Giant Community Christmas Greetings from Rotary

A BEAUTIFUL Christmas tree, towering 25 feet above the sidewalk in front of Meadowbrook National Bank at Newbridge Rd and Jerusalem Ave., Hicksville, was erected this week as an annual project of Hicksville Rotary Club. Lighting on the tree for Hicksville's "Rockefeller Centre" is due to start this weekend. Left to right are Rotarians: Freeman L. Parr, arborist, who erected the tree; Edward

Teverini, chairman of the project this year; William Payoski, past president; Benjamin Barnes, Joseph Bradley, Aaron Rachman, John Dobson, John Hill, Club president; and Dick Sollner, club treasurer. Estimates of the tree's size were provided by Rotarian and Photographer Frank Mallett who donated his old flash bulbs for lighting effects.

JULIA MARY GIBSON, daughter of Mr. and Mrs. Marvin Gibson of 47 Fourth St., Hicksville, a junior at Mount Holyoke College at South

Hadley, Mass., will sing with the Glee Club at Town Hall in New York City on Dec. 19. Miss Gibson is a first soprano.

Entertain Orphans

A group of 50 adults from Hicksville area journeyed to The Little Flower House of Providence in Wading River, Sunday, to deliver a huge pile of toys and gifts for the orphans. The project was again sponsored by the Joseph Barry Council, Knights of Columbus, and the operators of the Freeport Long Lines of NY Telephone Co.

The gifts were made possible by patrons of the Little Inn on First St. as well as the patrons of Roles Log Cabin on Herzog Place. The latter turned over \$105 to the project, according to Mark Madden, chairman.

Mothers Hold Christmas Party

The St. Ignatius Loyola Auxiliary of Christian Mothers of Hicksville welcomed its members to their annual Christmas party, Monday evening in the school auditorium. The decor was traditional for the season and Mrs. Frank Dannhauser and her committee did a splendid job in planning the decorations and refreshments.

It was announced that the first annual card party of the Auxiliary was an overwhelming success and the chairman, Mrs. Robert Corcoran and her committees received a standing vote of thanks.

Mrs. William Gahan and Mrs. Walter Gaylor will be co-chairman of the annual February social.

Father John Wissler, Moderator of the group, referred to the current religious chain-letter fad and suggested that members refrain from any participation whatsoever. In his opinion, such letters should be destroyed upon receipt.

Mrs. William Dooley, Director of the St. Ignatius choir, presented a fine Christmas program to an enormously appreciative audience. Auxiliary members were given provocative glimpses of the forthcoming Confraternity Christmas play "The Birthday Party" including some dashing "Vice Presidents of the Celestial Bank" and some equally charming "Star Polishers". The St. Ignatius Choir followed with a well planned program of traditional vocals. All were impressed with their superb tonal qualities and fine vocal integration of the group.

Auxiliary President, Mrs. E.M. Breschard, Jr., closed the final meeting of the year with a wish for all to enjoy a "Blessed Christmas".

A daughter, Margaret Mary, was born Nov. 30 to Francis and Regina Hickey of 28 Plainedge Dr., Bethpage.

William and Florence Blaschuk of Washington Pkwy., Hicksville, are the proud parents of a daughter, Elaine Marie, born Dec. 10 at Mercy Hospital, Rockville Centre.

DEAR JEAN....

With the fire commissioner contest settled, we now have the annual fire department elections coming up in April and the candidates are beginning to appear — in quantity. First to announce as a candidate for 3rd deputy chief (first rung on the ladder to Dept. Chief) was ED LAURINSEN of Co. 2. Since then we hear that GUS COTSONOS, newly elected captain of Hook and Ladder Co. 1 is also tossing his hat into the ring....

Have you seen the attractive outdoor decorations at the home of ROBERT HAMMOND?.....

Stop down at BUONAGURA'S on S. Bway, Hicksville and get one of their Christmas wreaths. They are all "homemade" by Mrs. B. and are real artistic. She is quite a hand at not only the wreaths but door sprays and grave blankets as well.... Took the boys sleigh riding out on Miller Road, near the Parkway bridge on Sunday and coming home, ran out of gas. Six or seven cars passed us by as we were trying to push the car to a gas station. However, one kind soul, in the Spirit of Christmas, took two of the boys to his home, gave them the gas from his lawn mower, drove them back again and helped us get started. It's good to know there still are some nice people left in this world.... It's good to hear that Mrs. GEORGE ECONOPOULY is very ill at Nassau Hospital. She is the wife of the owner of the Hicksville Sweet Shop and well known to the old timers of Hicksville. All her friends and neighbors along with George and the boys, Gus John and Nick are praying for a swift recovery.... Although it has not been announced "officially", a most reliable source admits that the triangular piece of property, approximately 20 acres, on Newbridge Rd., south of Holy Family R. C. Church, has been purchased by the Diocese of Rockville Centre for the construction of a secondary school. At present the only building plans announced by the Diocese are for a preparatory seminary (a high school for boys preparing for the Priesthood)....

Bids for Kids is now in Chicago, according to Printers Ink, weekly publication of the advertising industry.... Mid Island Plaza reports a "sharply increased demand for space by top-rated tenants" with four long-term leases signed in the past two weeks for a total of almost 30,000 square feet. Soon to open are Frankel Stores and Tip-Top Appetizing Shop and Delicatessen.... Plainview Bethpage Exchange Club was held at a recent meeting by Bldg. Dept. Mgr. NORMAN WOLF, that 124 units are to be added to the 148 existing units of Fairhaven Garden Apartments on Hicksville-Jericho Boundary. There have been 6,118 building permits issued by the Town Dept. this year (2,146 for new one-family dwellings) compared with the peak year when 9,000 permits were issued.... A giant helicopter landed at the Hicksville operating centre of LI Lighting Co. on Old Country Rd., recently. It carried financial personnel and institutional investors on a flight over Long Island, giving a true bird's eye view of the Island and the LILCO system.... Sign in Fred's Inn on Woodbury Rd. "Merry Christmas to the person who stole my Christmas tree (signed) BILL DANDA"....

Seems like nobody wants GEORGE RITZLER (of Hicks Circle & Holden's) to keep that snazzy pink and grey car of his. After getting it all fixed up from the last accident, Monday night a large tractor and trailer smashed up his left rear fender and lights along with taking some of the chrome off the left door. Each time the car was packed with no one in it -- just standing there minding its own business. Speaking of HOLDEN'S, we understand that the nice new Buick (Buck) of Hip's is being repaired after an accident....

Announcements were made at all Masses last Sunday at St. Ignatius Church concerning the disappearance of little TIOMAS DONAHUE of North Massapequa, who was found Monday, frozen to death behind the home of a physician in No. Merrick. Monday morning members of the Nassau County Police Dept. visited the business district along Broadway also giving the boy's description and asking everyone to keep an eye out for the tyke....

We can now call PAT GILCHRIST of Frances Lane, Hicksville, "a pinup boy". He just received a check for posing for an ad that will appear in forthcoming issues of national magazines.... BILL DANDA and friends, together with Hicksville Lions Club, was given hosts to the orphans of Syosset on Monday. The party was held at the former church building on South Oyster Bay Road.... Have you noticed the landscaping project underway by the County at the five-cornered intersection of South Oyster Bay, Old Country and Plainview Roads?.... Hicksville Post Office 'is using a building with 4600 sq. ft. at New South Rd. and Summeret Ave., for the holidays, for the receipt of incoming parcel post. Patrons should, of course, go to the post office....

It looked like "old home week" at the School Board meeting last Friday night. Former President EMIL SZENDY was in the audience as well as former Trustee ELWOOD KENT.... The School Board has approved operation of skating rinks on school grounds by the Rec. Director, JOE MADDOEN. However, it will be some time before the details can be worked out regarding flooding of areas, etc. Meanwhile, we understand the town park dept. has set up skating at many of the neighborhood play areas in Hicksville and vicinity.... Remember we go to press a full day ahead in Hicksville and vicinity.... Remember we go to press a full day ahead in Hicksville and vicinity.... Remember we go to press a full day ahead in Hicksville and vicinity....

Our best wishes to Miss PATRICIA JOCHIM, daughter of Mr. and Mrs. Joseph J. Jochim of Bellport, whose engagement to WM. J. WILLIAMS, Jr., son of Mr. and Mrs. Williams, Sr. of Hicksville was recently announced....

A daughter, Paula, was born to Mr. and Mrs. Andrew J. Cerzosimo of Bethpage at the Huntington Hospital, on Nov. 26.

Mr. and Mrs. Angelo LaManna of Benjamin Ave., Hicksville, welcomed a daughter, Joanne, on Nov. 29 at Mercy Hospital.

Santa's Secretary Looks Over the Mail

TO: Santa Claus
Santa's Workshop
Noeth Pole
FROM: Hicksville, N.Y.
Dear Santa:

Well here I am again back in Hicksville to read your mail for you from all the nice little boys and girls who live here. I love this southern trip every year. When I arrived the other night the whole town was covered with snow, but such a little in comparison with the Noeth Pole. It was nice and warm too, 20 degrees. It was much too warm for me and I had to change into my summer clothes immediately.

Remember we were talking about all the names of little boys and girls who moved and we had to change so many addresses on your list, well I found out why. Since I was here last year a lot of older houses have been torn down and the areas have made into parking lots. So make sure your list is up to date when you leave Dec. 24. When you come over Hicksville be sure to

look at No. Broadway. They are widening it. I'm telling you all this so you won't think you are in the wrong town as I did the first night I arrived.

I went to the Post Office early the next morning and found the usual stack of mail waiting for you. And since that's what I came here for I'll start telling you about the letters. Douglas Kozik of 14 Belmont Rd., would like a cement mixer, a writing pad, a jack in the box, a painting set, toy television, and any other surprises you would care to leave. He would like to see the elves. Maybe some night we can arrange it and when he wakes up in the morning he will think he has been dreaming. I know we don't usually do this but he really is a very nice little boy. He also asked for a small piano and little toys and a monkey playing a drum for his little brother, Robert.

Frances Gennaro of 5 York St., writes that she has been a good

Fire Department Maintains Close Safety Check on Schools

The community of Hicksville was given assurance this week by the Board of Fire Commissioners that regular, periodic fire inspections of Hicksville public and parochial schools have been and will continue to be made. The Board of Education at a recent meeting was also advised, in answer to an inquiry, that periodic fire inspections are being made.

"In the wake of the recent disastrous school fire in Chicago," a spokesman for the fire commissioner stated, "the fire department has received several inquiries as to the steps taken in our community to insure the safety of our children."

The statement also pointed out:

"All fire laws have been and will continue to be rigidly enforced and any hazardous conditions found in the Hicksville schools will always be promptly reported to the school board and follow-up inspections made to ensure the correction of any such conditions."

Herald Appeal Assists Scout

Thanks to the appeal in last week's HERALD, Chris Reimels, Jr., of 128 Seventh St., Hicksville, has had his lost wallet returned, and became an Eagle Scout.

The wallet had contained Award cards that Chris has earned in his many years of Scouting and was needed when he was scheduled to appear before a Board of Review for his Eagle Rank, which he desired so strongly to pass before Christmas. The custodian at Old Country Rd., School, where Chris had lost the wallet, found it and upon reading last week's item promptly returned it.

Chris did pass the Board of Review and will be awarded his Eagle rank during Boy Scout Week in February, according to his Scout Master, Fred Evans.

Hey, Fellows! There'll be a New Year's Eve Party at the Post starting at 9 P.M. Very, very reasonable. Contact JONY CORRERI for further details. Just noticed that there must be a lot of Legionnaires using Legion Christmas cards this year. And how that emblem stands out! How about a Christmas gift to COMMANDER AL BARLOW in the form of a new member from every old member? The New York State Sons of the American Legion Committee has urged the Department to make an award to the Squadron with the most outstanding activities report. How about it fellows, do you want our own squadron to win it? Then lend a hand in the way of 1959 dues, membership and ideas for the squadrons. The more the merrier.

Amvets News

By ED WEIR

The first meeting of the Bethpage-Plainville AMVET post was a success with the required number of members present to secure a Charter. Guest speaker, County Commander Frank Hamilton, of the Hicksville Post, was introduced, and a letter from Edwin Fehrenbach, State Assemblyman, was read in which he expressed his best wishes for the success of the Post. It was proposed by Acting Commander Ed Weir, that the Post be known as the Thomas Lally Post of Amvets. Lally had been a comrade of his in the armed forces who was killed in action in 1944 in Belgium. The members were asked to consider this and voice their opinion at the next meeting.

On Sunday, Dec. 7, in commemoration of Pearl Harbor Day, a wreath (purchased through donations of the members) was placed at the base of the flag pole of the Plainville Board of Education Bldg. and a flag loaned by the school district was flown at half mast in honor of the Pearl Harbor dead.

The post extends its thanks and deep appreciation to Messrs. Bretton and Weinstein for their assistance and cooperation in this, the first, of our many planned community services.

Arborist Urges Live Trees

A few years ago somebody came up with a practical suggestion concerning Christmas Trees. The average indoor tree costs about five dollars and is discarded as trash after the holidays are over. However, for a few more dollars a living Christmas tree can be purchased and serve double duty.

The evergreens suitable for living Christmas trees include pine, fir, spruce, juniper, and many others.

Many local arborists are featuring Christmas trade potted evergreens while larger sizes are available as balled and burlapped trees.

Freeman Parr, nationally recognized arborist of 14 Charles St., Hicksville, offers these suggestions for living Christmas trees.

"Place the living tree in a bucket or container large enough to accommodate the burlapped and balled area. Do not remove burlap.

Birchwood to Remain Birchwood

A proposal to change the name of Birchwood Park at Jericho Estates was lost in a referendum of the community, it was disclosed today

by the Birchwood Park at Jericho Civic Assoc.

Of those voting in the poll-by-mail, 49.2 per cent voted for the change to Jericho Estates. A small percentage voted for other miscellaneous names.

However, the rules of the referendum as previously announced by the Civic Assoc. provided that a 51 per cent vote for a new name would be required. Since Jericho Estates failed to achieve that margin, the name will remain Birchwood Park at Jericho.

See the full-scale VILLAGER section in next week's issue of the Mid Island Herald for further news about Birchwood Park at Jericho.

See Free For All In Bowling

BY BILL SAKAL

The battle that is shaping up between the leading Red Sox, second place Orioles and third place Senators could very easily develop into a fire for all in the Holy Family Section of the CWO Bowling League.

As reported last week the Senators look like serious challengers for number 1 spot, and still do. Only 2 1/2 games out of first and 1/2 a game out of second, they are very likely to be No. 2 next week and their present half game out of second could become only a half game out first. The Red Sox although still leading found their lead cut to 2 games which raises the question as to whether they can hold on, or whether the strain will become too great.

It looks like the Athletics are doomed to be in the cellar, for after excellent bowling for the past few weeks, they dropped every game last week at the Woodbury Lanes to the Senators, who incidentally came in with the highest team series of the season of 3180. The Cards seem to be on the toboggan toward the bottom of the heap sliding down three

places last week to No. 7, with the Braves following close behind.

Highs for the evening were: N. McCormack 217, P. Callithart 209, B. Nagel 215, S. Prevezane 207, N. Barry 204, J. Loth 204, E. Klapak 201 and M. Fuchs 201.

Mrs. Auerbach speaks her mind about the telephone

In her letter, Mrs. Auerbach said so much, so well, there's little anyone could add. Except that, considering all it does, the telephone is one of the biggest bargains in your family budget. Its price has gone up far less than most other things you buy.

PURSUANT to a judgment of foreclosure and sale entered on December 4, 1958, I will sell at public auction Nassau County Court House, Old Country Road, Mineola, Nassau County, New York, on the 26th day of January, 1959, at 10 o'clock A.M., the premises therein directed to be sold being a plot of land situated in Hicksville (Unincorporated Area) Town of Oyster Bay, Nassau County, New York, known as lots No. 23 and 24 in Block 12 on "Map No. 1

Tax Fax

Now is the time to think about the tax bill you are going to pay next year because now is the time you can do something about it. You can take action now that will reduce the bill, or, if tax is withheld from your pay checks, increase the refund you will get.

There are no simple questions in taxes.

This feature in the HERALD is intended to help you in a general way to know the questions about your income and deductions and to give information of a general nature so you will be aware of the savings that may be open to you. Each taxpayer has individual circumstances and individual problems.

Perhaps the simplest question you can ask is, "Do I have to file a tax return?"

You do have to file if:

You are under 15 years of age and your income is \$600.00 or more or if you are over 65 years of age and your income is over \$1,200.00.

The above applies to statutory income so before we can completely answer your question, "Do I have to file an income tax return?"

We have to know the source of your income. Many kinds of income are not taxed, such as: Social Security payments; Unemployment Insurance payments; compensation for injuries; some pensions; and many other types of income are not statutory income subject to tax.

That is what some later columns in the HERALD will be about - what income is taxed and what is not taxed.

Assuming you have statutory income of over \$600.00 or \$1,200.00 you are required to file an income tax return regardless of whether you are a man, woman or child.

You are required to file even though you may owe no tax.

Also, if your income was from self-employment and was more than \$400.00 you are required to file income tax return and report and pay your self-employment tax even though you do not owe income tax.

If you worked for wages and had come tax withheld from your pay checks you should file a tax return even though your earnings were less than \$600.00 (or \$1,200.00) and Uncle Sam will refund to you the tax withheld from your wages.

The simplest question in taxes is, "Do I have to file an income tax return?" and you can see from the above that there is no simple answer.

PREDICT BIG YEAR FOR DODGE

MORTON WEINTRAUB (at left) and Larry Blitzer of Nassau Motors Inc., East Bay Shore, Hicksville, today predicted that Dodge dealers in the New York and New Jersey region will make sales totaling \$100 million in 1959. The prediction followed a two-day sales meeting in Rye which marked the appearance of Miss Mystery (center) who is a major participant in the sales target campaign. She will soon be appearing in the local Dodge sales room.

Postmaster Appreciates Help

Expressing his thanks for your cooperation thus far on his annual "Mail Early for Christmas" campaign, Hicksville Postmaster Harry Cotter said today, "While the time to talk about mailing early has passed, you can still avoid disappointing your friends and loved ones on Christmas Day if you'll get your gifts and cards into the mails within the next two days."

He said further that the Christmas mail rush has nearly reached its peak. However, the Post Office faces a real critical situation during the next few days. From now on, late mailers should use air mail for their Christmas cards or gifts going to distant places. There's still time for local deliveries, but all Christmas cards should be sent by

first class mail. Be sure that all your cards are addressed correctly and that they carry return addresses, thus insuring forwarding service or return to you if any of them are undeliverable.

Post office stamp and parcel post

Windows will remain open from 7 a.m. to 7 p.m. today, tomorrow, Monday and Tuesday, Sat., Dec. 20, 7 a.m. to 6 p.m. and Wed., Dec. 24, 8 a.m. to 5 p.m.

With the end of the big rush in

sight, Postmaster Cotter said, "On Christmas Eve, this year, he'd like to see every mail bag empty and every post office employee relaxing at home."

look to 1959!

Next Christmas will be your best ever if you start saving now! You won't miss the little bit you put aside each week... but how it mounts up!
