HS Alumni Homecoming Day Tickets Now Gonig on Sale

Alumni of Hicksville High wishing to attend Homecoming Day on Oct. 31, are requested to make their purchases as soon as possible; tickets are selling rapidly. The price of \$4 includes The Quarterback Brunch, the football game, reception after the game and the Goal Post Dance at Bethpage Country Club.

The Homecoming Day Farmingdale-Hicksville High School football game promises an exciting afternoon for returning alumni. Hicksville High holds the edge in the annual series, 16 victories, 8 losses and 1 tie, but within the last decade their battles have become rugged affairs with few points separating winner and loser. The contest on Homecoming Day should be no different. Both teams have strong burlly linemen, adapt quarterbacks and hard charging fullbacks.

Last year's Homecoming Day tremendous half time show staged by the Hicksville High Band should be surpassed judging from word by Band Directors Gates and Music

Dept. Chairman Charles Conise. The band has also accepted the invitation of the Hicksville Alumni Assn. to the after-the-game reception for cider and donuts and to witness the selection of the day's outstanding Hicksville football player.

Final preparations have been made by the dance and decorating committees at Bethpage Country Club to insure a good time for all attending.

Alumni and friends may purchase tickets for the entire Homecoming Day at the Mid Island HERALD office, 225 B'way, Hicksville Sweet Shop and Holden's Stationery.

Working things out could have been quite complicated, since he lives in Los Angeles. I'm near Syracuse, and the others are in Kansas City and Greenwich, Conn. CURRENT COMMENT:

The Election Campaign

By FRED J. NOETH

THE ELECTION campaign in the Town of Oyster Bay is off to an early start; in fact, some candidates have been running since the last election and a few didn't take the trouble to wait for their party to go thru the technical procedure of nominating them on Primary Day.

Such energy is commendable, but enthusiasm sometimes carries us a bit outside the sphere of truth and accuracy.

People who aspire to high public office must earn the confidence of the voters. We can have little confidence in a candidate who claims backing of a non-existent "citizen's traffic committee" and is naive as to believe that a modern traffic signal can be bought for \$700. The cost estimate on the Newbridge Rd.-Fordham Ave. intersection is in excess of \$4500. The average traffic signal light, a complex gadget, is more than \$2000.

We can have less confidence in another Democratic candidate who has been getting more and more sloppy with the truth. His attempt to grab newspaper headlines by charging improper acts by the Town officials on the matter of having professionals prepare the brochure to draw industry into our township has backfired, just as earlier wild and wooly statements and charges have fizzled before.

The State Attorney General, after studying the contract for the preparation of the Town brochure, states flatly the complaint is groundless.

The "Arkansas Traveller" is still battling zero.

By the way, this Saturday is your final opportunity to register for the Nov. 3rd election if you have not done so already.

5 Candidates Address Club

It will be "Candidates Night" at the Ernest F. Franke Republican Club of Hicksville this Friday night.

Five of the Republican nominees will address the Club. The meeting is scheduled for 8:30 p.m. at the Masonic Temple, W. Nicholas St. The speakers will be Henry McInnes, who is running for re-election as an Oyster Bay Town Councilman; Francis Anderson, GOP candidate for County Clerk; and Genesta Strong, the Republican choice for the State Senate.

Judge Francis Donovan, a candidate for the Nassau County District Court, and LeRoy Wells, who is seeking re-election as a trustee of the Jones Fund, also are scheduled to talk.

Mercy League Planning Event

The Glen Cove-Hicksville Mercy League met yesterday (Wed) at the Brookville home of Mrs. Joseph Scarpinato, with Mrs. Harold Smith of Brookville, pres. presiding.

Final plans for the League's Supper-Dance to be held on Sat. Oct. 17 at the Jericho Firehouse were made. Ticket chairman, Mrs. Julius Schwartz of Hicksville requests that all those who wish to make reservations, do so by Oct. 10th. Price of the ticket includes the buffet supper and all liquid refreshments. Mrs. Herbert Purick of Hicksville is chairman of the affair.

Lutheran Parents To Meet Oct. 13

On Oct. 13th at 8:15 p.m. the PTFA of the Trinity Lutheran School of Hicksville will present at the program "A Day At Trinity."

The Boy Scouts of Trinity will present the colors. School Principal Richard Engbrecht will speak on the School Program after which parents will visit the classroom of their choice for a discussion of activities with the teacher. After this the parents will return to the gym for a brief general discussion, concluding with the serving of refreshments.

Round The Clock Information

Voting information will be available on a round-the-clock basis to Hicksville residents at Sutter Campaign Headquarters, 154 Broadway, from now until election, it was announced this week by Mrs. Irene L. Murphy, newly elected Democratic Zone Chairman. Residents are encouraged to seek information on Registration, Absentee Balloting and Voting at the Headquarters or by phone, OV 1-6580.

Heading the staff of volunteers manning headquarters are: Mrs. Elaine Arstein, Mrs. Viola Still, Mrs. Mario Raimondi, Mrs. Ellen Donatelle, Mrs. Helen Sutter and Mrs. Virginia Harding.

A crowd of 150 well-wishers attended the official opening of the Headquarters, Friday evening. Fred J. Sutter introduced his fellow candidates, including Eugene Nickerson, candidate for County Surrogate; Vincent Hilly, running for County Clerk; and John Mance, candidate for Town of Oyster Bay Supervisor.

At a recent Zone meeting Mrs. Murphy was unanimously re-elected Zone Chairman. She announced the following appointments: Ed Morris, Legal Chairman, Ellen Donatello, Finance Chairman and Patricia Koziuk, Recording Secretary.

Crowds Flocking To See Corvair

With the showing of the new 1960 Chevrolet Corvair at Robert Chevrolet on First St., Hicksville, the American public is seeing more innovations than have ever been presented in one passenger car, according to Robert Wallace.

Most notable is the engine, located in the rear, a first for American cars. Chevrolet engineers have proven that this is the perfect location for a compact car. The engine is a aluminum construction, another new feature.

New springing body construction, completely flat floors, front and rear, plus optional folding rear seat are just a few of the many features which are attracting attention at Robert Chevrolet.

10th Birthday for Hicksville Amvets

by JIM COOLEY

AMVETS CORRESPONDENT

It was the fall of 1949, that a group of young veterans in their early and middle twenties decided that they wanted a veteran's group that was in the stages of "growing up." At this precise moment, a vets organization was doing just that.

This organization was known as the American Veterans of World War II. It happened to be the only veteran's organization to come out of W.W. II to receive a Charter by an Act of Congress in 1947. Within a few years this same group as a baby was to emerge from infancy and swallow up thousands of veterans who had fought in Korea and thereby become known as the AMVETS of W.W. II and Korea.

It was Oct. 10, 1949 that a small group of veterans met at the Rainbow Restaurant, Hicksville and was

presented their Post Charter by State Vice Commander James Reilly, NEC Frank Scarane and Les Spear, National Service Officer. Every veteran present was employed at that time at the U. S. Naval Warehouse in Bethpage, with the exception of one person. One member was a woman, Virginia Hindle, who served with the "WAC's." Though many times Hicksville's AMVETS Post is called "The Pioneers" because it was the first post organized here on Long Island, Hicksville AMVETS #44 has a Standard Bearer and his name is proudly mentioned many times where and when AMVETS meet. It came about when members decided to name the post after a Hicksville lad who fought and paid the supreme sacrifice during the great war.

The post members decided to pick a number of servicemen's names

who died during the war, and contact their families asking for permission.

Meet the New-size Ford—the Falcon! Here's a car with plenty of room for six big adults and all their luggage. It's easy to handle and park like a "small" car... powered to pass and climb like a "big" car... and built like no other car for savings!

It gives you up to 30 miles per gallon on regular gas. Aluminum mufflers normally last twice as long as ordinary kinds. A Full-Flow oil filter lets you go 4,000 miles between oil changes. Even insurance can cost you less! And the Falcon is the world's most experienced new car. It was driven over every mile of numbered Federal Highway in EXPERIENCE RUN, U.S.A.—a grueling demonstration duplicating Ford's 3 years of development and testing.

The Falcon has the features that American car buyers expect. Its gearshift is on the steering column—right on the floor. Its engine is located up front for greater stability and safety. Best news of all is the Falcon's low, low price. See it at your Ford Dealer's... and see the difference!

Now you can see them—the Finest Fords of a Lifetime! Economy-minded Fairlans. Big-value Fairlane 500's. Elegant Galaxies. A breath-taking new Sunliner convertible and a brand-new hard-top model, the flashing Starliner. Then there's a whole new world of Station Wagon Living, too. It all adds up to 15 glittering variations of the world's newest, most elegant styling theme!

And Ford sets the new trend in power. Ford's Thunderbird 292 V-8 and 352 V-8, like the famous Mileage Maker Six, bring a new world of smoother, hotter performance on regular gas.

To top it all, the Finest Fords of a Lifetime are priced for savings. Ford is still priced to outvalue all comparable models of its major competitors.

Ford savings, however, only begin with a low price. You save still more with engines that thrive on regular gas and save up to a dollar on every tankful... a Full-Flow oil filter that lets you go 4,000 miles between oil changes... Diamond Lustre Finish that never needs waxing... aluminum mufflers that normally last twice as long as conventional types... new, safer, Truck-Size brakes that are the biggest ever in Ford's history... and new soft-tread, Treadex cord tires that run longer, last longer.

In every way these are the Finest Fords of your Lifetime! See them at your Ford Dealer's!

Charter First Electronic Explorer Boy Scout Post

A charter has been granted by the Nassau County Boy Scout Council to the first electronics Explorer Scout Troop in the Nassau County metropolitan and Long Island area. The Hicksville Explorer Post No. 595 received the charter during the formal ceremonies at the plant of the sponsoring electronics firm, Instruments for Industry, Inc. on Sept. 23.

Post No. 595 will specialize in electronics and will undertake the building of receiver sets, transmitters and computers. A long-range task will be "Project Altair." This project will be the planning, building and firing of a three-stage liquid and solid fuel rocket by the Scouts themselves. It will be supervised by engineering personnel of I. F. I. and fired under the supervision of

a representative of the National Association on Space Administration. Firing date is set for June of next year.

The Post consists of seventeen Scouts between the ages of 15 to 17. They are all high school science majors with high academic standing from the Hicksville area.

The Electronics Explorer Post is a direct result of effort earlier this year by Elston H. Swanson, president of I. F. I. and Nassau County Boy Scout officials William Scollay and Francis Loevi. Swanson is also active in county Scout affairs. Loevi, of Old Bethpage, will act as Scout Leader of the new Post. John Hicks, Personnel Director at I. F. I., will be the Institutional Representative and liaison between I. F. I. and county Scout officials. Gene Novakoff will supervise the technical assistance to the Post with the aid of Jack Michel, Michel and Novakoff are electronic engineers. In addition to furnishing technical assistance, the firm will supply all test equipment to the electronics-minded youths.

The Scouts have already drawn up their constitution and at a recent meeting, elected the following officers: Richard Ollins, President; Robert A. Nadell, Vice-President; Alan B. Foster, Secretary; Tom Sak, Treasurer and Thomas Longhlin as Quartermaster.

Need Volunteers To Assist Blind

Three elderly blind persons living in Hicksville, Jericho and Plainview need transportation to and from The

Industrial Home for the Blind Day Center at Burwood, an IHB facility located at Cold Spring Harbor. The IHB has appealed to residents from Hicksville and adjacent towns to help their blind neighbors by providing auto transportation for a few hours a week, a month, or more often if possible.

Volunteers will be asked to drive a Day Center member from the Hicksville area to Burwood in the morning and to return together in the late afternoon. While at Burwood, volunteers may participate in a wide variety of activities with other Day Center members and volunteers. If a full day cannot be given, transportation either in the morning or the afternoon will be helpful.

As much time as needed as can be given, although any time at all will be welcome. For details, call Mrs. Harriet Chlupa, Burwood Program Director, at MYrtle 2-7070.

Honor Three Residents

Three Hicksville residents will be among 68 officers and employees of Meadow Brook National Bank honored at a special dinner tonight (Thurs.) at Hempstead Golf Club. They are Frank L. Sawyer, Jr. of Loretta Lane, 10 years service; Emma Butala, 24 Bunker Lane, 10 years; Carole Ann Goetzman, 24 Centre St., five years.

mission to use their names as Stand- ard Bearer. From the group, Mr. and Mrs. Robert O. Ulmer Sr., of Railroad Ave., Hicksville gave the post permission to call themselves the Sgt. Robert O. Ulmer Memorial Post.

Sgt. Ulmer, a member of a Bomb- er Group, was shot down and killed in action over Tarento, Italy in 1944. His family received, after his death, the Purple Heart, Air Medal with Clusters and the D.F.C. Sgt. Ulmer was known as "Bob" to his comrades since the day when he came home from school and would sneak into his father and mother's cellar and eat pickled tomatoes and then lay in a corner with the grand- father of all stomach aches.

Bob was returned to the United States a few years after the end of hostilities, and AMVETS and the Ex-Servicemen's Club of Gurnam- act as pallbearers. Sgt. Ulmer now lies at rest at the Hicksville Pinelawn Cemetery among veterans of World War I. A few days away is buried AmVets Post 44 first Charter member, Herbert Auer and near him is Margaret Cooley, Post Auxiliary member who also passed away. Hugh J. Dolan, another charter member, is buried else- where.

Hicksville's citizens saw AMVETS parade for the first time in 1950, their banner consisted of an ordi- nary table cloth with the name painted on it. It looked sad to many, but to AMVETS it was a golden banner. Many difficulties came up during the years, but were met with a grin and a bear it. As years went by, many post members attained honors with the group. Har- old Cooley went from Post Com- mander to County Commander then to State Vice Commander. Frank Hamilton served as Post Commander and County Commander two years in a row. Mal Gertzen served as County Commander, Post Comman- der and New York State Comman- der.

This writer served as County Vice Commanders, State Publicity Committeeman and Associate Editor of AMVETS State Newspaper.

The post entertains the veterans who are patients at the Farming- dale Sanatorium and for a number of years gone to the Cleary Oral School for the Deaf Children at Lake Ronkonkomo. The post has staged parties for orphans and as- sisted many veterans and their fam- ilies behind the fine work of AM- VET William (Bill) Olitsky who was Post Service Officer.

The Hicksville Post can be proud of being selected as the Number One Post throughout the Nation and its territories in 1953, for its awards as Softball Champions, Awards in membership etc. This year New York State AMVETS 4th. Vice Commanders is Emily Best, who will serve also as Post 44 Adjutant. Among distinguished names on our roster in past years was one that stood well out in front. . . Col. Martin Foery, Commanding Officer of the "Fighting 69th". Today there are only three of the original 21 veterans present with the post to- day; Past Commander Louis Mig- none, Past Commander Harry Streml- bel and this Columnist.

As the years go by AMVETS 44 Star grows bigger and brighter, such members as Auer and Dolan are gone but they are still an in- spiration to those of us left. Older members drop out along the weary road of life as newer members take up the standards.

Message From Civic President

By DAVID SERKO

Originally when I started to formulate my ideas for a message to our members I thought that it would be appropriate, in this second edition of our newspaper, to report on the progress that our Association has made since its birth just a few short months ago. However, with the exception of taking this opportunity to sincerely thank my fellow officers, Board members, and members of our committees who have been giving so freely of their time and effort, I would like to dwell briefly on the importance of resident participation in their Civic Association.

As you all know the strength of any organization such as ours is dependent primarily on the full participation of all of the residents of our community. This participation is essential in order that the organization may perform its function of promoting and protecting the privileges and interests of the residents. In essence the Civic Association is a vehicle, within our political democratic philosophy, of representative government by an elected few for the benefit for all.

A community of the size of ours, with its projected growth within the next few years needs a strong organization to effectively promote the interests of the community in terms of proper education, safety, cultural opportunities, and moral and physical well-being of its residents both adult and children.

The first step in developing a strong organization, and thereby giving strength to its representatives, is of course, 100 per cent membership in the association. This is the only way in which everyone can be assured that the interests of the community as a whole are properly protected and promoted. For, if we have substantially less members than families, it is obvious that the representatives chosen by these members do not truly represent the entire community. This of course is undesirable. To date we consider that we have been very successful in our goal and the great majority of our residents are members of our association.

The second step necessary for a strong organization is 100 per cent participation of the association's membership in the process of choosing its representatives. This is the very essence of our democratic system wherein lies the strength of our government at all levels. Representatives who are supported by a majority of all qualified voters derive the strength and confidence needed and sense of responsibility to effectively represent these voters.

The third step is the participation of as many members as possible in the actual function of the organization. There is a need for committee members for present committees as well as in the establishment of other committees as they are needed.

In closing, I urge that all residents support our goal of full membership, all members exercise their voting rights at the coming annual election on Nov. 7th, and participate as fully as possible in the workings of the organization.

Help Oyster Bay Accept Our Streets

In order for the Town of Oyster Bay to accept West Birchwood streets, sidewalks and streets must be free from cracks and holes, storm sewers must be operating properly, streets and sidewalks must not accumulate water, and asphalt expansion joints must not protrude above sidewalks.

You can help the Civic Association by reporting any such defects to JOHN NASON, Overbrook 1-6503.

Welfare Group Reports Activity

By HOWARD AMCHIN

The Welfare Committee of the West Birchwood-Jericho Civic Association met at the home of Hal and Bev Markove on September 25th. Working group reports were reviewed and plans drawn for additional projects to promote the safety and welfare of West Birchwood residents.

Dedication of Streets

Community streets must be dedicated to the Town of Oyster Bay before the Town will clean them, install stop signs and traffic signals, consider installing street lights, and before the county police can attempt to enforce speed limits (30 miles an hour). The Town, in turn, will not accept inspection for the streets until an inspection reveals them to be in order. This means that (1) sidewalks and streets are free from cracks and holes; (2) storm drainage sewers are operating properly; (3) streets and sidewalks are graded so that water does not accumulate; (4) asphalt expansion joints in sidewalks do not protrude above the sidewalk level.

The inspection is to be made in the near future. It would be well if the Welfare Committee knew of any defects mentioned previously so they could be brought to the attention of the proper persons for immediate correction. Those residents therefore, who have or know of any of these defects should report them immediately to JOHN NASON, Overbrook 1-6503.

Car Pools

Response to the Car Pool notice in the last issue of the West Birchwood News has been extremely poor. There are, undoubtedly, persons who can advantageously "double up" to the RR station, New York, or where-have-you. The Welfare Committee has even received reports of persons who must drive every day, want company, and who do not expect any reciprocal action.

(Whether or not you reported your desire (or need) for a car pool during the recent door-to-door survey by the Executive Committee Committee, call DR. ED GREENBERG, Wells 8-3117, if you are still interested.)

Garbage Collections

The Town of Oyster Bay will collect garbage in West Birchwood after the first of the year. Until that time, G & L Sanitation has the responsibility and reaps the reward at the rate of \$2.50 a home a month. To aid in disputes about billings, etc., which may arise in the future, Continued on Page 8

Next Issue Will Present Profiles

The next issue of the West Birchwood News will feature 100 word biographical sketches of each candidate for office and for the Board of Directors.

Biographies must be submitted to Mrs. Evelyn Warheit with the returned petition for office.

Sycamore Trees Now Available Thru Civic Assoc.

The Community Purchases Committee of the West Birchwood-Jericho Civic Association announces that arrangements have been made with Waltham Gardens Nursery to furnish our community with European Plant Trees (Sycamores) for curb planting at a cost of \$17 per tree.

The Community Purchases Committee hopes that every resident will plant trees in front of his house at the curb. This will, in a few years, give the community a fine appearance with tree lined streets in a few years. The European Plane tree was selected as the ideal tree for that purpose in that it grows rapidly, is reasonably free from diseases, and requires a minimum of care.

The Committee wishes it to be understood that there is obligation on the part of anyone to purchase these trees, it is merely the desire of the Committee that trees be planted on all streets. If the trees are purchased from a uniform source there is a savings in cost to West Birchwood residents and future sizes and shapes will be uniform.

It has been suggested by the nursery that the trees be planted 30 feet apart. Trees will be planted in their dormant state, bare of leaves, pruned, and wrapped. No trees will be purchased without a deposit being made. No trees will be purchased in addition to the number contracted for.

Below is a copy of the agreement between the Civic Association and Waltham Gardens Nursery:

Agreement made this 2nd day of October, 1959 between Waltham Gardens, having its principal place of business at 32 Dale Lane, Levittown, New York, hereinafter designated as Waltham and the West Birchwood-Jericho Civic Association, Jericho, New York hereinafter designated as West Birchwood.

WHEREAS, Waltham is engaged in the business of selling trees; and WHEREAS, West Birchwood desires to purchase trees.

NOW THEREFORE, said Waltham and West Birchwood in consideration of their respective and mutual promises and agreement hereinafter set forth, promise and agree as follows:

Said Waltham promises and agrees as follows: (said promises accruing to the benefit of the individual purchaser as well as West Birchwood)

1. To deliver and plant at the median strip European Plane Trees (Sycamore) Platycodon Acerifolia, 1 1/2 to 2 inch caliper, bare root and well headed at designated homes in West Birchwood, Jericho, New York.

2. The caliper of each tree is to be determined by measuring 6 inches above the collar.

3. Each tree is to be between 10 and 12 feet in height but no less than 10 feet.

4. Each tree will have a straight trunk and be Northern grown.

Education Group To Meet on Oct. 23

By ART CARIN

So many times to ourselves we've said, "A house we need like a hole in the head."

But then our kids rush happily by.

And we know, then our reasons why.

And your education committee's reasons for being are CHILDREN—dozens, hundreds, thousands of Jericho children. This committee has met three times and the fourth meeting will be held Friday, Oct. 23 at 8:30 p.m. in the home of Dr. and Mrs. Norman Zinn, 1 Craig St. Anyone interested in joining the education committee is welcome.

As its initial task, this committee decided to get acquainted with the past, present and projected future of the schools of Jericho. As the committee gathered much data, it became apparent that the West Birchwood community is a prolific group adding children to the Jericho schools at a rapid rate. For instance — one opening day of school, 2106 children were enrolled and by Oct. 1, 2160 children were in school. This was an increase of 54 children in less than a month.

It is not hard to see that our schools will very shortly be filled to capacity. Our forward-looking Board of Education and the wise citizens of Jericho had the foresight to observe this dilemma by voting approval for the Cantigue School Site. Your education committee has representatives on the Lay Advisory Board to investigate school needs for this area. At the same time, the education committee will focus its attention and efforts upon the present urgent need for additional schools for our children. To be voted upon in the very near future. Voting of schools now will avoid double sessions, higher costs and all the complications that arise from procrastination and inadequate school facilities.

If any parent has grievances concerning the schools, please contact Irving Reinhardt, 4 Saratoga Dr. in writing.

Are You Getting W. Birchwood News?

Several residents of West Birchwood have been heard to complain that they have not received their copies of the West Birchwood News.

The proper person to complain to is Mort Winthrop, Wells 8-7305. Your name will be added to the list with all possible haste. If your friends or neighbors are not receiving the West Birchwood News tell them how to get it.

Survey to Members

The Community Purchases Committee can still add your name to the list of those desiring a land survey at a greatly reduced price. Builder Paves

Major Entrance

In response to a request made by the Board of Directors of the West Birchwood-Jericho Civic Assoc. to the builder held at a meeting at the builder's office, the entrance to the West Birchwood development has been paved with asphalt.

According to other request made by the Board of Directors, the builder has attempted to cut down on the speeding through the development by the construction workers at the close of their working day.

Letters to Editor

Editor,
 West Birchwood News
 Jericho, N.Y.

The Editorial Board and Staff of THE VILLAGER joined me in congratulating you and your staff on the founding of the WEST BIRCHWOOD NEWS. We are sure that the residents of West Birchwood will welcome your publication with the same enthusiasm with which THE VILLAGER has been received here in The Village of Birchwood Park.

As fellow residents of Jericho, we welcome you into the ranks of amateur community newspapers, and wish you every success in this most worthy endeavor.

Cordially,
 George J. Frankel
 EDITOR, THE VILLAGER

Editor,
 West Birchwood News
 Jericho, N.Y.

I've been waiting for a "Letters to the Editor" column or some method of expressing my opinion about the Board of Directors of the West Birchwood-Jericho Civic Association.

I'd like to know what the present Board of Directors has done in the past six months or so. I believe that the Board of Directors is a

group of men whose chief desire and activity is to keep themselves in office—a clique made up of nine people.

NAME WITHHELD
 Take a careful look through the WEST BIRCHWOOD NEWS for a small sample of what the Civic Association has tried to do since its formation. I disagree with your evaluation of the Board as a clique of nine men. I think it's nine cliques of one man.

Letters to the West Birchwood News Editor may be addressed to Mort Winthrop, 18 Warren Lane, Jericho.

Welfare Group

 It is advisable to have a record of regularly scheduled pickups which might be missed. At least one person on each block should report possible lapses of services to the Welfare Committee. DOROTHY HINGLER, Wells 8-3974, will take your calls.

 A survey has been completed to check the need for "slow" and "children at play" signs along recently completed streets. Recommendations for additional signs have been forwarded to the Town of Oyster Bay.

Sycamore Trees

Continued from Page 7
 5. The above planting will be done according to standard nursery practice, with ample peat moss and will be staked with rubber limes, wire and 2 stakes. This planting will be done when trees are fully dormant which ordinarily is in early November, but in no event shall said planting be later than November 30th, 1959. In the event that the planting is not completed by November 30th, 1959, Waltham shall return all monies received from West Birchwood and upon doing so, this contract shall be null and void and of no other force and effect, except as to such trees as may have been planted.

6. In the event of loss of the tree from natural causes, and assuming normal care, Waltham guarantees replacement of any tree lost for one year from the date of planting.

Said West Birchwood promises and agrees as follows:

1. To endeavor to secure 100 orders for the aforementioned trees at \$17.00 per tree.
2. To secure each other received with a \$5.00 deposit.
3. The balance of \$12.00 per tree shall be payable to Waltham, by individual purchaser, upon installation of tree.

Democrats Going On TV Tonight

Four Thursday-night television programs, beginning Oct. 8, will present the issues in the 1959 elections to Nassau voters, Democratic County Chairman John E. English announced. The series is called "Change!"

All of the programs will be on Channel 11 from 11:15 to 11:30 p.m. on Oct. 8, 15, 22 and 29. Top Democratic candidate from various parts of the county will discuss the key issues of their campaigns.

Men's Activities

Perhaps we shall have to change our minds about forming a bowling league and replace it with a crab grass pulling contest. Frankly, the call for bowlers in our last edition was anything but overwhelming. This can easily be explained, of course. Everyone is either working on their lawn or landscaping or doing any of the other sundry jobs that have to be accomplished. However, the planting season is about over now and the days are getting shorter so we shall repeat our call.

If we can successfully get a group together from our development, we can reserve an evening once a week or every two weeks at the Mid-Island Bowl. The Bowl is located on Broadway in Hicksville just two minutes from here.

The East Birchwood section has an excellent bowling league — so much so that it is difficult to obtain a place on the team. There is absolutely no reason why we should not have the same.

So please contact Howard Cole, Wells 8-3262, as soon as possible. Remember, you do not have to be an expert to enjoy bowling. The first 50 men to call will be given a five pound bag of crab grass seed free. I'm sure a wonderful evening of relaxation is in store for all those who are interested.

Safety Tip

Your car belongs in your garage when not in use! We don't want children to be able to run from behind a car parked at the curb — oncoming drivers sometimes might not be quick enough with the brake. Nor do we want the cars parked in the driveway. It is too easy for a child to release the hand brake, thereby allowing the car to roll back and hit any one behind it or in the street.

Use your head... protect your own children and those of your neighbors.

FOR THE RESIDENTS AT BIRCHWOOD PARK AT JERICHO

Masked Ball on Hallowe'en Eve

By DAVID MARK

Last year, the Art League's Costume Ball was one of the outstanding social events for Birchwood Park at Jericho. On Halloween Eve, Oct. 30, an even more fabulous affair will be presented by the Art League at the beautiful and convenient Salsbury Club in Nassau County Park.

In the true tradition of the Beau Arts, this "Bal Masque" promises to make Halloween an exciting night for the bewitched and the bewitching. Anyone who can let his or her imagination fly high on a broomstick can win one of a galaxie of glau-

orous prizes for costume ideas.

A gala midnight supper, with superb cuisine and table service, will follow the unmasking and the costume prize awards. Continuous music and entertainment, by Irv Dwyer and his orchestra, in the luxurious Salsbury Club, will create the atmosphere of Carnival Night on the River.

The "Bal Masque" will undoubtedly be "la fete" of the year. It's not too early to reserve table now for Halloween Eve. And the fee is only \$12.50 per couple. For information and reservations call: Lee Batterman OV 1-0664 or Blanche Karpel OV 1-4505.

Outdoor Art Exhibit at Birchwood

The Birchwood Park Art League at Jericho, takes pleasure in announcing their second Art Exhibit.

This exhibit will be held outdoors, in the Oyster Bay Town Recreation Park adjoining the Jackson public school off Maytime Dr. in Birchwood Park at Jericho.

The time will be Saturday and Sunday, Oct. 17 and 18. It will be open to the public from 11 a.m. to 5 p.m. (In case of inclement weather the exhibit will be held the following weekend.)

All entrants are encouraged to submit up to the maximum of five of any of the following media: oil, water color, sculpture, and graphics.

All inquiries concerning the exhibition should be addressed to Harry or Lee Berck, 91 Forsythia Lane, OV 1-6659; Annette or Nat Fischer, 91 Hazelwood Lane, WE 8-7717; Jean Rosenthal, 26 Hightop Lane, WE 5-8170, in Jericho.

Sisterhood Plans Gala Affair

Sisterhood of Temple Or-Elohim the Reform Temple in Jericho, has exciting news. Tickets are now available for the Autumn Round-up and Supper Party.

Master of Ceremonies, Eddie Heiman, and his band will lead Folk and Square Dancing. Stunts and Games, and will entertain with Folk and Community Singing.

Making the evening complete and completely informal will be a supper of cold-cut sandwiches and all the trimmings, soft-rop, and cakes

and coffee, all served to the tables. Beer and set-ups will be available for those who want stronger stuff.

This gala affair will take place on Saturday evening, Nov. 14, in the spacious new wing of the North Shore Synagogue, 83 Muttontown Rd., Syosset. Dorothy Green has the tickets (just hot off the press) at \$7.50 per couple. Call her at OV 1-2708 to make your reservations.

Robbins Lane P-TA To Sponsor Scouts

On Tuesday, Sept. 22, Robbins Lane School had its first P-T-A meeting of the year. A large group attended the meeting.

Mrs. Shirley Warren, the P-T-A president, opened the meeting at 8:30. A motion for the Robbins Lane P-T-A to sponsor a Boy and Girl Scout troop was made and accepted unanimously.

Dr. D. K. Phillips, Superintendent of Syosset Schools, and Mr. S. Glazer, a member of the Board of Education, were on hand to answer any questions about the bond issue.

Mrs. G. Dondero, principal of Robbins Lane, introduced the teachers to the parents. This was warmly received.

Mr. and Mrs. Antonio Ricigliano of Uniondale announce the engagement of their daughter, Angela Maria, to Robert F. Betscha, son of Mr. and Mrs. George Betscha of Notre Dame Ave., Hicksville.

Success can create problems, as the Jericho Jewish Center recently learned.

Heretofore, the Jericho Jewish Center had occupied rented quarters on Rte 106 just north of Jericho Turnpike. In each of the last two years, a large tent had been erected on these premises for the High Holiday services, and while the tent represented a crude substitute for a synagogue, it served its purpose.

Within the last few weeks, there has been such a tremendous growth in the congregation, and such a demand for tickets for the services that it became necessary to erect a much larger tent. This however presented a serious problem, since the grounds occupied by the Temple were not large enough to accommodate a tent of the size that was required.

The Temple owns a large parcel of land on Broadway, immediately adjacent to the Fire house, and construction has just begun on the new Temple building. Since only the preliminary clearing of the land and foundation framing is now under way, these premises were not yet ready to be used.

Within a period of less than one week, the problem was solved, with the cooperation of almost everyone. Sackson Construction Corp., the general contractor, arranged to have the proposed parking field cleared, graded and paved, all within one week. Mammie Sacks, the president of the company personally donned working clothes and, with hammer and nails, helped to erect the tem-

porary fence to safeguard the congregants. Irving Brand, the congregation's architect, practically lived on the premises. All the members of the building committee neglected their own jobs and businesses, gave up all of their time, and as

The parking lot was completed, a huge tent erected, about 900 seats were installed, an altar was erected—even to the extent of its being carpeted—and the Jericho Jewish Center was able to conduct its services for the holidays.

David Welsh

First appointed to office as Oyster Bay Town Tax Receiver on Jan. 1, 1953, David Welsh of Farmingdale was elected to the office in November of the same year. He is a candidate for reelection on Nov. 3.

A licensed mechanical and marine engineer, Mr. Welsh was born in Philadelphia. He has been a resident of Farmingdale for over 36 years. Before becoming Town Tax Receiver, he served for many years in various community units of government. He was a member of the Oyster Bay Town Zoning Board of Appeals for several years.

As a youth he served on various ships as Chief Engineer and made many crossings of the Atlantic Ocean and several trips in that official capacity to Hawaii and Pacific ports.

As an active member of the South Farmingdale Civic Association he became well acquainted with the work of civic groups and welcomes frequent invitations to speak about his department before groups of homeowners.

In 1948 the Tax Receiver's office billed 86,779 parcels of land, sending out 73,158 bills for both the town and school district collections. By 1958 this had increased to 83,543 parcels and 167,086 bills mailed out for the two collections. To keep pace with the growth in the number of individual property owners, Mr. Welsh was instrumental in the installation of modern office machines and equipment to keep down costs as the volume of work increased.

The Town Tax Receiver collects the taxes for 21 school districts, based upon the decisions of voters in the individual school districts. As soon as tax payments are received they are forwarded directly by Tax Receiver David Welsh to the municipal unit concerned — treasurers of School Districts, special districts and town and county.

Campaign Starts Girl Scout News

Continued from Page 1
provided by the Bethpage Colonials, Nassau-Suffolk life and drum championships, Daley said.

Republican candidates for Oyster Bay Township and Nassau County offices will ride in the motorcade until it reaches the town limits, at which point they will proceed on foot to the GOP headquarters on Railroad Ave., adjacent to the Long Island Rail Road station.

State Assemblyman Edwin J. Fuldreich and Bethpage Republican committeemen headed by Daley will welcome the candidates, and act as hosts for a public reception. Voters will be offered the opportunity for informal discussions with the candidates following the celebration. Free refreshments will be provided for all who attend, Daley added.

Boy Scout Activities

PLAN PARENTS' NIGHT

Boy Scout Troop No. 421 of Woodlawn Ave. School, Parent Teachers' Assoc. resumed their weekly meetings in the school Gymnasium on Oct. 7th. All the scouts were notified by post-cards.

The troops' Committee met during the summer to reorganize. This brought both a new Scoutmaster, Seymour (Phil) Sterne, formerly on the Outdoor Committee, Mr. Sterne replaces Carmine Gargiulo, who could not devote the necessary time as a Scoutmaster because of his job. Mr. Gargiulo will, however, remain with us as Assistant Scoutmaster as his experience with the scouts will be of great value to the troop.

T. Christenson will assume the Outdoor Chairmanship formerly held by Mr. Garrett Cook, who has since moved out of town.

On Oct. 17, the second Troop meeting, a Parents' night is planned. This is to introduce our new Leader and also present the plans for the coming Troop meetings as prepared by the Scoutmaster and the Advancement and Training Committee. We expect to see at least one Parent for each registered Scout. REMEMBER, Oct. 17. More information will be sent home.

Sept. 20, from 3 to 5 p. m., a tea was held in the new Youth Room by the Boy Scouts of Trinity Lutheran Church, Hicksville.

Leaders met the parents and interested guests and discussed plans for the coming year. The plans for the coming year should be very informative and enjoyable.

At the Sept. 28 meeting, Mrs. Nancy Stone, Neighborhood chairman presented Mrs. Cynthia Brown, Girl Guide of England and Canada, to the troops at Trinity Lutheran Church.

Limited Openings In Dance Classes

Mrs. Jo Dodson, well known Music and Dance teacher, announces that she will teach a limited number of classes in Creative Modern Dance for children this season. The classes, which will be held at the American Legion Hall in Hicksville, are for boys and girls ages 5 to 10.

These classes are being held at the suggestion of many parents in the community who feel that there is a great need for the “non-commercial, educational approach which creative modern dance offers. The instruction is destined to include dance techniques as well as an opportunity to develop the imagination and creativity of child.”

Mrs. Dodson has taught at the Plainview Children's Workshop, Island Trees Recreation and Adult Education Departments, Levittown Nursery School, Parkway Nursery School, and is at present teaching at the Syosset Community Arts Program, and the Bethpage Children's Workshops. A deep gash over the right eye of Robert Cerone, which required eight stitches, Monday, was another blow in a series of calamities that have struck at Hicksville High grid fortunes so far this season.

Cerone was outstanding as he operated out of the Fullback slot against Great Neck North and despite a 20-7 loss, the Comets offense sparked under the direction of Bill Schrimpe.

The Comets had seized complete control of the issue until a 98-yard double reverse carried Great Neck into a 14-7 advantage and the Comets into panic.

However, the Orange and Black had performed so creditably that the season's first win was hoped for this Saturday at Port Washington. With Cerone now an unknown quality the outlook is considerably darker.

Bob DiMatta, workhorse of the 7-0 loss to Island Trees, wrenched his knee before the Great Neck visit and joined Richard Di Leo (broken ankle bone) and Steve Ruggiero (broken arm) on the sidelines.

Great Neck swept to a touchdown on the first eight plays of the game and until that one cruel play late in the third period it was Hicksville's contest.

Immediately after the Blazer score, Cerone, running hard between Schrimpe pass completions to Fran De Caba, Jim McKinstry and Dick McKenna, paced the Orange on a 60-yard drive which expired on the GN 9.

Hicksville continued wide open for the half but couldn't score although its play pleased the crowd immeasurably.

It was in the third period that Comets moved 73 yards in 12 plays over the Great Neck goal. Steve Dushnick added a perfect placement to Schrimpe's 2-yard scoring plunge to tie the count 7-7.

Hicksville was the pressing authority after that and the second of two fine De Caba punts had the winners boxed on their own one when they uncorked the beautiful if fateful picture play.

A 61-yard pass interception was returned for a touchdown later as Hicksville desperately tried to gain the equalizer.

There were very good signs in the game for Hicksville. The coaching staff is working hard to solidify these gains and get that first big win.

The luck hasn't been good but we think the Comets are plucky enough to overcome it Saturday.

HICKSVILLE 21, PORT WASHINGTON 12.

FACTS IN THE CHALK: Hicksville had an 16 to 6 edge in First Downs against Great Neck. . . . Blazers had the edge in yards rushing 209 to 123. . . . Schrimpe completed 9 of 22 passes for 93 yards and had five direct hits dropped. Great Neck tried one aerial and Cerone intercepted it. Bill McBride shaped up very well as a halfback. He also ran 16 times for 72 yards. Schrimpe had four cracks for 21, McBride 6 for 22 and DeCaba 2 for 8. . . .

An exact duplicate of the reverse play that beat Hicksville in the varsity game Saturday, was employed on the first scrimmage play by Great Neck, Monday, and it resulted in a 70-yard scoring run.

However, the Hicksville JV disappointed the host squad with an overpowering game that ground out a 27-12 victory. Coach Chet Jaworski had to pull his regulars early as quarterback Chris Colletta had his team hitting on all cylinders.

It was Hicksville's second win in as many starts the Comets having turned under Trees 20-7 in the opener.

At 10 o'clock this Saturday morning at Hicksville the club will take on the Port JV in what promises to be an interesting contest.

A flashy young man by the name of Lee Rogers scored two touchdowns for Jericho from 35 yards out to beat the Hicksville JV "B" team.

Each time he took a pass before adding the additional yardage. Ralph Fielitz in the first quarter caught him with an aerial and Marty Deledda did the same in the last for the 12-0 victory.

The doubles team for the Hicksville High Tennis team kept the Orange tied with Clarke for the Division Two Lead in the NSAA. Each school has won three matches with out a setback. Hicksville edged North Shore 4 to 3 to stay unbeaten.

Neil Lewis and Janis Putnif won their doubles 3-6, 9-7, 7-5. In hard fought sets Ron Bradley and Dan Burke won 6-4, 4-6, 7-5. George Leek and Mike Brown broke service and won easily 6-4, 6-3.

Mike Seltz won the only singles for the Comets 9-7, 6-3. Steve Luck pressed had but bowed 7-5, 9-7 and Vic Theiss suffered a 6-1, 2-6, 6-3, reversal in a long match. Bob Meade lost the other singles 6-2, 6-3.

Opening Drug Division Here

McKesson & Robbins, Inc., announced plans for opening a new wholesale drug division at Hicksville. David T. Daniel, vice president, McKesson's Northeast District, said the move was directed by the growth of the company's business in Nassau and Suffolk Counties and is part of an over-all modernization program designed to improve its service to customers.

The new Drug Division will be located on Andrews Road, east of Bethpage, Hicksville, in a large, one-story brick building adjacent to the Long Island Railroad. The building will be equipped with the most modern facilities for material handling, storage, shipping and office work. It is expected that this new division will be in operation in early March. Robert F. Kavan, of Garden City, will be the new division manager.

St. Ignatius Tied By St. Ann's 11

Sunday afternoon at 2:15 p. m. at the St. Paul's Field in Garden City the St. Ignatius Yellow Jackets of Hicksville tangled with St. Ann's of Stewart Manor in a battle between two titans of the League.

St. Ignatius received the opening kickoff and after a series of plays pointed to St. Ann's. St. Ann's in turn tried the St. Ignatius defense and found the going tough and in turn had to give up the ball. Terrific line play, fine pass defense by both teams prevented both teams from scoring. An occasional first down or two, by first this team and then the other but the defense would throttle the march. Football being a team game, this was certainly a game of team effort. To pick out certain individuals would be nearly impossible, so we in place of individual stars for the game, give the honors to each and every boy on both squads who played in this game. The line-up as follows:

ST. IGNATIUS	ST. ANN'S
Corrigan	RE O'Hagen

Legionnaires' Log

CHARLES WAGNER, Post 421, Hicksville, N. Y.
by Bob Sutton

On Friday evening the ladies auxiliary of our Post held their installation. The Commander, his staff and all members of the Charles Wagner Post wish to extend their best wishes to the new president, Sophia Sutton, and her staff, and to the outgoing president, Trudy Rutz, and her staff, a job well done.

On Oct. 12 the Sons of the Legion will hold their first meeting. This year the Sons will be going out in a big way for the 5-star award which you will read more about in future columns.

Once again I would like to bring up the subject of Mountaineers. Artie Rutz, our Mt. Cannon chairman this year, is out for 100 percent from our Post. To date we have just 49 members. As you all know this dollar that you donate goes to the rest area and convalescent camp at Tupper Lake. Last year my family and myself spent one day on a visit to the Hospital and Camp Area. We were very impressed and spent a very enjoyable day. If you get the chance, I would suggest you pay a visit to Tupper Lake and see for yourself how your dollar is spent.

In March of 1959 the American Legion ran an Auto Identification Contest. It was just brought to my attention that one of the winners is a Hicksville resident, name of Edward P. McCarthy. Belated congratulations, Ed.

1960 dues are now due. This week I looked like everyone was trying to get into the capsule drawing first. Bob Hiseel was getting writer's cramp trying to get the names all in before missing time. The drawing was won by a new member, Charles Hesse, who was not present, so the 815 went back into the pot once again.

Saturday, Oct. 10 is Install Night, County Commander William

Seiffert is installing officer, together with his staff and color guard. Let's have a big turnout and show our new commander, Ed Hodgkinson we are all behind him 100 percent. Live music, dancing and refreshments will follow.

Starting with the last week in October, please bring all of your donations for Kings Park to the post so the committee can get things sorted and packed. Radios, TVs, clothing, tires, etc.

Hey, What's this bit of news that the color guard turned down a free evening on the Syosset P.T.A.? I understand that they all agreed that Syosset Legion had first call and Bob Mangels turned the duty over to the Syosset Legion Commander.

Last year Charles Wagner Post took fourth place in membership in the 3rd division and 12th in the county, which is a big improvement over the post. Our new quota is 400 and we can do it with a little effort on everyone's part. The first meeting night we had 55 renewals and nine new members which broke all records.

The Post would like to welcome the new members: FRANK V. MEYER, JAMES P. WALSH, ERIC W. TRENCCK, JR., JOHN H. BERNETT, ELWEN C. RADUSE, CHARLES F. HESSE, JOSEPH LONGABORDI, ANGELO A. DAMATO, PAUL E. WOELFLE.

Tonight Bob Burley stated that our CD unit will finally get started. He already has three recruits and would like a few more before actually starting training.

Once again Ernest Gamallach became our Welfare Officer. As you all know he has done a wonderful job in the past for the Post and we all know he will in the future. Ernie would like to know as soon as possible when you hear of a member who is sick, unemployed or in need so he can take care of them as quickly as possible.

Hope to see you all Saturday night at our installation.

PS—Bob Sutton won the dark horse drawing.

Extension Unit To Name Officers

All women are eligible for the monthly courses being given. Courses this month are: Arrangements without flowers; What Every Cook Should Know; The A.B.C. of Sewing; Knitting; Wood and Wood Finishes and Hooking.
