See Package School Bldg Vote in October

Pending formal action by Hicksville Board of Education, voters of the school district may go to the polls in October to decide on the "final phase" of the district's building program including a 14-room elementary school on Willet Ave., a 10-room addition to the Senior High School and the expense of moving 25 temporary classrooms to the Junior and Senior High School sites.

Hopes for a referendum in September were revised this week when the Board met with Henry Johnson of Knappe & Johnson, school architects, regarding the tentative plans for Willet Ave and two other projects. The architects will incorporate suggestions made by Board members, Friday night, into plans which will be discussed with State Education Dept officials in Hicksville on Monday night, Aug. 3. Following state approval of the plans, a referendum can be scheduled and allowing for the legal requirements of advertising, a vote in October now appears likely.

Dr. Wallace E. Lamb, school superintendent, this week pointed out that three parts of the school district building program fit into each other and "each part depends on the others."

He noted that if the Junior High School is to remain on full session, 12 temporary-type classrooms will have to be moved as scheduled. These cannot be moved until the Willet Ave school is completed.

"On the other hand, any delay with the Senior High School admisson would cause increased demands on the temporaries needed at the Junior High and elementary locations," he asserted. Sketch plans presented by Knap-

pe & Johnson, Friday night, included the proposed Willet Ave elementary school, the site acquisition having been approved by the voters; the proposed gymnasium for East St. School, and the location of 10 rooms at the Senior High, six of which will be science rooms and four recitation rooms.

The Senior High was originally designed to accommodate additional rooms on the second floor level of the area connecting the main building with the cafeteria and gymnasium section.

No costs were developed at the two-hour conference between the Board of Education members and Knappe & Johnson with Dr. Lamb, Friday night.

DEAR JEAN

Home after a two weeks vacation at Camp Columbus, near Albany, are the two HOOSACK Boys, David and Vincent. Mom and dad and three sisters, spent the two weeks at the home of relatives in the near vicinity. Also home from a N.Y. State vacation is Mr. and Mrs. CHAS. ZUCKER of "Zucker, Fine Shoes", Bway, Hicks. Good to see their smiling faces. Back at his little ole window at the Hicksville P.O. is CARMINE D'AMICO after a two weeks vacation. Good to see him too. So sorry to hear of the death of "feather's", pet cock spaniel of Mrs. MARY NELSON and children of Twinlawn Ave., Hicksville. Feathers was quite old and was the pet of the late Mr. and Mrs. Paul Smedley of Twinlawn before daughter Mrs. Nelson took him on.

Do you know that since its organization date in February, the Hicksville High School Alumni Assoc. has to date, enrolled 241 members? Boy, that's good. We expect a lot more of course, all you graduates can get an application at the Hicksville Sweet Shop, Holden's Stationery Store or the HERALD Office, or write to the Assoc. at 225 S. Bway, Hicksville and we will be glad to send you one. By the way, The Assoc. sent our editor, F.J.N. a nice letter in appreciation for all the publicity he has given the guys and gals. We think he is nice too.

Got the nicest surprise last week - Miss MARY KELLER, a former resident of Hicksville and a winter resident of Lakeland, Fla., paid us a visit and presented us with the nicest costume jewelry (made by herself of little sea shells) JEAN is very proud of her gift and has a change for every day in the week. Miss Keller is spending the summer with her sister, MISS CLARA KELLER of 139 Harding Ave., Hicksville. Oops, we forgot one guest that was at Jay & Gladys Schwartz's supper party for the officers of the Hicksville Alumni Assoc. last Monday nite - it was our good friend, BILL "PETE" MARION of W. Marie St. He left early, and was not around when we made note of the guests. Sorry, Pete. Many of the shoppers at Big Ben's will remember the former DOT WESNOFSKI, now Mrs. Stanley Kacprzycki of New Castle. Well, the Kacprzycki's have a new baby in the family, a boy. He joins his sister, Jasmie in the happy family. Dot's parents, Mr. and Mrs. John Wesnofski are well known in Hicksville.

Hicksville Kiwanians are making reservations for the 42nd annual Kiwanis State Convention at Kananah Lake, New York, Sept. 27 to 30. We received a copy of the LONDON TIMES and a post card from Venice this week from Mr. and Mrs. ARNOLD WITTE of Reiter Ave., Hicksville, now on a European Tour.

Welcome home to STEVE AND DELLA MC NAMARA of ... They are returning from a two week stay at Cairo, N.Y. ... There will be a meeting of Congregation Shaarel Zedek at the Temple on E. Barclay St., Hicksville, Monday night. Hear that PETE, one of the nice messengers - drivers for Hicksville Schools, is on vacation for the next few weeks. Last year he went to Europe but we didn't hear his plans for this year. Get well soon to BILL NELSON of Mid Island Plaza fame. Our old friend MAX COOPER, manager of the Sources Glen Cove Theatre, is on special assignment in charge of public relations for The Sycoset Theatre, house of Cinema. Just a year ago this week they tore down the old VOIGT mill to make room for a new parking field. One of the longest established businesses in Hicksville today is R.A. ESSLINGER, jeweler and optometrist. The late President TEDDY ROOSEVELT was one of his eye-glass customers.

CURRENT COMMENT

Hicksville Grew Just Same

By FRED J. NOETH

TWENTY YEARS AGO when things were quiet, we could almost always start a rip-roaring letter-writing controversy by printing a viewpoint either for or against the name of our community.

The following is portions of an editorial column we prepared in 1939:

In view of the present controversy over whether or not the name of Hicksville should be changed, with arguments being present from both sides of the picture by readers writing letters to this newspaper, it might be well to turn the pages of time back a few years and see what happened in the past.

It was May 26, 1926 -- just about 33 years ago -- that a balloting of all registered voters in Hicksville was held at the old courthouse between the hours of 3 to 9 PM on the question of changing the name of Hicksville. Eleven days before the voting the New York Herald Tribune printed the following editorial:

HICKSVILLE FOREVER

There ought to be some way to deal with the vandals who are trying all the time to change the old and honorable name of this or that town or village because somebody or other makes fun of it. A resident of Hicksville writes that some newcomers in that place want it called something else because "people kid live in Hicksville, if they go". Such thin-skinned citizens do not deserve to live in Hicksville, of Valley Lake, or Lovelylea or some other place with a name equally lovely.

The people of Hicksville should be proud, as no dubt most of them are, of a name that derives from and keeps in memory Elias Hicks, the Quaker leader, one of the makers of religious history. It would be stupid in the extreme to discard a name of such associations, one that has been held in affection for many years. Keep the old names, one and all. They will wear well long after the infantile jokesters have ceased to wag.

Well they held that vote in 1926 and the people of Hicksville voted three to one in favor of keeping the name of the community.

Research in recent years has indicated that Hicksville was really named for Valentine Hicks, a relative of the Great Elias Hicks. Valentine, one of the first postmasters in Jericho, was a vice president of the LIRR when it built the line out from Jamaica to what is now Hicksville in 1837.

FOOTNOTE -- Hicksville had a population of 6,000 in 1926; assessed valuation of \$3,000,000. Today we are at almost 50,000 with a valuation approaching \$90 million.

Gratifying Results

It is gratifying to report that the "hold out" dealer mentioned last week as unwilling to cooperate with a request to clean up his display of "girlie-type" trash, has since been convinced of the merits of the "clean-up" campaign and compliance with the efforts of Our Lady of Mercy's Rosary-Altar Society Committee on this project.

Evidence that many in our community are alert to this menace is found in the numerous telephone messages received in response to our comments of last week regarding the "war on obscenity".

Library Bd Elects Hansen

The Board of Trustees of the Hicksville Public Library held their annual reorganization meeting Wednesday evening, July 15, John E. Hansen was elected President, Mrs. J.J. Ummer, Vice President and Leon

J. Galloway was re-elected Secretary - Treasurer. Mrs. Elizabeth Scherer, newly elected member, took her place on the board that evening. Eilery Bean is the other member of the five man board.

On The MALL

with Bill Nelson

(Editor's Note --- Bill Nelson, popular public relations director of Mid Island Plaza Assoc. and regular conductor of this department, is confined to his home for a few days, recuperating from an automobile accident last Friday. In its place we offer the following summary of memoranda left on his desk by his gal, Friday)

Dear Mr. Nelson:

The Toy Giveaway last Saturday was just about the greatest ever... Everyone was there, giving a helping hand. Mr. Kassel of Gertz directed traffic, Mr. Greenberg of Chandler's was everywhere at once and Mr. Kossove of Buster Brown manned the loudspeaker... I can't swear to it, but somebody said they saw Mr. Don Hayes and Mr. Warrenfield, of Newberry's riding around the Mall in that Vanguard from Lynch of Hicksville until it was won by a mighty happy youngster from Levittown. His mother, Mrs. Goldberg, wants to know when are they going to have go-cart races on the Mall???

And the circus. Do you know they finally got me on that gravity ride and I have been dizzy ever since. The turn out of boys and girls would have done your crowd - promotion heart good. Somebody tells me that every boy and girl in Hicksville was down for the circus performances AT LEAST TWICE...

By the way, Paul Miller, the Circus man, left Pinky the elephant in your office for the weekend. I knew you wouldn't mind since you love animals and besides we can always get you a new desk. (Pinky sat on it).

URGENT - Mr. Noth called and wanted to know where the heck is your column for this week. He said the manager of Foam Rubber Center, Dan Krauss, said you write like the "Earl Wilson of Mid Island Plaza".

REMEMBER: Hicksville Chamber of Commerce meeting Friday morning, July 24, at LI Nat. Bank office on the Mall at 9:30 AM. Tom Pynchon, town highway super, will be speaker. All interested are welcome.

A go-cart club from the city held some races on the Mall parking lot, Sunday. Some of the Hicksville boys want to know if they can do the same. Arthur Noth and some of the boys from Twilawus Ave claim there are at least 21 of those midget carts around Hicksville, raring to go...

MEMO: Someone by the name of Morgan, I think, called and wanted to know where to send the flowers.

MEMO: The Jericho Contingent of Hicksville Kiwanis Club sent a telegram. They said the meeting was so calm this week without you that they will probably meet in your living room next week if you're not back by then.

Sorry but I forgot to mail off that renewal on your insurance policy last Thursday. Hope it will be already if I do it today... Nothing else important... hurry back, but don't worry... Don't pay any attention to those rumors about the Board having a special meeting to interview press agents...

Is it an Ice Show? **NO**... although it features a top team of Ice Stars in crisp capers and graceful gyrations. Is it an Operetta? **NO**... although it boasts the immortal music of Edvard Grieg. Is it a Resplendent Revue? **NO**... although it has all the makings of one... stupendous scenery too gargantuan for any indoor setting to hold; glamorous costumes that make a colorful contribution to the kaleidoscopic panorama; an array of stars and supporting players deployed in serried ranks of highly polished dance and song; a whole regatta of colorful craft gliding across mirrored waters while cheerfully cascading bursts of splendiferous fireworks rocket and wheel through the sky above. Sam Hecht School Board President

By I. A. FREEDMAN

Sam Hecht was recently elected President of the Jericho School Board. Mr. Hecht, a founder and charter member of the Birchwood Civic Assoc., at Jericho, Chairman of its Education Committee in 1937 and member of the School Board, has a distinguished record of service to the community. Refer to the biographical sketch in this issue for further information.

The confidence expressed by the School Board, representing the entire Jericho School District, in bestowing this honor upon Sam Hecht, is a recognition of the sense of responsibility which Mr. Hecht has always demonstrated.

It is axiomatic that what is best for sound education, is best as well for each individual village within the District. The spirit motivating the activities of the Birchwood Education Committee will continue to uphold this point of view.

The Jericho Blood Bank would like to thank Browne Troop 265 and their leader, Claire Hirsch, and co-leader, Pearl Burton, for the first mailing of the blood bank circulars. We would also like to thank Mrs. Florence Grazi, Mrs. Evelyn Storman and Mrs. Ina Lerner for the second mailing of B. B. circulars. Also all of the Jericho Jewish Center Sisterhood who volunteered to write the circulars but whose assistance was not needed, and to all the women who came down to the school to serve food to the blood donors.

It's good to hear that Sylvia Schacter of Birchwood Pk. Dr. is back home recovering from her operation. Hope by the time this is in print you'll be up and out. Get well wishes from us to you.

Congratulations to Mr. and Mrs. Robert Miller of 70 Bouny Lane who celebrated their son Larry's Bar-Mitzvah on June 20.

Sincere condolences to Jack Neas of Flower Lane on loss of his father.

Sincere Condolences to Julius Katz of Bouny Lane on the loss of his Beloved Mother.

Well the Jericho Fire Department came to the rescue once again. This time it was a less dramatic rescue than a fire, but for the members of Sisterhood Temple Or-Elohim, it was as important. After postponing their Poolside Luncheon - Card Party once, they were able to move indoors to the Jericho Fire House on Wednesday, July 15. The inclement weather didn't seem to dampen anyone's spirits tho' for a good time was had by all. The food prepared by Miriel Kassov and her committee was as delicious as could be, and devoured down to the last crumb of those home-baked cakes. One guest nearly had to be taken home in a truck with her three door prizes that she won.

Anniversary Message from Editor

With this issue, THE VILLAGER reaches its second birthday. As we sit down to light the candles on our birthday cake, the Editorial Board looks back fondly at the ups and downs, noisy arguments, tirmois, sweat and deadlines that it has survived. In these two years of publication, we are proud to be able to say that, come what did in any of our personal lives, we have never missed an issue. As the Publications Committee of the Civic Assoc., we are, perhaps, the only committee that has met regularly once a week all year round. Well, we've worked hard, and burned the midnight oil often, but we've enjoyed it too.

And now it's time to turn our thoughts to the future. We look ahead to another year of serving the Civic Assoc. and the community by bringing you the news, doing, and opinions of Birchwood. We will dedicate ourselves again to the task of presenting the news fairly and accurately, of helping you to become acquainted with several of your neighbors, and of speaking up editorially when ever we feel our views can best serve the community.

It seems appropriate at this time for me to express my appreciation to the many people whose varied efforts make this newspaper a reality. I feel a very deep gratitude to the entire Editorial Board whose constant and consistent articles, opinions and criticisms produce this newspaper. It is the product of all their efforts, and, as such, we hope it is truly representative of our community sentiment. I particularly want to thank all our advertisers. We hope their confidence in us has been justified, and that we may continue to help them serve our community in the future.

Special thanks go to Gilbert B. Stein, the former editor, whose continued interest and contributions have proved so valuable. And, of course, a deep and reverent bow to our publisher, Fred J. Noth, who puts up with late articles and early morning phone calls, and who really goes "all-out" to co-operate with us. We love him dearly, even if he occasionally mixes up our by-lines.

And finally, our sincerest thanks to you, our readers, who, through your support and encouragement, make our poor amateur laborings seem worth while.

Civic Birthday Profile

By GILBERT B. STEIN

THE VILLAGER a native of the Village of Birchwood Park, was conceived two years ago at Hazelwood Drive and born shortly thereafter on Birchwood Park Drive. Since this happy event took place in July of 1957, there have been a total of 104 meetings of the Editorial Board which were held at 17 different locations. Prolific to the point of being almost monotonously consistent, the VILLAGER has appeared in 52 by-weekly Thursdays and let's alternate weekly half-plat half-brother, the Little Villager has visited local homes a total of 39 times during this period.

The Editorial Board and the Staff of THE VILLAGER are presently made up of one Engineer, one retail Executive, one Butler, one salesman, 6 housewives, one Attorney, one Manufacturer of artificial flowers and one Textile peddler. For close to 18 months no member of THE VILLAGER family has left home, dropped out, or been committed to Creedmore.

The Editorial Board, having met for two years straight each and every Monday evening, at latest count has consumed the following during its regular meetings: 379 bottles of soda pop, 1327 cups of coffee, 19 glasses of milk, 89 donuts and 137 pieces of Danish pastry, 13,765 Hazel and other nuts, 179 pounds of assorted fruit and 29 pounds of candy. While all this went

on, a total of 479 motions were made, 385 of which passed.

The VILLAGER has printed 2946 announcements of affairs and meetings by local organizations. During it's two years it has sold and caused to be printed enough advertising to fill one complete issue of the Sunday Times. It has pushed drugs, automobiles, meat and shrubbery. Services offered ranged from plumbers to beauticians and included such widely unrelated subjects as art lessons, electrical repairs and summer camps. All of these ads had to be deposited, books and records were kept. Now that THE VILLAGER has a fairly nice and sizable treasury, it can be admitted that it has even met with one delinquent account. Latest from the Editorial Board is that this matter will not be taken to court. Only \$13.75 are involved and none of our 356 local attorneys upon being contacted cared to take the case.

THE VILLAGER's many features, reports, news stories and editorial crusades in the interest of civic betterment have stirred up many a local fuss. It has been the recipient of applause, curses, acknowledgements and insults. THE VILLAGER has also been honored by a special radio program on WHLI during the summer of 1958 as the only non-professional and non-profitmaking full scale honest to goodness local

A REAL INVESTMENT OPPORTUNITY

Continuously rising land values in Nassau and Suffolk counties make outright or option purchase and development of parcels a very lucrative field, which ordinarily is confined to a very limited group of individuals who due to foresight, connections and experiences gained, have realized tremendous capital gains over the past ten years.

A responsible local resident and successful business executive is placing this ad with the hope of attracting a limited number of forward looking, alert and likeminded individuals who feel that a Real Estate Investment Club can be formed by members who can afford to make substantial periodic contributions to such a venture.

By pooling resources, funds, experiences and connections as well as the judicial use of spare time, a syndicate of this nature could easily prove to be a very rewarding investment for persons who as individuals could not hope to accomplish these aims.

GEORGE FRANKEL, EDITOR, THE VILLAGER:

CONGRATULATIONS TO YOU AND THE ENTIRE "VILLAGER" STAFF ON ITS SECOND BIRTHDAY AS THE OFFICIAL PUBLICATION OF OUR CIVIC ASSOCIATION. THE "VILLAGER HAS BROUGHT LOCAL NEWS, ENTERTAINMENT, INFORMATION ETC. TO OUR COMMUNITY. THE OUTSTANDING CONTRIBUTIONS AND ACHIEVEMENTS OF EACH MEMBER OF THE STAFF HAS ESTABLISHED THE "VILLAGER" HAS AN IMPORTANT PART OF BIRCHWOOD'S WAY OF LIFE. GRATEFULLY YOURS ---

RALPH DIAMOND, PRESIDENT
BIRCHWOOD CIVIC ASSOCIATION OF JERICHO

Jericho Jewish Centre Sisterhood Circle

The Sisterhood welcomed the Circle System to its membership. Now the Circle System is welcoming Sisterhood to its membership. If this makes you feel like you are going around in Circles. Or perhaps that Circles are going around you, You are right. That is just what is happening. It is the hottest thing this summer-- It's got the sun beat by a degree. The women are buzzing about the Circles. And the Circles are buzzing about the women-- And the "bees" are busier than ever circulating the news. Around the patios and pools-- Getting the circles ready for their first meeting.

Should we have spun too fast -- and skipped a spin, And you found there is no Circle you're in -- Just dial your phone to give me a call, And I'll have you in a Circle in no time at all. (Ov. 1-0664 - Lee Batterman)

to do the Hula. See you soon, remember, if it rains I'll see you on Sunday night, Aug. 2, instead.

Plans are being made right now for a weekend at Homowack Lodge in Spring Glen, N.Y., October 30 - November 1.

CIVIC PROFILE

(Continued from Page 9)

newspaper on Long Island. THE VILLAGER gives a monthly accounting to it's parent, the Birchwood at Jericho Civic Assn. It has reached it's third editor since being born, he recently presided over it's 187th serious argument between members of it's everescent editorial board. THE VILLAGER, without any real local competition (who would dare to compete) is not a closed corporation. In fact, it is not a corporation but a lusty, down to earth, fun loving, talented, ever active, interesting and hard working committee of our Civic Association. Any member residents of Birchwood at Jericho are welcome to join. Before applying be sure to say fond farewells to your families, install a minimum of two additional phones including one with an unlisted number in your home, grow a beard or dye your hair a different shade and get a good physical checkup by your doctor.

THE VILLAGER has given this Community a voice, a means of communication and a fairly lively and interesting publication. On this, the second anniversary it wishes to say thank you to all it's readers, it's loyal advertisers and last but not least to it's fine publisher, Fred J. Noeth of the Mid Island Herald. Anyone for coffee, motions and features?

Wins TV Set at Bank Opening

MRS. ROSE CASTA, of 27 Birchwood Park Drive, Jericho, is the winner of the grand door prize, a portable television set and table, at the Open House ceremonies in Meadow Brook's new Jericho Office, Saturday, July 18, in the Birchwood Park Shopping Center. Accepting her door prize, coupon is Charles J. Barvels, assistant cashier and manager of the new Jericho Office. The winner of the second door prize, a pocket size all-transistor radio, is Frank Dulko of 153 Village Drive, Jericho. The winners were among 746 people who visited the new Meadow Brook Bank. Civic Worker Opens New Market

If and when a Chamber of Commerce or Merchants Assoc. is organized in Jericho, it will be a safe bet that among the leaders will be Irving Herskowitz of 134 Birchwood Park Dr., Jericho. He is having the grand opening of his new Jericho Kosher Meats in the Birchwood Shopping Centre next Tuesday, July 28.

It has been the writer's pleasure to know Mr. Herskowitz for more than two years. It was a casual conversation with Irv that led to the founding of the Villager section of the Mid Island Herald which is this week celebrating its second birthday. A bundle of civic energy, Mr. Herskowitz has been a conscientious worker for the community thru the civic Assoc. and the Jericho Jewish Centre. He has been elected to the Civic Assoc. Board of Directors every year since its inception and has just completed a term as editor of the JCC publication. He has been on the Villager staff since the publication began.

A chairman of the entertainment committee of the Civic Assoc., he arranged the first dance held at Roslyn Country Club (an event he would rather forget) and organized the first theatre group in the community. He was producer of the first play, Anniversary Waltz, which was a smashing artistic success.

Mr. Herskowitz played trumpet in the orchestra for the Jewish Centre's first musical comedy show last year and is always being called upon to assist in various causes. He has never been known to refuse. He has been in the meat business since 1945, operating stores in Rego Park and Brooklyn.

A former resident of Kew Gardens before moving to Birchwood nearly three years ago, he served in the Army Air Force Band as a trumpeter for 4 years and had a hand in quelling the Japs on Iwo Jima. His wife, Grace, is also an active

person in civic affairs. She is executive vice president of the Jericho Jewish Centre Sisterhood and was instrumental in organizing the Jericho Golden Age Club which she now heads.

Mr. and Mrs. Herskowitz have two sons, Billy age 12 and Larry 9, and a daughter, Sara Beth, 6. Living with them in Birchwood is Mrs. Herskowitz' mother, Mrs. Dora Prenallich.

Mr. Herskowitz is inviting everyone to an open house party at his new, modern and up-to-date market next Monday evening from 5 to 10 P.M. We join his many, many friends in wishing him success and prosperity in his new enterprise. -- Fred J. Noeth

Sisterhood Plans Luau

Aloha you all, Here am I writing to you from the sunny beaches of Hawaii (the South-

ern part that is) to tell you that I am rushing right home to Birchwood Park. We just got the word that the Sisterhood of Temple Or-Elohim, the Reform Temple in Jericho, is having a Luau on Saturday night, Aug. 1, that will beat anything they have right here.

It will be held at the lovely home of the gracious Mr. and Mrs. Ralph Lowenthal, 174 Forest Drive. Please call Betty Grayson at WE 1-2366 right now and tell her to beg borrow or steal but save me a ticket (at a mere \$7.50 per couple, I might add) for this sumptuous Hawaiian feast of Polynesian chicken, skewered chicken fillets, and all kinds of luscious Hawaiian dishes. We are getting out our brightly flowered shirts for the occasion, and oiling up the old joints so we can learn

Operation VFW
Wm. M. Gouss, Jr.
Post 3211, Hicksville
By LOU PALLADINO

A report was made that our colors were present at the July 4 memorial ceremonies for Claus Clausen. The Ladies Aux. was also present. Didn't realize what a big operator this boy was until some of the things were mentioned by the various speakers. Here was a fella that was hobnobbing on invitation with the royalty all over the world. The Presidents of our own country were no exceptions. This guy was a big deal. He lived in the Township of Oyster Bay, and he was a member of the V.F.W. We were proud to attend the ceremony. We were proud to attend the ceremony. We were proud to attend the ceremony. It's really quite an honor having a plaza named after you to save for posterity. Until his death, which was comparatively recent, he was the oldest living Congressional Medal of Honor winner.

While this all happened on the 4th of July, another more publicized event took place at Ft. Henry in Maryland. The first official flag with 49 stars was raised. This is the only place in our great Republic that our flag is permitted to be flown 24 hours a day by an act of Congress. They also had quite an occasion re-enacting the War of 1812. It is the 182nd birthday of our flag. One more item that may be of interest for this day is that this site was what inspired Frances Scott Key to write what is now our National Anthem. Just a few things that you may like to know.

We received a thank you card from the Bob Obermeyers. This may seem like a long time since their marriage, but remember too, that it's been sometime since our last meeting. Since the strike is on there is a delay on the construction of their home. They still claim to be very happy, but so early in the game, the only explanation is slap happy.

Les Iehle received his past commander's plaque, and it's a beauty. Congratulations Les, for a job well done. He was also showing off his life membership card. He appears to be very proud of it. Meanwhile he was thanking everybody for being so helpful to him during his term of office. You see, he needed 100% paid membership to be eligible for the State drawing.

The picnic report showed that we still had a little time, but days were passing by quickly. You should be receiving a double post card. One side is for you to return to us. Please put your name on it and put yes or no about coming to the picnic. This will be very helpful to the committee when it comes to ordering food and refreshments.

A new member is in our ranks. He's an old friend of ours, and his name is Joe Oliveri. This is the fella I was talking about that called and didn't realize who he was talking to. Very happy to have you as one of us, Joe. Try to feel at home and give us a chance. Knowing you so long, we're sure that the members will like you. And don't forget the name again.

It looks like our comrade Vince Fortunado missed the wrong meeting. Sorry to extend this T.S. slip to you, but you were picked in the Capsule drawing. Better luck next time. So this ante goes up another two dollars. Hope somebody wins it soon. Winner of the Post drawing was Spike Froehnhoefer.

Next meeting will be Monday, July 27, at 8:30 P.M. Hope to see you then.

Do You Remember?

FAST MOVING musical show as presented by LI Lighting Co. employees for an audience of 450 in Hicksville Senior High School auditorium last month. Members of the cast, left to right, are Frank Hoffman, Walter Ferraro, Sarah Vilardi, Richard Desmond, Eileen Donohue, Lots Fleury, Dave Fitzgibbons, Robert Mizon, Peggy Izzi, Andrew Wood, Dorothy Zawaski and Lester Kelly. The setting was a modern TV studio at the conclusion of the popular rock and roll idol's number. The custodians, Lots Fleury and Dave Fitzgibbons who were former vaudevillians, transformed themselves into the era of yesterday. As they recalled the stars and hits of that period, the stars suddenly appeared. (L.I.LCO News)

Legionnaires' Log
CHARLES WAGNER, Post 421, Hicksville, N.Y.
BY BOB SUTTON

Summer vacations have started. Art Rutz left for three weeks of camping and travel; Bob Mangles has left town for two weeks. All you members that are stuck here, remember the Post is open on Friday nights so come on out for a sociable evening.

The building committee voted 9 to 1 that we go ahead with the extension of the building if the post is advised to do so by the membership.

THE BLOOD BANK. With the conditions that prevail today we are being foolish if we don't take advantage of the Red Cross Blood Bank. We donate the blood and receive credit for it from the Red Cross. According to John Plung, Bank Chairman, to date we have helped four members of the post

with 10 pints of blood. If you are interested, please contact John. Our Boy's State Candidate will give his report on Boy's at one of our September meetings.

Now for a little information on our picnic to be held at Salisbury Park on Aug. 16. First don't forget your Park permits. Children under 16 free, over 16, \$1.25. There will be corn, clams, hot dogs, soda, and games with prizes for the winners. Beer only if you bring your own, it must be in cans, no bottles allowed. In case of rain, it will be held at the post. Bring your friends.

The membership drawing last night was for \$15.00 but once again the post held on to it. To win, you must be present with a 1959 membership card. See you all right here next week.

Their salaries for the period total \$23,955 of which \$2,590 is covered by the Ford Foundation Grant to the District.
