Propose Shift in Hicksville-Jericho Boundary

NORTHERN BOUNDARY of Hicksville School District may soon be moved south to the Northern State Parkway as indicated by the hatch-marked area on the above map. The Hicksville Board of Education at its meeting on Dec. 26 adopted a resolution approving the change which must also be approved by Jericho School Board and the District Superintendent. Section marked with "A" is part of the

newest section of Birchwood Park where more than 45 homes will be built. Effectively barricaded by the State Parkway, these homes would provide Hicksville with a perpetual transportation problem for students in the area, it is said. It is reported the Jericho School Board is agreeable to the boundary line shift. Solid black line at top of map indicates the present District line. The Township line is at the left.

Double Eagles for Troop 293

Boy Scout Troop 293, sponsored by the Hicksville Methodist Church, held its quarterly Council of Honor recently in the Church gymnasium. After he always impressive opening ceremonies, with tenderfoot tap-out and Indian procession, awards were presented. This was climaxed by presentation of Eagle Awards to Thomas Rauter and Eric Beshore, two of the Troop's junior leaders. This, the highest award in scouting, was presented by Hartley Kroul, Arrowhead District Scout Executive.

The following Tenderfoot Scouts were initiated into the Troop in an impressive Candlelight Ceremony: George Huckaby, Patrick Hortnett, Craig Sturgis, David Crosby, Ira Kleinrock, Raymond Nelson. Scouts Yberg, Wafer, Struzzi, James and Parker were promoted to Second Class rank. George Frey

received his First Class badge. Steven Kessler, Rickey deJongh and Charles Hassell achieved Star rank.

Troop 293 has the reputation of being the "hikings" troop in the District. To continue this tradition, the following hiking awards were given:

- 60 Mile Scouts - Frey, Himmelstoss, Kanawada, Tacey, Paulsen, M. Kleinrock, Koch, LaSalle, Beshore.
- 120 Mile Scouts - Hamilton, Carpenter, Hassell.
- 180 Mile Scout - La Date
- 200 Mile Scout - Rauter.

The Board of Directors of The Meadow Brook National Bank of Nassau County, voted Jan. 2 to pay a dividend in cash of 75 cents per share, payable on Jan. 23, 1959 to stockholders of record at the close of business on Friday, Jan. 16.

Ernenwein Is Bank Official

The Directors of The Long Island Trust Co., Garden City, at their regular meeting held on Dec. 30 announced the appointment of Harry Ernenwein of Old Bethpage as Assistant Secretary. He will also be Manager of the Garden City Park office.

Ernenwein, well known in and around Nassau County, spent 22 years with The First National City Bank of New York. He was Secretary-Treasurer of The Keystone Glass Manufacturing Co. Inc. and President of Hicksville Estates Inc.

He also served as a Trustee on the Board of Education in Hicksville, and was Manager of the Hicksville office of the Governmental Statistical Corp. for a three year period.

Steady Gain Annually:

504 Concerns Puts Us 5th In County

The community of Hicksville has climbed up to fifth place among the top ten communities in Nassau County with reported businesses as of this month, according to a tabulation by Dun & Bradstreet Inc. Hicksville was in 7th position in 1958. The community has 504 listed businesses as of the first day of the New Year.

First in the tally for Nassau County is Hempstead with 670 business, followed by Freeport with 592. Both communities held the same positions last year.

Valley Stream has moved up from fourth to third with 547 business, and Great Neck has dropped from third to fourth with 540 concerns.

In Suffolk County, Babylon is rated first for a second year with 588 businesses. Second in Huntington Station with 529, Bay Shore is third with 445.

Thus Hicksville in the combined Nassau-Suffolk region would be eighth, topping such areas as Rockville Centre, Huntington, Riverhead, Patchogue, Garden City, Westbury and Levittown.

"Hicksville made the most pronounced advance (in Nassau County) in the past year, moving from seventh to fifth position", a spokesman for Dun & Bradstreet noted. "Hicksville has shown a steady gain annually for the past few years."

Not included in the tabulation are some of the service and professional businesses such as beauty and barber shops, and stock and real estate brokers.

The statistics are from the January 1959 edition of the Dun & Bradstreet Reference Book which

The rating consists of two symbols - the first, a letter representing financial strength or net worth and the second a number which reflects a composite appraisal of the capacity, character of management and the manner in which the firm retires its obligations.

Add Your Tree To Burning

This Sunday, Jan. 11, at 2:30 p.m., the Second Annual Hicksville Burning of the Greens will take place at Mid Island Plaza. This is a big event of the year when all the discarded Christmas trees and decorations go up in smoke and flame. Originally an old English ceremony, the "Burning of the Greens" in recent years has developed as a public service and safety campaign for the purpose of reducing fire hazards in the homes and on the streets.

In ancient times the Burning of the Greens took place on the day of Epiphany, when the Lord of the Manor and his servants carted the greens that had hung in the great hall, to a pile, and set them afire, while all under his roof sang songs and feasted. The Feast of Epiphany, sometimes called

the 12th night, commemorates the visit the wise men made to the Christ Child at Bethlehem, and although not observed for many decades, of recent years this custom of Burning of the

Mrs. A. Nenninger and family wish to extend their thanks to the Reverend Clergy and all Societies of St. Ignatius Church, Hicksville; also the staff of Stock's Funeral Home and the officers of Nassau County Police force including friends and relatives who were so kind during their recent bereavement.

DAUGHTER ENGAGED

Mr. and Mrs. Walter J. Williams announce the engagement of their daughter, Dianne, on Christmas eve to Thomas Hefferman of 49 Hollywood Dr., Levittown. The wedding is planned for April 4.

DEAR JEAN....

Dr. WALLACE E. LAMB, superintendent of schools, is on two weeks vacation deferred from last Summer. ANTHUR ISAKSEN has been nominated by Co. 5 for the office of Hicksville Fire Dept. secretary in the April elections. Registration for the spring semester evening courses at Farmingdale Aggie school takes place from Jan. 22 to 24 at the main campus on Melville Rd. Ladies Auxiliary of Hicksville Police Boys Club has been given permission by the School Board to stage a fashion show in Hicksville Junior High in March. FRANK D. O'CONNOR, Queens DA, has accepted the invitation to be Brotherhood Weeks Chairman of Queens-LI for 1959. The week will be observed Feb. 15 to 22. We read in the High School newspaper, The Comet, that MABEL QUINLAN, switchboard operator of Hicksville Schools who died in Dec. 9 had just completed playing her annual role of Santa at a Christmas party of the Educational Secretaries Assoc. when she was suddenly stricken. BOB BARASH is now editing a Hempstead newspaper.

Our sincere sympathy to the GUERRIERE family of Eight St., Hicksville on the death of their father, Frank who passed away on Jan. 1. Also to the DIFILIPPO'S of Bethpage on the loss of their Dad who died on Dec. 31. Also to RICHARD MAYES of Oyster Bay Cove on the death of his wife, JOSEPHINE.

The ROBERT NEDER'S of Grove St., Hicksville, celebrated the New Year with a party for friends at their home. Congratulations to the JOHN MCNEILS of 53 Bridge Lane, Hicksville, who celebrate 24 years of wedded bliss on Tues., Jan. 13. The PAT GILCHRISTS of Frances Lane, Hicksville celebrated their 17th wedding anniversary on Christmas Day.

The Glen Cove Hicksville League of Mercy Hospital met yesterday at the Brookville Country Club with luncheon at noon.

The efforts to organize a citizens group in Hicksville - Levittown area to curb indecent literature has been dropped. Twenty-two visitors are due in Hicksville on Feb. 17, 18 and 19. The committee from the Middle States Assoc. of Colleges and Secondary Schools will be here to evaluate the Hicksville Senior High School. A dinner meeting for the visitors, school administrators with Hicksville School Board is scheduled on Feb. 16 for the organization of sub-committees. The School Board back in Sept. authorized High School Principal LEON GALLOWAY to invite the committee here. Grand Union Co. has acquired control of Sunrise Supermarkets. We hear, unofficially, the Red Cross is planning to open an informational centre in Hicksville. The Oyster Bay Town Board is prepared to buy, at a cost not to exceed \$50,000 (including allowance for renovations in the structure for town government purposes) the former office of Meadow Brook National Bank which the town is now renting as an annex. Daily press reports that Hicksville Democrats are steaming because BILL McCAPFREY, three-time unsuccessful Assembly candidate, and not a local attorney, was named law assistant to Supreme Court Justice PITTMAN. The yes-noes verdict to show the old Charlie Chaplin flickers was hailed last week, believe it or not, as a "victory for democracy". A reader comments that the true victory for democracy will be noted at the annual school library trustee elections in May and wonders how many of the 700-odd who signed the petition for the films will try to crowd into the library auditorium to see the movie.

\$13 Million in Bonds to Pay Off

While Hicksville School District on Jan. 1st of this year paid off the last \$15,000 on its 1922 High School Site and Construction bond issue of \$365,000 it still will be paying off approved bond issues until 1986 -- or 27 years into the future. The District as of Dec. 31, 1958 as \$13,188,000 in bonds to pay off. All together there are 19 bond issues remaining, including the 1950 Public Library Site and Building issue of \$40,000 (with \$8,000 unpaid) and the 1957 Public Library Addition of \$312,000 (with \$298,000 to go.)

FORMER BANK OF HICKSVILLE building on Broadway at the RR crossing, opposite Herzog Pl., will be acquired by the Town of Oyster Bay for use as an annex of the Oyster Bay Town Hall. The structure, mostly recently the Hicksville office of the Meadow Brook National Bank until their new three-story building was erected, is currently being rented by the Town.

READER OPINION

ANSWER TO OUR DISSENT

To Howard Finnegan
While presented, I'm sure, in an effort to enhance Hicksville in sports I'd appreciate it if you'd read a few lines I disagree with in your recent column on Hicksville Kiwanis and their sponsored basketball team. The organization of this team is not based on any "carpet-bagging theory" of collecting out-of-town players and "giving them the run of the show." Eight of the 12 members involved in league play now live in Hicksville. The other four members are good friends or past associates and ex-teammates of the Hicksville contingent.

If we could provide a group composed entirely of Hicksville basketball players, that would be ideal. However, word was spread throughout the community of the intention of forming a Hicksville team and, while the general public may not have heard of it, anyone connected with basketball was informed through contacts with mutual interests. We did not hear from many well-known basketball players from the area because they no longer are the aggressive competitors they once were. Talent of the past is now saddled with business or marital responsibilities.

SHOE
REPAIR

The freezing weather brought an outbreak of fires in home heating equipment, and six such incidents were among the 13 alarms answered by the Hicksville Fire Dept. during the period of Dec. 30 through Tuesday, Jan. 6.

On Dec. 30, they were called to the residence of William J. Collins, 200 Brittle La. and discovered that the boiler attached to the oil burner was ready to explode, apparently due to lack of water.

James Pucklers of 36 Garden Blvd. called them on Dec. 31 to put out a fire in his 1955 Ford, which was ablaze inside the garage. Upon arrival the volunteers pulled the car out and found that the fire had been confined to the inside of the car and that it burned itself out after completely destroying the seats and upholstery.

The firemen put out an oil burner fire at the home of Sidney Kalmaer, 113 Spindle Rd. on Jan. 1, and later that day were called to Chandler's Shoe Store in the Mid Island Plaza to put out a fire caused by a pocket-book which has been resting across the light fixture. They were next called that day to Allied Shopping Centre on Jerusalem Ave. to put out a refuse fire at the rear of the delicatessen.

On Jan. 2, they were called to the Fairhaven Garden Apts., on Richard Ave., where a roast left on the stove, while occupants of the apartment were out, had burned away. They were also called to the home of Mrs. Jacobs, 85 Spindle Rd., that day on report of an oil burner fire, and upon arrival found that it had been extinguished, but checked the burner for safety.

The next oil burner fire alarm came the next day, Jan. 3, from 43 Beech La., Irving Zuckerman; and on Jan. 4, an overheated stove in the residence of Henry Alkey, 169 Miller Rd. called them out.

There were three alarms on Monday, Jan. 5, the first at 6:01 a.m. from H.B. Schwartz, 63 Arcadia La., for an oil burner fire; the second a grass fire on Holman Blvd., and the last at 6:01 p.m. from the Salton Food Center, 270 Old Country Rd., where a heater motor was afire. Tony Verdi is the store manager.

The final call of the period came

from Leonard Smith, 59 Spindle Rd., for an oil burner fire.

BURNING OF GREENS

(Continued from page 1)

Greens has been revived in many of American cities. Not only to officially mark the end of the Christmas season, but also to forestall the littering of communities with highly inflammable trees, wreaths, and other decorations.

Hicksville Police Boys Club members will conduct a house to house canvass tomorrow (Fri.) and Sat., Jan. 10, collecting Christmas trees and greens.

Residents who are not at home, or who have not been contacted are asked to bring their trees to the vacant plot on the east side of N. Broadway directly opposite the gas station at Mid Island Plaza.

CURRENT COMMENT: READER OPINION

Broadway Needs Traffic Control

BY FRED J. NOETH

COMMENT made recently in another section of the **HERALD** regarding traffic movement on Broadway, brought considerable response. The suggestion made been made that traffic be halted on every corner when the signal is red to give the fellow on the side street a chance.

"We agree with you", writes one reader. "Broadway is very unsafe to cross. One has to wait his chance to dart between speeding cars. Traffic is heavy and the speed limit should be reduced. Either traffic lights or stop on red signal signs, should be at cross sections to allow cars out of side streets and also give the pedestrian an opportunity to cross Broadway.

"We know people must go to business, but why endanger everyone else's life to get there?"

"We're for any safety measure that is taken to protect our people, especially the children of our schools who have to cross Broadway. Fortunately, we have a good policewoman at Nicholas School corner but what about the other unprotected corners? We want Hicksville to be a safe place to live in and be able to walk across the streets in safety."

The problem here, of course, is the fact that Broadway is a State Highway and the State traffic people do not like to have a lot of traffic signals interrupting the flow of traffic. For this reason, we were advised the last time we checked into it, that the state frowns upon "stop here on red signal" signs for every corner.

We can recall distinctly the vigor with the State opposed a traffic signal at Lee Ave corner. They cited the fact that only five persons had been killed in 10 years as reason why no traffic light was needed.

We believe this would be a worthy activity for our Chamber of Commerce to study and act upon. The efficient regulation of traffic and have a tremendous effect upon local business.

Besides, there are not so many customers that the stores can afford to have them moved down and hospitalized or worse.

and no longer possess the desire nor have the time to become involved with the demands of a league basketball schedule. In other words, would find it difficult to muster a team capable of holding its own in competition as strong as that in which it is presently playing.

You mention that teams of the past such as the Alumni and Lions captured Nassau championships. If you'll check their rosters, you'll find that they, too, had outside performers.

You mention that you realize that outside talent must be utilized in the present - day scheme of basketball, but then criticize the extensive use of these players over some Hicksville residents in the recent Whitman tournament. We try to play all the boys we can and yet win the game, which is the primary reason we take the court.

Let's face it, we are not running a Little League club where everyone must play an equal amount of time. Our team is composed of grown men who realize that everyone doesn't finish on top of the heap. Would you suggest we put in our weaker players after the starting quintet builds up a minor lead? Does any college team representing a school take out players in a close contest to give the bench a chance?

We'd also rather have a team composed of players eager to travel a distance just to play ball and give an all-out effort rather than canvassing the town to find a few unenthusiastic ballplayers who might take time off from other responsibilities only after being coaxed.

Do you really believe that a common bond will develop just because all the participants are from a certain area? Haven't you ever seen such a thing as dissension even on such local clubs as high schools and church sponsored fives?

I think we can assure you that such a thing as a forfeit for reasons other than weather is a non-existent thing amongst the group that today honorably represents the Hicksville Kiwanis.

Income Tax Fax

Your child may have earned over \$500.00 in 1958 and you can still claim the dependency deduction for provided he is under 19 years of age, if he is over 19 years old, he was also a full time student for at least five months of 1958 at an educational institution which normally maintains a regular faculty curriculum and normally has a regularly organized body of students attending, at the place where its educational activities are carried out or if he was pursuing a full time course of institutional or farm training under the supervision of an accredited agent of an educational institution or of a state or political subdivision of a state, and you provided over one-half the cost of his support.

This applies only to your children. That is, your son, daughter, step-son or step-daughter. All other dependents must have earnings of less than \$500.00 to qualify as your dependents.

Your children, if qualified as above, may have earned any amount. They are required to file a tax return if they earned over \$600.00, and are required to pay income tax. They can claim their personal exemption of \$600.00 on their own tax return. They may, if they earned under \$600.00, file an income tax return and claim their own personal exemption of \$600.00 in order to secure the refund to them of any income tax that may have been

withheld from their paychecks. This will not in any way prevent you from also claiming their \$500.00 dependency deduction on your income tax return, provided they meet the requirements above.

You should be sure that you did furnish over one-half the support.

Definition of Support: Support includes food, shelter, clothing, medical and dental care, education, and the like. Generally, these items of support are measured in terms of the amount of expense incurred by the one furnishing such items. However, if the item of support furnished an individual (either by himself or by others) is in the form of goods, services, or other benefits, it will be necessary to measure the amount of such item in terms of its fair market value. In computing the amount of support include amounts contributed by the dependent for his own support and also amounts ordinarily excludable from gross income.

In figuring whether you provide more than half of the support of a student, you may disregard amounts received by him as scholarships.

Magazine Features Richheimer

It was not much over a year ago when Herbert Richheimer, who has his office on Jerusalem Ave., Hicksville, walked into the Federal Housing Administration office in Jamaica, Long Island, and caused a stir. Arnold Nicholson reports in the current (Jan. 10) issue of The Saturday Evening Post.

His article, "Are You Outgrowing Your House?" says Richheimer proposed that the FHA, through its insurance of mortgages, help people improve and enlarge their homes in exactly the same way the Federal Agency has stimulated the building and sale of new homes.

"Why not offer as favorable terms for a loan on a house that is lived in, if he family wants to stay there, but needs a large amount of money to improve the place?" was the question he asked. "This helps the family, the banks and my business, which is home improvements. Why not—especially since the law itself says it can be done?"

As far as the FHA people knew, this was something that hadn't been tried, Nicholson relates, but the idea seemed to make sense and they investigated. A favorable decision followed.

Nicholson says the organization Richheimer has set up to plan, to finance and to deliver a good job, is unique for its size in the chaotic and often bewildering field of home improvements.

He reports this is so because the sale of kitchen components, plumbing fixtures and the like tends to dominate the activity of individual firms, and the homeowner may find himself involved with half a dozen different specialists — architect,

bank, mason, plumber, carpenter and electrician. Guidance all the way is Richheimer's service.

"There's no one in the nation quite like him," Nicholson was told by Don Moore, executive director of the Home Improvement Council, an organization of manufacturers and other leaders in the building trade. "If his approach and 'one-stop' type of operation were available everywhere, homeowners would be living a lot better and I'd be out of my job."

The Post article tells that Richheimer, who began his business in 1951 with a capital of \$57 an who did \$2,000,000 of business in 1958, employs the motto, "Bring me your problem."

The article does not mention the fact, but Richheimer is a member of Hicksville Chamber of Commerce. He was in charge of the Greater Hicksville Festival Days Exposition last Fall.

CIVICS ENCHANT SMALL FRY WITH MAGIC

By Gilbert B. Stein

Close to 300 youngsters between the ages of 5 and 10, songs, films, favors and Gardino the Great Magician combined Saturday, Jan. 3rd at the George Jackson School Auditorium, to provide young Birchwood with an afternoon of lively entertainment.

The youth committee of the Birchwood Civic Assoc. set the stage when Ralph Diamond, chairman, told the enthusiastic audience that this was their New Year's Party. From the first shouts of "Happy New

Year" at about 1:30 PM to the last trick performed by the Great Gardino shortly after 3 PM, our local five to tenners were kept laughing, howling, amused and delighted.

THE VILLAGER no doubt expresses the feeling of the entire audience, when we say "Thank you" to all the volunteer members of the youth committee for helping to make this party so much fun, as well as to the Birchwood Civic Assoc. for footing the bill.

33 Seeking Civic Positions

THE VILLAGER has learned unofficially, that as of Jan. 3, a total of 33 residents of our community have filed petitions with the secretary of the Birchwood Civic Assoc., indicating their intention to run for the seven positions as officers and the 18 positions as members of it's Board of Directors.

The deadline for filing these positions expired on Jan. 7. The annual elections of officers and members of the board of directors will take place on Feb. 7 at the new Fire House, Broadway-Jericho. Voting will be between the hours of 1 PM and 10 PM thus enabling all of our 1300 Birchwood members-residents to cast their votes at a time convenient to them. The Civic Assoc. is planning to hold a gala social on the evening of this Election Day, Feb. 7th at the beautiful ballroom of the new Jericho Firehouse.

THE VILLAGER in it's next issue will print the names of all candidates seeking civic office. We shall also advise our readers of all details pertaining to the Feb. 7th election-social affair.

Hold Auction On Wednesday

The Levittown Extension Service will hold an auction on Wednesday night, Jan. 14, at 8:30 PM at Levittown Hall on Levittown Pkwy., Hicksville. All are invited for an enjoyable evening. Annual dues of \$2 entitles member to take all courses. Among courses being given in January are: (1) wool slacks and Bermuda shorts, (2) little girls' dresses, (3) buttonholes, (4) pattern alterations, and (5) reupholstering chairs.

The Suffolk County Kennel Club will hold an All-Breed Sanctioned Match Show in the spacious Building No. 9 of the Mid-Island Shopping Plaza in Hicksville, this Sunday, Jan. 11.

No Delay in Answering

By George J. Frankel

The Civic Association has been assured that there was no "undue delay" in the response to the fire alarm last December on Fountain Lane.

Because of rumors that there had been a delay in responding to a fire alarm on Dec. 7, at 15 Fountain Lane, a committee of the Civic Assoc., consisting of Ralph Diamond, Horace Bernstein, and the writer, met with Willard E. Thompson, Chairman of the Board, Syosset Fire District, at the Syosset Fire House on Dec. 13. Mr. Thompson assured the committee that the alarm was answered promptly. He promised, however, that a further investigation would be made, and the results reported to the Civic Assoc.

In the report, the Board stated that they were unable to determine that there was any undue delay in responding to the fire. It stated that in a discussion with Mr. Goldberg, owner of the house in question, it was indicated that the Jericho Fire Dept. had been called first. Jericho had informed Mr. Goldberg that his property is in the Syosset Fire District. Jericho did, however, call the Syosset Fire Dept. and also sent a truck to the scene.

The Syosset Fire Dept. responded within minutes of the call, sending four trucks and approximately 70 men to the scene of the fire.

The Civic Assoc. wishes to inform the community that, in case of fire, the "F" section of Birchwood is in the Syosset Fire District, and the Syosset Fire Department should be notified; the rest of Birchwood is in the Jericho Fire District, and the Jericho Fire Dept. should be summoned.

Mr. Thompson stated further that the public can cooperate with the Fire Dept. by yielding the right-of-way to volunteer firemen answering alarms (blue lights on cars), by staying 300 feet behind fire trucks, and by avoiding driving near the scene of a fire.

CENTER INVITES

The Congregation of the Jericho Jewish Center announces that its first meeting of 1959 will be held at the Robert Seaman School on Jan. 14 at 8:30 P.M. Free color movies, door prizes and refreshments are all part of the agenda. This meeting is open to all members and friends of the center and there will be a full progress report for 1958 in addition to the building committee's report on the start of the temple's new building to be erected in Spring 1959.

Township Collecting Garbage

As of Jan. 1st, the Sanitation Dept. of the Town of Oyster Bay has officially taken over our local garbage and refuse collection. Although all homeowners were notified as to the rules, regulations and collection dates by Louis Kappstatter, Commissioner of Sanitation, THE VILLAGER in response to a number of requests is again listing collection days for our Birchwood at Jericho Community. Garbage will be picked up on Tuesdays, Thursdays and Saturdays. Refuse will be

picked up on Saturdays. The hours for collection will be between 7 AM and 3 PM.

There will be no pick up on the following holidays: New Year's Day, Lincoln's Birthday, Washington's Birthday, Memorial Day, Independence Day, Labor Day, Columbus Day, Valentine's Day, Thanksgiving, Election Day and Christmas Day. Whenever collection day falls on any of the aforementioned garbage will be picked up on the following regular pick up day.

Birchwood Residents to Hear Three Town Officials Jan. 15

The next general membership meeting of the Birchwood at Jericho Civic Assoc. will take place at the George Jackson School auditorium on Thursday evening, Jan. 15 at 9 pm sharp.

The theme of the meeting will be "The Town We Live In". Three prominent speakers will address Birchwoodites on topics which should prove of outstanding interest to all local homeowners. The speakers will include the Hon. John J. Burns, supervisor of Tobay; Henry M. Curran, Town Clerk; and Benjamin Zipper, Councilman. These gentlemen will talk on the workings of Township government, the Town Clerk's office and there will be a discussion of the new law pertaining to Bingo in Nassau County. Your Civic Assoc. Board of Di-

rectors planned this program because of the many questions fellow residents have pertaining to where our tax dollar goes, what it is being spent for, and by whom.

The meeting will also allow for short reports by various committees of the Assoc. and the floor will be open for any new business by the membership in attendance.

This is without doubt going to be one of the most interesting, informative and topical meetings ever held in Birchwood at Jericho. We suggest that our 1300 member residents make arrangements now to enable them to attend on Jan. 15. The unusual amount of interest this program will stir up in this community should guarantee that the George Jackson School Auditorium will be filled to the last seat.

Bohemians Plan Madcap Affair

THE VILLAGER has learned exclusively from a most reliable source, of plans underfoot by the Birchwood Art League of our Civic Assoc., to hold, what can best be described as an "off beat affair" which kicks to it. Under the label "1st Annual Beaux Arts Ball", some 300 of the most lively local residents will be afforded an opportunity on Saturday night, Jan. 24, to let off steam, lose inhibitions and enjoy one night of fun, dancing, games and entertainment which promises to make local history.

THE VILLAGER's own gossip columnist, Florence Berger, author of "Hear and There" has enlisted a squad of reporters to cover every nook and corner of the Levittown Reform Temple on Carmen Ave., in Westbury come Jan. 24. In plain English, this promises to be a "humdinger".

We have learned that Sy Mann and his famous T.V. orchestra will play

danceable music, while our own Jerry Newhouse as M.C. will officiate over a host of entertainment. In view of this it may be anticlimatic to report that a midnight supper and highballs will be served.

Each Beaux Arts Ball has its individual theme. Birchwood at Jericho has picked the theme of "Lunatics and Lovers". All participants are asked to appear in costume (if at all possible, though this is not obligatory) there will be no holds barred within the realm of good taste. Many participants will compete for door prizes and the grand prize.

To make this ball a memorable one in every respect, tickets have been limited to no more than 300 persons. They are priced at \$10 per couple and of the 150 tickets which have gone on sale the past weekend, not too many remain unsold. Better phone Blanche Karpel now at OV 1-4505 or OV 1-4780.

Cubs Sponsor Bike Safety

By Miriam J. Frankel

Our Cub Scout Pack 129, Jericho has just won a National Safety Good Turn Award from Nassau County Council by completing a campaign to create safe bicycling habits among its boys. On Friday, Nov. 27, at the George A. Jackson School, the Pack held an inspection of all bicycles owned by Cub Scouts to be sure that each bicycle was properly equipped with a headlight, a rear reflector, and a horn in accordance with the new New York State Motor Vehicle Law.

In addition, the boys took a written test to be sure that they understood the rules of the road governing bicycle drivers. Finally, the boys received a regular driving test to be certain that they can handle their

bicycles safely and that they signalled correctly, and obeyed all traffic rules and regulations. Approximately 20 Cub Scouts, one Boy Scout, and two other boys satisfactorily completed the test and received merit awards for safe bicycling. The pack will run the test again in the Spring for other Cubs who wish to qualify for the award.

The Pack Committee wishes to thank Ed Livingston of the Committee for arranging the program, Officer Rayn of the Hicksville Precinct, Nassau County Police Dept. who helped conduct the test, and the Town of Oyster Bay Highway Dept. on Miller Road for the use of their barricades for the test.

Jr Red Cross Finishes Project

The Robbins Lane School American Junior Red Cross Committee has completed its drive for candy and cigarettes for the Veterans' Christmas stockings. The teacher advisor, Mrs. Sybil Weill, with the committee consisting of Leslie Silbermann, Chairman, Steven Schwartzbach and Maurice Teich collected over 15 cartons of gifts for the deserving cause. These gifts were contributed by the children in Grades Kindergarten through sixth. Mrs. Davis, Syosset representative of the Junior Red Cross, expressed her gratitude for such a big response to the call for assistance.

The Robbins Lane Art Club, under the direction of the art teacher, Mrs. Marcia Meyers, presented a beautiful puppet show entitled "Wonders of Storybook Land." The puppets were made and dressed by the members of the Art Club. The Glee Club, under the direction of Mr. Greenberg, the music teacher, sang three Christmas songs.

Christmas trees and Christmas parties along with a visit from Santa Claus made the afternoon a merry one. The parties on Dec. 23, were sponsored by the Room Representatives of the Robbins Lane Parent-Teacher Assoc.

Winter Is Here --- And How

Winter officially arrived Dec. 21 and Long Islanders were well aware of that fact for the week preceding and following that date, according to the latest statistics of the

Oil Heat Institute of Long Island Weather Service. The two week period from Dec. 15 through Dec. 28 showed an average temperature of 29 degrees.

EDITORIAL NOTE - The staff of the VILLAGER, composed of unpaid volunteer-residents of this community, has tried to be helpful to all organizations by printing news releases and publicity as a public service.

This column, CALENDAR OF EVENTS, was initiated to serve this particular purpose. Our Reporter, Muriel Sugarman has found it to be an impossible task to have to phone the publicity chairman of each group time and again in order to obtain information which if and when printed will be of help to these organizations. We respectfully suggest, that if local groups wish to have their events listed in this column, that they phone such information to Mrs. Sugarman at OV 1-5910 (63 Hazelwood Drive) no later than one week before the publication of each VILLAGER.

Art, Artists and Art League

By David Mark

Each of us feels sure that given a little room, we could spread our wings and send our hidden talents into free flight. Your reporter no longer deludes himself with this free fancy and has learned to be content with more earthy skills. But there are a few dozen of our neighbors, who, with an investment of some time and dollars, have reaped hours of pleasure and knowledge in the fields of art.

The Art League, sponsored by our Civic Assoc. provides professional instruction in painting and sculpture at the old fire house. Two months ago, we decided to resurrect our old do-it-yourself Picasso kit and registered in the Wednesday evening class in oils. (The advanced class, yet.) Now no kindergarten ever entered a classroom more shyly, but thirty minutes of note comparing with other besmoked students found us discussing techniques, perspective, and brush strokes with professional aplomb. No knowledge, but lots of aplomb.

Our instructor had arranged a still life setting. We repaired to our easels, prepared our palettes, cast a last nervous look around at our neighbors, and applied paint to the canvas. Approximately 1450 brush strokes later, the painting was done. The instructor had been visiting each easel in turn, making a suggestion here and there, and answering questions. He arrived at our easel as we finished the last stroke.

The reader may expect, at this time, a report of the discovery of a brilliant new artist. He will be disappointed. Or he may expect an exalted description of the personal ecstasy that fires an artist as he creates his masterpiece. This too, is beyond your reporter. But he did learn to endure the valid criticism by which an amateur profits from a pro.

A birdie at the 18th hole is a wonderful morale booster for a

disheartened golfer, and, as the saying goes, brings him back the next week. Words of praise from an art teacher to his student have the same effect.

The succeeding weeks found us learning, not only from our instructor, but from each other as well. The remarkable thing about any art form is the infinite variety of interpretations that may be brought to it. With no reputations to protect, students are not averse to borrowing ideas and techniques from each other and improving upon them, if possible. We had observed, for instance, another student's expert manipulation of a painting knife, and her brushless renditions, had left us in a lather. This technique seemed so fascinating that we asked to be instructed in it; we are beginning to appreciate that knives are not only simple tools with which one learns to eat sweet peas.

Each week, before class begins, we stroll around the old building to look at the work left by the other groups.

The progress in the sculpture room may be the most apparent. Here, the shapeless lumps of clay deposited on work tables two months ago have become transformed into recognizable, (and in most cases) eye-pleasing forms. Each clay figure has become, week by week, a growing measure of a student's progress.

And this is the measure which governs all of us. Effective progress can be made only with the aid of competent professional instruction. The Art League has provided this, and has made considerably easier, the opportunity to experiment, to learn, to enjoy experiences in art that are new to most of us.

Ed. Note: For information regarding the Art League and its activities phone Al Ross WE 8-6948 or Jean Rosenthal WE 8-8170.

Name Yuletide Rec Winners

Hicksville School Recreation Program is settled down to its regular school year program after the high-spirited holiday fun, the school vacation found Hicksville elementary children at seven of the schools, four days a week, absorbed in various sports, games, arts and crafts and twirling instruction.

On Dec. 27, the First Annual Doll Show claimed almost 100 excited contestants. The winners for each category were:

Baby Dolls - 1st Mary Ellen Hill, 2nd Mary Donohue, 3rd Vicki Muskat.

Foreign Dolls - 1st Ellen Fischman, 2nd Margo Arbatowicz, 3rd Vicki Muskat.

Special Dolls - 1st Susan Boron, 2nd Christine Labauch, 3rd Clair Cooperburn.

Teen Dolls - 1st Perry Sherrand, 2nd Joan Cornwall, 3rd Barbara Kass.

Formal Dolls - 1st Karen Jo Hanson, 2nd Ellen Moskowitz, 3rd Judy Peterman.

One of the happiest little ladies in town was Barbara Yberg of the Lee Ave. School who won the grand prize for the Most Appealing Entry. The prize was a very beautiful bride doll, handmade and donated by Mrs.

Kenneth Bliss of Freeport. Three prominent ladies of Hicksville served as judges: Mrs. Roy Neuberger, Mrs. Jerome Zettler, Mrs. Henry Lensky, who are to be commended for a fine job.

Meanwhile the Annual Train Race Finaler held at Mid-Island Plaza, was filled with young "engineers" and their "train men" fathers. The final winners were: Bruce Yattras, John Coffey, Bill Hartwick, Richard Altman, Paul Imhof, Matthew Kaplan and John Kulier.

Teenagers played a prominent role in the festivities on Dec. 27th as they danced at the "Snow Ball" to the music of the "Tempo". Teen centers were open every Friday night throughout the holiday, with the high school sports center in full swing four mornings a week under the direction of Edward Petro. The success of the program indicated a need for an expanded holiday program in the coming years.

Mr. and Mrs. John McNeil of 53 Bridge Lane, Hicksville, will celebrate their 24th wedding anniversary on Tues., Jan. 13. The McNells plan a celebration dinner and theatre party in New York City with their children, Johnny, Jr. and Patricia Ann.

Seek Applicants

Hicksville School Dist. Recreation Dept. announces an opening for the position of full time program coordinator due to the resignation of Mrs. Patricia Schwartz, who is leaving for maternity reasons.

Senators Push Back Red Sox

By Bill Sakal

Two weeks ago the big question was "Can the Red Sox hold on?", and this writer had expressed doubt that they could. The question has been answered as the Senators continued their winning streak to jump into top spot, pushing the Red Sox back 1/2 a game. The Braves jumped over the Orioles into No. 3 position, only 2 1/2 games out of first, and could become a serious threat to the Senators. However, based on their past performance, it is still doubtful that they will be in any of the first three spots when the season ends.

The White Sox put on a spurt and climbed 4 notches into No. 5 spot, exchanging places with the Tigers, and could very well be the "Dark Horse" in this race. The Cards slipped down another step to No. 8, and another 1/2 game out of second. With the time remaining there is little hope that they can recapture past glory, and will have all to do not to slide all the way down.

G. Magg with a 209 helped the Senators knock out the Red Sox at Woodbury Lanes last week. Other highs in the Holy Family Section of the CYO Bowling League were: N. Kleiner 215, B. Smith 212, S. Dinora 206, J. Sheridan 200 and L. Martinetto 200.

Standings as of January 2:

Senators	45 1/2	26 1/2
Red Sox	45	27
Braves	43	29
Orioles	40 1/2	31 1/2
White Sox	37 1/2	34 1/2
Pirates	37	35
Cubs	37	35
Cards	35 1/2	35 1/2
Tigers	35 1/2	36 1/2
Indians	35	37
Dodgers	34 1/2	27 1/2
Yanks	32	40
Phillies	31	41

Holy Family Defeats PBC

Holy Family Church defeated the Police Boys Club in the final game of the Hicksville School Dist. Recreation Holiday Tournament. The tournament brought together eight local teams: Trinity Lutheran, St. Stephens, St. Ignatius, the Scholastics, the Comets as well as the two finalists. Trinity Lutheran and the Comets lost close games in the semi-finals. This was the first of what is expected to be an annual affair.

The Holy Family roster included: Jerome Waters, Joe Celentano, Raymond Stiller, Leonard Grumo, Peter Korpacz, Ronald Arundell, Alexander McAuley, George Samwell, George Phillipone. They were coached by Thomas Gaffney.

by HOWARD FINNEGAN

In skimming to six straight wins to start the season Ed Petro's Hicksville High basketball team was regarded as doing some Waldorf living without the means of giving an accounting at present time.

Of concern in many minds is that the Comets must play in the NSAA Section I league which on the strength of having Great Neck, Port Washington and Garden City in the semi-finals of last year's Nassau County Tournament, is in the top division in Nassau. Garden City beat Port in the finals for the title.

All three clubs are loaded again this season and the work is not an entertaining prospect for remaining division members.

We are hopeful that some elegance will rub off on the Comets for a six straight start is bound to be a springboard to greater success.

The Orange and Black has been very interesting in beating Sewhanaka and Farmingdale twice, and Westbury and Bethpage single times.

A lively 67-62 victory over the Dalers and a 40-29 sound decision over Bethpage last week brought the Comets the championship of the first Mid Island Holiday Festival.

On the vote of the 4 Athletic Directors, 8 ft. 5 in Larry Slofin won the most valuable player trophy.

The wags are possibly having a good time this week since a veteran Great Neck crew lowered the boom Tuesday afternoon and ran off by some 20 points. It was a 3-point ball game late in the third period and the Comets had given a fine account of themselves. In the end the separating point was the experience factor.

This Friday night at Hicksville we look for the Comets to get back in the win column in a close game against Glen Cove. All remaining games are League encounters.

Since early last year most have looked to this court season with considerable apprehension.

Already Joe Naso, Larry Slofin, Richard McKenna, Bill Schrimpe, Steve Peschel, Fritz Pawlitschack, Mickey Anglim, Leo Kanawada, Fran De Cabia and company have upset the dope.

The rough grind is still to come but if they continue to improve they may be able to wedge one of the top three out of a playoff berth.

And the facts have been that the last man invited to the party has the most fun. Look at Garden City last year!

Little League Ready to Enroll

The Hicksville International Little League has announced that dates for registration for the coming season will be this Saturday, Jan. 10, and Saturday, Jan. 17, between the hours of 10 a.m. and 2 p.m. at the High School, on Division Ave. While it is the intention of International League officials to add four additional uniformed teams to their Minor League Division and increasing their operations, the registration fee will remain at last year's amount of \$3.00 per family. League President Robert Flanagan urges parents to become active in the program for the coming season, and states that "through the help of our Ladies Auxiliary... the increase in the number of uniformed teams is made possible this year", and express their hope that it won't be too long before all boys playing baseball in the International Little League may be completely uniformed.

READY TO START BINGO THIS MONTH

BINGO ELECTRIC TALLY BOARD and pneumatic number selector is being tested by Sam Taber (at right) and Morton Star at the Midway Jewish Center, South Oyster Bay Rd., Hicksville, where regular Wednesday night bingo games are sched-

uled to start this month. Midway says it is the first organization in the Town of Oyster Bay to request and obtain a Bingo permit under the law approved by town voters last November, becoming effective Jan. 1st.

Wage Increases For Workers

Agreement was reached Dec. 23 on general wage increases of \$1.50 to \$4.00 a week for 20,000 downstate plant employees of the New York Telephone Co.

The agreement was subject to approval by the board of directors of the United Telephone Organizations and ratification by the union members.

The 12-month contract will be effective Dec. 21 if ratified by the membership by Jan. 26.

In addition to the general increases approximately 800 craftsmen received further adjustment increases of \$1.00 and \$1.50.

The new agreement includes a statement on management's responsibility for assigning and reassigning telephone work and provides job and pay protection for people affected by changed assignments.

The auditorium of the new Baldwin High School on Saturday, Jan. 10 at 8:30 P.M. will be the scene of the first Yiddish Art program ever to be presented in the Long Island area. Sisterhood of Baldwin Jewish Centre will sponsor "OUR HERITAGE", a musical comedy based on the works of the eminent humorist Sholem Aleichem.

Honor Trio For Heroism

Three Mid Island residents were honored by the Flight Safety Foundation, Tuesday, Jan. 6, for their role in the heroic rescue of five crewmen from a burning Super Constellation all-cargo aircraft that met with an accident while taking off at New York International Airport last November 10.

The local residents are: Edward Barrett, 271 Plainview Road, Hicksville; Louis Ferriccolo, 10 Floral Drive, Plainview; and Jerome Orlando, 132 Morton Blvd., Plainview.

The citation was made by the Foundation for "courageous and efficient performance of duty," which prevented any loss of life or serious injury and which also prevented the fire from spreading to the adjacent terminal building. The Foundation presented its Award of Merit to each of the four Port of New York Authority staff units - maintenance, police, operations and administrative - which handled the emergency at the airport. The Port Authority operates New York International Airport.

Coldest Dec in 32 Years

According to the U.S. Weather Bureau, the advance forecast for Nassau and Suffolk Counties indicates that January will also be below normal. January is usually the coldest month of the year, with approximately 28 per cent of the annual fuel supply consumed.

CHARLES WAGNER, Post 421, Hicksville, N.Y.

By ARTIE RUTZ

And THAT was a New Year's
Eve Party ... You should have been
there ... We ALL had a grand
time ... The surprise drawing prize
of the evening was won by LE-
GIONNAIRE MARY BARLOW ...
In case you don't know this young
lady, she's COMMANDER AL'S bet-
ter half ... This gave me a chuckle
as you no doubt heard about AL'S
prowess in the Dark Horse draw-
ings at the meetings ... We sent
the old year of 1958 out in proper
style with a delicious buffet that
RUDY BOUSE whipped up ... and
MIKE PALLADINO wasn't the only
one that went back for seconds
(and thirds?) ... And never let it

be said that TONY CORERI isn't
the perfect host (he was chairman
and he always supplied the neces-
sary hardware to open a bottle
at the proper moment) ... JOHNNY
BROWN must be credited for the
signing up of two new members
and one new Auxiliary member that
night ... Incidentally, Mr. Member-
ship Officer, I did not get their
names and addresses from you at
the last meeting ... Must have them
for the mailing list of the Post
paper ... Thank you ...

Though we had a good time New
Year's Eve, report from all sec-
tions of Hicksville indicate that
at the usually noisy hour of mid-
night, Hicksville was a "cemetery
with lights" ... The good towns-
people must be getting very se-
date ... Or is it older? ... Well,
just one more comment on the
New Year's Eve Party ... Don't
miss the next one!! ... Much too
reasonable, much too good ...
Now start the New Year off right,
bring a new member to the next
meeting - NOBODY offers what
THE AMERICAN LEGION does for
only \$6 annual dues ... The next
meeting is Monday, Jan. 19 - Got
some news for the past Post Com-
manders ... Those pictures you boys
sat for in November didn't turn
out too good so the whole job has
to be done over again ... The new
date is 4 P.M., Sunday, Jan. 25
Don't grumble, the poor photog-
rapher was at his wit's end trying
to account for the unsatisfactory
photos (first, to himself and then
me) ... So bring along your best
smile, your Legion cap and YOUR-
SELF ... COMMANDER AL BAR-
LOW, on short notice, saw to it
that several Hicksville families re-
ceived turkeys and all that went
with it in time for Christmas. The
CHARLES WAGNER POST was hap-
py to have been of service and hoped
this made a brighter holiday for
them.
