RED BALL IS UP: Schools, Water District Cooperate to Provide Ice

WEATHER CONDITIONS permitting, ice skating is available at some of the Hicksville School play areas due to the cooperation between the School Board and the Hicksville Water District. The Board of Water Commissioners have been cooperating by permitting the loading of paved school areas, under the supervision of water district personnel. ONE - Harry Czeccil, at left, and John Olson turning on the Burns Ave. fire hydrant. TWO - Fire hose loaned by the Fire District starts to flood the school tennis court area. THREE - Judy Fries, age 7, and Marie Shore, age 10, are enjoying the ice created at the Fork Lane School. The School Recreation Dept. reports that supervised skating has been especially good at Lee Ave where lights have been arranged to permit use of the ice till 9 P.M. Fork Lane facilities have been fair and Dutch Lane fairly good. Other picture on back page. (Herald photos by Gus Hansen).

Shift 45 from Burns to Dutch La

The Hicksville School District is fast reaching the point where it numerically has sufficient classrooms to house the student population but the classes are not always available in the same area as the pupils, it was indicated this week. At the moment Burns Ave. School has been experiencing the heaviest new enrollment and as of Tuesday of this week, 45 sixth graders formerly at Burns Ave. have been shifted to Dutch Lane School.

Victims of Bethpage Fire Well-Known Here

"They always traveled together wherever they went", was the description used by Margaret Swierupski, the only child of Albert and Veronica Vermette of 41 Alice Ct., Bethpage, speaking of her parents who died last Friday evening when fire destroyed their upstairs apartment at the home of Mr. and Mrs. William Romanowski at the Bethpage address. The couple were rescued from their smoke filled apartment by members of the Bethpage Fire Dept., but minutes later were pronounced dead.

Married 34 years, Albert and Veronica Vermette spent 17 of those years together in Hicksville, after moving from Brooklyn. Their first residence was on Jerusalem Ave. Then they moved to 62 W. Cherry St., where their daughter now occupies the house next door.

A few years after the marriage of their daughter, and the advancement of his job, the Vermettes began to travel together. Albert's job with Grumman as a flight training school instructor took them many places in the USA for the past three years. They returned for a brief period before further travels and took up residence at the Bethpage apartment. Then the day after Christmas, a Friday, Mrs. Vermette was admitted to Nassau Hospital suffering from bronchial pneumonia. Three days later, Monday, Mr. Vermette was admitted to the same hospital for the same ailment. Nurses at the hospital, who knew Mrs. Vermette a periodical patient returning at appointed times for (Continued on page 4)

Affatato Heads Dimes March

Peter T. Affatato, attorney of 23 W. John St., Hicksville, announces that he has been appointed chairman of the Hicksville March of Dimes. He requests that contributions be forwarded to his office. "Hicksville has always given generously to this campaign", he states, "and 1959 is indeed an important year for continued search and assistance in this work. I am certain this fine work will be continued with the assistance of all residents."

Making the recommendation to the Board of Education last Friday night, Assistant Superintendent Donald F. Abr. told the Board the change "will reduce our class size from 38 at Burns Ave. to 32. It will also enable us to establish an additional second grade class that is sorely needed due to the high enrollment."

He added that the changes were mandated by the influx of children from the new Imperial Gardens development west of Cantigue Rock Road in the Burns Ave. School area.

HIRE EXTRA BUS

The Board gave its approval to the change, reluctantly. At the same meeting, authorization was given to hiring an additional school bus for the balance of the term to meet special transportation problems.

A proposal to change the enrollment of Nicholas St. School next term was discussed in some detail. Action was tabled, pending the receipt of further information.

It was indicated that Nicholas may become the home for an elite district-wide level, possibly the second, third or fourth grade next term, in an effort to stave off double sessions for other ele-

DEAR JEAN....

JAMES McHUGH of Notre Dame Ave., Hicksville escorted Miss **PATRICIA KOEHLER** of Levittown to the Manhattan College Military Ball held at the Hotel Roosevelt, N.Y.C. on Friday evening. James attends Manhattan College. Our always sympathy to **FATHER LEO GOGGIN** of St. Ignace R.C. Church, Hicksville on the death of his sister, Mrs. Mildred Murphy of No. Baltimore. Our sympathy also to **MICHAEL D'AURIA** of Plainville on the recent death of his Dad. Our sympathy also goes to **MRS. DAN BUTTER** and **MRS. MARGARET SEELER** on the death of their beloved mother, Mrs. M. Schiller, who had been a resident of Hicksville 55 years.

Get well wishes to a friend of many years standing, **MRS. CONRAD SCHAAL** of Williams St., Hicksville, who returned home Sunday from the Lenox Hill Hospital. She is staying with her daughter, **MRS. WILLIAM FOX** of Gardner Ave., Hicksville.

The Hicksville Schools have those bouncing spring tables in most gymnasiums. But they must have something new over at Lenox Ave. when the schedule P-TA program was listed for last Thursday in one publication as "The ROLL of the Principal and Asst. Superintendent of Schools"... Next week we may read "Somersaults by the Board of Education"... Food marketing tips are available in one-minute recorded messages of the Nassau Home Bureau. Call Pioneer 6-8340 every Monday, Wednesday and Friday at Noon. **EVALYN NORTH** says she is going to take up "golf like Ike" since she became president this week. She is president of Notiozo Publishing Co. Inc., duly processed by the State of New York. Hicksville School Board is moving its meetings from the High School Faculty Cafeteria into the Little Theatre because the members can't keep their feet warm in the cafeteria. Little Theatre, which has proven too warm in summer, may be just right for this time of year. Spectators should be more comfortable in those nice Little Theatre seats too. School Board Veep **HERR JOHNSON**, out mid-west way on business, may not make it for the special Board meeting this Saturday. You can still stroll tonight (Thurs.) at Hicksville Senior High School girls gym for the Spring Adult Education courses. In the old days we used to get a supply of the Education Course brochures. Haven't gotten them the last two courses. Advisory Council of the Hicksville Adult Education program met at the home of Mrs. **IRVING JESSER** on Charles St. last week.

"SCOTTY" BROWN, friendly Soda Spa counter girl spent the Christmas Holiday in Chicago with her daughter and grandchildren whom she hadn't seen in a number of years. She had such a grand time, she wishes she was back there.

CONTINUED STORY: Last month in discussing boundary line questions facing Hicksville School District, we reported that Mr. and Mrs. **Walter J. Lehmann** suddenly found that their home, which had been listed as 90 per cent in Hicksville was now only 10 per cent in Hicksville and the balance in Westbury. The question at that time was whether their two children would be able to finish school in Hicksville. It has since been resolved. Westbury School Board will pay the tuition for the son to finish his schooling in Hicksville High. The daughter will have to go to Westbury.

First official permits to play bingo were handed out by Town Clerk **HENRY M. CURRAN** at his office yesterday (Wed.). They went to St. Dominic's Church in Oyster Bay and the Massachusetts Legion Post. **PAT CAPUTO** was scheduled to take office last week as new president of Hicksville Kiwanis, succeeding **ANILY FERRARA**. The induction ceremony had to be postponed until this week because the Lt. Gov. **FRANK SPERL** failed to show up at the meeting. As the meeting last week **LEON CALLOWAY**, principal of Senior High and a charter member of Hicksville Kiwanis, received an award for 14 years of perfect attendance. The presentation was made by **PAUL DRAKE**, School District Business Administrator **TONY GORCZYCKI** comes to School Board meetings loaded down with tons of documents. He has now acquired the nickname of **SATCHELS**.

Club to Honor Henry McInnes

A dinner-dance honoring Town Councilman Henry McInnes of Hicksville is planned by the Hicksville Republican Club.

The event is scheduled for March 14 at the Milleridge Inn, Jericho. The plans were announced Friday at the Republican Club meeting at the Masonic Temple, Hicksville.

Approximately 250 tickets will be available for sale at \$6.50 per person. They may be obtained from Jay Schwartz, dinner chairman; and from Beatrice M. Jeanson, Philip Robinson or Louis Kappstatter, members of the planning committee.

A member of the Town Board since 1956, Councilman McInnes has been credited with spearheading action which recently resulted in the creation of 460 new automobile parking spaces in the vicinity of the Hicksville Railroad Station, in the area formerly occupied by the freight train sidings.

Mr. McInnes has been a long-time resident of Hicksville and is now the senior member of the Town Board in length of service. He expects to be a candidate for reelection in November.

In addition to his role as a Republican committeeman since 1951, Councilman McInnes also has been active in Red Cross and Cerebral Palsy fund-raising.

The Republican Club's meeting last week was highlighted by the installation of officers for 1959. The swearing in ceremony was conducted by Nassau GOP Chairman William Meisser, who was introduced by Oyster Bay Republican leader Michael J. Sullivan.

Meisser told Club members and their guests that Nassau Republicans would be better organized and work harder to assure a Republican victory in the fall elections.

Club president Francis J. Donovan announced the appointment of Leland Badler and Ernest Francke as co-chairmen of the program committee and William L. Maher as editor of the Club paper, the Republican Eagle.

Grass Fires Hit Off Season Peak

A rash of grass fires, unusual for this time of year, has been plaguing the Hicksville Fire Department volunteers. Seven of the 13 fire alarms received during the period of Jan. 8 thru Jan. 13 were grass fires. In addition to the fire calls, the Fire Dept. ambulance was summoned four times during the same period.

The first alarm was on Jan. 8, when they were called to the Frey-elsen home to extinguish an oil burner fire; and the next day, Jan. 9, the first three grass fires occurred, one on Commercial St., another at Kingston and East Aves., and the third at So. Dean St.

Besides the fires on Friday they were called to put out a fire in a sanitation dept. truck on Cherry La., in the afternoon, and later in the day were recalled when the contents burst into flames again. A bedroom closet fire in the home of Helen Cochi, 71 Sackett St. was also extinguished that day.

On Jan. 10 they put out a fire in the electric stove in the Robert Rosen residence, 14 Balsam Dr.

The fourth and fifth grass fires occurred on Jan. 11, the first on So. Oyster Bay Rd. and the second near 16 August La. An oil burner fire in the home of Irving Rand, 29 Berry La., also called the volunteers.

Mrs. Anna Nelson, 9 Hewitt St. was transported to Mercy Hospital, Rockville Centre, by Fire Dept. ambulance on Jan. 9; and Raymond Roberts, 64, of 27 Glow La. was transported to Mid Island Hospital, Bethpage.

On Jan. 11, Dorothy Callahan, 42, of 96 Underhill Ave. was taken by the ambulance to Nassau Hospital as was Mrs. Healey, 120 Division Ave.

mentary children of the district. Further consideration on this subject will be coupled with discussion of the recent projection of student enrollments presented to the Board of Education by Dr. Felix McCormick of Teachers College, Columbia University, Institute of Field Studies.

SATURDAY MATINEE

The School Board will hold a special Saturday morning "Matinee" in the Little Theatre of the Senior High School this Saturday, Jan. 17, starting at 10 AM. The agenda of the meeting is limited by prior Board action.

First item of consideration will be the official Board attitude, if any, regarding a variance sought for a gas station at South Broadway and Lee Ave. A public hearing is scheduled on the question by the Zoning Board of Appeals on Thursday night, Jan. 22, at Oyster Bay Town Hall.

Speakers in favor and those opposed to the variance were heard at the meeting last Friday night.

There is a gas station at the intersection and it has been there for 32 years. However, under the proposed widening of South Broadway at this point, the present station would be abou eliminated and application is being made to move the station further west.

bringing it within 200 feet of the Lee Ave. School property.

Fleming Harding, who said he has three children attending Lee Ave. School, urged the School Board to take action against the application last Friday. At the same meeting two Rusch brothers, who own the present station, urged the Board not to oppose the plea.

Also up for action this Saturday morning is a long, long list of items designated by individual Board members and known as Section 8 of the regular agenda. The general public is also scheduled to have its inning, although the meeting is scheduled to close at 1 PM.

Last Friday night the School Board went into executive session on the matter of administrative salaries.

It also awarded the purchase of \$5,638.28 worth of custodial cleaning equipment and supplies, \$4,678, 29 worth of toys, games and puzzles, and rejected all bids for the conversion of oil to gas heating equipment for the Burns Ave., Old Country and Woodland Ave. School temporary additions.

Marine Pfc RALPH G. PRZYRYSZEWSKI, son of Mr. and Mrs. Alfred Przybyszewski of 29 Boulder Lane, Hicksville, is scheduled to graduate Jan. 27 from an intensive four-week infantry training course at Camp Lejeune, N.C.

CURRENT COMMENT: Tenth Birthday For The Herald

BY FRED J. NOETH

TEN YEARS AGO this week the Mid Island Herald made its debut. It was Jan. 12, 1949 when the first issue appeared. The headlines of that date are interesting: LIBRARY DOUBLES 1941-CIRCULATION, HITS PEAK 66,527. CONGRESSMAN HALL INSTALLS FRANCKE AS GOP CLUB PRESIDENT. CIVICS TO CAMPAIGN FOR NEW POST OFFICE. ALEX SZECSDY FIRST SCOUT TO WIN EAGLE IN FIVE YEARS.

Under the headline reporting that five fire companies of the Fire Dept. installed officers, it is noted that Medard Ofenloch, now chief, was taking on the duties of Captain of Co. 1. The same year Ed Schluter, now an ex-chief, was installed Captain of Co. 3. Walter Werthessen, now an assistant chief, was assuming the title of Captain of Co. 5.

And in the same issue we reported that Edmund Ocker, now a member of Oyster Bay Town Board, was installed as Chief of Plainview Fire Dept. Fred Eberhardt was being seated as president of the Kiwanis, succeeding Frank Chlumsky.

A demand was being made by the Business Men's Assoc. for more parking fields and two civic organizations were asking for a traffic signal at the corner of South Oyster Bay, Old Country and Plainview Roads. (Imagine that corner today if there was no traffic light?)

The report of condition for the Long Island National Bank, in that first issue ten years ago, showed total assets of \$8,678,544.31. In today's issue we have the statement of the same bank with assets grown to \$57,288,793.68.

And paging further thru that issue of ten years ago we find Howard Finnegan was holding forth with Sport-lite and managing to get some of the females mad at him for comments concerning antics of the cheerleaders for the High School. Chet Jaworski was a star player with Hicksville Kiwanis basketball team, pouring in 27 points as Hicksville bowed to Locust Valley, 65-61.

That first issue ten years ago was an important moment for us. We had spent about 15 years in the community newspaper field in Hicksville as the editor of another paper under two ownerships. With this brand new publication we assumed the role of owner, editor, chief bottle washer, etc.

Mary Haughey was our associate editor. This week Mrs. Herbert Knaack, the former Miss Haughey, called at the present-day office of the HERALD after years in the Orient where she became the mother of three children. Sgt. and Mrs. Knaack will be leaving shortly with their children for the wide-open spaces of Texas.

A decade ago when Hicksville had about 12,000 population (compared with 45,000 today), we said editorially in our first issue: "A community can exist without a newspaper, but strong community spirit and understanding can be built if there is a well-read local medium for news, information and expression."

We are more convinced of this fact today than we were in 1949.

Happy Birthday.

Manuel and Anna Fallacara of 56 Cliff Dr., Hicksville, are the proud parents of a son, Vincent, born Dec. 21 at Mercy Hospital. Patrick Gerard, is the name of the new arrival at the home of Adrian and Helen Goods, of 139 W. Cherry St., Hicksville. He was born Dec. 21 at Mercy Hospital.

You are also invited to join the Friends of the Library. The purpose of this organization is to direct the attention of the community to the services, facilities and needs of the library, and to stimulate the use of the library. From time to time, members of the Friends are asked to help with programs and special library projects. Membership is open to all persons, regardless of sex, who are interested in promoting the library. If you are interested in the aims of this organization, call WElls 1-1417 for details, or contact Mrs. Emil Szendy, at WElls 1-0310.

The library has available an auditorium, suitable for seating 150 persons, which may be used for open meetings by community organizations, at discretion of the Board of Trustees. These meetings must be open to the public and must be non-partisan in nature. No admission may be charged. Application should be made to the Library Director well in advance of the proposed meeting.

The Great Books Discussion group, now in the first year, currently meets the 2nd and 4th Thursdays of each month. The meetings are open to all.

HICKSVILLE PUBLIC Library as of this week was still promoting the Friends of the Library according to a leaflet available at the library charge desk, a portion of which is reproduced above. Recently the Library Board of Trustees by a split decision refused the Friends of the Library the privilege of meeting in the library auditorium. At the same time the Board gave its blessing to the formation of a new organization, scheduled to meet for the first time next Monday night, known as the Public Library Association.

HERALD READER OPINION

To the Editor:

In August 1958 members of the Friends of the Hicksville Library, assessing the portents and noting the signs, decided that it was in the cards that the organization would either be taken over or replaced in Library activity. On September 24th by-laws of the Friends were amended to provide that new members should be proposed by a member and voted accepted by two-thirds of the members present. Prior to September new members were hard to get and there were no applications to join. But relatively shortly after the by-laws were amended, on November 17th, several persons identified with HOPE were claiming that they had been denied membership although actually they had never applied, before or after the by-laws were amended.

The Library Board minutes of October 23rd record that it was called to the attention of the Board that the Friends had changed their by-laws, and one trustee opined that every taxpayer should have a right to join.

At the Board meeting of November 17th, which can be characterized as a public brawl staged with the acquiescence of the chairman who made no attempt to control it, the Friends were questioned by people

Library Assoc Meets Monday

The new Hicksville Public Library Assoc. will hold its founding meeting on Monday, Jan. 19, at 8:30 p.m. in the Library Auditorium.

The purpose of the Assoc. according to Jeanette Cooper is to assist the Public Library in its fundamental aim of stimulating the spirit of free inquiry and of broadening the cultural and intellectual horizons of our community.

"Any adult resident of School District 17 is eligible to become a member."

"The meeting will consist of discussion, approval and adoption of a constitution, and a nominating committee" will be appointed by the temporary chairman, Jeanette Cooper.

in the audience and accused of being a "private club". The minutes of the Board record that, later, "Mr. Bean suggested that a letter be sent to the Friends because their restricted membership would prohibit them using the auditorium facilities according to our auditorium policy." There is no such prohibition in the auditorium policy.

The same minutes state: "Mr. Barnes read a letter from the American Library Association regarding the Friends - they suggested another group might be formed called the 'Citizens for the Library'. Mr. Barnes asked the Board if they would be receptive to this idea. The Board found this possibility agreeable."

The letter mentioned was from the association headquarters in Chicago. It transmitted "ammunition" to use in regard to the Friends and contained the following paragraph: "Perhaps you might give some thought to the organizing of a truly democratic and representative community group to act as real friends of the library. It is true that you would not be able to call such a group Friends of the Library, but a suitable name could be found. Some groups use the name 'Citizens for the Library,' and in Louisiana the term Citizens Library Movement is used."

At the Board meeting on December 17th a new organization called the Hicksville Library Association, with "Purpose" borrowed from the Friends, was granted the use of the Library facilities now denied to the Friends.

The Friends may derive some solace from the fact that elsewhere as well there are troubles in Libraries. In Garden City, all staff members are out - resigned, and at the national level FBI Director J. Edgar Hoover reported last week that among the Communist Party's most ambitious activities during 1958 was the formulating of positive programs to infiltrate mass organizations and that, among the "mass organizations", there are three main fields in which the Communists are concentrating their strength: (1) in labor unions, (2) in politics, particularly at the city

and precinct level, and (3) among civic organizations such as library groups and PTA's.

False Alarm

Hicksville Fire Dept. was called to the warehouse of Sunrise Supermarkets Corp. on Eagle St. on Wednesday am, but on arrival found the alarm to be false. Employees of the Corp. working there hurriedly rushed to windows and doors when they heard the engine chime in front of the building, hoping for a grandstand view of the fire. With great disappointment they saw the engines turn around and leave in a few minutes, without even shedding a drop of water.

After treatment the Vernette's left the hospital together on Monday Jan. 5, on convalescence. Following a little rest, they had hoped to take a new trip together, and they did... on Friday evening of the same week fire broke out in their little apartment and they embarked on their last trip together.

The Vernette's reposed at the Holy Rood Cemetery, Westbury, when a Solemn Requiem Mass was offered at St. Ignatius Loyola R.C. Church at 10 A.M. Burial followed at Holy Rood Cemetery, Westbury.

Beside their daughter, Margaret Ann Swieranski, they are survived by two grandchildren, Jess Marie and Michael. Albert Vernette is survived by a brother, Euclid. Vernette (nee McClure) is survived by a sister, Mrs. Catherine Caddy.

Vehicle Offices Open Saturdays

Over 400,000 Nassau County motorists must get their 1959 registrations renewed between now and the end of this month, Ernest F. Francke, County Clerk and Registrar, announced this week with the information that the Bureau of Motor Vehicles and its four branches will be open every Saturday until noon to help fill the annual last-minute rush.

"We have issued only 100,000 tabs to date," stated Francke, at his office in the New Courthouse, "and we are urging that motorists use the mails for the most convenient results. Mail applications can be made only at the main office in Mineola."

Branches in Valley Stream, Freeport, Hicksville and Manhasset will all be open on Saturdays, Jan. 17, 24 and 31 according to Francke, "but only for registrations." No other Motor Vehicle Bureau business will be conducted on Saturday mornings, except the issuance of the 1959 tabs.

Arrange Barn Dance on Jan 24

The Sisterhood of Congregation Shaarei Zedek of Hicksville will run a Barn Dance and late supper snack Saturday night, Jan. 24. The dance will be held at "The Barn" corner of Old Country Road and South Oyster Bay Road. The caller will be the popular Frank Konapssek and anyone who has ever heard Frank knows what a grand job he does. For further information please call Jean Kellner at Wells 5-3172.

Plaza to Aid Heart Campaign

For the second consecutive year merchants of Mid-Island Plaza are cooperating with the Nassau County T.B., Heart and Public Health Association's Heart Fund campaign by sponsoring a contest to find Long Island's Queen of Hearts.

Girls 18 to 25 years of age residing in Nassau or Suffolk may enter the contest by sending their photograph along with their name and address, telephone number, height and weight, age and color of hair and a minimum 25 cent con-

tribution to the Heart Fund to the Mid-Island Plaza Assoc., Hicksville. All photos will become the property of the Plaza.

The Queen and two runner-ups will be selected from eight finalists on Saturday, Feb. 14 at 8:30 p.m., the eve of Heart Sunday, at the Arthur Maisel restaurant at Mid-Island Plaza.

The three winners will receive an array of prizes donated by stores at Mid-Island Plaza.

New Group to Spur Legislation

Formation of the Long Island Action Council "for the purpose of joining progressive political action to a non partisan civic approach for the betterment of the people of Nassau County and the State of New York" was announced by Eugene Brooks, Plainview attorney, chairman of the newly formed organization.

"The purpose of the LIAC," said Brooks at the organizational meeting, "is to charge the democratic concept with vigor, to suggest new cures for the old maladies of economic inequality and imbalance. We expect to be in the vanguard in offering solutions to county, state and national problems. We will have occasion also to endorse sound leg-

islation proposed by other groups irrespective of source. We propose to pursue the best aims of the public at large; we shall battle to the end the Communist dictatorship and their fellow travellers of the left as well as dictatorships of men or money of the extreme right."

Elected Vice Chairmen were Harold Melzer, attorney; Albert Wahnon, Bethpage, news magazine editor; and Dr. Joseph Watchman, Plainview.

Among matters now under consideration by the groups Brooks stated are: effective remedies for inflation; tax revision in New York; school aid; and town licensing of certain consumer servicing businesses.

Invite Governor From Alaska

M. Rudolph Preuss of Rockville Centre, L.I. President of the Nassau County Council B.S.A. has invited William Egan, the Governor of Alaska, to join in the ceremonies on Feb. 14 for the launching of the "Pride in Old Glory" service project of the 45,000 Scouts and Scouters of Nassau County.

Aims of the project are:

1. To inform our citizens of Alaska's story.
2. To welcome the new 49-Star Flag... The Flag of our future.
3. To encourage citizens to fly the Flag on all national holidays.

"Through this Pride in Old Glory Service Project we hope to see every home and business flying our U.S. Flag on July 4th. A real patriotic effort by the boys of the sixth largest Boy Scout Council in America," said Preuss.

"All Scouts taking part in this program will be trained during the

last two weeks of January in the proper method of flag display."

"A speakers bureau of 85 Scouts and Explorers is being trained to speak before various clubs and organizations on our Flag," added Preuss.

SONG OF NORWAY RETURNS

ROBERT MOSES, President, on behalf of the Long Island State Park Commission, announces plan of producers Guy Lombardo and Leonard Ruskin to continue the musical "Song of Norway" at the Jones Beach Marine Theatre through the summer of 1959. Since closing of the show in Sept., the Commission and the producers have been requested by the public to present the show again, not only because many were unable to obtain tickets last year, but also because many would like to see it again. Accordingly, the producers, together with Robert Wright and George Forrest, who created the original musical - a three-year hit on Broadway from 1944 to 1956 - have begun revisions of the production in order to add innovations, particularly Grieg music not on the original score.

Plaza to Award New Car Monthly

Auto Imports Limited, local Renault distributor, and Mid-Island Plaza have joined forces in offering a free 1959 Renault each month to Long Island residents.

Auto Imports, distributor for 43 Renault dealers in Nassau and Suffolk and Connecticut, announce that coupons are available in all Renault dealer showrooms throughout Nassau and Suffolk.

The Mid-Island Plaza is also offering coupons (See last week's Herald). Entrants are requested to deposit the coupons in the Renault drum at the Plaza's center mall and the first award will be made on Saturday, Jan. 31, at 12 noon. Entrants do not have to be present to win, but if the winner is present at the drawing an extra premium of a Norelco car radio will be awarded. Winners not attending the drawing will be notified by phone and letter.

It is interesting to note that Renault automobiles have taken over imported car sales leadership in

the Nassau and Suffolk area only two years in this regional market.

Scout Leaders to Meet

The first "In-Line" meeting of Arrowhead District will be held at Hicksville High School, at 8 P.M. on Wednesday, Jan. 21. All registered Scout and Cub Adult Leaders from Hicksville, Plainview and Old Bethpage will attend.

The "In-Line" concept is something relatively new to Scouting. At "In-Line" meetings, all members of unit committees meet their opposite numbers on other unit committees as well as the members of their appropriate district advancement committees. For example, all unit advancement committees will meet together with the district public relations committee, and so on down the line. Mutual problems will be discussed and plans made for the remainder of the Scout season.

REVIEW AND FORECAST : Businessmen Optimistic About '59

Long Island businessmen are feeling optimistic about 1959. While the area measures its near complete recovery from the industrial recession that affected the entire nation, a new housing boom is getting under way in the easterly reaches of Long Island. The next decade may see, in Suffolk County, a repetition of the population explosion that swept across Nassau County in the decade after World War II.

At present, the pace of Long Island home building will mean close to 20,000 homes this year for Nassau and Suffolk counties. If home building continues at its present pace throughout 1959, as builders feel likely, this year will see 24,000 new housing units go up, with about 15,000 of them in Suffolk.

No huge new Levitt-like project has arisen as yet. But those major builders long active in putting up developments of a few hundred houses at a time on Long Island have moved their operation to the east where there are still large tracts of open land.

Long Island's industrial economy, based in large part on aircraft and electronics industries, began to climb out of the slump a month earlier than the rest of the nation. Total non-agricultural employment reached its pre-recession level of 363,364,000 in August, backing off seasonally since, to around 360,000.

Manufacturing employment has not yet retraced all the ground lost, although at the 103-104,000 level it is within two to three thousand of its pre-recession peak. Factory jobs showed a slow but steady pace of increase throughout the last half of 1958. The steady gains were attributable almost entirely to the aircraft industry, which took on 700 to 1,000 new workers each month.

According to Labor Dept. economists, Long Island factory employment may break through the 105,000 mark some time in the first quarter of this year. The trend in aircraft hold strong, and the allied fields of military equipment, electronics, and instruments are beginning to show signs of a pickup. These categories of durable goods account for 75% of all the manufacturing employment in Nassau and Suffolk.

HOMES INCREASE

Home building activity began to pick up on Long Island in April, and by autumn it was hitting a fast stride. The impetus came almost entirely from a spurt in construction of one-family homes in Suffolk.

The increase in new housing activity triggered by Suffolk more than made up for a lag in business and industrial building. Residential building brought the total dollar value of construction in Nassau and Suffolk last year to nearly 20% ahead of 1957, and so close to the 1956 figure of \$338 million that it is still not clear whether 1958 will go down in the record books as the third or fourth biggest year in Long Island construction.

Close to 12,000 permits for new home construction were filed in Suffolk last year, representing a value of about \$135 million. This was a 40% increase over the number of permits filed during 1957.

BANKER RELEASES FORECAST

This annual review and forecast for Long Island business was released by Herman H. Maass, president of the Security National Bank of L.I. The HERALD feels it is one of the most comprehensive, well-researched reports of its kind to come to the editor's desk, particularly regarding the Long Island economic picture. — Editor.

In Nassau, just above 9,000 new housing permits were filed, a moderate gain over the 1957 figure of 8,219. Nevertheless, the gain marked a reversal of the long-trend of yearly slowdown in Nassau housing activity since the phenomenal boom year figure of 31,000 was set in 1950.

Last year, for the first time since colonial days, the dollar value of new residential construction in Suffolk was greater than in Nassau, by a ratio of about 6 to 5. The trend had been foreshadowed in the number of homes built. Suffolk has shown four to eight percent more activity than Nassau for the previous two and a half years.

Nearly all Suffolk housing permits issued last year were for one-family homes. In Nassau, now becoming a more mature community, with few large tracts still available for mass housing sites, substantial numbers of apartment buildings are starting to rise.

Average value of a new home built in Suffolk in recent months was a little over \$11,000, while the cost of an average Nassau housing unit was closer to \$15,000. Costs will rise about another 5%, the Long Island Home Builders Institute estimated.

The Suffolk building spurt reflects a strong and continuing demand not only from new home buyers who want to move into the suburbs, but also from a good many who decide to work and live farther out in the island. Because of tight money market conditions, over most of the year, builders have held their activities close to in line with actual sales, and an unusually small percentage of houses are being built on speculation or for "inventory."

POPULATION GROWTH

New settlers are moving into Suffolk at a pace of about 40,000 a year. Population of the county is at present about 600,000, the LI Lighting Co. estimates, compared with 558,000 at the beginning of 1958. The growth pattern indicates Suffolk population will top the million mark within eight or nine years.

Nassau County's population would seem to have hit close to 1,290,000 persons on New Year's Day, up from about 1,200,000 a year ago.

The familiar suburban problem of racing to build new schools fast enough to keep up with growing population is adding a new twist this year. The wave of new children born in the World War II baby boom successively hit the elementary schools, then the high schools, and now is nearing the college level. To provide opportunity for more college entrants, Suffolk is drawing plans to set up a two-year college under the State's community college program. Nassau has committed funds for a start on one new community college, and is considering adding another. Hicksville School District is considering a two-year college of its own.

By 1961, Suffolk, which now has six institutions on the college level, will have three; Nassau, which now has four, will have seven.

Now that he lower schools are finished with their expansion problems. On the basis of conservative estimates by the Government Statistical Corp. of W. Nicholas St., Hicksville, Suffolk high schools by next year will have to more than double the capacity they had in 1955. Nassau high schools will need 88 per cent more room, Suffolk elementary schools 49%, and Nassau elementary schools 16%.

EMPLOYMENT RISES

Total employment in Nassau and Suffolk rose despite the lag in factory employment during the year because of a sharp rise in the service trades, a category that includes everyone from the family doctor to the real estate broker. Service trades employment, which peaked at 57,000 two years ago, touched the 70,000 level last year before backing off under seasonal influences.

Unemployment, in common with the rest of the country, is lower as a percentage of the total work force than a year ago. At present, unemployment insurance claims are rising. After eight months of decline from a peak of 29,815 in February, the number rose in November to 16,400, and another 2,000 in December. This is, however, the seasonal pattern as resort and vacation businesses close down and winter weather dampens outdoor activities such as construction.

Because the seasonal rise in unemployment this winter is less than would normally be expected, it is interpreted as an encouraging note. Between September and December of 1957, for example, unemployment slightly rose by 94 per cent. From September to December, 1958, they rose only 25 per cent.

Clearing House Sets New Records

All phases of operations of the Nassau County Clearing House have established new records during 1958. It was disclosed today by Frederick Hainfeld, Jr., Chairman of the Association and President of the Long Island Trust Co.

The Check Clearing Bureau cleared 24,363,853 checks totaling \$2,770,348,236, the highest in its 22-year history.

The Credit Bureau processed 203,424 names during the year, the first time the 200,000 mark has been reached since the banner consumer credit year of 1955.

Total deposits of all banks in the County reached the unprecedented figure of \$1,647,344,856 as of December 31, 1958. An increase of 14.25% over a year ago.

All Hicksville Threat Panicked NCALB in '58

HICKSVILLE - In 1957 a small group of ex-Hicksville High players formed the Alumni Club and won the championship of the Eastern Division of the competitively strapping Nassau County Amateur Basketball League.

Although it had the gall to play without a coach and had three players under five feet eight inches, it was barely nosed out in the Sectional playoffs by Rockville Centre whose average height was six feet four inches.

In 1958 the Alumni ran into some financial difficulty and did not have the money raised to post at entry time. When it became known the next day, the community rallied to its support but the NCALB after a summer and fall of worrying about the Hicksville strength would not accept the entry at the 13th hour.

Many times before teams entered a day late but this time in majestic tones the NCALB rebuffed the entry while some of its ruling gentry was burning up the telephone to Hicksville trying to corral the free agent Hicksville Personnel.

Using a public call to get players from both the old and new areas of Hicksville, the Alumni had a roster of ALL Hicksville players.

Headed by Dick Alcock, whose judgment was relied on in crucial moments, the team listed Ted Sch-

wartins, Charlie Rosengren, Al McCowen, Frank Estrada, Bob Paton, Ed Scott, Charlie Horton, and Billy Cheslock. All were graduates of HHS.

Underdog from the outset the team played the entire 14 games slate without a moment of dissension. It took a special playoff with a talent loaded Oyster Bay crew to win the title on the tight confines of Locust Valley.

In 1958 the Alumni hopefully looked for the addition of Harold Manaskie and Doug Jones to increase the power of the club. They had been committed to the ill-fated Community Club in 1957 before the Alumni was formed and remained good to their word. Many others from out of town, however, did not stand by the CC and from the middle of the season on the County papers made a special point to bring up the fact that most of the times the team took the court with just five players.

An all Hicksville team more than held its own. In company it presently is scorned as too mediocre to compete with in 1957. It is just one of many great achievements that the community has been able to provide both in the days when it was comparatively small till now when it is one of the County's biggest.

Second Half Of Keglers Opens

By BILL SAKAL

The second half of the season began for the Holy Family Section of the CYO Bowling League at Woodbury Lanes last week, and the Braves determined to prove this writer wrong, jumped into first by taking every game, pushing the Senators back half a game. The loss of 2-1/2 games hurt the Senators badly, but this writer believes it will make them fighting mad and that next week will find them back in top spot again.

The Red Sox continue to slip being 3rd now, two full games out of first, and the Orioles remain No. 4. The White Sox who raised speculation on being a 'Dark Horse' last week, dropped back three to No. 8 position. The remaining teams continued switching places as has been the trend the past few months.

Despite the Braves' leading at present, this writer will stick his neck out and go on record as predicting that they won't finish in any one of the top 3 spots, and at this time it looks like a battle royal between the Senators, Red Sox and Orioles will develop for No. 1 berth.

H. Poole and J. Barone of the Braves were among the eleven men who posted 200 or over games and helped their team take 4 from the Red Sox and jump into first. Top honors of the night went to C. Dorenberger with a 220. Others who posted high were E. Dziadzula 218, W. Ryan 212, W. Holton 212, A. Reinheimer 211, G. Maggi 209, R. Beach 208, J. Loh 204, H. McMorris 203, and H. Poole and J. Barone each with 200.

Woodland Ave To Hear Abt

The next regular meeting of the Woodland Ave. P-TA will be held on Tuesday evening, Jan. 20, at 8:15 p.m. in the auditorium. Guest speaker of the evening will be Donald Abt, Ass't Supt. of Hicksville Schools, who will address the audience on "The Policy of Home Work, and The 3-Track System in Hicksville Schools". Refreshments will be served following the program.

by HOWARD FINNEGAN

Hicksville High sailed into Veterans Glen Cove early last Friday and came up with a moderately surprising 49-40 victory. It was the seventh victory in eight starts for the Orange and Black and their second league win as against one defeat.

If the Comets are going to be a power in this year's Section One NSAA league race we will have the answer Friday night. For highly regarded Mineola with a stellar scoring star in 6 foot 5 inch Art Katz invades Hicksville with the sights set for a victory.

Garden City continued to maddeningly masterfully last week end by winning at the County Seat 56-54 to remain undefeated. To take Bruce Gehrke's Orange the Orange will need an even better effort from Larry Slofin and Fitz Pawlitschek than the good ones they produced in taking on the Covers.

Between them the boys got 36 points but after a fast start Bill Schrimpe was boxed out in the corner and wound up with eight points. The interesting factor was that the Covers went into a fast break at the start of the last period when Hicksville led 33-18. The visitors cut the margin to five points but the home club won out over the press as the long down court passes skyrocketed high to Larry Slofin produced easy buckets.

It's going to be a very important meeting Friday night. Mineola on the basis of experience and reserve strength should win but Ed Petro's boys are gritty and improve with every game.

HICKSVILLE 53 MINEOLA 31

Operating on a strict enrollment basis, the North Shore Athletic Assoc. has realigned its divisional series starting with September of this year. Hicksville, with a projected student population of 1773, is again in Section One with Great Neck North 1241, Farmingdale 1292, Port Washington 1080, Garden City 1056 and Clarke of East Meadow 1050.

There will be only a five game football league slate and only ten league basketball games under this new plan which is only popular with those schools looking for the soft touch.

For the Orange and Black it poses a difficult problem particularly in football. Most schools with open dates shy away from the Comets and only Freeport and Westbury will continue as non-league foes.

Athletic Director Chet Jaworski is working out those clubs who have been regarded as top powers in recent years but as yet has not had an acceptance. He is currently interested in getting Hempstead on the schedule. An open date is on the Feb slate so perhaps something will be worked out.

If the preliminary schedule holds up Farmingdale will be visiting Hicksville on October 17th and that date would appear the most attractive for the recently incorporated Hicksville High Alumni to consider as Homecoming Day for 1959.

Chet Jaworski has been elected to the Chairmanship of the Section Eight, Nassau County Basketball League. In his capacity as chairman, Chet will run the Nassau County Tournament in March and will have the deciding voice on court sites, pairings and protests in the tourney.

It's a big job but a worthwhile one. It was Chet himself who first instilled the idea and pushed for a county wide tourney back a decade ago. Since its inception it has been the focal point of wide interest both during the playoffs themselves and during the regular season as teams scramble for berths.

Paced by Steve Dushnick's 21 point output, the Hicksville High Junior Varsity rallied in the second half to turn back the Glen Cove JV, 55-41. It was the young Comet's fourth victory of the season and helping Steve in the second half blitz was Richard Solby, Jim McKinstry, Steve Blust and Tom Holton. Their even production ranged from 6 to 8 points.

After trailing 21-20 at halftime the Comets bolted to a 41-30 third period advantage and then coasted.

Eileen Maier Rolls 415 Series

Your reporter on St. Ignace CYO Bowling wishes to apologize for not having the weekly bowling news in for the past three weeks but to be honest we took a vacation. There were some outstanding 31 games bowled in the past three weeks.

34 1/2 - Eileen Maier - in the Blue League
36 1/2 - she is about 11 years old and
36 1/2 bowled a 155 game and a 415 series. How about giving us some
37 1/2 lessons Eileen? in the Gold League
38 Marcia Wise rolled a 156, some
38 1/2 bowling Marcia. In the Blue League
40 Kenneth Bode rolled a 136, the boys

GOOD TASTE

Accessories show your taste; choose carefully if you would display good taste. Select each piece with the thought in mind that you will be using it for many years. Large accessories show to best advantage alone. Small objects are better grouped together to make one collection. One well-chosen accessory, regardless of size, can create excitement in a room.

To be sure that everything you purchase for your home is in good taste, consult with a professional decorator. This will avoid costly mistakes so often made by the inexperienced. We will be delighted to help you with your selections and your decorating problems.

Ladies Plan Dance

Plans are being made by the Ladies of the American Legion Auxiliary of the Chas. Wagner Unit of Hicksville for a Valentine's Dance to be held on Feb. 14, at the Legion Club House on E. Nicholas St., Hicksville.

JERRY LEWIS IN JAPAN as a zany USO entertainer is funnier than ever in his latest laugh riot, "The Geisha Boy" now playing at Century's Shore Theatre in Huntington. With him are lovely Nobu Atsumi McCarthy, Robert Hiranco and Harry Hare.

A SCENE from the new Paramount epic "The Buccaneer" starring Yul Brynner and showing at the Cove Theatre, Glen Cove, now thru Tuesday, Jan. 20.

Expecting 300 At Midway

The first dinner meeting for 1959 of the Men's Club of the Midway Jewish Center, 330 South Oyster Bay Road, Hicksville, is expected to draw over 300 members. The meeting, to be held at the Center on Thursday, Jan. 22, at 7:30 P.M. will feature a free full-course dinner catered in a lavish fashion, followed by professional entertainment. The free dinner meeting, an innovation begun two years ago, has become an institution at Midway. The main business to be transacted will be the installation of the following newly elected officers by the Center's Rabbi, Bernard A. Rubenstein. President, Arthur Katz; Vice President, Sam Tauber; Corresponding Secretary, Jerry Fichman; Recording Secretary, Sidney Turow, and Treasurer Jerome Pollan.

Utility Moves Runway Towers

Seven LI Lighting Co. power lines towers which were more than 77 feet above the elevation of Mitchell Air Force Base runways have been removed from their Meadowbrook Parkway locations at the end of the base's SW - NE runway because of their obstruction to the air traffic at the base, Col Marshall A. Elkins, Commander of the Long Island Base, announces. The utility company, working on a \$600,000 government contract has relocated the lines underground as part of their transmission system. In making the announcement Col. Elkins stressed the safer air operations that will result at Mitchell from the removal of the obstruction. He also pointed out the close cooperation between the government and local industry which made the contract project possible. "Actually our flying safety record at Mitchell has been exemplary," Elkins said. "Our accident rate is one of the lowest in the Air Force, and the removal of these hazards only serves to emphasize our determination to make our operations even safer."

There will be music to the tunes of Tony Bell and his orchestra, beer and sandwiches for the donation of \$2 per person. The date for sewing cancer dressings is Jan. 20, at the home of Mrs. Anna Brengel on E. Marie St. Incidentally this project is not only for members of our Auxiliary, we will

welcome anyone who is interested to come and sew. Initiation of all members who joined the Auxiliary in 1958 and 1959 will be held at the next meeting Feb. 6.

Amvets Alley

by Jimmy Cooley

"Turn back the dusty pages of time
Dust off the cobwebs of age,
And bring once more to life again
That AmVet Alley page

Greetings to all the old members and new members and to those whom I have not had the pleasure of meeting. It is nice to know that once again AMVETS Alley will appear in the MID-ISLAND HERALD. This weeks column will not be very long due to many reasons, but here is hoping as weeks go by it will prove as enjoyable as it was five years ago. HERE AND THERE... The Ladies Auxiliary would like to know that MRS. ELLEN SWICKICKI and HELEN COOLEY will return to the fold shortly. Among the old faces to be seen will be this columnist and JOHNNY SWICKICKI from Bethpage way. For perfect advertisement of AMVETS, FRED BLACKLEY has the idea with his timely jacket. Nice seeing JIM SURLISS at the head of the table as he Post's leading officer. BILL OLITSKY, LOU MIGNONE, MIKE PURISH, FRANK HAMILTON and MAL GERTZEN showing no change during my period of absence. All you other members will soon be making a part of this column and all "wee" bits of news is most pleasantly accepted. Our first meeting was held this new year at the Broadway Tavern, a fine meeting hall owned by a friend of many years, EDDIE JABLONSKY. Our sincerest thanks to the HICKSVILLE AMERICAN LEGION POST for taking care of certain equipment of the post until we have jumped certain obstacles. OCT. 1959 will mark the SGT. ROBERT O. ULMER POST #44... 10th birthday. As in past years this column will again feature "Out Of The Foxhole", Veterans Benefits, Gags, Special Affairs etc. "WHERE ARE YOU"??? Former PVT DUNCAN... last seen at FT. BENNING, GA. First name can't be recalled, home was in MANHASSET, if you read this column please contact this columnist and let's hear how you are doing. Though Pfc. Bob Harrison, Bethpage may not be a member of Sgt. Ulmer's AMVETS Post, he has served two years with the 3rd. Division in Germany and will soon be home with his folks and his wife, Alice Harrison on 32 Grant Ave., Bethpage... it will be nice seeing you again stranger. And now "Buddies" until next meeting I'll say that all for this week and until we meet again... "of all things if you look for a number to "Dial...dial "A" for AMVETS..

Okay, you can now make your reservations for our Annual Dinner Dance, Feb. 7, on a Saturday nite. Everything is ready, now we wait for the coming date. We were made to understand that at this early date, already forty tickets have been sold. We have plenty of room this time, so we want to make it the biggest one we've ever had. It will be held at the Old Country Manor. The more reservations we get now, the easier it will be when the affair comes. Get in touch with either Jim or Bob and they will accommodate you.

Fellas it's getting late, and we only have about 70% of the dues in. We don't have much time left for our goal, so for Pete's sake, hustle your hustle and get it in as quickly as you can manage.

Minstrel Show Is Big Success

The Minstrel Show sponsored by the Junior Catholic Daughters of Hicksville, on Nov. 30, was a huge success. Two tickets to the show "Music Man" were awarded and Lucille Peters of Central Islip was the winner.

The Little Flower House of Providence in Wading River, was visited by the Juniors on Dec. 14 for the K of C Christmas party. Troop #1 brought, with them the 16 party dresses they had made for the little girls, and the other troops brought Christmas gifts which they distributed to the children.

A new Junior Court was instituted in Northport on Dec. 21, and will be known as Court Morning Star.

The Juniors once again put on their show for the Jones Institute of Hicksville, and brought Christmas Cards made by them and candy to the people there.

NEW ARRIVALS

GAS HEAT
Here are
the FACTS!

GAS IS THE MODERN FUEL that gives full value without waste.

GAS IS THE CLEAN FUEL... GAS burns completely leaving no ash, no dirty, sooty smudge to dim the clean beauty of your walls, woodwork, draperies and lamps, or to clog the chimney.

GAS IS DEPENDABLE HEAT... turn it on--GAS is always there, always ready for use. Use what you need when you need it... pay after!

GAS HEAT IS YOUR SILENT SERVANT... no complicated moving parts to wear out or become noisy. Repairs and replacements are practically non-existent.

GAS HEAT IS AUTOMATIC HEAT... your thermostat does all the work. Set the temperature that suits you... that's all you need to do.

GAS IS WHERE YOU WANT IT... you'll never worry again about deliveries! GAS is piped into your home just like water ready for use at a moment's notice.
