

Vol. 12, No. 47
 November 26, 1959
 HICKSVILLE, L. I., NEW YORK
 Entered as Second Class Matter at Hicksville, N. Y. Post Office

2,877 to 1,828:

Approve 'Package' School Building

Architectural and legal details of the proposals approved by Hicksville School District voters in a referendum last Thursday are being pushed forward today. There were over 4,800 votes cast with 2,877 in favor and 1,828 opposed to the two-million-dollar "economy" program. The first group of temporary-type classrooms, under the administrative time table, is scheduled to be moved to the Junior High School and ready for student occupancy next September.

Sullivan & Corcoran, school attorneys, were directed at the regular Board of Education meeting, Friday night, to start formal purchase negotiations with the two owners of about five acres of land and a substantially-built frame dwelling to the south of the Senior High School, running from Newbridge Rd. east to Division Ave.

While the voters approved a total expenditure of \$125,000 for this part of the total "package", the School Board has hopes of acquiring the land at something less than this amount. The formal appraisal, made prior to the vote, puts the valuation below \$100,000.

Knappe & Johnson's school architects, are going ahead with the development of final plans for (1) a 14-room elementary school to be built on Willet Ave., (2) 10-room addition to the senior high, (3) construction of an addition to East St. School and renovation of the kitchen-cafeteria set-up, and (4) plans for the moving of 26 temporaries to the Junior High and 24 to the senior high.

First moving of temporaries will total 12 units moved to the Junior High. The entire program of moving 50 temporaries will be spread over a four-year period.

In a pre-referendum statement, School Superintendent Wallace E. Lamb pointed out: "This shifting of temporaries will not solve the peak problems entirely. It will still be necessary to increase class size throughout the District somewhat, and some double sessions will be required. The Administration has developed plans as to how this can be accomplished but the relationship between larger classes versus double sessions is intangible. The rapidity of construction will determine the success of the District's efforts to keep class size within reasonable limits and to reduce double sessions to a minimum."

Present plans call for the completion of the Willet Ave. elementary school building, for kindergarten thru third grades, by April 30, 1961. The State Education Dept. has given approval to preliminary plans for the building and working drawing are expected to be on their way to Albany in about four months. Thereafter will follow the call for bids, letting of contracts and actual construction.

SCHOOL BOARD TABLES ACTION: Want School Renamed for Principal

The proposal to rename one of Hicksville's public elementary schools in honor of the school's first principal, recently deceased, has been tabled by the Hicksville Board of Education "until the next meeting when all seven members are present."

Clyde Kist, former president of Burns Ave. P-T-A., has appeared as spokesman before the Board on two occasions requesting the name Burns Ave. School be changed to the "Allen E. Davis School." She claims that a survey conducted by the P-T-A. showed 582 families of such change of name while only 11 were opposed.

Board members Walter Schreiber and Herbert Johnson were absent when the subject came up again on the agenda, Friday night. Schreiber was confined to his home due to illness and Johnson was out in the mid-west on business.

Hicksville Schools, except the junior and senior high, have traditionally been named for street locations. Some names preserve traditional street designations, i.e. Dutch Lane is today known as Hempstead Ave. while Woodland Ave. is currently known as Ketcham Road.

Allen S. Carpenter, president of the School Board, made it clear Friday night that he "could not vote to name a school after any person

unless more considerations were given to the local heritage and community background."

Vice President Jerome Zettler stated he recognized the "terrible sentiment" in the Burns Ave. area but feels that the views of the rest of the community as to the naming of schools for individuals should be forthcoming first. "After all," he said, "the schools belong to all the people of Hicksville, not just one area or section."

Board Members Robert D. P. Eaton in one of his rare appearances commented that he thinks "it is a wonderful thing to name schools after people."

Reference was made during the discussion to the fact that a movement in recent years to rename the High School in honor of Noble R. Farley, former principal, was rejected.

Fire Commissioner Candidates

VINCENT BRAUN

THOMAS COLWELL

Elect Fire Official Next Tues. Night

Election of a commissioner of Hicksville Fire District for a five-year term will take place next Tuesday evening, Dec. 1, at East Marie St. Firehouse, with polls open from 7 p.m. to 10 p.m. Vincent Braun, long-time member of the fire department and ex-chief, is candidate for re-election. He is being opposed by Thomas Colwell.

All legal voters of the Fire District are eligible to cast their ballots and no advance voter registration is required.

Braun is completing his 13th year as a fire commissioner. He served during the period of greatest growth in the community which saw the number of volunteer fire companies increased to seven, two additional company firehouses built and community ambulance service established.

He is a native of Hicksville, has been active in the fire department for 28 years, has held every company and department office and was chief for three successive terms.

A local retail businessman, Braun is a past officer and active member of several service and fraternal organizations. He is married to the former Marion Gohlant and the father of four children. His home is on Third St.

Colwell, a member of Company No. 2, has been a Hicksville resident since 1951. He resides at 12 Arpad St. and is the father of four children. He has just completed two years as president of the Hicksville Police Boys Club. He has received several awards from local organizations including the AmVets 1957 Community Service Award.

He is a member of the Elks, Amvets and Sheet Metal Workers Union.

Second Grand Child

Mr. and Mrs. Robert Johnson of Summerset, N. J., are the parents of a son, William Michael, born Friday, Nov. 20, at Summerset Hospital. Little Michael is the second grandson of Mr. and Mrs. Herbert Johnson of Myers Ave., Hicksville. Mr. Johnson is on Hicksville School Board.

Driver Training Car Is Wrecked

Hundred of students and adults will be either deprived or delayed in obtaining auto driver training because some person or persons stole a 1959 Chevrolet driver training car from the Robert Chevrolet agency on First St., Hicksville, and reduced it to a \$10 heap of scrap metal in the Brookville woods, Saturday night.

The Chevrolet agency for years has provided Hicksville school children with driver training cars for both student and adult education use. An estimated 600 persons a year use such a car.

The car which was smashed into the woods and caught fire, was set ablaze, far off the road, was one of two provided Hicksville system by Robert Agency. Two are also made available to Sunset.

Robert Wallace, sales manager for Robert Chevrolet, says that due to the steel strike and the acute shortage of new models, the wrecked car cannot be replaced at this time.

Woodland Board Credits 3 Workers

The Woodland Ave. Parent Teachers Assoc. of Hicksville gives credit to three members of its Executive Board for the "terrific job" done on the School Bond issue: Walter Haner, School and Community Chairman; Mrs. Sylvia Chalmers, Legislative; and Mr. Charles Ulrich, Program.

New Five and Ten Opening Friday

This Friday morning, Nov. 27, at 9 a.m. marks the official opening of the brand new Nassau Stores 5 & 10 in the Centre Shops at Newbridge and Old Country Roads, Hicksville.

Patrick Buffalino, well-known in this area as former president of the Hicksville Business Men's Assoc. and Hicksville Chamber of Commerce, is executive supervisor and merchandise buyer for the owners of Nassau Stores, which includes Rogers 5 and 10 on Broadway, has been directing the set-up of the completely redesigned and new store.

County Clerk Francis Anderson of Hicksville has been invited to cut the ribbon to mark the opening of the store, number nine in the organization. Bernard Krueger, formerly at Rogers 5 and 10, will be manager of the new store. It will be staffed by girls from Rogers, many of whom have been with the organization for eight to 10 years.

There will be free gifts for the ladies on opening day, Friday, plus innumerable special sales values.

Among the innovations in the new store, are special fixtures to make display of merchandise and shopping a breeze, according to Buffalino. The scope of every one of 20 depart-

PATRICK BUFFALINO

ments has, as a result, been greatly broadened.

The aquarium and pet supplies dept. will feature live fish. Other special features include: extensive greeting card selection, most elaborate notion dept., with hundreds of colors in wools, threads, zippers and trimmings to match; plastic yard goods in color selections and new glama-cloth (oil cloth), stationery, toys, top name cosmetics.

Bond Issue Vote Breakdown

	Dist. 1 Burns	Dist. 2 East	Dist. 3 Wood	Dist. 4 Lee	Dist. 5 Fork	Dist. 6 Dutch	Dist. 7 Old City	TOTAL
IN FAVOR	355	517	274	489	348	566	328	2,877
AGAINST	138	392	292	435	216	138	217	1,828

Voters registered	722	1427	829	1248	813	955	784	6,778

Personal Mention

Mr. and Mrs. ALEXANDER KOWALSKI of 30 Notre Dame

Ave., Hicksville, were given a surprise dinner party at Whitakers Restaurant, Hempstead, in honor of their 25th wedding anniversary that took place, Wednesday, Nov. 18. Their children Phyllis and James arranged the affair.

Expected home from Ursinus College in Penna for the Thanksgiving Holiday from Nov. 25 to 30, are two Hicksville students: JESSICA WETTERAU of 161 Jerusalem Ave., class of 1961, and LYNN WATSON of South Eaton Road, class of 1963.

Top Scholars Get Citations

Four Mid-Island students will attend a dinner meeting of the Phi Beta Kappa Alumni, Friday evening, Dec. 4, at Hofstra College. They will be among 67 top scholastic students from 61 Nassau and Suffolk secondary schools present for this third anniversary citation award for excellent scholarship. All seniors, they have attained the highest cumulative average: above 90 percent in their respective schools and have been nominated by their respective principals.

Each of the students will become eligible for a full tuition scholarship given by Hofstra. The local students attending will be Dale Conroy, Bethpage H. S.; Frederick Silverstein, Plainedge H. S.; Bethpage; Lois Chaber, Hicksville H. S.; and William Mensel, Plainville H. S.

Speakers for the evening will be Dorothy Keayon, secretary of the American Civil Liberties Union. Guests will include the award winners' parents and their school principals.

Plan Cake Sale

At Plaza Dec. 4

The Glen Cove Hicksville League of Mercy Hospital will sponsor a cake sale on Friday, Dec. 4, at Food Fair, Mid-Island Plaza in Hicksville, from 10 a.m. on Mrs. Richard Lynch of 227 Sackett St., Hicksville, chairwoman of the affair women's that local members bring their donation to the store on the day of the sale. Anyone who is unable to do so is requested to bring it to Mrs. Lynch's home.

The League will meet on Thurs. Dec. 3, for their annual Christmas party at the Brookville Country Club with luncheon at noon and a short business meeting following. The members will then enjoy their party with a grab-bag.

Members are planning a gala fashion show for the Spring. More on this later.

Film at Library

The Independent Art Society is holding a business meeting at the home of Mrs. Etta Friedman, 72 Spruce St., Hicksville, on Monday, Nov. 30, at 8 p.m.

Plans will be discussed about the showing of a film on portrait painting at Hicksville Public Library on Monday, Jan. 18.

Celebrating Golden Wedding Day

Mr. and Mrs. William Braun of Halsey Ave., Hicksville, will celebrate their 50th wedding anniversary today, (Nov. 26) with a "Golden Wedding Anniversary Mass" at St. Ignace Loyola R. C. Church, Hicksville, at 11 a. m. Holy Communion will be distributed.

The Braun Children — Dolores, Vincent, Bernard, Fred and Raymond — will honor their parents with a dinner following the Mass, at the Old Country Manor, Hicksville at 12:30 p. m. The Brauns are the proud grandparents of seven grandchildren: Cynthia, Andrea, Beverly and Vincent, Jr., all children of the Vince Brauns and Stephen, Kenneth and Karl, children of the Raymond Brauns.

Dear Jean:

Voters who failed to read the numerous notices issued about registration days may draw some small comfort from the fact that two voting inspectors were late at their polling place, Thursday. Voting on the Hicksville School Bond issue began at 11 a.m. Planned, the absent ones said they thought the voting started at 12 noon. . . . Personal registration of school voters has been in effect in Hicksville for over a quarter century; yet, every time there is a vote, someone who has lived here 15 years and years claims its all news to him. . . . BOB EATON achieved some kind of a record, Friday night, when he stayed from start to finish of the School Board meeting. . . . Information is available at local post offices regarding Civil Service Exams for stenographers, typists and guards at the Naval Training Device Centre, Sands Point, starting at 3:57.50 a week. . . . BILL MANNILLA of Hicksville is the new owner of NINO's well-known restaurant on Post Ave., Westbury.

Mr. and Mrs. WILLIAM BRAUN will celebrate their Golden Wedding anniversary on Thanksgiving Day. The same day and date is the Silver Wedding anniversary of their son and daughter-in-law, Mr. and Mrs. VINCENT W. BRAUN. . . . Hicksville Kiwanis will visit the old folks at Jones Institute for a Christmas party on Dec. 17. When someone heard that Santa was going to be in the old nation of Kiwanians, he said "now don't you think those Jones Folks are getting a little old to believe in Santa?" . . . Hicksville Board of Education is starting work on the budget which goes to public vote next May. Normally, in the past, budget preparation has not started until about January, February or even March. . . . Watch for an overall push to boost salary scales in the schools.

Syosset Schools will have a holiday on Lincoln's Birthday in 1960, although the calendar as first presented by the administration skipped this day off. Hicksville, of course, under its 1960 school calendar is giving full homage to Lincoln and Washington in February. . . . Group of merchants were at the Hicksville Chamber meeting, Friday morning, to complain that parkers for the times at the Bingo Hall (former A & P) are ruining local retail trade. They are asking for extension of parking meter control time to 10 p.m. which is being studied by Councilman HANK McINNES. . . . Elected a director of Hicksville Chamber of Commerce this week was LOUIS KAPPSTATTER, Town Sanitation Dept. head. . . . About 400 persons attended "Great Moments in Grand Opera" presented by Plainview-Bethpage Exchange Club on Nov. 15, at the Broadway School, Bethpage.

We get a charge out of reading the News-Tribune from Hicksville, Ohio. For example they had three inches of snow out there during the week of Nov. 8 to 14 and in this period the maximum temperature was 61 (Nov 10) and the minimum 19 degrees on Nov. 12. An advertisement in the current issue for a Bar and Grill advises: "Serving 6 per cent beer, wine and mixed drinks, 32 beer on Sunday". Another ad, (this one from the Hicksville Chamber of Commerce) announces the arrival of Santa Claus at 2 p.m. on Friday, Nov. 27. Now we know why Santa doesn't come to Hicksville, Long Island, anymore. . . . He's in Ohio.

Indeed very sorry to hear that MISS CLARA KELLER of Harding Ave., Hicksville, is a patient at Mountsbrook Hospital after being struck by a car in a parking lot. She has a compound fracture of the leg and will be in a cast for some time. All your friends and neighbors wish you a speedy recovery, Clara. . . . Glen Cove-Hicksville Mercy League will hold a cake sale at Food Fair, Mid-Island Plaza on Dec. 4 starting at 10 a.m. Cakes will be home-made by the members and of course will be very tasty. That famous Mercy League Cook Book will be on sale on Friday, Dec. 4th at the Cake Sale. Be sure to get one. . . . We heard this week that an old friend of many years standing and well known in these parts, Miss NELLIE BUTCHER, a former resident of Hicksville passed away last week in Hollywood, Fla., where she has made her home in the past years. . . .

They said it couldn't be done, but Woodland Ave. has. There will be a real "Nike" missile on display all day during the Fair, Army personnel will be on hand to explain the missile and also to distribute pamphlets concerning missile. Mark your calendar for Dec. 5th.

It's Fair weather times, that is, County Fair Time, at Woodland Ave. School on Dec. 5 from 10 a.m. to 4 p.m. No admission will be charged.

County Fair

They said it couldn't be done, but Woodland Ave. has. There will be a real "Nike" missile on display all day during the Fair, Army personnel will be on hand to explain the missile and also to distribute pamphlets concerning missile. Mark your calendar for Dec. 5th.

Hicksville Republican Leaders Proud of Candidates' Margins

The Republican victory in Hicksville with pluralities exceeding 1500 votes or more than 55 per cent of the votes cast was hailed by Phillip F. Robinson, Hicksville GOP leader, and Leonard Badler, co-executive committeeman, at a recent meeting of the Ernest F. Francke Republican Club of Hicksville.

Their joint statement follows: "The results of the elections have been a great delight and a source of satisfaction to the Republican Party in Hicksville. The residents gave the Republican Party pluralities which, were unequalled by any other area in the Town of Oyster Bay.

"Hicksville had four candidates on the GOP ticket. Its candidate for Councilman, Henry McInnes achieved the highest vote of any councilman candidate in the Town of Oyster Bay. Its candidates for Jones Fund Trustee, LeRoy Wells, and District Court Judge, Francis Donovan, likewise received more votes than the other candidates running in the Town of Oyster Bay for similar positions. Its candidate for County Clerk in Nassau County, Francis Anderson, won a substantial victory in his first election campaign, his plurality exceeding 47,000 votes.

Stays Republican
"The Hicksville results effectively give the lie to claims that persons moving to Nassau vote Democratic, and that there is an unalterable trend away from the Republi-

can Party. Despite the fact that the population of Hicksville increased from 12,000 persons in 1950 to over 44,000 in 1957, and now is estimated to be between 50,000 and 60,000, the voters continue to vote Republican, and they will continue to do so, as long as we deserve their confidence.

"The result in our Town, particularly when compared with other areas of the country, demonstrate that the American voter truly understands the functions of politics in a democracy. Politics must always serve government; government should never serve politics. The growing maturity of our electorate will not permit the election or continuance in office of men who, without regard to service, or to the welfare of the public, use the awards of public service for their own gain. Our citizens require government to be warmly aware of the needs of the public, but they are not attracted by promises of 'pie-in-the-sky', or demagoguery, both of which were so evident in the campaign of the opposition party this year," the GOP leaders continued.

"Here, as is true of all localities, we have our unique problems. Recommendations have been made by persons interested in Hicksville with regard to community rehabilitation of the older shopping areas of Hicksville, as well as the desirability of having some college locate a branch in Hicksville. Various areas of our community have problems regarding safety, zoning or drainage. We, as the political leaders of the Republicans in Hicksville, shall do all we can to have serious consideration given to proposals and problems such as these by the appropriate authorities.

"We look forward to an ever-increasing participation by you, the people of Hicksville, in the Republican Party.

"The Ernest F. Francke Republican Club offers you the opportunity to participate in the improvement of your society. The President of the Club, Louis Kappstatter, solicits your membership and welcomes your visits. Meetings are held on the second Friday night of every month, 8:30 p.m., at the Masonic Temple on W. Nicholas St., between Broadway and Jerusalem Ave. All of you who live or work in Hicksville are invited also to the

annual Christmas party which will take place at the Masonic Temple, on Friday evening, Dec. 11, (free dancing to an orchestra and refreshments).

"We wish to gratefully thank all of the many persons who worked so hard to contribute to the wonderful victory in Hicksville. Without people like them, neither a political party nor a democratic society could survive", they concluded.

Children's Library Goes Underground

The Hicksville Public Library announces that the Children's Library will be moved to the lower level. This move will give the children approximately four times as much space and will benefit the adult borrowers by having the entire adult collection on the main floor, according to a spokesman.

In order to carry out this plan it will be in the best interest to the public for the library to be closed while the books and book stacks are being moved. Therefore, the library wishes to announce that the Children's Section will be closed on Friday and Saturday, Dec. 4th and 5th and the Adult Library will be closed on

Friday, Dec. 4. Children's books may be returned to the adult library on Saturday, Dec. 5. All adult books due Dec. 4, will not be due until Dec. 5th.

Current Comment Fire Commissioner Election Tuesday

BY FRED J. NOETH

AS TIME GOES BY we find it becoming increasingly important to recall and repeat events of five, ten, or even more years ago to assist present day Hicksville residents in making local decisions. Because we were and so frequently are involved in these events, we sometimes become remiss in assuming that they are well-known to all.

The Fire Commissioner election of Tuesday seems a point in time Vince Braun has been in the fire-fighting volunteer fire fighting service for about 25 years ago. We know him. Even he must have lost track, long ago, of the number of times he dropped his butcher tools to answer the alarm the day when the number of available men is always less than on evenings or weekends. Or the number of times he had his life and limb to get out at Broadway and Marie St. and his guiding cars with flashing blue lights down to the Marie St. house. This latter self-imposed duty has been relieved by an electronic device in the firehouse which now sets red signals against all traffic except the fire engines.

We don't regard the re-election of Vince Braun as any form of "reward" for services rendered. If, like those community-minded people who serve on School Boards and other like bodies, it is to take full advantage of his knowledge and experience as a commissioner of our fire district that we urge you to vote for him.

Vince won't mind us telling a little story about him. He was so faithful in attendance at company, department meetings and in answering fire calls that when he went on his honeymoon — just 25 years ago this week, by the way — he arranged it so he would be back in time for the regular Company four meeting.

Vince Braun and the writer have disagreed from time to time and we probably will not always see eye to eye in the future. He is not always the soul of diplomacy, has a fondness for practical jokes (somehow tapered off in recent years) which can even wear thin with friends. However, we doubt if anyone can match his sincere interest in the Hicksville volunteer fire fighting service or if anyone can truly measure what his contribution has been to this vital community activity over the years in terms of lives saved, property preserved and the general welfare improved.

His opponent just about deserves a word in passing — a nice follow with a host of campaign managers. Neither he nor his campaign generals have been able to come up with a single reason why he should replace the incumbent.

FACTS ABOUT OUR COMMUNITY

A 130-page booklet at one buck a copy made its debut during the past week entitled "The New York Suburbs", 1959 edition, which professes to be a "complete guide" to over 250 suburbs on Long Island, up in Westchester and over in New Jersey.

Community Yearbooks Inc. in Hempstead is preparing to publish "Know Long Island" any day now and we believe we can trust this publication to be considerably more accurate about Hicksville, at least, than the first mentioned publication. For one thing our old friend Arthur Hodges is the editor of "Know Long Island" and Bill Nelson, formerly with Mid Island Plaza, is on the staff. Arthur is a careful editor and should do well by Hicksville.

"The New York Suburbs", if we take the write up on Hicksville as an example, is the most inaccurate piece of business we have been chagrined to read in some time.

We don't own a copy but an attorney showed us the one he bought. It states, for example, that Hicksville (shades of Larry Roman) is an Incorporated Village!

It also says, in effect, we have practically no zoning restrictions, a student population of only 8500 (actually more than 14,000) and fails to give us credit for all the schools the taxpayers of Hicksville are now paying off with their hard-earned tax dollars.

On Thanksgiving Day

In the cabin of the Mayflower, before they set foot on American soil, the Pilgrims signed a compact that began with the solemn words, "In the name of God, Amen." In our Declaration of Independence is embodied the principles that all men are "endowed by their Creator with certain inalienable rights." Our national motto is "In God we trust."

Thus this nation was founded upon faith in God. This upon to recognize our cherished heritage of religious freedom through the nationwide Religion In American Life Program, is a most appropriate time to be reminded of this truth.

If, responding to the RIAL movement's message of "Find the Strength for Your Life . . . Worship Together This Week," our people march as a mighty pilgrimage to their houses of worship, this faith can be re-affirmed.

Thus we Americans may make that faith manifest again to all other nations. In a world torn by international dissension, a world beset by forces and ambitions that are godless and evil, America still may stand revealed as the land over which, in the words of Isaiah, "He will lift up an ensign to the nations from afar."

And if any men, anywhere, still wonder how America stands, that ensign of God will testify that we stand a united nation, mighty in our material resources, and mightier still in that faith which is the very foundation of all that we are and of all that we aspire to be.

Change Plates For Suburbans

ALBANY — Although suburban vehicles in New York State will carry standard series license plates next year, the same as those issued for passenger cars, Commissioner William S. Holtz of the Bureau of Motor Vehicles points out that the expiration date for 1959 suburban registrations is still Jan. 15, 1960. The fees also remain the same.

Several other special classes of motor vehicles, hitherto exempt, must be registered for the first time in 1960. These are all self-propelled vehicles used at least partially on public highways, such as traction engines, road rollers, tractor cranes, truck cranes, power shovels, and building machines, snowplows, road sweepers, sand spreaders, well drillers, well servicing rigs and trucks with small wheels used primarily in factories and warehouses.

The new 1960 plates for the suburbans must be delivered on the vehicles on Jan. 16, as must those for farm tractors, trucks and other commercial vehicles. Omnibuses, taxicabs, school buses and ambulances must be registered and equipped with plates on Jan. 1. Dealer and transporter plates must be used beginning Jan. 12 with passenger and motorcycle plates due to be attached on Feb. 2.

Grandmothers Plan For Christmas Party

The November meeting of the Nassau County Grandmothers Club, with Mrs. Joseph P. Boya, President, presiding, was held at the home of Mrs. Bernice Smith, Good Cheer Chairman.

Following the business meeting, a social hour was held during which time moving pictures were shown of the various garden parties held by the Club during the past summer. Mrs. May Kruse of Waukegan, Ill., Mrs. Dolly Anderson of Hicksville, were the winners of the door prizes at this particular meeting.

8 p.m. on the third Tuesday of each month has been established as the regular meeting night of the Club, with meetings to be held in the future at 66 Fordham Ave., Hicksville.

Plans were made for the Christmas party which has been scheduled for Tuesday evening, Dec. 15 at 8 p.m. at which time baskets will be filled and made ready for Christmas distribution to needy families in the Hicksville area. Any persons interested in assisting in this project are invited to contact Mrs. Joseph P. Boya, 20 Blueberry Lane, Hicksville, WE 1-6959.

Seek Members

Bobby Corshon, Chairman of the Membership Committee of Marquette Hills Lodge, Knights of Pythias, announces that next week will be the final opportunity for new members to make application for membership in the Lodge. Under the leadership of Past Chancellor Marvin Kleinman, a set of ranks will be held for new applicants starting on Wednesday, Dec. 2. Any male resident, 18 years of age or older, interested in joining the Order Knights of Pythias, are invited to contact Corshon at OV 1-3623.

Nicholai P-TA Elects Delegate

A regular meeting of the Nicholai St. School PTA, was held Wednesday, Nov. 18. The program consisted of a question and answer period concerning the proposed Nov. 19 school referendum. Mr. Robbins answered questions put to him by the assemblance.

Mrs. J. Marchetta was appointed council delegate following the acceptance of the resignation of Mrs. D. Cianella.

The next meeting will be held Wednesday, Dec. 9 and a large turnout is expected.

JUDGE PAUL J. WIDUTZ, member of Board of Directors of Mid-Nassau Community Guidance Centre of 35 Broadway, Hicksville, discusses plans for the Thanksgiving Week Door-to-Door campaign for funds with Mrs. Herbert Corlin of 46 Pine St., Hicksville, co-chairman. Readers not contacted at their homes are asked to send contributions directly to the centre.

Obituaries

Luca Amendolea

JERICHO — Luca Amendolea, of 233 Halsey Ave., here, died Friday, Nov. 20. He resided at the Henry J. Stock Funeral Home until Monday morning when a Solemn Requiem Mass was celebrated at St. Ignatius Loyola R.C. Church at 10 a.m. Burial followed at St. Charles Cemetery.

Mr. Amendolea, who was the husband of the late Franca (nee Abram), is survived by his son Frank; a daughter, Theresa Lombardi, his mother, Theresa of Italy, a brother, Anthony of Paris, and a sister, Jenna Cavallaro, also of Italy.

Harold R. Pearsall Sr.

HICKSVILLE — Religious services will be held at the Thomas F. Dalton Funeral Home Friday morning for Harold R. Pearsall Sr., of 178 Blueberry Ln., here, who died Monday, Nov. 23. He will be buried at Pinelawn Memorial Park.

Mr. Pearsall is survived by his wife, Rose; his daughter, Mrs.

Barbara Frost, Mrs. Patricia Reese and Miss Loretta Pearsall; his son, Harold, Jr.; his mother, Mrs. Rose Pearsall; four brothers, James, Russell, Ralph and Fred and a sister Mrs. Edith Langdon.

Glady Pelegan

JERICHO — Gladys Pelegan passed away at her residence, 6 Hollywood Dr., here, on Sunday, Nov. 22. She resided at the Thomas F. Dalton Funeral Home, Hicksville, until Wednesday when a Requiem service was held at Holy Trinity Episcopal Church, at 10:45 a.m. Burial followed at L. I. National Cemetery.

Mrs. Pelegan is survived by her husband, Claude.

Philomena Langone

HICKSVILLE — Mrs. Philomena Langone, of 5 Belmont Pl., died on Thursday at North Shore Hospital as the result of injuries suffered in an auto accident on Nov. 15 on Northern State Parkway, Manhasset.

She is survived by her husband, Robert A.; parents, Mr. and Mrs. James Porter; two sisters, Eileen Sasco and Rosaline Porter; and three brothers, James, Jr., Girard and Frederick Porter.

Mrs. Langone resided at the Roslyn Heights Funeral Home until Monday when a Solemn High Requiem Mass was sung at 8:30 a.m. at St. Mary's R.C. Church, Roslyn Harbor. Interment followed at Long Island National Cemetery, Pinelawn.

Arrangements were under the direction of John P. Tycholski.

Has Election

The following officers were recently elected by The Long Island Butterfly and Moth Society: President, Gardiner E. Gregory; Vice President, Robert Paul; Secretary, Mrs. Kay Paschal; Treasurer, Mrs. Eda Rand.

Youngsters' quilts, and quilts in need, in Lepidoptery are invited to join and can call Gregory at OV 1-6041 after 6 p.m.

Silver Wings Fraternity to Mark First LI Monoplane Flight in 1909

Mitchel Air Force Base will host the Silver Wings Fraternity on Dec. 4 in observance of the 50th Anniversary of America's first monoplane successful flight. The flight took place at Mineola, on Dec. 9, 1909.

According to Major Louis W. Bleser (USAF-Ret.) President of the Fraternity's N. Y. Chapter, the guest of honor on the occasion will be Dr. Henry W. Walden, aviation pioneer, who not only designed, built, and flew the first successful monoplanes in America, but also designed and built the first radio-controlled, air-land missiles in November 1915. He continued his aviation activities until 1942.

Col. John O. Hall, Mitchel AFB Commander, will be on hand to welcome Dr. Walden and the several hundred Aviation Pioneers expected to attend.

Dr. Walden's original model of the missile, and scale models of the WALDEN III and the WALDEN IX monoplanes are on permanent

exhibit at the National Air Museum of the Smithsonian Institution in Washington, D. C.

To bring the younger generation of airmen up to date on the beginnings of aviation in this country, Dr. Walden will give an illustrated talk on his dedicated work-in aviation, beginning in 1908 and continuing until 1942. His talk will be given in the Brick Theatre, opposite Base Headquarters, corner of Miller Ave.

A Tribute To Our Neighbors!

Those people who live next door or down the street a way or around the corner. Do you know them? Do you put yourself out just a little sometimes to make their lives more pleasant? A cheery "hello", a genial smile, an invitation to come in and sit awhile. These are the tiny miracles that make neighborliness blossom and grow into a thing of strength and beauty. Charity, they say, begins at home. Similarly, it is from your home that next-doorness emanates. Let's all be good neighbors. Remember, there is no tax on your investment in friendship!

Directors Back Harold Smith

By GEORGE J. FRANKEL
 The Board of Directors of The Birchwood Civic Assoc. unanimously endorsed Harold Smith for reelection to the Jericho Board of Fire Commissioners. At its regular monthly meeting on Tuesday, Nov. 17, 1959, the Board interviewed Ralph Feltz, Mr. William Simpson, and incumbent Harold Smith. After listening to the views and plans of all these candidates, the Board reached its decisions. (For details, see EDITORIAL in this issue.)

The Board voted to instruct the Park Committee to arrange a meeting with Park Commissioner Peter Hussey as soon as possible. The object of this meeting will be to try to arrange to have the recreational facilities planned for the Merry Lane Park completed this season, if possible. These facilities include a double basketball court that may be converted in Winter to an ice skating rink.

It was suggested that a Joint Council of Civic Associations be formed in Jericho similar to the one presently existing in Syosset. The Board voted to authorize the president to investigate this matter, and to report his findings and recommendations to the Board. It was also voted to change the name of the "Jericho Art League" to the "Art League of the Birchwood at Jericho Civic Association."

The Jericho Education Committee was authorized to contact other organizations in Jericho also interested in Education problems, with a view toward forming some sort of advisory committee.

Temple Or-Elohim Men's Club Active

Every Sunday Morning, 10 AM till noon, breakfast and bowling (B & B) at the brand new and beautiful Jericho Lanes, Jericho Turnpike, near Woodbury Rd. Come one—come all—and join the action, there's always a nice bunch of fellows on hand. Bring your youngsters, have fun, while the Mrs. gets a chance to sleep late. For details, phone Sam Davis, WE 5-0609, Jack Sloan, OV 1-0834; Irv Weiner, WE 3-5611.

The December meeting of the Men's Club will be held on Wednesday, Dec. 23, at 8:00 p.m. (continued on Page 9)

Little Orchestra Now In Formation

By Gilbert B. Stein
 In response to a suggestion by some of the writer's "fiddling" and piano playing friends, an effort will be made to organize, on a very informal basis, those of our residents who play musical instruments, love music and wish to get together regularly at longhair, semi-longhair or regular jam sessions. The purpose of all of this is, of course, to have a good time. Perhaps, at some future date, this "Little Orchestra" will venture forth and give us a real concert.

The Birchwood / Jericho Civic Assoc. is happy to sponsor these endeavors and we invite all interested neighbors to contact the writer promptly. Do so on a postcard or letter (The Villager, Jericho L. I.) or phone OV 1-0338.

Jericho Players Meet on Dec. 1st

On Dec. 1, at 8:30 p.m., the Jericho Players, dramatic group of the Civic Assoc., will hold an open meeting at the Jericho Country Club. A guest speaker will talk on "The Art of Acting." All persons interested in becoming a part of the group are invited to attend.

The play "All My Sons" will be the next production of the Jericho Players. The cast and back stage crew have been in rehearsal for several weeks under the able direction of Allen Fristoe of CBS TV. The play will be performed on the evenings of Dec. 18 and 19.

Tickets for all performances are now on sale. You are all invited to attend and meet the cast, your neighbors. Leading roles are played by Miriam Reff who is active in the community as a Cub Scout Den Mother and school teacher; Betty Goldstein, ex-model and actress; Dale Berg who appeared in previous productions of the Jericho Players; Adele Zorn, active in many of our local organizations; Larry Singer, Barry Jeffrey and Jerry Neuhaus, three of our members who will be remembered for their outstanding performances in "Happy Time"; and Leon Zlotner and Dave Kassen, both new recruits to the ranks of the Jericho Players and whose performances are sure to be enjoyed by all.

Please mark in your diary for performances Dec. 18 and 19, at 8:30 p.m. at Syosset High School. Price: \$2.00 per ticket. All seats are reserved.

Teen Age Special Discount tickets will be sold for the Friday, Dec. 18, performance only. Teen age tickets for this performance will be sold for \$1.50.

For tickets call OV 1-1243 or WE 8-8048.

ANTHONY D. FANCHIETTI, executive Vice President of the First National Bank of Glen Head, has been elected 1960 chairman of the Nassau County Clearing House Assoc. There are 10 member banks of the Assoc. in Nassau.

Amend Civic Constitution

By RALPH DIAMOND
 The Constitution of the Birchwood Civic Assoc. at Jericho was amended on Wednesday evening Nov. 11, at the Jackson School. Many changes were instituted in order to make our constitution more effective. For example, it provides for a Nominating Committee. The nine member Nominating Committee will be comprised of five non-board members and four Directors. The Constitution further provides that any member may have his name placed on the ballot for Officer or Board of Director by filing his petition containing the signatures of 25 members of the Association approving his nomination.

Another amendment permits the membership to direct the Board of Director to call a Special Meeting for a specific purpose. A written request signed by 150 members of the Assoc. is required.

THE VILLAGER for the first time is recognized in our constitution as the official publication. It shall have the right to elect its own Board of Editors, staff, etc. The most important provision in this amendment to the constitution grants THE VILLAGER the right to determine its own policies, provided same are not in conflict with the by-laws. This gives THE VILLAGER the right to agree or disagree with any vote or action taken by any officer, Board Member or committeeman. Indeed, this guarantees that THE VILLAGER will never be a "house organ" but a newspaper, constantly on the alert for the good of the community and the members of the Civic Assoc.

The constitution now provides that the Board of Directors without the consent of the members, shall set the annual dues. It further provides for four regular meetings a year.

Another unique feature of the amendments was created a rotating system for the election of the 18 members of the Board of Directors. Nine shall be elected this year for a period of 2 years and the other 9 for one year. In the following years the 9 openings on the Board of Directors will be elected for a 2 year term.

Congratulations and sincere thanks go to Sam Hecht, Chairman, Allan Kaplan, Jerome Murray, Ralph Diamond, Larry Gibbs, Jerome Abrams, Jerry Gold, and Charles Hegg, for the many hours spent in preparing the constitution amendments. Their arduous task and efficient results has aided materially to the growth and stature of our Civic Association.

Schools Observe Lincoln Birthday

By Horace Bernstein
 The Board of Education has announced that all schools in Central School District #2 will be closed on Lincoln's Birthday.

In recent weeks, many residents of the Syosset School District including Syosset Education Committee of the Birchwood Civic Association, indicated to the Board that most of the community felt that Lincoln's Birthday should be a school holiday. Following consideration of these expressions of opinion, and after learning that the school calendar, as adopted, contains more school days than the minimum required by the State, the Board decided to close the school, and to complete the inter-visitations program begun on Election Day by closing the High Schools at another more appropriate time in the spring.

AN EDITORIAL

The voters of the Jericho Fire District are indeed fortunate to have four candidates running for the Office of Fire Commissioner. This is a thankless, difficult, time-consuming and demanding job, paying nothing except the satisfaction to the individual elected, that for a period of five years he will serve his Community in a most vital capacity administering budgets and policies and together with his fellow Commissioners the working of our Volunteer Fire Department, which in turn protects the health, safety and well-being of every Jericho resident.

Three of the four candidates sought the endorsement of the Birchwood at Jericho Civic Assoc. The Board of Directors, after interviewing these candidates, wholeheartedly endorsed Harold Smith, present incumbent. Mr. Smith, a long-time resident of our Fire District, has served for the past ten years as Fire Commissioner.

His experience in the field of fire-fighting and the administration of Fire Depts cover 30 years. He is a responsible, capable and conscientious individual who has done much to make our Fire Department one of the best trained and equipped on the Island. We urge all voters in the Jericho Fire District to vote for Mr. Smith. Voting will take place Tuesday, Dec. 1st, between the hours of 2 PM and 10 PM at the Jericho Firehouse.

The Syosset Fire District Elections will also be held on Dec. 1. William Rynsky is running unopposed. Residents of the Syosset Fire District may cast their vote at the Syosset Fire House.

How to Be Civic Assoc. Nominee

By David A. Mark
 Every member of the Civic Assoc. is urged to consider his, or his neighbor's qualifications for one of the seven offices or eighteen directorships in the administration of the Civic Association. It is the constitutional privilege of any qualified member to run for office or directorship whether or not his name has been submitted as a candidate by the authorized Nominating Committee. (continued on Next Page)

An Open Letter

To Residents of Birchwood Park at Jericho:

I sincerely feel proud to be a member of the community which extended to me its overwhelming support in my recent campaign. Birchwood Park voted approximately five to one for me as a Councilman and this certainly would appear to indicate that my neigh-

hors were solidly behind me. I realize that the Democratic Party has a long road to hoe in Nassau County, but when a community supports one of its residents in this fashion, I certainly do not feel disheartened with the results. I am already seriously making plans to insure that the Town Board serves our community to the best of its ability.

Once again, may I express my sincere gratitude for the heartwarming support extended to me.

Sincerely,
CHARLIE HEEG

Nov. 6, 1959

Jericho Rabbi Takes Bride

Miss Beverly Becker, daughter of Mr. and Mrs. Morris Becker of Searington, was married to Rabbi Simchon Kohnmetz on Sunday Nov. 22. He is the son of Mr. and Mrs. Morris H. Kohnmetz of Woodhull.

The ceremony was performed in Congregation Sons of Israel, Woodhull, by Rabbi Alvan Rubin, Emanuel Kohnman and Irving Miller. Mrs. Kohnmetz attended the University of Michigan and was graduated from Hofstra College, where she was an officer of the Wreath and Poil Sorority. The bride is presently on the Staff of the Ludlum School at Hempstead, and a graduate student at Columbia University.

Her husband is the spiritual leader of the Jericho Jewish Center. Rabbi Kohnmetz was a graduate student at Columbia University and was ordained at Yeshiva University. He served as a Chaplain with the U.S. 12th Air Force in Germany and was the recipient of the Commendative Medal. Presently he is a Chaplain with the Air Force Reserve at Mitchell Field AFB. He is National Secretary of the Jewish Chaplains Assoc., Vice President of and Executive Board Member of the

AWARDS WERE presented at a recent assembly of the Jericho secondary grades for the poster contest sponsored by the Jericho Fire Dept. Holding the medals just presented are

See Comeback
Vic Hershkowitz of Brooklyn Central YMCA and Fresh Meadows, who until this year had unadmittedly scored in 24 national handball events, is expected to stage remarkable comeback, Dec. 7-14, when he faces National 4-Wall Champ, Johnny Sloan; 3-Wall King, Jimmy Jacobs and Single Wall Master, Oscar Obert in the First Annual Orange Bowl Invitational Handball Classic at Miami Beach. Development of Irish Handball Game in the United States is discussed by Max Lodaw, Special USHA Charter Member, in the new addition of ACE, National Handball magazine, with emphasis on claims of both Brooklyn and San Francisco as to the establishment of America's pioneer court. The Irish game, played with a larger ball, was predecessor to our four-wall style of handball and is similar to the pastime of FIVES, popular in England.

Civic Nominee
(Cont. from Villager Front Page)
A member of the Association may have his, or another member's name placed on the ballot as a candidate, by taking the following simple steps:
1. Prepare a petition, on behalf of the nominee, duly signed by 25 members of the Association with their addresses.
2. File the petition, with a written acceptance by the nominee, with the Corresponding Secretary of the Civic Association no later than January 26, 1960.

The 7 officers of the Association consist of the following: President, 1st Vice-Pres., 2nd Vice-Pres., Treasurer, Financial Secretary, Corresponding Secretary, and Recording Secretary. No person may be a candidate for more than one office.
It is of interest to note that the newly revised constitution divides the Board of Directors into 2 classes of 9 Directors each. When the 18 Directors are elected at the first annual meeting in February, the 9 Directors who will receive the highest votes cast shall be elected for a 2 year term. The second nine will be elected for a 1 year term. At each annual meeting thereafter, 9 Directors will be elected for a 2 year term in Place of those whose terms then expire.
The VILLAGER will publish, prior to the election date, a complete list of all candidates for the respective offices and for the Board of Directors, together with the place, date, and time of the election.

TAKEN TO HOSPITAL
Edward Byrne of 46 Amherst Lane, Hicksville, was taken to Mid-Island Hospital in Bethpage by Fire Dept ambulance, shortly before noon, Tuesday. Members of the crew were Daniel Sutter, Fred Noeth and Medard Ofenloch.

Here and There

By Florence Berger

We hear that Donna Horvill and Geraldine Rappa are captains of the Pep Squad at Our Lady of Mercy Academy and can their strut in their new uniforms. Good luck in next week's game! Geraldine's mother and dad, Mr. and Mrs. Vincent Rappa of Hedgerow Lane, celebrated their 14th anniversary at a family party at the Riviera.

The Catholic Daughters of America in Jericho are having a wonderful time rehearsing their play for the Christmas Party to be held in Oyster Bay on Dec. 18. So much hidden talent has come to the "tione".

Something new in raising Donor has been discovered. Florence Hecht of 26 Fair Lane is selling Kosher egg rolls. Hear tell that they heat all. Proceeds go towards Sisterhood and Hadassah. Her phone no. in case you're interested, is OV 1-4231.

The Jericho Investors, an Investment Club, consisting of 15 members of Birchwood Park, celebrated their first anniversary, at the home of outgoing President, Irving Brand, with a cocktail party, topped off with a dinner and dance at the Riviera.

Don't forget Hadassah's paid-up Membership Party, at the Old Country Manor, in Hicksville, the date is Nov. 30. The hypnotist, great, Gaudino, cocktails, food galore! Admission free—just pay dues now or at the door.

Janice Gemma, daughter of Mr. and Mrs. Joseph Gemma of Maytime Drive will receive her First Holy Communion at St. Ignatius RC church, Hicksville, on Thanksgiving Day, Nov. 26, in a special Thanksgiving Day ceremony. A Communion Thanksgiving dinner will be held at their home later that evening.

Jericho's Lee Stanley, former T.V. Personality and now manager of Fred Astaire's Dance Studio in Roosevelt Field, entertained at the luncheon for Cerebral Palsy which was held at the Mossing Restaurant. He also brought fine talent from the dance studio and a delightful time was had by all.

This is a reminder to everyone to attend "This Is Your Life," presented by the Hannah Circle of the Jericho Jewish Center Sisterhood, for their December meeting. The program will take place at the Robert Seaman School, December 1, at 8:30 p.m. It will be an open meeting and non-members are cordially invited. After the presentation, refreshments will be served. So, bring your neighbors, bring your friends for an evening of entertainment galore.

The Junior Catholic Daughters of America recently presented a discussion on Mission Crusade. The purpose of this presentation was to explain and make clearer the work of the missionaries in different countries. By amusing "mission mindedness" in the girls, it hoped to enlarge the contributions for the needy.

Rosemary Saffer presided as President and Geraldine Rappa as vice president.

Everyone who was fortunate enough to be present November 14, at the Autumn Roundup Supper Party given by the Sisterhood of Reform Temple Or-Elohim, know what a fabulous job was done by Edie Mussman and her committee. But some of the behind the scenes, little known facts are that the following firms also played their parts to insure its fabulous success: Consumer's Meats who supplied the delicious cold cuts and salads; Great Western Meats who gave us the trimmings; Long Island Beer, Soda & Seltzer of Brooklyn who provided soda; Kaufman's Peter Pan Bake Shop who supplied bread and cake,

Dietz Dairy, milk; also Food Fair, A & P Stores, Michelle Bakery, Jay Dee Bakery and East Isle Stationers gave very generous contributions. Thank you all—we had a ball!

A delightful day was had by all who attended Sisterhood Temple Or-Elohim's Paid-up Membership Luncheon at the Maine Maid. The veal parmigian was out of this world. Thanks to Clare Friedman and her committee. Rhoda Goldman was thrilled to have won cake decorated and baked by master baker Edward Sawkins who entertained women with his talents-at-no charge-whatsoever.

The annual Catholic Youth Day Program sponsored by all youth organizations of the Rockville Centre Diocese met at St. Joseph's Academy, Brentwood. The day began with the Holy Sacrifice of the Mass followed by a panel discussion and meditation on the Rosary. During the meditation, a tableau depicting each Mystery of the Rosary, was presented.

Place your bets, everybody—this Saturday, Nov. 28th, when the Jericho Jewish Center Sisterhood brings "Las Vegas" to you. For just the nominal price of \$1.00 you are transported to a world of chance and excitement. You could be the man who breaks the bank at Las Vegas. There will be games of chance and games of skill. There will be available refreshments for those who wish it. You don't have to take a plane to get to Las Vegas. Just any old Cadillac will do. Head for the Sposset Fire House where the gambling is hot and the mood is mellow. We'll be seeing you there. For tickets, contact Ray Seidman, OV 1-0597 or Shirley Pepper—WE 1-6277.

Volunteers are urgently needed in Jericho to assist in the fund-raising drive of the Auxiliary for the Mid-Nassau Community Guidance Center. This is a non-profit clinic which offers low-cost psychiatric services and family counseling to children and adults in Jericho, as well as surrounding local communities. For further information call Edith Winston, WE 8-7683.

B'nai Brith has completed arrangements for its 2nd Annual Dinner Dance at the fabulous Pine Hollow Country Club, East Norwich, on Mar. 26. Considered one of last year's outstanding social events, it promises to be even greater next time. Reservations will again be limited and taken on a first-come first-served basis. Call Norman Turkell, dance chairman, at OV 1-7326, to be sure that your tickets are set aside.

Birchwood's first gin rummy champ was crowned at the Jericho Country Club a few weeks ago. The contest, held under the auspices of the B'nai Brith Jericho Lodge, saw a field of 40 boiled down to an exciting match between Julie Kresner and Len Salz. Julie was the winner, and both he and Len were awarded trophies by B'nai Brith.

PRESENT TRIO

The Center Island Jewish School Inc., is proud to present Geoffrey Holder and Trio at the East Meadow Jewish Center, Prospect Ave. in East Meadow, Saturday evening, Nov. 28 at 8:30 p.m.

Reform Sisterhood Program Bulletin

Mark your calendars! Reserve your sitters! Do anything—but get to the next Temple Or-Elohim's Sisterhood Meeting on Dec. 1st! You won't want to miss hearing the thrilling, chilling story of the ship Exodus and the fight for Israel's freedom from the man who lived it!

John Stanley Grauel, who cut short his studies for the Methodist Ministry to join the American Christian Palestine Committee, and later the underground Hagannah, has long been a fighter for human rights everywhere. This battle brought him to the ranks of the Palmyra, sea ann of the celebrated Eshmach, and to the decks of the celebrated ship Exodus!

Dubbed "John the Priest," he soon became a legend in the midst of legends of those stirring days. His report to the United Nations was instrumental in the formulation of the U N Resolution on Palestine and the establishment of the free

and independent State of Israel. In the intervening years, Mr. Grauel's travels all over the world have further deepened his understanding of human problems and have enabled him to bring to his audiences timely and up-to-the-minute reports on the Fight for Freedom everywhere! If you have missed the opportunity of hearing this dynamic personality before—here is your chance! Remember—Be at

the George Jackson School on Tuesday night, Dec. 1 at 8:45 p.m. Bring your husbands—bring your friends!

Robbins La School Stages Book Fair

On Friday, Nov. 6, the Book Fair Assembly was held in the Robbins Lane Auditorium. This was the culminating event for "Book Fair Week." During the week, the fourth grade classes under the direction of the teachers of Robbins Lane, visited the other classes of the school and presented various books to all children in grades 1 to 5. The fourth grade children thoroughly enjoyed this experience. The books were presented in different ways: pantomimes, puppet shows, and/or story telling.

The assembly was presented by the fourth grade children of Miss Didriksen, Mr. Shaw and Mrs. M. Simon. The parents were invited to attend and a thoroughly good time was had by all.

The Robbins Lane P-T-A meeting was held on Tuesday, Nov. 17, in the school auditorium. Dr. Pauline O'Melia, librarian at the Southwoods Junior High School, was the guest speaker and she discussed a very interesting and important topic: "Choosing the Right Book for your Child."

A Book Fair was presented for the parents from 3 to 5 p.m. and from 7:30 to the close of the meeting. The meeting was well attended. Refreshments were served.

Men's Club Active

(Cont. from Villager Front Page)
nesday, Dec. 16, 8:30 PM at the Jericho Country Club.

The main attraction of the evening will be a guest speaker, Leonard L. Meyers of the firm of Bache & Co., members of the New York Stock Exchange. Mr. Meyers, a stock analyst, trader and investor with an enviable record of success in his field, will discuss methods of stock buying, chart analysis, timing, the technical intricacies of the stock market and its hidden secrets. He will make definite predictions based on his system of charting common stocks.

There will be refreshments and the usual well known Or-Elohim sociability and good fellowship. This meeting is open to all members as well as guests.

Explorer Ball

On Saturday, Nov. 28, the Nassau County Council Explorer Cabinet will present an EXPLORER BALL under the direction of Mr. Otto Scheim of Ship No. 18. The event will be held at the Hempstead Elks Club, Fulton Ave., Hempstead from 9 PM to 1 AM. The highlight of the night will be the Explorer Bridge of honor will take place at 8 PM.

Music for the night will be supplied by Johnny Millang and his band. Donations for the ball will be \$2.50 per couple which will include refreshments.

Explorers will wear either blazer or uniform and their dates will wear cocktail dresses.

Tickets for the ball are available from Explorer Post advisors or can be purchased at the door. Make this great Explorer event a big success.

Open House Meeting

On Nov. 16, at the Vernon School in East Norwich, 120 parents and scouts attended an Open House meeting to discuss the Fifth National Scout Jamboree to be held in July, 1960 in Colorado Springs.

The Thunderbird District Jamboree Chairman Harold Frank introduced the members of his committee, Henry Carpo ter, District Commissioner; Syd Burns, Assistant District Commissioner; William Groach, Scoutmaster, Troop 112 and the leaders John Avellar, Jamboree Scoutmaster and the Assistant Scoutmasters, Charles Rosenfeld and John Langren. The District Executive, Hartley Kroul was also present.

All members of the committee and the leaders participated in presenting the program. Moving Pictures of the 1957 Jamboree in Valley Forge were shown. Former Jamboree Scouts William Groach, Roger Montenegro and Peter Killian displayed pictures and swap items and also discussed their experiences at Valley Forge.

Members of the committee gave a breakdown of the costs, transportation, itinerary, pre-training plans and medical requirements.

The program was enthusiastically received and there were many requests for applications from the scouts and volunteers for adult leadership.

Troop 91 Events

St. Ignatius Boy Scout Troop 91 increased its enrollment again. Four new tenderfoots, T. Healy, W. Dargan, T. McGreevy and C. Van der Merlen, took their place in the ranks along with the other seasoned scouts. The troop welcomes them and wishes them the best of luck.

It's a rare occasion when a group of scouts can do a good deed at the same time. Believe it or not, it came

to pass at 91's troop meeting Tuesday, Nov. 17 when Mr. Steve Rykowski, sexton for St. Ignatius, had several cases of soda to move. The boys jumped at the opportunity to help and before you could say "BULLY" — all was done. Steve seemed very pleased.

Christmas wreath sales to raise troop funds got off to a fast start. Initial results reported to Tom McCarthy, who is handling the drive, indicate the wreathes should go like "hot cakes".

Cub Pack 291

On Nov. 28 the cubs of Pack 291 will take the bus to the Brooklyn Navy Yard where they will be shown over the destroyer escort Harris (DE-447). Bus leaves Trinity at 8:15 a.m.—50¢ per person.

On Nov. 20 these boys received badges: Gary Bersek, Wolf badge, 1 gold arrow point; Arthur Hoop, Bear badge, 1 gold arrow point; John Wagner, Jeffrey Kinner, William Wadsworth, Charles Barvels, William Johanson, Keith Skinner, Richard badges; James Kristensen, Bear badge, 1 gold arrow point, 1 silver arrow point; John Redfern, 1 gold arrow point, 1 silver arrow point; Robert Cornell, 2 year pin; Clifford Hansen, 1 year pin; John Armstrong, 1 year pin.

Donald Reid was inducted into the Pack.

The theme for the evening was "Ye Old Country Store."

Collecting Used Clothing At Empire Warehouse

All the Lutheran Churches of Nassau-Suffolk Counties are cooperating in a used clothing drive Thanksgiving week-end for Lutheran World Federation, it was announced by the Rev. Richard K. Muck of Hicksville, coordinator.

The gathering point is at the Empire Storage Warehouse, Duffy Ave., Hicksville. A truck will be located there Friday, Nov. 27 from 9 to 4 o'clock, Saturday and Sunday, Nov. 28 and 29 from 2 to 4 p.m. and again on Monday, Nov. 30 from 9 to 4 o'clock.

Many of the clothes now being collected will quickly find their way into Japan to help relieve the untold suffering of the recent typhoon disaster where many of God's children now suffer the agony of poverty, according to Rev. Muck.

Because of the urgency of the need, an invitation is extended to all residents of the community to bring their clothing, if they desire, at any of the times above.

If there is any questions regarding this, contact Rev. Muck at WELLS 1-0710.

Prepare Now for Christmas Mailing

Hicksville Postmaster Harry Cotter said today, "Christmas may seem quite a way off, but we're starting our 'Mail Early for Christmas' Campaign immediately, because it's expected that the 1959 Christmas season will set an all-time mailing record."

Now is the time to plan your Christmas card and gift mailings.

Santa to Land Here Saturday

Santa Claus will drop out of the sky from a helicopter at Mid-Island Plaza this Saturday morning at 11:45. He will land in the north Parking Lot and with him he will bring gifts for the many thousands of youngsters on Long Island who will be there to greet him.

Santa will alight from the helicopter at 11:45 a.m. in the parking lot next to the Long Island National Bank office at Mid-Island Plaza. After he has given out his gifts and has been greeted by the children, Santa will take residence in a specially designed house located on the Center Mall next to radio station WHLI booth.

Turkey Winners

Winners of the Turkey Drawing held in connection with the Grand Opening of Bill Nimmo's new Texaco Service Station on So. B'way, on Saturday, Nov. 21, were: E. Migliore, 12 Marvin Ave., Hicksville; P. Ragazzino, 5 Marvin Ave., F. Paterno, 57 Constable Ln., Levittown; J. Carr, 23 Mitchell Ave., Plainview; C. Robb, 8 Marvin Ave., Hicksville; H. Antonawick, 25 Albert St., Hicksville; E. Jabou, 56 Walter Ave., Hicksville; A. Bonnedetto, 32 Teamster Ln., Levittown and C. Yarrington, Bayside Ave., No. Patchogue.

Check your Christmas card list very carefully — make sure each address includes full name, street and number, city, zone and state. You can avoid headaches when the Christmas rush is on by stocking up now on heavy wrapping paper, sturdy corrugated cartons, string cord, and paper adhesive tape. Postmaster Cotter suggests you secure Pamphlet No. 2 at the Post Office, giving you full information about proper packaging and wrapping of parcels for mailing. Now is the time to buy extra stamps and to secure free labels from the Post Office which read "All for Local Delivery" and "All for Out of Town Delivery" so that you can speed delivery of your Christmas cards by sorting them into two groups with the addresses all facing one way. Use only first class four-cent or seven-cent air-mail postage on Christmas cards. Include your return address on every Christmas card envelope. Christmas cards and gifts for most distant points should be mailed first, well before Dec. 10th. Those for nearby points should be mailed by Dec. 15th or at least a week before Christmas.

Red Cross Prepares Baby Care Course

Expectant mothers interested in taking a 12-hour course in "Mother and Baby Care" may begin on Monday at 1 p.m. in the American Red Cross chapter house at 264 Old Country Rd., Mineola.

The free three-week course will meet on Mondays and Wednesday for 1 to 3 p.m. Persons wishing to enroll may call Nassau Red Cross Nursing Services PI 7-3500, or visit the chapter house before Monday.

NEW ARRIVAL

A daughter, Wendy Hope, was born to Lester and Myra Bershad of 5 Abbey Ln., Plainview, on Oct. 28, at Mid Island Hospital.

U.S.S. HORNET (CVA-12)

BEARING ONE OF THE MOST DISTINGUISHED NAMES IN AMERICAN NAVAL HISTORY, THE PRESENT HORNET IS THE EIGHTH SHIP TO CARRY THIS PROUD TITLE. FROM THE FIRST HORNET, A SLOOP-OF-WAR COMMISSIONED IN 1775, TO THE PRESENT CANTER-DECK CARRIER, THE NAME HAS LIVED IN GLORY. THE SEVENTH HORNET, WAS JIMMIE DOOLITTLE'S "SHANGRI LA" IN HIS FAMOUS TOKYO RAID IN 1942, AND WAS LOST IN A BLAZE OF GLORY IN THE BATTLE OF SANTA CRUZ ISLAND. THE PRESENT HORNET, RETIRED AFTER WORLD WAR II, WAS REBUILT AND RECOMMISSIONED IN 1953 AS A MODERN, JET CARRIER.

Guidance Starts with Elementary Students

BY SCHOOL ADMINISTRATOR

Guidance for children in the elementary schools is relatively new. Teachers and principals have always assisted the children in the elementary grades with their problems of school achievement, adjustment to school, how to study and other aspects of the school program, but it has been only the past few years that specialists have been assigned to this work. For as the problems have become more numerous and more complex the need has been felt for a person to specialize with the younger child in much the same way as the counselors of the secondary child assists him with his problem at that level.

In Hicksville School District the first counselor, for the elementary schools was employed in the fall of 1955. At the present time there are four such counselors each serving two elementary schools.

They work with principal, teacher, parents and pupil in the areas of achievement, grade placement, school adjustment, orientation to school, testing and records.

The ultimate aim of the guidance person is to help all children to achieve at a level to their abilities by providing a climate in which learning can take place. For this reason the counselor spends a large part of his time working in the area of achievement. Here all the previously collected and current information about the child is used. This includes test scores, previous grades, records of other specialists as psychology, health, reading and others. All of this information is pulled together and related to the child and his particular problem of achievement. Of course, it is almost always a situation of the pupil achieving below his expectancy level.

The "over-achievers" cause few problems except in those cases where the child becomes over concerned and develops emotional difficulties. These cases are referred to psychology.

It has been found that children fail for many reasons to achieve to the level to which they are capable. In one instance it may be a case of the child who is new to the school and who feels insecure until he knows his teacher and classmates. The counselor may talk to the child either alone or with a few others from his class or she may make a suggestion in lieu to the teacher as to ways by which this child can be made to feel secure in the group. If it appears that the parent can help, he will be called and asked to come in.

For children who lack interest in the work to be done the counselor will consult the records carefully to find indications of possible interests and will make suggestions to the teacher in this respect. Here too parents can often help for it is found that the interests of children are often determined by the interests of the parents.

COMMUNICATION LINES

The Elementary Guidance person must be familiar with the services of psychology, health, speech, reading and any other services other in the school program or in the community. As a person who sees many children and relates to all school personnel the counselor must be alert to the how that related services can give. The making of wise referrals is as important as any work the guidance person does. This requires a knowledge not only of his own field but of all related fields. He must establish a close working relationship with the other people so that the lines of communication are always open.

The efforts of the counselor with the children are directed toward the growth and development of the whole child. As the work guidance implies it is a process of working with the child and other school personnel to aid the child and other school personnel to aid the child to develop the fullest his capabilities and to grow in an understanding of himself. This process is started at the elementary level and continued through the program in the junior and senior high. The work of guidance at all levels is coordinated and a continuous process. At all times the work of the counselor is related to the work of the teacher for both have the same objective, the education of the whole child.

ULTIMATE GOAL

The ultimate aim of the guidance person is to help all children to achieve at a level to their abilities by providing a climate in which learning can take place. For this reason the counselor spends a large part of his time working in the area of achievement. Here all the previously collected and current information about the child is used. This includes test scores, previous grades, records of other specialists as psychology, health, reading and others. All of this information is pulled together and related to the child and his particular problem of achievement. Of course, it is almost always a situation of the pupil achieving below his expectancy level.

The "over-achievers" cause few problems except in those cases where the child becomes over concerned and develops emotional difficulties. These cases are referred to psychology.

It has been found that children fail for many reasons to achieve to the level to which they are capable. In one instance it may be a case of the child who is new to the school and who feels insecure until he knows his teacher and classmates. The counselor may talk to the child either alone or with a few others from his class or she may make a suggestion in lieu to the teacher as to ways by which this child can be made to feel secure in the group. If it appears that the parent can help, he will be called and asked to come in.

REQUIRE EVALUATION

The tracking program in the Hicksville Schools require that children be completely evaluated as to abilities, achievement and interests so that they can be properly placed not only by grade but by track in each subject.

Elementary Guidance has a special responsibility to assess the placement of each child in grades 4-6 to determine whether he child has been correctly placed. If, after because of the failure to achieve, or because the work seems too easy, the counselor may recommend that the child be changed. Teachers too make recommendations for changes which are considered by the counselor and a recommendation made to the principal. In a tracking program children are under constant observation for needed changes in program.

It has been pointed out that the Guidance counselor in the Elementary Schools uses a great amount of pupil information. An important part of this information is that gathered through the use of standardized tests. The trained guidance person has had extensive training in the administration of the tests and the interpretation of the results. Great care has to be taken that these tests be given under favorable conditions so that every child is able to do his best. It is very unfortunate to have a child rated lower or higher than he really is.

Once the scores have been determined they require interpretation to those who are to use them. This is done by counselors as they work with the teachers and others in the school. Only a thorough understanding of the test results combined with experience can qualify a person to do this job effectively. The testing program is no better

Herald Sportslight

By Howard Finnegan

There are many pages left to be unfolded in the storied gridiron history of Hicksville High.

It is inconceivable that one could be found or written later with more valor and heroics etched into it than the one recounting Hicksville's classic 20-20 struggle with Mineola, Saturday.

For with 14 seconds left on the clock there was a Hicksville team — which by all reasoning should have been physically drained and emotionally spent — frantically calling for a time out. The Comets desperately wanted one last chance to throw for victory from their own endzone!

It made little difference that the Comets had just repulsed four punishing Mineola chargers from within the five to preserve the deadlock.

Most teams with far more impressive credentials would have been content to run the clock out, especially after rallying from three touch-downs behind to achieve the deadlock.

But the great urgency to conclude this 1959 season with a victory over undefeated and untied Mineola directed a Bill Schrimpe pass 40 yards downfield.

It was intercepted on the 37 and raced out of bounds on the Hicksville one yard line with just four seconds remaining.

Mineola gave it one last try for the perfect season but the fury of the Hicksville line, spurred once again by the resolve of Jerry Giovaniello and Ray Sonntag, rose against the surge.

When the huge entanglement of arms and legs was laboriously separated by the officials, the ball rested two inches shy of the double stripe.

The steadfast seven hundred Comet fans who reminded constantly loyal throughout this up and down season shook the Hampton stadium with a mighty roar.

For the Comets, it closed down a season of 3 wins, 4 losses and a tie. Mineola won six and had this tie as it replaced Hicksville in the Section One NSAA throneroom.

Considering the importance of the footing and the premier position of Mineola this even surpassed the rally which ended the 1958 season when the Comets trailing, 21-0, at halftime fought back and won, 25-21.

Hicksville could not capitalize on the brilliant running of Bob Cerone in the first half as he picked up 113 yards rushing in 15 rushes.

Mineola drove out 91 yards in the first quarter for a touch-down and retired at halftime with a 7-0 lead.

Two off tackle runs of 65 and 54 yards each increased the Maroon advantage to 20-0 before Hicksville started moving.

Hicksville moved 69 yards in seven plays mainly on Schrimpe pass completions to Jim McKinstry, Cerone and Billy McBride. The score came on a ten yard toss to McKinstry and Cerone bucked for the extra point.

With Giovaniello, Sonntag, Robert Nadell and Dennis Stillman working up steam in the line Mineola couldn't move after the kickoff and punted to the Hicksville 45.

On the second play, lightning struck. Cerone faked the Maroon secondary with a quick ruse to gather in a Schrimpe 15-yard aerial and added forty more yards for a crowd stirring touch-down.

The plunge for the point was short.

With the Comets exerting all possible pressure Mineola could not move from its 25 and under the strain a fourth down bad pass from center gave Hicksville possession on the 9.

Schrimpe passed four yards to McBride, gave it to Bob DiMattia for a two yard pickup and went the last three yards himself for the score.

He also kept on the extra point to tie the count 20-20.

Regarded by many as having the best team in the County, and any dispute on this would have to be mild, Mineola churned off 56 yards in a rush to the Hicksville goal but was stopped on the two after first and goal on the five.

Hicksville's great will to win gave Mineola that one big chance to make it again.

When it failed the Orange and Black had another illustrious chapter in an already greatly distinguished football history.

It has fallen on the shoulders of Coach Adamo Tomani that he handle the Hicksville High football team in two of its most sensational games. He got the assignment at Westbury last year when the Comets were three down and came on to win and of course he was at the reigns Saturday.

As it is to the community, it must be to him a great satisfaction that despite great difficulties the boys did not give up and responded to his leadership in averting defeat.

Hicksville had 15 to 12 Mineola first downs. The new NSAA One-kingspins rushed for 338 yards on the ground and had one successful pass completion in nine attempts for 22 yards. Hicksville gained 177 yards on ground and 116 in the air on ten completions in 20 attempts.

Bethpage Amvets Hold Installation

The Thomas Lally Post 64, Amvets of Bethpage, held an Installation Dance on Saturday, Nov. 7, at the VFW Hall on Grand Ave., Hicksville.

Ed Weir, was again installed as Commander, with Nicholas Del Gazio at First Vice Commander; Howard Schartz, Second Vice Commander; Daniel Meyers, Third Vice Commander and Quintin Jeckel, Adjutant.

The Post wishes to thank the merchants whose so generously donated gifts for the evening and Jim Coolley

for this plugs in his Amvets Alley column appearing regularly in the HERALD.

Weir, has recently been elected Third Vice Commander of the Nassau County Amvets.

RUMMAGE SALE

The Mid-Island Chapter of the Jewish National Home for Asthmatic Children at Denver is holding its annual Rummage Sale until Dec. 2. The sale is held at 253 Broadway, Hicksville from 9:30 a.m. to 4:30

Mr. and Mrs. Robert Peluso of 78 Lantern Rd., Hicksville, are the proud parents of a daughter, Patricia Marie, born Nov. 9, at Mercy Hospital.

HICKSVILLE KIWANIS was host to the International Little League championship team of the same name at a recent luncheon meeting. Front row, left to right, are Dennis Gunnigle, Nick Saman, Robert Kondzielaski, George Huckaby, Mike Toomey, Joseph Palsani and

Mike Masciello. Back row includes Randy Holmes, Joe Myron, Kiwanis Club President Pat Caputo, Team Manager Ben Baranski, Dave Hoffman, Joseph Sugamele, Kenneth Wallace and Bob Baranski. (Herald photo by Frank Mallett).

94 Boys Enroll In Internationals

The Nov. 16 meeting of the Hicksville International Little League was an unqualified success. The league registered 94 boys and succeeded in inducing 74 parents to sign up for some type of work, either on committees or in the field.

The cards which the parents filled out are now being catalogued and parents will be notified on what committee they will be assigned or if they volunteered for field work when and where to report for further information.

The league plans on holding special classes for umpires, considering this to be a highly important part of the whole game. Without competent umpires who are fully familiar with all of the special little league rules and who are capable of running the games in which they officiate, little league games soon deteriorate to a point where good baseball is impossible to play. Therefore, all men who signed up as umpires are urged to attend these classes when they are announced.

The physical make up of the league for 1960 will be little changed from 1959. That is to say, the

board plans on having 4 major division teams 8 minor division teams and as many farm division teams as is necessary to accommodate the 8 and 9 years old boys. As usual it is planned to have an all star team to enter the National Championships and while it is very early, the league hopes to field a team in 1960 that will "take all the apples".

While the physical make up of the league will be relatively unchanged, the president and executive board are planning on new innovations that are sure to surprise and please little leaguers.

For the benefit of those boys who have not yet registered don forget your last chance to register will be on Wednesday, Dec. 9th. Come and register and enjoy a summer of fun with the International Little League. Incidentally, the need is still great for umpires. We need a minimum of 25 men to participate in this phase of our operation. Games are played four evenings a week and on Saturday mornings so you men who want to umpire have a choice of Sunday, for the four evenings or Saturday. For those parents who have not yet indicated their preference for the type of assistance to leagues, here is excellent opportunity to help out.

Kiwanis Backs Local Cagers

Hicksville representation in the top flight Nassau County Amateur Basketball League has been assumed by the Hicksville Kiwanis which has voted to support a team that will identify itself with the local community.

The team which is being organized under the direction of Stan Kelloway will play Thursday nights in the Hicksville High School gym and all former Hicksville High players and residents of the village are invited to contact him there and try out for the club.

Many times in the past the Kiwanis has lent itself to this undertaking experiencing great success.

Already many of those players who have many times performed in contests to raise money for Booster scholarships have indicated their willingness to play. Martin Katz, Bill Cheslock, Harold Manaskie, Dick Alcock, Larry Knieter, Frank Estrada and Jim Grasso are already regarded in the fold.

Teens Arrange Gala Skating Party

The teen-age members of The Congregation Shaarei Zedek are starting off their end of the year affairs, with a gala skating party at Levittown Arena on Dec. 6. Following this date, the Junior group will travel to the Platview Jewish Community Center for a joint meeting and social evening with the boys and girls from that center.

Going into the cultural and religious aspect of the program, the Senior Group will conduct the Friday evening services at the Congregation on Dec. 11. Following the services, the boys and girls will play host and hostess to those in attendance when they sponsor and serve the Oneg Shabbat.

The Senior Group will participate in a gala dance at the Massapequa Jewish Center on Saturday, Dec. 19, while the Junior Group will have a social evening on Dec. 17, and will also enjoy the educational film, "How to 'Catch a Cold'".

Completing the month of December, both groups will enjoy Ice Skating at the Roosevelt Skating Rink on Sunday, Dec. 20, and then participate in a gala Chanukah Party, with neighboring temples, at Beth Avodah in Westbury.

Marvin Kleinman, Director of the teen-age groups announces that there is still an opportunity for interested teen-agers to join with their friends in these events. For further information, parents, or teen-agers are invited to contact Kleinman at WE 68-0109.

A son, James Thomas, was born Nov. 5, at Mercy Hospital, to Mr. and Mrs. John Callahan of 63 Winter Ln., Hicksville.
