## Centennial Wind-Up

# Navy Joins TR Salute

The U. S. Navy, greatest naval power for peace in the world, and the County of Nassau, the nation's "fastest growing municipality" have joined hands to close the Theodore Roosevelt Centennial Celebration year this Sunday, Oct. 26 with a public ceremony at Sagamore Hill, Oyster Bay "The Summer White House."

The Navy has special observances at many installations in honor of Roosevelt's birth centennial this year, while the County honors him as its only resident who became President.

County Executive A. Holly Patterson has designated Oct. 26 as Theodore Roosevelt Sunday, although the year officially ends on the 100th anniversary of TR's birth, the following day, Oct. 27, so that families would find it more convenient to attend.

Oyster Bay Republican Club will sponsor a TR Centennial Dinner this evening (Thurs) at the Garden City Hotel. Principal speaker will be Richard M. Nixon, vice president of the United States.

The Sunday ceremony will be at Sagamore Hill at 3 o'clock in the afternoon. At that time Navy representatives, members of the National, State and Nassau commissions and their committees, and members of the Roosevelt family will gather for the birthday tribute.

Arrangements are being made by Jots J. Burns, Supervisor of the Town of Oyster Bay, who is also a member of the State TR Commission and an active advisor to the Nassau commission, as Chairman of the Birthday Celebration Committee.

Burns is being aided on that committee by Mrs. Reginald P. Rose, Leonard W. Hall, Elisha Dyer, Colton P. Wagner, Wilfred W. Hutchinson, and Town Clerk Henry M. Curran.

The guest speaker will be Commander William Gerber of Brooklyn Navy Yard.

During the afternoon ceremony County Executive Patterson will present three U. S. Savings Bonds to the winners of the commission's essay "The Theodore Roosevelt Tradition: Its Meaning Today".

The commission has authorized a first prize of a \$1,000 bond; second of a \$500 bond and third of a \$100 bond.

Two destroyers will participate in the observance on both Oct. 25 and 26.

Capt. Robert W. McNitt, Commander of Destroyer Div. 322 has assigned the USS Robinson and USS John Hood to aid the committee on land and sea.

A U. S. Navy Band will play concert numbers prior to the ceremony. During the ceremony the band will play TR's favorite "The Battle Hymn of the Republic", among other selections.

During the afternoons of Oct. 25 and 26 able bodied and suitably attired (for climbing ladders) visitors will be ferried in launches from the Oyster Bay Town Dock in Roosevelt Memorial Park in Oyster Bay to the ships and return.

THEODORE ROOSEVELT  
Our 26th President

## 'Distinguished Service to Boyhood'

MICHAEL FASULLO of 43 West Ave., Hicksville, (at left) was presented with the Silver Beaver Award of the Boy Scouts of America in recognition of "his distinguished service to boyhood" recently. The presentation was made by Fred Holsfield, also of Hicksville. Mrs. Fasullo is in the center. The citation presented with the Award notes "Mike Fasullo started his Scouting record in 1924 as a Boy Scout in Troop 91 of Hicksville. He served as Assistant Scoutmaster, Scoutmaster and Troop Committeeman of this same troop. For five years he served as a Neighborhood Commissioner, but felt that his real

satisfaction was from directly working with boys and returned to Troop 91 as its Scoutmaster in which capacity he is currently registered.

"Mike has shared with many his knowledge of the Scouting technique through roundtables, training courses and special conferences. He has been a strong and positive influence in working with the Youth of his Church and Community as leader of the Holy Name Society, Church renovation program, manager of Little League, Parent Teacher Assoc and children's groups associated with the company by which he is employed."

## It's Double Celebration For Jericho Fire Dept.

Dedication ceremonies for the new fire headquarters of the Jericho Fire Dept. will be held this Saturday Oct. 25, at 2 P. M. The celebration will be two-fold it also being the 25th Anniversary of the Jericho Fire Dept.

The building is the last word in architectural design, and the finest and most modern equipped that has been built anywhere to date, the first of its kind. Its architecture is done in colonial style somewhat mindful of the buildings in old Williamsburg and in keeping with the history of Jericho which goes back some 300 years. The three lofty flagpoles in front of the building proudly fly Old Glory, the New York State Flag and the Jericho Fire District Flag. It is truly a building of magnificent splendor which not only the VAMPS are proud of but which the people of Jericho can point to with pride.

At this point perhaps a definition of the word VAMPS might be apropos: it is believed to be a contraction of Voluntary Association Manual Pumper, dating back to the time when equipment was handled manually. The apparatus room has a Terazzo Tile Floor and houses five pieces of equipment: 1-Ladder Truck; 1 Flood Light Truck; 1-500 gal. Pumper and 2-750 gal. capacity High Pressure Pumper which are

equipped with a two-way radio system. The Fire House maintains a central alarm and inter-communication system thruout the building which is manned 24 hours a day by operators licensed by the Federal Communications Commission.

The cornerstone of the building is dated 1957 and the Bronze Plaque in the main hall reads:

Erected 1957-1958

Fire Commissioners:  
Harold E. Smith, Chairman  
Wm. H. Braun  
Percy A. Remsen  
Henry J. Stewart, Sr.  
Leroy Van Nostrand

Officers:  
Geo. Casey Treasurer  
Ralph Fielitz Chief  
Arthur A. Kay, Attorney  
Calss Contracting Co., Inc.,

W. Thomas Schaadt  
Architect

In the same hall is a three-tiered Trophy Case containing 56 Trophies awarded to the Jericho Vamps for their participation in

**DEAR JEAN..**

It does seem a shame that people who try to decorate their property in a festive mood for the holidays, (Hallowe'en, Thanksgiving and Christmas) have to come in contact with those who can't seem to stay off other people's property. We wonder if their parents would allow the destruction of pumpkins and other decorations put up by their children destroyed as they have been at other homes? They not only destroy the decorations but the property of others have been invaded. Our once upon a time, girl Friday, now Mrs. HERBERT KNAACK (the former Miss Mary Haughey of Hicksville) is a mother for the third time. Sgt. and Mrs. Knaack are the proud parents of a daughter, Suzanne Marie, born Sept. 28. They have another daughter and a son. The Knaack's are stationed in the Philippines where the Sgt. is with the U.S. Air Force. They plan to be home sometime in the near future and will stay with Mrs. Knaack's parents, Mr. and Mrs. JOHN HALLCH, of Third St. Congratulations and we'll all be glad to see our little Mary and her family.....The Hicksville branch of the American Red Cross will hold its regular monthly meeting this evening, (Thurs.), at 8 at the Hicksville Public Library. Miss GRACE STOLL is local chairman.....

Did you see the Hallowe'en scene painted on the window of Keller's Service Station, Woodbury Rd., Hicksville? The painting is the work of JOE KELLER's daughter, NANCY, and its being admired by everyone. In fact, its the first window painting of the season we've seen.....FRANK BRANDI of Twilaw Ave., celebrated his birthday Thursday, with a family party at home. Frank and the Missus celebrated 12 years of wedded bliss on Sunday.....Congratulations for both events. Saw the Misses ANN MARIE CAULIONE, HELEN SCOFFIELD and LYNDIA NOETH bowling at the Mid-Island Saturday evening. Having a good time, too.....Sorry we forgot to mention in last week's column, the big event the Hicksville Alumni will enjoy on Nov. 1. On that day, all graduates of the Hicksville High who wish to and who will be able to attend, will enjoy breakfast, lunch a football game, a dance, meeting with old friends and classmates, etc., a real homecoming for those whose trails led them to other towns, city and states. Tickets for the event may be obtained at Holden's Stationery Store, Hicksville Sweet Shop and the Mid Island Herald. See we'll all be surprised at the changes in the guys and gals. (How did we do, Hap & Howard???).....

A 1.3 point rise to 134.1 in the Nassau-Suffolk business index from July to Aug is reported by Hottel's Bureau of Business Research with the comment: "It is evident that the L.I. economy has made a successful comeback from the recession hitting this area late last year".....Macy's will NOT have giant balloons in its Thanksgiving parade this year for the first time since 1927. The helium is needed for defense.....Had an enjoyable evening on Oct. 15 when we were invited to attend the "sneak preview" of the new Plymouth & Dodge at Nassau Motors, E. Barclay St., Hicksville. MORTON WEINTRAUB, and LARRY BLITZER were hosts at cocktails and other refreshments. We enjoyed meeting them and the charming street. Mr. Weintraub and Mr. Blitzer are both residents of Flatview. New cars were shown too.....Best wishes to Miss JANET KREYMBORG, daughter of Mr. and Mrs. Arthur Kreymborg of Hicksville whose engagement to Sgt. Robert Litwin, USM, was recently announced. Sgt. Litwin is the son of Mr. and Mrs. Andrew Litwin of Little Neck.

## DOUBLE CELEBRATION

(continued from page one)

volunteer firemen's tournaments. The most important trophy is one dated 1947 "1st Prize M.P. won by Jericho F.D. Bachelors - Record Time 9 Seconds flat" at the Floral Park Fire Tournament where the Jericho VAMPS broke the State record for Motor Pump and held this record for one year.

One of its charter members, Martin Halleran, one time Asst. Fire Chief and at present Day Dispatcher, Custodian, Fireman, etc. was reminiscing as to how the Jericho Fire Department got its start. Twenty-five years ago Jericho with its estates and farmlands had few fires but when they broke out, there being no fire department, a call would come thru to the garage operated by the three Halleran Brothers - Lott, George and Martin - who promptly dropped whatever they were doing and would race to the fire.

A group of civic minded men, namely Daniel Underhill, Frank Tappan, Martin Halleran, Geo. Halleran, Lott Halleran, Percy Remsen, Jack Robinson, George Jackson, Wm. and Arthur Malcolm, Frank Borley and others felt that there was an urgent need for a Fire Dept and conferences were held in the feed store which is now the Antique Shop which adjoined the garage and blacksmith shop and which was located where Jericho Turnpike now runs east and west.

This two-story building together with the general store which included the post office was moved to its present location when the Turnpike was cut thru. At one corner of the garage was a bronze plaque which read - "This spring fountain erected in memory of Mary Jane Jackson whose motto was - Live and Let Live" and who originally owned the property. There was a natural spring piped thru which supplied a steady flow of water.

Several meetings were held in order to become organized. It was then decided that the most suitable place for a fire house would be the two-story building which was a garage with barber shop and quarters upstairs, on Oyster Bay Road, owned by Mr. Fred Kurth and believed to have been built around 1883 and formerly owned by Geo. Halleran and Ralph Ludwig.

The minutes of the first meeting held were dated March 23, 1933

and the first Fire Chief was Ray Broome. The first class of the Nassau County Fire School which Jericho vamps attended was April 2nd, 1934 and the first fire was a gasoline truck which burned on Oyster Bay Road. The first truck was an old Seagrave Pumper - 500 gals. capacity.

Mrs. Burrell who owned a large estate in Jericho contributed an old Crane Simplex Limousine, the body of which was removed but even with changes made proved inadequate. Another piece of equipment was bought which was a Seagrave truck 650 gals. capacity, hook and ladder combination. The first Board of Fire Commissioners were - Frank Borley, Percy Remsen, James Hewlett, Frank Humphreys and Alex Robertson. The Commissioners were in charge of the district and the chief in charge of the fire and the fire house. Roll call in 1933 was 47 men with some absentees. Today there is a roll call of 75 men.

Martin Halleran also recalled the fund raising dances held in the fire house and especially a minstrel show which was held in the old two-story schoolhouse on the hill on Cedar Swamp Road which proved so popular it had to be repeated twice.

With its new additional new and up-to-date equipment and increased number of volunteers Jericho's Fire Department will be able to respond to its district's fire-fighting problems with the utmost in speed and efficiency.

through traffic along Hempstead Tpke will be detoured at Wantagh Parkway next Wednesday evening, Oct. 29, for every lane of that broad highway will be required for Nassau's reception at Levittown Arena, to the Republican candidate for Governor, Nelson A. Rockefeller. It will be "Nassau Night" for the candidate, with the Republican organizations in every community already busy with plans to outdo their neighbors. The parades will start at the County's furthest points, picking up floats, cars and busses laden with victory-expectant Republicans at every traffic light on the way. William D. Meisser, County GOP Chairman, expects the County's largest turnout. "I have already had to revise my attendance estimates upwards three times," said Meis-

## CURRENT COMMENT:

## Stay on Top, Vote Row A

By FRED J. NOETH

WE ARE NOW at the "hold on to your hats" stage of the Election campaign which will conclude with the tally of votes after 7 PM on Tuesday, Nov. 4.

This week we were threatened with a suit for libel by one Herbert Burstein if we reprint the Long Island Daily Press headline of Oct 17 which reads: "Mrs B Called Unqualified by Bar". Most curiously, Mr Burstein has not instituted a libel suit against the LI Press which first printed the offending headline (and article.)

A year ago we were also threatened with a suit for libel by the Democrat candidate for State Assembly who is running again this year after two previous unsuccessful efforts to woo the voters.

And H. J. LaBelle, publisher of the Wantagh Citizen, writes that A. William Larson, candidate for congress was chairman of a school election campaign committee which last May threatened his Wantagh Citizen with an economic boycott (told advertisers they would lose trade unless they discontinued advertising in the Citizen.)

We call this "hold on to your hats" stage of the campaign because in the final days before the voting, charges and counter charges, threats and what not seem to bounce all about us. These are actions of desperate people who often react to pressure by revealing their true identities.

It recalls the incident of the school administrator who demanded of us an election eve headline (during a school vote) and threatened a \$250,000 libel suit as the alternative. He didn't get the headline and left our midst shortly thereafter.

As for the election: There are 22 positions to be filled by your hand exercises on the voting machines, Nov. 4. The top row -- Republican from Nelson A. Rockefeller for Governor, right across to Jesse P. Combs for Sheriff -- is the row for us.

Positions one thru 5 are the State candidates, 6 to 12 are the candidates for Justice of the Supreme Court jointly endorsed by both major parties. From 13 to 22 are the local people, beginning with Sty Wainwright for Congressman, William Hults for State Senator and Edwin Fehrenbach for State Assembly.

A. Holly Patterson has proven himself an efficient and capable county executive and among the County candidates is our own neighbor, Ernest F. Francke, up for re-election as County Clerk. Stay on the top line, vote Row A, and you'll be on top.

On Election Day you will also be confronted with the necessity for a decision on two amendments and four special propositions. Proposition no. 4 is the special town vote on legalized conduct of bingo.

Wm. M. Gouse, Jr.  
Post 3211, Hicksville  
By LOU PALLADINO

The festival is over and am I happy to report that our colors were present. We understand that our own Pat Caputo, president of the Chamber of Commerce, was one of the main cogs in the planning of the project. There's a lot of work attached to putting on a show of this kind. More than the average individual can imagine. Our congratulations to the Chamber for executing a task of this size. As always in every affair, there are those who gripe, and we are of them. The festival committee voted not to invite either of the gubernatorial aspirants for fear that the politicking would cheapen the affair. Yet immediately behind our own colors in the parade there was campaigning for local politics. Should a permission be required for any organization to join any parade of this type? This is inexcusable, and directly against the vote of the committee. Somebody goofed. So let's hope in the future whatever mistakes are made in our first festival will be corrected. Is this constructive criticism? No, just a gripe.

There has been a change in the date to visit the "Nike" site. Capt. Nolan advised us to postpone it for a week to Sunday, Oct. 26, and explained the reason for the postponement. Jim Rock has been making up the list for the visit, and it appears to be all filled up. If you are interested in making this short trip, and there are enough people wanting to go, he'll try to get permission to make another visit, or he may have a vacancy at the last minute.

This is something most boys should like. More important, this is our last line of defense against air attack.

George Walden paid a visit to the Kingsbridge Veteran's Hospital to find out the reason it is so hard to enter. There are many fakers trying to get in for one reason, and another that they must be very careful when they go to the people, otherwise they'll be flooded with fakers. George spoke to some of the characters, and the stories he brought back were hilarious. He gave a good report, and everyone was satisfied. Once again it proves that it takes all kinds of people to make a world.

Don't forget to get in touch with Spike or Bob Obermeyer for payment of dues. Things look pretty good. Almost 50% of the post is paid up already. It makes the goal of 100% attendance before Dec. 31 look so much brighter.

Next meeting will be Monday, Oct. 27. Let's leave on the raffle. Was it fixed, Commander?

CHARLES WAGNER, Post 421, Hicksville N.Y.

By ARTIE RUTZ

Last Sunday, the Nassau County Fall Picnic of the 13 squadrons of The Sons of The American Legion was held on the very spacious grounds of the Glenwood Landing Post #336, Glen Head -- New Squadron Chairman, Ed Becker was on hand to cheer our boys on in the games and contests -- Must say that 50% of our boys won prizes -- Good percentage, don't you think? The Elmont squadron looked real sharp in their blue satin jackets -- Let's see what can be done in the way of providing some distinctive outer wear for our own boys -- Noticed also that the Glenwood Landing Legionnaires were wearing blue jackets -- All the work, the parking of the cars, etc. was handled very well by the Sons of The Legion boys of Glenwood Landing -- Each squadron was photographed by Dick Softy Nassau Legion's official photographer and publicity officer of the Levittown Post --

Do you realize that the Advisory Committee of our Sons' Squadron, is the largest volunteer committee in the Post? Some 15 men are presently serving (and actively too) -- Did you know that tomorrow night the boys will hold a Halloween Party instead of their regular meeting and games for all age groups?

Interment was at L.I. National Cemetery.

Mr. Leide, who was a member of Putnam Lodge 338 A & FM and the Good Fellowship Crew of the N.Y. Naval Shipyard, is survived by his wife, Grace (nee Lockwood); a daughter, Mrs. Ruth Donner of Hicksville; two sisters, Lillian Leide and Helen Robertson, and three grandchildren, Martha, Ray and Susan Donner.

Like to see the kids in their Halloween costumes -- Dick O'Neill is heading the committee handling the business end of the Post sponsored musical, "Around the World in a Daze" which features 100 local youngsters, plus a few adults -- This show will hold forth at the auditorium on the evenings of Nov. 6 and 7 -- Tickets will go on sale shortly and the supply is limited -- Bob Sutton, Rudy Bouse and Ed Hodgkinson fill out the balance of this committee -- The profits will go to the welfare fund --

And speaking of welfare, don't forget our Kings Park visit is coming up very shortly, Sunday, Nov. 2nd -- Please pass the word along to any past commander of the Post, that we would like to have him at the Legion Hall on Sunday afternoon, Nov. 2nd, at 4:30 P.M., to take his picture as we have made arrangements to have a photographer on hand so that all the past commanders will have their picture taken for the new past commanders' "rouges gallery" which will soon adorn the clubhouse. ### Main Feature Starts at 8.40

"Main Feature at 8:40 P.M.," an innovation in movietime scheduling originated by CENTURY THEATRES, has been so successfully received, that starting on Wednesday, Oct. 29th, this policy will be in effect every night except Saturday at 22 Century Theatres. CENTURY, long aware that the general practice of presenting the main feature on or about 6:30 P.M. and again at 10 P.M. was either "too early" or "too late" for many movie-goers, instituted over a year ago in one-third of its theatres a policy of "Main Feature at 8:30 P.M." every night except Friday and Saturday.

The 8:40 P.M. starting time, long popular with legitimate theatre patrons, met with such enthusiastic response that the Management is now extending the policy to 22 theatres and is also including Fridays.

### First Session For Midland

## BOY SCOUT ACTIVITIES

Submitted by The Public Relations Committee

### 9 ACHIEVE RANK

The following boys in Troop 375 Hicksville have attained the rank of Second Class Scout recently, and have received their badges: Martin Bauschbach, Gerard Merkler, Thomas Siskinger, Kurt Ulbricht, Cass Mann, Frank Christensen, James Coraghan, Richard Happe, Mark Abramowitz.

Troop leaders and members of the committee have recently completed the construction of a trailer to haul the troop's camping equipment on long trips and overnight camps. The boys in the troop are most grateful.

Scoutmaster Harold Ulbricht received a pin in recognition of his 21 years service as an active Scout.

### CUBS SWING HOOPS

With the start of the Fall season, the Cubs of Pack 422, sponsored by the Woodland Ave. School P-TA, got things underway to the swing and sway of a Hula Hoop Contest. All boys participated in preliminary contests to try for the chance to represent their den in a final contest. After much hoop-la, the final winner was Wayne Rudin, 17 Crown St., who was presented with a prize.

All dens also participated in relay races under the direction of Mr. R. Rountree (Cubmaster) and Mr. R. Starski (Ass't. Cubmaster). A film on "Bicycle Safety" was also shown to the assembled group of Cubs and parents which proved very enlightening to all. Refreshments were served under the very capable direction of Den Mother Norma Dagna, 11 High St., and a wonderful time was had by all.

Certain Cub Fathers are still nursing sore feet acquired at the Cub-Dad cookout held recently at Belmont Lake State Park. Nineteen boys and their fathers braved threatening weather to cook their breakfasts out-of-doors, and then hike the nature and other trails in the Park.

The Committee would like to welcome a new member, Kay McCoy, of 61 Vassar Lane, who is taking on the duties of Secretary. Welcome to the fold, Kay — we all enjoy having you.

### MAKE POSTERS

Scouts of Troop 321 will distribute safety placards to be placed on car bumpers. The placards were silk-screened by the scouts, and materials used were purchased with funds from the "Troop Treasury." These placards with the slogan "Take Time to be Safe," will be distributed by the scouts in the Hicksville area, free of charge. Arrangements are being made for a two day camping trip to be held Oct. 25 and 26. First Class advancement and night orientation will be stressed.

Plans are being made for the annual sale of Christmas wreaths. Part of the proceeds from this sale are donated to needy families in the area.

### OVERNIGHT HIKE

Troop 377, sponsored by the Burns Ave. School PTA, recently held their first overnight hike of the fall season. Scoutmaster Carl Roussemund and Assistant Scoutmaster Joe Liza were in charge.

Of the fourteen boys who attended five were enjoying their first camping experience. This involved sleeping in the out-of-doors, and preparing their own food. In Troop 177, each boy cooks for himself. The older boys spent the week-end practicing and taking various

tests such as cooking, tracking and field work.

### PLANNING PARTY

Pack 508, sponsored by Holy Trinity Lutheran Church, is planning a Halloween Party to be held Friday, Oct. 31, at the Parish Hall. Several different games are planned, and refreshments will be served. Guests are invited and parents are particularly urged to attend.

### PLAN SPECIAL EVENT

Sea Scouts of Ship 18 (Hicksville's only Sea Scout Ship) are making plans for the county-wide Sea Scout Bridge of Honor and Explorer Ball to be held at Hofstra, on Saturday night, Dec. 6. This event the social highlight of the Sea Scout year, is the second to be held since World War II. Several high-ranking guests from the military will attend, as well as county and community leaders.

While this is a county-wide event, Ship 18 and the Arrowhead District are hosts and thus are responsible for arrangements. These include the erection of a "land-ship" in the college gymnasium, reception of guests, as well as refreshments and dancing in the student lounge.

Further details and ticket information will be announced shortly.

### CUBS IN PARADE

Cub Scout Pack #291 of Hicksville participated in the gala Festival Parade on Oct. 11th, and on Oct. 13, visited the Staten Island Zoo.

At the Zoo, the Pack was given a lecture and demonstration on "Handling of Reptiles" by Mr. Kausfeld (Curator) which was most impressive. During the lecture, a guest of the pack, Miss Marilyn Gross, age 8, daughter of Mr. and Mrs. Robert Gross of 55 McKinley St., Hicksville, was invited by the curator to have her picture taken with a "Cobra" snake measuring over seven feet in length wrapped around herself. After the picture was taken, all she could say was, "wow was it heavy".

For both occasions, the Pack Executive Committee wish to thank publicly the cubs for their mass turn out, den mothers and cub parents who contributed their time and efforts to the success of the busy holiday week-end.

The Pack #291 on Oct. 16th held its monthly meeting in the gymnasium of Trinity Lutheran School.

Induction ceremonies were held by Cubmaster William Murphy and Assistant Cubmaster, John Stevens for new den mothers and assistants: Mrs. Virginia Dickerson, Gladys Stratton, Ruth Merritt, Ethel Honeyman, Catherine Hansen, and Doris Spadaro. Receiving their bobcat pins were, Robt. Reiger, John Saire, Pat Ahearn, Wayne Arnsen, Walt Muench, James Byron, John Stratton, Cliff Hansen, Gerard Terano, Doug Spadaro, Keith Richov, Doug Honeyman, John Armstrong, Art Wood, James Kristensen, and Ray Hansen.

Merit and achievement awards were issued to (Wolf Badge and 1 Gold Arrow) Charles Sarvalis, Art Horn, Dick Johnson, John Marshall, Bruce Innes, and Bob Corbett (Bear Badge) Brian Dickerson, Lance Roussemund, and Bill Kumlanski (Lion Badge) Bob Gross.

Den 1, Den 4 displayed their projects of primitive early America and Den 6 supplied the music-hillbilly band.

Refreshments were served.

AIRMAN 3/cj GORDON W. HAMMOND, son of Mr. and Mrs. Edward W. Hammond of 3 Regina St., Hicksville, is home on leave after graduating from Airborne Radio Operator School at Kessler Air Force Base at Bloxxi, Miss. Upon returning to his base after leave, he will be sent to Iceland for a one and a half year tour of duty. A graduate of Hicksville High School, he also attended Ohio State University before entering the service.

### Sheriff's Duties Go Beyond Running Jail

JESSE P. COMBS  
Candidate for County Sheriff

Jesse P. Combs of Inwood is seeking re-election as Sheriff. He has been in County service since 1932, receiving merited promotions at intervals until he reached the post of Under Sheriff. He was appointed Sheriff on May 23, 1955 upon the sudden death of H. Alfred Vollmer.

### Hear Burstein Next Wednesday

Beatrice S. Burstein, candidate for Nassau Children's Court Judge, will be the guest speaker on Wednesday, Oct. 29, at an open meeting of the Sisterhood of the Hicksville Jewish Center, Jerusalem Ave. and Maglie Dr., Hicksville, at 9 P.M.

He was elected to the office of Sheriff in November of 1955.

Since his election to office, Sheriff Combs has continued the recognized advances of his predecessors and has instituted many improvements of his own.

Sheriff Combs and his staff of deputies do a tremendous amount of work in connection with the courts. They serve approximately 16,000 jury summonses plus the processing of thousands of writs and other documents, all mandates of the court.

The old jail in Mineola was both inadequate and constantly overcrowded. There were cells for 156 prisoners and at times the population reached as high as 222. Cells were often used in corridors, but Sheriff Combs was somehow able to prevent youthful offenders from associating with hardened criminals. Since moving to the new jail in East Meadow on Feb. 9, 1956, the work program for prisoners has been continued and expanded. This includes farming, shop work and

garage work. The prisoners raise and can the food they grow on the farms, do maintenance work and repairs while the women inmates make towels, pillow cases, mattress covers and sheets for the entire jail, in addition to making uniforms for themselves.

Youths from 16 through 18, at their own request, are assigned to the carpentry shop where they make toys for unfortunate youngsters in various County institutions and gain a good knowledge of carpentry and cabinet making.

Born in Inwood, Sheriff Combs attended Lawrence High School and Pace Institute. He served in the Army in World War I. He is the father of twin sons, and has two daughters. Sheriff Combs is one of the organizers and a past commander of the J. Branklin Bell Post of the American Legion, a Mason and an Elk, and a member of the Legislative Committee of the New York State Sheriffs' Association.

## the Herald Sportlight

by HOWARD FINNEGAN

The important issue of the moment for Hicksville High is this Saturday's meeting with Glen Cove in a crucial NSAA Conference game. The kickoff is slated for the Hicksville gridiron at 2:00 p.m. Farmingdale's unexpected pounding of top rated Mineola, 27-7, while the onsets were stumbling to a 7-6 win over Port Washington has put a new complexion on the title race.

So the non-league encounter a week later with Freeport must stay a perspective while the Comets face dangerous Glen Cove. This is very definitely a one touchdown league with the balance of power almost equally distributed. Hicksville's only loss, 12-14, to Garden City, may not cost it the title if the Orange and Black holds up and either the Dalers or Mineola catches up with the Trojans.

Hicksville is the club that could break the race wide open. However the Comets are great ground gainers from their own ten to the enemy six inch line but can't punch over as often as there are chances. Against Port, the Hicksville club used long downfield drives to the one yard line. Once a holding penalty stopped the attack and another time a fumble prevented a score.

The visitors outgained Hicksville on the ground 180 yards to 163 and twice had the prize won. In the second period a wide sweep of the Comet tank shook a halfback loose and he seemed well free for a 59-yard score. Fran De Cabis cut over from the other side and hauled him in with an ankle grab when the cause seemed lost.

That resulted in only a 55-yard gain but the next time the runner went clear 87-yards to the endzone only to turn around and see a flag down on the fifty where a needless clip recalled the tally.

Hicksville moved into the fourth quarter and called upon Bob Cerone, to certainly merits a medal for his repeated cracks at the nine defenses used against Hicksville, and Bill Schrimpe to get it. Cerone gained 88 yards in 16 slashes and Schrimpe earned head 34 in 10 tries.

Joe Naso passed 6 yards to Fitz Pawlitch on the Port 43. Fitz averted to the 27 where he fumbled as he was hit. Tackle Larry Sloan picked up the pigskin and made a laborious but valuable journey to a 10 yard line.

Cerone wasted no time and spun over on the first play. Hicksville's first successful extra point of the season came when Naso employed wide pitch out to Schrimpe.

Port scored on next to the last play of the contest on a 19-yard pass play but the bid for the tie failed when an attempt to run the icksville left end was smeared.

Hicksville now has won 3 games and lost 1 on the season. It has the ability of the opponents to escape from deep within their own territory when the Orange apparently has them boxed that provides a narrow edge.

Those explosive plays from the endzone have hurt Hicksville and it will be interesting to watch how well the guard is up this Saturday.

Last season Hicksville upset the Covers 21-20 in a thriller with over long gainers just failing to capture the issue in the final minute. Hicksville has a lot on the line. It has now won 8 of its last 9 games and is highly regarded in the top league in the County.

There are signs that the club is jelling so it may be a bit easier this week.

### HICKSVILLE 27, GLEN COVE 18

A serious blow for Hicksville High befell in the final minute of the Port game when Fran De Cabis suffered a separated shoulder. He was operated in four hours later and the hospital reports are that his shoulder will knit in fine fashion.

He will be lost for the remainder of the season and it will cause Coach Howard Bowers more than a little concern. Frank was a great asset on the offense but played the greater role on the defense. He ran right in there many times and helped Hicksville turn opponents' passes into an offensive weapon for the Orange. Hicksville has nailed down 11 enemy passes in four games and Fran played a key part in that action.

The Hicksville Junior High Soccer team caused a sensation at Garden City when it defeated the host Trojans 4-2. It was the first defeat in 17 years for the City school which for over two decades has developed players and teams which are later representing the ever powerful high school squad.

Pete Anselmo and Chester Jeworski booted home two goals apiece and Goalie Mike Heney withstood the assorted attack patterns of the others to star in the victory.

Others helping in the outstanding win were Stew Blust, Joe Callahan, Vincent Coletta, Tom DeBroche, Pete DeRosa, Mike Dinora, William Hlewski, Roy Eisemann, Gerard Franco, Phil Giannelli, David Henry, William Hods, Bernard Kiewerts, Robert Simpson, D. Starkie, Harry Wallace, John Mirro and Roy Garman.

### Ruth League Meets Trophies

Presentation of trophies for the Babe Ruth League of Bethpage will be held on Monday, Oct. 27 at 8 P.M. at the Powell Ave. School Auditorium.

Registration for the 1959 season will also take place that night. A fee of \$5.00 per family will be charged upon registration. Every boy must register - whether he played last year or wants to play next year.

Little League graduates will register on their own Award night for the 1959 Babe Ruth Season.

## 4th Straight Win for Saints

The St. Ignatius Yellowjackets Football Team extended their winning streak for the 1958 season by wallowing Maria Regina of Seaford by a score of 45 to 7 in a Catholic Grammar School Football League game played at the Hicksville High Field, Sunday. The Hicksville eleven now has a season record of four wins against no losses.

Ray Strassberger drew first blood for St. Ignatius early in the first quarter by hurting around right end for 10 yards. The point after touchdown attempt was unsuccessful.

In the second quarter, Phil Pignataro faked to his left and then hit "Lonesome" right end, Bob Trieste with a 12 yard touchdown pass. Bobby Smith made the point after touchdown on a line plunge.

Ray Strassberger scored again late in the second period on a lightning gallop around right end, which covered 60 yards. The Yellow Jacks failed on the subsequent try for the extra point. St. Ignatius led at the half by a 19 to 0 score.

The Yellowjackets added two more quick scores in the third quarter. The first came on a 70 yard jaunt around right end by Ray Strassberger. The second score of the period came on a beautifully executed reverse with Skippy Rotkamp going around left end for 12 yards.

In the fourth quarter, St. Ignatius tallied twice on a three yard pass from Revis to Bobby Sullivan and Revis on a 40 yard run after a pass interception. Skip Huber and Tom Douglas added the extras. Maria Regina then scored on a quick opener up the middle by Gerry Day who scampered 50 yards to paydirt. The point after touchdown was added by Ray Viladesau on a line plunge.

Strassberger was high scorer for the Yellowjackets with a total of 18 points. The sturdy wall of the Yellow Jacks led by Charley Triolo, Johnny Murello, Mike Callahan, Vinny Hannigan and Mike Hardick was also outstanding. For Maria Regina's backfield men Gerry Day, Ray Viladesau and Greg Keough fought valiantly in a losing cause while line-men John Warriner and Jim Dunning also played impressively.

St. Ignatius will play its next league game on Sunday, Nov. 2, against Our Lady of Lourdes at Massapeque.

MURRAY DUNCAN, principal of Old Country Rd. School, has been elected chairman of the Hicksville Administrators' Assoc. Other officers are ALBERT GLASS, vice chairman, and FRED BERGMANN, secretary-treasurer.

AUNT JEMIMA during her recent visit in Hicksville, stopped off at the Sweet Shop to see Econopouly boys. Some say Auntie gave John Econopouly a new recipe for pancakes, while others claim John sold her a ticket to the Hicksville Alumni Home Coming Day, next Saturday, Nov. 1. Anyhow, tickets for Home Coming Day are going like hot cakes at the Sweet Shop, Holden's and Herald office.

## Fehrenbach Fights For Aid To Schools

EDWIN J. FEHRENBACH  
Assemblyman - with AD

Edwin J. Fehrenbach, Republican candidate for re-election for State Assemblyman, 4th A.D., has come up the political ladder in a comparatively short time.

Born in Brooklyn, 1919, he has lived in Bethpage at 12 Enness Avenue for the past 10 years. Married to the former Lillian Schinkel of South Ozone Park, he has two daughters, Diane, 15, and Regina, 10. A quick run-down of his political positions prior to becoming State Assemblyman in 1957 when he filled out the unexpired term of John J. Burns, now Town Supervisor of Oyster Bay, shows the following:

From 1954-1955 he served as assistant to the Town Supervisor of Oyster Bay Township.

In 1955 he became the first manager of the Town Hall Annex at Hicksville.

November 1956 he became deputy supervisor of the Town of Oyster Bay. In 1957 he was elected to the State Assembly where he succeeded in introducing bills, four of which were finally signed into law and six of which went through both branches of the legislative body.

The most noteworthy achievement of his term in Albany was the introduction of the "Fehrenbach Formula" for state aid to educational areas plagued with new housing developments and sky-rocketing school taxes. In plain dollars and cents this means that about \$1,700,000 has been distributed to the Oyster Bay township area alone for the current fiscal year.

In addition to such direct moves to the various schools in the township, Fehrenbach sponsored a one-year bill for \$200,000 for the Commissioner of Education to use as he saw fit for emergency aid to schools.

Mr. Fehrenbach is currently Republican Leader in Bethpage and a member of the executive committee of the Oyster Bay Town Committee. He helped organize the Republican Recruits in Bethpage and Hicksville and was area chairman of the Citizens for Eisenhower. He is a past president of the Theodore Roosevelt Republican Club, Bethpage. His service memberships include Bethpage Kiwanis Club and Archie McCord Post, American Legion, Bethpage. He served five years in the U.S. Army Field Artillery, World War II. He is also a member of the Holy Name Society.

Awards on a brand name bicycle will be sold in conjunction with the Cake Sale. The "bike" will be presented at the conclusion of the Cake Sale, about 1 p.m. Sunday.

The next regular monthly meeting of the Auxiliary will be held Monday, Oct. 27, at 8:15 p.m. in the auditorium of the School. Father Gerard Minogue of St. Bernard's Church in Levittown will be the guest speaker and his message will hold timely significance for all members.

## 5 Fire Calls During Week

The Hicksville Fire Dept. answered five calls during the week of Oct. 8 thru Oct. 14.

On Oct. 8 they administered first aid to Mrs. Harriet at 32 E. John St., and removed her from the street to the house.

A washing machine fire and a radio fire called out the vamps on Oct. 9. The washer was in the home of Mrs. Florence Hartwick, 57 Ninth St., and the radio in the home of Sid Levin, 4 Tudor Rd.

The following day, Oct. 10, the washing machine in the home of Joseph Simon, 33 Hollins Rd. caught fire.

A loading platform at the P. L. Andrews Co. bldg. on Andrews Rd. caught fire on Oct. 11.

Two false alarms were among the 5 calls answered by the Hicksville Fire Dept. during the week of Oct. 15 thru Oct. 21, both occurring on Oct. 15. The first was from W. Nicholas St. and Cornwall La., and the second, from Primrose Ave. and Holly St.

They put out a grass fire at the Gerald Ave. and So. B'way on Oct. 16.

## To Junior High

To celebrate American Education Week, Hicksville Junior High School will hold its second annual Parents' Class Night on Thursday evening, Nov. 6. The program will commence in each student's homeroom promptly at 8 p.m. Parents will then move from class to class to become acquainted with their children's daily program. To facilitate matters, parents are kindly requested to bring the student's schedule to school with them, according to Bernard Braun, principal.

It would be appreciated if the 7th grade parents would use the Fourth St. entrance; the 8th grade parents, the girls' Gym entrance; and the 9th grade parents, the main entrance.
