

# Chamber Pushes for Action on RR Elimination

## GATES BLOCK TRAFFIC MORE THAN HALF THE TIME

UPRAISED RR GATES at Broadway, Hicksville, is a welcome sight to motorists, but for more than eight and a half hours in a 16-hour period the gates are down and barricading traffic. A traffic study made in 1954 at the expense of the Town of Oyster Bay, introduced as testimony before the Public Service Commission, revealed that 49,600 vehicles moved across the six grade crossings of Hicksville in a 16-hour study. It was then estimated that 7,000 vehicles were interrupted at the crossings from a half minute to seven minutes. It was further estimated that

\$260,000 worth of gasoline was consumed by cars and trucks waiting for the gates to rise in a year's time. Today, with more north-south traffic than five years ago when the survey was made, the estimates could be doubled according to the Chamber of Commerce which is pressing for speedy action on the Hicksville RR Elimination program. A community meeting on the project and a massive petition drive is now being planned for early next month. (See Current Comment on page four).

## BOARD RELEASES McCORMICK PROJECTION:

# Expert Sees Student Enrollment Rapidly Approaching Peak Total

The Hicksville Board of Education this week made available to the public copies of the full text of the report by Dr. Felix J. McCormick of Columbia University regarding future school enrollments and school building needs. At the same time, Dr. Wallace E. Lamb, superintendent of schools, in a bulletin to the parents of the District being distributed today thru the children, summarized the McCormick report which stresses that Hicksville is in a "crucial period" and that enrollment trends must be watched closely.

Following receipt of the transcription of comments by Dr. McCormick by School Board members, it was voted at the Jan. 17 meeting, with all Trustees present in favor that copies be made available for interested persons upon request at the Administration Bldg. The McCormick report to the Board was summarized exclusively in the MID ISLAND HERALD edition of Jan. 1st.

The Hicksville Organization for Public Education has invited Dr. Lamb and all Board members to be

present, as well as the general public, at a meeting tonight (Thurs) in the Public Library Auditorium on the subject of the "McCormick Report." Dr. Lamb has accepted the invitation to speak. Board members who have indicated they will be present, according to the organization, are Robert Goodrich, Allen S. Carpenter, Robert D.P. Eaton and Jerry Zettler.

Trustee Zettler, accompanied by Dr. Lamb, spoke at the Burns Ave. P-TA meeting last Thursday night regarding the McCormick Report.

The School Superintendent has commented that "Dr. McCormick reiterated his previous conviction that school enrollments would rise rapidly to a peak and then decline more gradually until they would become stabilized. He stated that the K-6 enrollment was close to its peak; in fact we would reach that peak about 1967 with 8600 pupils, which is about 200 more than we have now. Then a decline would set in until it would reach 4800

## Audience Laughs It Up As Library Shows Chaplin

The basement auditorium of Hicksville Public Library was filled to its capacity of about 125 persons, Monday night, when three ancient silent films starring Charlie Chaplin, loaned for the occasion by a private collector-physician in Bay Shore, were viewed.

The three films were shown twice to the audience, including a number of small children although the film

was scheduled as an adult program, was far, far short of the 700-odd persons who were said to have signed petitions urging the showing.

The daily press was obviously distressed by the lack of fuss over the actual filming. The LI Daily Press clucked about the absence of pickets, an obvious misunderstanding of the temper of the community.

## Objects to New Cigarette Tax

A cigarette tax increase, such as the one being proposed in New York State, would "work against the interest of the state and its residents," it was asserted today by David Hoffman of the County Cigarette Service of Hicksville. "Such an increase," he said, "is a direct inflationary action that would place an unfair extra burden on cigarette smokers on Long Island and elsewhere in the state." He said the pack-a-day smoker in New York now pays over \$40 a year in cigarette taxes and a two-cent tax increase would raise the total to more than \$47.

## Alumni Assoc Elects Feb 18

The Hicksville High School Alumni Assoc. will elect its first slate of officers and issue a general invitation for charter membership in the group at a meeting in the Hicksville High School Little Theatre, on Wednesday, Feb. 18.

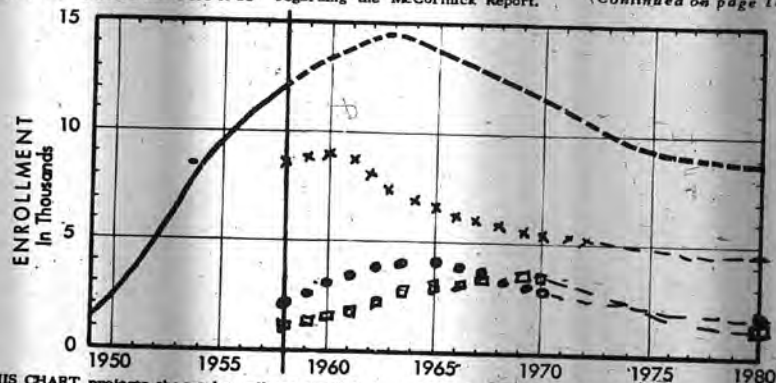

The incorporators petition has been signed by Supreme Court Justice Barron Hill and the certificate filed with the New York Secretary of State.

Following the direction of Assoc. counsel, Julius Schwartz, the incorporators, Dr. Charles Masek, Arthur Segreto, Gus Economopolis, Harold Holden and Howard Finnegan, issued the call to the subscribers to the petition for the meeting.

The subscribers include Mrs. Florence Gries, Mrs. Gladys Schwartz, Mrs. Evelyn Noeth, Mrs. Viola Tutzler and Mrs. Irene Segreto. Louis Millevolte, Joseph Naso, William Marion and John Staryk are the other members of the organization committee who along with the incorporators will vote at the first meeting.

The organization is a direct outgrowth of last Nov. 1st when the incorporators held the first annual Hicksville Alumni Football Homecoming Day. Although it had no mailing list to work with, which will be one of the first things established under the association, the Homecoming Committee used the pages of the Mid-Island HERALD to announce the date.

The response was so great that Hicksville High had its biggest gate in 20 years, and both the after-game reception and the Homecoming dance at Pete Corte's experienced overflow crowds.

THIS CHART projects the total enrollment in Hicksville Public Schools, grades kindergarten thru senior high school, as visualized by Dr. Felix McCormick. Besides an estimate ahead to the year 1980, the chart records the enrollment since 1949 when there were less than 2,000 pupils. The HERALD has added to this

graph a line of Xs for the projected elementary enrollment (K-6) which begins to drop sharply in 1961, a line of Os for junior high (7 to 9) and a line of squares for Senior High (10 to 12), all of which is represented in the total. (from Tomorrow's Citizens, report of Dr. Lamb to parents of the District.)

**Miss Jane Engle Becomes Bride**

Jane Lovina Engle, daughter of Mr. and Mrs. Gail M. Engle, of 25 Park Ave., Hicksville, became the bride of Allen Safford Carpenter, Jr., son of Mr. and Mrs. Allen S. Carpenter, of 11 Loretta Ln., Hicksville, at a 3 PM ceremony conducted by Pastor Cranston Clayton at the Hicksville Methodist Church, Sunday, Jan. 25.

The bride, given in marriage by her father, was gowned in a three tier gown of embroidered scalloped tulle, enhanced by a scalloped Sabrina neckline. Her fingertip veil cascaded from a crown entrusted in seed pearls and sequins. She carried white gladiolus.

Mrs. Carpenter's maid of honor was Mary Grace Anderson, a cousin of the groom. She wore a gown of white tulle over olive green and a matching beehdress. She carried yellow mums.

Warren Willis Carpenter was best man for his brother.

A reception for the family followed at the Engle residence.

Mr. Carpenter, Jr., a senior at C.S. Post College, is a Hicksville High graduate as is Mrs. Carpenter who is employed at the L.I. Lighting Co., Hicksville.

After a honeymoon trip, they will reside in Hicksville.

**Christian Mothers Hear Choir**

The St. Ignatius Loyola Auxiliary of Christian Mothers held its first meeting of the new year in the school auditorium, Nicholas St., Hicksville, on Monday evening, Jan. 26.

Sister Rose Dominic, O.P., requested that during inclement weather parents keep their radios tuned to either station WHLI, 1100 on the dial, or WGBB (1240). These stations will supply any information regarding school closings, etc. The principal also announced that the Kindergarten schedule will remain on the present schedule in order to

facilitate bus transportation.

Mrs. George Miller will be chairman of the Annual Auxiliary Communion Luncheon to be held Saturday, Apr. 18 at 12:30 PM at the Milleridge Inn, in Jericho. The honorable Kathleen M. Kane, District Court Judge of Nassau County will be guest speaker.

The meeting was declared open at 9:30 in order that the Auxiliary might welcome guests to a recital given by the St. John's College Glee Club, under the inspired direction of Father L. Dirvin, C.M. Their accompanist was Mr. William McBrien. This group has sung on television and radio on national hook up and at the Metropolitan Opera House in conjunction with the Hearst Oratorical contest. They have performed with the Brooklyn Philharmonic and have appeared with such soloists as Licia Albanese, Elaine Malbin and Ethel Barrymore. Their singing strength is 50 male voices.

The performance for the Auxiliary included the following: Winter Song, Winter Wonderland, Old Woman, Ichlieb Dich, with Joseph Jordan the tenor, Testament of Freedom, Deep River, Give Me Your Tired, Your Poor, September Song, Now Let Every Tongue Adore Thee, Ave Maria, and The Battle Hymn of the Republic.

BOB HALCROW of the Gertz-Hicksville display dept was judge of Christmas decorations this past holiday for the Northwest Civic Assoc. of Hicksville.

**DEAR JEAN**

HERB JOHNSON of 87 Myers Ave., Hicksville, came in from the middle west, was home long enough to attend the wedding of School Board President CARPENTER's son, Sunday, and left the same night for Boston and New England area. He expects to be back in time for the School Board meeting tomorrow night ... MARY CARROLL of the Vigilant Assoc. of Hicksville attended the November meeting of the Insurance Women's Assoc. of L.I. ... Feb. 12 (Lincoln's Birthday) is also the birthday of HENRY BRAIN of 200 Woodbury Rd., Hicksville, who will be 84. He is probably Hicksville's oldest native-born resident and still puts in a full day with his sons, JOE and GERALD; in their painting business ... State Conservation Dept. at Albany reports that HOWARD G. BISHOP of 116 Park Ave., Bethpage, was fine last October \$7.50 "for discharging firearms across a highway" ... The Hicksville Fire Dept. rescue squad held installation of officers Tuesday night, followed by a gathering at the Lawman Restaurant, JOE POLLINA of 6 Roblee Lane, Hicksville, is the new First Lieutenant of the squad, ... THOMAS PAGANO FURNITURE Co. on Broadway, Hicksville, will again sponsor Babe Ruth and Coastie Mack League teams for the fifth consecutive year ...

Miss DOROTHY BUSCH of Scotch Plains, N.J. was the week-end guest of her aunt, Mrs. LILLIAN MOSEMAN of Old Country Rd., Hicksville. Miss Busch and Mrs. Moseman were the guests of Norman Moseman at a special little dinner party on Saturday evening. Mrs. Moseman is the nice gal who helps Gene Sculler out at the Starlight Shop ... Holden's on B'way, Hicksville has the new Whirly-Whirler in stock. George tells me that Hap spends part of the day in the stock room just whirling away ... Many thanks to the boys at Dante's Italian Kitchen, Hicksville, for their nice gesture, Saturday evening. It was very much appreciated ... Our sincere sympathy to GEORGE J. MORITZ and family of Bethpage upon the death, this week, of their Dad, John J. Moritz of Climax, N.Y. Our sympathy also to Mrs. CHARLOTTE SANZANO of Hicksville on the death of her mother, Mrs. Louise St. Clair of Hicksville ...

Get Well wishes to Mrs. GEORGE ECONOMOULY of Herman Ave., Hicksville, who is a patient at Nassau Hospital. Talking to her boys at the Sweet Shop, we hear that she is a pretty sick gal. Friends and neighbors are all rootin' for her ...

We are indeed sorry to hear that the VINCENT HOOSACK'S of Twinlawn Ave., Hicksville, had a death in the family last week. Mr. Hoosack's mother passed away and friends and neighbors extend their deepest sympathy ... Also our sympathy to the MALYK and OBYNK family of Midland Ave., Hicksville, on the death this week of their beloved Dymtro Malyk ...

**Two Areas To Name Leaders**

Political observers in Oyster Bay Township were confident today that Bethpage and Massapequa areas of the Township will have selected new leaders for membership on the Town Executive GOP Committee by the end of this week. Assemblyman Edwin J. Fehrenbach during the week resigned as leader of Bethpage but retained his position as a committeeman. Bruce Fearsall resigned the leadership in Massapequa and his seat as a committeeman. Both resignations were before the Town GOP Committee when it met at Town Hq., 146 Newbridge Rd., Hicksville, Monday afternoon. Thomas Pyncheon, town leader and chairman, announced that since "nothing to the contrary" has been received, he was powerless to do anything except to follow the legal processes and forward the resignation to William Meisser, chairman of the County Republican Committee. Committeemen in Bethpage met Tuesday night of this week and sought to persuade Fehrenbach to reconsider. It was indicated the committeemen would await his answer until tomorrow (Friday). If Fehrenbach remains firm in his decision to relinquish the Bethpage GOP leadership, the local committee is expected to name his successor.

Meanwhile, in Locust Valley, GOP committeemen named Katherine Thurston Henn as their choice for leader there in place of LaRoy Matthews who has been ailing and submitted his resignation last week.

**Offer Concert On Feb 11**

Francis Ganley and Harold Swim, directors of the Hicksville Adult Education announce that the Adult Education Concert Band, under the direction of Charles Gouse, will give its first public performance of the year on Wednesday evening, Feb. 11.

The concert will be held at 8:15 in the auditorium of Hicksville High School.

The band is composed of players from Long Island and New York who are anxious to perform the best possible band music. Many of the performers are professional players and teachers from neighboring school districts, Ganley and Seim said.

No tickets are necessary for the concert, as everyone is cordially invited by the Adult Education Dept. to attend.

Gerrude and William Remsen of 3 Po La., Hicksville, became the proud parents of a son, George William, Jan. 13, at Jamaica Hospital, Jamaica. He joins a sister, Mary Catherine and a brother, Steven George.

CURRENT COMMENT:

# RR Crossings: An Old Story

BY FRED J. NOETH

THE CURRENT CAMPAIGN led by Hicksville Chamber of Commerce officials for action on the Rail Road Elimination program in our community is all to the good. Our only regret is that it has taken this long for someone to light the spark and we sincerely hope that it is not too late for this year's budgetary consideration.

We have a folder in our files marked "Grade Crossing Elimination" with the date 1939 on the tab. Thus our interest in this work, at least, covers a span of 20 years.

The folder is bulging with clippings regarding the legislative act in 1941 establishing a program of elimination in the state. There is an article we wrote in January 1946, forecasting progress on the Hicksville crossings. There is our editorial of Nov 1949 when Jerusalem Ave was being widened to four lanes. We wrote at the time "It takes little imagination to visualize the way auto movement on these three roads (Jerusalem Ave., Newbridge Rd and Bway), all clustering into one, is going to increase in the next few years." In those days traffic backed up to Nicholas St on Bway when the gates went down. Today it lines up south beyond Old Country Rd.

In 1950 the Hicksville Civic and Community Assoc with Stanley Mruz as president opened an "all out campaign" of letter writing to state officials. A headline at the time pointed out "RR Crossings Throttling Community Development" and the article noted that shoppers are being driven out of Hicksville by traffic congestion.

In September 1953, the old Hicksville Business Men's Assoc in cooperation with the State Dept of Commerce made a survey of shoppers' opinions in Hicksville area. Right near the top of the list of suggestions offered to improve local shopping was this pointed comment: "A new, clean, modern railroad station with elevated tracks to speed up ground traffic". Eighty four out of 330 persons responding to the survey offered this as their major suggestion for improving shopping in Hicksville then.

In August, 1954, Public Service Commission Case no 10324 began with a hearing in New York City. The hearing, with testimony introduced by the Town of Oyster Bay, the Chamber of Commerce and other interested citizens, resulted in the June 28, 1955 order of the PSC that "the existing highway-railroad crossings at grade of the railroad operated by the LIRR and Jerusalem Ave, Bway, Marie St., Nicholas St., Old Country Rd, Barclay St and Bethpage Rd be and they hereby are DESIGNATED FOR ELIMINATION".

The summary and conclusions by Sanders Schwartz PSC hearing examiner, dated June 9, 1955, included these comments: "The traffic count indicate heavy vehicular traffic at all seven crossings and heavy pedestrian traffic at most of them... A measure of the congestion caused by the passage of about 90 trains a day at the RR crossings is indicated by the testimony that the total delay to traffic at these crossings amounted to 8.6 hours during a 16 hour period. The accident record for the 1939-1954 period shows 14 accidents at these crossings resulting in four persons killed and seven injured."

It should be remembered that these findings were made four years ago in 1955. This was two years before Mid Island Plaza was even built. It is safe to

## Christ Crusade Now Underway

A Crusade For Christ is being undertaken by the Church of Christ, 105 B'way, Hicksville, from now until Apr. 13, at which time a week of evangelistic meetings will be held terminating on Apr. 19.

Every member of the church is taking part in the Crusade by making door to door calls, organizing Home Bible Classes, by praying and by attending services.

The Evangelistic meetings will be conducted by the Christian Heir's Quartet. Members of the Quartet are: Sheldon Thomas, Martins Ferry, Ohio; James Nipper, Pennington Gap, Va.; Richard Bain, Centerburg, Ohio and C.E. Faust, 30 Washington St., Hicksville.

Each of these men is a minister of a Church of Christ, and have been singing as a Quartet since 1949 when they attended Kentucky Christian College in Grayson, Kentucky.

VINCENT PRZYBYSZEWSKI, 21-year-old son of Mr and Mrs Alfred Przybyszewski of 29 Boulder Lane Hicksville, left recently for Pensacola, Fla. and Naval flight training. His older brother, Ralph, is in the Marines and was recently selected "outstanding Member" of his platoon and promoted to Marine Private First Class

state that the amount of vehicular traffic today must be at least several times as great as it was in 1955.

What has happened since? The State Dept of Public Works has assigned the actual engineering work to a private concern in the interest of speed. The RR freight yards at the Hicksville station have been moved to Cantiague Rd. These are definite preliminaries to the elimination.

Today the problem is this: When will the engineering work be complete and when will the State appropriate the ten million dollars estimated as the cost of the project? When the plans are finished to everyone's liking and the money has been set aside, the State can call for bids, award contracts and the job gets underway.

Whether the State can find the ten million dollars for the Hicksville project in this year's budget of Gov Rockefeller is a current question. The present effort of the Chamber of Commerce of beating the drums is aimed to get a positive answer to this question. The Chamber in a press release this week quoted a Dept of Public Works official at Albany as stating the final plans will not be finished "until the end of 1959 at the earliest".

We commend the Chamber for its interest in the eventual conclusion of this important project. However, we are little disappointed in the fact that there has been no continuous pressure to get the job completed. The project reached a high water mark in 1955 when the PSC ordered the work undertaken. The Chamber files appear to be somewhat thin of material regarding progress since that event. The current noise is all to the good and we sincerely hope it continues with high enthusiasm until the problem is solved.

The Woodbury Country Club will provide year-round family recreation in an 18-acre woodland setting on the former Ogden Mills Estate.

## New Country Club in Woodbury

A comprehensive new country club, catering to the year-round recreation requirements of the entire family, will open in May, on Jericho Tpke. in Woodbury, according to Jacques Mann, President of the new club. Mann is an owner and past manager of the Riviera Cabana Club in Port Washington. His associate, John T. O'Donnell, is owner-manager of the northeast's largest yacht basin, the Riviera Marina, also of Port Washington.

Known as the Woodbury Country Club, it is located on an 18-acre portion of the Ogden Mills Estate, an estate that once employed thirty full-time gardeners and tree experts. The setting abounds in full grown trees, wooded areas, and has a large natural pond. The club will comprise an Olympic pool and children's pool, a two-story main club house, championship-tournament tennis courts, a four-acre athletic field and many other recreational facilities.

Construction of both pools has been completed, according to Mann. Measuring 150 feet x 45 feet, the main pool features a separate diving area. The smaller pool measures 40 feet x 30 feet. Both pools are the last word in aquatic luxury. The main pool is equipped with ultra modern diving stands, stairs in shallow ends, under water lights and its tile lined. The children's pool, a replica of the T-shaped main pool, boasts a fibreglass waterfall slide. They were designed and constructed by Welding Engineering of Hempstead, one of the country's leading pool builders.

The Woodbury club house will be completed in early March. Plans call for a modern two-story building overlooking both pool area and natural pond which the sponsors will retain for rowing and paddle boat activities. The main building will house the offices, teenage center, coke'n soda bar, coffee shop, cocktail lounge, locker and shower rooms, and a large enclosed area for special events and inclement weather activities. Private dressing facilities called cabanets will be built on the North and East terrace adjoining the main pool.

One of the unique features of the Woodbury Country Club will be the ten thousand square foot ice-skating rink on the main patio. This skating rink is being developed by the Cort Mechanical Corp. of Long Island City, and will provide members with smooth skating from November through mid-March. The winter program will include skating instruction and special parties and winter events in the club house. For

added charm and warmth, the club house is equipped with wood-burning fireplaces.

There are no geographical requirements for membership. However, the number of memberships available is limited according to Mann. For the premier season of 1959, membership for a family of five will cost \$275, including all taxes. Members may enroll their children in the Club Camp for a nominal additional fee. There will be no charge for enrollment in the teenage program, except for individual tennis, swimming or diving instruction.

Applications are now being accepted on the site, Jericho Tpke., East of Woodbury Road (1 1/2 miles East of South Oyster Bay Road). A brochure is available on request, and the membership office is open weekends.

## Burns Directs Cancer Crusade

John J. Burns, Supervisor of the Town of Oyster Bay, has been named general chairman of the 1959 Cancer Crusade. It was announced today by Dr. Ralph A. Camardella, President of the Nassau Division, American Cancer Society.

Burns will head this year's drive starting April 1 to raise funds in continue and expand the society's three-part program of research to defeat cancer, education to prevent needless cancer deaths and service to cancer patients.

## Set Training For CD Forces

George E. Kunz, Civil Defense deputy town director, today announced two courses will be given under the Adult Education program at Jamaica Ave. School in Plainview of special interest to CD volunteers. These are "Self Help and Neighbor Help" in four sessions starting Feb. 11 and "Psychological First Aid" in sessions on Mar. 11 and 18.

Registration takes place this Saturday, Jan. 31, between 9:30 AM and 1 PM. Mrs. Sheldon Katz is instructor in both courses, Kunz said.

STATE SENATOR William Hults, representing the Mid Island area in Albany, has introduced bills in the current session designed to get a 50 per cent reduction in annual license fees for owners of station wagons used exclusively as private passenger cars. Similar bills were passed by the 1959 and 1958 Legislatures but vetoed by Gov. Harriman.

## Set Workshop At Bethpage

A Children's Creative Work-shop program will get under way next month in Bethpage. The co-operative, self-sustaining and non-profit program, the first of its kind ever to be started in the community, is being sponsored by the Kramer Lane School P.T.A.

Registration for the classes in art, folk and square dancing, modern interpretive dancing and ballet will take place this Saturday, Jan. 31 between 11 AM and 1 PM at the Kramer Lane School. Elementary school children from Kindergarten through the sixth grade will be eligible to enroll. For information call WE 8-0590.

## Telethon

The Nassau County Chapter of the Assoc for the Help of Retarded Children will assist in sponsoring a fund-raising telethon to be held on Saturday, Feb. 7 at 10 pm until Sunday, Feb. 8th to 5:30 pm. Martha Raye will be the hostess.

**Eating Unit Calls**

**Plague Vamps**

Oil burner fires and overheated furnaces continue to plague the Bethpage Fire Dept., along with false alarms. During the period of Jan. 21 thru Jan. 28, the volunteers answered 16 calls, including two ambulance cases. They put out fires on Jan. 21 on a sump pump motor owned by Leonard Oehler, 17 Kuhl Ave., a fixture ballast at Whelan's 483 E. Marie St. and B'way, and a couch at the H. Bowbridge residence, 25 Ferndale Dr.

On Jan. 22 a false alarm was received from the vicinity of the Umbria Container Corp. building on New South Rd.

On the evening of Jan. 23, they were called to wash gasoline from a roadway at Newbridge and Old Country Rds., spilled by the autos involved in the serious accident which sent numerous persons, including an infant, to the hospital. They were also called to 46 Albee La., the home of H. Schack, but out an oil burner fire. This also, the ambulance transported Dr. Shreffer, 35, of 8 Lantern to L.L. Jewish Hospital, New York Park.

An overheated oven in the home

of John Bridgeford, 12 Cottage Blvd. brought the vamps, on Jan. 24. Later they were called to extinguish and oil burner fire in the building owned by Max Staller, 113 B'way.

There were three calls answered on Jan. 25. The first was a hay and straw fire on new roadway near the Mid Island Bowl on No. B'way, followed by a grass fire at Lee Ave. and North Dr., and then for five wires from a broken light pole on B'way and Marvin Ave., caused when an auto hit the pole guy wire and snapped off the top of the pole.

The calls on Tuesday Jan. 27 were from Mrs. Kunz, 87 Acre La., for an overheated furnace, and a fire in a rubbish chute near J.J. Newberry's Store in Mid Island Plaza tunnel.

Yesterday morning, Jan. 28, another overheated furnace summoned them, to 111 Spindle Rd., residence of G. Simmons, and the ambulance took Eugene Hebel, 52, of 44 Grape La., to Mid Island Hospital, Bethpage.

**Extension Service Invites Members**

The ladies of the Mid Island area are reminded that the Levittown Extension Service holds its meetings on the second Wednesday of each month at 8:30 p.m. at Levittown Hall, Hicksville. An interesting meeting is always planned and courses are offered throughout the month.

A discussion on "Family Eating" is the highlight of the February meeting. Tailored cotton dresses, sewing on man-made fibers, curtain and draperies, woven place-mats, beginners' lathercraft and company entertaining are the courses being offered.

Those interested are invited to join the group for all will enjoy the benefits of worthwhile lectures and will meet with congenial neighbors and friends.

city, and Newsday reported the community had laughed away the controversy.

The Library Board by 4 to 1 vote had twice reversed itself on the matter of showing the Chaplin films. First the Board voted, 4 to 1, to show the films; then the Board voted not to show the films; and finally, after the issue had attracted national attention, reversed itself again and voted 4 to 1 to show the films.

The final difference was the fact that the films were loaned by a private collector rather than rented from Brandon Films, which according to the National Americanism Commission of the American Legion "has become an official agency importing Soviet and Iron Curtain films into this country."

Members of the newly organized Public Library Assoc. were present and served refreshments of cookies and coffee after the showing, Monday night. The organization that now numbers 35, invited non-members of the audience to join the organization.

The group was formed after the Friends of the Library, who among those objecting to the Chaplin films, were denied use of the library for meeting purposes. The next meeting of the new Assoc. will be held in the Library Monday, Feb. 16.

### Ruth, Mack Leagues to Enroll

Registration for the Hicksville Babe Ruth and Connie Mack leagues will take place on Saturday, Feb. 7, in Levittown Hall on Levittown Pkway, Hicksville, between the hours of 9:30 and 11 p.m., according to a statement issued by League Director Frank Muller, and Executive Director...

All boys who have reached their thirteenth birthday but will not be nineteen until after Sept. 1, are eligible to play. Even though they may have played last year, all boys must register again. Registration fee is the same as last year, \$1.00.

### Nationals Set Registration

The Hicksville Junior High School League this year will have registration in excess of 100 boys between the ages of 12 and 14. Twelve eligible boys from the Levittown Pkway, Hicksville, between the hours of 9:30 and 11 p.m. Registration will be held at the Levittown Pkway, Hicksville, between 2 P.M. and 4 P.M. A parent must accompany each boy who registers. Registration forms have been sent to the schools and may be obtained from the schools. Boys are urged to register as soon as possible. The league is a major attraction for the boys of the area.

### Senators Hold With Thin Lead

BY BILL SAKAL

Last week it was the Senators who dropped to No. 3 spot in the Holy Family Section of the CVO Bowling League, 1 1/2 games out of first. This week it's the Red Sox, with the Senators climbing back to top position by winning 3 out of the 4 games as the Braves only took 1 of their 4 games.

This nip and tuck slugfest puts a great deal of pressure on a team, and as it mounts what looks at first like an easy victory turns into a defeat by just the slightest too much twist on the ball.

The Orioles are determined to climb back into the challenger's circle, and upped their standing by one spot last week at Woodbury Lanes by losing only 1 of their series, thus closing the gap between their present position and top spot by 1 1/2 games. Last week as No. 6 they were 8 1/2 games out of first. This week, as No. 5, they are only 7 games out. With only 1 1/2 games spread between the first 3 teams it isn't necessary for any team to win all of their games each week to change places.

Highs for the evening were E. Arundell 223, H. Poole 205, D. Snyder 203, G. Thompson, 202, M. Matthe 201, Bud Smith 202 and E. Schoeng 202.

Standings as of Jan. 23:

	W	L
Senators	51	32 1/2
Braves	51	33
Red Sox	50	34

### Jr Hi Faculty Faces State

Friday evening, Feb. 6, at 8 P.M., the faculty of the Hicksville Junior High will meet the faculty of State Teachers College of Oyster Bay on the basketball court. The game will be played in the Boys' Gym at Hicksville Junior High School. The donation will be 35¢, which will go to the PTA Council Scholarship Fund.

Hicksville High fought off the steady stream of pins which has muscled Mineola to the top in NSAA wrestling, Friday night. A determined stand even held the prospect of the Orange's greatest mat win as late as the tenth match before the favorites pulled away to a 29-17 verdict.

Robert Otten's ninth straight win in the 136-pound class headlined the match for Hicksville. He defeated Paul Sammin 10-0. Larry Barolletti pinned Ron Reilly within an inside croch in 3:20 to stamp the Comet resiliency in the second match. It tied the score 5-5.

Larry Anselmo and Bruce Brady bowed in the next two frays and Tom Fleming made it three in a row for the Maroon with half nelson pin of Larry Shavano. Otten's decisive win snapped the streak.

Ivar Bemberis escaped from undefeated Tom Jansen many times to prevent himself from getting pinned but lost roundly, 10-0. A lusty 150-pound pairing saw Chris Elia decide Tom Beary for the Comets, 7-4. With three matches left Gary Bleck pulled the Comets within 19-14 as he took the 158-pound match on points, 2-1.

Dennis Stillman gave away to much experience to John Kasperaki in the 168-pound class and lost a respectable 4-0 nod.

Andy Antonowich treated the Hicksville fans to the most lively bout of the night. He fell behind 0-5 to 178-pound Chris Schwelzer but recovered aggressively for an 8-7 win. The crowd gave him a noisy ovation for the triumph.

In the Unlimited class Mike Holiday provided a pleasant surprise to the harassed visitors as he upset Dennis Foy with a half nelson. All and all it was a very creditable result for coach Bill Roberts and his boys.

Although it lost 21-5 to the powerful Mineola Jay Vee, the Hicksville underdog of coach Adamo Tomant exhibited spirit in their growing wrestling spree.

The lone victory was a pin by Bobby McBride in 1:40. In the 170 pound match Mike Joanniden was edged by a 6-5 count. Also bowing in points was Joe Gauld, 6-2, in the 112-pound class.

Trinity of Hicksville was proven very resourceful in running off 13 straight wins in the Nassau-Suffolk Lutheran Senior Basketball League. Trailing 24-18 at halftime against Epiphany of Hempstead the locals rallied for a 41-38 victory. It was the 12th win in a row.

Bill Moulder with 11 points, Tom Guigliano (10), and John Holst (10) sparked the last half drive.

Win number 13 came at the expense of St. Johns of Williston Park. And it was a spacious 79-34 win. This time Moulder had 20, Holst 15 and Arthur Clement 14 points.

Hicksville Junior High has three Colletas on its court team. The time out Chris stole the spotlight with a 20-point splash as Plainview was vanquished, 45-27.

Garden City, provided it defeated Glen Cove Tuesday night as per expectations should be undefeated this Friday when Hicksville invades the Grand Hall of the Trojans.

Hicksville prepped for this encounter by defeating Fort Washington, Tuesday afternoon, for its eighth win as against two losses on the season.

It would be of particular value to the Comet pride if the Trojans could be expended after ten straight. It would also put the Orange very much in the Section I race.

Such an accomplishment on the Garden City floor, which is the most splendid mecca of basketball in Nassau County, will be hard to come by. Hicksville would have to have a determined night. And most important the Comets would have to play extremely smart ball.

We have been told its not fashionable to be pro-Hicksville a few times within recent weeks. But we saw the Trojans against Westbury and thought they could be taken so.

HICKSVILLE 63, GARDEN CITY 57.

If you are interested in seeing a good game and the Garden City gym which would be worth the trip alone here how: Go directly down Old Country Road, after you pass Mineola the road bears to the left and to the right over the railroad tracks. Take the left fork and an eighth of a mile down is the gym. Not seven miles all.

### Sport Cars

#### Around Long Island

BY MARC FINKELSTEIN

There are few instances where the early bird doesn't get the worm and Sunday the "Master Rallyist" team of Appelman and Finkelstein (on our first outing) did just this. Our destination was the east parking field of Sperry in Lake Success for the Sperry Sports Car Club "Map-readers Delight" rally.

Technical inspection was slated for 11 that morning (we didn't actually know this). Arriving at 10:30 we saw nothing but seagulls. Maybe we made a mistake. Perhaps the rally was starting from Republic in Farmingdale? (WHAT?)

Thirty miles and twenty minutes later, a battered '46 Buick with two frustrated rallygoers pulled up to the main gate of Republic. "No rally here boys."

Thus we spent three hours on a quiet Sunday morning. (The story just begins) From Republic we made our way to the Bella Vista in Centreport where John Buzzetta, the jovial barkeep, informed us about the Sperry rally. "If there are 90 cars, you will still be able to enter because they were off only at noon." Quickly we jumped aboard our trusty mount for the jaunt back to Lake Success.

The same sight, save for four lonely sports cars, greeted us on our return trip-- Seagulls.

What happened Sunday will not happen Feb. 1 at the Grumman Antique and Sports Car Club rally. The reason -- we are going to leave at 9 the night before and camp on the doorstep of the Employment Office. We surely won't miss the registration at 9:30 A.M., except if we oversleep. There are to be many trophies and a special novice award. Also for last place, however this award is personally reserved for the "Master Rallyist" team of Appelman and Finkelstein. Awards will be presented at the Bella Vista following the 100 plus mile rally.

## Neighborhood Objects to FM Station

The proposed erection of an FM radio broadcasting station and 147-foot tall, antenna pole at the northeast corner of North Broadway and Notre Dame Ave., Hicksville, is being vigorously opposed by residents of the vicinity. The petition of John R. Rieger, Jr. of Merrick for a special permit to build the studio and erect the pole was opposed at a public hearing before Oyster Bay Town Board last week.

The Town Board has reserved decision on the application. Representing the applicant was William J. O'Connell who claimed the Chamber of Commerce is in favor. It was reported the proposed station has the "approval of the Federal Communications Commission and the Civil Aeronautics Authority." It will have the call letters WLIR, billing itself as "the voice of Hicksville." It will be on the air from 7 AM to 12 midnight, seven days a week.

Opposing the application were ten residents including Dr. Alwyn Rand who is an adjacent property owner. There were petitions presented with about 150 residents of the neighborhood also opposed.

Harry Goebel, attorney, was present to represent opposition to the application.

The applicants claimed the station will broadcast at 1000 watts and "will not affect radio or TV reception." It was also said the pole will be lighted at night as a warning to aircraft.

In answer to questions from opponents a spokesman for the applicant admitted the transmitting tower could be located at some other point but this would add to the cost of installation and involve further application to the FCC and CAA.

The HERALD learned this week that there are nine radio stations today operating in Nassau and Suffolk Counties, six or seven of which transmitting on FM as well as AM. A spokesman for one of the most prominent of the presently operating stations on the Island expressed the opinion that obviously "the community needs are already being served more than adequately" with nine stations now on the air in Nassau and Suffolk. He also noted that a station limited to FM transmission would be received only on sets with FM bands. This could eliminate, for example, practically all auto radio receivers as well as many home receivers.

The same spokesman told the HERALD that interference with radio and TV receivers within an area, surrounding the tower, extended probably as much as several

blocks, could result from the so-called "ground signal."

In Freeport and Hempstead, it was noted, the transmitting towers of WGRB and WHLI have been located in areas away from the studios. WGRB tower is on the waterfront near the village incinerator and WHLI is miles from the station and out of the heart of the village. WKIT, with its studio at Roosevelt Field, has its transmitting tower in the industrial-commercial section of Mineola.

The application has reminded some Hicksville residents of the interference experienced when Press Wireless was transmitting from Cantiguae Rock Rd. before it moved out into Suffolk.

## Murray Road Opposes Change

A group of Murray Rd., Hicksville residents appeared before Oyster Bay Town Board, Tuesday morning, to register opposition to the proposed rezoning of a parcel of land at the end of Alicia St., off Murray Rd., from residential to industrial. The application for a change was made by Mario Lanco represented at the hearing by Atty. Anthony Corrieri.

It was stated the applicant proposes to erect a warehouse on the tract which is now vacant. The opposition cited the increase in truck traffic which would result from Murray Rd. as the only connection from the property to South Broadway. Among those speaking in opposition was George Ryan of Murray Rd. who said there are families on the dead-ended street. The Town Board reserved decision on the appeal.

## Women's GOP Club Installs

The following newly elected officers of the Central Island Women's Republican Club will be installed at their next monthly meeting on Feb. 16th: President, Mrs. Elsa Jarthen; Vice Pres., Mrs. William Longe; Recording Secretary, Mrs. Gerard Trout; Corresponding Secretary, Mrs. Victor Yockman and Treasurer, Mrs. Henry Whitehouse. The County Clerk Ernest Francke will be the installing officer and all members of the Hicksville Republican Club are invited to attend the meeting at the VFW Clubhouse on Grand Ave. Refreshments will be served.

## Lecture Series

A series of lectures is being given to the teaching staff of the Sunnyside School, of Trinity Lutheran Church, E. Nicholas St., Hicksville, by Frank P. Jorcke, who is principal of the Christian Day School at Grace Lutheran Church, Queens Village. The lectures held on Tuesday evening will be concluded April 1st.

Being "two places at once" is easy—for you and your phone!

Today's homemaker doesn't need magic. Just give her a phone and she'll be all over town, without ever leaving the house. Off she goes to the store (1) to pick up ice cream for dinner (keeping an eye on lunch the whole while). A money-saving sale? She's there (2) and back to the dusting in five minutes flat (when she goes by phone). While the kids are napping, the phone takes her visiting across town (3). Then she's off to the office (4) of the men of the house, just to remind him that the Smiths are coming for dinner. All day long the telephone takes her places, helps her do things, makes her day easier—and a lot more enjoyable. No wonder so many women say this about the telephone—"Few things serve so well, yet cost so very little."

FOR THE RESIDENTS OF BIRCHWOOD PARK AT JERICHO

## School Site Vote This Saturday

By Dr. George M. Weston  
Education Committee

The Special Election for the approval of a new school site for the Jericho School District will be held this Saturday, Jan. 31, at the Robert Seaman School. The polls will be open from 8:30 to 11 P.M.

The proposal to be voted on calls for the purchase of a ten-acre site on Cantigue Road for \$205,000. A school erected upon this site will serve the residents of the new Birchwood houses now being constructed west of Broadway.

The acquisition of the site has received the unanimous approval of the Birchwood Park Civic Assoc.

and all members have been urged to turn out to vote.

The location of the site strategically adjacent to the area of new home construction west of Broadway will result in elimination of transportation problems thus effecting savings in the District's operating budget for years to come. With the school site already in its ownership, the School Board will be in a favorable position to construct the school which will be needed in the area in time to accommodate the newly arrived children. In this way double sessions for all the children of the District can be avoided or kept at a minimum.

## Syosset Votes on Site Also

By H. Ace Bernstein

This Saturday, Jan. 31, between the hours of 9 A.M. and 9 P.M. at Syosset High School, residents of Syosset School District will vote on a proposition of acquiring a site for a new Junior High School. At a meeting of the Syosset Education Committee of the Birchwood Civic Assoc., School Board President Bill McCurk gave the Board's reasons why it is necessary for the district to acquire the site.

In the next four years there will be a shortage of 35 elementary classrooms in the district. At the same time, a 2nd Junior High School will become necessary because the Junior High School that is now under construction will hold only 1250 pupils and we already have in our district (Kindergarten, 1st and 2nd grade) 2500 children who will be ready for Junior High School by 1965, plus others who will move into the area.

There will be an apparent leveling off of elementary enrollment after 1961 and with probable parochial construction, new elementary schools may not be necessary. It is the intention of the school board to use the 2nd Jr. High School not only for Juniors, but also for the excess older children of elementary school. Thus through 1963 all children will be assured of full SINGLE SESSION.

The site under consideration is the last available land South of Jericho Turnpike and West of the proposed North-South Expressway. Its exact location is behind the new Syosset Fire House on South Oyster Bay Road and Miller Road. 70% of all the children in the district live within walking distance of this site so the

saving in transportation cost will be "tremendous". Our children in Birchwood would have to be transported. The agreed price for this 25 acre site is \$16,000, an acre, which is considerable cheaper than any of the land that has been sold in that area of the district.

The acquisition of this 25 acre site will cost the district taxpayers approximately 2 1/4 cents per hundred for one year only. In terms of the people owning the Hollywood Model which is assessed at about \$9,000.00, the cost is \$2.05. Under State Law 3603-C the State will take over the cost after the first year because the State does not pay for school sites until construction starts, then both land and building costs will be carried by the State.

We of the Syosset Education Committee strongly urge and recommend that all taxpayers in the Syosset or section of Birchwood vote on Saturday Jan. 31, at the High School and vote in favor of acquiring the site. It is also recommended that you vote YES to both Propositions that will also appear on the voting machine.

## Civic Election Social on Feb 7

By Irving Herskowitz

WANNA bring back those nostalgic memories of the pre-war days??? HERE'S YOUR CHANCE. Sid Connors and his Moonlight Serenaders will be on hand to provide the tantalizing rhythms and soft waltz ballads that were the rage in those days. The melodic interpretations of some of the greatest bands of the pre-war era will be pouring forth at the gymnasium of the George A. Jackson School on Saturday Evening Feb. 7, immediately following the voting. - and this music and dancing will be FREE for all paid up members of the Birchwood Civic Assoc. at Jericho.

--- And if this does not completely satiate your nostalgia, let's go back a little further. Remember Nathan's Famous Hot Dogs of Coney Island? The exact replica of this great delicacy (edible, of course) will be unveiled for the very first time anywhere's --- outside of Coney Island --- and soft drinks, coffee and cake will serve as the companion piece to this very royal visitor.

You say you aren't concerned with the past --- but it's the present you want OK, you can have that too Sid Connors and his crew will bring you right up to the present with his very versatile and entertaining band. His Cha Cha's, Manbos and Rumba beats are fresh off the boat from the Cuban revolution. His specialty numbers are the "Bastardo Lament" and the "Castro Upheaval".

You say you can't dance. That's OK too. Cause this orchestra will sing for you and entertain you in the comfort of a chair which will be provided for you (if you arrive early) on the dancing perimeter. This social is earmarked for a FOUR STAR HIT.

MERRY-GO-ROUNDERS, professional dance group, will present three ballets this Saturday, Jan. 31, at Syosset High in a program sponsored by the P-TA Jr. Programs of Syosset. The dancers are shown in the Tryolean Wedding number. Performances are scheduled for 10:30 A.M. and 1:30 P.M. The admission price is \$1 for the two remaining programs in a current series, bringing live professional theatre to children of the School District.

## Sisterhood Plans Membership Tea

Sisterhood of Temple Or-Elohim, the Reform Temple in Jericho, invites all to a Membership Tea on Monday, Feb. 2, at 8:30 P.M. It will be held at the home of Mrs. T. Fisch, 54 Hazelwood Drive, Jericho. Please call OV 1-4638 for more information.

On Tuesday, Feb. 3, at 8:30 P.M., Sisterhood of Temple Or-Elohim, will sponsor a meeting with wide popular appeal. Dr. Jane Wiener, of Jericho, will lecture on "Sex After Ten Years of Marriage." A discussion period will follow. Refreshments will be served.

The Valentine's Day and Dinner-Dance given by the Sisterhood of Temple Or-Elohim, to be held at the Westbury Manor on Feb. 14. Donation of \$18.50 per couple will include a Cocktail Hour, Dinner, private Dancing area, and a good

time for all. Please call OV 1-1904, OV 1-2708, WE 8-8743, or WE 1-4686 to assure your reservation.

## Jewish School Hears Singer

The PTA of the Levittown Workmens Circle Jewish School will hold its meeting at Levittown Hall on Friday night, Jan. 30, at 8:30. After a short business meeting, during which parents will receive their children's report cards for the mid-year, the famous folk singer, David Ellin will entertain.

Color is capable of providing a most pleasant and relaxed distraction. With this in view use colors that arouse the most gratifying personal response. While fashions in colors are ever-changing, preferences remain very personal. Of course the old yardstick for using colors still holds true. Light colors make a small room look larger, dark colors make a huge room seem smaller.

Draperies provide an excellent way for putting the colors you prefer into your home. You'll find YOUR colors in our wonderful fabric collection. Of course, the fabrics you select will be carefully cut, beautifully tailored and accurately measured to your windows by an expert from:

**Cancel Star Night Fund Event**  
 Cancellation of Star Nite, Long Island Funds' annual all-star fund raising benefit extravaganza, was announced this week by the Fund's trustees after a meeting in Elliott Murphy's Sky Club.  
 Decision to discard Star Nite came about when Fund officials agreed the benefit show had fulfilled its function of educating the Community on charity needs and was no longer required with the establishment of the current payroll deduction plan.  
 In making the announcement, Jack B. Retallata, 1958-59 drive director of the Fund and head of public relations for Grumman Aircraft, said "Star Nite has done a great job as an education device to call attention to charity needs. Without it, the Long Island Fund could never have reached the wide popular subscription it now enjoys. But now that we have reached that point, the need for Star Nite is past."

**Phone Co Plans More Expansion**  
 The New York Telephone Co. plans to spend \$255 million in 1959 on expansion, replacement and improvement throughout its territory, Keith S. McHugh, Company president, announced.  
 Of this total, more than \$140 million will be spent in New York City and its suburbs.  
 The estimated outlay is a continuation of a similar program last year when, "despite the recession, the telephone company went ahead on a wide variety of projects."

**Safety Poster Deadline Near**  
 Less than a month remains to enter the American Automobile Association's 15th annual National Traffic Safety Poster Contest, local students were reminded today by the Automobile Club of New York.  
 All poster designs must be in the mails and addressed to AAA headquarters in Washington, D.C. by February 28.  
 The contest is open to all students under 21 years of age now attending public, parochial and private schools. Cash prizes of \$3,650, including a \$350 grand award intended as an art school scholarship, will go to the students creating the most original and appealing safety designs. By ARTIE RUTZ

The Auxiliary's first covered dish buffet supper last Sunday was a swell social success with everyone including the kids having a real time. The dishes were real tasty with more than plenty for everyone while the attendance was surprisingly large considering the rather short notice issued and despite the fact that I had given out some misinformation at the last meeting. And thinking about misinformation handed out, did you note the date I inserted for the Valentine Dance on

the back page of the latest issue of our Post newspaper? Well, it should have read, "Feb. 14th-- This is what comes when you try to compress a 20 hour job into 6--- But you should have seen the one I saw many, many years ago that was pulled on the New York Post when the screaming 3 inch headlines should have read, "BIG SHIP STUCK IN HARBOR" and didn't quite get spelled right -- About 12,000 of these rolled off the press before it was discovered and a hasty retrieving job was

In order, but a few got away and today they are collectors' items---

Our "Operation Commemoration" has been fully launched with a tremendous broadside of mail and will now be followed up by assault teams armed with order blank and pencils--- Our Post conducted services, Monday night, for a member of a Staten Island Post who lived in Hicksville--- The pictures of our past commanders were taken again Sunday and though we missed a few, we sincerely hope these turn out favorably--- I'm not kidding either fellows, because this same photographer has to take pictures of our national commander next month at Kings Point and if anything should go wrong he won't be around to pose all over again--- Don't forget the Nike Missile people are visiting our Post on the night of Feb. 2 and we will see their 45 minute movie in place of a regular meeting and you are invited to bring your entire family, particularly the children, your friends and neighbors as this picture is a MUST for all Americans --- 7:30 P.M. is the time on the evening of Monday, Feb. 2nd, mark it on your calendar and be there ---  
For "Operation Commemoration" it is necessary to have photographs taken of our various groups in their uniforms; etc. and these pictures will be taken on the afternoon of Sunday, Feb. 22nd so please don't make any other plans because these pictures cannot be taken again--- The Color Guard has been invited to present the Colors at the next County meeting on Feb. 27th and have also a very important date on the preceding evening, pending--- One thing more about "Operation Commemoration", get solidly in back of RUDY BOUSE and help him get results, he cannot do it alone.

Sgt. Robt. O. Uimer Post 44 Nassau County's First Post

by Jimmy Cooley

"The battle now has ended"  
The sound of firing gone,  
Their cause they have defended  
Their enemy dethroned.  
"A million men were marching  
then"  
When the clouds of war were  
black,  
But only half a million men  
Came slowly marching back.

"OUT OF THE FOXHOLE" ...

If JOHNNY LOGOSKY and TONY CARRIERE read this column, will you please drop around and see us every 1st and 3rd meeting at the BROADWAY TAVERN where Am Vets meet? Let's keep the old gang together fellows ... just like old times.

Say!! "Where are thos STREMBEL TWINS"??? Let's compare youngsters... eh buddies? Seems somewhere along the way the news about the LADIES AUXILIARY went haywire... the girls "QUINN, McCLOSKE, LORRAINE BRENNAN, TESSIE. EICH gave ANNE BRADY a baby shower on JAN. 17. Among the of Ladies present were MARIE CONNORS, DORIS HAMILTON, ELEANOR MUELLER, JULIA COSTELLO AND ANNE SCHAAL. Never had the pleasure of meeting Mrs. Quinn or Mrs. McClosky, but look forward to it when they "chew" me out for forgetting their first names ... incidently I will not blame them.

"DON'T FORGET DEPT" ..... Friday eve., Feb. 21st. when AM VETS hold their ST. VALENTINE affair at the VFW Hall, Grand Ave. & 4th St. \$2.50 per person with TOMMY CONNORS and his Band playing for the crowd. "Say Tommy ... do you remember those old timers that we knew during the War such as ... 'I'll Be Seeing Your', 'I'll Walk Alone'?"

AWARDS DEPT. When the Post hold their annual Post Officers installation ... please select a person who may qualify for the "MARGARET McDONALD MEMORIAL TROPHY" who has done an outstanding job for the physically handicapped.

## Enrollment

(Continued from page 1)

elementary children.  
"He determined that the junior high enrollment would reach a peak of about 3570 in 1964 then decline to 1900. He forecast that the senior high enrollment would reach its peak of about 3375 in 1967, then decline to 1600. The highest total enrollment would be about 14,315 in 1963 but would eventually decline to 8300 or about 4000 less than we now have."

Dr. Lamb also stated that Dr. McCormick has recommended that any decision regarding additional building needs be deferred until next fall.

The Board of Education will hold a regular meeting in the Senior High School Little Theatre tomorrow (Fri.) night starting at 8:15 PM.

# Personal Mention

Sheila MacKay, daughter of Mr. and Mrs. William J. MacKay, 25 2nd St., Bethpage, a member of the 61 - voice Valparaiso University Chapel choir, took part in the choir's extended tour of the Eastern seaboard this week. Dr. M. Pucciariello, who reside at 48 8th St., Hicksville, enlisted in the U.S. Navy.

THEODORE KAPLAN of 21 Sutherland Rd., Hicksville, has been accepted for membership in the Long Island Chapter, National Office Management Assoc. He is Officer Manager of DeJur-Amsco,

well-known manufacturers of photographic, electronic and business equipment.

NANCY S. MIDDLEMAST of 30 Haverford Road, Hicksville, is a member of the renowned Gettysburg College Choir which will tour Southern states from Maryland to Georgia beginning Jan 31. Miss Middlemast is the daughter of Mr and Mrs Ferris T. Middlemast. She attended Hicksville High School and is now a member of the Freshman class at Gettysburg College.

## Piano Concert Held on Sunday

A brilliant program of piano music was presented by students of Morton Estrin, 33 Picture Lane, Hicksville, on Sunday Jan. 25. The program covered a wide field of classics ranging from Bach and Beethoven through Grieg and Kabalevsky climaxed with the Concerto in A minor of Grieg performed by Seth Carlin, 13 year old pianist of Hicksville. The orchestra part was played

on a second piano by Mr. Estrin. Other participants were Maxine Lesser and Louis Cersellinow of Levittown and James Mendall of East Meadow. These recitals will be a monthly event at the Estrin studio with the next one scheduled for Feb. 22.

IT ALL ADDS UP

Good education costs the community a pretty penny, these days, right from kindergarten. Like you, we're in a position to know, because LILCO is the largest taxpayer in all of Suffolk and Nassau Counties...and the largest single contributor to school taxes! In fact, twenty-five percent of your utility bill each year is paid out in taxes. Nearly half of this is earmarked for local use, such as schools... which means that each tax dollar this company pays helps reduce your tax burden. It's another example of the way LILCO shares in community life. Let's see how it all adds up. Our taxes... added to those you pay, and the taxes paid by Long Island industry... are helping to build one of the finest educational systems in the nation!

FREE BOOKLET! The story of Long Island Lighting Company is told in an interesting new booklet entitled "What is a Public Utility?" Send for your free copy today! Write: Long Island Lighting Company, 250 Old Country Road, Mineola, L. I.
