

# Prospects For Early Start Seen Brighter: RR Crossing Funds in Budget

## Record-Breaking State Appropriation Includes \$10 Million for Hicksville Job

Hopes for an early start on the Hicksville Rail Road grade crossing were boosted immeasurably this week as Gov. Rockefeller announced that his budget for the State of New York includes the proposed allocation of \$10,000,000 for the Hicksville project. Local observers were confident that the appropriation as well as other LI projects would withstand whatever economy onslaughts might be launched in the Legislature.

Many sources announced Monday that the record breaking budget provides for an 8 million dollar Babylon grade crossing project, \$8,125,000 project on crossings for Floral Park and \$10 million for Hicksville. The inclusion of Babylon and Floral Park, both projects of long standing, was seen as vastly encouraging the prospects for Hicksville because the local work would probably never get started unless Babylon and Floral Park were given equal consideration.

Supervisor John J. Burns, who while he was Assemblyman from this District contributed greatly in helping to raise the status of the Hicksville program in 1954-1955 from the status of long range, contemplated work to first priority consideration, said yesterday he was well pleased with the reported budgetary provisions.

Assemblyman Edwin J. Fehrenbach of Bethpage, who succeeded Burns at Albany and has followed the Hicksville project closely, also said he was elated with the report that money has been earmarked for the local project. He also pledged his best efforts to see that the funds are retained in the budget for this urgent work.

The Hicksville Chamber of Commerce action committee on grade crossing elimination, headed now by Aaron Rochman, will decide at a closed meeting of the Chamber Directors this Friday whether or not it will proceed with plans for a massive petition effort.

The HERALD learned from a highly placed, authoritative source that the preparation of working plans for the Hicksville program which includes the elimination of seven grade crossings, is well advanced and may be ready for final adoption by the respective authorities involved by March or April of this year.

When the working plans have been developed and adopted the State Dept. of Public Works will be ready to call for bids, award contracts and have the work commence.

## Feb 12 Holiday for Most Schools

Hicksville Public Schools will be the only ones in the mid island area holding regular class sessions on Thursday, Feb. 12, the 150th anniversary of the birth of Abraham Lincoln, the HERALD learned today. A check of schools in surrounding communities disclosed that Feb. 12 will be a holiday for Jericho, Bethpage, Plainview, Levittown, Island Trees and East Meadow. In addition, Westbury will have off on Feb. 12 and Friday, Feb. 13.

Lincoln's birthday will be a holiday also for the students of St. Ignatius School in Hicksville and the Mid Island Hebrew Day School in Bethpage. (See Current Comment on Page 4 in this issue).

## Chamber Gets Good News

Aaron Rochman, chairman of the Hicksville Chamber of Commerce action committee on the grade crossing elimination program, today disclosed that various state and local authorities have responded to his communication of last week regarding the status of the project.

Most encouraging word was a letter transmitted by Assemblyman Edwin Fehrenbach from M.E. Gould, district engineer of the State Dept. of Public Works at Albany, stating "we are hopeful the project will be under construction in 1959".

Rochman also received a report on the progress of the work as reported to Fehrenbach by the State Public Service Commission. On July 8, 1959, the contract was awarded for the moving the RR freight facilities and there have been some revisions in estimated costs, demolition expense, etc.

All agencies indicated that the work is being progressed as rapidly as possible and that the final working plans for the project are now "about 85 per cent complete".

## All 3rd Graders In Nicholai Next Term

Nicholai St. School building in Hicksville will assume a new role in the elementary school education program effective with the 1959-60 school term. Seventeen groups of 3rd graders from all sections of the District will be housed there on full single sessions from 8 AM to 2:15 PM.

JAMES "HAPPY" NORMAN, at right, who was this week unanimously elected Republican leader of Bethpage to fill the vacancy caused by the resignation of Assemblyman Edwin J. Fehrenbach, at left. Norman is a former member of the Oyster Bay-Town Board and has long been active in civic and political affairs of Bethpage. Fehrenbach has retained his position as a Republican committeeman.

## Judge Bennett At Women's Club

The Women's Club of Hicksville will hold its meeting Tuesday, Feb. 10, in the auditorium of the Hicksville Public Library at 8 PM.

Guest speaker of the evening will be the Hon. John D. Bennett, Judge of the Surrogate's Court of Nassau County. His topic will be on the importance of wills.

Miss Grace Stoll, president of the Women's Club, cordially invites the general public to hear Surrogate Bennett on this very interesting subject. Admission is free. Mrs. F. Gilde and Mrs. A. Loeffler, co-hostesses for the evening, will supply and serve refreshments.

At one time the only public school building in Hicksville, Nicholai has had a long history with local public education. The first high school in Hicksville was established there, together with other grades, before the present day Junior High (opened as a Jr.-Senior High) was erected.

In recent years the building has been used for first, second and third graders from various areas of Hicksville where the "home or neighborhood school" could not accommodate the full load. It has also housed special groups of students, according to School Board President Allen Carpenter.

Under the plan unanimously adopted by the Board of Education on Friday night, upon the recommendations of the School Administration, the following becomes effective with the start of school next September:

Four groups of 3rd graders will be moved from Burns Ave. to Dutch Lane School. Moving to Nicholai St. School will be four groups of 3rd graders from East St., seven groups of 3rd graders from Lee Ave., two groups of 3rd graders from Fork Lane and four groups of 3rd graders from Woodland Ave. School.

All first graders at Burns Ave., Dutch Lane, East St., Fork Lane, Lee Ave., Old Country Rd. and Woodland Ave. will be on double sessions (8 am to 12 noon and 12 noon to 4 pm) next term. All other students, except kindergarten will be on full single sessions.

Class times next fall, under the plan approved by the Board of Education with five trustees present voting in favor, will be:

Kindergarten - 8 to 10, 10 to 12, 12:15 to 2:15, 2:15 to 4:15.  
First grades - 8 to 12 and 12 to 4.  
Second grades - 8 AM to 2 PM.  
Third grades (at Nicholai) 8 AM to 2:15.

4th, 5th and 6th grades - 9:20 to 4:05.

Junior High (7th, 8th and 9th) - 8:20 to 3:20.

Senior High (10th, 11th and 12th) - 8:20 to 3:30.

Vocational groups at the senior high will attend from 8:20 to 3:50 PM.

## HEART SUNDAY FEB. 15

Heart Sunday will be observed in Hicksville and Jericho on Feb. 15 and Heart Sunday Volunteers will be calling between 1 and 4 p.m. to collect contribution to the 1959 Nassau County Heart Fund presenting an envelope in which you may place and seal your gift.

## Only School To Win Double

Two students of Hicksville won Certificates of Achievement in the recent competition sponsored by the National Council of Teachers of English, open to all juniors of secondary schools, private and public, in the United States. The winners were Paul Lehrer and Thomas Pyle. In addition the English Dept. also received a Certificate of Excellence from the National Council.

"We of the English Dept. and the School feel justly proud as Hicksville was the only school on Long Island to win two Achievement Awards," according to Viola A. Milligan, head of the English Dept.

"These awards are to be presented to the winners at a future assembly as suggested by the Council."

## Course at Yeshiva

Dr. Wallace E. Lamb, superintendent of Hicksville Schools, will be one of 14 School Superintendents heard during a credit course at the Graduate School of Education Yeshiva University in New York City. The sessions entitled "The School Administration Looks at Modern Education" will be held on Tuesday evenings.

## School Board Adopts 1st Budget Code, New Rules For May Election

Evidence that the Annual School Meeting, elections and budget voters are rapidly approaching was demonstrated at the Hicksville Board of Education meeting, Friday night, when several revised rules of procedure regarding the annual meeting were adopted and a code or section of the proposed 1959-60 budget was accepted.

The Board acted promptly to approve Code 7 which represents about one-eighth of the total annual expenditure. Code 7 is described by School Superintendent Wallace E. Lamb as the section dealing with the "payment of principal and interest costs on the bonded debt of the District in the main. These payments are in accordance with the legal schedule set forth when the bonds were sold. They are not susceptible to change."

Proposed for expenditure in 1959-60 is the sum of \$976,927.40 for debt service, a reduction of \$24,747.10 as compared with the current fiscal year.

Next year the District will redeem \$574,000 worth of bonds, of which \$556,000 is for school purposes and \$18,000 is for the Public Library which is a charge against the school district. The District will also be paying \$386,090 in interest on school purpose bonds.

## Opinion Survey Replies Lag

The HERALD this week launched a public opinion survey thru the mails, but returns were inconclusive at press time. Those who were questioned are urged to mail back post cards provided or to present their answers in greater detail in latter form.

Subject of the first survey is the matter of local public school facilities. On the basis of incomplete returns, a shade more than half of those answering believe the School District should buy the so-called Willet Ave property "in case we need it" for a school. Even on a small percentage return, the answers indicate an awareness of the student housing problem facing the secondary (junior and senior high school) level. All respondents favored adding rooms to the Senior High, and almost all favor additions to the Junior High, either permanent or temporary.

The full results of this survey will be published next week and it is hoped that all questioned will respond.

The Glen Cove-Hicksville League at Mercy Hospital met yesterday (Wed) at the Brookville Country Club with luncheon at noon. We hear that Mercy Hospital will benefit from a Smorgasbord luncheon sponsored by the League to be held sometime in the near future. Sounds good. Also good news is the fact that the affair will feature the sale of a cook book made up of the favorite recipes of the members of the Glen Cove-Hicksville League. We'll have more news of this later. Our sincere sympathy to Mrs. CHARLES HAFNER and FRED KRAEMER of Jericho on the death, this week, of their sister, Mrs. Bertha Quinn of Hempstead.

We heard this week that Mr. and Mrs. ALBERT PETRY have decided not to sell their home and will remain at 5 Libby Ave., Hicksville.

GEORGE tells us the reason GIL MAP is so good with the "whirley" is because he practices at home, not in the back room at Holden's. Saw LOU WOLLENHAUPT of Forest Hills, in the back room at Holden's the other day and he was telling us of the grand time he and the family spent on vacation down at W. Palm Beach, Fla. Lou caught a 6 ft. 9" sail-fish and wife, Arlene and son Gary, each caught a 10 lb. dolphin. Seems a shame they had to come back to this weather after leaving the beach at 85 degrees. Mrs. MARY FISCHER of Queens is the pride and joy of her son-in-law, HAROLD MANASKIE. He takes pride in telling much she can do at her age. Keeps her own apartment in Queens, helps her family and spends each week-end with her daughters, Rose Manaskie of Hicksville and Margaret Romeno of Queens.

Rec. director JOE MACKEN was the guest of BILL NELSON at the Hicksville Kiwanis luncheon meeting last week. ANDREW S. MILLER of 16 Edgewood Dr., Hicksville, has been named as second alternate appointee to the US Naval Academy at Annapolis by Congressman Wainwright. The principal appointment went to a Massapequa Park boy. ERNEST FRANCKE was a guest at the Hicksville Rotary Club last week. He spoke about the Boy Scout fund campaign.

Contract for the purchase of the former Bank of Hicksville building at 65 Broadway for a Town Hall Annex has been signed by Supervisor JOHN J. BURNS and the town is now waiting for the title to pass. The building is currently being rented by the Town. As part of the observance of Boy Scout Week, a special program on the new Scouting Explorer activity will be given for the Hicksville High Student Council on Tuesday, Feb. 10. Town Clerk HENRY M. CURRAN will be a guest speaker at the annual meeting of the Association of Towns at the Hotel Commodore in New York on Feb. 10. BUDDY MAZZARA, of Bethpage wants us to know he enjoyed HOWARD FINNEGAN's recent series in the HERALD on the Great Days of the Hicksville P.T.A. He suggests a get-together dinner for the players of those days. LI Lighting Co. is paying \$279,353 of Hicksville's School Taxes on its local property holdings. "Arsenic and Old Lace" will be the Hicksville High Senior Play presented on Feb. 26, 27 and 28. We have a very interesting letter from "A Puzzled Hicksville Resident" regarding the Public Library. However we insist upon knowing the identity of letter writers.

Had a good time at the joint dinner of Companies 5 & 6 of the Hicksville Fire Dept. Saturday evening, at the Old Country Manor, Hicksville. All the ladies were presented with orchid corsages. Each guest was also presented with a drinking glass with the occasion and date printed upon it in fireman red. An item of interest overheard was the conversation between ROSE MANASKIE and JACK SCHOEPFEL, guest from Sea Breeze. We want to know what goes on between "Rosie and Seabreeze Jack" and is Harold aware of it? Jack came 400 miles to attend. This past Tuesday when a group of ninth graders were taking their Citizen Education exams in the cafeteria of the Junior High the teacher in charge played records for them. # Raise Question Of Education

A request of the Hicksville Organization for Public Education for permission to stage a square dance in the high school with a charge for admission was raised by the Board of Education, Friday night, when a spokesman for the group was not prepared to certify that the net proceeds would not be used for school candidate election purposes.

Morton Cohen, HOPE president, said the proceeds estimated at \$50 would be used to "educate the community". School Attorney Arnold Witte ruled that use of public schools where admission is charged is, under the law, be limited to a "charitable or educational purpose".

## Maisel Selects Us for Pilot

Coinciding with its current 17th anniversary celebration the Arthur Maisel Restaurant chain, which stretches from New York to Miami with operations in Long Island, New Jersey and Westchester, announces the selection of its Hicksville restaurant in Mid Island Center as its new "pilot" branch for all forthcoming menu innovations and dish creations.

In a special interview, restaurateur Maisel observed that the reason for this selection is twofold. "Firstly," he said, "we have been received so well in Hicksville, we feel a special fondness for its people. Secondly, we feel the restaurant attracts a typical cross section of patrons whose reactions can guide us in the proper direction on all new menu features we introduce."

The first such item, a \$1.95 thick steak dinner, cut from top grade Swift's steak, part of the million lbs. of beef the chain purchases annually, is now being made available to diners at the Hicksville Maisel's. The restaurant's function is in connection with the extensive proving kitchens and testing laboratories of the chain in New York City. An extensive line of new Maisel dessert creations, aimed at the younger set for which a complete 99¢ DINNER is being introduced, is also being presented. Accommodations for special parties and home catering are also offered.

## Teenage Activities Prove Popular

Tuesday evenings finds over 50 Hicksville youths (over 16) completely engrossed in learning the fine points of auto mechanics at the Hicksville Senior High School in a program arranged by the Hicksville School Recreation Dept. in cooperation with the Police Boys Club.

This is one of several teen age activity programs in the community which have been quietly developing in recent months, according to Patricia Schwartz, program coordinator for the School Recreation Dept.

Close to 100 Jr. and Sr. High boys with particular interest in physical fitness are doing concentrated body building through the rigorous body discipline of weightlifting every Thursday evening at the high school. The winter outdoor enthusiasts have ice skating available to them at several schools, particularly evenings at Lee Ave.

But the real hub of activity comes into focus during the weekend leisure hours. Friday night, for example, there are four centers open to teens offering basketball, table games, record dancing and soft drinks at Burns Ave., Park Lane, East St. and the High School. Currently, the basketball season has motivated a need for dances in the cafeteria, following each home game. At these get-togethers, the Booster Club is augmenting the Scholarship Fund by selling the soft drinks.

Reversing the tube may improve a fluorescent light that has grown dark at one end.

"Now, hold on to your hats before you venture into the high school gym on Saturday morning! You'll find over 150 boys engaged in trampolines, traveling rings, basketball, parallel bars, the buck, the Swedish box, volleyball, weightlifting, calisthenics, wrestling - yes, and even fencing!" Mrs. Schwartz declares.

"Needless to say this varied program of social and sport activities requires a highly skilled and professional staff - people with a competent background in working with teenagers. This unusual staff can be found among our own Hicksville school faculty in person of Edward Petro, Amadeo Tomaini, Harry Renn, Robert Whearty, William Jurgelovich, John Santoro, Willard Prince, Joseph Shovlin, Rodney Marsha and George DeNagy.

"These are the recreation services available to the youth of our community. We hope you will encourage the teenagers in your family or neighborhood to take advantage of this program," Mrs. Schwartz concluded.

## CURRENT COMMENT:

## No Holiday For Lincoln

BY FRED J. NOETH

LINCOLN'S BIRTHDAY on Feb 12 is one of the holidays most generally observed in the United States. The other nine days most generally observed are New Year's Day, Washington's Birthday, Decoration Day (or Memorial Day), Independence Day, Labor Day, Columbus Day, Armistice Day (now called Veterans' Day), Thanksgiving Day and Christmas. To this is added Election Day in most states and of course Sunday as a common-law holiday everywhere.

This year for the first time in the memory of most folks, Hicksville Public Schools will be open and going full blast on Feb 12th.

It was May 16, 1958, when the Superintendent of Schools submitted his proposed 1958-59 school year calendar to the Hicksville Board of Education. The absence of both Lincoln's and Washington's birthdays from the schedule left some folks agast.

When the calendar was finally adopted by vote of the School Board, Washington's birthday was included as a holiday. But here's the funny thing: Feb 22 this year is a Sunday so the actual observance granted by the Board of Education is for Feb 23, which is not a "holiday."

When it got around town that Lincoln's Birthday was NOT being observed in 1959 in Hicksville Schools, there were a number of letters, telephone calls, etc. These were referred to the Superintendent and he gave a lengthy answer, the full text of which was published in the HERALD.

The subject continued to come up from time to time. Last Friday night it was raised again. Walter Schreiber, who took office on the Board of Education last July 1 and was therefore not a member when the calendar was established on May 16th, offered a motion that Lincoln's Birthday be observed. The final vote was four to one with Schreiber the only vote in favor of observing the holiday of Lincoln's Birth by having school dismissed for the day.

We infrequently take issue with the decisions of the Board of Education. We do differ most emphatically on this issue.

In the 1957-58 Hicksville School Calendar, Feb 12 was a school holiday but Feb 22 (Washington's) was not, it fell on a Saturday.

The State Education law requires that there be 190 days in a school year but in computing the number of days, legal holidays and teachers' conference days are counted when they fall within the school term but not Saturdays (Sec 3204).

State aid is reduced one one-hundred eightieth for each day less than 180 days that the school was in actual session. However, this reduction can be disregarded by the State up to five days for certain reasons such as adverse weather, etc.

The 1957-58 School Calendar showed 182 days with eith holidays (including teacher conference, Easter and Christmas recesses) for a total of 190.

The 1958-59 Calendar shows 186 class session days plus seven legal holidays, conference days, etc for an overall total of 193, or three more than the law requires.

If it really were a case of trying to get in more school days we can see room in the Easter recess which begins Thursday, Mar 25. The recess is now scheduled to end on March 31 with classes returning

Hessau County's First P  
by Jimmy Cooley

OUT OF THE FOXHOLE: I'm sure that BILL OLITSKY will be glad to hear that we received satisfaction regarding the information we sought from the Supervisor JOHN BURNS of the Town of Oyster Bay. It's a "HI" deep for me, Bill, but I'm sure that our Post Judge Advocate MANNEY ZIMMER might know the procedure.

Say TOM CONNORS ... if you look for additions to your Band someday, heard some nice renditions by COMMANDER SURESS's son and his friends ... and they aren't bad either. Those veterans from Bethpage who have contacted me regarding AMVETS Post 44, drop around and see me and I'll give you the low-down. SCOUTMASTER FRANKIE MAZZARO and I are whipping into shape a great bunch of Bethpage Scouts whose main purpose is to have a fine "Drum & Bugle Corp". After three years old "Betsy" had to come out of retirement ... but it feels good again Frankie.

REUNIONS: Women's Army Corps Veterans Assn. will have a get-together FEB. 22 in CHICAGO. Veterans of the 503rd. Parachute Regimental Combat Team ATTENTION GEORGE ROECKI of Post 44, Hicksville, sends word that the outfit is planning a reunion. The gathering will be Feb. 20-22 at MANAGER VANDERBILT HOTEL, NYC. Please contact EARL (Doc.) LANDER, 82 Beaver St., N.Y. 5, for info. JAKE KORNBLATT who I met accidentally after 18 years and is employed at "MILES SHOE STORE" in Plainville, is trying to contact some of the boys we knew and served with while stationed at FT. BENNING, Georgia before WW2. If you hear from some Jake ... let me know.

VETERANS NEWS & VIEWS: REP. FRANK BECKER has a Bill in Congress to compensate members of the Armed Forces (at the rate of

\$2.50 a day) for each day spent in hiding during WW 2 and Korea to evade capture by the enemy. REP. PAUL FINO of New York proposed a monthly pension of \$100 to new Veterans who have reached the age of 60 years old.

Veterans who have contacted the Columnist regarding any veterans Federal Bonus ... hear this ... at this time all leading Veterans Organizations have so far turned "thumbs down" on any Bonus idea. Read this column as I receive news on this issue.

IT'S A FACT AND NOT FICTION: There are 59,000 graves at PINE-LAWN cemetery and there are 6,000 burials a year. I'VE BEEN ASKED: If there was any sort of club that veterans could join, at one time or other they were listed as R.I.A. or M.I.A. I do not know of any at present time, but knowing that there are some from AmVets Post 44, perhaps there is a group that could be put together just as the Hicksville Legion has the "Last Man's Club". Let's hear more from you fellows. Until next week remember fellows meetings on Fridays, FEB. 6th & 20th.

## Engaged

Mr. and Mrs. John J. Nolan of Cloister Lane, Hicksville have announced the engagement of their daughter, Arlene, to Daniel J. O'Leary of Jackson Heights. The announcement was made at a reception at the Nolan home on Sunday which also celebrated Miss Nolan's graduation from Hofstra College, Monday.

Mr. O'Leary is the son of Mr. and Mrs. Daniel O'Leary of 95th St., Jackson Heights and has graduated from Fordham University. He also attended Rensselaer Polytechnic Institute.

April 1st. Bringing the classes back on March 31st would accomplish the same purpose.

We probably would not get all worked up over this if it were not for the further contributing fact that this year marks the 150th anniversary of Lincoln's Birth and President Eisenhower has called for particular observance throughout the year. A newly designed Lincoln penny is being minted as part of the observance.

There is no School Board meeting scheduled until Friday night, Feb 13, so that the possibility of further official action to declare a holiday on Feb 12 in Hicksville Schools is remote. At least we got it off our chest.

## Income Tax Fax

Should I file a joint return?

If you married on December 31, 1958 you may file a joint return with your spouse regardless of how long a time you have been married and regardless of whether or not your spouse has income.

If your spouse died during 1958 you may file a joint return with your deceased spouse for the year 1958. If your spouse died during 1956 or 1957 you may still compute your tax as though you were filing a joint return, provided you maintain a household which is the principal place of abode of a child or step-child for whom you can claim a dependency credit and you have not remarried.

If your net taxable income is over \$2,000.00 a joint return will result in a lower tax.

In making a joint return you include all the income, exceptions and deductions of both the husband and wife. In heading the return you list both names. For instance: John J. and Mary M. Doe. Also, you show both social security numbers and both occupations if both have income. It is not necessary that both have income in order to file a joint return.

Husband and wife must both sign and date a joint return. Each assumes the responsibility for any tax due. If one does not pay, then the other must. If you are entitled to a refund, the check will be issued in both names and both will have to endorse the check before cashing.

If you were divorced or legally separated in 1958, you are considered single and must file a separate return.

In some cases it is not possible to secure the signature of your spouse directly on the tax return. It is possible to file a joint return without having the wife actually sign the return itself. This is done by having the spouse sign Treasury Department form 936 which is an authorization to prepare, sign and file a joint income tax return. A signed copy of this form 936 is attached to the return in lieu of the spouse's signature.

If any tax has been paid separately, by withholding or on an estimate, full credit may be taken on the joint return.

## Checks Reflect Higher Benefits

Social Security benefit checks received in the Hicksville Area early in February for the month of January, will include the increase of approximately seven percent authorized recently by Congress, according to Sanford Blumenthal, Manager of the Huntington Office.

As a result of the increase, the minimum benefit to a worker who retires at age 65 or later is raised from \$30 to \$33 a month. The maximum payment goes from \$108.50 to \$116.00. In the case of family benefits the new law provides an increase from \$200 to \$254 which is the maximum monthly payment that can be made to one family group.

With the thought that a well rounded, cultured student requires training in the Fine Arts as well as the normal school curriculum, a special event is being planned by Sidney Firestone, teacher of English "9" and "10" in the Plainview High School. He will accompany forty students to the Wednesday matinee performance of the hit Broadway show "My Fair Lady" on Feb. 11th. Transportation will be by chartered bus. Last season Mr. Firestone's classes attended "Blue Dahn", "A Visit to a Small Planet" and Hofstra's production of "Hamlet". Jerome Borwick is principal of the school.

## CRUCIFIED with CHRIST

Your crucifixion is the real goal of Lent.

During these days of preparation for Easter the Christian Church concentrates on the crucifixion of Christ. God revealed His love to the world when Jesus, the Son of God, took the human nature and was born in Bethlehem. Jesus became a man. He took the sins of men upon Himself. So His death on the cross is vital because there God took the agony of sin and suffered it for man. Christ died for our sin.

But His crucifixion 1900 years ago accomplishes its purpose only when you are crucified with Him. "Knowing this, that our old man is crucified with Him, that the body of sin might be destroyed, that henceforth we should not serve sin." (Romans 6:6)

Here the Scripture says that your life should be involved in Christ's death. You must die as far as sin is concerned. You can receive God's power that raised Jesus Christ from the dead to give you a new life.

The special services during Lent in the Lutheran church of your community, are offering you God's new life and your chance to die to sin.

## Case AGAINST West Birchwood Proposition

We are against making West Birchwood residents eligible to join our Civic Assoc. Merging into one Civic Assoc. will prove detrimental to our residents as well as the new residents in West Birchwood.

In light of our present knowledge we know that it would be a cumbersome operation for volunteers to attempt to run a Civic Assoc. composed of a potential 3,200 members. We now are about to cast a vote on Feb. 7th which may seriously affect the residents of our community. Our main consideration should be for the benefit of our residents and should not be guided by the fact that a few of the organizers at the time of the formation of our Civic Assoc. contemplated a Civic Assoc. of 2,600 homes. We, the present membership, having now gained experience which we did not have at the formation of the Civic Assoc. must weigh the proposition as it exists at this moment.

Let us face the facts: a) Our Civic Assoc. has substantially passed the Builder-Home Owner stage and is now performing its true functions (Youth Group, Art League, etc.) To accept the other group would be a step backwards; b) Geographically we are separate and apart from West Birchwood. We are separated by a major Highway with no part of their community touching ours. West Birchwood itself has already been divided by the builder into two developments, the other called Princeton Park. The West Birchwood development will extend out almost to the Westbury Drive-In theatre way past the Robert Seaman School. These facts make it obvious that we have no closer relationship nor common problems to West Birchwood than any other communities in our area; c) We have heard that the residents of West Birchwood have made plans to form their own Civic Assoc. If we accept their membership in our Civic Assoc. we may very well split their own community, thereby doing harm to both communities. At the present time we have problems concerning two school districts in our community. If we accept the other residents in West Birchwood we will have three school districts (some residents in West Birchwood belong to Hicksville School District) worry about in our Civic Association; e) Basically, problems of the two communities differ greatly, we will have problems of lighting, garbage, etc., which problems we have already solved; f) Our present Civic Assoc. has gained the respect of the government officials and, regardless of our size, that respect is continued as long as we act in the same manner.

## EDITORIAL

### We Know It's NO!

"Shall the new residents in West Birchwood, (across Broadway) come eligible for membership in our Civic Association?" This, in substance, is the proposition on which our community will be asked to vote on Feb. 7, 1959, when we vote for new officers of the Civic Association.

THE EDITORIAL BOARD OF THE VILLAGER ANSWERS "NO" TO THE PROPOSITION.

We sincerely welcome our new neighbors. We wish them good luck in all their future endeavors. We strongly and firmly believe that they have no more business being a part of our Civic Assoc. than any other group of homeowners. The only bond between us and the new community is the fact that the same builders constructed both areas. When the new residents move into their homes, all sorts of construction problems will beset them. (Remember?) They will be involved with the new residents through these frustrating growing pains. It has gone on to become an effectual organization dealing in Civic and Cultural affairs, e.g. Youth Group, The Dramatic Group, Education Committee, The Art League, THE VILLAGER, etc. Are we now to detract workers and their energies from these matters and slide back to negotiating with the builders again?

Our Civic Association, no different from any other organized group, has by its small body of actual workers. These few VOLUNTEERS physically or assume any more burdens than those with which they are now faced. A large, bumbling group would result from an organization disproportionately large in numbers and small in "doers". Any advantage in a "force of numbers" would surely be defeated by the conflict of interests between the two communities.

It is our hope that the new residents will form a forceful Civic Association of their own. We trust this group will be able to work harmoniously with our Association on all mutual Civic Affairs. This also is a must bear in mind: new residents do not make for mutual Civic Associations. We vote "NO" on acceptance of the new residents into our Civic organization. We hope you will vote "NO" also.

## What Prize Glory

The Editorial board of THE VILLAGER strongly opposes the action taken by the outgoing Board of Directors of the Birchwood at Jericho Civic Assoc. at its last regular meeting on Jan. 13. The directors, no doubt with the best of intentions, though obviously ill advised and in haste, decided to poll our community on short notice pertaining to the admission to our Civic Association of residents now commencing to move into the new Birchwood West community, south of Route 106/107. The board then voted to immediately implement whatever decision a referendum would dictate to our Civic Association.

THE VILLAGER feels that this last minute action by retiring Board of Directors constituted a great disservice to our community. We

## Civics to Elect, Dance Saturday

The annual election of Officers and members of the Board of Directors of the Birchwood at Jericho Civic Assoc will be held this Saturday Feb. 7th, at the George Jackson School. To make it convenient (no waiting) for our 1300 members, polls will be open between 1 PM and 10 PM.

Members are also asked to vote on the following referendum: "Shall the Birchwood Homes West of Broadway be considered part of the Village of Birchwood Park?" There are 25 candidates for the 18 positions of Board of Directors while 7 officers are running unopposed. It is urged that all members exercise their right to vote for the candidates of their choice.

Starting at 8:30 PM on this same Saturday night, Feb. 7, at the Geo. Jackson School Gymnasium, all members of the Civic Assoc and their families are cordially invited to an evening of dancing, socializing and refreshments. This is truly a Community Affair and most of Birchwood will be there.

As we have in the past: d) Those in favor of accepting the other residents claim that if there are two separate associations, we may possibly end up differing on area questions. We feel that this argument has no merit whatsoever, because, in the event both sections agree, we can certainly join in any such decision and have the same effect. If the two areas do not agree and there is serious reason for such disagreement, then each community should have the right to present its own position.

In summary, we feel that the residents in West Birchwood, because of geographical location, different problems, and other reasons stated above, are better off with their own Civic Assoc.

We, therefore, urge that in the light of our present knowledge, our membership should vote "No" on the proposition: "Are the residents of West Birchwood eligible to join our Civic Association?"

## The Coming Election

by Jerome L. Abrams, President

This Saturday, Feb. 7, between the hours of 1 P.M. and 10 P.M., at the George A. Jackson School, members of our Civic Assoc. will have the opportunity to vote for the officers and directors of their Civic Assoc. for the coming year.

As an individual who has actively participated in the affairs of our Civic Assoc. from its inception I know full well the importance of having the best qualified individuals directing the policies of the Assoc.

In many instances the decisions to be made are difficult and complicated; the pressures, at times, are not only intense, but perhaps conflicting. The long range effect of a particular decision is not necessarily the same as its immediate impact. For a director, therefore, to strike a reasoned and delicate balance in deciding a particular issue in the face of unruly and conflicting considerations is sometimes a herculean task.

Yet decide he must on the basis of his best judgment, sometimes with a sober recognition that his judgment will prove unpopular to the members and his neighbors. I see no way of avoiding the basic dilemma. But certainly we can attempt to elect the individuals who we feel

are best qualified to make these decisions, who have the courage to use their best judgment in the face of criticism and without fear or favor. Make no mistake about it, the issues decided are sometimes important ones - and the decisions may vitally affect your individual well being and that of your children. Let us then muster our resources and resolve that we shall all vote - not necessarily for our friends but for those who we feel may best carry our banners, for those who we are confident can best alleviate our fears and for those who can best inspire us to fulfill our obligations, one to another, and to ever greater achievements. Please exercise your right to vote and urge your neighbors to do the same. Only in this way will you get the qualified people you want to direct our affairs. The stakes are vital; but the choice and the initial responsibility is unmistakably yours.

## Display Coins

The Long Island National Bank of Hicksville will display a collection of United States currency and coins in its Mid-Island Plaza branch Feb. 16 to 20, it was announced today by William E. Koutensky, President.

Feel that the entire question of inviting residents of the new West Birchwood development to join our Assoc is deserving of at least a special membership meeting at which time members of our Assoc can address their fellow members both pro and con on this important issue. Questions could then be asked from the floor and members would be able to make up their minds on the basis of facts, information and opinion which only such a meeting could bring into the open. The action now taken by an outgoing Board of Directors will in effect saddle a new administration with a tremendous problem, should the Feb 7th referendum affirm the stand taken by the Board.

THE VILLAGER feels that in timing and approach, if not in effect, what has happened here might unfortunately negate much of the outstanding work done by this administration during its term of office.

## Case FOR West Birchwood Proposition

Shall the Birchwood Homes West of Broadway Be Considered Part of the "Village of Birchwood Park"?

On Feb. 7, the election of officers of our Civic Assoc. will take place, at which time all members voting will also cast their votes signifying their interpretation of one of the Association's constitutional provisions, namely, the provision that all home owners of "The Village of Birchwood Park" are eligible for membership in our Civic Assoc.

At the time when we bought our homes, it was contemplated by the builders and so set forth in their publicity, that the Village of Birchwood Park would consist of some 2600 homes which would be situated on the tracts of land owned by the builders on both sides of Broadway. It was with this in mind that the foregoing constitutional provision relating to membership was drafted and adopted.

The fact that our builders - in offering for sale homes located on the tract west of Broadway - now have seen fit to label these homes "Birchwood at Westbury - Jericho", does not and cannot alter the underlying spirit, intent and thought which was embodied in the drafting and adoption of the constitutional provision in question.

Moreover, it would not unreasonably follow that a large cohesive community unit is preferable to two separate and divided units which may possibly end up differing on area questions dealing with education, zoning, taxes, traffic, fire fighting and garbage disposal matters, to their mutual detriment.

By acting as one, our community will be twice as strong to the ultimate benefit of all home owners concerned. Conversely, the division into two separate units may result in conflicting voting on many matters - with the nullification of each community unit's strength. In this situation, particularly apt are the old axioms: "United we stand; divided we fall", and "In union there is strength".

The undersigned hereby respectfully urge every eligible member voting on Feb. 7 to use his or her ballot to good purpose and vote "Yes" on the above described proposition.

## Site Purchase Is Approved

Voters of Jericho School District approved a proposition for the purchase of a new school site in the Canteau Road area, Saturday. The final vote was 161 in favor of the purchase and 64 opposed.

Another site purchase involving the portion of Birchwood Park in Syosset School District was also approved by an overwhelming majority the same day.

## Beaux Arts Ball

A rollicking good time was had by our Birchwoodites at the Beaux Arts Ball of the Art League sponsored by the Civic Assoc.

A New Years Eve Mardi Gras feeling was in the air throughout the gala evening...fabulous costumes...wonderful music.

Terrific prizes and good food made the evening a memorable and not-to-be-forgotten night of gaiety. The Art League of the Birchwood Park Civic Association will have no trouble selling tickets for any of their future events.

## Trophy Goes To Jericho ORT

The North Shore L.I. Region of Women's American ORT, at their open meeting on Jan. 13, at Temple Sinai in Roslyn, awarded a membership trophy for 100% re-enrollment to our chapter. Mrs. Perry Coburn, membership co-chairman graciously accepted the trophy on our behalf.

The trophy will be on display at the next ORT meeting on Feb. 10, at the Geo. A. Jackson School.

## Democrats Elect Tittler

"The political organizations of today have lost touch with the voter they are supposed to serve. Our club must be available to the entire community 24 hours a day," thus Eli Tittler, just elected President of the Syosset-Jericho Democratic Club began his administration at the election meeting held Jan. 28 at A.D. Headquarters, Hicksville.

The Dems' new Prexy is an attorney of 15 years standing and has been admitted to both state and federal bar. He has been practicing locally for the last five years with offices in Syosset and Hicksville and has lived in the Southwood development in Syosset, since coming out to the Island six years ago. A

charter member of the Syosset club, he has served in various capacities in the Democratic organization, is a committeeman, and was chairman of the Zone #5 Finance committee in the last campaign.

At the meeting the following club officers were elected: Elias Tittler, president; Charles Heeg, first vice pres; William J. Frushtick, second vice pres; E. Allen Pastel, treasurer; Harold Ruttenberg, recording sec.; Lorette Fallon, corresponding sec.; Richard Freund, Sgt at arms; and Harold Fortig and Wm. Rynsky, trustees.

Installation takes place Feb. 25 at 14 Herzes Pl., Hicksville.

## Committee Meets With Builders

By Ralph Diamond

As a result of residents in the "P" section complaining that their homes were not properly completed, the Civic Assoc. through the block captain system, made a survey of such complaints. The results of the survey were presented by a committee to the builders, Sosnow & Schwartz. A lengthy discussion of the complaints resulted in the following arrangement and promises by Sosnow and Schwartz:

(a) All the items appearing on the blue list (list prepared at time of closing) would be completed as soon as possible.

(b) Those homes who had a second checkout would have those items completed by the builder as soon as practicable.

(c) The homes who have never had a second checkout will not receive such checkout. However, the builder has suggested that those people who have a legitimate complaint should write directly to the builder, and such legitimate complaints will be serviced.

The committee, consisting of Jerry Abrams, Ralph Diamond, Larry Gibbs, George Frankel, Horace Burnstein and Norman Cohen, left the meeting fully confident that the builders were sincere in their promises. In all fairness to the builder, the committee agreed that so called "maintenance items" were not the responsibility of the builder.

Welcome home from Caribbean Cruise to Mr. and Mrs. Louis Penn of Hightop Lane and Mr. and Mrs. George Kessler of Birchwood Park Drive.

Enjoyed the Boaz Arts Ball because of the funny and original costumes our friends conjured up. Rita and Murry Sussman's rendition of Birchwood before and after (how true) touched everyone, Lillian and Larry Singer hand stitched their costumes much to everyone's amazement, Helen Halle at Seaweed complete to green leotards, Ralph and Bea Diamond as Caesar and Cleopatra, Sonny and Shirley Lubliner as little children really looked the part. Every time someone entered in costume everyone went into gales of laughter. I looked straight at Adele Kaut in charcoal face and never knew who waved to me till she told me her name. (She a Maytime Drive neighbor for two years.) Sorry there isn't time or space enough to go on as I would like to, but to those who were good sports, enough to come in costume. I'm sure had the time of their lives. Next time I'm sure we'll see more costumes. To those who wore street clothes...COWARDS YOU!

The B'nai B'rith Jericho Women's Chapter #1005 will hold their regular meeting on Wednesday evening, Feb. 11 at 8:30 p.m. at the Robbins Lane School. This promises to be a most stimulating and informative evening as we were very fortunate in obtaining Mr. Sidney Rakita as our guest speaker. His topic will be: "Self testing our Prejudice". Mr. Rakita, as you may recall, was the master of ceremonies at our first candle lighting ceremony, a year ago, and he was received with much enthusiasm by the B'nai B'rith women.

Congratulations on the Bar Mitzvah of their son to Mr. and Mrs. Saunders of 15 Oakwood St. Services Saturday morning January 31, 1959 Reception at the Huntington Town House in Syosset Saturday night. Arthur Saunders is the lucky young man.

## SIGN NEW CHARTER

A meeting for all parents of the Cub Scouts of Pack #422 was conducted in the East St. School on Jan. 12 by William O'Donnell, Institutional Representative. The main purpose of the meeting was to discuss the signing of the Charter for the forthcoming year and requests were made for replacements of retiring committeemen and den mothers.

The following signed the new charter: Robert R. Rountree, Jr., Cubmaster; Robert L. Staraki, Asst. Cubmaster; John J. Kelly, Asst. Cubmaster; Joseph Webb, Jr., Chairman; Robert Patterson, Asst. Chairman; Jeremiah McCarthy, Treasurer; John Drury, Advancement; William O'Donnell, Institutional Representative; Mrs. Betty Foster, Parent Contact; Mrs. Katherine McCoy, Secretary; Vincent Beltrami, Planning Committee; Thomas Gowan, Planning Committee; Mrs. Edith Cook, Mrs. James Egan, Mrs. Jean Fullerton, Mrs. A. Grossman, Mrs. L. Dagna, Mrs. Florence Dehl, Mrs. Alvina Mein, Mrs. Ann Dalton, Den Mothers.

Several planned activities for the year of 1959 were discussed including the Blue and Gold Dinner to be held in February for Cub Scouts, their fathers, and invited guests. Also discussed was a breakfast cookout for fathers and sons and a field trip for the Cubs to take place the latter part of the Spring.

At the close of the meeting Mr. R. Rountree, Cub Master for Pack #422, thanked the present committee and den mothers for their cooperation during the past year.

## CAMP WEEKEND

Troop 377, sponsored by the P-TA of Burns Ave. School, Hicksville, spent the weekend at Camp Waukepe, Wading River.

Nineteen boys under the leadership of Scoutmaster Carl Rasmussen, and his assistant, Joseph Lips, were able to attend the troop's winter campout.

The boys were disappointed that there was no ice skating nor any snow. They spent their time hiking and playing outdoor games. Several boys took tests for advancement.

## SCOUT SUNDAY

In dedication of Scout Sunday, Cub Pack 291 will take part in the 10:00 A.M. service on Sunday, Feb. 8, at the Trinity Lutheran Church. All 55 members of the pack will attend.

At the Pack's last Committee Meeting, it was unanimously voted to purchase four complete sets of wood-working tools for the Cubs. Upon the retirement of Mrs. J. Ulmer and Mrs. Al Innes, Mrs. Edna Reiger of 37 Buckner Ave., and William Krumm of 6 Shiller St., both Hicksville, were elected Treasurer and Co-Chairman respectively of the Pack.

## REAL CUB REPORTERS

Dens 4 and 5 of Cub Pack 375, following our theme for the month,

demonstrated ingenuity and provided a program of special interest for parents and families in their skits for the month.

Mrs. Hughes' Den 4 Cubbers, taking their cue from radio and television, imitated top name entertainers and programs, with a panel of parents serving as experts. All identifications were made by the panel with one exception and that parent was treated to a rain-coated truth and consequence sequence. Mrs. Coffee's Den 5ers, decked out in adult sized hats and clothes, acted out the gathering of news and publication of a newspaper.

Small sized boys with oversized cigars and cigarettes puffing powdered smoke added to the realism as they rushed through their reporter assignments. Den 5 presented the flag ceremony with carefully rehearsed marching and salutes, also leading the Pack in the Cub Scout promise and Law of the Pack.

Pack 375, meeting in St. Stephen's Lutheran Church now has 46 boys and is approaching full strength as rechartering approaches. The parent committee is well organized and in addition to Den Mothers has some 20 parents actively participating in the affairs of the Pack. Parents and boys are looking forward to another 100% attendance at the Blue and Gold Dinner to be held Wednesday, Feb. 25 at Henningsen's Restaurant in Hicksville.

Five new boys were received into the Pack. They were Steven Hughes, Richard Bowra, Francis Masterson, Michael Buccell, and Steven Eichhorn.

Anthony Buccell and Dennis Robinson earned their Wolf badges. Stanley Abatowicz was awarded his Bear badge, plus a gold arrow and a silver arrow and also received his one year service star. Donald Hughes also received his Bear badge plus his gold arrow and a silver arrow. Two other boys also earned their Wolf badges—Jimmy Brophy and Peter McDonough. Silver arrows also went to Arthur Search, and Roy Merkler. Ted Anderson and Ralph Coppola both received two silver arrows under their Wolf electives. Besides earning his Lion badge, Ken Brophy also earned one gold arrow and two silver arrows and then went on into Webelos along with Jeffrey Jirsa. A Webelos badge was awarded to Brian Wharton and William Sjorn who also along with Bruce Meier, Howard Schadt, and Richard Fortage were received into Boy Scout Troop 375.

Henry Hoppe, Assistant Scoutmaster, conducted an impressive ceremony featuring the reading of the Scout laws by Scouters from the Troop.

## ORGANIZE NEW POST

BOY SCOUTS OF AMERICA

The Lakesills. This will be a new experience for most of the boys, since the snow is usually two-and-a-half feet deep.

Already two new boys have joined the newly organized post. Any boys 14 and in the 7th grade, or 15, may join. If interested, get in touch with Mr. Watt, WE 8-0422.

## CUB PACK 491

At the January meeting of Pack #491, sponsored by St. Ignatius R.C. Church, Hicksville, a skit presented by Den 3 (Grace Baldwin) entertained the cubs and their families. The other dens displayed their projects.

Many cubs were advanced in the ranks. James Tiberg and Donald Hoffman received Wolf badges. Phillip McClellery and Charles Montana got Bear badges. A Lion badge was awarded to Michael Oats. The same Michael Oats, Walter Schreiber and Andrew Novellino moved up to the Webelos. John Breschard and Richard Hoffman became Boy Scouts.

Three boys received Golden Arrows: James Tiberg, John Barbieri and Ken Ward.

Silver Arrows went to: John Barbieri, Michael Oats, Ken Ward, Michael Lombaco and Lawrence Wallace received One - Year Pins. Andrew Novellino, Walter Schreiber, Dennis Clancy and James Dolan got Two-Year Pins.

The last Committee Meetings finalized the plans for Boy Scout Sunday.

Blue and Gold Dinner: Pack #491 will have this affair on the eve of Boy Scout Sunday, Feb. 7, in St. Ignatius School Cafeteria.

Communion Breakfast: Immediately after the 8 o'clock Mass the Cubs will join with their fathers and with the Cubs and fathers of Pack #91, as well as the Scouts of Troops #71 and #491, and their dads, all of St. Ignatius, to celebrate Boy Scout Sunday, with a Communion Breakfast at Old Country Manor, Hicksville, Sunday, Feb. 8th.

## BLUE AND GOLD

## Lodge Donates to Needy Families

As part of its drive to carry  
out its basic aims, Manetto Hills  
Lodge Knights of Pythias, is in-  
stituting a drive among its mem-  
bers and friends, to have packages  
of food and donated to need families  
in the Mid-Island area. At each  
Lodge convention, members will  
bring down non-perishable food.

During the Easter holiday, and  
during the Passover Holiday, mem-  
bers of the Lodge will distribute the  
packages of food to families that  
are in need of them. Any person  
interested in cooperating in this  
drive, or that knows of a needy  
family, is requested to contact Mar-  
vin Kleinman, Chancellor Comman-  
der of the Lodge, at WELLS 8-1245.

On Saturday, Mar. 28, Manetto  
Hills Lodge, in cooperation with the  
other Lodges in Long Island will  
sponsor the Worth's Circus at Is-

land Gardens in West Hempstead. All  
proceeds from this gala affair will  
go to the Pythian Camp, a non-  
sectarian camp that takes 2,000  
boys during the summer, free of  
charge, for a two to three week  
period. Manetto Hills Lodge will  
send two to three boys or girls to  
this wonderful camp during sum-  
mer of 1959. Interested persons  
should contact Pythian Camp Ch-  
airman, Mac M. Singer, WELLS 5-  
9180.

On Monday, Feb. 23rd, the broth-  
ers of the Lodge will participate in  
the semi-annual blood bank drive.  
The bloodmobile will be at the East  
Nassau Hebrew Congregation on  
South Oyster Bay Road, Syosset.  
The 15th Pythian Blood Bank has  
been very active in the past two  
years having donated over 30 pints  
of blood to members of their fam-  
ilies.

We, at Nationwide, have a guiding idea -- the idea that people working together can accomplish anything.

Where automobile insurance is concerned, that idea becomes this... you and we, working together, can actually lower auto insurance rates -- at the same time maintain, and even increase, the protection that insurance affords. We believe it's a good idea. More than 2,000,000 drivers agree!

The Nationwide idea can help you to worry-free driving, financial protection, and dollar savings. Find out how. Call

By ARTIE RUTZ

A full house greeted Capt. Nolan of the Brookville Nike Base, Monday evening, at the Legion clubhouse when he appeared with his crew to show the pictures and tell the story of the Nike missile -- In fact, all the standees could not get into the main hall -- Capt. Nolan, resplendent in his new blue army uniform, had a very apt audience among the youngsters present and the varied and intelligent questions that they bargained him with after the picture showed that they closely followed the story all the way through. The Legionnaires and ladies also appreciated what was shown and explained, and thought the evening was a well worth one -- The Post wishes to thank Capt. Nolan, his crew, and the Army for their fine presentation of how our Nike Missile defense operates --

Well, our "OPERATION COMMEMORATION" is fully launched now as far as the mailing end of it is concerned -- On the more mechanical end, there is a slight change, and that is that the hour for the picture taking on Feb. 22, has been moved up from 4 P.M. to 3 P.M., to enable JIM CARTER to take the picture in a setting more to his choice and experience -- There will be further notification to all groups at the next meeting of the Post, Auxiliary and Sons of The American Legion -- Am happy to report that the pictures of the past commanders came out very nicely at the second taking and will soon be in the hands of the "framing committee" -- All past commanders who missed the last picture taking are scheduled to have their pictures taken on the afternoon of Feb. 22nd at 3:30 P.M. -- ARTIE BLETSCH, GUY SMITH, LEN YOUNG, ARTIE FERRO AND SILAS

VALENTINE, please take note!!! -- Let's get this chore over with and go on to something new -- With the County Convention still 5 months away, Oceanside Post is already sending out letters boosting their BILL SIEFFERT (County Treasurer) for the next County Commandership (he's a shoo in) -- Make your plans now to attend the reception for National Commander PRESTON J. MOORE at Kings Point Merchant Marine Academy on February 26th at 8 P.M. -- There's a gang going from our Post so we'll see you there as the Color Guard will do the honors!!!

Registration will take place at the Burns and Woodland Ave. Schools.

Application forms will be available at and distributed through the Burns Ave., Woodland Ave., East St., Dutch Lane, Junior High and the Senior High School. In addition forms will also be available at the Trinity Lutheran and the Hebrew Parochial schools. Children attending St. Ignatius School may obtain forms at the registration places on the dates designated above.

Boys eligible for play must have reached their 8th birthday prior to Aug. 1, 1959 and must not have reached their 19th birthday before Sept. 1, 1959. Applicants must live in the area north of the L.I.R.R.

tracks and north of Woodbury Road within the limits of the Hicksville School District. These same boundaries apply to Babe Ruth and Connie Mack applicants with the exception that any boy out of the boundary area who played American Babe Ruth League ball in 1958 is eligible again this year and all American Babe Ruth graduates are eligible for the American Connie Mack Division.

The League anticipates a registration of 500 boys and adult help is needed badly. Parents will be asked to volunteer their services at registration. No boy who is not accompanied by a parent or adult will be registered except Connie Mack applicants.

Family membership is \$3.00 per year covering both Little League and Babe Ruth families. Connie Mack players will be required to pay a \$3.00 registration fee either at registration or at a later date unless their families are association members.

## Ruth, Mack Leagues Enroll

The Hicksville Babe Ruth and Connie Mack League will hold registration for the 1959 baseball season at Levittown Hall on the following dates:

Saturday, Feb. 7th - 10 A.M. to 3 P.M.

## Personel Mention

PAUL A. CLARK, fireman, USN, son of Mr. and Mrs. Fred Clark of 23 Mead Ave., Hicksville, is serving aboard the attack aircraft carrier USS Essex undergoing a four-month overhaul period at the Naval Shipyard at Portsmouth, Va.

JOHN A. HARTMANN, well-known in Hicksville-Plainview area and now a resident of St. James, will share honors in presiding at the 27th Annual LI Potato Growers' Convention at Riverhead, Feb. 11 and 12.

JOHN HILL, president of Hicksville Rotary and resident of 5 Warren Ave., Hicksville, announces that 56 LI Rotary Clubs representing nearly 2600 Rotarians will convene at the Fifth Annual 725th Dist. Conference of Rotary International Feb. 8 and 9 at Garden City Hotel.

An opinion survey by the LI Commercial Review, business and trade publication, regarding the outlook for 1959, brought forth this comment from PAUL R. GALE, partner in

the real estate firm of Gale-Oppenheimer & Freeport: "There is a lack of responsibility on the part of municipal authorities -- a lack of respect for property rights -- a political selfishness on the part of government authorities. Bureaucratic adherence to archaic dogmas is curtailing the natural growth of our communities -- driving up development costs -- and restricting construction on an economic level commensurate with the financial ability of industrial workers. Risk capital is being driven to other communities with a more stable political environment." Gale-Oppenheimer proposed the construction of more than 200 homes on the former Press Wireless property in NW Hicksville, a year ago, until the parcel was rezoned for industrial use.

National Fur Care Week is being sponsored by Harry Jay Treu who has set up a free information bureau to answer questions from women about furs, fur care. He can be reached at LA 4-5788 or by writing to 147 W 35th St. New York 1. A.J. TREU resides at 28 Arrow Lane, Hicksville.

He has been president of the LI Home Builders Institute for two years and active in affairs of the national group for the past ten years.

## Lead See Saws In CYO League

BY BILL SAKAL

As the bowling season draws closer to its end, there is a weekly increase in the number of gray hairs showing on the heads of supporters of the various teams, as the tension increases between the leading five teams of the Holy Family Section of the CYO Bowling League.

The odds keep changing weekly and the suspense keeps building as it begins to look like no team can hang on to No. 1 spot for very long. No one can predict who will hold No. 1 at the close of the season as games, that should have been a cinch to win wind up in the loss column without any comprehensible reason.

Two weeks ago, the Senators had dropped to No. 3, and the report

in the Herald last week found them back in No. 1 with the Red Sox dropping to No. 3. This week finds the Senators back in No. 3, exchanging places with the Red Sox, by losing 3 of their games, while the Red Sox won all of their 4 to climb back to top spot. The Braves continue to hang onto No. 2 position by splitting their 4 games.

From appearances, it would seem that the Orioles, White Sox and the Cubs stand little or no chance of gaining any of the top 3 spots. To gain No. 3 position, the Orioles or White Sox would need to win the Senators lose all of theirs, or a combination thereof. The Cubs would need to win 9, with the Senators losing 12, or a combination thereof. The chances of any of these teams being that fortunate look mighty slim at this time, and only time will tell whether they will be successful.

High game of the evening at Woodbury Lanes last week was posted by Joe Wingenbach with a 233. Others in the 200 class were M. Fuchs 212, G. Maggi 210, E. Nagel, 205, F. Brophy 201 and T. Echenrode 200.

(continued from page one)

and \$9,996 in interest on Public Library bonds.

Principal reason for the decline in this Code is a decrease of \$19,588.50 in interest on bonds. The interest item declines each year as bonds are retired on schedule.

## INTEREST ITEM

As of June 30, 1959, the School District will have \$12,674,000 in bonds to pay off. But by 1985 when the last bonds are paid, the taxpayers will have actually laid out \$17,356,798.50, the four and a half million dollar difference representing interest payments.

By acting on Code 7, Friday night, the Hicksville Board of Education took formal action on a District Budget in January for the first time in recent years. Last year the Board began with Code 2, acting at its meeting of Feb. 21.

Acting upon the recommendations of School Attorney S. Arnold Witte, the Board adopted rules for the submission of petitions in connection with District Meetings and Elections. These new rules will be reproduced and distributed to the community shortly, the Board announced.

Under these new rules, Mar 21 is the latest day upon which a petition can be submitted to District Clerk Fred J. Noth for inclusion of a question on the annual meeting voting machines. Such petition, in prescribed form, must be signed by a number equal to 10 per cent of the voters voting at the last annual election, five per cent of the number of voters registered, or 200, whichever is the lowest.

At the annual election last May there were 2,263 votes cast. Ten per cent of this would be 226.

## EARLIER FILING DATE

Wednesday, April 22, will be the last day for the filing of nominating petitions for vacancies on the School and Library Board. The State Law has been changed requiring 14-days filing rather than 11 days previously required. The new rules, adopted last Friday night, also specify that the District Clerk be available to receive petitions between 9:30 AM and 5 PM. In the past couple of years the Clerk was required to be available until 12 midnight on the last day for filing.

Under another change in the State Law, the annual district meeting on Tuesday, May 5, will be limited to discussion only. No items can be voted upon at the annual meeting which is a considerable change from former practice in Hicksville School District.

On Wednesday, May 6, will be election day and registered voters will cast their ballots thru voting machines at the seven voting Districts: Burns Ave., East St., Woodland Ave., Lee Ave., Fork Lane, Dutch Lane and Old Country.

Voting will take place upon (a) School District budget, (b) Library Budget, (c) candidates for Board of Education, (d) candidates for Library trustee and (e) any propositions on the ballot.

The May 6 election will see successors elected to fill the expiring terms of Allen S. Carpenter, Arthur L. Elrich and Robert D.P. Easton, on the Board of Education and Mary Goodrich on the Library Board.

## Fire Alarms Show Decline

The Hicksville Fire Dept. continues getting oil burner fire calls in different parts of the community, and the department ambulance is kept rolling. However, the number of calls received during the period of Jan. 28 thru Feb. 3 dropped one half compared with the week before.

An investigation of smoke in the Gellis residence, 69 Brittle La., on Jan. 29, was the first call of the period. That day also, the firemen answered two other calls, one of which was to put out a washing machine fire in the home of William Simpson, 26 Arpad, and the other to extinguish a fire in a 1953 Buick owned by Mrs. Leonard Pantalis of 140 Front St., Hempstead, at Cherry St. and Bway.

On Jan. 30, Emergency Co. #5 was sent to the Woodbury Lanes Bowling Alleys on So. Oyster Bay Rd. to administer oxygen to Louise Notaro of 28 Lenore Ave. Later that day the ambulance transported Pearl Christie, 70, of 111 Scooter La. to Mid Island Hospital, Bethpage.

The Emergency crew was summoned again on Jan. 31 to administer oxygen, this time to Florence Fletcher of 291 Division Ave. They were accompanied by the ambulance, which rushed the patient to Meadowbrook hospital, East Meadow, but she was dead on arrival.

On Feb. 2, the volunteers put out a fire in the oil burner in the Joseph Pelosi home at 7 Gull Rd.

## Let's take a trip in the cars BUILT FOR PEOPLE

## THE WORLD'S MOST BEAUTIFULLY PROPORTIONED CARS

Here's how to comfort-test a Ford. Take six people—a daddy longlegs, a Mr. "five by five," any shape, any size. Put them in a Ford and watch what happens. First they can get in easier. Once inside, everyone (including the man in the middle) has a thickly padded seat for real comfort. There's more than enough room for legs, elbows, hips—and hats! Come in for a "people test"!

"Plenty of room to wear your hat"

"Seats are comfortable  
all the way across...  
no hard spot in  
the middle"

"Getting in and out  
is a snap"

## Let's take a trip in the cars BUILT FOR SAVINGS

Suggested Ford retail prices are lowest of the best-selling three for all comparable models. With radio, heater, and automatic transmission, Fords are priced up to \$102.75 less than the major competition. Diamond Lustre Finish never needs waxing. The aluminum muffler normally lasts twice as long. Finally, Ford's beautiful proportions will command a higher price when you sell.

"Save up to \$1.00 on every tankful"

"Go 4000 miles  
without changing oil"

"Save up to \$102.75  
on purchase price alone!"
