BEHIND THE SCENES in Hicksville Post Office at the approximate peak of the Christmas rush one evening this week shows Postmaster Harry Cotter (bow tie, left of centre) discussing the progress of the large crew of regular and extra clerks with Ralph Cascardo (pipe) and Walter Czarnieck, foremen of mails. Extra sorting cases, thoughtfully acquired during the summer by the Postmaster, are in use the full length of the building. This view of post office

operations is seldom seen by the local public which mails and receives greetings and parcels in ever growing volumes. All previous existing records are being shattered by the Hicksville office this season. Postmaster Cotter and his staff thank you for your cooperation with the mail early campaign.

Post Office Business Nears Million Dollars This Year

Figures Tell Staggering PO Story

Volume of mail, excluding parcel post, month of December:

OUTGOING	INCOMING
3,589,000 pieces	5,751,000 pieces
Volume of parcel post:	
1958 - - 76,000 pieces	85,000 pieces
1957 - - 28,000 pieces	50,000 pieces
Cancellations recorded: 2,397,000 this year compared with 2,100,000 last year.	

All previous records in the 103-year-old history of Hicksville Post Office are being shattered during the 1958 Christmas season and despite the staggering load of incoming and outgoing mail and parcel post, Hicksville Postmaster Harry Cotter predicted today that regular and extra postal workers will enjoy a well-earned holiday rest with all deliveries made on schedule.

Besides the staggering volume of mail and parcels, topping even the record-breaker, the Post Office in this calendar year will come close to breaking into the million dollar classification from the stand-

point of receipts. Only three or four post offices in Nassau County are in this category.

Total receipts for 1957, according to the Postmaster, were \$656,000. For this calendar year, it is estimated they will reach \$925,000.

Cotter paid high tribute to the public for its excellent cooperation with the post office department's Mail Early Campaign this year.

As a result, the mail was current at all times. The peak day for cancellations was reached here on Thursday, Dec. 18, when the mailing machines ticked off 310,000 pieces. Last year the peak was 290,000. He also noted that 227 extra em-

ployees were utilized this season compared with 265 last year during the Yule season. The reduction was due to the fact that the post office department permitted more overtime for clerks and carriers, regular and extra, and because of the greater efficiency of the extra help due to a preliminary training school

DEAR JEAN....

Little SUSAN BECKER of Reiter Ave., Hicksville, was injured in a school bus accident on Cliff Drive, Friday afternoon..... This year you will receive only one 1959 tab when you renew the registration on your car, but you must retain both 1958 plates on the car next year. The tab goes on the lower right hand corner of the rear 1959 plate.....

ALONG BROADWAY: We noticed and liked the mechanical Santa in front of Savel and STARLIGHT SHOP..... But what about those posters in the window of stores at our "most important corner" still advertising Festival Days of last October?.... Why can't we have traffic halt at every corner on Bway and the traffic signal is red? Folks on side streets don't stand a chance....

Occupation of the new Syosset Firehouse on South Oyster Bay Rd., Locust Grove, has been delayed two months now due to difficulties on the plumbing and heating.... Trinity Lutheran Church of W. Nicholas St., Hicksville, is about ready to enlarge its school, building out closer to the street line.... Knights of Columbus is sponsoring billboards at 46 LI locations this year reminding folks to "Keep Christ in Christmas". None in Hicksville this year, however.... Hicksville School Board meets tomorrow (Fri) night at 8:15 in High School Faculty Cafeteria.... We notice a movement in Levittown to rename their Division Ave. High School, some claiming it conflicts with the High School on Division Ave. in Hicksville. For the record, our building is HICKSVILLE HIGH SCHOOL although we see too many press releases about the structure leading to the confusion with the Levittown bldg.... Bids will be received by the County Supervisors on Jan. 20 for four buildings to be erected on the site of the Firemen's Training Centre, Old Bethpage.... Hostess faculty and staff instead of mailing individual greeting cards to each other sign a "Hostess Family Christmas Card" sent to all college personnel. Voluntary contributions (\$764 this year) are then given to the Yuletide Greetings Scholarship Committee.... The Hostess Bureau of Business Research reports that the Nassau Suffolk General Business Index climbed to new heights in October.... Majority of LI business and industrial firms will be open on Friday, Dec. 26, according to the National Office Management Assoc....

We got good news this week - our gal MARY is home from JAPAN and the Far East. Sgt. and Mrs. HERBERT KNAACK and family arrived here earlier this week at the home of Mrs. Knaack's parents, Mr. and Mrs. John Haughey of Third St., Hicksville. Mrs. K. is the former MARY HAUGHEY and is well known as the former "Girl Friday of the Herald". We almost got involved in a robbery last week. We were in Big Bear's on W. Marie St., just going in the door when a young fellow with a large carton under his arm, pushed past us, almost knocking us over. All of a sudden, counter bells began to ring and Murray, the manager, and several of his clerks gave chase. The thief got away with a case of cigarettes. Too bad we didn't know when he pushed past us - we could have tripped him....

Busy Week For Fire Ambulance

Six fire alarms and 3 ambulance calls were answered by the Hicksville Fire Dept. during the period of Dec. 16 thru Dec. 22.

The plastic drainboard on the kitchen sink in the home of Mrs. Mabel Teubner, 179 Lee Ave., caught fire on Dec. 16, and was extinguished by the vamps. Later in the day there was a silent alarm from Gertz Dept. store in Mid Island Plaza, and investigation revealed a faulty sprinkler in the men's washroom on the 3rd floor.

A false alarm from Arcadia and Atlas Las. called out the firemen on Dec. 17.

The first ambulance call during the period occurred on Dec. 18, when they took Sam Miller, 73, to North Shore Hospital, Manhasset.

On Saturday, Dec. 20, they received two ambulance calls - the first for Anthony Manzollito, 76, of 66 Notre Dame Ave., former chief of the Hicksville Fire Dept., and a member of the dept for 44 years. He died enroute to Meadowbrook Hospital in East Meadow.

The same day the ambulance transported Mrs. Lois Bruckheimer, 25, of 138 Pollock Pl. to Freeport Hospital.

A small chimney and fireplace fire in the Schiller residence on Walter Ave. was put out by the vamps on Dec. 21.

Bethpage Fire Dept. called for a pumper engine from Hicksville on Monday, Dec. 22, to help them fight an extremely bad fire in the S & R Electronics Bldg. on Central and Stewart Aves., Bethpage. The same day they were called to 15 Froese St. to investigate an unidentified fire, but were sent back by the Chief, who had put out a smoldering fire behind the kitchen stove.

Bank to Open Jericho Branch

Meadow Brook National Bank will open an office in the new Birchwood Park Shopping Center on Hicksville-Jericho Rd., Jericho, about April 1, it was disclosed this week by Walter E. Van der Waag, Bank president. "Depending upon the needs of the community", it was noted, "it is possible that more immediate service will be made available thru the use of the bank's trailer, an innovation in banking introduced by Meadow Brook in 1956."

New offices are also planned at Great Neck and Albertson, bringing the total to 34.

SIXTH BIRTHDAY of Old Country Rd P-TA of Hicksville was celebrated at the annual Christmas party, Dec 17, at the School. Here are some of the members and guests gathered about the Christmas tree set up in the school lobby as Kenneth deJongh (left), president of Hicksville Lions Club, and Murray W. Duncan, school principal, put the final touches on the tree lighting. During the evening Principal Duncan and Mrs

Ed Arundel, P-TA president, cut the beautiful birthday cake. Delicious refreshments were served by Mrs. H Fuchs and her committee. Attractive table decorations were prepared by Mrs. R. Szabados and Mrs. R. Basini. The guests danced to the gay music of six Hicksville High boys who call themselves "The Tempos".

Board Reverses Itself Again, Library to Show Chaplain Films

Once again the Trustees of the Hicksville Public Library have reversed two earlier decisions on the proposed showing of old Charlie Chaplin films. At their meeting held Wednesday evening, Dec. 17, the Board voted to rescind their November action cancelling the showing. They voted further to accept the offered the use of some Charlie Chaplin films, the titles as yet undisclosed.

John Hansen made the motion to rescind the earlier cancellation of the films. It was passed 4 to 1 with Leon Galloway voting "no." The same vote resulted when it was proposed to accept the offer of Dr. Martin Zwierling of Bayshore a collector, to lend his films for the showing.

The films formerly were to be rented from Brandon Films Inc. of N.Y.C.. Mr. Galloway, read a letter from Mrs. Olga Szendy and an article from the American Legion publication, the Firing Line, that identified Brandon Films the distributor of pro-Soviet-Iron Curtain films in this country.

The Chaplin films will be shown in the Auditorium of the Library on Monday evening, Jan 26.

NEW ORGANIZATION

By-Laws and a constitution of a new organization to be known as the

Hicksville Free Public Library Assoc. were submitted, and the Board voted to allow them the use of the Public Library for meetings. Temporary officers listed were Janette Cooper, Chairman; Irene Murphy, First V.P.; Ruth Hill Second V.P.; Genevieve Schenk, Treasurer, and Phyllis Newburger, Secretary.

CHARLES WAGNER, Post 421, Hicksville N.Y.

By ARTIE RUTZ

The clubhouse is covered with wintry snow. The streets are slippery, the going slow. The town is decorated with Christmas lights. The shoppers crowd stores both days and nights. The warmth of the friendly season has taken hold.

Of all in Hicksville, young and old, Now don't you feel it, don't you ken? It's time for Santa's visit again! That old red suited, white bewhiskered Santa Claus man, Who visits all each year in our bright land; A few lines more as its getting late. As Christmas nears in Hicksville in 1958, To our far flung members and those living near, To all a Merry Christmas and lots of holiday cheer.

Again I wish to bring your attention to the New Year's eve party at the clubhouse which will be an informal affair and well suited to everyone's pocket....Don't miss it, it's the last affair of 1958....THAT was some Christmas Party the kids had last Sunday afternoon at the clubhouse.... The Place was PACKED....Must've been a fair cry from the first one.... The walls must be made of rubber or how else could so many people get into so small a place?....Yet one couldn't hear a sound outside the building....Noticed RUDY BOUSE admiring the size of the crowd; he's on the Building Committee, y'know....And he was laughing at me rubbing my hands....I was mentally counting the little girls who were eligible for JUNIOR AUXILIARY membership now that the program will open up once more.... PETE SEITZ deserves a nice THANK YOU for the swell little box he made for the applications which now rests on the bulletin board wall....Just in time too.... Seems the applications are going out like crazy....All of the sudden every veteran in Hicksville is interested in joining us....WELCOME. The drawing was also held later that afternoon and CARMEN DIMARZO of 29 Mayflower Drive won the portable TV set....The basket of groceries went to A. VALERIOTI of 9 Pasture Lane, Massapequa and the turkey was won by Mrs. M. Sutton of 134 Chester Ave., Brooklyn. Our next meeting is on Monday, Jan 5th, 1959 at 8:30. A Merry, Merry Christmas to all.

DAMAGE ESTIMATED at a quarter of a million dollars resulted from a fire which totally destroyed the frame structure of S & R Electronics Inc., at the corner of Central Ave. and Stewart Ave., Bethpage, Monday morning. The alarm was given at 9 AM and 150 volunteer firemen under Bethpage Chief Edward Cava fought the blaze for almost four hours with the outdoor temperature a cold 13 degrees. Firemen and apparatus from Levittown, Hicksville, Plainview and Farming-

dale assisted Bethpage. East Meadow also offered assistance if needed. In the picture at the right is the Hicksville Fire Dept. leaping from their truck at the scene. Valuable electronic and hi-fi equipment was consumed in the fire. Town Highway Dept. cooperated spreading sand around the scene when discharge water from fire lines froze thick. (Herald photos by Frank Mallett).

HERALD READER OPINION

To the Editor:

With illiberalism that can be said to be almost universally characteristic of liberalists, the Hicksville Library Board last Wednesday made room for "Charlie" (Chaplin) but could find no room for the meetings of decent American citizens of Hicksville, the Friends of the Hicksville Library, who had criticized the Board for spending money illegally, showing films instead of buying much-needed books, and promoting a communist (Picasso) and a communist-sympathizer (Chaplin).

In Contempt of those numerous Hicksvillites to whom communism is anathema. Almost in the same breath the Board gave approval to a newly-formed organization, the Hicksville Public Library Association, with temporary officers from the roster of the Hicksville Organization for the Public Schools (HOPE) who had advocated the showing of the Chaplin

films. Approval was given although the application did not bear the address of the applicants, nor was it accompanied by the loyalty oath required by the rules of the Board. It was obvious from the manner in which the "Purpose" of the organization had been borrowed from the Friends that the new organization, with probable Board blessing, was intended to supplant the Friends. The Friends were denied use of the auditorium for their meetings in disregard of the premissive provisions of law, the published rules of the Board, and the opinion, rather haltingly given in seeming fear of disagreement with the Board, of the Board attorney. The Board ruled that the Friends could use the Library auditorium under Rule 2: "A sectarian or political group may use the library meeting room for meetings open to the public if the program presented is of an

We've had our Barn Dance and wish to say that it was a very pleasant evening with lots of laughs. The turnout wasn't nearly as good as we expected, but that didn't stop us from having a great time. So the actual loss went to those who didn't come. Expecting to find a Barn Dance, when we arrived a caller was going strong calling a square Dance. So it turned out to be lots of fun and laughs. Didn't you know you could have two left feet with such ease. Incidentally, Artie Fuelling won the basket of cheer.

We are having to announce the addition of two members to our post, Arthur V. Lyons was transferred to us, and three new members, John A. Byrnes, Vincent Fortunato and Solomon Natarus. Incidentally, Sol won the drawing at the last meeting. We are proud to have you as one of us. Try to get active on the committees fellas, because we can always use the help. Concerning the party for the needy children. It will not come off as we planned. We had hoped to have the party at our headquarters, but instead we will have to go to them. Jim Rock did his best to get them so we could all see the goings on. There will be 16 boys and girls in all. So you can see that the thought was there. I believe this is the first time we've tried something like this and it should be a good experience for the committee, of which Jim Rock and Bob Obermeyer will do the handling.

A Merry Christmas and a Happy New Year to all.

Income Tax Fax

Here is a check list of some of the things that you should consider doing or taking action about now, before the first of the year if you want to get the most benefit from the rules of the tax service.

Watch for future columns in The Herald. They will cover these and other items more fully.

Bad Debts: Be sure you can prove they are bad this year and claim the deduction.

Capital Losses: If you have stock market losses, sell this year to take the loss. Warning - do not repurchase the same or similar stock until at least 31 days after the sale.

Contributions: Pay them to secure the deduction this year. Pledges are not deductible. They must be paid. You can take up to 30% in some circumstances.

Dependents: Be sure you can claim them. If you are not providing over

one-half the cost of support, see if you can make an agreement with the others who are helping with the support.

Alimony: Separation payments may be deducted by the husband and included by the wife. You may want to catch up on these payments this year.

If your spouse died in 1956 or 1957, chances are you filed a joint return with her for that year. You can compute your tax as though you were filing a joint return for 1958 if you have not remarried and if you have a dependent child or step-child. You may want to recheck your dependency credits on this.

Sales of your business equipment and business buildings: If you have a loss from such a sale you can carry the loss back for two years and forward for five years, or until it is offset by earnings. If you have a loss that you must take, go ahead and sell this year. You can take the loss again 1956 and 1957 income, and if that doesn't cover it all, you can carry it forward to 1959, 1960, 1961, 1962, and 1963.

Depreciation: You can depreciate new equipment, original in use with you, under several new systems which can produce a depreciation rate twice as fast as the old straight line method.

Capital Gains and Losses: Consider offsetting short-term gains with long-term losses, etc.

Medical Expenses: Pay them all this year to get the deduction.

ART EXHIBIT AND SALE TREMENDOUS SUCCESS

ALMOST 200 PAINTINGS and sculpture were seen by an enthusiastic public during the Jericho Art Exhibit at the old Jericho firehouse. In the center above is Beatrice Ross, winner of first award in oil paintings. Faye Stelzer was second and Minna Karen, third with honorable mentions to Minna Karen, Judy Singer, Faye Stelzer, Lila Shapiro and C. Wienk. First

award in water color went to Sam Stetson with Algot Stenbury, second and Faye Stelzer, third. Above, at the left, are members of the Art League responsible for arranging the exhibit. A view of the exhibit is seen at the right. (All photos for the VILLAGE by Allen C. Lyon).

Robbins Lane P-TA Gets Jan. 31 Vote Data

Over two hundred members attended the Dec 10th meeting of the Robbins Lane P.T.A. The Club, directed by Robert Greenberg, delighted the audience with their rendition of a group of Christmas rounds—God Bless All, Christmas is Coming and the Bells. The Twelve Days of Christmas was sung to the accompaniment of an Auto-Harp played by Wayne Parson. The final Christmas carol, Silent Night, was accompanied by Mrs. Leng at the piano. The solo was sung by Carol Greenberg. Everyone joined in singing Deck the Halls, The First Noel and Silent Night.

The guest speaker, Dr. Donald K. Phillips, Superintendent of Schools, took the opportunity to discuss the coming vote, Jan. 31, 1959, on the proposed new Junior High School site. Dr. Phillips pointed out that the present school houses only 1,250 and will provide inadequate facilities for future pupils. To relieve this situation and to prevent overcrowding in the elementary schools, a second Junior High site for 1,500 is proposed on a 25-acre site in the area south of Jericho Turnpike and west of the new East-West Long Island

Expressway. It is estimated that 50% of its pupils will be walkers thus saving a large sum on bus transportation. This is the last available site in the area. It will cost \$16,000 an acre or 21/4¢ per \$100 of assessed valuation for the first year. State funds, under Chapter 3603-C of the Education Law, will pay for the land and the buildings in succeeding years.

Because of a tapering off of new elementary school children, and a proposed new parochial school, only one eight room school is to be built. To avoid double session some 6th graders will be sent with the 7th and 8th grades to the Junior High next year. By the third year all 6th graders and some 5th will be attending both Junior High Schools.

The eight room school is to be built on the Birchwood site in 1960. Eligible Birchwood children will then be transferred to this school from Robbins Lane. Methods of paying additional Condemnation costs on this site and the Barry Hill site will also be voted on January 31st.

EDITORIAL NOTE: Some of the information contained in the above has been covered by the report of our Civ.Assn.Ed.Committee. (Allen Kaplan) elsewhere in this issue.

Because this Robbins Lane PTA report throws additional light on the matter of Syosset School construction we are printing both articles in full.)

Children's Art Class

by MARILYN KAPLAN

Our children's art class meets every Saturday at 10:30 A.M. under the leadership of Marilyn Kaplan. In the few short weeks that we have been meeting, great strides have been made by all concerned. Our main objective here is not to create artists among the group, but to stimulate the appreciation of art by experimenting with different materials and subject matter. We are also interested in enjoying ourselves, which is exactly what we have been doing.

Eagerly, we have been experimenting with crayon and pastel chalk; we have drawn from still life and have studied the human figure while drawing from a posed model. Besides drawing from life, we have turned to the use of music to stimulate our imagination.

Sr. Citizens Of Birchwood

It has been a long time since we reported to you on the progress and activities of the Sr. Citizens of Birchwood Civic Association.

The group is enjoying their attentions at the Old Firehouse every week very glad to welcome any new members of our community.

A few weeks ago Mrs. Dorothy Saunders, of the Saunders Dance Studio, gave the group a Cha-Cha lesson. It was real dandy.

On Dec. 9 the group had another one of their homemade luncheons. The ladies and gentlemen all participated and brought goodies from home. This included, believe it or not, potato pancakes made by Mrs. Ruth Greenberg, daughter of our member, Philip Taylor.

We are presently planning an afternoon out which will include a luncheon snack and the movies.

If you are a lonesome senior looking for some activity, or perhaps just willing to exchange a few words with a neighbor, join us any Tuesday from one to four at the Old Firehouse in Broadway and Jericho Tpke. If there is anyone in the Community who would be interested in promoting for "seniors", please contact me. Next meeting will be held on Jan. 5th.

AN EDITORIAL

Each Family Has a Stake

Birchwoods many religious, service and social organizations have a tremendous stake in the coming election of Officers and Board members of our Civic Assoc. While one year ago, we stressed that each family has a great stake in these elections, we now ask for the cooperation of our many local organizations. We must face reality. Just about every resident is a member of one or more of these groups, dedicated as they are to many worthwhile endeavors and all without any doubt important to a better life for all of us here in this community.

Our Civic Assoc. deserves the full support of these groups and of course all of the members belonging to them. The Civics are the one organization dedicated solely to the health, welfare and protection as well as the civic betterment of all of our residents. It has in the past and shall continue in the future to cooperate with every local organization. It can and will see to it that worthwhile fund raising affairs have a better chance to become successful in our Village.

The 25 men and women who shall be elected to Civic Assoc. Leadership in early February will help shape the future of the Village of Birchwood Park at Jericho. Petitions for nomination of candidates are available now from the VILLAGER and yours for the asking. We urge our readers to seek out and to endorse as many candidates as possible, who they feel have the ability and the desire to serve as officers and members of the Board of Directors. There are but two weeks left to file such nominating petitions with our Civic Association's Secretary.

This is a murender, not a plea. Contrary to past years, we are fortunate in having many civic minded individuals who consider it both a civic duty and a great honor to be so nominated. To run for office and to be selected by ballot as one of Birchwood at Jericho's Civic Leaders in our 1300 member organization is something to be proud of. In addition, the enjoyment, the friendships and the experiences which will be gained are a great reward for such public service. We have seen three Civic Assoc. Administrations at work and each successive year has seen our Civic Assoc. reach greater heights of accomplishment. There is no limit to what we, as a united Community can accomplish in the years to come.

Board Activates Advisory Group, Considers Pro Survey of District

By Dr. George M. Weston
Birchwood Civic Assoc. Education Comm.

The Jericho School Board, at its regular December meeting which the full Board attended, took action along two lines towards solving its problem of school construction.

The first of these was the appointment of the "South Parkway Citizen's Advisory Committee" to work on plans for a new school South of Northern Parkway.

The other was the consideration of hiring a professional firm to make a population survey of the District to advise and aid the Board in planning its building program. Although a definite motion to hire a firm was not passed, the majority of Board members stated in open discussion that they would favor such a move. Dr. Kenneth Lant, District Principal, also stated that he would feel safer requesting such a service.

The South Parkway Citizen's Advisory Committee will be composed of interested District residents who had been nominated by various school and civic groups. The names were not made public but notices will be mailed inviting those selected to attend the first meeting set for Jan. 8. At that time the Committee will meet with the Board for briefing on the problems it faces.

The move to hire a professional survey firm was triggered by Trustee Sam Hecht who stated that much confusion had arisen over the current and projected population figures with which the Board had been working. He stated that, as a result, a large number of residents had developed doubts concerning the projected construction program.

Trustee Irving Brand, supporting Mr. Hecht, stated that the Board would be jeopardizing its position if it presented a program to the community without checking its figures first.

Board Chairman Martin Penn also agreed that an overall survey of the District would be valuable at this time.

At a previous Board meeting Mr. Penn had stated that one reason for the discrepancy between the figures released last year and those used by

the Board at present, was a lack of knowledge of the precise number of children per house. The Board had arbitrarily set the figure at one child per house since, at the time the data was prepared, a house to house survey had not been made. The census taken during this past summer had revealed, however, that the figure actually was 1.3 children per house or one-third more children for whom facilities had to be provided.

Dr. Lant, who had supervised the compilation of the figures, stated that he would like to have them checked by an outside expert. Admitting that he was not a statistical expert, he said that he would feel safer when asking for the increased funds necessitated by the expansion if he was sure of the figures. He estimated that, according to present calculations, increased enrollment would force a fifty per cent increase in the District's operating budget, a rise of a half million dollars.

Trustee William Mayhew was the only member to speak out against the use of a professional statistical firm. He said he thought that the Board's figures were within an allowable margin of error and that experts would not give the Board information of any value.

Although the matter was not formally decided, Mr. Penn announced an informal Board meeting on the subject to be held Sunday, Dec. 21, at which time a representative of a firm would be present.

Also considered at the meeting was a request from the Education Committee of the Birchwood Civic Assoc. for a continuation of the series of educational information meetings which had been discontinued by the Board. The Committee had requested that a date be set for continuation of the meetings early in 1959. The matter was tabled until the next meeting.

It was also revealed that the State Commissioner of Education had ordered the Board to furnish transportation to children attending St.

Our Name's The Same

by Gilbert B. Stein

The Village of Birchwood Park at Jericho proved to be the final winner in our local "Change the Name" Derby. The result of our Dec 11 referendum had been anxiously looked forward to by residents of the community and it seems all of Long Island. Wide newspaper coverage seemed to transcend the boundaries of our own village.

A total of 941 ballots had been mailed to homeowners. There were 224 valid replies, postmarked no later than midnight, Dec. 13, 1958 received. Of these 108 favored Jericho Estates, 14 suggested other names, while 102 replies voted not to change our name. Since 51% of all votes cast were need to assure us of a change of name to the most popular suggested name of Jericho Estates, however only 48.2% of those voting did cast their vote for this new name, the proposal to change our name has been defeated.

Shopping Centre Moves Ahead

by IRVING HERSKOWITZ

The first section of the new shopping center being erected on Broadway in Jericho has been making rapid and visible progress these past few weeks. The rate of building construction at this time of the year is dependent upon the weather and with a reasonable amount of good weather, the builders anticipate having the entire first section of the shopping center fully enclosed and prepared for interior occupancy by late March or early April, according to Mr. Sosnow of the Birchwood building firm.

The Meadowbrook National Bank, a major tenant, will offer drive-in banking service to their customers. Mr. Sosnow disclosed that the location of the drive-in area would be on what is now called Market St. This area will be conveniently accessible to all residents of the Village of Birchwood Park.

CHILDREN'S ART CLASS

(cont. fr. Villager Front Pg.) From working with colored construction paper, we have created basic abstract designs, and now we are learning how to paint. This has proved especially exciting since it is the first endeavor for many in the group.

What we are mainly learning is how to express ourselves and our feelings about life. We are learning to use our eyes to see the life around us and to put it down on paper. A child's art may not tell us anything about the adult viewer, but he should not be too critical. To the very young it means the fulfillment of an idea, regardless of the finished product. It is the Art itself, but the EXPERIENCE OF CREATING that is most important to the child.

HEAR AND THERE

By Florence Berger

A few days ago one of our children in Birchwood turned in a Fire Alarm. We'd like to have parents please instruct your children that its our tax money they're wasting and the time and patience of our Volunteer Firemen. Let us not cry Wolf too often, or when we need them they won't be there.

Seymour Baron of Hedgerow Lane was rushed to hospital with virus pneumonia. Seymour, get well and come home, Florence and the baby miss you.

Speedy recovery to Elliot Wilson of Hedgerow Lane.

To Herb Tytel of Fountain Lane hope your slipped disc stopped slipping and you are up and around.

Ronnie Gerber of 244 Forest Drive, daughter of Mr. and Mrs. Arthur Gerber, celebrated her sweet sixteen on Saturday night. Forty boys and girls shared her happiness that evening. All the best to you Ronnie.

The Catholic Daughters of America, Court Sacred Heart No. 370, held its annual Christmas party and entertainment on Dec. 16 at St. Dominic's Auditorium in Oyster Bay. A basket of cheer which Donald Quinn prepared was won by Margaret Selme.

The Solemn Pontifical Midnight Mass in St. Agnes Cathedral will be celebrated by the Most Reverend Walter P. Kellenberg, Bishop of Rockville Centre. The Mass will be narrated over local stations in Freeport and Babylon by the Rev. Francis T. Dobson. The sermon will be preached by the Rev. James F. Coffey, Rector of St. Pius X Minor Seminary in Hempstead.

Geraldine Rappa, daughter of Mr. and Mrs. Vincent Rappa of 59 Hedgerow Lane, attended the Eastern Military Academy Dance and dinner held at the Huntington Crescent Yacht on Dec. 13.

There will be an Italian Dinner and Card Party on Monday, Dec. 29 at 7:30 p.m. at the home of Muriel Cossove, 227 Birchwood Pk. Drive, Jericho. Donation is \$1.50 and proceeds are to go to the National Cystic Fibrosis Research Foundation Auxiliary. Please call Mrs. Beverly Gerber OV 1-0644 for tickets.

Sincere condolences to Mildred Kahn of Forsythia Lane on the loss of her father.

To the following Bar Mitzvah Boys: Best wishes: Perry Grapel of Middle Lane, son of Anne and Irving; Harold Scheintraub of 52 Middle Lane, parents, Pauline and Abe.

Sam Berliner was elected Master

of Brotherhood for his Menomic Lodge #142-PIAM Elmore Chapter, 43 Middle Lane, 1-4 PM.

We always read of juvenile delinquency but what of the good things teen age fellows do? The boys on the football team for Robert Samman are taken back and forth by bus. They happened to overhear that the bus driver wanted a bike for his boy for Christmas but couldn't afford it. P.S. The guys collected \$11.00 and gave it to the driver for his child. Who said boys are not thoughtful?

Do you have your tickets for the First Annual Beaux Arts Ball? 150 tickets are being sold and going fast! Your Birchwood at Jericho Art League is going all out to see the stage for the grandest social event of the season. This year's theme is "Lunatics and Lovers" from the world of music, art, literature and theatre. Lots of prizes for those who come in costumes-but this is optional. The date is Jan. 24 at Levittown Reform Temple. Name band for dancing plus entertainment and midnight supper, all for \$10.00 per couple. For tickets call Blanche Karpell OV 1-4505.

Get well wishes to Mimi and Lou Forman of Jericho recuperating from accident on Broadway. Sam to Hilda Bloom of Hedgerow Lane in auto accident.

The next meeting of Jericho Cerebral Palsy will be held at the home of Mrs. I. Rifkin on Jan. 7. Mrs. Rifkin in the tradition of the Marines "Came to the rescue" and assumed responsibilities of Pres. of the Auxiliary. We all wish her good luck in her new position and are looking forward to social affairs run by the Aux. which benefit the Cerebral Palsy of Nassau County.

Happy anniversaries to the following: The Kranzes of Birchwood Pk. Dr., Sam Hecht of Malden Lane, Al Ross of Briar Lane, Westons of Favorite Lane, Shostack's of Favorite Lane, Levinsons of Forsythia Lane.

Birthday wishes to the following: Millie Shepard of Maytime Ct., Manny Roseman of Maytime Dr., Richard Ross of Hazelwood Dr. (Bar Mitzvah), Robert and Stefan Ross of Briar Lane.

Vacationing in Florida are the following Birchwoodites: Mr. and Mrs. Nathanson of Bounty Lane (Flo Nathanson looks mighty fine in red hair), and Mr. and Mrs. Max Plushner of Bounty Lane.

Just come back from attending the Bar Mitzvah Reception given for Barry Jacobs, son of Mr. and Mrs.

(cont. fr. Village Front Pg.) Patrick's parochial school in Glen Cove. A proposition providing funds for this had been defeated at the Annual Meeting of the District. However, in response to an appeal, the Commissioner had ordered this transportation furnished on an equal basis with others.

The Board approved the purchase to an additional station wagon to help ease transportation problems.

Changing Local Scene

by Judy Roseman

Jericho has come a long way since the pre-Birchwood days. Many important changes have taken place, such as the new firehouse with its fine lighting, the new firehouse, and the new post office.

Like the remaining pieces in a jigsaw puzzle two new communities are also taking their places.

Northeast of Birchwood, on Jericho Tpke., builders David and Alex Levine are putting up a community of 120 homes called Jericho Park. There are three basic models, but according to Alex Levine each home will have some variation in styling. The prices range between \$22,800, and \$24,500, with first occupancy in March. Mr. Levine also mentioned that all worthwhile trees will not be disturbed, including those which border on some Birchwood properties.

On the west side of Broadway, Sosnow and Schwartz, builders of Birchwood are putting up approximately eleven hundred homes. Mr. Sosnow stated that 300 homes are now underway with an anticipated occupancy by Spring 1959. There are a total of six models with prices ranging from \$22,500 to \$25,500.

Children's Party

The Youth Committee of the Jericho Civic Assoc. has completed arrangements for a party to be held Saturday Jan. 3 at 1:30 PM for the children of all members of the Civic Association. There will be no charge and the affair is scheduled to entertain kids between the ages of 5 and 10 years of age. It will be held at the Auditorium of the Jackson School. The program includes movies, a performance by a magician and gifts will be given to the children.

Tobay, A Cooperative Nursery

We often hear the question, "What is a cooperative nursery school? How does it differ from other schools?" In a recent article in Parents Magazine, Ruth K. Fortnash answers in this way.

"Cooperative nursery schools are springing up all over the country. They differ from other nursery schools in that they are usually organized and run by a group of parents. In a true cooperative, mothers actually work with the children, giving one or more days a month as part of their child's tuition fee. Under the guidance of a trained teacher they steer the children through changes in activity, learn to use teaching techniques in helping children through periods of anger, fear or aggression and learn to look at themselves and evaluate their own ways with children. Work with the group is usually supplemented by regular evening discussion groups where questions and problems can be aired. One of the major reasons the cooperative school has grown so fast is that so many mothers feel the need for this kind of sharing of experience."

Tobay Day School is a non-profit cooperative nursery school located on Martontown Road in Syosset and drawing its membership from the surrounding commu-

nities. There are many advantages to this type of nursery school. The financial advantage usually comes to mind first: tuition is lower since the school is administered by the parents through a Board of Directors and committees.

However, more important to most parents, are the high teaching standards and high level of supervision as evidenced by the fact that each group of fifteen children is taught by a licensed, professional teacher who is assisted by a parent. This year, in keeping with the school's policy of individual attention for each child, an assistant teacher has been hired to increase the supervision in both the "three year old" and "four year old" groups. Parents learn much from the professional staff when they actually participate in the school program (once every three weeks) and when they actually attend Parent Education meetings. Both mother and child enjoy and profit by this sharing of the child's first school experience. Last but not least value, are the friendships made at the school's adult social affairs and through working with other parents on committees. Parents wishing further information may call Mrs. Anita Goldstein at Wilmot 1-2342.

Youth Group Awards T Shirts

The Youth Committee will present a gift of a T shirt to the children registered in the youth group provided his or her parent is a member of our Civic Assoc. The T shirts will be presented in January. The shirts will bear lettering, Birchwood Civic Assoc at Jericho.

The delay in ordering the T shirts is due to the fact that many of the parents have not notified us as to the size of the child. In the event any parent member has not as yet mailed in the size (small, medium, large) he should do so at once by writing to Youth Committee Chairman, Ralph Diamond, 22 Fountain Lane, Jericho.

Civic Board Meets Problems

as reported by Horace Berman
recording Secretary

The highlights of the Dec. 16th Birchwood at Jericho Civic Assn. Board of Directors meeting proved to be the visit by Town Councilman Henry McInnis, and Peter S. Hussey, Director of Parks and Recreation Town of Oyster Bay. Both gentlemen were questioned about the possibility of including the Syosset Section of Birchwood into the Jericho Park District. This was done especially in view of the fact that this Section of Birchwood does not have within easy reach a park facility which would have to be maintained by the Syosset Park District. The tax rate of .208 per \$100 assessed valuation in the Jericho Park District was discussed and assurances were given by Director Hussey that plans for early spring planting of bushes, trees and flowers at the Maytime Drive Park were being drawn up now.

Should Jericho residents desire to have benches placed at that location, Mr. Hussey advised us that such a request would be taken care of within several months after it is made. Future plans include a combination Roller and Ice skating rink at the Merry Lane Park site where but recently various playground equipment had been installed. By spring baseball diamonds will also be installed there for use of Birchwood ball players of all ages.

The Birchwood players reported a \$250.77 profit from their successful production of THE HAPPY TIME.

Youth Committee reported an active membership of 264 participating in three nightly sessions at the George Jackson School.

Al Ross, reporting for the Art League, informed the Board of the artistic success of the Art Exhibit at the old Firehouse and made public plans by the Art League to hold a Beaux Art Ball on Jan. 24 at the Levittown Reform Temple. Upon request, the Board voted an additional loan of \$100.00 to help finance Art League activities. Herbert Shapiro was appointed to act as liaison between the League and the Civic Assoc. Board of Directors.

A committee concerned with seeing to it that P Section Homes will be properly completed shall meet with the Builders during Christmas week. With the help of the Block Captains, questionnaires have been completed in the Syosset Section listing major complaints by each Civic Assoc Member Homeowner. The Committee consisting of Messrs J. Abrams, H. Shapiro, Ralph Diamond, H. Bernstein, Larry Gibbs, G. Frankel and N. Cohen has been

Syosset Section to Get School

by ALLEN J. KAPLAN

The Syosset Section of Birchwood is coming into their own. It appears that an eight room school will be erected on the site now owned by the School District in the Syosset Section of Birchwood.

The School Board has reevaluated the space requirements for the School District. A new Junior High School is proposed which will have facilities for 1,500 students. This Junior High School will be fully occupied by students by 1966. However, by building it now, it will avoid scattered elementary additions to existing schools since there will be a twenty-seven room shortage in the elementary level by 1960. By building it now, it therefore will be built in time to take care of the elementary room shortage together with the eight proposed building in Birchwood.

The second Junior High School will be used to accommodate upper elementary children who will overcrowd certain elementary schools in the next four years. Thus, it will be possible to re-assess elementary school needs in the light of "leveling off."

The acquisition of the new Junior High School site at this time will cost district taxpayers approximately 2 1/4 cents per hundred for one year only. The next year, and in succeeding years, the cost of land and buildings will be absorbed by State funds under Chapter 3603-C of the Education Law.

Analysis of the double session and single session costs shows that

it is basically the number of pupils to be educated that determines current operating cost. This holds true whether pupils are on double sessions in one building, or on single sessions in two buildings, there being only a relatively slight additional cost to the operation of an additional plant.

The educational losses and hardships to children and parents resulting from double sessions do not need repetition.

Saturday, Jan. 31, has been set for a special school vote on the proposed new Junior High School site. In addition, a vote will be held on the method of paying the additional condemnation costs awarded by the Court in connection with the acquisition of the Berry Hill School site and the Birchwood site. Two alternative methods are available. One is to include the entire amount in the 1959-1960 budget or second method is to spread these payments over a 30 year bond issue. The former will mean an immediate one year substantial increase in the tax rate and the latter will mean a smaller increase over the 30 year period.

The Board also postponed the election of a new member which was set for January to replace Robert C. Mal until the regular May meeting.

READER OPINION

To the Editor-

Frequently, people in the community are quick to criticize but slow to voice their approval of action taken by their school board. We know this to be a human failing having been guilty in the past of such an attitude ourselves. As the parents of a fairly young and extremely active child, the snow brought with it a problem. Children in their anxiety to take advantage of the snow, sometimes refuse to recognize a danger to themselves. We were very grateful to see that the school yard had been left open to the children of this area, thus eliminating the need for any sledding in the streets. We are sure that many of our neighbors are equally thankful for the intelligent step taken by the school board to eliminate a troublesome situation.

LILLIAN AND LARRY SINGER

assured of the builders' cooperation. Beverly Gellman advised the Board that David Welsh, Town Receiver of Taxes, is willing to address the Board at one of its next meetings on the matter of Town Taxes and Assessments. The Board so voted.

After receiving a report on the Garbage situation by Dr. Lawrence, the Board instructed the Secretary to invite to a Special Board Meeting Louis Kappatator, Commissioner of Sanitation Town of Oyster Bay, to answer the many questions this Board has pertaining to the local Garbage collection tax rate, pick up service of both garbage and refuse and sundry matters.

Both the Syosset and Jericho Education Committee reports and the official result of the Change of Name referendum are being reported elsewhere in this issue of the Villager.

Fraternity Presents Gold Medal to Miss Vellegas

The Our Lady of Guadalupe Gold Medal presented annually by Pi Alpha Sigma Fraternity of St. John's University to the person who has done the most in fostering a better understanding of Latin American history and culture, has been awarded to Miss Vera Vellegas, Coordinator of the Spanish Language for Hicksville Public School System. The announcement was made by Daniel J. Stigliano, president of the Fraternity.

Miss Vellegas is currently seen on television in association with the Metropolitan Educational Television Assoc. and the Hicksville Public School System offering a daily morning course in Spanish. She is also teaching at the Lee Ave. Elementary School in Hicksville.

Born in Europe, she received a BA and MA at Hunter College and her PhD at New York University. She has been cited many times for her work on Language Methodology and recently served as a panelist at the St. John's University Teachers Congress.

FIRST TO SIXTH graders learn Spanish while they listen to Vera Vellegas of Hicksville Schools in the current series of televised programs over Channel 11. This picture is from the November issue of Bulletin to the Schools issued by the University of the State of New York. It originally appeared in the New York Times.

KEANE BECOMES SUPERVISOR ASST

JOHN J. KEANE JR. (at right) of 63 Essex Rd., Bethpage, becomes the Assistant to Supervisor John J. Burns (at left), on January 1st. Keane has been serving as a Deputy Town Attorney since June 1956. He is a veteran of World War II with 27 months overseas duty in the European Theatre of operations. He is a graduate of Fordham University and Fordham Law School. Supervisor Burns said that provision was made in the 1959 Town Budget for an Assistant in order to properly handle the ever increasing volume of work in the Supervisor's office. (Jim Healy Photo).

Candle Light Circle Celebrates

Mrs. Daniel McCarthy, 30 Link L.A., was hostess to last week's meeting of the Candle Light Circle of Hicksville, at which time the organization's annual Christmas celebration was held.

Gifts have been sent by the organization to Meadowbrook Hospital

and the Danville Home for the Aged. They also made a Christmas visit to the Salvation Army's Wayside Home for Girls in Valley Stream distributing presents to the girls and serving refreshments.

The next meeting of the Circle will be held on Jan. 8 at the home of Mrs. Virginia Mickelson, 205 Brittle Ln.

The regular School Board meeting of the Bethpage School District will be held Tuesday, Dec. 30.

No Collection On Christmas

Sanitation Superintendent Louis Kappstatter today advised all homeowners that there will be no garbage collection on Christmas Day. Those residents scheduled for collection on that day will have their garbage picked up on their next regular collection day.

Another Plant Moving Here

Dynex, Inc., specialists in the design, development and manufacture of complex special-purpose equipment for the instrumentation industry, announce they have outgrown their present plant at Westbury, and on Jan. 15, will move their entire operation to larger quarters at 200 Frank Road, Hicksville.

R.V. Nicolosi, President of Dynex, Inc., said that the entire staff is going with them and that their personnel will be substantially increased to include highly specialized engineers who will concentrate on researching and developing equipment for particular uses in electro-mechanical instrumentation.

Dynex has pioneered in basic development work and has made several notable contributions in new, improved techniques primarily in precision motion-transferal systems. They have also made advances in miniaturization as well as the conventional types of development.

Form New Church Here

A new church has been formed in Hicksville. It is Redeemer Evangelical Lutheran Church, the congregation met last Sunday, Dec. 21, for the first time in its new quarters at 316 Plainview Rd. The Rev. Richard H. Weiskatten is the pastor. Regular services will be held every Sunday. Sunday school is at 9 AM and Church services at 10:30 AM.

Teens Skating Party on Friday

The last event of the year for the teen-age groups of The Congregation Shaarei Zedek, Hicksville, was a skating party at Levittown Arena. This event was held on Dec. 24, and attended by over 40 boys and girls.

The month of January will see the members participate in a Gala Dance at Temple Shalom in Westbury, and a swimming party toward the end of the month. The Senior Group will go bowling on Jan. 18th, and expect members from neighboring Centers to join them at the Mid-Island Bowl. All three groups will enjoy films on different aspects of

teen-age life at their respective meetings.

Marvin Kleinman, Director, announces that the big event of the year will be held on Thursday, March 26. It will be a Gala Dinner-Dance at the Golden Slipper in Glen Cove. The members in attendance will enjoy a complete meal, dancing to two bands, and the fabulous Golden Slipper entertainment. The festivities will begin at 7:30 P.M. and go on until midnight. Reservations are necessary, and any interested teen-ager should make their reservations soon. Door prizes will be given out to the lucky winners, and the drawing for the annual raffle will be held on this night.

1500 WITNESS INSPIRING 'CHRISTMAS' STORY

NATIVITY SCENE in the inspiring presentation of the "Birth of Christ" presented at Trinity Lutheran Church, W. Nicholas St., Hicksville, on Dec 17 and 18 and witnessed by 1500 members and friends. Re-creating the roles of the Nativity characters were Palmer Maas as Joseph, Dolores Gutekunst as Mary, Steven Baum, Ken Gutekunst, Bob Kasten and Timmy Stammel as shepherds, and Robert Richmeyer, Wesley Giese and Fred Probst as Wise Men. In the back-

ground are children of the Sunday School and also the elementary day school representing part of the Angel Choir in the pageant. The special program was under the direction of Richard H. Engebrecht, principal of Trinity Lutheran Church, and Charles F. Roehm, Trinity's organist and choirmaster. Rev Edward H. Stammel is pastor of the Church.

day, December 16, 1958, at 10 A.M.

The following members of the Town Board were present:

Supervisor, John J. Burns
Councilmen, Henry J. McInnes
Benjamin Zipper
Marjorie R. Post
Peter B. Allsopp
Louis A. Sisia
Edmund A. Ocker

Councilman McInnes offered the following resolution and moved its adoption:

RESOLUTION ADOPTING MAP ENTITLED "MAP SHOWING REAL PROPERTY TO BE ACQUIRED FOR THE CONSTRUCTION OF RECHARGE BASIN TS-23 NEAR BLOOMINGDALE ROAD IN HICKSVILLE, NEW YORK"
DATED APRIL, 1958 AND REVISED SEPTEMBER 15, 1958 AND DIRECTING THE TOWN ATTORNEY TO ACQUIRE SAID LAND IN FEE

WHEREAS, a resolution was heretofore adopted by this Board on September 16, 1958, approving the action of Sidney B. Bowne & Son in preparing a map entitled "Map Showing Real Property to be Acquired for the Construction of Recharge Basin TS-23 near Bloomingdale Road in Hicksville, New York" and said map is now on file in the office of the Town Clerk; and

WHEREAS, pursuant to law, notice was duly published that a hearing would be held by the Town Board in respect to said map on October 21, 1958, at 10 A.M., at which time a reasonable opportunity would be afforded to all interested persons to make objections thereto or to suggest changes therein; and

WHEREAS, a public hearing was duly held on said map pursuant to the public notice as aforesaid and no one appeared to make any objections thereto or to suggest any changes therein and it appears, after due consideration, that no changes in said map are required;

NOW, THEREFORE, BE IT RESOLVED, that said map entitled "Map Showing Real Property to be Acquired for the Construction of Recharge Basin TS-23 near Bloomingdale Road in Hicksville, New York" is hereby adopted without change; and be it

FURTHER RESOLVED, that the Town Attorney is hereby authorized and directed to acquire said lands by dedication, purchase, condemnation proceedings or otherwise; and be it

FURTHER RESOLVED, that the compensation to be paid to the owners of such real property as may be acquired hereunder by condemnation proceedings shall be determined by the Supreme Court without a jury; and be it

FURTHER RESOLVED, that the Town of Oyster Bay shall become vested with title to the lands shown on said map upon the date of the entry of the order of the Supreme Court granting the application to condemn said lands; and be it

FURTHER RESOLVED, that the Town Clerk is directed to have published once in the "Mid-Island Herald" a copy of this resolution as notice, pursuant to Section 11-71-0

Sox Retain 1st In CYO Bowling

By BILL SAKAL

The Red Sox continue to fight to hold first place in the Holy Family Section of the CYO Bowling League and continue to lead by 2 1/2 games. However, the Senators picked up half a game to tie with the Orioles for second, and the question still remains can the Red Sox hold on? The half game that the Orioles dropped last week at Woodbury Lanes hurt, but there is still time to recoup and possibly forge ahead if the Senators suddenly lose their winning streak. As the end of the season nears, the fight gets hotter between these three teams, and though it isn't likely it could wind up in a 3 team tie for first with playoffs necessary. The next few weeks should pretty well tell the story.

As for the next three teams, the Braves, Tigers and Pirates; at this point none of them seem like a serious challenge for either No. 2 or No. 3 spot, as they keep sliding up and down. The Cards who had slipped to No. 7 last week remain there. Last week they were 5 1/2 games out of second, and this week 7 full games.

Higs for the evening were: E. Arundell 215-200, A. Reinheimer 210, J. Barone 205, W. Tarter 203, B. King 202 and G. Hatem 201.

Homecoming Heirs

Teen-age children of members of the Midway Jewish Center, 330 South Oyster Bay Road, Hicksville, home from school for the winter recess, will be honored in a special "Homecoming" service, to be held this Friday night, Dec. 26, at the Center. An address entitled "Going Steady and Being Steady" will be delivered by Rabbi Bernard A. Rubinstein. The service will be followed by a delectable "Kiddush" collation.

SANTA CLAUS visited the Burns Ave. School on Saturday, Dec. 20, when the Northwest Civic Assoc. Inc., of Hicksville played host to 354 children of the general membership. Entertainment was rendered by the Senior Symphony Band of the Music Box Accordion Institute, the rhythmic tap dancing by students of Ethel Cassidy's Dance Studio, and Guitariet, Pat Juliano who lead everyone in festive singing. Every child present received a gift stocking from Santa Claus. Children and adults alike shared in the refreshments and the awarding of door prizes, made possible by the generosity of the merchants of Hicksville and Mid-Island Plaza, to whom the Committee wishes to extend its most sincere thanks. Other prizes of turkeys, hams, and gift certificates were awarded to the members of the Assoc.

conducted to them at the Hicksville office.

Overtime for clerks this year is estimated at 3,300 hours compared with 2,200 hours last year. Carrier overtime is 6,000 hours this year with only 3,700 last year. The regular staff of the Hicksville Post Office, which includes Plainview in its postal district, is 175 persons.

The Post Office also utilized 9 extra vehicles this season in addition to its regular fleet of 23 vehicles.

A building at New South Road with 600 square feet was obtained this Christmas season for a parcel post processing centre.

Paying tribute to his regular staff and the extras, Postmaster Cotler noted that "with the cooperation of the public, everyone is going to have a restful Merry Christmas this year."

educational nature and of general interest."

To characterize the Friends as sectarian or political could only be done by a Board that believes that Chaplin's slapstick comedies are educational.

In common with many other organizations using public facilities, the Friends accept new members if they are proposed by a member and voted accepted by two-thirds of the members present. Such organizations are approved without question by the School Board operating under the same law as the Library, and the Friends have been approved by the School Board. The Library Board has seen for to apply a non-existent rule to exclude the Friends as a group which restricts its membership. The Friends do attempt to control their membership so as to be able to exclude those known to be opposed to their objectives or who may obviously be planning to disrupt the organization or turn it into a political, Board-controlled group. Under similar rules for approval of membership, the UN has excluded Red China.
