## Double Decker Parking Lots May Solve Problems

Hicksville needs 2,500 public parking spaces, in the opinion of Councilman Henry J. McInnes. New ways of providing additional spaces have been suggested by McInnes - including the erection of a double-decker parking unit.

## Traffic Light At 4th Street

The County of Nassau will soon install a traffic control signal at the corner of Jerusalem Ave. and 4th St., Hicksville, at the property of the Junior High School, was disclosed today by Councilman Henry McInnes, member of the Town Board committee on safety. The installation order was issued by Supervisor John Burns from County Executive A. J. Patterson.

## WV Installs

William G. Olitsky of 73 Sleepy Lane, Hicksville, was installed as commander of the Sgt. Ben Levitt Post, Jewish War Veterans, Friday night. Ceremonies were held at the East Nassau Synagogue on South Oyster Bay Rd.

## Please Call Without Delay: Were You on W Marie St. Last Sunday Morning?

A ten-year old local boy is confronted with the necessity of undergoing a painful ordeal unless the owner of a blond colored dog, probably a cocker spaniel, is located by this Sunday, May 17. The Hicksville youngster was nipped on the finger last Sunday morning. The animal was in a dark colored auto, possibly a Chevrolet of about 1950 vintage, parked near Eastern Camera Exchange on W. Marie St., Hicksville, last Sunday at 9:45 AM. The boy attempted to pet the dog thru a partially open window and was nipped. By the time the boy's parents heard the incident, the car with its canine passenger had left the scene. This is an urgent plea for cooperation: If you own this pet, please call WELLS 1-0170 between 8 A.M. and 6 P.M., or WELLS 1-2408 after 6 P.M. Nothing will be done to your pet. The doctor merely wishes to identify any possible evidence of rabies. Unless you come forward, little Jimmy (whose name is being withheld) faces the painful ordeal of anti-rabies injections.

Speaking before the Hicksville Republican Club, Friday, at the Masonic Temple, McInnes said that an intensified program has increased the number of public parking spaces to 1525.

A further increase in the number of spaces is necessary because, according to McInnes, more commuters use the Hicksville station than any other station on the Long Island Rail Road.

The local councilman, who expects to be a candidate for reelection to the Town Board in November, stated that one way to ease the parking situation is to build a two-story parking structure.

With a small loss of space for ramps, the second floor could accommodate almost as many cars as the first, yet McInnes emphasized that no more land would have to be removed from the tax rolls. McInnes said that similar units are now being operated successfully.

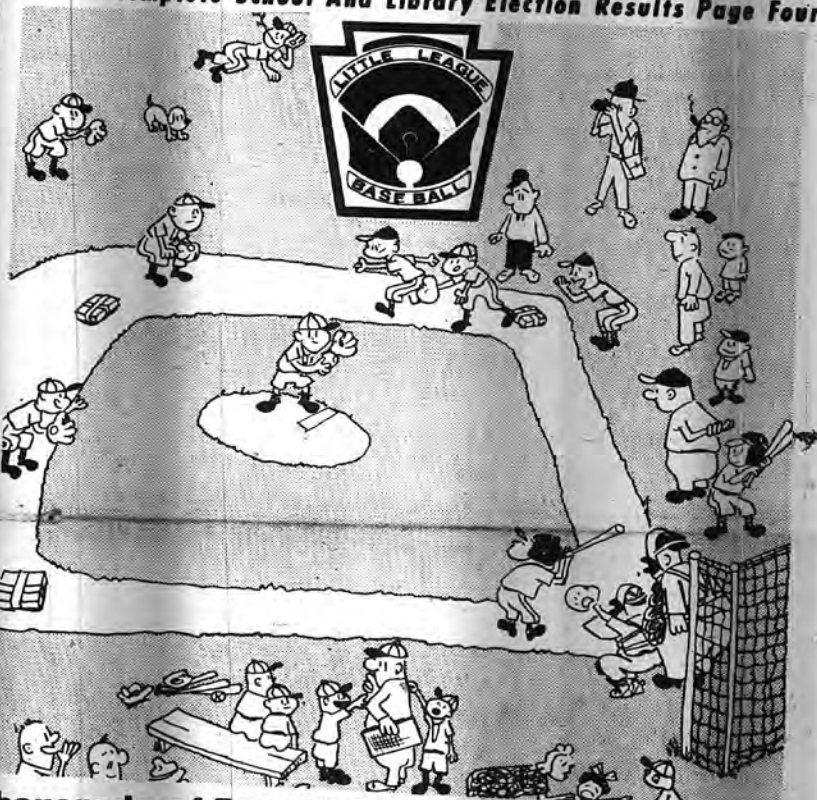

Another new parking area for 300 vehicles will be created when the local grade crossing elimination project is completed. McInnes said that the field will be in the vicinity where the main line of the LIRR splits into separate lines toward Syosset and Bethpage.

It is also anticipated that there will be public parking spaces beneath the viaduct which is scheduled to be a part of the grade crossing work, McInnes said.

The new state law allowing the combining of parking districts in the Town of Oyster Bay will lead to more economy and less confusion over the privileges of residents of the various districts, declared McInnes.

Councilman McInnes said that he will be at the Hicksville office of the Town of Oyster Bay, at 65 Broadway, every Wednesday and Friday morning to meet with Hicksville residents. The Veterans Service Agency now has personnel in the Town office in Hicksville.

The Republican Club voted to sponsor the Hicksville baseball team in the Queens-Nassau Alliance.

## Thousands of Boys Start Little League Seasons

THIS SKETCH by Paul Player of 40 Basket Lane, Hicksville, a commercial artist with the New York Herald - Tribune and an active adult leader in the Hicksville National Little League serves to remind all of us that the Little League seasons open this weekend. Detailed announcements appear elsewhere in this edition. Hicksville has three separate leagues: The Nationals, Internationals and Americans. Opening ceremonies for Bethpage American Little League take place at Grumman Field Sunday, May 17, at 1 PM. In Hicksville the Babe Ruth League has its opener Memorial Day, May 17, at 1 PM. Let us all do our part to cheer on our favorites while attending the games. (See pages 18, 19 and 20 in this issue.)

## More Recognition For School Administration

Further recognition for the administration of Hicksville Schools was earned this week with the announcement that Donald F. Abt, assistant superintendent of schools, is among a select group of 15 educators, public school men, commissioners of education and deans of universities invited to participate in a Ford Foundation workshop on curriculum in July.

The workshop will be held at Stamford University in California from July 7 to 29 and the invitation to Abt is regarded as a mark of prestige for Hicksville to be selected from among the thousands in the nation. Dr. Wallace E. Lamb, Superintendent, was advised last week that the Ford Foundation grant to Hicksville district for its pilot programs in foreign language and science is being renewed for the next two years.

Abt told the Board of Education, Friday night, the West Coast workshop "will enable me to learn of what is being done throughout the United States in the way of curriculum. When I return I start our own District curriculum work in August."

The Board has appropriated funds in the 1959-60 budget for further development of the curriculum. The triple-track program in Hicksville has attracted widespread notice. The Farmingdale School system this week requested 1,005 copies of Hicksville's triple-track books which will be printed, at cost, in the local vocational print shop. The program was developed at a cost of \$45,000.

Commenting on the Farmingdale request, which

DONALD F. ABT

was approved by the School Board, Abt stated "the more districts that work on the tracking of children will enable us, thru cooperative efforts, to improve the approach to meeting the individual needs of children."

## DEAR JEAN....

Wonder if there was any connection between the fact that the School Board picture was taken Friday night for the 1958 yearbook and the appearance, until the picture was snapped, of AL EIRICH? Eirich and Rbt EATON arrived together, five minutes later, Eirich left at 10:15 (after the picture) and Eaton moved to leave at 11:45. As soon as he said "excuse me", JERRY ZETTLER moved for the meeting to adjourn. Trustee-elect HURWITT arrived at 8:30, left at 11... The Board voted to discontinue the Saturday morning meetings, 4-1. # It's Your Problem, Too

By Allen S. Carpenter  
President, Hicksville Board of Education

(Opinions in this column are those of the writer and do not necessarily reflect the opinion of any other School Board member.)

One of the "hail - truths" used by the "honorable" opposition in this past election for School Board Trustees was their charge of "secrecy". THERE CAN BE NO SECRECY IN THE CONDUCT OF SCHOOL BOARD BUSINESS. EACH AND EVERY ACTION IS TAKEN IN PUBLIC. NO ACTIONS ARE AUTHORIZED EXCEPT IN PUBLIC MEETING. THERE IS NO SECRECY.

It is true, however, that no great effort is made to publicize each and every action of the Board. Each and every motion, and the vote by each and every member present, is recorded in the minutes of the meeting. The minutes of the meetings are public records and copies of the minutes are available to anyone and everyone at the office of the District Clerk and at the Hicksville Public Library.

This lack of emphasis on publicity by the Board of Education plays squarely into the hands of the "honorable" opposition. For they then publicize only that part of the school business that they believe will best serve their own purposes.

It is my belief that the School District should employ (on a part time basis) a publicity man to keep the Hicksville Public advised and aware of what is being accomplished by the Hicksville School system. To help fill the void, until such a person is employed, I shall each week - health and time permitting - write this column.

On June 12th of this year, you will be asked to vote upon the acquisition of a new school site in the North Central portion of our community (the Willett Ave site). District publicity on this matter will be mailed directly to each home owner.

My plan to the voting public is to study this brochure, attend the proposed hearing meeting at the Senior High School on Thursday night, May 28. Our vote on school property and school construction should be cast on the basis of good business practice, not on the basis of intuition. Next week's column will be devoted entirely to our school building program.

## Reader Opinion

To The Editor:

The recent school board elections suggest that there is a fresh political voice in Hicksville. In uniting voting elements of the "new" and the "old", the winning campaign noted, if nothing else, that there is ample room for more than one opinion in this area.

The candidates are to be congratulated for the level of the campaign as are the various citizen groups who listened to the presentations and drew their own conclusions. Hicksville did itself proud!

Ordinary Taxpayer (Mid-Island Herald, 4/30/59) noted that Mr. Zarnchick is the "husband of Mr. Hurwitt and Mr. Cohen's campaign manager..." This is just fine with me. After all, I married the gal because I always knew she was a winner!

DAVID ZARNCHICK  
37 Admiral Lane  
Hicksville, N.Y.  
May 9, 1959

To The Editor:

The public memory is very, very short. Last year at the final annual meeting in the Hicksville School District, a series of motions were introduced to raise the appropriation for teachers' salaries.

The net effect of these motions, adding \$124,000 to the budget and 15 cents to the tax rate (Herald issue of May 8/59), was that of adding \$7.50 to the tax bill of a homeowner assessed for \$5,000.

Now the person who introduced and moved these motions was none other than David Hurwitt who has now just been elected to the School Board.

The \$124,000 he forced into the budget should be measured against the anticipated surplus from this year's (1958-59) budget: \$425,000.

I find it so curious that the school budget (an library budget) this year just squeaked thru and yet an avowed spender like Mr. Hurwitt (who said nothing of economy in all his fancy campaign literature but rather promised to spend every dime he can get out of us) gets elected.

I also find it curious that Mr. Szendy in his blast upon the budget a couple of weeks ago "forgot" all about Mr. Hurwitt and how he helped pad the budget.

# Library May Close Doors June 30

When the voters of the Bethpage School District met last Thursday evening at the re-convened Annual District Meeting they voted to postpone the School Budget vote until July 29. They also turned down the Library Budget of \$84,732 by a vote of 122 to 110. Unless further action is taken, in the form of another referendum, the Bethpage Public Library, located in the firehouse, will close its doors June 30.

An increase of \$29,000 was asked of the taxpayers to enable the Library to rent quarters in new building, under construction, for use as

an annex for the young people of the community.

The Library Board was to hold a meeting last night to plan another vote. A spokesman for the Library said that the Library will definitely close as matters now stand, and there is no truth to a story now circulating, that the Library will keep open by reverting to last year's Budget.

On the other hand, the Board of Education will hold a special meeting at the Broadway School tonight (Thurs.) at 8:15 PM. Although no official announcement has been made as to the reason for the meeting,

the obvious reason is to decide what can be done to hold an earlier voting on the Budget.

In the election, May 6, both Joseph Ellinger and Howard Grandjean, School Board incumbents, were defeated. Ronald Kops received 1468 votes, Ellinger 637 and Robert Olson 399.

Mario Villafranca garnered 1443 while Grandjean received 649 and John Kretzing got 403.

Library Trustee, Robert Glasser was re-elected by 1026 votes as opposed to the 792 votes received by Mrs. Judith Ruderman.

## Election Echoes

## Seek Law Changes for School Elections

Hicksville Board of Education spent almost an hour at its meeting, Friday night, on school election procedures and agreed to forward its recommendations on three points to the State School Board Assoc. for possible legislative action in the future.

School Attorney S. Arnold Witte is preparing a memorandum for the State Assoc. to embrace three points:

- (1) Change in the law to permit grouping of candidates as "teams" or "slates". At present the law requires listing of candidates for each vacancy in alphabetical order, up and down.

- (2) Amend law, if possible, to permit absentee voting. The Education Law at present does not provide for any form of absentee voting.

- (3) Specify in the law an exact procedure for withdrawal of nominations. Pending legislation, the Board did adopt its own amended rules covering this point.

All three topics arose in some form during the May 6 annual election.

Trustee Robert Goodrich brought up the question of "team" or "slate" group, noting that it was apparent to him that the May 6 election indicated some confusion on the part of voters.

SOME CONFUSED

In the election, Fred J. Noeth ran as part of a "slate" with Allen S. Carpenter and Herbert Backman.

The names of Carpenter and Backman appeared on the top row because of their alphabetic position. Noeth, however, appeared on the bottom row below Frank Hester and David Hurwitt, also according to the alphabet. Some voters have since confessed they voted, unthinkingly, straight across the top row and only discovered their error after leaving the voting machine.

Dozens of requests for absentee voting privileges were received by the District Clerk's office in the last pre-election period, although there is no provision under the law at

present. One irate voter released a letter to the press, denouncing the Clerk for "failing to make provisions", although the Clerk has no such legal authority.

The matter of "withdrawal" by a nominee caused sparks to fly at the special Board meeting on Wednesday night, May 6, when the Board met to tally the returns.

Robert Eaton refused to vote approval of the returns for the Allen Carpenter vacancy, insisting that Frank Hester sought to withdraw and had been refused the privilege. Eaton argued with Witte and Board President Carpenter. Hester was present in the room with his campaign manager, Elwood Kent, but made no comment.

Witte pointed out that the printing of the ballot labels for the voting machines had been deliberately de-

layed by the Clerk until Friday, May 1, in anticipation of a possible withdrawal. The Board of Elections prefers to have the labels a week in advance of the vote to allow adequate time to get the machines set up.

Hester delivered a letter by hand to the Clerk on Monday, May 4, which made no mention of withdrawal. It read as follows: "Please be advised that I desire my name to be entered on line a position 3A to fill the vacancy created by Arthur L. Elrich. Thanking you, I remain, etc." The letter also made no reference to "ballot", "annual meeting". If his name had appeared at position "3A" it would have been at the top of the column for the Eaton vacancy. Hester's name appeared at 1C, 3C and 5A in accordance with nominating petitions filed.

## Chiropractic Scholarships

Dr. Kenneth Pascal, Secretary of the Chiropractic Assoc. of N.Y., has made it known the availability of grants-in-aid to nine of the accredited colleges of chiropractic throughout the United States and Canada, for qualified young men and women, leading to the degree of Doctor of Chiropractic.

The purpose of these grants-in-aid is to make available to exceptional young men and women throughout the U.S. and Canada the opportunity of securing an education in one segment of the healing arts, at one of the many accredited colleges, where financial help is a definite need, Pascal said.

The prime requisite for consideration of grants-in-aid under the Chiropractic Scholarship Fund is the establishment of this need for part or full financial help toward meeting the cost of tuition, books, and laboratory supplies and fees, by the applicant.

Dr. Pascal indicates that complete details and applications for consideration of grants-in-aid may be obtained by contacting him, either in person, or phone, or by writing direct to his office at 925 Old Country Rd., Plainview.

## Pin Oaks

As part of the roadside recreation program of Nassau County, Executive A. Hollis Patterson, the county's nursery crews have been setting out selected trees along many improvement projects in the county. One job which called for pin oaks, however, ran into delay because all the nurseries on Long Island combined didn't have the necessary number. They are being gathered from other places, but probably won't be planted now until the fall.

## On The MALL

with Bill Nelson

Having been duly shook up (as were several others) when the Girl Scouts didn't show to man the booth set up in the Gertz store by the Hicksville Chamber of Commerce, I contacted Susan Leigh, District Coordinator of the Mid-Island Council of Girl Scouts and we kinda thrashed it out over hot wonton soup.

It seems that the Girl Scouts weren't opposed to Railroad Grade Crossings in Hicksville being eliminated... it's just that there's poor communication between Susan Leigh and some of her Scout Leaders. Mrs. Leigh informs me, however, now that she knows it's a non-political campaign, and since she now knows that the girls will not be required to solicit signatures, that she'll try to have some Girl Scouts man the booth... seeing to it that the booth were unmanned when supposedly covered by the girls, doesn't help the RR crossing elimination any... and since my talk with Mrs. Leigh I wish she was officially less concerned with "keeping all elements pacified" and a bit more concerned with community improvements and progress.

I feel that the 14 - 17 year - old Senior Scouts should be taught that all the nice things in life that go along with progress have to be worked for... Personally I think it's a heck of a lot better education than being taught to stick your head in a bucket of sand, ostrich - like, and kidding yourself into thinking problems either don't exist, or will take care of themselves.

I've been enjoying Kiwanis meetings great deal of late... heard Dr. Harrison, specialist in Internal Medicine, speak yesterday. Next week's meeting will have Raymond Weiss of the Muscular Dystrophy Assoc. ... Stacker & Frank's Joe Brody learned that Spring is in the air... the hard way. He's still limping from that hectic softball game, Spring may be in the air, but not in those old bones.

John Mitschang and Otto Olsson, back from a quick jaunt to Antigua, BWI... suntanned and rested, they've been raving about the Brute Force Steel Band. The tapes they brought back sound great.

Saturday, May 23, at 10 a.m., Gertz will award a new American Flag to each Cub Pack, Scout Troop, and Explorer Post formed in Nassau County this year. It's all in honor of the Nassau County Boy Scout's Golden Jubilee.

Looks as though June will be Animal Month On The Mall. Hoffman - Heverave is bringing an honest - to - goodness, real live kangaroo to the Plaza on Saturday, June 13. A dachshund show will be held in Bldg. #9 on June 20, with entries from an far off as Florida, and there'll be a Seal Water Circus in front of the WILL booth on the Center Mall from June 29 - July 4 inclusive.

Mrs. Ruth Buck of Garden City, elected Mrs. Homemaker at the recent Fashions in Living Exposition, seen scurrying from store to store at Mid - Island, collecting prizes awarded her by merchants here. Her total take from the exposition came to \$2500, I understand.

Ken Pascal, Plainview chiropractor, gave me a cigar in honor of his newborn baby daughter, Jeanne Lorraine.

Kitty Kelly at Mid - Island will be giving away a free Connie Francis record with any pair of flats bought there today, Friday and Saturday. This is another great plug for Connie Francis, who came from nowhere to the big time with a couple of real hit records.

It's always a pleasure to hear Tom Goodfellow, President of the LIRR. He spoke to the Board of Directors of the Chamber of Commerce at their last meeting... and in his usual candid and forthright manner, Goodfellow laid it on the line, stating that our railroad crossing situation was about the "worst on Long Island" and urging the Chamber to continue its drive.

I hope you all had a wonderful Mother's Day... and even though it's early, don't forget, there's a Father's Day coming.

With Broadway torn up as it is, there's bound to be a motor vehicle accident every now and again. One of Hicksville's finest asked a dazed driver sitting at the wheel of his wrecked automobile: "How'd this happen?"

The man sat stunned for a few minutes, then pointing toward the rear seat, answered: "My wife fell asleep."

## "It introduced us 2½ years after we met"

"Like a lot of other girls during World War II, I started writing to a soldier overseas. At first it was just a friendly correspondence. But after 2½ years we both knew it was more than that. I used to try to imagine what he'd say the first time we met face to face. In fact, I was daydreaming about it at work one day when the phone rang. I answered, and a deep, manly voice said, 'Hello, Anne, honey.' Yes, it was my soldier—now my husband. And neither of us will ever forget the phone call that 'introduced' us."

MRS. ANNE ROSS  
The Bronx, N. Y.

Sometimes, what the phone does is unusual and dramatic. Most often, it serves in little, everyday ways. But for all it does, your phone is one of the biggest bar-

gains in your family budget. Its price has gone up far less than most other things you buy.

## Alumni Sets Homecoming Oct 31

The Hicksville High School Alumni Assoc., Inc. held a general meet-

ing Monday at the High School Little Theatre with Dr. Charles Masek, president presiding.

Pres. Masek stressed the point that all present members strive to increase the membership of the organization. To date there are 185 paid up members.

Mrs. Arthur Segreto reported on the Spring Dance to be held at the Heritage Country Club on June 20 at 9 p.m. An orchestra has been arranged for and tickets are going at a steady pace but she would like to see them sold faster. If anyone is interested contact any member of the association as here are only 500 tickets to be sold.

Further plans of Homecoming Day of 1959 were discussed by chairman of the committee, Howard Finnegan. Oct. 31 is the date and it will include a football game with Farmingdale at Hicksville. Breakfast will be at the Hicksville Sweet Shop as was last year, a reception after the game, presentation of a trophy, and a tour of the Hicksville Junior High School. In the evening there will be a dance at the Bethpage Country Club. Mr. Finnegan, an Historian of the Alumni, requested that anyone having pictures of the 1958 Homecoming Day, contact him. He can be reached at Wells 5-8613.

Meeting was adjourned with the reminder that in the future, all meetings will start at 8:30 p.m. The group will meet again at the Little Theatre on Monday, June 8.

After the meeting, Howard Finnegan showed motion pictures of the football game held during the 1958 Homecoming Day.

By FLORENCE BERGER

Little Steven Hahn of 77 Bount Lane while sick in bed wrote a letter to the President. It was his own thought of wishing Pres. and Mrs. Eisenhower a Happy Easter. He also asked the President to send his good wishes to Mr. Dulles and tell him that he hoped he'd be better soon. When the answer came he was thrilled as was his little brother (who signed the letter along with Steven). They thought it was wonderful that the President, who is so busy, could take time to answer his letter, and that if Mr. Eisenhower was still running when Steven and Robert (7/12 & 6/12) were 21, they would be sure to vote for him.

Here is the President's answer:

April 14th, 1959

Dear Robert and Steven:  
Thank you for your letter to the President. He was delighted to hear from you and appreciates the good wishes you extend to him and Mrs. Eisenhower.

The President appreciates, also, your kind remembrance of Mr. Dulles -- you are very thoughtful young citizens.

Enclosed are two White House cards which the President asked me to send to you.

Sincerely,  
Gerald D. Morgan

The Deputy Assistant to the President  
D. Eisenhower.

## Syosset School Budget Carries

By HORACE BERNSTEIN

The Syosset Education Committee is happy to report that the budget as presented by the Board of Education was approved by a vote of 1,535 to 816. With the approval of this budget, our tax rate will be \$4.73 per 100 dollars of assessed valuation.

The two candidates endorsed by your committee were also elected by substantial margins. Samuel Glazer, who was running for the one year term, defeated Edward Sherman and Ernest St. Pierre (1,395 to 344 and 704 respectively). Simon Wittenberg (for the three year term) defeated Paul Wilcox 1,508 to 822.

On May 25 at the High School, an education meeting will be held at which time the High School diploma issue will be discussed. This is an issue that was brought up last year and the School Superintendent has it on the agenda once again. This is a very serious subject and your Education Committee is very much concerned with its implications.

Watch The VILLAGER for a full report on the diploma situation, and what it can mean to you and your children.

## Twin Winner Of Scholarships

Stuart Weiss, 16 year old son of Mr. and Mrs. Morris A. Weiss of 207 Birchwood Park Dr., Jericho, graduates from Syosset High School next month. The winner of two scholarships, New York State Regents Scholarship and a Freshman Competitive Scholarship to Columbia Engineering School, Stuart plans to enter Columbia University in the fall. Stuart's father is an attorney.

## Little League Opens 3rd Season

The Jericho Little League started its third season with opening day ceremonies at the George A. Jackson School.

The turnout of Little Leaguers and their parents was overwhelming despite the weather.

Ceremonies were opened by Harold Leinwand, treasurer and general manager, who welcomed all those who attended. After the National Anthem, Dr. Kenneth Lant, Principal of Jericho School spoke briefly on the inter-relationship between the schools and the Little League. He also pointed out that the School District was cooperating with the Little League by setting up the fields and further by providing the necessary maintenance.

Dr. Lant was followed to the mike by Sam Hecht of the School Board who spoke of the importance of Little League and detailed some of its history. Mr. Hecht, it will be remembered, played an important part in the formation of the Little League three years ago.

Ralph Diamond, President of the Birchwood Civic Assoc., rounded out the list of distinguished guest speakers. Mr. Diamond, who heads the Youth Group of the Civic Assoc. was well qualified to speak on Little League.

Little League President John Charlton and Vice President Dan Edlund were then introduced. Both of these men are familiar figures in the league. The high success of the league is in no small part attributable to their efforts.

One of the features of the day was the presentation of a trophy to Herb Tytel, League president in 1958, and current Chairman of the Board.

Sunday scores were: Deuco Oil-18, Duane Shoes-8, Food Fair-Fred-dies-5, Waldbaum-0, Birchwood Pk. Cleaners-2, Inter County Tab 1, Smith Pharmacy-1, Oaks-0.

## Education Group Needs Workers

By I.A. FREEDMAN

Public education is the responsibility of all, rather than the few. Time, energy and money has been lavishly expended in diverse directions since this community was founded. We have not, as a group, yet awakened or matured to the primary goal, namely, to achieve the pinnacle of educational opportunity for our youngsters.

Statistics of the April 25 election have indicated that only 25% of our citizenry registered and then cast their ballot. A professional survey has, however, reported more than one child of school age in most every household within this district.

School enrollment has grown from approximately 500 in 1955 to 1800 to date, and will probably exceed 2500 by 1960. The development from the initial site at Cedar Swamp built for 150 students in 1940 has simply created additional problems. The by-word of our dedicated staff and elected officials is improvement and progressive methods, but without losing site of, or sacrificing the primary objective. That objective must be the best possible program suited to the majority of the ever increasing enrollment.

Getting back to the opening remarks, we all have a continuing stake and a constant responsibility in this problem. The EDUCATION COMMITTEE of the BIRCHWOOD CIVIC ASSOC. was initiated to help. We emphasize constructive suggestion, cooperation with neighbors with the District and respect for authority. We have been encouraged by the attitude the Board of Education which officially favors public reaction. A course of action has been charted which requires YOUR support.

These activities are of course important but it is a question of degree or priority, expended time, energy and wealth to glorify our property. What about the real dream of suburbia in terms of a better WAY OF LIFE and EDUCATIONAL OPPORTUNITY? Will our unsophisticated emphasis on the material aspects create the leaders of tomorrow, and, at the very least, enable a child to make the best use of his talent?

You may help by doing the following: first-- register and vote at each election; second-- attend Board meetings convened the third Thursday of each month; third-- join the EDUCATION COMMITTEE.

The Committee desires among other things to promote recognition of the need for educational opportunities designed specifically for the gifted or retarded child, promote the efficiency and well being of the staff and adequacy of methods and promote general interest in education. We desire to do so in an atmosphere of friendly cooperation with authorities and our neighbors and in such a manner as not to impair the morale or usefulness of those already serving.

The following sub-committees await your support: Budget and Planning; Specialized Education for the Gifted and Retarded; Personnel and Practices; Liaison with Board of Education; Communications; Curriculum; Public Relations; and Liaison with Related Groups.

Participation will be a source of personal pride and satisfaction. As parents we cannot afford to do less. As individuals, serving is a privilege, not universal by a long shot over the face of this world. Call Leo Geyer, Wells 8-1072 for time and place of the next meeting. Support your Civic Association!

## YOUTH FITNESS WEEK

National Youth Fitness Week was observed in Robbins Lane School on May 7. A very fine demonstration was presented by Mr. Bernard Monkarsch, physical education teacher before a large audience of parents and teachers. Children in grades 4, 5 and 6 demonstrated the skills learned in stunts and tumbling. The program concluded with several American square dances and two delightful European folk dances.

Observance of National Safety Week was the theme of the Friday assembly, May 8. Gerard Kelly, Safety Patrol advisor, presented certificates to the 17 children in Grade 6 who have served faithfully on the school Safety Patrol. Karen Kates, captain of the patrol was presented with a medal from the Automobile Club of New York, the sponsor for the school safety patrols. A film, "Safety on the Playground", was shown to emphasize school safety.

## Spring Hop This Saturday

The pressure on one's social budget will be eased tremendously comes Saturday night. Because this Saturday night, May 16, the stipend for an evening of dancing and socializing pleasure is a mere \$1.25 per person.

The Jackson School is again the site for a frivolous evening for less than the price of admission to a local movie.

Sid Connie and his great versatile band will be playing for one's dancing and listening pleasure. Also on hand to make this evening a most enjoyable one will be some of the grandest people around -- your FRIENDS AND NEIGHBORS.

Whether you dance, chat with friends, or just listen to the great Sid Connie music -- your civic association takes great pride in presenting another memorable evening of pleasure -- equally as good as the recent affair which is still the talk of Jericho.

Refreshments will be available and the famous "Birchwood Customized Hot Dog" will again be the star attraction in the food kitchen.

All residents and their friends of Jericho are cordially invited to attend.

For tickets call OV. 1-0844.

## Increase Staff For Villager

The Editorial Board of THE VILLAGER is happy to announce that it has unanimously elected Muriel Sugarman and Horace Bernstein to the Board. Welcome aboard! (For a complete list of the Editorial Board, please see the masthead of this issue)

Inasmuch as THE VILLAGER is a committee of the Civic Assoc., we welcome all members to join the staff. We meet every Monday evening -- call the Editor at WE 8-8655 for location.

"I can see the old gal now -- stomping around in her flat heeled shoes, kicking at the dog, snarling at the cat..."

THE VILLAGER staff and spouse were hosts at a Testimonial Dinner honoring former Editor Gilbert B. Stein at the Mooring Restaurant in Cold Spring Harbor on Sat., May 9. (Editor's Note: - All expenses were borne by members of the Village staff.) Pictured above is present Editor George J. Frankel (right) presenting a plaque to Mr. Stein in recognition of his outstanding services.

bocker and San Francisco Giants baseball games, will also be on hand to present a special exhibition commentary.

## Pussy Cat Terrorizes Birchwood

by Gilbert B. Stein

Several weeks ago Dr. Walter Sugarman of Hazelwood Drive, Jericho, Chairman of the Birchwood Civic Assn., Committee on Public Safety received a complaint by Leonard Wainick of Forsythia Lane, asking his Committee for help in the apprehension and control of a number of stray cats. Mr. Wainick had just gone through a rather annoying experience which required the assistance of Nassau County Police.

Seems that a rather large and fierce looking feline decided to make the Wainick garage her temporary residence. This uninvited squatter acted in a manner which caused the Wainick family not to enter the garage for fear of being attacked. Although Len tried everything from food bribes to baseball bats, everytime anyone came close to pussy, she arched her back, hissed and started to spit, threatened to jump, attack, bite and scratch.

After 72 hours of this terrorist kind of activity, the Wainicks gave up. They called the 2nd Precinct of Nassau County and shortly after were pleased to see a local policeman arrive to the rescue. Tiger took one look at this nice policeman and arched his back, started spitting and went through her threatening routine. Discretion being the better part of valor, the arm of the law retreated, temporarily, of course. Equipped with a large 2x4, the law then attacked in earnest while Mr. Wainick got busy preparing his first aid kit. Pussy must have known that this meant business and she took off for either greener pastures or other garages.

Dr. Sugarman had been advised that this problem of stray cats is not a new one in our community. He went into action immediately by contacting the only listed ASPCA in our local phone book, the one at Glen Cove. He was advised that their service could only be made available to Glen Cove residents. He then contacted the Dog Pound at Oyster Bay. Township officials informed him that the Town will not pick up stray cats and at present is only able to take on canine boarders. Knowing Dr. Sugarman and the indefatigable members of his Committee on Public Safety, we know that come what may, we shall hear further from him regarding this local menace. We suggest to all

homeless local felines that they immediately depart, if possible, in the general direction of Glen Cove.

Perhaps the Board of Directors of our Civic Assoc. will concern itself with this problem at its next meeting, and send around a petition in our community asking all Spitting Cats to cease and desist. Also, there is no telling what possibly political implications may arise pertaining to this problem. The writer can just visualize a November Election Campaign in the Town of Oyster Bay where candidates will campaign on a platform which will promise not only a larger Dog Pound, but equal facilities for cats.

A P.S. to local housewives: We suggest you keep that garage door closed, it may help.

## The Wizard of Oz Coming to Jericho

by Blanche Karpel

Come with me! You are about to enter the palace of the Great Wizard of Oz! Behold, the Great Wizard is surrounded by many people. Shoo! Let us eavesdrop a while! Mr. Wizard - "What do you want of the Great Wizard?"

Scarecrow - "Oh, please, Mr. Wizard, I would like some brains!"

The Man - "And I would like a heart!"

Cowardly Lion - "Please, please give me some courage!"

"I would like to leave the land of Oz and go back home to my Aunt Em!"

All these wonderful characters have asked the Wizard of Oz to make them happier people. Can the Wizard grant their wishes? You will find the answers on Saturday, May 23, when the Jericho Players of Birchwood Civic Assoc. (of "Anniversary Waltz" fame) present "The Wizard of Oz". They will perform the play at 10:30 A.M. and 2:00 P.M. at the George A. Jackson school. Be sure to be there and join the fun; there's a goodtime ahead for everyone! There are still a few tickets left, so hurry and call Blanche Karpel at OV1-4780. Don't disappoint your children, as this play will be a really memorable experience for them.

## FINAL SESSION

The Robbins Lane P.T.A. will hold its last meeting of the school term on Tuesday, May 19 at 8:30 P.M. in the school auditorium. Installation of the newly elected officers will take place. As Teachers Recognition Day falls on May 19 this year, teachers will be honored at this meeting.

An installation dance will be held after the business meeting. Special cakes will be served by the Refreshment Committee.

## Sport League Opener Sunday

The Softball Season of the Birchwood Civic Assoc. Sports League will officially open this Sunday at 9:30 a.m. at the field on Merry Lane. Four teams have been entered in the league. The teams have been balanced so as to make an interesting season for all players. The VILLAGER will report the results of the games as the season progresses.

## Installs Officers

The Jericho Auxiliary of Cystic Fibrosis is planning an installation meeting on Tuesday, May 19 at 8:30 P.M. It will be held at the Millerside Inn. Dessert and Coffee will be served and all are welcome. Mrs. Arlene Donovan, representing the National chapter will preside at the installation ceremonies.

IN THIS SCENE of infidelity, which depicts Jerry Neuhouse as the erring husband, Blanche Karpel as the vamping model, and Sylvia Neuren as the unsuspecting wife - the high spot in a compromising situation is reached as these stars go through their paces during rehearsal of that refreshingly new and different musical comedy, "Marriage is So Legitimate".

This musical comedy farce is being sponsored by the Jericho Jewish Center and is scheduled for two nights, Saturday evening May 30 and Sunday evening June 6. Tickets may be obtained by calling OV 1-2148.

## HERE AND THERE

By FLORENCE BERGER

Diane Herbin of Hazelwood Drive, beautiful talented young miss, has joyously consented to dance, sing and play her Guitar for the Hadasa Installation on May 18, Monday 9 pm. T.V. has seen Diane do her act. The Robbins Lane School will be the scene of the night's festivities. Adele Lubitz past Pres. will be the installing officer. No boring speeches. Just coffee, cake, and fun. See your friends and Husbands, you there!

To Dorothy and Bernie Green of Birchwood Court, Muriel and Walter Sugarman of Hazelwood Drive, Sylvia and Stanley Schechter of Birchwood Park Drive - a very Happy Anniversary to you all.

Well, the stock finally came to D. and Mrs. Norman Schell of Birchwood Park Drive. He delivered a bouncing baby Boy! This makes their three. Congratulations to all.

Our sincere condolences to the Syver family on Merry Lane. This lady was felt to all and a loss to the community.

Happy Birthday to Carol Sugarman of Hazelwood Drive and Alice Frankel of Fountain Lane, both celebrating with large Parties.

To Phil Gordon of Hightop Lane, to set you up and around after successful operation.

Larry Moses of Forsythia Lane is a very lucky boy. He and his parents know this. Larry recovered after a week in the hospital with both eyes damaged. He now has 100% vision. The accident occurred from a rock the wing party. Rocks are pretty dangerous weapons.

Let well wishes to Phyllis Pincus of Maytime Court home from Mid-Island Hospital.

Ellie Seigel of 118 Maytime Drive can talk too well because she's returning from a tonsillectomy. It is not the ordinary run of the mill operations. You see Ellie is married and Joe, her husband, went away telling everyone his wife was dying from a childhood ailment. The house was kinda quiet. Soon Ellie will be back in shape and then she'll tell Joe.

May 11 to May 23 at 111 South Street, Oyster Bay will be the scene of C. Sisterhood Rummage Sale. Call OV 1-0492 or OV 1-3429 for Pickup.

Jack Shepard of Maytime Court. You Dog is not as good a fighter as you thought. Lady of Maytime Drive showed her a thing or three. Time you'll think twice about slicing your dog on a poor little Boxer. Shame on your German Shepard (WHO towers over Lady).

Gil Stein who flew to Switzerland and back in time for his Testimonial Dinner (all in a few days), the home and "How do you do it?" The Champagne was flowing like on Birchwood Pk. Drive (the abode) after the celebration of Gil.

Condolences to Shirley Eagan of Merry Lane on loss of her.

Let well wishes to June Minoff and Bert Rosenberg of Fortune Lane.

Congratulations to Mr. and Mrs. Jack Haas of Flower Lane on the arrival of a new baby boy.

To Horace and Doris Bernstein of Forsythia Lane a belated Happy Anniversary. (You know the saying "Better late than never".)

Welcome Home to Harold Cohen of Fall Lane from a European voyage. It seems the going to do, Europe and back in not time now.

David Mark of Forest Drive, New in from Cincinnati and arrived at "The Morning" straight from the airport just in time for Gil Stein's Testimonial Dinner. The only thing that bothered Dave was his arms. (From flying) (Do you get it?) No? Oh well.

Our own and wonderful Dorothy Saunders is again staging the choreography for the best seller show sponsored by Jericho Jewish Center Sisterhood, "Marriage is so Legitimate". The dancing girls are second to none under her expert training. Dorothy and chorus have been rehearsing consistently since January with vim, vigor and vitality.

### Junior Daughters Organize Troop

A Junior program under the sponsorship of the Catholic Daughters of America, Court Sacred Heart 370, has been formed. They are known as the Junior Catholic Daughters of America. These Juniors have the approval of the Bishops' Youth Committee and are affiliated with the Diocesan Youth Program in all Diocese where they are organized. Juniors are the free will offering of the Senior Catholic Daughters of America. The organization is open to any Catholic girl between the ages of 12 and 18. (Girls are placed in troops according to their ages). The three-fold program of spiritual, charitable and recreational activities aims to stimulate the habit of service to others and to provide wholesome recreational activities. Their motto is "Be Useful". The Juniors elect their own officers, run their own meetings and carry on activities that are of value to them. They learn to respect the rights of others, to take an interest in the distressed and underprivileged.

A solemn installation for new members will take place on May 24 at 2 P.M. at St. Dominic. Anyone who wishes to join may call Mrs. Quinn at OV 1-2168 or Mrs. Diehl at OV 1-4798, or any of the Junior officers.

### Good Neighbor

Our neighbor, Fairchild Camera, in response to a letter from President Ralph Diamond, of our Civic Assoc., sprayed the trees adjacent to the homes on Birchwood Park Drive. Caterpillars on the trees were causing damage to the backyards of our residents, and Fairchild was kind enough to correct this situation. THE VILLAGER congratulates Fairchild on its spirit of cooperation. In addition to the spraying of the trees, the Corporation has promised to advise its employees not to speed on Birchwood Park Drive.

Many thanks to all the friends and neighbors who answered the plea and gave to the Jericho Volunteer Marches for the "53 Minute March".

## And The Livin' Is Easy

By GLORIA BRUNSWICK

Just about the time Labor Day passes by and you're folding away the bikinis, a practically inaudible hush starts circulating through Birchwood. This hum becomes a stage whisper during February and March. By the end of April it turns into a frantic roar -- WHAT ARE YOU DOING WITH YOUR CHILDREN THIS SUMMER???

Now, if you were to analyze this interrogation closely, it would seem that the poster of the question was concerned about what you TOGETHER WITH your children, had planned for warm-weather activity. In fact, nothing could be further from the truth. She really wants to know what arrangements you are making to be without the dolls for eight, ecstatic weeks.

## Jericho Shell Names Winners

The Jericho Shell Service Station located in the Birchwood Shopping Center, Broadway, Jericho, had its grand opening Thursday, Friday and Saturday, at which time they had a gala celebration. There were free lollipops, balloons, gliders and pony rides for the children, two door prizes, an English racing bike, and an RCA Clock Radio, plus 4 beautiful decorated glasses given free with the purchase of 8 gallons or more of gas, and matching Juice-Cocktail shaker given free with the purchase of 5 qts. of X-100 premium motor oil. On Saturday afternoon, May 9, the shopping center was serenaded by the smallest nidget band in the land. Winners of the door prizes were: Mr. Hagley, 256 Forest Dr., Jericho - English Racing Bike, and Larry Grubel, 46 Birchwood Park Dr., Jericho - RCA Clock Radio.

You see, she's been having a recurrent nightmare in which she appears drenched in perspiration, wild-eyed, and distraught, while several innocent off-spring attack her from all sides -- "Whatnatty gonna do now, Ma? -- There's no one around, Ma? I'm hot, Ma? I'm hungry and thirsty, Ma? I'm not hungry or thirsty now, Ma, ETC!"

When she awakens at 3 a.m., feverish and clammy, she pines the man of the house -- "Carlin what ARE we going to do with the children this summer?" "Shhh-tired, not summer yet, sweat to you morning." In the morning she gets the masculine viewpoint. "Listen, Guinevere, we bought a house -- a big house. Right? We bought extra land--that was your idea, right? More room for the children to play in, right? So let them play on the extra land this summer -- how's that for an idea? why, when I was a boy I was only too happy, blah and more blah. He leaves for the office still excitedly reminiscing about this Barefoot Boyhood In A Cold Water Flat.

She looks out the window at the "extra" land, thinks of last night's dream, shivers, and calls her Mother. "Hello Ma, what am I going to do with the children this summer?" "You'll do my dear, what the whole world does--you'll live through it. And if you're smart, you'll enjoy every minute with those little darlings. Not because they're my Grandchildren, but I was telling Cousin Ursula just last night about the genius of these children--and I don't use that word loosely, and still more blah." She bangs up the phone, frustrated and defeated. It's not that she doesn't adore her own flesh and blood--why, there isn't anything in the world she wouldn't do for their happiness, but--the dream!

The door opens and YOU enter--

you, the trusted, dependable Birchwood friend and neighbor. Stacks of literature in your arms, you talk, "Guinevere, I've found it! There's a new camp, it's called, 'Dawn to Dusk', and here, look at the pictures, what fun they'll have--and sooo reasonable. In addition, for a little extra fee, there's a 'Midnight to Dawn' session. And between Dusk and Midnight we'll work out something on a cooperative basis--"

Her tensions relax and she knows she'll sleep well tonight! So, what are YOU doing with YOUR children this summer?????

## ...in a road-hugging Wide-Track Pontiac!

You control this car with a vivid sense of security, a new sense of balance. It has a steadier stance because it has a wider track. Its wheels are five inches farther apart. You cling to curves and corners with much less lean and sway. You drive with a feeling of confidence, security, complete control. This is without a doubt the easiest handling automobile you could possibly choose. Wide-Track design does not widen the car—only the stance. It's the big reason Pontiac is now first in sales in its price class.

THE ONLY CAR WITH WIDE-TRACK WHEELS

Dotted lines show conventional wheel positions. Pontiac's wheels are five inches farther apart. This widens only the stance, not the car itself. Pontiac hugs tighter on curves and corners. Sway and lean are considerably reduced; ride is smoother, steadier.

## 25th Anniversary For HS Class of 1934

The Class of 1934 of the Hicksville High School celebrated its 25th anniversary, Saturday evening, with a gala re-union party at the Hicksville American Legion Hall.

Guests of honor included: Miss Mabel R. Farley, principal of the high school when the class graduated; Miss Ruby Burt, one of the favorite teachers; Leon Galloway, then book-keeping and law teacher and now principal of the school; Mr. and Mrs. E. Parker Yutzler -- Mr. Yutzler was athletic coach at the time -- and Mr. and Mrs. Frank Chlumsky -- Mr. Chlumsky was president of the Board of Education then and presented the graduates with their diplomas. Dr. and Mrs. Charles Masek were to be guests but could not attend due to illness at home. Dr. Masek is president of the newly formed Hicksville High School Alumni Assoc., Inc. Charles Montana, as master of

ceremonies, presented the guests and introduced the class officers of that year. They were: Harry Guckenberger, president; Michael Naso, vice-president; secretary, Miss (Miller) Paton; and Mrs. Ruth Farley recalled when the Board of Education, during the depression, asked the faculty to return 10% of salaries so the tax rate wouldn't go up and how Harry Guckenberger started as a teacher in the High School in 1938 at the salary of \$1400.

Silver dollars were awarded to: Miss Farley for the guest who travelled the longest distance to attend; Harry Guckenberger, member who travelled the furthest; Stanley Truka for having the oldest child of the group; Ruth Miller Paton, only "grandma" present; Edward Hoagland and Fred Sutter for having the least amount of hair and Henry Giese, for having travelled a long distance.

Mr. Guckenberger spoke of the new Alumni Assoc. and reminded the members of the Alumni Spring Dance coming up on June 20 at the Bethpage Country Club. He was successful in getting quite a few new members for the Assoc. Guests enjoyed a buffet supper, dancing and quite a bit of talk about old times.

## Legionnaires' Log

CHARLES WAGNER, Post 421, Hicksville, N.Y.

By ARTIE RUTZ

Let me fill you in on some of the  
happenings in The Legion around the  
country - A news release from Na-  
tional Hdqtrs. announces that the  
idea of higher education is catching  
on all over the country. The latest  
request for The American Legion's  
popular scholarship guide "Need A  
Lift?" has come from the librarian  
of the California State Prison at San  
Quentin - Wonder if you are think-  
ing what I am? - Was he hum-  
ming "Over these prison walls I  
would fly, etc." as he wrote this  
request - And here's one that  
should give a lot of courage to the  
building committee - Just 18  
months after its organization, the  
Powell-Dodd-Johnson Post 192 of  
Spavinsaw, Oklahoma (where's that?)  
on April 18th dedicated a new \$20,-  
000 Post Hut. The Post was or-  
ganized in November, 1957 in a  
community of approximately 250  
population - Now the question  
comes up in my mind just how  
much could we spend in Hicksville  
if we used this dollar and popula-  
tion ratio and made it work -  
Well here's the answer - 40,000  
population x \$80 per head equals  
\$3,200,000 - Bet we could have  
two card tables and a billiard table  
in the place for that kind of money

I think we have a couple of  
members who saw duty with the  
Ranger Battalions, Well, The Ran-  
ger Battalions Assoc. (which is  
made up of World War II members  
of the First, Second, Third, Fourth  
Fifth and Sixth Ranger Battalions)  
will hold its biennial reunion on  
Aug. 14-16 at Des Moines, Iowa -

The Mississippi American Legion  
will definitely head the biggest pa-  
rade of all this year at Minne-  
apolis - They have won this honor  
by scoring 118.66% of its previous  
4 year average - Guess where  
the Department of New York rates  
in the line - Only 42nd out of a  
possible 52 - New York's average  
was 87.62% on May 1st - The 40  
& 8 has just presented a check for  
\$50,000 to the American Legion  
for its Child Welfare work, while on  
the distaff side, the American Le-  
gion Auxiliary has just presented to  
The American Legion a \$20,000  
check for Child Welfare, a \$20,000  
check for Rehabilitation and \$10,000  
in memory of Mrs. Lowell Fletcher  
Hobart, 1st National Auxiliary Pres-  
ident to the Child Welfare Founda-  
tion - Don't forget you have a duty  
to perform soon - that is, marching  
in the Memorial Day Parade.

## Nationals Open Play Saturday

This Saturday, May 16, at Abe Levitt Field over 700 boys of the Hicksville National Little League will repeat the oath for Little Leaguers; and then the familiar cry of "play ball" will mean that the start of the 1959 season is official.

The ceremonies beginning at 9:30 A.M. will have a probable attendance of over 1500 adults and children as all the boys come out for this occasion.

All Major, Class A and Minor Leagues have games scheduled for opening day and the farm teams, although present at the ceremonies, do not begin their actual play until Memorial day.

The American Legion color guard will be present; and Rev. McDonald of the Community Church will deliver the invocation. Then after league officials have been introduced, the following pledge is taken by all Little Leaguers: "I trust in God... I love my country and will respect its laws... I will play fair and strive to win; but win or lose, I will always do my best."

Opening day schedule for Majors: Pencil Drugs vs Northern Stores; Meadow Brook Bank vs Whiting & Whiting; Frank's Alibi vs Levco Drugs.

Games are scheduled immediately following the ceremonies for 10 A.M.; 12 Noon and 2 P.M. The Class A Minors will play at Dutch Lane as will all the Minor League teams.

The Women's Auxiliary will be present at the fields all day to sell franks and cold drinks to the "fans".

## Sunday Starts American Loops

Official opening of the Hicksville American Little League and American Babe Ruth League will be held this Sunday starting at 1 P.M. Dedication ceremonies of the League's new Little League Field on Andrews Field, will start at 1 P.M. All players and operating personnel of the 26 uniformed teams as well as the players in the Saturday morning program will participate in the ceremonies.

Following the ceremonies a double header will be played with the Fairway Farms team meeting the Gillson Knitwear Co. team at about 1:30 P.M. The nite-cap will bring the Pioneers against the Ocean G.L.F. Fuel Oil team.

The American Babe Ruth opener at 4 P.M. will pit Mid Island Plaza against the Thunderchiefs at the Burns Ave. Babe Ruth Field.

Starting Monday, May 18, all teams in the American Little League Major, Minor A and Minor B Leagues as well as the American Babe Ruth League will swing into action with six ball games on tap every nite Monday through Thursday. All told by the close of the season the leagues will play a total of 240 ball games.

The League would like to take this opportunity to acknowledge publicly the fine financial support received from its sponsors, the contribution of the P.L. Andrews Company in making Andrews Field possible, and the Board of Education of Hicksville Schools for the re-construction and use of the Burns Ave. East Street and Woodland Avenue school fields.

## SENIOR HIGH SCHOOL PRESENTS SPRING CONCERT

THE CURTAIN RISES at 8:15 P.M. this Friday night, May 15, for the Annual Spring Concert of Hicksville High School Music Dept. ## Decide Champs

By Bill Sakal

Supporters of the first three teams in the Holy Family Section of the CYO Bowling League are awaiting the outcome of tomorrow (Fri.) night's games. Who will be the champ at the conclusion of the night's bowling, the Cards, Braves or Red Sox?

The Cards leaped into first place two weeks ago by half a game, with the Braves and Red Sox right behind them. They still lead by that half game over the Braves and one and a half over the Red Sox, but in the tension of the last night of bowling could blow their meager lead. Whatever the outcome, this has been a season of superb bowling with the spread between the first five teams under 10 points all year, and every team can be proud of their accomplishment for they have all fought hard.

Last Friday's honors go to Joe Wingenbach who belted out a 603 series (211-215-177), and the big game of the evening was posted by Bill Holten who rolled a 242 to help his team, the Red Sox grab four points. Other highs were S. Strolowicz 223, D. Snyder 215, R. White 212 and N. McCormack 205.
