pay dirt four times in the third period. Young tallied a total of six times, followed by John Greenleaf with three goals and Stuart Feick and Bill Stoothoff with one apiece.

Art Norden and Fred Zeller of the Bethpage contingent accounted for three goals apiece, with John Gayer scoring twice and Tommy Hitchcock, Jr. once.

Next Sunday will find the Bethpage squad meeting another local team, the Brookville Club, in the second of a three game series at Bethpage State Park Field.

## Yankees, Braves Win League Flag

Thomas R. Sherwood, president of the Hicksville American Little League and Joseph C. Kelly, president of the American Babe Ruth League have issued a joint statement of appreciation to the members and friends of the Hicksville American League who have made the current season the most successful one in the history of the league.

"We sincerely hope you enjoyed playing, managing, coaching or umpiring in the American League this year and next year we hope to have an even better league. As we close the season we want to call your attention to the following:

(1) UNIFORMS: All players on uniformed teams were issued clean uniforms at the start of the season. You must return your uniform, (blouse, pants and socks) to your manager within one week after your last game. The uniform must be washed and pressed. Failure to return a uniform will result in the parents being billed for the replacement cost of the uniform.

(2) CHANCE BOOKS: The cost of league exceeded \$3,500, this year, not counting uniforms and equipment from previous years. The success of our raffle is necessary if we are to continue to improve our league by getting our own fields. It's up to you. Don't let your league (and yourself) down. Do your best. Returns can be made through team managers or to John Payne, 41 Indiana St."

(3) The joint statement also announced plans for a family picnic

which is to be held at Salisbury Park on Sunday, Aug. 31 at 10 A.M. After a 2 week lay-off due to the national Little League tournament, the Hicksville American Little League resumed action in all 3 divisions. In the MINOR "B" Division, the YANKIES clinched the pennant in Section A while the RED SOX won the Section B flag. Both teams presently sport snappy 13-4 won and lost records. Play-offs in the MINOR "B" division will begin on August 18th to determine the Division championship.

## Operation VFW

Wm. Gouse, Jr. Post 321, Hicksville, N. Y.

By LOU PALLADINO

Our summer meetings are being fairly well attended this season. Of course, it's not like the cooler weather, but pretty good just the same. Vacations sure do foul up routines, but such a pleasure to have.

Most of the talk was about the then coming picnic, so it's useless to speak of that because it's all over except the aches. We had a grand time and the weather was beautiful. We had a very good turnout and the games for the kids were well planned. As you may know Vince Edwards was chairman, and received a lot of help from George Hemmer and Bob Obermeyer, with Lou Klein and Caesar Colasommo also on the committee, and helping. A great time was had by all. The biggest laugh of the day was the ladies in the egg throwing contest. Some of the girls really got splattered. Then they insisted we men try, which we did. Past Commander Fred Sutter was teamed with me. I'm glad he dropped the egg instead of yours truly. John Rauch was just speaking about a hard

boiled egg, when he got a real egg shower. We had ourselves a bellyful of laughs. Frank Mallett as usual got us the best corn found on Long Island, and George Kramer got us a real deal on beer. Vince did a lot of the buying of food. Did I say Vince? The credit should really go to his wife, Lee.

Good news for the Klugs. They have just adopted a beautiful 4 month old baby boy. The remarkable thing is that he strongly resembles Jim. Congratulations and lots of luck.

Next meeting, August 28. See you then.

## Civic Assoc Arranges New Entrance

by: Lawrence C. Gibbs

In connection with the Hidden Lane closure of the foot passage to the Jericho Country Club, your Civic Assoc immediately busied itself with

a means of enabling the youngsters of our community, who do not have a ride available, to reach the Club without endangering their lives by having to use Jericho Turnpike.

A plea was made to Peter Hussey, Spd. of Parks of the Township of Oyster Bay, to open the athletic field on Merry Lane in advance of formal dedication by the Builder of the town and to tear out a section of the fence which is immediately adjacent to the Club grounds.

Mr. Hussey, in his usual spirit of fine cooperation, agreed to do this immediately and fulfilled his promise within 24 hours.

Children of our community, who have been reaching the Club by going through Hidden Lane either on foot or by bicycle, can now reach their objective by going through the Athletic field on Merry Lane. It is suggested that all parents of youngsters who have been thus going to the club advise them to use this means of reaching the club and not to use Jericho Turnpike, where only last week a Birchwood Youngster was injured on leaving the club by bicycle.

## Resident Hit By Automobile

Bruce Goldberg, 15, of 15 Fountain Lane, was hit by an auto on Aug 6 on Jericho Tpke at 5:30 PM while returning home on his bike from the Jericho Country Club. He suffered multiple fractures of the right wrist.

## Breakfast to Launch Block Captains

On this Sunday morning Aug 17th, at 9:30 AM the Birchwood at Jericho Civic Assoc will host at the Skyliner Diner, Jericho Turnpike and South Oyster Bay Rd. Syosset. All 41 block captains have been invited to attend this organizational meeting.

The VILLAGER has learned that George Frankel, coordinator of block captains and his staff of co-workers have prepared an interesting presentation to be followed by discussion over a leisurely Sunday brunch.

The response by Birchwoodites to the proposed block captain system has been immensely favorable and it took but a few weeks to get over 40 civic minded fellow residents to accept block captaincies.

The VILLAGER will report in its next issue (Aug 21st) on this important meeting which is sure to produce much of interest and newsworthiness to our readers.

## Announcing Casting Call

The famous Birchwood Players, our Civic Assoc sponsored Dramatic group (of Anniversary Waltz fame), is now casting for a new production to be presented later this year. There are still many openings for various talent and the dramatic group cordially invites fellow residents to join now in this venture. For information phone DALE BERG, OV 1-0835, or BLANCHE KARPEL OV 1-4505.

## Blood Bank Needs Volunteers

The Jericho Community Blood Bank urges all our community residents to help achieve its goal—100% enrollment!

Lou Alter, Chairman of the new project, reports sincere enthusiasm from the community and wishes to thank the many people who have helped in this worthy endeavor.

The prime objective of the Blood Bank is to aid any person, regardless of race, color, or creed, should illness occur. To assist you or your loved ones in time of need, YOU must express a desire to help by now filling out this membership form!

I hereby pledge to become a member of the JERICHO COMMUNITY BLOOD BANK. I will donate blood on September 11, 1958 at the George B. Jackson School where the Bloodmobile will be stationed. Or I may select the Meadowbrook Hospital, Week days—10 a.m.—10 p.m.; Saturdays 10 a.m.—6 p.m.; Sundays 2 p.m.—6 p.m.
