McInnes Sees Democrat Plan To Boost Taxes Like N. Y. City

Republican Councilman Henry McInnes of Hicksville has accused the Democrat candidates of "impossible promises and demagoguery" in their efforts to win the Town of Oyster Bay election next month.

The Hicksville Councilman stepped up his campaign for re-election by charging that a Democratic victory would be followed by higher town taxes.

"You may have been reading about the financial troubles of Democratic New York City — and about its soaring taxes," McInnes declared. "Here in the Town of Oyster Bay we have indebtedness which is equivalent to only 11.3 per cent of the total indebtedness legally possible."

"I hate to imagine what would happen if the Democrats gained power — we would be almost sure to have a large increase in indebtedness — and this means higher taxes," he added.

The McInnes' blast at the opposition was delivered at the Ernest F. Franke Republican Club meeting, Friday night at the Masonic (Continued on Page 4)

Parish Pledges Building Funds

A figure of \$130,000 pledged was announced Monday night at the second report of the Program for Christian Advancement of St. Stephen's Lutheran Church of Hicksville, it was announced by Pastor Muck. With three more report meetings to go, confidently expected that the members of the church will exceed the 'venture' goal of \$120,000 by \$30,000. In this manner the church members will assume the complete responsibility for building the Ernest Franke Memorial Education Building, estimated at a cost of \$150,000.

The pledges, spread out over 156 weeks, mean that the building will be completely paid for in three years.

The Building Committee under the chairmanship of Henry Diesing, now look forward to breaking ground some time before the first of the year.

With 600 children in the church school, and 85 on the staff, the building will help overcome some of the crowded and inefficient conditions now prevalent in the church school. The program for Christian Advancement was headed up by Henry Brengel, Sr., as General Chairman; Henry Brengel, Jr., as Organization Chairman; Mrs. Wilma Harnischfeger and Mrs. Marge Dunbar, as Dinner Arrangements Chairmen.

Supervisor Gives Chronology:

Demo Harbor Dredging Claims 'Gross Distortion'

Oyster Bay Town Supervisor John J. Burns today traced the chronology of sand and gravel dredging in Cold Spring Harbor to prove that widely circulated charges by Democratic office seekers are the "most grossly exaggerators of the facts, fantastic flights of imagination and deliberate distortions."

Burns pointed out that the Town of Oyster Bay administration had discovered that dredging operations in Cold Spring Harbor had drifted over the imaginary Nassau-Suffolk County Line and that diligent research and investigation by the Town, starting in February of this year—seven months ago—had uncovered a misunderstanding on the location of county line.

He emphasized that U. S. Dredging, which has been doing successful revenue producing dredging off shore for the Town of Huntington since 1948, when advised of the fact that its operations had apparently wandered over a poorly defined boundary in inner Cold Spring Harbor was prompt in guaranteeing full reimbursement to the Town of Oyster Bay for material dredged and immediately moved its vessel from the area in question.

INVOLVES PART OF \$70,000

Burns disclosed that the dredging concern paid the Town of Huntington \$70,610.50 for sand and gravel removed from the inner Harbor between Jan. 1, 1957 and April 1959. Thus the amount due Oyster Bay, which is being determined by independent engineering studies including soundings of the Harbor bottom, is only a small fraction of \$70,000.

"The ridiculous irresponsibility of the Democratic candidate is thus nailed down as a gross exaggeration," Burns asserted. "The Town's interest or share of \$70,000, to be determined by competent and experienced engineers, in contrast with the three quarters of a million dollars connected by the opposition seeking to deceive and mislead the voters."

Seven months before the amendment went running to the newspapers with their politically inspired half-truths and falsehoods, the Town had begun action, he pointed out. The trail led to the archives at Albany to locate an 1873 map of the County boundary line which had (Continued on Page 16)

RAISING OLD GLORY, an American flag which flew over the White House in Washington, D. C., marked the official dedication of the Hicksville office of the Town of Oyster Bay at 65 Broadway, Sunday. Town Councilman Henry McInnes of Hicksville officiated at the flag raising, assisted by Eagle Scout Peter Gordon of Murray Rd., Hicksville. (Jim Healy Photo)

Hi - Neighbor

FOR

ALL

BOYS

IF...

YOU
SUPPORT
SCOUTING

Today you, along with 250,000 other Nassau County residents, are receiving a Boy or Cub Scout at your door. 36,000 Scouts are reminding you of the scout campaign to be conducted on Sunday, Oct. 18. They are asking you to give your generous support when your neighbor and scout calls.

The Council budget is used in building a better Nassau County—all funds are used for Nassau County boys. You can help by investing in the youth of your community and having your contribution ready when you are called upon. Scouting trains boys for useful participating citizenship—provides a program of fun and adventure—develops boys into men of character. The 1960 operating budget is \$336,800. Invest in tomorrow's youth. Please make your check payable to the Nassau County Council, B.S.A.

FIRE DEPARTMENT HONORS POSTER CONTEST WINNERS

AWARDS WERE PRESENTED on Sunday afternoon to students of Hicksville School for their posters by grade levels in the Fire Prevention Week contest sponsored by the Fire Dept. Left to right are Fire Chief Charles Saurer, Lindsey Booge, 1st gr., Old Country Rd.; William Kelly, 2nd gr., St. Ignatius; Mary Jane Corrigan, 3rd gr., St. Ignatius; Jerrilyn Neder, 4th gr., St. Ignatius; Virginia Curd and William Heskey, tied for 5th gr., St. Ignatius; Chief Fire Inspector Frank Peck, Mark Spyridon, 7th gr., St. Ignatius; Allyn Lewis and David Lance, tied for 8th gr., Jr. High; Arleen Trant, 9th gr., Junior High; Jean Lincoln, 11th gr., Sr. High; Henry Steinman and Jo Ann Osinski, tied for 12th gr., Sr. High; Ass't Chief John Specht. There was no entry for the 10th grade. The program was conducted by James Taxter who also presided at a question and answer period. Refreshments were served to parents and their children after the presentation ceremonies.

New Physician Checks Students

One new doctor had been added to the list of Hicksville School District physicians this term by the Board of Education upon the recommendation of Dr. Wallace E. Lamb, superintendent.

School physicians receive \$1 for each examination of a student. The new doctor is Dr. John P. McGloy, serving Lee Ave. School.

Reappointed were: Dr. J. W. Milhauser, boys at Junior and Senior High; Dr. Theresa Swick, girls at Junior and Senior high, plus working papers for girls and examination of female employees; Dr. Arthur Swick, Burns Ave.

Also, Dr. Chester Kaminister, East St.; Dr. William A. Sattner, Old Country Rd.; Dr. William Schwartz, Dutch Lane School and Trinity Lutheran; Dr. Natalie Rapoport, Fork Lane; Dr. James Connolly, Woodland Ave. and Nicholas St.; and Dr. E. Barnett Hoeft, St. Ignace School, plus working papers for boys and all male employees.

Semi-Finalist In Merit Scholarships

Doreen Kossow, daughter of Mr. and Mrs. Max Kossow of Birchwood Park Drive, Jericho, is one of five Syosset High School seniors who achieved the semi-finals in the National Merit Scholarships. The finals will be held in December. The semi-finals resulted in the selection of 10,000 students across the nation from among 550,000 participants.

Name Speaker For Breakfast

Mrs. H. Richard FitzMorris, former vice president of the Nassau County Council of Catholic Women, will be the guest speaker at the Annual Communion-Breakfast of the Bursary Altar Society of St. Ignace Church in Hicksville, Sunday, Oct. 18.

Breakfast in Old Country Manor, in Hicksville, will follow the 8 o'clock Mass. Reservations may be made by calling Mrs. Giannelli, WE 1-0867 or Mrs. Ryan WE 5-0262.

Teen Theatre Presents Plays

The Hicksville School Recreation Teen Theatre will present, three one act plays, Thursday, Oct. 22, at the Hicksville High School Auditorium starting at 8 p.m. The group is made up of Jr. High and High School students who have put a great deal of work into the productions.

Mr. Bevan, the high school drama teacher, has been working with the group throughout their rehearsals. The program is Hicksville Recreation's second dramatic presentation this year.

Becomes Bride

Miss Lucille Livotti, daughter of Mr. and Mrs. Frank Livotti of Hicksville, became the bride of Arthur Lorenz, Jr., on Sunday, Oct. 4, at the Hicksville Trinity Lutheran church.

Mr. Lorenz is the son of Mr. and Mrs. Arthur Lorenz, Sr. of Plainville.

Pommonok Chapter, Order of the Eastern Star will hold a Jamboree Card Party, tomorrow (Fri.) night at Levittown Hall, Levittown Parkways, Hicksville. Donation is \$1.00 and refreshments will be served.

Dear Jean:

Mr. and Mrs. FRED HESMAN, formerly of Sleepy Lane and more recent of Garden City, are reconstructing a modern ranch-style home at 37 Field Ave., Hicksville. MICHAEL COLLI of Oyster Bay, formerly New York City, is the architect and Green Book Developers to the contractor. The annual Christmas Party (almost) for the children of the Northwest section of Hicksville will be sponsored on Saturday night, Oct. 24, at Fall Halloween Dance at the Boardman on Saturdays at Hicksville Public Library resumed Sept. 24. The group meets twice monthly for discussion of a book which has been read in advance. For further information, we are advised, contact Hicksville Public Library for Mrs. DOUGLAS HILL, WE 1-2006. Oyster Bay Republican Club will sponsor its annual THEODORE ROOSEVELT BIRTHDAY DINNER at Garden City Hotel on Oct. 24. Town Clerk HENRY M. CURRAN is again chairman. Hicksville Lions will have a program about the Nike Base at its dinner meeting on Oct. 25. Recent Four News, published by Lions Club, says the Club is considering "possible erection of a permanent facility in Hicksville by the Lion's Club of use to the entire village." Two documentary films "On the Bowery" and "The Flow that Broke the Plains" will be shown Tuesday evening, Oct. 27, at 9 PM in the auditorium of Hicksville Public Library. When someone gets a pat on the back in a column entitled "Stetely Business" you can almost see which side the dollar-sign is buttered on.

Miss KATHERINE FULVER of Old Bethpage was among the Long Island Nurses who attended the 90th convention of the N. Y. S. Nurses Assoc., held last week at the Statler - Hilton Hotel, Manhattan. Don't forget the Supper-Dance being sponsored by the Glen Cove - Hicksville Mercy League, to be held on Saturday, October 17, at the Jericho Pin House. A good time is promised for all. ALL YOU HICKSVILLE GRADUATES—have you bought your tickets for "Homecoming Day"? You will be sorry if you haven't. We know 'cause we had a good time last year and this year, the committee has planned a better time for all of us. See you there. How about joining the Hicksville High School Alumni Ass'n? Ask any member, they will tell you the details or call the HERALD office, we can help you.

MISS MARY F. KELLER, a summer resident of Hicksville, is now back at her winter home, Woodlawn Trailer Village, Lakeland, Fla. Miss Keller spends the summer with her sister, MISS CLARA KELLER of Harding Ave., Hicksville. Miss Keller invites all those from Hicksville who will travel to Florida in the near future, to stop in to see her—she will love to see someone from the "old home town." We sure you all remember our gal JOYCE McLAUGHLIN, who used to be a resident of Sunset Ave., and who is now a WAF down in Colorado. Understand that the gal is doing okay in the Air Force—passed all her finals with an average of 98% and is the leader of her squad and the best we heard is that she is learning all about planes. That's our gal. Don't forget the Glen Cove Mercy League Supper-Dance to be held Saturday evening, at the Jericho Pin House. News from Miss St. Mary's, Little curley headed MARY DIFONZO, daughter of Mr. and Mrs. Joseph Difonzo, celebrated a birthday last week. Also on the same street and also celebrating a recent birthday is HAROLD KRAMER, who was given a surprise party by his wife, Helen, the MAC MCCORMACKS of the same street returned on Monday from a holiday weekend at "Glen Mary" in the Catskills. They were accompanied by their three sons, Kenneth, Ronald, and Kevin and their Grand-dad "Sarge". Also on Dixie St., MR. and MRS. BORIN celebrated both their wedding anniversary and Mr. Borin's birthday at a surprise party recently at the Borin home. Now, for all those who feel we favor one section or another of Hicksville, we are again asking you to let us know of your little parties or celebrations—we will be glad to use any item if it pleases our readers.

Little MISS MARY BETH LOONEY of Twinlawn Ave., celebrated her first birthday on Oct. 8. Speaking of birthdays, little JIMMY SKELLY of Marvin Ave. was 4 years old on Oct. 10. He is the son of Mr. and Mrs. J. Arthur Skelly. We like to call him Art but his real name is James. Don't forget to get your tickets for the Hicksville High School Alumni Ass'n "Homecoming Day" to be held in Hicksville on Saturday, Oct. 31. If you knew the fun to store for you, you would hurry and get your tickets at the HERALD office, or the Hicksville Sweet Shop or Holden's Stationery Store. We all have them on hand and the ticket includes your brunch, your tour of our "old" Hicksville High (now the Hicksville Junior High), the football game between Hicksville and Farmingdale (old fight'n' friends for a long time), reception for the Alumni and all who take part in the game (players, band, baton twirlers, cheerleaders, Alumni, etc.) and for a good old get-together to meet your classmates, and dance at the Bethpage Country Club. See you there. By the way, have all you grad's of the old Alma Mater joined the Alumni Ass'n as yet? You had better, the group has many surprises in store for you.

MARK A. TURLINGTON, an Eastern Air Lines dispatcher at La Guardia and resident of Jericho, was among the 600 winners from among 17,000 employees who shared \$25,000 worth of prizes in a letter-writing contest. The topic was "My Job and Future in Partnership with Eastern." Arrived District Bay North had drive leasers got a final briefing at a dinner meeting last night at Hemmingson's. The campaign takes place this Sunday, Oct. 18. We don't know how we overlooked it, but Oct. 4 to 10 was not only Fire Prevention Week but also 22nd National Letter Writing Week.

About 800 students of Hicksville Junior High will be making a one-day rail road trip to Washington, D.C., on Saturday, Nov. 7. A private train will leave Hicksville station and go directly to Washington, leaving here at 6:10 a.m. and arriving there at 11:30 a.m. After a busy day of touring with guides, they leave Union Station at 5:15 p.m. and arrive back at Hicksville the same evening.

MRS. CHARLES W. NORRIS of 103 Seaman Rd., Jericho, is chairman of the Chinamide High School Mothers and Fathers Club card party set for Oct. 24 at the school gym in Mineola.

Local Legionnaires say they have not been advised, as yet, of the Naval parade announced for Hicksville on Oct. 25.

MARY BEAN, OLGA SZENDY and ELEANOR GILLIGAN, past president, president and vice president, respectively, of the Friends of Hicksville Library, represented the organization at the Annual Fall Institute of the Nassau County Library Assoc., held at the library last Wednesday. We attended the dinner the Library Assoc. held that night at the Millerville Inn and had the pleasure of meeting Mrs. Robert Bennie, Trustee of the Garden City Public Library. Mrs. Bennie, the former KATHRYN WEBSTER, was the Librarian at the Hicksville Library when it was located on the second floor of the Nicholas St. School. She served from 1930 to 1937. Her father, Dr. Benjamin Webster, was the president of the First Board of Trustees of the Hicksville Public Library. Walter's Li-Walters has plans to push some of those bottles back and make more of his was doing a pretty good job on those shelves. We got our report on the carpentry work done last week. Thought his hobby was sport ears—his wife, DONNIE, this week she's doing very well. Keep up the good work, Sister, we are all rooting for you.

1700 Voters Get Back on Books

Hicksville Republican Leader Philip F. Robinson and Leland Badler, executive committeeman, stated they are highly gratified with the registration of almost 1700 new voters in Hicksville. They spoke at a meeting of campaign workers at Hicksville GOP Headquarters following the close of registration.

They jointly thanked all registration board members, consisting of an equal number of Republicans and Democrats, for their "untiring efforts" in registering this large number of voters with a minimum of delay and inconvenience.

Referring to the hard and conscientious work of all Republican committeemen in the 25 Hicksville election districts, they lauded the exhaustive canvass made by the committeemen prior to registration days.

The new registration, although heavy, went smoothly in all registration places. Robinson and Badler asserted, due to pre-registration canvassing by committeemen, Extra Board of Registration personnel was requested several days in advance for Old Country Rd., Burns Ave. and East St. Schools to prevent any delays.

"We also ordered additional personnel for other local Registration Boards on Saturday when there was an unexpected last minute influx of new registrants," Robinson and Badler declared. "Every new registrant was enrolled by 10:20 p.m., only 20 minutes after registration places were closed."

Robinson and Badler were both enthusiastic as a result of the increased registration and predicted that "all our Republican candidates will win with greater pluralities on Nov. 3 than ever before."

Knights Install

Officers of the Joseph Barry Council, Knights of Columbus, which is building a new clubhouse at Heitz Place near Bay Ave., in Hicksville, were held Oct. 6.

Installed were: Rt. Rev. Msgr. George M. Bittermann, V.F. chaplain; Robert W. Corcoran, Grand Knight; William Patchell, Deputy Grand Knight; Vincent Hilley, chancellor; Robert Manning, warden; James Cummins, warden; Joseph Cacanin, treasurer; Harry Agapito, lecturer; District Court Judge Francis Donovan, advocate.

Also, James Hood, inside guard; James Wise, outside guard; Ralph Muscato, outside guard; Joseph Geoghan and Robert McGregor, trustees and William Sheperow, financial secretary.

Mrs. Kellner Aids In Cancer Survey

Mrs. Jean Kellner, 49 Walters Ave., Hicksville, has been named Hicksville Group Study Chairman for the American Cancer Society's Cancer Prevention Study. It was announced at the Nassau Division's headquarters. The study, the largest statistical survey ever undertaken, will begin Nov. 1.

The survey will involve 500,000 families across the nation including 6000 in Nassau. The object is to discover what effect the environment has on the production of cancer. Volunteer researchers will enroll 10 families who are their friends and relatives where there is someone over 45 years of age. Each person over 30 years in the family will fill out a confidential question-

naire in private and place it in a sealed envelope to be forwarded to National Cancer Society headquarters.

There is no fund-raising in connection with the study. The American Cancer Society conducts its annual fund-raising and educational Crusade in April.

Poster Contest

Ann and "Tiny" Weber, owners and proprietors of the South Broadway Carvel Store in Hicksville, have added another first to their record by announcing that they are sponsoring a Halloween Art Contest for teen-agers.

Triple Track Aids Graduates

Two of Hicksville High School graduates of last June are new proof of the values of Hicksville Public School's three-track curriculum system, according to Dr. Wallace E. Lamb, superintendent of schools.

"One of the fine results has been the fact that students graduating last June in Track 1 have been excused from taking certain freshman college courses and have been allowed to take more advanced work in college," Dr. Lamb reports. William Goebel, son of Mr. and Mrs. Harry Goebel of 7 Glenbrook Rd., has been excused from taking fresh history at Columbia. Marc Finkelstein, son of Mr. and Mrs. Edward Finkelstein of 25 Centre St., has been excused from taking fresh English at Pratt Institute, Brooklyn, "because of the excellence of his preparation." Marc was the author during the spring and summer of "Sports Cars Around Long Island", published by the Mid-Island HERALD.

PROPOSED PRIMARY SCHOOL FOR WILLET AVE.

ARCHITECT'S SKETCH of the proposed primary school for Willet Ave. in Hicksville which will be part of the referendum question before the voters on Thursday, Nov. 19. The Board of Education has set Friday night, Nov. 13, for a public discussion meeting of the refer-

endum. Voter registration days for those not enrolled will take place on Monday, Nov. 9 from 4 PM to 10 PM and again on Saturday, Nov. 14, from 10 AM to 8 PM. Voting hours on Nov. 19 are from 11 AM to 10 PM.

McInnes Sees

(Continued from Page 1)

The basic issue of the campaign, according to McInnes, is "whether to continue in office the sincere and dedicated kind of public official for which our community is noted

— or whether to elect men who have not hesitated to stoop to falsehood, impossible promises and demagoguery in order to achieve high office. "It is, in essence, a choice between good government and the kind of government for which Tammany and DeSapio are famous."

The veteran Councilman, senior member of the Oyster Bay Town Board, praised the record of the Republican government in Oyster Bay.

He pointed out that although the Town population jumped from 50,000 to more than 275,000 in the last nine years, the Town has been able to rely on the same type of taxes to maintain its services. McInnes contrasted this with the new methods of taxation being forced upon the people in New York City.

Another accomplishment McInnes noted was the increase of 2,200 public parking spaces in the Town. McInnes has spearheaded this program, which has resulted in the creation of almost nine 100 car spaces in the Hicksville area.

"And you Republican Town officials have been most assiduous in their protection of your children," he said. "Since 1956, I have been responsible for the installation of over 230 stop signs and signal lights here in Hicksville alone."

McInnes also reminded his audience of the 11 beaches and 75 neighborhood parks maintained by the Town for the pleasure of its residents.

Other speakers joined the attack on the Democrat candidates. Hicksville Republican leader Phillip Robinson chided them for "wishful thinking" in their campaign to win the election.

Genesta Strong, GOP candidate for the State Senate, criticized the Democrat platform on education. She said that their plan would enable the State rather than the local communities to take over the primary responsibility for operating the schools.

"How silly can you get," declared Mrs. Strong, who asserted that the Democrat scheme would double state taxes.

Mrs. Strong emphasized her work as an Assemblywoman to improve mental health-care in the state. Now, she said, Nassau County has more classes for retarded children than any other county in the state.

Francis Anderson, the Republican nominee for County Clerk, noted that the County Clerk's office, in which he has worked for 28 years, is looked upon as the best in the State.

Judge Francis Donovan declared that the District Court is an efficient, hard-working system which has saved money for Nassau taxpayers. Judge Donovan is a candidate for District Court Judge.

The Republican Club's pre-election rally will be staged on Friday, Oct. 30, at the Masonic Temple, West Nicholas St.

Becomes Bride

The marriage of Miss Barbara Jane Beaumann of 40 Corcoran Crescent South, Bethpage, to Glenn Albert, son of Mr. and Mrs. Carl Albert of Minus De Matambay, Pinar del Rio, Cuba and Copenhagen, Denmark, took place recently at the Levittown Community Church. A reception at the Garden City Hotel followed. Miss Carolyn E. Self, of Westfield, N. J., was the Maid of Honor. Miss Barbara Justison, of Wayne, N. J., was the bridesmaid. Junior bridesmaids were Jane and Judith Little of Bethpage.

Pistols Crack In Driver Tests

Tires screeched and pistols cracked at Hicksville High School on October 1, as Hicksville High School students put their driving abilities to a test — and simultaneously learned a lesson. They were taking part in a safety demonstration to disprove the old bromide that a car can be "stopped on a dime."

Results were sobering. The chief casualty was driver complacency. As fellow students lined the curb, Jimmy McCabe, 17, slid behind the wheel of a specially outfitted sedan. Beside him sat George Tewksbury, safety engineer for Nationwide Insurance.

Through loud speakers on top of the car, Tewksbury spoke to the students:

"TERRIFIC SPEED"

"Jim has been selected for this test because he's an experienced driver. Now let's see how quick he can stop at the 'terrific speed' of 20 miles an hour."

As Jim drove toward the starting point, Tewksbury explained the reason for the three pistols mounted on the front bumper, and the red light on the front of the hood.

"Get the car going 20 miles an hour," he told Jim. "As soon as you do, I'll pull the trigger on the first gun; immediately the hood light will flash on, and a yellow paint bullet will blast a mark on the pavement."

"That's your signal to put on the brakes. The instant your foot hits the pedal, the second pistol will fire. The third one will go off when you finally get the car stopped."

Jim made the test. Two boys taped the distance between the paint stops. Another one jotted down the measurements and handed them to Tewksbury, who relayed them to the spectators.

REACTION DISTANCE

"It seemed like we stopped the instant you hit the brakes. Right, Jim? But here are the facts. The reaction distance was 13 feet — that's how far the car traveled before Jim slammed on the brakes. Braking distance: 30 feet, 10 inches. Total distance: 43 feet, 10 inches. That's how far we went after he put on the brakes. Total stopping distance: 56 feet, 10 inches."

"Amazing, isn't it? And we really thought we could stop on a dime."

No. Hicksville Civics to Frolic

Members and friends of the North Hicksville Civic Assoc., Inc., will frolic at the first social event of the fall season at a Square Dance to be held Saturday, Nov. 7, at the Bethpage Bowl, Stewart Avenue and Hempstead Turnpike, Bethpage. Called for that evening will be George Bauer, popular Square Dance instructor, who scored such a success in the last Civic square dance.

Eleanor Hall, social chairman, has planned a great night, with door prizes, games and free refreshments. Tickets are available now at \$1.00 per person and may be purchased from Mrs. E. Hall, Barbara Kelly, and Mary DeMaio.

Now, let's see what one of our young ladies can do."

Pat Dowling, 17, tried next. Her record: 17 feet, 8 inches, to react

and 34 feet, 10 inches to stop the car after brakes were applied. Total, 52 feet, 6 inches.

Arrangements were made by Joe Longaro, local Nationwide Insurance agent.

They're here!

LOWEST-PRICED LIGHT AND MEDIUM TRUCKS

Priced lowest of the leading makes*

NEW FORD TRUCKS for 60

with **Certified Economy**

CERTIFIED GAS SAVINGS • CERTIFIED DURABILITY
CERTIFIED RELIABILITY • CERTIFIED LOWEST PRICES

You get the best of the new in 1960 Ford Trucks. And economy backed by the Certified tests of leading independent automotive engineers. **Certified gas savings!** New tests verify the gas savings of Ford's modern Six—the engine that got 25% more miles per gallon than the average of all other makes in Economy Showdown U.S.A.!

Certified durability! Tests of key truck parts showed, for example, 20% longer brake-lining life for Ford's new F- and C-600's... 23.6% greater frame rigidity on half-tonners.

Certified reliability! Based again on Certified tests. Example: Ford's new wiring assembly operated without failure more than three times as long.

Certified lowest prices! See the price comparisons. See the Certified Economy Book at your Ford Dealer's now!

FORD TRUCKS COST LESS
LESS TO BUY... LESS TO RUN... BUILT TO LAST LONGER, TOO!

LIGHT DUTY—LOWEST PRICED OF THE LEADING MAKES!
And look what the low price of this half-ton Styleside includes! New 235% more rigid frame, new longer-lasting brakes, new styling and comfort, new Diamond Lustre finish.

*Where available on request. Send inquiry to P.O. Box 300, Ford Division, Ford Motor Company, Detroit 31, Michigan.

MEDIUM DUTY—LOWEST PRICED OF THE LEADING MAKES! In addition to lower price, this F-600 Styleside offers increased strength in frame and steel metal, a colorful new color interior, the gas savings of Ford's modern Six, Maximum GVW, 21,000 lb.

TILT CABS—LOWEST PRICED IN THE INDUSTRY and the most popular for 1960, there's new comfort and driving ease... new gas economy and durability in Ford's Short Stroke engine! Nine Tilt Cab Series are available, ranging from 18,000 GVW to 65,000 GVW.

Town Tax Rate Down 28 Per Cent

A substantial 28 per cent reduction in the Oyster Bay General Town Tax for 1960 is assured under the proposed Town Board budget filed with Town Clerk Henry

M. Curran at Town Hall in Oyster Bay. The proposed gross budget of \$3,294,262.63 calls for a tax rate of only 10 cents compared with 14 cents this year.

The new budget with its promise of positive tax reduction for homeowners, makes good the pledge voiced by Supervisor John J. Burns back in August and repeated last month, based upon preliminary studies.

The total Town Budget for next year is only \$34,000 more than the current gross budget. The tax reduction has been achieved as the result of sound fiscal planning, departmental economies, the success of the Town Board's program of attracting millions in private capital for commercial and industrial structures newly located in the town, thus boosting the total Town assessed valuation to \$506,715,963. The amount to be raised by tax is \$566,715.96 with estimated revenues for next year \$2,667,546.67, Supervisor Burns pointed out.

The tax for highway purposes outside of incorporated villages remains unchanged for next year at 56 cents. The highway budget is \$2,625,056.89 of which \$309,004 is for debt service on the Town's permanent highway improvement program.

A separate two-mill tax for the Town Building Dept. has been eliminated in the new budget with fees covering the budgeted \$244,476.30 cost of operation.

There is a slight gain in the tax for Zoning Board of Appeals and Planning Consultants, rising from 8 mills to 1.1 cent.

A fractional increase is noted in the Drainage District tax, the direct result of debt service on bonds. The new rate is 9.9 cents compared with 8.9 cents this year.

Normal salary increments are provided for employees but no raises have been provided in the budget for elected officials, Supervisor Burns pointed out. "We are determined to hold the line on expenditures," he stated, "and we have achieved this without sacrificing essential services."

OTHER REDUCTIONS

In addition to the overall town tax reduction of 28 per cent, the property owners of most major population centers of the Town of Oyster Bay will enjoy further tax savings next year as the result of consolidation of sanitation districts and parking districts by the Town Board earlier this year.

The tax rate for areas served by municipal curb-side collection will be a uniform 33.9 cents as compared with the previous tax rates for refuse collection in several typical communities: Bethpage was 53.3 cents, Farmingdale 45.5 cents, Hicksville 41.6 cents, Jericho 35 cents, North Massapequa 55.1 cents, Old Bethpage 35.5 cents and Plainview 40.2 cents.

Show at Armory

The newly formed Long Island Cat Club affiliated with the Cat Fanciers Assoc. is holding its first Championship Cat Show Oct. 17 and 18 at the Hempstead Armory, 216 Washington St., Hempstead.

There will be over 200 cats in the show.

TODAY IS FALCON DAY IN THE EAST!

Both 2- and 4-door Falcon models offer full 6-passenger size at prices down close to 4-passenger, 4-cylinder imported cars.

It's the car all America has been waiting for... the easiest car in the world to own... it's in our showrooms now waiting for you!

Change all your ideas on how cars of the new, easy-to-handle, easy-to-park size should look. And it's the lowest-priced, new-size car built in America.* There's room for six and all their luggage. Visibility's greater than in some '59 full-size cars. A feather touch steers it... a toe-tip stops it. You get up to 40 miles to a gallon. But that's just the start of the Falcon's story. Come see what makes the Falcon the easiest car in the world to own.

*Comparison of manufacturers' suggested retail prices.

ROGER AND OVER

By GLORIA BRUNSWICK

We have a new sport in our community, and a grand sport named Harold Greer of Hightop Lane is the leader of the movement. The avocation he advocates is model airplane flying, replete with motors and many intricate operations—in short, it ain't easy!

Harold Greer has helped many of our youngsters purchase their planes. He has assembled them before the

adoring eyes of "Birchwood's Junior Flying Tigers" and the bewildered eyes of their Pops. Harold has taken groups out on the weekends and given basic instruction in aerial tactics and landing sound; you may have heard and wondered about it simply Harold and Company at fun!

Many Birchwood parents want to thank Harold Greer publicly for his selfless participation in an engaging hobby. With neighbors like Harold afoot, juvenile delinquency has little time to flourish in Birchwood.

Jericho Education Group Reports

By LEO GEYER

The Jericho Education Committee of the Birchwood Civic Assoc. reports that a research committee of the Long Island Committee of School Finance gave its summary and recommendations regarding the growing financial crisis facing Long Island.

Charley Heeg, a member of the Education Committee, was one of the fifty members of this group. They made a number of recommendations after numerous meetings over the summer. To Jericho residents, many of these items will be of interest.

The problems faced by most Long Island communities are many. School tax rates in Nassau now rank among the highest in the state. An increasing number of districts have been forced to resort to split sessions and to curtail educational programs. Many voters have come down to judging the qualifications of school board members solely on the basis of whether they oppose increased taxes.

These are the committee's recommendations.

Point 1. A substantial increase in State Foundation Aid. The inequity now imposed on rapidly growing districts by calculating their state State Aid on the basis of the previous year's attendance should be eliminated. School districts have suffered from having to provide for each new annual increment of pupils without any State Aid. This has been harsh on a district such as our own.

Point 2. The present loss of State Aid because of absence of religious holidays should be eliminated because of its form of discrimination against districts having large religious minorities.

Point 3. An immediate increase in State Foundation help to \$450 per pupil.

Point 4. Automatic adjustment of Foundation Aid in the future to a cost of education index.

Point 5. Foundation aid on a current basis, so that the growth in enrollment is fully reflected.

Point 6. An increase in the weighting of secondary school pupils from 1.25 to 1.50.

There were many other interesting items in the report.

Lodge Announces Gin Rummy Tourney

Jericho Lodge of B'nai B'rith will hold its first Gin Rummy Contest on Monday, Oct. 19, at 9 p.m. sharp, at the Jericho Country Club.

Jericho Lodge is sponsoring the tournament and contributing the prizes to the winner and runner-up. Lodge members and their friends are invited to participate. For non Gin Rummy players, other games will be arranged . . . and of course, bags and lox will be served to all.

Applications for the Gin-Rummy tournament will be accepted at the door of the Jericho Country Club, and no entry fee will be involved.

Civic Assoc. Registers Youth Group

DATE: October 17, 1959.
 PLACE: Jackson School, Maytime Drive, Birchwood at Jericho.
 TIME: 10 A.M. to 1 P.M.
 ELIGIBILITY: All residents of Jericho between the ages of 10 and 20.
 BRING: (a) Your birth certificate or proof of age when you register.
 (b) Bring signed copy of "Parent's Statement" below.
 (c) Donation of \$3.00 for the season.

PARENT'S STATEMENT

I hereby give permission to my child to join the youth group activities at the Jackson School in Jericho.

I hereby volunteer to assist in supervision of said youth program, by appearing on the one night during the season assigned to me. It is my understanding that in the event I fail to appear on my assigned night, my child is subject to a two (2) week suspension as a result thereof.

Youth must bring this signed Statement with him to registration.

Parent's Signature

Civic Membership Drive Oct. 17, 18

AN EDITORIAL

What's In It For Me?

This may be the question that our block captains will most often be greeted with during the current Civic Assoc. membership drive.

While the question is simple to answer; the reason for its being asked is difficult to understand. No sales appeal can answer as eloquently as the speed and traffic control signs that fill our community. These, and our tree lined streets; this newspaper that you are reading; the youth program that your children may participate in; and the discount program that can put extra dollars in our pockets, are only a few of the successful achievements of our Civic Association.

Our Civic Association's success in behalf of this community is considerable; its failures are few. But no one can argue the fact that its efforts are continuous and dedicated, every week of the year. And what should be apparent, but obviously is not, is that 100 per cent of the community enjoys the profits of these labors, while only 70 per cent of the community contributes towards them.

"What's in it for me?" Certainly, a lot more than the value of a \$5 dollar bill.

Say "Yes" when your Block Captain asks you to join. If you are already a member, congratulate yourself as a contributor towards a better, healthier, and happier Village of Birchwood Park.

Civics to Hear Town Candidates

By NORMAN COHEN

Birchwood residents will have an opportunity to meet and question candidates for office in the Town of Oyster Bay at a general meeting of the Civic Assoc. at George A. Jackson School on Oct. 22.

John J. Burns, incumbent town supervisor, will outline his plans and the plans of his Republican running mates with respect to the future of Our Town; John W. Nance, candidate for supervisor on the Democratic line will do likewise with regard to the plans of his party.

Your Civic Assoc. believes that it is the duty and responsibility of each and every citizen of our community to attend. In addition, to listening to the candidates, the members of the audience will have an opportunity to question them on issues near and dear to their hearts.

Remember, an enlightened voter. Know your candidates and what they stand for before Election Day. Come to the Town Meeting on Thursday, Oct. 22 at 9 p.m.

Discount Plan Goes Into Orbit

By HORACE STERLING

The response to the various special offers to our members has been little short of overwhelming. Literally thousands of dollars have been saved by Civic Assoc. Members in the short time our Discount Plan has been in effect. As word gets around, we expect that other merchants will extend special courtesies to us in other goods and services not now covered.

If you are one of the few people who has not yet received your copy of the Special Discount Issue of THE VILLAGER, or if you have misplaced it and wish another copy, please phone the writer at OV 1-3802.

We have been informed that because of the tremendous response to the Jericho Country Club (over 150 families have already availed themselves of the Special Discount Offer), Mr. Lou Strauss has extended the offer to Nov. 15, 1959. Meanwhile, Shell Service Center has withdrawn its offer.

Remember our slogan "IT PAYS TO BELONG."

CIVIC PROFILE

By GILBERT B. STEIN

We are willing to bet that most folks at Hedgerow Lane would never guess that their neighbors, Anne and Charles Kraft at 55, both were outstanding handball players. In fact, just about 18 years ago Charles admired a lovely girl literally beating the pants off a group of male handball devotees at a Catskill Resort Hotel. Charles took one good look, challenged Anne right then and there and it's been a heck of a ballgame for the Krafts ever since. After 17 years of marriage, we now find two more players on the team, Ronald aged 15 and Kenneth 11 rounding out one of our real nice families here at Birchwood at Jericho.

Charley, in his mid forties, is a debonair looking chap with a friendly and pleasant disposition. Both he and Anne were born and educated in the Bronx. After having lived in Fresh Meadows for 10 years, they moved to the Village of Birchwood Park at Jericho 3 summers ago. Charley served three years in the U.S. Army during WW2 and about 18 months of that stretch with the 66th US Infantry Division in the European Theatre. While jockeying all over the South during various phases of training, Anne followed him about with short interruptions. Seems that whenever the Krafts ran out of money, practical Anne returned to New York and their Antique and Reproduction Hardware (Continued on Page 8)

CHARLES KRAFT

In a few short years that our Civic Assoc. has been in operation we have seen a great deal accomplished. Through the fine support of most of our residents we have seen our organization grow from its infancy at formation into youthful development and then on to mature achievements through a dedicated and strong Board of Directors and active, all encompassing committees.

Just to give you an idea these are some of the committees working for your Syoset and Jericho Education, Library, Entertainment, Health and Safety, Town Planning and Zoning, Youth Committee, Art League, Jericho Players, Golden Age, "THE VILLAGER", Block Captains and the new Discount Committee. Every one of us in this community can be thankful that we have among us active, interested and hard working individuals who will labor long and late to see our interests are protected and bettered whenever possible.

The only dimming aspect in the entire picture are the few residents who do not care to join the Civic Assoc. and support the fine work we are doing and hope to continue. It is understood that many of our residents cannot become active for one reason or another but certainly they can become members for their dues go into the funds which are necessary for the Association to function. Naturally we are always happy to welcome new talent to our ranks and any members wishing to take a more active part in community life can contact the undersigned for assignment to the committee of their choice.

There still remains, however, the small minority of our residents who do not belong to our Civic Assoc. These are the people to whom we now appeal and we urge them to join the Birchwood Civic Assoc. at Jericho. This will be our last membership drive of the year so do not miss this chance to join. It will pay you to join now for our Discount Committee has arranged for special discounts to be granted to Association members holding 1959 membership cards. A special mailing took place earlier this month concerning this program and it should be readily realized by all that it does pay to belong to your Civic Assoc. The money you can save by patronizing the member firms will more than return your annual \$5.00 dues for membership.

To assist you in this, our last membership drive of the year, we will have the block captains call at all non-member homes the weekend of October 17th and 18th. When they call you can sign up with them and become entitled to all the rights and privileges of membership in the Birchwood Civic Assoc., Jericho. Please be courteous to the men as they are working for you and the Civic Assoc. They are not paid for this work—they are doing it because there is a job to be done and these unsung heroes are the men who can do it. Please give them your cooperation and your \$5.00 membership fee.

In case any of you non-members will not be home the weekend of Oct. 17 and 18 you can join by simply mailing your check to our Financial Secretary, Horace Bernstein at 38 Forsythia Lane.

Little Leaguers Sign Up Oct. 24

Little League Registration takes place Saturday, Oct. 24 at George A. Jackson School, 1 p.m. to 4 p.m. All registrants must be accompanied by a parent. Last year's Little Leaguers must return their uniforms at registration.

CIVIC PROFILE

(Cont. from Villager Front Page)

business which Charley had founded in 1937. A few days and a handful of money later, the store was closed down again, and Anne rejoined hubby.

After the War, Charley together with his brother expanded his business and started to import from Europe. About every three years he goes abroad on a buying trip. He now heads two firms, Kraft Hardware Company and Ital-Art Company. Kraft Hardware imports and distributes furniture and hardware, while Ital-Art styles, imports and manufactures Brass Furniture, trims, ornaments and appliques. The Kraft design-patterns, for interiors which need special treatment, are really unique. They are based on Periods and the finished products combine attractiveness and functionality with the real and authentic beauty which the Krafts always recreate in their pieces. Their reproductions and designs grace innumerable beautiful and ornamental items. The chairs and tables which this writer admired in the Krafts' home are a pure delight to the real connoisseur. For those of our readers who wish to see some of this work, we refer them to Wis Supply Company in Hempstead, L.I., the nearest local Kraft Hardware and Ital-Art dealer.

Anne Kraft, with a pretty good business head of her own, swears a mean liddle and besides fine cooking enjoys nothing better than ballroom dancing. The Krafts are a friendly family socializing liberally with neighbors. They are devoted to the typically informal Birchwood-

type of get-togethers over coffee and cake.

All four Krafts attend Little League games, go ice skating together, view sporting events as a family, and generally are the sort of closely-knit unit which makes for a family relationship. Charley of course is handy with tools. He finished a beautiful recreation room and both he and Anne like good music, books and similar cultural pursuits.

Charley is a member of a carpool and together with fellow Birchwoodites Larry Gibbs, Norman Cohen, Jerry Abrams and Bob Meyers, commutes daily to and from some Queens Subway stop. Their wives are actually jealous of this arrangement since the boys seem to have such rollicking good times riding together. One evening, returning home, the topic of conversation concerned itself with beautiful actresses. So engrossed were the fellows in vital statistics, that they realized only somewhere near Synset that they had passed their home base by some ten minutes. This carpool also has the reputation of harboring the greatest bunch of practical jokers in this Community and stories of their various exploits could fill pages and pages.

Charles during 1957 and 1958 served as Treasurer for our Civic Assoc. This year he is again a member of its Board of Directors. He has given liberally of his time and talents to this Community. He is a nice person, a cultured and sensitive individual, a fine family man and the sort of neighbor who gives Birchwood at Jericho the golden glow of a reputation, to which perhaps most of us haven't quite lived up to yet.

President's Corner

by RALPH DIAMOND

"Why should I join—What does the Civic Assoc. do?" In answer to the question, I contend that the activities and accomplishments of our Civic Ass'n benefit every child, adult and senior citizen of our community.

Our youth program, golden age, education committees, dramatic and art groups, sports league, health and safety committee, library committee and others too numerous to mention are a true indication of the activity of our organization. The "VILLAGER", our official newspaper, has, each week, brought information, entertainment and news to Birchwood. Furthermore, the paper has contributed a great deal to the raising of the other religious, charitable and service organizations.

One of the policies of the Civic Assoc. has always been to co-operate with all other organizations. On many occasions it has assisted such other organizations in their valuable work. The Civic Ass'n will continue to be of such assistance in the future.

The Five (\$5.00) Dollars dues per year is certainly a nominal sum to pay for the efforts and accomplishments of the activities of our association. As a matter of fact, the New discount plan will enable you to save monies far in excess of your membership dues.

The following are some of our more recent accomplishments, which merit your membership: recent gasoline station fight; battle against juvenile delinquency; activities for our elderly citizens; efforts to obtain a public library; safety signs etc., protection of fringe areas.

Here and There

BY FLORENCE BERGER

Cancer Care is planning to hold its annual Bazaar on Thursday evening, Nov. 19, at the East Nassau Hebrew Congregation. All contributions of merchandise will be picked up. Contact the chairman, Rose Segal at OV 1-1071.

Congratulations to Mr. and Mrs. Arnold Koplik of 243 Birchwood Park Drive on the Bar Mitzvah of their son Marc. Services were held at the East Nassau Hebrew Congregation Rabbi Applebaum officiated. Reception at home and catered in Brooklyn.

Our sincere Condolences to Sylvia Eisenberg of Bounty Lane on the loss of her Mother.

Happy Anniversary to Mr. and Mrs. Sheldon Gelman of Maytime Drive who celebrated with an intimate cocktail party at their home.

Congratulations to Mr. and Mrs. Earnest Drinkwater of Maytime Drive. Their Basset hounds won first prize at the American Kennel Club Annual Dog Show in Huntington.

On Oct. 2 a Football game was held at the George A. Jackson School. Participants were Jericho High School and Hicksville High. The winner? Jericho. High of course. Score—Twelve to nothing.

Thanks go to the following women from F. Berger to them, Emily Lillenstein and Rose Klein of Mollow Lane for their cooperation on Registration Day. To George Lillenstein and Wayne Berger two boys who were fling cards all day, as Page boys in the White House they would be terrific, thanks loads boys. As for Beverly Gelman—well that gal is a human calculating machine!

Miss Harriet Spink, Supervisor of music in the Hicksville-Jericho

schools and president of the Mid-Island Concert Assoc. of Hicksville, announces the 13th season of the Assoc. The concert group has as its purpose and function to bring professional musicians performing music of High Caliber. The week of Oct. 19 has been set aside for Subscription Renewals. Beginning Oct. 26, one week will be utilized for registering new members.

Happy Birthdays to Phyllis Cantor of Bounty Lane and our own Adele Lubitz (over 21) of Maytime Drive.

Drove through the parking area of the Birchwood shopping center on Yom - Kippur Eve and their wasn't a spot available for parking. Between both Temples, the cars were bumper to bumper. What a holiday spirit prevails in Jericho and nearby areas. A Happy New Year to All.

Here's an easy way for the members of Jericho Jewish Center Sisterhood to earn Donor Credit. Make your purchases through the Boutique Shoppe. Mildred Turkell (OV 1-7326) has beautiful jewelry and Gift items on display at each meeting. The Sweet Shoppe is taking orders for gift packages of Chocolates for Rosh Hashanah. Besides the chocolate assortments, gift tins and Petit Fours, we are also taking orders for Tagelch and Honey Cakes, which will be delivered before the Holiday. Call Pearl Sausner. WE 1-5188.

We've been telling you... again and again about our AUTUMN ROUND-UP SUPPER PARTY Nov. 14, Saturday nite, a fun-filled party of games with prizes, stunts, square, folk and also social dancing, wonderful door prizes—with MC Eddie Hyman and his band at the new wing of the North Shore Synagogue... all the cold cuts and trimmings, soda and set-ups, cake and coffee you want... adding up to a TERRIFIC nite for only \$7.50

CP Auxiliary Arranges Lunch

The Jericho Auxiliary of Cerebral Palsy invites you to come Aboard and join us at an elegant Luncheon with Top Broadway and T. V. entertainment, featuring Lee Stanly, Jerry Festa, Jerry Jay and Jack Lu Ban, to be held at the fashionable Mooring Restaurant in Cold Spring Harbor overlooking the Bay, on Wednesday, Oct. 28, at 12 noon.

The donation is \$4.75. Souvenirs and door prizes. Tickets are limited. Please call for a reservation now.

Frances Baumritter - OV 1-2358, chairman; Ruth Ostacher - WE 1-3361, co-chairman.

per couple. We told you so... don't miss it! Come join the fun... bring your friends. For tickets call Dorothy Green OV 1-2708.

Directions to North Shore Synagogue: Take Jericho-Hicksville Rd. (B'way) to Jericho Tpke. Continue straight ahead (Rt. 106 past Maine Maid Restaurant for about 1 mile. Watch for first RIGHT hand turn. (Muttontown Rd.) Continue on Muttontown Rd. for 1/4 mile. Temple on right side of street.

PLAINVIEW, L. I.

NEEDED!

The Democratic Nominee for the Town Council of Oyster Bay.

B.S. Degree—Fordham University.
LL. B. Degree—Georgetown University.
Veteran—U. S. Air Force.

Member, Long Island Committee on School Finance; formerly with United States Treasury Department; former Director Birchwood Park Civic Association; member of American Legion, Knights of Columbus, and other civic and community organizations.

★ CHARLES A. HEEG ★

A man of determination and character with a selfless desire to serve the entire community—such a man is Charles A. Heeg. He fully understands the needs of his fellow Long Islanders—their pressing problems of taxation resulting from the high Republican tax rate. Charlie knows that something has to be done and done quickly! He enthusiastically supports the Democratic proposals

of a non-partisan, unpaid "School Economy Commission" to study the possibilities of cooperation among school districts to achieve greater economy without losing local autonomy, and fully endorses the Democratic party pledge of a 10% reduction in town taxes, without reducing services, through the elimination and consolidation of special non-school tax districts.

VOTE RIGHT — VOTE DEMOCRATIC
VOTE FOR CHARLES A. HEEG, TOWN COUNCILMAN

Vote Row 'A' November 3rd

Edward J. Poulos

Edward J. Poulos, 37, of 47 Circle Drive, Syosset, member of Oyster Bay Town Board and a candidate for election for a full term as Town Councilman on Nov. 3rd, has served on the staff of the Town Attorney as Deputy Town Attorney since 1956.

During this period he performed outstandingly in representing the people of the Town in all legal matters pertaining to zoning, including the Town Board's Comprehensive Zoning Plan.

His achievements in this regard and his wide knowledge of the complexities of zoning makes him a logical choice to sit as a member of the Town Board.

Mr. Poulos is a graduate of Iona College and St. John's Law School where he was on the Dean's List. He is a member of the Nassau County Bar Association and the New York State State Bar Association.

Mr. Poulos was a warrant officer in the Royal Canadian Air Force from Oct. 1941 to June 1944, serving as a flying instructor. From June 1944 to July 1955 he was a Flight Officer in the United States Air Force, serving in the European Theatre. He currently is an active Air Force reservist attached to Mitchell Air Force Base and holds the rank of Lieutenant.

Mr. Poulos and his wife, Vivienne, have three children: Charles 16, Dina 9, and Christine, 7.

He is a member of the Holy Name Society of St. Edward's R. C. Church, in Syosset.

Upon the resignation of Benjamin Zipper as Town Councilman to become a District Court Judge, Mr. Poulos was appointed as a member of the Town Board.

Paid Political Advertisement

Zipper Appoints Campaign Chairman

Judge Benjamin Zipper, of Syosset has named David Bernstein of Oyster Bay as his campaign chairman. Judge Zipper is the Republican candidate for District Court Judge to succeed himself in the Nov. 3 election.

Bernstein is a well-known civic leader, having won the Oyster Bay Citizen of the Year Award in 1956. He is a member of the Theodore Roosevelt Centennial Commission of Nassau County, Chairman of the Oyster Bay Water District, a former school board president, a past Commander of the American Legion and a former president of the Oyster Bay Chamber of Commerce.

Members Bring Favorite Cookies

Cookies! Cookies! Cookies! This was the program of the Redeemer Lutheran Church Women's meeting on Thursday evening, Oct. 9. The meeting was held at the Chapel, 316 Plainview Road, Hicksville. Each member attending brought a tray of her family's favorite cookies and a copy of the recipe. Everyone enjoyed eating the cookies and will receive a cookie book of the recipes at the November meeting.

As an added feature, Miss Barbara Schutt of Bethpage showed the pictures which she took on her recent trip to Europe.

As a Christian service project, the Church Women will assemble and pack Christmas kits for the aged patients at Meadowbrook Hospital. Mrs. Richard Montag is the chairman of the committee for this project.

Mrs. Richard H. Weiskotten was elected chairman of the Christian education committee. She will attend a meeting of the Lutheran Bible Institute Women's Auxiliary for Long Island to be held on October 29 at the Lutheran Church in Baldwin.

Plans were begun for a visit to the Tru-Lite Mission in Chinatown sometime in late October or Early November. Mrs. Ronald Rentel is in charge.

Mrs. George Baldwin is chairman of a committee to plan a barn dance to be held on Nov. 20.

The next meeting of the Redeemer Lutheran Church Women on Nov. 12, will feature a motion picture.

By Howard Finnegan

In the dark recesses of deviltry's most adept designers of despair the forces of torment conceived the most goulsh defeat for Hicksville High's embattled Comets this wretched 1959 football season, Saturday, at Port Washington.

With one slim second remaining on the clock and the scoreboard reading a 13-13 deadlock, quarterback Bill Schrimpe summoned Steve Dushnick from the bench and set up a field goal attempt from the Port 14 yard line.

The ball was booted from a difficult angle but was headed true when the Port left end leaped high in the air and batted it down to earth. For almost twenty seconds the ball rested unnoticed on the 27-yard line as the players and crowd poured on the field and then like a bolt one-blue shirted lad realized it was a free ball, picked it up and scampered 73-yards for Port's first victory over Hicksville in 19 years.

While the laughter echos loudly in the catacombs of Hicksville detractors over this third straight defeat, the dissolutionist could not overshadow the heroic distaining of a tie by the Comets and the growing stature of Bill Schrimpe and Bob Cerone.

And this defeat could summons even greater loyalty for the Orange, although it is now astonishingly high. Over 700 Hicksville fans made the trip to Port and were disappointed by the defeat but were left exhausted by the pace and dramatics.

Port scored early in the game on an 83-yard cut back over tackle to take a 6-0 lead. With the free wheeling Cerone churning out much of his 144 yards in 20 attempts on the day the Comets shot ahead 7-6 in the second period.

He took a pitchout from Schrimpe and added five yards for the score.

Dushnick added a strong extra point from placement. Early in the third stanza, a dazzling catch by Brad Jaworski of a Schrimpe aerial ate away 34-yards and placed the ball on the Port 12. Another pitchout to Cerone and it was 13-7.

Dushnick's placement appeared good but was adjudged wide and that proved the key decision of the ball game. Port rattled Hicksville's injury plagued backfield defense late in the fourth period with five straight pass completions and tied the contest with a minute and 30 seconds left.

Cerone carried the kickoff back 55 snarling yards and two plays later Jaworski was interfered with on the one and Hicksville given possession on the 14.

It was there that the fatal play was executed. Dennis Naso, who holds the ball on placements, was the first to realize the ball was free but he was too far out of the play to have his long pursuit prove successful.

It is true that when the placement was blocked and the tie apparently preserved that the elated Port bench spilled out on the field and the resulting confusion should have blown the ball dead.

However, there isn't an official in Nassau who would have the guts to call one like that back. Saturday's officials pleaded that they did not see the additional players on the field and with that eternal defense of the men in white must be adjudged faultless.

Saturday's assignment for the Comets finds Garden City visiting Hicksville. The Trojans have presented defeat after defeat to the Comets in this decade and rate heavy favorites on their last 7-7 outing with powerful Farmingdale.

Unhappily we feel that this is a week to be practical:
GARDEN CITY 27, HICKSVILLE 19.

FACTS IN THE CHALK: Hicksville was outtrashed 195 to 192 by Port. Comets enjoyed a 13-12 in first downs. Schrimpe completed 4 of 8 passes for 60 yards. In the lively contest Port had 14 attempts, 7 completions for 114 yards in the air. Gary Sanossiah punted brilliantly for the losers. He booted out 43, 39, 37 and 33 yarders while being rushed and the kicks were so placed that a runback was impossible. . . . David Joosten played a fine defensive game in the line. Bill McBride and Fran DeGabbia joined the injured list.

Hicksville High took undisputed possession of first place in Section B of NSAA Tennis by defeating Clarke 4½-2½. Singles victories went to Vic Theiss 3-6, 6-3 and 6-2, Mike Seltz 6-0, 7-5, and Steve Lack 6-2, 6-3.

Nil Lewis and Janis Potoff won their doubles 6-2, 4-6, 6-3 and George Leek and Mike Brown tied 6-3 and 6-8.

A penalty shot by Bill Klingenberg sent Hicksville Junior High ahead of Westbury JH and additional goals by Chet Jaworski and Hugh Hansen provided the Blue and White with a 5-0 verdict in soccer.

Hicksville's well balanced Cross Country team continued undefeated last week by taking Great Neck North and Mineola 31-33-63 for its fourth win.

Henry Landau lead the team effort with a second place finish in 14:38. Richie Lyman and Bob Schaal tied for fifth at 15:08. Henry Steinman was eighth for Hicksville and Jack Gould tenth.

Coach Chet Jaworski had to pull the reins again Saturday morning as his HHS Junior Varsity romped over Port Washington 26-12 for its third straight win.

John Huestis, Ed Weselko, Chris Coletta and Steve Clibow-ski each tallied once for the Orange.

Gems Roll Up More Good Scores

The ladies of the CYO-St. Ignatius Gems rolled up some more good scores this past week. Anne Kremler had the high score of the week with a 473. Mollie Schneider's 187 was high game. Other fine scores were: Rosemary Botz-150, 463, Terry Briggs-156; Muriel Kay-167, Anne Maguire-163, Claire Dargan-161, Louise Nelson-161, Bobbie Lipman-156, Gloria Rennie-158, Helen Hickey-153, and Elvira Baroletti-152.

Harbor Dredging

(Continued from Page 1)
been drawn by J. L. Slupman and S. N. Whitney on a state-directed commission. The map had been filed in Queens County on Nov. 12, 1878. Copies filed in Nassau County were located with the aid of information researched at Albany.

The dredging company's authority to operate in Inner Cold Spring Harbor was given by the U. S. Corps of Engineers upon application from the Town of Huntington on Nov. 9, 1954. Made a part of the application and the Army Engineer's approval was a map from an atlas published in 1914. While this map was not "official" it is widely regarded as authoritative and was part of the Army Corps permit to operate.

It was in January 1955 that former Superior Judge N. Waters wrote the Army Engineers and said Oyster Bay would not object to dredging in the Inner Harbor only on the understanding that such operations "would be restricted to the area of the Town of Huntington."

The dredge moved slowly into the inner harbor in the early part of 1957 and did not come close to the boundary line, as it is now officially defined, until September of that year. No dredging was done during the summer months, Burns reported.

When it was suspected that the dredge was drifting into Oyster Bay waters, the Town administration ordered the preparation of a map by the late Sidney B. Bowne, civil engineer, based upon a notes and bounds description. At about the same time, with the help of the Secretary of State, the 1878 map was found. Bowne's map is dated March 10, 1954.

James F. Murphy, president of U. S. Dredging, a firm which has been operating in Long Island waters for a quarter century, when advised of the boundary line location was quick to promise full reimbursement to Oyster Bay. The determination of exactly how much sand and gravel has been lifted from the Harbor bottom is now nearly completed.

"The reimbursement to Oyster Bay will be on the basis of approximately 10 cents a cubic yard removed," Burns declared, "which is equal or more favorable than current contract for the same kind of operation entered into by the City of New York, the State of New York, the State of New Jersey and several other municipalities in the area."

"The use of the fictional figure

of \$3 a cubic yard by the opposition to attempting to whip up a storm of distrust and suspicion based upon fraudulent facts, has typified this ill-conceived attack. It has been stated under affidavit that a retail selling price for washed and graded gravel cannot be compared with the value of the material lying under muck and water. To the value of the raw material must be added the high costs of production, including labor, plus expenses of transportation and marketing.

"It is interesting to note that when a municipality finds it necessary to dredge for the purpose of improving navigation, the going

charge for this work — which is paid by and not to the municipality — ranges from 50 to 75 cents a cubic yard."

Supervisor Burns emphasized: "These are the hard facts: Your Town government suspected an error in good faith had been made. The Town never approved dredging on its side of the boundary. The error has been verified — was discovered seven months before Democrat fishing expeditions came upon our voluminous files on the subject — and reimbursement was pledged and will be made."

Another fresh one...from Pontiac!

The 1960 Catalina Convertible

You find it attractive because of the simplicity of lines, the absence of over-design.

You're drawn to its crisp freedom, its perfect form, its exhilarating freshness.

You'll find it amiably obedient because of Wide-Track Wheels and a thoroughly new suspension system. Wide-Track firms the foundation, stabilizes, balances. A softer suspension makes it responsive, quick and easy to take direction.

Pontiac's Tempest engines for 1960 are more

vigorous than ever. You have a wide choice of V-8 power packages, ranging from the high performance 425 to the economical 425E which prefers regular grade gasoline.

The car, the keys, the catalog, the courtesy—all await you at your Pontiac dealer.

Wide-Track Wheels give you swiftness, stability, solid comfort. You maneuver with skillful sureness, accurate control. It's the sweetest, most precise, most rewarding driving you've ever felt.
