Legion Convention Lauds Mid Is Herald

The Nassau County Committee of the American Legion in convention assembled on June 20, 1959, adopted the following Resolution according to County Adjutant William D. Irwin:

"Whereas, the Mid Island Herald of Hicksville, NY, issued a special supplement devoted to The American Legion upon the occasion of our 40th Birthday, thereby enlightening many people as to the policies and purposes of The American Legion, Now Therefore,

"Be It Resolved, that the Nassau County American Legion in Convention assembled in Glenwood Landing, June 17-20, 1959, record its thanks and appreciation to the Editor and Publisher of the Mid Island Herald."

The special material for the edition, published on Mar. 19, was developed by Arthur Rutz of the Charles Wagner American Legion Post of Hicksville.

Carpenter Stays in Office As President of School Bd

Allen S. Carpenter was re-elected for his second term as President of Hicksville Board of Education at the annual re-organization meeting, Tuesday night. The Board will hold its first regular meeting of the new fiscal year this Friday at 8:15 in the teachers' lounge of the Senior High School.

Jerry Zettler was elected vice president of the Board, succeeding Herbert Johnson, and Walter Schreiber was elected secretary in place of Zettler. Fred J. Noeth was re-named as District Clerk with a scant four approving votes. Robert Eaton voted no while Robert Goodrich and David Hurwitz abstained.

Aurelio Gelardi was re-named District Treasurer and Solomon Newborn will do the annual audit for 1958-59 as well as quarterly audits during 1959-60.

When the Bethpage School Board met Tuesday night they elected Anthony LoFaso president and Richard Tilley to the vice presidency.

The law firm of Orfan and Rosenthal of N.Y.C. were appointed attorneys for the district, both partners are local residents.

Mrs. Irene Fitzmorris, secretary to Supt. of Schools Bryan, was appointed Clerk. Other appointments were tabled for the next meeting to be held Tuesday, July 14, the regular monthly meeting of the Board.

Exempts Near 20th Birthday

The Hicksville Exempt and Benevolent Firemen's Assoc. Inc. will celebrate its 20th anniversary with a dinner-party at the Old Country Manor in Hicksville on Sept. 19.

Harold Manaski is chairman of the committee in charge with Robert Hammond, secretary; George Frey, treasurer; and members Phil Schlosser, Medard Oenloch and Edward Elsemann.

Bank Officers Honor Mr and Mrs Wm E Koutensky

WILLIAM E. KOUTENSKY, president of the Long Island National Bank of Hicksville and his wife, Loretta, were honored at a testimonial dinner at the Viennese Coach by the officers and Board of Directors of the Bank, July 1. The occasion celebrated Mr. Koutensky's 40th year with the bank. The plaque held by the guests of honor reads as follows: "To Loretta and Bill Koutensky on the occasion of Bill's 40th year with

the LI National Bank of Hicksville for the example they have set for the people of Hicksville in their faithfulness, loyalty and love for each other and for the reflection of that love in their everyday, year in, year out contribution to the well-being and growth of Hicksville." Junior Theatre Feature of Playgrounds

The Hicksville School District Summer Recreation has taken on another activity for the first time in history of the recreation program. A theatrical group called the Junior Theater has been organized, according to Joseph F. Madden, director. This group is designed for the elementary school children who have a serious interest in dramatics. The Junior Theater is currently meeting at

the Junior High School 9 to Noon every day, Monday through Friday.

This summer the group is engaged in an operetta entitled "Four Feathers West" which will be presented during the first week in August. This delightful musical tells the story of a group of children who are exploring for magical powers and who end up in a never-never land filled with fairies, a

perky rabbit, a pirate captain, and a little old lady much resembling Old Mother Goose. Those of you who later see the play will notice a slight resemblance between this and the very familiar "Peter Pan" Madden said.

The children are enthused and the principals have been selected. They are - The Explorers: Pris-

IN A PRE-Independence Day special feature at the Hicksville Summer Playgrounds, Friday, winners of Uncle Sam and Miss Liberty dress competitions were chosen at several of the elementary schools. Here are the contestants lined up for judging at East St. School.

Races and contest were held later in the day. East St. winners included Bart Savino, Patricia Schumeyer, Danny Smith, Eileen Brennan and Ann Brennan. (Herald photo by Frank Mallett)

Cited as Student Journalist

THOMAS BEAN, 17, son of Mr. and Mrs. William Bean of 14 Meadow Lane, Hicksville, with School Principal Leon Galloway (at left) and Kiwanis Club President Patrick Caputo, was singled out from among 458 entrants for a merit citation in Journalistic Achievement in the First Annual NBC Fellowship Award. A June graduate of Hicksville High, Tom was a guest of honor at Hicksville Kiwanis last week where the bronze plaque he earned for Hicksville High was proudly exhibited. He also received a Smith-Corona portable typewriter. He was one of two Long Island winners in the NBC competition. His report on the NBC Broadcast News conference was published in the April 2 issue of Mid Island Herald, which became the basis for his entry. Winners were selected by a board of judges, including Edward W. Barrett, dean, Graduate School of Journalism, Columbia; Bob Considine, Chet Huntley, Pauline Frederick and NBC News Editor Sam Shazky. Tom was originally interested in the competition by Dr. Donald Wilsey of the High School English Dept. (Herald photo by Frank Mallett).

Paper Features Jeannette Fardy

Jeannette Fardy, of 7 Boxwood Lane, Hicksville, had the distinction of being featured in the June issue of the Nassau County 4-H News.

Jeannette, daughter of Mr. and Mrs. Raymond Fardy, has been a 4-H Club member for seven years, a junior leader for three years, Secretary of the Senior Girls' Group in Levittown, a Camp Counselor, and a member of Ojshanda Honor Society at Camp 4-H. She has also taken part in 4-H Talent Nights, Dress Reveys, 4-H radio programs,

and has acted as song leader for the Levittown Council area.

She represented the 4-H as a delegate to Capitol Day, and last year attended Club Congress and was an exchange 4-H'er to Michigan.

Jeannette, who is a recent graduate of Hicksville High School, was a honor student. She worked on the school newspaper, was a student council representative, and was quite active in Theater Workshop. Recently, she represented Hicksville High in New York's annual Poetry Festival, and she also was a member of the National Honor Society.

In the fall, she plans to attend Plattsburg State Teachers' College.

All above mentioned couples were accompanied by their children. Everybody enjoyed the refreshments and all joined in the community sing, lead by Paul Denton who happened to have a song sheet on him.

New Arrivals

A daughter, Alison Ann, was born to Mr. and Mrs. Frank Munzer, of 11 Basket Lane, Hicksville, on June 26 at Mercy Hospital.

Mr. and Mrs. Cosimo Baldino of Hicksville, are the proud parents of a son, Louis Michael, born to them June 25 at Huntington Hospital.

DEAR JEAN....

AL EIRICH got in a final kick at his last appearance as a member of the Board of Education. He attended for an hour on Friday night, June 26, which was the last official meeting of the fiscal year. As he got up to depart, he called attention to the second editorial in the GOMET entitled "This Is Success". His reference, which was probably missed by everyone present, was to the "big hassle" on the block, in the school shop some years ago. The poem "This Is Success" was the material that was printed at the time. The second edition of our "little brother", the TOWN HEARD, made its appearance this week with more than 75,000 distribution. Printing it involves more than 14,000 pounds of paper... The National Chamber of Commerce meets this Friday morning in the LI National Bank at Mid Island Plaza at 9:30 AM....

At a recent fire at Bethpage Rd. and Prospect St., Hicksville, a local fireman, BOB NEDER, beat the fire dept. and how do you think he did it?— on a bicycle. Of course we know that Bob lives on the corner of Grove and Bethpage Rd. but he was the first guy there... Walters Liquor Store on W. Marie St., Hicksville, got second place in the Center Island Men's Bowling League at the Mid Island Bowl, recently. There's a nice looking trophy on the counter to prove it. Good work, boys... Mr. and Mrs. WALTER MILET and Mr. and Mrs. DANIEL DUNLAP of Twinlawn Ave., Hicksville, were hosts on Saturday night, July 4th, at an out-door bar-b-cue in their adjoining yards. Friends on the block were their guests... Our friend, MARGE, down at Firestone on S. Bway., Hicksville, on vacation this week. Back from vacation is CLIFF FREITAG, also of Firestone's. Mrs. VINCE BRAUN still has some of those interesting Mercy League Cook Books on hand. If you are interested, why not give her a call at WE 1-3173... Friends and neighbors are happy indeed to hear that Mrs. FLORENCE FIANO of Elm St., Hicksville, is out of the hospital and is now resting at the home of her mother, Mrs. MARIE RAIMONDI of East St. All your old Hicksville friends are rooting for you Flo, so get well fast... Did you see the nice little so called go carts (they are all the rage with the teenagers today) that Hicksville Firestone has? They are really something... Local friends will be glad to hear that our gal, KILLY WEISS, of Willoughby Ave., Hicksville, is feeling much better... The officers and board of directors of the Hicksville High School Alumni Assoc. will meet on Monday evening, July 13, at the High School Little Theatre at 8:30 p.m. Did you get one of the green shopping bags being given out by the Central Federal Savings Bank? We did and it's good and strong...

Dr. and Mrs. WALLACE B. LAMB celebrated their 30th wedding anniversary on June 29 by going to dinner and then over to Jones Beach to see "Song of Norway". Dr. Lamb is Hicksville Superintendent of Schools... CHARLES J. BARVELS of Hicksville is the manager of the new Jericho office of Meadow Brook National Bank which is scheduled to have open house in the Birchwood Park Shopping Center from 10 AM to 5 PM on Saturday, July 18... We attended a preview showing, Tuesday afternoon, of a new 30-minute sound film in technicolor "All About New York" which has been prepared by the N.Y. Telephone Co. The showing took place at Garden City Hotel and the film will be available for viewing by schools, clubs, etc., in the fall. The New York delegation in Congress was scheduled to see the film in Washington, yesterday... Perfect - Line Expands Operations

An additional 15,000-square-foot building equipped with automation devices, some of which have never been used on Long Island, was this week put into operation by Perfect-Line Manufacturing Corp., one of the nation's most diversified manufacturers of wiring devices, ventilating fixtures, and lighting equipment. According to Perfect-Line's President, Alfred Robbins, the new brick building, at South Road and Commercial St., in the Hicksville Industrial Park features, among other innovations, an electromagnetic spray system for painting metal items, the first of its kind to be used on Long Island. Perfect-Line's original plant of some 15,000-square feet on Old Country Road just east of the RR tracks, will continue to house the general offices and some small assembly activities. This week's move, Robbins revealed, is part of the corporation's expansion plan in which an effort will be made to surpass \$1,000,000 in sales by the end of this year. The 20-year-old company, which has paid dividends during each year of its existence as a publicly-owned corporation, is thus far this year running ahead of sales of similar periods of recent years by about 25%, a spokesman claims. Aside from its production of some 3,000,000 electrical switch and receptacle covers annually, the firm manufactures fans, outdoor lighting, and wiring equipment and a host of kindred items. It is currently experimenting with several electronic items for which it has formed a wholly-owned subsidiary, called Solarsonic Devices, Inc.

Dance School Donates to Fund

As a result of the dance recitals by the Pegge O'Connor School of Dance at the Hicksville High School on June 25 and 26, the Hicksville High School P.T.A. Scholarship Fund was enriched by \$700.

Pegge O'Connor who is an alumna of this school presented the entire proceeds to the High School P.T.A. Scholarship Fund for which she received the personal thanks of Leon J. Galloway, principal.

At the conclusion of the performance, Henry Lensky, President of the P.T.A., presented an inscribed plaque to Miss O'Connor which expressed the appreciation of the High School P.T.A. for her contribution.

Plan Curbing On Twinlans

Installation of curbing is planned for the Town of Oyster Bay along Twinlans Ave., Hicksville, the residents of the block have been advised by their Civic Assoc.

"Our Town Councilman, Henry McInnes, has advised us that bids will be opened for the project on July 15 and work is expected to start soon after Aug. 1. It is understood that funds for this project have already been appropriated and no direct assessments will be made to local homeowners". The Civic group reports.

Honor Graduate

Robert North, son of Mr. and Mrs. Charles North, of 67-A Harrison Ave., Hicksville, was graduated, an honor student from the State University of New York, at Farmingdale, with a degree of Associate in Applied Science, major in Air Conditioning, Heating, and Refrigeration.

Robert is a graduate of the public schools of Hicksville, and served two years in the U.S. Marine Corps. He has accepted a position with Midland - Ross Engineering Corp. of New York.

Co-Chairmen For Booth

Mrs. John F. Mulholland and Mrs. Charles Brady will be co-chairman of the Mother's Auxiliary booth at the annual St. Ignatius parish bazaar to be held the weekends of Aug. 7, 8, and 9, and Aug. 14, 15, and 16. Proceeds of the bazaar will be used in connection with the school expansion program. Father Leo J. Goggin is Moderator of the St. Ignatius Loyola Auxiliary of Christian Mothers and Director of the Bazaar.

OUR OWN Hicksville PBC Drum and Bugle Corps, brought glory to Hicksville on the Fourth of July when they walked away with four of the top awards at the Gala Independence Day Festival held at Salisbury Park, sponsored by Abraham and Strauss of Hempstead in cooperation with the County of Nassau. Over such competition as cub scouts, boy scouts, Sons of the American Legion and Junior VFW groups, and school groups they won First Place in Best Band; Best Color Guard and Best Appearing in Line and Second Place in Best individual in Line. County Supervisor A. Holly Patterson presented the trophies. In addition to the awards they won, they were singled out for the honor of playing the music to accompany the American Panorama segment of the day long program. The band, about 40 in number is under the excellent direction of Bandmaster Charles Klein of Hicksville. This was their first appearance in their new Summer white uniforms.

CURRENT COMMENT:

Truly Safe Highways

By FRED J. NOETH

OUR COUNTY repeated its excellent record of Memorial Day by rolling thru the Independence holiday without a single highway fatality.

This is what might be called a working demonstration of concentrated highway safety effort -- in operation.

While streets and roads are under construction we may fret and fume. But good roads, intelligent installation of traffic control signals and signs by the Town, County and State authorities all lead to the same safe path for those of our residents who use the highways as well as the many from other sections of the nation.

A busy holiday weekend without highway deaths despite grisly forecasts of death and destruction is a practical demonstration of day in and day out, year round safety effort by our public officials. It makes the bleating of political amateurs who view with alarm but offer nothing positive seem kind of ridiculous.

Benedette Gets New Lease On Life

"It's just as if she had been re-born", said Mrs. Bruno Satira of 71 Vincent Rd., Hicksville, as she spoke to a HERALD representative. Mrs. Satira was referring to her seven and a half year old daughter, Benedette, now recovering from heart surgery at St. Francis Cardiac Hospital, Roslyn. The little girl, a student at Woodland Ave. School and honor student in St. Ignatius Confraternity, was born with a hole in her heart and Mr. and Mrs. Satira were told she would never live to young girlhood. Now all that is changed. She underwent the delicate surgery on July 1 and is recovering nicely, with a new lease on life. Mrs. Satira wants to let everyone know how happy she is, and how grateful she is to the entire staff of St. Francis Hospital. She therefore asked to use the columns of the HERALD to do so. It's things like this that make us happy to be "Your Community Newspaper."

It's Your Problem, Too

By Allen S. Carpenter
President, Hicksville Board of Education

Serious study and consideration can be given to written reports and recommendations of citizens' advisory committees, civic organizations and individuals; but, advice, recommendations and criticism given orally in public debate often receive little or no calm study or deliberation. In the heat of debate, each of the participants hear best his own high sounding phrases and wastes little time in admiring the pearls of wisdom spilling from the mouth of his adversary. Since this is an easily recognizable fact, all public-minded citizens who have the educational welfare of our community at heart should be willing to submit their suggestions and recommendations to the school board in writing. Their written recommendations will surely receive more calm and serious consideration than their spoken word could ever receive.

Public participation in school district matters can benefit the district in many ways. The diversified knowledge of our citizens can be an important and valuable source of information; helpful to the proper discharge of many school board functions.

Citizens' advisory committees and citizens' advisory building committees are organized or authorized by School Boards to stimulate public participation in analyzing school problems and in securing acceptable solutions to these problems.

Individual school board members, administrators and teachers' support and contribute to the activities of PTA groups in every community to encourage parental interest and understanding for school problems and their solutions.

There is, however, a time and place for everything. Any good practice can be overdone, can be carried to an extreme where benefits become outweighed by the cost. The principal of "diminishing returns" hold true, especially for the "spoken word". Citizens debate at School Board meetings delays the Board in the performance, its business functions, at best by the length of time consumed by the speakers, at worst by the complete disruption of the meeting. The salt sprinkled into old wounds by the citizen debaters often generate enough heat to raise Board members' blood pressure to the "stroke" level and completely stop all business.

Suggestions and constructive criticism are welcomed at all times. You be the judge, if the suggestion is good for the taxpayer, the children, and the school family, it is a good one. If it is intended to embarrass only, it is of doubtful value.

On The MALL

with Bill Nelson

For our July Plaza Profile we turn to a man rarely seen, but heard constantly. He is Allen Stuart, announcer and program host at WHLL, Hempstead, and popular host of the Luncheon Melodies program that broadcasts from the Center Mall of Mid-Island Plaza Monday through Saturday from 1:00 to 2:00 p.m.

Allen, who has hosted Luncheon Melodies since its inception 2 1/2 years back, has come to be known

ALLEN STUART

as the Voice of Mid-Island, but his claim to fame doesn't stop there. Looking at Allen Stuart's career in broadcasting is a constant source of amazement for though he is only 41 years of age, Allen Stuart has been in radio since he was 16. He was the youngest staff announcer in the City of New York. A graduate of NYU, Stuart has been a network announcer and narrator, has done thousands of radio and TV commercial spots, has worked on series for NBC, CBS and ABC, was night station manager at WHCA for seven years and also hosted the famous WNEW Make Believe Ballroom.

The first two-way trans-oceanic broadcasts on the maiden voyage of the U.S.S. United States were done by Allen with Margaret Truman. Stuart also has narrated and announced network series with such luminaries as Orson Welles, Tryone Power and Dorothy Kilgallen.

Aside from his work as a radio performer, Allen is also a songwriter and lyricist, belonging to BMI, and has had songs recorded. He narrated Paramount newsreels for three years, and has narrated film series for the Canadian Film Board.

The talent in the Stuart family is not, however, limited to the male portion. Allen's wife, Monica Stuart, a former high fashion model, talent agencies. She too is a song writer and lyricist, holding an ASCAP membership with many of her songs recorded on the Capitol, Cadence, and RCA VICTOR labels.

Allen is as involved in his hobbies as in his profession and spends a great deal of time on photography, high fidelity and short wave listening. He has received short wave verifications from over 40 nations, including Japan, Australia, Turkey and Tahiti. Today, it seems that whenever turning WHLL in, Allen Stuart's voice is heard. He puts in a full schedule at WHLL, commuting from his Manhattan apartment to the Hempstead studio or home, depending on the particular day of the week, to kick off with "WHLL Presents... Luncheon Melodies... brought to you today and every day, Monday thru Saturday, from America's Most Distinguished Shopping Center Stacker & Frank's Great Mid-Island Plaza, in Hicksville."

Did you ever feel as though you were a victim of the mechanical age we live in? Have you felt completely dominated by our own inventions? Imagine the plight of the poor man I recently heard of... who, upon climbing into his car the other morning, found the horn had gone dead. A man of action, he set out at once to remedy the situation but found himself completely balked by a sign on the entrance of the garage he had gone to.

It read: "Stop! Automatic door. Sound horn!"

Hear Ye, Hear Ye Hear

The current campaign against traffic accidents in Nassau received impetus this past week when Presiding Judge of the District Court Thomas P. Farley told all judges: "Deal severely with those who risk their own and others' lives on the highways of our county." Recipients of summonses for motor vehicle violations better have iron clad

excuses. It looks like a co-operative crackdown against un-co-operative citizens -- pedestrians and drivers alike.

Second Bazaar Great Success

On Wednesday, July 8, the Rev. Louis J. Schwebius, Pastor, and the Rev. Charles F. McGowan, Assistant Pastor, announced the success of Our Lady of Mercy's Second Annual Carnival-Bazaar which closed on Sunday, July 5. Despite a discouraging start, due to an opening weekend of inclement weather, the exceptionally good attendance on the remaining days and the closing Fourth of July weekend more than made up for the poor beginning and brought about the happy occasion of a successful closing.

Father Schwebius and Father McGowan, Chairman of the affair, wish to extend their gratitude and sincere thanks to all who contributed to the Carnival-Bazaar's success: To Committee members who worked with Father McGowan on the planning and operation of the affair, committee members who gave so generously of time and effort at the various booths and events, and the good people who patronized this parish effort, without whose help and support success could not have been achieved.

The winner of the car awarded on the closing night was William McGivney of 181 Floral Ave., Bethpage. The beautiful Sister of Mercy Doll went to M. Katten, 27 Warren Pl., Plainview, and the swimming pool went to Annie Gambino, 74 Smith St., Hicksville. The \$300 Full-Book Winner award was presented to Mr. and Mrs. William Mullane of 5 Bradley St., Plainview.

A very special vote of thanks is extended to the parish Cathedral School children whose efforts on behalf of the Sister of Mercy Doll Drawing made this particular segment of the affair one of the Carnival-Bazaar's most outstanding accomplishments.

ROBERT LAMB, son of Dr. and Mrs. Wallace E. Lamb of 25 Alexander Ave., Hicksville, was among 170 seniors who received degrees at Antioch College's Commencement on June 20. His father is Hicksville Superintendent of Schools.

Mr Koutensky Celebrates 40th Anniversary with Bank

MR. KOUTENSKY with Mrs. Gertrude A. Proctor, Assistant Vice President.

... and Joseph A. Reinhardt, Vice President and Cashier.

... and Charles R. Carroll, chairman of the Board of Directors of LI National Bank.

Bank Honors William Koutensky

In one of the most impressive Testimonial Dinners ever held in the Hicksville area, Mr. William E. Koutensky, President of the Long Island National Bank of Hicksville was honored by his Board of Directors and his wife, Mrs. Loreta Koutensky, on the occasion of his 40th year with the bank.

Mr. Koutensky was presented by his Officers and Board of Directors with a plaque that reads as follows:

"To William E. Koutensky, President, Long Island National Bank for his 40th year of devotion and loyalty and as a leader of men. July 1, 1959. From the Officers and Board of Directors of your Bank."

In addition, Mr. and Mrs. Koutensky were awarded with a plaque signed by all of his Officers and Board of Directors that reads as follows:

"To Loreta and Bill Koutensky on the occasion of Bill's 40th year with the Long Island National Bank of Hicksville for the example they

have set for the people of Hicksville in their faithfulness, loyalty and love for each other and for the reflection of that live in their everyday, year in, year out contribution to the well-being and growth of Hicksville."

In addition, Mr. and Mrs. Koutensky were awarded a magnificent five-piece matching luggage set and a trip to Europe at the option of Mr. and Mrs. Koutensky, by the Officers and Directors of the Bank.

The dinner was held Wednesday night, July 1, at the Viennese Coach and was attended by the following: Rt. Rev. Msgr. George M. Bittermann, V.F.; Mrs. Loreta S. Koutensky; William E. Koutensky, President; Mrs. Gertrude A. Proctor, Assistant Vice-President; Charles R. Carroll, Chairman of the Board of Directors; Jules Mirel, Travel Agency Executive; Robert B. Watson, Assistant Cashier; Stephen P. Timosuk, Assistant Vice-President; Thomas E. O'Brien, Assistant

Pierce, Director; John Proctor, Assistant Vice President; Arthur J. Mangan, Assistant Vice-President and Manager of the Mid-Island Plaza Office; James Austin, Assistant Cashier.

This too, was a reflection of the fact that Mr. Koutensky has been and is "Mr. Hicksville." There has not been any activity in the town of Hicksville that Mr. Koutensky has not been a central and contributing factor. From his early beginnings at the bank, at a time when its assets were very modest, through the difficult years of the depression, through the burgeoning years of the war and the attendant growth of this area, Mr. Koutensky has led his bank to the forefront. But, the greatest tribute that was paid to him that evening was the tribute in recognition of his community efforts.

The Jericho School Board at its reorganization meeting on Tuesday night elected Samuel Hacht, president, and William Mayhew, vice president, Toaz, Buck and Myers of Huntington were again appointed attorneys for the district. James W. Slattery was renamed District Clerk and Matthew F. Triggiani, treasurer.

Civic Profile

by GILBERT B. STEIN

Irwin Baunel, studious looking and the prototype of a modern intellect, upon closer examination actually turns out to be a doughtful, charming and quite knowledgeable Birchwoodite. Irwin, member of our Civic Assoc. Board of Directors and active on several of its committees, is just about the opposite of what we might call the "Loca Organization Man". In fact, he is the first one to admit that, prior to Birchwood, he never took an active interest in organizations. Since he also recently joined our local Democratic Club and is a member of Reform Temple Or Elohim, it's beginning to look like the Baumels have been ennobled up by local custom which makes it practically mandatory upon Birchwood Families to take part in community life through our many organization and centers of interest.

Irwin Baunel, age 32, and Claire, his love wife, met some 15 years ago. Over 50 of these years have been spent married to one and another and 216 Forest Drive, the Baunel Beshive, is now populated also by Marilyn, aged 4, Jeff aged 9 months, a delightful mother-in-law and a 4 pound 8 year old miniature pincher named "Baby". Both Baumels were born and raised in Brooklyn where they left a Crown Heights Apartment for the trials and tribulations of Birchwood. Irwin earned his B.S. at City College and he recently received his M.S. degree at Brooklyn Polytechnic Institute. He presently teaches evening courses in electronics at New York University. He is a research associate with Crosby Laboratories, a local firm engaged in electronics research and development. In laymen's language, all of this means that Irwin is an electrical engineer.

This business of engineering got a head start when Irwin served with our Navy during W.W. 2 at Treasure Island near San Francisco and again for 15 months during the Korean War aboard the Aircraft Carrier Block Island doing Radar Maintenance. Of course he is handy in all phases of home repair, maintenance, and what's best, he has the temperament to be "busy" himself with these activities around the house. It takes him all of one minute and 36 seconds to go to work, once he gets into his car at 216 Forest Drive. Crosby Laboratory is located at Robbins Lane. In that regard he is the envy of 99% of all our local wage earners.

Claire Baunel, too, is not without academic laurels. She taught grade school in the New York City Education System and holds both a bachelor's as well as Master's Degree in Education. Hubby's hobbies are a "Ham" radio set now located on his basement desk and Irwin has plans to purchase a 19 foot sailboat next year. He plays the

Birchwood Shops to Open Shortly

by IRVING HERSKOWITZ

The latest appearance of the new center reveals that it is now in the final stages of completion with the majority of the tenants now busily engaged in making preparations to occupy their respective premises on or about August 1.

The Meadow Brook Bank, one of the major tenants, is scheduled to open its doors for business in a few days, with the other tenants following. The possibilities of a simultaneous opening of all merchants hasn't been disclosed at this time, but present indications point to the possibility that each individual establishment will open as they become ready for business. It is expected a formal grand opening of the shopping center will take place.

The center will consist of 12 units with ten leases signed and two unsigned. The two unsigned leases have been reserved for a Food Shop and a Koster Delicatessen-Appetizer.

The Birchwood Shopping Center is located on the east side of the Broadway - Hicksville Road between Northern State Parkway and Jericho Turnpike, opposite the Jericho Fire House. The center begins with the Jericho Post Office, followed by Waldbaum's Super Market and ending with the Meadow Brook Bank.

The other tenants include: Birchwood Park Dry Cleaners and Shoe Repairs, Michele's Bake Shop, Jericho Koster Meats, Phil's Barber Shop, Birch Drugs, J'Art Beauty Parlor, Chinese Laundry and Colony Card Shops.

It is anticipated that besides serving every day basic needs for food and services for the Jericho area, this new shopping center will also prove to be conveniently accessible to all other adjoining areas.

Children on bicycles will have access to this new Shopping Center via Market St. This will eliminate the traffic hazards on Broadway.

Drag Race Patrol Successful

by GEORGE J. FRANKEL

It has been reported recently that a group of teen agers was holding drag races on Merritt Lane, Forest Drive and Forsythia Lane. A committee chaired by Dr. Walter Sugarman, was formed to make every effort to nip this menace in the "bud".

Several members of the Board of Directors of the Civic Association offered to patrol the streets during the evening hours. In an effort to stop this dangerous practice, Publicity was given out through the Village and the patrol went to work.

Last Monday night, on Birchwood Park Drive, the efforts of the Civic Assoc. bore fruit. Two members on Patrol spotted two foreign cars racing. One car got away, but the license plate of the other was taken. Through some quick work the owner was identified and a complaint was made to the parents.

We hope that this little incident will mean the end of drag racing in Birchwood. It is a danger to children and adults on our streets. The patrol will continue during the evening hours until such time as the Civic Association is convinced that this menace has been stopped.

Good strides in playing ability and in sportsmanship were apparent among the great majority of the boys. The introduction of IBM punched card controls in cooperation with Intercountry Tabulating Company is making us, we believe, the first Little League to use punched card equipment.

The importance of Little League to each boy during his formative years cannot be over emphasized, yet the one area where we fell somewhat below our goal was in parental cooperation.

The need for closer cooperation between parents and Little League managers and officials was most apparent. Increased parental support and activity are essential to future success. To the many parents who gave of their time we say "Thank You", to those who stood aside and allowed other to do the work, we say "Pitch

Little League Reflects on Season

by HAROLD LEINWAND

The hot stove league comes to Jericho in early July. The evaluation of team and individual efforts results in hot debate, but it isn't the Yankees or Indians of the Major Leagues which are being discussed, it is, at least to us, something much more important, the Jericho Little League of course.

The officers and directors who meet to review the past season make every effort to carefully analyze all aspects of Little League activities, to criticize that which needs criticism in order to point up areas which require improvement, to formulate plans for the Fall General meeting at which trophies will be presented, and to prepare a long range program for the next season.

The third year of Little League has fallen victim to the hurried pace of time, two short months of actual pay which could hardly indicate the many months of effort that preceded them.

Was it a successful season? We felt that it was, but with some qualifications.

Nearly 300 boys were registered, equipped with uniforms, provided with playing equipment and facilities, and assigned to six major league

We Can Solve Commuter Problem

by GILBERT B. STEIN

For going on three years now the writer has traveled to and from New York City 5 days per week, trying hard to make the journey become accustomed to. We have tried going by car, by car pool, and for the past two years, it's been the old reliable Long Island Railroad. There have been the usual delays, the undesirable "Change at Jamaica" and, after all is said and done, our yearly commutation ticket still costs about \$420.00 or \$35.00 weekly if you like smaller figures.

For a long time now we have toyed with the idea that there must be a cheaper way to suffer as well as a possibly more comfortable one. After considerable research, we have found the answer from 25 heavy local Commuters. Pioneers who would like to save money, travel in luxurious comfort, enjoy fresh, clean air and good companionship, yet travel in complete privacy. Sounds great? Yes, it is! and furthermore, it's quiet possible, as we shall prove conclusively.

The writer proposed that 25 individuals purchase the good ship "SS Birchwood," a slightly used large cabin cruiser of 30-40 foot length, with toilet and galley facilities, which can easily accommodate 25 persons in great comfort. A ten minute ride to and from Oyster Bay is certainly no

worse than the present obstacle-lined trip to the Hicksville Station and parking problems in Oyster Bay are nonexistent. The "SS Birchwood" can, at a speed of 25 MPH make the run to and from Manhattan in 1 1/2 hours or less (depending no doubt, on what grade gasoline is being used). A good, serviceable boat of this size, slightly used, can be purchased for a maximum of \$15,000.00 which divided among 25 individuals (named hereinafter "THE SYNDICATE") would cost each member-commuter a total of \$600.00 or less, payable including interest and such at the rate of \$100.00 per year and to be fully paid up within 7 years, at which time some equity would still be left over, an item which we shall not consider at the present time.

It costs approximately \$10.00 per hour for fuel to run such a boat. Total cost to the Syndicate per day \$30.00 or \$150.00 per week. At the rate of year round operation, this adds up to \$320.00 per member per year. Costs of repair, maintenance and insurance would come to another \$150.00 yearly or \$60.00 to each Syndicate member.

Our total is now \$480.00 per member yearly, exceeding the cost of rail commutation by \$60.00. During six months of each year the "SS Birchwood" can either be rented out on weekends, or it might

be made available to members and their families for cruises, vacation trips and fishing expeditions. We may be able to rent the facilities to organizations so that meetings, socials or other affairs can be held on board. There is no better way to run a club, a card party or a floating dice game. Why the "SS Birchwood" might well show a profit exceeding \$2500.00 per year based on conservative projections of such nature. The Commutation cost to each Syndicate member can thus be reduced to below \$380.00 per annum.

If our readers are still with us at this point, may we suggest that any and all information contained in this article be kept strictly confidential.

Should the L.I. Railroad ever get wind of this plan, they might well decide to lower the commutation fares to New York City, which of course would mean the economic deathblow to our "SS Birchwood" venture. We suggest that any interested persons communicate with the writer by addressing their letters to THE VILLAGER, Department of Naval Commutation, Jericho L.I.

(Editor's Note: If any of our readers know where a slightly used atom-powered, ice-breaker can be obtained reasonably, we are sure "The Syndicate" would be extremely interested.)

High Standards

When the Nassau County Dept. of Public Health, after extensive samplings under various conditions, approves water for bathing, the people of the county can be certain that they are being protected. Nassau's standards for approval are high, so high that certain metropolitan resorts where millions bathe, could never pass, according to bacteriologists. Sixty permits for Nassau have been issued, one denied.

Recently, the town of Oyster Bay put into effect a comprehensive zoning plan for the entire town. Included among the zoning changes made was a change from a "F" zone to a "G" zone on the Merry Lane and Jericho Turnpike site.

A "G" zone permits a gasoline station usage while the former zone of "F" would not permit a gasoline station. Our Civic Assoc. appeared before the town board and voiced our strenuous objection to this area being down-zoned. However, the Town Board down-zoned the property.

Despite the downzoning, a special use permit is still required in order to create a gasoline station. Our Civic Assoc. has set in motion concrete steps to combat the permit being granted. The gasoline station as presently proposed; would provide for two curb cuts on Merry Lane. The hazard that this would create is apparent. There are many other reasons why a gasoline station at the very entrance is objectionable. All of these reasons will be presented before the Town Board when the gasoline application hearing takes place.

John J. Burns, Supervisor of the Town of Oyster Bay, has assured us that we will be notified in reasonable time as to the hearing and that our community will be given the fullest opportunity to present its position. The final decision on the granting of the permit is yet to be determined, and, therefore, each resident of Birchwood is urged to fully cooperate with the machinery set up by our Civic Assoc.

Deposits of Hempstead Bank increased to \$52,996,743 as of June 30, 1959. This was an increase of 19.4% over a year ago, and an increase of 9.9% as compared to December 31, 1958. Net operating earnings after taxes increased 12 1/2% for the first six months of 1959 as compared to the same period for 1958.

harmonica and likes to read. The hustle and bustle of young children however does not permit too great an indulgence in "extracurricular" activities at the moment.

The Baumels are members of our Jericho Country Club where they will spend most of their free time during this summer. Eventually there will be other vacations, especially since Irwin loves to travel. He has seen most of the U.S. either during his years in service or later when business took him to various parts of the country.

Irwin Baumel is a thoughtful individual who will speak only if he has something definite to say, which you may rest assured will have been thought out prior to being uttered. Though he never seeks headlines nor does he monopolize the speakers rostrum in our Civic Association Councils, his opinions, when heard, are greatly respected. He is a sincere and honest individual who serves our Community without pretense. There are many Birchwoodites who create much sound and fury; Irwin is not one of them. He is an honest intellect with the ability to think, the capacity to guide and to lead, and with an acute understanding of the many problems of this community which he so ably serves. The Baumels are real "credits" to Birchwood at Jericho and one of the reasons why ours is one of the outstanding communities on Long Island.

FUN IN THE SUN. Recarded children under special supervision can have a wonderful summer at the special Summer Day Camp, operated in Brookville, by the Nassau Asso. for the Help of Retarded Children. Outdoor games, two pools and an arts and crafts and music program will be provided, all supervised by one counselor to every four children. A total of 220 already are enrolled. More wish to get in but cannot, because of limitation of special instructors and equipment.

HERE AND THERE

By FLORENCE BERGER

Jill Debbie Israel of 212 Forest Drive, Jericho, is the first prize winner of this month's Mid Island Baby Beauty Contest. Jill received a \$25 Bond, a Bronze Loving Cup and her picture in Long Island newspapers. Her parents are Irving and Shirley Israel. Sisters Lois and Joan are mighty proud of Miss American of 1979.

Richard Bernstein of 22 Forsyth Lane, a Junior at Pratt Institute, sold Three Paintings for \$200. Art is his Career and he and his parents are so thrilled at this accomplishment.

Charlotte Jacobs of Maytime Court, Sylvia Altman and daughter Sherry, of Mulberry Court Diane Eder of Middle Lane just happened to be in Canada when Queen Elizabeth and Prince Philip were there. Leave it to the girls! They got passes into the Stadium where the Queen was speaking to Canadian school children and teachers only. They got a Pass as teachers and daughter Sherry as a school child. They sat three feet away from the Queen and Diane Eder couldn't contain herself, waved and said in a loud voice "Hello Your Majesty". The Queen didn't turn her head but Prince Philip turned, smiled and waved his hand. Well, they almost swooned and the Prince made a conquest. What a way to cement relations with America and spread good will. Leave it to Birchwood Women.

Stitch in Time

By JUDITH ROSEMAN

There exists in this community a hazard of which many people are unaware. A hazard which could change a summer's gaiety and laughter to heartbreak and tears. This menace in our midst is the over-sized giant kiddie pool. These pools, which started out as innocent wading pools for toddlers, have grown in size and proportions until they hold almost the same amount of water and danger as a regulation or installed pool.

Fortunately the law protects innocent children in the case of the regular installed pool. These must be surrounded by a six foot fence. But this law does not include the giant kiddie pool and is not preventing a toddler from finding his way undetected to the danger of climbing up and falling into approximately three feet of water. These unprotected hazards have outgrown their original wading idea and have hereby outgrown their safety. If people are to safely and intelligently continue to use them, they should be surrounded by a fence, or emptied when not in use. We hope that the first accident can be avoided, and that the fence law will be amended to include these pools before it is too late.

of Dance, Fox-trot-Sol Reichott and Rene Abbott. Cha-Cha-Lenny Cohen and Marianne Rosher, Rock and Roll-Hope Sherman and David Barnett. Our children are giving us adults competition.

Mickey Spiwach of Forest Drive has graciously given 56 Birchwoodites her home to celebrate the Fourth of July. When last seen she was in anticipating great pleasure in sharing the evening with her neighbors. (I wonder if she felt the same way the following morning!)

To our Star Photographer Allison Lyon of Forest Drive, welcome home from Hospital. Get well and attend our meetings. Looking forward to seeing you.

Anita Breslov of Fellow Lane was quite ill with a mysterious ailment which had her with 106 fever, but after her barbeque July Fourth I think she's now fully recovered.

Blanche Karpel of Flower Lane started the season off with a bang with a cocktail party for forty people.

Craig Karpel won a free summer at camp as the result of winning a contest at Columbia University, which he attends on Saturdays.

Congratulations to Diane Sandra Resnick, of 103 Hazelwood Drive, on her Bas Mitzvah. Services were at the East Nassau Hebrew Congregation, Friday night, July 3. The proud parents are Mr. and Mrs. Larry Resnick.

Birthday wishes to Phil Levitan of Fountain Lane and Joe Genna of Maytime Drive; (both over twenty-one).

Anniversary Greetings to two of our favorite people - Ralph and Bea Diamond of Fountain Lane.

Remember Greencrest Nursery? Well, Jim is back! Stop in and say "Hello!" (See ad in this issue for address)

Luncheon

As Reward

By MURIEL SUGARMAN

If you've seen the women in Birchwood saving their dimes in a tiny blue bank, you must have wondered why. These women are doing a wonderful thing: they are helping to save the sight of a child in Israel stricken with Trichoma.

In appreciation for all those who have filled an eye bank (\$5.00), Hadassah is giving a Reward. The reward will be a glamorous luncheon at the Huntington Town House on Wednesday, September 16, 1959.

Hadassah is asking all of you (you don't have to be a member) to request an eye bank. Telephone Mrs. Edgar Livingston, Chairman (WE 8-5967) or Mrs. Walter Sargarm, Co-chairman (OV 1-5910) and they will be pleased to give you one.

Keep this little blue bank in your pocketbook and when you get change, put the dime right in. Before you know it, your bank will be filled.

In September, when many of us will be sitting in the Huntington Town House eating delicious roast beef and watching the beautiful models wearing the newest Fall dresses and gorgeous furs, we will have an added thrill. We will know that, across the ocean, a children can see-thanks to our generosity.

This is a personal invitation to all the women in Jericho to join us on Sept. 16th.

HIGHEST AWARD for raising the largest percentage of quota in the 1959 Cerebral Palsy drive won this trophy for Jericho. Community Chairman Irene Pfahner received the trophy at the Cloud Casino Room at Roosevelt Raceway.

Gilison, Rotary Split 2 Games

by MARY ERWIN

Gilison and Rotary split their two game series in the Hicksville American Little League last week. Gilison won the first game 12-7 behind the pitching of J. Uss. Heavy hitting by Samick, Glibowski, Connors and Kontrack helped sew up the game for the knitters.

The Rotarians pulled the second game out in the last inning with a four-run uprising. A Doran doubled home two runs to tie the score, then M. Landy drove in the winning run. P. Hearon hit two homers for Rotary. A Kocher was the winning pitcher and J. Uss received the loss.

Fairway Farms won their game from Firestone. The first game, score 6-4, saw Firestone leading by two runs to the fifth, then Fairway creamed Firestone for six runs. The game ended, 6-4. P. Effer got the win, Fannelli the loss. J. Erwin won his seventh game, 16-1 striking out 15 Firestone men. Leading batters for Fairway were G. Brown, J. Swenson, S. Cafora and J. Erwin.

Central also won two games against V. F. W. They shelled three pitchers for seventeen hits to win 18-4 compounded with six-hit pitching by E. Jerabek to wrap it up. B. Damm, T. Farrell, A. Esposito, P. Aloccio and J. Errico all had two hits or more. J. Errico hit his seventh home run of the year. T. Yarsinske was three for three for the Vets. The batters came from behind to win the second game, 6-4 with a five-run rally. P. Aloccio got the win. M. Liocono, after pitching good ball for four innings, received the loss. He also starred at bat for V. F. W. J. Errico had three for four for Central.

Corsairs moved into the Minor A lead in the second half play in the Hicksville American Little League with a pair of victories over Mid-Island Plaza. In the first game, Hahn outlasted Weinand to win 13-12. Selig led the attack with four hits and Kaczor chipped in with a homer. In the second, Selig again led the way with a homer and two doubles while Kaczor picked up the win, 14-7.

N. E. Civics picked up a brace of wins from Ocean G. L. F. Mickey Farrell was the winner in a well pitched game, 5-4, closing out a last inning three run rally by G. L. F. In the second, Bill Clark, after a shaky start, held on to win 6-5. Farrell delivered a last inning two out single to drive in the winning run. Gertz divided two with the Pioneers. Moore won the first game 8-2 handing Mike Connors his first defeat of the season. The Pioneers came back to win a free hitting contest, 14-9. Grover led the winners with three for four and Connors picked up the win.

Bats, Pitches Lauman to Lead

Ricky Leek of the C.W. Lauman team of the Bethpage American Little League pitched a pair of two-hitters and crashed 7 hits, 3 of them homers to lead his team to the top spot in the league.

On Sunday, Leek bested the then league leading Johnsons 11-1, holding them to two singles while striking out 8 and walking none. This defeat dropped the Johnsons a half game behind the Firebugs who inherited first place. Charlie Mauck had a double and a single for Laumans.

On Tuesday Bruce Stephens pitched a fine three hitter or the Laumans to defeat the Firebugs 4-1 striking out 9 and walking one. Leek belted a double and two homers

15 Fire Calls in Just 8 Days

The Hicksville Fire Dept. hopes the rest of July isn't like the first eight days, when a total of 15 alarms were received. Among these 15 calls were four false alarms.

On July 1, there were four calls received. The first was an exhaust duct and chimney fire at the old Pittsburgh Plate Glass bldg. on Bloomingdale Rd. Then came a call to N. Jerusalem Ave. and W. Barclay St. where the former Cities Gas Station was being torn down and caught fire. However, no damage was done to adjacent areas. The next call that day, was a bed fire in the home of Edward Jung, 105 Bethpage Rd., which caused slight damage to bed and room. The final call of the day was a false alarm from Palermo St. and Alexander Ave.

July 2, was a day of rest, with no calls received.

Three calls were received on one with a man of to provide the punch in the Laumans attack. Frankie Ameniter went two for two for the Bugs and Simon had a double.

On Wednesday the Johnsons defeated the Hellcats 13-1 behind me2 hit pitching of Jackie Grady who struck out 10, walking none. It was Grady's 7th win against only one defeat. Whitaker had 2 hits for the winners while Sumakis chipped in with a double.

On Thursday, after the 3 days rest required by Little League rules, Leek returned to the mound to pitch another 2 hitter to defeat the Hellcats 13-1.

July 3, two of which were false alarms 20 minutes apart. There was a grass fire on Old Country Rd. near Wantagh Pkwy, then the false alarms, both from Cottage Blvd. and Jordan La.

Two calls were received on July 4, an oil burner at the home of May Cassidy, 17 Preston La., and a first aid call for 26 months old Patricia Morris, daughter of Mr. and Mrs. Edward Morris, 68 Arrow La.

The final false alarm for the period occurred on July 5, from Memory and Barry Lanes.

On July 6, they were called to Amper Corp. at 230 Duffy Ave., where gas was escaping from a refrigeration unit.

There were three calls on Sunday July 5, a grass fire on Byron Pl., another an Old Country Rd. near Morgan St. and a short circuit in a ceiling light fixture at the Pagano Furniture Co., 114 B'way.

On July 8, when they put out an oil burner fire in the home of John J. Freeman, 5 Winter La.,

LEGAL NOTICE

PUBLIC NOTICE
NOTICE IS HEREBY GIVEN, that a public hearing will be held by the Town Board of the Town of Oyster Bay on Tuesday, July 21, 1959, at 10 o'clock A.M. prevailing time in the Hearing Room, Town Hall, Oyster Bay, N.Y. at which hearing citizens and parties interested will have an opportunity to be heard upon the following proposed amendment to the Building Code of the Town of Oyster Bay, as amended and revised:

AMEND Article 1, Section 4 by adding new paragraph 7, as follows:
7 - Supervision of Construction. No permit will be issued for the construction of a building which is to have a total floor area in excess of 10,000 square feet until an affidavit is filed with the Building Department certifying that the construction of such building will be supervised by a Professional Engineer or an Architect licensed or registered in the State of New York. The affidavit is to be signed sworn to and acknowledged by the engineer or architect who will supervise the construction and is to have his professional seal affixed. In the event such engineer or architect shall, for any reason, discontinue his supervision of the construction of the building at any time prior to its completion, he shall immediately notify the Building Department of such fact and thereupon the building permit issued for such construction shall be suspended and no further work shall be done thereunder until another such affidavit shall be filed with the Building Department certifying that supervision of the construction has been resumed by another or the same engineer or architect.
No Certificate of Occupancy will be issued for such building until a final certificate is filed with the Building Department by the engineer or architect who supervised the construction that the building was, to the best of his knowledge, in fact erected in conformity with the plans filed with the Building Department.
AMEND Article V, Section 10, paragraph 1, by adding the following words at the end thereof: "Except as otherwise specified hereinafter."
AMEND Article V, Section 10, by adding thereto new paragraphs 2 and 3, as follows:
2 - Wind Load. All buildings must be designed for a wind load of 20 pounds per square foot on the vertical projection in all directions. Where the roof and floors are supported by steel framing, the total wind load on the building must be carried by the structural steel.
3 - Compression Members. Main compression members must be designed to have the ratio of length/radius of gyration less than 120. Twice the length of a column must be used when com-
