NEW COMMANDER of George Jakupko Post No. 1756, Catholic War Veterans, is Charles Niklos of 132 Gardner Ave., Hicksville. He is a security officer for the U.S. Government at the U.S. Naval Training Device Center, Sands Point. In the center is County CVV Commander John Greenwood with outgoing commander William Douglas at the left. Vice Commanders, not pictured, are John Barlotta, Jim Kiernan and Frank Jordon, all of Hicksville.

Twin Candidates For Supervisor?

The last-ditch desperate campaign of the opposition, which has reached a new low in vilification, has unmasked the real Democrat candidate for Town Supervisor as Milton (Mitch) Lipson of Sea Cliff. It was noted yesterday by Thomas R. Pynchon, Oyster Bay Town Republican Chairman.

"Never before have the people of the Town of Oyster Bay been subjected to such a campaign of distortion and outright lies as they have undergone this Election," Pynchon declared. "Finally, in total desperation, Lipson has come out in the open to personally mouth his unfounded allegations.

"As a matter of precise fact, all the insinuations to date have not produced any actual charges of wrong doing. It has been one irresponsible statement after another, without any solid basis in fact.

"The courts recently told the double-headed candidate, Nance-Lipson; that if they are concerned with the activities of another township, they should take their cases

to Suffolk County and not bother Oyster Bay.

"We can now understand why Nance-in-print never sounds like Nance-on-the-speaker's rostrum. It is Lipson-in-print and the voters can take it from there.

"We feel confident that the thoughtful voters of our great, fast-growing town of Oyster Bay will not be fooled for a single moment by this rank duplicity and all the other evidences of a last-minute desperation. We feel certain the people of Oyster Bay want to continue in office responsible, experienced officials who have reduced the cost of government while sacrificing none of the essential and important services required by our fast growing township."

Wild Charges Fail to Excite 19 POSITIONS ON BALLOT AWAIT VERDICT OF VOTERS ON TUESDAY

The Town election campaign rolled into the final phase this week with both Republicans and Democrats predicting victory at the polls next Tuesday, Nov. 3, when voting hours are open from 6 a.m. to 7 p.m. Generally it was noted that despite all the public speaking, appearances, posters, campaign headquarters and miscellaneous devices, the voters as a whole appeared little interested in the election. As in previous so-called "off year" elections, it appeared likely that the outcome now rests with the party committeemen.

While Republicans in their campaigning stressed teamwork and harmony, the Democrats appeared content to operate their own individual campaigns—sometimes to the distress of other candidates on their own ticket.

There appeared to be increased industry on the part of certain Democratic candidates, but the net results were spotty. Most opposition candidates on the town slate seemed content to focus their efforts upon their home areas, leaning heavily upon catchy slogans and printed propaganda.

The Republicans in the mid-Island area will wind up their efforts with campaign rallies. Hicksville will sponsor its traditional rally at the Masonic Temple on W. Nicholas St. tomorrow (Friday) night at 8:30 with everyone invited.

GOP On Channel 5

Announcement was made today of a TV program over Channel 5 at 7:30 p.m. this Saturday night, featuring a round-table forum with Republican candidates for supervisor in the three townships.

The closing week of the campaign brought forth stronger and stronger allegations from the Democrats. Speaking at Birchwood Civic Assoc. in Jericho, last Thursday, John Nance, Democrat candidate for supervisor, admitted that his comments were "close to libel" as he read a prepared statement.

Thomas R. Pynchon, Town Republican chairman, this week lashed out at what he called "a last-ditch desperate campaign of the opposition which has reached a new low in vilification."

The Oyster Bay Town Republican slate this week won the strongest kind of editorial endorsement from the L. I. Daily Press. The tax reductions advocated by Oyster Bay Town Board also won the wistful editorial blessing of the New York World-Telegram.

Some observers were still pondering the failure of Nance to appear jointly with Supervisor Burns before the Imperial Gardens Civic Assoc. at a meeting at Hemmingsen's, Monday night. At many civic meetings where both parties were invited to share the platform, few Democrat office seekers appeared. For example at Birchwood, the empty chairs on the stage for Democrat candidates gave mute testimony. Three Democrats showed up during the evening compared with eight Republicans.

Voters will be deciding next Tuesday on 19 positions on the voting machine in addition to nine proposed amendments.

AN EDITORIAL

Your Vote Tuesday

NEXT TUESDAY, Nov. 3rd, between the hours of 6 a.m. and 7 p.m. you have the duty and obligation to cast your ballot for a long list of candidates. There are 19 positions to be filled by vote in the Town of Oyster Bay.

This is the kind of "local" election which too many find convenient to skip. And yet this is one of the most important elections confronting suburban homeowners. You are electing the people who comprise the Town Board, your local governing body.

The choice of the voters, if they have not permitted themselves to be blinded by the wildest outbursts of irresponsible statements and insinuations ever noted in a town election, is relatively simple. The Republican administration in the Town of Oyster Bay has made good on its pledge to the homeowners. The GOP administration has reduced taxes by wise economies, consolidations of certain special services in line with present-day requirements and needs, and have developed and adopted a comprehensive zoning plan which should have far reaching and most beneficial effect upon each and everyone of us.

Of the Democratic candidates we have seen very little. In public appearances by a few of them, they have failed to measure up to their press agents. Of Mr. Nance we have spoken editorially several times. Of him the Glen Cove Record and Pilot recently declared: "It is evident to us that Mr. Nance's claims are PURE POLITICAL BUNK."

In Hicksville, the "mutter" candidate has spent a barrel of money on slogans, jingle contests in a vain attempt to buy popularity. If he stands for anything as a candidate for office, we have yet to discover what it is. A life-long Republican who switched sides when the Democrats dangled the prospect of a moment in the limelight, it is common talk that he could be convinced back into the fold without too much effort.

While Democrats are talking about a possible 10 per cent tax reduction, the Republican Town Administration is providing a 28 per cent reduction in general town taxes, plus additional reductions for other services.

We don't believe the voters will miss the fact that the Democrats are determined to get politics into local school affairs. The people of Hicksville and the other Mid-Island communities don't want politicians running and ruining their schools. They elect local school trustees, without consideration of political affiliation, and they want to keep it that way.

And the same goes for our Fire District. Keep the affairs of our excellent volunteer fire departments in the hands of public-spirited residents.

We have a good view of Tammany-Democrat politics in action in New York City with its youth problems, high taxes, taxes upon taxes. The decision next Tuesday is up to each of us. Vote Republican.

Serve Coffee To Commuters

Republican candidates for Oyster Bay Township offices are being given an opportunity this week in Bethpage to enjoy an active case of galloping pre-election coffee nerves.

Cliff Daley, GOP leader, stated that Bethpage's Republican organization is instituting a week-long "Commuters' Coffee Klatch" which takes place every morning from 5 to 8 a.m. at Republican Headquarters on Railroad Ave. adjacent to the LIRR station.

Candidates chat informally with city-bound commuters over coffee and doughnuts contributed by the Theodore Roosevelt Republican Club.

Operating on the theory that early morning political truths are more digestible with coffee, Daley said that Bethpage GOP workers are mustering a "battalion of ballots to defend the Township against the encroachment of the Tammany style of government."

"Most of us in Bethpage moved from the city to escape from the plunder- and -privilege administration suffered by New York citizens," he stated.

"We've got clean, low-cost government. We like it. And we're going to get out the vote to keep it," Daley stated.

Another Driver Training Course

The second session of Driver Education for the Fall term of the Hicksville Adult Education Program will register on Wednesday and Thursday, Nov. 4, and 5. Registration will take place in the Senior High School Little Theatre from 7 p.m. to 9 p.m.

There are some openings in the evening groups both automatic and standard transmission and many openings in the afternoon classes in both cars. Classroom sessions will be held on Tuesday and Wednesday evenings depending on when the student has road lessons.

Discuss School Question Nov. 4

At 8:30 P.M., Wednesday, Nov. 4, Allen Carpenter, President, and Jerome Zettler, Vice President of the Hicksville Board of Education, and Donald Abt, Asst. Supt. of Schools, will present important facts of the November referendum at a special meeting of the Burns Ave. PTA. This will be an open meeting and the Burns Ave. School Education Committee invites and urges all residents to avail themselves of this opportunity to obtain official information on the referendum.

Carrying Election Campaign Into Homes

REPUBLICAN CANDIDATES have been carrying their election campaign and story of good government into many homes in the Township this year. A typical coffee klatch, one of the many held in the mid-Island area, was this one at the home of Mrs. William Alonzo of 41 Carol St., Hicksville. Seated, left to right, are County Clerk Francis Anderson, Surrogate

John D. Bennett, Supervisor John J. Burns, Councilmen Edmund Ocker and Edward Poulos, Town Clerk Henry Curran and Councilman Henry McInnes. Standing are Mrs. George Marthen, Mrs. A. Vinci, Mrs. N. Dykes, Mrs. J. Mauer, Mrs. M. Hodgson, Mrs. M. Pearson and Mrs. A. Klein.

OPEN 6 DAYS A WEEK 9 a.m. - 6 p.m. THU. 9 a.m. - 9:30 p.m.

P.V.T. ARTHUR M. KAUFF, son of Mr. and Mrs. Irving Kauff, 174 Maytime Dr., Jericho, recently was graduated from the 101st Airborne Division Jump School at Fort Campbell, Ky. Kauff received his paratrooper wings after completing three weeks of intensive ground and aerial training which included five parachute jumps. He entered the Army last January and received basic training at Fort Dix, N. J. The 18-year-old soldier attended Westbury High School.

Dear Jean:

NEIL LENSKY of 22 Amherst Lane, Hicksville, a High School senior, is one of 47 students from Nassau High Schools to receive Paragon Oil awards at a special "Education Day" ceremony held Monday in conjunction with the 60th Anniversary celebration of Nassau. Winners were chosen by the principal and faculty from last year's junior classes in all Nassau public high schools based upon a two year scholastic record in English, citizenship, education, mathematics and science. The Bethpage winner was DALE CONROY of 31 Linden Ave. . . . JESSICA RUTH WETTERAU, daughter of Mr. and Mrs. W. B. Wetterau of 161 Jerusalem Ave., Hicksville, is among the students of Ursinus College, Pa., who have been on the dean's list for two or more terms. It is part of the Founders' Day program at Collegeville this Sunday afternoon, Nov. 1. . . . SYLVAN LISSAUER of 22 Hazelwood Dr., Jericho, manager of the Baldwin Food Fair, is among 10 managers named as winners of the "Good Citizenship" award for community service records in a nation-wide competition. . . . Former Rotary Club President JOHN HILL is due back today from a cruise aboard the Santa Rosa which sailed Oct. 16.

BERNARD BRAUN, Principal of the Junior High, called in reference to last week's comment here about the fact that the Hicksville Public School flag was not at half mast in honor of the late Gen. Gen. Marshall. Mr. Braun said the flag at the Junior High was at half mast for two days.

Good to hear that Mrs. ARTHUR FERRO of Edwards St., Hicksville, is well on the road to recovery after a stay in the hospital. Understand that Helen will be home this week-end. All our best wishes for a speedy convalescence. . . . Also good to hear that PAT DOWLING, daughter of Mr. and Mrs. Patrick Dowling of Hicks Circle is up and around again and doing the things she used to do—our girl Pat was involved in an auto accident and was pretty shaky for a time. . . . Pat's brother Billy, celebrated his birthday last week with a party for his friends at his home on Friday evening. . . . MEL VOORHIES on the Plainview Chamber of Commerce Bowling Team bowled 225 last Friday to take top honors. . . . Heat that Mrs. PHOEBE KLEIN of Hicks Circle is feeling a little better after surgery at Mid Island Hospital. We all wish you speed recovery, Phoebe and expect to see you up and around again. . . . We've got good news on SISTER ROSE DOMINIC, principal of St. Regis High School. She is doing very well and has hopes of returning to her desk at school within a short time.

RUMMAGE SALE

Sisterhood of Congregation Shaarei Zedek is planning a Rummage Sale on Monday Nov. 2, to Thursday Nov. 5th, from 10 a.m. to 4 p.m. in the Vestry Room on E. Barclay St., Hicksville.

Some of our readers may know the little blonde girl, Martha, who was a check-out clerk at Big Boy's. Well, she and her hubby recently became the proud parents of a little girl, with red hair and blue eyes. They all reside at 31 Benjamin Ave., Hicksville. . . . The Glen Cove-Hicksville Mercy League will meet on Thurs. Nov. 5th at the Maine Maid, Jericho, with luncheon at 12 noon and a business meeting at 1:30 p.m. Mrs. TEAROLD SMITH of Brookville, president, will preside. . . . Our sincere sympathy to the family of DOMENICK MONTANA of Bay Ave., Hicksville, who died early this week. Mr. Montana was well-known in these parts. . . . Mr. and Mrs. PAUL HEIM of Massapequa are the proud parents of a daughter, Mary Beth, born last week at Mercy Hospital. Paul has many friends in Hicksville and is the son of Joseph Heim and the late Mrs. Hein of Twinlarks Ave., Hicksville. . . . We just got word that MARY ANNE BLYMAN, daughter of Mr. and Mrs. Clarence Blyman of Harrison Ave., Hicksville, was a recent visitor to the White House. Miss Blyman is a student at Dunbarton College, Washington, D.C., and is a member of the Republican Club there. The Club sent a delegation to see President REE on his birthday and Mary was one of the group. Ike not being at home on that day, the group was greeted by his special assistant, Homer Gruenther. However, each and every member of the committee got a nice "thank you" note from the President.

Enjoyed the program at the Library last Thursday evening featuring colored slides and a talk by David Borenstein of Grape Lat., Hicksville, recently returned from a three week tour of the White House. It may be called the workers paradise, but not for our money. The work that women perform there is incredible. Attendants in museums, caretakers in the public parks and even construction workers, tile setters, plasterers, etc. And a plain cotton dress costs no less than \$60. Wow, it makes one pause and thank the Good Lord for the opportunity of living in the good old U.S.A.

LATE NEWS FLASH . . . We just hear that "SMILEY" LOU ANTOINOZZI bowled highest score for one night, 611, the other evening at the Mid Island Bowl. He is one on the Wagner Funeral Home Team and a Hicksville P.O. employee.

Says State Will Advance Us 93% For Firemen

BY BETTY POHL

Burns Ave. School P.T.A. of Hicksville held its regular monthly meeting on Oct. 15, with Marie Feisel, President, presiding. A capacity crowd attended the meeting as well as the Book Fair and Open House held earlier in the evening.

The general membership voted to change their meeting night from Thursdays to Wednesdays in the future, and Raymond Kasakoff announced that work has begun on additional landscaping of the school grounds. Sylvia Gorlin, chairman of Children's Theatre reported that tickets for four performances would go on sale this year for \$2, the fourth being a bonus performance.

The program of the evening consisted of Frank Burke, principal, explaining the Track System and showing slides illustrating his points. Mr. Burke also introduced his teaching staff and stated that only three of the 36 teachers at Burns Ave. are newcomers to the Hicksville school system this year.

Gladys Kist, Chairman of School and Parent Education, presented the facts of the coming referendum to be held on Nov. 19 and said that a yes vote is vitally important to every child in the Hicksville schools as each phase of the program is dependent upon the other. She further emphasized that a yes vote will not be a burden to the taxpayer as the amount to be paid each year will be unbelievably small because the state is advancing 93 percent of the funds, interest free.

Refreshments were served after the meeting by the following first grades class mothers: Georgia Rice, Cay Fortman, Helene Sabol, Eva Collins and Frances Stines, Refreshment Chairman.

3 False Alarms For Firemen

Three false alarms were among the eight calls answered by the Hicksville Fire Dept. during the week of Oct. 21 to 27, two of which occurred on the same day.

The 1954 Chevrolet of Ed. Dwyer, 20 Somerset Ave., caught fire on Oct. 22 and was badly damaged. That same day, the washing machine in the home of Inrica Santillo, 123 Kuhl Ave., caught fire.

On Oct. 25 there were two false alarms, one from W. Nicholas St. and Cornwall La. and the other from the Metal Lab on Duffy Ave. Also on that day, a steam machine at the Davis Construction plant on Charlotte Ave. caught fire. The third false alarm was on Oct. 26 from Bethpage Rd and the railroad. The oil burner in the Otto Rossini home also caught fire on that date.

Oct. 27 found them at the World Metals Spinning Co. Building 7 on Commercial St., where the roof over a metal oven caught fire.

800 At Card Party

Alphonse T. DeChiaro, of William Park, was awarded the \$1,000 U. S. Savings Bond at the 26th annual Fall card party, sponsored by the Chamaine High School Parents' Club, Friday night at the school.

The winning number was drawn by Charles Norris Jr., Jericho. Chamaine junior class student winner of the top salesman's prize. Card party gross receipts for the benefit of the Chamaine Building Fund totalled over \$14,000. Approximately 800 persons attended.

Mrs. Charles Norris, Jericho, was card party chairman.

Observe Children's Book Week at Library

The Children's Dept. of the Hicksville Public Library will observe the annual National Children's Book Week from Nov. 1-7. To highlight the occasion the Children's Library will display some of the new children's books acquired this fall. The exhibits, which, it is hoped, will appeal as much to adults as to children will be displayed in the Children's Building and in the Library's auditorium.

Chimasing the weeks activities will be a showing of two current short films, "The Monkey Who Would Be King" and "Stone Soup", based on popular children's stories. The films intended primarily for preschool and lower grade school children, will be shown at 4 P.M. on Wednesday November 4th in the Library's auditorium.

To fulfill its purpose, which is to encourage young readers to broaden the range of their reading activities, the Children's Book Council has selected the theme, "Go Exploring in Books" as its slogan for this year's Book Week.

Obituaries

Hicksville Girl Is State Winner

Miss Jeanette Fardy, daughter of Mr. and Mrs. Raymond Fardy of 7 Boxwood Lane, Hicksville, was named winner of the State 4-H girls citizenship awards today by Prof. W. F. Pease, State 4-H Club leader.

She will be eligible to compete for nationally-awarded \$400 college scholarships and all-expense trips to the National 4-H Club Congress in Chicago, Nov. 29—Dec. 3. The awards have been donated in memory of Thomas E. Wilson.

Miss Fardy, a freshman at Plattsburgh State Teachers College, has been a 4-H leader for two years and a camp counselor for four. In her seven years of club work, she has completed projects in clothing, home improvement, foods, home-management, junior leadership, and floriculture.

Her outstanding 4-H work has earned her a homemaking award trip to New York City, a trip to the State Club Congress in Ithaca, a Capitol Day trip to Albany, the Spirit of 4-H Camp Trophy, and a trip to a Michigan 4-H camp as an exchange counselor.

The 17-year-old girl has also devoted a great deal of time to such citizenship projects as UNICEF, Christmas caroling for shut-ins, a baby-sitting service for parents on

voting days, PTA child play sessions, an entertainment program for an old folks home, church choir, and numerous community drives. In high school, she was assistant editor of the yearbook and a member of the yearbook staff and the dramatic group. Besides teaching

homemaking and junior leadership to young 4-H'ers, she has recruited new club members and leaders, written 4-H newspaper articles, and given talks on 4-H to her high school classes and on the radio. Alternate for the award is Darlene Hand of Fultonville.

By Howard Finnegan

Although it enjoys a wide edge in its traditional series with Farmingdale, Hicksville High has not won a game on home soil against the Green and White in 16 years.

The 1959 Comets will be out to score that long awaited home victory in front of a banner Homecoming Day crowd Saturday. These tough NSAA Section One foes have been alternating victories for the past dozen years and for three years Hicksville was without a field back in the forties which has brought about the drought.

Saturday's insistent deluge forced the Mineola contest to be put over until Nov. 21st and the Comets will have come off the win over Garden City with a week's rest.

The Alumni will probably see a wild battle this Saturday on Home Coming Day and we think Hicksville will win it 26-21.

Mineola and Hicksville Junior Varsities, both undefeated and zealous of their grand position, locked horns at Hicksville, Monday afternoon, with the Orange and Black winning a rousing 29-20 victory.

On the first play from scrimmage, John Huestis rambled 65-yards for Connet TD with a clearing block by Steve Glibowski most vital.

Mineola responded with a 49-yard pass play to tie the score 7-7.

Mineola responded with a 49-yard pass play to tie the score. Edward Wesolko hit over from the nine for a 13-7 advantage and the entire Hicksville swarmed in on a punt attempt in the end zone to register a safety. Joseph Cafora, Paul Cavalluzzo, Mike Clair, James Clark, Henry Duwe and center Peter Lambert were in on the play.

Quarterback Chris Coletta spiraled a long pass to Clark a little later and 50-yard play accomplished a 22-7 halftime Hicksville lead.

In the fourth period Mineola kept digging and closed the gap to 22-20 before Coletta turned the left end for 45 yards to tie the win.

Hicksville Junior High was struck by a 2-0 upset by Wheatley to end its two year undefeated streak at 17 games but had the recovery power to come back against Westbury, Tuesday afternoon.

The young Comets beat the Wave 4-0 on goals by Bill Klingberg and Chet Jaworski. Paul Bronzino lead the Hicksville return to a first place tie by playing a faultless game in the nets.

The first undefeated season in the history of Hicksville High Tennis was concluded, Monday, as Westbury was beaten 4-3. The Comets swept through their ten match slate unbeaten and won the Division B title in the NSAA.

They are now currently engaged with powerful Garden City and Wheatley, other division winners, for the league championship. Most experts feel the Comets are in over their heads with these two schools where the sport is taught from grade school age on.

However, the Comets are very anxious to do their best in the series and may provide additional surprises for the 1959 season.

Members of the team are Danny Burke, Fred Canavor, Joseph Finkel, Fred Hardeen, Jack Jastrab, Stephen Lack, George Leek, Neil Lewis, Robert Meade, John Putnins, Arthur Schaeffler, Mike Seltz, Victor Theiss, Ronald Bradley and Michael Brown.

Freeport and Massapequa appear on the 1959-60 slate of the Hicksville Basketball schedule.

Dartmouth College has big plans for Richard Stillman, former Hicksville High gridiron star. Although he is only a sophomore Dick has been playing more than half the game for the Big Green. His outstanding defensive ability first brought him to the attention of the coaches.

Mickey Anglin and Gene Yetter are both playing for the Lafayette College Freshman football team.

Boy Scout Activities

Cub Pack 291 inducted seven new boys into their pack on Oct. 15. Ronald Jackson, Eugene Loeffler, David Kopp, Jeffrey Kestel, Gary Kozluk, Gary Bersek, and David Phillips.

The following boys were given awards on Pack night:

William Kumlander — 1 Lion Badge

Robert Cornell — 1 Gold/silver arrow point

Wayne Arnsen — 1 silver arrow point, 1 year pin

Robert Helger — 3 silver arrow points

Walter Muench — 1 silver arrow point

Hugo Spachro — 1 silver arrow point

Patrick Ahearn — 1 Year pin

Personal Mention

JOHN FRANCIS ANDERSON, son of Mr. and Mrs. Francis J. Anderson of 63 East St., Hicksville, is among the 380 members of the freshman class at Colgate University, Hamilton, N. Y. Anderson prepared for college at Hicksville High School. Colgate is a small residential college for men dedicated to education in the liberal arts.

John recently won the freshman intra-mural golf tournament. The final match was won two up.

Present Awards at Halftime

At Hicksville Junior High Field, this Sunday, Nov. 1 at 2:15 p.m., The St. Ignatius Yellow Jackets will play St. Patrick's of Huntington in a Rockville Centre Diocesan League game.

Also at halftime, a special program has been arranged. Baseball awards will be made to the boys on the various winning teams. Remember the date boys and also let's have the parents also there.

Yellow Jackets Romp 26-0

On Sunday, Oct. 25, at 2:15 p.m. at the Hicksville Junior High Field, The St. Ignatius Yellow Jackets Football team took the field against a strong St. Robert Bellarmine team from Bayville.

St. Ignatius won the toss and elected to receive. Billy Corrigan received the kickoff and carried to his own 25 yard line. Here Dale Schultz at halfback carried around end for 12 yards and a first down. At this point St. Ignatius fumbled and St. Robert made the first threat of the game however to no avail. St. Robert punted to St. Ignatius and Dale Schultz rambled for 33 yards to St. Robert's 45 yard line.

In the first quarter St. Ignatius unveiled a new quarterback, Charlie Lang. Alternating with Hoosack they combined to bring the Yellow Jackets inside the St. Robert 10 yard line. At this point Lang sent Schultz over his right tackle for the touchdown. Schultz also carried over for the point after touchdown.

Score now St. Ignatius 7, St. Robert 0. In the second quarter after holding St. Robert, St. Ignatius again went on the march. St. Ignatius with a beautifully executed double reverse send Bruckner around his own left end for 20 yards. Here St. Ignatius stalled and St. Robert after three attempts punted to St. Ignatius.

Blaser called for a fair catch. At this point Hoosack replaced Lang at quarter and tossed a 20 yard pass to Skippy Huber on the 30 yard line and Huber romped thru the St. Robert Defense for the second touchdown. Bruce Bendish on a direct buck carried over for the extra point.

Here the first half ended with St. Ignatius out front by a 14 to 0 score. Coach Tom Peplow during the first alternated Lang and Hoosack at quarter and with Blaser and Schultz carrying the ball put on a fine exhibition of football. The St. Ignatius line also showed great improvement in stopping the St. Robert attack.

Former Greats To Ballot M.V.P.

Members of four of Hicksville High's outstanding teams 1929, 1936, 1942 and 1944 — have been asked to ballot for the Most Outstanding Player of the 1959 Homecoming Day game.

The 1929 club lost only one game as it ascended to the North Shore championship when failure to fall on the ball in the endzone resulted in a safety instead of a touchdown and a 19-15 Great Neck win.

Listed in the box score are such names as Israelowitz, Reinhard, Stuppello, Hill, Kantor, Grenway, Humphreys, Millevolte, Small, Benne, Stolz, Lunn and Kubne.

Continuing the high caliber of Hicksville football, even though it had the next to smallest student body in Nassau, was the 1936 club. Pacing the 6-1-1 record were Dick Rennie, Merrill Yarotzky, Phil Bin-naro, Harry Schuler, Pete Dabonary and Fred Fluckinger.

The lone loss came in the final contest of the season after the North Shore title had been wrapped up. It was the first night contest ever for Hicksville and Lawton proved a 14-0 victory.

Although the student body was still small, the 1942 squad was the first unbeaten team in the school's history and started the four year run of coach Lou Millevolte's assistants which saw 29 wins 1 loss 4 ties.

Such standouts as Charlie Van Wicker, George Van Wicker, Ed Coleman, George Thomas, Roy Hal-leran, Mike Gregg, Mike Way, Steve Gorr, Sidney Rigby and a host of others were involved in all or part of the string which was capped by the undefeated, untied season of 1944.

All members of these teams attending this year's Homecoming will be eligible to vote for the MVP award which went to Michael Joseph Anglin last year.

WINS HIGH HONORS

Gerry Clegg of the St. Ignatius Rockets, won high honors on Monday evening, Oct. 19, in the CYO Women's Bowling League, when she rolled a 561 series and a 209 game.

Library Seeking To Recover Books

To the Editor: The Public Library is going to take positive steps to recover some of its books that have been long overdue. The number of books that people have neglected to return represent a considerable investment in time and inconvenience to other patrons. The library has, therefore, instructed its legal council to take steps to recover the books. A letter of warning shall be sent, followed by a subpoena, if necessary.

We urge all who have long-overdue books out to return them so that these steps shall not be necessary. Sincerely, KENNETH S. BARNES LIBRARY DIRECTOR

Add Modeling To Rec. Program

Hicksville Recreation has added another well received activity to its program. During the past three weeks a model and charm course for high school girls has been meeting on Wednesday afternoons at the high school. Margaret McClure, a graduate of Hicksville and director of the Hempstead Model and Charm School, is in charge of the sessions. During the 10 week period the girls will become acquainted with hairstyling, make-up, skin care, correct posture exercises and various other essentials to help develop social graces.

What would telephone scientists want with a block of ocean?

When the first under-seas phone cable went into service, telephone scientists were almost certain how well it would carry your calls. But they couldn't be positive. Because nobody had ever talked across the bottom of an ocean two miles deep. When future cables sink beneath the waves, telephone scientists will know, precisely, how they will perform. Because they'll be developed, tested and perfected on the bottom of the ocean. Not the Atlantic or Pacific—but a private, experimental ocean Bell Telephone Laboratories have built for research. The Bell Lab's ocean is in New Jersey, in what used to be a pasture. It's only 315 feet long and 3 feet deep. But in this little block of ocean, telephone men can

create the same tremendous pressure, the same temperature and other conditions a cable encounters under two miles of real sea water. Experiments will reveal possible faults, and point the way to improvements, before thousands of miles of costly cable are manufactured and laid on the ocean floor. Building an ocean is certainly unusual. But the thoroughness it typifies isn't. For whether your call goes across the street, across the nation or across the seas, telephone scientists are always searching for ways to provide you, at all times, with the best possible telephone service. Trees for Birchwood Streets

BY LARRY GIBBS
 The Fall season is upon us and tree planting time is here again. For those members of our community who have not as yet planted trees on the curb strip in front of their homes and are desirous of doing so, your Civic Assoc. in response to numerous demands, has contacted the Whitman Nursery, (Route 110, Huntington Station, 1/3 mile South of Jericho Tpke.) to ascertain if we could secure the same deal with respect to tree planting that was made available to us two years ago when the bulk of our curb strip planting was done by Whitman.

Whitman assured us that it would gladly cooperate with us on the same terms and conditions even though we will be ordering a substantially smaller number of trees. The Whitman Nursery is willing to plant Sycamore trees on your curb strip at \$14.00 per tree. The trees will range in height from 11 to 14 feet. They will be planted with fertilizer, staked and guaranteed in writing for one year. One or more trees may be ordered.

Whitman advised us that they have unhesitatingly made good on any reasonable complaint received in connection with trees planted two years ago—even though in some instances the complaints came in almost a year after their guarantee had expired.

Your Civic Assoc. suggests that any residents who do not as yet have trees planted on their curb

strip should either make arrangements to have such planting done through the Whitman Nursery or any nursery of their own choosing, so that all the streets of our community will, within the next few years, present that beautiful tree-lined appearance which evokes admiration in a visitor to various areas of Great Neck, Manhasset and Roslyn.

Tree orders may be placed with Whitman by writing to above address or by phone: Dial 516, HA 3-3838 No deposit is required.

Civic Youth Program Opens

BY RALPH DIAMOND
 The Youth Program of the Birchwood Civic Assoc. opened its 3rd season this Wednesday at the Jackson School in Birchwood. The experience gained during the past two years of operation together with the hiring of a professional youth director guarantees our youngsters a better and expanded program of social and sports activities.

Julius Melnick, our Youth Committee Chairman, informs the VILLAGER that Frank Sukuna, has been retained as Youth Director. Frank is a physical education graduate of N. Y. U., where he played both football and baseball. He has worked for many years as a director in the New York City Park Dept's Golden Gloves program. His wide experience as a director in the Henry Street Settlement, New York Boys Club, and many summer camps certainly makes him qualified to direct our youth program this season.

The parents' assignments system which was so effective last season, will once again be put into operation. Parents of the registered youth will be assigned one night during the season to help supervise the activities. In the event the parent fails to appear on the assigned night, the youth will be suspended for 2 weeks. Each parent must sign a "Parents' Statement" before a youngster receives his or her membership card. The "Parents Statement" appears below.

The youth program schedule this season is as follows:

Monday	Wednesday	Friday
Girls 7:30 to 9 p.m.	Boys 10-12 7:30 to 9 p.m.	Boys 7:30 to 10 p.m.
	Boys 10-12 7:30 to 10 p.m.	Girls 7:30 to 10 p.m.
		Registration in the youth group will be open during the next 2 weeks on Monday, Wednesday and Friday 8 p.m. to 9 p.m.

Directors Name Nominating Unit

BY GEORGE J. FRANKEL
 At the regular October meeting of the Board of Directors of the Birchwood Civic Assoc., a Committee was appointed to nominate candidates for the Civic Association's next administration. Named to the Committee were: Jerry Abrams, Sam Hecht, Horace Bernstein, Leon Newman, Larry Gibbs, Irwin Baumel, Dave Mark, Morton Toffler, and Vince Rappaport. Alternates are: Charles Heeg, Lee Balterman and Bea Leif.

Irwin Baumel, Chairman of a Special Fact-finding Committee on the

Country Club, reported to the Board that the Country Club had submitted to him a report from a firm of social consultants engaged by the Country Club to measure the effect of noise from the Club on the adjacent area. The report stated that, if an orchestra were playing in a certain area of the Club, the resultant amount of disturbance of Hazelwood Drive would range from "no annoyance" to "very mild annoyance." The Board voted to advise Mr. Strauss that it would be willing to set up a Committee to listen without prejudice to any actual test with a live band with dancing.

Men's Club Host To Famous Editor

On Wednesday Evening Nov. 4, at 8:45 PM at the Jericho Country Club, Hy Steirman, editor and publisher of CONFIDENTIAL magazine will address in person the members and friends of the Men's Club of Reform Temple Or Elohim of Jericho. All adult Jericho males are cordially invited to attend this meeting. Sorry, Ladies not admitted. Meet the man who edits one of America's most controversial publications. Learn why CONFIDENTIAL enjoys tremendous worldwide and U. S. circulation. Hear all about the "new" CONFIDENTIAL policy. Listen to some stories which even CONFIDENTIAL did not dare publish. Steirman will also answer questions from the audience. Be sure to be present Nov. 4 to experience an evening which will shake the walls of Jericho.

Town Candidates Address Civics

By GEORGE J. FRANKEL
 The George A. Jackson School last Thursday evening was the scene of a good old-fashioned "knock-down and drag-out" between Oyster Bay Town Supervisor John Burns, Republican incumbent, and Democratic opponent John Nance. At a General Meeting of the Birchwood Civic Assoc. called to give the residents an opportunity to meet and question candidates from both parties, Nance charged that the builders of Birchwood, Sosnow and Schwartz, had saved \$500.00 per house by building studs and beams on 24" centers instead of 16" centers. He was careful to explain that in no way did he mean to infer that the houses were in any way unsafe or inferior as a result of this type of construction.

Supervisor Burns explained that Sosnow and Schwartz had petitioned the Town Board for a variance permitting the use of a new type of construction involving not only the spacing of the beams and studs but also the quality of the material used. He asserted that Birchwood homes are "ten years ahead of their time" as far as construction is concerned, and that the continued increases in their resale price testifies to their value.

Nance read an affidavit from an unnamed carpenter who had worked for Sosnow and Schwartz asserting that the builders had made repairs on Leonard Hall's home in Lattingtown. Mr. Hall's law firm had represented the builders in their petition for a variance to the Town Board. Mr. Nance then read a letter from Mr. Hall asserting that he had paid for all work done for him by the builders, and had cancelled checks to prove it. Mr. Burns showed photostatic copies of Mr. Hall's checks totalling \$10,000, and asserted that "there were no favors for Mr. Hall by Sosnow and Schwartz."

Burns stated that any builder could apply at any time for a variance permitting the type of structure used. In the question and answer period at the close of the meeting it was brought out that the variance to use 24" instead of 16" centers also called for the use of Douglas Fir instead of hemlock because of its superior tensile strength, and 1/2" sheetrock instead of 3/8". The variance was granted because it was structure built under all these specifications would be superior to the performance of the more conventional type. This view, he pointed out, was shared by the V.A., the F.H.A., and the Williamsburgh Savings Bank, all of whom approved these houses.

The candidates also discussed such issues as budget, zoning, beaches, drainage highways parks garbage collection, etc.

Besides the two candidates for Supervisor, other candidates present were: Henry J. Curran, Town Clerk; Henry J. McInnes, Edmond A. Ocker, Edward J. Poulos, Councilmen David Welsh, Tax Receiver, Benjamin Zapper, Francis J. Donovan, Judges, all Republicans, and Charles A. Heeg, Democrat.

The Civic Association, is to be congratulated for having arranged such a fine opportunity for the residents of Birchwood to meet candidates in person, ask whatever questions they liked, and so intelligently to decide for whom they will vote on Nov. 3rd.

HALLOWEEN PROJECT

The children of the Jericho Elementary schools will again approach their neighbors on Halloween for UNICEF. Be generous with your contributions for this worthy cause. This is the third year our children have given up their candy and trinkets in order to aid others less fortunate.

Sirens to Signal School Closing

By Horace Bernstein
 The Board of Fire Commissioners of Syosset has again made provision for Central District 2 to use its sirens to signal school closings due to inclement weather. "This is an added service to the community by the Fire Dept. and it is indeed appreciated," said Mr. McGurk, president of the Board of Education.

School officials again warn parents not to call the Fire House for any information concerning school closings. The telephones at the Fire House must remain free for emergency purposes.

The plan for the fire sirens is as follows:
 One long blast at 7:30 a.m., another at 7:40 a.m., another at 7:50 a.m., and a final one at 8 a.m.

School closings for inclement weather will also be announced over WOR, WGSN and WHLL.

Should there be a fire at any of these times you will have to wait for the next siren time to see if it will signify a school closing.

AN EDITORIAL:

Be Sure to Vote on Nov. 3rd

This is not a presidential year. We will not even elect a governor, or a senator or a congressman. Yet, on this Nov. 3rd, each and every resident of our community has an appointment with destiny. Your mandate alone, as expressed by your vote on Nov. 3rd, will determine what sort of Government we shall have in our Town of Oyster Bay and in the State Senate at Albany. Your voice must help to select the most able jurists for positions of great responsibility in the Administration of justice in our courts.

THE "VILLAGER" does not endorse parties nor candidates for office. We recognize, however, that this community must not fail to cast its vote for Township officials who will, for the next two years, set our tax rates, spend our tax dollars, and pass the laws in our town. We are charged with the selection of those who are to administer many departments dealing with the many services, the protection and the safety to which all of us are entitled, and for which all of us pay.

Birchwood at Jericho has heard the candidates and knows the issues. Let it not be said that we, residents of one of Long Island's finest communities, failed to respond to our first civic duty. Nov. 3rd is almost upon us. For your sake, and the sake of your children, vote for the candidates of your choice, but BE SURE TO VOTE.

Circle Sponsors Prevention Study

An additional 100 volunteer researchers are needed before the Cancer Society's massive Cancer Prevention Study can be launched in Jericho.

Arlene Levitan, 18 Fountain Lane, Jericho's Study Chairman, said today that 44 volunteers had been recruited to date, but that the additional volunteers would have to be enrolled in order to include 2000 families needed for the Study in this community. The aim of this project is not merely to obtain information but directly to save lives from cancer. No investigation of such magnitude has ever been attempted in the history of medicine. Target date for the study is Nov. 1.

At that time volunteer researchers will ask 10 or more families they know well to fill out questionnaires. These will be placed in confidential envelopes and returned to the volunteers who will never see them. The information will then be transmitted directly to the scientists leading the study at American Cancer Society national headquarters in New York. The questionnaire is designed to uncover environmental factors which may be cancer-causing. All those interested please contact Chairman or office of Jericho Jewish Center WE 8-8653.

Tuesday, Nov. 10 ORT will hold a paid-up membership dinner for all new and old members at the home of Mrs. Ted Fisch, 54 Hazelwood Dr., Jericho, at 8:30 P. M.

The dishes, consisting of authentic Italian food, will be prepared by Sol Both, of Briar Lane, whose favorite hobby is cooking. A current movie will be shown after the dinner.

Volunteers from the Hannah Circle of the Jericho Jewish Center Sisterhood, made their first visit to St. Christopher's Home in Sea Cliff, on Oct. 21st. The children at this orphanage range in age from three months to three years. Playing with and caring for these orphans proved a mutual joy and satisfaction for the aides as well as the children.

This group of women also collected and donated much needed clothing for the children in the Home. Anyone who wishes to contribute clothing for the orphanage should call OV 1-7229 for the necessary information.

Don't forget! Draw a large red circle on your calendar around Sunday evening, Nov. 22nd. That's the date of Cancer Care's spectacular Dinner-Dance! It will be held at Nassau's newest and most lavish nightclub, Carl Hopp's in Baldwin. Featured will be a full course dinner, floor show and dancing to two orchestras. For reservations, call Kathy Smith at WE 5-3305.

The Jericho Jewish Center announces that daily evening prayers will be held at the Center at 8:30 P.M. Monday through Friday. Members and friends are welcome to come to these services as well as any person in the area who has to say Kaddish or has Yahrzeit. For further information call Norman H. Cohen WE 1-8392.

Letters to Editor

Dear Mr. Frankel:

As a Birchwood at Jericho resident and member of its Civic Assoc. I feel that a disservice has been done to this Community by the refusal of the Editorial Board of "THE VILLAGER" to print a news story which reported on the "OPEN HOUSE" party held last Sept. 21st at the Jericho Country Club in Honor of Charles A. Heeg, Birchwood/Jericho Resident and Candidate for Town Council, Town of Oyster Bay. An Independent Citizens Committee composed of Jericho residents among whom are individuals of varied political beliefs, sponsored this affair which was attended by over 200 people.

The Editorial Board of "THE VILLAGER" voted, as a matter of policy, to reject this release, submitted by the writer. The explanation given was, "that in the past only Civic Assoc. Affairs had been given similar space and that a review of this particular affair did not constitute news. It was (unofficially) suggested that perhaps a BLURB in the GOSSIP column or a foto might be in order. . . ."

When residents of any Community take their American citizenship seriously enough to become active supporters of a fellow citizen and fellow resident who on the basis of his qualifications had been chosen by his party to run for an important public office, this is news and this concerns every citizen. Mr. Heeg furthermore is an active member of the Birchwood Civic Assn. and a past member of its Board of Directors. As a prominent local resident, his neighbors saw fit to pay tribute to him because he cares enough about our Township and its many problems to run for public office, an endeavor involving great personal sacrifices.

It seems to me a poor commentary on the thinking of the Editorial Board of "THE VILLAGER" to have seen fit to deny such an individual the right to have at least his major local public events recorded in the local press. Politics and parties are not the issue. I have disagreed with the ruling of the Editorial Board most violently and I shall continue to make my voice heard on this Board in the future whenever I feel that fundamental rights are being denied any individual or organization.

(signed) GILBERT B. STEIN

Mr. Stein's article was not rejected on the basis of subject matter, personalities, or politics, but simply on the basis of length and VILLAGER policy. Mr. Stein refused to consider suggestions presented by the Editorial Board that would have made publication of his report a simple matter.

One suggestion was to print a photo of Mr. Heeg with a caption that would have adequately described the "Open House" affair. Instead, Mr. Stein chose to exert his energies in a vituperative letter chastizing the Editorial Board, rather than providing pertinent publicity for Mr. Heeg.

The publication of this letter is in itself mute testimony to the fact that the Editorial Board does not deny to any individual resident the right to express his views publicly. Nor does the Editorial Board intend to surrender its right to determine, within its policies, which items should or should not be published. On the Editorial Board of the VILLAGER, the MAJORITY still rules.

The first paragraph of this letter adequately covers the affair that was the subject of the original rejected article. Obviously, Mr. Stein's report could have been presented as concisely as space limitations required.

The Editorial Board is happy to note that Mr. Stein will continue to make his unique and original contributions to the VILLAGER, because the contributions of each and every member of the Editorial Board are the building blocks on which the VILLAGER will continue to serve the community.

Fran Lovler and Jean Rosenthal of Hightop Lane were in car accident together. Speedy recovery girls, the Beaux Arts Ball on Halloween night needs you two!

GEORGE AND MIMI FRANKEL received a plaque for their efforts on behalf of Cub Scout Pack 129. The plaque was proffered by the Jericho Jewish Center. Left to right are: Morton Mann, instatutonal representative; Max Kopelman, president of Temple; George and Mimi Frankel, and Jerry Gold, Cubmaster.

Second Art Exhibit Success

Further evidence that Birchwood is coming of age as the second exhibit of paintings by our Civic Assoc. Art League showed up a wealth of talent and indicated vast progress since the initial exhibit last winter.

Canvases were hung in the Jackson School yard Saturday and Sunday, Oct. 17 and 18. The autumnal background and clean crisp air were perfect foils for the warm colors and exciting line in evidence.

Many Art Forms were shown: Oil, Watercolor, Sculpture and lithograph, of the Traditional, Cubist, Surrealist, and Neo-Jericho Schools of Art.

Some of our residents who exhibited were:

Jean Rosenthal, Al Ross, Nat Fischer, Lee Fox Gwynn, Marilyn Kaplan, Harry Berck, Bea Ross, Lee Batterman, Paul Singer, J. Fox.

A tribute to the quality of the paintings exhibited is the fact that four were sold on the spot. This isn't usually the case at exhibits such as this. Of the approximately 100 pieces on display, at least 800 would have drawn critical acclaim wherever they were shown. For color, line, depth of perception, and sheer imagination.

A goodly number of Birchwood residents turned out, as well as friends from nearby communities. Those who missed out, missed something that was well worth seeing. There will, of course be other exhibits by this dedicated group. They feel that Art, and a bit of culture are not just words but important facets of day to day living that can

Broadway Comes

On Tuesday evening, Nov. 3, Broadway Comes to Jericho. For its next general meeting, the Sisterhood of Temple Or Elohim, the Reform Temple in Jericho, will present a marvelous Dramatic Musical, "The Tree of Life." Produced and directed by Mrs. Ted Fiach, (who also adapted the play and rounded up the talent) it will feature among a cast of thousands, (well maybe we're a few short) will be: Lee and Lew Marks, Randy and Harvet Helzel, Fay, Irv, and Larry Weiner, Milly and Jack Sloane, Beverley Barnett, Milly Kahn, Dotty Lerner, Ruth Barza, Marilyn Breiter, Helen Leisher, Florette Sonner, and Doris Bier. And best of all, accompanying them on the piano will be the renowned Ada Marx, mother of our own Bob Marx.

★ **CHARLES A. HEEG** ★

A man of determination and character with a selfless desire to serve the entire community—such a man is Charles A. Heeg. He fully understands the needs of his fellow Long Islanders—their pressing problems of taxation resulting from the high Republican tax rate. Charlie knows that something has to be done and done quickly! He enthusiastically supports the Democratic proposals of a non-partisan, unpaid "School Economy Commission" to study the possibilities of cooperation among school districts to achieve greater economy without losing local autonomy, and fully endorses the Democratic party pledge of a 10% reduction in town taxes, without reducing services, through the elimination and consolidation of special non-school tax districts.

Legionnaires' Log

CHARLES WAGNER, Post 421, Hicksville, N. Y.
by Bob Sutton

This past Saturday, I attended the Jr. Auxiliary installation and had a very enjoyable afternoon. I know our commander was a real proud father as his daughter Janice Hodgkinson was installed as president. Good luck and hope you have a successful year. A covered dish supper was served by the Ladies

Auxiliary afterward. Membership in the Jr. Auxiliary has already reached 25 and they have high hopes of becoming much larger.

As you all have read or heard, this Sunday, Nov. 1, is Kings Park Day for us. We will leave the Post at 12:30 sharp, destination Building 55 at Kings Park. If you have any

clothing that is clean and usable, winter clothes if possible, also TV sets and radios, please bring them to the Post before Sunday. Earny Gundlach and Art Kunzweiler would like to see 100% turnout by the Post and Auxiliary, but would settle for 45 members to help package and hand out the articles. So let's get behind them and show the veterans out there that there are some people who still care.

Saturday, Oct. 31, according to all reports, should be a gala evening at our post for members and their wives or girl friends. Costume will be the dress for the night, with a fine of some sort being imposed on those who do not wear one. Live music, beer and food will be for free. Hope to see you all this Saturday evening.

Snyder Specialty Is Trial Work

ARTHUR A. SNYDER has been an actively practicing attorney in all courts of this state for the past 38 years. He graduated from Columbia University Law School in 1921, where he studied under Harlan F. Stone, who later became Chief Justice of the United States, Supreme Court, and with Harold R. Medina, of the Circuit Court of Appeals. Since then Snyder has specialized as a trial lawyer and has represented thousands of clients in civil and criminal matters of all kinds. His experience in matrimonial cases fits him admirably to sit in the new Family Part of the District Court of Nassau County. His activities in working with our youth as Chairman of the South Nassau Boy Scout District, and as Recreation Commissioner of the City of Long Beach, have given him the understanding to deal properly with juveniles. Arthur Snyder has been active in many civic, veteran and fraternal organizations. He is past chairman of the Knights of Pythias, Past Commander of the Victor Murtha Post of the American Legion; was presi-

Dedicated Public Servant

JOHN J. BURNS

Supervisor John J. Burns was elected to that post in the general Town election November 1957 and took office Jan. 1, 1958. He is the Republican Candidate for re-election Nov. 3.

Previously he was a member of the State Legislature for six years representing the people of the Town of Oyster Bay and the City of Glen Cove as an Assemblyman from the Fourth Assembly District. Prior to his legislative services he was Mayor of his home village of Sea Cliff.

Widely known throughout the Town as a dedicated public servant and for his many legislative accomplishments, Mr. Burns, upon assuming the position of Supervisor immediately set out on a program designed to afford the Town's homeowners the greatest protection possible as well as promoting full economic growth and stability for the Town as a whole.

Under the leadership of Mr. Burns, the Town Board's developing Comprehensive Plan, which is geared toward the balancing of land use throughout the Town of Oyster Bay, and the placing of proper things in their proper places, many important steps have been taken that will aid in the establishment of a balance between residences, business and industry. Since the enactment of this policy by Mr. Burns the Town's industrial growth is steadily increasing with attractive and desirable industry while at the same time the Town's suburban characteristics have been preserved. More than \$18 million has been invested by private capital in industrial and commercial facilities in the Town in the past 21 months as a result of this policy.

Another major accomplishment of Burns' administration occurred when, at the Town Board's request, the Legislature enacted legislation permitting the Town to move ahead with its plan to effect consolidation of various special districts, including parking districts and garbage districts in the interest of efficiency and greater economy for the Town's people. This program is now under way.

The administration has also achieved State-wide fame for its conservation efforts and the program to preserve our valuable south shore wetlands areas for the recreational benefits of the Town's homeowners cleared the first hurdle when Governor Rockefeller signed an amendment to the conservation law permitting the Town Board to dedicate these areas for conservation purposes. The bill making this possible was drafted by Supervisor Burns, legislative and conservation officials.

Mr. Burns has also spearheaded the Town Board's drive to effect major beach-recreation improvement programs on the Town's eleven beaches on the north and south shores, a substantial portion of which will be ready for use by the Town's residents this coming summer. He has also been responsible, since taking office as Supervisor, for the enactment of many Town ordinances and administrative changes, all designed to keep pace with the Town's growth and promote greater service for the homeowners. His responsiveness to the wishes and needs of the Townspeople has been the source of much favorable editorial comment on the part of the daily

and weekly press in the Town and his forward-looking approach to Town Government and its problems have been acclaimed by the Town's homeowners and taxpayers.

As a member of the Assembly he compiled an impressive record of beneficial legislation, including legislation which provided thousands of dollars in additional State Aid to school districts in many communities in the Township; designation of seven Hicksville grade crossings by the Public Service Commission for elimination at an early date; creation of the Oyster Bay-Hempstead Joint District for the operation of Levittown's Hall and pools; many changes strengthening home rule provisions of village laws; bill to extend new State highway into Glen Cove; and scores of local legislation to enable the Town of Oyster Bay to keep pace with the tremendous growth.

Supervisor Burns was born in Sea Cliff 46 years ago. In World War II Supervisor Burns served in the 304th Signal Operations Battalion with the Eighth Army in the Pacific. He was awarded the Bronze Star. Married to the former Miss Norah Patterson, Supervisor Burns is prominent in many organizations. He is a member of the Executive Board and Executive Vice President of Nassau County Council Boy Scouts of America; St. Boniface Holy Name Society, American Legion, Sea Cliff Fire Department, Nassau County Grand Jurors Association, Sea Cliff Yacht Club and was President and is life member of Nassau County Village Officials Assoc.

REPUBLICAN CANDIDATES OPPOSE 2-CENT NASSAU COUNTY SALES TAX

REPUBLICANS OPPOSE DEMOCRATS' PLAN WHICH WOULD MORE THAN DOUBLE YOUR STATE INCOME TAX, TO GIVE NEW YORK CITY \$300 MILLION FOR ITS SCHOOLS.

Why?

REPUBLICANS FIGHT TO KEEP HOME RULE FOR SCHOOLS, ALL IMPROVEMENT DISTRICTS, VOLUNTEER FIRE DEPARTMENTS, TOWNS AND VILLAGES.

REPUBLICANS PLAN FURTHER STATE AID TO CUT COSTS TO SCHOOL TAXPAYERS, RELIEVE SMALL HOME OWNERS.

How?

MODERNIZED TOWN GOVERNMENTS HAVE MET NATION'S FASTEST SUBURBAN GROWTH KEEPING TAXES DOWN, SERVICES UP, PLANNING FOR FUTURE.

YOU CAN WELL LOSE YOUR BIG VOICE IN LOCAL AFFAIRS BY FAILING TO VOTE FOR REPUBLICANS WHO BACK 'HOME RULE'

When?

Saturday Night Oct. 31st. 7:30 P. M. Channel 5
