

## Angel Mass Sung For Victim:

# Cave-In Claims Child's Life As 4 Neighborhood Pals Escape

A Mass of the Angels was sung yesterday (Wed.) at Our Lady of Mercy R.C. Church for six-year-old Steven Mason, victim of a tragic accident on Larch St., Hicksville, Saturday afternoon. Little Steven, son of Mr. and Mrs. Joseph Mason of 47 Larch St., Hicksville, was buried and trapped when a drainage excavation caved-in. Four other neighborhood boys in the hole with him escaped.

The accident occurred near the corner of Larch and Cedar Sts. Among the first to leap into the hole and start digging were Nicholas Tricario of 29 Larch St. and Stanley Williams of 27 Larch St. The excavation was in front of the Tricario home.

Two unnamed youngsters scrambled away without difficulty. Garry Killen of 38 Larch St. and Thomas Quinn of 4 Sussex Lane, also 6 years old each, were trapped with their heads above ground and were freed by men who raced to the scene with shovels. Little Steven was trapped beneath a heavy section of road paving. Dug out with the aid of jacks, he was rushed to Meadow Brook Hospital but was pronounced dead on arrival.

Garry and Thomas were also taken to the hospital but were released

after treatment.

Following Mass of the Angels at Our Lady of Mercy R. C. Church, Steven was buried at L. I. National Cemetery. A student at East St. School, he is survived by a sister, Judith, besides his parents.

Neighbor youngsters had been repeatedly warned away from the drainage excavations in the area, Saturday.

One of the first volunteer rescue workers on the scene expressed the opinion that the youngsters were digging into the side of the six-foot trench when the sand and paving slid down and trapped them.

The accident occurred at about 5 o'clock Saturday afternoon. Nassau County Police Dept. dispatched men and special equipment to the scene to conduct the rescue operations.

## Boy Scout Fund Appeal Here Collects \$6,190

The Boy Scout fund campaign in Hicksville-Plainview area on Sunday raised \$6,190.53 during a four-hour period, it was disclosed by Campaign Manager Allen S. Carpenter. County Clerk Francis Anderson is finance chairman for the

Arrow Head District.

The Hicksville total collected Sunday was \$4,766.51 with \$1,424.02 for Plainview-Old Bethpage. A total of 488 people participated in the door-to-door canvass.

Top area for the day in Hicksville was section 6 led by Sam McCafferty of St. Ignatius Parish unit which raised \$676.58 in the 83rd, 84th, 85th and 113th election districts. Second was Joseph Dornbecher of the Methodist troop in area 7 (3rd, 19th and 79th districts) with \$661.94.

### CP AUXILIARY MEETS

The Hicksville Auxiliary of United Cerebral Palsy Assoc. of Nassau County, Inc. will hold their regular monthly meeting on Tuesday, Oct. 27, at Hicksville High School, 8:30 p. m. The film "Accused" will be shown, followed by refreshments.

## Mothers to Sell Cakes This Sunday

The Auxiliary of Christian Mother of St. Ignatius Loyola Parochial School will conduct a Mother's cake sale in the basement of the school after all Masses on Sunday, Oct. 25th. Proceeds will go to the organizations educational fund.

Mrs. Katherine Drab, Chairlady, has given assurance that the baked goods on hand for the sale will tickle a gourmet's palate.

MORRIS ROCHMAN (left) is shown presenting the American flag to Mr. Wendell Davis, president of Trinity Lutheran Church, 40 West Nicholas St., Hicksville, during dedication ceremonies on Sunday, Oct. 18. 1200 members and friends of Trinity witnessed the ceremonies which included the dedication of the memorial

flagpole donated by Mr. and Mrs. Morris Rochman. The \$300,000 addition to the school and parish house facilities enables the Trinity congregation to conduct a full time parish educational program for 475 children in Grades Kindergarten through 8. ## Reds Publish Friendly Hicksville Message

Hicksville and Russia were linked in the news this week. While the Hicksville Public Library Assoc. announced a program for tonight (Thurs) featuring a "Hicksville Tourist Visits Russia," the Communist party journal in Moscow published a friendly message from a Hicksville school teacher.

David Baumstein, back from a three week tour of Russia, is scheduled to show color slides at the Public Library Auditorium on Jerusalem Ave. of his visit to Leningrad, Moscow, Stalingrad, Rostov, Kiev and Sochi at 8:30 this evening.

"A question period will follow his presentation. Come and have an interesting and informative evening. Refreshments will be served," the Library Assoc. announced.

"Grateful for your persistent effort for the sake of peace through the world," was the message published in Pravda. The N. Y. Herald Tribune reported that Harold Horne, age 36, who resides at 35 Boulder Lane, Hicksville, is a teacher in Great Neck schools.

The Herald-Tribune said Horne

had sent a letter to the Soviet Embassy in Washington addressed to Krushchev during the Prime Minister's visit to the United States. Horne was quoted as saying the letter expressed that something hope-

ful might come out of the visit and described his "general enthusiasm" for Soviet-American exchanges.

It was one of a group of 14 letters from friendly Americans featured in Pravda in its issue of Oct. 18.

MEMBERSHIP DRIVE of the Mid-Island Concert Assoc. is underway and will conclude at 5 p.m. Saturday, Oct. 31. ## Women's Club Hears Miss Clark

The Women's Club of Hicksville held its second meeting of the season at the home of Mrs. William Gallagher III this week. Mrs. Fred Szalay helped her as hostess. In the absence of Miss Grace Stoll, president, who is on a cruise, Miss Ruby Burt, vice president, conducted the meeting.

The delightful surprise of the evening was the presence of Mrs. Mary Kay Mrs. Kay is a former member of the Club and is now an associate member. She teaches school and lives in Brooklyn and she proved her regard for the members by taking this trip just to be with us for the evening.

Another member of the Club, Miss Mildred Clark, who teaches at the Hicksville High, painted a word picture of her tour of Europe, which took place this past summer. By train and plane she visited such wonderful countries as Scotland, Germany, and on the way home, there was a stopoff at Labrador. While in Germany, Miss Clark contacted her nephew, who is in the armed forces, and they had an enjoyable day together.

A report on the Gertz Board meeting was made by Mrs. A.

Loeffler who, in the absence of Miss Stoll, attended as a representative of the Hicksville Women's Club. There were several high lights of interest in her talk and the members are looking forward to more of these reports.

The next meeting of the Women's Club of Hicksville will be on Nov. 9 and the program will be announced at a later date.

## Sweet Shoppe Gets New Look

The Hicksville Sweet Shoppe has completed its scheduled 1959 refurbishing in time for Homecoming Day and as the Alumni gather for their pre-game brunch they can have free expression over the choice of decor.

Interior decorator John has most of the votes so far in favor of his wall paper selection and the color of the new floor covering and in the spirit of the day he will probably extend the lead.

But as all things do in Hicksville the topic will come up for discussion in this tabernacle of social and celebration for Orange and Black supporters as it has for almost three decades.

Gas won't be available for discussion — He will be cooking the eggs!

## Dear Jean:

Belated greetings to Mr. and Mrs. MURRAY RACHELSON who celebrated their 25th wedding anniversary on Wed. Oct. 14th. The Rachelsons reside in Long Beach, own and operate Hicksville Rexall on Bayview Cove, Hicksville Mercy League, due to Election Day falling on the first Tuesday of Nov. will hold its regular monthly meeting on Thursday, Nov. 5th, at the Maine Mall with luncheon at noon and a business meeting at 1:30 p.m.

The 12 o'clock Mass at St. Ignace Lavola R. C. Church will be offered this Sunday, Oct. 25 in honor of the 50th Wedding Anniversary of Mr. and Mrs. DOMINIC MONTANA of 41 Hertz Pl. Hicksville. Sorry to hear the EDWARD FEE'S of 101 East St. Hicksville, have taken up residence in Port Jefferson. They will be missed. Good luck in your new home folks.

You may not realize it but it's getting close to THAT TIME again, Santa Claus has received two letters from local tots to date. . . . Did you know how a well known landmark in N. Y. C. got its name? It seems when Christopher Columbus was about to land in the new world for the first time and was sailing towards land, his ship headed for a dangerous reef. A friendly Indian on shore quickly swam up the dangerous situation and yelled "Columbus . . . Columbus . . ."

**JOHN PIZZARELLA**, son of Mr. and Mrs. Joseph Pizzarella of 23 Hewitt St., Hicksville, is home on two weeks leave after completing Navy recruit training at Great Lakes. . . . Battalion Chief ED DAVIS of New York Fire Dept. demonstrated life saving methods at the First Baptist Church, Hicksville, for the Boys Brigade recently. . . . Dr. ARTHUR O. SWICK of Old Country Rd., Hicksville, has departed for Europe to attend the International Therapeutic Convention in Strasbourg, France. . . . The Hicksville Chamber of Commerce meets tomorrow (Fri.) morning at the Plaza. Coffee and cake will be served at 9 a.m. . . . A red-hot election contest for president and veep of the Central Island Women's GOP Club is in the making. . . . School Board members CARPENTER, ZETTER and JOHNSON will be in Syracuse next week for the State School Board Convention. They will be pushing several measures of local origin. . . . A fake police car used on the TV program, Naked City, was picked up in Hicksville last Thursday because the driver tried to untangle a local traffic snarl by flashing on the red blinker.

Several readers have commented that Hicksville Public Schools did not lower the flag to half mast in honor of GEN GEORGE MARSHAL, although other public buildings did so. . . . Taps were sounded at the football game, Saturday, however.

Sorry to hear that Mrs. EUGENE KLEIN of Hicks Circle is a patient at Mid Island Hospital. Friends and neighbors wish her a speedy recovery. . . . **BILLY DOWLING** of Hicks Circle celebrated a birthday on Wed. Our best wishes, Bill. . . . Glad to hear that Miss PATRICIA DOWLING, daughter of Mr. and Mrs. Patrick Dowling, of Hicks Circle, is home again after a brief stay at a Norristown, Pa. hospital. Miss Dowling was slightly injured in an automobile accident while visiting with her aunt and uncle. We are happy to say that the girl is coming along okay and her Mom and Dad are happy to have her home. So are her brothers, sisters, friends and neighbors.

Did you get your ticket for "Homecoming Day"? Better hurry, the Hicksville Alumni Assoc. has planned a wonderful day and from all reports, it will be better than last year. . . . What a wonderful time we had at the Supper-Dance sponsored by the Glen Cove-Hicksville Mercy League at the Jericho Firehouse on Sat. evening. Met all our old friends and enjoyed their dancing. Should see the Chi-Chi done by the Julius Schwartz, the John DeMonaco's, the Kelly Baldassarri's, the Larry Wayne's, the Charles Montan's and there were others. Not being able to do the Chi-Chi ourselves, we really enjoyed it.

## Bands Present Banner Show

The biggest halftime musical extravaganza in the history of Hicksville was staged between the halves of the Hicksville Garden City football game, Saturday, as the marching bands of both schools combined for a salute to the Armed Forces.

It was the first time Hicksville High's band performed in unison with a band from another school and the flawless merging was a credit to the band directors: Henry Gates and Don R. Chadderdon.

After Principal Leon Galloway of Hicksville High gave permission for the bands to try the different merging, the two directors plotted on paper the routines for both bands. Each practiced at their respective schools for a week and spent two hours before game time marching in combined formation.

The bands, moving to spirited music, formed an anchor, Globe and Army formation. As the executions were completed the Hicksville band rendered taps in honor of the late General of the Army, George C. Marshall.

The show was completed as the merged bands saluted each stand with the combined renditions of each school's alma mata. The almost 3,000 fans gave a rousing ovation as the bands left the field.

Members of Hicksville's marching band for 1959 are Ken Wolff, Barbara Cohen, Norman Sanberg, William Chomyn, Lef Strickland, Ronald Rowe, Robert Vandergoven, Ann Silbert, Larry Wacler, Linda Shiel, Kim Allen, Richard Roonan, Lewis Worley, James Dunne, Robert Gleason and Alan Foster.

Also: Mary Meyer, Andra Koch, Ellen Hodgson, Ruth Cramer.

## Show Fashions For Family

The Hicksville High School P.T.A. met at the High School on Oct. 15, and a large number of students and their parents heard an interesting discussion of College Board Examinations, and college entrance requirements by Peter Rodenrys of the High School Guidance Dept., and Edwin T. Carine, Associate Dean of Admissions, Hofstra College. A question and answer period which followed provided further information for the college-bound student.

At the next meeting, which will be held on Jan. 21, the theme "Careers" will be continued. Speakers will be named at a later date.

Mrs. I. Fischman, Ways and Means Chairman, announced that a fashion show, entitled "Family Fashions for Funds," will be held in the High School Auditorium on Nov. 2nd, at 8 p.m. Donation will be \$1.00 for the benefit of the Scholarship Fund. Refreshments will be served by the Home Economics Dept. under the supervision of Miss Mildred Clark. Tickets may be purchased through Mrs. Herbert Backman, WE 8-4123.

An entertaining evening has been planned with the entire family in mind. A variety of fashions will be modeled by members of the faculty and student body of the High School. Faculty members who will model include Leon Galloway, William Feigan, Nicholas Muratore, James Jones, John Clark, and Mrs. Hester Easter. Mrs. Ruth Daly, Miss Janet Slauson, Miss Sandra Olsen, Mrs. Joan Calame.

Jeffrey John, joins the happy household of Mr. and Mrs. John Ertola of Hicksville.

# It's Your Problem, Too

BY ALLEN S. CARPENTER, President, Hicksville School Board

We hope that each of you live to be at least one hundred and one years old. And that long before that you become well contented thereafter always healthy, wealthy and wise.

Even if your wish comes true and you live to be one hundred and one, you will never have a better chance "to do so much for so many" FOR SO LITTLE AGAIN. (This year)

Ten dollars will pay the computing and organizational expenses for a full year for one middle-sized Boy Scout. Every year we have 35,000 boys of assorted sizes. So you see that we will need your check for each and every one of your one hundred and one years.

Perhaps you started sending your check last year, or many years ago; if you did, we know that you will do so again this year. IF YOU DID NOT, we hope you will now consider yourself mature enough and healthy, wealthy and wise enough to join our "One hundred and one" Club.

The size of your check? Let your age, maturity, your health, your wealth and your wisdom decide.

Please make your check payable to "Nassau County Council, Boy Scouts of America," and send it to any one of the following:

## Judge Donovan Was Top Scholar

District Court Judge Francis J. Donovan of Hicksville is a well-grounded jurist who was appointed to the bench in June of this year following 10 years as a Deputy Nassau County Attorney where he served as Counsel to every Dept. of County government. He was a top scholar and has been an active community worker. He is a candidate on Nov. 3.

Judge Donovan was born in Brooklyn. He was married in 1947 and lives at 101 Duffy Ave., Hicksville. Judge and Mrs. Donovan have four children.

He graduated from St. John's University, B.A. Cum Laude in 1939, St. John's Law School, LL.B. Summa-Cum Laude, 1941. He was first in his class in each year of Law School. He was certified on the honor list on the Court of Appeals for finishing in first one per cent on the Bar Examination.

He was named secretary of former County Attorney Marcus G. Christ in 1948 and promoted to Deputy County Attorney in 1949. He handled County legislative program from 1949 to 1959, including drafting of all amendments affecting the District Court of Nassau.

Before joining the County Attorney's staff, Judge Donovan was a law clerk with Blackwell Brothers, managing clerk and attorney for Alexander and Ash in admiralty and marine insurance practice, and member of the firm of Donovan and Blinow of Brooklyn.

His military service extended from 1942 to 1947 and included functions of Army Intelligence and Claim Service in this country and France.

He is past Grand Knight of Irish Barry Council, Knights of Columbus past master of Hicksville Republican Club, member of Legislative Committee of County Office Assoc. from 1951 to 1959, members of Nassau Co. Bar Assoc., Catholic Lawyers Guild, State Bar Assoc., Municipal Section of State Bar Assoc., St. Ignace CYO Athletic Assoc. of Hicksville and St. Ignace Holy Name Society.

He has written extensively in

## RAILROAD FEATHERBEDDING:

# \$500,000,000 LOSS

## TO THE NATION—INCLUDING YOU—EVERY YEAR

Featherbedding on the railroads — pay for work not done or not needed — is costing the American people the shocking total of more than \$500,000,000 a year.

You pay for it every time you shop, because featherbedding costs are hidden in the price of everything you buy.

Obsolete union work rules, involving the railroad operating employees, are responsible for this gigantic burden. Right now, for instance, these rules require every diesel locomotive to carry a fireman—even though diesels have no fires to stoke, no boilers to tend.

The forthcoming negotiations between the railroads and the unions are urgently important to the whole nation.

In asking the unions to drop these featherbedding rules, all the railroads ask for is a fair day's work for a fair day's pay.

## Experience Keynotes Bench Campaign of Arthur Snyder

Arthur A. Snyder, a resident of Massapequa, is the Democratic candidate for District Court Judge. He has the distinction of having the longest experience as a practicing attorney of all the candidates now campaigning for that office in Nassau County, including the recently appointed incumbents. Since his admission to the Bar, after graduation from Columbia University Law School, he has practiced law for over 38 years—in all the courts of this state, in all kinds of cases.

Mr. Snyder has specialized as a trial attorney and has fought many courtroom battles. He has faced hundreds of juries and represented thousands of clients. During those long years of experience he has developed talents which will be useful as a judge. He has learned self-control and patience; he has come through those years without having had a single personal quarrel with an adversary. He has developed the ability to understand the minds of men, to judge their characters, to appreciate their motives. He has become skilled in the rules affecting hearsay, probabilities, quantum of proof and the credibility of witnesses. This knowledge and these skills can not be acquired in a few short years.

The fundamental rights and liberties of all our citizens rest largely with the judges who will apply and interpret our laws. Good judges are indispensable to democracy and to its proper functioning. For that reason our administration of justice should be in the hands of the very best judges we can elect, regardless of party affiliation.

ARTHUR A. SNYDER

Republican and Democratic lawyers alike agree that Arthur Snyder is eminently qualified to sit on the District Court bench, and he has been marked "qualified" by the Judiciary Committee of the Nassau County Bar Association.

## George King Remembers Plaza Site As Orphan Lad in 1892

The site of the vast and mighty Mid-Island Shopping Plaza on North Broadway, Hicksville, celebrating its third anniversary this week, was well-known for nearly 60 years as the St. John's Rectory, an orphan home and farm. For George King, who spent most of his childhood and all of his adult life on this property, the multi-million dollar project has a special interest.

In 1890, the property for St. John's Rectory was deeded by Bernard Earle, a realtor of his day, to the Roman Catholic Diocese. Mr. King, as a boy of 12, came to Hicksville in 1892, as one of the orphans. Four years later he started to work for St. John's Home and was continuously on the job thereafter. Mr. King made his home on this site before the chapel, removed to make way for Plaza parking fields, and barns were erected. He knew Mr. Earle, the donor of the property on both sides of North Broadway, now owned by Stuckler & Frank, builders of the Shopping Plaza.

Produce raised at the farm was shipped, along with milk and dairy products to St. John's and St. Joseph's Homes in Brooklyn. For many years there were about 200 orphan boys at the Rectory. The older boys worked on the farm and tended the herd of 50 cows.

Mr. King over the years was progressively carpenter and painter and engineer at St. John's Home. It often became his assignment to transport the late Father Lawrence Fuels, for many years pastor of St. Ignatius Loyola R C Church, and the other priests to the home for masses and services at the chapel. The home property represented the last, large undeveloped acreage

in Hicksville proper aside from the Press Wireless acreage in the North West Section.

Mr. King was an interested participant at the opening of the Plaza three years ago. And is a frequent visitor. He lives today on North Broadway, almost at the north entrance to the 8,000-car parking field.

## Central Federal Marks Thrift Week

The Central Federal Savings and Loan Association of Nassau County announced it is participating in the observance of National Thrift Week, Oct. 18 to 24.

As this institution has, since its inception, been keenly aware of the changing economic climate of this country and community, we welcome the opportunity to join with thousands of institutions, civic and educational organizations across this country in emphasizing the part thrift must play in the economic growth and the responsibility all share in this growth. Louis S. Kan, executive vice president of Central Federal said.

"There are many economic problems now facing the nation. We welcome an opportunity to talk with the citizens of Hicksville whose office is located during National Thrift Week, or at any other time."

## Library Institute Meets Here

The Twelfth Annual Fall Institute of the Nassau County Library Assoc. was held Wednesday, Oct. 7 at the Hicksville Public Library. Panel discussions were held throughout the day at the Library covering various phases of library operation. A Luncheon was held at Hennington Restaurant.

While the panels during the day were staffed with library personnel, the evening panel discussion, following dinner at the Milleridge Inn was presented by three library trustees covering the subject, "How Can Libraries Meet the Growing Opposition to Increased Budgets?" Mrs. Lillian C. Van Mater, Library Director of the Hempstead Public Library was a moderator. Linnis E. Mitterneder, president of the Board of Trustees of the Post Washington Library, recounted past budget experience and suggested frank discussions of the problems with the public and use of brochures to explain simply, the proposed budget. This method has proved successful in his districts, he said.

Dr. Joseph Brennan, former president of Board of Trustees of Levittown Public Library and present member of the Bethpage Board, noted that a Library budget often suffers defeat because of excessive school expenditures. The Bethpage Library budget was defeated along with the School budget this year. After trimming the budget it was re-submitted and passed. He said the libraries have one advantage over the schools in as much as there is no Nassau County School System, whereas the Libraries have a county system, (chartered by the Board of Regents New York State May 1, 1959) that should prove to be of great help in the future.

Mrs. Sol Goldstein, Vice President of the Board of Trustees of the East Meadow Public Library, told the gathering that organized support is essential in the passing of a budget or referendum. She advised the trustees, library personnel and members of Friends of Library associations present, that the message must be brought to the people through releases, brochures, newspapers and on a direct basis by back fence conversations and house meetings, through the use of area chairman, block captains etc. She said this method proved successful in the vote last fall in East Meadow building vote. She warned the assemblies not to be frightened by opposition. The public must be told what they need. And it was the duty of those present to do so through the aforementioned methods.

Earlier in the evening, President Joseph Eisner, Library Director of the Plainview Public Library, presented an engraved silver bowl, on behalf of the organization to Mrs. Elizabeth F. Kelly, recently retired after 25 years service in the Valley Stream and Freeport Libraries.

Since the Hicksville Public Library was host for the day, Kenneth Barnes, Hicksville Library Director, was seated on the dais. Eisner, in what he referred to as his "inaugural address" cited the need for more State Aid to carry out the functions of library services.

## These Are The Candidates

**DAVID SERKO**, Candidate for President, incumbent, unopposed; Since March of this year, I have been privileged to serve as the President Pro-tem of the Assoc. and am grateful and honored for this opportunity. If elected President, I will endeavor to fulfill the responsibilities entailed to the best of my ability. I hope I will be given the opportunity to continue the work which was initiated by the Association in the first few months of its existence. I feel that I am well qualified by education and professional experience to render a service to the community, as President. As an organizer of the Association I am sincerely interested in its success, and as a resident of our community I am naturally interested in its well being.

**HOWARD COLE**, Candidate for Vice-President; My days are spent making and trying to sell textiles. I am a graduate of Philadelphia Textile Institute and served with the Air Force in World War II. I feel that a strong, well run Civic Assoc. is extremely beneficial to the entire community. The strength of an organization of this sort must stem from well organized, working committees. The most important duty a Vice-President can perform is to make sure each committee is functioning properly, holding regularly scheduled meetings with all members willing to do committee work allowed to do so. This is necessarily a full time job and I am ready and willing to give the time if you will give me the opportunity.

**MORT WINTHROP**, Candidate for Vice-President, incumbent; Mort holds a Master of Science degree from Boston University. During the Korean War, he was drafted, emerging as commanding officer of a medical company. Mort is with a Madison Ave. public relations firm, supervising the Longines and Remington accounts. His primary civic concern is education - low cost, functional schools of unusual design and a strong emphasis on the "old fashioned" curriculum. Stories about Mort have appeared in Business Week, The Wall Street Journal and Industry. With his wife, Elinor, he has been active in the Assoc. since its inception. With his newspaper, Mort is the only living person to have his foot broken by a bull on Wall St.

**ROBERT A. MILLER**, Candidate for Treasurer, incumbent, unopposed; I am one of the charter members of the West Birchwood-Jericho Civic Assoc. and I have served as Treasurer and Member of the Board of Directors since the inception of the Assoc. I received my training in accounting and business administration at Syracuse University. In 1952, 1954 I was called into service and I served two years with the Army Audit Agency. While serving in Texas I received my C. P. A. certificate from that state. After service I returned to my former firm and was with them until this spring when I became associated with a former client in the factoring and financing business. I believe I am qualified for the position of Treasurer of this Assoc.

### CANDIDATES FOR BOARD OF DIRECTORS

**SIDNEY ALBIN**  
I am seeking election to the Board of Directors because I feel I can make a genuine contribution to the welfare of our Community. I am an executive with a large corporation dealing in international trade and have an extensive background in the business world. As the duties of the Board include dealings with businessmen, taxation, grievances, purchases and contracts, my past experience should prove most helpful in fulfilling the requirements of this office. If elected, I hope to help alleviate problems we all face and hasten the arrival of the happiness we all seek in our new Community.

**SEYMOUR BERKMAN**, Incumbent  
One of the original organizers of the Civic Assoc. with emphasis on developing the large membership we now enjoy. Have been very active in the Civic Organization. Resides at 19 Yates Lane with wife Rita and two children, Le-he and Robert. I am in the general insurance business in nearby Glen Cove. I graduated from Brown University and served in the Air Force as meteorologist.

**LAWRENCE ELOWSKY**  
I feel I am well qualified for the position of member of the Board of Directors of the West Birchwood Civic Assoc. As for my qualifications, I served on the board of directors of a co-operative group, numbering 250 students, at the University of Michigan. There I studied Engineering. At present I am associated with the management of a small metal fabricating company. As an early settler of West Birchwood (March), I have experienced many of the problems of present and future home owners of this area. Since the inception of the civic association, I have been active on the Education Committee as well as indirectly associated with many other activities of the civic associations.

**MURRAY FRIED**  
1950 graduate of New York University with a B.S. and Master's Degree in Special Education. Employed as a special teacher in New York City. Past member of advisory council for a large co-operative. Active in real estate management and insurance for last nine years. Progressive hard worker - dedicated.

**SAMUEL GORDON**  
My wife and I have two children, ages 12 and 7. Prior to World War II, I received a Bachelor of Business Administration degree from C.C.N.Y. I served in the Army from 1942 to 1946. Following separation from service, I attended N. Y. U. and received L.L.B. and LL.M. (Taxation) degrees. I am a C.P.A. and a member of the N.Y. Bar. I am a partner in the law firm of Rosenberg, Singer, Ross & Gordon in N.Y.C. My specialties are in trade association, taxation and real estate work. I am co-Chairman of Civic Association's Taxation Committee. I believe that my professional training and experience would be of value to our Assoc. and of service to our community. I solicit your support at election time.

**DR. H. EDWARD GREENBERG**, Incumbent  
Former resident of Bayside, Candidate for President, 4, College Brook, UCLA, NYU. As chairman pro-tem welfare committee accomplished the following: "slow," "children," signs installed, more expected soon. Helped write, circulate petitions and attend town hearing for January municipal garbage collection. Assisted in surveying 40 families. Gathered much material for builder's committee. Worked diligently at builder-town level to have streets dedicated in order to get stop signs, street, traffic lights. Organized present welfare committee-unanimously elected chairman. Recently assumed carpool project. Investigated playground situation. Executive experience: Commanded Army clinic in Japan. Fourteen years hospital, private practice.

**JOHN W. NASON**  
advertising copywriter for large national advertising agency ... his work has appeared in most national magazines. (Continued On Next Page)

BARBARA MARDER, left sells the first ticket for the gala Halloween-Party to Helen Hayner. More than 80 couples are expected to attend the Oct. 31 event.

## Education Group Studies Problem

By ART CARIN

The decision to invest our life's savings in a community was undoubtedly not arrived at hastily. Probably the procedure consisted of: (1) thousands of hours of scrutinizing real estate ads, brochures and maps; (2) hundreds of house-hunting safaris; (3) uncountable miles of walking stairs in model houses carrying children; (4) consultations (heated and otherwise) with the spouse, friends, the inimitable relatives, lawyers, etc.; (5) dozens of revisits, decisions and indecisions and the final choice of West Birchwood Park for YOUR community!

This huge investment of time and money deserves as much return as possible. Because we have such a stake in West Birchwood, it is to our advantage to enhance and maintain it at every opportunity. Such an opportunity will present itself sometimes in January, when we will be called upon to vote for the new Cantigue School.

How will voting for the Cantigue school, or any school, enhance our investment in our community? There is much evidence indicating that those communities possessing good school systems tend to keep proportionately higher property values, have a more stable population with less transitory families, and are generally regarded as "more desirable areas." Results of a study prepared by the New York State Educational Conference Board (consisting of members of school boards, parents, teachers, Supts. of Schools and principals) showed that "Low costs (of schools) and low taxes are usually indicative of low quality. Low quality pays poor returns on our investment."

In the event that we are lax enough not to vote for the Cantigue School and allow a small minority to vote against our new school, we could face these things: (1) definite excessive crowding and double sessions for all of the schools of Jericho; (2) possible loss of teachers unwilling to teach under adverse learning conditions of double sessions and its resultant multiple headaches; (3) possible loss of friends and neighbors, who will seek homes in other communities possessing the good schools they wanted in Jericho.

If you feel that your investment of time and money is important, make sure you vote for the new Cantigue School sometime in Jan. All those interested in helping in some way to get others to vote for the new school, contact Art Carin, OV 1-6598.

## Halloween Fete Sure Success

By MORT WINTHROP

The success of the Civic Association's "Halloween Party" to be held Saturday, Oct. 31, at the Robert Seaman School, has been assured according to the chairman of the Social Committee.

Already more tickets have been sold than the 75 required for the "break even point" for the Assoc. The event had been planned as a no profit affair.

The Halloween Party is to take place on the night of Halloween, "probably the best time for a Halloween party," according to social committee chairman Elinor Wintthrop.

Eddy Hyman and his band has been engaged for the evening and they will provide the music and entertainment for an evening of square dancing and regular dancing. There will be stunts, games, songs, and door prizes. Dress will be casual.

Cost of the tickets are \$5 each. They may be secured from most members of the social committee or from Elaine Cohen, Overbrook 1-2327.

Time is from 9 p.m. until 1 a.m., so make your baby sitting reservations early.

## Tree Purchase Deadline Nov 2

Deadline for purchasing Seymour trees for the curb on a community basis has been extended one week to Nov. 2. Irvin Rhinhardt of the Community Purchases Committee announced yesterday.

The contract with Waltham Gardens Nurseries calls for a \$5.00 deposit for each tree with the balance of \$12.00 to be paid on planting sometime in November. The coupon on this page is to be used for purchasing and sent to Rhinhardt at 4 Saratoga Drive.

Much time and effort was spent in this tree planting project because a survey of Civic Assoc. members made last summer revealed that over 90 per cent of those interviewed were eager to beautify the community with trees and would participate in a tree purchasing program.

All those interested in purchasing trees can fill out the enclosed coupon. Checks should be made out to Waltham Gardens and be forwarded to Irving Reinhardt, 4 Saratoga Drive, no later than Nov. 2.

## AN EDITORIAL

On Nov. 7, we're going to have elections for officers and members of the Board of Directors for the West Birchwood-Jericho Civic Assn.

We are personally surprised that the number of candidates for office is so small, especially when it is no secret that there has been some discontent with the Board of Directors. There is opposition for only one post among the officers, and there are no candidates for the posts of secretaries. There are only 14 candidates for the ten seats on the Board of Directors.

It seems to us that the answer to any future discontent or criticism of the Board of Directors is built into this election—“Why didn't YOU run?”

One more thought: Five candidates for election have to lose. We hope that those who lose don't suddenly also lose their interest in the Civic Assn. until the next election. In that case, we would know who NOT to vote for next time.

## These Are The Candidates

**DR. HAROLD A. PIKE**  
 Dr. Harold A. Pike resides with his wife Evelyn, daughter Marilyn and son Sheldon at 22 Orange Drive. He is one of the pioneers in the development having moved here from Kew Gardens Hills during February of this year. He is a medical doctor specializing in psychiatry and maintains one office in his home and another one in Flushing. In the past he has held executive posts in several organizations and one publication, and is currently on the Welfare Committee of the Civic Association.

**IRVING REINHARDT, Incumbent**  
 From the start I have been enthusiastic about the possibilities of our community. Because of this interest, I am presently serving as co-

## President's Message

By DAVID SERKO  
 Within a few weeks our Assoc. will be having its first annual election of officers and directors under the provisions of the constitution which was ratified at our recent general meeting. I feel, therefore, that a review of the activities and accomplishments of the Assoc. is time-

ly. One of the most important accomplishments to date is the existence of a functioning organization composed of practically all of the present residents of our community as well as of families who have purchased and will be moving in the very near future. Our community is thus assured of having an organization dealing with present problems and prepared for any which may arise. The importance of this fact cannot be over-emphasized.

The fact that our Assoc. through the work and efforts of our Publication Committee has a newspaper for the dissemination of news and information important to the residents is also a major accomplishment in the short period of our existence. We have a vigorous Community Welfare Committee which is responsible for street signs, which we now have, and which has been recently in contact with the Town of Oyster Bay to hasten the dedication of our streets so that street lights may be installed. This is only one of the many projects of this Committee. We have a hard-working Education Committee devoting itself to the all-important subject of proper schools for our children. Several members of this Committee are serving on the Committee working with the local school board on the plans for the proposed Cantigue School. Our Community Purchases Committee has worked diligently to provide us all with the opportunity to purchase trees at reasonable prices for the beautification of our streets, and has arranged for land surveys of our property at substantially reduced prices. Our Taxation Committee has been devoting itself to the all important subject of Town and School Taxes. Our Builder's Committee has conferred with the builder and obtained his promise of cooperation as well as the black-topping our entrance, cleaning of streets, installation of sidewalks on Rockland Drive, repair of storm sewers and control of speeding by workmen through our streets.

chairman of the Education Committee — am a member of both the Purchasing and Builders Committees — and also the Citizens Committee of Cantigue School. As one of the organizers of the Civic Association, I build our community into the finest on the island — and I will feel privileged to serve as a member of the Board of Directors.

**LEON SCHAFFER**  
 I, Leon Schaffer, residing at 11 Sullivan Drive, am seeking a position as member of the Birchwood-West Civic Assoc. At present I am working with the Community Welfare Committee to help solve the immediate problems. As an insurance broker with a business that causes me to meet with divergent personalities necessitating ability to cope with problems of all types; a former member of the Board of Directors of my fraternal organization, as well as a past district captain for a major political party for more than five years I feel that past experience will prove most beneficial to me as well as my neighbors. I am interested in serving my community to the best of my abilities.

**ELLIOT SHEFTMAN, Incumbent**  
 ELLIOT SHEFTMAN is an “old time” resident of our community having been with us since the end of January. He is a lawyer and commutes by auto to his law office in Brooklyn. Elliot was formerly a partner in the law firm of Fettel, Hyman, Martin and Sheftman. He is a member of the Board of Directors of our Civic Assoc. and has been active in the Taxation Committee since its inception.

Elliot lives with his wife, Vivian and 2 children, Robert 7 and Laura 4, at No. 1 Richmond Avenue.  
**DR. ALLAN WARHEIT, Incumbent**  
 Dr. Warheit, his wife, Evelyn and two children have been about the oldest residents of West Birchwood. It was at their residence that our Civic Association had its inception. Al Warheit has held a position on the Board of Directors, and Evelyn, the secretary of the Association. Dr. Warheit had been active on the Community Welfare Committee and is now forming a vitally needed Youth Committee. After graduating from University of Michigan, he received his DDS from N. Y. U., and interned at Kings County Hospital. He now has a full time dental practice in Birchwood.

**DR. NORMAN ZINN**  
 Dr. Norman Zinn, formerly of Brooklyn and Great Neck, recently returned from a two year tour of duty in the Air Force Dental Service to settle in Birchwood Park with his wife and daughter. He received his college education at New York University and his dental education at N.Y.U. College of Dentistry. He also interned at Queens General Hospital before entering the Air Force. Dr. Zinn is a member of the Museum Order in Great Neck and is now serving on the Education Committee of the Civic Association.

## Group Forming

There has been some interest among West Birchwood residents in forming a Little Theater Group within the framework of the Civic Association. This theater group would have as its first goal, the production of a play in the spring. Anyone interested in being a “ham” should contact Elinor Winthrop, 18 Warren Lane, WE 8-7305. Elinor hopes that the first play won't have to be “Two for the Sweets.”

## Candidates At General Meeting

By RALPH DIAMOND

In a recent television broadcast our Birchwood community was a topic of discussion. John Nance, Democratic candidate for Town Supervisor, accused the Oyster Bay Board of "improper conduct" in granting building permits for the construction of our homes.

John Burns, incumbent Supervisor of the Town of Oyster Bay, after the television broadcast vehemently denied the charges and stated that he was anxiously looking forward to answer the charges in an open forum.

Tonight (Thurs., at a meeting conducted by our Civic Association, in the Jackson School in Birchwood, both candidates for Supervisor will openly debate this and other topics vital to our community. Many local candidates will be present to participate in the question and answer session.

Every resident in Birchwood is urged to attend this informative and interesting meeting. Hear and see for yourself the qualifications and program of each candidate. A well informed voter is an intelligent voter.

## Editor Sits On Red Hot Story

By GILBERT B. STEIN

Saturday night Oct. 3rd at about 10:30 p.m., George Frankel, Editor of THE VILLAGER, and his wife, were sitting in the writer's living room discussing local news and gossip when heavy black smoke started to drift up from the playroom. In no time flat it was discovered that our maid, trying to give herself a permanent wave, almost had put herself permanently out of commission. A can of alcohol serving to heat iron curlers somehow spilled, exploded, and, within seconds, set fire to various chairs, floor and ceiling.

Miss Frankel and Lotte Stein were able to man a bucket brigade together with George and the writer. Some two dozen pails later the fire was under control and put out completely. All happened so fast that there was no time to phone THE VILLAGER staff photographer nor for that matter, the fire department. While the damage was confined to such items as furniture, walls, floors and ceilings, it pointed out to the writer what horrible consequences could have resulted had there been less than eight active hands and four alert minds available right from the start.

In connection with this we would like to recommend to all homeowners, especially those who live in split level homes, to install several easily accessible fire extinguishers of the type approved by Underwriters Laboratories.

## Here and There

By FLORENCE BERGER

Welcome home to Martin A. Corber of 27 Middle Ln., who came home from a stay in the L. I. Jewish Hospital on Friday, Oct. 16. Here's hoping he'll be up and around very shortly.

## Continue Youth Registration

Registration in Civic Assoc. Youth Group for youths between the ages of 10 and 20 will be continued for the next two weeks. Youths may register on either Monday, Wednesday or Friday at the Jackson School between the hours of 8 & 9 p.m.

Bring proof of Birth, Parents Statement and donation of \$3.00 for season.

## Jericho to Dance For Scholarships

The Jericho High School Parent Teacher Organization is presenting a Harvest Moon Dance this Saturday, Oct. 24, at 8:45 p.m. in the Robert Seaman School. There will be social dancing with a few squares thrown in. Terry Della Vecchia, chairman of the dance committee promises a fun filled evening.

Parents, keep your High School children home to mind the little ones and come — and bring your friends — to kick up your heels and have a rollicking time at the frolic. "Substantial" refreshments — to supply the energy for Curt Chones's makes-you-want-to-dance music — included in the admission of \$2.50 a person. Proceeds will go to help build our Jericho High School Scholarship Fund.

## Distinguished Legislator

GENESTA M. STRONG

Gracious, efficient and seriously intent on whatever she is doing, Genesta M. Strong of Plainville, candidate for State Senator Nov. 3 in the 3 District which includes the Towns of Oyster Bay and North Hempstead, has won the admiration and respect of members "on both sides of the aisle" in Albany's lower house of the State Legislature during 15 years as Assemblyman.

During her service, and she was the first woman elected to the Legislature in Nassau, Mrs. Strong also became the first woman to ever become chairman of a legislative committee, the Assembly Committee on Public Health. It was a natural assignment since the attractive North Shore lady is also a member of the Nassau County Board of Health.

In a long list of legislative achievements, perhaps N. Y. State's housewives will always remember the battle she won for them in the approval of colored margarine. She is responsible for the law to train mentally retarded children so that they might become self-supporting. Mrs. Strong is vice-chairman of the Joint Legislative Committee on Health, Accident and Hospital Insurance Plan. She has been a tireless worker for public safety and health legislation.

Mrs. Strong was first elected to the Assembly in 1944. She is a native of Brooklyn, wife of Judge Ernest M. Strong, well known attorney. The Stronges have a daughter and two grandchildren.

Mrs. Strong was graduated from Erasmus Hall High and took courses at Pratt Institute. She was particularly active in the Long Island Federation of Women's Clubs and she served for many years as the president of the Nassau County Federation of Republican Women.

## Excellent Work

Once again the nation's attention is called to the excellence of the Nassau County Police Department. A Nassau detective, Matt Bonura, has invented a aerosol spray which will revolutionize fingerprint taking. It was the late Capt. Adam Yulch who set up the nation's first laundry mark identification system. Said Los Angeles police chief, visiting her last week as the guest of Dist. Atty. Manuel W. Levine: "... Nassau's law enforcement is tops."

Mr. and Mrs. Calvin Glecker of Prescott Pl., Old Bethpage are the proud parents of a son, John Calvin, born on Oct. 2, at Mercy Hospital.

## Offer Tickets Through Schools

Tickets for the second subscription series of Hicksville Saturday Theatre for Children, sponsored by the Hicksville Council of P.T.A. Units, will go on sale next Monday, Oct. 26 continuing through Friday, Oct. 30 at all Hicksville public elementary schools during school hours.

The tickets at \$2.00 each cover the entire series of four presentations and are available only to elementary school children in the district.

The 1959-60 series will consist of four presentations, the first being scheduled for Saturday, Dec. 5 when the "Treasure Playhouse" will present "Treasure Island".

On Saturday, Jan. 23 the Story Players will offer "A Yankee Doodle Story". On Feb. 27, the Fred Berk Dance Group and a folk singer will present "A Trip Around the World".

The final performance (a 1959-60 "bonus") on Saturday, Mar. 26, will be presented by the Equity Library Theatre, offering "Rumpelstiltskin". Each program will be presented at two performances, scheduled for 1:00 p. m. and 3:30 p. m.

For further information call the Chairman, Mrs. Bert Adams at WE 8-8117.

## Personal Mention

HERBERT LAPIDUS of 129 West John St., Hicksville, owner of The King Suburban Agency and the Sovereign Agency was elected Vice President of the Long Island Chapter of the American Society for Chartered Life Underwriters.

SCOUTS AND THEIR LEADERS raise the American flag for the first time during dedication services at Trinity Lutheran Church in Hicksville on Sunday, Oct. 18th. 1200 members and friends of Trinity witnessed the dedication ceremonies of the \$300,000 addition to the congregation's parish house and school building.

Mr. and Mrs. Morris Richman, the donors of the memorial flagpole

and Wendell Davis, president of the congregation, participate in the dedication ceremonies.

Trinity Lutheran Church of 40 West Nicholas Street, Hicksville, conducts a full time parish educational program for 475 children in grades Kindergarten through 8. The Rev. Edward H. Stammel is pastor of the church.

## Woodland P-TA To Discuss Vote

The first meeting of the Woodland Ave. Parent-Teacher Assoc. was held on Oct. 13. This was "Meet the Faculty Night", and in the past this event draws a record crowd.

H. F. Cavanaugh, Principal, introduced the Faculty in the business portion of the meeting after which the Faculty returned to their classrooms to await the Parents. Parents or teachers were not to discuss individual children but to explain and understand the format for the year.

Mrs. Chris. Ulrich, Program Chairlady, outlined the program for the coming meetings, and that the fewer meetings might make it possible for more Parents to attend, as Mr. Cavanaugh remarked that evening, "Our teachers may soon out-number parents at the meetings. We are very proud of the fact that we do have a good attendance of teachers at our meetings."

Nov. 17 is the next meeting at which time the Referendum will be discussed. Members of the School Board will be on hand to answer questions.

Budget and Finance Chairlady, Mrs. John Marchetti, announced that the Annual County Fair, is now under way. It will be bigger and better than ever as Mrs. Marchetti has procured from the Army, a Nike Missile, to be on display on the school grounds. Army personnel will be on hand to answer questions and explain the Missile.

The date of the Fair is Dec. 5th from 10 a. m. to 4 p. m.

## Alumni Directors Going Over Time

With Homecoming Day drawing near the Hicksville High School Alumni Board of Directors is working overtime to stamp the year's activity a success.

Members of the Board are Dr. Charles Masek, Harold Holden, Gus Econopoulis, Arthur Segretto, Florence Caruso Gies, Edna Khune Sutton, Irene Kunz Segretto, Evelyn Martino Noeth, Gladys Anderson Schwartz and Marianne Sutter Cutner.

Also Julius Schwartz, Louis Milleville, William Geyer, Louis Kappstatter, Henry Melonis, Peter Marion, Joseph Naso, John Staryk, Fred Sutter and Howard Finnegan.

## Seven Alarms

The Hicksville Fire Dept. answered seven calls during the week of Oct. 14 thru Oct. 20.

## Tour, Reception As Features

A tour of the former Hicksville High School building on Jerusalem Ave. and a reception following the football game are two additional times for old friends to meet during the Alumni Homecoming Day festivities, Oct. 31.

A nostalgic review of the Alma Mater and the modern new additions to it providing a greater base of education for the children of the community will be conducted starting at 11:30 a. m.

Ann and Joe Naso, hostess and host for the Alumni, are settled on their plans for the reception. This affair will be a roll up your sleeves for most members of the Board of Directors but a good deal of other help has gone forward.

The main point of the reception is the presence of the football team, cheerleaders, band and twirlers as guests of the Alumni. It will be a small act of appreciation to the students for their good efforts in making Homecoming Day a success.

Coffee, cider, donuts and a huge cake baked in the shape of the former HHS will be served at the reception.

It will begin immediately after the final whistle ending the 29th meeting between Hicksville and Farmingdale.

## Legion to Make Visit to Hospital

The annual visit to Kings Park Veterans Hospital by the Charles Wagner American Legion Post of Hicksville, will be a joint venture this year with the Archie McCord American Legion Post of Bethpage, and will take place on Sunday, Nov. 1.

### PAID UP SUPPER

Members and potential members of the United Cerebral Palsy Assoc. of Nassau County, Inc., Hicksville Auxiliary, were invited to a paid up supper last night (Wed.) Oct. 21, at the Hicksville Manor Restaurant, 45 B'way, Hicksville, by the Auxiliary Membership Committee, Mrs. S. Kellner and Mrs. A. Cohen, of Hicksville.

## Legionnaires' Log

CHARLES WAGNER, Post 421, Hicksville, N. Y.  
by Bob Sutton

Attended the Sons of the Legion Installation on Sunday, Oct. 18, and it was certainly a pleasure to see the legionnaires and their families present. Congratulations to Captain Carpenter and his staff, and we hope they have as good a year as the outgoing captain, Arthur Rutz, Jr., who has moved to County as Sgt. at Arms. Well done, Art.

Membership in the sons is now open. If you have a son and you are interested, contact Jay Jawbor or any committee member.

On Saturday, Oct. 24, the daughters of the Ladies Auxiliary will hold their Installation at the Post at 4 p.m., with Janet Hodgson as the Jr. Chairman. This is their first installation, and they are starting out the year with a membership of 18. Good luck in your coming year. Building 55 will be our destination on Sunday, Nov. 1, when we make our annual visit to Kings Park Veterans Hospital. Our chairman has stated that about 40 legionnaires and Auxiliary members will be needed. We will leave the Post 12:30 sharp. Refreshments will be served upon return to the Post. Let's go, fellows, and get out Nov. 1 to help a worthy cause. If anyone has clothing such

as shoes, neckties, dresses, suits and any other items, they will be well appreciated. TV's and radios are also welcome. They do not have to be in working order as the men out there will work on them. Please get any of the items you may have down to the Post before Nov. 1.

On Monday night, our Carnival Committee was formed with Dick O'Neil as chairman and Art Kunzweiler and Rudy House as Co-chairmen, assisted by Barney Barnett.

Our 1960 membership drive is well on its way according to Bob Hasel, our Membership Officer, with 108 renewals and 11 new members to date. This year we are well on our way toward that Citation, and we still have a few weeks to target date, Nov. 11. So let's get our dues in and if each of us brought in one new member we could top last year with ease.

We would like to welcome another new member, James Lynch of Cottage Blvd., Hicksville. Hope to see a lot of you, Jim.

Earl Boerckel won the capsul drawing, but was not present, so once again the Post was the winner. See you all tomorrow (Fri.) night.

## ONE POINT, ONE SECOND

On an afternoon as golden as only the magic of Autumn can make it, 2,100 of the stubbornly faithful found that Hicksville High's thrice beaten football team possessed that most treasured commodity of all—The ability to come back!

For on the good right arm of quarterback Bill Schrimpe the Comets cast aside the frustration of a decade in their distinguished series with Garden City and the dismal failure of early season to produce a crowd shrieking, 13-7, upset.

Schrimpe sailed the pigskin 21 times and connected with the elusive Brad Jaworski, Jim McKinstry and Robert Cerone a total of 18 times to completely upset the Trojan defense.

This aerial blitz was the basis for the Comets first win in ten campaigns over the visitors and although it did not come easy the fans outlasted the harrowing moments for the victory.

The big running threat of Cerone and the anxiety to contain him gave Schrimpe his chance to blance his attack. Cerone blasted 11 times for a creditable 52 yards as Hicksville went 81 yards on the ground and 211 threw the air.

It started much the same as Garden City gained possession via a bad fourth down pass from center in the first period. It was a gift on the Hicksville 8 and three plays realized a score. A wide end run got the seventh point.

Hicksville was stung but did not let up. A dazzling running catch by Jaworski dispensed with 26 yards. Schrimpe pitched out to Cerone who added 14 yards and followed an 8-yard pass completion to McKinstry by taking an aerial himself for a 9 yard advance.

A 14-yard Schrimpe to McKinstry pass completion had it on the City ten. On the first crack Cerone hit for 6 yards and came right back with a buck to the one. With the clock showing 24 seconds in the half Schrimpe sliced over on third down for the score.

When Duschnick's placement was wide, because he was once again sorely pressed, it cast a shadow over the result of the long drive.

Despite a wide edge in game figures the Comets couldn't get over the big Td quickly. Subbing on just two plays for Schrimpe, Dennis Naso pitched out to Cerone on the second and the star fullback uncorked a 31 yard pass to McKinstry.

The Trojans held on their 14 and took over.

Hicksville appeared in desperate trouble late in the period. A City punt bounced out on the Hicksville 8. Gary Sanossian went into the endzone to punt but another bad center pass forced him to heave a short arching pass. Interference was ruled on the five and from the twenty Hicksville moved to the victory.

A Jaworski reception gained 8 and Bob Di Matta kept them honest by hitting the middle for two. McKinstry took a Schrimpe 25-yard toss on the dead run. The zeal of the Hicksville quarter could not be contained and he was right back with a connection to Jaworski on the 19.

Then he kept himself and ran off 19 yards. Cerone cracked twice for ten yards and then Schrimpe nudged over the clincher from the one.

Cerone took a pitchout and skirted end for the marker that made it 13-7.

Garden City tried a late rush typical of the type that has undercut Hicksville in the fading moments before but this time the Comet defense was fired. Cerone lead it as he did most of the day in determined fashion.

And so the Comets did not give up on themselves in this 1959 season as so many thought they must under the weight of three crushing losses.

This Saturday they go to unbeaten Mineola. A victory there and over Farmingdale Homecoming Day could not retain the championship for the Orange and Black.

The conversion that gave Mineola the 14-13 win over Farmingdale last week-end saw to that.

However, this group of Comets would like this 1959 season to be remembered for something more than it started out to be.

They could lament with pride if they could look back and say the tide was not retained by the margin of one slim second at Port and one conversion.

We do not refute the impossible a second time:  
HICKSVILLE 20, MINEOLA 18

## Yellow Jackets

On Sunday Oct. 18 at 3 P.M. the St. Ignatius Yellow Jacket Grammar Football team travelled to St. Paul's Field in Garden City to tangle with the St. Joseph's Grammar team.

Still showing the physical effects of the previous week's game, the Yellow Jackets were below par and in the first half played a listless game. St. Joseph's quickly capitalized on the situation and got off to a fast start. After an exchange of punts and fumbles, St. Joseph's took possession at mid-field. A beautifully executed pass into the flat on the St. Ignatius 30 yard line was completed and with beautiful blocking went all the way for the score. Just before the half a pass by St. Joseph's down the middle was deflected by the St. Ignatius defense but as luck would have it bounced into the hands of a St. Joseph's player who again went all the way. This play covered all of fifty yards. In each case St. Joseph's made the extra point on ground plays. The score at half time being St. Joseph's out front by a 14 to 0 score.

In the second half, St. Joseph's kicked off to St. Ignatius and immediately the Yellow Jackets came to life. Dale Schultz, St. Ignatius full back took the punt on his own

25 yard line and with excellent blocking cut to his right and with good down field blocking ran for the score. A terrific run by a swell boy for 75 yards. Try for extra point failed. Immediately the Yellow Jackets came to life and started to push St. Joseph's all over the field. In this half St. Ignatius at numerous times threatened but were hampered by fumbles or penalties or interceptions. However they dominated play in the last two periods and turned a listless game into an exciting finish. Greg Herbert of St. Joseph's was the outstanding player of the game. In the second half St. Joseph's made only one real threat in which on a wide end sweep Herbert went for their last touchdown. Dale Schultz was outstanding for St. Ignatius ably assisted by Hoosick, Blaser, Bandish, Lang and Dold in the backfield. On the line, Galah, Huber, McKeon, Workiewicz. Powers played outstandingly. Many of the others on the team also outdid themselves at various times.

Final score St. Joseph 20, St. Ignatius 6.

Election of officers, and membership enrollment of the Bethpage Jr. High School P.T.A. will take place in the school auditorium on Tuesday, Oct. 27, at 8:15 p. m.

## Release Final Block of Tickets

The Hicksville Alum Assoc. has released its last block of tickets to Public sale for its 15th-anniversary Program scheduled for Oct. 31.

The initial sale represents those tickets unclaimed for by Assoc. members within the allotted time and once they are gone the sale will be closed.

Until the quantity is exhausted the tickets may be obtained from all the office of the Mid-Island HERALD, Hicksville Sweet Shoppe and Hilder's Stationery.

Members of the Board of Directors have not returned one ticket from their original allotment, indicating the association is well on its way to a third sellout.
