

Support Our Volunteer Firemen

TWO MEMBERS of Hicksville Fire Dept. in action at the tragedy in Jericho Industrial Park recently when a roof collapsed and pinned workmen. This is one of the many emergency services rendered by volunteer firemen who will conduct their annual welfare fund house - to - house drive this Sunday, May 24. Uniformed firemen will canvass every household in the community. Be generous in your support of this single, annual solicitation. (Photo by Frank Mallett).

21 Fire Calls in Past 2 Weeks

There were 21 calls for the Hicksville Fire Dept. for the two weeks from May 5 thru May 18, including two for the Dept. ambulance.

There was a washing machine fire at the home of Edward Ericson, 15 Story Ln., on May 13.

A TV set fire at the residence of Florence Hirsch, 125 Myers Ave., rubbish near 107 Ballpark Ln., and an oven fire at 2 Autumn Ln., the home of William Davis and an oil burner, fire at Harriet Konig's home, 11 Acre Ln., all on May 15.

On May 18 there was a false alarm from Jerusalem Ave. and Walnut Ln., and John Hattenseder at 45 Haverford Rd. was taken to

the hospital by fire dept. ambulance on May 13.

On May 5, the firemen were called to wash gasoline off the road on Broadway opposite the Seaman-Elsmann bldg.

They were called to assist the Jericho Fire Dept. on May 7, when the factory under construction in the Jericho Industrial Park on Shames Dr. collapsed. That same day they also received an unintentional false alarm when the sprinkler system in Metal Lab on Duffy Ave. went off. There were two grass fires, both on Miller Rd. later

Dems Handing Out Jobs Already

The master minds of the Oyster Bay Town Democratic organization having finally received the blessing for their slate in the fall election from Mineola after a couple of false starts, has already begun plotting the allocation of all appointive positions in the Town government almost six months before the voters cast their ballots, it was revealed today.

But all is not peace and harmony in the Democratic ranks with the Bethpage zone leader expected to submit his resignation shortly and Plainview committeemen steaming over the rejection of Guy Susti. Susti, who is also Democratic leader in Plainview, was the unanimous choice of the 24 Plainview committeemen to be on the fall slate as a candidate for Councilman. He had run strongly for the Town Board two years ago.

Informed sources also reveal that Susti was approved not once but twice, by the Town Democratic Executive Committee as a candidate

for Councilman. Plainview School Board member Howard Martin was the Plainview choice to run for Town Clerk.

In a last minute switch attributed to the policy committee, Martin was designated to run for Councilman and Susti was bounced off the ticket. Joseph K. Curtis of Massapequa was named to run for Town Clerk.

A press release from Nassau County Democratic headquarters in Mineola this week said "recommendations of Oyster Bay Town's Democratic organization regarding the party's candidates for Town positions in next fall's elections were unanimously approved by the County Democratic Executive Committee." It adds that County Chairman John F. English, county chairman, conducted the designating session, and the Oyster Bay slate was nominated by Town Leader Dan Cassidy of Massapequa.

While the Democrats have announced the candidacy of a politi-

School Bd. Demands Town Halt Gas Sta.

The Hicksville Board of Education has made formal demand upon the Oyster Bay Town Building Manager, Norman T. Wolf, to immediately revoke the building permit for a new gasoline station at South Broadway and Lee Ave., Hicksville. The School Board is prepared to go to court to prevent the construction within 200 feet of school premises if necessary.

The School Board had previously gone on record opposed to construction of an enlarged station at the corner to replace two smaller ones. The Zoning Board off Appeals approved the special permit, over objections, by a four to one vote. The Cohen-Eaton-Hurwitz ticket in the May 6 school election attempted to make the gas station case an 11th-hour scare issue with a mimeographed circular delivered the day before the balloting.

Comments on the circular included: "Look at the site and convince yourself of the danger involved. Do you want this kind of situation here in Hicksville? Why hasn't this story been front-paged by Fred Noth?"

When the subject was discussed at the May 8 regular School Board meeting, School Attorney S. Arnold Witte pointed out the rights of the district in this matter. He was dis-

Only 3,327 Now Eligible

Voters of Hicksville School District will have the first of two opportunities to register for the referendum on the Willet Ave. School site, this Saturday, May 23. The hours are 12 noon to 6 pm at seven school voting places. While 4600 persons were registered for the May 6th annual school and library election and budget voting, only 3500 cast their ballots. Of this number 3,327 persons registered for the 1959-60 school voting year as they left the polling place.

Only persons who registered on May 6 or who will register on May 23 or Wednesday, June 3, will be eligible to vote on the \$72,750 site proposition on Friday, June 12. Those who are qualified to vote on June 12 will have a yellow-colored registration card.

The Board of Education will hold a public meeting regarding the referendum at Hicksville Senior High School Auditorium on Thursday night, May 28 at 8:30 PM. The next regular meeting of the School Board is on May 29.

AREA MARKED with letter "A" indicates the approximate location of the so-called Willet Ave School site, the purchase of which will be the subject of a referendum of the School District on June 12. Star in the lower right hand corner is East St. School.

LONG RANGE SCHOOL PLANNING Peak Student Load Only Four Years Away in '63

By ALLEN S. CARPENTER
President, Hicksville School Board

As you may be aware the School Board has been investigating the necessity for additional school room space. There are some in our community who have been agitating for more and more new schools. These people justify their demands by confining their thoughts and view to the immediate years ahead. They maintain that there is absolutely no danger of building class rooms that will become empty before they are paid for.

This view is short-sighted and is not supported by facts. The experts (the Institute of Field Studies of Teachers College, Columbia) who have been studying our building needs continuously since 1951, show that the peak load in our Hicksville School District will be 14,315 pupils in the school year commencing Sept. 1963.

This peak load is only four years away. We are now housing all our children without double sessions except in kindergarten. However, by September of 1963 (the peak year) we shall have approximately 2,000 more children in our schools. See table #1 for anticipated registration in the immediate years ahead. See table on page four.

This table reveals that:
1 - By September 1960 there will be 8600 pupils in the elementary system (Grades K thru 6).
2 - By September 1964 there will be 3570 pupils in the Junior High (Grades 7, 8 and 9).

Bethpage Votes Again on Budgets

In an attempt to save the District the possibility of having to operate its schools on an austerity budget and shutting the doors of the Public Library, the Board of Education of the Bethpage School District has called a Special Meeting of the voters of the District for Friday evening, June 19, at which time a new vote on the School and Library budgets will be taken.

One meeting of the School Board has been held to discuss revisions in the budget, but no action has been taken as yet. Another such meeting will be held Monday evening, May 25. A regular meeting of the Board will be held Tuesday, at 8:15 P.M. Trustees-elect Kops and Villafraanco were permitted to sit in on the discussion meeting. Since the annual meeting was adjourned until July 29, by a vote of the taxpayers on May 7, the Board, in order to try to have a budget ready before the beginning of the fiscal year, July 1, had only

the recourse to call a special meeting. A proposition to adjourn the July 29th meeting indefinitely is expected to be made at the June 19 meeting.

The Library Board has already prepared a revised budget. It slashed \$9,420 from the original sum of \$84,732. A spokesman for the Board said this was done by eliminating purchase of phonograph records, cutting library supplies by \$700 and disposing of the plans to employ an assistant librarian. At present the Library has one "professional" on its staff, Library Director Malsel. The spokesman pointed out

that the revised budget is the barest minimum on which the Library can operate. He said the Library still must rent additional quarters. He said since 1951, at which time the present Library was established in the firehouse, the population has grown four times, the registered borrowers has increased ten times and the circulation 12 times.

A new registration will be held Saturday, June 6 at the Broadway School from 12 Noon to 10 P.M. Those who voted, or were registered to vote, at the annual meeting and for the election of trustees need not register again.

Fabacords Go On TV Friday

The long awaited television debut of the "Fabacords" will be seen this FRIDAY night, May 22, at 8:30 p.m. The "Fabacords" will appear on the Ted Mack T.V. show on Channel 2. The young accordionists, conducted by F. Arden Burt, will play Beethoven's 5th Symphony.

Remember to tune in on Channel 2 at 8:30 p.m. to see and hear the "Fabacords" and give them your support. The winners of this show are judged by the amount of votes mailed or phone in.

Saturday night, May 23, the Knights of Columbus are holding their annual Spring Ball, at the Levittown Hall, on the benefit of the Building Fund drive. As an added attraction, they will feature the "Fabacords" of yosser who will play a varied selection of popular and classical music.

Leaves Tuesday for Convention

The Rev. Richard K. Muck of St. Stephen's Lutheran Church, Hicksville, will leave Tuesday for the 1st Annual Convention of the United Lutheran Synod of New York and New England at Boston, Mass. The convention will open Monday evening and will continue with a full schedule of day and evening sessions through Thursday noon, May 28.

Carl Gruenewald, 31 Violet Ave., Hicksville will accompany Pastor Muck to Boston as the official lay delegate of the local congregation. More than 500 Lutheran pastors and lay delegates, representing a quarter of a million souls, in the nearly 100 United Lutheran churches in the five-state area covered by the synod, will be present for the four day meeting. All business sessions will be held in the Sheraton Plaza Hotel.

Dr. Alfred L. Beck, New York, president of the Synod will preach the Communion Sermon at the opening session in All Saints Lutheran Church, 87 West Newton St., Monday evening, and will preside at all business sessions in the hotel.

Dr. Franklin Clark Fry, President of the United Lutheran Church in America, will be the official ULCA representative to the meeting, and will report on the coming merger of the ULCA with other Lutheran bodies on Tuesday evening. One of the major highlights of the four-day meeting will be the ordination services Wednesday evening, when 24 young men will be ordained into the Gospel ministry. Dr. Edmund A. Steimle, Philadelphia, well-known radio and television preacher, will deliver the ordination sermon.

Long Range Building Program

(Continued from page 1)

3 - By September 1967 there will be 3375 pupils in the Senior High (Grades 10, 11 and 12).

The peak loads in the elementary schools will not fit into the existing schools without some double sessions (See table #2).

If we confine our thoughts to the immediate years ahead we are sure to think that there is no danger of overbuilding. In the secondary level (Junior and Senior High) the situation will be even more critical. (See table #3)

Conclusions

To supply at the elementary level, permanent class room space for the long range pupils load of 4900 pupils, we must have a minimum of fourteen (14) more school rooms.

Permanent Facilities

Capacities based on 31 pupils per room

Existing Facilities	Capacity	Needed	Total
15 Kindergarten room	750 @ 50 per rm	None	750 pupils
131 1 thru 6 rooms	4061 @ 31 per rm	14 rooms @ 33.4 per rm 467 pupils	
90% max. Efficiency	3682 pupils	422 pupils	4104 pupils
Will Provide Perm. Rms. for			4854 pupils
Long Range Pupil Require			4900

1. To provide for 4900 elementary pupils, we shall need a minimum of 14 more permanent class rooms, bringing the total number of permanent rooms to:

15 Kindergarten rooms @ 50 each 750 pupils
146 rooms, Gr. 1 thru 6 @ 31 each 4526 pupils
At 100% of efficiency 5276 pupils

Operating buildings and classes at efficiency of 90% 4748 pupils

2 - By transferring the 50 temporary classrooms and by construction 10 more rooms at the Senior High location we can take care of our secondary pupils long range and peak pupil loads.

3 - We need a 14-room K thru 3 school building that will cost approximately \$600,000.

4 - We need 10 more room at the high school that will cost approximately \$350,000.

5 - We will need to relocate 50 temporary classrooms at a cost of approximately \$350,000.

It's Your Problem, Too

By Allen S. Carpenter

President, Hicksville Board of Education

(Opinions in this column are those of the writer and do not necessarily reflect the opinion of any other School Board member.)

No one can solve our school problems, except we ourselves. Each and every member of our community must take the time to understand at least the general consequences of the alternatives we face. Without an understanding of the problem, each of us will be left to act on the basis of "instinct" only. When we allow ourselves to substitute intuition for reason, we are allowing that there is no essential difference between man and other animals. We are denying our human birthright. We in Hicksville are fortunate, for if we keep our wits (reason) about us, we can look forward to the end of the rapidly spiraling school tax increases. We have gone through a series of rough years. We have grown since I first served on your Board of Education (April 1952) from 4,000 pupils to today's 13,000 pupils. From four (4) school buildings to ten school buildings. From 83 classrooms to 234 classrooms and special areas. Yes, and from a 1953 school budget of \$1,661,643 (with a tax rate of \$2.55) to the present 1959-60 budget of \$7,956,404 (with a tax rate of \$4.82). Our pupil enrollment has increased 325%. Our tax rate by approximately 190%.

On the whole, we in Hicksville have many things to be proud of. In 1952 all our classes (from kindergarten thru the senior class in high school) were on double sessions. Today only our kindergarten is on "so-called" double session. In 1952 our education was the basic traditional type. This month our Assistant Superintendent in charge of education has been chosen as the only New York State educator, and one of fifteen in the nation, to participate in a Ford Foundation workshop in California. Our educational program is rapidly being recognized as among the very best in the nation.

You already know of the \$100,000 grant from the Ford Foundation to finance our pilot programs and research in science and foreign language. You may not know that the work done here has been of sufficiently high caliber to be featured in the Saturday Evening Post, Reader's Digest, Parents' Magazine, Grade Teacher and three New York papers as well as in the county and local papers. Our own pilot work in citizenship and mathematics is of the same caliber as the program under the Ford Grant.

Educational visitors from far and near have come to Hicksville to observe our three track program or our pilot program on both. They came from Los Angeles, California; from San Angelo, Texas; from Merritt Island, Florida; from Trenton, and Bloomfield, New Jersey; from the United Nations International School; from Westport, Connecticut; and from a great number of New York State communities including Syracuse, Ithaca, Mineola, Freeport, Roslyn, Farmingdale and Baldwin.

Tax-wise, this year is the beginning of better times. For the first time in many years there will be NO SCHOOL TAX INCREASE (with the added possibility of a slight decrease in rate).

Thus we are now about to reap the benefit of moderate actions and policies of this and former Hicksville Boards of Education. Let us not throw away these advantages, by indifference or misplaced confidence that someone else will look after your welfare and the welfare of the community. Please, for the benefit of all, take the time, if necessary, make the time, to understand MENTALLY (not EMOTIONALLY) the problems that face us all.

Read the other articles in this issue of the HERALD about our building program. Study the School District leaflet regarding the need for the new school site on Willet Ave. Be ready to cast a "knowing" vote for our community on June 12th.

If you are not registered, this Saturday, May 23, will give you the next opportunity.

WE ARE LOSING PUPILS each year. The above tabulation is made up from the 1955-59 Hicksville School Census report. The actual Sept. enrollment for 1955 - 1956 - 1957 and 1958 have been used, for the same grades, as they moved through three school years. As you can see we had in Grades K thru 9 in 1955, 8,533 pupils. Three Septembers later in the same grades (three years advanced) we have 8,172 pupils - a net loss of 361 pupils. THIS IS A NET LOSS, in spite of all the new homes built and occupied in our school district during this three - year period.

SENIOR GIRL SCOUTS at their recent Country Fair at Wantagh High School, left to right, are Sue Alexander and Gerry Hofgren of Syosset, Joan Schroeder of Hicksville, Eleanor Wahler and Marilyn Burmeister of Plainedge. The girls are round - up and alternate: seniors eligible to go to the Senior Round - Up in Colorado Springs this summer. The Mid Island Council

will hold its annual meeting on May 27 at Levittown High School. Guest speaker will be Miss Olada Schrotty, member of the national field staff of the Girl Scouts of USA. It will be one of her last speaking engagements before she retires from the Scout movement. (Photo by Oldfield) -

County Clerk's Fees at \$793,249

Nassau County is 50 years old this year. County Clerk Ernest F. Francke of Hicksville this week reported to County Executive A.

Holly Patterson that last year the clerk's office collected \$793,249, which is more than was collected in fees in the first 26 years.

In 1899, the first year, the total of all fees was only \$4,970. It didn't get above \$10,000 until 1905, stayed around \$20,000 until after World War I, then started zooming to 1925's \$125,607. A review of the

years shows that the \$200,000 figure wasn't reached until 1945. By 1950, it had soared to \$500,000. The biggest year in the County Clerk's history was 1955 when a record \$1,007,998 was hit.

THOMAS R. PYNCHON

Rabbi Morris Appleman of the East Nassau Hebrew Congregation, Syosset, announces that Thomas R. Pynchon of Oyster Bay will be a guest speaker of late Friday night services at 9 P.M. May 29 in honor of Memorial Day.

Thomas R. Pynchon of East Norwich, 14 years a member of the Oyster Bay Town Republican Committee and Superintendent of Town Highways, is the leader and chairman of the Oyster Bay Town Committee.

He is an ex-chief of East Norwich volunteer Fire Dept., and has a background of more than 25 years of highway supervision and maintenance and general engineering experience. Before becoming Town Highway Superintendent in July 1956, he was previously engineering assistant to Town Supervisor for a year. He worked with the Nassau County Dept. of Public Works from 1931, rising to the position of Assistant Engineer in charge of construction and general engineering for the Towns of Oyster Bay and North Hempstead.

The Sgt. Ben Levitt Jewish War Veterans Post #526 will sponsor the "Oneg Shabbos" (refreshments) following the services. Rabbi Morris Appleman will officiate and Murray Weingarten will give the Cantorial liturgical renditions. The public is cordially invited to attend.

Landmark Goes

An historic building in Mineola will soon disappear. The Board of Supervisors this past Monday approved an \$80,000 plan to tear down the old County Jail, a great pile of concrete and steel which has housed its 57 years existence some notorious characters. They had intended to convert the old calaboose to an office building, but found that it was built too solidly to lend itself any kind of alterations. Only two escaped from the bastille: one at gun point and the other down a rainspout.

It's official! The Tourney Committee has announced that the annual Labor Day Fireman's Tourney will run at Mid-Island Plaza again this year. This is one spectacular event I never want to miss...it's colorful, bright and exciting, and a day full of fun.

Ed Levine, partner in Mid-Island Music, also owns the New York nitery, El Toro...featuring New York's only authentic Mexican room, it also serves American and Chinese cuisine.

There'll be a General Motors Show on the Mall late in June...with cars representing all GM makes on display.

Dick Otto, Courtesy Drug VP, away from Mid-Island of late, has been busy remodeling their Fordham Road store and also recovering from a bout with the flu.

Don't forget to enter the Plaza Beautiful Child Contest...more and more entries coming in each week. As of right now we will no longer require an 8" x 10" photo for entrance in the contest...snapshot size will do. Too many parents finding it too difficult to arrange sittings, etc.

Long Island residents are invited to enter our Outdoor Art Exhibit on Saturday, June 6. All work in Oil, Watercolor and Graphics will be shown...there's no limit to the amount of work an artist may exhibit and art work may be sold to customers. Meet in front of the WHLI booth on the Center Mall at 10:00 a.m. Incidentally, there'll be first, second and third prize awards as well as five Honorable Mentions.

The VW will be On The Mall with Buddy Poppies until May 30. Don't forget to give a donation to this annual event.

On Sunday, May 24, there'll be Thunderettes Sports Car Gymkhana on the parking field. On June 21 the Long Island Sports Car Association will host an event. Think I'll run my Renault Dauphine just for kicks.

I saw Ed Fehrenbach On The Mall the other day...the "Young Turk" and I, looking at the forthcoming elections, are amazed at some candidates attitude. Many seem to think their campaign will be a cinch, their opponents will be "no competition", and there's not too much point in working at their campaigns. Well, maybe the campaigns will be "cinches", but getting the vote may be a horse of a different color.

Fehrenbach, incidentally, has been sharpening his sights on upstate legislators who refuse to recognize Long Island's "tremendous tax problem."

Ed also participated in the Spring Conference of the NYS School Board Association on May 13.

Looking around at some local "newspapers" in this immediate vicinity, I always get a "large charge" on the editorial page fed the reading public by an editor writing in MY COLUMN. This is the type who screams the loudest about the "buying out" of newspapers and the "danger of political forces". These screams, justified or not, only emanate from those not suffering from the disease. The afflicted, by contrast, seem quite inured to the pain.

Something I read the other day, which I only wish I was eloquent enough to dream up myself, caught my fancy. It was by Philip Talbot of the Chamber of Commerce of the United States and was called, quite simply, MAN TO MAN.

It read: It has always seemed to me that brotherhood must exist between men - as men - before it can exist between races, religious persuasions, or political creeds. It follows, therefore, that brotherhood must first exist in an individual's own heart, before it can exist in a neighborhood, a community, or between nations. Surely the Almighty Himself and the Almighty alone is the fountainhead of brotherhood, and our love of Him the beginning of our love for others. Here are the greatest commandments and the most difficult. But until man obeys them he cannot fulfill his destiny on earth.

Every day... more Long Island families install modern OIL-POWERED water heaters!

Mr. V. K. of Westbury, L.I. expresses typical delight with the performance — and savings — made possible by his new, fully-automatic oil-powered hot water heater!

GAS LEFT US COLD!

"I was never happy with our old hot water heater. A total of 11 people — including 7 children — live in our two-story, two-bathroom residence... so you can see why we need a lot of hot water. With our old water heater, we never seemed to get enough!"

"Then I heard about brand-new oil-powered water heaters — and how they could cut my fuel bills in half... give me up to 8½ times as much hot water, all day long!"

"So I installed one. Since then, we've never known an instant when our water ran cold! And my fuel savings alone have already paid for the installation! Now we're actually paying only \$4.80 a month for hot water — only a cent-and-a-half a day per person! Believe me... if your gas — or electric — bills are too high, do what we did... switch to an OIL-powered water heater. You'll never regret it!"

A group of friends gathered at the home of Mr. and Mrs. Herb Johnson, 87 Myers Ave., Hicksville, Friday evening, May 15, to wish Frank J. Noeth of Twin Lawns Ave., Hicksville, a happy birthday in the form of a surprise party.

Noeth, who had been invited with his wife for "coffee and cake" following a meeting, was genuinely surprised at the assemblage in his honor. The groups included Mr. and Mrs. Jerome Zettler, Mr. and Mrs. Henry Lensky, Walter Schreiber, Mr. and Mrs. Herb Backman, Mr. and Mrs. Arnold Witte, Mrs. Arthur Swanson, Mr. and Mrs. William Seaker, Mrs. Patrick Gilchrist, Mr. and Mrs. Don Zirkel, Munson Dorias and Mr. and Mrs. Frank Mallett and their nephew, Charles.

MRS. STEVE REGAN of Hicksville, a volunteer of St. Francis Hospital & Sanitorium at Roslyn, N.Y., is one of the ladies in charge of arranging and decorating a display of the North Shore Junior Service League art collection, consisting of over 40 famous masterpieces, which will be shown at the semi-annual meeting of the St. Francis Cardiac Guild.

Legionnaires' Log

CHARLES WAGNER, Post 421, Hicksville, N.Y.

By ARTIE RUTZ

Just the news that our Post has
at this time reached its all time
membership high makes me
hungry - Hungry for MORE mem-
bers and still more members -
Hicksville is a big town with a large
veteran population and should have
the largest Post in Nassau County -
We CAN do it - Of course this
hungry talk quite naturally leads
right into the fact that I attended
two Legion dinners last week and
needlessly to say the food was ex-
cellent at both - The first was
the Dinner tendered to National
Commander Preston J. Moore by
the Dept. of New York at the Grand
Ballroom of the Waldorf Astoria -
Had a good table for this one. A
real close to the dias and County
Commander Al Woessner and 10th
District Commander Art Petty were
privileged to rub elbows with me
according to the seating ar-
rangement - My heart went out to
the N.Y. State Color Guard who had
to advance the Colors thru the crowd-
ed aisle as the band played "The
American Patrol" - Was im-
pressed with New York's choice for
the next National Commandership,
Martin McKneally of Newburgh, who
is quite a dead ringer for Gary
Merrill (Bette Davis' husband) -
He did a very neat job of pre-

sending Mrs. Moore with the Dept's
gift and did it in such a elegant
manner that it was entirely be-
lievable - He gave Mrs. Moore
a terrific build up before intro-
ducing her, using such well known
adjectives as "extremely charming,
most gracious and lovely" etc., and
I'll be darned, if she wasn't ex-
actly that!!!
Now let's jump to the next Dinner
which was Saturday night - This
was the first annual dinner tendered
to the past commanders of our Post
and was a grand all around success -
It was held at Henningsen's and
the honored guest list ran to 41 -
The past Commanders honored by
this dinner who were present were:
JERRY BECAN, JOHN DUTWEILER,
HENRY ENGELER, HENRY BR-
ENGEL, ARTHUR FERRO, ERNIE
LEBARRON, SILAS VALENTINE,
JOSEPH KAYEL, JOHN HAR-
BES, LEONARD YOUNG, WALTER
SCHLICHTING, RUDOLPH BOUSE,
ROBERT BEARD, ELIAS JABOUR,
EDWARD BECKER, WALTER BAR-
NETT, AL CARPENTER, ROBERT
MANGELS, A. T. BLETSCH,
SR. AND GUY SMITH - Don't
forget our CARNIVAL next week
at South Oyster Bay & Plainview
Roads, we need plenty of help,
be there!!!

16 Area Captains For Cancer

Sixteen area captains have been
named to help conduct the American
Cancer Society's 1959 Crusade in
Jericho. It was announced today by
Mrs. Leo Levine and Mrs. Gustave
Margulis, Village Co-Chairmen.
"These captains will fill key roles
in carrying the Cancer message to
every resident," said the Chairmen.
"We have a vital job to do and we
still need more volunteers to help in
the important work of raising funds
to fight the nation's No. 2 killer. We
must tell residents how they may
guard themselves and their families
against the disease. Cancer will
strike in two out of every three
American families."

"This year the national cancer
crusade has a goal without a limit
to push harder than ever before for
the answer to cancer. The American
Cancer Society is the only local
organization with a complete cancer
control program of research, edu-
cation and patient services. Jericho
has sent a minimum goal of \$1,500
to support this vital program."

Anyone interested in helping may
contact either Mrs. Levine, 14 Cum-
berland Road - WE 8-5182, or Mrs.
Margulis, 211 Gardner Avenue -

BIRCHWOODITES HOP TO IT

FINE TIME was had by all who attended the Birchwood Civic Association's Annual Spring Hop held Saturday, May 16, at the George A. Jackson School. By 11:20 PM all hot-dogs and Danish pastry had been completely sold out, testifying to the culinary success of the evening. (Photo by Allen C. Lyon)

Knickers Star At Country Club

Trick shots and diabolical dribbles were the order of the day on Sunday, May 17, at 2 P.M., when Carl Braun and his teammates on the world famous New York Knickerbockers presented a basketball clinic and exhibition game at Jericho Country Club. Appearing with Braun were Richie Guerin, Ray Felix, Guy

Sparrow, Brendon McCann and Manager Fuzzy Levine.

Opposing the knick players were a Jericho Country Club team composed of such well-known ball handlers as Bobbie Mills, Bob Lewis, Gene Wallach, Max Zaslofsky, Connie Simmons, Ralph Diamond and Seymour Babbitt. On hand to present a special clinic commentary was Les Keiter, WINS sportscaster and announcer for the Knickerbocker games and the San Francisco Giant baseball games.

The event, which was open to the public, kicked off a special pre-season series of activities which Jericho Country Club is sponsoring each weekend through June 15th, when its season officially opens.

Musical Treat At Robbins La

On Tuesday evening, May 26, at 8 o'clock, a musical treat, "A Night Off Broadway" will be presented at the Robbins Lane School by the Glee Club and Band under the direction of Mr. Robert Greenberg, music teacher. All parents and interested friends are cordially invited.

The third and fourth grades of Robbins Lane School enjoyed an extra educational experience this week. The third grades visited the Indian exhibits at the Museum of Natural History to culminate a unit of study about Indians. The fourth grades visited the Hayden Planetarium to end an exciting unit on planets. The teachers and parents who assisted in chaperoning and the children all proclaimed the trips a huge success.

Miss Cohen's second grade toured the Grand Union store to learn at first hand how our food is bought and sold. Upon their return, Miss Cohen's class made a replica of the store in their room.

Mrs. Joyce Simon's first grade brought Circus Time to all the primary grade children at the regular weekly assembly. The program evolved around the circus unit which the children had been studying. A large audience of delighted parents marvelled at the poise of the six year olds. A repeat performance was given in the afternoon for the kindergarten children.

Mothers Honor Msgr Coffey

The St. Ignatius Loyola Auxiliary of Christian Mothers will meet next Monday, May 25, at 8:15 p.m. Their honored guest will be the Rt. Rev. Msgr. James F. Coffey, rector of St. Plus X Seminary, Hempstead. A talented group of Mothers who sang at the annual Corporate Communion of the Auxiliary, will present a special recital in conjunction with a traditional May crowning ceremony. Election of officers will climax what promises to be one of the most memorable meetings in the history of the Auxiliary.

Meet Tuesday

The Syosset Education Committee will hold a meeting Tuesday night, May 26, at the home of Horace Bernstein, 38 Forsythia Lane. The subject of the meeting will be the School Superintendent's policy on High School Diplomas. This subject will come up for discussion at the School Board meeting on Monday night, May 25.

TRIO OF DEMOCRATIC CANDIDATES

JOHN W. NANCE, centre, 35-year-old West Point graduate and Korean War hero, is the Democratic candidate for Supervisor of the Town of Oyster Bay in the November elections. He is a resident of Glen Head. At the left is Charles W. Anderson of Massapequa, candidate for State Senate, with Joseph K. Curtis, also of Massapequa, candidate for Town Clerk at the right. The County Democratic Executive committee has also named Charles A. Heeg of Jericho, Fred Surter of Hicksville and Howard B. Martin of Plainview, Democrat candidates for town councilmen. A third Massapequa resident, William H. Hayes, is seeking the office of Receiver of Taxes. (See Story on Page one)

Fire Calls

(continued from page one)

that day, a little over an hour apart. A burning railroad tie had to be extinguished on May 8; while on May 9, there was a kitchen fire in the Vito Merendino home, 7 High St., which did slight damage. A grass fire at the rear of 14 Barnbrook La.; and electric oven fire at the home of C. Burton 20 Walter Ave; and a grass and log fire at Miller Pl.

On May 9, another railroad tie ignited, this time at E. Cherry St. A 1951 Buick caught fire on May 10 at Old Country Rd. and Wantagh Pkwy. Only the floor mat was damaged in the car which was owned by Frank L. Ledstone, 4240 Murray St., Flushing.

Another Buick caught fire the following day, May 11, in the Allied Shopping Center on Jerusalem Ave. Damage to the car, owned by Raymond Herzog, 179 Ninth St., Hicksville, was considerable.

There was an ambulance call on May 6, when Miss Devan, 65, of 19 Max Ave. was transported to Mid Island Hospital in Bethpage.

LATE ALARMS

The wiring under the cowl of the 1956 De Soto owned by Shel-

don Matzkin, 7 Dawn La., caught fire Tuesday May 19.

There was considerable smoke damage to the premises of the Hicksville Garment Mfg. Co., 21 W. Nicholas St., yesterday (Wed), when electric irons left on ironing boards caused them to catch fire and spread to some chairs. Sylvia Blaser of 269 Riverside Blvd., Long Beach, is owner and operator.

Later yesterday two false alarms were turned in, one from Fulton Ave. and Adams St. and the other from Cottage Blvd. and Essex La. The oil burner at the C.J. Wagner residence also caught fire yesterday and Marty Donlon of 81 Woodbine Dr., was taken to the Kingsbridge V.A. Hospital.

Gas Station

(continued from page one)

rected by vote of the Board to take formal action to halt the station "on the grounds that the building permit was issued illegally and without authority in that it purports to authorize the erection of a new gasoline station within 200 feet of premises used for a public school."

In an Apr. 30 memorandum to the Board members, received by Candidate Eaton as well as the other trustees, Witte had pointed out "should the Board be thinking in terms of litigation, that basic legal position is of no more or less validity if an action is brought tomorrow or next week than it would have been if such action were brought last month or two months ago."

As of yesterday (Wed) work was still proceeding on the gas station.

New Owners Of Carvel Stand

"Tiny" and Ann Weber of Farmingdale, are the new owners and managers of the Carvel-Darl-Freeze stand on S. B'way and Rave St., Hicksville.

They pledge clean courteous service at all times, and are hard at work planning new innovations for the business. Already they have initiated a "first" for Carvel stands by stocking "hard to find" flavors at all times, thus assuring the customer of satisfaction.

Braves Take Crown in CYO

By Bill Sakal

The last ball was rolled down the alleys of Woodbury Lanes as the Holy Family Section of the CYO Bowling League completed their 1958-59 Bowling Season, and the Braves are the Champs. Having made up their minds early in the season that they were going to be on top of the heap at the end, the Braves let nothing stop them, not even periodic setbacks.

This has been a season of excitement as the battle raged almost weekly for the lead.

When the season opened last Sept. 19, the standings were as follows for the first five teams: Cards, Senators, Giants, Orioles and Indians. The Braves at the end of that first night stood No. 8, the White Sox No. 9, and the Red Sox No. 15. At the beginning of the second half of play in January the teams stood: Senators, Red Sox, Braves, Orioles and White Sox, and from this point on the battle grew hotter.

J. Walsh took the honors on the last night of play when his series of 622 (241, 203, 178) helped his teammates accomplish what they set out to do and capture the crown. Without his help, the Braves could not have taken 4 points from the Cards.

Other highs for the evening were: C. Faddis 231, E. Nash 215, J. Keating 215, E. Westerman 213, H. Morris 212, M. Latuga, Jr. 210, E. Arundell 208, A. Reinheimer 208, F. Brophy 205, V. Radzimirski 203, G. Durenberger 203, H. Poole 203, J. Sheridan 201 and W. Sakal 200.

Final standings as of May 15:

2 Cards	85 1/2	58 1/2
3 Red Sox	85	59
4 White Sox	84 1/2	59 1/2

Little League Play Starts; 700 at Opener For Nationals

The Hicksville National Little League officially opened its tenth season at Abe Levitt Field, Saturday. A little over 700 boys accompanied by friends and parents were present at the brief but impressive ceremonies.

Julius Meszaros, past Vice-President and Secretary acted as Master of ceremonies. The Rev. Douglas MacDonald of the Parkway Community Church delivered the Invocation. The color guard of the Charles Wagner Post of the American Legion marched strikingly onto the field, and last year's president Charles Cassar led the boys in the Pledge of Allegiance. Also introduced was Joe Madden, Director of Recreation for the school district.

The present officers and officials were introduced. League President Gene Schillinger, thanked his executive board, and the Women's Auxiliary for he work they are doing, he congratulated the parent's present for their part in making the National League a Little League to be proud of.

He stressed that it was more important than winning tournament

games to be able to have an organization that could successfully uniform and play every boy who registers in the National League. Then the boys repeated the Little League Pledge, and it was time to "Play Ball."

Results of the opening day games are as follows:

In the Major League: Puncal Drugs shut out Northern Stars on 1 hit, the score was 3 to 0; Whiting & Whiting defeated Meadowbrook Bank 6 to 4; and Levco Drugs edged Frank's Alibi 7 to 5.

In Class A Minors: Bob's Esso romped over Empire Storage 17 to 5; and Henningsen's Restaurant fought back in late innings to defeat Fred's Gulf by a score of 7 to 6; It took seven innings for Seaman and Eisemann to get their win over McCaffrey Agency, final score 12 to 6.

All Minor League teams played with the following results: Taliaferro Boosters, 8, Old Country Delicatessen 7; Professional Men 16, Allan Marine 17; Pete & John's Delicatessen 8, Edgman Press 5; Carvel - Newbridge Road 10, Robert Chevrolet 6; Hicksville Bike & Toy 16, L.I. Swimming Pool 3; Jack's TV 14, Eisemann Buick 13.

Champs Keep On Winning

Last year's champion C.W. Lauman team continued their winning ways by beating the strong Firebugs nine 5-2 in the inaugural game of the 1959 Bethpage American League season and the C.M. Johnson team defeated the Grumman Hellicats after coming behind with a three run score tying rally in the last inning and a three run overtime inning and the staving off a Hellicats 2 run rally in the bottom of the 7th inning.

The winning pitcher for the Laumans was Ricky Leek who struck out 12 while allowing only 2 hits. Steve Huebner, the Laumans catcher, accounted for 2 hits and contributed a stolen base.

Jackie Grady was the winning pitcher for the Johnsons. Bill Almaguides struck out 10 in a losing cause.

In the Minor League, the Beau Sejour team decided the Page Hardware team in a marathon contest, 16-12.
