## 3 State Projects Here Total Over \$12 Million

ALBANY — Sealed bids on three mid-island highway improvement projects totalling an estimated \$12 million will be opened here by the State Dept. of Public Works on Thursday, Oct. 29.

JUDGE EDWIN LYNDE was nominated this week as the Republican candidate for Presiding Judge of the District Courts. Judge Thomas Farley who had previously been nominated, declined to accept the GOP nomination for Supreme Court Justice on Nov. 3.

## Cassidy, Pynchon Exchange Blasts

Daniel P. Cassidy, Oyster Bay Democratic Town Chairman, charged Town Republican leader, Thomas R. Pynchon, with "distortions and half-truths" in suggesting that the Democrats proposed any change in present school district and fire districts.

Said Cassidy, "Pynchon said that the Democrats proposed to merge all special districts including school and fire districts. Supervisor Burns, Pynchon's puppet, has repeated this slander. This lie is revived annually by the Republicans. What the Democrats propose is consolidation and elimination of all unnecessary districts other than school and fire districts."

"Boss Pynchon and Supervisor Burns recently raised the town tax, the county tax, and their Republican cohorts in Albany increased the State, gasoline and cigaret taxes. In addition, a fresh proposal by Boss Pynchon's legislative cohorts now propose to foist a new tax on the homeowners of the town of Oyster Bay in the form of a 2¢ sales tax."

The Democratic party boss in Oyster Bay "better check with Minicola without delay," it was suggested by Pynchon, Oyster Bay Town Republican Chairman, "so he can keep abreast of the upper level thinking of party brass."

Pynchon noted that during a recent half-hour television program featuring "Cassidy's candidate" for town office and other Democrat candidates, great stress was put upon consolidation of districts and pointedly, "no exception was made for fire districts."

"In fact," Pynchon said, "Cassidy's hand-picked glamor candidate confessed that Oyster Bay Town Board, under responsible Republican administration, was going to save the taxpayers millions of dollars thru consolidations effected by the incumbent officials."

Construction of 3.27-miles of six-lane divided section of the Long Island Expressway from South Oyster Bay Road, east to and over the Nassau-Suffolk County Line, with 4 miles of access and service roads, is estimated to cost \$8,745,000. Grade separation structures are included in the project for Jean Place, Wantagh-Oyster Bay Expressway, Woodbury Road, Plainview Rd., Northern State Parkway, Sunnyside Blvd., Bethpage State Parkway Extension and Manetto Hill Road. Most of these are in Plainview.

Also part of building is the huge traffic interchange for the intersection of Jericho Turnpike, with the Hicksville-Oyster Bay Rd. near the Millridge Inn. The work includes rebuilding part of the Hicksville-Oyster Bay Rd. and Jericho Turnpike included in the project are access ramps and connection. The cost estimate is \$2,995,000.

Improvement of drainage facilities along a .66-mile section of Broadway, Hicksville, immediately north of South Oyster Bay Rd. intersection between Hicksville and Bethpage, is the third local bidding project with engineer's estimate \$261,000.

## 6,000 Youngsters Using School Facilities

The Hicksville School District Recreation office announces that about 6,000 participants per week will make use of athletic facilities beyond the school day.

Contributing to this youth leisure total program are such organizations as Boys Brigade of the Baptist Church, C. Y. O., Holy Family, C. Y. O., St. Ignace, Hicksville Recreation, Police Boys Club, Our Lady of Mercy Youth League and St. Stephens Athletic League.

## Preparing for Nov. 19 Vote:

# P-TA Delegates Get Briefing On Minimum School Building

Fifty representatives of the 10 Hicksville School Parent-Teacher Assoc. were given a 3-hour documentary briefing this week on the two million-dollar "package" school construction cipated in the special program, Monday night.

The program which includes funds for the construction of a 14-room primary school on Willet Ave., a gymnasium and kitchen changes at East St., a 10-room science and classroom addition to the Senior High with some adjacent property, and the moving of 50 temporary-type classrooms to the Junior and Senior High over a four-year period was described as a "minimum program."

### INTER-LOCKED

It was emphasized that all parts of the program depend upon the other. For example, temporary classrooms cannot be moved from elementary schools to Junior and Senior Highs where the pinch of big enrollment is now being felt, unless voters okay the Willet Ave. building. Also, the State Education Dept. will not permit the construction of added rooms at the Senior High unless the district buys the adjacent five acres to the south of the present campus.

It was also pointed out that Willet Ave. will eventually replace Nassau St. some day in the future when the student enrollment levels off. Present thinking is that Willet will be used for classes for a least another 10 years.

And the addition of a gym at East St. School cannot start until the four temporaries are moved because they occupy the site of the proposed gym and further, the temporaries can't be removed until more elementary class space is provided by building Willet Ave. School.

The bulk of the presentation, with the aid of a projector, was carried on by Dr. Wallace E. Lamb, superintendent of schools, who traced the student enrollment projects and discussed financing, and by Mr. Frazer of Knapp & Johnson, school architects, who showed floor plans and proposed construction details.

### GOODRICH OBJECTS

The final portion of the meeting which ended at midnight was devoted to questions and answers and a spark flared when Board member Robert Goodrich said he was not in favor of the new construction with the exception of the East St. gym and purchase of land at the High School. Kurt Pohl, a P-TA representative, told Goodrich he didn't belong on the School Board.

Former Board President Emil J. Szendy was probably the only non-P-TA representative in the audience. (Continued on Page 2)

## Great Neck Game This Friday

Hicksville High principal, Leon J. Galloway, has responded to a request from Great Neck High School that its football game with Hicksville, originally scheduled for this coming Saturday, be played Friday afternoon, at Hicksville.

Since Saturday is the observance of the Hebrew High Holiday the shift of the contest to the earlier day will allow the full participation by the student bodies of both schools.

The Kickoff is early for a Friday game also since schools are closed for Teachers Conference Day. It will commence at Hicksville starting at 2:00 p. m.

## Request Fire Prevention Help

Hicksville and Bethpage Fire Departments are scheduling special programs in observance of Fire Prevention Week, Oct. 4 to 10. A poster contest is now underway in Hicksville Schools and Bethpage will hold open house at three headquarters on Wednesday, Oct. 7.

Bethpage Fire Chief Mike Mancini invites all residents to visit the

main house on B'way, or stations on Stuart Ave. and on Union Ave. (south of Tpke.) between 6 and 9 p.m. on Oct. 7. Uniformed men and officers will be on hand to answer questions of parents who may bring their children.

Hicksville Fire Chief Charles Sauer and Chief Fire Inspector Frank Peck announced the poster contest with a trophy for each grade level in the schools.

The Fire Prevention Bureau of the Fire Dept. urges that all parents help their children fill out the Fire Safety Check list students will bring home with them.

Local Fire officials join in this statement: "Fire Prevention is everyone's responsibility, not just that of the fire dept. Let us hope that a cooperative venture between student, parents, firemen and all civic-minded people of the community can help to stamp out any and all hazardous conditions that might prevail and make this the lowest fire loss town in the nation."

## Ladies Install

The Ladies Auxiliary of the Chas. Wagner Unit No. 421 will hold their installation of officers on Friday, Oct. 2, at the Club House on E. Nicholas St. Mrs. Sophie Sutton will succeed Mrs. Trudy Rutz as president of the unit. Mrs. Cynthia Hochbroder will be first vice president of the unit. Mrs. Cynthia Hochbroder will be first vice president and Mrs. Dorothy Fricke will be second vice president. At this meeting Miss Bonnie Wilbur who was chosen to represent the Unit at Girls State this past June will report also.

## Local Banks Contribute to Francke Memorial Fund

HENRY G. EISEMANN, at left, Treasurer of the Ernest F. Francke Memorial Fund, receives substantial checks from Joseph A. Reinhardt, at right, vice president of the Long Island National Bank of Hicksville and Alfred Young, vice president of Meadow Brook National Bank and manager of the Hicksville bank office. ## Legionnaires' Log

CHARLES WAGNER, Post 421, Hicksville, N. Y.  
by Bob Sutton

Our second Past Commander's Dinner was held last Saturday night, and from all reports a good time was had by all.

The Sons of the Legion will hold their first meeting on Monday, October 12, at 7:30 p. m. Canine and refreshments are on tap for all. Last year we numbered 61 Sons, the second largest unit in the county. This year we would like to see them reach the 100 member mark. If you are a Legionnaire and have a son, bring him down on the 12. On Sunday, October 18, the Sons will conduct their installation of officers at 2 p. m. All members of the Post, Auxiliary and daughters of the Auxiliary members are invited to attend. So let's see a big turnout on that day.

On October 2, the Ladies Auxiliary will induct their officers with Mrs. Robert Sutton as their president for the coming year.

On October 10 our Post will have its Installation Night with Edwin

Hodkinson slated to be inducted as Commander. Let's make this a big show for Ed by having a large crowd and a good time.

As you all know, once a year we make our trip to Kings Park to visit hospitalized veterans there. This year we play our visit on November 1st with the 2nd Vice Commander Art Kunzweiler as chairman. Donations of clothing, books, radios, TV sets and any other articles that are usable are welcome. Let's fill up those trucks and also have a large number of members making the trip to aid in serving and entertaining the patients at Kings Park.

All you Blood Bank volunteers, please contact John Flury, because, at last report, we were three pints short of our quota.

That's all for this week. See you at the meeting on Monday night.

## SCHOOL BLDG.

(Continued from Page 1)

He questioned sharply the administration report regarding the percentage of the student enrollment which will be accommodated by parochial schools in the district. He also felt that the Press Wireless property will eventually be rezoned residential, not industrial, and that another school will be needed on Canfield Road.

Allen S. Carpenter, president of the Board, presided at the special meeting and admitted that the "minimum program" is based upon Press Wireless being held as industrial. Rezoning of the area to residential, he said, would upset all present and long-range plans to accommodate student enrollment over rezoning of current dispute over rezoning of Press Wireless with the Town Board defending its action of putting the acreage in industrial use would probably be in the courts "for two years" and that the District could not wait two years to meet the bulge in Junior and Senior High.

The Junior High was built to house 1900 students and by the use of all special areas is currently housing about 2300 on single sessions. A total of 24 temporary-type rooms will be attached, in stages, to the Junior High. Twenty-six temporary rooms will be moved to the senior high, occupying a portion of the north-side parking field.

Under the present state legislation on building advances, it was estimated the construction program will add an unbelievably small amount to the tax rate—\$1.20 per \$1000 of assessment.

The time table for construction given by the architect provided the following earliest completion dates, if the voters approve on Nov. 19: Willet Ave. School, Apr. 30, 1961; Senior High Addition and East St. gym, Feb. 1, 1961. Since the temporary rooms will be moved at a cost of \$7000 each, including reconditioning the old site and providing a new foundation, in states as they are freed by the elementary schools, the work will continue thru 1961.

Carpenter told the audience that the State authorities have heaped high praise on Hicksville School District for its plans to move and reutilize the temporaries, and is allowing full building advances on this phase of the program.

The next regular Board of Education meeting is Friday, Oct. 9, when the Burns Ave. P.T.A. will appear with a 15-minute time allowance to present its case seeking to change the name of Burns Ave. School to the Alton E. Davis School. Burns Ave. parents were circulated this week by Gladys Kist of the P.T.A. committee, seeking support for the name change.

### Literacy Tests Set

New voters are required to present evidence of literacy in order to register for voting in the general election in November. Literacy tests for that purpose will be given in the Hicksville School Administration Building on Newbridge Road on registration days Oct. 8 from 10 A.M. to 10 P.M. and on Oct. 10th from 7 A.M. to 10 P.M.

### Second Meeting

The Trinity Lutheran Sewing Circle held its second meeting of the new season on Wednesday, Sept. 21. They prepared 18 dozen Cancer dressings in the morning and then went to Dahlstrom's Swedish Restaurant for luncheon.

Someone pointed out that if you don't "mutter" (i.e. eliminate the word) you are being told "Don't Vote for Sutter". . . . More than 500 Scouts were at Henning's Tuesday night for the start of their Boy Scout Fund Drive set for Sunday, Oct. 18. . . .

Such a cute boy; we came to the conclusion he must look like his Mom. This little fellow is number five in the Ryan household. . . . Sorry to hear NATHAN SCHEINER, of Scheiner's Drug Store, Broadway, Hicksville, sustained a dislocated shoulder when he fell through a trap door in the store into the cellar. . . . Get well wishes to SISTER ROSE DOMENIC, principal of St. Ignace School who is recovering from surgery at Mercy Hospital. Sister is not permitted visitors but we're sure she will appreciate being remembered in your prayers. . . .

## Hicksville GOP Opens Hdq.

Phillip F. Robinson and Leland Badler, Hicksville Republican Leader and Co-Leader, announce the opening of Republican Campaign Headquarters at 126 Broadway (corner of Nicholas St.). The Headquarters will be managed by Mrs. Ernest Francke, whose husband, until his recent death, was Nassau County Clerk and Hicksville GOP leader.

Headquarters will be used as the focal point for a spirited Republican campaign drive in Hicksville. An extensive program has been planned, including coffee klatches, preparation and distribution of brochures, newspaper advertisements, and the distribution of buttons, posters and bumper strips.

In addition, an extensive telephone drive will be held by the local Republicans in which all voters will be contacted by phone.

Referring to the four local candidates on the Republican ticket Robinson and Badler stated: "This is a proud moment in the history of Hicksville. We have on the Republican ticket four candidates who live in our community. They are Henry McInnes of 200 1st St., Town Councilman; Francis Anderson of 83 East St., County Clerk; Francis Donovan of 101 Duffy Ave., District Court Judge, and LeRoy Wells of 22 California Ave., Trustee of the Jones Fund. These men, all incumbents, are the highest types of public servants, and they have each made records of white every resident of Hicksville can be proud."

It was also announced that John Herzog of 154 West Marie St., has been appointed Chairman and Coordinator of the local Campaign Drive. Serving as his Co-Chairman is Ernest J. Dieterich, who lives at 45 McAlister Ave. Other members of the Campaign Committee are John McFadden of 123 Pollok Pl. and Thomas Carton of 45 Salem Rd.

The four local candidates also announced their campaign managers. Serving as managers for County Clerk Anderson are Joseph McNamara of 70 Meyers Ave. and Clifford Place of 22 Meyers Ave.; for Councilman McInnes, Julius Schwartz of 160 Sixth St., for Judge Donovan, Arnold Jeanson of 300 Plainview Rd., and for LeRoy Wells, John Jeanson of 240 North Broadway.

Co-Chairmen of the Committee which prepared the Headquarters for opening and which is responsible for maintaining it are Place and Gerard Trotta of 46 Walnut Lane. Serving on this Committee are William Olitsky of 73 Sleepy Lane, Ralph Russomano of 192 Lee Ave., and Harvey Schuler, 20 Raymond St.

Robinson and Badler prophesied that the entire Republican ticket would achieve one of its largest pluralities ever in Hicksville in this election. They said:

"The entire Hicksville Republican

Mr. and Mrs. Joseph Florio, of 9 Woodcrest Rd., Hicksville, are the proud parents of a daughter, Margaret Ann, born Sept. 22 at Mercy Hospital.

## Breakfast Opens AHRC Campaign

The Hicksville-Levittown Auxiliary of the Assoc. for the Help of Retarded Children sparked their door-to-door drive with a kick-off breakfast at the Diplomat Restaurant, Levittown, on Sept. 20. Among the many who attended were Mrs. Carl Gainin, Pres. of the Auxiliary; Judge Francis H. Donovan, Hicksville's Honorary Chairman; Mrs. John Gross, Pres. of Nassau County Chapter of the A.H.R.C.; Herbert Reichelmer, Special Gifts Chairman of Levittown; Councilman John H. Benoit of Hempstead, Ernest Buonpane, Hicksville chairman.

The campaign will run thru to Oct. 7. The money raised at this time will support the local service program and research into causes and possible prevention of mental retardation.

"We should not overlook the fine work being done to alleviate pain, suffering and frustration and the important part played by voluntary agencies throughout Hicksville," Buonpane stated. He added that "William Koutensky, President of the Long Island National Bank, our executive chairman, unselfishly as always has given a great deal of time and effort, even directing some of the bank employees to make our drive a success. The Amvets Nassau County Commander Frank Hamilton and Thomas Caldwell and his Police Boys Club are also working hand in hand with our captains to successfully put over our drive."

## Reminds Voters to Register

An urgent appeal to all voters of the Town of Oyster Bay to be sure they are registered was voiced today by Thomas R. Pynchon, chairman of the Oyster Bay Town Republican Committee. Registration days at polling places are Thursday, Oct. 8th from 10 AM to 10 PM and Saturday, Oct. 10, from 7 AM to 10 PM.

"Persons who voted last year are registered if they did not change their address during the year", Pynchon pointed out. "However, there

are thousands in the town of Oyster Bay who have had their names removed from the voting list of registered voters because they changed their addresses or failed to vote for two years so that you can vote is the fundamental duty of every citizen interested in good, responsible government."

Michael M. D'Auria, campaign chairman of the Oyster Bay Republicans, announced that GOP campaign headquarters being established across the Town are being set up as "voter information centers" where information on polling places, election requirements and other data is available.

Syoset campaign headquarters will open this Saturday morning, Oct. 3 at 10 AM at 39 1st Road, near the Syoset Rail Road Station, according to William O'Keefe, Syoset Republican leader.

Massapequa GOP headquarters open this Saturday at 11 AM, according to leader C. Bruce Pearall. Farmingdale headquarters will officially open this Saturday at 12 noon on Main St., near the firehouse, it is reported by David Welsh, Farmingdale leader.

Hicksville Republicans opened their headquarters at the corner of Broadway and W. Nicholai St. and Plainview has established headquarters on busy South Oyster Bay Road near Old Country Road.

The Town of Oyster Bay Republican Committee maintains a staffed, full-time headquarters at 146 Newbridge Rd.

## County Engineer Wins Top National Award For Conserving Water

W. Fred Welsh, senior Nassau County hydraulic engineer, has just received the American Public Works Association top award for public service in the nation—Nassau County's program of water conservation and its system of storm water basins to recharge the county's deep artesian wells.

Welsh received the award at the annual convention of the Association in Seattle, Washington. With it goes an "honorarium" of \$500.

A news release issued by the Public Works Association reads in part:

"Welsh was cited for his pioneering and sustained leadership in the development and administration of Nassau County's water program . . . conserving the area's vital water supply and preventing the intrusion of salt water into the underlying aquifer . . . for his technological contribution in the science of ground water conservation at a time when this problem is of growing importance throughout the nation and when his work may encourage other water-short communities to attempt similar procedures."

The Charles Walter Nichols Award of the American Public Works Association is awarded for ideas "developed or designed to put to practical use within the governmental unit in which the candidate is employed."

Welsh is a graduate of Cooper Union, a registered professional engineer and land surveyor. He has been with the County of Nassau since 1935 and with the Department of Public Works since 1938.

He supervises Nassau's water supply programs and acts as liaison between the State and Federal governments which work with the county and with 50 public water supply systems.

## Slow Burn Breaks Up Committee

By GILBERT B. STEIN  
 It was almost midnight on the evening of Sept. 21. The place, the Dr. Martin Lawrence residence at Merry Lane, corner Maytime Drive. All was going well inside where a goodly number of our local lovelies sat in session as the Membership Committee of the Jericho Jewish Center. The usual matters of organizational mayhem had been discussed, digested and all was going well over coffee and cake in the Lawrence kitchen, when the man of the house arrived. Marty noticed a car parked on the Merry Lane side in front of his living room, giving out burning and noxious odors. In no time at all, the ladies rushed (in an organized manner of course) to the curb, opened up the door of the vehicle and were confronted with billows of smoke.

The car, belonging to Mrs. Roslyn Dunbar of 75 Forest Drive, obviously had caught on fire. Dr. Martin Lawrence, an old hand in local emergencies dating all the way back to his hectic tenure as Birchwood's

former Garbage Commissioner, phoned our local Fire Department. Jericho's ever awake Volunteer Firemen were at the scene in less time than it takes you to say "Membership Committee". Backed by several pieces of equipment, firemen went to work immediately and, shortly after, had the smoldering fire under control. It seems that a burning cigarette butt had started the conflagration after having been dropped earlier in the day or evening on the rear seat of the car. The total damage fortunately was confined to minor upholstery and no individuals suffered any harm whatsoever.

Your reporter arrived in time with his camera to record the events for posterity. Our photo shows Mrs. Dunbar in back of her car as well as some of the local Fire Volunteers arriving to respond to the emergency.

## Okay Addition To Robbins Lane

The Syosset Education Committee of the Birchwood Civic Assoc. at Jericho, is happy to announce that the residents of Central School District 2 (which includes the "F" section of Birchwood) overwhelmingly approved a proposition for \$3,850,000 to construct a 1,500 pupil Junior High School and a nine room addition to Robbins Lane.

The vote was 2,466 to 433 in favor of the bond issue. This 6-1 margin shows that the people in our district are more concerned over double sessions than a small tax increase. The expansion program will add 6 cents to our basic tax rate for each \$100 of assessed valuation. This building program will assure single session throughout the district through June 1963.

It is hoped that the addition to Robbins Lane will be in use by next September and the Junior High School by September 1961.

## BRAUN VS. COYSY

The Youth Group of the Birchwood Civic Association has made arrangements for a Jericho Night at Madison Square Garden. The event will feature the New York Knicks against the Boston Celtics on Friday night, December 25, 1959.

Tickets for the basketball game are being sold to youths under the age of 18 at the regular box office tickets at \$3.00. Bus transportation will be available (optional) at small additional charge.

The tickets are being sold on a first come first sold basis and are out of necessity limited. Buy your tickets now. All proceeds will go to the youth program of our Civic Association held at the Jackson School. Tickets may be obtained by calling MORTON TOFFLER, OV 1-3037 or LOU COHEN WE 5-5717.

## Report of Director's Meeting

By GEORGE J. FRANKEL

Commencing Jan. 1, 1960, Birchwood's rubbish will be collected on Tuesdays instead of Saturdays. This happy fact was reported to the Board of Directors of the Birchwood Civic Assoc. at its regular monthly meeting on Tues. Sept. 15.

Howard Turkell, of the Sanitation Committee, has long been striving to have the rubbish collection day changed because of numerous complaints from members that the grass cuttings from the weekend mowings had to be held over until the following weekend, and that old grass cuttings have a characteristic aroma. There are also complaints that weekend visitors to Birchwood are greeted with streets lined on both sides with garbage cans, old cribs, discarded baby carriages, last year's swimming pool, etc.

The application for a permit to erect a gasoline station at Merry Lane is still pending before the Town Board. The Board of Directors of your Civic Assoc. is in close contact with the Town Board, and has been assured that no decision will be reached without further consultation with the Civic Association.

Larry Singer reported that the Jericho Players of the Birchwood Civic Assoc. are going into rehearsal on October 12 for their fall production of "Detective Story". A budget including the services of a professional director was approved.

A group of members representing the residents adjacent to the Jericho Country Club presented the Board with a petition signed by 48 members requesting the Board not to change its position with regard to the restrictions on the operation of the Jericho Country Club. A fact-finding committee, chaired by Irwin Bauman, is currently engaged in obtaining facts concerning the Country Club situation. Since the committee has not yet finished its investigation, the entire matter was tabled.

Al Ross announced that the Art League of the Birchwood Civic Assoc. will hold an Outdoor Art Exhibition.

hibit in the TOBAY Park on Maytime Drive on October 17 and 18. It is also planning a Beauty Art Masque Ball on Oct. 30 at the Salisbury Club House in East Meadow. Tickets will be \$12.50 per couple, including a midnight supper. Prizes will be awarded to the best costumes.

The Youth Group of the CA will commence activities at the Jackson School during the month of October, according to Ralph Diamond. Arrangements are being made for trips to Madison Square Garden for the Knickerbocker Basketball Game. Thanks to the efforts of the Health and Safety Committee, Dr. Walter Sugarman, Chairman, the Forsythia Lane and Forest Drive street sign has been replaced, the grounds of the home on Maytime and Laurel have been cleaned of weeds, and a white line has been painted down the center of Market Street.

According to Horace Bernstein, Financial Secretary, membership in the Civic Association has passed the 1200 mark. Bob Bost announced that the Bob Captains will hold a membership drive in October. Horace Sterling, Chairman of the Discount Committee, announced that a Special Discount Issue of THE VILLAGER is in the hands of the publisher, and that he feels that this issue will convince all residents that "It Pays to Belong!"

Birchwood's "Park Commissioner, Dr. Martin I. Lawrence, reported that both TOBAY Parks in Birchwood are scheduled for improvement this year. The Maytime Drive Park will have black-top walks and curbs, and the Merry Lane Park will have two basketball courts which can be converted to roller-skating or ice skating rinks.

A special meeting of the Civic Assoc. will be held in October at the Jackson School to vote on the proposed changes in the Civic Assoc. Constitution. It was voted that the next General Meeting will have as its theme the forthcoming political election. The top candidates of all political parties will be invited to speak.

How about calling Blanche Karp at OV 1-4505 if you are interested in learning Braille? Can you think of anything more rewarding than helping Blind Children?

Glad to see Adele Sherman of Magnolia Lane up and around again.

Sandy Spivak of Maytime Drive is in Meadowbrook Hospital recovering from an ulcer attack (he's only 23 years old). Get well quickly, Sandy. What's a boy at your age doing with ulcers?

Beverly Gellman of Maytime Drive invites all her friends in for a little salami snack. It seems she has a problem of not knowing what to do with the 30 pound salami she won at Waldbaum's. Such is life.

Jericho Jewish Center Sisterhood announces that Circle Miriam will present Dr. Rebecca Litwood as their guest speaker at its open meeting on March 1, 1960.

Welcome home to the Gil Steins of Birchwood Pk. Drive from Southampton trip. Where do Gil and Lotte get all their energy from? I get tired just listening to Gil's schedule.

There are only a few more tickets left for the Bad Mousie sponsored by the Birchwood Art League. So hurry and call Lee Batterman at OV 1-0664 or Blanche Karpel at OV 1-4505. Join the fun on Halloween Eve!

Happy birthday to Bernie Green of Hazelwood Court and daughter Laurie.

Congratulations to Mr. and Mrs. Herbert Tytel of Fountain Lane on the Bar-Mitzvah of their son Howard. Services at Jericho Country Club Temple Or-Elohim's Rabbi Schenkman officiating.

Hear tell that Bruce Margulies of Merit Lane will be having a Cast Removing Party. Bruce broke his leg this summer. All of the best

luck to you Bruce and get mended quickly because your mother is going stark raving mad at the thought of her active son being inactive much longer. She's running out of ideas to amuse him).

Congratulations to Mr. and Mrs. Philip Cohen of Millpond Road on the Marriage of their daughter Anne. The affair was at the Huntington Town House in Huntington. Showers given for Anne by her girl friends was a complete success.

Happy Anniversary to the Ed Shermans of Magnolia Lane. Adele received a gold medal from her spouse with the inscription "For Twenty years of Service". He's always saying "I'll give you a medal." Well, he finally did!

Birthday Greetings to our Teen-agers Joan Klein of Maiden Lane, Linda Lubin of Briar Lane, Sue Lubitz of Maytime Drive, and Judy Gorden of Maytime Drive.

Get well wishes to one-swell guy Dr. Sidney Klein of Birchwood Pk. Drive. Sid is recuperating at home.

A big vote of thanks to Irv Weiner of Flower Lane from Temple Or-Elohim for his part in obtaining the spacious quarters at Birchwood Shopping Center for the High Holy Days. The Temple's membership drive has been so successful (bouquets for the exceptional efforts of Bob Marx and Ted Fisch) and the beautiful Friday night Services at the Jericho Country Club so well attended, that space was at a premium. Anyone got a wall stretcher????

Did you know that DAN SIROTA, Merry Lane's favorite musician, had performed at Carnegie Hall???? and on radio and TV??? Well, now you know... and if you want to hear Dan play and sing your favorite folk songs, you are cordially invited to attend the next meeting of Temple Or-Elohim's Sisterhood. John Belles, Principal, introduced the teachers individually. As guest speaker, Dr. Kenneth A. Lant, District Principal, was very enlightening and interesting as he described the school curriculum from kindergarten through the 6th grade.

## President's Corner

**By RALPH DIAMOND**

One of the finest achievements of our Civic Assoc. is our Youth Program. We are proud and pleased to announce that activities for the youngsters will start on October 19, 1959 at the Jackson School.

Details of registration, age groups, hours etc., will be announced in the next issue of The Villager.

We will have a professional Youth Director run our program this year. It is our intention to conduct a much expanded program to include dances, skating, Ju-Jitsu classes etc. There is almost no limit to the activities we can give our youngsters, providing we receive the cooperation of the parents. Volunteers are vitally needed to assist our youth director and accordingly I suggest that any one interested please contact me directly.

Our youth program is the best thing we can do to prevent juvenile delinquency from ever getting a foothold in our community. Let us not kid ourselves into believing that it cannot happen in our type of community. History has proven that juvenile delinquency has reared its ugly head in all types of communities. Do your part and help your child by giving him a place to play under adequate supervision in a proper atmosphere.

To help raise money to pay for our Youth Director we are selling tickets to a Knick vs. Celtic basketball game at Madison Square Garden on December 25, 1959. Give your youngster, yourself, and your community a treat by buying as many tickets as you can use.

JOHN X. DOLAN, son of Mr. and Mrs. James V. Dolan 19 Genesee St., Hicksville, has been awarded a full four year scholarship to Mount St. Mary's College, Emmetsburg, Maryland.

## CIVIC PROFILE - Greenwich Village Type Art Exhibit

LEONARD WAINICK

By Gilbert B. Stein

Our neighbor Leonard Wainick of 1 Forsythia Lane is the Vice President of Wainick Printing Co. Inc., partner in the Wainick Envelope Company, partner in Wainick Lithograph Company and owner of "Perfume Originale", creators and distributors of Personalized Perfumes. All these important sounding and grocery providing endeavors are pursued by him in New York City, a bus skip and jump via the daily L.I.R.R. commutation route from Birchwood-Jericho. Len was born in New York City 37 years ago and attended Evander Childs High, then graduated from New York University.

He is married to Shirley for 13 years and the Wainick Beehive also consists of Rene, 11½ and Linda, 6 years of age respectively. Shirley, an excellent cook, substitutes in teaching Steno and Typing at Syosset High School, keeps a neat and attractive home, raises two peppy daughters, takes care of hubby and manages to be active on the Board of our local Chapter of Cystic Fibrosis. Both Wainicks are warm, friendly and short-tempered. Len met Shirley at NYU before the War (WW 2). As one of the more enterprising seniors there, he, together with a friend, obtained a complete list of freshman-girls and each of the two would-be Romeos managed to date one half of the girls on this list, 48 in all during a 30 day period. Seems that even in those days Len showed athletic skill. Incidentally, Shirley was one of the 48 candidates Len surveyed and she wound up marrying him in 1946, after his discharge from the service.

Our hero, a holder of the Distinguished Flying Cross, 4 air medals and 5 battle stars, served from 1942 through 1945 in the US Airforce where he reached the rank of Captain. He was a member of the famed 8th Airforce (458th Bombgroup Heavy Bombardment) and stationed in the unlikely sounding town of Hornham St. Faith, England. During the early days of the Allied Invasion of Europe in 1944, he crashlanded on a former German Airfield in the Avranches-St. Lo vicinity. Fortunately for Len, the part of the field where he came down had already been taken by the Americans, although about one half of the Airfield was still in German hands. Imagine the surprise of Len and his crew when no less a personality than Spike Jones and members of his band welcomed the crippled aviators. Spike was entertaining in the front lines at that time.

The Wainicks moved from a Fresh Meadows L. I. apartment where they lived next door to Dr. and Mrs. Urbant. Here in Jericho, they once again live next door to the Urbants. Other former Wainick neighbors were such well known local residents as Bea and Jerry Abrams and Blanche and Marty Karpel.

Len is a man of intense hobbies. Years before the war he already played the drums with a jazz group in Greenwich Village. For quite a number of years now he plays in a Metropolitan Grade A Softball League (Semi-Pro) known as the Tony De Phillips Hornets. The 6 team League plays each spring through fall a tough schedule of 28 games and then the playoffs. Len

The Birchwood Park Art League takes pleasure in announcing their second art exhibit. We are sure that you remember the artistic success we all enjoyed if you were and exhibit at our first art exhibit held last December.

Our second exhibit will be held out doors a la Greenwich Village style. Announcements and publicity will be released shortly. It should prove to be as enjoyable and exciting as our first endeavor.

TIME: Saturday, October 17-Sunday, Oct. 18. Open to the public 11 a.m.-5 p.m. (In case of inclement weather exhibit will be held on following week-end).

for 12 years was one of the outstanding pitchers in the League and this year he became a coach also. Len plays at least two evenings per week during the season as well as Sunday doubleheaders in addition to training games and practice. Len also loves to bowl but the real Wainick family hobby is to eat out in one of Long Island's finer dining places. Len has a soft spot for Syosset Villa Victor. He is incidentally a walking encyclopedia on good food and fine restaurants in the greater metropolitan area. When not playing ball, eating out or working on Civic Association business, he spends evenings visiting various of these establishments in connection with the sale of "Perfumes Originale", the product he considers a sideline but which if keeps up as has been going so far, will not only be sweet scented but also monetarily most rewarding to Len.

Last but not least, Len is a member of the Board of Directors of the Birchwood at Jericho Civic Association, where he rarely misses a regular or special meeting. Ever since the Association was started over three years ago, Len has taken an interest in Community Affairs and when called on to serve, has never refused to give a hand. During the past year he is responsible for having organized a 4 team Birchwood Civic Assn. sponsored Softball League, which played a full schedule this past spring and which is about to be activated again for a fall series of games each Sunday morning. When questioned by this reporter Len told us that he thought the Civic were doing an excellent job all around. He also feels that its present Board of Directors is a fighting and working Board, the best he has seen so far. He suggests decreasing the size of the Board from 25 to about 15 members which he considers to be a less unwieldy number. The Wainicks both love Birchwood, their home and their neighbors: Len is one of the real nice guys hereabouts, who while minding his own business manages to contribute to community betterment, and protection as his service on the Civic Board attests to. He has a rip roaring sense of humor and a reputation for fierce loyalty. When talking about the Wainicks here, many of us rightfully add the words: "Swell Bunch".

## CAR POOL

Judging from the many conversations both overheard and participated in by the writer, it is evident that many of our train traveling residents are still on a "catch-as-catch-can" basis getting to and from the Hicksville Station.

If you are one of those lonesome lookers who ends up calling his wife or taking a cab, we may be of some help. Kindly contact the writer, listing your train times. Be sure to include your name, address and telephone number. We will then try to put you in touch with neighbors having the same schedules as your own. Should any Birchwood residents desire contact with neighbors who drive into the city, please indicate this when replying, and give departure times from home and the city - also list office location. All replies should be addressed to the undersigned at 230 Birchwood Park Drive and mailed no later than October 5th.

Wm. M. Gouse Jr.  
Post No. 3211 Hicksville  
By LOU PALLADINO

Was away for a few days and so missed the last meeting. It has been quite a problem getting information as to the happenings during our absence. Very definitely there was a meeting, but the best information received was that not much happened. We are sure that the disappointment in the cancellation of the Carnival was brought up, though you have already been notified about this. Also it's a certainty that our coming Silver Anniversary Dinner Dance must have been discussed, even though the place hasn't been decided on. County never fails to send some mail to let us know what has happened there, and also Dep't. These are the things that we can't relay to you. Oh well, we'll do the best we can with what we have on hand.

Of this we are sure, that we received envelopes for the payment of dues. It starts in Oct. If I received it, then just about everybody else has too. Once again this year we are going to try to get 100% paid membership before the year runs out. We were not successful last year, but this year we will be hoping and trying. Have to get mine paid so we can set an example. So those of you who can afford it, don't wait for the year to expire. Make it a little easier for those who are trying to accomplish this feat and are in charge. More will be said on this subject as time progresses. Seems funny talking about the end of the year when it is still so warm.

Wonder how many of you have seen the pictures in the magazine section of the Sunday News? Run across it quite by accident, but it was a very nice spread. You may say to yourself, "What has this to do with us?" This is a very important part of our program and 25¢ of your dues go to the National Home. Yes, we are speaking of this, and it does concern you. A quarter a year doesn't sound like very much, but as we mentioned before, the VFW is a big organization and tries to take care of its own. Being a member and a contributor this makes you eligible for it if it's ever necessary, and we hope it will never be. It's hard to believe what a tremendous job this is, and how efficiently they go about it. This may not be local news, but it does concern each one of us to know that our less fortunate comrades are being taken care of,

**LEROY S. WELLS**, Republican Candidate for re-election as Trustee in the Jones Institute, extends a warm welcome to F. Arden Burt, Director of the FABACORDS, (at right) an all accordion Concert Orchestra consisting of a group of youngsters from the age of 10 to 14 years, whose admirable performance for the residents of the Institute was overwhelming.

ly received. Playing at this Sept. 26 engagement were: Barbara Pound, Mary Joanne Brennan, Carolyn Grant, Jean Ellen Cellamare, Dale Lumme, Robert Sauer, Dennis Browning, Richard Browning, John Herrmann, Paul Shimow, Anthony Luciani, John Mionne, and Michael Sikorski.

and if they aren't they should. Please try to keep those poor souls in mind, just a little bit, once in a while.

Our Ladies Auxiliary (Bless them) notified us that their next meeting will be tonight, Oct. 1. They will have a social meeting and it will be a toy demonstration. The meeting will be open to all the ladies in Hicksville who wish to go. Everybody will be welcome. Refreshments will be served after the demonstration. If the fellows could go, we'd have a ball trying out all the toys. Most of us men are grown little boys anyway.

This much we did find out about the last meeting. Les Ichle won the capsul drawing, so no T. S. slip will be sent out. Bob Obermeyer won the post drawing. Seems strange that the immediate Past Commander and the pres-

ent Commander both won the same night. I demand an investigation. So the capsul drawing starts all over again, with the first \$2 put in.

Hope to see you at the next meeting.

# Herald Sportslight

By Howard Finnegan

In the minds of its own supporters Hicksville High's gridiron prestige suffered a staggering blow by losing the season opener to Island Trees, 6-0.

However this is less a blow to prestige than it is to rational thinking.

The facts are that Hicksville put an inexperienced eleven on the field and had an inexperienced quarterback. The opposition was provided by a three year veteran team that was under-rated in most quarters.

It was not in this. We handed a printed evaluation to the HHS Athletic Department two weeks before the game and in the TOWN HERALD August edition called an Island Trees victory.

That one county daily predicted a 27-7 Hicksville win was either foolishly unknowing or deliberately trying to embarrass Coach Howard Bowers.

It had been our intention to scorn the vindictive reaction to the loss that was evidenced in many quarters. We unhappily view the many instances of outside pressure, the self anointing process whereby players who have yet to prove themselves act greatly and the outspoken attacks on the errors of young high school boys.

The severity of the critics is much the same as that we heard at Westbury last year when the Green Wave enjoyed a 21-0 half-time lead.

We combatted our great desire to tell a few off with the conviction that Hicksville would rally to take it.

We take this stand again. No matter how each of feel, that this or that could be done better, the interests of the students — and all of them, not just the few — will be better served by standing behind the team at all times and those responsible for its operation.

The glaring errors of the Saturday past are being worked over now, the pressure of the first game is gone and a smoother functioning of the team can be expected.

One of the great thrills of following high school sports is to see a team moulded, grow and improve. This one will.

Great Neck rears far more formidable than was anticipated. However with full support from its fans we think the Comets can pull off.

HICKSVILLE 21 GREAT NECK 19

**THE FACTS:** Hicksville and Island Trees tied for 9 first downs . . . In yards rushing the Comets bowed 153 to 134 . . . Comets completed 2 of 11 passes for 36 yards. It was 5-2-35 for the victors . . . Fran DeCaba was under steady fire. He had two punts partially blocked and then kicked off a 43 yard spiral another crucial time . . . Brad Jaworski played only a short while but made a dazzling catch of a 43-yard Bill Schrimpe aerial. He could mark the return of the traditional Hicksville end . . . Robert De Mattia played an exhausting role carrying 25 times for 79 yards. The talent of Robert Cerone was eclipsed as he was called upon four times for 23 yards. De Caba had 4 ties for 13 yards and Schrimpe had five for 13 . . . The Green Hicksville line actually broke through to smear six running plays for losses and five times caught Trees trying to pass for a total 37 yard loss . . .

Since the Board of Education of District No. 17 outlawed softball in Hicksville, Geary's of this community was invited to play the past campaign in the forward looking, all-encompassing Westbury Recreation League.

With Jim Barone and Dick Aleock excelling on the mound the Hicksville team swept 14 regular season games for the pen-

## Miss Wilbur Heads Cheerleaders

Miss Bonnie Wilbur has been elected captain of the 1959-60 cheerleading squad at Hicksville High School.

Co-captain of the Varsity group is Mary D'Amato. Kay Sarsfield, Mary Colosano, Jeannette Arnold, Jackie Winsor, Judy Tisdell, Kathy Kapsol, Diane Morris and

Joan Englert comprise the other members of the team.

The girls made their debut at a giant rally held at the high school field the afternoon before opening day and stirred such spirit among the 1800 students that HHS experienced its largest first game home attendance in history.

nant. However we note that the Westbury Times rejoiced when the Westbury Penquins beat Geary's in the playoffs.

It was amusing to see that Harold Manaskie, Doug Jones and Bob Cotter lead the Penquins to the triumph. They are also softball refugees from this land that bars activity once you are more than 18 years old.

It was too bad that the St. Ignatius Yellow Jackets couldn't get the 1959 campaign off to a winning start, Sunday, at the Junior High grounds; however, the team shouldn't be counted out of the championship race yet.

St. Raphaels of East Meadow scored a 20-6 win with two touchdowns in the late minutes of the game. There were high spots for the Hicksville lads though and Dale Schultz provided many of them running out of the fullback spot. He scored the losers TD.

As defensive tackles, Richard Powers and Thomas McKeon were outstanding.

The Yellow Jackets will play all their home games at the Junior High field and will make a fine presentation. The team is handsomely uniformed and very well organized.

# fresh point of view...from Pontiac!

**Another fresh one from Pontiac!**

**The inspired beauty of perfect proportion!**

**The precision control of Wide-Track Wheel Design!**

**The softer ride of supple suspension!**

**The wide choice of vigorous Tempest V-8 Engines tailored to economy or high performance!**

The car craftsmen who developed Wide-Track Wheels, the innovation that brought a new standard of roadability to the American passenger car, present another fresh original for 1960!

With clean, crisp lines they've composed a delightful rightness of form with unity and rhythm.

Into the proved principle of Wide-Track (wheels farther apart for a steadier stance) they've engineered an ingeniously improved suspension system. This combination of a firm foundation and supple suspension gives you flawless control, more skill in the fine art of driving, smooth stability, bump-yielding softness.

The power plant is typically Pontiac. A wide range of restless, ground-gaining power packages to choose from. All are husky V-8's, ranging from the frugal 425E economy engine that prefers regular grade gasoline to the fiery Tempest 425.

Haven't you been an admiring spectator of Pontiacs long enough? Isn't this your year to become a participant in Pontiac pleasure, to move up to Pontiac ownership, where the enjoyment is the fullest, where the point of view is the freshest?

Wide-Track Wheels give you swayless stability, solid comfort. You maneuver with skillful sureness, accurate control. It's the sweetest, most precise, most rewarding driving you've ever felt.
