

**RECORDING OF CHOPIN'S FOUR BALLADES** made by pianist Morton Estrin of 33 Picture Lane, Hicksville, has just been released. The New York Times, in a review of the disk on Nov. 29, commented that "Mr. Estrin plays with confidence, a really big line and an easy solution of the mechanical difficulties." It goes on to say that "this is a fine disk, one that does credit to an excellent American pianist." The Long-Playing record is under the Fantasy label as number 5007, available in stereo as well as the conventional monaural.

Long known on Long Island as a teacher as well as concert artist Estrin has also joined the faculty of Hofstra College. He has concertized extensively throughout the country and has been heard in Long Island many times as recitalist and as soloist with the Long Island Symphony. His appearance in New York at Town Hall, Carnegie Recital Hall, and at the Kaufman Auditorium have won him plaudits from the critics.

The recording, Mr. Estrin's first, also includes Chopin's Fantaisie in F minor. It will be available at all fine record stores and departments.

## 12,929 Pupils In Our Schools

There were a total of 12,929 students enrolled in Hicksville Public Schools as of Sept. 30. It was reported recently by M. L. Chittenden, director of attendance and census, a gain of 805 over a year ago.

There were 8,542 students in the elementary schools, a total of 2,755 in Junior High School and 1,672 in Senior High.

A year ago the total student enrollment was 12,031 with 2,253 in Junior High and 1,405 in Senior High.

Enrolled students in Hicksville elementary schools as of Sept. 30, this year, was as follows: Burns Ave. 1,169; Dutch Lane 988; East St. 1,089; Fork Lane, 1,136; Lee Ave. 1,316; Nicholas St. (all third grades), 479; Old Country Road 1,117 and Woodland Ave. 1,218.

By grade levels, the enrollments were: Kindergarten 1,281 in all schools; 1,274 in first grade; 1,288 in second grade; 1,265 in third grade; 1,167 in fourth grade; 1,149 in fifth grade and 1,040 in sixth grade.

There are 1,123 seventh graders, 951 eighth graders and 681 ninth graders in Junior High.

The Senior High includes 688 sophomores, 511 juniors and 463 seniors.

### ATTENDANCE DROPS

Chittenden also reported that during the 1958-59 school year the Junior High School had the best percentage of attendance record, 90.84 while Old Country Road was second with 90.23 per cent. All other schools were under 90 per cent.

By schools the comparative attendance records for the schools were:

School	1955	1958-59
Senior High	92.9	89.90
Junior High	92.9	90.84
Burns Ave.	91.4	89.10
Dutch Lane	90.8	88.94
East St.	90.5	89.54
Fork Lane	89.5	89.72
Lee Ave.	90.6	89.70
Nicholas	90.7	89.84
Old Country	90.2	90.23
Woodland	91.5	89.12

District wide, in the comparison, the average for the past year was 89.70 per cent as compared with 91.2 in 1955. It rose to 92.19 in 1956 and dropped to 89.70 in 1957.

## Elks and Lions Join PBC Project

Pledges of assistance from two Hicksville-service organizations have been made to the Police Boys Club in their annual Needy Family project. It was announced today by Charles Faraone, President of the P.B.C. Ladies' Auxiliary.

The combined efforts of the three groups will help to make Christmas a happy one for five local needy families, comprising a total of 25 children.

The P.B.C. Auxiliary members are providing gifts of new clothing, purchased especially for each individual child. The Lions Club of Hicksville has generously offered to have each of the children fitted with brand new shoes. The Elks will acquire this year supply each family with a large food basket filled with everything needed to make Christmas Dinner bountiful for each of them.

The Ladies' Auxiliary of the P.B.C. will welcome any additional help in this worthy undertaking. Interested groups or individuals may contact Mrs. Judy Gendron at WE 1-8507 for additional information.

## Buchmann Heads March of Dimes

William E. Buchmann, of 6 Millburn St., Hicksville, has named local Chairman of the New March of Dimes according to an announcement from Mary B. Moloney, Nassau County Chairman of the traditional January fund appeal.

The March of Dimes is the annual campaign which supports the work of the National Foundation, developers of the Salk polio vaccine. The Foundation has expanded its program to include crippling arthritis and crippling birth defects as well as crippling polio.

Buchmann in accepting the leadership of the March of Dimes, announced that more volunteers were needed for the campaign. Local residents who can devote just a few hours to help assemble kits, address envelopes, distribute coin collectors or participate in a number of special community events are urged to telephone WE 8-4007 for information.

## Ford Foundation Reports: Quarter of Students Able to Accelerate

A project in Hicksville Public Schools "provides substantial support for the belief that, given early beginning and sustained effort in the elementary schools, at least a quarter of all pupils have the ability to accelerate high school completion by two years." The comment is made in a report for 1957-59 of The Fund for the Advancement of Education, established by the Ford Foundation, and released this week.

Hicksville Public Schools have a \$90,000 grant from The Fund, described as for "improvement in foreign language and science instruction in elementary and junior high schools." As of Sept. 30, 1959, payments of \$70,000 of the total grant had been made.

The following is quoted from the published report:

"During the period covered by this report, the Fund made grants for the support of several additional experiments, demonstrations and explorations in this field (i.e., improving the Education of Able Students). A few illustrative examples are cited:

### ACCELERATE LEARNING

"The Hicksville Public Schools, with partial support from the Fund, has developed programs which accelerate the learning of able students throughout the school system and provide instruction in foreign languages and science in the elementary and junior high schools.

"This project has more than fulfilled its promise. In foreign languages, written syllabi have been completed in French and Spanish for Grades 3 thru 7; work has been begun on similar syllabi in

## Golden Anniversary for Thorman

Mr. and Mrs. George L. Thorman of 85 East Marie St., Hicksville, celebrated the 50th anniversary of their wedded life with a Mass of Thanksgiving at which they renewed their wedding vows on Saturday, Nov. 21, at St. Ignatius Loyola R.C. Church, Hicksville.

The Mass was celebrated by Rt. Rev. Msgr. George M. Bittermann, V.F. pastor. In the sanctuary were Rev. John Wisser, Rev. Lawrence Ballweg and Rev. R. Brown. Mrs. Otto Reitzberg was the very capable soloist.

Mr. and Mrs. Thorman were married by the late Rev. Lawrence Fuels, the pastor of St. Ignatius Loyola in 1909. Mrs. Thorman, the former Josephine Braun, is a lifelong member of the parish, while Mr. Thorman resided in Westbury until his marriage. The Thorman's have four children, Mrs. Eleanor Wright of Plainview; Mrs. Irene Bryant of Setauket; Raymond Thorman of Malverne; Edwin Thorman of Babylon and nine grandchildren.

CHAMBER OF COMMERCE speakers and special guests, Friday included, left to right, Joseph DeLillo, County Clerk Francis Anderson,

Chamber President Aaron Rochman, State Engineer Ralph Hollweg and Supervisor John J. Burns. See story on page 3.

## Dear Jean:

Continuing our weekly reports on weather conditions in Hicksville, Ohio, we find that the News-Tribune reports four snowy days during Nov. 23 to 26 with a total snow fall of 2 1/2 inches. During this period the highest temperature was recorded on Nov. 23, 37 degrees and the lowest on Nov. 26 (Thanksgiving) when it dropped to 20 degrees. A front page story in the News-Tribune makes an kind of wishful: The Village of Hicksville purchased about six acres of land just to the present park and swimming pool area to expand the community park.

Members of Hicksville school staff travel near and far. JOSEPH MADDEN, recreation director, was in Washington from Nov. 16 to 18 for the first national conference on School Recreation and during the week of Sept. 18 attended the National Recreation Congress in Chicago. An international trip was that made by M. L. GIFFITTENDEN, director of the Adventure Club, to Toronto for a conference recently but the all-time long distance record is probably held by DONALD ABE, assistant superintendent, who went to California. RITA SCHLOSSER has been elected president of Hicksville Fire Dept. ladies auxiliary. Hicksville Kiwanis will again assist the Salvation Army in helping to man the "kettles" this Christmas season. SAM PACE is in charge of the project. Happy birthday to FRANK CHILUMSKY who celebrated on Dec. 3rd. How many was it Uncle Frank? Robert Burley of 5 Winding Road, Hicksville, is the new Hicksville Community Civil Defense Director.

PAT CAPUTO's Rite Fuel will have open house today (Thurs.) from 1 to 5 p.m. with dedication at 3 p.m. of its newly expanded office facilities at West John St., Hicksville. Chairman of Commerce President AARON ROCHMAN read the notice of the open house hurriedly when he got it this week and showed up on Thursday, Dec. 3—just seven days ahead of time.

Mid Island Plaza will not publish a circular in January. Instead the merchants will buy a special section in (feature the expression, nch) Newsday, next month. CHARLES H. STOLL, well-known Hicksville attorney and member of the Explorer's Club, will be guest speaker at the 7th annual Eagle Scout Tribute Dinner at the Salisbury Club on Monday night, Dec. 14. MORRIS ROCHMAN, Stoll's law partner, is chairman of the affair. Stoll is also past president of the Camp Fire Club of America, a member of the Adventure Club and a nation of the American Museum of Natural History. He will present an illustrated story of his recent experiences hunting the polar bear in the frozen wastes of Alaska. Recently he visited the Museum of Natural History in New York City and asked to see the Stoll exhibit of arctic animals. We were told it had been removed some years ago.

Congressman FRANK BECKEN has just returned from a trip thru the Mediterranean area, touching many of the places PRESIDENT EISENHOWER is presently visiting. Club Pack 291 of Trinity Evangelical Lutheran Church wants to remind you that on Jan. 22 they are presenting a "wheel chair basketball game" in the Junior High Gym.

Happy birthday to our favorite Aunt, MARGARET HAINES, who celebrates today (Dec. 10th). She resides with her sister Mrs. Wm. Anderson of McKinley Ave., Hicksville. Get well wishes to Mrs. MARTHA MARTINO of East St. who is a patient at Nescan Hospital. Members of the Sewing Circle of the Trinity Lutheran Women's League are looking for used, clean white pillow cases, sheets or tablecloths that can be made into cancer dresses. If any one has any, please leave them at the reception desk at the Trinity School. The League makes the dresses and turns them over to the Red Cross, Mineola. Don't forget the Hicksville High School Alumni dance to be held on Dec. 29th. Congratulations and best wishes to Miss ANGELA RODONZO, of Plainville who recently became engaged to CHARLES NUNZIATA of Bethpage.

## 14 Fire Alarms, Includes Falsies

Two false alarms and two ambulance calls were among the 14 calls received by the Hicksville Fire Dept. during the six-day period thru Tuesday, Dec. 8. Five calls came in on Dec. 2. The first call was to the home of Gordon Ulmer, 191 Division Ave. where a living room chair caught fire. The next was to Preferred Transits on Duffy Ave., when the beams and rafters of the roof near a heating boiler caught fire. The motor in the clothes dryer of Joan Toonerholt, 10 Winter La., caught fire; as did a woodpile on Newbridge Rd. & Cherry La. The first false alarm occurred on that day from Pollak Pl. opposite Woodland Ave. School.

The oil burner in the home of Thomas McGann, 61 Vincent Rd., caught fire on Dec. 4, and the vacant house on W. John St. & B'way, owned by the John Wallace Estate, caught fire again.

The second false alarm occurred on Dec. from Jerusalem Ave. and Harnat Ct. A grass fire at Newbridge Rd. & Cherry La. and a fire in the auto, owned by Ross Vincet of 34 Hunter La., also called them out that day.

A first aid call for the firemen on Dec. 8, was from 9 Ferncy St. where Eleanor Corosio suffered a badly cut forearm, reaching through a broken window to secure a key.

## Chamber Speakers Update Status of NY Road Projects

State Highway and Public Works projects in the Hicksville area were the topic of discussion for a trio of guest speakers at the Hicksville Chamber of Commerce, Friday morning, at a meeting in the Mid-Island Plaza office of Long Island National Bank. Some of the news presented had been published the day before in the Mid-Island Herald; ie, letting of bids on three state projects in the area.

Joseph DeLillo of the DeLillo Contracting firm which has the job of building the section of L.I. Expressway from Jericho Tpk., east under Broadway to South Oyster Bay Road, announced several items concerning this project:

The detour around the area on North Broadway where the Expressway goes under the State Road, has been created and the bridge span will probably be open to traffic by the first of June.

In the meantime, "lights" (presumably traffic control signals) will be installed by him at the entrances to West Birchwood and Birchwood developments in Jericho.

DeLillo also reported that the widening of North Broadway, which was also his job, is about finished and will be completed before the scheduled contract date, the end of 1959.

At the suggestion of past president Patrick Caputo, DeLillo was given a vote of thanks from the Chamber of Commerce for keeping North Broadway open to traffic during the entire operation.

Ralph Hollweg, engineer of the State Public Works Department, in answer to a question from Henry G. Eisenmann about the reported plan to widen Broadway from L.I.R.R. to the south, said he "could not say." Asked if he meant "he would not say or did not know," Hollweg replied, he "didn't know anything about that project."

Hollweg and Supervisor John J. Burns jointly disclosed the fact that a private engineering concern has finished plans for the Hicksville Rail Road Elimination project and

### Five Top Items of News at Meeting

News highlights for the HERALD reporter at the Hicksville Chamber of Commerce meeting, Friday morning were:

"Sometime next Spring" the State will probably call for bids on Hicksville RR Elimination program.

Private engineering firm has completed detailed plans for the elimination which have been in the hands of the State Dept. of Public Works for about a month.

An escalator district has been created with about same boundaries as Hicksville School District, for installation of moving stairs under the elimination.

Engineer for State Dept. of Public Works frankly "does not know" when Broadway south of L.I.R.R. will be widened, if ever.

Bridge on North B'way across L.I. Expressway will be open to traffic by first of June.

that the plans have been in the hands of the State Dept. of Public Works for several weeks.

#### NEXT SPRING

Burns thought the State Dept. would have the plans for another "three or four months" before they are submitted to the Public Service Commission for final approval. Letting of bids will take place shortly thereafter and, pressed for a date, Burns indicated it might be sometime "next spring."

Burns insisted that "everything that can be done is being done" to expedite the project.

The Supervisor also disclosed that on Nov. 10, the "taking map" for Cantigue Road widening had been the subject of a public hearing. He also mentioned the proposed extension of Charlotte Ave. thru to Old Country Road.

Regarding the elimination of the Hicksville R.R. grade crossings Burns said that the cooperation of merchants would be needed in connection with parking problem during the interval since the project will temporarily eliminate several parking fields as well as the Town Park Dept. Barn.

#### WHO WILL PAY

He also mentioned the escalator district created by special legislation without boundaries that coincide with the school district. County Clerk Francis Anderson wanted to know why the escalator installation would not be a town-wide charge, and Burns replied that he would see no advantages to Glen Head, for example, for installation of the moving stairs at the Hicksville proposed elevated station.

It was indicated that the location for the escalator is worked into the proposed plans, if and when it is decided to install this commuter convenience.

Caputo also suggested that efforts be made to obtain a West John St. exit on the Wantagh State Parkway Extension, since the volume of North-bound traffic on Charlotte Ave., carrying private cars and trucks, is now very heavy particularly since the freight yard is close to this crossing. Burns promised to press for action on this proposal with the Long Island State Park Commission.

## Current Comment Builders Institute Gripe In Reverse

BY FRED J. NOETH

THE LONG ISLAND Home Builders Institute with offices at Hempstead this week complained, in a press release, that "school boards in various districts in Nassau and Suffolk want to increase greatly the size of plots on which houses can be built, as a means of preventing increases in school enrollment."

The whole thing makes us shake our head, sadly.

In the first place, the point of complaint by the Home Builders Institute is not with a district like Hicksville or possibly Bethpage. Both are fast absorbing the few remaining vacant plots (with the exception of that big question mark on the former Press Wireless property).

What makes us said is the fact that the effectiveness of School Boards in getting municipal bodies to see the light and rezoned land requiring larger tracts of land has come so late.

We were one quarter of a four-man team which made a trip to Albany about eight years ago in a vain and futile, it seemed, attempt to accomplish this very thing.

At that time Hicksville was confronted with a mass influx of some 2500 new dwellings in a single year. The problems posed for the public school system, among other municipal services, were tremendous. The committee of the Hicksville Civic and Community Assoc. went to the Town Board and got sympathy but nothing else. "We can't do it," the town fathers said, "it is not legal."

We called upon the County Planning Commission. "Sorry, fellows, it is out of our hands."

So we made a date with the State Education Dept and off to Albany we went. Since time and tide changes people's viewpoints, we won't mention at this time who the other eager-eyed people in our little delegation were.

We were cordially received by Dr. Schmidt of the finance division and spent a couple of hours with him. We may have been wrong, but as we left his office we got the impression that he thought we were somehow connected with the Hicksville School Board — which probably could have explained his extraordinary cordiality.

Nevertheless, while he sympathized with what was ahead of us, he could provide no assistance. The same experience was ours on a call upon the State Dept of Commerce. (Looking back now, it is difficult to recall why we went to the Dept of Commerce).

In those halcyon days we were berated in some quarters as seeking to stand in the way of ex-servicemen getting homes. What we were trying to do was to prevent Hicksville from getting swamped.

Well, it all turned out fairly well. We got the homes, the students, and we built the schools and, fortunately, local assessment due to industries and such things as the L.I. Lighting Co. (thanks to Henry C. Eismann) rose to the point that our taxes remain at a comparatively sane level.

But now the Home Builders Institute is apparently feeling the reverse pinch. Says the Institute: "School boards are not authorities on zoning" (who said they were? During the interval of which we write, the then School Board would not even listen to us). "For (school boards) to attempt to solve their economic problems by asking town and village officials to penalize property owners thru capricious up-zoning violates every concept of Americanism" (Hear, hear).

"School authorities must solve their problems within the framework of the State's educational system. A group of leading (sic) Long Island school authorities and citizens, affiliated with a state committee (which one), is making definite progress along this line. (sales taxes?) It is significant that some of the school boards advocating up-zoning of property have not been represented at conferences of this group."

The "group" is not mentioned by name.

Being proven right, even by indirection, is sometimes pleasant. It's like the fellow on the hot seat at Sing Sing who has the satisfaction of knowing he's innocent, just as the executioner pulls the switch.

## TEN YEARS AGO THIS WEEK IN THE HERALD Plainview Thought of School Merger

Qualified voters of Plainview Common School District were being asked to vote ten years ago on the question of merger of their school district with Hicksville District, according to the bound files of the MID ISLAND HERALD. A copy of the 1949 volume is in the collection of Hicksville Public Library.

And a decade ago these items were news: Over 1,200 children were on hand on Broadway, Hicksville, to greet Santa Claus when he arrived.

Harold Smith was elected Fire Commissioner in Jericho for the first time. It was an unusual situation with no candidates filing petitions. On a write-in, Smith won a five-year term.

The same year saw Vince Braun re-elected Fire Commissioner, defeating William Cislir, 371 to 275.

Carl Nicholas Stewart, son of Mr. and Mrs. Arthur Stewart of Jericho, took Miss Rosemarie Kruger of Berlin as his bride in Germany.

Mr. and Mrs. Frank Jung of 33 Roosevelt Ave., Hicksville, celebrated their 30th wedding anniversary.

## Herald Reader Opinions

### Noble Gesture

To The Editor:  
I did not think that the question as to naming our Hicksville Schools after people would come up again.

However, since it has, it is very important that all sections of Hicksville should be considered for every body paid for the Burns Ave. School. It is a very noble gesture on the part of the Burns Ave. Parent-Teacher organization to try to commemorate the name of Allen E. Davis by naming the Burns Ave. School after him.

However, he was only the first principal of one of our elementary schools. No matter how worthy, he was known only to one section of Hicksville. We have a large number of Educators and public-minded citizens who could be honored in the same manner. It would be too difficult to choose the right ones. Besides, there are so many Davis — in ten or 20 years, very few people would know which Davis was outstanding. One other important point to consider. The Board of Education as well as our School Elections are now held in our various schools. Having the schools named as they are makes it much easier for people without children to find the location of their election place as to streets.

(Signed) LUCIA MCINTOSH

### Favors Street Names

To The Editor:  
In your issue of Dec. 3rd, you asked for comment on changing of the name of the Burns Ave. School.

## Another Feature for Our Park

WE ENTERTAIN the pleasant thought that some-day, somehow Hicksville will have a true community park. It will include (on its 50 or more acres) a permanent racing course for the volunteer firemen and a community swimming pool as well as such facilities (which will, all too soon be gone forever) a place for the Scouts to hold a Council Fire.

We also believe that such an area should include a Go-Cart racing course.

We have been kind of blackjacked into our interest in go-carting because our son is the owner of one of these non-licensable vehicles.

In years gone by, the boys on the block built a "racer" out of a set of discarded baby carriage wheels and a couple of pieces of used lumber. Another guy grabbed the pushing pole and off we went, steering as well as we could with the help of a hunk of worn-out wash line.

Today, they sell these kits and in a matter of hours we have a speedy little racing car, close to the ground, powered by a motor like they used to make for power lawnmowers. The only trouble is, we could take the push cart out on a public street. The motor-powered go-carts are banned from the highways and the sidewalks.

As a compromise, we have permitted our side lawn to be churned into an oval shaped dirt track which is fine for son's go-cart but rough when a neighbor comes along to race with him.

The go-cart "craze" is bound to be with us until someone comes along with a do-it-yourself airplane or rocket ship. The fact is, these go-carts are selling like mad and the youngsters who have them are hungering for a place to ride them. Races were held at Mid-Island Shopping Plaza until someone or two in the neighborhood complained about the racket on a Sunday morning.

If the name of the Burns Ave. School is changed in this instance, every time a principal dies the Board would be practically forced into changing the name of the school that he just taught. Assuming that our principals are all 40 years old, in the next 25 years at least half of them will probably have died.

This means that half of our schools would have been named for principals and what would we do if the present principal of the Burns Avenue School dies? Will we change the name again, or will we name some other school, or just erect a new school so that we will have a school to name in honor of a principal?

If we are to name our schools for people, it seems to me that it would be better that we name them for patriots or presidents of an earlier era. For example, Theodore Roosevelt and Franklin D. Roosevelt are both presidents from New York State. Abraham Lincoln, Benjamin Franklin, etc. would probably be far better than a man who although he was probably a very fine principal, made no outstanding contribution to Hicksville other than what was required of him to do his job.

All in all, I am in favor of continuing our present method of naming schools after their street name and thus preserving the community character of the school.

It's a real pleasure being located back in Hicksville after a short stint in Hempstead as Promotional Director for the forthcoming publication **KNOW LONG ISLAND**, a book that will, for the first time, present the complete Long Island story in words and pictures and cover every aspect of life on Long Island.

Also Distributing Co., Inc., the name of the place I'm hanging my hat these days, is using my services as Director of Public Relations in their business of serving as manufacturer's representatives. Some of the really fabulous items we're promoting and distributing these days include the top-promotional item, our Vanguard Special Rocket Powered Automobile; a two-seater kids' car with a rustproof fiberglass body, 2 1/2 horsepower engine, a steel frame and super-safe automatic clutch, as well as positive brakes. Other items we're handling include (in the kids' car line) the Jeep and Larketer; also Thimble Power Models, and an amazing line of home pool tables.

Covering a lot of ground with Frank Mallett, Hicksville photographer, for publicity pictures of the Vanguard, we made a stop at the L. I. National Bank, Friday, for the C. of C. meeting where Frank had a photo assignment scheduled. It was a revelation to sit there and hear Oyster Bay Supervisor John Burns as he addressed the group regarding Town Improvements. Here is a man who has total command of the situation, knows the answers and disseminates information completely, knowledgeably and in a manner destined to instill confidence in those listening. It was a pleasure to listen to him.

The Long Island Public Relations Assoc. hosted a Christmas Party last Friday at Elliot Murphy's Sky Club, Roosevelt Field. Six newspapermen were honored guests and received awards consisting of personally captioned and autographed baby pictures by Constance Barnister, world-renowned baby photographer from Syosset who has been gaining even greater fame through her exposure on the Jack Paar show. Dick Ormauer of the L. I. Press and Jack Altshul of Newsday were the two L. I. Newspapermen so honored. Altshul's award consisted of a baby (closely resembling Altshul) with wide eyes and a wide grin at expression while the caption exclaimed: "Another new restaurant! WHERE?"

Bill Lynch of William J. Lynch, Inc., Hicksville Renault-Peugeot dealer, informed me that Renault is now the leader of imported car sales in Nassau and Suffolk counties. He's got the new Renault Caravel on display, the new French sports coupe. This baby little car comes in three models with your choice of tops and is really worth seeing.

Island Realty, active in the Hicksville area these days, as well as Nassau/Suffolk, reported two new developments on the Hicksville real estate scene. Ray Electronics is moving from their original quarters on Broadway to a new site containing double the space, in a new building designed expressly for them, while US Communications, manufacturer of radio-page units, has just moved into 6,000 square feet in their own new building on Hicksville.

Jerry Nardet, top PR man living in Wantagh, reports that the Oil Heat Institute of Long Island will hold their Christmas party at Carl Hopp's on Dec. 16th. No business to be conducted, and lots of fun. Sounds like "Monkey business" to me!

C. W. Post college is preparing for its first group of resident students with dormitory facilities that will open in September '60 and house 312 male students. Further plans for dormitories include facilities to be ready in September '61 for the housing of female students.

Surprising news came from C. M. Johnson in Bethpage with the announcement that the printing division has been put up for sale. Rumors have it that union difficulties prompted the move.

## Doctors Plan Disaster Service

In the past, community disasters have been well covered by the physicians of Nassau County who have always responded when hearing of the disaster. However, the obtaining of the medical aid has been haphazard. The many doctors assisting at the Long Island train wrecks and airplane crashes in the past, did so on hearing the news by word of mouth or radio. This obviously brings too many doctors, or not enough.

Realizing this, the Nassau County Medical Society, through its Committee on Community Disaster with the cooperation of the private answering services throughout the county and the Nassau County Police, has established a plan for providing the amount of physicians required at any future disaster.

This plan is now in effect. When a disaster in a given area is reported by the County Police to their central office, the report includes an

estimate of the amount of casualties. The central office, in the process of calling out needed police and fire and hospital ambulances and the Red Cross, also calls the local answering service covering the area of the disaster requesting a given number of doctors to report to the scene. The answering service then assumes the responsibility of finding this required number from their posted list of available doctors. In addition to this, if the number of casualties warrants it, the hospitals are notified and set up their individual emergency plans for reception and care of the injured.

The above plan was made with the cooperation of the local Civil Defense authorities for use in time of Civil Defense disaster. With this in mind, the doctors of Nassau County, as well as the owners and operators of the private answering services are being urged to join Civil Defense.

## Auxiliary Holds 2-Day Convention

The Mid-Year Convention of the Women's Auxiliary to the Charismatic Association of New York, Inc., will be held on Saturday, Dec. 12, and Sunday, Dec. 13, at the Sheraton-Atlantic Hotel in New York City.

Delegates from Nassau County District will include Mrs. B. David Perelman of Rockville Centre; Mrs. Roger J. Farthing and Mrs. Philip H. Maher of Valley Stream; Mrs. Carman J. Rind of Carle Place; Dr. Sylvia L. Schwartz and Mrs. Michael R. Cavoli of Hempstead; Mrs. Albert E. Werner of West Hempstead; Mrs. Alfred C. Otterpohl of South Hempstead; Mrs. Vincent P. O'Neill of Merrick; Mrs. William X. LeMar of Levittown; Mrs. Kenneth Paschal and Mrs. Charles Artale of Plainview; Mrs. Henry E. Orr of New Hyde Park; Mrs. Robert L. Oerzen of Queens Village.

## Candy for Picking At Central Federal

A Christmas Candy Tree will make its debut at Central Federal Savings and Loan Association's Hicksville branch office next week, it was announced today.

The traditional Christmas tree in the institution's lobby will be stocked with candy canes in addition to other non-edible ornaments. Youngsters who visit Central Federal with their parents will be able to take a candy cane from one of the lower branches or from the higher branches through the assistance of one of "Santa's helpers."

The savings and loan facility also has a service in which children can post a letter addressed to Santa Claus. The child will receive a reply, datelined "The North Pole" before Christmas Day, a spokesman said.

"All right, Ladies and Gentlemen. Places please!"

And with these words the Jericho Players of the Birchwood Civic Assoc. cease being themselves and bring to life the people who make up "All My Sons".

We will meet Joe Keller (Barry Jeffrey) — a self-made man of peasant-like common sense; Kate Keller (Miriam Refi) — a woman of uncontrolled inspirations and an overwhelming capacity for love; Chris, their son (Jerry Neuhaus) — a man capable of immense affection and loyalty — an idealist who in the end is forced to step down from his pinnacle of idealism into the realm of harsh reality; Ann Deever (Dale Berg) — a young girl gentle in manner but, despite herself, capable of holding fast to what she knows; George Deever, Ann's brother (Larry Singer) — a man who is on the edge of his self-restraint — who holds himself quietly as though afraid of screaming.

In addition we have Dr. Jim Bayless (Leon Zlatner) — a very, self-controlled man, easy talking — but with a whip of sadness that clings even to his self-effacing humor; Sue Bayless (Betty Goldstein) — a grasping, jealous wife; Frank Lubez — a pleasant opinionated man, always wanting it pleasant and neighborly; Lydia Lubez (Adele Zorn) — a laughing happy girl.

Don't fail to see this exciting drama. Remember the dates — Friday, Dec. 18 and Saturday, Dec. 19. All seats are reserved. Tickets at \$2.00 each may be obtained by calling OV 1-1243 or WE 8-8048. Teenage special — Fri. night only — \$1.50.

## POT LUCK SUPPER

The Women's Society of the First Presbyterian Church of Levittown will have a Pot Luck Supper in the church, 474 Westash Ave., Wednesday, Dec. 16, at 7:30 p.m. A worship service in the sanctuary will follow with Mrs. David S. Sussman, President of the Brooklyn-Nassau Presbyterian, installing officers.

## Jericho Temple Steel in Place

The steel structure of the future new home of the Jericho Jewish Center is reaching upward towards the heavens as seen on Broadway next to the Firehouse.

The Long Island National Bank has awarded the mortgage so that there will be a possible occupancy of the temple by April 1960. Keep watching the progress that will be made in the months to come, in the establishment of the first house of worship in Jerich in many decades!

## Parent-Teacher Social on Dec. 16

Wednesday, Dec. 16, at 7:30 p.m. and the time of the "covered dish" is here. This annual social event gives husbands a chance to taste the cooking of their neighbor's wives. This year it will be a "chicken any style" dinner. Talented Jericho cooks will be bringing some tantalizing dishes under their covers; delicacies like chicken Cacciatore and Coq au vin, as well as the old favorites, Southern Fried and Barbecued. A couple of enterprising mothers are even whipping up some MooGooGai Pan for the occasion.

There will be a basketball game between the faculty and the fathers, that should prove more exciting than an evening at Madison Square Garden. On the faculty team will be Mr. Heller, principal; Mr. Bernard, Mr. Meisner, Mr. Morelli, Mr. Martins and Mr. Tobin. Among those playing for the fathers will be Mr. DiFalco, Mr. Mayhew and Mr. Santlofer.

If you were out when the committee phoned to invite you, just remember the date, above, and the place, Robert Seaman School, and the admission fee—a covered dish.

## Birchwood In Shock

By Ralph Diamond

This past week Birchwood went into "shock" as a result of the notification by the mortgagee bank of the increase in monthly payments. THE VILLAGER about four months ago, predicted this and alerted our residents that as a result of insufficient payments to the bank during 1959, the payments during the year of 1960 would be increased.

Residents should realize that the increased amount payable during 1960, not only takes care of the increase during that year but also makes up for the shortage from the previous year. Actually the increase during 1960 is the differential between your increased payments and your previous year's shortage.

The Bank's estimate of your 1960

escrow funds is based upon School taxes for the period which runs between July 1, 1959 and June 30, 1960. This tax figure is exact, because the official school tax rate has already been issued. The Bank based its Town and County Tax on your 1959 tax bill. This is an estimated projected figure, because the 1960 Town and County tax has not yet been made official. This means that there is a possibility that, come next December, we may once again receive an increase in payment because the taxes on School, Town and County may rise during 1960. However, in the event the taxes do not rise, your escrow payments next year will be lower than the amount you are paying now if you are making up last year's deficiency.

This is the first in a series of articles by this writer to acquaint our residents with your tax situation.

## CIVIC PROFILE

By GILBERT STEIN

Horace Sterling, age 47 and residing at 30 Birchwood Park Crescent is a science and math teacher by profession. For the past 11 years he is on special assignment with the New York City Board of Education, doing statistical work for the City's Junior High School Division. His wife, Sidell, besides taking care of their home, is a Personnel Assistant at School District No. 2 (Syosset) where son Frank, age 14, attends High School. To say that the Sterlings know something about education would be the understatement of the year.

Horace (Ace) was born in Brooklyn and attended City College. The Sterlings moved here from the Marine Park Section of Flatbush where so many home improvements were perfected by Ace that there was nothing left to change, repair or refinish. They like Birchwood Park at Jericho, their neighbors, their home and their work. In about seven years Horace is due for retirement and that, of course, will mean some project closer to home. He will not miss commuting to Brooklyn. During World War II, Ace served in the Air Corps as a Celestial Navigation Instructor in Savannah, Georgia.

The Sterling home is beautifully furnished, probably sporting more useful gadgets (housemade) per square foot than any other residence heretofore. Horace built himself a Hi Fi unit with a remote reject mechanism. His car sports a homemade burglar alarm, flashing emergency lights and for all we know it may be operated by remote control. He upholsters furniture with professional skill. He converts and refinishes furniture, builds in shelves and even makes his own lamp shades. Sidell makes her own drapes, curtains, bedspreads and she does beautiful work to boot.

The Sterlings are fond of music and they own a tremendous record collection, part of which

## Civics Approve Sta. Compromise

By GEORGE J. FRANKEL

At a Special Meeting of the Board of Directors of the Birchwood Civic Assoc. held Sunday, Dec. 6, the Board voted to accept a compromise agreement, and to withdraw its opposition to the granting of a special use permit by the Town of Oyster Bay which would allow the erection of a gas station at Merry Lane and Jericho Tpke.

The concessions agreed upon include the following:

1. Only one curb cut for the gas station and one curb cut for the remainder of the property will be allowed on Merry Lane.  
 2. Merry Lane will be widened by 15 feet from Jericho Turnpike to the TOBAY Park. The land necessary for this widening will be gift from the gas station owner to TOBAY.

3. A 6 foot wide bicycle path will be constructed from Merry Lane to the Jericho Country Club for the use of children entering and leaving the Club.

4. The usage of the balance of the property will be restricted to that allowed in an "F" zone although it is actually zoned "C". Furthermore, in the event the gas station itself is no longer used as a gas station, this area also will be restricted to "F".

5. A 6-foot stockade fence will be erected along the South side of the gas station facing the Community, and a 2-foot stone wall will be erected along the Merry Lane frontage from the South corner of the gas station North to the curb cut.

6. All gas station construction will be Colonial architecture.

7. No illuminated signs of any kind may extend above the roof line of the gas station buildings, thereby shielding the lights from the community.

8. No bar and grill and no Carvel stand may be erected on the remainder of the Merry Lane frontage.

9. A barricade will be constructed to shield garbage from the view of the community.

These restrictions are in addition to the restrictions customarily imposed by the Town Board in granting all gas station permits. These

## Jericho Ready For Yule Mail

The Jericho Post Office is preparing for the anticipated increase in the volume of mail for the holiday season, it was disclosed today by Signe H. Halleran, Jericho Postmaster.

Assistants for the Christmas season are being recruited and all efforts are being made to maintain the flow of mail as normal as possible, she said. Postal patrons can be of considerable help if they mail early and use the labels available at all offices to distinguish between "local" and "out of town" mails.

She advises that mail of extreme importance be sent special delivery or registered.

For the benefit of Jericho patrons who have never visited the local Post Office, it is located on Jericho-Hicksville Rd. opposite Jericho Firehouse in Birchwood Shopping Center. Postmaster Halleran indicates that sufficient postal personnel will be available to process mail with a minimum of delay.

Hours for window service during the season, starting today (Dec. 10) thru Wednesday, Dec. 23, are as follows:

Weekdays — 8 AM to 7 PM.  
 Saturdays — 8 AM to 5:30 PM.  
 Sunday, Dec. 20 — 11 AM to 3 PM.

## Double Header For Men's Lodge

The winter program of the B'nai Brith Jericho Lodge leads off this December with a great double header.

This Sunday morning Dec. 13, at 10 AM there will be a membership breakfast at the Tivoli Restaurant (Hush Hollow road off Jericho Turnpike).

The world renowned war correspondent, Sid Rakita, will be guest speaker.

On Wednesday evening, Dec. 23, at 9 P.M., at the Jericho Country Club the Lodge presents (the thief of Baghdad) direct from personal TV appearances on the Dinah Shore, Paul Winchell and Jackie Gleason shows.

Refreshments and cards will follow.

## Harold Smith Gets Re-Elected

Harold Smith was re-elected to the Jericho Fire Commissioner Board, Dec. 1. The results were:  
 Harold Smith ..... 535  
 Robert Brumby ..... 74  
 William Simpson ..... 233  
 Ralph Fielitz ..... 35

Smith was supported for re-election by the Board of Directors of The Birchwood Civic Assoc.

## Syosset P-TA Needs Phonos

## Relief Near

John J. Burns, Supervisor of the Town of Oyster Bay, has informed THE VILLAGER that the DeLillo Construction Co. will install a Traffic Signal Control System at Broadway and Birchwood Park Drive as soon as the equipment is available. This action was taken as a result of the efforts of the Safety Committee of the Birchwood Civic Assoc., chaired by Dr. Walter Sugarman.

Happy Anniversary to Irving and Blossom Kesner of Maytime Drive.

MRS. BEATRICE BURSTEIN, Commissioner of the New York State Commission of Correction, (left center) addressed the Jackson School PTA at their regular meeting on Monday, Nov. 23. Shown with Mrs. Burstein are left, Mrs. H. Schottenfeld, Program Chairman and Mrs. T. Mihalad and Mrs. M. Fisher, Co-chairmen for membership. Commissioner Burstein's topic was Juvenile Delinquency—its effect on teen-agers and how to prevent it.

### Civics Approve

(Cont. from Village Front Page) include, among others, overhead lights out at 10:00 P.M., no car washing business, no outdoor repairs, no sale of used cars, no parking, sales limited to ordinary auto accessories, etc. Supervisor Burns assured the Civic Assoc. that the Town would make certain that the station is maintained in a properly clean and neat manner.

The Civic Board voted to accept these concessions after being advised by its legal members that recent gasoline station Supreme Court decisions clearly indicated that the station permit would be granted by the courts, even if it were denied by the Town Board. As a result of this advice, the Civic Board decided to accept the concessions agreed to after many months of negotiations.

JEANNETTE FARDY, daughter of Mr. and Mrs. Raymond Fardy of 7 Boxwood Lane, Hicksville, winner of the State 4-H girls citizenship award, with Prof. Wilbur F. Pease, state 4-H Club leader (at left) and Ronald Morse of Corning, before they left for the National 4-H Club congress in Chicago. Morse went on to become a national winner. Twenty-two state winners had breakfast with prominent officials at Cornell University before they left for Chicago. Miss Fardy is a freshman at Plattsburgh State Teachers College.

## Merchants Organize Own Association

The merchants located in our shopping center have formed a merchants association called the Birchwood Park at Jericho Merchants Association, Inc.

At a recent meeting the following Officers were elected: President, Charles Barvels (Meadowbrook Bank); Vice-President, Irving Herskowitz (Jericho Kosher Meat); Secretary, Irving Cohn (Birchwood Cleaner); Irving Herskowitz and Irving Cohn are residents of Birchwood.

Ralph Diamond, attorney for the association, announced that the purpose of the Association was to solve the problems concerning the merchants in the shopping area. He also announced that one of the most important aims of the association was to cooperate with our community as well as all organizations in Birchwood.

The association at the moment is doing its best to keep the area ad-

cent to the shopping center free and clear of all debris. The association request that residents of Birchwood refrain from using the undeveloped portion of the shopping area as a dumping ground. This area is in essence part and parcel of the Birchwood community and every effort should be taken to keep it as beautiful as Birchwood itself.

## New Book Credits First Photographer

Louis Weintraub of 11 Maytime Drive, Jericho, is credited in Cornelius Ryan's new book "The Longest Day", released by Simon & Schuster, as one of the First Signal Corps photographers to land on French soil in Normandy, on June 6th, 1944.

Many of the photographs in this new book by Mr. Ryan of his account of D-Day in France were made by Weintraub for the U.S. Army Signal Corps and credited during the years of his service career as "Army Signal Corps Photo".

The French Government decorated Weintraub for his outstanding services as a correspondent-photographer in 1944, with the French Croix de Guerre with Palms.

## President's Corner

by RALPH DIAMOND

During the month of December our Civic Assoc. is having two functions. One is the Jericho Players of our Civic Assoc. in its performance of "All My Sons". The talented Jericho Players have, on two previous presentations, entertained our community. It is with a great deal of pride that we realize that their talents and presentations are equivalent to that seen on Broadway. The play will be presented on Dec. 18 and 19 at the Synset High School. We sincerely recommend and urge that you attend, what we feel certain will be their 3rd smash hit.

The Youth Group of the Civic Assoc. on Dec. 23rd is presenting Jericho Night at Madison Square Garden. The occasion will be a professional basketball game between the Knicks and Celtics. The proceeds of the tickets will go towards the youth program. As you know, this year we have a paid youth director and a much expanded program. May I suggest that you treat yourself, your wife and especially the youngster, by buying tickets for this game. Optional bus transportation is being provided and adequate supervision will be present to take care of any youngster who does not need with his parent. Your support is needed.

## Civic Profile

(Cont. from Villager Front Page)  
adorns the walls of their playroom. They also own just about the most luxurious laundry room this side of Jamaica. The downstairs bedroom of their Continental home was converted into a utility room with freezer, home laundry, sewing and cutting table and many of the implements of their talented avocations.

Asked about his hobbies, Horace proudly explained about his vegetable garden, his fruit trees and his other gardening and landscape endeavors which are of considerable magnitude. The Sterlings take in Broadway shows on occasion, they like movies and of course love to entertain in their home which incidentally conveyed to this writer the sort of warm and comfortable atmosphere which also best describes the Sterling family.

Horace is chairman of the Induction Committee of our local B'nai B'rith Lodge, member of our Civic Board of Directors and Chairman of its Discount Committee. He is also a member of its Synset Education Committee as its recently established Publicity and Public Relations Committee. For the past two years he has functioned as a Block Captain and his block shows a 100 per cent Civic Association membership.

Horace Sterling is a community-minded man who has done and continues to do more than his share of constructive and needed work for the benefit of all our residents. He is a sensitive and considerate individual, an educated man and a conscientious worker. Being the head of a truly happy family adds to his value as a neighbor. As far as this reporter is concerned, he is without doubt one of Birchwood's finest.

B'nai B'rith Women's Chapter will sponsor a Supper and Gala Entertainment Wednesday Eve 8 p.m. at Huntington Town House. Donation will be \$4.25. For Tickets Contact Shirley Lehrer WE 8-8815 and Audrey Chalkin OV 1-2818.

## Young Adult Group Meets Sundays

The Hicksville Church of Christ has formed a Young Adult Class which meets each Sunday morning at 9:45, comprised of High School thru College young people.

The purpose of the class is "to exalt the name of Jesus Christ as individuals day by day as a group in class sponsored activities."

These young people have decided to assume some of the responsibility of taking the Gospel to the remotest parts of the earth. Each month an offering will be sent from these consecrated young people to a mission field of the Churches of Christ.

Anyone of High School or College age is invited to become a member of this new class, which is taught by the church pastor, C. E. Faust. The church also extends an invitation to anyone, regardless of age, who is not presently attending a Sunday School, to attend the Bible School of the Church of Christ. There are classes from age 2 to 102, and meet each Sunday morning at 9:45 a.m.

## Amvets Alley

Sgt. Robert Ulmer Post 44  
Nassau County's First  
By Jimmy Cooley

**OUT OF THE FOXHOLE** (tonight) ... Thursday members of Post 44 travel to Nassau Sanatorium to entertain the Veterans there. Those members marked to do their bit are: JOHNNY RYAN, CHARLIE EICH, JIM SURRESS, JOHN BEST, TOMMY CONNORS and FRANK HAMILTON. Members who wish to come along can meet at the Broadway Tavern or contact Commander Purish. Every member is more than welcome. If you have books, magazines etc. bring them along so the boys can read their hours away. Incidentally among all the veterans at the hospital is one woman veteran.

**DATES TO REMEMBER**  
Post Christmas party will be held on SUNDAY, Dec. 20. Member in charge of this affair is Post Commander JIM SURRESS. For further info, contact Jimbo. Post regular meeting will be Dec. 18.

**MAINLY ABOUT THE AMVETS** ... Attending our recent meetings was former "midiron star" of the Orange and Black JOHNNY JABLONSKI. Bethpage veterans who aren't members of any vets group, should find him and attend Bethpage Post 61 meetings and get to meet Post Commander EDDIE WETLI. You may contact Eddie at 122 Shelly Drive. His new post has a great bunch of guys and it looks like they are headed for big things. The Post meets at the Bethpage PBC clubhouse.

**IT'S THE TRUTH SO HELP ME** ... In Texas, an accused thief explained that he had noticed the car marked in front of a cemetery and naturally concluded the owner must be dead. In Georgia, a woman arrested for smuggling a hawk or blade to prisoners said she thought they just wanted to saw up some spurs. In France, a man charged with stealing a horse told the court that the higher altitude on top of a horse was good for his asthma.

**10 YEARS AGO** ... AmVets Post 44 celebrated a worthy remembrance of Pearl Harbor dead. AmVets Chapter 300, or bring them to regular meetings. Let's say 150 or 200.

**MEMBERSHIP NEWS**  
McIntire can start receive their 1959 dues when ever they feel and membership officer JOE STANKOWITZ. Send them to AMVETS P. O. Box 300 or bring them to regular meetings. Let's say 150 or 200.

**DEC. 7TH, PEARS HARBOR DAY** ... It was 18 years ago last Monday, that the Japanese struck at Pearl Harbor. This columnist was a "Pill Roller" at the time with four months to go for discharge. It was Sunday and the Washington Redskins were playing football. As most of us thought, another Oreo Wells trick ... but it was no trick. It was an act by a Nation who would come day say a horrible misdeed for their cowardice. It was a nation who would see two huge cities blasted from the face of the earth and taking millions with it. Perhaps they have learned their lesson, perhaps not. Now that the world is learning what outer space looks like, will we stride forward to conquer other worlds or planets merely for the purpose of good or will there be those of us who will conquer for evil? Will it ring true that who ever lands on

## Legionnaires' Log

CHARLES WAGNER, Post 421, Hicksville, N. Y.  
by Bob Sutton

Last Friday, the ladies of our Auxiliary spent the day at Northport Gift Shop. They donated gifts and assisted the veterans in picking out gifts they wanted, then rapped them and sent them off. In this case the ladies acted as Santa.

Our Membership Officer, Bob Hassel, stated that membership has now reached 215.

The Canale drawing was won by Dick Evers.

Don't forget the Children's Christmas Party, Dec. 20, 2 p.m.

New Year's Eve promises to be a gala night for all who attend. Please contact Bob Board.

Once again I'd like to mention membership. Dec. 31, is the deadline and it is getting close. With only 34 members to go to win that award there's no reason we can't make it.

Dec. 12 is the next meeting of the Jr. Auxiliary.

See you all next week.

## Boy Scout Activities

### 91 Events

The object of Scouting may be to produce good Scouts, but lately, good salesmanship seems to be running a close second for Troop 91. Tom McCarthy, committee treasurer, recently reported that 210 Christmas wreaths were being ordered as a result of the troop's fund raising drive that all the scouts participated in. Hicksville should be the most colorful area on the Island at Christmas time. The scouts are to be rewarded for their efforts by way of prizes and a special Christmas party.

At Dec. 1, troop meeting, Scoutmaster John Sholl had two teams demonstrate fire by friction. Scouts Skinner and Burns, not smoker-scouts McCarthy and G. Franco, got exercise. Don't give up boys, it will be less humid next week. - To brush up on the troop's marching and formation, John Sholl put some of the scouts through a parade drill. After giving a few pointers for the benefit of the "wrong-way-Corrigans", (the "right formers"), the boys marched and formed like a real color guard. - The Green Boy Boys, Fawcett, Burns, C. Franco, J. Motorn, Arnold, Wagner and Spinner, laid out the scout program for December. It includes exercises in fire by friction, Morse code, first aid and compass reading. December promises to be a joyful month in more ways than one.

In brief - George Bert, one of 91's best working scouts, scoutmaster, handles right in with the boys when guiding their activities, so much so, one has to look twice to make sure he's not one of the new scouts. 91 scouts were lucky recipients of a magazine about 4.1.1. which should

### PARTY FOR CHILDREN

The Midland Civic Assoc. is planning a Christmas Party for children of their neighborhood, ages 3 to 12, at the East St. School Gymnasium on Saturday afternoon, Dec. 19. John Thorson of 3 Willow Pl. is president of the Assoc.

The moon first will rule the Universe. If so may God grant that it will rule only for never. If not then once again some where, someday the world and its people will stop and stand a few minutes to honor its heroic dead. Let us convert desecration and death into days of celebrating advancement in fields of science, if we do that perhaps some day we will all know the true meaning of brotherly love.

## The Fire Horn

prepared by the publicity committee  
for the fire prevention bureau  
of the Hicksville Fire Department

In this issue of the HERALD, we will discuss the special problems arising from the Holiday season. In 1958, 92 people were killed by fire during the three days Christmas weekend. Almost all of these deaths were preventable. Common sense precautions, swift action in emergencies, would have done this.

The following are basic rules to observe during the holiday season:

1. Don't buy too large a tree. A small tree when decorated can be just as attractive.
2. Keep out of doors in cool place, bring in just before trimming, stand in coolest part of room.
3. Use a stand that will hold water, cut end of tree on an angle or wedge shape, add water as tree absorbs it.
4. Use fireproof decorations, do not use cotton or paper unless they are flameproofed.
5. Use electric lights. Inspect the wiring, sockets, plugs etc. DISCARD those not in fit condition, provide a switch or means to turn

off lights away from tree.

6. When purchasing outdoor or indoor tree lights or other decorative lights, insist on the UL label.

7. Do not leave tree lights on when away from home or if room is unoccupied for any length of time.

8. Inspect tree from time to time, when needles turn brown or lights, move lights. When tree shows signs of drying out, i.e., needles falling off - DISCARD tree.

9. Do not have any electric trains or electric toys, directly under tree. Discard all gift wrappings etc., safely and promptly.

10. If you engage a baby sitter, acquaint her with these rules, the necessity for them and the emergency telephone: WE 1-0026.

11. A trail of water kept near the tree is effective in case of fire.

12. If an emergency should arise, call your Fire Department emergency telephone IMMEDIATELY. WE 1-0026.

## Secretaries Elect Jean LeVainess

The annual meeting of the L.L. Assoc. of Educational Secretaries was held in the Powell's Lane School, Wednesday on Dec. 5.

Election of officers was held and the slate was carried unanimously.

As follows: President-Elect, V. Jean LeVainess, Hicksville High; Secretary, Virginia Datre, Brentwood; Treasurer, June Helmyer, Northridge School, Bethpage.

The President-Elect of 1959, Miss Dorothy Izzo, automatically stepped up to the Presidency at this meeting.

Presentation was made of the new Past-President pin to the former Presidents of the organization: Mrs. Alice Lofblad, Great Neck; Mrs. Mildred Stenfeldt, Northport; Mrs. Carol Harahan, Levittown; Miss Dorothy Franklin, Rockville Centre; Mrs. Hazel Stepper, Westbury.

Mrs. Lofblad, founder and president for two years of the organization was made President Emerita, to serve for life on the Executive Committee.

# "BOY! AM I GLAD

I JOINED CENTRAL FEDERAL'S CHRISTMAS CLUB!"

And, I'm joining the 1960 Christmas Club today! I don't know how I'd manage without it! Think I'll raise my club "dues" a couple of dollars . . . and make next Christmas an even bigger and better one. I sure am thankful for that **3 1/2% per annum dividend** Central Federal gives to all its Christmas Club members! Why don't you meet me down at Central Federal, too! You'll be glad you did!

## Mothers Arrange Christmas Party

The annual Christmas Party of the St. Ignatius Loyola Auxiliary of Christian Mothers will be held on Monday evening, Dec. 14, at 8:15 in the school auditorium.

The Mothers' Choral Group will entertain with a few selections of their own followed by a Group Sing and a visit from Santa Claus. Mrs. Theresa Nader chairlady of the affair promises a gay time to all who attend.

A very special invitation is ex-

tended to those mothers who have children attending St. Ignatius School, and have not as yet joined the Auxiliary. Put on your Holiday hat and bring along a gift for the grab bag and join us for the festivities.

By Howard Finnegan

There is an oft-repeated testimonial to the possession of the basketball—that while you have it, the opposition cannot hurt you.

With an insistent devotion to having their hands on the inflated leather, the Hicksville High Comets opened their 1959-'60 campaign by upsetting Westbury 44-42 and bouncing right back with a 55-45 victory at Freeport, Friday night.

Jim McKinstry and Steve Dushnick were giants under the backboards and came up with rebound after rebound to enable the Orange and Black to control the game.

Both wins were hard-fought and, in many quarters, unexpected. However, both were exciting which should generate interest for a crowd of better than 1200 to show up for the Comets home opener against Massapequa, this Friday night at Hicksville High.

Tuesday night Westbury comes to Hicksville for a rematch of the curtain raiser.

Tuesday's game was enlivened by a Red Devil rally that tied the score 40-40 in the fourth period after Hicksville had enjoyed a 14-point early margin.

It was accomplished while McKinstry was riding out three personals and Dick McKenna was resting.

When McKenna returned the Freeport press was shattered by his dribbling and drive. And with McKinstry and Steve Dushnick—the latter blocking in air at least six Devil goal attempts—putting the pressure under the boards a ten point lead was quickly re-established.

In all frankness the team has impressed far beyond expectations. Coach Ed Petro has not been idle. Just how far the club can go will not be evaluated for a long time hence. But one thing is sure, its not going to be the long cold winter that everyone feared.

HICKSVILLE 43, MASSAPEQUA 37  
HICKSVILLE 59, WESTBURY 52

Our sources in Westbury, Friday night, confirmed the story that Hicksville High quarterback, Bill Schrimpe, lost the award as the outstanding player for 1959 in Nassau County by one vote on the fourth ballot of the selection committee.

Many fans want a replay of the Faculty-Hicksville High Alumni game that ended 65-62 in the annual benefit for the Booster Club scholarship.

The affair raised almost four hundred dollars with 800 fans on hand and if the issue is pressed look for a duplicate in early spring.

We shall have more to say about the interest of the faculty players later and their unselfish surrender of their time on Thanksgiving Eve but we certainly want to take the opportunity now to point up that Comet grads—Ted Schwartzing, Bill Chelsock, Frank Estrada, Dick Alcock, Harold Manaskie, Bob Paton—have always been ready to contribute their talents to this game and deserve a thankful nod.

We were the guest of the Booster Club at their annual Fall Dinner and as usual had a fine time. President Leo Samberg was

a gracious host despite the Forecaster reference.

It is difficult to write an interesting paragraph on a dinner and the best way we can do so is to urge all who wish to join the club.

Two dinners a year for over 300 members of the athletic team, band and cheerleaders of the school is worth anyone's support and they should be happy to give it.

## Bantam Blues Face Holy Family

The St. Ignatius Bantam Blues met Holy Family at the Fork Lane gym, in a Rockville Centre Diocesan Basketball opener on Dec. 3. St. Ignatius, with three carryovers from last year took the floor against an aggressive Holy Family Five. Charlie Lang of St. Ignatius immediately put his team out front by a foul, and shortly thereafter with a field goal. Jimmie Mc Anley also chipped in with a fine first period. At the end of the First Period St. Ignatius led 9-8.

Boocuzi of Holy Family, kept his team in the game single handed. He kept up his fine play through the game, scoring 17 points. Mc Anley with 6 points and Kukner with 7, carried the Holy Family Attack. Boocuzi amassed 4 personals and was close to leaving the game. Charlie Lang of St. Ignatius, with driving lay-ups and fouls totaled 15 points for the losers. Jim Mc Anley with 7 and Andy Presowski with 6 helped to carry the St. Ignatius attack. Dennis Gallahue played a fine pivot with his rebounding. St. Ignatius fielded 12 men in order to give all much needed experience. The team is made up of 20 units, with unit substituting. This team, a well balanced squad, fast moving and alert, can go far in the Yonkers. Friday night St. Ignatius Bantams travel to St. Boniface at Sea Cliff.

The St. Ignatius Cheerleaders are at all games and could use more vocal support.

## Window Painting Deadline Dec. 15

A Christmas Window Painting Contest has been announced by the Catholic Youth Organization, Diocese of Rockville Centre. Store windows throughout Nassau and Suffolk Counties will be decorated with paintings depicting the theme "The Peace of Christmas", by Catholic Youth competing in three age divisions - 7-12 grade school, high school and young adults.

To facilitate judging, CYO will send a photographer to photograph the windows when the entries are ready for judging. The pictures may be painted on the windows of stores or schools. Trophies will be awarded to the groups placing first, second, and third. The deadline for entries is Dec. 15th.

Friday night, Dec. 4, St. Ignatius Bantam "B" Team played Game of Arts of Merrick in a Rockville Centre Diocesan Basketball game. For three periods St. Ignatius fought against overwhelming odds; and in the last Quarter Cure of Arts broke the game wide open, going on to win 29-14. The St. Ignatius team is very young and green, but as the season goes on will mature and give a good account of themselves.

Last Saturday, the 7 and 8 year old teams played regularly scheduled CYO intra Parish Basketball games. The following are some of the results, Eagles 4-Hawks 2; Ravens 13-Sparrows 6; Orioles 20-Bluebirds 2.

In the Oriole game, Ed Privitera of the Orioles scored the fantastic total of 18 points out of the team total of 20.

## Mercy League Observes Season

The Glen Cove-Hicksville League met Thursday at the Brookville Country Club, with president Mrs. Harold Smith presiding. Members enjoyed lunch, a short business meeting and their annual Christmas party.

The League held a very successful cake sale on Dec. 4th. Mrs. Richard Lynch of Sakett St., Hicksville, was in charge of the affair which was held at Food Fair.

Mrs. Smith discussed the League's Fashion Show which is planned for Feb. 25th at the Huntington Town House. The Tower Shop in Roslyn will supply the fashions and models. A fox scarf, a transistor radio and a basket of cheer will be awarded during the show. Members may also play cards. Mrs. John DeMouco of Hicksville is in charge of tickets.

Mrs. William Beaman of Jericho was named new treasurer of the League, taking the place of Mrs. Scarpinato, who has moved to Florida.

Mrs. J. Bean of Hicksville, membership chairman, introduced four new members.

The next meeting of the group will be held on Thursday, Jan. 7, at the Brookville Country Club, when each member will bring a baby gift for the Baby Shower.

German and Italian, progress is being made on development of course in all four languages at the new high school level (Grades 7-9). Early identification of linguistic ability and interest has received much attention and improved tests have been developed for use in selection and placement. Instructional periods have been defined which hold high promise for use elsewhere, particularly where competent language teachers are not available.

"Systematic instruction in science has been developed in Grades 8-6, where such instruction had not been given previously. In these grades the content is drawn primarily from the fields of physics, chemistry, biology and geology. Instruction is organized in substantial blocks of time (usually ten weeks each), with emphasis on the discipline content of the particular field, rather than the more characteristic approach of courses in general science. At the junior high school level, it has been shown that brighter children in Grades 7 and 8 are capable of handling the work of a high school chemistry, normally taught in Grades 11 or 12."

The report also mentions the participation by Donald F. Alt, assistant superintendent of Hicksville Public Schools, at the "Conference on School and College Curriculum" held at Pal Alto, Calif., July 7 to 27 of this year.

The Fund for the Advancement of Education also reported that during the past two and one-half years it has made grants totalling \$12,290.72 for experimental programs aimed at improving the quality of education in American schools and colleges.

The Fund is a philanthropic organization established by the Ford Foundation in 1951 to work in the field of formal education. To date it has received grants totalling \$57,847,285 from the Foundation.

## Five Achieve Merit Ratings

Five seniors at Hicksville High School have been cited for outstanding performance on the National Merit Scholarship Qualifying Test (NMQT) last spring. Each has received a formal "Letter of Commendation" from the National Merit Scholarship Corporation.

Principal Leon J. Galloway today announced that the seniors so honored are: Beverly M. Ahlson, Louis A. Chabot, Judith K. Paul, Steven Falkow and Howard Jay Goldstein.

John M. Stalnaker, President of the National Merit Scholarship Corporation, declares:

"Letters of Commendation" are being awarded to some 27,000 students from all over the United States in recognition of high performance on the National Merit Scholarship Qualifying Test. While these bright youngsters did not achieve the status of Semi-finalists in the 1959-60 Merit Program, they are so outstanding that we wish to single them out for special attention. We send these letters to provide tangible recognition of superior ability, and it is our earnest hope that the recipients will continue their education, and thus benefit not only themselves but the entire country."
