Pending Final Action: School Tax Rise Slight

The Board of Education is expected to finish up details of the 1959-60 School District Budget at a meeting this Saturday morning, Mar. 21. All individual codes were adopted last Friday night, subject to review and final consideration prior to public discussion and vote on May 6.

The meeting this Saturday morning at 10 AM is set for the Teachers' Lounge in Hicksville Senior High School. It is scheduled as another in the monthly series of "Saturday matinees."

The regular meeting scheduled for Friday night, Mar. 27, has been changed by vote of the Board to 10 o'clock Saturday morning, Mar. 28, because of Good Friday.

While the gross budget for the coming fiscal year will be about \$700,000 more than the current year, the tax rate is not expected to change more than a few cents, depending upon the available reserves at the end of this fiscal year, the amount of anticipated state aid and the possible increase in the total assessed valuation of the district. The formal tax rate cannot be set until August when the new assessment total is released by the County Assessors Dept.

Acted upon last Friday night were codes 2, 5 and 8. With the end of work on individual codes, the special Board meeting arranged for last Saturday morning was not necessary.

JOY before EASTER

Does your joy depend on the absence of trouble? Do you say, "If only . . . , then I could be happy?" Then Lent is for you.

Lent brings joy to men in the midst of trouble by telling of the suffering of Jesus Christ. The Scripture says Jesus Himself found joy in His suffering. "Who for the joy that was set before Him endured the cross, despising the shame, and is set down at the right hand of God." Because His death would bring forgiveness to men, Jesus moved triumphantly through the agonies of His crucifixion.

Use the church in these days of Lent. Hear how God assures you of blessing through His Son. When you accept the love God shows you through the gift of the Savior, you will know the triumph that shouts, "If God be for us, who can be against us." Nothing can separate us from the love of God that is in Christ Jesus!

Easter proves this. Trouble—even death—could not defeat Jesus Christ. He rose triumphantly from the grave!

Don't wait until Easter. Find your joy this Lent. Lutheran churches urge you to share heaven's joy before Easter!

Bingo Games Net About \$500

More licenses to play bingo have been issued in the Town of Oyster Bay than in the other two Towns in Nassau combined, Town Clerk Henry Curran told the members of the Hicksville Republican Club, Friday.

Speaking at the Club's monthly meeting at the Masonic Temple, Curran said that inspectors from the Town Clerk's office are present at the bingo games. He stated that the organizations operating the games have cooperated fully with his office.

Although the Town and the State split the \$10 fee paid for staging each game, Curran noted that the Town's share does not cover its

cost of administering and inspecting the games. Curran said that the fee may be increased to \$20 per game.

Curran remarked that although the new bingo law restricts advertising to one sign outside the premises, playing is popularized by word-of-mouth advertising which is so effective that some organizations have had to turn away would-be players.

He estimated that some groups holding the games are making a \$500 profit, after payment of the license fee, prizes and other expenses.

The next meeting of the Republican Club will be held on April 10 at the Masonic Temple, Hicksville.

MRS. ROTH MRS. MANDEL MRS. BELODOFF MRS. CHALKIN

QUESTION: What do you look forward to in our new Birchwood Shopping Center?

ANSWERS:

MRS. JACK ROTH, 170 Birchwood Park Drive
 "A shoe repair shop. There are none close enough at present, and we are down at the heels."
 MRS. SAUL MANDEL, 163 Maytime Drive
 "The location near our community makes it easy for a mother, of four, such as myself, to take advantage of a family eating place, such as a delicatessen or luncheonette."
 MRS. ANNETTE BELODOFF, 21 Hightop Lane
 "Recreational facilities, such as movies, bowling alleys, or any other such safe place to which my children can go without fear of traffic hazards."
 MRS. AUDREY CHALKIN, 41 Maiden Lane
 "I feel that a candy store would be a great convenience. Sometimes I need some minor item, not important enough to warrant a delivery or a car trip, and such a store, within walking distance, would be a great help."

Villager to Feature Distinctive Homes

If our readers will forgive some presumptuousness, we think that we have come up with a new VILLAGER feature which may prove to be of outstanding interest.

Birchwoodites at Jericho know, theirs is one of the most beautiful communities on Long Island. Millions of dollars have been spent on home improvements, inside and out. From the simplest "do it yourself" carpentry jobs to the most flashily executed landscaping designs, Birchwood at Jericho has become a community of which we all are proud.

This writer has visited many local homes featuring certain improvements which are as unusual as they are practical, both in the construction of additional basement rooms, as well as in alterations and additions to closets, existing rooms, and storage space. We can find many instances where the unusual design, decorating, and usage is something which should prove of great interest to all homeowners. You can find here at Birchwood, examples of lighting in homes. The writer has experienced many a thrill in appreciating interior decorations based on themes which reflect

individuality, good taste and practicality. One can also find quite a number of features which have added great warmth to a room, while others helped to create an atmosphere of outstanding charm.

In the opinion of the writer, it would be an interesting experience for all of our readers, were we to feature in each issue of the VILLAGER one or several pictures of such home improvements together with a short description. In order to do this we must have the cooperation of volunteer fellow residents, who will permit our photographers to enter their homes (at their con-

venience, of course). Any explanation, picture or description will certainly respect the wishes of each respective homeowner, should there be a question of maintaining someone's right to privacy.

We hope that many of our fellow residents will agree to have "the Villager" visit their home during the coming spring and summer months. Please contact the writer by sending a postcard or letter to 162 Birchwood Park Drive, Jericho, Long Island. All communications will be answered promptly, and upon request, will be held in strictest confidence.

Stranded: 50 Art Students

by Jean Rosenthal

With all the wonderful homes at Birchwood, the Birchwood Park Art League finds itself homeless. More than 50 art lovers, students and professionals happily had begun to work on an organized basis sponsored by the Civic Assoc. The artistic enthusiasts from Birchwood formed a successful art league, held a terrific exhibition, and a won-

derful Beaux Arts Ball. Classes were held at the Old Fire House.

Since the new roads have destroyed the site of the art classes, art has been held in abeyance awaiting another place to be creative. Two classes have finally been able to meet, once due to the offer of one of the teachers who has a studio in Hicksville.

Villager Civic Profile

by Gilbert B. Stein

Our Birchwood Civic's 2nd Vice President is the active Dr. Martin Lawrence, better known hereabouts as Birchwood's Garbage Commissioner. This honorary title was bestowed upon Marty by a harassed, but grateful Community during the Garbage Collection Emergency last fall. Maety Lawrence, as Civic Chairman of Public Safety, did a remarkable job in obtaining Township-emergency pick service for our community.

A friendly, unassuming 32 year old Doctor, Chiropagetic, lives with wife Francine and sons, Mark, aged 7, Scott Carter, aged 3, and daughter Kathy Allyson, aged 9 months, at one of Birchwood's busiest corners, Maytime at Merry. Even this busy a good omen, for Marty is indeed a merry soul, laced with a fine sense of humor showing an ever present twinkle in his eyes.

People are his hobby. After having been a professional lifeguard years ago, Marty now acts as Youth Committee Chairman of the Jericho Jewish Center on the Board of Trustees he serves with distinction. Civic Association Vice President and member of Board of Directors, we are certain that he once in will do a tremendous job for this community, Marty commutes between his Bronx Office on Grand Course and his Jericho office (in his home). It is the latter that he keeps a magnificent collection of local fish built into one wall of his professional

Dr. Martin Lawrence

waiting room. In spite of the long and late hours which he devotes to his practice, Marty Lawrence is one of the real workers in our Association. He can always be counted on when the chips are down. His leadership, together with his many fine talents, his all around abilities and his cheerful personality, make Marty Lawrence one of "BIRCHWOOD'S FINEST".

Shopping Centre Moves Slowly

The eagerly awaited shopping center that is being built on Broadway to serve Jericho and its environs is suffering the same fate that has been the lot of all the private dwellings that were built here: VERY LOW RATE OF PROGRESS.

Just like the private homes, it seems like ages from the blue print stage until construction actually commences. And then, when building starts, it moves very rapidly until it is 75% completed, and then it seems as if rigor mortis sets in and construction comes to a complete halt. That is the situation at the present time with

respect to our long awaited new shopping center. It started very slowly, picked up momentum until reaching full steam ahead and then bang - it stopped dead in its tracks.

The completion date, which was originally scheduled for Jan. 1959, according to the realty broker, is now earmarked for May 15 - June 1, 1959.

According to all observable indications, the latter date appears possible at this time. Barring any unforeseen difficulties that may develop, there is a distinct possibility that the shopping center may open and be ready for business before the summer rolls around.

An Editorial:

Dirty Necks

Forgive us if we sound like the nagging wife, but we're off again on the appearance of our community.

Our new garbage service, under the auspices of Oyster Bay Township, is giving us A-1 treatment. Yet the streets of our community are lined with garbage cans long after the pick-ups are made. Many of our residents who formerly had back-to-front service seem unable to return their receptacles to proper quarters, unaided. The most fabulous home, replete with marble walls, takes on an ungainly appearance when unsightly garbage cans become part of the landscaping.

One minute of one's busiest day to put the cans away, hardly imposes a hardship.

The real hardship is imposed on those of us who must weave through a broken field of wind-blown garbage cans. These unattended empties roll cheerily from curb to curb, like unguided missiles in search of a target. When the target is a moving automobile, simple negligence can end in tragedy.

There are, fortunately, just a few offenders. Unfortunately, these few spoil the appearance of a community beloved and respected by many. The offenders will say, "Now listen here - it's my garbage can and my garage and my noise and nobody is going to tell me what I can or can't do." To these people we say power - "No man is an island entire of himself." We cannot believe we impose upon your civil rights by suggesting pride in your community. We cannot MAKE you do anything. We can just ask you - PLEASE?

First West Birchwood Organizes

Last Saturday evening, March 14, at the George A. Jackson School, some 200 residents and future residents of West Birchwood at Jericho met to form the West Birchwood Jericho Civic Assoc. The meeting was chaired by Dave Serko, Temporary President, who promised that elections for permanent officers would be held by November at the latest.

The evening featured talks by Jerry Abrams, Ralph Diamond and Herb Shapiro of our Civic Assoc. on the necessity and functions of a Civic Assoc., and by Sam Hecht, of the Jericho School Board, on the school problems and future plans. The meeting closed with a very lively question and answer period. In which future residents had an opportunity to learn the actual facts

concerning school taxes, bus service, playgrounds, etc., directly from Mr. Hecht, and Dr. Lant, of the Jericho School System.

Saw many Birchwoodites attending Grand Opening of Hofstra's Shakespeare Festival. We do have high hopes among us that enjoy the Bard's plays. March 21st will see the end of the Tenth Annual Festival.

Good luck to Private Norman Winner, stationed at Fort Jackson, South Carolina. Norman, a former Engineering student at Hofstra, enlisted in the Army in Dec., 1958. We understand that out of 1000 applicants for Officers Candidate School, he was one of eleven men who qualified. His proud parents are Fay and Irving Weiner of Flower Lane.

Lots of Luck to the West Birchwoodites on the start of their Civic Assoc. May all their troubles be their ones. To Mr. and Mrs. Charles M. Auerhahn of 37 Orange Drive, and Mr. and Mrs. DeWood Guy of Orange Drive (two of few now living in W.Bir.) Hope your shloshing in snow and mud days will soon be over. These two families moved with no sidewalks or gutters. They were on wooden planks. Now they know what means pioneering. They're lucky they have no snow to shovel. Next year you two will have gotten all these things that seem tragic now. Happy shloshing.

Get well wishes to Horace Bernson of Forsythia Lane on his return from the hospital. Happy birthday to his daughter Gail.

Happy Birthday to Debbie and Barry Kornblum of Maytime Drive.

A most delightful evening was spent Tuesday, hosted by Jericho ORT, viewing "My Fair Lizzie". It was a very amusing takeoff, with all the lovely music of the Broadway show. Members of the cast were June Fisch, Edythe-Klinow, Natalie Chaikin, Joan Meltzer, Roslyn Sann, Ellen Bauman, Joan Enoch, Pearl Sausner, Claire Michaelis, Harriet Schwartz.

The after the show comments over coffee, indicated that all present enjoyed the performance.

P.S. The girls did such a swell job that they were asked to do a repeat performance for a newly organized ORT chapter.

Last minute tickets are still on sale for Jericho ORT's "Fashions of Spring" Luncheon. It promises to be a very delightful afternoon viewing fashions by Celeste, modeled by ORT members, and dining in the lovely atmosphere of the Villa Victor. For tickets call Ellen Bauman, WE 8-2017.

The members of Sisterhood of Temple Or-Elohim, the Reform Temple in Jericho, were treated to a wonderful evening of Cabaret-type entertainment on Tuesday evening March 3. They were thrilled by the beautiful coloratura soprano voice of Gladys Schuman, charmed by the original ditties sung by the Melodettes, (Ruth Burns, June Fish, Betty Grayson, Rhoda Herrick, and Gladys Schuman, Lillian Singer, and Florette Sonner) and by the agility of Spanish Dancer Libby Kozma, and thoroughly entertained by the unusual folk songs of Larry Singer and his daughter Holly. Refreshments were served and a marvellous time was had by all.

They are all looking forward to the next meeting on April 7, when Rabbi Paul Levenson will conduct a Passover Workshop. He will explain and demonstrate a model Passover Seder. It will be held at the George A. Jackson School at 8:30.

On Friday evening, March 30, services of Temple Or-Elohim, will be held jointly with B'nai Brith.

EXPLAINING SCROLL OF ESTHER

THE MEGILLAH or "Scroll of Esther" is explained by Mrs. Ruth Lewin of Hicksville, teacher at the Mid Island Hebrew Day School at 42 Locust Ave., Bethpage, to the first grade Hebrew class. Left to right with their teacher are Steven Neuman, Sue Rubin and Miriam Yablou. The "Scroll of Esther" tells the age old story of anti-Semitism and the plot of Haman to destroy the Jews of Persia. Thankful for their deliverance, the Jewish people celebrate the Feast of Purim this year on Tuesday, Mar. 24. On this day and the evening before the Megillah will be read in synagogues the world over.

Author Speaks At Sisterhood

Country Club Third Season

The Jericho Country Club which begins its third year on June 13, will sponsor Saturday Night dance-dinner sessions exclusively for members, in the beautiful Harlequin Room of the Meadowbrook Motel, just across Jericho Turnpike. A feature of the weekly festivities which will include a Barn Dance, Champagne Hours and lots of entertainment guaranteed to make Saturday night the happiest night of the

In planning for Hawaiian Night are such special events as a typical Hawaiian "Luau," and importation of dozens of famous Hula Dancers who are expected to present for the first time a new "Hawaiian Statehood Hula." Dance experts confidently predict it will become the new dance sensation.

More Honors For Mrs Kassin

Mrs. Sylvia Kassin, 18 Flower Lane, Jericho, added another laurel to her crown this week when she was awarded the Award of Merit for her efforts in Jericho during the recent Cancer membership drive. She was able to turn over \$400. for cancer care, which she collected during the drive.

Mrs. Kassin, Jericho Campaign

chairman for the Muscular Dystrophy, Cancer Care and the March of Dimes during the past year, has been awarded the Muscular Dystrophy Award for Distinguished Service and Citation of Merit, The March of Dimes Certificate of Appreciation, and the American Society of Nassau Division Achievement Award for her untiring efforts in behalf of these worthy causes.

Suburbia Rec Topic of Speaker

Fork Lane P.T.A. of Hicksville last Tuesday evening had an outstanding speaker the noted author Dr. Jay B. Nash as speaker on "Recreation in Suburbia"

Dr. Nash outlined some important considerations for parents and their families. Some children's abilities are not basically academic and many vocational pursuits will not be of the professional type. Recognition and the cultivation of hidden talents and skills are best stimulated in childhood, the speaker declared. Activity and the encouragement of the development of latent skills and

talents in a healthy home atmosphere safeguards family unity.

Recreation programs are designed and equipped to provide the necessary opportunities for varied beneficial pursuits.

Intangible influences on the attitudes and values of an individual or group are difficult to measure mathematically, according to Dr. Nash.

"Dave, I've found exactly the right car for us! It'll make driving ever so much more comfortable."

"Comfort's fine, Nancy, but we've got to consider savings, too. And I've found just the car for that!"

"But the car I've found is so easy to get in and out of ... and so comfy to sit in."

"Yes, but my car will save us as much as \$1.00 on every tankful of gas because it uses regular. How about that?"

"Well, that's nice, but what about my frilly hats? We'll have hat room not just head room in my car. And you're no shorty, either ... you'd hump your head in a lot of those new cars."

"Not in this one. And it only needs oil changes each 4000 miles. Its muffler is aluminumized to normally last twice as long, too."

"In the car I want, everybody enjoys a soft comfortable seat ... even the folks in the middle! This car's built just right for us ... and besides, I think it's cute."

"Sure, looks are important ... and my car will keep on looking good 'cause its finish is so bright and durable it never needs waxing."

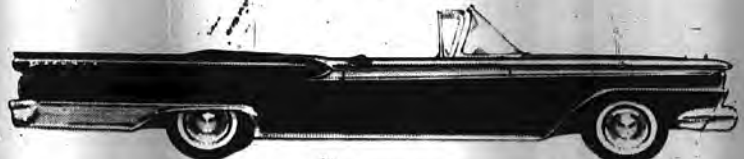

"Well, the nice man at the Ford Dealer's told me ..."

Boy Scout Activities

Submitted by The Public Relations Committee Of Arrowhead District.

HIKE TO WOODBURY

On March 7th, at 8 a.m., 21 Scouts and 5 Dads of Troop #421, hiked to Froelich Farm in Woodbury. Scouts were tested in tracking, stalking, wildlife, fire-building, and cooking. All Scouts who have passed their requirements will appear before the next meeting of the Board of Review. After the cook-out, a game of Ring-O-Leavio was played by all. The Scouts took on the Dads; Messrs. Cook, Sterne, Gerzen, Christianson and Czarnieki. Then the campsites were cleaned, gear packed and the hike home was started. The Troop arrived home at 4:00 PM. An enjoyable time was had by all and the boys are looking forward to another hike in about two weeks.

CHARTER NIGHT for the Troop is now scheduled for APRIL 8th. Parents should keep this date open. They will be notified by mail as to time and program.

NEW CHAIRMAN

Arthur Horn, of 22 Prentice Rd., Levittown, will now assume the

duties of Chairman of Activities for Pack #291, on the retirement of Fred Jordan.

John Marshall and Dick Johnson of the Pack's Ideas Committee will display their woodcraft work at the pack meeting on Thursday, March 19, at 7:30 PM in the gymnasium of Trinity Lutheran School, 40 W. Nicholai St., Hicksville.

These Woodcrafts are to be projects in woodcraft to keep the Cubs busy.

It was through the very kind cooperation of Walter Harvey that Mr. Marshall and Mr. Johnson were able to advance their ideas.

Tables will be set up on Pack night to enable all Cub-parents and guests to purchase their new American flags.

EASTER BASKETS

Cub Pack #375 Hicksville has been working on an Easter project for the past few weeks making paperwoven Easter baskets to be filled with candy and presented to the Children's Ward Social Director, Miss Williams, at Meadowbrook Hospital, Thursday morning, March

Cake Sale Sunday Morning

At the March meeting of the Rosary Altar Society of St. Ignace Loyola R.C. Church final arrangements were made for a Delicious Cake Sale, which will be held in the school cafeteria, on Palm Sunday, Mar. 22 after all Masses.

Mrs. Dorothy Granmenni, Chairlady has announced that a number of awards will be made that morning.

Miss Florence Rechenberger, Assistant Projects Coordinator for the Pack, and Mrs. James E. Anderson, a den mother, and a Cub Scout in full uniform, representing the Pack will present between 40 and 50 multi-colored paper-laced baskets filled with jelly beans and Easter candies on behalf of Cub Pack #375. This will be the Pack's second presentation to the hospital. At Christmas time Cub Pack #375 also presented gifts for the children of the hospital ward.

VISIT RR YARD

The Committee of Pack #422 held its regular monthly meeting at Woodland Ave. School on Monday, Feb. 16. Plans were made for the Cubs to take a trip on the LIRR, in April, to visit the train yards in Jamaica. Plans are also being made for the boys to visit a Nike Site.

At future pack meetings time is to be allotted for a demonstration by an invited Boy Scout to introduce Cub Scouts to some of the projects which are done when they become Boy Scouts.

The theme for the March Pack meeting will be Indian Lore and the "Thunderbird Dance and Parade Group" will perform. Refreshments will be served by the mothers of Den 5 under the direction of its new den mother, Mrs. Florence Diehl.

The theme for the April pack meeting will be "Down on the Farm".

FOUR CUBS GRADUATE

Robert Gross, John Stevens, Ronald Pinelle, and David Griese formally of Cub Scout Pack 291, were received into Troop 291. Ceremonies were held by Ass't Scoutmaster Herb Schwabe, on February 5th in the school gymnasium of Trinity Lutheran Church, 40 W. Nicholai Street, Hicksville.

Pack 291 displayed their achievements in the store window of the old Susan Joy store, corner of Broadway and W. Marie Street, Hicksville, during "Scout Week". It was a display worth seeing. The boys and Den Mothers did a wonderful job.

The Executive Committee wish to thank Mrs. Olga Gross, Mrs. Evelyn Cornell, Mrs. Helen Armstrong, James Byron, Bill Murphy and Al Innes, for all the time and effort put into the preparations and planning of the Pack's "Blue and Gold" dinner.

Plan Session For Secretaries

The Planning Committee of the Long Island Assoc. of Educational Secretaries met recently in Hicksville High School to map out plans for the forthcoming North Nassau Conference to be held here next October.

This will be the fifth conference of the Assoc. and it is expected that about 600 secretaries from the North Shore will attend. Two other conferences will be held, one in Baldwin and one in Brentwood, in order to accommodate the large membership of the LI Assoc. of Educational Secretaries.

Fourteen workshops have been planned in nearly every phase of school life, and well known educators are being invited to conduct the workshops.

Mrs. Hazel Stepper is the 1959 President of the Long Island Association and Miss Dorothy Izzo is the Vice-President. Mrs. Stepper is from Westbury and Miss Izzo is from the Roslyn Public Schools.

In 1946 The American Legion and its Auxiliary contributed \$50,000 to start The American Heart Association on its career.

JAMES CAGNEY has rescued Shirley Jones from an acid thrower and both are in an emergency room in this scene from "Never Steal Anything Small" as the doctor, played by Stanley Farrar ministers to Cagney's leg which did not escape injury. It is a rugged, raucous story of waterfront shenanigans and it is playing at Century's Huntington Theatre.

Bantams Bow To St. Boniface

On Sunday, March 15, at 2 P.M. the St. Ignatius Bantams met the St. Boniface Bantams at Our Lady of Victory School in Floral Park for the North Central Section CYO Championship.

Douglas Reimels and Martinello supported by Melnick and Woodworth played a splendid game for St. Ignatius. However, unfortunately Douglas and Reimels fouled out at the end of the third period which put St. Ignatius definitely behind the night ball.

After a hectic last two minutes of play, St. Boniface won the game and championship by a 24 to 22 score. Even though we may have lost the game and championship, our boys desire a great deal of credit for their conduct and good sportsmanship during the season.

CALL FOR TRACK

All boys of St. Ignatius who are interested in track and field are to report to the Lee Ave. School on Saturday March 21 at 10 A.M. As many boys as there are interested are asked to come out for an intraparcus meet for the selection of the finest candidates for our 1959 track squad.

Set Tryouts For Nationals

Those extra heavy mail sacks this past week were due to the fact that the Hicksville National Little League has sent out cards notifying the first group of boys that tryouts were scheduled for Saturday March 21. This first group of cards were sent to all boys who registered and played with the National Little League in 1958 in the Majors, Class A Minors, and Minors.

Also notified were all boys who are 11 or 12 years old and who are new in the district this year. The older boys from last year's farm system have also received their notices for try-outs.

Initial try-outs for the other boys are scheduled for next Saturday, March 28, and all the boys will receive notice by mail telling them the time and field to report to.

New 8 year old registrants will not receive any notice until sometime in April after the Majors, Class A and Minors have made their selections.

Boys, especially the eight year olds who for reason of illness might not have registered, may do so at Abe Levitt field this Saturday morning, March 21.

Parents must be present at registration to sign the parent release form.

In the event of rain try-outs will be postponed to the following week. All boys should report to the man in charge of each group as indicated on their try-out notice.

the Sportlight

by HOWARD FINNEGAN

The curtain falls on the Hicksville High basketball season this Friday night in the high school gym when the Booster Club sponsored Faculty-Alumni contest is staged.

Up until now these little fund raising exhibitions have been open end for all caliber of talent but this time out it is all serious.

We have been promised a straight basketball contest which should entertain the customers.

When these same two factions hooked up in part of the Booster Club contest last fall the air crackled from the pointedness of the issue.

If this idea is faithfully followed from both the playing and officiating stand point we believe that the Booster Club will have a permanent fixture on reserve for its needed fund raising.

A mid-year graduate of Adelphi College, Garden City, Tom Valentine, former Hicksville High pitching ace, has excepted the Junior Varsity, coaching assignment of Friend's Academy diamond team for the 1959 season.

The HERALD has learned that Hicksville High will play four football games at home next season and four on the road. The schedule is published for the first time:

Sept. 26 Island Trees at Home; October 3 Great Neck North at Home; October 10 Port Washington Away; October 17 Garden City at Home; October 24 Mineola Away; October 31 Farmingdale at Home; November 7 Freeport Away.

Kiwanis Blasts Bombers

by JERRY SCHWARTZ

Port Washington was handed a stunning defeat by the Kiwanis Basketball team with a score of 85-54, which increased our winning streak to 12 games. All the boys were in the scoring column in this game, but high scorers were: Bill Fitzgerald 18, Marty Siderius 17, Hal Manaskie 12 and Dave Jackie 10.

On Wednesday, Mar. 11, the team traveled west to Floral Park to tangle with the Floral Park Bombers on their own court. This was our second meeting with the Bombers. They were our opponents in the first game of the season and clobbered us, but we got even with them. Both the Bombers and our team were tied for first place with a 12-1 record, and whoever won the game would possibly become league champions. The game started off slowly as both teams felt each other out looking for the weak spots, and shooting was a little off.

At the end of the first quarter the Bombers led 28-22, and it looked as if we were headed for another clobbering at their hands, especially with Hal Manaskie and Bill Fitzgerald having 3 personal fouls against them, needing only 1 more to take them out of the game. In the second quarter the gloom eased a bit as Marty Siderius and Fitzgerald kept up their great shooting with the help of Ted Schwarting and Doug Jones great rebounding, and Hal Manaskie's pinpoint passing, and when the half ended the Bombers although still leading had lost 2 points of their lead with the score 54-50. During this first half Fitzgerald scored 22 points and Siderius hit for 15.

The third quarter started off with a bang and for about 4 minutes the boys missed their shots, then the game slowed down to normal pace. At the end of the quarter the Bombers still led, but again their lead was down 2 more points, with a score of 78-76.

In the first few minutes of the fourth quarter, Doug Jones injured his knee, but refused to come out of the game, and this decision on his part proved to be the turning point of the game, as he hit three straight buckets, and we were on our way.

When we were ahead by 8 points, Manaskie acquired his fourth foul and was out, being replaced by Billy Cheslock, who did a fine defensive job for Lou Pierre, plus some great rebounding. Then Ted Schwart-

ing fouled out and Charley Rosenberg went in for him, also doing some great defensive rebounding. With 6 minutes left in the game, Siderius, Fitzgerald and Jones exploded all over the court sinking basket after basket as the Bombers tried desperately to block, to up us 16 points. When the game ended the score stood at 118 - 103 in our favor, and thus the clobbering we took from the Bombers in the opening game of the season was avenged.

Teamwork, pinpoint passing, and great shooting was responsible for the long way the team has come since that opening game, and although several of the boys appeared to be the stars of the team, only the team work and cooperative spirit of boys made this so. Enough said, here is the box score:

American Babe Ruth League - Mid Island Shopping Plaza Assoc. and Dick and Dave's Mobil Service Station.

These organizations and those who are considering team sponsorship for this year not only provide the basic funds necessary to operate an organization of 435 boys but through their sponsorship make Hicksville an even better community in which to live and in which business can operate and flourish by keeping youngsters off the streets and on ball fields where their energies can be properly supervised and where they can learn team spirit, fair play, respect for authority and the other fellow's viewpoints and opinions.

There is still an opportunity for 2 or 3 more sponsors to participate in the program for 1959 and any business or organization interested can contact Joe Kelly at WE15 5-0537 or John Payne at WE15 1-8223.

In addition to the youngsters playing on sponsored teams the League also plays 120 boys in a Minor B League and the balance of 60 boys will compete and be trained in a Saturday morning program. It is the hope of the League that all those boys can be fully uniformed this year and a drive known as "OPERATION UNIFORM" is currently underway. Any one interested in helping this project can do so by sending \$6.00, the cost of an inexpensive serviceable uniform to American Little League headquarters, 32 Jersey St., Hicksville.

Snapdragons Snap Up

Coached by Mrs. Mc Grady and Mrs. Griffin the girls of the Snapdragons in the St. Ignatius CYO Basketball League compiled a 10 won and 3 lost record to clinch the first place spot in the girls division of the league.

Despite one forfeit in the lost column due to illness, the girls capitalized on the high scoring of Joan Flannigan and the speedy court play of Judy Schrieber and Cathy Reimel to wrap up the title.

Elsine Flannigan, Kathleen McCarthy, Carol Mc Grady, Joan Kowalski, Pat Buck, Valerie Crofski and Rosemary Griffin are the other stars whose efforts helped the Snapdragons bring home the prize.

Legionnaires' Log

CHARLES WAGNER, Post 421, Hicksville, N.Y.

By ARTIE RUTZ

In honor of the great occasion of the 40th Anniversary of The American Legion I am rededicating the following verse which I wrote some time ago:

LEGION AMERICANA

It happened in Paris back in '19
The needs of the veteran were fore-
seen,
American Doughboys, fighters to be
sure,
Gave birth to a plan that did ma-
ture;
"Let's band together" said they
with reason,
The formula became The American
Legion,
It was in March that the birth took
place.
Of the organization which we now
embrace
Whole heartedly, without reserve or
fear,
The acceptance was a mandate so
clear,
They wouldn't be trampled on or
woebegotten,
As others before were so often
forgotten;
The Nation cheered as they went to
battle
To prove America's veterans
weren't cattle,
Town after town chartered a Post,
Till The American Legion could
boast
The greatest veteran group in all
the world,
Marching ahead with banners un-
furled;
Light hearted, youthful boys they
were then,
Soon became sober, thoughtful,
fighting men,
The fight was now for the vet-
eran's needs
But with paper, pen, and unself-
ish deeds;
Dismayed and confused their en-
emies saw,
Crying "Super patriots" across the
land,

The Legionnaires laughed and
worked even harder,
To build up the veteran's meager
larder;
Then America, shocked and reeled
at Pearl Harbor,
Our sons again were cannon tod-
der,
Uncle Sam rallied from this de-
spair,
Drove the enemy back to his lair;
With the battle over and the boys
returning,
The Legion's beacon was brilliantly
burning,
Greater than ever our ranks did
swell;
With the veterans coming home
to dwell;
Many problems arose and did them
confront,
Once again the Legion did bear the
brunt,
Even before these were all solved,
Our Nation again came into our
sights;
Once again the guns were stilled,
Our ranks expanded and were filled,
On the fight waged fiercer than
ever,
Against an enemy, silent and clever,
"bore from within" was his style
Against the Legion he tried his wile,
But ever guarding the Nation's peril,
We refused to be duped, to be made
sterile;
To uphold the Constitution, to honor
the flag,
To defend our Nation we cannot lag,
Be we ever vigilant, vigorous and
right,
The American Legion will carry on
the fight.
All male descendants, adopted
sons and stepsons of members of
The American Legion, and such male
descendants of veterans who died
in service during World War I,
World War 2, the Korean Conflict,
or who died subsequent to their
honorable discharge from such
service, shall be eligible for mem-
bership in The Sons of The Amer-
ican Legion.
