Claim School Bus Beat RR

Reports that an unidentified school bus had crossed the Old Country RR grade crossing in Hicksville on the morning of Mar. 19, in the face of flashing signal lights, was again being probed by School authorities today.

Fred J. Sutter of 295 W. Old Country Rd., Hicksville, self-styled chairman of a self-designated "Traffic Safety Committee," said it was "a Hicksville School bus" and that Mrs. William Schrimpe of 7 Oak St. and Norval L. Perkins of 11 Waters Ave saw a school bus pull out of Kramer St. onto Old Country Rd., turn west and cross the RR tracks despite red signal lights.

The bus had disappeared from sight by the time the train passed.

A preliminary report by School Administration, following receipt of a demand by Sutter that the "School Board launch an immediate investigation," reveals that no one noted any identifiable characteristics on the bus which would prove it was a bus operated under contract by Senke for Hicksville District.

A spokesman for the school said yesterday "at that hour of the morning many busses from various other districts are using Old Country Rd. as well as Jerusalem Ave. and other main arteries."

Scores Tardy

Action On College

Dr. Wallace E. Lamb, Hicksville School Superintendent, has sent a communication to Dean Jarvis of the State University on behalf of the Board of Education expressing "great disappointment regarding the tardiness of the development of community colleges in Nassau. The letter was substantially as follows:

"We are very disappointed that the development of community colleges in Nassau County has proceeded so slowly. We understand why the Trustees of the State University held our petition in abeyance until they could determine the extent of plans being processed by the County. But we do not understand why the delay on the part of the County has been allowed to develop into extended inaction. The County Board of Supervisors voted in favor of a college about November 1st last fall but months passed before the formal application was made to the State University instead of within a matter of days which was the case with Hicksville. Now more months have passed and although the County officials talk of opening the college this September, the trustees have not even been appointed; there is no president; no facilities have been arranged for; and no curriculum has been provided.

"We feel that we owe a responsibility to the children of Hicksville. We have been patient for so many months waiting to see whether the County is going to have a college. We are still waiting. And we are wondering more and more if our boys and girls will have an opportunity to go somewhere to college. Under the circumstances, we respectfully urge your Board of Trustees to take definite action in Hicksville's application."

Total Budget \$367,873 11 Yrs. Ago

How Hicksville has grown in just the past 11 years is graphically illustrated in a casual comparison with the proposed 1959-60 School District with the budget submitted to vote back in 1948.

The gross budget for Hicksville Public Education for next year will be \$7,956,404.16. Student enrollment next year will exceed 13,000 students with nearly 600 teachers in ten buildings.

Eleven years ago when there were only three buildings and about 60 teachers, the gross budget was a mere \$367,873.

Instructional service (teachers salaries) next year will cost \$4,610,872 compared with \$227,662 in 1948-49. Debt service 11 years ago was a mere \$33,062.50 compared with \$996,927.40 required next year but, reflecting the improving financial position of the district, next year's appropriation is below the \$1,072,267.60 required in 1948-49 to pay bonds and interest.

Telephone charges next year are expected to cost about \$20,000. Back in 1948 the budget allowed a big \$700.

Reflecting the increase in the number of buildings, classrooms and advanced salary scales, operation of the plant in 1948 cost the taxpayers \$44,697. Next year it will cost more than a half million dollars, or \$547,360.88. Of Hicksville's proposed total budget, 57 percent is for instructional services.

Student Science Show At Jr Hi This Weekend

An exhibit of science projects made this year by students of the Hicksville Schools from 3rd grade up through Senior High will be shown this week-end at the Hicksville Science Fair in the Junior High School on Jerusalem Ave. Several hundred students are expected to participate by displaying their work and knowledge in the competition for the awards which will be given for the best projects at each grade level.

The Science Fair will be open to the public on Friday, April 3, from 6:30 P. M. to 9 P. M.; and all day Saturday, April 4, from 10 A. M. to 8 P. M.

47 Pupils Hurt During February

A total of 47 students of Hicksville Public Schools were injured in the schools during the month

of February, according to a report of School Superintendent Wallace E. Lamb to the Board of Education.

CUBS BRIGHTEN EASTER FOR HOLIDAY CHILDREN

AN EASTER PROJECT of Cub Pack 375 of Hicksville of making woven paper Easter baskets and filling them with candy, concluded just before the holiday when 44 completed baskets were presented to Miss Williams, children's ward social director at Meadowbrook Hospital on Mar. 26. Left to right are Mrs.

James E. Anderson, of 3 Brooks St., Hicksville, den mother; Frank Koziuk, cub from pack 375; Miss Williams and Mrs. Henry Rechenberger, assistant projects coordinator for the Pack. At Christmastime the Pack also presented gifts for the children of the hospital ward. (Herald photo by Frank Mallett)

Finish Work on Budget:

School Tax Is Below \$5

A 20-page leaflet will be sent to all residents of Hicksville School District explaining the 1959-60 Proposed District Budget in detail prior to a discussion meeting on Friday night, April 24 and the public vote on Wednesday, May 6. The Board of Education, for the first time in at least a decade, completed work on the gross budget last Saturday, weeks ahead of other years.

With all seven member of the Board present for the first time in a number of weeks, the vote on the gross budget of \$7,956,404.16 was six to one. Trustee Robert Goodrich voted no.

Depending upon anticipated State Aid, the total District assessment fixed by the County as of Aug. 1 and other factors, the school tax rate for 1959-60 is indicated at \$4.95 per \$100 compared with \$4.822 per \$100 this year.

While many neighboring districts have not completed their budget, as yet, tax rates of \$6 and up to \$7 are being fully forecast.

The public library tax rate this year is 13.2 cents per \$100 and a three or four cent increase is forecast with a gross budget of \$147,576 developed by the Board of Library Trustees.

Reject Library Addition

Acting on the advice of School Attorney S. Arnold Witte who had studied the matter for a week, the School Board decided not to submit a question on May 6th for a proposed \$45,000 addition to the public library for an enlarged children's section.

"The proposition as submitted," Witte told the Board, "is a multiplicity as to legal effect on or in the District and cannot be rewritten for placement on the ballot as an item presented by the public."

He did tell the Board that it could, in its own discretion, place a "proper resolution" before the voters.

Trustee Goodrich moved, seconded by Trustee Arthur Elrich, that such a resolution be submitted to

CHARLES F. SAURER, present first assistant chief of Hicksville Fire Dept., is not expected to be opposed for election as Chief of the Dept. next Thursday night, April 9, succeeding Medard Ofenloch.

Hot Contests For 3rd Chiefs

Contests for Third Deputy Chiefs loom for Hicksville and Bethpage Fire Departments when annual election of department officers takes place next Thursday night, April 9.

In Hicksville where nominations have been on file since January, Chief Medard Ofenloch is not a candidate for re-election. First Assistant Charles Saurer is scheduled to move up to Chief without opposition while Walter Wertheissen becomes First Assistant and Walter Telender, Second Assistant Chief.

Filed for the vacancy of Third Assistant Chief in Hicksville Dept. are Capt. Gus Corsonas of Co. 1, Capt. John Specht of Co. 6 and Ex-Capt. Edward Laurisen of Co. 2.

Voting takes place at the Marie St. Firehouse between 7 and 10 P. M. In Bethpage where nominations may be made until the election on Thursday night, April 7, the current contenders for third Assistant Chief are William Benintendi of Co. 4, Charles Ostrander of Co. 5, Luigi Albertson and Jerry Donlon, both Co. 1.

Voting at Bethpage takes place at the Main Firehouse on Broadway.

Rec Program Gets State Help

Hicksville School Recreation program which has been operating since last June and conducted the first winter recreation program has been granted \$2000 in aid by the New York State Youth Commission. "This money is given in recognition of the community's effort in youth activities. The funds off set the total cost of the recreation program," according to Joseph F. Madden, Recreation Director.

Stamp Day Starts at Bethpage Schools 8 Grass Fires In Two Days

Mrs. Woodrow Lang, Bethpage school savings chairman, announced today that the Central Blvd and Pine Ave Schools are making the U.S. Treasury Department's thrift education program available to their students starting Wednesday, April 8, through which students may buy United States Savings Stamps.

During the past few weeks the volunteer school savings committee, consisting of ten women of the American Legion Auxiliary, Archie McGord Unit, under the leadership of Mrs. Lang, has been assisting the school principals in setting up the thrift education program.

The program is built around Stamp Day every Wednesday when students can purchase Savings Stamps with their dimes and quarters. The Stamps are exchangeable for U.S. Savings Bonds when a stamp album is filled. Each participating student is given a free album by the Treasury Dept.

The following women are assisting by offering their help in servicing the weekly Stamp Day program: All are residents of Bethpage. Mrs.

Vincent Drew, 214 Pershing Ave.; Mrs. Joseph Ellinger, 30 Central Blvd.; Mrs. Bruce Ensley, 206 Pershing Ave.; Mrs. John Mazzei, 25 Park Lane; Mrs. Thomas Olivieri, 1 Derby Lane; Mrs. Robert Poppe, 210 Pershing Ave.; Mrs. Richard Rabas, 137 Broadway; Mrs. Wayland Strong Jr., 121 Thomas Ave.; and Mrs. John Sullivan, 10 Sussex Lane.

"With the valuable cooperation of public-spirited women and school officials," Mrs. Lang said, "a practical method of saving regularly has been made available in these schools. I urge parents to give their children the opportunity to acquire the important habit of thrift right in their classrooms. What we teach children about thrift can serve them all their lives -- as parents and as citizens."

ALLAN SAFFORD CARPENTER Jr., son of Mr. and Mrs. Allen S. Carpenter of 11 Loretta Lane, Hicksville, who is a senior in the 7th semester at C.W. Post College in Brookville has been named to the Dean's List.

In Two Days

Grass fires again led in the number of alarms answered by the Hicksville Fire Dept. during the week ending Tuesday, Mar. 31. There were 11 fires (including one false alarm) and two ambulance calls during this period. The eight grass fires occurred on two days, Mar. 25 and 26.

On Mar. 25, the grass fires were at East Ave. and Willow St., rear of 15 William St., Sutherland Rd. and Duffy Ave.

Mar. 26, the fires were at Smith St., Kansas St., near Burns Ave. school, and at W. Nicholas St. and Morgan Ave. The false alarm also occurred that day from Fifth Ave. and Sixth St.

An oil burner fire in the home of Thomas Spreer, 98 Spindle Rd., was extinguished by the vamps on Mar. 28. The same day the Fire Dept. ambulance took Mrs. Alot, 40, of 8 Mitchell Court, to Mid Island Hospital, Bethpage.

The next day, Mar. 29, John De Paoli, 83, of 103 E. Marie St. was taken by the ambulance to Meadowbrook Hospital, East Meadow, and the final call of the period was on Mar. 30, when an oil burner fire in the home of John Coveney, 38 Mueller St., was extinguished.

23 Prudential Men in Florida

Twenty-three representatives of the Hicksville district agency of the Prudential Insurance Co. will attend the company's Leaders' Club Conference at Hollywood, Florida, April 12 to 15.

The group will consist of F. DEAR JEAN....

Got a subscription renewal from Mrs. EUGENE FELDHER, a former resident of Hicksville, now residing in La Mirada, Calif. With it she sent us a little note, quote "We enjoy reading about our old friends, Calif. is a wonderful state and has beautiful weather. Best of luck to you" Mollie is well known as a member of St. Ignace Mothers Aux. where she served as publicity chairman for a few years....Hope you Hicksville High grads are planning to attend the Bethpage Country Club on June 20th....Holden's on Hwy. Hicksville, sure has a good salesman in HAP. George tells me that HAP makes sure every gimmick works before he puts it on sale. Last week, "Nitty-Pitty" was his target. Seems he tried it out for several days before letting the little ones get at it. Ho, ho, George, you're in trouble....Our very best wishes to KAREN S. BANDOLIK, daughter of Mr. and Mrs. L. Louis Bandolik of Hicksville whose engagement to Sanford Keim, son of Mr. and Mrs. Michael Keim of the Bronx was recently announced....So sorry to hear that Mrs. VINCENT MCGUNNIGLE of Park Ave, Hicksville is on the sick list. Also Mrs. THOS. COSTELLO of McKinley Ave. doesn't feel too well. Our best wishes for speedy recovery to two old and valued friends....Our sincere sympathy to Mrs. FRANCIS SHERIDAN of Levittown on the death of her brother-in-law, Walter of the Bronx. Mrs. Sheridan is a former resident of McKinley Ave. and another of our good friends of long standing.....

Hear that Mr. and Mrs. LAWRENCE REINHARDT of Hollis are the proud parents of a daughter, Darlene. Lawrence is the son of Mrs. August Reinhardt and the late Mr. Reinhardt of McKinley Ave, Hicksville and well known in these parts.

Birth day congratulations to JOHN J. DURCAN, John, a teller at the Hicksville office of the L.I. National Bank celebrates his natal day on Wednesday, Apr. 8.....

While son JOSEPH P. LEBKUECHER, Jr. is with the Air Force at Lakeland Air Force Base in Teoma, Judge Lebkuecher is busy learning all about the gardening business. He is managing WOODBURY GARDEN CENTER on Woodbury Rd. during Joe Junior's absence.... News announcement by Committee for COHEN and HURWITZ for school board sounds like they are both running against AL CARPENTER, which would be a switch.... Group of college students were in the audience at the Hicksville School Board meeting last Saturday morning to observe. A recess in the Board session was called at about 12 noon when flames gutted a building on the Koutensky property adjacent to the high school on Division Ave.....

Bear badges were awarded to Lawrence Wallace, Martin Lo Monaco, Robert Hearz and Louis Schanzer. Two boys won Lion Badges, Jonathan Baldwin and Michael del Rosso.

One and two-year pins were given to the oldtimers, while five boys started up the ladder with the Bobcat badge: Joseph Gippola, Thomas Decillis, James Baker, Donald Reilly and Peter McEntee.

Gold Arrows were awarded to Lawrence Wallace, Martin Lo Monaco, Barry Meehan, Donald McGee, Robert Hearz, and John Barbieri. Silver Arrows to Martin Lo Monaco, Barry Meehan, Robert Hearz, John Barbieri, Timothy Baldwin, Kevin Russell and Christopher McEntee.

The Pack Committee meeting, Mar. 18, discussed the charter renewal and welcomed the new Den 7 (Mrs. Gilson), from the virgin northern parish zone, to the pack. Plans were made for the pack's spring activities.

DON SMITHERS, Hicksville resident and Hofstra graduate who organized the Tabard Singers and chamber orchestra, will conduct a concert of baroque music at Hofstra College Playhouse at 8:30 PM Saturday, April 11. The public is invited, free of charge. Smithers is studying at NYU for his doctorate in musicology. He is known for his editions of early choral music, his most recent work being a purcell composition published by G. Schirmer, Inc. Featured instrumentalist will include SONIA GERZARILAN, harpsichordist, wife of Mr. Smithers and MARK DODSON, also of Hicksville, trumpet soloist.

VISIT AIR BASE

On Saturday, March 21, Troop 477, of Burns Ave School, Hicksville toured Mitchell Air Base. They visited the flight line and were shown a "Flying Boxcar". After the tour the boys had dinner at the "Mess Hall."

OFF ON HIKE

Troop #421 of Woodland Ave School, Hicksville, found themselves off on another hike on the first day of Spring, March 21. Four Dads accompanied the 24 Scouts on this hike. The dads were Messrs. Cook, Gjesten, Christianson and Czarniecki. The troop left at 8:15 am and arrived at the campsite at 9:30. The weather was just perfect. On arrival, the scouts began their preparation immediately. Scouts were cooking for both second and first class requirements, which means some were cooking breakfast as well as dinner for themselves and a companion. The day was devoted to such requirements as camp-making, which entails axe-sharpening, pitching tents, lashings, cookery, wild life, compass reading and map drawings. This second hike proved that scouts were much improved and gaining in experience.

Thirty advancements were accomplished in part or whole requirements. The tents and equipment were transported to and from the camp grounds by Messrs. Sterne, Ruckes and Wallace. Archie Rosica and Pete Wallace also carried in a case of Coca-Cola which was just what the Scouts needed, so they said. Camp broke at 3:00 pm after the necessary clean up jobs, and the Troop arrived home at 4:15, just before a slight sprinkle of rain. The Outdoor Committee was pleased with the nice turnout of Scouts on the hike. It makes the whole thing worthwhile and leaves the committee who worked hard, with a feeling of satisfaction, and the incentive to go on working.

READY FOR CAMP

Troop #421, summer camp reservations are in. 22 Scouts are standing this year. The Troop is happy to announce that Malcolm Certzen, of the Advancement and Training committee will be with the Scouts for the two week period beginning July 12, and ending on the 25th.

We welcome our newest member to the Troop - Vincent Racine, of 29 Ketchikan Ave., Hicksville. Vincent is going to camp along with the others.

NEW RECTOR

REV. DOMENIC K. CIANNELLA will be instituted as rector of Holy Trinity Episcopal Church in Hicksville on Monday, April 6, at 8 P.M. The Rt. Rev. Jonathan G. Sherman, Suffragan Bishop of Long Island, will officiate at the ceremony.

Father Ciannella, who was rector at St. Paul's Church at Patchogue for the past eight years, accepted the call to Holy Trinity on Jan. 1st of this year. He was born in Far Rockaway and was graduated from the University of the South with a bachelor of arts degree in 1943 and a bachelor of divinity degree in 1945. He was ordained a deacon in 1944 and a priest in July, 1945 by Bishop DeWolfe of Long Island.

The new rector is president of the L.I. Clerical League and a member of the Diocesan Council. Father Ciannella was also elected a deputy of the Provincial Synod to serve until 1961.

'CLEAN-UP' FOR SAFETY

Because the past winter has been an exceptional one, Spring Clean-Up this season is of greater importance than ever to safety and health. The reason is that during the winter months, rubbish and other combustible materials have accumulated and the danger of fire has multiplied.

In emphasizing the need for a Spring Clean-Up Campaign, the National Board of Fire Underwriters which has long encouraged this movement, points to the benefits accruing. For instance:

The home is a healthier and more cheerful place after a thorough cleaning.

Removal of rubbish from home, garage and yard minimizes the danger of fire and disease.

The value of the homeowner's property increases, as does that of his neighbor and the community in which he lives.

Streets, when repaired and kept clean, are more inviting and safe from accidents.

Vacant lots, when turned into playgrounds, miracle gardens or yard parks, no longer are eyesores or fire hazards.

A campaign, in the interest of the general welfare, encourages all citizens to take part.

General morale and efficiency of all cooperative municipal activities are increased.

Woodland PTA Elects O'Donnell

Woodland Ave School P.-T.A. of Hicksville elected the following officers on Mar. 17 W.J. O'Donnell, President; Mrs. John Figlia, Vice-President; Mr. W. Prince, Treasurer; Mrs. S. Repoli, Recording Secretary and Mrs. Peter Wallace, Corresponding Secretary.

Following the election of officers, Prof. Elliott S.M. 'Gamer', Assoc Professor of History and Government and Reference Librarian at LIU spoke interestingly on Family Money Management. An enlightening question and answer period followed.

Mrs. E. Gowan, Education co-chairman, advises that the Woodland

Ave. P.-T.A. will present a child development film, 'Frustrating Fours and Fascinating Fives' on Tuesday evening April 7, at 8:30 p.m. at the school. Mrs. Oscar Willett, Nassau District Pre-School Chairman, will lead the discussion following the film. So, if you have a 'Me, too' in the family, a pre-school child who tags along after older children and who sometimes gets lost in the shuffle, you will enjoy this opportunity to think and talk about this child who is still the exclusive responsibility of the home. All parents of pre-school children are welcome.

Watch for School Census Reports Next Wednesday

M. L. Chittenden, registrar and census supervisor of Hicksville Public Schools, today urged parents to help avoid expensive home calls and to have facilities ready for the opening in September by providing accurate information when their sons and daughters bring home census forms next Wednesday, April 8.

The State Education law requires that an annual census be taken. All students in the Public and Parochial Schools in Hicksville will be given a census form to take home to be completed by the parent on April 8, Chittenden stated. "This form is to be returned to school by the student and given to their home-room teacher as soon as possible.

"Families without children in school will receive a census form through the mail at a later date. This method has proven very satisfactory for the past two years and the cooperation of all residents is appreciated," he added.

JESSICA WETTERAU, daughter of Mr. and Mrs. William B. Wetterau of 161 Jerusalem Ave., Hicksville,

a sophomore at Ursinus College, Collegeville, Pa., was recently placed on the Dean's List.

CURRENT COMMENT:

We Leave It Up to You

By FRED J. NOETH

THE WORD got around last week that this writer will be a candidate for election to the Hicksville Board of Education on May 6. This decision was not arrived at hastily; it does coincide with the urging of friends over a period of years.

We do not plan to use this space this week or in the weeks ahead to solicit your support. At the risk of being misunderstood as "confident", we will just say simply that our friends know us and what we stand for on a great variety of subjects. In fact, few in the community have had the opportunity to have their views as thoroughly aired as we have during a decade of local editorial commentary.

We'll leave it to our friends to decide on May 6th. We will, however, most seriously urge you to register so you can vote for three School Board candidates, a Library Trustee and upon the School Budget and Library Budget.

Registration takes place Saturday, April 25 and Wednesday, April 29.

If you have a little green-colored card which reads "Union Free School Dist. no. 17 Registered Voter" and bears the date of either May 6 or May 7, 1958, the chances are you are among about 1800 persons who registered when they voted last year and, unless you moved, you are probably all set.

If you did not register when you went to the Annual Meeting or Election last year, then be sure to do so the end of this month. No matter how keenly you feel about a candidate or a given issue, you can do nothing about it unless you register, in person.

As for the election, each candidate will be given the fullest opportunity to announce his intentions. However, we do propose to draw the line on lengthy letter writing barrages which have come into vogue in recent years. Of course, if anyone wishes to purchase advertising space to expound his or their cause, we will be pleased to oblige.

After April 22, the last day for the filing of candidates' petitions, we plan to publish a summary regarding each officially-filed candidate. The qualified registered voters, we are certain, will take it from there.

SCHOOL BOARD

(Continued from page one)

vote on May 6. Trustees Goodrich, Birch and Eaton voted in favor. Trustee Johnson voted no, while Trustees Zettler, Schreiber and Carpenter abstained and the motion was lost. Goodrich had made it plain that he was personally opposed to the proposed addition. A spokesman for the Library Board had told the School Board the week before that the Library Trustees viewed the proposal as "premature."

The School Board also fixed the dates for registration of voters for the May 6 voting. The dates are Saturday, April 25 from 12 noon to 6 pm and Wednesday, April 29, from 4 PM to 11 PM. Registration and voting take place at seven elementary schools. The HERALD plans to publish a map of the voting districts prior to the first day of registration.

Emotionally Disturbed

A question which has been hanging in the air for several months was resolved when the Board voted last

Saturday to add the Nassau Centre for Emotionally Disturbed Children (now located in Island Park) to the list of "schools" for which student transportation is provided.

With four votes in favor, a motion to provide transportation to that Centre for a local child for the balance of the current term (at an estimated cost of \$300 or \$400 for a full term) was carried. Trustees Schreiber, Birch, Goodrich and Eaton voted in favor; Johnson and Zettler were opposed and Carpenter abstained.

IBM Equipment

A four to three vote approved the addition of \$15,000 to next year's budget for the rental of IBM machinery and the employment of personnel to operate it. Trustees Elrich, Goodrich, Eaton and Carpenter voted in favor of the appropriation while Johnson, Zettler and Schreiber were opposed.

Another proposal to pay teachers twice a month rather than monthly was defeated five to two when it developed that the change in procedure would have added more than \$7000 to the annual budget for machinery, personnel and supplies.

LEGION EDITION

To the Editor:

I have received a copy of the Mar. 19 issue of the Mid Island HERALD with its special section commemorating the 40th birthday of The American Legion.

Your courtesy and cooperation in helping the Post's in the Hicksville area celebrate this important milestone is greatly appreciated and for the National and New York Dept organization of the American Legion I wish to thank you very much for this fine gesture of support of the American Legion Program.

DESERVE PUBLICITY

I would greatly appreciate your running a news item regarding Rev. Masters, Hot Rod Club of Hicksville.

On Friday afternoon, March 27th, during a rain storm, my car stalled at the intersection of Jerusalem Ave and West Nicholas St., and I couldn't get it started. A gentleman dashed up, opened the hood, worked for a few minutes and got the car started again, and I was able to get out of the way of on coming traffic. This man would not accept a tip or any pay, but handed me the enclosed card.

I believe these fellows deserve the publicity a news item in your paper would give them.

Gala Evening For Local Teens

Over 140 teen-agers from neighboring communities joined with the Teen-Age Groups from The Congregation Shaarei Zedek of Hicksville at a gala dinner-dance at the Golden Slipper in Glen Cove. The boys and girls danced, had a wonderful meal and were entertained with the usual, excellent Golden Slipper show.

"As part of our program for April", announced Marvin Klein-

man, Director of Cong. Shaarei Zedek Teen-Age program, "we will participate with other groups in a gala dance on April 18, at the Plainview Jewish Community Center. In addition to this, we will have ping-pong, nok-hockey, checkers and chess tournaments during April and May. A sample Passover Seder Service will be held prior to the Passover Holiday, and to complete the month, we will have a Family Night.

Area Logging

The first financial returns on the American Red Cross Fund Appeal this week indicated Jericho is within 50 per cent of its quota while Hicksville, Plainview and Jericho are lagging far behind.

Jericho with a goal of \$3,160 has raised \$1,166.15 as of this week's report with Mrs. Henry Clay and Mrs. Francis T. Carmody as chairman. Hicksville reports \$746.65 under chairman Leland Badler with a goal of \$4,250 while Plainview, with no chairman, has reported nothing toward its quota of \$1,155. Bethpage reports \$8 with a goal of \$2,365. John Karson is chairman.

Book Week

April 12th to 19th has been declared "book reading (not making) week" and librarians of the county are putting up a valiant fight to get Nassau's residents to turn off wrestlers or rustlers on TV, pick up a likely tome which will not only entertain, but educate. "Develop the reading habit," the proclamation wisely counsels. It might have added: "try to re-develop it."

Treed Off

Public improvements which cut down trees and make no effort to replace them came in for a blast from Nassau Executive A. Holly Patterson last week. Asking for \$27,000 in arbors along Carman Ave. and Old Country Road, he laid down a policy to the Dept. of Public Works of "a tree for a tree". A recent State project which destroyed a beautiful boulevard of trees unnecessarily, leaving stark naked pavement is thought to have triggered

Student Reports on HS Editor News Conference

by THOMAS DEAN

The National Broadcasting Co. inaugurated its First Annual Broadcast News Conference for High School Editors on Friday, Feb. 20th, in NBC's famous Studio 8-H in Radio City. Over 800 selected students and their faculty advisors from 500 schools in the surrounding New York Metropolitan Area attended this one day seminar. The program consisted of explanations and demonstrations by NBC newsmen and executives who explored, with the delegates, the new frontiers of electronic journalism. The network personnel also emphasized the job seriously considered by the students of today, who will be the journalists of tomorrow.

Highlights of the day-long session was the announcement by Robert W. Sarnoff, chairman of the board of NBC, of the First Annual NBC News-Working Fellowship Award. Among others was explained to the delegates the many phases and working of this increasingly important type of journalism were Chet Huntley, Dave Garroway, Pauline Frederick, David Brinkley and John K.M. McCaffery.

After a demonstration of video tape, television's most recent wonder, and an explanation of "Journalism's New Frontier" by NBC

President, Robert E. Kintner, Chet Huntley, one of NBC's outstanding news commentators, discussed the "Third Dimension in News." Mr. Huntley presented his opinions on interpretation and analysis of the news facts by a competent newscaster.

Dave Garroway and William R. McAndrew, Vice President, NBC News, covered the Philosophy and the Working Press of the Broadcast Journalism, respectively. Pauline Frederick, NBC United Nations Correspondent, revealed the increasing opportunities for women as reporters and commentators on the air and discussed the many difficulties and challenges in covering the United Nations. Preceding Miss Frederick was Lindsay Nelson, experienced NBC sportscaster, who spoke on the many important factors affecting a sports commentator.

Also during this part of the program, the members of the conference witnessed the premier showing of "This is NBC News," a documentary film depicting the methods used by the network to gather news from all over the globe, including statements by several noted NBC foreign correspondents. The morning session concluded with an interesting talk by Merrill Mueller on the many aspects of a foreign correspondent's job. Before his lecture, Mr. Mueller conducted his five minute news broadcast over the air from suite 8-H.

Delicate participation opened the afternoon session, which featured interviews with several international correspondents by chosen students. Ray Scherer in London, Edwin Newman in Paris, and John Rich in Berlin were questioned via a live international radio hook-up. Kenneth Barnhart served as moderator. After discussing the history, problems, and techniques of covering the White House, NBC correspondent Frank McGee acted as moderator while four students delegates queried David Brinkley, NBC Washington correspondent, on various topics, ranging from integration to editorializing.

The second film of the day, "Playback of History," reviewed

many key events covered by radio and television in the past. Further speakers included Morgan Beatty on Washington Coverage, Gabe Pressman on Local News Coverage, Leon Pearson on Covering the Arts, and Bob Wilson, Mr. Wilson introduced Bill Ryan, Robert Priaulx, and Thomas Howell, all of whom familiarized the delegates with the Tools of Trade. Mr. Ryan, NBC news reporter, spoke on writing the news that goes on the air; Mr. Priaulx, NBC T.V. Director, explained and demonstrated some of the equipment on the technical side of broadcasting (lenses, cameras, microphones, booms, lights, etc.) and Mr. Howell described the Cellomatic process (a new type of projection for special visual effects on news programs).

After a brief intermission, the members of the conference sat in on live rehearsals and telecasts from studio 8-H of WRCA-TV's "Gabe Pressman Local News," "Weather-5" with Pat Hannon, and the "Huntley-Brinkley Report". Frequent opportunities were given the delegates to ask questions of the numerous speakers. Several of these periods were capably conducted by Samuel Sharkey Jr., NBC News.

The program was brought to a close by Mr. Sarnoff, chairman of the Board of NBC who explained the details of the competition for an eight-week working-fellowship on the NBC news staff.

Select 2 Pupils

Miss Rose Anne Dinora, 187 10th St., and William M.K. Lyman, 35 Brooks St., both Hicksville, seniors and honor students at Hicksville H.S., have been named to represent their school in the \$5,000 Bohack college scholarship awards competition.

They will compete with seniors nominated by other high schools in Brooklyn, Queens, Nassau and Suffolk counties for the two \$1,000 and six \$500 scholarships. The boy and girl winners of the \$1,000 prizes will receive a bonus award of an American Airlines trip to Colonial Williamsburg, Va., with their parents.

Cohen, Hurwitt Rap Carpenter, Enter Contest

(Editor's Note - The following item is published exactly as received, unsigned.)

Mr. Carpenter's comment that the Hicksville community would not have a chance to vote on the school construction referendum this May 6 as quoted in the Long Island Press is one more indication of how he has been playing politics with the education of our children. This has become more and more evident over the past few months. He has consistently been against the formation of citizen's advisory committees. The release of the school construction plans have been so timed as to make it appear beyond the Board's control. If it is true that administration and school board plans for construction are based upon a survey made at the end of last year, by Dr. McCormack and that it only takes two weeks for the State Department of Education to examine our school district's plan, then certainly submission at an earlier date would have made it possible for the voters to decide this matter on May 6. The Administration recommended its programs to the Board in February. This was kept secret for a month thus delaying a public vote. This again shows Mr. Carpenter's lack of confidence in the public.

With this statement, the Independent Committee for Cohen and Hurwitt announces the candidacies of Morton Cohen and David Hurwitt for the Hicksville School Board. Mr. Cohen is President of the Hicksville Organization for Public Education (HOPE) and is a Research Associate with the Community Service Society. Mr. Hurwitt is Chairman of the School and Community Relations Committee of the Dutch Lane PTA and is Assistant Principal of a South Jamaica Junior High School.

Carl Braun Conducts Clinic For Youth Group Next Friday

Carl Braun, All American from Colgate and present Captain of the New York Knickerbocker Basketball Team will conduct an exhibition and clinic in basketball for the Youth Group on Friday, April 10 at the Jackson School. Carl, one of the most popular players in the N.B.A., has conducted this type of clinic for other youth groups with great success. This will be the first opportunity for the residents of our community to meet Carl, and greet him as a neighbor, inasmuch as he will be the Director of Recreational Activities at the Jericho Country Club.

Carl is today considered the "old pro" of the Knicks, despite the fact that he is still a young man. While originally known as one of the finest shooters in basketball, Carl today has added greatly to his game by becoming the team player of the Knicks. As a matter of fact, he ended up as fifth top assist player in the N.B.A. this past season. Obviously, Carl's background as an All around professional basketball player assures our youngsters of obtaining the best possible advice and training at our Friday night clinic.

Carl will conduct his exhibition

and clinic with local former college ball players, as well as some teenagers of our community. There is the possibility that Dick McGuire and Ritchie Gehrin of the Knicks will appear with him that evening. In any event a wonderful time for the youngsters of our community is assured.

Admission will be free, however the admission is restricted to each of the following: members of the Birchwood Civic Assoc at Jericho, members registered in the Youth Group of our Civic Assoc, or residents of the Jericho School District. Identification by membership card, or Jericho class card will be required. Doors will open at 7:30 P.M.

B'nai B'rith Holds Election

The annual election of officers and trustees for 1959 B'nai Brith Jericho Lodge was held March 16 at the Jericho Jewish Center.

With 85% of the total membership voting, the entire slate as approved by the nominating committee was elected. There were no nominations from the floor.

The complete roster of the new officers is: Allen J. Kaplan, President; Joseph J. Hochman, Vice-president; Murray Iscoe, vice-president; Norman Turkell, vice-president; Sidney Lowenthal, corresponding secretary; Seymour Cohen, recording secretary; Elliott Forgasch, financial secretary; Jules Krassner, treasurer; Herbert Schwartz, chaplain; Herbert Shapiro, Trustee; Herman Lubitz, Trustee and Jack Berger, Trustee.

Mr. Kaplan pledged close cooperation with all organizations in our community. He said that the Jericho B'nai Brith will fulfill its obligation of "promoting the highest principles of humanity through service to mankind."

Joint installation of officers of the Men's Lodge and Women's Chapter of the Jericho B'nai Brith will take place on Sunday evening, April 19th, at 8:30 P.M. This gala social event, complete with dancing and coffee and cake will be held at the George A. Jackson School.

AN EDITORIAL:

Organizations, Please Note

THE VILLAGER would like to remind the members of the various religious and charitable organizations of Birchwood that it is the official publication of the Civic Assoc. As such, its primary function is to publish the news, activities, and policies of the Civic Assoc.

One of the policies of the Civic Assoc has been, and still is, to support and assist the other organization of Birchwood. In line with this policy, THE VILLAGER has always been eager and happy to consider for publication the news releases submitted to it by these organizations.

THE VILLAGER is staffed entirely by volunteers, and therefore cannot undertake to cover the many newsworthy events sponsored by these organizations. We therefore suggest that each group select a Publicity Chairman, one of whose functions it should be to supply THE VILLAGER with photographs and news releases.

These releases should be submitted typewritten, double spaced, and in duplicate, and will then be considered for publication in line with our previously stated Editorial Policy. Address all Organizational News to: Florence Berger, 114 Maytime Drive, Jericho, N. Y.

CARL BRAUN, new activities director of Jericho Country Club, being greeted by Lou S. Strauss, club president. The veteran NY Knick's basketball star will conduct a clinic for the youth group of our Civic Assoc.

Need For More Block Captains

By Bob Borst

In a community the size of ours it is not only necessary but essential to have proper communications. Frequently a lack of information leads to conflicting and confusing reports as to what is going on in our community.

To really have a well functioning communication system it is necessary that we utilize the Block Captain System to its fullest. The Block Captain serves in an important job and performs a very definite service

to his neighbors and to the community. Although most of the present Block Captains will remain on the job, some are making way for new talent. They have served the community for a year and have done a fine job. We are sorry to lose these men. Others have been captains in name only and definitely have to be replaced if we are going to have a working organization of captains.

We are presently in the process of re-organizing the Block Captain System and it would be much appreciated by the present administration if the residents of the community will report as to whether or not they feel an adequate job is being done by the captains. Also there may be some views as to how the system can be improved and these views will always be welcome.

If we are to establish a completely dependable Block Captain System we must have men upon whom we can rely and who would cooperate fully with the present administration. Therefore we are looking for men who are willing to serve and understand that there is a small amount of work involved.

The duties of a Captain are not difficult and the time involved would amount to no more than several hours over the course of a year. We would like to have the Captains serve for a term of one year so we will not have to break in new replacements during the year. Also there will be only one general meeting of the Captains each year and special meetings only if required. To keep the Captains better informed, so that they in turn can advise the neighbors on their block, we will send out regular notices to keep them posted on just what the Board of Directors is doing for the Community. All of us are aware that the best method of communication is personal contact and the Block Captain is the Board of Directors' personal contact with our residents. He has to contact the members of his block by telephone or in person

Dedicate Our New Post Office

By George J. Frankel

On Sunday, April 12, at 2 P.M. the new Jericho Post Office building will be officially dedicated. Our Post Office, dated from 1802, has never before had a building of its own.

Martin Penn, Chairman of the Jericho School Board, will act as Master of Ceremonies. There will be talks by the hon. Sruyvesant Wainwright, Congressman of the First District; the Hon. Steven B. Derounian, Congressman of the Second District; the Hon. John J. Burns, Supervisor of the Township of Oyster Bay; George Wolfe, Real Estate Officer of the U.S. Post Office Dept., and Mrs. Signe Halleran, Postmaster of the Jericho Post Office.

Mr. Wainwright will present Mrs. Halleran with an American Flag that has flown over the National Capitol.

The invocation will be given by Rabbi Simeon Kohnetz of the Jericho Jewish Center, and the benediction by Msgr. George M. Bliternann of St. Ignace Loyola R.C. Church of Hicksville. Music will be provided by the Continental Air Command Band from Mitchell Air Force Base, under the direction of C.W.O. Adam E. Shiffer, Jr. The entire ceremony will be broadcast by Station WGSN, Huntington.

The dedication is being sponsored by the four Civic Associations of Jericho: Rosewood, Birchwood, Jericho, and White Birch. All residents are urged to attend.

Civic Profile

By Gilbert B. Stein

Norman Cohen is our Civic Association's sagacious Treasurer. He is 32 years old, versatile and volatile and, in the opinion of this reporter, he is more economy minded than Organization Treasurers have a habit of being.

Norman is a Professional's Professional; a graduate of City College, New York University and Fordham Law Schools. While being admitted to the Bar as a practicing Attorney, Norman also qualifies as a Certified Public Accountant. Norman definitely has the right Professionalism, at the right time.

Just after World War II, American Business, big, small and the honkey kind, sought out and built up to an almost National Habit, the Professional Couch of Psychiatric Consultation. Now, well over one decade later, in the age of Corporate Tax Jungles, the upstanding Citizen and exponent of free Enterprise with minimum taxation, can turn for advice and counsel toward the Tax Attorney. Thanks to men like Norman, Executives can continue to charge to Business Promotion everything (within reason) the Diners Club underwrites, as well as innumerable items, which the writer shall refer to as "Fringe Benefits" nor always nor necessarily chargeable to Credit Cards.

Norman, his wife, Harriet, and two kids, Meryl aged 5 and Glenda aged 2 1/2, reside at 22 Flower Lane. The Cohens are former Brooklyn Apartment Dwellers. Our Treasurer is one of the most unassuming and charming members of our Civic Assn. Board of Directors, who often uses his powers of perception, penetration, judgment and discernment to good advantage.

Norman Cohen has two major hobbies. He likes to read and he loves to spend hours doing Financial Stock Market Analysis. His plans for our Community? Well, he states that eventually he would like to see our Community of Jericho become an Incorporated entity.

Wizard of Oz On Stage May 23

The "Birchwood Players" on Tuesday, Mar 24, cast the "Wizard of Oz" for presentation to the children at the George Jackson School on Saturday, May 23.

Members of the cast include Elly Krassner as Dorothy, Harrie Ann Kessler as Toto, Dale Berg as the Scarecrow, Isabel Davis as Tin Woodman, Barry Jeffery as Cowardly Lion, Selma Gold as Guardian of the Gates, Al Ross as Wizard of Oz, Annette Fischer as Witch of the North, Miriam Rat as Witch of the West, Beverly Bogen as Glinda Good, and Lois Green as Florida. The production will be directed by Harry Singer with the assistance of Beverly Bogen and Selma Gold. Costumes are by Irene Cohen.

The players are in urgent need of help to build scenery and interested adults and teen-agers will be welcomed with open arms. Anyone with a tape recorder and lighting equipment to lend will be regarded as a great benefactor to the cultural growth of the youth of Jericho. Please address all communications to Mimi Gruber, WE 8-8048.

Not Too Late

The Art League of the Birchwood Civic Association announces that it is not too late to register for Painting and Sculpture classes, either beginners or advanced. For further information, call Lee Batterman OV 1-0664 between 4 and 7 or write to 19 Flower Lane, Jericho.

To Joyce Burns of Maiden Lane recovering from Tonsilectomy, get well quickly and back to school you go.

Register To Vote

All residents of Jericho School District MUST register to vote. Important issues vitally affecting their children's education. If you DO NOT register, you CAN NOT vote. Registration will take place at the Robert Seaman School on Thursday, April 9, from 4 PM to 10 PM and again on Saturday, April 11, from 2 PM to 8 PM. For further details see Jericho Education Committee report and School District legal notice elsewhere in this issue.

Editorial Staff Gets Confidence Vote

At the March 17 meeting of the Board of Directors, its fact-finding Committee made a report of its meeting with the VILLAGER editors and staff.

Considerable discussion followed on the merits and recommendations in this report. It was terminated by a motion to table all discussion on this subject and to give a vote of confidence to the Board of Editors of the VILLAGER. This motion was passed.

The Town Planning Committee reported estimates of \$2000 for the erection of entrance walls at the four entrances to the Village of Birchwood Park. Means of fund raising will be considered by the committee. This committee is in the process of investigating what TOBAY is doing about the local park situation, what can be done about truck traffic passing through Holly Lane to and from Jericho Park (no through traffic is allowed); and what action can be taken in reference to projected garden apartments at South Woods Road and Jericho Turnpike. The committee reported that while new town zoning plans

have not been completed, a hearing will be held shortly about a gas station planned for construction adjacent to our community. The committee plans to have representation at the hearing. A motion that the Architectural, Zoning, and Town Planning Committees become unified under one title (Town Planning Comm.) was passed.

The recommendation of the Entertainment Committee that the installation of officers and members of the Board plus a square dance be held on April 11 was voted down. The board did vote in favor of a combination installation and square dance to be held in the month of May, and voted an appropriation of \$250. The youth committee reported a membership of 281 at a donation of \$2.00 per child. The committee reported that all equipment purchased in the past year will be usable next year. Carl Braun, New York Knickerbocker ace, will give demonstrations of his sports skills at no charge.

The Board voted to support a recommendation of the Syosset Educational Committee that one of the two new schools projected for Central District #2 be named the Elizabeth Babcock Junior High School.

The Housing Committee reported a continuing, but unsuccessful search for permanent housing for the Civic Assoc., and requested that any information concerning adequate and inexpensive quarters be transmitted to the committee.

The Finance Committee estimated that only the youth, dramatic, and VILLAGER committees would need current financing --- mainly for postage.

In the final session of the meeting, the Board formed a defogging Committee; voted a maximum of \$20 expenses for Board meetings; agreed that general meetings would be held in the months of Feb., May, Sept., and Dec. and asked the entertainment committee to plan for the May meeting. The

last vote of the meeting saw the Board vote against endorsement of the Boy Scout project to paint house numbers on the curbs at 75 cents per house.

Marriage Is So Legit, Coming Soon

The works of two of the greatest names in the music and lyric field will shortly be on display in Jericho in the persons of Herb Green (music) and Marty Klein (words).

These two gentlemen have collaborated on the score for the forthcoming production of "Marriage Is So Legitimate," which is being sponsored by the Jericho Jewish Center.

The words and music of this fast-paced musical comedy have been fashioned in the true tradition of Broadway style and this professional duo can chalk up another of their long line of hits.

The cast of this musical comedy will be composed of Jericho residents and is being directed by Harold Pepper, who successfully directed the smash hit, "Anniversary Waltz."

Tickets for this production will go on sale within the next few days and the anticipated demand for tickets earmarks "Marriage Is So Legitimate" for a sell-out.

This show will be presented on two nights, Saturday, May 30, and Sunday, June 6, at the East Meadow Jewish Center.

Jericho School Vote on April 25

By Leo Gayer

At a special meeting of the Board of Education of the Jericho School District held March 26, attended by the members of the Jericho Education Committee of the Birchwood Civic Assoc., it was announced by the Board Chairman, Martin Penn, that the following two propositions will be submitted to the Jericho residents for a vote on April 25, 1959:

(1) the building of a new elementary school in the White Birch area, and (2) the addition of eight rooms to the Jackson School.

The hours for voting will be from 12 noon to 10 P.M. Registration will take place on Thursday, April 9 from 7 P.M. to 10 P.M. and on Saturday, April 11 from 2 P.M. to 8 P.M. The annual information meeting at which these propositions will be explained will be held on April 23rd.

The registration, information meeting

and the voting will all be held at the Robert Seaman School.

The Board urges all residents who did not register at the annual meeting in May, 1958 to be sure and register on these dates. Mr. Penn further stated that in order for these propositions to pass, a two-thirds vote is required.

At the last Jericho Education Committee meeting held on March 11th, the following recreation program, the following committee reports were submitted; the following summer recreation program, the need for a speech therapist, the building program, teachers' salaries, etc.

The next meeting of this committee will be held on April 9, 1959 at 8:45 P.M. at the home of Mrs. Jack Feldshon, 111 Hazelwood Drive, Jericho. We are urgently in need of people concerned with their children's education.

Education Committee Favors Name

By Horace Bernstein

Your Syosset Education Committee has gone on record with the School Board that they would like to have the new Junior High School named after the present vice-president of the School Board, Mrs. Elizabeth T. Babcock.

The Education Committee as well

as the Civic Assoc., who has endorsed the approval of the name, feels that Mrs. Babcock has done so much for the school district that a tribute to her while she is still living would be appropriate. On April 13th, at the next Board of Education meeting our proposal will be taken up by the Board, and it is hoped that approval will be given.

Two members of the Education Committee are always in attendance at these School Board meetings so that the members of the Civic Assoc. living in the Syosset District can be informed of whatever transpires. If there are any problems that members have, they should be brought to the attention of the School Board. These members will be happy to present them at the meetings. Education meetings are open to the public, and all interested taxpayers are invited and urged to attend.

Through the efforts of the Education Committee, the Civic Association has donated \$50 to the Robbins Lane School for the purchase of shrubs. Mrs. Dondoro, who has already received the money, has assured us that the plants will be planted in one grouping so that the future students will know that the Birchwood at Jericho Civic Assoc. made the donations. We have been informed that the shrubs will be planted on Arbor Day.

It is hoped that more parents will find the time to interest themselves in the Education Committee. Any parent interested in joining this most important committee are urged to contact the writer HORACE BERNSTEIN (OV 1-2715) and help us in our work to help your children.

ash certainly enjoyed your cake decorating lecture and also the delicious cake you baked and decorated for your program. We are looking forward to more of the same and appreciate your graciousness in stepping in at a moment's notice to replace Betty Golub of Forest Drive, who came down with a Virus. Get well to you both.

Congratulations to Mr. and Mrs. Robert Konigsberg of Fall Lane on the Bar-Mitzvah of their son, Sandy.

A boy has finally arrived at the home of Adele and Harold Zorn, 169 Forest Drive. After two daughters, a son is a joy to the Zorns.

Congratulations to Evelyn Lesser of Fortune Lane on the nomination of Presidency of Cancer Care. Hear tell that young daughter, Arlene, went out and got her first Ad for Cancer Bulletin. Good work, Arlene! (It must be in the family, like Mother like daughter.)

The Cub Scouts of Jericho are taking a trip to L.I. Agricultural and Technical Institute in Farmingdale. They're going to see cows, calves, chicks, bulls, pigs, sheep, rabbits, bees and gardens. I'm sure some will come back either as farmers or veterinarians. They'll also have learned about the birds and the bees.

Some of the Brownies from Robbins Lane neighborhood took a trip to Girl Scout Camp Edey in Bayport yesterday. Their purpose was to plant a living fence of rose bushes. Brownies of Troop 620 entertained their mothers at an international exhibit and world play ceremony, March 25.

The Purim Party given for the children of the Religious School of Temple Or-Elohim, Reform Temple in Jericho, was a huge success. It was held on Saturday morning, March 21, at Jericho Country Club. Betty Lee Grayson was in charge and she was assisted by all the mothers who baked cakes and other goodies for the children. Most often heard comment was "OH BOY!"

A new addition to the family at Mr. and Mrs. Phil Rosenthal of Hightop Lane - third boy. Happy dispersing to you both.

The B'nai B'rith Men's and Women's Lodge of Jericho celebrated their first Anniversary Dinner Dance at the plush Pine Hollow Country Club. Congratulations go to Murray Iscoe for chairing this most successful affair. Herb Schwartz (Pres. of Men's Lodge) and Sylvia

Nueren (Pres. of Women's Lodge) lit candle on tremendous cake. Door prize was day at Pine Hollow won by Seymour Freedman of Hedgerow Lane (who actually is a golfer).

For an interesting evening on April 14, Jericho ORT is featuring Mike Miller of Concord Gardens. Mr. Miller will lead a discussion on gardening, landscaping, flower

Sports Committee Being Organized Health, Public Safety Committee Reports

By Len Wainick

"Trailing 4-2 going into the bottom of the ninth, Hecht's Tigers scored three big runs with two put to stage a sensational rally. Herb Shapiro and Gil Stein both popped up to start the inning. Then the roof fell in. Joe Ross and Jerry Abrams singled. Bob Borst lined a 2-0 pitch up the alley in right center to know the ball game at 4-4. Milt Bagley up next was replaced by pinch-hitter Irv. Brand. Horace Bernstein then abled out to the mound and outstunged Stengill by calling

in Ralph Diamond from the bullpen to get that last out. Brand was ordered passed to set up a force situation bringing Henry Dockswell to the plate. On Diamond's first pitch, Dockswell rammed one up the middle scoring Borst for the ball game and the Birchwood championship."

That is what we will be reading in this column in the future if we can get enough of you embryo Dimaggios, Mantles, and Fellers out to the ball field, and since so many of you guys have asked "When are we going to get up a ball game around here", here is your answer...NOW!

A four-team softball league is now being organized. All games will be played at the new ball field on Merry Lane and Jericho Typke, on Sunday mornings 8-9. (Before gardening). Every Birchwoodite between the ages of 17 and 71 is eligible to play. Teams will be chosen to be as equal in strength as possible by the tryout system. Suggestions and ideas to make this program a success are wanted.

It is hoped that we will be able to stage an All-Star game at the end of the season between the league Champions and the best players of the rest of the league. This may be done on an admission-paid basis, with all the proceeds to go to the Youth Program Fund. So, if you want to have a good time while playing ball, you also will be accomplishing by helping to build the Youth Program Fund.

C'mon out and make this softball program a success. All you Dads who think they can still show their teenage sons a thing or two now have the opportunity to do so. And all you youngsters who think that Pop is a hasbeen... just get him over to the ball field and find out who is the better man.

If you are interested in joining this softball program, call Len Wainick at OV-1-4384. He needs all your help to make this program successful.

Health, Public Safety Committee Reports

by Dr. Walter Sugarman

The Health and Public Safety Committee met for organization on March 23. Dr. Walter Sugarman was elected permanent chairman. The committee was subdivided to include the following projects and committeemen: 1. Traffic-to study safety measures in the community, estimated completion dates of roads under construction in the area, proposed changes in highway construction - Julius Weiner, Joseph Ferrino, Sidney Gerchick, and Bernard Lermer.

2. Garbage Disposal: To study garbage and trash problems - Howard Turkell.

3. Health: To arrange for TB mobile X-ray unit voluntary examinations for residents of Birchwood at Jericho - Dr. Al Freedman, and Dr. Walter Sugarman.

Children Aid In Clean-Up Drives

In many communities children take an active part in local "clean-up" campaigns. In New York, for instance, miracle gardens and yard parks appeared last year in a number of locations.

The sponsoring organizations furnished tools and the civic com-

One very important advance we would like to make is to establish a telephone relay system which will permit us to contact all captains by phone within a matter of minutes. Any of our residents wishing to express views on how the Block Captain System can be improved, or any residents interested in serving as captains are asked to contact the present Administrator at OV 1-7091 no later than April 8th.

mitties presented suitable rewards. The projects demonstrated effective public relations on behalf of both the youth organizations and the co-operating municipal agencies.

Another practice is for school students to write and produce plays on "clean-up" themes, take part in

poster contests, write slogans, compose songs. The posters and slogans are displayed in neighborhood store windows, the songs sung in school assemblies.

Often a civic organization will organize brigades to do a "clean-up" job on a vacant lot.

IN AWARDS FOR JOURNALISM

THREE GIRLS of Holy Family RC Parish, Hicksville, won awards the CYO press exhibit on Feb. 24 at CYO Headquarters in Lynbrook. They are, left to right, Mary Ann Kraft, editor of "Girls CYO News", who gold medal for art; Marie Massiello with Certificate of Merit for the entire newspaper; and Diane Wojno with silver medal for editorial. Over 19 school papers and six parish papers were displayed and submitted for consideration of the judges: Don Dinkel, Hicksville, member of the Tablet staff; Sr. M. Dorothy of Sacred Heart Academy, Hempstead; and Rev. Gerald J. Ryan, CYO moderator. (Photo by F. Gerard Moran, East Meadow).

Championship Tourney This Saturday

This Saturday, April 4, at 6:30 p.m. in the Junior High gymnasium, the St. Ignatius CYO of Hicksville holds its annual Tournament of Champions.

All winning teams participating in the fall and winter CYO sports program will receive their awards and trophies earned during the tournament campaign on the gridiron, basketball court and the bowling alleys. The top championship team is the St. Ignatius Yellow-Jackets football team, undefeated winners of the Nassau-Suffolk football season.

Awards will be made to all girls and boys whose team won its divisional title.

Admission is free and there will be exhibition basketball games played by the top teams.

The CYO will follow its usual policy and feature no name guests but will devote the entire program to the children participating in the program which is the largest comprehensive sports program in the area.

School Leaders Address Civics

The second in a series of Civic Education programs, "Operation School District", will be held at the next regular meeting of the North Bethpage Civic Association on Tuesday, April 7. The meeting, which will begin at 8:30 p.m. at the NBCA clubhouse on Court Ave., will be addressed by Charles Bryan, Superintendent

of Schools; Edward Lavin, Business Manager and James Norman, Superintendent of Buildings and Grounds.

As usual, a question and answer period will follow the talks and all residents of the school district are invited to attend.

The Civic Education series, arranged by Program Chairman Leon Lunen, was inaugurated last month with an address by Town of Oyster Bay Supervisor John Burns and was enthusiastically received by a large audience of new and regular members.

Programs for future meetings will be announced shortly before each meeting.

The term for which the partnership is to exist is from the date on which proof of publication of the substance of such certificate is filed in the Nassau County Clerk's Office until the 31st day of December, 1979, subject to pos-

sibility of earlier termination or further extension. A description of the other property contributed by each limited partner is: none. No additional contributions are agreed to be made by any limited partner. The time when the contributions of each limited partner is to be returned is upon the termination or dissolution of the partnership. Each limited partner is given a right to substitute an assignee or contributor in his place and stead and to assign his share in whole or in part (in a fraction which the sum of \$1.00 or multiples thereof bears to such limited partner's contribution as it shall then exist) to the Assignor's spouse, lineal descendant, spouse of lineal descendant or trustee for the benefit of any of them; also to any other party only after offering such share to General Partners on conditions set forth in the co-partnership agreement. No such assignment is effective until the Assignee agrees, in writing, to be bound by the terms and provisions of said agreement. No right is given to the partners to admit additional limited partners. No limited partner or partners have any priority over any other limited partner or partners as to contributions. The rights of a limited partner as such are not affected because the limited partner is also a general partner and wherever the same person is both a general and a limited partner, his two interests are treated as wholly separate partnership interests for all purposes of the Partnership Agreement. In the event of the death, insanity or bankruptcy of a General Partner, the remaining General Partner has the right to continue the business of the Partnership. In the event of the death, insanity or bankruptcy of both General Partners, the legal representative of the General Partner last surviving shall have the right to wind-up the partnership affairs. No right is given to any partner to demand and receive property, other than cash in return for his contribution except that on dissolution or termination of the partnership its assets shall be distributed in kind to the extent possible under the above proportions. The certificate referred to above has been signed and acknowledged by all of the general and limited partners B72449667

NOTICE OF SPECIAL DISTRICT MEETING
UNION FREE SCHOOL DISTRICT NO. 15 OF THE TOWNS OF OYSTER BAY AND NORTH HEMPSTEAD, NASSAU COUNTY, NEW YORK

The Board of Education of Union Free School District No. 15 of the Towns of Oyster Bay and North Hempstead, Nassau County, New York, HEREBY GIVES NOTICE that a Special District Meeting of the qualified voters of said School District will be held at the Robert Seaman School, Leahy Street, Jericho, New York, in said School District, on the 25th day of April, 1959, at 12:00 o'clock Noon, Eastern Standard Time, at which the polls will be kept open between the hours of 12:30 o'clock P.M. and 10:00 o'clock P.M. Eastern Standard Time, and as much longer as may be necessary to enable the voters then present to cast their ballots, for the purpose of voting by voting machine upon the following propositions:

PROPOSITION NO. 1

Shall the following resolution be adopted, to wit:

A. RESOLVED, that the Board of Education of Union Free School District No. 15 of the Towns of Oyster Bay and North Hempstead, County of Nassau, New York, is hereby authorized to construct on the present George A. Jackson School site a school building to be attached to the existing building in such a manner that the probable useful life thereof will not be dependent upon the useful life of the existing building, including grading and improvement of the site and original furnishings, equipment, machinery and apparatus for such new building, and to expend therefor a sum not to exceed \$300,000.
B. That a tax is hereby voted for the foregoing purpose in an amount not to exceed the sum of \$300,000 to be levied and collected in such installments, in such years and in annual amounts as may be determined by the said Board of Education.

C. That in anticipation of the said tax, obligations of said School District are hereby authorized to be issued in the principal amount of not exceeding \$300,000 and that a tax is hereby voted to pay the interest on said obligations at the same shall be due and payable.

PLEASE TAKE FURTHER NOTICE that said Proposition No. 1 will appear on the ballot label of the voting machines in the following abbreviated form:

Shall this school district expend not to exceed \$300,000 to construct and equip an independent addition to the Jackson school and levy a tax in annual installments on the taxable real property of the district in not to exceed such amount?

PROPOSITION NO. 2

Shall the following resolution be adopted, to wit:
A. RESOLVED, that the Board of Education of Union Free School District No. 15 of the Towns of Oyster Bay and North Hempstead, Nassau County, New York, is hereby authorized to construct on the site now owned by the district located at Northumberland Road and Barbara Lane, generally known as the South Parkway site, a new school building and to expend for such construction including grading and improvement of site, original furnishings, equipment, machinery, implements and apparatus required therefor, a sum not to exceed \$988,000.
B. That a tax is hereby voted for the foregoing purpose in an amount not to exceed the sum of \$988,000 to be levied and collected in such installments, in such years and in annual amounts as may be determined by the said Board of Education.

LEGAL NOTICE

C. That in anticipation of the said tax, obligations of said School District are hereby authorized to be issued in the principal amount of not exceeding \$988,000 and that a tax is hereby voted to pay the interest on said obligations at the same shall be due and payable.

PLEASE TAKE FURTHER NOTICE that said Proposition No. 2 will appear on the ballot label of the voting machines in the following abbreviated form:

Shall this school district expend not to exceed \$988,000 to construct and equip a school building on the South Parkway Site and levy a tax in annual installments on the taxable real property of the district in not to exceed such amount?

Only qualified voters of said school district who shall have personally registered as such will be permitted to vote at said Special District Meeting. Such voters who personally registered at the Annual District Meeting and Election held May 6, 1958, or who personally registered on January 22, 1959, or on January 24, 1959, for the Special District Meeting held January 31, 1959, need not register again to be eligible to vote at said Special District Meeting.

NOTICE is hereby given that the Board of Registration and the District Clerk will meet at the Auditorium of the Robert Seaman School, Leahy Street, Jericho, New York, on April 9, 1959, from 4:00 o'clock P.M. to 10:00 o'clock P.M., Eastern Standard Time, and on April 11, 1959, from 2:00 o'clock P.M. to 8:00 o'clock P.M., Eastern Standard Time, for the purpose of preparing a register of the qualified voters of said District for the Special District Meeting to be held on April 25, 1959. Qualified voters who wish to be registered must present themselves personally for registration at the place and times herein stated. Any person shall be entitled to have his name placed upon such register providing that at such meeting of the Board of Registration he is known or proven to the satisfaction of such

Amvets Alley

Sgt. Robt. O. Ulmer Post Nassau County's First by Jimmy Cooley

"OUT OF THE FOXHOLE"..... Post meeting will be held on Friday evening, Apr. 3rd and Apr. 17th at the Broadway Tavern. Let's make this a big turnout, as Memorial Day will be on us before we know it. Commander JIM SURRESS and I represented AMVETS at the Memorial Day Committee meeting at the Legion Hall, March 25. AL BARLOW, Legion Commander; ARTIE RUTZ and BOB SUTTON attended for their organization. HARRY FROHNHOEFER, BOB OBERMEYER and JIM ROCK for the VFW, WILLIAM G. OLITSKY for the JWV, FRANK ESCHBACK and FRANK GORDON for the CWV. With the Legion Auxiliary group were TRUDY RUTZ and CYNTHIA HOCHBRUECKNER.

The JWV and AMVETS can be pleased to note that BILL OLITSKY will be Parade Marshal. Next Memorial Day Committee meeting will be held on April 8 at the Legion hall. Nassau County AMVETS will hold their County meeting at the Broadway Tavern, April 5. All Delegates and Alternates will attend. Members who may be interested I am collecting stamps again as I have in previous years for Christmas...a little early but better now than later. Foreign stamps and United States stamps are also being saved for our trips to veterans hospitals.

PASSING PARADE....Harold G. Skagg, former editor of the Veterans Edition of the Army Times passed away. Vice Commander JOE STANKOWITZ has again made his plea to all post members to get that NEW MEMBER in AMVETS. I have received plenty of applications from National, just step up and ask for a few. AMVETS will have two men in the Memorial Day Firing squad. May 24 at 10:30 a.m. A main wreath will be placed there from all veterans groups at that time. Taps will be sounded....BY YOU KNOW WHO! Cards have been sent out to members notifying them of our two meetings per month...please don't fail to attend.

Legionnaires' Log

CHARLES WAGNER, Post 421, Hicksville, N.Y.

By ARTIE RUTZ

With the coming of Spring comes the "outdoor season" of the Color Guard - although they operate 12 months a year --- Candidates for membership in this uniformed unit will be interviewed at the next Color Guard meeting at the club house on Sunday, April 5, 2:00 P.M. --- The first parade they will participate in will be the Loyalty Day Parade at Massapequa and this is followed up by a Memorial Service by all of Hicksville's veterans' groups at the Plainlawn Cemetery on Old County Road, the Sunday before Memorial Day --- Then comes the big Hicksville Memorial Day Parade on Saturday, May 30th ---

In mid June the parade at the Nassau County American Legion Convention takes place on Friday night, June 19th, at Glenwood Landing and this is followed up the next afternoon by the competitions for the Color Guard championship of Nassau County --- This year for the first time, Hicksville will have an entry in this event and the boys hope to bring home the bacon (could be they have an eye on the State competitions at Syracuse in July) --- Also in mid June, just a few days prior to the convention, the Color Guard usually sponsors the traditional ceremony of burning worn out American Flags in honor of Flag Day --- In fact, the spring weather not only means a stepping up of activities for the Color Guard but for the entire Post as well --- Like Bock Beer heralds the Springtime, so the annual Bartenders' Party does likewise each year. This year's party will be held on April 4th and is as usual for those who served at least once during the past year, and is by invitation only, and all invitations have gone out.

School District Commends Town Board On Excellence of Comprehensive Plan

Plainview-Old Bethpage School District is confronted with "a considerable increase in the tax rate for the coming year" above the current rate of \$5.43 per \$100, it was disclosed last week although no details of the proposed District Budget will be available until the week of April 6.

The revelation came in a letter from Dr. Robert F. Savitt, superintendent of schools for Plainview-Old Bethpage Central District, read at the Oyster Bay Town Board public hearing held March 24 upon the Comprehensive Zoning Plan for the township.

The letter stated "we wish to commend the (Town) Board on its excellent planning for Central School Dist 4 as indicated in the proposed maps of Mar. 3. It is our feeling that the rezoning indicated here is balanced, and it is our hope that the extent to which it raises our school system is balanced by potential additional income resulting from additional industrial area."

"It is our understanding that there is some property owner opposition to the Town Board's proposal, and that the parcel of land bounded by Windling Road, Round Swamp Road and the Nassau County Line, and the extension eastward of the Long Island Motor Parkway, is in question. I wish to point out that if the zoning of this area were changed to quarter acre zoning (class "C"), there is a potential in excess of 500 additional homes. At the current rate of real estate activity in the Plainview-Old Bethpage area,

we could assume that these homes would be sold and occupied in a very short-time. According to our recent surveys of the numbers of children of various ages coming in per home, these additional homes would necessitate within the next year a minimum of one additional elementary school and possibly two. If the distribution were any different from that which has been our experience, we could expect one of two things: either that it will require two additional schools rather than one, and if it would not require two additional schools, it would over-tax our secondary schools to the extent that we would need additional secondary facilities long before they are planned.

"Our current school tax rate is \$5.43 per \$100. Because of expansion necessitated by additional enrollments at the higher grade levels, we will require a considerable increase in the tax rate for the coming year. Many of our residents are having difficulty with this current tax rate, and any further down-zoning would create a serious hardship on our community which is already hard-pressed", Dr. Savitt concluded.

The Town Board also received a letter from William H. McGurk, president of Syosset Central School District Board, going on record "once again, as being in accord with the proposed master plan for our area."

Civics Going After Members

A campaign to recruit new members within the expanded boundaries of the North Bethpage Civic Association was announced recently by Vice President, Charles Frank, chairman of the membership committee. An invitation to join the 40-year-old organization was extended to all residents within the new boundaries of the association, by Mr. Frank in his announcement.

Because of the desire of many persons outside the original boundaries of the organization to become members, the NBCA has been urged to extend its boundaries so that more residents of the area could join in its community efforts.

Heeding these requests, the NBCA has revised its constitution to include all the area within the limits of the Bethpage Fire District lying north of the railroad tracks.
