Chamber Presses For RR Elimination

A committee of eight members of Hicksville Chamber of Commerce went to the State Dept. of Public Works office at Babylon, Tuesday, to discuss the progress of the Hicksville RR grade crossing elimination with state officials.

The Chamber of Commerce is continuing its petition drive, urging Gov. Rockefeller and other state authorities, to speed the local crossing program. This week the Birchwood at Jericho Civic Assoc. voted to have its block captains circulate the petitions throughout the community. Petitions are available for signature in many stores, both downtown and at Mid Island Plaza.

WORST ON ISLAND

At a recent meeting of the Board of Directors, Thomas Goodfellow, President of the L.I. Railroad, informed the members that he recognized the Hicksville Grade Crossing Situation as "the worst situation in Long Island."

Outlining the cordial relationship between the LIRR, the Town of Oyster Bay, Dept. of Public Works,

and Public Service Commission, Goodfellow urged that Chamber of Commerce officials and Town of Oyster Bay continue to "pressure" the various Albany agencies to acquire any and all properties needed for the elimination work immediately. By doing this, he added, the Hicksville Elimination program will not bog down, as it has in Freeport and at Jamaica raceway.

Goodfellow then went on to explain that on construction jobs such as Grade Crossing Eliminations, there is no performance bond, so that it is possible that unforeseen elements may crop up to delay the job's progress. He further stated that once the contract is let, the job should normally require 1 1/2 to 2 years before the first train rolls over the new tracks.

Friends Honor East St P-TA President

MRS. VINCENT HOOSACK of Twinlawn Ave., Hicksville, (known to her friends as Betty) was guest of honor at a dinner party on Thursday evening, May 1, at Bethpage's Beau Sejour. Mrs. Hoosack has been president of the Hicksville East St. School P-TA for the past two years. Mrs. Hoosack is standing, second from left.

An enjoyable dinner was enjoyed by the following: Mrs. Beane, Dorothy Bogart, Jeanette Burlick, Terrence Cardinal, Grace Crammer, Alice Foran, Marie Mester, Marge Glanville, Helen Helfand, Kathy Janca, Frances Kenyon, Jean Long, Marge Lyons, Alice Acklin, Dot Mann, Olga Marcin, Evelyn Noeth,

Flo Rechenberger, Martha Reigelsperger, Rose Santoriello, Doris Schuster, Ruth Schaeffler, Felice Stein, Dot Squicciarini, and Betty Yanuchi, all members of the East St. P-TA.

Also present were Muriel Feuerstein, Janet Findlay, Eleanor Miller, Helen Ocker, Elizabeth Pearce, and Carol Van Winkel, all teachers at East St. Miss Nina Plantz, Principal of the school was seated with the guest of honor. Robert Whearty, assistant principal of the school was in on the honors, but because it was an all-girl party did not attend.

Thousands to Parade Saturday

Hicksville's Annual Memorial Day parade will start from the parking field next to the American Legion clubhouse on E. Nicholas St., Saturday morning May 30, at 9:30 AM. The route of the parade from the parking field will be west on Marie to Broadway; then north on Broadway to Herzog Pl.; west on Herzog Pl. to Jerusalem Ave. and then south on Jerusalem to the Memorial Mall on the grounds of the Jerusalem Ave. Junior High School.

William Frohnhofer of the VFW is the Grand Marshall of this year's parade. The Catholic War Veterans has the chairmanship of the Memorial Day Observance by the United Veterans' Committee, with Past County Commander and former Post Commander Frank Eschbach, general chairman.

Henry Curran, Town Clerk, will be the speaker at the simple but solemn ceremony.

Parish Planning School Annex

Rt. Rev. Msgr. George Bittermann, V.F., pastor of St. Ignatius Loyola R.C. Church, Hicksville, announced this week plans to build a new parish school. The architect is already drawing up the plans for the building to be constructed on present parish property. It is hoped the school will be ready for occupancy in Sept. 1960.

In lieu of pledges, the parishoners have been exhorted to patronize the Annual Bazaar. This year it will again be held on two successive weekends, Aug. 7, 8, 9 and 14, 15, 16 on the school grounds.

97 Add Names

Only 97 voters added their names to the School District registration books in Hicksville last Saturday to make the total number eligible to vote in the June 12 referendum 3,424. The final registration takes place next Wednesday, June 3, from 4 PM to 11 PM.

Only six showed up at Fork Lane and Old Country Rd on Saturday. Seven reported at Dutch Lane and nine at Burns Ave. Woodland Ave. had 11 appear and Lee Ave. 21. East St. led the list with 37 more reporting.

Vote Is June 16

The date for the new vote on the Bethpage School and Library Budget is Tuesday, June 16, not June 19 as previously reported. Registration, for those not already registered, will be held Saturday, June 6 at the Broadway School, from 12 Noon until 10 PM.

Seek Owner of Small Dog

Mrs. Frank Baker of 62 Brittle La., Hicksville, has made an urgent plea to HERALD readers to help find the owner of a small, short haired tan dog that bit her nine year old son, George, last Friday evening at about 5:45. The incident occurred near Newbridge Rd. and Hempstead Ave. The owner of the dog has a little girl with her. The woman, described by George, is about 30 years old, 5 ft. 5 ins., with dark hair and she offered to take him home but he refused. Unless the dog is found George will be subjected to a painful series of injections.

Mrs. Baker can be reached at WE 5-4173.

School Attorney Leaves June 29

Arnold Witte of 7 Rafter Ave., Hicksville, who has been attorney for the Hicksville School District for the past two years, this week advised the Board of Education he will be unavailable as of June 29. The matter of his resignation and consideration of a successor may be discussed when the School Board holds a regular meeting tomorrow (Fri.) night.

Witte was recently named to the important and responsible position of Secretary of the Commerce and Industry Assoc. of New York, Inc. He is also counsel to the Governmental Affairs Dept. and head of the Legislative division of the Commerce and Industry Assoc. He continues to be responsible also for operations of the Assoc.'s Albany office which he helped establish on a year-round basis in 1959. Witte's letter to the Board of Education follows:

"For compelling personal reasons and with the deepest regret I am obliged to inform you of my resignation, in accordance with paragraph 7th of my retainer agreement, to terminate and cancel that agreement as of June 29, 1959. Since I will be unavailable for the entire month following that date, I trust you will reach a decision on your new school district attorney in sufficient time before then to acquaint him fully with

any legal matters pending at that time.

"I have enjoyed these past two years of association with the administrative officials and staff of the district, the district clerk and the working members of the Board of Education. I hope each of you, the new attorney and any member of the school family will continue to feel completely free to call on me for any information or aid I may be in a position to offer."

Chamber Says 'Thank You'

TWO FORMER officers of Hicksville Chamber of Commerce were honored at the Chamber's annual dinner-dance at the Millaridge Inn, Saturday night, in recognition of their outstanding service to the organization and community. Past President Mal Pierce, at left, congratulates Charles Barvels, treasurer from 1953 to 1958; and William Payoski, secretary during the same period. Seated are Mrs. Jay Schwartz, wife of the Chamber's new vice president, and Supervisor John J. Burns who conducted the installation of Aaron Rochman as president. (Herald photo by Frank Mallert).

Mrs. Phillips New President

Allen S. Carpenter, School Board President, will install the new officers of the Hicksville Educational Secretaries Assoc. on Wednesday, June 3 at 8:15 PM at the Hicksville High School

The new officers are: Mrs. Doris Phillips, President; Mrs. Rita Gior-dano, Vice-President; Miss Carolyn Schautler, Secretary; Mrs. Margaret Molnar, Treasurer; and Mrs. Virginia J. LeViness, Del. to the N.E.S.A.

Bible School Plans Parade

The First Baptist Church of Hicksville, located at the corner of L.I. St. and Pollack Pl., is planning a rally and parade on June 20, at 1 P.M. to officially inaugurate the beginning of their second yearly "Vacation Bible School."

Last year the school was conducted in the basement of the church which was temporarily roofed over. This year, although the church is not yet completely finished, school will be held in the church proper.

All children, regardless of religious denomination, are invited to attend. Where necessary, transportation to and from the church will be provided. Many new useful handicraft projects are being planned to that the children will have a lasting memento of the program.

DEAR JEAN....

Good to see the smiling face of Mrs. FRANK FAY, back at the Hicksville office of the Meadowbrook National Bank. Mrs. Fay, absent for several days, has a broken arm, due to an accident at home. Congratulations to Mr. and Mrs. LEONARD H. BRAND of Park Ave., Hicksville, who celebrated their golden wedding anniversary on May 19th. Have you seen that "man of distinction" FRED WALTERS of Walters Store on W. Marie St. who is now smoking a pipe? Looks rather well, if we may say so. That old mail bag did it again - MAC McCORMACK of Pine St. is now the proud father of his third son, Kevin Richard, born on May 21 at Mercy Hospital. Of course, Mom Edna had nothing to do with it. We really had a wonderful time at the dinner to honor Mrs. VINCENT HOOGSACK of Twinlawn Ave., Hicksville, who is retiring as president (after two years) of the Hicksville East St. P.T.A. Saw a lot of our friends there. The Glen Cove-Hicksville Mercy Cookbook is still available. Just call Mrs. VINCE BRAUN at WE 1-3173 and she will oblige you. All the recipes in the books are good, ask those who attended the Smorgasbord Luncheon. Talking about the VINCE BRAUNS, Daddy is the only one up and around these days. Mom and two of the little ones are in bed with the virus at this writing. We visited Plainview Country Club, Tuesday, when a press preview was held. The transformation which has taken place since we last visited the scene in January is truly astounding. Some 430 families are going to have a wonderful summer there. L.I. high school seniors will compete at Mid Island Plaza on Sunday, June 7, in competitive written and "behind the wheel" exams in the second annual Robert L. Lamson Scholarship Award of \$1000.

Mr. and Mrs. AUGUST DEPPESCH of W. Nicholas St., Hicksville, will soon celebrate the 50th anniversary of their arrival in the community. They moved here on June 9, 1909. The couple have been married 57 years.

Name Winners Of Open House

Several hundred local residents were guests of the new management of the Hicksville Wash 'n' Day on Saturday, May 23, at an Open House Day featuring a free laundry service, candy and balloons for the youngsters and 10 attractive door prizes.

The self-service, coin-operated automatic laundry at 188 Old Country Road and Newbridge Road in Hicksville has posted the names of the door prize winners, who will receive their awards this week. They are: Mrs. John Keller, 138 West Cherry - Imported sugar and creamer set; Mrs. Hanneloh Simmens, 4 Elwood Ave. - decorative tray; Mrs. John Zike, 181 West Nicholas - golden glass plate; Mrs. Evelyn McAuley, 294 Division Ave., - ceramic vase; Mrs. R. Hogan, 153 4th St., - imported carving set; Mrs. Mary Gregory, 11 Jerome Ave., - enamelled cast iron casserole.

INVITES LOCAL PEOPLE
Hicksville Democratic Zone Leader Flem Harding this week urged local residents to take advantage of the opportunity to hear a "major address" by U.S. Senator John F. Kennedy of Massachusetts, who will be the principal speaker at the Annual Dinner of the Nassau Democratic County organization on Saturday, June 6.

READER OPINION: Deeply Concerned

To The Editor:
During the recent campaign for elections to the Hicksville School Board, I had the opportunity to meet and exchange views with many residents and voters in the community. It was gratifying to learn how many of the people of Hicksville were deeply concerned with the education of our children, and to learn of their sincere desire to participate in working toward the formulation of sound plans for the educational future of our children in Hicksville.

For the contributions of work, aid, support and encouragement that were given by many of these people, may I express my appreciation and thanks. I sincerely hope that I shall merit their continued support and confidence during my tenure of office as a Hicksville School Board Trustee.

My thanks also to the many residents of Hicksville whom I, unfortunately, did not get to meet personally, but who were kind enough to give me their votes of confidence on May 6th. I appreciate the opportunity they have given me to work for the best in education for our children.

READER OPINION: Papa Szendy Says He Knows Best

To The Editor:
Approval of the Willets Avenue site for a new school would be foolish unless the same taxpayers were willing to approve construction of the school at a later date. The total cost should therefore be considered, not cost of the site alone.

Site	\$72,750
Building interest, at least	600,000
Bond interest, at least	336,375
Total, at least	\$1,009,125

plus cost of operation, maintenance, insurance, and the taxes on land acquired for school purposes.

The expenditure may be justified, in spite of the imminent construction of parochial schools in and near the District, and the possibility of building on land already owned by the District. It has not been justified, to date.

Nor am I convinced that the school board, as at present constituted, has a genuine interest in education, greater than its interest in recreation, and can be trusted with the expenditure of another million dollars. The following telegram was sent to the Board last Friday:

"When voting on June 12 the taxpayers should be given the opportunity to save half the cost of the new school site by voting down winter recreation. Request

that approval or disapproval be placed upon the ballot. With Dr. Teller warning the country of the advance of Russia a Board of Education (nor Recreation) should attempt to remove distractions, not create them. Those Board members who have no had an adequate education and do not realize its tremendous importance today might resign and give themselves more time for winter recreation."

I expect that the Board will again refuse the taxpayers their right to vote on the question.

"Papa knows best."
EMIL J. SZENDY

PERSONAL MENTION

Mrs. SAM KELLNER of 20 Field Ave., Hicksville, was among the 317 volunteers presented with Service Pins and Bars for 100 or more hours of service during the past year to the Long Island Jewish Hospital in New Hyde Park. The awards were presented at a luncheon held at the Fresh Meadow Country Club in Great Neck.

It's Your Problem, Too

By Allen S. Carpenter

President, Hicksville Board of Education

(Opinions in this column are those of the writer and do not necessarily reflect the opinion of any other School Board member)

Even after we are convinced that we need a new school, reasonable people consider their financial position before committing themselves to additional expenses. Let us look at our School District's financial position as a guide to the reasonableness of new capital outlays for additional school facilities.

Present capital position of the Hicksville School District - Full Value of Real Property Taxable by the Hicksville School District

Debt Limit - 10% thereof	Approx. \$184,000,000
Bonded Indebtedness June 30, 1959	18,400,000
Outstanding School Bonds	12,390,000
Outstanding Library Bonds	284,000
Total Bonded Indebtedness	12,674,000
Debt Contracting Margin (\$18,400,000 less \$12,674,000)	5,726,000

We shall be paying (without additional Bond Authorization) between \$574,000 and \$620,000 a year for the next ten years in Bond Retirement. Thus our Bonded Indebtedness is decreasing by over one half million dollars per year. This (without added assessment) improves our debt limit position by a corresponding amount each year.

Our Debt situation is excellent. Most corresponding districts are already beyond their 10% debt limit (as evidenced by their need for a (2/3) two thirds vote of approval for all Bond issues for construction). Bond Authorizations for the proposed (see below) land and construction projects in our District will at no time exceed our Debt Limit. All such voter authorization can be approved by a simple majority vote.

The proposed construction plans, completing our School District's expansion program, is financially sound and reasonable. It will at no time be more than 28% of our remaining Debt Contracting Margin.

The final steps in Hicksville's Economy School Building Program	
Willet Ave. Land Acquisition	\$ 73,000
Willet Ave. School Construction (14 rooms)	600,000
Sr. High Land Acquisition	120,000
Sr. High Building Addition (40 rooms)	350,000
East Street School (Gymnasium & Cafeteria)	120,000
Relocation of Movable Classrooms (50 rooms)	350,000
Total Program Cost - Within two to four years, approx.	\$1,613,000

Last week the HERALD presented pupil forecasts, and space availability - outlining the need. This presentation shows our District's present financial position, and the effect of Limited Additional Financing.

Changes in Thinking

To The Editor:
It is interesting to note that the results of the School Board elections have already brought about some necessary changes in the thinking of candidates. Ostensibly to clear the charge of "secrecy," the School Board President is now writing an "open" column in the Herald. This should prove to be a valuable public service. It should most likely make public those problems with which newly elected board members Eaton and Hurwitt sought to take issue.

Also, it is commendable that the Leo Ave. Gas station issue has finally made the front page of the Herald (5/21/59). Cohen, Eaton and Hurwitt did not use it as a last minute "casus belli" for election purposes only as reported in the story. The fact that, at the late date, the "School Board Demands Town Halt Gas Sta." (Herald headline), shows that there must have been some high-power ammunition along with the campaign smoke.

The Consequences

To The Editor:
Those who in the early hours of Friday, May 8, voted "NO" on the proposed 1959-60 budget of the Bethpage Public Library were probably not aware of the serious consequences.

Two erroneous opinions were widespread among the electorate. 1. That the library would automatically revert to the previous year's budget if the proposed budget was defeated.

2. Once a library budget in the amount of \$ dollars was approved, it could never be reduced and would remain a permanent tax burden on the community.

Although it was pointed out that there was no substance to this opinion, it nevertheless prevailed and is still shared by some people in the community.

The following ruling has been obtained from the attorney of the school Board and from the Legal Division of the State Education Department.

"Unless a library budget is approved before the end of the fiscal year, the library will find itself completely devoid of funds and consequently will have to close its doors."

"The taxpayers are in a position to vote funds for the library annually as they see fit."

The adverse vote on the proposed budget immediately resulted in a curtailment of the library's activities. Purchase of new books had (continued on page 16)

AL ABOARD FOR THE SURF of the Atlantic Ocean at Tobay Beach, after Bay's Town ocean-front bathing pavillion, is the message of se. Town officials at a press preview of new facilities and installations last Friday. Toting the surf board used by Town lifeguards when season opens this weekend are, left to right, Councilman Peter B. Copp of Locust Valley, Councilman Edmund Ocker of Plainview, Town Attorney Edward Poulos of Syosset and Supervisor John J. Jans of Sea Cliff. At the very moment this bright, sunny picture was snapped, a thunderstorm was crackling over Hicksville. (Photo by Jim Healy).

Sign Division Marks Walks

Councilmen Henry J. McInnes and Edmund A. Ocker, members of the Town Board's Standing Committee on Traffic and Public Safety, today reported that the Town Sign Division is now engaged in the re-painting of more than eighty school crosswalks throughout the Town.

In accordance with the new regulations, all school crosswalk lines are being painted yellow. Also scheduled for re-painting, are safety stop lines on Town roads previously designated by the police Department at the request of the Safety Committee. The program also includes painting of white center guide strips on approximately 18 miles of Town roads.

Water Please

If county employees plant a tree outside your house, won't you please give it a drink now and then when you're watering your lawn? County Executive A. Holly Patterson is appealing directly to homeowners to help the county nurse these new arbores along to full foliage and maturity. A printed letter will be delivered to every neighbor by the men who are planting the trees. They'll need help over the hot summer ahead.

New Speed Limit

The Long Island State Park Commission announces that effective immediately a 45-mile-an-hour speed

limit has been established on the Long Island State parkways in Nassau and Suffolk counties. The previous rate was 40.

On The MALL

with Bill Nelson

I went back to school for two days last week... a school with a most serious purpose, that of teaching you and me how to survive.

As Plant Protection Manager for Mid-Island Plaza's CD program, I was invited to attend a seminar on Business & Industry at the new Manhattan Beach Instructor Training Center operated by the office of Civil Defense & Defense Mobilization (OCDM).

It was interesting, frightening and at the end of it all, it was quite heartening. It was heartening in the sense that I was made to realize that there IS a chance to survive in case of atomic attack. There was a lot of variation in the two days, running from a review of world history, to some physics, with a lot of common sense thrown in as well and that latter subject is most important. U.S. Intelligence reports indicate that Russia has a much better-prepared civilian population in terms of Civil Defense. It seems that ours is an education problem... we have to teach ourselves and see to it that others learn just a few simple things:

1. Warning signals and what they mean.
2. Your home-community and work-community-plan for emergency action.
3. Protection from radio-active fallout.
4. First Aid and emergency preparedness.
5. Use of CONELRAD: 640 and 1240 on your AM radio, for official directions.
6. How to provide suitable shelter at home well in advance, to protect from blast and / or fallout.

ALL the above information is readily available to you through your county CD office.

I've seen some far-fetched advertising in my time, but the one I saw the other day in a woman's magazine takes the Grand Prize. Can you imagine: "I dreamed I was bookends in my Maidenform bra?"

Gertz held a most impressive ceremony Saturday on the Mall with its Boy Scout flag-award ceremony.

That General Motors new car Show is now scheduled to be On The Mall, June 22 to 28, but cars will actually roll into Mid-Island on Friday night, June 19. There'll be all types and models as well as the Chevy Futurama exhibit in building #9.

Thanks to Pat Caputo, outgoing president of the Hicksville Chamber of Commerce, for a wonderful administration, and of course, congratulations to Aaron Rochman, new C of C proxy, installed last Saturday at Milleridge Inn.

Hicksville Kiwanis recently published a pocket-size Directory of Churches for Hicksville. They're available from your Hicksville Kiwanis Club or by contacting me.

I was most flattered to see mention of this column in a recent issue of Redbook magazine's publication, "Shopping Center Merchandising."

They route items of interest to all regional shopping centers. Of course, the fact that Hicksville's John Hiltz is Associate Editor might have something to do with it.

Winston Churchill once defined a Fanatic as: "One who can't change his mind and won't change the subject."

Allen Stuart, broadcasting from our WHLI booth on the Center Mall last week, interviewed Edward Fehrenbach, Assemblyman from Bethpage on the Hicksville Grade Crossing program and other items of interest in Nassau County. Fehrenbach, while realizing it's a real rough road to hoe when attempting to get State funds appropriated, still feels that "an elimination petition program can carry weight in Albany" and felt that the petition-signing campaign should be continued.

Al Gullone of Plaza Barber has been featuring a "Peter Gunn" haircut a la Craig Stevens of TV fame... seems to me the dropped part and short cut really came into its own some time before... isn't it really a Cary Grant cut?

During a recent convention of nuclear physicists at Las Vegas, one of the experts spent all his free time at the gambling tables. A couple of his colleagues were discussing their friend's weakness.

"Mueller gambles as if there were no tomorrow," said one.

Commented the other: "Maybe he knows something!"

Minister Is Visiting Here

Cecil Jones, supervising minister of the 19th Congregation of Jehovah's witnesses on Long Island, is making his semi-annual visit to the Hicksville congregation.

During the current week, Mr. Jones will supervise as well as participate in the activities of various Bible study groups and visit the homes of many persons

in the Hicksville area who are now studying the Bible with local members.

Mr. Jones' visit will be climaxed with a public talk entitled, "What Is the Divine Will For Our Days?" This interesting Bible talk will be given at the Kingdom Hall, Burke Avenue and 22nd St., Hicksville, this Sunday May 31 at 4 P.M.

Are You Short In Your Escrow Payments Friend?

by Ralph Diamond

Most of our residents who are making monthly mortgage payments to the Bank are not aware of the fact that there is a great possibility that the amount they are paying is inadequate. This writer made a survey of over 20 homes in Birchwood and found that in each instance the amount being paid monthly into the escrow fund is less than the amount required to pay for the Town and School Taxes.

Below is a table to indicate in general the amount of monthly payments required to meet the tax needs during the calendar year of 1959:

SCHOOL DISTRICT	ASSESSMENT	MONTHLY PAYMENTS REQUIRED
Syosset	\$18,000.00	\$54.57
	9,000.00	61.39
	10,000.00	68.21
Jericho	9,000.00	54.40
	10,000.00	60.45
	11,000.00	66.49

The monthly tax amount required to be paid should be compared with the figure appearing on Column 2 on your last Analysis of Escrow account, which you received from the mortgage bank. Please note that you should only add the Town and School Tax and nothing else when comparing the monthly amount you are now paying, to the amount you should be paying as indicated in the above table.

This survey does not in any way take into consideration the possibility that some residents may be receiving a Veterans Tax Exemption. Please note further, that as of Jan. 1, 1960, the full impact of the increased school taxes will be felt once again, increasing the required monthly escrow payments. This article is written aware of these facts, to correct any situation, but to make our residents aware of the fact that they are not shocked at the end of the year when they find that they have a shortage. Our residents should also be aware of the fact that most likely, not only will their monthly payments increase, but a shortage will have accumulated by Jan. 1st. The mortgage bank in the past has spread the shortage over the 12 month coming period.

One of the most important factors in determining the tax dollar is the amount of our assessments. In order to help clarify the problems concerning assessments, our Civic Association has invited the town tax assessor authorities to our next general meeting to be held on June 4th at the Jackson School. We sincerely urge every resident to attend an interesting and informative meeting, and become more familiar with the problems concerning your tax dollar.

(Editor's Note: This is the first of two articles on this subject).

Bd. Will Fight Gas Station

by David A. Mark

The Board of Directors of the Civic Assoc. has voted to oppose by every means any application to the Town Board for the operation of a gas station at Merry Lane and Jericho Turnpike.

After consideration of the report made by its zoning committee, the Civic Board agreed that "spot zoning" is a detriment to any community and can not be condoned. Arreuous objections will be raised to the Town Board, in the event that gas station permits are applied for. The Board of Directors decided to devise petitions for circulation through our community and requested that the VILLAGER give adequate publicity to point up the problem. The Board's executive committee will advise prospective applicants for gasoline permits of the Board's decision to oppose such permits and report further.

OPPOSE DIPLOMA PLAN

The Syosset district education committee reported that the Syosset school budget had been approved, and a \$10,000 summer school budget had been voted for. The Board agreed to support the committee's objections to a new diploma plan being considered in the Syosset school district. This plan would provide a regular diploma for students averaging above a B and a certificate of achievement for those below. Agreeing that this division, which is not universal in Nassau County, might carry a stigma and make college entrance or job seeking difficult for certificate holders, the Board will oppose this plan and send a letter of objection to the Syosset School Board.

Copies of the revised constitution of the Civic Assoc. have been sent to all Board members and they will vote on its acceptance at a special meeting on June 2.

The Youth Committee has completed its activities and recommended that a dance be planned for the youth group. An ap-

propriation of \$45.00 was requested, and granted.

The Sports Committee reported that four self-sustaining 10 man teams are playing in the baseball league. Each player contributed \$5.00 towards expenses.

The Entertainment Committee reported that the May 16 Spring Hop was a social success but a financial failure. The deficit amounted to approximately \$96.00.

The Financial Secretary reported that to date, 387 member families had sent in their Civic Assoc. dues. Of this number, 359 were renewals and 28 had not belonged before. Residents were joining the Assoc. at a faster pace than at this time last year.

The Block Captain Committee reported its activities in getting out the school votes and selling tickets to the Spring Hop. Three new captains had joined but many more are still needed.

The Treasurer and Finance Committee presented an estimated budget, but discussion was tabled until each Board member received a copy for study. The two vice-presidents will advise all committee chairmen that no committee is empowered to expend more than \$50.00 without the approval of the Board.

BACK AT ELIMINATION

The Board moved to endorse a petition to Gov. Rockefeller to expedite the elimination of railroad grade crossings in Hicksville.

Thursday, June 4, is the date of the next general meeting. An official from the tax assessor's office will be one of the speakers.

Membership 400

Membership in the Civic Assoc. has reached the 400 mark. A second notice of dues will be sent out before the end of the month. All members and new home owners who desire to join for the current year are urged to send \$5.00 to Horace Bernstein, 38 Forsythia Ln., Jericho.

FLASH

Dual Diplomas Defeated! The Syosset School Board, by a vote of 5 to 3, with one abstention, turned down, for the second time, a proposal to award two separate diplomas for High School graduation. (Editor's Note: See report of Civic Assoc. Board of Directors for details of this question).

Civic Profile

by Gilbert B. Stein

Herbert J. Shapiro, our CIVIC PROFILE for this issue, has been "around" ever since our Civic Association was organized. During the past three administrations he has functioned as its chairman of the Board of Directors. His past contributions to our civic life here at Jericho are many. For close to two years he just about single handedly held on to the Lion's Tail, negotiating with the builders - Sashnow & Schwartz, in order to get Birchwood at Jericho homes completed. He is a veteran of our famous "Country Club" and "Gas Station" battles and one of the few original Civic Association Organizers and Leaders serving on our present Board of Directors. Herb will be the first one to admit that, as progress will have it, conditions, outlook, problems and program have undergone a great deal of change during the past three years.

Herbert J. Shapiro, aged 44, is married for the past 17 years to a well known Jerichite in her own right, Daughters Davida, 11, and Lenore, 7, as well as his mother-in-law keep things hopping at the Shapiro Splitlevel abode on Hazel-

QUESTION: How is your social life?

ANSWERS:

CAROL LERNER, age 16, of 31 Fall Lane: "My social life is adequate. A recreation centre in Birchwood would help us teenagers get together."

LOIS GREEN, age 16, of 107 Forest Dr: "Terrible. Where are all the boys?"

DENNIS WEINER, age 17, of 54 Maiden Lane:

"Miserable. Nothing to do and no where to go without a car. The community is cliqued off in sections and streets."

BRUCE ALTMAN, age 17, of 26 Mulberry Court: "Pretty good. Have been going steady with Ellen Liebowitz of Merry Lane for two years. For other teenagers it seems harder to meet socially here than in the city." (All photos by Al Lyons).

Civics to Hear, Quiz Tax Authorities

by Gilbert B. Stein

Fellow Birchwoodites and Tax-Sufferers: Get out that social calendar and circle with red ink, the evening of Thursday, June 4. At 8:45 PM, your Birchwood Civic Assn. will hold its next General Membership meeting at the Auditorium of the Geo. A. Jackson School, and the theme will be: "Taxes".

Now that most laws are in, partly finished, and home improvements completed, scores of us have been "blessed" with increased Tax Assessments. This, in turn, has given rise to many questions which residents have voiced. They range all the way from a simple "why" to a more direct "why so much?" to a most emphatic: "what can we do about it?"

Your Civic Assoc. is happy to report to you that two prominent Guest Speakers have accepted our invitation to address this Community on these topics, the evening of

June 4th. These gentlemen are Frank Vulture, Member of the Nassau County Board of Assessors and David Welsh, Receiver of Taxes, Township of Oyster Bay. Both Gentlemen have promised to enlighten our fellow residents on the various aspects of the Assessment, Receipt and Collection of Taxes. The floor will then be thrown open for questions to these gentlemen. We can promise our members a very interesting and possibly profitable evening.

To those residents who wish to attend this meeting but have failed to pay their annual Civic Assn. dues to date (fiscal year started March '59) may do so the evening of June 4th, when special facilities will be set up to facilitate the collection of membership dues, in as much as a record turnout is anticipated, we suggest that you arrive early. Remember, the date: June 4th, Thursday evening, 8:45 PM. Geo. A. Jackson School Auditorium.

Children Acclaim Wizard of Oz

by Blanche Karpel

The Jericho Players of the Birchwood Civic Association have done it again! They have chalked up their third major success! On May 23 they presented "The Wizard of Oz" at the Jackson School. They played to two full houses with standing room only! The show was received with vigorous enthusiasm by its audience, the greater part of the "younger set" of the Jerichite area.

One must applaud the direction of Larry Singer and his able assistant, Beverly Bogen, for a superior presentation. The children were most receptive to Barry Jeffrey in his portrayal of the blustering, cowardly lion, which he did to perfection. Thanks to her gift as a versatile actress, Dale Berg turned in a delightful performance with her antics as the brainless Scarecrow. Ellie Kramer as Dorothy endowed her work with a great deal of personal charm.

It is hard to believe that this "teen-age" looking gal is the mother of three children. Isabel Davis as the Tin Man gave such a convincing performance as the heartless woodsman that many a child shed a tear in pity for her plight. The Great Wizard himself, Al Ross, gave out with great gusto. Harris Ann Kessler as the dog Toto, Anne Fischer as the Witch of the

North, Selma Gold as the Guardian of the Gates, Miriam Raff as the Witch of the West, Beverly Bogen as Glinda the Good, and Lois Green as Florida each gave a most creditable interpretation of their roles.

I must indicate my admiration for the costumes; Irene Cohen, she made the metamorphoses of our players so thoroughly convincing with her clever costumes that one could hardly recognize them as our neighbors! Al Ross did a terrific make-up job and also aided Nat Fischer with the scenery. Of course there were always Mimi Gruber and Blanche Karpel behind the scenes as Stage Manager and Business Manager respectively. Last but far from least was the adorable performance of the Munchkins -- Wendy and Shelley Bogen, Ricky Kops, Paul Zazlow, and Eileen Weobas.

"The Wizard of Oz" was the most outstanding production of the season, and has certainly contributed to the prestige of the Jericho Players. The enthusiastic response of the children of the community certainly indicates that there will be a great demand for much more performances in the future. Many thanks to the dedicated and versatile actors and actresses of the Jericho Players, who with "The Wizard of Oz" have attained a true professional status.

My ace number one snooper informs me that the Jericho Jewish Center's grand Musical Comedy, "Marriage Is So Legitimate", has

incorporated a fashion show in one of its scenes. In what promises to be the ultimate in "how fashionable can milady be", the chorines of this show will be bedecked with a wide array of "attire for all occasions" -- and the "piece de resistance" will be their sporting "hair to match outfits". This should be something! The outfits worn by the models were obtained thru the courtesy of Bonwit Teller of Fifth Ave. Don't forget the date Saturday evenings May 30 and June 6.

The next meeting of the Tri-Town Aux. to AHRC tonight May 26, will be at the Willets School, Syosset at 8:30 PM. At this time election of officers will take place. The slate as presented by the nominating committee headed by Mrs. S. Kutell is: Pres; Mrs. Rose Levine, VP 91st Mrs. Gloria Leeds 2nd VP Mrs. Lila Water, 3d VP Mrs. Barbara Laub Treasurer Mrs.

Harriet Fine, Rec. Sect. Mrs. S. Schulman Corr Sect. Mrs. Claire Pladkin, Fin. Sect. Mrs. Rose Holzman Soc. Sect. Mrs. Betty Godstein.

"Tuesday, June 2nd, the Sisterhood of the Jericho Jewish Center will hold their last meeting of the year. The program will include installation of all new members of Sisterhood, plus a delightful show under the able direction of our own talented Lil Lubin."

Leave it to the children of Temple Or Elohim who deserve a commendation for turning over their proceeds and buying a projector for the Temple's use. Monies came from selling Passover cookies.

Happy Birthdays to the Reifs of Maytime Drive, Jacklin Jared of Favorite Lane, and Eileen Solomon (over 21) of Favorite Lane.

Jeffery Wagreich of Birchwood Park Drive was awarded a "Student aid foundation grant" of \$500 by the Abbott Laboratories. This goes towards his freshman year in College. His parents are mighty proud of their boy. Loads of luck to all!

Someone in Birchwood lost a black poodle. Al, a Cities Service man, found the dog and wants owner to call Cities Service for information.

Karen Solomon of Favorite Lane went out with Judith Langman of Forest Drive to canvas for City of Hope on Favorite Lane. These two children collected \$21. The grown-ups can take a lesson from them.

Sincere Condolences to Mrs. Dolores Kass and Daniel Sirota on the loss of their Beloved Father.

Born Voyage to Mr. and Mrs. Abe Horn of Hightop Lane leaving for Europe on May 29. Wish I could stow away!

Sec., Sherry Mishkin; Treasurer, Sylvia Eisenberg; Financial Sec., Rose Falzack; Recording Sec. Harriet Cohen; Social Sec., Gertrude Rosenberg.

On Tuesday Evening June 9, at 8:30 pm, the Scout Mother's Club of Troop 129 will be hosting a Mah Jongg Game and a Card Party. The Jericho Jewish Center will be the site for this event and tickets are priced at \$1.00. This affair should be a "must attend" for all parents of boys who are members of the pack or troop because all proceeds will benefit the scout movement.

My ace number one snooper informs me that the Jericho Jewish Center's grand Musical Comedy, "Marriage Is So Legitimate", has

incorporated a fashion show in one of its scenes. In what promises to be the ultimate in "how fashionable can milady be", the chorines of this show will be bedecked with a wide array of "attire for all occasions" -- and the "piece de resistance" will be their sporting "hair to match outfits". This should be something! The outfits worn by the models were obtained thru the courtesy of Bonwit Teller of Fifth Ave. Don't forget the date Saturday evenings May 30 and June 6.

May 30 and June 6.

The next meeting of the Tri-Town Aux. to AHRC tonight May 26, will be at the Willets School, Syosset at 8:30 PM. At this time election of officers will take place. The slate as presented by the nominating committee headed by Mrs. S. Kutell is: Pres; Mrs. Rose Levine, VP 91st Mrs. Gloria Leeds 2nd VP Mrs. Lila Water, 3d VP Mrs. Barbara Laub Treasurer Mrs.

Harriet Fine, Rec. Sect. Mrs. S. Schulman Corr Sect. Mrs. Claire Pladkin, Fin. Sect. Mrs. Rose Holzman Soc. Sect. Mrs. Betty Godstein.

"Tuesday, June 2nd, the Sisterhood of the Jericho Jewish Center will hold their last meeting of the year. The program will include installation of all new members of Sisterhood, plus a delightful show under the able direction of our own talented Lil Lubin."

CIVIC PROFILE

(cont. from Villager 14 pg)

wood Drive. The Shaprios migrated here from a Brooklyn apartment. They have the distinction of having experienced at least two (and possibly more) brush fires in their back yard during the past year. Luckily, both happened on weekends, when our voluntary smoke eaters were able to respond quickly. Herb, together with his fellow Birchwoodite and brother-in-law Nat Fisher (also of Hazelwood Drive), owns and operates an

Installation Sales Business in Hempstead. A six day week and late evening work hours have never held back Herb Shapiro from taking an active part in Birchwood Community life and projects.

Herbert served overseas during World War II and had several most interesting assignments. While on detached service with headquarters at Cairo, Egypt, he published an Armed Forces Newspaper (News of the Day). For close to three years, while serving in the Near and Middle East, he spent considerable time in the then British Mandate of Palestine, where he observed the preparations then being made for the soon to be established State of Israel.

The Shapiro phone never rests. David and Lenore, of course, feel that it was put in for their own. Rose Shapiro, as President of our Jackson School PTA and Herbert, Trustee of Jericho's local Basil Frith Lodge and chairman of our Civics Board of Directors, are constantly "communicating" with all the many cogs and all the many wheels which make Birchwood at Jericho the ultimate in "over-organized" suburban communities.

Herb, while socially one of the most charming and entertaining of men, takes his civic duties seriously and must be considered a formidable opponent who can, at the drop of a remark, become a slashing and effective fighter for what he believes is best in the interest of our community. His hobbies are reading books and listening to good music. He visions our Community as one which effectively solves its own problems through our Civics Assoc. He looks forward to its sponsorship of cultural programs to include yearly series of lectures, performing guest artists and, of course, concerts and soloists featuring the best in music and entertainment. He would like to see a full adult education program take shape in Jericho. He describes all this as a real integrated program for Community Education, Betterment and Enjoyment.

Having held public office here for the better part of three years, Herb has been exposed to both criticism as well as applause. Regardless of the issues however, he has never sought the easy way out. He has always called the shots as he saw them, caring enough about these green suburban acres and the people living here, giving up a great deal of his spare time, in order to serve Birchwood at Jericho through its Civics Assoc. Those of us who love our homes and our Community and those of us who take pride in the many local accomplishments in the fields of community betterment and protection, ought to say "THANK YOU" to Herbert J. Shapiro for doing more than his share towards these accomplishments.

Blood Bank Here June 25

Lou Alter, chairman of the Jericho Blood Bank, which is sponsored by the Jericho Jewish Center on a non-sectarian basis, reports that the emergency requirements of blood has aided several people who are non-residents of Jericho. Blood was readily made available to them because they were either friends or relatives of Jericho Blood Bank members and the blood drawn was replaced.

This is cited as a reminder to the residents of Jericho upon the importance of joining the Jericho Blood Bank. One pint of blood donated by each family makes that family a member and eligible to draw blood if an emergency arises.

The Bloodmobile will be at the George A. Jackson School on June 25. For full and complete details call Lou Alter at WE 5-0066.

In the recent election held by Sigma Beta Chi Sorority of Hofstra College, JOAN M. LONGARO of a Corner Rd., Plainville, was elected president.

REFRESHER COURSE

You can give your bedroom a fresh look by making a few simple changes in color and accessories. Begin with gay, easy-to-understand spreads and draperies. Wonderful flowery versions are designed to cheer you through the hot weather season. Something new for the wall, be it picture or a hanging lamp, will contribute to perk up the room. Add a few machine-washable throw rugs for comfort.

Any one of the above suggestions are good. However, we would like to show you why custom-made, professionally installed draperies will give you the most value the most refreshing touch. Stop in this week for particulars. For full satisfaction look to the custom work at this:

Wm. M. Gouse, Jr.
Post 3211, Hicksville
By LOU PALLADINO

Our new commander, Bob Ober-
meyer, conducted his first meet-
ing, and did very well indeed. Add
to this his pleasure at receiving two
new members, and the swearing in of
one of them and you have quite a
job on your hands. If he works half
as hard as commander as he did
before, we should have a very good
year. He's a sincere and industrious
worker. He's soon to leave the
realms of bachelorhood as he is
being married in July. We may be
wrong, but we believe he is the first
commander that was active in the
so called Korean police action. He
is the first in our post. To this com-
rade we wish every success.

Now back to the two new members
mentioned before. They were James
L. Jordan, who was sworn in, and
Charles J. Giardinello. We are happy
to welcome you as one of us, and if
you decide to check on the post you
have just joined, you'll be surprised
at what a good outfit you are now part
of. Try to get out and be active to
really enjoy the post. The more you
put into it, the more pleasure you'll
get out of it.

We are looking for volunteers for
our paint detail. The day for this
endeavor is June 6 and 7. The more
men that turn out for this, the quick-
er it will be completed, and easier
for all concerned. In order to have
our headquarters looking well,
it takes a little more effort on every-
body's part. So let's get together
fellows and get this over with.
Les Iehle reported that we signed
up for a carnival to be held in Sep-
tember. This is still some time off,
so we won't go any further. It's
been a long time since we had one
though.

We received a letter from a nurse
at Farmingdale Hospital. Our de-
ceased comrade, Tom Kreszewski,
didn't seem to have any family and
she took care of his burial, which
was a wonderful thing on her part.
Doing all this, she extended her
thanks to us for the floral piece
and services we had for him. We
probably did a good job, but I be-
lieve it should be us thanking this
wonderful woman for taking care of
a comrade who seemed to have no-
body. So here and now we say to
this gracious lady, thank you. Makes

this world seem like a very nice
place after all.

The Waldens are having more than
their share of grief. After Millie
lost her mother, her father took a
stroke and is still in the hospital.
Millie girl, it is hard we know, but
try to accept this as part of one's
life, and do take care of yourself.
George also lost an aunt and uncle
in the same week. It never rains
but it pours.

At this time we wish to extend
our T.S. slip to George Kolm. His
name was picked in the capsule
drawing and he wasn't there to
receive. So it will be added onto
the next drawing at the next meet-
ing.

Also wish to report on the "big
fix". Jim Rock pulled our new com-
rade, Jim Jordan, to pick his name
in the post raffle. Understand he
pulled rank, and seemed to have
gotten away with it. We will just
have to watch a little closer at our
next meeting.

Successful Year for Sr Hi P-TA

The Hicksville Senior High School PTA, this past Thursday evening concluded a most successful year.

After the induction of the new officers, Henry Lensky as President; Mrs. Charles Glaser, Vice Pres; Mrs. Frank Muller, Treasurer, Miss Mildred Clark, Recording Secty. and Mrs. Alfred Koch, Corresponding Secty., a display and demonstration of the various areas of instruction in the high school was offered. It was extremely interesting and very well done.

This past year introduced several precedents that will be an inspiration to the members of the organization in the years to follow.

On Nov. 3 the teachers and their respective classroom representatives were introduced at a PTA tea given by Mrs. Appleman, Classroom Representative Chairman, and her co-chairman Mrs. Cannizaro, with of course the splendid help of Mrs. George Malm, Refreshment Chairman. This was a "first" and was the beginning of the friendly co-operation that was enjoyed throughout the year.

The Membership Chairman, Herbert Backman, set a goal in September of 600 members. With the help and co-operation of the teachers and students, a final membership of close to 800 was achieved.

The Scholarship Chairman, Mrs. Irving Fishman, did a truly outstanding job. With being able to get the people to cover only one quarter of the district, Mrs. Fishman and her Committee raised almost \$900. This, with the proceeds from the General Fund, and Miss Pegge O'Connor's dance recital, will enable the PTA to award at least three scholarships of \$600 each to three of their own deserving seniors.

Finally on Teachers' Recognition Day on May 19, the teachers were each presented with a boutonniere by President Lensky, and members of the Future Teachers of America visited the classrooms and presented each teacher with, what else -- a big red apple.

All of the Senior High PTA Committees worked hard and willing with wonderful co-operation on the part of the administration and the above are just a few of the outstanding accomplishments that made it a year to be proud of.

Discuss Local Govt

The Hicksville Democratic Club will next regular meeting tonight (Thursday) at their Headquarters at 14 Herzog Place, will have as its program "Local Government - a Hodge Podge", a discussion by local Democratic leaders Mayor Joseph Suozzi, of Glen Cove and John Nance, candidate for Supervisor of the Town. The public is invited.

OBITUARY

MARY HEALY

HICKSVILLE - A Solemn Requiem Mass will be offered at St. Ignatius Loyola R.C. Church tomorrow (Friday) at 10 AM for Mary Healy (nee McGuire) of 120 Division Ave., here, who died May 27. Burial will follow at St. Charles Cemetery. Mrs. Healy, who is now residing at the Henry J. Stock Funeral Home,

is the widow of the late Thomas. She is survived by two sons, Gerard and Deren; two daughters, Virginia Burtis and Irene Heberer and nine grandchildren.

CATHERINE POITRAS

HICKSVILLE - The Charles Wagner Post American Legion held services at the Henry J. Stock Funeral Home, Sunday evening for Catherine Poitras (nee Steinert) of 41 Broadway, here, who died May 21. Religious services were held Monday at 9:45 AM with Rev. Richard K. Muck officiating. Burial followed at St. Michael's Cemetery. Mrs. Poitras, the widow of the late Charles P., is survived by three sons, Harry, Michael and Charles; two daughters, Amy Jole and Catherine Clark; three sisters, Christine Jockel, Florence Tumm and Bertha Mawheny; twelve grandchildren and one great grandchild.

JOSEPHINE ALONGE

HICKSVILLE - Josephine Alonge, (nee Farruggia) of 44 Charles St., here, died May 24. She resided at the Henry J. Stock Funeral Home until today (Thursday) when religious

services were held at 9 AM with Rev. C.E. Faust officiating. Interment followed at Pineslawn Memorial Park.

Mrs. Alonge, the widow of the late Joseph, is survived by a son, Carl; three daughters, Mae Munisteri, Florence Boffetta and Rose Puccio; a brother, Angelo Farruggia of California and four grandchildren.

Golden Wedding

Mr. and Mrs. Leonard H. Brand of 17 Park Ave., Hicksville, celebrated their golden wedding anniversary on Sat., May 23, with open house for friends and relatives.

Mr. and Mrs. Brand were married on May 19th, 1909 in the Methodist Church. Their attendants were Gertrude Van Size (now deceased) and Arthur Huettner of Hicksville. They have one daughter, Mrs. Ella Brand Robinson of Stamford, Conn.

READER OPINION

(continued from page four)

to be discontinued. Outstanding orders had to be cancelled. No action could be taken on the few applications which had been received for the position of Children's Librarian. The only well-qualified person who was willing to accept this position at the salary included in the budget has since found employment elsewhere.

When the present library quarters were rented in 1951, Bethpage was a community of 3,950 residents. It is obvious that library quarters intended for such a small community are grossly inadequate for our present population.

	1951	1959
Residents Registered	3,950	17,509
Borrowers	851	8,448
Book-Stock	7,610	11,555
Circulation	11,833	10,000

PER YEAR PER MONTH

The figures show that the population has increased four times, the number of registered borrowers ten times and the circulation twelve times, while the size of the library facilities has remained almost the same. It should also be noted that the book stock in relation to population is now smaller than in 1951. No further increase in the book stock is possible in the present library quarters.

When the taxpayers of the district are called upon to cast their vote on the revised library budget on June 16, they should keep in mind that the Public Library is the only educational institution in the community which is open throughout the year to young and old alike.

In 1958 the population of the Long Island Lighting Company's service area increased by more than 55,000. In eight years the population of this area has almost doubled. It now totals 1,879,000. With this growth have come vastly increased needs for dependable gas and electric service. LILCO not only has kept pace with this demand but also has taken steps to prepare for even greater requirements in the years ahead. Before power plants and electric and gas transmission facilities can be placed in operation, advance planning, financing and construction may take several years. By looking, planning, and building ahead now, LILCO will be able to provide the additional facilities sure to be needed later.

As a business-managed, tax-paying gas and electric company, LILCO supplies your needs for utility service—and prepares for the future—without the help of your tax money. Instead, LILCO, like other independent utilities, is a large contributor of federal, state and local taxes. By serving you, by planning for the future, and by sharing your tax burden, LILCO and its thousands of employees are your partners in community growth and development.

Lutheran Laymen Elect Eisemann

At the May 25 Dinner Meeting of the Lutheran Laymen's Assoc. of Nassau County, Richard Eisemann representing St. Stephen's Evangelical Lutheran Church of Hicksville was elected President.

Other officers, members of some of the 50 Lutheran Churches in Nassau County, elected at the dinner were: Vice-President, P. M. Drühl of Baldwin; Secretary, A. Oller of Massapequa; and Treasurer, W. Krohn of Lynbrook.

Charles Krumenacker Sr., Sal Frisa, and Jack Stephens, part of the 21 members of St. Stephen's present, also served as members of the Dinner Committee.

Following the dinner, the new officers were installed by Rev. C.J. Kettler. The evening ended with the Guest Speaker, Sanford A. Davison calling on his knowledge of law as the result of 56 years of experience, and his research in the Bible and history, presenting, "The Legal Aspects of the Trial of Jesus Christ."

Norman Barshai, of 153 Park Avenue, Hicksville, was honored at the student assembly at the Philadelphia College of Pharmacy and Science last week for participation in extra-curricular activities. Barshai, who is a senior student majoring in Pharmacy there, was a member of the staff of the GRADUATE which is the college yearbook, and was Co-Editor of the Panacea, the undergraduate student publication.

Celebrates Confirmation

Vincent Braun, Jr., son of Mr. and Mrs. Vincent Braun of Third St., Hicksville was guest of honor at a dinner party on Sunday evening, May 17th. The dinner, held at Henningsen's, celebrated Vincent's Confirmation at St. Ignatius R.C. Church, Hicksville on that day.

Dinner guests were: Mr. and Mrs. Braun, Mr. and Mrs. William Braun, grandparents; Miss Dolores Braun and Clarence Braun, Godparents; Bernard Braun, Fritz Braun and Miss Josie Braun. Also present were Vincent's sisters, Andrea, Beverly and Cynthia.

Booster Days Start June 3

Hicksville National Little League has announced the days that it will run its annual fund drive. Little League Booster days will be from next Wednesday, June 3, through Sunday, June 7.

All the Little Leaguers will be in full uniform canvassing their

friends and neighbors to come to the support of the National Little League. They will be selling The National League Booster stickers; and all contributions go toward the support of the National League.

This year the National Leagues registration has run in excess of 750 boys, all of whom are playing ball in the organized games.

Remember the dates, Wednesday June 3, through Sunday, June 7; and welcome your Little Leaguers when they come calling; and support them with your contributions.

Mothers in Homage to May Queen

"Oh Mary, we crown thee with blossoms today, Queen of the Angels, Queen of the May!"

As the words of this magnificent hymn echoed through the auditorium of St. Ignatius Loyola school in Hicksville, the Congregation of Christian Mothers paid joyful homage to their heavenly Queen at their monthly meeting, Monday, May 25 at 8:15 p.m.

Mrs. John Bodger directed the Mothers' Auxiliary choral group in an appropriate selection of Marian hymns as Mrs. Elmer Breschard, President of the Auxiliary, presided at the traditional May crowning ceremonial.

It was announced that Francis Callan, 41 TwinLaws Ave., Hicksville, an 8th grade pupil of St. Ignatius School, with the help and guidance of his instructor, Sister M. Bona, O.P., had participated in an oratorical contest held at St. Francis Preparatory School, May 16, and had been awarded second place

honors out of a group of 240 contestants. The Mothers were privileged to have Francis present his award winning speech titled "My Favorite Character in History". His obvious talent is a credit to his teacher, his parents, and the school which he so proudly represented.

The Rt. Rev. Monsignor James F. Coffey, rector of St. Plus X Seminary, Hempstead, delivered an appealing address on the theme of "Vocations and Mary". He reminded the Christian Mothers of the humble words of the Mother of God "Let it be done to me according to Thy Word." Monsignor Coffey cautioned the Mothers to offer their child to God with their whole heart and to trust in Him for guidance, especially in the matter of vocations. "Help your children to be what God wants them to be," he said, "and lead them to qualified people for advice."

Mrs. Warren Riker, chairman of the Nominations Committee, announced the annual election results as follows: President, Mrs. Margaret McMorro; Vice-Pres., Adelaide Lynch; Treasurer, Margaret Brown; Corresponding Secretary, Beatrice Montalbano; and Recording Sec'y., Rita Schlosser.

Formal installation of these newly elected officers will be held at the final meeting of the term on June 22nd.

Local Graduate At West Point

Thomas W. Gilligan, 22, son of Mr. and Mrs. William E. Gilligan, 49 Glenbrook Rd., Hicksville, will be graduated June 3 from the U.S. Military Academy at West Point, N.Y.

Gilligan will be commissioned a second lieutenant in the artillery branch and will receive a bachelor of science degree. At West Point he was active in the Catholic choir, gymnastics, Spanish and pistol clubs.

Appointed to the academy by Representative Stuyvesant Wainwright, Gilligan was a cadet sergeant during his senior year.

Band Receives Highest Rating

On May 22, at the Baldwin High School, the Hicksville Public Schools sent over 700 student musicians to compete in the Annual Spring Festival sponsored by the New York State School Music Association. Among the bands which competed, the Hicksville High School Band rated a perfect 6A rating.

The Junior High School Select Band attained a 4B rating. The Junior High School Orchestra a 2B rating, and the Junior High School Training Band went as a Festival entry, meaning that they attained no mark but went simply for constructive criticisms. The Old Country Road band went also as a Festival entry, and the Fork Lane band received a 1B rating. Both the High School Orchestra and Mixed Chorus went in Festival and received excellent comments.

The High School Band received 18 straight A ratings out of a possible 18. This is one of the few bands in New York State to achieve this distinction. The music played by the High School Band was in the most difficult category as listed by the New York State School Music Association Committee. The adjudicators who heard the band were Robert Grant of Olean, and Captain Thomas Darcy, Jr. former director of the United States Army Band.

Charles F. Gouse, Instrumental Music Supervisor of the Hicksville Public Schools was director of the Hicksville High School Band.
