## State Officials Confer With Bd on Construction

Hicksville Board of Education, with Trustee Robert Eaton absent, held a special meeting Monday night at the High School to confer with officials of the State Dept. regarding proposed school construction in the district.

Pending projects include a 14-room elementary school on Willet Ave., a 10-room addition to Hicksville Senior High School and a gymnasium for East St. School.

Attending from Albany were Dr. Armstrong and Dr. Reiss of the School Buildings and Grounds Division of the Education Dept.

The discussion also considered the moving of temporary-type classrooms to the Junior High and Senior High Schools to accommodate increased enrollments in those buildings.

The Board of Education authorized the School Attorneys, Sullivan & Corcoran, to obtain an appraisal on the property south of the Senior High School between Division Ave. and Newbridge Rd., as a preliminary to negotiations with the property owners.

The next regular meeting of the Board of Education will be held Friday night, Aug. 14, in the Teacher's Lounge of the Senior High School. Proposed revision of the form of meeting agenda will be one of the topics.

## Vamps Race At Plaza Again

The annual Hicksville Fire Dept. invitation volunteer firemen's parade and drill on Labor Day will be staged for the third successive year on the vast parking field of Mid Island Shopping Plaza in Hicksville. It was disclosed this week by B. Medard Offenloch, ex-chief of Hicksville Fire Dept. and chairman of the tournament.

With 38 entries to date, including upstate New York, Westchester and Connecticut, the Committee has been assured that 25 marching bands will be present for the parade on Monday morning, Sept. 7, rain or shine. The competitions between teams of volunteers in a series of eight thrilling events starts at 12:30 P.M. There will be 15 trophies awarded for winners in the parade competition plus point, leg and permanent trophies for the afternoon drill.

Offenloch today reminded local business and professional people that time is running out for participation in the special souvenir journal and sponsorship of trophies. He said that each year dozens are disappointed prospective trophy donors because they wait too long to advise the committee.

Members of the fire department will start the erection of enlarged grandstands at the Plaza following their return from the State tournament at Watertown, N.Y., Aug. 20 and 21.

Last year their were 3,363 marchers in the Firemen's Labor Day parade at Hicksville, 38 bands and 215 pieces of mechanized fire fighting apparatus. Tied point winners were Oyster Bay and S. James, the first time a tie resulted in the 30-year competition.

## Nine Playgrounds to Stage Round Up at Plaza Saturday

The Hicksville School District Recreation Dept. will stage its annual summer round up at the Mid Island Plaza, North Broadway tomorrow (Friday) during the day and evening.

At 9 a.m. the youngsters from the 9 school playgrounds will march onto the plaza parking area adjacent to the Long Island National Bank to the accompaniment of marching music and a group of baton-twirling youngsters from the Woodland Ave. School.

Each playground will present a 15-minute variety program featuring a Kid's Amateur Contest, starting 10 a.m. From 2 to 4 P.M. the main attraction will be an arts and crafts exhibit of work done at the playgrounds during the past season.

First, second and third prize trophies will be awarded youngsters in the Primary, Intermediate and Secondary Divisions of elementary school children.

There will be a break in the program until 7 p.m. when the Magic Lantern Puppet Theatre will present a 15-minute puppet show followed by a concert by the Hicksville High School Band.

At 8 p.m., the Variety Show featuring the best amateurs of the School District Recreation program, will start. The show will be hosted by Bill Wendell of the NBC-TV Daytime "Tic-Tac-Dough" show. Wendell, radio-TV announcer for many years, was announcer

In the middle is the traditional contest for the best decorated bicycles and at bottom is a scene from the Junior Theatre, a new project this summer. "Four Feathers West" is the first production of the Junior Theatre scheduled for 8 PM tonight (Thurs.) at the Junior High School.

## Borley Candidate For Re-Election

Harry Borley has filed his designating petition for re-election as a Hicksville Water Commissioner in the annual election at Hicksville Courthouse on Monday night, Aug. 31. Polls are under the joint supervision of Oyster Bay and Hempstead Town Boards and are open from 7 PM to 9 PM.

Borley has been a Water Commissioner for 18 years. In an open letter to the community, Borley said today:

"To many people of Hicksville I need no introduction, but to those Water District voters who do not

know me, may I offer the following qualifications for your serious consideration.

"I have served the Hicksville Water District wisely and conscientiously for the past 18 years. During this period this District has experienced a phenomenal growth from 2,000 to more than 14,000 homes. To keep pace with this rapid expansion, The Board of Water Commissioners has administered the expansion of the water system so that today it is capable of supplying over 20 million gallons of water

daily to a population exceeding 50,000. The largest and most recent expansion project was the construction of four new wells and pumping stations at Miller Road and Dean St. sites. A 1,500,000 gallon prestressed concrete storage tank was also constructed at Dean St. In addition to the wells, pumps and storage tanks many large water mains have been installed to insure the availability of adequate water throughout the District.

"I am quite proud that this great

## DEAR JEAN...

Glad to hear HOWARD DARLING is at home recuperating after an emergency appendix operation at Mercy Hospital last week.

CLIFFORD J. RUSCH of 22 Prospect St., Hicksville, is a new member of Emergency Fire Co. No. 5. The Company is planning initiation of new members, probably in October.

Good to see STEVE RUGGIERO of Bay Avenue up and around again after a long stay in the hospital. Friends and neighbors wish him the best of luck for a speedy recovery. Passing by the TOM BERGIN home on Park ave. on Sunday, we noticed Tom and Leona had a houseful of company of friends and relatives from Connecticut. The Hicksville High School Alumni Assoc. will hold its next general meeting at the Hicksville High School Little Theatre on Monday evening, Aug. 10, at 8:30 p.m. All members are cordially invited to attend and all who are interested in joining are urged to attend. There will be applications blanks available at the meeting or you may obtain one at the Mid Island Herald office, Holden's Stationery Store or the Hicksville Sweet Shop all on Bway, Hicksville. What happens to the nose of the cute little blonde, George R. goes with? Betcha, Hap will tell us when we see him. See that Mr. and Mrs. PAUL MILLER are grandparents again. This time, daughter Carol and husband, David John, have presented them with their third grandson. This is the John's first child. Carol's sister Lillian has two little boys...

Sorry to hear that MRS. GELLWEILER is ill. She has moved from Hicksville and is now residing with her sister. Local friends who would like her address - here it is - 204-08 11th Ave., Hollis, N.Y. c/o Bauer. We all wish her a speedy recovery. Did you know that Mrs. HAROLD SMITH of Brookville was chaperone to Miss New York at the recent Miss Universe contest out in California? Well she was and she got back home in time to help celebrate Harold's birthday, which was on July 25th. She was hostess at the party and a good time was had by all. By the way, Harold is a commissioner of the Jericho Fire District. We miss the smiling face of MARY BLOSS at the Hicksville P.O. who, we hear, is on vacation. Happy vacationing, Mary. Also on vacation is RAYMOND DONAZZIE of Dante Ave., Hicksville. Taking advantage of the vacation, Anne has him painting the house. Good boy, Ray. Our sincerest sympathy to the family of Mrs. FLORENCE FIANO of Elm St. Hicksville, who passed away yesterday morning. Mrs. Fiano, the former Chubby Raimondi, daughter of Mrs. Marie Raimondi of East St., was well known in Hicksville, having lived here most of her life. She was a small person. We know because we've known her for a good 25 years, went to school together, met on the corner with our children and passed the time of day - all the things that made up good old Hicksville. We will all miss her...

ROBERT JEDEROWSKI, who goes under the professional name of Robble Edwards, was notified Show. Robble, whose specialty is tap dancing, will appear tomorrow night (Aug. 7) to be judged along with other contestants. He resides at 1433 Bellmore Ave., Bellmore. His dad, WALTER, owner of the Ideal Window Cleaning Co., is well known in Hicksville.

The DAN DUNLAPS and the RAYMOND HAWKINS of Twinlawn Ave. were hosts on Thursday night at the dinner party for Mr. and Mrs. WALTER MILET and family, also of Twinlawn, who moved to their newly built home in East Setauket, L.I. on Tuesday of this week. Friends and neighbors wish the Milet's the best of luck in their new home. What do you think of two of the girls in the office, Irene and Lynda, who saw a little lost girl across the street from the office and when a kind gentleman came into use if they could do something, picked up the little curly head and marched up and down First St., looking for the child's Mommie. Here's the pitch, after being gone for about an hour, (we were ready to send for the police to look for our two gals), they came walking in with the little one. The rest of the staff suggested asking the family upstairs if the child belonged to them and you guessed it - curly head did. She just wandered off on her own. In the good newpaper - Mrs. MARY CUCIARO of Bay Ave. is home again after 9 weeks stay at Mercy Hospital. We hear she is so happy to be home with her family even though she is in a heavy cast and has to remain in bed. Now is a good chance for all her friends to see her and sign their names on her cast. We are going to. Belated greetings to Mrs. EUGENE MARTINO of East St. who celebrated a birthday on Monday of this week. Mrs. M. was guest of honor at parties at both her daughters' homes, Mrs. Robert Bogart of Chestnut St. and Mrs. Fred J. Novits of Twinlawn Ave. Also celebrating a birthday, on the same day was JOHN NELSON of Twinlawn, who was 15 years of age on that day.

expansion work was accomplished during a time when prices for other goods and services have increased greatly, while the water rates have been kept at the same low figures for many years.

"There are many problems with which the District is faced which space does not permit to discuss in detail. One of our more serious problems is the large volume of road, drainage and railroad work in this District by other agencies. This work requires constant vigilance by the District to minimize damages and interruptions to water service to the District Consumers. Through our operating personnel and consulting engineers we feel we have and will be successful in meeting these and other problems with which we are faced.

"To further acquaint those of you who do not know me well, I am the father of two children, born and educated in Hicksville; an Ex-Chief of the Hicksville Fire Dept., a member and past president of the Nassau County Firemen Association and a member of the Junior Order of United American Mechanics.

"Voting for Water Commissioner will be from 7 to 9 p.m. on Aug. 31 at the Courthouse in Hicksville. No advance voter registration is required, but voters must be resident property owners. I respectfully solicit your vote with the assurance that, if I am elected, I will serve you to the best of my ability," Borley stated.

## What's New in Hicksville Ohio

The Hicksville Township Zoning Commission wishes to notify all residents of Hicksville Township of a public hearing at the Township Trustees Office. The text and maps of the Zoning Resolution may be examined.

The Hicksville Rifle and Pistol Club held another trapshoot, on July 26, starting at 1:30 p.m., at their range on Spencerville Road. If you have never tried their Quail Walk, you are really missing something. They had a very nice crowd at their June shoot and they had an even bigger one on Sunday. There were 12 gauge shells and cold pop on the grounds, and a good time was had by all.

The Hicksville V.F.W. Auxiliary No. 3011 received a letter from the District President notifying them that they had won a department award of \$50 for being second in the State in securing new members. Mary Thiel has been ap-

pointed district color bearer No. 4 from the local Auxiliary.

The Hicksville Fire Dept. was called to the Clemmer farm on Rte. 2 Monday at 9:30 a.m. where a fire in an upstairs room done damage estimated at \$500, by Fire Chief Allen Poper. The fire of undetermined origin kept the department busy for about an hour before being extinguished.

Congratulations to E. Mentzer and Son, whose 5-10¢ store has been in business for 35 years. We wish them continued success for many years to come.

The American Legion Auxiliary annual ice cream social was held at the Legion lot on East High Street, Saturday, July 25. The menu consisted of chicken and sloppy Joe and grilled wiener sandwiches, potato salad, baked beans, pie, cake, ice tea and coffee. Well that's the top of the news about Hicksville (Ohio, that is.)

## Atty General Rules on Vamps

In a formal opinion made public this week, Attorney General Louis J. Lefkowitz ruled that where reasonable provision is made for fire protection in the home district, fire commissioners may authorize participation of volunteer department apparatus in parades in another area without incurring personal liability.

The fire commissioners must consider local conditions, and determine what is required to provide or make "reasonable provision" for protection in the home district.

## Anderson Is Named Clerk

Francis J. Anderson Jr. of 63 East St., Hicksville, has been appointed Nassau County Clerk by County Executive A. Holly Patterson to fill the vacancy caused by the death of Ernest P. Francke of Hicksville. It was disclosed Tuesday, a career man in the County Clerk's office Anderson has been associated with the office for 28 1/2 years. He has been deputy County Clerk for nine years and First Deputy to Mr. Francke for the past 2 1/2 years. Patterson said that Anderson with his long association with the office of the county clerk, is "highly qualified." As First Deputy, he was the right-hand man to the late Mr. Francke.

Born in New York City 53 years ago and raised in Westbury, Anderson has been a Hicksville resident for 20 years. His wife is the former Lillian Nelson of Hicksville and they have been married for 23 years.

## On The MALL

with Bill Nelson

Work begins very shortly at Mid-Island Plaza on the erection of the Techbuilt Vacation House being given away in September along with a \$1,000 in cash and full furnishings. The house giveaway, set up by the Plaza Assoc. in conjunction with the Nassau County Mental Health Assoc. has been devised in an attempt to establish a sorely needed Nassau County Mental Health Rehabilitation Center. The center would serve as a focal point where "after-care" patients (those no longer receiving State hospital in-patient treatment) could come for rehabilitation therapy and advice; where families of those with a mental or emotional problem could learn how to adjust to their particular situation, while being taught at the same time to help and understand the problem of mental health.

Thousands of books containing 11 tickets, selling at \$10 each, have been distributed throughout Nassau and Suffolk. The tickets, individually priced at \$1.00, entitle the holder to inspect the house, open to the public Aug. 15 through Sept. 26, and also gives the holder of the ticket a chance to win the house, the \$1,000 and the furniture. The seller of the winning ticket will receive a 7-day, all expenses paid trip to Florida. Get a book today, either from Nassau County Mental Health at PI-2-9006 or from me at WEJ-5-7700.

Sell ten tickets and keep one free for you, or buy a book for \$10.00. This is the biggest opportunity you'll ever have to help Mental Health, so join with us....get your friends and neighbors and relatives to join with us in this drawing. Act now! The drawing will take place at Mid-Island Plaza on September 26 and all returns must be in by September 24. In helping you are helping yourself and success depends on an ALL OUT effort in the sale of tickets. The Hicksville Kiwanis members have already committed to over 30 books at one meeting. Just one meeting brought us over \$300. Phone us at once for as many books as you or your friends can handle.

In answer to the many queries on the subject, Grand Winners in the now completed Beautiful Child Contest held at Mid-Island Plaza will be announced concurrently in the August TOWN HERALD over Allen Stuart's WHLI Lunchtime Melodies program, August 27, 28, 29.

Having more or less recovered from the results of my recent automobile accident, a word of thanks to the men of the 2nd and 3rd Nassau Police Precincts for their speedy assistance and the wonderful way in which I was treated. Speed and efficiency were certainly the watchword on that "Black Friday," and I was mighty glad to see the Meadowbrook Hospital ambulance too. They got there in tickety-split time.

Bill Wendell, NBC-TV star, host of the daytime Tic-Tac-Dough show, who will be on hand to host the evening portion of tomorrow's Hicksville School Reunion Banquet, is an old college chum of Joe Madden, Nassau County Executive. They were students at the same school together, and to prove the old adage about "college ties," Joe picked up the phone after he, three many years and asked Bill if he'd do the MC'ing chores for tomorrow's show and got a resounding affirmative.

We just received a mighty nice letter from the managing director of the Northport Veterans Hospital, thanking us for the fine show put on by the Paul Miller Circus for over 1,400 hospitalized vets. The forced inactivity due to a week of summer rain, and proved to be "a tremendous delight to all who attended."

I recently ran across a note of interest that indicates that Public Relations can be fun....it announced that Jay Emmett Associates, a New York Public Relations firm, had been named exclusive representative for French actress Brigitte Bardot. It further announced that the office represents Diana Dors and Tina Louise. With clients like that the blizzard of '58 couldn't keep me away from the office.

Being me away from the office, I still realize that some types of publicity turn editors into snarling cynics. The word "new" is probably the most overworked in a publicity or public relations man's vocabulary. For the novice to the field, here is a guide to be followed in interpreting ads and press releases appearing in your newspapers, usually perpetrated on the public by industry.

NEW: Last year's model, but we're trying to get one more plug in the paper's about it.  
ALL NEW: Last year's model with a change in control knob.  
COMPLETELY NEW: The trim has been changed, also.  
AUTOMATIC: It has an off-on switch.

FULLY AUTOMATIC: On-off switch plus a speed control knob. An industry spokesman said: none of the management wanted this statement attributed to him.

UNIQUE: Every other way of doing it was swayed up by valid patents.

AN INDUSTRY FIRST: Everybody else was ahead of us, but we've

BOB BORST, Administrator of Block Captains, congratulates Corinne Cohen of Fortune Lane on becoming the first Female Block Captain. (Allen C. Lyon Photo)

## First Female Block Captain

by Robert A. Borst

Yes, the ladies have done it again! They are now in that once masculine domain of the Block Captain. And we are delighted! Honest.

For what better way could we get the various duties of a Block Captain completed than during the day when the lady of the house is free or in the evening when hubby is relaxing after a busy day and can act as baby sitter? Either way our gal gets a chance to get out and see her neighbors, view their homes and enjoy a friendly visit while going about the business of hand.

A number of our male Block Captains have been forced to resign because of the pressure of business.

Many of our blocks are now without captains and we are unable to find replacements among the men living on the block. Therefore we are truly delighted that we have our first female Block Captain in Corinne Cohen of Fortune Lane. She is the first but we hope not the last.

We ask the women of Birchwood to rally to the cause and volunteer as Block Captains to relieve some of the tired and bedraggled men who have held the fort so long and gallantly. This is your opportunity to serve your community so kindly communicate immediately with the present Administrator of Block Captains. Call OV 1-7091 and join up!

## Special Bulletin

THE VILLAGER has just learned that the Jericho Players have selected their forthcoming production. It was decided that that famous Broadway smash hit "Detective Story" will be presented by this talented local group sometime in late fall. Date to be announced shortly. The Jericho Players badly need male performers (actually 24 men are needed for various parts) and the players ask for local volunteers to please phone Mimi Gruber at WE 8-8048.

## Map Strategy To Fight Station

The Birchwood at Jericho Civic Assoc. Board of Directors had been advised, by Town Clerk Henry Curran, that a hearing was scheduled for Aug. 4 on the permit for a gas station to be built at Merry Lane and Jericho Turnpike.

The gas station committee reported that the Merry Lane entrance at Jericho Turnpike is 34 1/2 feet wide, as compared to 66 to 90 foot widths at Turnpike entrances to other communities. This committee was planning to petition for widening of the Merry Lane entrance, and was considering plans for the upzoning of the contested parcel of land.

Prior to the hearing on Aug. 4, the gas station committee devised the gas station committee devised a publicity program in the Villager and other newspapers; planned a motorcade of Birchwood residents to the site of the hearing; printed leaflets, posters, banners, about the gas station fight; formed telephone squads to enlist residents and organizations in the motorcade

to the Town Hall. The Board passed an appropriation of \$50 for the committee.

The patrol committee reported that the apprehension of a youthful drag racer by Horace Bernstein and Arnold Koplik (Board Members) and the immediate publicity that ensued, has stopped drag races and speeding in our community.

The safety committee reported that it had sent a letter to the Deputy Town Attorney, Edw. J. Poulos, indicating that our community streets were being used by auto driving schools and had requested that this practice be stopped. Another letter to Mr. Poulos requested that stop signs be posted on Birchwood Park Drive. The committee had reported to Mr. Poulos about the complete lack of maintenance at the house located at Maytime Dr. & Leisure St., and had been advised that a letter had been sent to the absentee owners by Mr. Poulos requesting that the property be maintained in a representative condition. Another letter had been sent to the executives of the Fairchild factory to ask that they remind their employees to use caution while driving through our streets.

## Neighbor Gives Alarm of Fire

by Robert A. Borst

It is Wednesday morning, July 8, about 25 minutes past one o'clock. Joe and Jean Schmidt are asleep in their home at 222 Birchwood Park Drive. Also asleep in the house are their sons Dick, a paraplegic insurance broker and Stan, a student at Hofstra.

Jean hears the doorbell faintly through the heavy veil of sleep. It keeps ringing so she gets up and goes to the door. One of her neighbors, Ruby Skyles of 211 Birchwood Park Drive, tells her that the garage is on fire. Immediately she awakens the others in the house and Joe and Stan rush out and begin to play their garden hoses on the inferno in the garage while Heen calls the Fire Dept. Within minutes the firemen are working at extinguishing the blaze and before long it is completely out.

Let there be no doubt about it - this could have been very serious fire if Ruby Skyles had not noticed it as early as he did. If the flames reached into the house and blocked off the hallway what of Dick, the paraplegic? The answer of course may well lie with the Fire Department for, after all it is their job to put out fires and rescue people. They should know if there is a paraplegic or invalid in a house to which they may be summoned. This was explained to the Schmidts by one of the Firemen who helped extinguish the fire. It is now being explained to you, dear reader.

If you have an invalid or paraplegic in your home the Fire Department wants to know it and record it. If you know of a home in which an invalid or paraplegic resides please show this article to the homeowner. Those residents living in the Jericho section of Birchwood should call the Jericho Fire Dept. at WE 1-3546. Those residents living in the Syosset section should call the Syosset Fire Dept. at WA 1-0728. If it is necessary to summon the Police in an emergency, and an invalid or paraplegic is involved, they want to be advised at the time the call is made. Our precinct is No. 2 on Broadway and the telephone number is WE 1-7700.

In any emergency involving the Fire Dept. or the Police you should call the operator at once and state that you are making an emergency call and if you must leave the telephone before you get an answer be sure to tell the operator where help is needed.

## 3 Spokesmen In Opposition

A motorcade of 75 cars from Birchwood at Jericho carried a large delegation of residents to Oyster Bay Town Hall, Tuesday morning, to register opposition to a proposed gas station at Merry Lane.

The Birchwoodites carried banners and occupied most of the seats in the Town Hall Hearing room. Speaking in opposition to the gas station were Dr. Martin Lawrence, Larry Gibbs and Ralph Diamond, president of the Civic Assoc. The applicant was represented by Arthur Kaye.

Supervisor John J. Burns who presided at the hearing before the Town Board complimented Mr. Diamond and the Civic Assoc. for its public spirited interest in local affairs. He also complimented the Civic Assoc. spokesmen for their presentation.

The Civic Assoc. has previously filed two petitions with the Town Board which are currently under advisement: (1) requesting the widening of the Merry Lane entrance to the community and (2) requesting a rehearing on the zoning which permits a business use at this location.

The hearing was concluded and decision on the application was reserved.

## Some Stores In Centre Open

by Irving Harkovitz

This writer stated previously that the possibilities of all stores opening at the same time in the new Birchwood Shopping Center appeared unlikely. Recent events have confirmed this viewpoint. The stores are now being opened for business one by one.

Waldbeum's Market has been delayed again and the earliest possible date they can open appears to be the end of August. Michele's Bake Shop is trying desperately to be ready about the same time as Waldbeum's with an outside chance they may make it by then.

Thus far the following business establishments are now open for business: Shell Gas Station, Meadow Brook Bank, Jericho Kosher Meats, Colony Card Shop, J'Art Beauty Salon. The dry cleaners, barber shop and drug store are expected to join the open ranks in a very short time.

All signs indicate that the earliest date for the Grand opening of all business establishments at this center appears to be September 1.

The builders, Sosnow and Schwarz, are now negotiating leases for the second section which will consist of non-food and non service stores. It is expected that the new section will be devoted to wearing apparel and hard goods. Alexander's has displayed some interest in renting space in the second section and another well known chain has also been negotiating for space.

The builders believe that when the center is fully completed it should be a well integrated shopping area that will take in all facets of a shopper's needs.

## MAP STRATEGY

(Continued from Page 7)

The constitutional committee will select a date in October on which the general membership will vote on constitutional revisions.

The membership committee reported 517 members families in the Civic Assoc. of which 457 were renewals and 60 were new members. There were 217 non-renewals, but the number of residents applying for membership was still ahead of the figures at this time last year.

It was reported that Messrs. So-snow and Schwartz had erected a retaining wall at the line separating the shopping center from Haz-elwood Drive properties, and had repaired all damage that had been done to these properties.

The discount committee was asked to continue its investigations and prepare a report with definite re-

commendations at the next meeting. The Syosset education committee requested that the Board send a letter to the Town administrators to ask that the 10 acre school site in our community be leased by the Town at \$1 per year and maintained as a park. This motion was passed.

## CIVIC PROFILE

(Continued from Page 7)

Brooklyn apartment. He is married to the popular and well known Charlotte who in turn is the actual organizer of our Birchwood Civic Association, which both Charlotte and Sam served, worked for day and night, and nursed along well before even one single resident had moved into his home. During the first year of our Association's existence in Birchwood, Sam Heeg's leadership and untiring efforts helped to lay a solid foundation for the future. Even recently Sam as the Chairman of the Association's Constitutional Revision Committee, completed a tremendously difficult and time-consuming job of finalizing his report which the Board of Directors accepted and which is scheduled to be voted on by our Community sometime this fall.

Sam, a graduate of Columbia University and Brooklyn Law School, is an attorney, practicing together with his brothers and his sister in New York City. For many years a member of the Masonic Order of The Odd Fellows, he reached the rank of Noble Grand and the exalted position of District Deputy Grand Master in a District with membership exceeding 5000.

In fact his election made history, since at that time he was the youngest individual who had ever been elected to such a high office within the organization. Just recently Sam completed his term as President of the Real Estate Square Club, whose many members include many of the leaders in the world of Real Estate.

Sam Heeg, upon becoming a resident of Jericho undertook it to organize our Jericho Little League. He completed all the paper work which resulted in Jericho receiving a Little League Charter. When it comes to hobbies, Sam once again shows up as President. In this case it is the Jericho Investment Club. Organized over a year ago by local residents for both their enjoyment and the pursuit of stock market profits, Sam is at the right time to head this enterprise of high local finance.

Maybe or perhaps because of all the many well deserved honors bestowed upon Sam Heeg in the past, and at present, he is one of the most charming, unassuming and considerate of men. Never one to raise his voice in anger, he is the sort of individual who can and does command respect at all times. With the election of Birchwood to the School Board, the residents of Birchwood at Jericho can indeed be proud to have had one of their own neighbors chosen for this position. It is a compliment to all of Birchwood at Jericho for it points out more than any other single action, that all of Jericho is united when it comes to selection of the best qualified individuals to positions of Public Trust, regardless of an individual's residential locale.

The youngsters of Jericho and their parents are indeed fortunate to have "men of Sam Heeg's" and to have "men of Sam Heeg's" and Martin Fenn's caliber take such an active interest in educational and community affairs. Speaking for all of Jericho, we would like to say a simple but heartfelt "THANK YOU!"

Mr. and Mrs. THOMAS SUNDBERG and family of Baltimore, Md. are vacation guest this week of Mr. and Mrs. Phil Sundberg of Lehigh La., Hicksville.

### Jericho Library, No Easy Answer

On July 22, the library committee met with Mr. Sherouse of the Library Extension Division in Albany. Mr. Sherouse discussed with the committee several methods of obtaining a public library for the residents of Jericho. The following week the committee met with Mr. Merit, chairman of the board of trustees of the Kiwanis Spousal Community Library. He informed the committee of his library's mode of operation.

The committee then digested and discussed all information gathered and voted on a plan of action which it will present to the Board of Directors of the Civic Association at its next regular meeting on Aug. 18. The committee would welcome with open arms anyone with library experience, or a degree in library science to guide and assist, as well as anyone interested in the project. Phone chairman Lotte Stein, OV 1-0338.

of 27 Fountain Lane (who I'm told, is an avid fan of mine) Thank you John.

There was a softball game between the Jericho Country Club and Woodbury Country Club, under the leadership of Carl Braun. Thanks to the pitching of Lloyd Garelick of Hazelwood Drive and a home run by Mark Mandel of Maytime Drive, Jericho Country Club came out in front with a high score.

The Hawaiian Luau sponsored by Sisterhood of Temple Or-Elohim was a glamorous, magical evening. Authentic Hawaiian Food was served along with Hawaiian Music and Professional Dancers. We are looking forward eagerly to next year's Luau. Many thanks to Men and Women who worked so devotedly and to Martyn Rockman of Great Western Meats, Smitten Bros., and Peter Pan.

Hear tell that the Abe Horns of Highport Lane had a fabulous time in Europe. Welcome home.

Saw the police in full bloom at the Shepard's 11 Maytime Court. It seems that someone (boy, child or man) fired a bee-bee gun point blank at the patio door and the two shots went clean through the glass. What a frightening experience! You can be sure the culprit or culprits will be caught and severely dealt with.

The Mark Haas-Larry Lesser Jericho Chapter of Cancer Care is planning its second annual luncheon to be held on Saturday, September 26 at the glamorous Shelborne Beach Club, Lido Beach. Featured will be a surprise entertainment in addition to many valuable and interesting prizes. Tickets are \$4.75 and may be obtained by calling Phyllis Sabele at We. 1-3392 or Harriet Minmaker at Ov. 1-4301.

Birthday wishes to Leonard Wainick, a member of the Board of Directors of the Birchwood Civic Assoc.

Jericho ORT is not letting the summer heat get them down. They are planning a lovely luncheon, at no charge, to welcome new members. The luncheon will be held on Tuesday, August 18th, at 12:30 p.m. at the home of Mrs. Richard Ruch, 204 Forest Drive.

Chairing the affair are Mrs. Perry Coburn, Mrs. Simon Enoch and Mrs. David Brown of the membership committee.

Anyone interested in attending the luncheon please call WE 8-8716.

Jerry Goldberger of the Birchwood Shopping Center J'ART BEAUTY SALON advises that he will set every ladies hair in CHAMPAGNE during this the opening week. My my, what a sousing time you gals will have...

## 3rd Barbecue Shapes Up Big

Mrs. Murray Kellner reports that there has been an overwhelming response to the third annual Barbecue and Square Dance of the Sisterhood of Cong. Shaarel Zedek being held on Saturday night, Aug. 15th, on the beautiful grounds of the home of Mr. and Mrs. Sam J. Kellner, 20 Field Ave., Hicksville.

Mrs. Kellner, the chairman of this function, has arranged for an elaborate barbecue supper and dance music furnished by Don Duracher. In case of rain, the affair is postponed until Saturday, August 22nd, 1959.

TEACHERS Hissao Figueroa and Lilia Pineda of the Coral Island Hula Studio demonstrating the Hula to guests of the Sisterhood of Temple Or-Elohim's Hawaiian Luau at the home of Mr. and Mrs. Lowenthal of Forest Drive, Jericho, who graciously donated their grounds and home to the Temple. Needless to say a grand time was had by all.

Everybody's doing it... doing what?

CONVERTING to clean, economical GAS HEAT

... everybody's tired of house cleaning

... tired of worrying about deliveries

... tired of costly service contracts!

Better get in touch with your LILCO Certified

Plumber Dealer and ask him to

tell you the TEN REASONS WHY YOU SHOULD

CONVERT TO GAS HEAT NOW!

1. GAS IS THE MODERN FUEL... it gives full value without waste.
2. GAS IS THE CLEAN FUEL... it burns completely leaving no ash, no dirty, sooty smudge to soil your home or clog the flue.
3. GAS HEAT IS DEPENDABLE... GAS is always there, always ready... and you pay after for the gas you use.
4. GAS HEAT IS YOUR SILENT SERVANT... no complicated moving parts to wear out or become noisy.
5. GAS HEAT IS AUTOMATIC HEAT... the thermostat does the work. Set it... forget it!
6. GAS IS WHERE YOU WANT IT... you never worry about deliveries because GAS is piped into your house like water.
7. GAS ENDS STORAGE PROBLEMS... no more messy bins or storage tanks. Your basement becomes another room for living.
8. EASY BUDGET BILLING PLAN spreads your fuel costs over ten months. You always know where you stand!
9. LILCO FREE SERVICE POLICY eliminates costly service contracts and takes care of adjustments and cleaning when necessary.
10. CONVERT NOW... pay nothing on equipment until November.

Clean, sparkling hot water always on tap when you have a GAS WATER HEATER! So economical, too!

**GAS costs no more than ordinary fuels!**

## Earn License As Official Unit

The Mid-Island Barbershoppers held a family night dinner, Monday night, at Caruso's Restaurant in Levittown to receive an official license to operate and present a program of harmony to their family and friends. The Rev. Al Thompson of Brooklyn, Area Council for Long Island, presented the certificate to Milt Buer of Freeport, Chapter President.

Cain Higgins, past President of the Mid-Islanders, acted as Master of Ceremonies and had everyone, including the waiters, singing the "Old Songs." The head of the Nassau Chapter, Ed Chan, was on hand to represent the sponsors. Many old favorites such as "Cruisin' Along in My Old Model T," "Coney Island Baby" and "Down Our Way" were offered by the always popular Island Harmony Four of Nassau.

## Police Warning

The Nassau County Police Dept. this past week sent out a warning to vacationers not to make it easy for burglars to ransack their homes. The lists of "don'ts" included letting the grass grow uncut, leaving mail in the box, forgetting down all the shades, continuing deliries, and above all, notes telling when you'll be back and where you've hidden the key. An open garage door with the car gone is often an invitation.

## Legionnaires' Log

CHARLES WAGNER, Post 421, Hicksville, N.Y.  
BY BOB SUTTON

Our Commander started his vaca-  
tion this past weekend and Bob Hasel  
was acting commander. Have a good  
time, Ed. In a previous column I  
stated that Bob Mangles was on  
vacation, that was a mistake or  
should I say a business trip to Can-  
ada? He did start his vacation this  
past weekend, he wanted to paint  
but the Mrs. would rather have  
wallpaper.

Last night the membership of our  
post reached an all time high with  
so new members, John H. Barnett  
and Elwen C. Rafuse, both of Prince-  
cess St. A big welcome fellows and  
hope we see you often.

The capsule drawing went to John  
Hodkinson, who was not present,  
so once again the post is ahead.  
The post wishes to thank Pete  
Sletzer for a job well done on the  
cabinets he built.

Once again I want to remind every-  
one that the picnic is only a few  
weeks away and I sure hope to

see all of you there, Aug. 16.  
The dark horse drawing was won  
by Joe Slating. Nice going Joe.  
Last night was the last drawing for  
this year, now we start over again  
with donations going to our Xmas  
party.

Yesterday, H. Brown, A. Barlow,  
E. Kuntzweil, and T. Correll went  
fishing and last night we received  
a blow by blow description of Ho-  
ward's first white marlin. And from  
the looks of it all, the next addition  
to the family will be Martin Brown.  
All kidding aside, the fellows had a  
wonderful time. Howard's marlin was  
473/4 lbs., Al's tuna was 25  
lbs., Ed's - 7, and Tony's - 7.  
It was the first time out for Howard.

Once again I would like to remind  
everyone about the blood bank. Con-  
tract John Flung or Dick O'Neil the  
first Tuesday or second and the  
fourth Thursday of each month.

That about sums it up for this  
week. See you and your friends at  
the picnic.

(100%) percent of the accepted bids,  
guaranteeing performance accord-  
ing to Specifications and the payment  
of all obligations arising thereunder.  
Each Bidder will also be required  
to show to the satisfaction of the  
Board of Education that he is carry-  
ing Workman's Compensation Insur-  
ance as required by law, and all  
other insurance in an amount not less  
than specified under the General  
Conditions.

The Board of Education reserves  
the right to waive any informalities  
in any and all Bids, and to accept

and re-advertise the same work, or

the lowest bidder, if it is deemed in  
the interest of said District to do.

(45) days after formal opening thereof  
and no bid shall be withdrawn within  
45 days pending decision of the Board.

## Trojans Miss Chance for First

The important St. Ignatius CYO Baseball League game, and chance to be first in the Bantam Division, went to the boards, Sunday afternoon. The game between the St. Ignatius Bantam "Trojans" and St. Boniface was a well played game between both teams until the 6th inning. Jack Woodworth lost his control after pitching one hit ball up to that point. The fatal 6th came with the usual heart-breaking and dangerous bases on balls. Three to be exact.

In the top of the 6th inning Jackie walked the first man, he was sacrificed to second; with one out he walked the next, two men to load the bases. The next man tripled to right center field and that was it. St. Ignatius out hit St. Boniface 8 to 4, but it was the runs and walks that did it. St. Ignatius had 2 runs and 8 hits and 2 errors. St. Boniface had 6 runs on 4 hits and 2 errors.

## Sports Cars Around L.I.

By MARC FINKELSTEIN

TONY BETTENHAUSER of Tinley Park, Ill., before the second heat at Lime Rock Park's "Formula Libre" (free formula) race, Saturday, July 25. The midget that he drove is the famous Caruso Offy, belonging to Mike Caruso of W. John St., Hicksville. Roger Ward, winner of the 1959 Indianapolis 500, was the victor in an Offy-powered midget similar to Mike's. "Among the many troubles" according to Mike Caruso, "was that we ran the wrong gear ratio and tire combinations". This, with a broken brake, costed the Caruso Offy to be an "also ran" finishing out of the money. Incidentally, the tires that Mike used were donated by Murray Kalner, of World Wide Tire Co. of Hicksville for experimentation.

## Americans Bump Internationals

By HELEN LINK

The Hicksville International Little League All-Stars advanced in to the 3rd round of the district play-offs before being eliminated by the Hicksville American League All-Stars by the score of 7 to 3, in a game held at Syosset on Aug. 1.

Earlier, the Internationals had gotten off to a flying start by beating the Jericho entry on July 29 3 to 1. Good pitching by Johnnie Steinmetz who hurled a two hitter while striking out 7 was mainly responsible for this win. The Internationals only got 3 hits but secured a lot of mileage from them. A single by Howie Menzies and 2 by Bobbie Flanagan which included a steal of home by the big Irish boy accounted for 2 of the runs. The third run was scored by George Schwarz who opened the 3rd inning with a walk and eventually coming all the way around on another walk and 2 fielder choices. Key defensive plays by Robert Kondzielski and Howie Menzies killed off whatever rallies the Jericho nine tried to get started.

On July 31 the Internationals went over to Westbury where they defeated that contingent 6 to 1. Joey Myron went all the way in that one striking out 14 enroute to his win. Joe Suganale supplied the big bat with a towering home run over the center field fence and a single. Johnnie Steinmetz with 2 singles, Bobbie Flanagan with a double, and singles by Howie Menzies, Joey Myron, Billie Corrigan and Robert Kondzielski chipped in towards the win.

Then came the defeat of the Internationals by the Hicksville Americans which was simply a case of too much pitching by J. Erwin who struck out 11 while only walking 1. The Internationals used 3 pitcher, Johnnie Steinmetz, Billie Corrigan, and Michael Sweeney to no avail. The big guns of the Internationals were absent in this one and of the 4 hits secured 2 were by Robert Kondzielski and 1 each by Michael Oliva and Stephen Cooper. Just about the entire line-up of the Americans got into the hit column with the big

## Not Every Dog Has Its Day

Reliable sources inform the Election Editor of the Mid-Island Herald that Tiger, the unlikely police dog, has been elected honorary mayor of Hicksville. Tiger, who was not even on the candidates list, was put into office by a landslide.

It is also reported that Gus Eckman is very downcast about the whole thing. Don't fret Gus, you may make it next year.

The staff of the Mid-Island Herald wishes Tiger all the luck in the world and hope that he will be able to carry out his duties of office with great success. In other words, bow-wow.

## THE PLOT OF JANUARY 18

The place: an exclusive men's club in New York City.  
The subject: money.

1st plotter (dejectedly): We've written each of these guys 7 times and haven't heard a peep out of them. Might as well call it quits.

2nd plotter (hopefully): I'll bet they'd come through if we could sit down and talk to them personally. But we're running out of time, and they're scattered all over the country.

3rd plotter (enthusiastically): Let's talk to them anyway. By telephone!

Sunday afternoon, January 18th Plotters and their as-

sociates assemble in the Mark Hopkins Room of the Williams College Club, scene of the final phase of the Williams College Alumni Fund Drive. By late afternoon they have made 632 personal appeals--by telephone--to alumni in every part of the country.

Results: Nearly \$6,000 in contributions from people who had not responded to 7 previous mail appeals.

Moral: Whether you want to raise funds, take advantage of a sale across town or chat with a faraway friend, the easiest, quickest, most pleasant way to do it is by phone. Yet, for all it does, the telephone is one of the biggest bargains in your budget.
