

FIRST OF ITS KIND IN NATION

FIRST RIVETED-ALUMINUM highway bridge in the nation was installed recently across Jericho Tpke. at Jericho to carry the Long Island Expressway over the 76-foot span. Because of its light weight, only one crane was needed to swing the span into place. Some 437

tons of concrete are "curing" today on the overpass. According to the Aluminum Bulletin, official quarterly of The Aluminum Assoc., this is the first bridge of its kind in the United States. A welded-aluminum structure near Des Moines, Iowa, has been in use since Sept. 1958.

Follow Up Study Made on Graduates

By MARVIN E. GIBSON

Director, Pupil Personnel Services

What are the graduates of Hicksville High School doing? Are they continuing their education, working in the service or managing a home? The answers to these questions are significant to teachers, administrators and counselors. The courses studied in high school should be related to what the graduate does after leaving school.

The girl working in the bookkeeping dept. of a bank needs to know bookkeeping practices, machine operation and many other proper business procedures. The same can be said for the girl who is a housekeeper, the boy working on a construction job, or the boy in the service. The boy or girl who is seeking further education requires a sound foundation in high school. All must have learned skills and facts to prepare them for what they are

now doing.

To learn what the graduates are doing the Guidance Dept. has surveyed classes of 1957 and 1958 by means of a follow-up questionnaire. This questionnaire sought to find the answers to the questions, "What are you now doing? Working? Studying? In the service or other? If you are working, what are you doing and how much do you earn? If studying, where and what are you studying?" It is the replies to these questions that are discussed in the following paragraphs.

Two classes were sent questionnaires, the class of 1957 was surveyed in May of 1958 and again in May of 1959. The class of 1958 has replied to one questionnaire of May 1958. As is the case with all surveys of this type it is impossible to get replies from all concerned because of changes of addresses and unwillingness to reply to a questionnaire. For both years the percent of return was between 50 and 60 percent. This means that for the class of 1957 there were 168 questionnaires completed in 1958 and 125 in 1959 and for the class of 1958 there were 130 completed.

255 Surveyed

It is interesting to note that for the 255 graduates surveyed from the two classes that on the average 45% of them go on for further education, 40% go to work and the remaining 15% are in the service or are housewives.

How do these percents compare

with the percentage of each class in the four courses of study at the high school? In the academic program, which prepares pupils to enter schools and colleges beyond high school, there were in these two classes an average of 65%. This is 20% larger than the number who are in schools and colleges. Although it would be desirable that all who study the academic program might continue their education, it is not likely to happen because of other interests, family circumstances and other opportunities which arise. So far as the guidance counselor, who guides these pupils in their selections of courses, is concerned, it is his aim that all who have the desire and ability to continue their education after high school, that they be prepared to do so.

The number who have gone directly to work after graduation averages 40% for the two classes. These are students who have studied the commercial course, 23%, with the balance from the vocational or academic program. A small percent, 5 to 6% have studied a general course. The number studying the vocational program has increased from 3% for the class of '57 to 9% for the class of '58. All of these students go directly to jobs in the areas for which they specifically trained. The high school has three-year vocational courses in beauty culture, auto-mechanics, architectural drafting, carpentry, electricity and print-

Polls Close at 10 O'clock Tonight:

Urge Early School Voting As Registration Hits 6,778

With a record-shattering 6,778 voters registered and qualified to vote today (Thurs.) on Hicksville's School bond issue question, District officials urged voters not to wait until the final hour (10 p.m.) and avoid the expected post-supper flood. An additional 1,902 voters presented themselves on Saturday to push the total far beyond the 5,000-mark.

The Board of Education will hold a special meeting at 11 tonight in the Student Cafeteria of the Senior High School on Division Ave. to tabulate the results as required by law, according to Board President Allen S. Carpenter.

School officials were somewhat puzzled by the heavy registration and at a loss to determine its full significance. It was known that the Parent-Teacher Assocs. were active in encouraging registration. It was also noted that a number of people who had not registered or voted for years turned out.

While the voting is scheduled to commence at 11 this morning, delays in actual ballot casting of on to a half hour were anticipated since legal requirements call for the opening of a "meeting" at each of the seven polling places, including a reading of the exact resolution up for vote.

The following personnel has been named for the seven voting places by the Board of Education:

Burns Ave. — Dist. 1 — Frank E. Burke, chairman of mtg; Mrs. Catherine Zolner, clerk; Mrs. Katherine Crimmins, Mrs. James McLaughlin, Gus Hansen and Mrs. Joseph Arnold, election inspectors.

East St. — Dist. 2 — Nina Plantz, chairman of mtg; Fred J. North, clerk; Mrs. William Bean, assistant clerk; Mrs. Olive Foran, Mrs. Marie Foster, Mrs. Elias Jabour and Mrs. Grace Cranmer, inspectors.

Woodland Ave. — Dist. 3 — Richard R. Jeanett, chairman of mtg; Mrs. Robert Contieri, clerk; Mrs. Charlotte Holder, Mrs. Rosalie Leibold, Mrs. Grace Maniscalco and Mrs. Sarah DeMatteis, inspectors.

Lee Ave. — Dist. 4 — William J. McCarthy, chairman of mtg; Mrs. Dorothy Schuler, clerk; Mrs. Dorothy Wharton, Mrs. Leo Kenawada, Mrs. Irving Fialkow and Mrs. Dorothy Brown, inspectors.

Fork Lane — Dist. 5 — Jane McGill, chairman of mtg; Mrs. Jean Swanson, clerk; Mrs. Marion Sherman, Mrs. Sophia Gabriel, Mrs. Irene Pirelli and Mrs. Russell Collins, inspectors.

Dutch Lane — Dist. 6 — John P. Maher, chairman of mtg; Mrs. Alice

No one under 18 years of age will be admitted.

Old Country Rd. — Dist. 7 — Murray M. Duncan, chairman of mtg; Mrs. Mildred Lermerman, clerk; Mrs. Mildred Polonski, Mrs. Helen War, Mrs. Sophie Christiano and Mrs. Michael Fasullo, inspectors.

All persons on the voting line at 10 p.m. will be entitled to cast their ballots, provided they have previously registered.

The voters will be deciding on a six-part program totaling \$2,062,250 with a single "yes" or "no."

The Hicksville Organization for Public Education this week added its endorsement to the program which already has the support of the Classroom Teachers Assoc., School Administrators, P.T.A.'s and others.

About 50 persons attended a discussion meeting on the project held in the Senior High School auditorium, Friday night.

Local Contests for Commissioner

Legal voters of Hicksville, Bethpage and Jericho will be electing Fire Commissioners on Tuesday night, Dec. 1. Several contests are anticipated.

In Hicksville, Vincent W. Braun with 13 years on the Board of Commissioners and a 28-year member of the fire department, is a candidate for re-election for a five-year term. He is being opposed by Thomas Colwell.

A contest is anticipated in Jericho where incumbent Harold Smith is opposed by Ralph Fiedler, former chief. There are reports of a third candidate entering the race.

A former fire chief of Bethpage has thrown his hat into the ring, for the post of fire commissioner. The election will be held on Tuesday night, Dec. 1, at Fire Headquarters, 225 Broadway in Bethpage.

Edward Cava, who stepped down from the exacting duties of fire chief last April, announced Friday night, Nov. 6, that he will be a candidate for the vacancy.

Alumni Dance During Holidays

The Hicksville High School Alumni Assoc., Inc. will be hosts at a dance on Tues., Dec. 29th. Lou Millevolte, who is chairman of the affair invites all who care to attend, alumni, high school students and the public, alike. The event will take place at the Boys Gym of the High School from 8:30 to 11:30 and will be properly chaperoned by members of the Alumni Assoc.

A door prize will be awarded—dinner for two at a well known restaurant and refreshments will be served.

Triple Celebration

Thursday, Nov. 26, will be a triple celebration day at the home of Mr. and Mrs. Anthony Ladis of 53 So. Lawnside Ave., Hicksville. In addition to Thanksgiving it will also be the birthdays of both Anthony and Effie Ladis. Their daughter and son-in-law, Mr. and Mrs. Wallace of the same address and the Ladis' granddaughter will be on hand to celebrate.

Emera Chapter Marks 38th Charter

Emera Chapter, O. E. S., is midway of its second half of activities for 1959, having dispensed with the Oct. 12 meeting owing to the Grand Chapter's session, which the W. Matron Ruth McIntosh, W. Patron George McIntosh and Asst. M. Harriet Bantier, as well as other officers and members attended, at the Sheraton Astor Hotel.

W. Matron Ruth gave a detailed report at the last meeting with

the announcement of the following Grand Officers elected and installed, which is of interest to all O. E. S. members: M. W. Grand Matron, Mary Foster Smith; M. W. Grand Patron, Paris E. Shields; Associate Grand Matron, Elizabeth L. Pounder; Associate Grand Patron, Frederick S. Rose; Grand Conductress, Esther M. Bates; Associate Grand Conductress, Olive R. Forstall; Grand Secretary, M. W. Annie M. Pond;

Grand Treasurer, M. W. Alice Scardfield; District Deputy Grand Matron for Nassau Districts, Vida I. Smith, and District Deputy Grand Patron, Frank A. Hubbard.

38th CHARTER NIGHT
Emera's 38th Charter Night was observed with six of the remaining 16 members present. They were warmly greeted by the W. Matron and presented with lovely due card costs.

The Associate Matron, Harriet Bantier, was then escorted to the East and given the gavel to preside on Advance Night for the rest of the meeting. Officers and members greeted her with a volume of all her activities in appreciation of her membership in the Chapter.

The first meeting in November will be outstanding with 15 members receiving the always beautiful Fiscal Calendar and the interesting of outstanding projects. The second meeting will be prominent by the last initiation of a very busy and beautiful year for Emera, as the only December meeting will conclude with yearly reports and election of officers for 1960.

Dear Jean:

Along with Mamie Elshower, two young local folk also celebrated their birthday on Sat., Nov. 14. JUDY QUINN (Mrs. Ed. of the Quinny Fuel Quinns), celebrated with a small dinner party with several of her friends at the Clam Box on Saturday evening. All had a good time. Also celebrating on the same evening was FRANCIS "DEITCH" DEVINE of Seymour Lane, Hicksville whose family had a dinner party for him in honor of his 20th. Happy birthday (a little belated this time) to all three. Get well wishes to a very good friend of ours MRS. JOSEPH ULMER of Field Ave., Hicksville who has a badly sprained ankle, we hear. We know everyone who knows this grand person, friends and neighbors alike, are rooting for her speedy recovery. A very Happy Birthday to DENNIS WAYNE BUCKSTEIN, whose birthday is coming up on Nov. 27. Dennis, the son of Mr. and Mrs. J. Buckstein of 198 Brittle Lane, Hicksville will be 14 years old on that date.

FRED MALOOF of 119 Euclid Rd., Hicksville, was fined \$17.50 for angling without a license according to a report of violators of the State Conservation Law settled during the month of August. Radio WLIR, owned by JOHN RIEGEL, is now operating out of Garden City Hotel as a completely all-PM station. This is the station which tried to locate in Hicksville, off North Broadway.

The proposed site for the new building for Congregation Shaarei Zedek is on New South Rd., Hicksville. JOHNNY PENDERGAST, one-time top jockey in America, is on sick leave from his job at the Bay Ave. Woodbury Road crossing since he fractured his right shoulder in a fall and tells us he will soon be retiring. A pretty young English war bride appeared in Nassau Courthouse last week for citizenship. Given a sentence containing the word "clerk" to read in her delightful British dialect, she naturally said "clerk". Queried by the Brooklyn examiner: "Don't you mean 'clerk' lady?" A West John St. Hicksville resident had sued the county for \$150,000 damages from storm waters. The suit, started in 1952, was settled this past week for \$17,500. Sounds to us without having the name of the parties involved, like the echo of that famous West John St. without about 1952. The Lions Club gave the High School principal a title this week. The club bulletin says "DR. GALLOWAY" was scheduled to speak at their Nov. 11 meeting on the scholarship fund. HOWARD TWYMAN of 324 Richard Ave., Hicksville, and a couple of friends left this week in a 1932 Pontiac headed for Alaska to do some hunting. A Greenman reported 1959 sales of \$199,529.175 with military business comprising over 90 per cent of the total. Net income was given as \$2,670,644.

The CUNNINGHAM TWINS of Hicksville, well-known recording duo, were on Channel 13's "Rate the Records" program, Monday, to introduce their new disk with "Buttercup" on one side and "Heart of Gold" on the flip. The Twins are about to set out on a tour.

The JACK WOODWORTHs of Cedar St., Hicksville, tells us they had a wonderful time at the party given by the LARRY TRUBINSKIS of Garden Blvd., Hicksville, Saturday night. DOROTHY STEPHENS and her mother, MARION SHERMAN, both of Terrell La. Hicksville, were guests of honor at a luncheon held at the Millerside Inn last Friday. The luncheon was held by The Friends of the Hicksville Library for the two members who are moving to Tallahassee, Fla. The Stephens' family has since departed and the Sherman family will leave shortly. Good luck, folks. We hear the Toy and Gift sale held at the home of MARIE ZIRKEL of Mueller St., Hicksville, Saturday night for the benefit of the Medical Sisters Mission was a huge success.

Get well wishes to an old friend of our early newspaper days, WOODEY KARRHEN of Seymour Lane, Hicksville, who is a patient at Nassau Hospital. All friends and neighbors are in on the "hurry and get well". Woodey, old kid. Did you get your cook-book yet? You know the one we mean — the one Mrs. Vincent Braun has ready for you. Call her and she will be sure you get your copy of the Mercy League book. So glad to hear that GUY FUGEL, son of Mr. and Mrs. Vincent Fugel of Hicks Circle, is well on the mend after an accident while in service with the U. S. Coast Guard stationed at Staten Island. After a few days in the hospital, and a leave at home, Guy is back with the boys.

Nicholas St. School is soon getting, if it has not already, a complete sound system at a cost not to exceed \$1012. The oldest school building in the District was the last to be so equipped. Hicksville Rotary stages its "four-for-one" Ladies Night at the Millerside Inn this Saturday night.

THE REFERENDUM: Many voters registered last Saturday than have been registered for an entire election even in comparatively recent years. 70 people got on line at Dutch Lane School at 7 o'clock, Saturday night, just one hour before registration closed. The registrars were kept busy writing until almost 9 PM. A number of those enrolling last week seemed to be people who had not voted in school elections in five to 10 years. There were 50 people in the audience and 14 on the stage when the public discussion of the referendum got underway last Friday night. HARRY COEBEL and EMIL SZENDY took seats at opposite sides of the auditorium but they were in close conversation outside the building after the discussion. There were almost as many people in the Little Theatre of the High School for the Mott Society meeting as were present for the public discussion. The question of absentee ballots came up again this week from many voters. The Education Law makes no provision for absentee ballots or absentee registration. Hicksville School Board has been trying to get the law changed without success.

The BROWNS of Nevada St., Hicksville, were so proud of their brand new Olds parked in front of their home this past weekend. Suddenly a car operated by a woman came sailing down Nevada, smashed into the new car, ran up the curb, narrowly missed a half-dozen kids on sidewalk and wound up on Brighton Place. Anna Brown tells us that only because it was lunch time there were fewer children in the vicinity than usual.

ARTHUR L. GRENHAM of Hicksville was honored recently at a dinner marking a quarter of a century of service with the Borden Co. Our good friend, FRED WALTERS, of Walters Liquor Store, W. Marie St., is quite a sports car enthusiast. This past Sunday, at Islip Speedway at a "Cymithana race" that a form of racing that's held in India, Fred tells us he won a nice new cigarette lighter all inscribed with his initials, event date, etc. for "first in class" and "best time of the day". Congratulations and best of luck in future events. We too, well known family of old Hicksville have moved out town. Mrs. Joseph Healy and daughters, Florence and Augusta (Goodie to her friends) formerly of Murray Rd. are now residing at 12 Kinkadee Rd. Northport. The CHAS. MARTENS, formerly of Division Ave., are residing next door at 14 Kinkadee Rd. Northport. Mrs. Martens is the former Dora Healy, daughter of Mrs. Joseph. We wish them good luck in their new homes and hope that we see them often visiting their old home town.

HICKSVILLE KIWANIS this week received the nomination of Paul Drake, at right, for president of the Club. He will succeed Patrick Caputo, left. Frank Chlumsky has been nominated for re-election as recording secretary.

Personal Mention

MORT WINTHROP, of 18 Warren Lane, Jericho, editor of the **WEST BIRCHWOOD NEWS**, has been chosen to head the Industry Section of the Winter Olympics Organizing Committee for a winter event at Rockefeller Center. Firms cooperating are IBM, Pepsi Cola, Addressograph-Multigraph, C.B.S.-TV, and Lortines.

Two Hicksville residents expressed opposing views on the question "should a sales tax be adopted to relieve the L.J. school tax burden?" in a current issue of **GRUMMAN PLANE NEWS**.

S. CRAIG KAVAFES of 6 Sotherland Rd. was quoted as saying, "No. This controversial subject deserves more thought and foresight by educators, politicians and voting homeowners before accepting another nuisance tax. Business has grown with the communities. Why not tax business to help alleviate this burden?"

AUDREY POSTHAUER of 177 Brille Lane, said, "Yes, but only if the tax money were used specifically for schools and if a maximum amount of surplus revenue were determined in advance. In this way, when the maximum is attained, the tax could be abolished, or at least relaxed until the need rises again."

Hicksville Kiwanis Club will hold its Father and Child Luncheon on Wednesday, Dec. 30 at the Mill-ridge Inn. **DAVE HOFFMAN** is chairman.

ALAN CHARLES ROME, FA, USN, the son of Mr. and Mrs. Charles Rome, who resides at 31 Elwood Ave., Hicksville, is now home on leave after completing nine weeks of recruit training, at Great Lakes, Illinois. He will next report to Commanding Officer, USS

DAWN WILLIAMS, daughter of Mr. and Mrs. William J. Williams of 20 April La., Hicksville, was invested as a freshman at the College of Mt. St. Vincent, Riverdale, N. Y. on Nov. 15.

The Navy announces that **LEONARD BRUCE DAVIS**, son of Mrs. Judith Davis who resides at 48 Abbot Lane, Hicksville, has enlisted in the Navy and is now at Great Lakes, Ill., for nine weeks recruit training. Leonard will be home for two weeks prior to reporting to his next duty station after training. Leonard enlisted at the new Navy Recruiting Station at 67 North Broadway, Hicksville.

"But that, when you vote "No," have a big fight in front of you. First, they want only their own needs met and are willing to sacrifice all others who have as important needs as theirs. This is not at all very fair. Neither is it fair to deny others after one's own needs have been met in the past. The second bias is the number of hidden indirect unnecessary costs. You run to go to school in Hicksville and all you will find, unfortunately in some ways I think, only the most basic physical and educational needs to be met. Used clothing, shoes, blankets and similar materials are collected for impoverished sections of the world. This clothing, priceless in the hands of the needy, is distributed without religious or racial reference. Thousands of refugees from Hungary and from communist dominated countries in Asia are among the recipients of this needed clothing.

The nearest Catholic Church will accept unwanted but usable clothes during this Thanksgiving week. They will be forwarded for shipment overseas in the immediate future.

Deer Hunting In 43 Counties

New York State's main hunting season for buck deer began Monday in 43 Counties across the State where the Conservation Dept. estimates about 70% of the half-million licensed big game hunters will be afield before the Dec. 1 closing date.

The remaining 30% were scheduled to hunt the Adirondacks where the season, open since Oct. 25, got off to what Dept. spokesman described as the slowest start in many years. Prolonged rainy weather kept hunters indoors, they said, and resulted in the taking of only half the number of bucks during the first two weeks of the season which also ends Dec. 1.

Only counties closed to deer hunters this year are those comprising Long Island and New York City plus Montgomery, parts of Albany

A Tribute To Service Station Attendants!

We single out today a public servant who rarely, if ever, gets a hand from those he serves. The Man at the Pump. The cheerful, Johnny-on-the-spot Filling Station Attendant. His place is like an oasis on the desert. It brings refreshments and renewed vigor to your tired motor car. Gas, oil, water, air, these are the commodities the Service Man sells; these are the essentials your car must have. When you drive into a service station, bear in mind that the Man at the Pump is a friend, maybe a neighbor, a good guy to know. All hail these every-ready boys in white!

EDUCATION

The committee for the planning of the Caniague Road School has submitted their recommendations to the Jericho School Board. Voting on this school is tentatively set for January.

The Education Committee will meet on Friday evening, Nov. 20 at 8:30 p.m. at the home of Mr. and Mrs. Schneider, 27 Orange Drive.

Irving Reinhardt, chairman of this committee, advises us that the planting of the trees will begin this week and will continue for about two weeks. It is suggested that everyone who has purchased trees through this committee, put a marker where they wish the trees to be planted. Otherwise the placement will be at the discretion of the landscaper. Trees may still be purchased through this committee by contacting the chairman at WE 8-0832.

TAXATION AND ZONING
This committee is extending an invitation to the town councilman or other appropriate official to attend their next meeting on Dec. 18. The members, at this time, hope to be enlightened about the present situation on taxation and zoning.

COMMUNITY WELFARE
The Community Welfare Committee will hold its monthly meeting on Friday, Nov. 27 at the home of the Wernikoffs, 4 Richmond Ave. The session will begin promptly at 8:30 p.m.

SOCIAL
The Social Committee will meet Monday, Nov. 30. This will be an election meeting. Postcards will be sent out telling each committee member where and when.

Little Theatre Group Forming

Here's a call for "hams". Many members of the community in West Birchwood have expressed an interest in forming a Little Theatre Group. This is the final call for actors, set designers, ticket sellers, producers and directors.

Elinor Winthrop reports that she has been stopped on the street or in the supermarket by various people saying, "Oh, yes, I'm interested." Seeing that it's impossible to keep track of all these encounters, Elinor asks that those interested call Natasha Brenner, OV 1-3817, while she is out of town. A meeting will be called and an organization formed after Thanksgiving.

Sheldon Pike, son of Dr. and Mrs. Harold Pike of 22 Orange Dr. celebrated his first birthday at a party attended by many of his very little friends.

Three of our Birchwood Park residents spent a very exciting day on November 12th as the guests of Mayor Wagner at Gracie Mansion. The Mayor and Mrs. Wagner were hosts at a luncheon in honor of the Board of Hadassah. Three of his guests were Mrs. Vivian Sheftman of 1 Richmond Ave., Mrs. Evelyn Pike of 22 Orange Dr., and Mrs. Bea Greenberg of 28 Rockland Dr. Mrs. Wagner presided at the luncheon and later showed her visitors through the mansion. A good time was had by all.

Attention Bingo Fans . . . Mrs. Jane Schneider of 227 Orange Dr. would like you to get in touch with her if you are interested in playing Bingo on Thursday nights at the North Shore Synagogue, 83 Muttontown Rd. in Syosset. The phone number is OV 1-7712.

Laura Sheftman was hostess at a luncheon party given in honor of her fourth birthday. She is the daughter of Mr. and Mrs. Elliot Sheftman of 1 Richmond Ave.

Mr. and Mrs. Morton Hertzlinger, 16 Warren Lane, are the parents of a brand new baby girl, weighing in at seven pounds eight ounces.

Belated birthday greetings to Mac Segal and Mort Winthrop. The Winthrops will celebrate Thanksgiving with their parents in Brookline, Mass.

Mr. and Mrs. Herb Cohen had one home for their relatives last Friday night. More than 50 people bent the walls.

The Serkes are now living temporarily in Brooklyn as she awaits a new addition. Rose Segal was rushed to the hospital last Sunday morning. Doctors took six stitches in her thumb. Seems as though turkeys fight back.

Larry Elowsky, a new member of the Board of Directors, is celebrating another birthday. North and Natasha Brenner just celebrated another anniversary.

Keep your eyes open for Mary Ellen Lazare's new cooking column to make its debut in the NEWS soon. A Little Theater Group is being formed. For further information call OV 1-3817.

Herb and Naomi Haronist's party last Saturday finally broke up at 4:30 a.m. Bill and Bob, the "Traveling Bart's," are out of the country again. Bill is selling Power Cars in Rio de Janeiro and Bob is in Beirut, Lebanon.

Elect New Slate of Officers; Poor Turnout of Civic Vote

By MORT WINTHROP

With only 39 per cent of the eligible voters turning out, a new slate of officers and Board of Directors was elected by the members of the West Birchwood—Jericho Civic Assoc., Saturday night, Nov. 8, at the George A. Jackson School in Birchwood Park.

Directors Conduct First Session

The first meeting of the new Board of Directors of the Civic Assoc. was held Friday Evening, Nov. 13. The posts of recording secretary and corresponding secretary were filled by the board of directors. Mrs. Muriel Bernstein was named recording secretary, and Sidney Albin was named corresponding secretary.

David Serko was elected chairman of the board of directors. Development of a block captain system has been approved by the board, and it was decided that meetings of the board be scheduled once each month.

CDA Fulfills Pledge

The Catholic Daughters of America completed their pledge of \$250,000 by presenting a check to the National Shrine of the Immaculate Conception, Archbishop Patrick O'Boyle Washington, D. C. received the check.

The gift of \$250,000, is being used for five chapels of the great upper church of the national shrine. The chapels are below the huge mosaic Christ in Majesty. They are dedicated to the five Glorious Mysteries of the Rosary. This shrine is the largest Catholic Church in the United States, and will be dedicated on Nov. 20.

Solving Baby Sitter Problem

"Sorry. We like to come, but we haven't got a baby sitter."

How often have you heard this statement? And how often have you made it yourself?

Too often, more than likely. That's why it's good to report that one group of families in the community has stopped grumbling about this situation and gone out and done something about it.

That's right. Eleven families in the Richmond-Craig vicinity think they've finally licked the baby sitter problem. The solution? A baby sitter pool—a give-and-take operation that always provides a sitter when you need one just as long as you, in turn, make yourself available when one of the other members requests this service.

The idea is not new, of course. The need for baby sitters is as much a phenomenon of our generation as suburbs and Sunday traffic. And it has probably received at least as much attention. The idea to trade time contributed for time received was an outgrowth of the deep thinking the problem received.

The Birchwood Baby Sitters Pool was formed several months ago. No one is saying so, but it probably came into being when Grandma's Someone-or-other suddenly couldn't make it (grandparents are still the favorite baby sitters, according to reliable information) and the stay-at-home sitters were all booked up. Not wishing to experience this disappointment again, the girls put their heads together and decided to try a pool.

Is it successful? Just ask Rita Wernikoff, Gert Strauss, Shelly Sonnino, Sophie Anchin, Mary Ellen Lazare, Jean Luber, Merri Benich, Beverly Rose, Rita Shevch, Miriam Silverberg or Irma Steidl. Without exception, these ladies and their husbands, to be sure—are as enthusiastic about the enterprise as they were at the outset.

President David Serko was running unopposed for re-election. Incumbent Mort Winthrop was defeated by Howard Cole for the office of vice president, 69 to 54. Robert Miller was unopposed for the office of treasurer. There were no candidates for the offices of recording secretary and corresponding secretary.

Members of the Board of Directors elected in order of total votes cast for them are: Dr. H. Edward Greenberg, 104; Al Friedland and Dr. Al Warheit, 92 votes; Irving Reinhardt, 87 votes; John Nason, 85 votes; Murray Fried, received 79 votes; Larry Elowsky and Dr. Harold Pike, 78 votes each.

Elliot Sheftman received 75 votes, and Leon Shaffer, 67 votes. Defeated candidates were Seymour Berkman, 63 votes; Samuel Gorden, 61 votes; Dr. Norman Zinn, 60 votes; Sidney Albin, 59 votes. Only 123 votes were cast out of a total eligible list of 312 votes.

Discussion Group Begins at Robbins

The Parent Education Committee of the Robbins Lane P.T.A. has organized a small discussion group for parents interested in sharing their experiences and problems concerning the growth and development of their children. Its aim is to permit parents to better understand the use of their role as parents through their participation in these discussion groups.

Unanimous Replies

UNANIMOUS . . . Jimmy Jemall, intrepid New York Daily News "Inquiring Photographer," last week asked six persons at random what each one thought of the idea of a newspaper to be won by policemen. Every one of the six felt ventured that it was a good idea to promote better public relations between the cop and the guy in the street.

AN EDITORIAL

The elections are over and the officers and Board of Directors have been selected for 1960.

Even though the weather was against us at the elections, only a surprisingly small number of persons turned out to cast their ballots . . . only 123 of more than 300 eligible voters, 39 per cent of the eligible vote. This is extremely disappointing considering that we have a brand new community with so many things to do and so many problems to solve. Several blocks in West Birchwood were distinguished by one or two voters turning out.

The format of the election had been especially liberalized in order to enable as many people as possible to vote. Rather than an election meeting being called to order at 8:30, the polls were open between 8:30 and 10:30 p.m. so that in a family with no baby sitter hired for the evening, both husband and wife could take turns voting.

Perhaps more important than the poor vote turnout was the situation at the polls themselves with several candidates for office "hosting" the affair.

It seems apparent that the first constitutional amendment needed is one which will encourage the greatest possible election turnout and permit a fair method of voting and of controlling rampant electioneering at the polls.

Jericho Players In All My Sons

The Jericho Players of the Birchwood Civic Assoc. take pride in presenting Arthur Miller's, award-winning play "All My Sons" on Dec. 18 and 19 at the Syosset High School.

It is a stirring story of an uneducated, self-made man, for whom there is still wonder in many commonly known things. The results of his post-war-time activities force himself and his family to face tragic reality. In total, a dramatically exciting play—not to be missed.

The cast, directed by Allen Frisette, includes Barry Jeffrey; Miriam Reff; Jerry Nuhaus; Dale Berg; Larry Singer; Leon Zlatiner; Betty Goldstein; Dave Kassen; Adele Zorn; and David Kessler.

All seats are reserved. Tickets, at \$2.00 each, may be obtained by calling WE 8-8048 and OV 1-1243.

Girl Scout Troops Enjoy Swimming

Intermediate Girl Scout Troops 256 & 475 of Trinity Lutheran School, Hicksville, enjoy swimming at the Sunshine Valley Motel every Friday evening.

Leaders, Mrs. Marcella Komlander and Mrs. Anna Mill accompany the scouts and enjoy the activities also.

The advanced swimmers will complete their "Swimmer Badge" requirements at the completion of this 10 week course. Mrs. Mildred Schwabe is their capable instructor.

The afternoon of Oct. 26, all the Girl Scout Troops of Trinity Lutheran School, Hicksville, celebrated Juliette Low's Birthday, Girl Scout Troop Birthday and Halloween, individually.

Intermediate Girl Scout Leaders, Mrs. Anna Mill and Mrs. Olga Arnold, of Troop 475, presented each Scout with a Girl Scout Plaque made by the leaders.

Mrs. Anna Mill also presented each Scout with a "Star" pin which indicates 1 year in Scouting.

First Class Scout, Karen James, received her 5 year pin.

Relay races and quiz games, about Juliette Low, Founder of

SCOUTS AND LEADERS of Boy Scout Troop 508, Holy Trinity Episcopal Church, observe a minute of silence as taps are sounded by Michael Gregg to commemorate Veteran's Day. The ceremony was conducted at the flag pole on the church property with 18 Scouts, Scout Master Robert Jiro, Assistant Scout Master James Feehan, Junior Assistant Scout Master William Sutton and Senior Patrol Leader Frank Wall in attendance. Father Domenic Ciannella gave the invocation.

The Troop is planning an overnight hike, Nov. 21-22 to the Markness Training Center at Roslyn.

Girl Scouting, were enjoyed by the Scouts.

Mrs. Arthur Brown, refreshment chairman, and her committee served delicious refreshments.

Count Goes On

Nassau Board of Elections is still canvassing the election returns of Tuesday, Nov. 3. They expect to be finished—war ballots and all—by the 27th. Results are never startlingly different, but last year County Executive Holly Patterson picked up some 14,000 votes which the Election Night counters somehow missed.

Names Officials

Robert Coutieri has been nominated for captain of Hook and Ladder Co. No. 1 of Hicksville Fire Dept. William Krajcik is nominee for first lieutenant, Edward Elsmann for secretary and Henry Gebhardt for treasurer.

Robert Hammond and George Maguire are both nominated for second lieutenant.

Rabbi Sanford Jarashow, spiritual leader of Temple Beth Elohim in Bethpage, will be the guest speaker on the "Light of Israel" program on Radio Station WHLI, Hempstead, at 2:45 PM, Friday, Nov. 20.

Boy Scout Activities

Cub Pack 158

Cub Pack 158 of Hicksville went on a trip to the Statue of Liberty in New York on Sept. 28 with J. M. Schwartz, cubmaster, in charge.

Boy Scout Troop 421

Mama and Papa got out the dancing shoes again for on Saturday, Nov. 14, the parents of Troop No. 421 held another Parents' Nite Out Dance.

All proceeds from this dance goes towards the troop's purchase of much needed equipment and also to give the boys a well earned treat, a trip.

The troop would like to welcome the new scouts who have joined since the new season opened. Paul Danziger of 19 Balam Drive; Roger H. Arnold, 26 Wellesley Lane; Ronald Binney, 58 Jerome Ave.; Michael Ferrara, 35 Julien St.; Michael Gowan, 57 Briggs St.; David Haller, 76 Moeller St.; William Nilsson, 34 Ketcham Ave.; Edward Piona, Jr., 16 Ketcham Ave.; Jerry Friedman, 29 Wellesley Lane; and James Redecker, 43 Crescent St., all Hicksville.

Hold Conference

Arrowhead District, made up of Hicksville, Plainville, Old Bethpage, conducted its second Annual Year Round Conference on Oct. 27, at the Hicksville High School. Twenty-four of the 29 Boy Scout Troops in the District were represented. Opportunities available to each troop in planning its year round hiking and camping program were discussed, including talks on both of Nassau County Council's camps by scouting professionals. At the conclusion of the evening, seventeen troops committed themselves to go to camp for two week periods next summer under their own leadership.

Cub Pack 377

Cub Pack 377, Hicksville, held their last meeting on Oct. 25, at which time quite a few events took place. The theme for the month of October was Aesop's Fables. High lighting the evening was a special film, lecture and demonstration put on by the Bell Telephone Co. The topic was the Nike Missile and its operation. A small scale model of the Nike had been set up and the boys called the count-down, which in turn fired the missile which shot down the miniature model. It proved very interesting and educational.

Each Den presented a skit on Aesop's Fables, followed by the presentation of two awards. Den #1 won the Parent Attendance Award, and Den No. 5 won the Honor Pinman.

A ceremony was also given to four boys graduating into Boy Scouts, who were, Richard Tietjen and William Genaro to Troop #377, and Carl Kosma and John Minter to Troop #508. The scoutmaster and two patrols of Troop #508 were present at the ceremony. A successful evening was followed by a Halloween Party, enjoyed by all.

Troop 293 Dinner

On Sunday, Nov. 1, Boy Scout Troop 293 held a family dinner at the Hicksville Methodist Church. Over 200 proud parents, friends and relatives attended along with "their" scouts. After dinner Donald Hutton led the community type singing. Boy scout brothers Thomas and David Ruster played a musical instrument duet entitled Jerusalem. Thomas Ruster also received a "Merit Award." The pleasant afternoon festivities ended with a number of very fine Indian Dances performed by Mr. Greenbaum's Indian Dance Group.

Troop 380 Camp Out

Troop 380 of Hicksville, in keeping with its vigorous outdoor program to encourage youth fitness camped for three days during the Columbus Day weekend in the Catskill State Park.

Using the Devil's Tombstone public campsite as a base camp, eight scouts under the leadership of Scoutmaster, Raymond J. Finegan together with Committee Chairman, Al Tava and Committeemen, Anthony Scanzillo climbed to the top of Slide Mountain—elevation 4294 ft.—via the western approach from Winnisnook Lake.

Cub Pack 491

Old Aesop would have enjoyed the Pack Night of Pack 491, held November 6, at St. Ignatius School Cafeteria, which was devoted to the theme of his "Fables".

Dens 2, 4, and 8 dramatized some of them in skits; the projects of Den 3 were likewise inspired by the Greek's animal tales. Refreshments were available at a "Country Store" sponsored by Den 6.

Quite a few boys advanced in rank: Donald Campbell, Richard Ross, James Betz, Richard Mullen and David McEneaney got their Wolf badges.

James Tiberger was awarded the Bear badge; Louis Schauer won his Lion badge and Neal Flynn the Webeles badge.

One-Year pins went to Timothy Baldwin, Donald McGee, Barry Meahan, Stephen Dannhauser, and Neal McDonald.

Timothy Corcoran and Thomas Augustowski were named Denners; Donald Campbell and James Baker, Assistant Denners.

Three boys won Gold Arrows: James Betz, Donald Campbell, and David Weston. Five Silver Arrows were awarded to the following Cubs: Neal MacDonald, Stephen Dannhauser, James Betz, Joseph Cipolla, and Timothy Baldwin.

The Pack's Christmas Party will be on Dec. 4th.

Boy Scout Troop 91

Troop 91 held its 37th charter night program in the St. Ignatius cafeteria Thursday evening, Oct. 29. Father Ballweg opened up the festivities and wished the troop a very happy birthday. This warm feeling carried on throughout the evening, high-lighted by scout demonstrations, comedy skits and camp songs.

Gerard Franco's patrol, demonstrated "Fire by flint and steel" with Dick McCarthy providing the "ignition" and Rob Reid the "bellows." These two scouts did such a fine job, matches will probably never be used again on troop over-nights as long as they are around.

John Matern, assisted by Stephen Berg, Fred Matern, William Dargan and Gerald Dombrowsky, did a meticulous job of sharpening an ax and knife. From the looks on the faces of some of the fathers present, the boys could of had plenty of jobs sharpening household tools if they so desired.

Thomas Burns, Bob Bergin and George Sninner put on a "hambled house" skit that left the audience guessing as to what made the candle move in the dark.

Scoutmaster John Sholl had every right to feel proud of his boys. This feeling was probably topped-off by the receipt of an increased membership award presented by Joseph Laureta, the Organizational and Extension representative from the Arrowhead District, as well as the awarding of Life Scout badge to Michael Fasullo; First Class badges to Gerard Franco and Fred Matern; Swimming Merit badge to John Matern; and Tenderfoot badges to Bob and Norma Reid.

Adult events of the evening included the presentation of a Troop "Scouting Plaque" to Mr. Tom Bergin by Tom McCarthy for extraordinary contribution to scouting as committee chairman over the years. In addition, committment cards were presented to Mic Fasullo, Hank Steinmann, Tom McCarthy and Joe Franco. George Berg and John Clinika received their Assistant Scoutmaster cards.

The music for the evening was presented by Mrs. Bergin at the piano, with Mr. Matern rendering a few random lyrics from a popular song.

The program, closed with all scouts and families indulging in a light snack and refreshments.

"We were trapped in the car ...and no one could see us"

"One afternoon last winter my car skidded off the road and over an embankment. My friend and I sat there a moment, dazed and bleeding. Then, when we tried to open the doors, we found they were wedged shut. I began honking the horn. But we were out of sight of the road, and no one stopped. I was about to give up hope, when two men appeared beside us. They were telephone men, who'd heard the horn and stopped to investigate. They pried open the door, treated us with their first-aid kits—even wrapped their jackets around us. Then one went to call for help while the other stayed, comforting us, till the ambulance came."

MRS. RHODA MYERSON
Craiton-on-Hudson, N. Y.

Good training and equipment help prepare telephone people for emergencies. But even more important is the "spirit of service" that seems to typify everything they do, on and off the job.

Those TV riders out in "Arizona Territory" are no more popular with Western horse opera fans than the 26 paydays for County employees announced in Nassau County Executive A. Holly Patterson's annual budget message released in Mineola this past Monday. It means an end to the three payless week-ends occurring often in the calendar, assures workers an "eagle's flight" every two weeks. Of course, each paycheck will be a little less to compensate for the two extra ones.

Mothers to Hear Father Curran

The regular monthly meeting of the Auxiliary of Christian Mothers of St. Ignatius Loyola, Parochial School on Monday, Nov. 23, will feature a talk on the subject of "Communism" by the Rev. Edward Lodge Curran.

Father Curran is the President of the International Catholic Truth Society. He is widely known as an authority on atheistic communist philosophies and tactics as well as a speaker of outstanding training and ability.

The meeting, which is open to the public, will be held in the St. Ignatius Loyola School Auditorium on East Nicholas St. and will commence at 9 p.m.

Remind Hunters Of New Law

ALBANY — Deer hunters were reminded today that they must mail duplicate license tags reporting the taking of deer to the State Conservation Department, here, within ten days after the animal was taken. It's a new State law. Previously, the deadline for reporting was five days after the deer season closed.

Sodality Sponsoring Teen Dance Nov. 25

The Sodality of Our Lady, of St. Ignatius Parish, is having a Thanksgiving Dance for teenagers, on Wednesday, November 25. The dance will be held from 8 o'clock to 11 o'clock p.m. The Accents will play and admission will be 75¢ tag, and \$1.00 drag. This will take place at The Saint Ignatius School.

Follow Up

(Continued from Page 1)

The students taking these courses are interested in preparation for a specific trade or vocation. With the exception of the small number from the academic and general programs who go to work, all students taking jobs have had specific training to prepare them for the work.

The girls in the commercial programs are trained as typists, stenographers, bookkeepers and machine operators. They are in demand by the local business places.

WEEKLY EARNINGS

The weekly wage is often compared to the amount of education. For the 48 graduates of the class of 1957 who were working, 31% were earning \$51 to \$60, 30% \$61 to \$70 and 17% \$71 to \$80. Less than one percent were earning less than \$50 weekly and the balance of 24% were earning between \$80 and \$120 weekly.

As might be expected the graduates of the class of 1958 were earning less than the class of 1957. For the more recent graduates 92% of those working were earning between \$41 and \$70 per week. The largest number were earning between \$51 and \$60. The top range was \$81 to \$90.

How many jobs had these graduates held? In answer to this question 67% from both classes were working at their first job. This percent indicates realistic selection of jobs and proper training for the work.

The members of the two classes surveyed are employed at many different types of work. As might be expected the greatest number are working as clerks, typists and stenographers. Several are working as dental assistants, others as machine operators, machine operators and repairmen. From one class 52 graduates are working for 46 employers, 15 of whom are in Hicksville. From the other class 51 graduates are employed by 36 different employers, 14 of whom are located in Hicksville.

Not all of Hicksville's graduates attend school on Long Island or even in New York State. Schools as far away as Denver, North Dakota, Oklahoma, Virginia, Rhode Island and others are attended by these graduates. There will be more attending schools on Long Island as the facilities expand and improve. The Hofstra College is by far the most popular local college. These students are studying to be teachers, engineers, scientists, business executives and operators, nurses, pharmacists, journalists, doctors, dentists, advertisers and psychologists. The most popular career is teaching with engineering a close second.

At the time of the survey in May of 1959 there were 24 boys in the service from the two classes. It is anticipated that these two classes, 1957 and 1958, can be surveyed each year and that the current graduating class can be added until each class has been followed for five years. In this way the school will have follow-up information about its graduates over a sufficient period of time to warrant making decisions based on the facts gathered.

"Service is Our Business"

Herald Sportslight

By Howard Finnegan

A mighty warrior has fallen.

And in the manner of the celluloid scenario which always manages that moment of poignancy as the victor leaves the battlefield with a last regretful glance back at the heroic vanquished, so too must Hicksville High realize that its effortless 55-6 win, Saturday, has completed a cycle with a once lusty and venerable foe.

This unrestrained win definitely put the tomahawk square in the heart of the series.

Westbury authorities are not expected to renew the contract with the Orange and Black on the basis of the vast difference in student population between the two schools.

Of greater significance is the fact that the contest no longer sparks the Westbury spirit and its place as a traditional fixture is meaningless in the new concept.

For those who know the splendid gritty football history of the tiny school it is an unhappy circumstance.

The Green Wave, which for 25 dauntless years consistently swelled against such giant embattlements as Hempstead, Freeport and Central, and many times miraculously overran them, has even lost its identity.

They call them Dragons in Westbury now and the designation which established the rich athletic history of the community is a thing of the past.

It took Hicksville little time to send Westbury to its eighth straight loss of the season as the drive of Bob DiMattia, Bill Schrimpe and Bob Cerone quickly built a 20-0 advantage.

The insertion of the Hicksville Junior Varsity team, distinctively clad in their own uniforms, was regarded as an affront by the losers.

While a genuine attempt to break the varsity from a runaway score the carnage only increased as the Jay Vee rattled for five additional touchdowns. John Huestis and Chris Colleta stood out for the future Comets as Hicksville brought its season mark to 3 wins against 4 losses.

There was a time you took a beating in this series and swore like blazes the next year would be different. Today things are much different.

On the return home most Hicksville fans had to pass the old stamping grounds of the Westbury warrior.

That muffled sound that penetrated the late November air wasn't the tom toms of the past registering muted protest.

Thunder that cannot be heard in one forest cannot be heard in another.

A friend from Woodmere once remarked to us that Hicksville always seems to be involved in a really big game and more than once a season. And historically this is true.

The attention of the County will be directed to Hampton St. School, in Mineola, Saturday, as the host Maroons attempt to complete their season undefeated and Hicksville hopes to upset that determination.

For Hicksville, a victory will move its 1959 record to 4 and 4 and avert a losing season.

A resounding triumph for Mineola could mean the Rutgers Cup and the County championship.

As many as 5,000 persons are expected to jam all corners of Mineola stadium with kickoff slated for 2 p.m.

Take a tip from friend Howard. The field is located just west of Korvette's and the Mineola Water Works off Westbury Ave. which starts out in Hicksville as West John St.

But of most importance is the great difficulty in the selling of tickets that fans experience at the gates. It is the slowest in Nassau County and you can miss an entire quarter if you don't get there well in advance of the kickoff.

And that first quarter will be important. The team that gets off fast is going to win it. Mineola is on edge of this one and has been all year. A fast start which has been a Hicksville rarity for the past five or six years would go a long way towards capping the campaign with a major victory.

HICKSVILLE 20, MINEOLA 16.

Frank Estrada, Jim Grasso, Harold Manaskie, Bob Paton, Dick Aleock and John Roberts have all agreed to play under the Hicksville Alumni banner against the High School Faculty in the Booster Club Benefit basketball contest Thanksgiving Eve.

This game is for the benefit of the school students and has always had fine response from the graduates in the matter of cooperation as participants. Tickets can be secured at the Herald Office.

The Hicksville High school band made a sparkling appearance at Westbury Saturday and presented a brilliant halftime show. The band executed many reproductions of American Indian life and played the haunting strains of such numbers as the Indian Love Call.

Breaking from a tepee formation the band came up with a large peace pipe puffing smoke for a climax. It was presented to the Westbury side of the stands as the band broke into a rousing rendition of the Dragon's Alma Mater.

As the band withdrew from the field to the quick step of the Hicksville Alma Mater there were definite indications that the show overwhelmed the hosts too.

Jackets Defeat St. Adians 28-13

The St. Ignatius Yellow Jackets travelled to Hericks School on Sunday, Nov. 15, to defeat St. Adian's team 28 to 13. St. Ignatius won the toss and elected to receive. Billy Corrigan took the opening kick-off and carried to his own 40 yd. line. Dale Schutts made 2 yards and Pat Blaser crashing off right tackle ran to St. Adian's 20. Corrigan made 3 yards and Schutts the 1st down on the 9 yd. line. Blaser again ran over right tackle for the score, and Schutts made the extra point. Score St. Ignatius 7, St. Adian 0.

St. Adian's immediately opened on with a mauling attack and went down the field to score. However, they failed to get the extra point and St. Ignatius still held the lead, 7 to 0.

St. Adian's kicked off and Vince Hoosack took the punt to his own 45 yd. line. Here the Jacket line opened up the St. Adian line and the Jackets went 35 yards for the touchdown, followed by Pete Dold crashing over for the extra point. St. Ignatius now led 14 to 6 but St. Adian fought back with a ground and air attack to make another touchdown and score the extra point to narrow the lead, 14 to 13. St. Ignatius again went on the march, but the half ended before they could score.

The second half was all Yellow Jackets. St. Adian received and immediately passed, but Walkewicz of the Jackets intercepted at midfield and carried the ball to St. Adian's 25 yd. line. Blaser and Corrigan carried to the 5, and here Dale Schutts lifted a short pass to Pat Blaser for the touchdown. Blaser also made the extra point to bring the score to 21 for St. Ignatius, 13 for St. Adian. For the balance of the quarter, the Jackets stalled the St. Adian attack. After an exchange of the ball, the Yellow Jackets again went on a rampage. Ed runs and passes carried to St. Ignatius 49. Here Dale Schutts lifted a long pass to Skinny Huber, who took it in the midst of three St. Adian defenders and broke away for the touchdown. The extra point was again made by Blaser, to bring the score to 28 St. Ignatius, 13 St. Adian.

The Jackets kicked off to St.

Little League Roster Closes Dec. 9

This report is being written prior to the Hicksville International Little League Nov. 16th meeting so that we cannot at this time give a report on the outcome. It is to be hoped, however, that a good representation of parents of Little Leaguers attend and register their boys; and what is probably important, volunteer to give a portion of their time to the running of the league.

We remind you that if you failed to register your boy on Monday you will have one last opportunity on Wednesday, Dec. 9th, which incidentally, is the date of our next meeting.

We hear from the sponsorship committee that letters and preliminary information have been mailed to last year's sponsors. Returns are now starting to come in, and at this writing, the committee has heard from PERKINS TRUCKING and GOLDMAN BROTHERS who have agreed to sponsor a team in the Major Division for 1960. In the Minor Division, TROYANO TRUCKING and MID-ISLAND HERALD state they will sponsor again. So far, in the Farm Division, DYNA-MAGNETICS is the only sponsor to reply and they are going along with us again next year.

Salute to Ladies

There is one highly important section of our league that has, up to now, been neglected. However our neglect has not damp-

ened the ardor or the efficiency of this very active section. We are of course speaking of the Ladies' Auxiliary. You are probably not aware that this organization exists, and if you do not, a short history would not be amiss here.

The Ladies' Auxiliary was organized primarily as a fund raising organization who were charged with the responsibility of raising funds from sources outside our regular channels. In the five years that the League has been in existence, added responsibilities have been heaped on their fair shoulders, such as patching uniforms and other needle work as it required, acting as team mothers, and other items which we will not enumerate here. Suffice to say however, the work of the Ladies' Auxiliary has become almost indispensable and their work is highly appreciated by the League.

The writer had an opportunity to speak with Mrs. Helen Bergholz, President during the week. Mrs. Bergholz outlined some of the plans and needs of the Ladies' Auxiliary for the coming year and their plans are, to say the least, very ambitious and bodes good for the League.

The ways and means committee of the Ladies' Auxiliary, consisting of Mrs. Dorothy Terobesi and Mrs. Phyllis Izzo have, in addition to the usual chance-books, made plans for several card parties and social evenings. While plans are not yet complete, we understand the evenings will be held at the ALIBI RESTAURANT.

The needs of the Ladies' Auxiliary at this time are more members. We cannot state it more simply than this. The work of the Auxiliary has, as is usual, fallen on the shoulders of a few workers, so that with the additional plans for the 1960 season, more ladies are needed. Mrs. Natalie Hawkins and Mrs. Helen Dwyer, have agreed to act as Vice-President and Treasurer respectively, while Mrs. Dorothy Caronelli is taking over as corresponding secretary. There are however other positions to be filled and we urge the mothers of our Little Leaguers to attend meetings which are held the fourth Tuesday of every month in Room 102 at the Division Ave. Senior High School.

Some Fine Scores In Women's League

Some fine scores were pulled by the CYO-St. Ignatius Girls this week. Helen Strassburger was high with a 198-535. Maribel Kay and Marion Michaels both broke the 500 mark with 180-506 and 173-506, respectively. Other good scores were: Kathy McCann, 172-481; Claire Dargan, 172-471; Dorothy Lehman, 174; Agnes Thornton, 173; Rosemary Petr, 167; Pauline Cooper, 163; Jean Vazquez, 163; Helen Hirsch and Carol Kaprinski, 160; Ann Krenler, 159; Terry Neder and Gloria Benne-136.
