## Little Rest For Firemen Over Holiday TWO OF MANY CALLS IN 6 DAYS

The day after Christmas was the busiest single day in years for the volunteer firemen of Hicksville Fire Dept. when they answered five out of 17 alarms sounded during the period from Dec. 22 thru Monday, Dec. 28.

On Dec. 22 they were called to

the residence of Walter Zarconsky, 15 Prose St., to put out a small fire behind a stove, and later went to W. John St. and Cantigue Rd. to put out a grass fire. They went to the Herman home, 68 Dean St., the following day to administer first aid to the Herman

child.

A Town of Oyster Bay Sanitation truck cables and contents caught fire on Dec. 24 opposite 15 Plover La., and had to be extinguished by the vamps.

At the right are volunteer firemen on the roof of the office-home of Dr. Sidney M. Berkowitz of 415 Jerusalem Ave., Hicksville, the day after Christmas. No one was home at the time. Dr. Berkowitz said the prompt work of the firemen prevented damage to his office and he is continuing his practice there. Hicksville firemen answered seventeen calls for assistance in a six day period. (Herald photos by Frank Mallert).

## 35 Years Later — Original H. S. Bond Issue Paid Off

The first day of the new year, 1959, will mark the payment of the final principal and interest on Hicksville's original High School Building on Jerusalem Ave. between Second and Fourth Streets. The original bond issue of \$385,000 carried an interest rate of 4.75 per cent.

It was in the spring of 1923 that the community voted \$20,000 for a high school site and \$250,000 for a new Junior and Senior High School. In the fall of that year it was found that it would require an additional appropriation of \$95,000 to construct the building as planned and to properly equip it. This was also approved by the community.

In December 1923, excavation was started and the cornerstone was laid on April 26, 1924. The pictures at the right were taken at the time of the cornerstone laying, 34 years ago. In the top view is E.A. Van Slyke on the speakers' rostrum. Mr. Van Slyke was then principal of the High School, having taken up his duties here in Sept. 1923. In March 1925, Hicksville became a village superintendency and Mr. Van Slyke was named the first Superintendent of Schools. He retired on July 1, 1936 and now makes his home in St. Petersburg, Fla., in the winters and at Hendersonville, N.Y., the rest of the year.

The lower picture recalls the frames of the arched windows of the auditorium and gymnasium of the building which is today the Junior High School. On the speakers' platform, facing the audience is the late Arthur Crossley who was then a member of the Board of Education.

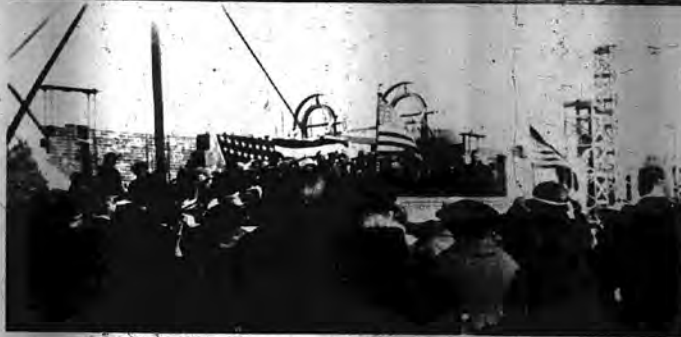

It is interesting to note that the recent conversion and enlargement of the Junior High School Building, making it the largest school building in the community, cost more than two million dollars.

Hicksville experienced tremendous growth in the interval from 1923 to 1936 and as the population grew, the number of school buildings was increased from Nicholas St. to a total of three, including Nicholas, East St. and the High School. In this same period the number of teachers increased from 23 to 65. East St. was built at a cost of \$200,000 in 1927 and Miss Nina Plantz, who was a first employed in the District as School Librarian became its first principal. About 1928 an additional \$200,000 was voted by the people to enlarge the old High School with the addition of rooms for woodworking, auto, electric and print shops.

During the 1923 to 1936 interval, Board of Education members included: Frank Chlinsky, Gustave Wennegal and John Herzog, and the following who are deceased: Jock Puvoget, George A. Duke, Arthur Crossley, William Duffy, Dr. Elwood A. Curtis and Joseph J. Ulmer. The late Andrew B. Heberer was District Clerk. Charles E. Colthurst, vice president of Meadow Brook National Bank Hicksville office, was at that time District Treasurer.

The second phase of major expansion of the school system began in 1948 with the purchase of the Lee Avenue, Burns Ave. and present High School sites. Today there are ten public school buildings in Hicksville with a total enrollment of almost 12,000 boys and girls.

Winners were selected on Dec. 23 at Central Federal, B'way and John St. Standing by, from the left, are Mike Lavis, Peter Amarasio, branch manager, and Louis S. Kan, executive vice president of Central Federal. One thousand dollars worth of prizes were awarded. (Photo by Frank Mallett).

### Dozen Share Jamboree Awards

Unexpected Christmas presents worth \$1000 went to twelve Mid Island residents, winners of the prize distribution in the Shop and Save Locally Jamboree sponsored by Central Federal Savings and Loan Assoc. The winners were decided on Dec. 23.

Ray and Jo Lanty of 20 East Ave., Hicksville, won the first prize of a television set. They received their ticket at Brook's Stationers.

Second award of a Columbia Hi-Fi went to Joyce Scheriff of 78 Benjamin Ave., Hicksville, won entered at Galtime Corp.

Third prize winner, a portable typewriter, was Mrs. Arthur Lewander, of 57 Garden Boulevard, Hicksville, entered at Starlight shop.

The other winners were: 4th, Sentinel Hi Fi, Charles Wilson, 52 Linden Blvd., Hicksville (Scheiner's Pharmacy); 5th, Roto-Broil, Mrs. J. Hubbs, 43 Underhill Ave., Hicksville (Soda Spa); 6th, Waring Blender, Mrs. H. Zirk of 40 Grand Ave., Hicksville (Galtime); 7th, Sunbeam percolator, Susan Thiem, 34 W. John St., Hicksville (Galtime); 8th, RCA Victor radio, Jane D'Amico, 187 Plainview Rd., Hicksville (S&H); 9th, GE Toaster, Frank Governale, 1 Burkland Lane, Hicksville.

10th, GE Steam Iron, M. Arena of North Massapequa, (Steve's Food Shop); 11th, Sylvania Radio, Molly Karbel, 54 Friendly Lane, Jericho (Roberts Chevrolet); and 12th, GE handmixer, Peter J. Zeither, 15 Hope Lane, Hicksville (Sweet Shoppe).

Three of the winning tickets were from Galtime Corp. Peter Zeither won a host of prizes during the Hicksville Festival Days in October when he and Mrs. Zeither (former Ann Ackerman) were chosen the Greater Hicksville Festival Couple.

Louis S. Kan, executive vice president of Central Federal said that "the Board of Directors and Officers of the Association were extremely gratified with the results of the 'Shop and Save Locally' Jamboree. Merchants reported that it stimulated buying and that they noted a considerable increase in sales volume", Kan added.

In spite of the cold weather and the fact that attendance at the drawings was not a requisite to winning, an unusually large crowd attended Central Federal's festivities on Dec. 23rd. Many hopeful Hicksville citizens made last minute "deposits" of the official "Shop and Save Locally" entry blanks which they received from their local participating merchants.

## DEAR JEAN....

Here's a follow up on that little incident at Big Ben's in Hicksville. MURRAY, the manager, tells us that the case of cigarettes that was stolen last week were recovered. — The thief, dropped the case trying to get away..... Related greetings to Miss OTTOLIE BUONAGURA OF S. Bway, Hicksville, who celebrated her 18th birthday, Sunday. Miss B. attends St. Joseph's College in Emmetsburg, Maryland, where she is studying nursing.... Also birthday greetings to AAT NOETH, who was 13 on Sunday. Family had a party to celebrate..... Had a little trouble with the old oil burner, Friday night, and our thanks go to ED QUINN of Quinny Fuel Oil service for being a good guy to stay until 2 in the morning to make sure that we had heat. Very seldom you will find a fellow who will do that..... Gee, with all the fires this week, we hear that an early "home" of the HERALD was gutted by fire Saturday evening. That was the little building in back of the Rainbow Rest.... Received a very nice letter the past week from a friend of ours and a friend of all those who have attended East St. School in the past years, Miss ROANA RUSSELL. Miss Russell is a former teacher at East St. and is now in Seattle, Wash. She is fine, wishes to be remembered to everyone. She has plans to leave for Hawaii on Jan. 9. She will be back in February, docking at Vancouver, B.C., Canada. Bon Voyage and a safe return home to a grand person.....

Because Thursday is New Year's Day, Hicksville Rotary will not meet this week. Their next session is Jan 8th. The Rotarians received Christmas cards from Clubs in Austria and Hawaii, according to President JOHN HILL..... PATRICIA SCHWARTZ, recreation program coordinator of Hicksville Schools, resigns effective Jan 1st..... Americans have more than half of the telephones in the world, but their being outtalked by people in several other spots on the globe, US averaged this year 460 conversations per person while Canadians average 497 and Swedes 491..... Crummett's is closed Jan 1st (as it was on Dec 25) but workers are being paid eight hours for each day..... First edition of HERALD TRIBUNE since the newspaper strike, carried this gem: "The Hudson River is called the North River because it flows south on the west side of (NY) city"..... Emergency Co 3 and Morris and Ladder Co 6 of Hicksville Fire Dept will hold a joint installation dinner on Saturday night, Jan 31, at Old Country Manor. It is probably the first joint-company affair of its kind in the 60-odd year history of the Fire Dept..... HERB JOHNSON, School Board Vice President, had a tough break with one of those two new cars he bought recently. The interior caught fire while it was parked at the high school, did about \$400 damage and ruined the ceiling and upholstery.....

Our best wishes go to Mrs. ANTONIETTE SARACINO, daughter of Mrs. Louise DeMasco and the late Anthony Saracino of Westbury who is engaged to JEROME BERLINO, son of Mr. and Mrs. Paul Berlino of Hicksville..... Also to Miss LUCILLE SHAPIRO, daughter of Mr. and Mrs. Max Shapiro of Bethpage to HARRY G. MESSINA, Jr., son of Mr. and Mrs. Messina, Sr. of Copiague. By the way, our photography consultant is FRANK MALLETT — he-he-he..... Supervisor JOHN J. BURNS led a contingent representing Town Hall employees who contributed \$400 as their Christmas gift to St. Christopher's Home in Sea Cliff..... Old folks at Jones Institute and about 75 families in the community had a brighter Christmas, thanks to Hicksville Kiwanis committee including SAM PACE, BILL NELSON, FRANK CHLUMSKY, CHARLES MASEK and others..... Nurses of the School District were the guests of Hicksville Kiwanis at their luncheon last week.....

So sorry to hear that MIKE D'AURIA of S. Oyster Bay Rd., Plainview, is ill. Parry Joan and Mike had plans for the First Sunday had to be called off because of his illness. Our best wishes for a speedy recovery Mike..... The VINCENT HOOSACK'S of Twinlawn Ave., Hicksville home early this week after spending the Christmas Holidays with Mrs. Hoosack's relatives up near Auburn, N.Y.....

We think WOR radio commentator, HENRY GLADSTONE, put it very aptly, when commenting on Charlie Chaplin settling out of court with the U.S. Revenue Service for \$425,000. of a \$700,000. debt of back taxes, he stated, "Looks like comedian Charlie Chaplin has the last laugh on the government."..... Lots of gals we know around these parts would appreciate it if their buggys could come home with only maybe \$15 out of the pay envelope instead of \$25 that goes to pay their taxes each week.....

### Bohack to Build At Bethpage RR

A real estate transaction of more than passing interest for the Bethpage area, was concluded last week by the sale of approximately five acres, with frontage of 289 feet on Benkert St., which faces the Town parking field and R.R. station. The property runs north over 640 feet on Stewart Ave., and 385 feet on Burkhard Ave.

The property was owned for many years by Jacob Gellman, who sold the entire parcel thru Harry Levey, broker, to the H.C. Bohack Co., who have plans for the development of the entire tract.

Bohack Co., with many stores on Long Island, plans to erect one of their most modern and complete supermarkets on this site. In addition tentative plans call for the erection of approximately 14 stores

## Expert Cautions Board On Plans for Decade

The Hickville Board of Education has been advised to watch four factors carefully --- delaying any action of future school facility construction or decisions until next fall --- in attempting to evaluate the requirements of the community for the next decade. Dr. Felix McCormick of Teachers College, Columbia University, presented his finding regarding local school population trends at a regular Board meeting, Friday night.

Dr. McCormick presented charts and graphs to illustrate his report to the Board. Trustees Arthur L. Elrich and Robert D.P. Eaton did not attend. Board members present were President Allen S. Carpenter, Herbert H. Johnson, Jerome Zettler, Robert Goodrich and Walter Schreiber.

### FOUR FACTORS

Noting that there has been a drop in the total student enrollment in the community between September and June of the last school year, Dr. McCormick stated four factors are to be watched:

(1) The rate of increase in the community population is slowing down.  
(2) A new factor has entered the picture -- there is a loss thru out-migration (ie, families moving out of the district are being replaced with families with fewer children).  
(3) New residential construction, estimated at up to 400 dwellings in two years may be a positive counter-action to #2.

And (4) Parochial school facilities have not kept pace with the total student enrollment.

As for the future, he said that the birth rate is slowing down; that while parochial schools are now accommodating 7 to 8 per cent of the students, such facilities may rise to handle 15% in the next decade. He also pointed out that while the elementary K-6 enrollment may rise to 8550 next year, it is scheduled to decline (based on the pre-school age census) and will drop to 7,000 by 1965 and down to 5,500 by 1970. After 1970, he predicted, the cycle will begin all over again.

The total enrollment in K-12 will continue to gain for another five or six years, to a peak of 14,300 students, then decline to 8,000 or 8,500.

The High School will soon feel the impact of the present elementary enrollments. While there are about 1800 students in Senior High today, this figure will soon rise to 3300 or 3400 when double sessions will be mandated. He also indicated that double sessions for the High School could continue for eight or 10 years until the present bulge passes thru.

### AMAZINGLY ACCURATE

Dr. McCormick has been "amazingly accurate" in his predictions for the Hickville School District, according to Dr. Wallace E. Lamb, superintendent of schools. Several school districts in the metropolitan area (including two unnamed Long Island districts) have already built more permanent facilities than needed.

"In 1954, Dr. McCormick indicated that for about ten years when the junior high school enrollment was at its peak, double sessions were needed," Dr. Lamb told the School Board. "He also indicated then that, under similar circumstances, double sessions would be necessary at the senior high for ten or 12 years. To avoid double sessions and to provide permanent facilities for full day sessions for the junior and senior high school during that peak period would necessitate the doubling of our present facilities at a cost of about ten million dollars."

Dr. McCormick's specific recommendation, Friday night, was that the Board of Education do nothing about further construction until next fall, meanwhile carefully watching the factors he indicated.

### Girls Provide Gifts for 250

The girls in Miss Rhoda Moskowitz's Junior High School home economics and needlecraft classes brought happiness to 250 children in the pediatric wards of Mercy, Nassau, and Meadowbrook Hospitals at Christmas by sending them "pixie" stockings which they made and filled with toys, many of which were handmade. A spirit of giving among the students was developed in this enterprise. Mrs. Michael Fasullo and Mrs. Polsenski, members of the Hickville Junior High P.T.A. and Joseph Farina, a member of the Junior High faculty, delivered the gifts.

Mr. and Mrs. Edward Harbes, Jr. of 27 Center St., Hickville, are the proud parents of a daughter, Patricia Ann, born on Nov. 27, at Mercy Hospital.

Leigh Ellen, is the name of the new arrival at the home of Daniel and Marion Lyon of 17 Broadway, Hickville. She was born Dec. 11 at Mercy Hospital.

### FIRE DEPT LADIES AUXILIARY CELEBRATES

CHRISTMAS PARTY of Hickville Fire Dept Ladies Auxiliary held at Corte's on Broadway, Dec. 16, also featured the installation of recently elected officers for 1959. Seated, from the left, are Jean Wicks, treasurer; Catherine Coutieri, president; Julia Erdman, vice president; and Rita Schlosser, secretary.

Standing from left, are Dot McMahon, financial secretary, Dot McCue, chaplin; Marge Hammond, retiring president; Ray Cannizzaro, retiring financial secretary; and Peggy Huttie, installing officer.

### Spanish War Vet Funeral Today

HICKVILLE -- The community mourned this week the passing of probably its last active veteran of the Spanish American War. Charles Saurer, a well known participant of innumerable Memorial Day services held in the community, died Sunday morning, Dec. 28. He lived at 51 First St., here. He reposed at the Henry J. Stock Funeral Home until Wednesday morning (today) when religious services were conducted by Rev. Douglas MacDonald at 9:45 AM. Interment will follow at L.I. National Cemetery.

The Hickville Fire Dept. held funeral services Tuesday night. Mr. Saurer, a member of the Manetto Lodge F&AM 1025; Nassau County Camp 115, and the United Spanish American War Veterans, is survived by his wife, Lulu (nee Weibert); a son, Charles F., First Asst. Fire Chief of Hickville Fire

Dept.; a daughter, Mrs. Hazel Cul-len; two grandsons, Charles and Thomas, and two granddaughters, Judith and Kathy. (See other obituaries on page 4).

### UNDERGOES SURGERY

Mrs. Eric LeBarron, wife of former School Superintendent Dr. E.H. LeBarron, underwent surgery at the South Nassau Communities Hospital in Oceanside, Monday. Dr. and Mrs. LeBarron reside on Halsey Ave., Hickville.

## CURRENT COMMENT:

# Take a Look At New Year

BY FRED J. NOETH

WE COME TO THE TIME when we try to look ahead and anticipate what the year 1959 can be expected to bring.

The first day of the New Year has special significance for the more than 500 teachers and principals of Hicksville Public Schools when their new, higher salary schedule goes into effect.

The first week of the new year will see Sam Weiss, former fire chief, take his seat on the Hicksville Board of Fire Commissioners. He will succeed George Engel who held the post for ten long years and did not seek re-election.

The second week brings the "Burning of the Greens," a ceremony and custom which we hope will grow in the years ahead. This marks the fourth year that our sister publication, the PLAINVIEW HERALD, has cooperated with the firemen in sponsoring such a program. This is the second year for Hicksville and with more advance notice and public cooperation it should be much bigger.

The purpose is to encourage folks to get rid of those old Christmas trees and wreaths which, in past years, have accumulated in open lots and as they dry out pose a serious fire menace. Our "Burning of the Greens" is set for Sunday afternoon, Jan. 11, in the vacant area opposite Mid Island Plaza on North Broadway, Hicksville. You can leave your discarded tree there most any time up to 2:30 PM on Jan. 11.

Looking a little further ahead, we find the School Elections due in May and, with three vacancies coming up this year in Hicksville, it could be an interesting contest. Allen S. Carpenter, Board president, we feel certain will run again.

During the first part of 1959 the State Legislature convenes and we are all waiting patiently for something to happen on our Grade Crossing Elimination program. Money is the question right now. The State will have to provide ten or more million dollars out of its budget. The engineering work has advanced to the point, we are assured, that when the funds are forthcoming, the work can commence. If you have thought the disruption of North Broadway this year was a mess, just wait until they start shifting the tracks over to a temporary right of way preparatory to the elimination itself. The RR Grade Crossing job is expected to take two years.

We do not seriously expect anything to happen to the centre area of Broadway, Hicksville, despite all the alarms and scares. We can't conceive of the State Dept. of Public Works shelling out millions of dollars for the condemnation of business properties when there are so many more pressing projects on the books. For example the Newbridge Rd. widening has been discussed and planned for better than ten years.

Looking forward to November, we don't anticipate any change in the political administration of the Township, again despite all the yackity-yack and wishful thinking. Supervisor John J. Burns during his first year as the Chief Executive of the Township has done an excellent job and we feel confident that he will lead a winning ticket to victory in the fall.

We also have in mind something special regarding our own efforts in the publishing field and frankly we are quite excited about it. We'll have more to say on this subject at the appropriate time.

And speaking of forecasts you might want to consider the digest of Dr. Felix McCormick's report to the Board of Education published elsewhere in this issue. Some interesting conclusions can be tentatively drawn regarding the entire community future.

We hope that the year 1959 will be one of peace and prosperity for each of you and the entire World. Meet you at the spaceport for that trip to the moon.

## HERALD READER OPINION

To the Editor:

The magic words, the Library Board said, were "fees and fines." Fees and fines, the Board contended, were moneys in a separate category, not tax money, and constituted a separate "kitty" which could be spent without the restrictions applicable to tax money.

A few years ago money from the "kitty" was expended in a manner which seemed highly irregular to school board members and the school attorney. Property had been purchased from a Library Board member who resigned from the Board just before the transaction,

and prior approval for the purchase had not been secured from the taxpayers. School property may be purchased only after authorization from the taxpayers voting in a referendum, even when bought from surplus funds. And purchases from surplus funds had been out-laid by the State Dept. of Audit and Control when it ruled that all funds left over at the end of a year must be applied to reduction of taxes in the ensuing year. However, as Dr. Brind, counsel of the State Education Dept., agreed with the Library Board, and as the District expended no loss by the transaction, no formal action by the School Board, beyond extensive inquiry resulted.

When the Library Board proposed to spend money from the same "kitty" for refreshments at Library programs and requested the Friends (Continued on page 8)

## SEEING DOUBLE CHRISTMAS EVE

TWINLAWNS AVE Civic Assoc of Hicksville for more than seven Christmas eves has arranged for Santa Claus to call upon every home with small children and distributed gifts. Because of the increasing number of homes to visit (spreading over into Hicks Circle, Miller Circle, Sunset and Miller Rd), the civics one season pressed into service TWO Santas, each working a definite territory. The Santas shown are Rus C. Brousseau of 76 Twinlawns (at left), who took over the major role two seasons ago from Fred J. Noeth of 22 Twinlawns who has officially and positively "retired" after serving as the community's Santa for 12 consecutive seasons. (Dunlap Photo).

## Legionnaires' Log

CHARLES WAGNER, Post 421, Hicksville N.Y.

By ARTIE RUTZ

The Legion's annual "For God and Country" telecast has gained another milestone in its rather short history. For the first time since its inception a few years ago, the time and date has been fixed by the National Broadcasting Co. early enough to permit the formation to be transmitted to the entire membership and general public as well. This is an indication of the growing popularity of the program. Sunday, Feb. 1, from 2 to 2:30 P.M. the date and time. The script for this 30 minute nationally tele-

vised production, which will be simulcast by major radio networks also, is being written by Bruce Bassett of N.B.C. in consultation with National Chaplain Twiss and other Legion officials, will have a theme of moral

leadership and the part played by the military services in building character. This is in line with the decision of the Legion's department chaplains at their 1958 conference to place major emphasis on moral leadership in the work of American Legion chaplains.

The "For God and Country" program is the opening gun in The

American Legion's annual "Religious Emphasis Week", Feb. 1 to 8. Don't miss it!!! And don't say

we didn't do our bit to help Hicksville's commuters have something to read on the way to work last week. Over 300 copies of our latest issue of THE HICKSVILLE POST were distributed at the RR station. (Well, with so much else to read, the JUST had to read it!) This is the last time that you will be advised that an extremely reasonable NEW YEAR'S EVE party will be held at the clubhouse starting after 9:30 P.M. on Dec 31st. If you need more information, call

TONY CORRERI or AL BARLOW. You'll find their phone numbers in the membership directory which you should have handy by your telephone. The first meeting of 1959 will be on Monday, Jan 5th at 8:30 P.M. with the usual free cash drawing and free cats to go with it. Don't forget to try to start the new year right—bring along that new member or prospective member with you!!! And to everyone—A HAPPY, HEALTHY AND PROSPEROUS NEW YEAR.

## Hicksville Man Is Town Engineer

Horace A. McAllister Jr., consulting engineer with an office in Farmingdale and residence on Gull Road in Hicksville, will assume the duties of Town Engineer of the Town of Oyster Bay on Jan 1st, it was announced this week by Oyster Bay Town Board.

McAllister who is 37 years of age, married and the father of a three-month-old daughter, is experienced in the design of highways, buildings and bridges while associated with various Consulting Engineers in New York City. He did structural planning and traffic studies in Pittsburgh and for two years maintained an independent practice as consulting engineer on sewage disposal, soil mechanics, foundations and roads.

He has been involved in the following projects: Atlantic Beach Bridge, Captree Bridge, Mackinac Straits Suspension Bridge, New Jersey Turnpike, Garden State Parkway, Cross-Westchester Expressway, Northern Illinois Toll Road, Van Wyck Expressway and Southern State Parkway widening. He was born in Waynesville, North Carolina and is a licensed professional engineer in New York State. He is a graduate civil Engineer from Carnegie Institute of Technology and has taken graduate studies at Columbia University. He is a member of various National and State professional engineering societies and organizations.

Do you contribute to the support of a dependent, but do not furnish over one-half of his support? May be you can claim the dependency credit anyway.

If your dependent can qualify in all other ways except that you do not furnish over one-half of his support then perhaps this will help you.

In cases where two or more persons contribute together more than 50% of the support of an individual and each could claim the individual as a dependent except for the fact that he did not contribute more than 50% of the support, the law permits one of the contributors to claim the individual as a dependent provided:

- (1) The taxpayer claiming the individual as a dependent contributed over 10% of the support, and
  - (2) Each person other than the taxpayer who contributed over 10% of the support of the individual agrees not to claim the individual as a dependent for any taxable year beginning in the calendar year 1959.
- One of these agreements, Form 2120, must be executed by each person (other than the taxpayer claiming the dependent) who is a member of a contributing group and who contributed more than 10% of the support of the dependent. The agreements must be filed with the return of the taxpayer claiming the deduction on account of the dependent in question.

In other words, suppose that you and your three brothers each contributed 25% of the cost of supporting your Mother. By agreeing among yourselves, any one of you can claim the dependency credit for any year that the others are willing to sign an agreement, Form 2120, that they will not claim it. You can take turns, or one claim it every year. You cannot pro-rate the credit between you. One must claim the full credit.

Now is the time to consult with the others contributing toward the support of your dependents and agree among yourselves on who is going to claim the deduction this year and who is going to file declarations that they are not claiming the deduction.

## Teachers Hear Father Lynch

Starting the new year on an educational level, the Catholic Teachers Assoc. of the Diocese of Rockville Centre will present Father Eugene M. Lynch, S.M.M. on Jan. 8, in the Garden City Hotel. Father Lynch is a Montfort Father, and a native of Jackson Heights, Queens. He attended the Montfort Fathers Seminary at Bayshore, and Litchfield, Conn. from which he was ordained in 1954. Since his ordination, he has served at the Zamana Vicariate in Nyasaland, British Central Africa. He has since returned to the United States and attended Catholic University. In the near future Father will return to Africa.

## Town Plans Beach Work in 1959

A substantial portion of the Town Board's planned beach-recreation improvement program at Tobay Beach on the South Shore will be completed for the 1959 summer season, Supervisor John J. Burns said today, with the announcement that the Board will take bids on the \$500,000 project in early January and will award contracts in February.

Other sections of the public improvement program covering both the north and south shore beach-recreation areas are still under study and Supervisor Burns expressed his thanks to members of Commissioner Robert Moses' staff of the L.I. State Park Commission for their assistance with the initial development of the overall program, including preliminary technical advice. The project will be under the supervision of Councilman Edmund Ocker and Peter Allsopp, members of the Town Board's standing committee on beaches and waterfront.

Superintendent of Beaches Edward Brickell and Lockwood, Kessler & Bartlett, the Town Board's consulting engineers, for the program. Following the award of contracts, the construction schedule calls for work to commence immediately to expand the existing 500 foot beach on the Bay side of Tobay to 1700 feet. Material for the beach expansion will be obtained from the dredging operation in Great South Bay that will provide an estimated 250,000 cubic yards of sand. As a result of dredging a new channel 200 feet in width and 1800 feet in length will be cut through on the west side of the Bay beach to provide increased flow and circulation of water on the Bay side. Engineering techniques are also making it possible to use some of the material sucked up from the Bay bottom by the dredging operation to build up a 25 foot wide and 140 foot long dike on the east side of the Bay beach which will create a boat basin separate and apart from the bathing area to guarantee continued purity of the water in the swimming area. This will permit construction of transient docking facilities for homeowners and residents who enjoy boating. The dike will be of circular shape with an adequate channel to permit the entrance and exit of boats to and from the docking area into Great South Bay. Also scheduled for completion this year in time for the summer season, is a new pavilion for the convenience and comfort of bathers on the Bay side. The 62 foot by 45 foot building will have kitchen facilities and a serving area; locker rooms for men and women and comfort and first-aid stations. Boardwalks, picnic areas and general landscaping are also included in this phase of the program.

Parking facilities will be increased to accommodate more cars. The present water supply will be augmented by the addition of a new well and a new vault will be installed for the increased electrical service that will be required. A new service road will also be built. On the north shore, general improvements will be made at Roosevelt Memorial Park, Oak Neck Beach, Centre Island Beach and Tappen Beach and plans to create additional boating facilities where practical are now under study.

Supervisor John J. Burns said the entire expansion program is one that will take several years to complete. He pointed out that the work to be completed in time for this summer is only the beginning of a program that calls for full development of our north and south shore beach-recreation areas in the future to accommodate our growing population.

"Attendance at our beaches each year and the use of the facilities have increased proportionately with our population growth and the Town's residents have already indicated to the Town Board that they are interested in a public improvement program of this kind. Full development of our beach-recreation resources for the public good requires continued planning to keep pace with the changing needs of the Townspeople, and the entire program on the north and south shores will be advanced as rapidly as good sound engineering dictates and as funds become available," Burns stated.

## Jericho Post Office Hits Peak

Postmistress Signe Halloran of the Jericho Post Office, reports that between 75,000 and 80,000 pieces of mail were handled by the new office during the period of Dec. 15 thru Dec. 24, and that the revenue of the Post Office increased an estimated 75% over last year during the same period.

An accurate comparison between this year's volume and last year's was impossible due to the fact that all cancelling was previously done by hand. However, future year's

comparisons can be made since the automatic cancelling machine new in use has a tally counter on it.

She added that although the volume increased tremendously over last year, she only needed 10 part time help during this period, and that before noon on Dec. 24, all the mail which had arrived that morning was cleaned up.

The heaviest mail was received on Dec. 17, Mrs. Halloran concluded, when 10,580 pieces were cancelled.

## Civic Assoc. Nominations Due

by George J. Frankel

Election time in our Civic Association, once again, upon us. Nominating petitions to have your name appear on the ballot must be filed between Dec. 22, 1958 and Jan. 6, 1959.

The Civic Assn. is administered by a Board of Directors consisting of seven officers and eighteen directors. The officers are: President, First Vice President, Second Vice President, Treasurer, and Financial, Corresponding, and Recording Secretaries. Any and all members of the Civic Association are eligible to run for any of these offices, or for the office of director. However, no person may run for more than one office. If you are interested in running for office, THE VILLAGER suggests that

you proceed as follows:

- 1) Obtain a petition form from the Editor of THE VILLAGER (Gill Stein, 162 B.P.D. Ov 1-0338)
  - 2) Fill in the name of the office for which you wish to run, and sign the acceptance form on the petition.
  - 3) Have your petition signed by at least 25 MEMBERS of the Civic Association, with their addresses.
  - 4) File your petition with the Recording Secretary (Horace Bernstein, 38 Forsythia Lane JV 1-2718), before January 6, 1959.
- For any further information, please do not hesitate to call the Editor of THE VILLAGER, or the writer at WE 5-8655.

## Adopt Families

The Leaders' Club of the Hicksville Junior High School, under the directorship of Mrs. Barbara Cunningham, adopted needy families for Christmas. Through their efforts, numerous articles, including a radio, a TV set, and a typewriter were distributed to these folks. Funds to purchase the items were obtained through a cake sale and a volleyball game in which the women faculty members played members of the men faculty.

## LEGAL NOTICE

NOTICE OF SPECIAL DISTRICT MEETING  
UNION FREE SCHOOL DISTRICT NO. 15 OF THE TOWNS OF OYSTER BAY AND NORTH HEMPSTEAD, NASSAU COUNTY, NEW YORK.

The Board of Education of Union Free School District No. 15 of the Towns of Oyster Bay and North Hempstead, Nassau County, New York, HEREBY GIVES NOTICE that a Special District Meeting of the qualified voters of said School District will be held at the Robert Seaman School, Leahy Street, Jericho, New York, in said School District, on the 31st day of January, 1959, at 8:00 o'clock P.M., Eastern Standard Time, at which the polls will be kept open between the hours of 8:30 o'clock P.M. and 11:00 o'clock P.M., Eastern Standard Time, and as much longer as may be necessary to enable the voters then present to cast their ballots, for the purpose of voting by voting machine upon the following proposition:

### PROPOSITION

Shall the following resolution be adopted to wit:

A. RESOLVED, that the Board of Education of Union Free School District No. 15 of the Towns of Oyster Bay and North Hempstead, Nassau County, New York, is hereby authorized to acquire by purchase or condemnation a parcel of real property, hereinafter described, situate in said district, south of the Long Island Expressway, and east of Cantigue Rock Road, at Jericho, in the Town of Oyster Bay, County of Nassau, State of New York, at a total cost, including purchase price, expenses of acquisition, cost of survey, title search and legal fees, not to exceed \$205,000. Said real property hereby authorized to be acquired is hereby designated as a school site and is described as follows:

ALL that certain plot, piece or parcel of land situate, lying and being at Jericho in the Town of Oyster Bay, Nassau County, New York, comprising approximately ten acres described on the Nassau County Land and Tax Map as a portion of Lot 67D, section 11, block C, bounded and described as follows: Beginning at a point at the northeast angle of Cantigue Rock Road which point of beginning is distant easterly 256.29 feet from the intersection of the easterly line of Lot 21 as shown on said Tax Map, measured along the northerly line of Cantigue Rock Road; and from said point of beginning running thence south along the easterly line of Cantigue Rock Road 910 feet; thence easterly 630 feet; thence northerly 680 feet; thence westerly 450 feet; thence southwesterly along a proposed park 170 feet to Cantigue Rock Road at the point or place of beginning; together with a strip measuring approximately 20 feet by 125 feet connecting said premises with a proposed road on the east thereof; all of said courses and dimensions being approximate.

B. That a tax is hereby voted for the foregoing purpose in an amount not to exceed the sum of \$205,000 to be levied and collected in such installments, in such years and in annual amounts as may be determined by the said Board of Education.

C. That in anticipation of the said tax, obligations of said school district are hereby authorized to be issued in the principal amount of not exceeding \$205,000 and that a tax is hereby voted to pay the interest on said obligations as the same shall be due and payable.

PLEASE TAKE FURTHER NOTICE that said proposition will appear on the ballot label of the voting machines in the following abbreviated form:

RESOLVED, that the Board of Education of Union Free School District No. 15 of the Towns of Oyster Bay and North Hempstead, Nassau County, New York, is hereby authorized to acquire, by purchase or condemnation, as

### 4-Week Loan Plan for Library

The Hicksville Public Library will institute a 4 week loan, effective Jan. 2. Because of the length of time granted, there will be no renewals. Non-fiction best sellers on reserves and new fiction will circulate for 7 days.

This policy will be advantageous both to the public who will have the pleasure of a longer loan period, and to the Library Administration, as it will cut down on the overdues and telephone renewal service considerably, thus enabling the staff to give quicker and more efficient service, according to Library Director Kenneth Barnes.

### Engaged

Iris Lorene Lent

Mr. and Mrs. Henry C. Eblich of Carolyn St., Bethpage, announce the engagement of their niece, Miss Iris Lorene Lent, to James Agiesta, son of Mr. and Mrs. James Agiesta of West Court, Bethpage.

Both Miss Lent and Mr. Agiesta are graduates of the Bethpage High School. Miss Lent is employed at Grumman's in Bethpage and her fiancé is with the U.S. Army stationed at Fort Sill, Oklahoma. He returns by plane on Monday after spending the holidays with his parents.

The announcement was made on Miss Lent's birthday, on Dec. 23. Mr. Agiesta celebrated his birthday on Monday, Dec. 29.

### A DISSENT

In lending its influence, financial support and name to a present amateur basketball enterprise the Hicksville Kiwanis Club undoubtedly thought it was adding another community service to an already exceedingly long list of admirable endeavors.

It unfortunately has not. The organization of this team is based on the carpet-bagging theory of collecting a number of players from out of town and giving them the run of the show.

We are not aware of a public call for tryouts for the team and can only assume that the call was by strict invitation only.

This practice totally destroyed semi-pro football in Nassau County, has reduced semi-pro baseball to laborious unimported and unattended drudge and has leveled the voice powerful Amateur Basketball League itself from twenty odd teams to less than a half dozen.

We hate to be at odds with the good intentions that everyone concerned had with the forming of this team. The persons selected of themselves must be fine individuals.

And of the most importance is that the Kiwanis itself realize that this dissent comes from a friend.

We have been the recipient of the hospitality of the organization many times and have been commended with its past basketball operations. We have spent over 1,000 hours personally seeing to the organization of the teams, attending meetings and preparing for games.

In that time we also have seen the press representative of the basketball team to three county dailies and we believe the coverage was abundant and enhanced the prestige of the operations.

On the strength of the great talent that the community itself could muster, Hicksville has gained an outstanding reputation in Long Island Amateur ball. Starting with the Kiwanis itself, the Hicksville Lions and the Hicksville Alumni, eight Nassau championships have been captured in the past two decades.

Recently we were contacted by the chairman of the South Huntington Invitation Christmas Tournament for the benefit of Kiwanis baseball to recommend a representative Hicksville team for the play.

We turned the request over to the present Kiwanis team but what resulted was a far cry from Hicksville representation on the hardwoods of Walt Whitman High School.

Of the 14 players listed on the program for the Kiwanis only four actually reside in Hicksville.

For the better part of three periods just one player with any Hicksville affiliation and four without any played the contest. Some very outstanding Hicksville talent were thrown a few crumples of playing time at the end of the second and fourth quarters.

One player who is assured a starting role with the K played with another club in this particular tournament. He also is without affiliation in the community and is expected to get around to the K sometime in January.

We realize that outside talent has to be had in the present scheme of basketball. But it should not be the commanding factor. It should augment the basic foundation that the sponsoring community can provide.

From the many players who reside in the Village, those among the Alumni or those who have a working connection with a business or firm a fine team could be assembled.

Without a common bond the tendency for less and less teamwork, players quitting and eventually forfeits are possible.

The unfavorable publicity that such occurrences may bring about are not a happy circumstance for any one or group.

If there is energy, funds and facilities we certainly believe they should be channeled to the best interests of our own.

Riding the crest of a four game winning streak Hicksville-High is a slight favorite for the Mid-Island Tournament which gets going on the Comet court this Friday night.

Farmingdale is expected to give the Comets the greatest pressure but Plainville and Bethpage are hoping for an unexpected surprise.

The finals will be held at Farmingdale High Saturday night. Tickets for Adults are \$1.50 and students .75 cents. A ticket brings admission BOTH nights.

### Reader Opinion

(Continued from page 4)

of the Hicksville Library to serve them, the Friends asked for formal assurance that such expenditure was legal so that they could not later be tagged as accessories in an illegal act. Again, Dr. Brind was quoted as sanctioning the disbursements.

After the Picasso program, when more than two-thirds of those entertained were from out-of-the-District, the Friends balked at further participation until a formal, written approving opinion was given by the Board attorney, Mr. Robinson. It was never provided.

The Friends contended, at the time, the fees for borrowing records amortized their depreciation, and fees from out-of-District borrowers were in lieu of taxation. And that fines as well as fees, when received, became public funds just as fines and fees paid to the School District. Also, that public funds could not, at any time, under the law, be used for gifts, including refreshments.

Subsequently, the following pertinent rulings were recorded in Library Board minutes:

Sept. 17, "Mr. Robinson said he had received a letter from the state's attorney general in reply to his inquiry about the legality of using fines and fees other than tax money for purchasing refreshments for the library programs. It was the attorney general's opinion that this would not be permissible."

Nov. 17, "Mr. Robinson read a letter from the office of the comptroller, State Department of Audit and Control, in reply to his inquiry about using monies not received by taxes for refreshments at programs. It was his opinion that this was not legal."

On the same day the latter communication was read, the Friends were "counseled" from the Library. EAMIL J. SZENDY

## 2nd Burning of Greens At Plaza Set for Jan 11

The Hicksville Fire Department announced today that it will hold its second annual "Burning of The Greens" on Sunday, Jan. 11, at the Mid-Island Plaza. The burning ceremony will take place at 2:30 p.m. and residents are requested to deposit their discarded Christmas trees at the empty plot directly east, across North Broadway from the gas station at Mid-Island Plaza.

Though originally an old English ceremony, the "Burning of The Greens" has developed, in recent years, as a public service and safety campaign designed to reduce fire hazards in the home.

Hicksville Police Boys Club members will conduct a house to house canvass on Friday, Jan. 9 and Saturday, Jan. 10, collecting Christmas trees and greens.

Hicksville Fire Chief Medard Ofenloch will set the blaze at 2:30 p.m., Sunday, Jan. 11. All residents are invited to attend this old-fashioned bonfire.

## 4 Basketball Teams in Festival

Four Mid Island basketball teams: Hicksville, Farmingdale, Bethpage and Plainville will take part in a Holiday basketball Festival on Jan. 2nd and 3rd.

At Hicksville on Friday Jan. 2, there will be a double-header. The first game will start at 7:30 P.M., with Bethpage playing Plainville. Following it, at 9 P.M. Farmingdale will play the host, Hicksville.

On Jan. 3rd at Farmingdale the loser of the Bethpage vs. Plainville game, and the loser of the Farmingdale vs. Hicksville game will play.

## FIREMEN RESCUE HEAVY TRUCKS FROM BURNING GARAGE

WHEN FLAMES swept the garage of Preferred Transmix Concrete Co. in the pit at Duffy and Charlotte Avenues, Hicksville, on Saturday afternoon, the volunteers drove six of the heavy concrete mixer trucks out of the structure and moved about a dozen other trucks in the immediate vicinity out to safety. Picture on HERALD front page shows one of the trucks crashing out of the 60x100 building.

ing thru the front doors. Above are other views at the same alarm where damage was estimated at \$30,000. Max Fehr, president and general manager of Preferred Transmix Concrete, today paid tribute to Chief Medard Ofenloch and the members of Hicksville Fire Dept. for their prompt action which kept the loss at a minimum. (Herald photos by Frank Mallett).

## Little Rest For Firemen Over Holiday

(Continued from page 1)

Christmas Day found the firemen answering two more calls, the first being a bedroom fire in the home of James Zellman, 41 Admiral La., and the second at the Dr. S.M. Berkowitz residence, and office 415 Jerusalem Ave. (see photo, page one).

The first call on Dec. 26 was from the home of Ed. Purcell, 14 Petal La., to extinguish a bedroom fire. The next was to put out a fire in the very same sanitation trucks on Dec. 24 and in the same area, this time opposite Salem Rd.

An investigation at 117 B'way disclosed an overheated boiler due to the lack of water. They next answered an alarm from the Mid Island Bowling Alleys on No. B'way.

and found the front seat and floor mat of the 1950 Ford owned by Charles Zolo, 14 Linden Pl., Glen Head, afire.

The final call for Dec. 26 was from the Montana Realty building at 115 No. B'way, where an exploding salamander created a blaze.

The Fire Dept ambulance on Dec. 26 transported Marie Daneke, 54, of 16 Elwood Dr. to Mid Island Hospital, Bethpage.

Most spectacular fire of the period was the office - garage of Preferred Transmix Concrete in the pit at Duffy and Charlotte Avenues. (See photos pages one and nine in this issue). That same evening the volunteers put out a fire which gutted a small building behind the Rainbow Restaurant at 159 Broadway. This structure served for a

time as the office for the MID ISLAND HERALD in its early days.

Sunday, Dec. 28, the firemen were called to 4 Ridge Court to administer first aid to Mrs. Jean Chassin who, it was reported, accidentally scalded her leg with hot coffee.

The firemen received a first aid call to administer oxygen to two-year-old Zachary Miller of 130 5th St. on Monday, Dec. 29. There was a grass fire on the afternoon of Dec. 29 at the P.L. Andrews factory.

Miss PAMELA BALDING and Miss GEORGIE WILMERDING, freshmen at Bradford Junior College, Bradford, Mass., are at home for the Christmas vacation. Miss Balding is the daughter of Mr. and Mrs. Dor Balding of Old Westbury.

## DONATE TO FUND

The Executive Committee of Pack #291, sponsored by the Trinity Lutheran Church, at their last meeting voted to turn over a \$25.00 donation received from the Trinity Lutheran School Parents Teachers Friends Association, to the school expansion fund.

James Byron, with the help of Al Innes, Mrs. Helen Armstrong and Mrs. Evelyn Cornell are in the process of completing preparations for the annual Blue and Gold Dinner to be held in February.

The Pack will whole-heartedly participate in the "Pride in Old Glory" campaign starting February 15th. Cubs will sell the new flags with the forty-ninth star. Selling procedure will be released at a future date.

John Marshall, "Ideas Chairman", with the help of James Byron and Bill Johnson have great plans to keep the Cubs busy for the coming year, but need help. If anyone has constructive materials such as toys, games, arts and crafts sets, books, etc., that they no longer have any use for, whether they need repairs or not, is invited to contact John Marshall at IVanhoe 9-6122.

## CUBS MAKE PLANS

The Committee of Pack 422 held its regular monthly meeting at Woodland Ave. School on Monday, Dec. 8. Plans were made for the Christmas Party to be held on Dec. 19 and for the Blue and Gold dinner to be held on Feb. 15. Plans were also made for the January and February Pack meetings.

The Christmas party is to be held in the Seaman & Elsemann Building, Hicksville. A large attendance is expected including the younger brothers and sisters of the Cub Scouts. Santa Claus will be on hand to present gifts to each child.

The Blue and Gold dinner is to be held at Henningsen's Restaurant at which time the new Charter will be presented. The dinner is for the Cub Scout's and their fathers plus invited guests.

The theme for the January Pack meeting is to be devoted to "Exploring Space" at which time a movie will be shown and skits presented by two dens.

The theme for the February Pack meeting will be "Amateur Talent Night".

## VISIT VET HOSPITAL

Troop #433, sponsored by the Levittown-Hicksville Elks made their annual Christmas visit to the Northport Veterans' Hospital. Thirty-six Scouts and eight Leaders from the Troop, which meets at the Fern Place School, Plainview, made the trip.

The Troop delivered over five thousand assorted magazines and books as a "good turn". The trip is arranged and managed by the boys themselves, according to Ed Kilgus, Scoutmaster. Here are the patrols and the patrol leaders who took part: Apache - Mike Colub, Comanche - Ed Kilgus, Cheyenne - Bill McDaniels, Mohawk - Geoffrey Colton, Pawnee - Phil Weiner, Sioux - John Pierson.

CUB PACK 375 of Hicksville held its annual Christmas party, on Dec. 16 in the basement of St. Stephen's Lutheran Church. Music was provided by the committee and Christmas carols were sung by cubs and their families. Den #4 conducted a Christmas invocation and opening flag ceremony.

Cub Scout Bingo was played and Den #4 was awarded the traveling game trophy which will be displayed in the den for the next month. Three boys were graduated into the Webelos Den. The Webelos badge was awarded to Bruce Meier, Howard Schadt, and Richard Fortgang.

In cooperation with the Hicksville AmVets we were fortunate to have Santa Claus take time out from his busy schedule and pay us a visit. Individual dens planned and set up their own parties at the close of the evening. A happy and joyous time was had by all as Pack 375 brought its activities to a close for the year 1958.

## PACK 291 MEETS

Pack #291 held their monthly meeting on Tuesday, Dec. 11, in the gymnasium of Trinity Lutheran School, 40 W. Nicholas St., Hicksville. Cub Master Bill Murphy and Assistant Cub Master John Stevens held induction ceremonies for two new Bob Cats, William Krumm and Robert Baber.

Merit Awards were distributed to David Griese - Lion Badge, Gold Arrow, Silver Arrow; Ronald Penelli - Lion Badge, Gold Arrow; and Dennis Frederick - Lion Badge.

After the formalities of the Pack Meeting, Cubs along with their parents participated in various games - Brooms and Balloons, Musical Hats, and Dowl Sticks. After the games the Cubs sat in a semi-circle in Indian fashion and, under soft lights, sang Christmas Carols. During the singing of Jingle Bells, Santa made his appearance. The gifts the Cubs received will be used as a "Den Project."

On behalf of Pack 291, Santa presented gifts of appreciation to Den Mothers, Mrs. Olga Gross and Mrs. Irene Gropp, who are retiring after more than two very active years. Gifts were also given to the current and very hard working Den Mothers.

The Executive Committee wishes to thank Mrs. Edna Reiger, Mrs. Marion Horst and Den Mother Mrs. Dorothea Spadaro for their efforts in the purchasing and wrapping of gifts that were distributed that evening.

## Match Dog Show at Plaza

The Suffolk County American Kennel Club announced that it has made plans for the staging of an AKC sanctioned Match Dog Show at Mid-Island Plaza on Sunday, Jan. 11. The show is open to all pedigreed dogs holding three or less championship points. As a special attraction there will be a pre-Garden warmup for dogs holding any number of points other than champion. This will be run as part of the Match Show at Mid-Island in preparation for the Madison Garden Show of Feb. 9 and 10.

There will also be a Junior Handling Class for youngsters with no open wins up to 16 years of age, including dogs holding champion. Registration will take place at the Show, which will be held in the Plaza's building #9, directly opposite Sachs, starting at 12 noon and lasting to the time of judging in each category.

There will be a special open class for judging at 4:00 p.m. Registration will be \$1.50 for non-members, and engraved trophies, ribbons, and rosettes will be awarded all the way through. There will be no admission charge to spectators.

## QUARTER CENTURY SERVICE WINS CITATION

WILLIAM L. GEYER of 21 Grove St., Hicksville, (left suit) was honored at the annual Christmas party of the Flush-Metal Partition Corp held at the Queens Chamber of Commerce building on Dec. 22. In making the award, Corp President Nathan Schooler paid tribute to Mr. Geyer's integrity and knowledge as a sales engineer with the firm for 25 years, de-

claring that in working with architects and contrac-  
tors in the building industry, "Mr. Geyer has gained  
their confidence and their respect for his knowledge  
and experience in this specialized field." Left to right  
are Jerome P. Schooler, assistant to the president;  
President Schooler, William L. Geyer, guest of honor;  
and Morris Schane, vice president. Mr. Geyer is well-  
known in Hicksville for his civic endeavors.
