Current Comment We Can't Afford to Delay

IF THERE IS ANY SINCERE disagreement regarding the Hicksville School District Referendum set for next Thursday, Nov. 19, we must conclude that the difference in opinion lies with the method—not the need.

We can't resist speaking out, even at this late hour, regarding the fact that all six questions are lumped together for a single decision. And yet, we are compelled to admit, after close observation of how the program developed over a period of months, attendance at many special meetings of the local School Board and with State officials, that the program is inter-related.

Timing is a very important factor in this referendum. If the question is rejected, the School Board will be compelled to come back before the voters with a new proposal. But the ones who will lose will be the youngsters.

If we are to retain single sessions where ever possible, we must have the facilities when the youngsters are hanging on the school house doors. For example, the Junior High School is bulging at the seams. Ask any Jr. High student's parent. No more pupils can be accommodated in that building unless it goes on split sessions OR unless some of the temporary classrooms can be moved over to Jerusalem Ave. and attached to the Jr. High building.

At the same time, no temporary buildings can be released for this purpose unless elementary facilities are provided by building the Willet Ave. School. Incidentally, those parents who object to the use of Nicholas must be aware of the fact that building the Willet Ave. school will hasten the day when Nicholas can be relieved.

Mr. Szendy and Mr. Goebel asked for a "no" vote, basically because they disagree, again, with the technical details—not the basic need.

Timing is of the utmost importance. We therefore urge a "yes" vote upon the question before the enrolled voters next Thursday. Polls are open from 11 a.m. to 10 p.m.

Incidentally, if you have not registered as yet or are in doubt about your registration (you should have a yellow card marked for 1959-60), take care of it this Saturday between 10 a.m. and 8 p.m. Many voters appear to be confused regarding registration for general (political) elections and school voting. Better be certain, check up. Then vote Nov. 19.

No Opposition To B'way Motel

No opposition was offered Tuesday when a hearing was held at Town Hall on the petition of Benjamin Burkin to obtain special permission to maintain a motel on South Broadway near First St., Hicksville. The row of vacant stores on the west side of Broadway between First and Fourth St. are to be remodelled. At present the plans call for the Sunrise-Stop and Shop supermarket and the luncheonette next to it to remain intact, with the remainder of the stores north of them being renovated into a motel with an addition of a second story, to provide 47 units.

Although there was no opposition, the Town Board had received two requests regarding the property. The Board of Education asked that the owner erect a stockade fence to enclose the rear of the property where

it meets the property of the Junior High School, and Roberts Chevrolet of First St. asked that no fence be erected blocking the view of their property from Broadway. They requested that if a fence is erected it should end 100 feet south of First St. The Board reserved decision.

PBC Installation Held Saturday

A Third Annual gala Installation and Dance for the men of the Hicksville Police Boys Club and members of the Ladies Auxiliary was held Saturday evening, Nov. 6, at the Bethpage Bowling Alley.

Ed Fitzgerald was installed as President, with George Moore, Vice President; Olie Costello, Secretary; William Goldsmith, Treasurer; Jerome Zettler, Trustee; Tom Colwell, alternate Trustee; Bob Birk, Budget Director; Joe Cubow, Model Plane Director and Charles Gennetti, Nautical Cadet Director.

Clarice Faronie will again serve as President of the Auxiliary, with Judy Gendron, Vice President; Ruth Darnowski, Recording Secretary; Jean Stigler, Unit Secretary and Hope Dybec, Treasurer.

Combines Offices

Melvin A. Hoffman, Inc., advertising agency with offices currently in New York City and Carle Place, has announced plans to combine both offices in larger quarters at 23 West John St., Hicksville.

Public Discussion This Evening:

See 5,000 Voters Eligible To Decide on School Bldg.

Voters of Hicksville School District will have their final opportunity to register for the Thursday, Nov. 19, two-million-dollar school construction referendum this weekend. With 4,876 now on the books, the 5,000-mark in registered voters is expected to be topped for the first time in the history of the School District this Saturday. Registration hours are 10 AM to 8 PM at seven neighborhood schools.

Differences of opinion regarding the referendum question burst into the open belatedly this week. Almost overshadowing the strong anti-views expressed was the spectacle of Emil J. Szendy and his frequent opponent of recent years, Harry Goebel, jointly signing a letter to the School Board and denouncing the proposition.

Szendy had been Board President when they reached a parting of the ways a couple of years ago. They have been in agreement on few issues since.

Curiously, Goebel has been a staunch supporter of Board Trustee Robert Eaton and worked for his re-election last May. Eaton, on record, is in favor of the proposition.

ORGANIZED SUPPORT

Leading the support for the proposition are School Board President Allen S. Carpenter, all Board members with the possible exception of Trustee Robert Goodrich, Dr. Wallace E. Lamb, superintendent of schools; Classroom Teachers Assoc., and the Parent-Teacher Associations.

Due to the energy of the P.T.A.s, an additional 776 persons enrolled on Monday of this week. The total enrollment of 4,876 represents the accumulation of registrations since last May.

By school areas:

	Registered	Total
Burns Ave.	70	518
East Street	119	1,014
Woodland Ave.	112	662
Lee Avenue	159	819
Fork Lane	158	592
Dutch Lane	92	685
Old Country Rd.	66	586
	776	4,876

The referendum was the topic at a meeting of Burns Ave. P.T.A. on Nov. 4 attended by 200 parents.

PACKAGE FORM

The speakers including President Carpenter, Asst. School Superintendent Donald F. Abt, and Board Vice President Jerome Zettler pointed out that the vote on Nov. 19 is upon a "minimum" program designed to keep the majority of the children on single session, maintain high education standards during peak

The \$2,092,250 Question

There are six parts to the question before Hicksville School District voters at the referendum on Thursday, Nov. 19th:

1. Build a K-3 elementary school on property bought with voter approval, June 12th. Cost of 14-room structure \$802,250.
2. Purchase land to the south of the present High School, running from Newbridge Rd. to Division Ave. for \$125,000.
3. Construct a 10-room addition to the Senior High School, with all necessary equipment and furnishings \$510,000.
4. Construct an addition to East St. School and remodel the kitchen-cafeteria set-up \$305,000.
5. Move 26 temporary-type classrooms from present elementary schools and attached them to the Junior High \$168,000.
6. Move 24 temporary-type classrooms from present elementary schools and attach them to the Senior High \$182,000.

Total \$2,092,250

enrollment but not overbuild for long-range needs. The referendum is presented in "package form" as each part depends upon the other parts.

Parochial school expansion will help only a few children in the District. St. Ignace will only have two out of 10 classrooms for new students. Trinity Lutheran's expansion is to replace rented facilities. Holy Family serves East Meadow, Levittown and Hicksville so will not make much impression on the local school population. The same applies to Yeshiva School, Bethpage, which serves a 10-mile radius.

The State Education Dept. highly approves of the transfer of temporaries and has underwritten this phase 100 per cent and is advancing the School District 93 per cent of the buildings cost of the referendum.

Thomas Burke of Bruce Ave., former president of North East Civic Assoc., has launched a one-man campaign in his area against the proposition and his argument against the question is published elsewhere in this issue. A statement in favor of the proposition from Board President Carpenter is also published in this edition.

Asked for comment of Burke's opposition, Dr. Lamb said yesterday: "I am sorry that Mr. Burke is confused. In effect he is saying that two plus two equals five. If he will give me the basis for his conclusions, I will be glad to meet with him and discuss the misunderstanding. For example, on what basis does he conclude that 'school' is a 'weasel' word? Meanwhile, I will continue to try to show that two plus two equals four."

The four-page Szendy-Goebel letter to the School Board, dated Nov. 10, concludes "It is our considered opinion that a 'No' vote on the referendum at this time will demonstrate to the so-called rowers—that is, in our School District political set-up, that the people of this District are entitled to, and must be assured the right of selectivity; that the people of the District are not to have stuffed down their throats an all-or-nothing package; that in the application of their tax dollars an adequate, fully thought-through consideration of the impact of parochial construction, intended to serve the people of this area, must first be given before additional public funds are or can be expended."

DISTRICT GOVERNOR of Rotary, F. Gordon Edwards of Freeport (seated at left) made his official visit with the Hicksville Rotary Club officers last week. Seated next to him, from the left, are Dr. Samuel Elkind, president; Aaron Rochman, vice president; and John Wagner of Farmingdale, Governor's aid. Standing, from the left, are Dick Sollner, asst. secretary; Freeman Parr, secretary; John Heller, Dr. Kenneth Lant, directors; and John Hill, past president. Another director, Frank Mallett, was on the other side of the camera for this picture. Gov. Edwards spoke on the theme "Building Bridges of Friendship thru Avenues of Rotary." (Herald photo by Rotarian Mallett).

Fine-Free Week For Borrowers

The Hicksville Public Library announces a fine-free week beginning Monday, Nov. 16. This is a grand opportunity for delinquent borrowers to return long over-due books — no questions asked, all fines forgiven. Please bring your books in — we need them.

Eisemann Gift Fountain, Pool

A memorial fountain and pool which will be dedicated to the gift of Henry G. and Florence E. Eisemann to the Evangelical Lutheran School and Parish House Extension on W. Nicholas St. will be installed next spring. A special service of dedication will be held at that time, according to Rev. Edward H. Starnes, pastor of Trinity Lutheran.

At a recent dedication of the School and Parish House Extension held Oct. 18, a flagpole was dedicated as the gift of Morris and Rose Rothman.

Other gifts presented and dedicated at that time included the furnishing of the pastor's office by Adolph H. and Helen M. Rust.

Six classroom crucifixes were dedicated "in memory of William G. Suttler by his wife and family."

The use of a new playground on Richard St. thru the kindness of Henry G. and Florence E. Eisemann was also announced.

The enlarged Lutheran School includes 12 regular classrooms, science, arts and crafts, gymnasium, dining room, shower and locker rooms, youth room and youth patio, reception area, intercommunications system, health room, offices for the principal, vicar and pastor, church parlor, prayer church store, lavatory facilities, Sunday school office, business manager's office, duplicating-mailing room, custodian's workroom and new playground.

Dear Jean:

Congregation Shaarei Zedek has purchased the site for a new Synagogue. Fund raising was the topic of a congregation meeting Monday night. School calendar of Hicksville District includes both Lincoln and Washington's birthdays as holidays in 1960-61. If you are not registered to vote on the Nov. 19 Hicksville School bond question, this Saturday, Nov. 14, is your final opportunity. "Star Time '59" is the title of the Senior High Variety Show scheduled for Dec. 3, 4 and 5. The Comet, publication of Hicksville High, is looking better than it has in years. It is just packed with interesting information and news. If you have not donated as yet to the ERNEST F. FRANKCE MEMORIAL BUILDING FUND, you are reminded to do so without delay. Send contributions to either WM. E. KOUTENSKY, president of L.I. National Bank at 60 B'way, or HENRY G. EISEMANN, treasurer, 167 B'way, Hicksville. Big modernizations underway at McKEON LUMBER on Old Country Rd. Bids will be opened by the State of New York on Nov. 19 on the seven million dollar Floral Park grade crossing elimination. Hicksville can't be far behind now. Most pointed comment we read about the recent TV quiz hassle is this by JOHN CROSBY in New York Herald Tribune: "Television can't resist the popularity of its heroes one moment, and the next minute dismiss them as of no importance." Frankly, we never saw "21" the entire time it was on the air.

HERB JOHNSON, member of Hicksville Board of Education, probably travels further than all the other Board members together to get to a Board meeting. Almost every session he flies in from Boston, Atlanta, Syracuse, Bangor or some other place where he has been on business. He boards within hours or minutes of the meeting and rushes over to the High School, often without supper. Next month he is planning to make his first jet flight to Chicago. Hicksville School Board, at a recent meeting, answered a questionnaire from the State School Board Assoc. on the question of eliminating the annual School Budget vote. The local Board was unanimously opposed. MARC ANTONIO ORLANDO of 3 Ferndale Ave., Hicksville, arrested last February has been sentenced to 10 years in prison. He pleaded guilty to the charge of possessing 557 grams of heroin and was named by Federal agents as a kingpin in a narcotics ring.

Just got a renewal subscription from Mrs. J. J. SARFIELD of Cedar St., Hicksville and she states "GOOD PAPER" - that's what we like to hear - thanks a lot Mrs. S. Heard from Mrs. ARTHUR FERRO of Hicksville who was recently hospitalized and whom we are glad to report is feeling better than before her stay in the hospital. We hope she keeps up the good work and she wishes to thank all her many friends who sent her get well cards during her illness. Mrs. MARIANNE KUTNER of Field Ave., Hicksville is the new membership secretary of the Hicksville Alumni Assoc., Inc. She was elected on Monday evening when the group held a general meeting at the Hicksville High School. The Assoc. plans a dance for recent graduates of the school during the Christmas holidays. Mrs. VINCENT BRAUN of Third St. tells us she still has some of the Mercy League Cook-Books on hand and suggests they would be nice gifts to your hostess when you make your holiday visits. Mrs. Braun can be reached at WE 1-3173 and she will make sure you get one if you call.

We hear CONO BRIGANDI will not be running for Fire Commissioner this year. Reduced insurance premiums are now being offered for those small economy cars by Allstate. St. Gertrude's Catholic Church in Bayville celebrates its 50th anniversary with a solemn Mass of Thanksgiving this Saturday morning, Nov. 14. We hear a woman will be running for the School Board next May. In fact, it is reported she is running already. Aug. 21 was the 100th anniversary of the cornerstone laying for St. Ignatius Loyola RC Church in Hicksville.

Personal Mention

MORRIS ROCHMAN, well-known attorney and former Hicksville resident, has been elected president of the Long Island Assoc. More than 1,000 I.I. Business executives attended the dinner meeting at Garden City Hotel, recently. His brother, AARON, is president of Hicksville Chamber of Commerce.

DORIS S. HISCHE, daughter of Mr. and Mrs. Fred Hische of 11 Hope Lane, Hicksville, and a minor at NY State College for Teachers at Albany has been named to the Dean's List for the second semester, 1958-59. She will receive a BS degree with a major in Business and a minor in stenography.

Army Pvt. HERBERT J. JANSON, son of Mr. and Mrs. Klemens Janson, 40 Bulwer Ave., Jericho, is participating in a five-week large-scale field training exercise with the 2nd Armored Division in Wildflecken, Germany. The training is scheduled to end Nov. 20.

The Dutch Lane PTA will hold its first children's movie on Saturday, Nov. 21, at 1 P.M.

The presentation will be "Heidi", the winner of the Grand Prize at the Venice Film Festival.

All children of grade school age are invited. Admission will be 25 cents. Refreshments will be sold.

4-H Family Fair

The Levittown Leaders' Council will conduct a Family Fair this Saturday, Nov. 14, from 1 to 4:30 p.m. at Levittown Hall, Hicksville. The theme of the Fair is "Do your Holiday Shopping Early" and everyone is invited to attend.

13 Calls for Firemen in 7 Days

The Hicksville Fire Dept. was kept busy during the week ending Nov. 10, with five fire calls, two false alarms, five ambulance calls and one oxygen call.

The Plainview Theatre on So. Oyster Bay Rd. and Woodbury Rd. had a store room fire on Nov. 3, and the quick arrival of the firemen kept the fire area restricted. Later that day there was a false alarm from Buckner and Stamford Aves., and an oil burner fire at the Frank Rogawski home, 29 McAllister Ave.

On Nov. 4, the vans extinguished a washing machine fire in the home of Frank Feeley, 28 Ketchum Rd., and an oil burner fire in the home of Paul Cochran, 15 Pewter Ea.

Auto seat cushions in the 1953 Chevrolet owned by Margaret Marshall of NYC, a teacher at Park Lane School, caught fire while the car was in the school parking field on Nov. 6. She had just bought the car two days before. The same day the Dent ambulance transported two residents to Mid Island Hospital in Bethpage, the first of which was a Mr. Markert, 37, of 51 Walnut Ln. and the other Vincent Rini, 33, of 25 Holyoke Rd. Also on that day a faulty sprinkler in the P. L. Andrews Factory on Andrews Rd.

created a false alarm.

Saturday, Nov. 7, Henry Sterner, 41, of 51 Pewter Ea., was transported by ambulance to Nassau Hospital.

An oxygen call was received on Nov. 8, from 71 Lee Ave. for 2½ month old Kevin Callahan. The infant succumbed. The baby's mother is the daughter of Mrs. Edna Sutton, former members of Hicksville School Board.

Sunday also, Mrs. M. Sherman of Brooklyn, was taken by ambulance from 18 Edgewood Dr., where she had been visiting her daughter, to Meadowbrook Hospital.

On Nov. 9, Charles Amata, 57, of 130 Wilford Ave., was taken to Nassau Hospital, Mineola.

Discuss Nov. 19 Vote at Woodland

In line with the theme for this year, "Better Understanding of our Schools and Their Problems," Woodland Ave. School Parent Teacher Assoc. is holding a public meeting on Tuesday, Nov. 17, at which time six members of the School Board will be present to inform the members and all interested residents on the over-all picture of the School District Referendum before they vote on Nov. 19th.

The PTA officials urge members and their neighbors to attend this meeting at which time their questions could be answered by those who "are in the know."

Voters who failed to register on May 6, May 23, June 3, or Nov. 9, are unable to vote on Nov. 19, unless they register on Saturday, Nov. 14 from 10 a. m. to 8 p. m. The polls will be open from 11 a. m. to 8 p. m. on Thursday, Nov. 19.

Anyone needing a ride to the referendum meeting, may get one by calling Mrs. Rogers at WE 1-1779.

Last Saturday the parade in Seaford was cancelled because of rain. According to reports, the Seaford Post will try again next year.

On Sunday we went to the county service held in Collaheist. A short parade preceded the service and coffee and sandwiches were served upon return to the Colla-

heist Post.
Services were held this Wednesday at the Junior High School with all units of our post in attendance.

This past Monday the Sons of the Legion had their meeting at which time they set up their schedule for the coming year with drill team, color guard and drummers to start drilling at their next meeting under Bob Mangels, Pete Sietz and Harry Wells.

Our color guard will start their drill periods next week in order to be ready for next year's competition. Drills are the first and third Wednesdays at 8 P.M.

Short column this week. See you all at the meeting Monday night.

Operation VFW

Way M. Gages Jr.
Post No. 3211 Hicksville
By LOU TALLADINO

It's all set. Our 25th anniversary dinner-dance will definitely be held at the Millbridge Inn in Jericho on Saturday, Feb. 13. We even have the tickets made up with silver paper to show the occasion, so no mistake is made. We are all confident that this will be our biggest and best affair yet. So those of you who wish to get in on this one, make your reservations early. Everyone wants this to be a little bit extra, and the committee will do its best to accomplish this. In case you are interested call WE 1-9812 and ask for me, and we'll do our best to accommodate you.

We had a Cancer film at a recent meeting and it was educational. Mr. Vincent Nardella, Jr. showed it, gave a little talk and answered plenty of questions. He seemed terribly somber during the exhibition, and it was surprising to discover, when it came to having refreshments, that he had a wonderful sense of humor. We were a little disappointed at the turnout. Maybe it didn't receive the publicity it deserved, but we did hope for a better turnout. That's the way the ball bounces.

At the last regular meeting, we swore in Albert Miceli as our newest member. We were very happy to add this comrade to our roster, and would be pleased to have any other new member wishing to be a part of our post. To Bert, we say welcome to our family.

Plainview VFW asked our okay to run Bingo in Hicksville. Not having a game of our own, we had no reason to refuse these fellows. Especially in view of their wanting to have their own Post headquarters.

This takes a lot of work, by a large group of men. It's no easy task running a bingo game. Lots of cooperation is needed. Understand it will be held on Wednesday nights at the old A & P store on Broadway.

The Ladies notified us that they are having a card party tonight (Thurs.) at Post Headquarters. This is supposed to be a small affair. Naturally we will look in to see how they make out. It isn't supposed to be publicized either. Our commander, Bob Obermeyer is usually there to see if they need a hand.

Left to right at Hicksville Scout headquarters are Mrs. Edward Propper, Council president; Susan Jackson, senior Girl Scout of 48 Flower St., Hicksville; Virginia Beard, Brownie of Seaford; and Theresa Campbell, intermediate Scout of 102 Parkview St., Plainview.

Arrowhead BSA District Meets

The Arrowhead Boy Scout District Committee will meet on Nov. 17, at 8 p.m. at Hicksville High School.

All institutional Representatives and members of the Operating Committees should attend. The operating Committees are: Advancement; Camping & Activities; Finance; Health and Safety; Leadership Training; Organization & Extension; and Public Relations.

Units should be represented by their Institutional Representatives. An in line Committee's Conference will be held on Feb. 25.

School Financing Session Tuesday

Plainview School officials announce that speakers representing major educational groups in New York State will discuss state financial aid legislative proposals of their organizations at the L. I. Conference on School Legislation to be held at the Jamaica Ave. School, Plainview, next Tuesday Nov. 17, at 8:30 p.m.

Clyde Moore, President of the N. Y. State Educational Conference Board; Dr. Raymond Ostrander, representing N. Y. State Council of School Superintendents; Ralph Baileigh of L. I. Committee of Fifty on School Finance; Mrs. Dwight Simmons of the N. Y. State School Boards Assoc. and Terry Weathers of the July 27th Tax Relief Resolutions, will be the featured speakers.

All Long Island Legislators will be invited so they may be familiarized with the various proposals for tax relief for local school districts that will reach the Legislature when they reconvene in Albany in January.

A Tribute-- To Our Laborers!

Sometimes we forget that the unsung man who mixes cement or repairs your motor car is worthy of the highest commendation. Could YOU, the average citizen of this town, handle a trowel or cure the costly ailments of a temperamental car? This requires specialized knowledge and this is the day of highly-trained specialists. The Laboring Man, whatever his calling, is a factor in our community life that cannot be discounted. Look upon him as someone who contributes largely to your modern way of life. Pay him the respect that is due his trade or specialty . . . and remember that he, too, is one of our good citizens!

JOHN F. DEMING of Garden City, well-known around Hicksville and Long Island for his activities as regional manager for the NY State Dept. of Commerce, has been appointed director of the Commerce Dept's New York City office. He took up the \$13,500 post on Nov. 1.

R. C. RUSSUM, of 45 Peach Tree Lane, Hicksville, manager of the

service station dept. of Cities Service Oil Co., has received a certificate for completing New York University's special two-week program of studies in retailing for petroleum executives.

JOHN M. ACKER of 2 East St., Hicksville, is a qualified instructor in radiological monitoring. He is among 30 Nassau County volunteer

Install Lutheran High Principal

Rev. Elmer F. Eggold was installed as the Executive Director of the Lutheran High School Assoc. of Nassau and Suffolk and as Principal of the proposed Junior-Senior High School at Brookville, on Sunday, Nov. 8.

Rev. Eggold is entering this position with years of experience. He was instructor and coach at Concordia Teachers College, River Forest, Illinois; Principal of Lutheran High School, Racine, Wisconsin; and Principal of the Lutheran High School, Milwaukee. He received his Master of Arts Degree from Marquette University, Milwaukee, Wisconsin, in 1943.

Pastor J. C. Hinsch, the principal and teachers, and five school children from Good Shepherd Lutheran Church, Plainville, took part in the service. The five children joined with more than 80 other Lutheran children in singing the anthem, "Savior, Like a Shepherd Lead Us."

Rev. Clifford G. Meyer, Pastor of St. Paul's Lutheran Church, East Northport, delivered the sermon. The Rev. Jacob W. Leininger, Pastor of Christ Lutheran Church, Woodside, and Regional Vice-President of the Atlantic District, the Lutheran Church-Missouri Synod, administered the rite of installation.

County Tax Rate To Rise 10 Cents

Nassau County's proposed budget for 1960 was filed in Mineola, on Monday at the close of the business day by County Executive A. Holly Patterson. It calls for an increase of 10 and 7/10ths cents on the tax rate, \$1736 on each \$100, or approximately \$100 on each \$1,000.

Total expenditures are estimated at \$72,833,939, with \$2,437,100 for 769 requested new employees, 311 to staff the Home for the Aged and Infirmed to be opened during the year.

Highlighted in the annual message of the County Executive is a proposed new wage schedule for the Nassau County Police Department, averaging about \$400 a man. Patterson points to the necessity of "keeping salaries of the Police Dept. on a par with those of adjoining municipalities."

There is no general, "across-the-board" pay raise proposed for County employees, although there are provisions for many increased benefits, including the start on Jan. 1st of a 26 pay-level-per-year plan. Health Insurance, increased Social Security, Civil Service increments, plus other adjustments.

The proposed tax rate brings to 26 cents the total tax rate increases in the past five years. County Executive Patterson, in his budget message being mailed out to 4,000 civic and community leaders, expresses the opinion that "this is not excessive in view of Nassau's terrific expansion in the past five years."

Beaux Arts Ball a Success

The Art League of Birchwood Park sponsored by the Civic Assoc. presented its second annual costume ball.

Any affair held at a beautiful place, with the wonderful music of Irv Dwyer, would be an exciting one, but this event, with the spectacular original costumes, made Halloween Eve a memorable one.

CIVIC PROFILE Nominating Group in Session

BY GIL STEIN

Leon Newman of 226 Birchwood Park Drive is 38 years old, a fine player and highly devoted to the game of golf. He is that rare individual who has made a vocation of life from his avocation of past years. Since April, Leon is a full time Stock Analyst and Trader. This has been a rewarding venture and he hopes in the not too distant future to be able to purchase a seat at the New York Stock Exchange and with it, to open his own Brokerage firm. Prior to April and for 9 years he held important positions as Administrator and Finance Officer in various corporations. He is a graduate of the Accounting and business administration school of the City College of New York.

The Newman home is a tastefully furnished split level affair, presided over by warm hearted and charming wife, Sylvia, and two delightful and pretty daughters of teenage, Lesley 15 and attending Syosset High School as well as Sharon, aged 13 and attending Syosset Junior High. Sylvia as well as Leon were born and raised in Brooklyn. She met hubby at a tender age, and after but one Saturday afternoon date both decided to become engaged following Monday. The wedding took place 15 months and literally miles of beautiful love letters later.

From 1941 to 1945 Leon Newman, Sgt. Major U.S. Army, was stationed at Albuquerque, New Mexico, where incidentally Lesley was born. After the war the Newmans returned to Brooklyn where they lived prior to Birchwood in their own home in East Flatbush, Sylvia, a former secretary, is a real whiz at interior decorating. Now that 226 Birchwood Park Drive is completely furnished and all friends and relatives have been entertained there, Sylvia may weaken and join one or several of Birchwood's 1001 local organizations.

The Newmans intend to stay not here, in spite of such temporary inconveniences as "Chambering" around Lesley and Sharon whose teenage social life seems to add more and more mileage to the two family buggies. During the summer there is the Jericho Country Club although Sylvia would love to do some traveling and she is working on Leon in this regard. Yes, the Newmans like it here and in the short time of a year all of their neighbors have become good friends.

Leon, a member of the Syosset Education Committee of our Civic Assoc., has also been a member of its Board of Directors for the past year. He has never missed a meeting, takes a great interest in community affairs and as a Director is outspoken, a "Doer", and a "follow-thru". He is somewhat disappointed in those Birchwoodites who have not as yet joined our Civic Assoc. His dislikes include television which according to him is a killer of real

The Nominating Committee held its first meeting last week in preparation for the next Civic Assoc. elections. Your reporter, who is privileged to be a member of this Committee, attended the meeting without any previous knowledge of the procedure to be followed. We left after many hours of discussion and debate, finally convinced of the following facts:

Regardless of whom the Committee may nominate, every qualified resident has an equal opportunity to run for any office, or for the Board of Directors.

There was, in no single instance, an arbitrary selection of a candidate for reasons of "politics" or "nepotism". For each office at least two (and sometimes four) candidates were voted on before a selection was made. Each vote was preceded by a considerable discussion of qualifications, experience, and proven ability. Neither the Board of Directors nor the officers of the Civic Association have any prior commitment to endorse the candidates.

selected by the Nominating Committee, nor is their endorsement required.

The Committee realizes that it may have overlooked some residents with excellent qualifications, or that new, qualified residents may be unknown to its members. The Committee urges that such residents take the necessary steps (as described in the VILLAGER) to place themselves, or their neighbors, as candidates. In this manner, our voters may be assured of the opportunity to select the ablest representation in Civic and Community affairs.

President's Corner

by RALPH DIAMOND

It was shocking to learn from our discount dealers that residents of our community are borrowing Civic Assoc. membership cards in order to obtain discounts. This highly unethical practice must be immediately stopped. Our members are just as entitled for lending their membership cards as the non-members who take advantage of the situation.

Any resident of Birchwood who does not care to join our Civic Assoc. certainly has that right; however, we feel strongly against any such individual taking advantage of the benefits of our membership. The outstanding work of our Civic Assoc. certainly we have the support. Now that we have the discount system in operation, the \$5.00 dues is no longer an expenditure, but is, in reality, a financial savings. We therefore, urge every resident who is at the present time not a member of our Civic Assoc. to join us in our efforts to make this a better community. We further suggest, to our members, that they do not lend their membership cards to non-members, but rather do their best to urge said resident to become a member.

I am very pleased indeed to see the tremendous success of our discount program. Already many thousands of dollars have been saved by our members. At the beginning of our program there was some misunderstanding on the part of the discount dealers. However, we believe that this obstacle has been eradicated. Members should not hesitate at any time to take advantage of our discount program and save ourselves money. It is quite a thrill to present one's membership card and in return obtain a financial savings.

Due to many requests from our membership, I have listed the names of our discount dealers:

To Speak Here

JOHN STANLEY GRAUEL

In the first of a series by noted lecturers on topics of current interest, the Jericho Jewish Center will present a lecture by the noted John Stanley Grauel at its Oreg Shabat on Friday night, Nov. 13, at 8:30 p.m. in the temporary quarters next to Meadowbrook Bank in the Birchwood Park Shopping Center.

John Grauel is the youthful former student for the Protestant ministry who, in the midst of his studies and services to several country churches, gave up his pastoral efforts out of sympathy for the plight of the oppressed in Europe. He joined the American Christian Palestine Committee, which he served in several positions, and joined the Hagana, the Jewish underground army and navy. He became a member of the "Palyman", the son-in-law of the celebrated Palmach, dubbed "John the Priest" by his associates, he became a legend in the midst of legends of those stirring days. Time and circumstances lead him to the deck of the renowned "Exodus". His lecture will be based on his eye witness account of this episode, which was embodied in a report to the United Nations and served as a deciding factor in the formulation of the United Nations resolution on Palestine and the eventual establishment of the free and independent State of Israel.

The Jericho Jewish Center invites all its members and friends in the community to attend and hear Mr. Grauel in what promises to be a most informative and stimulating presentation on a subject of great interest.

This Takes The Cake

Sisterhood Temple Or-Elohim, Reform Temple of Jericho will have as its guest at its Paid-Up Membership Luncheon on Nov. 17, at the Maine Maid, Edward Sawkins, Master Baker, will demonstrate and teach the women how to become professional cake decorators. Aside from this artistry, Mr. Sawkins has also, in Australia, revised the Navy's recipe and use of dehydrated eggs. An interesting and enjoyable afternoon, with a choice menu has been planned for you. Call Clara Friedman WE 8-6934 for your reservation. Sisterhood will treat its members.

Thursday, Nov. 12, The Jericho Chapter of Hadassah's Board will be having tea at Gracie Mansion, home of Mayor and Mrs. Wagner. The National President, Dr. Miriam Freund, and Mrs. Wagner will present a citation to the board. This is a great honor which the members of the board worked quite diligently for, doubling their Membership three times over since last year. Only five Nassau Boards out of about 30 or more reached this amount and the women are mighty proud of the Jericho Chapter.

There were big doings Halloween night at the Costume Party of July

an Al Lyons of Forest drive. Thirty-four people were in attendance and a great time was had by all. It was told that no one wanted to go home.

Chelle Saltzman of Maiden Lane won first prize for girls at a recent Halloween Party dressed as a Poodle (the costume was unbelievably realistic) Barry Jacobs of Maytime Drive won first prize for boys dressed as a Cigar. He looked real enough to smoke.

Welcome home to Diane and Karol Eder of Middle Lane from Florida Janut and to Mary and Isadore Weisman of Hightop Lane from Grossinger's. (Mary was the recent winner of a Grossinger two-day vacation at Hadassah's Huntington Town House-luncheon). Home from California is Blanche Gorchik of Forest Drive. (Blanche's brother finally did it. He got hitched! (Married!) Lots of Luck.

Get well-wishes to Ed Sherman of Magnolia Lane recovering from an auto accident.

The Lerner family of 401 Village Drive are all celebrating birthday's this Month but Mother Ann. Daughter reached 13. Son Don and

Dad Bernie both have the same birthdate Nov. 19th. Don's friends made a surprise Party for him. A big birthday wish of happiness for all.

Don't forget Saturday, Nov. 14, is the George Jackson School's Kidie Show. There will be Zippie the T-V, Chimp and Poochi the Clown. Performances at 11 a.m. and 1:30 p.m. The big kids and small kids will have the time of their lives. Come one come all.

Happy Birthday to Barry Jacobs of Maytime Drive.

Diane Lupinsky and Nola Zirin were among the winners in a Poster contest of Fire Prevention Week sponsored by the Jericho Fire Dept.

Happy Anniversary to Charlotte and Martin Bronson of 2 Fair Lane. (It's their 18th) Congratulations to the Bill Sussmanis of Forsythia Lane on the Birth of their son.

Attention! All local Bingo enthusiasts please pay, do not walk, to the East Nassau Hebrew Congregation on Monday evening, Nov. 16! Rabbi Appelbaum of said Congregation has most generously offered to donate half the evening's proceeds to the Mark Haas-Larry Lesser Jericho Chapter of Cancer Care. A tremendous turn-out is expected, so come early—come one—come all!

To climax its busy November schedule, ORT will hold a Winter Wonderland luncheon and fashion show at the Villa Victor Restaurant on Saturday, Nov. 28, at 12:30 p.m. Roast beef will be served and Buckner's of Mid-Island Plaza will feature Mr. Mort fashions in a gala show. Bring your friends and family to this enjoyable ORT event. For tickets call Elfin Berman, WE 8-2017, or Joan Larch, WE 5-1434.

The first general meeting of Coptic Filmclub Monday, Nov. 16, at 8:30 at 270 Birchwood Park Drive will feature Dr. Sidney Fried, chief psychologist of the Amityville schools, speaking on "The Sexual Development of the Child." An extra treat is in store when two tickets to a "Broadway Show" will be raffled off among paid up members. You can still join on Monday and be eligible for the drawing. Every new member will receive a bottle of perfume and dinner credit will be given to those who bring new members.

Jericho Jewish Center welcomes the Rev. John S. Grauel, as its Guest Speaker at their Omeg Shabbat Services, Friday Eve, Nov. 13, at 8:30 p.m. Services will be held in the Store adjacent to the Bank in the Birchwood Shopping Center. All members are urged to attend a most informative and interesting evening.

How very lovely—the very decorative waste-baskets and tissue dispensers that Naomi Circle is making for their donor project. Orders are being taken NOW. Let us know your color scheme or that of the party you plan to give the next up to us. For further information call Miriel Modensky, WE 8-6939 or Doris Bernstein, OV 1-2718.

Ruth Edwards, watch out! Circle Hannah will surpass you in suspense, entertainment, and excitement when they present their program for the December Meeting, "This is Your Life." It will be an open meeting and everyone is cordially invited. Refreshments will be served afterwards as a delightful finishing touch to a good show. Make a date with your husband and bring your friends, to attend this interesting presentation which promises to be a most successful social event.

Jericho Education Group Has Speaker

BY LEO GEYER

Dr. Bernard Feder, on the faculty of C. W. Post College, addressed the Jericho Education Committee of the Birchwood Civic Assoc.

He indicated that a group of this sort could be quite useful as a forum between citizens of communities and Board of Education. Specifically, it could act in an advisory capacity both to school and to civic association.

Such a group might act as a "watchdog" group in that it might recommend on the basis of a more careful study than could be made by the average citizen, courses of action with regard to budget affairs, qualification of school board candidates and other matters of concern.

A very lively question and answer session was then held. A motion was then made and seconded that we invite all representatives from other education subcommittees within the school district in order to help form educational policy.

entertained by Harry Belafonte at a theatre party sponsored by the JJC Sisterhood at the Palace Theatre on Sat. night, January 16.

Orchestra, \$8.50; 1st Mezz., \$7.00; 2nd Mezz., \$6.00; 1st Bal., \$4.50; 2nd Bal., \$3.50.

Orders will be taken until Sunday, Nov. 15, by Rochelle Lumbert at WE 8-0846 and Beverly Cohen at WE 8-8242. Let's not tarry—come see Harry.

The members of the Jericho Jewish Center Sisterhood are very enthusiastic about their forthcoming New Year's Eve Party, which will be held in the beautiful new wing of the Huntington Town House. Everything guaranteed to make this the most gala night of the year is included at \$20 per couple. Delicious food, unlimited liquor, musicians and dancing all night to a five piece orchestra. Reservations are going fast. For tickets and table arrangements, call Shirley Jaret at OV 1-2049 or Terry Steiner at WE 5-7015.

New Model???

For the residents of Birchwood who are curious about the construction of a home at the beginning of Birchwood Park Drive, it is not a New Model. A Dentist has bought a West Birchwood Mallette and prefers to live in Birchwood Park at Jericho.

ORT Sabbath

ORT Sabbath will be held Friday evening, Nov. 20, at both the Jericho Jewish Center and Temple Or-Elohim. ORT members will act as hostesses.

Observed annually, ORT Sabbath is sponsored by Women's American ORT to give thanks for ORT's successes in rehabilitating Jewish lives through vocational training. Chanters of ORT all over the country join in observing ORT Sabbath.

Civic Profile

(Continued from Preceding Page) community life. Were people only to attend committee meetings and not active in our civic associations, they would not know one another socially, enjoy this, and at the same time they would help to solve our common problems. He feels that as well as our children, would benefit greatly from this.

No report on the Sewmans would be quite complete without mentioning the fact that the home and dining rooms at 226 Birchwood Park Drive are located in the Jericho School and Fire districts. The rest of the home is, of course, part of the Syosset School and Fire districts. To some of us this might be rather confusing geographical ability. Not so to the Sewmans. They know that the village of Birchwood Park at Jericho is their home. Leo is one of its newer residents, but fortunately for this community he is one of the residents who real estate as well as human values here are definitely on the upgrade. Were a toast be permitted to this resident, we would drink a toast to many, many good and happy years to Sylvia, Leon, Lesley, and Sharyn Newman.

Jericho Players Change Plans

Casting trouble—lack of 22 males—have necessitated a change in the production plans of the Jericho Players of the Birchwood Civic Assoc.

At an emergency session of the

Players Board, it was decided to replace "Detective Story" with "All My Sons." This play does not require so large a cast of male performers.

Since the performance date of the

weekend of December 18th and 19th at the Syosset High School had already been reserved and paid for, it was important to get into production immediately. Scripts were purchased, and Allan Fristoe, the Director, selected the cast Monday evening, November 2.

School Building Program

This year we have 12,929 public school pupils. ELEMENTARY SCHOOLS: We have eight schools, seven modern and one frame building built in the 1880s. All buildings are in full use. We are using the libraries, special purpose rooms, offices, cafeteria and stages for teaching stations in all our elementary schools. In addition, our kindergarten classes are on a 12 hr. 1 two-hour day and all of our first grades are on a four-hour day.

JUNIOR HIGH SCHOOL: This building was originally built in 1924. Originally built for 800 students; now enlarged for a rated capacity of 1900 pupils. We have in the building this year in the 7th, 8th and 9th grades, over 2755 pupils. We are using all special areas and former offices (office and clerical help are now temporarily in a store building on Broadway) for teaching stations. We can "get by" this year but will need more rooms next year or "just out all over."

SENIOR HIGH SCHOOL: This building has been occupied only four years. (This school year will be the 5th). The auditorium is still large enough to hold the Hicksville teaching staff (almost 700), but the Senior High pupils must go in shifts. This building was designed to accommodate 1600 pupils. This year we have approximately 1672 in the 10th, 11th and 12th grades. Next year we shall have almost 1900 and ten years after about 2300 pupils in these three grades.

DR. MCCORMICK'S ESTIMATE OF PUPIL ENROLLMENT

Year-Sept.	Elementary	Jr. High	Sr. High	Total
1959	8750	2770	1680	13,000
1960	8600	3185	1700	13,545
1961	8425	3395	2125	13,945
1962	8170	3420	2615	14,205
1963	7775	3545	2995	14,315
1964	7315	3720	3490	14,525

EXPECTED DECREASE IN ELEMENTARY ENROLLMENT: You can see by the above chart that in September after next (Sept. 1961), Dr. McCormick forecasts a decrease in the elementary pupil load and a continuing decrease thereafter. THIS IS WHY WE BUILT THE TEMPORARY ROOMS, this is why we can now move them (over the next four years) to the Junior and Senior High School locations.

We can speed the relocation of the temporary rooms by building a permanent replacement (the Henry J. Stock Elementary School for 80-year-old frame building on Nicholas St. By continuing to use Nicholas for 10 years, we will have freed 14 more temporary rooms for relocation from elementary to secondary school locations, without adversely affecting the elementary situation.

We are hoping, along with St. Ignatius parishioners, that their school addition will be ready for use by Sept. 1960. If all the additional elementary pupils they can handle in the new classrooms (and at the same time reduce present class sizes) come from Hicksville alone, approximately 172 more children will be removed from public to parochial schools, thus freeing approximately six more temporary rooms.

Holy Family parish, if they can place 600 elementary pupils by Sept. 1961, will release 20 more temporary rooms for the Junior and Senior High School. Thus with the help of St. Ignatius and Holy Family Elementary School construction we can move the temporary rooms to the Junior and Senior High Schools, without adversely affecting the elementary situation. With your help and assistance the quality of Hicksville Public School Education can be improved without setback.

If you are not registered, be sure to do so this Saturday, Nov. 14, between the hours of 10 a.m. and 8 p.m.

The referendum is Thursday, Nov. 19, with the polls open from 11 a.m. to 10 p.m.

Mr. Krummenacker, who was a long time resident of Hicksville, was the husband of the late, Barbara (nee Griner). He is survived by a son, John, Jr.; a daughter, Dolores Knoll; two granddaughters, Sandra and Susan Knoll; two brothers, Andrew and Joseph and three sisters, Dorothy Hartman, Catherine Robrecht and Barbara Rottkamp.

Mortimer Collins

Mortimer Collins of St. James, formerly of Hicksville, died recently in Port Jefferson Hospital, at the age of 84. A native of Berlin, Maryland, Mr. Collins moved to Long Island with his family 32 years ago.

He leaves his wife Daisy (nee Parsons) Collins, five sons, Wallace and Denward of Hicksville, John of St. James, Ernest of Cromwell, Conn., and Samuel of West Palm Beach, Fla.; a daughter, Mrs. Ruth Jarmen of Oyster Bay. Also surviving are 12 grandchildren and four great-grandchildren, four sisters, Mrs. Nellie Post, Mrs. Laura Taylor, Mrs. Mamie Hastings, Mrs. Della Ayres; and a brother Clayton, all of Maryland.

VOTERS GOT THE MESSAGE from the group of Republican ladies who telephoned all enrolled party members during the period just prior to election day under the supervision (standing in background) of Kay Dowling and Michael D'Auria, GOP campaign chairman. Extra phones were installed in Town GOP Headquarters at 146 Newbridge Rd., Hicksville. (Photo by Frank Mallett).

It's Your Decision, Too

By THOMAS A. BURKE
98 Bruce Ave., Hicksville

One of the most serious problems facing us today is the wasting away of the American dollar.

We have watched it lose more than one-half of its value since 1934. This loss of buying power over the past 25 years may be attributed to many things, but chief among them has been the "spend and expand" policy at all levels of government—whether it is the Federal Govt. in Washington or a School Board body in Hicksville.

With lamb-like meekness we permit legislators and office holders to pick our pockets for tax money with weasel words like "schools, necessity, economy, relief," etc.

Preying on our natural desire to do the best for the country and children, those in office have no trouble spending every cent they can lay their hands on and inventing ways to get still more.

We strike down the primrose path as costs go up, dollars buy less, and savings dwindle.

The deterioration of the dollar can be stopped in only three ways—curtail needless expansion and activities, reduce costs, retire debt. We recognize this at the family budgeting level but beyond this we continue to prove at every election and referendum that the majority of the voters are easily deceived or haven't the gumption to resist financial aggression.

WE MAY PROVE IT AGAIN ON NOV. 19 — but I hope not.

On Nov. 19, the Hicksville School Board will ask our permission to spend \$2,092,250. Of this amount, we are asked, among other things, to approve the use of:

(1) \$125,000 for the purchase of 5 1/2 acres of land, a portion of which will be used for, of all things, a practice football field (2 aren't enough—a part for parking and most of it for nothing at all).

(2) \$305,000 for the construction of a gymnasium (with bleacher space) to replace a perfectly fine auditorium-gym which the school has used without real complaint for 20 years.

(3) \$802,500 for the erection of a 14-room school to serve grades K-3 on an ill conceived site which will use more space for parking than for kindergarten—will be built at excessive cost and not save on transportation.

If ever an example was needed of "pork barrel"—this is it.

If ever an example was needed to show how to obtain the least value for the greatest cost—this is it.

If ever a referendum deserved a resounding "no" vote—this is it.

THE REASONS

Additional rooms at the high school are needed. It may be adequately proven that more classrooms are required in Hicksville, and it is unquestioned that the temporary rooms must be moved to the Junior and Senior High Schools. The argument arises as to how many, at modest class size, are really needed and where they are, or will be of greatest use at the lowest cost.

The Willet Ave. Site is, it is true, one of the few areas in the north section of Hicksville currently available. But does its mere availability make it the NECESSARY site for expansion? NO.

Every elementary school in Hicksville (Nicholas excepted) has temporaries attached. These "temp's" must be moved to the High School. When moved why cannot the permanent structures be erected on these existing sites? The ground is there, paid for. The heating plant is there. The cafeteria and gym and auditorium—the principal, the doctor or

nurse, the library—they are all there. Duplication of these is a waste.

The cost of the Willet Ave. construction, exclusive of land, amounts to \$2,125 per student as measured by the State Education Dept. methods. By comparison the median for elementary schools in "down state" New York (Suffolk, Nassau, Rockland, Ulster, etc.) is \$1,245 per student. In other words, we may be paying more than \$931,500 over the median for comparable areas.

More expense—more taxes. For the additional 5 1/2 acres of land to be acquired for the Senior High School we are asked to pay \$125,000. Excessive? You bet.

Only last year we purchased the Willet site for \$17,700 per acre.

This land of less value will cost us \$22,700 per acre. A \$5,000 rise.

What is this land to be used for? For buildings? No. It is to be used for a third football field—for parking and for grass area. We can't take care of the grass areas we have now.

It may be noted that the Hicksville School District has MORE LAND RIGHT NOW devoted to baseball and football fields and play areas than any of the more than 65 School Districts on Long Island.

The Board tells us that the purchase of the land is required by the State. No mention is made as to how waivers of such requirement may be obtained and they can.

Every school in New York City fails to meet this requirement. Our East St. and Nicholas Schools fail to meet it. Waivers can be obtained but why try? Let's have.

More needless expense—more taxes. We are asked to approve the use of close to \$300,000 for a gym at the East St. School—with bleacher space (at \$16 a square foot) we 7 to 10 years olds can scamper over them.

Why do we need the Gym? Because, in the words of the Board "the addition will also make possible for the first time adequate cafeteria facilities which other schools have."

Reader Opinion

Election Comment

To The Editor:

I read with interest your account of the results of last week's election. Judging from the number of comments I have received I would say that your account fails to present a true picture of the results.

You print the tally of votes cast by election district for Mr. McGinness (sic) and Mr. Sutter side by side as if they had been running against each other. On the ballot, Mr. Sutter's name was actually directly below Mr. Ocker's. The vote there was 7,078 for Mr. Sutter and some 7,450 for Mr. Ocker.

The Democrats have favored direct representation on the Town Council for geographical areas like Hicksville for several years. The Republicans have favored the status quo, claiming that each Councilman represents the whole Town. Thus large unincorporated areas like Hicksville are left with no particular representative to bring its problems before the Town's legislative and administrative body. By Republican policy, Mr. McGinness was not running against Mr. Sutter, although the contrary was indicated by your paper.

May I also say that not one of the thousands of voters who supported the Democratic party in Hicksville this year with their votes and with long hours of work for a cause they believed in, has signified dissatisfaction with the Democratic platform or campaign. The 400 or so Hicksville residents who gave their time to present Democratic principles and platform to the electorate did so in good faith and with sincerity and conviction. Now would be as good a time as any to congratulate them for a job well done.

IRENE L. MURPHY
Hicksville Democratic Zone
Chairman

Almost every school in the District now uses a gym or auditorium for a dual-purpose. Woodland Ave., for example, uses their auditorium for a cafeteria.

The proposal will actually bring East St. facilities not "up to" others but make them far superior. It will have an auditorium, gym and cafeteria, each for its own purpose.

It may be noted that while the Board doesn't think highly of putting classrooms on space made available when the temporaries are moved, it is willing to put a gym at the East St. School when the four "temp's" that now occupy the site are moved.

The Board tells us "these projects are all a part of one plan." How true. The plan is to foist on the taxpayer some needless expense for needless projects. The unfortunate decision of the Board, whether by mistake or intent, to make the referendum an "all or none" proposal is the most blatant example of pork-barreling witnessed in years.

We have two choices: Vote "yes" for needless expense on some items, or vote "no" to require the Board to present separate proposals on all items in the near future. THE DECISION IS YOURS!

Did You Donate To Francke Fund?

The Committee is now on the homestretch for donations directed to the Ernest F. Francke Memorial Building Fund and checks may be mailed to William E. Koutensky, president, L. I. National Bank at 60 Bway; or to Henry C. Eisenmann at 167 Broadway, Hicksville. Koutensky is chairman and Eisenmann is treasurer of the fund.

One-Man Painting Show for Mrs. Hoebel

A one man show of the paintings of Mrs. Olga Hoebel, 30 Terrace Place, Hicksville, is going to be held in the Little Gallery of the Center of Creative Art, 8 St. Luke's Place, Baldwin, from Nov. 14 to the 28. Landscapes, portraits, marines and still life in oil and pastel will be shown. A reception will be held at the gallery on November 14th from 3 to 5 p.m. The gallery will be open to the public from 10 a.m. to 12 p.m. and from 2 p.m. to 6 p.m. every day except Thursday and Sunday.

Twins' Mothers To Form Chapter

A meeting of the Twins' Mothers Club of L. I. will be held Thursday (tonight) Nov. 12 at 8:30 PM at the East Lake School, East Lake Ave., Massapequa. If enough mothers of twins in the Mid Island area are interested a local chapter may be formed. For further information call Mrs. Louis Pius, OV 1-0472.

NOTICE OF SPECIAL DISTRICT
UNION FREE SCHOOL DISTRICT
No. 17 OF THE STATE OF NEW YORK
RAY, NEW YORK

NOTICE IS HEREBY GIVEN that pursuant to a resolution of the Board of Education of the Union Free School District No. 17 of the State of New York, a Special District Meeting of the qualified voters of said School District will be held on NOVEMBER 18, 1959, at 11:00 o'clock A.M. (P.M.T.) in the second Union Free School District located below for the purpose of voting upon the following Proposition:

PROPOSITION:
RESOLVED: That the Board of Education of the Union Free School District No. 17 of the State of New York, in the County of Nassau, New York, do hereby authorize:

1. to construct a K-8 elementary school building on the Willets Avenue site, in said School District, hereafter acquired and not owned by said District, to grade and improve the site and to purchase the original furnishings, equipment, machinery and apparatus required for the purpose for which said building is to be used, the estimated maximum cost of said specific object or purpose, including preliminary costs and costs incidental thereto and the financing thereof, being \$252,200;

2. to acquire by purchase or condemnation a certain piece or parcel of land situated on the west side of Hicksville Avenue, Hicksville, in said School District, on a part of the site of said existing building, in said School District, hereafter designated as an addition to said site pursuant to resolution adopted by said Board of Education on October 9, 1959, the estimated maximum cost of said specific object or purpose, including preliminary costs and costs incidental thereto and the financing thereof, being \$125,000;

3. to construct an addition to the existing Senior High School Building, in Hicksville, in said School District, on a part of the site of said existing building, in said School District, hereafter designated as an addition to said site pursuant to resolution adopted by said Board of Education on October 9, 1959, the estimated maximum cost of said specific object or purpose, including preliminary costs and costs incidental thereto and the financing thereof, being \$250,000;

4. to construct an addition to the existing East Junior-Senior High School Building, in Hicksville, in said School District, on a part of the site of said existing building, in said School District, hereafter designated as an addition to said site pursuant to resolution adopted by said Board of Education on October 9, 1959, the estimated maximum cost of said specific object or purpose, including preliminary costs and costs incidental thereto and the financing thereof, being \$125,000;

5. to construct an addition to the existing Senior High School Building, in Hicksville, in said School District, on a part of the site of said existing building, in said School District, hereafter designated as an addition to said site pursuant to resolution adopted by said Board of Education on October 9, 1959, the estimated maximum cost of said specific object or purpose, including preliminary costs and costs incidental thereto and the financing thereof, being \$125,000;

6. That the estimated total cost of all the above proposed objects or purposes, including preliminary costs and costs incidental thereto and the financing thereof, is \$2,000,000 and that the amount of the aggregate of all the above proposed objects or purposes, including preliminary costs and costs incidental thereto and the financing thereof, is \$2,000,000.

That in anticipation of said tax bonds of said School District are hereby authorized to be issued in the aggregate principal amount of not exceeding \$2,000,000 and that a tax is hereby voted to be levied on said bonds and the amount of the aggregate of all the above proposed objects or purposes, including preliminary costs and costs incidental thereto and the financing thereof, is \$2,000,000.

Inter. League Has Awards Day

The Hicksville International Little League held its 5th Annual Awards Day on Saturday, Nov. 7, at the Hicksville Playhouse. Robert Flanagan and Frank Moniz, outgoing President and Player Agent respectively, presented the awards to an enthusiastic crowd of 300 Little Leaguers and their parents and friends.

In the Minor Division, statistics were presented to Robert Flanagan Jr. for leading the league in batting and to Joseph Myers as the pitcher with the best record. In the Minor Division, Richard Rucione and Kevin Siler received similar awards for leading their division in the same departments.

HONOR TOP TEAMS

The players, coaches and manager of the Marder's Shell Station team received awards for leading out all competition in the 16 team highly contested farm division. Like awards were also presented to the Kiwanis sponsored team for taking the number one position in the Major Division and the Farmer's Furniture sponsored team for knocking out all competition in the Minor Division.

The League's all star team also came in for some recognition this year. This team went higher in the National Championships than any other International League team has done in the five year history of the League. The players, manager and coaches, headed by Jim Cooper as manager also received moments of their participation.

Ed. Farrell, chairman of the sponsorship committee and a tireless worker since the inception of the league received a framed certificate from the league expressing its gratitude for his outstanding work.

The officials and the league as a whole joined in an expression of thanks to the many civic minded business men in Hicksville who sponsored teams and without whose cooperation, the Hicksville International Little League would be unable to operate. Their generosity in making funds available to assist in the purchase of uniforms and equipment is deeply appreciated.

This day marked the official closing of the 1959 season and the official opening of the 1960 season for the league. The new officers, headed by Phil Mazzulo as President, have been elected and are now starting to lay the groundwork for the coming year. Fall and winter are just important as the actual playing season, for it is at this time that the purchasing of uniforms and equipment is done; the signing up of sponsors and a host of other details that must be completed before the first ball can be tossed out.

Jackets Bow To St. Dominic

Sun. afternoon at 2:15 p.m. at the Hicksville Jr. High School field the St. Ignatius Yellow Jackets Football team played St. Dominic's Saints in a Rockville Centre Diocesan Grammar School Football game.

St. Ignatius won the toss and elected to receive. Flynn of St. Dominic's kicked off to Hoosack of St. Ignatius who carried to his own 49 yard line. On a line buck St. Ignatius fumble and an alert Saint fell on the ball. St. Dominic proceeded to move the ball down field with Sordi going the last 10 yards for the score. The try for point after touchdown was successful and St. Dominic lead 7 to 0 at the quarter.

Herald Sportslight

By Howard Finnegan

In the great crater of football realism that is the Freeport Municipal Stadium, Hicksville High's Comets learned that the sound value of fundamental blocking and tackling is an even greater asset than an irrepressible spirit. Tuesday afternoon, as the host school extended its unbeaten streak to 28 games with a 14-6 win.

Hicksville lost this—the prestige game of 1959 in Nassau County—because of woeful tackling in the first half when it yielded two touchdowns and shoddy blocking in the second half.

The game was played on Tuesday at two in the afternoon because of the heavy rain of Saturday. About one thousand Freeport students and its talented hand rallied the Red Devils on while the Hicksville stands presented a stark contrast.

Only a few parents and alumni and this representative of the MID-ISLAND HERALD dotted the emptiness of the vast Hicksville side. Freeport took the opening kickoff 65-yards in 17 plays for the initial score. It came on a simple four yard pass that caught the Comet secondary flatfooted. Hicksville gave ground begrudgingly on this drive but its poor tackling in critical moments defeated it.

With a 7-0 advantage the Devils looked ready to roll again but an alert fumble recovery by Jerry Giovaniello stopped one march and a Bob Cerone pass interception on the goal line cut down another.

When Hicksville was on the offense, it looked like the whole works

in the spring. Little League is a community project and a challenge to juvenile delinquency, therefore, we urge all parents, friends and relatives to join us in this cause for a stronger youth who will someday take over the running of this great country ours.

There are jobs for all: We need insurance men, lawyers, coaches, scorekeepers and the most crying need of all, a list of names of people who are willing to devote an hour or two a week as umpires. This phase of our operation is extremely important and we cannot urge too strongly that the parents of little leaguers come to our next meeting. If we do not obtain a sufficient amount of assistance from the par-

ents, the League will not attain the goals for which it was founded.

This paper, the MID-ISLAND HERALD, will be carrying our news to you and will be the official paper of the League. Be part of us—watch this column for further news of YOUR LITTLE LEAGUE and information as to how you, Little Leaguers and parents alike, can help us.

Your next meeting will be held in the Division Ave. High School, cafeteria "A", Monday, Nov. 16, at 8 o'clock in the evening. This will also be registration night. Please come and register your boy and see how you can help make the 1960 International Little League success it should be.

How is a new kind of telephone born?

New telephone models don't just happen. They're developed to meet specific needs. Your needs.

To find out what these needs are, we talk to telephone customers. Observe how they use present equipment. And just plain ask them what they'd like.

Then when we've developed a new phone, we ask a representative number of people to try it out and suggest further improvements. Final result: a phone that best satisfies the greatest number of people.

It might be an ultracompact phone. Or a dial night light. Or a new kind of business telephone like the Call Director pictured above. The Call Director can

be set up to let a busy executive — just by pushing a button — answer several outside lines, signal and talk with associates, arrange for conference calls or transfer calls.

A lot of research and development goes into a new telephone instrument like the Call Director. (Or a new kind of service like Direct Distance Dialing.) But so long as this is the kind of phone service you want and need, this is the kind we'll do our best to provide.
