Ahead of Schedule State Concentrates on Easing No Bway Traffic for Holidays

The widening of North Broadway, a State Highway from Hicksville RR crossing to Jericho Tpke, is proceeding slightly ahead of schedule, a spokesman from the State Dept of Public Works at Babylon told the HERALD yesterday.

Efforts are now being concentrated upon the installation of the new east-side concrete traffic lanes from John St up to the Parkway. Repaving of the west side lanes will be delayed until after the Christmas holidays to speed the traffic flow to and from Mid Island Shopping Plaza.

Actual road construction in the area of the triangle bounded by Broadway on the east and Jerusalem Ave on the west is still in the fu-

(Continued on page 16)

PLANS FOR TRIANGLE TRAFFIC INTERCHANGE

Preliminary plans for the development of the triangle area, now being cleared of structures, calls for one-way on Jerusalem Ave for southbound vehicles to the RR crossing while northbound cars will swing to the east and feed into Broadway. Two wide lanes with a divider between will serve North Broadway.

AS IT WAS SOME YEARS AGO

Looking north on Broadway from above the Hicksville RR station we can see the triangle between Jerusalem Ave and Broadway before the buildings were demolished. At the top is part of St. John's Rectory, now Mid Island Shopping Plaza.

SEE RECORD VOTE TUESDAY

An all-time record turnout for a Hicksville Fire District election is anticipated for next Tuesday, Dec. 2, when a fire commissioner and a fire district treasurer is elected. There are more candidates than ever before, five for the position of commissioner being vacated by the expiration of the term of George Engel who is not seeking re-election and three for the office of treasurer now held by Bernard Schuster.

Voting with three voting machines will take place at the East Marie St. Firehouse from 7 PM to 10 PM. No advance voter registration is required and all legally qualified voters are able to vote, provided they are Hicksville residents.

NO ISSUES
 While there is an over-abundance of candidates, there appeared to be no sharp issues in the contest. All candidates appeared to be making

their appeals to their friends and neighbors on the basis of their activity in the volunteer fire department and the community as a whole.

Pictures and biographies of B. Medard Ofenloch, chief of the department, and Stanford (Sam) Weiss, former chief, were published in earlier issues of the HERALD when they announced their candidacies.

The other candidates for the five-year position as commissioner are James E. Matienzo of 162 Haverford Rd. who is a member of Co. No. 2, an eight-year resident of Hicksville. He has been active in school district and civic affairs.

Running for a second time is Cono 'Nick' Brigandi of Bay Ave. who was an unsuccessful candidate for the same office two years ago. The father of six children, he has been a resident of 23 years and

Lamb Cites Need For Jr College

There are 69 community colleges in California with an enrollment of 40,000 students, Dr. Wallace E. Lamb, superintendent of Hicksville schools, said Thursday night at a public meeting in discussing the proposed Hicksville Community College.

Lamb said that 31 out of 33 school superintendents in Nassau County, in response to his inquiries, cited the need for community colleges in Nassau. He also noted that 90% of the students attending Junior Colleges in the Nation are in publicly-supported Community Colleges.

The meeting was sponsored by the Hicksville Citizens for Better Government in School Affairs. Following

Dr. Lamb's presentation of the topic and his recommendations, a question and answer period followed. The meeting was conducted by President Jean Swanson in the High School faculty cafeteria.

The tremendous Birchwood Play-er production of Happy Time Nov. 28 and 29 is just around the corner. Tickets still for sale at boxoffice (Gyosser High School) or phone OV 1-0338 and OV 1-1283. All of Birchwood and especially the drama group is greatly indebted to Sachs Quality Furniture Stores, Mid Island Plaza, Hicksville, for furniture and sets which this firm so generously loaned to our thespians.

Organize New Amvets Post

A new Amvet post is being organized in Bethpage, and will be called the Bethpage - Flainedge Post. As yet a Charter has not been issued to the new post, but this is only a formality since all that is needed is 10 paid up members and the post will be officially chartered, a spokesman said.

The meetings will be held in Buddy's Cafe on Wantagh Ave. near Hickville Rd., on the first Friday of each month at 8 p.m.

First meeting of this new group will be Dec. 5, and all vets are cordially invited to attend.

Temporary officers are: Edward Weir, commander; Andy Kafer, 1st vice commander; Nick Del Gaudio, 3d vice commander; Howard Schartz, 2nd vice commander; Nick Del Gaudio, 3rd vice commander and Quin Jekel, finance officer. For further information call PE 5-3179.

Army Kicks Off Its Appeal

The Salvation Army this week kicked off its Christmas program for 1958 with high hopes of even bettering its 1957 record when it presented more than 30,000 gifts to more than 12,000 Nassau and Suffolk residents who might have been left alone in the wake of the Yuletide.

Frank Chlunsky, local Unit Chairman, said that in the Hicksville area many persons were remembered and enjoyed a brighter Christmas.

The first stage of The Salvation Army's Yule Project, the chairman said, was the mailing out of its annual Christmas appeal to its friends.

Enlarge Girls' Cadet Corps

Because of the enthusiastic response to the announcement that St. Ignatius parish is organizing a 'Girls' Cadet Corps, it has been decided to enlarge the size of the proposed Corps. Accordingly it is now possible for these girls who were unable to enroll for membership last Sunday to do so at the first meeting of the Cadets to be held on Saturday, Nov. 29, at 12:45 in St. Ignatius School cafeteria. Approval of the girl's parents is necessary.

Any girl in the parish who is 10 years of age or older and in the fifth through eighth grades in either public or parochial school is eligible. Further information may be obtained by calling Mrs. William Minihan at WE 1-2505.

10 Fire Alarms

Five grass fires were among the eight fire and two ambulance calls answered by the Hicksville Fire Dept. during the period of Nov. 18 thru Nov. 24.

They received a false alarm on Nov. 18 for Miller Rd. and Fulton Ave. and on Nov. 19 a grass fire on Midland Ave. and a rubbish fire behind the Pollock fertilizer plant off Duffy Ave. called them out.

On Nov. 20, the firemen put out two grass fires, the first between R. and West Aves. off Old County Rd. and the second on Duffy Ave. near the Empire Storage warehouse.

The next call they received was a grass fire on Washington Pkwy. on Nov. 22. Another grass fire occurred the next day, Nov. 23 at Jackson Pl.

On Monday morning, Nov. 24, a washing machine motor at the Arthur A. Magill residence, 12 Autumn L., called out the vamps.

The Fire Dept. ambulance transported Mr. Smith, 65, of 197 Bway to Nassau hospital on Nov. 18, and M. Andre, 87, of 23 California Ave. to Meadowbrook hospital on Nov. 21.

Legionnaires' Log

CHARLES WAGNER, Post 421, Hicksville, N.Y.

By ARTIE RUTZ

The tremendous organizational problems of The American Legion can better visualized when you digest the following news release from national headquarters, quote "The National Executive Committee confirmed more than 7,000 appointments by National Commander Preston J. Moore to national commissions, committees and boards of The American Legion" unquote -- A detail of Department district and county appointments and you have a rather fair sized group -- It looks like the American Legion picked a winner in 1944 when it puts it chips on the integrity of the war veteran -- The latest report on GI home loan program reveals that with more than 5,000,000 home loans guaranteed under the 14 year period, the Veterans Administration announced that it had been forced to pay claims on only 42,000 or about 8/10 of 1% of the loans. -- National Commander Preston Moore attributes much to the Legionnaires of World War I whose foresight, leadership and months of hard work resulted in the adoption of the GI Bill in 1944 -- Cost of American Legion Life Insurance in New York has now dropped from \$16 to \$12, which is the same rate as paid by Legionnaires in other

states -- Just loved this expression heard during a serious conversation, "We gotta get a lawyer or a banker, or a Rudy Bouse" -- Complementary, eh? -- The 8 & 40 is now offering \$1,600 year scholarships in advanced TB nursing -- If you have noticed the papers lately the long forewarned (By The American Legion) attack on the F.B.I. and J. Edgar Hoover, by smear artists, is now being revealed by various newspapers, putting the spotlight on the smearers themselves -- And how those rats are squirming -- Do you remember the Communist Party's unsuccessful efforts in 1940 when they tried the same thing? -- In connection with this subject, its too bad, that too many people, are too glib, too often and cannot read between the lines -- Come on, fellows, your 1958 dues should be in by now -- And have you gotten YOUR new member yet? -- I have.

Card Benefit

The Card Party held by the Ladies Auxiliary of the Chas. Wagner Unit American Legion at the Club House on Nov. 18, was a huge success both financially and socially. The prize table was filled to capacity as was the Sweepstakes table. Door prizes were won by Mrs. Henry L. Koehler and Miss Edith Reid. Sweepstakes table first prize by Mrs. A. Morschner, first non-player Mrs. Dorothy Fricke, High scores in Pinochle Mrs. Mueller, Bridge Mrs. Elsie Metzger, Bunco Mrs. Lillian Doran, Canasta Mrs. Palmie Perrina.

The refreshments were delicious hot coffee and tea with butter cake served by the members. The success of the card party was contributed to the cooperation of the members and those who were kind enough to donate prizes, for which a big Thank You is extended.

Several members attended the installation of Mrs. Tecla Madden, a Past President of the Auxiliary. Mrs. Madden was installed as President of the Gold Star Mothers at the Mineola Legion Club House on Nov. 21.

The Members are asking for gifts to take to the Veterans Hospital at Northport. Each year members of the Auxiliary contribute mailable gifts valued at \$1.00 or more. This year 3000 gifts are needed. Auxiliary members help the Veterans select the gifts they desire then wrap and mail them to their loved ones for Xmas.

The next meeting of the Auxiliary will be held on Dec. 17, at which time we will have our annual Christmas party and grab bag.

Exhibit Art By Resident

A display of paintings of Mrs. Helen Cushman of 31 Walnut St., Hicksville will be held at the Hicksville Public Library from Dec. 7 until the end of the month. Mrs. Cushman since the age of eight was a member of the special class for talented young artists at Hecksher Foundation in N.Y.C. She won a Littauer Scholarship to the N.Y. School of Applied Design for Women. Her paintings have been exhibited at the Suffolk Museum in Stonybrook and at the Hecksher Museum in Huntington.

NEW ARRIVAL

A daughter, Melissa Patricia, was born to Mr. and Mrs. William H. Gardner of Bethpage, on Nov. 13 at Huntington Hospital.

THE TURKEY

BIRD of Thanksgiving

WHERE did turkeys come from? Naturalists have spent a great deal of time and effort finding answers to that question. Today there still remains a good deal of mystery surrounding the early history of the bird that is so popular around Thanksgiving time and Christmas.

School children in America grow up with a firm picture in mind of Pilgrim families sitting down to a Thanksgiving meal of turkey. In some old schoolbook drawings you may even see a turkey or two strutting in the background as if proud to have escaped the festive axe. But if times were so hard in the early colonies, where did the settlers find such luscious birds to feast on when they wanted them? Were these handsome, fat, flavorful birds merely strolling around in the woods--waiting to be shot for dinner?

Surprisingly, this was to some extent true. The American woods were well-filled with wild turkeys. But this is only part of a somewhat complicated story. Some of the turkeys that adorned colonial tables may have come not from American woods but from English barnyard stock. Where, then, did the English get their turkeys?

The answer seems to be: from the Americas -- a century or more before the Pilgrims.

It is an interesting fact that the English have for four centuries raised two kinds of turkey: the Norfolk, which are smaller and blacker, and the Cambridge, which are more colorful. Now, those Norfolk turkeys look surprisingly like the wild turkeys which still roam a few remote forests in the Central United States, between

Pennsylvania and the Mississippi River.

But the Cambridge turkeys look more like the "peacock" turkeys found in the American tropics: down on the British Honduras-Guatemala border to be exact. Early tropic explorers took these toothsome birds to England; and some other voyager, possibly John Cabot, is thought to have taken the northern variety there at about the same time--just before 1500 A.D. (The latter tropical turkeys had long been domesticated in Mexico.)

By 1530 turkeys had become so popular that they were well established in England. Some of the early U.S. settlers thus probably brought domesticated English birds with them.

It is natural for Americans to wonder: how did the turkey happen to become an "American dish" at Thanksgiving? The answer again goes back to England. By 1537, turkey was already a part of "Christmas husbandry fare." It was quite natural, as Christmas drew near, for the early colonists to select turkey for their first Thanksgiving feast.

It seems well-established, however, that this first famous American turkey dinner was not served with "imported" turkeys. The fowls, later to be pushed back, were still close at hand. For dinner that day in 1621 the Plymouth Colony settlers had four wild turkeys, shot in nearby woods.

Where did the name "turkey" come from?

Not from Turkey, say the naturalists, but from the curious call-note the big birds make: turk-turk-turk. Thus the turkey is a bird that has virtually named himself!

PERSONAL MENTION

JERRY GOLDMACHNER of 44 Apollo Lane, Hicksville, has been transferred from the J.P. Stevens & Co men's wear worsted dept to the firm's Hockman men's wear worsted dept where he will be in charge of styling. Mr. Goldmacher joined Stevens in 1955, according to the Daily News Record of Nov. 19.

Field Club Racked 22 Consecutive Win and Second LI Crown in 1934

by HOWARD FINNEGAN
(Second in A Series)

The Hicksville Field Club ran a treacherous gauntlet in 1934. Box office receipts doomed as the Black and White gridders beat down challengers, week after week, with a pulverizing ground attack, while harrowing victories were preserved by a rock ribbed line which repulsed late enemy drives by holding on the one.

This success with the flair for the dramatic, excited the crowds but the exacting schedule demands jeopardized another championship since the strain and the climax arrived at the same time.

Ernie Distler went on a rampage as Hicksville won over the Brooklyn Steam Rollers, 58-0. Displaying real promise in their first game in 1934 for the FC were Charlie Mollitor, Stan Bosch, Bill Huphrey and Ben Wright.

Oyster Bay was willing but overwhelmed 47-0. In the first league contest Tom Fitzgerald's formidable Westbury Vamps were engulfed, 32-0.

In the club's 14th straight win, Orfit Millevolt went 49-yards on the first scrimmage play and newcomers Myron Darmorhay tossed a 20-yard pass to Wright, the all-scholastic from Mineola.

BLANK SEBAS

Over 4,000 shouldered their way into the Glen Cove High stands to see the missiles punch out a touchdown in every quarter to beat the Sebas, 26-0.

The daily press taunted other conference teams with the appraisal that only a miracle could prevent the champions from repeating.

The little hope held for the Hempstead Monitors at Hicksville was quickly squelched by four touchdowns in the first half.

The cry went up that the pace was taking the edge when the champs failed to impress in winning over Lorain Valley, 12-7.

Undeclared Manasser, sorely embittered over the '33 title defeat, presented a serious threat for Bergold.

It was removed when Darmorhay passed 33-yards to Lou Kappertath in the first period. The 6-0 lead carried into the fourth when Bergold passed to Wright on the 4. Darmorhay drove it over. The Red Birds tallied as the big crowd was streaming out. It was posted 12-6.

No less than ten players were laid low during the course of the fray as Hicksville eliminated the Valley Stream Red Riders from consideration, 20-9.

The Fay wore the mantle as the most successful scholastic coach in Nassau's history and worked his Hempstead Alumni team into a furor in preparation for the Hicksville game.

OPEN ROOSTER

The oft-used device of the open roster employed against the Black and White was evident again. Bob Max Wake and Red Orth, former Hempstead stars, were completing their collegiate career for Catholic University the Saturday before the game and Fay announced he would use them against the FC.

Loading up was unsuccessful. Victory number 20 came in a 27-12 thriller as Distler ran for three scores and Millevolt one. Maynard McGilly, former Long Island Sprint champion, scored all the losers points in the first half.

Hicksville was regarded as atop a greased flagpole in the defense of its title and the tough Springfield Greys, champions of Queens and the undefeated Paragons were ready for a slip in the last two games.

THE BLOOD POUNDED

The blood never pounded harder in the vein of a Hicksville fan than he did that historic afternoon when the Field Club crossed with the Greys.

With the brilliant St. John's luminary, Bill McAdams, Nat Grossman, former New York U. star, and the pile driving Sam Tomich, the undefeated Greys stepped on the Hicksville turf with a wallop.

Outrushing Hicksville 14 first downs to 4, the Greys rammed over two scores and retired to the dress-

Court League In Second Week

The St Ignatius CYO Basketball League is underway and all teams have now played their second game in the official schedule. The early deadline this week makes it impossible to include a complete report.

In the 7-8 year old league the Hawks defeated the Vultures, 16-6; Blackbirds took the measure of the Eagles, 14-4; Sparrows won a tight game from the Falcons, 6-4.

In the 9-10 year old league, the Apaches tripped the Sioux, 12-10; Comanches defeated the Huron, 15-8; Senecas won over the Mohawks, 16-04.

The Celtics bowed to the Warriors, 10-22, in the CYO Senior league.

In girls basketball, the Tulips felt the bite of the Rosebuds, losing 27-14, while the Tiger Lillies defeated the Snapdragons, 21-17.

repeatedly carried Springfield to the shadow of the Hicksville goal. Pellicio got off an 89-yard TD run with four minutes left but Umpire Jack Lavelle now scout for Notre Dame University and the New York Giants, had to call it back for a clipping infraction.

SAVED BY GUN

The crack of the gun on Hicksville's 13-12 victory resulted in an uproarious celebration.

Hoping to outrace the wear and tear of Long Island's most difficult schedule, the Field Club faced the Paragons in the finale. George Craig's team had not lost in 11 outings.

The Black and White sunk its teeth in a third quarter score by Jillevolt, withstood four smashes from its own one in the final minute and won 7-0 for its 22 consecutive win.

The Chamber of Commerce and the Business Men's Association planned a huge testimonial at the Hempstead Elks.

Twenty-two straight wins and two Long Island Championships made Hicksville's statue supreme.

Two more articles in this Series will appear in the HERALD.

Some Upsets In CYO Bowling

The Blue and Gold Leagues of the St. Ignatius CYO AA Bowling League of Hicksville saw some upsets on Saturday at the Market

Red Sox Hang Onto Leadership

by BILL SAKAL

The Red Sox are not to be defied in their bid to be on top when the Holy Family CYO Bowling League season ends. Last week they won four games while the Orioles lost four, and now lead by 3 1/2. The Braves, Tigers and Cards are also making a strong bid to be in the winner's circle, with the Braves winning three and the Tigers one to tie them for sixth place. The Cards won 4 to shove them up into number 3 spot, tied with the Orioles. While the Athletics won 3, they still remain in last place, but are creeping up on those above them, and it is still possible in the time remaining for them to make a showing.

Two 600 series took game laurels in the Holy Family Section of the CYO Bowling League at Woodbury Lanes; a 609 series with games of 208 and 207 by A. Reinheimer and a 603 series with games of 226 and 222 by J. Loth.

Ed Arundell of the Red Sox helped his team regain first place with the posting of the evening's high game of 236. Other high scorers were: S. Amodeo 211, R. Schaffer 207, J. Hoptar 205, G. Thompson and B. Smith 204, V. Radzinski 203 and E. Schoenig 200.

Mothers Hear Father McCarren

The St. Ignatius Loyola Auxiliary of Christian Mothers conducted their monthly meeting in the auditorium of the school, Monday evening, Nov. 24. At the conclusion of regular business, Mrs. Allan Service moved that the auxiliary By-Laws be amended to specify that Past Presidents of the Auxiliary be placed on a roster of Honorary Members. This Amendment is to be considered and voted upon at next meeting.

Mrs. Robert Corcoran, Chairman of the Auxiliary's first card party to be held on Dec. 5, reminded members of the spectacular sweepstakes magnificent portable TV. All are invited and urged to bring their friends to play any suitable card game of scrabble, bunko, etc. Sister Rose Dominic, O.P., Principal, announced that all Mothers will rotate on lunch hour school-yard supervision and may be called upon approximately once every three months.

The highlight of the evening was the informal discussion period con-

ducted by Rev. Edgar P. McCarren, Secretary for Education to Bishop Kellenberg, and Superintendent of schools, Rockville Centre Diocese. Much of the discussion centered about the new Christian Doctrine syllabus with Mrs. Robert Daur, Program Chairman, directing questions of interest to Father McCarren.

It was developed that preparations for the present syllabus began at the turn of the century at the Catholic University of America. Possibly the greatest contribution was the publication in 1940 of the three volume book entitled "Guiding Growth in Christian Social Living" from which a detailed course of learned by rote said Mr. McCarren but through natural experiences brought to mind by the teacher. Although there are some points that all will have to be memorized it is more important that children understand what they are learning and why.

Father McCarren stated that the next new syllabus will be Science.

because there is more of an immediate need to develop a highly detailed program. He said that students will be given periodic intelligence tests in order that a child's real potential be established and that many factors concerning his learning ability must be taken into consideration.

In conclusion Father McCarren suggested reading three books by Mary Reid Newland. They are "We and Our Children".

At the conclusion of the meeting it was announced that Mrs. M. Reisz was the winner of the Dark Horse prize of a huge turkey.

TO ASSIST NEEDY

At the November meeting of the
North Bethpage Civic Association,
it was voted to present a needy
family with a basket of food, rather
than to have a Christmas party
for local children. It was brought
out that the children attend many
parties at Christmas time, and that
it would be a more worthwhile project
to help a needy Bethpage family.

Kiwanis Offers Vocational Study

A most unusual program in vo-
cational education will be presented
by the Kiwanis Club of Plainview
to the students of the Plainview High
School and their parents on Thurs-
day, Dec. 4. Sponsored by the Plain-
view High P.T.A., this program pro-
mises to be a wonderful experience
in community cooperation in the dis-
semination of vocational and occupa-
tional information to students and
parents.

More than 20 members of the Ki-
wanis Club, representing more than
20 occupations, will be available
on this evening to discuss their
occupations; the duties, qualifica-
tions, demand, educational require-
ments, salary, etc. involved in these
occupations. In addition, the Kiwanis
will plan individual interviews
with students interested in particu-
lar vocations, for a later date.

Each Kiwanian, representing a
different occupation or profession,
will receive students in an in-
dividual room. A schedule of these
rooms will be available, and will
be given to students and parents at
a short assembly program at 8:30
P.M. in the All Purpose Room at
the Jamaica Ave. High School. At
9 P.M. a bell will ring and parti-

HOUSEBOAT, starring Gary Grant
and Sophia Loren, is showing at the
Cove Theatre, Glen Cove, now thru

cipants will be directed to go hear
about the occupation in which they
are most interested. At 9:30 a sec-
ond bell will ring, and the students
and parents may then select a second
room to visit. At 10, a third bell
will direct the students to a third
visit. In this way, students and
parents will be able to be exposed
to information about three occupa-
tions in one evening.

The program is planned for all
students in grades 9-12 and their
parents. While parents are welcome,
they may leave their youngsters at
the school at 8:30, and return for
them at 10:30 if they so desire.
No student who joins the group at
8:30 may leave before 10:30 unless
called for by a parent.

This program, one of several in
a series of informational programs
for students and parents, promises
to be a very exciting and informa-
tive evening for all involved. The
members of the Kiwanis Club, the
P.T.A., and the Administration and
Guidance Department of the High
School urges all parents and stu-
dents to be present and learn about
occupations the best way — first
hand from people actually involved
in these occupations themselves.

Postmaster Gives Tips on Yule Mailing

Some tips on Christmas mailings this year were issued today by Postmaster Harry Cotter.

To assure yourself of fast, worry-free Christmas mailings at the third or fourth class postage rates without labels, notations, or endorsements of any kind authorizing

the opening of parcels for postal inspection. Packages sealed with modern sealing materials carry better in the mail than unsealed ones. Strong cord should be used.

2. Combination Mail, one of the newer services of the Post Office Department, may often be used to

good advantage. It permits a mailer to enclose a letter or a message inside a gift parcel simply by paying the appropriate letter rate postage, plus the postage for the package itself.

3. Certified Mail, another of the newer postal services, which permits mailers to obtain proof of delivery of Christmas letters or cards having no intrinsic value for a postal fee of 20 cents, plus first-class postage, also may often offer advantages.

4. Registered Mail, which provides greater security protection to letters and parcels carrying items of real financial value, has many good uses.

5. Special Delivery service, which provides expedited delivery at the office of address during prescribed hours, is often useful.

6. Air mail and air parcel post, which provides quick delivery of cards and parcels to all sections of the country, can help greatly with Christmas mailings.

7. Postal delivery zone numbers, which speed handling of mail, should always be used wherever possible.

8. The "facing" of letters and cards so that they are all stacked the same way, with the address facing the same way, as well as the tying of mail into "Local" and "Out-of-Town" bundles will expedite mail, particularly when larger quantities of mail are sent. Free labels for "Local" and "Out-of-Town" bundles are available at post offices.

A free postal pamphlet--available at all post offices--entitled "Packaging and Wrapping for Mailing," should answer all questions any Christmas mailer have on preparation of Christmas parcels for mailing.

Faith Assembly Now Organized

The newly formed Faith Assembly
of Rainbow for Girls is now fully
organized, and on Dec. 5 will be
formally instituted by the Grand
Worthy Officers of the Order and the
necessary quota of girls initiated by
the Bellmore Assembly.

The following week on Dec. 13,
the Grand Worthy Officers will con-
duct the Public Installation of Of-
ficers, also the Dedication Cer-
emonies, and it is planned that local
pastors will assist at this meet-
ing.

Both meetings will be held in the
Hicksville Masonic Temple, W. Ni-
cholai St., at 6 p.m. promptly.

Any girls from 12 to 18 interested
in joining should phone PE 5-8081.

The Dutch Lane P-TA of Hicks-
ville will hold its second Children's
Movie on Saturday, Dec. 6, from
1 PM to 3 PM. The full-length
film will be Walt Disney's "Dum-
bo." Refreshments will be served
during a brief intermission. All
grade school age children are in-
vited. Admission is 25 cents.

LEGAL NOTICE

SUPREME COURT:
NASSAU COUNTY:
DEPLECTALUM, INC. Plaintiff
against
CHARLES ROBB and LOUISE ROBB, Defendants

By virtue of an execution issued upon a judgment, rendered in the District Court, Second District, Nassau County a transcript of said judgment having been filed in the Nassau County Clerk's Office on the 20th day of August 1958, in the above entitled action, in favor of said Plaintiff and against said Defendants, tested on the 15th day of October, 1958, and to me directed and delivered, I hereby give notice that on the 29th day of December 1958 at 10 o'clock in the forenoon at the front door of the Nassau County Sheriff's Office facing Old Country Road, at Mineola, Town of Hempstead, New York, I shall expose for sale as the law directs all the right, title and interest, which the Defendant's Charles Robb and Louise Robb, had on the 20th day of August 1958, or at any time thereafter of, in and to the following described property:

All that certain plot, piece or parcel of land, with the buildings and improvements thereon, erected, situate, lying and being at Hicksville, unincorporated area, Town of Hempstead, County of Nassau and State of New York, known and designated as and by Lots 13, 14 and part of 15 on a certain map entitled "Map of Broadway Terrace situate at Hicksville, Nassau County, New York, owned by Land Assets Corporation, Brooklyn, New York, February, 1926, Robert L. Clement, L.L.S., Hempstead, New York" and filed in the Office of the Clerk of the County of Nassau on March 8th 1926 as Map No. 594, Case 3587, being more particularly bounded and described as follows:

BEGINNING at a point on the northerly side of Marvin Avenue distant 455.37 feet westerly from the corner formed by the intersection of the northerly side of Marvin Avenue with the westerly side of Bloomingdale Road; running thence westerly along the northerly side of Marvin Avenue 50 feet; thence northerly at right angles to Marvin Avenue 100 feet; thence easterly parallel with Marvin Avenue 50 feet; thence southerly again at right angles to Marvin Avenue 100 feet to the northerly side of Marvin Avenue point or place of BEGINNING.

Yellow jackets End Big Season

The St. Ignace Yellowjackets climaxed an undefeated football season by defeating the Jackson Heights "Big 10 Warriors", champions of the Brooklyn - Queens Pop Warner Conference, by a score of 28 to 0. It was the eighth victory posted by the Hicksville eleven and added to the lustre of their recent winning of the Nassau - Suffolk Catholic Grammar School title.

Ray Strassburger scored the initial Yellowjacket touchdown early in the second period on an 8 yard run around right end after taking a pitch-out from quarterback Tommy Douglas. Skip Rottkamp added the two points under the new rules on a line plunge. Late in the same quarter, Rottkamp scored again when he went 40 yards around left end for another tally with Phil Pignataro pitching - out from the quarterback slot. The try for extra points was unsuccessful.

The crowd of over 1,000 was electrified at the second half kick-off when Mike Shamkin of the "Big Warriors" booted the ball down inside the St. Ignace 10 yard line. Ray Strassburger momentarily bobbed the ball but finally picked it up on his own two yard line. He started to his right and streaked down the sideline outracing the entire Queens team to the end zone. Unfortunately, the score was nullified by a penalty but it gave the spectators a display of outstanding broken-field running.

Fullback Bobby Smith took over for the Yellowjackets in the third

Flame Change Referendum Set for Thursday, Dec. 11

Plans have been completed for this community to hold the long-awaited change of name referendum. Ballots are being mailed out to the Birchwood at Jericho Civic Assoc. to all residents and both men and women members of the Assoc. are urged to cast their vote. Voting will take place on Thursday, Dec. 11th, at the George Jackson School between the hours of 8:30 and 10:30 P.M. Starting at 8:30 P.M. there will be speakers pro and con and discussion from the floor, to permit all residents who so desire, a free expression of opinion. All residents are urged to attend this important election meeting. Those unable to come in person are urged to mail in their ballots. However, these ballots (postcards) must be postmarked no later than Dec. 10. All those Birchwoodites who will attend the election must bring along their ballots in order to be qualified to vote. The VILLAGER in this issue features one article each pro and con on the subject of the change of name.

Rose By Any Other

A drive to change the name of our community is now in progress. From all outward reports and inner relations it would seem that most of our residents favor this change. The VILLAGER do NOT con-

Our community has had almost 10 years of recognition as Birchwood Park at Jericho. How many times have you been asked, "Where do you live?" "In Jericho, L.I." "Oh, the Birchwood Homes in Jericho?" "Yes." It would be absurd to assume that were the community to change its name to "Medium Priced Mansions", that friends, relatives, and neighbors would forever more label us as same. An intensive Madison Ave. Campaign with Blimps flying and paid political announcements on TV would not insure complete success. For example, the Avenue of the Americas, a truly fine name, will always be 6th Avenue to most of its pedestrians. Most of the names suggested for a fair hamlet seem frankly ridiculous. In our hearts, however much we insist that a man's home is his castle, we cannot stretch our notions to calling our sites "STATES". Nor can we make HILLS out of little rolls of terrain that occur only here and there in our midst.

The majority of people who have spoken with us seem primarily concerned with our individuality. "There are just too many Birchwoods" -- So what? A new, snobbish handle will not provide individuality. Our distinction results from the manner in which we conduct ourselves and maintain our property; not the tag we affix to our locale. We hope the day may come when we can be referred to as "Mr. and Mrs. John Doe, Any Lane, Jericho, L.I., N.Y." That, by far, seems the best address of all. In the meantime, pressing communal problems require the attention and consideration of our residents. Let's devote our energies to the realities of every-day living. If we are called Decent Citizens of Jericho, we have named proudly. All else is trivia.

PROCEEDS DONATED FOR SCHOLARSHIPS

On Sunday Nov. 23, a Book Fair was held by the Catholic Daughters of America, at the Chaminade High School in Mineola, from 1 to 5 p.m. The proceeds from the fair will be used as a partial scholarship to Molloy College for women also scholarships to a Catholic Girls High School and a Catholic Boys High School. A reading contest for fifth and sixth grade students was held. This program was under the direction of Mother Patricia of St. Anne's School, Garden City.

Case For Changing Name

Some months ago your Civic Assoc. took a poll of all the residents of our community -- Civic Assoc. members and non-members alike -- to ascertain the feeling of our community relative to a proposed change of name.

Out of 811 reply post cards which were mailed to our residents together with an accompanying statement which proposed a change of name, 425 signed reply post cards were returned.

Of these 425 cards which were returned, 398 or 94%, favored a change of name. Of the 398 favoring a change of name, 54% gave first preference to the name "JERICHO ESTATES".

Thus, it is readily apparent, if these post cards accurately reflect the sentiments of our community, and there is no reason to doubt that they do -- that our community almost unanimously favors a change of name and that the proposed new name most favored is "JERICHO ESTATES".

However, in order to obviate any possible dispute regarding the wishes of the community, the Board voted for a new referendum with ballots to be cast in person or by mail by all of the residents of the community. In conjunction with this referendum, it was provided that the pros and cons of the question be presented in the Villager. The authors of this article have been selected to present the picture in favor of a change of name.

The reasons favoring such change, in the opinion of the undersigned, are as follows:

(1) To the writers' personal knowledge, there are AT LEAST 16 places in the community on Long Island bearing the name "Birchwood", as follows:
Birchwood Pk. at Valley Stream
Birchwood Pk. at Franklin Square
Birchwood Pk. at New Hyde Park
Birchwood Park at East Meadow
Birchwood Pk. at Commack
Birchwood at Westbury-Jericho
Birchwood at Syosset
Birchwood at Plainview
Birchwood at Locust Grove
Birchwood at Manetto Hills
Birchwood at Oceanside
Birchwood at Rockville Center
Birchwood at Deer Park
Birchwood at Westbury
Birchwood at Oakdale

Thus, our community, which in a short span of time has achieved considerable prestige and a favorable reputation for its charm and fine appearance, is obviously readily confusable with the numerous other "Birchwood" communities to be found at every turn on Long Island -- a situation generating confusion among tradespeople, visitors and prospective home buyers in the event of a resale.

(2) The name "Birchwood" has become and will in time increasingly continue to become the "John Smith" of "John Doe" of community builders on Long Island as various builders continue to develop communities under the name "Birchwood". Today there are at

The Hard Sell

By GLORIA BRUNSWICK

Any salesman worth his salt knows there are many approaches and reactions to his pitch. It's difficult to imagine a veteran huckster being surprised by the customer he's confronting. Yet, it happened -- and recently -- and to a new celebrity in our Jericho midst -- and, at the risk of being a name dropper, he's Abe Gerchick of 178 Forest Drive, who made TV via the hard sell and very much to his own amazement.

Abe is an advertising specialty salesman, representing novelties and gimmicks of all types. He visited the Producer of Treasure Hunt to show him a miniature Treasure Chest he thought appropriate for use as Xmas presents. Abe was as appealing as his appeal; he not only got the order, but was accepted as a contestant for the show, which stars Jan Murray, and is seen on Channel 4 every week-day morning at 10:30.

We watched Abe on the show and it was obvious that his likeable, effervescent personality endeared him to Jan Murray and the studio audience. But Abe got more for his efforts than appreciation. He remained on the show for a few days racking up an impressive assortment of treasures including a Motor Scooter, Washer and Dryer, Fur Jacket, Fur Cape, \$500 Gift Certificate from Oppenheim

Collins, \$700 in cash, and a bobby prize of one head of Cabbage!

Congratulations to Abe Gerchick and his proud family! His fantastic episode only proves that if you take one good-natured Joe with a warm generous manner and mix with brains and opportunity --- That's Show Biz!

Happy Time to Help Birchwood Help Itself

The Birchwood Civic Assoc. is presently engaged in its one and only fund raising production, the smash hit "The Happy Time".

At this late hour many tickets for both the Friday Nov. 28 and Saturday, Nov. 29th, performances remain unsold. The Birchwood Players, under John Breiter's direction are going to put on a tremendous performance which will rival that of any Broadway production. All funds realized over and above the cost of this production, will help to finance our youth program three nights per week at the Jackson School.

The Civic Assoc. has gone to bat for practically all organizations in Birchwood. It has helped everyone

from the important Jericho Blood Bank to the Little League. The Villager has given space to every cause. The least this community can do to support the Civic Assoc. is to buy tickets now to this wonderful show. Phone OV 1-0338 or OV 1-1283 for your tickets or buy them the night of the performances.

We are one community and there is no excuse for any resident in not supporting this one fund raising affair. Tickets are only \$2.00 (teenagers Friday night, \$1.25 only) we promise you in return one whole of a time.

Cast in order of appearance, includes: Mark Koplik as Bibi, John

Breiter as Papa, Marilyn Breiter as Maman, Larry Singer as Grandpere, Jerry Neuhouse as Uncle Desmond, Barry Jeffrey as Uncle Louis, Blance Karpel as Aunt Felice, Dais Berg as Mignonette, Harrie Anne Kessler as Sally, Al Ross as Doctor Gagnon, Marvin Shapiro as Alfred and Phil Rosenthal as Mr. Frye.

John Breiter is director with Phil Levitan, stage manager; Ralph Diamond, general manager; Gilbert B. Stein, business manager.

In charge of properties and staging are Mary Livadas, Selma Gold, Adele Zora, Rita Shapiro, Lee Rush and Mimi Gruber.

DIRECTIONS ON HOW TO GET TO THE SYOSSET HIGH SCHOOL FOR THE PRODUCTION OF THE HAPPY TIME

of name issue; and (2) vote for "JERICHO ESTATES" -- the name clearly favored by the majority of our residents who returned their cards on the previous poll. If you find it impossible to attend the Meeting on that date, fill out and return the ballot post card which will shortly be received from the Civic Assoc. This should be done on or before Dec. 10.

Under the voting rules laid down by the Civic Assoc. Board, unless one name receives at least 51% of ALL votes cast -- regardless of whether such votes are for or against the change of name -- there will be no name change. Thus, a vote for a change of name, if divided among many proposed names, will prevent any one name from securing a majority and accordingly prevent any name change, so giving an overwhelming but divided "yes" vote the practical effect of a "no" vote. To illustrate: Suppose 100 votes are cast, with 95 of the votes favoring a change of name. If the votes in favor of the name change are so divided among various names that no one name receives at least 51 out of the 100 votes, the result will be that there will be no name

change, this notwithstanding that 95 out of the 100 votes cast DO favor a name change.

Accordingly, if you desire a name change, you should (1) vote; and (2) vote for "JERICHO ESTATES".

CATHOLIC DAUGHTERS MAKE CHRISTMAS PLANS

On Wednesday, Nov. 19, at 8 p.m. an Executive Board Meeting of the Catholic Daughters was held at the home of Josephine Quinn. Plans for the Children's Christmas Party, field trips during the Christmas vacation and Christmas Carol singing were planned. All children or adults who wish to partake in the Christmas Carol singing are welcome. The children meet at Mrs. Quinn's home every Wednesday at 4 p.m. to 5:30 p.m. for rehearsal. Mrs. Quinn lives at 43 Middle Lane. The Christmas Carol singers will be happy to sing Carols in front of the homes of our neighbors who request it. Those who wish to have Carols sung in front of their homes call Mrs. Quinn at OV 1-2128.

Civic Elections Round Corner

by DAVID MARK

The opportunities (and obligations) to voice our opinions by ballot are endless. We no longer finish voting Government officials into office when we must exercise our privilege again, for it is now a matter of local importance that we consider who will be our candidates for office in the Birchwood Park Civic Assoc.

The by-laws of the Civic Assoc provide that there will be 7 officers and 18 directors elected by members of the Assoc. The officers consist of president, 1st and 2nd vice presidents, treasurer, financial, corres-

ponding, and recording secretaries. The 25 elected candidates form the Board of Directors, in whom the general management of Association affairs is vested.

There is a simple method, prescribed by the by-laws, whereby a member of the Civic Assoc may become a candidate for officer or directorship. Article IV, Section 5 states:

"Any member of the Association may have his name placed on the ballot as a candidate for any office or as a Director of the Association upon filing with the Recording Secretary of the Association a petition duly signed by at least 25 members of the

Assoc with their addresses. This petition shall be filed not sooner than 45 days nor less than 30 days prior to the date of the first annual meeting of the membership held in each year. No petition shall be invalidated by virtue of the fact that any person signing same shall have also signed petition on behalf of other candidates for the same office.

Together with the petitions filed on behalf of each candidate, there must be filed a consent by that particular candidate to have his name appear on the ballot for the particular office designated in said petition. No person shall be a candidate for more than one office."

The annual meeting for election of officers and Directors is held on the first Thursday of February of each year. In 1959, the date will be Feb. 5. Therefore petitions must be filed between Dec. 22nd and Jan. 6th.

THE VILLAGER has prepared petitions for those Association members who may wish to be candidates, or who may wish to nominate other members as candidates. For any other information concerning the nominations and elections, call THE VILLAGER.

AN EDITORIAL:

Timely and Current

Elsewhere in this issue readers will find the "Civic Association Pre-election Report". We hope that there will be many Birchwood Residents who having seen the concrete things a Civic Assoc can do for a community, decide now to run for elective office in the Assoc. To serve in such capacity can be a rewarding experience. We suggest that, any resident who is willing to run, but for any reason whatsoever feels unable or unwilling to start petitions in his own behalf, contact THE VILLAGER.

We wonder how many of our readers are aware of the fact that under New York State Town Law, elections are held every year on the first Tuesday of December for the office of District Fire and Water Commissioner to mention but two departments of many, which operate on public funds. Each year one of the commissioners is elected for three to five years; these individuals are charged with tremendous responsibilities. THE VILLAGER, being a non-political publication will not suggest nor endorse any candidate for these or any other public offices. We would be remiss in our responsibility as an alert voice of this community, were we not to urge our readers to take a more active part in the functioning of our local government and its various agencies.

This is a community of young folks and small budgets. It's been more than 8 months since our Civic Association's inaugural dance, free to members of the Civic Association. Our entertainment committee has had one very long nap and a number of chairmen during all this time. At the risk of offending possibly one or two readers, we suggest that the Board of Directors either does something about this matter or issue medals to those individuals responsible for this lack of action saying: "Careful, do not disturb, elected official fast asleep."

Discuss Meaning of HS Diplomas Board Acts on New Schools In Jericho

By Alan J. Kaplan

Official meeting of the Board of Education was held Nov. 17, on "What Should High School Diplomas Mean?" Board members were present except Mr. Collier.

Approximately 300 citizens were present. Dr. Phillips and Mr. McGuffey stated that this meeting was held in order to get the viewpoint of the citizens on whether or not various types of diplomas and/or certificates of accomplishment should be issued. It was stated that the Board will not act this evening.

Better was read from a citizen, Robert Boslet who could not attend the meeting stating that if a good job is done by the student, a diploma should be granted and that certain jobs require a "diploma" and would not accept a certificate and recommended that diplomas be issued to all.

Better was read from John Cammarata who could not attend the meeting stating that while he wants high standards, he is against any change of issuing diplomas unless the change is nationwide.

Phillips read from the Prin-

cipals' Hand Book of the State of New York, giving authority to the local School Board to issue diplomas to students although they do not pass the regents examination. He stated that Commissioner Allen suggested that the Board of Education set standards below which they would not issue diplomas.

The various citizens present almost unanimously were against the issuing of a certificate of accomplishment. Comments ranged from: "An obstacle will be placed in the path of students if anything is issued other than diplomas."

"The issuance of a certificate would place a stigma upon that student receiving it."

"A bright student who knows he cannot go to college should not be penalized by the issuance of certificate."

"A second class citizen would be created by the issuance of certificate."

Dr. Phillips stated that certain children are not adequately equipped to grasp certain concepts regardless how well it be taught.

Dr. French stated that the High School offers an industrial arts program, home economics, stenography and bookkeeping. Vocational education as such is not offered. However, a cooperative program has been established with East Meadows which offers a vocational type program. A conference of parents, counselors and the students is held during the eighth grade to determine the curriculum of the child. He also stated that if a student is not qualified to graduate, he is kept in the eleventh grade and not made a senior.

There was a great deal of confusion as to the meaning of certificate of accomplishment. Since no standards had been set by the Board, the citizens were confused as to what the differentiation would be between the diploma and the certificate. Some opinions of the citizens were that the certificate would be one merely for attendance and others that it would be issued to those students who normally would have been left back or flunked. One citizen stated that the certificate of accomplishment should correctly be called a certificate of lack of accomplishment.

One citizen was in favor of the certificate being issued. This citizen felt that the student who did not meet the standards which will be set by the Board of Education but who nevertheless made full effort within their capabilities, should be graduated and since that student could not earn the diploma, should be issued a certificate.

The meeting was adjourned with the Board committed to study the entire issue and come forth with its recommendation.

Jericho School Board, at its regular meeting last Thursday night, took further steps to provide School District 15 with a new school South of Northern State Parkway, and discussed in Executive Session the acquisition of a site for a second school.

A special meeting of the Board to discuss the new school was announced. This meeting will be held next Thursday evening, Dec. 4 at the Robert Seaman School. The Board also instructed Dr. Kenneth Lant, District Principal, to invite the various civic and parents' organizations within the district to submit names of persons to serve on a Citizens' Advisory Committee. The Committee, to be activated immediately, will assist the Board in planning the school. It will meet with Board members for guidance but will be under no pressure to follow the Board's thinking.

The School, temporarily referred to as the "South Parkway School" will be built on a site already owned by the District, and located in its extreme southern section in the vicinity of the White Birch development.

During the early part of the meeting, when Board Chairman Martin Penn opened the meeting to questions from the floor, Sam Richter, Chairman of the Birchwood Education Committee, rose to question the Board concerning a series of meetings which had been planned to discuss curriculum and education. One meeting had been held last June, but the remaining three, of which the first one was planned for October, had never been announced. Penn replied that the meetings had not been held due to the lack of time caused by the pressure of "severe problems" with which the Board was confronted. He stated that a meeting would probably be scheduled for January or February of next year. The purpose of the meetings was to have been to inform both the Board and the residents of the status of the curriculum and the policy of the administration on the many aspects of the actual education of children in the schools.

Richter also relayed to the Board the complaints by homeowners living opposite the Jackson School on Maytime Drive of ball playing by teenagers on the mall in front of the School and of excessive dog walking on the school grounds. The Board directed Lant to have "keep off" signs erected in the area and suggested that local groups impress the residents involved with the an-

Election of fire commissioners takes place next Tuesday, Dec. 2.

noyances caused and request their cooperation in eliminating them.

An item on the agenda concerned the disruption of school work reported by Lant during the visitation of parents during American Education Week. The Board voted to restrict such visitation to one day and an evening for this observance next year. Also considered on the agenda were the establishment of a regular newsletter to the residents and the introduction of a driver education program into the high school curriculum.

At about 10:30 P.M., the Board closed the public part of its meeting, requested the spectators to leave, and retired to executive session to discuss the acquisition of a new school site.

The next meeting of the Birchwood Education Committee for the Jericho School District will be held Thursday evening, Dec. 11 at 38 Mulberry Court, Jericho. All residents of the District interested in education are invited to attend, call WE 8-3391 for further information.

period and blasted for big yardage through the Warrior line. He capped his efforts by driving over center from the five yard line for St. Ignatius third score. Strassburger added the two extra points on a line plunge.

The final Yellowjacket touchdown came in the fourth quarter after Strassburger started a St. Ignatius march with a 30 yard pass to right end Bobby Trieste. A sustained drive took the ball to the one yard line then Ray Strassburger nimbly skipped around right end into the end zone after the Warriors were completely fooled by a faint into the line by Bobby Smith.

The Yellowjacket linemen led by Mike Callahan, Mike Hardick, Charlie Triolo, Vin Hannigan, Johnny Murelio, Bruce Bendish, and Bobby Sullivan gave a fine display of precision football. In the backfield, the "Touchdown Twins" Strassburger and Rotkamp again led the attack with 14 and 8 points respectively. For the "Big 10 Warriors", Vic Scarabella, Dick Scarabella, John Serabella and Mike Shamkin fought valiantly in a losing cause.

ture and may be related to the progress of the Hicksville Rail Road crossing elimination program which, it is anticipated, will get started in 1959. A committee of Oyster Bay Town Board last week consulted with the engineering firm which is developing the working plans for the elimination project, the HERALD learned.

This week saw the LIRR officially open its new freight yard on W. John St., near Charlotte Ave., leaving the area of the old freight yard next to the passenger station free for development for additional commuter parking. (See picture on page three.)
