3 Action Packed Days: Festival To Open Thurs.

Three action-packed days, the first Greater Hicksville Festival, opens next Thursday morning on Oct 9 and concludes on Saturday night, Oct 11.

There is something going on day and night in a gala program arranged by the Hicksville Chamber of Commerce to focus the public attention upon the greater Hicksville community, commercial and civic life.

The giant exposition tent will go up next Tuesday, Oct. 7, with more than 40 exhibitors scheduled to move in with their exhibits and displays on Wednesday. The tent will be open to the public on Thursday morning.

Like most the majority of the programs connected with Festival Days, admission will be free. Outside the tent on the parking field opposite the Firehouse on E. Marie St will be a gleaming array of just-arrived 1959 model automobiles featured by local dealers.

Day by day events are highlighted as follows:

Thursday, Oct 9 - Aunt Jamima arrives to build up the Kiwanis pancake feed which takes place Saturday at the high school.

At 8:30 PM at Mid Island Plaza the Seuffert Band will give a concert under the auspices of Rite Fuel Co and Long Island National Bank.

Friday, Oct 10 - Twirling and other contests arranged by School Recreation Dept for prizes and trophies provided by the Rotary Club. In the evening at 8:30 there will be dancing on E. Nicholas St to the music of Paul Drake's orchestra.

Saturday, Oct 11 - Dog Show at Mid Island Plaza at 9 AM arranged by Lions Club. Pancake feed from 11 AM to 8 PM at Senior High School sponsored by Kiwanis Club.

Schedule Alumni Homecoming on Nov-1

Responding to requests of active Hicksville High Alumni, Principal Leon Galloway has declared Nov 1st as Homecoming Day for all Alumni of the Orange and Black.

On that afternoon Hicksville High will engage Freeport in the major intersectional grid contest of the Long Island campaign.

Details are presently being worked out by an Alumni committee and complete information will be in the next issue of the HERALD. The idea for such a day was first projected in the Herald Sportlight last spring.

A quarterback brunch in the morning, a tour of the old high school, a coffee reception after the game in the new high school and Country Club dance for the evening are presently being considered by the committee.

THE CHAMPS, the team sponsored by Long Island National Bank which has won the major division title in the Hicksville International Little League for four successive years, were honored Saturday with a dinner at Long's Restaurant in Mid Island Plaza given by William E. Koutsensky, president of LI National Bank. Seated, from the left, are John Steinmetz, Howard Hamm, Kenneth Bean, John Jarfield, Joseph Hill, Arthur Maureri and Harry Webster. Cashier of LI National Bank who was master of ceremonies; Bank President Koutsensky, James Cooper, president of International Little League; Robert Flanagan and Howard Hamm, team coaches. Pack 375 Graduates 7 Into BS

Boy Scout Troop 375, of Hicksville led by Scoutmaster Harold Albrecht welcomed seven boys from the Webelos Den of Pack 375 recently. These boys had been led along the Webelos Trail and indoctrinated into their Tenderfoot requirements by Jim Hubbs, Webelos Chief.

Troop 375 performed the ritual of the Scout Law, explaining the basic meaning of the 12 points of the Law, lighting a ceremonial candle for each point. The following cubbers became Tenderfoot Scouts: Charles Angell, Robert Robinson, Robert Dolan, John Mayer, Kenneth Nelson, Richard Carroll and Terry Glenn. Indian style, all gathered around the ceremonial campfire and joined in the Scout handshake.

The first fall Pack Meeting centered about how the Pack will tie in with the new Arrow Head District. The new organization was explained and many parents joined the Pack Committee in preparation for acceptance of the forthcoming new assignment of duties. Chairman Nelson explained that all parents will be expected to be present at Pack meetings and contribute their time and abilities to help our boys to have a successful Pack.

Cubmaster Jirsa led the Dens in group contests and games. In the future a travelling trophy will be awarded to the winning Den. A story illustrated by scout and actions of the boys was also presented. Den 5 led the Pack in the singing of America as they conducted flag ceremonies.

The October meeting will be in the spirit of Halloween and the annual Ghosts and Goblins party is planned.

Robert Michaels and Clayton Sutton learned the Law of the Pack the Cub Scout promise and Motto. As they proudly gave the Cub Scout Sign and salute they were awarded their Robert pins. Robt Palcher completed his study of the history of our flag, various athletic achievements, as well as several craft achievements as part of his attainment of the rank of Bear. And William Stam and Meyer Valente completed their muscle builder requirements, safety, tools and mechanical achievements, as well as an understanding of religion to be admitted into the Webelos. Kenny Pfaff accomplished many individual objectives as well as the required achievements as he became a Wolf. Gary Hubbs added a silver star to his achievements. Terry Glenn rounded out 3 years in the Cubs receiving his 3 year pin.

Kenny Brophy, Paul Laver, Kirk Reichenberger, Thomas Hughes, Jeffrey, Jimmie Anderson and John Yuccel received their pins as 2 year veterans. Louis Raffia, Gary Bertram, Peter McDonough, and James Brophy were awarded one year pins.

CHARLES WAGNER, Post 421, Hicksville N.Y.

By ARTIE RUTZ

Do you remember the poem in
high school that started out with
"This I beheld or dreamed it in a
dream"? Well—There spread
a cloud of smoke above a table—
And beneath the cloud and swayed
around the table were some boys
from #421—Towering, but barely
above the cloud, was a wall cut out
of expensive material, sporting horn
rim glasses and a shimmering black
toupée—Words followed words as
the horn rims and toupée held the
floor—Somewhere in the back-
ground, I could have sworn, ever
so faintly came the strain of "76
Trombones"—"And we will hand-
le all the publicity"—Ah, this
statement snapped me out of my re-
verie—"And here's a sample of
what we do in that line"—So I
sampled the samples with an upping
eye and a closed mind—I compar-
ed and found Hicksville a thriving,
thriving metropolis—"Oh, goody,
goody, goody, I like to watch pro-
fessionals"—And the toupée with
the horn rims went on—"And we'll
have a parade, just wait and see, we
know how to do these things"—
"What time is the parade?" was a
natural question—"4:30 in the after-
noon!"—The cloud of smoke rose
two feet from the heat generated by
the suddenly rising blood pres-
sures—4:30 afternoon parade on
Broadway Hicksville?—Well that
was the shortest parade in history—
It didn't even get started—The tou-
pée with the horn rims cur-
rency, ever onward, "What's your
question, Barrister?"—By now I
could hear "76 Trombones" real
clear and loud—"And we will sup-
ply all the uniforms too!"—Sud-
denly, a quiet fell upon the assem-
blage as the toupée with the horn
rims reached into his breast pocket
and drew forth a cigar which he
proceeded to light with theatrical
nonchalance—"He inhaled mightily
and blew out a cloud of seemingly
green smoke which somehow took the
form of a gigantic sign as he strode
wildly out of the room—"Well fel-
lows, what do you think," said a
voice and the "Me too's" were re-
pellous as each pair of eyes seem-
ed to say, "The password is Let's
go!"—To the roaring accompani-
ment of "76 Trombones" in strolled
the cigar wearing the toupée and horn
rims and with practiced eye knew
the answer before a brain could ac-
tivate the vocal cords—"And four
pens completed their assigned func-
tion with nary a blot—"Thank you
and good evening, gentlemen," said
the cigar with the toupée and horn
rims as he strolled out the door—"The
76 Trombones" followed,
blasting wildly as they struggled to
draw out 42 drums—"I think I ob-
served all this, or did I go 'ar-
ound the world in 4 days' but
whatever and however of this I'm
certain—How much better the tou-
pée with the horn rims and cigar
would look with a crew-cut!"

OPERATION VFW

Wm. M. Gouse, Jr.
Post 3211, Hicksville
by LOU PALLADINO

At our last meeting there were a
few noticeable things that came ab-
out. Starting with number one, we
have our first new member for the
1959 dues card. So at this time
we wish to welcome Leonard Hel-
land to our post. Congratulations
on being the leader in new members
for the new season. The second was
the addition of new folding tables for
our post, twelve in all. We got rid
of the old ones which were a little
larger, much heavier, and a lot
clumsier, but not as durable. They
were serviceable, but what a
welcome improvement are the new ones.
We congratulate the Board of Direc-
tors and the association in their de-
cision to improve our post. Item
three, is the passing of our colors
for the Greater Hicksville Festival
parade. Our auxiliary will also be
on hand to display theirs.

The parade, I understand, will
start at Division Ave. High School,
where the Kiwanis Club is holding a
pancake festival for the benefit of
the welfare fund.

Jim Rock tells that he carried our
post colors at Roosevelt University,
and that they were very heavy. We
now have aluminum poles to carry
our colors. So let's get out in force
for this event. Our town is trying to
promote itself and we should do our
best to help.

We attended the ladies film on TB,
Jim Malahan was the speaker.
Sounds like this fellow knows what
he is talking about. Had questions
and answers. A bright spot was
Cmdr. Les Lable's concern on the
way tates are made. Vern Wagner
came later and was interested in
Les. Seems Les took the test.
Madeline, why don't you leave your
husband alone?

Don't forget to send your dues at
your earliest opportunity. See Bob
Chernmeyer or Spike. Our goal is
100% before the end of the year.
Next meeting is Monday, Oct. 13.

County
Comptroller Must
Be Experienced

THEODORE BEDELL
Republican Candidate for
County Comptroller
Theodore Bedell of Freeport is
the Republican candidate for re-
election as Nassau County Com-
ptroller.

A life-long resident of the county,
he is a graduate of Freeport High
School and Hefley Institute, he was
an accountant in the County Com-
ptroller's office from 1918 to 1930,
then served four years as clerk to
the Board of Supervisors before tak-
ing on the Comptroller's job.

In 1937, the Board of Supervisors
named him head of a temporary
Charter Organization Bureau to plan
the operation of the county under the
charter which became effective in
1938.

The Republican candidate for
County Comptroller at that time
had the task of handling the transi-
tion to the new charter form of gov-
ernment, a change completed with-
out delay or confusion.

Comptroller Bedell supervises
the auditing of all county depart-
ments, many operations essential
to the financial well-being of Nassau.
He originated the five-year cumula-
tive report which is published each
year by the Comptroller, giving ac-
tually the county's financial picture
and other information on every
unit of government in Nassau
county, towns, cities, villages,
schools and special districts. This
annual report is highly valued by
municipal bonds investors, gives
them a comprehensive picture of the
soundness of Nassau's municipali-
ties.

TURNING BACK THE CLOCK

Thirty-two years ago the residents of Hicksville went to the polls and voted to retain the name of the community. The election was arranged at the instance of the Chamber of Commerce and other civic bodies which contended that the name "handicapped town products in obtaining markets". Of 1,345 voters who went to the Town Hall (now called the Courthouse on Heitz and Bay Ave.), 944 voted to retain the old name while the change was favored by 317. There were 29 void ballots, four blank and one spoiled.

The outcome of the vote attracted nation-wide attention. The Toronto Globe said editorially: "Hicksville keeps its name... It was a victory for principle, a victory in which millions will rejoice. That good old Anglo-Saxon appellations should be at the mercy of mercenary considerations, that they should be cast to the winds for the purpose of negotiating realty deals, would indeed be lamentable."

Sprinklers Set Off False Alarms

Two false alarms called out the Hicksville Fire Dept. on Sept. 24. Both false alarms were caused when water pressure dropped and activated sprinkler alarm systems.

Patterson, 'Man Who Gets Things Done'

Nassau County Executive
A. HOLLY PATTERSON

To be County Executive of Nassau County is to be the "mayor" or chief administrative official of the sixth largest city in the United States. It is to be the "governor" of a population greater than 15 states in the Union and with much bigger operation budgets. It is a job for a man with a knowledge of government -- big government -- and the executive ability to direct its destinies in an era of constant growth.

A. Holly Patterson, Republican candidate for re-election, has served six years during times which have seen the greatest expansion of the county, the advancement of the farthest-reaching program of public works of all kinds: highways, sewers, hospitals, public buildings, courts, parks, etc.

Mr. Patterson, for a number of years presiding supervisor of the State of New York's largest town, Hempstead, has had long association with local government and its problems going back to service as village counsel. He has a permanent rank of lieutenant commander in the U. S. Navy. During the last war was his only absence from municipal service practically since his graduation from Columbia University where he won his law degree at the head of his class. He was also graduated with honors from Syracuse University, president of his senior class.

Recognized throughout the State as an authority on local government which is Nassau County's, "Holly" Patterson perhaps travels the roads of the county more than any other one public official. He is a great believer in "seeing for myself". It was his boast that no major item on a Board of Supervisor's calendar received his vote unless he personally had inspected the site involved, knew all the details "first-hand".

A. Holly Patterson finds public service both a fascinating and satisfying vocation. Frequently he tells young people from colleges to pursue public careers, dedicate their lives to the science of government known as "politics".

Mr. Patterson is convinced of the need for public higher education for the young people of Nassau, but has insisted against all pressures that "it would be higher education which would not waste the students' time or their parents' money".

"Worry is like a rocking chair—gives you something to do, but doesn't get you anywhere."

Records reviewed are recent releases rated as follows: E-Excellent; V-Very Good; G-Good; F-Fair; P-Poor.

Samuel Barber - Vanessa - RCA Victor LM 6138 - Rated E plus
On January 15th, 1958 a magnificent event took place at the Metropolitan Opera House. A new opera that was shortly to win the coveted Pulitzer Prize and be recognized as America's finest extended classical work premiered. This three LP package is the original recorded version of that opera. Performing artists include Eleanor Steber, Nicolai Gedda, Rosalind Elias, Giorgio Tozzi and Regina Resnik. Dimitri Mitropoulos flawlessly conducts the Met Opera Orchestra and Chorus. This is a work of art handled with warmth and perfection by all. Miss Steber sings her part (Vanessa) with complete conviction. Listen to her voice in the dramatic and tender sequence in Act I where Vanessa greets the person she believes to be her lover. Miss Elias as Erika is also quite adept in her part as is Mr. Gedda who, while a newcomer to the scene, gives a splendid performance in the role of the handsome young Anatol. An absolute must for any opera lover.

College "Classics" - Bob Scobey's Frisco Jazz Band - RCA Victor LPM 1700 - Rated G
This is a happy swinging dixieland set that garners some college tunes and old time favorites and corals them into an entertaining disc. Vocalist Clancy Hayes sings with much gusto in all twelve selections. His voice, while not memorable, adds much to the festivities. "I've Been Working On The Railroad", "We'll Build A Bungalow" (fine vocal gymnastics by the group), "Let Me Call You Sweetheart" (taken faster than usual with some rolling clarinet by Pete Dovidio), "Shine On Harvest Moon", "Whiffenpoof Song" and "That Old Gang Of Mine" are some of the songs heard. This LP would liven up any party or gathering.

Mother Goose For The Swing Set - RCA Victor LBY 1010 - Rated V plus
How many times has your youngster asked you to tell him what happened to "Jack and Jill", "Old King Cole", "Little Boy Blue", "Humpty Dumpty", "Simple Simon" and "Little Miss Muffet"? Well, the answers are all here, in addition to many more adventures of other Mother Goose characters. Don Elliott, Dottie Evans and Buddy Weed are the performers in this very gay album. The tempos are all mildly jazz inspired and come off splendidly. Elliott plays mellophone, trumpet, vibes and sings with much feeling. Miss Evans' voice is also clear and crisp and should find many youngsters singing along. Recommended for all kids from 3 to 103.

Sammy Davis, Jr. - All The Way - Decca DL 8779 - Rated V plus
Sammy, much like "Old Man River" keeps right on rolling along in this delightful LP. Every one of the twelve songs is a popular favorite, and in the hands of Sammy, gains new life due to his invigorating interpretations. Catch his hello to Sinatra in the title song. Also particularly entertaining are his superb renditions of Cole Porter's "Still Of The Night", "Night and Day", and "I Concentrate On You"; "When I Fall In Love", "All The Things You Are" and "Slow Boat To China". Six different orchestra leaders include Dick Steible, Russ Garcia and Sonny Burke and their backing is first class. One of Sammy's best.

Louis Armstrong and The Good Book - Decca DL 8741 - Rated E
Louis is presented in a new context in this superb release. He is featured with the Sy Oliver Choir

Pearsall Directs GOP Campaign

Pearsall immediately announced plans for three giant area Republican Victory Rallies. The first for the Mid Island area including

the communities of Hicksville, Syosset, Plainview, South Jericho and Bathpage will be held Monday evening, Oct. 20, at Mid Island Shopping Plaza in a huge auditorium.

The second is set for Wednesday night, Oct. 22 at the Massapequa Legion Hall for Farmingdale, Plainville, Massapequa and Massapequa Park.

The traditional election eve rally is set for North Shore communities of Glen Head, Sea Cliff, Glenwood Landing, Bayville, Locust Valley and Oyster Bay at the Oyster Bay American Legion Hall on Monday night, Nov. 3rd.

and his All Stars in twelve very well known spirituals and the results are exhilarating. Louis sings and toots his way thru the likes of "Shadrack", "Nobody Knows The Trouble I've Seen", "Go Down Moses", "Swing Low, Sweet Chariot", "Motherless Child", "Didn't It Rain", etc. His trumpet is heard to good advantage in "Go Down Moses" and he sings with wild abandon in "Ezekiel" and "Down By The Riverside". His "Chariot" is a very memorable performance. An exception purchase.

The Sagamore Temple No. 236, Pythian Sisters, are giving a card and mah-jongg party, plus a full course dinner, at Long's Chinese Restaurant in Mid Island Plaza on Thursday evening, Oct. 14, at 8 o'clock. Tickets are \$2.50 each.

Denver Home Benefit Set

The Mid-Island Chapter of the Jewish National Home for Asthmatic Children at Denver is having a Fall Fashion Show and Supper at the Marlboro Manor in Plainview at 8 p.m. on Oct. 15. The evening promises to be a spectacular one with a lovely supper to be served and the grand prize of the evening a stunning leather jacket in the size of the winner. "That one phone call saved my life"

"I was coming up from the cellar one day when suddenly my foot turned and I fell backward. My head smashed against the wall and I rolled down, unconscious. The next three hours are a complete blank. But somehow I dragged myself upstairs to the telephone and gasped to the operator I was hurt and alone. And that wonderful girl looked up my address, sent a doctor, then called neighbors to help me. I'm sure her help saved my life."

MRS. FRANK DILLON

Sometimes, what the phone does is unusual and dramatic. Most often, it serves in little, everyday ways. But for all it does, your telephone is one of your biggest bargains. Its price has gone up far less than most of the other things you buy.

My Friend Blackie

I will tell you how I met my friend Blackie.
Blackie is a Beagle Hound. I met my friend Blackie in 1956 I am Chester Schnepf and here is my picture, and also one of my friend Blackie.

When ever Blackie hears a fire horn he howls. Blackie's master lets me play with him. Blackie

likes to eat shoes and wood. Blackie is a good watch dog and he barks at anybody that comes up to my house. Blackie hates to take a bath, but his master gives him one anyway. His master is very nice. I like my friend Blackie very much. Blackie is very cute and nice. Blackie likes to take a ride in our car. Blackie is afraid of cats. Blackie is funny some times. Blackie has a sad look, but very nice. Blackie is a boy. Blackie likes to eat cookies and pieces of buns. Blackie is two years old. Blackie likes to go shopping with us. Every night I walk my little dog Blackie home and the lady says "Thank You". Blackie comes over every morning and sits on my step and waits

until I get home from school. Blackie used to go to school and he had a lot of fun getting chased in and out of the doors. He never bites the children and they all love him.

Well, I guess that's all about my friend Blackie, but I am sure you can tell as you read this that I love him very much. He is my idea of the best dog in the world.

(Editor's Note - Chester is 8 years of age, a third grade student at East St. School).

The Pius X Society will hold its first regular meeting of the 1958-59 school year on Monday, Oct. 6, in the auditorium of St. Ignatius school at 8:30 p.m.

Need \$120,000 For School

The Bethpage School Board voted Friday to award the four prime contracts totalling \$588,000 for the construction of the Bloomingdale Road Elementary School to the low bidders.

At the same time they voted to hold a referendum on Oct. 25 for a bond issue of \$120,000 to provide for additional site development and alternate equipment and materials not covered in the base bids.

A third motion to sell the presently approved \$800,000 in bonds for the Bloomingdale Road School at this time was stymied by a 3 to 3 vote, one member being absent.

ERNEST F. FRANCKE
Republican Candidate for County Clerk

Ernest F. Francke of 33 Field avenue, Hicksville, Republican candidate for the office of County Clerk, will be seeking his third three-year term at the November 4th election.

County Clerk Francke was born in Far Rockaway in 1894, but moved to Hicksville at the age of three years. He has been a Hicksville resident ever since, graduated from local schools. He has been active in civic affairs all his adult life.

Prior to 1952, Mr. Francke served for 20 years as a member of the Town of Oyster Bay Zoning Board of Appeals. He also helped to organize the Hicksville Water District and served as a district commissioner for 10 years.

At the age of 15, he went to work for the New York Telephone Company, remained in its employ for 41 years. He worked up from lineman to maintenance supervisor of the Hempstead office area when he retired.

The Nassau County Clerk's office is one of the largest and busiest in the nation. In his vaults are deeds and mortgages, court documents, vital statistics, drivers' licenses, and registration papers. Every one of them is filed so that it is readily available, going back the 57 years of the county's existence.

Under Mr. Francke, the office has become a model, has kept pace with the county's rapid growth by latest mechanization. Clerks from many counties visit Nassau to observe the efficient manner in which County Clerk Francke's office is operated.

GREATER HICKSVILLE
FESTIVAL DAYS !!**

LIONS CLUB of Bethpage - Plainview had William McCaffrey (at left) and Assemblyman Edwin Fehrenbach (at right) as speakers at a dinner meeting at the Marlboro Manor in Plainview, Tuesday night. In the center is Club President Marshal Sweetbaum. McCaffrey is the Democratic candidate for the state assembly while Fehrenbach is Republican incumbent

and candidate for re-election. The GOP Legislator told the Lions, in discussing education, that he recognizes the State has "a responsibility to local school districts, but the local districts themselves must be prudent in the type of school buildings they develop. The prime requisite for good education", Fehrenbach said, is a "good faculty and sound plant, not ornate palaces". (Jim Healy photo)

Special Red Cross - CD Training

It was announced today that a special Red Cross-Civil Defense course in the care of the sick and injured will be offered at the Hicksville High School, Division Avenue, starting Tuesday, Oct. 21 at 8 p.m.

The course will be given under the auspices of the Adult Education program. In recognition of the fact that its contents are as well as the individuals enrolled, there will be no registration fee for the seven week course.

The final two lessons are devoted entirely to mass care and injuries which would result from atomic attack.

Over a period of many years, Red Cross has endeavored to impress the public with the value of at least one person in each home with Home Nursing training. This course is, therefore, of particular value to home makers and is highly recommended for Scout leaders and Civil Defense program mothers.

As class registration will be limited, those interested in enrolling should call Mrs. Charles E. Stolz at WE 1-0837.

the Herald Sportlight

by HOWARD FINNEGAN

Success in the form of a 12-8 victory, came again to Hicksville High on the emerald carpet of Bethpage Stadium, Saturday, where achievement has been difficult to come by but never evaded.

This was the seventh straight time the Comets trotted out on the friendly sod considered the definite underdog only to turn on determined but frustrated Farmingdale.

This year Hicksville won because coach Howard Bowers had his green backfield and veteran line splendidly drilled and emotionally sharp.

Perhaps the coaching staff did not regard it as a perfect contest but the 500 odd Comet fans who braved the rasping afternoon found plenty to cheer in the 1958 gridiron opener.

The third year quarterback, Joe Naso, guided the team with a left hand and as a consequence had the fans constantly deceived as to whom he handed the ball off to.

Robert Cervone charged out of the T 14 times to pick up 70 yards, intercepted two passes and smothered a Farmingdale run for a ten yard loss inside the Hicksville 15.

William Schrimpe had a like number of carries and clipped off 82 yards as the Comets netted 180 yards on the ground to a low 26 for the losers. Cervone sliced off tackle 6 yards in the first quarter for the initial Hicksville tally and Fran De Cabilia took a picture play 32-yard pass from Naso for the other marker.

A key figure in the story was the response to emergency by sophomore Dennis Stillman. Center Bill Pink could not play due to a twisted ankle and it was a tough blow to the Comets. Stillman got the assignment and performed real well under conscious fire.

Dennis is the brother of Comet Star Richard Stillman who graduated last spring and is now at Dartmouth University.

Larry Siofkin, Mickey Anglin and Gene Yetter were immovable in the line as attested by the restraint of the Dalers on the ground.

Farmingdale fired 16 passes and completed 6 for a total of 60 yards—32 coming on its scoring play. Hicksville appeared disturbed by the aerial attack but did not crack under it.

The kicking of Fritz Pawlitschek proved a vital factor in the Comet upset.

This Saturday Hicksville opens its own season at home entertaining Garden City. The Orange was out and out robbed of the Section I NSAA title on the Trojan one yard line last year. The Comets have not forgotten that 20-14 loss.

But just wanting to be at the Garden City crew has never been enough in the past. Each year they present a skillful and manned to depth eleven.

It could be that, as last year, we look back and will view this as the championship game.

For this big one the new portable grandstands have been rushed and are ready on the East side of the field. School officials are braced and are ready to handle an estimated 4,000 persons.

We hope you will be there backing the Comets. We do so now. Hicksville 26, Garden City 22.

On Monday we watched the Junior Varsity beat Farmingdale, 13-6, in a lively and entertaining contest before 300 vocal supporters.

Brad Jaworski was the big man as he tore off in scores of 150 yards rushing. He belted over the two touchdowns and Edward Essner got the extra point.

Dennis Naso quarterbacked the club and mixed his attack in interesting fashion.

Gary Sonnisson punted Hicksville out of real trouble in the fourth quarter with a booming kick 43-yards downfield.

The coverage elsewhere of the Hicksville Farmingdale game was amusing. Stillman was dropped as center and Pink was listed as a starting player. DeCabilia's touchdown was given to Ivars Bamberis. One paper had it that way and the rest merely copied the errors.

Only the Mid-Island Herald has on the spot coverage of each Hicksville High varsity game.

THE PEEVE OF THE WEEK: Hicksville High School is Hicksville High School. There is a move however apparently afoot to hide its name. Most of the official school information refers to it as the Division Avenue School.

We have only one high school and that is Hicksville High. We see no reason to help confuse it with the Division Avenue High in Levittown. The Chamber of Commerce and the Kiwanis Club have innocently referred to it in their own posters as the Division Avenue in bringing to the public eye the coming Festival Days and routine of the flap jack queen.

Its Hicksville. PERIOD.

Nationals Elect New Officers

The Hicksville National Little League has announced its officers for the 1959 season. The National League having just completed a season during which more than 80 boys played in their Major C, A, Minor and Farm systems, is looking forward to an even greater year for 1959.

With over ten years experience to look back upon the League still is growing with each year's registration and the steady fast rule has been and always will be that "Every boy who registers, plays ball."

The men who will be at the helm for the forthcoming year are: Eugene Schilling, president; Anthony Grumo, executive vice president; Russ Gilbert, Minor League System director; Paul Flay, Farm League system director; Don Coiro and Graham Jacob, assistant farm directors; Al Reinheimer, secretary; Charles Caesar, treasurer; Michael Mantei, player agent and George Bailey, policy chairman.

Mary Elizabeth is the name of the new arrival at the home of Edward and Patricia Morris of 68 Arrow La., Hicksville. The little lady was born Sept. 10.

St Ignatius Wins Opener 34-13 Unique Drill At Stadium

The St. Ignatius Yellowjackets of Hicksville displayed a strong running attack in defeating Our Lady of Lourdes of Massapequa in the inaugural game of the newly organized Catholic Grammar School Football League of Nassau and Suffolk Counties at Hicksville High Field on Sunday. The final score was 34-13.

The St. Ignatius attack was slickly handled by quarterbacks Tom Douglas and George Davis who directed the fierce running forays of Ray Strassburger, Phil Pignataro, Bobby Smith, Skip Rotkamp and Gene Scott. The Yellowjackets first string line of Bobby Sullivan and Bobby Trieste at the end positions, Dan Watkins and Johnny Murello in the tackle slots, Moose Trilio and Vin Hannigan at the guards, and Big Mike Callahan at center, was exceptional-

ly strong on both offense and defense.

For Our Lady of Lourdes, Ray Veit Tommy McGlenahan, John Ready and Bobby Kennedy impressed in the backfield, while the line play of Tom Higgins, Angelo Delligatti, Greg Casey and Joe Zieris stood out.

AN ALERT and appreciative audience of Birchwood residents attended their Birchwood Jericho Civic Assoc. regular quarterly business meeting on Sept. 25 at the Robert Seaman School. Numerous committee reports dealt with effective work done by this Assoc. now numbering in excess of 1100 members. A special emergency Committee was set up to deal with the Traffic Problem at Birchwood and Mr. H. Tytel volunteered as chairman. Messrs. Alter and Gottesman, representing the Jericho Blood Bank, gave interesting reports on the progress of this community undertaking. The meeting closed with the presentation of a scene of the forthcoming play THE HAPPY TIME, acted and directed by members of the Birchwood Players. (Allen C. Lyon Photo)

Block Captains To Take Census

by George J. Frankel

Membership in the Civic Assoc has reached an all-time high! Over 1,100 persons are now members, and almost 50 percent of the Block Captains have not as yet reported indications are that the total membership this year will approach two thousand. If your Block Captain has not as yet reached you, call the writer at WElls 5-8655, and your Block Captain will be notified.

In the near future, your Block Captains will be coming around with the Community Census Form A-100 to fill out with you. These forms will, for the first time, make available a complete list of the residents of Birchwood, together with vital statistics. The information on these forms will be invaluable to Civil Defense, the Police Department, the Fire Department, the Jericho School District, the Synagogue School District, and the Youth Committee, to name but a few. The forms will be filled out in triplicate, one being filed alphabetically, one geographically, and one remaining in the Block Captain. In this way, information will be readily available in case of individual emergency or community disaster, on

short notice, as well as for statistical summations.

Since individual or community emergencies can occur at any moment, the Civic Association is sponsoring this service for all the residents of the community, and urges the cooperation of non-members as well as members. Only in this way can we be assured that all the help we emergency.

The questions are, for the most part, self-explanatory. Under "comments or special notes" will be noted any special physical infirmities requiring special attention, as well as any special emergency equipment such as generators or oxygen tanks that may be available. We urgently request that the age be filled in as accurately as possible. "Over twenty-one" is not useful information to the aforementioned agencies.

Watch "The Villager" for notice of the exact dates of the census. It will be in the very near future.

Town Striving For Speed Check

Supervisor John J. Burns told Gilbert R. Stein, editor of THE VILLAGER this week, that "for two years" the Town has been trying to get the State Traffic Commission to issue an order reducing existing speed limits.

"The Town Board is hopeful that the State authorities will recognize this problem and in the near future put into effect these new speed limits, the need for which has been obvious," Burns wrote.

"You will recall that over a year ago our Town Clerk, Henry Curran, met with many of the civic leaders and homeowners of Birchwood and as a result of the meeting the Town Board had placed throughout the Birchwood area a number of traffic control signs which, from reports, have been of great aid in minimizing the problem."

Burns also reported that the Town Board will hold a public hearing on Oct. 7 on several Jericho Parking Ordinance amendments including "no thru trucking" for Birchwood Park Drive from Village Dr. to Robbins Lane. Also, a stop sign is proposed for Maytime Drive.

Hula Hoop Contest Here

Birchwood Civic Youth Committee invites all youngsters, children thru teenage (and adults who cannot resist) to show up Saturday, Oct. 11 at 10 AM at the George A. Jackson School to participate in a giant hula hoop contest. Prizes will be given winners of various age brackets. Come and participate and if you cannot participate, come and watch.

Big Turnout

The parents of the children who attend the Jackson school P.T.A. meeting showed how close to their hearts the children and the school are with the largest attendance ever.

Many interesting and varied programs are being planned by the P.T.A. The next regular meeting will be held on Monday evening, Oct. 27, at 8:30 P.M. A discussion of the By-Laws of new Constitution and a cake sale are on the agenda for the evening.

The Stamp Of Approval

by Gloria Brunswick

"It's Right to Write" is the new slogan for Birchwoodites now that the Post Office officially opened on Mon., Sept. 29. Postmaster Halleran and Ken Flanagan earnestly request that the residents buy all their postal needs at the new Jericho Post Office and maintain a high volume of postal traffic.

The Postmaster also assures the community that the end of "barnstorming" to pick up your mail, is soon to become a reality.

"Some time in October" is the tentative date given for foot delivery to commence. Mail boxes, 42 inches from the floor, or door slots meeting postal specifications, must be rectified by each homeowner. House numbers should be visible and not confined to front doors as these are often left open, making the numbers difficult to view.

The new Postal Building on Hicksville-Jericho Rd. with its modern equipment and decor will be a decided change from the "quaintness" of the old locale. However, the U.S. Government deems the balmy breezes of the Jericho countryside sufficient to cool the new building in summer. Therefore, no more formal air-conditioning than Mother Nature herself will service the Post Office.

A new face for Jericho begins with the opening of the new Post Office. Let's keep that face wreathed in smiles by picking up our pens and making a rite of writing.

Jericho School Board Meets

by George M. Weston

The Jericho School Board has approved the use of the Jackson School by the Birchwood Park Civic Assoc for its Youth Program. The school facilities were made available, upon the motion of trustee Sam Hecht, with the understanding that the Civics will not charge a compulsory fee and that the program will be open to all residents of the Jericho School District.

The Board took this action at its last regular meeting on Thursday, Sept. 18, at the Seaman School with trustees Mayhew, Kochnowski and

Hecht present. Chairman—Martin Penn, and Board member Irving Brand were absent.

The Board also approved the expenditure of \$6000 for the purchase of an additional school bus to help relieve the transportation problem of the District.

The existence of such problems was made quite plain by the fact that, of the over 60 residents who were present during the course of the meeting, a large majority had come to air transportation grievances.

181 JERICHO residents filed as donors for the Community Blood Bank, according to Chairman Lou Alter, on Sept 11 and 155 donors were actually processed. Above, Jericho housewives assisted with refreshments at the blood donor centre set up in Jackson School. The project had the enthusiastic support of 18 civic organizations

and officials of Inter-County Blood Bank said it was one of the biggest community contributions they have ever processed. Of the large number of residents who appeared at Jackson School at 5:30, about 125 could not wait until the Bloodmobile arrived at 6:30. (Photos by Allen C. Lyon)

COUNTY BLOOD BANK

Civic Board of Directors Report

by DAVID MARK

Harold Tabacoff, 200 Forest Drive, presented a petition to the Civic Assoc. Board of Directors on Sept. 17 on behalf of the Jericho Country Club. Signed by 89 petitioners, it requested that the Board call a special meeting of the Civic Assoc. to vote on the proposition that the prohibition against outside night activities at the club and the prohibition against entry of buses into the community to pick up children for the club day camp be lifted.

The petition further requested that if the majority of those voting favored the lifting of the prohibitions, a written statement of that fact should be furnished to the Town Board of Oyster Bay so that the restrictions may be removed of record after appropriate action on part of the Town Board. The petition was presented under the assumption that according to the Civic Assoc. constitution, a petition, signed by 50 members of the civic association, requesting that the Board call a special meeting, automatically requires that such a meeting be called.

The lengthy, and often heated debate that ensued.

In closing the debate, Ralph Diamond indicated his belief that the Civic Assoc. constitution did call for a special meeting in this case, but that it allowed the Board to follow or ignore the decision of a referendum. In consideration of the fact that the petition required the Board to be bound by a referendum vote (to advise the Town Board of Oyster Bay) he moved that the petition be denied. The motion was carried.

It was further moved - and accepted - that a mailing be sent to all signers of the petition, explaining the Board's decision and its reasons. In addition, the VILLAGER will prepare a series of articles tracing the history of the relations between the Board and the country club.

Allan Kaplan read a copy of the telegram that was sent to the Clerk of the Town of Oyster Bay by the Board of the Civic Assoc. It stated that the Civic Assoc. was opposed to the application for a special permit by the Ralph Peck Holding Corp., for garden apartments to be built at Jericho Turnpike and Southwoods Road. The opposition was based on the fact that the specifications do not conform to the town and county master zoning plans, and will increase school taxes for over 400 of our residents whose homes are in Syosset School District #2. The garden apartments will not fit in with the general building scheme of our community.

Jerry Gold, in charge of the committee to investigate the nuisances invoked upon some of our residents in the proximity of the Las Vegas Music Bar, reported that no action had been taken. He was waiting for additional information and suggestions on how to approach the problem.

Charles Kraft reported that the purchase of duplicating and addressograph machines for the Civic Association would require a larger expense than expected. He reported on the possibilities of saving money by purchasing used equipment. In discussion, it was agreed that an electric typewriter, in addition to the machines mentioned above, would provide all of the equipment needed by the Civic Association. A motion to appropriate \$500 towards the purchase of machines was passed.

George Frankel reported that the Civic Assoc. has over 1100 mem-

bers. He stated that 17 out of 41 block captains had signed 94 new member families per block, and 41% of the captains reporting. Interpolating these figures, Mr. Frankel estimates that the Civic Association will have approximately 1300 members. The block captains had been provided with literature concerning the Fire Dept. budget vote, and the literature had been distributed to the residents. The Birchwood Park census will be held shortly.

Dr. M. Lawrence reported for the committee in charge of the referendum to change the name of our community. The modus operandi is set up as follows:

1. There will be two articles in the VILLAGER on the pros and cons of a name change. These will be printed two weeks before the referendum, which should take place in mid-October.

2. Ballots and reprints of the articles will be mailed to all voters.

School Board Meets

(continued from page seventeen)

children are transported to Friends Academy, a nearby private school, by school district buses requested an additional pickup for the younger grades. Another group of parents whose children attend Eastern Military Academy, also a private school, announced their intention of appealing to the State Commissioner of Education for a change in transportation which had been turned down by the voters at last Annual Meeting. The Commissioner has already ordered the Board to provide bus service for children attending two parochial schools, although funds had not been voted. An appeal is pending also to force the Board to provide transportation to still another parochial school.

Dr. Kenneth Lant, District Principal, stated that difficulties in meeting the bus schedules as originally set up have been due to the extra load imposed by the additional requests for transportation. He said that the purchase of the extra bus would help to solve the problem. Another topic which generated some heated discussion was the establishment of a day for religious instruction. The State Education Law requires that the School Board establish one day of the week for children to be dismissed an hour earlier in order to attend religious instruction at the church of their choice.

Two parents whose children attend St. Ignace Parochial School on Monday afternoons requested that Monday be designated and questioned the previous establishment of Wednesday for this purpose. Lant replied that Wednesday had been designated on a temporary basis by the previous request of another denomination. After some heated discussion, a motion was passed to select the day for released time on the basis of a survey. The day requested by the greatest number will be designated as a permanent released-time day until changed by a motion of the Board.

The Board also made the following appropriations: \$1,200, for materials and supervision of installation of television antenna systems in the schools; \$1,200, for lawn maintenance and improvement; \$800, for the services of two health education teachers as football coaches. Authorization was voted to purchase the following equipment for the Jackson School as provided in the budget: pianos, record player and records, projector, maps and globes, easels, science equipment. The meeting closed at 1:10 P.M.

3. The referendum will be well publicized in the Villager prior to the voting date.

4. Balloting may be done in person at the referendum meeting or may be mailed in. The ballots will ask -

Are you in favor of a change? If yes, list your choice below.

If a majority of the voters are in favor of a change, then 51% of the votes cast must be in favor of one name in order to carry that name.

Ralph Diamond reported that the Youth Committee had been reactivated. A comprehensive program was being prepared and the possibilities of hiring a paid director were being investigated. The committee has procured the use of the gymnasium, the lunch room and three additional rooms at the Jackson School. The teen-agers will run their own program, under supervision, and elect their own officers. The program will be open to all Jericho residents.

AN OPEN LETTER TO "THE VILLAGER"

In a recent edition of "The Villager", the Inquiring Photographer asked four members of our community whether their expectations of Birchwood Park at Jericho had been fulfilled, and all answered in the affirmative.

We on the other hand feel the community has not lived up to our expectations, as long as there are residents with so little community pride and consideration for their neighbors, that they refuse to curb their dogs on their own streets.

It has now become common practice for a great number of residents to drive up to Briar Lane, which is the back of the school, and there proceed to walk their dogs on sidewalk and strips. The people living along Briar Lane have emphatically protested to these persons, but to no avail. We walk our dogs along our street - not Bountiful Lane or Merry Lane, or any other street in this community. Why then do these inconsiderate and uncivic minded people persist in their actions?

In the name of community pride, we appeal to all residents to confine the walking of their dogs to their particular block.

AN EDITORIAL

Board of Directors Remiss

The Board of Directors of the Civic Assoc. is at present failing to meet its responsibilities to some of the members of the Association. More than 4 weeks ago, the members of the Civic Assoc. residing near the Las Vegas Music Bar, contacted their Block Captain and asked him to request the Civic Assoc. to see if it could, in any way, alleviate some of the nuisances created. The Block Captain attended a meeting of the Board of Directors and set forth the complaints of the residents of the immediate area. The Board, feeling that these complaints were reasonable, set up a special committee to investigate the situation, and to contact the management of the Las Vegas Bar to see if any mutually satisfactory solution could be agreed upon.

This committee was formed several weeks ago. THE VILLAGER deplors the fact that, as of this writing, no action has been taken. It is unfortunate that the Board of Directors has been negligent in working out a solution to this most pressing problem.

It is not too late to act! THE VILLAGER urges the Board of Directors to demand that this special committee act immediately, and to exert all possible efforts to cooperate with the management of the Music Bar to secure an amicable settlement for all concerned.

Youth Program Now in Action

by Ralph Diamond

The youth program of our Civic Assoc. started on Sept 22nd at the Jackson School in Birchwood. The program will be held every Monday, Wednesday and Friday between the hours of 7:30 to 10 P.M., until the middle of next June. Registration will be continued for the next three weeks. Mondays will be reserved for the girls and Wednesday and Friday for the boys. It is the intent of the Youth Committee to also run special events on Friday, involving both boys and girls.

Our program this year has been greatly expanded. We have already purchased two Ping Pong tables, Checkers, Chess and other equipment of interest to the members participating in the youth program. Movies will be shown from time to time. Separate clubs will be formed for various other activities, such as dancing, boxing, camera, painting and dramatics, etc. Our Youth Committee is also attempting to obtain prominent sport figures who will address our youths.

Over 200 teenagers are already participating in our program. The committee will arrange activities within the age group so that the participants will have greater enjoyment. The Jackson School is alive with activities the nights the youth program is conducted. In the gym, we have basketball and other games taking place. In the cafeteria we have Ping Pong. In the Music Room we have dance instruction; while at the same time, in another room we have checkers and chess.

There is no limit as to the activities and pleasure that the children

can derive from our youth program. The most urgent need is for the hiring of a paid director. Our second most important requirement is for volunteers to supervise the activities as well as volunteers to take charge of a particular club, for example, painting, camera or other functions. A special fund raising committee of our Youth Committee of the Civic Association will be formed in order to formulate plans for raising funds to pay for the paid director.

Any person interested in volunteering their services to join ranks with us to make this program one of the finest on the island, should contact Chairman, Ralph Diamond - OV 1-1283, or better still come down to the Jackson School on Monday to the youth program. The greatest protection against the possibility of juvenile delinquency arising in our community.
