

Vol. 12, No 50 December 17, 1959
HICKSVILLE, L. I., NEW YORK
Entered as Second Class Matter at Hicksville, N. Y. Post Office

Rotary Gets State Approval:

Erect Community Tree on New Oval

The newly created traffic oval north of the LIRR crossing at Broadway, Jerusalem Ave. and W. John St., Hicksville, will be the setting of a giant illuminated Christmas tree—again the annual project of the Hicksville Rotary Club under the supervision of Freeman L. Parr.

The State Dept. of Public Works has given permission for the erection of a tree which will be strung with lights for the holidays. It is planned to plant a permanent, living tree in this area for future annual Christmas observances.

Raise in Teachers' Pay Scale Appears Certain

Teachers of Hicksville Public Schools can be assured that they will get a boost in their salary schedule during the coming year, above their regular salary step increments, it was indicated this week.

Following a School Board executive session Friday night which lasted from 9:40 p.m. until 11:35 p.m., a motion was offered to adopt a new salary schedule starting at \$4600 for teachers with a BA degree (compared with present start of \$4300) effective Jan. 1, 1961. The motion was defeated with four opposed, two in favor and one abstaining.

A new motion was offered authorizing the Administration to "engage new teachers with the promise that the starting salary will be raised to at least \$4800—effective Jan. 1, 1961." This carried with all Board members approving.

It was generally understood that this action would have the effect of forcing the Board of Education to act, probably before the 1960-61 tentative budget is completed, upon a new and upwardly revised salary schedule not only for teachers but administrators, department heads and principals as well.

An amendment proposed to make the higher starting salary effective in Sept. 1960, was defeated, by 5 votes to 2.

CONTINUE GAS STATION CASE

A proposal that the Board of Education discontinue its legal action to halt the operation of a gasoline station at South Broadway and Lee Ave., across the street from the rear yard of Lee Ave. School, was defeated with two members in favor of dropping the case, three opposed to such action and one member abstaining.

The case is scheduled to be heard in the Appellate Division in February with Robert Corcoran arguing for the Board of Education.

The case attracted the attention of the School Board last January when the Board went on record opposed to the new and enlarged gas station planned for the corner to re-

Early Copy Please

The deadline for the next two issues of MID ISLAND HERALD will be advanced because of the Christmas holidays. Advertisers, readers and correspondents are requested to have all materials at the HERALD office not later than Monday noon for the issues of Dec. 24 and Dec. 31.

place an older and smaller station. The plan was opposed by School Attorney S. Arnold Witte at a hearing before the Zoning Board of Appeals. Four days after the hearing, the Zoning Appeals Board granted its approval.

In April of this year a permit to construct the enlarged station was issued by the Town Building Department and, upon instructions from the School Board, Witte took the Town into Supreme Court. The Court ruled in favor of the Town.

The gasoline station is currently open for business.

Taxi Ordinance Hearing Dec. 29

Oyster Bay Town Board will hold a public hearing on Tuesday morning, Dec. 29, in the Town Hall upon a proposed ordinance regulating, controlling and licensing taxi cab operation in the Townships. The ordinance has been a special project of Councilman Henry J. Moines during his tenure on the Town Board. The full text of the proposed ordinance is published in this issue of the MID ISLAND HERALD starting on page 13.

PROPOSED MOTEL for South Broadway, between First and Fourth Sts., Hicksville, as it will appear from the rear parking field. The present one-story group of stores will be re-

modelled into two-story structure with 47 units. Supermarket will remain at the south end of the structure (at right) for the present, according to Benjamin and Leonard Burkin.

Proposed Motel Recalls Old Days When Hicksville Had Six Hotels

The proposal of Benjamin and Leonard Burkin to develop a 47-unit motel on the west side of South Broadway, between First St. and Fourth St., Hicksville, recalls that the community in the late 1800s boasted of six hotels. Burkin plans to spend \$225,000 on remodeling the group of stores next to Grand Union into a two-story motel. The application, which was not opposed at a recent public hearing, is now under consideration by Oyster Bay Town Board.

In some ways the proposal to build a modern motel with color television in every room has been compared with the variety of hotels in Hicksville between 1870 and 1920. The word "motel" had not been invented when grandfather was a little boy since it is a product of the motor age.

But travel and housing accommodations for a night or period of days were linked together by those earlier-day Hicksville establishments, according to ancient newspaper clippings.

"Hacking in covered or open wagons" was featured by an advertisement of the "Village House,

Herman Kruger, prop" with the address given as East Barclay St. Promising "a choice stock of ales, wines, liquors and cigars always on hand" the adv. also read: "accommodations for permanent and transient guests. Terms reasonable."

The Queens County Hotel, Jacob Brengel, prop, listed no address except Hicksville, Long Island, and offered about the same features as the Village House.

The Germania Hotel, cor. Broadway and Mary Streets (as Marie St. was once known) had August Scheiber as proprietor. It also promises "dogs and guides furnished for

gunners on short notice."

TROLLEY AT DOOR

Perhaps a latter day advertisement was this for "Klein's Hicksville Inn, Hotel and Restaurant" since the trolley ran to Hicksville between 1909 and 1923. Proclaiming "we are still doing business at the 'Old Stand the Hicksville Inn offered 'first class meals and table board'. It also featured 'all conveniences—all improvements, two minutes from R.R. depot, trolley passes the door'."

The Hicksville Inn (see picture) stood at the corner of North Broadway and John St. (Continued on Page 4)

HICKSVILLE INN, the last of a line of local hotels which at one time numbered six or more, was demolished a few years ago at

North Broadway and John St. to make way for a modern financial structure. This picture was taken more than a quarter century ago.

School Boards to Explain Tax Relief Plans Here

Hicksville High School will be the scene of a meeting this Saturday afternoon, Dec. 19, starting at 2 o'clock when representatives of the Nassau-Suffolk School Boards Assoc. meet with Assembly Majority Leader Joseph Carlini and other Nassau-Suffolk legislators including Assemblyman Edwin J. Feltenbach of Bethpage. The Hicksville School Board has made the school available to the newly organized Nassau-Suffolk School Boards Assoc.

A. Terry Weathers of Farmingdale is president of the Assoc. Allen S. Carpenter of Hicksville is a member of the executive committee.

Purpose of the session on Saturday is the presentation of a school "Tax Relief" program developed and supported by the Nassau-Suffolk Assoc., affiliated with the New York State School Boards Assoc.

Santa Arrives On LIRR Engine

Santa Claus will make a grand arrival in Bethpage this Saturday afternoon, Dec. 19, when he climbs down from the cab of the Long Island Rail Road diesel locomotive at 2:12 p.m. His arrival in Bethpage marks the start of a community-wide holiday party sponsored by the Bethpage Police Boys Club. From the station, Santa will parade down Broadway to the PBC Clubhouse where he'll hand out gifts and goodies.

Dear Jean:

Every year at this time comes the question around newspaper offices as to whether "Christmas" and "Xmas" are equally correct. The trade publication of the newspaper industry, *Editor & Publisher*, reported one year: "Xmas is not an incorrect, common-sense term, for a space-saving form invented by headline writers, but rather a reversion to Christ's name in Greek and was frequently used as a holy symbol," the article explains. . . . Five short non-fiction films will be shown at Hicksville Public Library starting at 9 p.m. on Tuesday evening, Jan. 12. They include "In Seville" (1909), "The Path Newsreel (1917-31), "The Pacific Problem" (1934), "The Story of the White House" by the March of Time, and "High Plains." . . . Recently the Bar Harbor Shopping Center in Monroeville asked for a \$773,550 reduction in their assessment. They received \$250,000 for a new total valuation of \$1,197,050. . . . Dr. WALLACE E. LAMB, school superintendent, reported this week that Hicksville Junior High School has been accepted as a member by the Middle States Assoc. of Colleges and Secondary Schools after two years of intensive and extensive evaluation.

We asked AARON ROCKMAN, Chamber of Commerce president, on Thursday, when the Christmas lighting along Broadway would be turned on. He replied that Rockefeller Center was not listed at yet either. However, Rockefeller Center did line up on Thursday night and Hicksville's main street started to glow Friday. . . . The weather in Hicksville, Ohio, was much colder than Hicksville, Long Island. The report for Nov. 30 to Dec. 5 shows that the Ohio town had temperatures as low as 18 degrees and reached a high of 54 degrees on Dec. 4. Out in Ohio's Hicksville they had snowfalls on two days. . . . LENORA FRISCH, Plainville's District Clerk after serving for two and a half years, is resigning the last day of this month. . . . The RICHARD BERGMAN's of Plainville recently returned from a trip to Texas, out to California and by jet to Hawaii and returned. Hicksville Kiwanis had a Memorial Service for all departed members at its meeting last week. AL HEDER conducted the impressive service. . . . JULES MIREL has resigned from Hicksville Rotary Club which has welcomed two new members HERMAN KANFER and ARTHUR SALVESON. . . . At a recent meeting the Rotarians gave EDDIE TEVERINI a pin for 7 years perfect attendance and our own FRANK (Click) MALLETT was awarded for four years attendance.

A tip of the ole hat to the Salvation Army for their very generous gifts to the patients of Nassau Hospital, Mineola (other hospitals may also have been visited—each patient was given a very nice plastic letter case and in it was a ball point pen, envelopes, letter paper, postcards, etc., everything a patient would need to keep in touch with their friends and neighbors. For our Christmas Wreath at ANGEL'S AND MILLIE BUONAGURA'S, S. Bway, Hicksville, again this year and it is sure a beauty in our estimation. Millie is quite a hand at making wreaths and decorations. Also see her creations for grave coverings. They are in very good taste and we're sure Millie will make up any different kind you would like. Don't forget the Hicksville Alumni Assoc. holiday dance at the High School Boy's Gym, Dec. 29. Tickets may be obtained from chairman, Lou Milleville, Holden's Sweet Shop, the Sweet Shop and Mid-Island Herald office. A good time is planned for all attending and you are all invited.

WILLIAM LADATO of Boy Scout Troop 293 and NOEL DENNIS of Explorer Post 64 were recently approved by the Boy Scout Board of Review for advancement to Eagle Scout Rank. . . . Efforts by WILLIAM E. KOUTENSKY, president of L.I. National Bank, recently resulted in the donation of \$125 by his fellow Kiwanis at a luncheon for County Chairman CHARLES BECK who was seriously burned while on duty. . . . Last week WILLIAM PAYOSKI raised another \$100 among his fellow Rotarians for the same worthy cause.

The Hicksville Rotary Club has joined the Kiwanis and ETS Club in assisting the PBC Auxiliary in their Family program. The four organizations will be helping to make it a Merry Christmas for five local families. . . . Sorry to hear LOUISE LOONEY of Twinlawn Ave. was shaken up in an auto mishap this week outside of husband Joe's deli on W. Carl St.

Two Scouts Get Eagle Rank Tonight

Boy Scout Troop and Explorer Post 321 of Hicksville, is holding a Court of Honor and presentation of their first Eagle Scout awards to Joel Chesnoff and Harvey Faccio, tonight (Thurs.) at the Dutch Lane

School. The Scoutmaster, Arthur L. Graham, is very proud of these Explorer Scouts. They have been with the unit since 1954, were participants in the troop's Canadian jamboree trip in 1955, and although they have been Explorers during the past years, have continued with the troop as Junior Leaders.

2,000 Enjoy Variety Review

By Howard Finnegan

Hicksville High School's Variety Club presentation of its 1959 Review attracted over 2,000 paying patrons to the high school auditorium during its three night stand.

Headlining the production, which was notable for five striking sets as backgrounds, were John Petree and Alan Just as the main vocalists. The ladies featured in the spotlight were Jill Altman, Carole Bianchi and Pat Martin.

Virginia Parker won considerable applause for her graceful dance interpretation.

Others who came center stage in the fast paced 32-scene show were Dick Banks, Charlene Miller, Rick Valenti, Judy Polis, Dorothy Traub, Nancy Sherman, Mike Vogel, Fran DeCandia, Carol Makowski, Carol Wise, Sue Douglas, Linda Faraone and Pat Frankenburg.

In the story line were Joan Midlemast, Fred Herden and Jefferey Rock.

The Theatre Workshop Chorus and Dancers worked energetically in most of the numbers.

Special Piano Accompaniment was provided by Miss Carol Von Wankel.

Production was staged and directed by A. E. Bevan of the faculty with the Scene Design and Art Direction by D. Holmes. Musical Direction was lead by Mr. W. Goloske. The coordination of the staff and students was the responsibility of high school principal, Mr. Leon J. Calloway.

Student directors were Barbara Laven, Joyce Scolaro and Ken Henkel with Lighting and Sound controlled by K. Schumann, R. Himmler and L. Lincoln.

The next presentation of the Theatre Workshop is the Senior Play.

Diner Operator Held for Arson

A little frame dwelling at Jerusalem Ave. and West John St., Hicksville, vacant since the death of its owner, has twice been the scene of fires in the past six months. Police this week said that Archy Kyriacou, 36-year-old owner of the Empire Diner which is next door to the house, confessed he dumped gasoline into the building on Dec. 4, shortly before it ignited for a

second time. A Nassau County Patrolman was seriously injured by fire while investigating.

The old house was the scene of a fire at two o'clock on a Sunday morning, July 12, and there were some anxious minutes for Hicksville Fire Dept. when it was feared an elderly occupant was lying there. The HERALD published pictures of the charred interior in its July 16, issue.

The little frame house, which has been a long-established fixture at the corner, is within steps of the County Police Booth. On the night of Dec. 4, Patrolman Charles Beck of Bellmore observed someone enter the building and followed to investigate. As he pushed open a door, there was an explosion which tore off his clothing and put him in Meadowbrook Hospital.

The diner owner was apprehended this week and booked for second degree arson. He is out on \$5000 bail pending grand jury action.

Police revealed that the diner owner said he sought to buy the property to provide enlarged parking for the Empire. How the half-gallon of gasoline dumped into the structure thru a broken window became ignited has not been explained.

Repair Wiring In Old Nicholas

The electrical wiring in Nicholas St. School building has been found to be in such poor condition that the Board of Education has declared an "emergency" and is proceeding immediately with replacement and repairs. The bulk of the work will be done and completed during the Christmas recess for the school.

The condition of the wiring within the building was found faulty during a recent fire inspection.

The Board, Friday night, adopted a resolution declaring the "emergency" and ordered Edward Lewandoski, director of buildings and grounds, to proceed at once with the project. The new installation will be undertaken by Ackerman Electric at a cost of about \$4,250.

At the same meeting the Board authorized the planting of more landscaping at Burns Ave. Old Country Rd. and Senior High School. The Board had appropriated \$10,000 for the work at three schools this fall. However, bids on the project came to only \$8,736.75. By its action this week the Board authorized installation of another \$1,324 of planting by the contractor on the original bid prices.

Among the additional work will be four trees at Burns Ave., 10 trees at Old Country and seven at the high school.

A Tribute — to Rite Fuel Corp.

THE HERALD is currently publishing a series of weekly advertisements sponsored by Rite Fuel Corp. of W. John St., Hicksville. This is one of the most informative and friendly kinds of messages it has been our pleasure to print in many, many years.

Pat Caputo's Rite Fuel Company is telling the world about our many worthwhile local institutions and groups of people in a series of "Salutes."

On behalf of those who have already been saluted (Volunteer Firemen, Postmen, Service Station Attendants and Neighbors), we say thank you.

We also feel it is appropriate to "Salute" Rite Fuel Corp., especially this week, upon the growth of their business and the opening of their new enlarged office here. It hardly seems possible that years have already rolled around since we had the privilege of being present at their official opening in a service station. May Mr. Caputo and his associates continue to grow and prosper.

Motel Recalls

(Continued from Page 1)

way and John St. until a couple of years ago when the site was cleared for the modern office of Central Federal Savings and Loan Assoc.

While some of the advertisements appeared in the local newspapers, such as the Hicksville Press, the hotel also had for business by advertising in the New York City papers.

Hicksville was for a period of years, following the great panic and depression of the 1837, the end of the line for the Long Island Rail Road running out from Brooklyn and Jamaica. In those days, sportsmen would amuse themselves taking steam trains out to Hicksville and make it their headquarters while they waited for the train to come back out from the surrounding country side.

The American Hotel, Clark, Gott, et al., Prop., is an advertisement in the June 11, 1900 issue of the Hicksville Press which recently came into our hands, read: "Please come for sportsmen, Thoroughbred Pointers, Irish Setters and Hounds constantly at the service of visitors. Hacking at reasonable prices."

That same newspaper also contains three other hotels: The Hicksville Hotel, Ann Harbor, prop., first class accommodations for permanent transient guests."

Also, Frank Reinhold, proprietor of "The Windsor Hotel," 3 blocks south of the Depot, "Bottle of Ot. to Heals Your Bone."

IDEAL TRIP LOCALITY
And "Grand Central Hotel, Ann. Electricities, area — the healthiest locality on Long Island. The very

best refreshments always on hand. Bowling Alleys and Summer Garden."

It is said that part of the former Grand Central, which for many years was the center of social activity in Hicksville, is still standing just north of the LIRR crossing on Broadway. It is claimed when the grade crossing elimination gets underway.

Leonard H. Bookin this week explained for HERALD readers some of his plans in connection with the proposed "Hicksville Motel". The supermarket has several rooms to run on its present large and will remain, together with the luncheonette, for the present. He expects that within three or four months after the Town Board gives approval to his motel, the structure will be completed and ready for occupancy.

The front entrance will have a small foyer. The second floor will have a large double in the front and rear. Patrons will have assigned parking spaces in the rear of the motel, entering from First St.

Gene Electronic is planning to move further south to a new location. The remaining stores are vacant and will be converted into the motel.

Bookin has a 14-year background in building and real estate fields including construction, sales, brokerage, leasing of stores, administrative and promotional.

The proposed motel has created a lively interest among business people in the community. It is expected that motel recently established along Jericho Turnpike in Westbury-Jericho-Huntington area have been eminently successful.

TEN YEARS AGO THIS WEEK IN THE HERALD: L. I. R. R. Was Selling Station Plaza

The Long Island Rail Road was offering to sell the Station Plaza area, between Broadway and Jerusalem Ave. at Hicksville Station for a reported \$100,000, ten years ago this week, according to the bound files of the MID ISLAND HERALD.

It was explained that the proposal "was in line with a recent RR policy of unloading its not urgently needed real estate holdings in other sections of the Island during its current financial difficulties."

These items were also news this week in 1949:

Hicksville Civic and Community Assoc. announced its 3rd annual contest for outdoor Christmas lighting of local homes.

Civic minded organizations were being asked to give their support to a plan for the installation of lights at the high school athletic field to permit night softball games. The Charles Warner American Legion Post was already on record in favor, together with the Fire Dept.

Members of Hicksville School Board and

principals of the district were the guests of the Classroom Teacher Assoc. at a Christmas party. Board members Henry C. Brengel and Larry McGaffrey spoke on the community survey being conducted of future student enrollments by Dr. Felix McCormick of Columbia University. Miss Runbald Wessel showed film slides on her trip to Europe and the conference she attended in Switzerland the previous summer.

Authors of the column "Junior High Jottings" were Irene Rogers, Nina Simonsen, Kenneth Draymond, Sandra Olsen, Ronald Hawkins, Clara Hartmaier and Karen Keena.

Business people were being asked by a local committee of Hicksville Methodist Church including G. F. Wenner, John Leckie, Roland Heberer, J. C. Laucks and Rev. Cranston Clayton for contributions to raise \$11,000 needed to finish the new church on Old Country Rd. by spring.

The HERALD editorially advocated the establishment of a heliport in Hicksville to speed the delivery of mail and small parcels.

Flood of Letters to Santa Tops Record

TO: Santa Claus
Santa's Workshop
North Pole
FROM: Hicksville, N. Y.

Dear Santa,
Before I send you the messages from all the nice little girls and boys here I want to tell you I arrived after a good trip down from the North Pole, but as usual it is so-o-o warm here. By now I am getting used to my southern trip each year to the U.S.A. and I always enjoy the trip to Hicksville. Soon you will have to send another helper along with me there are so many letters waiting each year.

The Hicksville Post Office had more letters for me to read for you this year than ever before. Better keep your elves working overtime, and since there is so much mail I'll start now.

The first envelope out of the mailbox is from the Schultes children of 58 Edwards Ave. There are three letters. The first is from Susan Jean, she writes, "Dear Santa Claus, I am trying to be a good girl and not fight with my brother. Will you please send my brother a Hasbro pencil set, my sister a pair of red rollers, plastic. Please send me another pair of shoes and a vase, my father a wallet. Please send me a big enough pocketbook, the magazine eight ball, a world globe and Willy the Clown and please Santa Claus when Christmas comes make it so no one in my family gets sick. I also hope that I may get a piano most of all." Her sister, Shelly Ann says she too is trying to be a good girl. She would like a Patti play doll, a tiny bear doll, a rocking crib, a nurse set and a tea set. She also asks that you bring her sister and brother a pretty toy top. Brother Steven, who also assures you he has been a good boy would like a rhythm set, pom pom gun, atomic cannon, electric piano, a missile launcher and a U.S.S. magic gunner.

David Haumann of 11 Terry St. writes, "I want a drum which has a strap, also I want a horn and I want a drive-in movie." He closed his letter with love to you.

Another letter reads, "Dear Santa Claus, My name is Colven Virginia Daily and my sister's name is Ellen Louise Daily and we live at 8 Hope Ln., Hicksville, Long Island, N. Y.

"I will tell you, Santa, the presents I would like to have under the Christmas tree when I wake up Christmas morning. First, I would like most of all a typewriter, second a set of dishes and then I would like a doll house with all little things in it, a stove, play sink, refrigerator, table and chairs and any other things you may think I would like (two dolls). My sister would like a box of books, a Remco toy, a doll, doggie, teddy bear, a wrecker play-er, refrigerator. But most of all we want you to take care of our new baby on his trip from Heaven and make sure that he gets to our house all right and make sure he has a blue ribbon on. Please leave some toys for our new baby so we can save them. Thank you very much."

Another letter reads, "Dear Santa Claus, here are the toys I want for Christmas: A rich, plaster horse, a bell puzzle blocks, tiny bear doll, a knock-a-peg set, Kuen Koo Loo blocks, Knickerbocker musical clown, a rattle, My name is Diane Ursitti, I live at 55 Lawrence Ave. I am 19 months old. . . . (then there is a P.S. at the bottom of the page) My brother wrote this for me." There is also a letter from her kind brother, who wrote for his little sister. His name is Michael and he would like, Lionel trains, skis, ball games, a Copey Island penny machine, electric football game with magnetic ball.

a football, a motor plane, a Gilbert creator set with motor, fighter jet, Yankee Doodle Rocket test center, a count down and, bridge and turnpike building set.

Well Santa that's all I have time for now. But I will write again soon. A big truck just pulled up to the Post Office and I was told it is full of mail for you so I will go out and eat and come back and start on the new stack of mail. I'll see you Christmas eve before you leave.

Your secretary,
I. CIRCLE

Read It First in Herald

Delay Action On School Name

A full seven-man Hicksville Board of Education was present, Friday night, but the question of renaming the Burns Ave. School, scheduled for consideration at the first meeting attended by a full board, has been indefinitely postponed.

The decision to delay was the result, in part, of a request by Gladys Kist who has been spearheading the effort to get Burns Ave. School renamed as the Allen E. Davis School in memory of the principal of that building. Dr. Wallace E. Lamb, superintendent of schools, told the Board that Mrs. Kist asked "that no official action be taken . . . until there can be an effort to ascertain the reaction of other P-TA units."

It was finally moved to postpone consideration of the question until an unspecified date, provided that no action will be taken unless all Board members are present.

Trustee Robert Goodrich offered a motion to submit the question to a vote of the district at the time of the annual meeting next May but withdrew the proposal before it was voted upon.

The officers and members of the Hicksville Postal Clerks Union and the Hicksville Mail Carriers organization wish to extend the warmest Holiday Greetings to all.

VINCENT S. SUGAMELE
President, Postal Clerks

JOHN O'BRIEN
President, Mail Carriers

with bill nelson

According to information received by me from Mitchell Air Force Base spokesmen, large scale community support is being received for the retention of the installation. With a study of the base and its importance currently being conducted, local and county-wide citizen opposition to the closing of Mitchell is beginning to be heard. 38,000 signatures have been collected to date on petitions protesting any contemplated closing of the field. A large group of East Meadow citizens, representing over 30 per cent of that community 75,000 population has organized a delegation to go to Washington, while the Nassau County American Legion, the Hicksville VFW, the 10 United Veterans Organizations, all local mayors and 35,000 Massapequa home owners as well as the Hempstead Chamber of Commerce, have voted against the closing of Mitchell. While the support for Mitchell AFB's retention is obvious, it will be interesting to follow this fight through to its final outcome.

Island Gardens, keeping pace with the national trend towards go-carts, kids' powered cars and the like, has set up a regular schedule of go-cart events. On a tenth-of-a-mile track, go-carts, driven by pro racing and stock car drivers, really fly when hitting speeds up to 40 mph.

The powered cars for youngsters received further national importance when a recent issue of the Wall Street Journal gave full coverage to the industry.

Soon-to-develop items will be the import of a miniature Italian Ferrari, the announcement of a three-quarter size Mercedes-Benz equipped with headlights, electric windshield wipers, automatic starting and 60mph speeds, to be retailed at approximately \$850. This car will start a trend towards the licensing of small cars for road use. Further reports indicate that insurance companies will now write liability coverage on the kids' powered cars for use on private property and at tracks.

Hicksville School Recreation Department's plans for the holiday season promise to provide a full-scale, well-rounded period of activity designed to create a great deal of fun and entertainment for the kids.

Watch for a big national promotion scheduled to hit regional shopping centers involving a major automobile manufacturer and a kids' car bearing a striking resemblance to that company's product.

Frank's Alibi Restaurant giving away a lighter as a Christmas gift featuring a very pretty picture of the restaurant on it, along with the usual advertising message.

Francis Anderson, Nassau County Clerk, is a man with more birthdays than any other 10 men. He's paid \$1.25 to the Hicksville Kiwanis every week for as long as can be remembered as members serenade him with a slightly off-time rendition of "Happy Birthday." Now that Andy's office is moving to the new Court House in Mineola he's really worried. Most people get away with a "Happy Dollar" contribution, but in Andy's case he may be forced into being happy each week as well as celebrating his birthday. Incidentally, those dollars all go towards underprivileged kids' welfare.

Thursday, December 10, saw an hour TV entertainment destined to be remembered for some time to come as Harry Belafonte presented an hour of American Folk Songs assisted by Odette, a singer with truly total command of folk song delivery and with a voice that should certainly be heard more often by nation-wide audiences.

Consisting of chain-gang songs, children's tunes, work songs, spirituals, humorous airs, love songs and jubilee numbers, Tonight With Belafonte was one of the fastest-moving and most entertaining hours of TV fare to be presented in some time.

Highway Dept. Ready to Serve

Town highway forces will again maintain emergency snow services for homeowners. Thomas R. Pynchon, Superintendent of Highways, announces. He reported that a special telephone unit has been set up at the Highway Department's operating headquarters on Miller Road, Locust Grove, to handle emergency calls during snow and ice storms.

The telephone number is WAHut 1-6030 and all residents are advised to use this number to report and emergency. "Every effort will be made to give homeowners prompt service should an emergency occur during severe storms and they should call the above listed number instead of calling the highway office at Town Hall," Pynchon said.

Pynchon again urged all homeowners to cooperate with highway employees plowing the roads snow-storms by parking their cars on their driveways rather than at the curb.

A Tribute To Our Firemen!

When fire breaks out at four o'clock in the morning, your alert hook-and-ladder guardians are instantly on the job. Heroically, and oftentimes tragically, these brave men in helmets think only of YOU, your family, and the protection of your property. The Fireman is an integral part of our City Government. He must be always physically fit. He must respond without hesitation at the clang of the bell. Night and day, summer and winter, he must be on call to fight the flames and seal the towering ladder. He is a man of ACTION, upon whom all of us depend. We salute his bravery and commend his faithfulness!

Basketball Tourney During Holidays

The Mid-Island Basketball Tournament Festival will start its second year of play. The dates of the Holiday Festival are Monday, Dec. 28, Wednesday, Dec. 30 and Saturday, Jan. 2. The first and second round on Dec. 28 and 30 respectively, will be played at the new Bethpage High School and the final round on Jan. 2, will be played at the Hicksville High School.

The three new comers to the

Planning Ahead

Bids are being awarded on a new Children's Court for Nassau County, a court with probation offices to be located in front of the Children's Shelter on Old Country Road, Westbury. Architect's plans call for two courtrooms and two judges' chambers, but a second judge is not in the immediate future. Anyone planning a court building for Nassau County with only one courtroom in it could justifiably be accused of myopic vision.

Festival this year are Plainview, Carl Place and Syosset. The pairing of clubs for the games are as follows:

Dec. 28
7:00 p.m. Syosset vs. Carl Place
8:30 p.m. Plainview vs. Bethpage
Dec. 30
7:00 p.m. Hicksville vs. Syosset—Carl Place winner
8:30 p.m. Plainview vs. Plainedge—Bethpage winner

Jan. 2
8:00 p.m. Losers of two games played on Dec. 28th for fifth place
7:30 p.m. Losers of two games played on Dec. 30th for third place
9:00 p.m. winners of two games played on Dec. 30 for championship and second place.
Hicksville and Plainview did not play the first round due to the fact that they have drawn byes, because to the win and loss records of the respective teams, during the 1958-59 basketball season.
Cost of tickets will be \$1.00 for both students and adults, which will

entitle the bearer admission for all of the three dates. General admission at the gate each night, will be 50¢ for both students and adults. Tickets bought for separate games will be good only for that night. Each school will be allotted only 200 tickets at the \$1.00 price. It is advised that students of the respective schools who would like to see the tournament in its entirety, be sure to buy tickets as early as possible. Tickets will be on sale in one week.

Proposes 15-Mile Transportation

Senator Edward J. Speno of East Meadow announces that he has pre-filed a school bus transportation bill which "seeks to clarify the rights of children attending the independent schools." Senator Speno's bill, which received strong support in the last session of the Legislature, seeks to make mandatory transportation rights which are now arbitrarily fixed by individual districts and subject to the rulings of the State Commissioner of Education. The Speno bill will mandate transportation to all schools legally attended up to a maximum of 15 miles.

Republic Issues Christmas Bonus

More than 15,310 Republic Aviation Corp. employees will receive a Christmas bonus check this week, it was announced by Mundy I. Peale, company president. Peale said this year's bonus will total \$1,965,000, as compared to \$1,900,027 in Christmas checks distributed last year. This marks the 18th year that Republic has paid a Yuletide bonus to its employees. To date the total amount distributed is \$22,582,627.

WEST BIRCHWOOD NEWS

produced by the

WEST BIRCHWOOD—JERICHO CIVIC ASSOCIATION

Deny Newspaper Permission To Cover Civic Board Meetings

The Board of Directors of the West Birchwood Civic Assoc. has turned down a request from the editors of the WEST BIRCHWOOD NEWS that a member of the newspaper's staff be allowed to cover the meetings of the policy making group.

The request was made at the last Board meeting held Friday, Dec. 11.

According to the President of the Civic Assoc., David Serko, the Board of Directors, under the Constitution, can meet in either open or closed sessions. He stated that with 15 members of the Board of Directors attending meeting, other persons attending the meeting would make holding the meeting more difficult. He stated that the president, in his column in the WEST BIRCHWOOD NEWS, would report to the membership on the actions taken at the meeting.

In a statement prepared for release in the WEST BIRCHWOOD NEWS, the four editors of the newspaper said: "We do not believe that the Board of Directors is entitled to hold meetings in secret. The Board is duly elected by the general membership of the Civic Association and owes its allegiance to the Civic Association. There can be no secrets kept from the general membership of the Civic Association."

"Furthermore," the statement continued, "it is the right of every Association member to know—in unbiased, straight reportorial fashion—how each elected officer and director votes on each issue, who participates and who takes no active part in board meeting, so that in subsequent elections he will know whether to vote for or against that person on the basis of his record and not on a

personality basis. If one member of the newspaper cannot attend board meetings and report on those meetings, there is no earthly way of knowing what individual officers and board members stand for."

"For example, at the last Board of Directors meeting, support of the Cantiage School was approved by a vote of 9 to 1. Every voter in the Civic Association has a right to know who voted for the school, who voted against it, and who abstained. Only in that manner can we intelligently vote for people to represent us on the Board of Directors."

Robert Miller, treasurer, told the WEST BIRCHWOOD NEWS that he had not understood that the reason for the attendance of a newspaper representative was for this purpose. He suggested that the newspaper once again request this permission from the Board of Directors at their next monthly meeting.

Alan Friedland was also questioned by the newspaper and he concurred with Miller.

David Serko, president of the Assoc., was also questioned. He stated that he understood the reason for the newspaper's request and was against it.

The editors of the newspaper have announced that they will again request permission of the Board to cover its subsequent meetings.

Dedication of W. Birchwood Streets Due in Near Future

BY HERB COHEN

By virtue of diligent and persuasive efforts of your Civic Association's Welfare Committee, West Birchwood can anticipate several important rewards within the next few weeks.

According to Dr. Ed Greenberg, Committee Chairman, the action which will precipitate these benefits is the expected dealing of completed streets to the Town of Oyster Bay.

The builder's attorneys have submitted the dedication documents to the Nassau County Planning Commission. These papers are now under the scrutiny of the legal dept., which will make their recommendations to the Town Board. If the recommendations are favorable, the Board will approve the application at the Dec. 22nd meeting and formal dedication will take place the next day.

The Welfare Committee submitted a list of defects in the deeded property to the Planning Commission, as well as to the builder, and this list will be utilized by the Commission in the inspection to take place in about 2 weeks and again in the spring. If these defects constitute valid complaints, the builder will be responsible for making repairs. The NEWS has been advised that since the County is still holding the builder's bond, all residents should continue to report defects to the Committee through John Nason at OV 1-6503.

Traffic Lights

The Community Welfare Committee has been well aware of the dangerous situation that exists on Broadway at the entrance to West Birchwood. It is reported by Dr. Harold Pike and Leon Schaffer that many contacts have been made to correct a condition which was apparently not anticipated in so huge an undertaking as the Long Island Expressway. Since Broadway-Licksville Road is a state highway, contact was made with a state inspector who assured the committee that residents will no longer have to dodge mountains, earth-movers and bulldozers. Assemblyman Edwin J. Fehrenbach and New York State Road Commissioner Person have confirmed the report that traffic lights will soon be installed at both ends of the temporary cut-off at the entrances of West Birchwood and East Birchwood.

Street Lights

One anticipated result of the dedication of West Birchwood's completed streets will be the erection of street lights. Much valuable information was given to the Committee by Frank Salant, of the Oyster Bay St. Lighting Division, as to the type of lights we may expect.

These will be residential-type structures, similar to those in East Birchwood, and will be 10' to 12' high, about 180° apart, and with about 100-candlepower. Installation would probably take place in the spring, when necessary concrete work could be done.

Stop Signs

Two members of the Welfare Committee, Leon Schaffer and Ben Wernikoff, made a careful inspection of the traffic situation inside West Birchwood and have submitted a report to the Town. Potential hazards have been pointed out, with recommendations made as to the placement of stop signs throughout the community. Parking restrictions have been requested near the models, as well as lane markers at the entrance. Again, an appeal is made to all residents to curtail excessive speed in our streets, especially along Rockland Dr. and Orange Dr. It is to be noted that new safety signs have recently been placed on several newly-occupied streets. Let all of us observe precautions, even if we're rushing for the train.

Some of the best news reported is the start of garbage collections by the Town of Oyster Bay, starting January 1st.

School Bus Stops
The Welfare Committee has in-

Letter to the Editors . . .

. . . From the Editors

It is the announced policy of the Civic Assoc. Board of Directors that the editorial column of the WEST BIRCHWOOD NEWS reflect only the majority opinion of the Board of Directors. It may look a little ridiculous, but to express our opinions, we'll have to "sit right down and write ourselves a letter." Here goes:

Dear Editors:

The WEST BIRCHWOOD NEWS has attempted to be impartial in its coverage of the news. In its efforts to further serve the community, we had requested permission from the Board of Directors to send a reporter to its meetings in order to report impartially to the membership what transpires.

It comes as a surprise, therefore, to learn that the Board of Directors has vetoed this idea.

It is patently ridiculous to ask the general membership to vote in the dark for their representatives when they have no idea of what these representatives may have contributed to the meetings, what their thoughts and ideas have been.

As an example, the Board of Directors has just voted 9 to 1 to endorse the Cantiage School. We think it is only fair to report which members voted for the motor, who voted against, and which members voted for the motion, who voted against, and therefore abstained. Only in that way will the general membership know the voting record of their representatives on the Board.

We can well understand that if the Board of Directors were to be entirely open, there might be problems in the limitation of space. But one reporter, sitting quietly in a corner taking notes openly, is not going to paralyze any board meeting.

We can't imagine any subjects requiring secrecy. Therefore, coverage of the meeting would tell us all what plans and policies have been made by the board, what motions have been approved, what motions defeated, who voted for and against what, who takes an active part in committee work, who volunteers, who comes up with ideas and motions, who is seldom heard from, who comes up with hare-brained ideas, and who sleeps through the meetings. Then we all can deduce who the kibitzers are and who really deserve to be on the Board. We think that no report from a member of the Board of Directors could be as objective.

If the Board of Directors is afraid of this impartiality and elimination of secrecy, then they're afraid of the newspaper and they're afraid of the membership.

We can't believe this of the Board. Perhaps they might reconsider and vote on the subject again. We urge the membership of the Civic Association to make their opinions known to the Board of Directors.

Committee Comments

By Ronnie Auehahn

SOCIAL

A community Valentine's Day dance is being planned for Feb. 13th. Further details will be available at a later date.

Ethor Wintthrop was unanimously elected to serve as Chairman of this Committee.

EDUCATION

Art Carin and Jerry Straus, members of this committee, met with representatives of other Jericho Civic Assoc. Education Committees. The discussion concerned the possibility of the formation of an overall Jericho Education Committee to handle education problems relating to the entire district.

For other reports of this com-

mittee see feature articles.

PUBLICATION

A vote was taken by members clarifying the policy of the WEST BIRCHWOOD NEWS. The paper will be factual and all articles will be written in 3rd person with the exception of the editorial.

Only those individual invited to write a column for the newspaper will be given a by-line. Articles should eliminate primarily from staff members.

Mort Wintthrop was unanimously elected Editor-in-Chief. Larry Keavey, Herb Cohen and Seymour Berkman are Associate Editors.

LINDA WARHEIT

In this picture, 3½ year old Linda, looks much like her mommy, Ev. She's Washed. Daddy is Dr. Alan Washel, 24 Rockland Drive. Linda's 2 year old brother, Kenny, looks out for her.

SHELDON PIKE

This is the son of Dr. and Mrs. Harold Pike at three months. He is now 13 months old. Sheldon lives at 23 Orange Drive with his older sister, Marilyn.

Burglar Enters W. Birchwood Home

A West Birchwood home was broken into recently and \$20 was taken in the first burglary reported in the development. The theft occurred in broad daylight at 3 Orange Dr., the home of Frank and Dorothy Lipski.

Mrs. Lipski had left the house for an hour and one-half to do some shopping at the supermarket. She returned shortly after noon to find the rear door broken, a long skid mark of a man's heel in the kitchen, and the money missing from the bedroom dresser. There was no vandalism or destruction and nothing else was taken. Nas-

sau County police were called into the case, but no arrest has been made.

Police recommend that housewives not leave money or valuables in the dresser drawers or valuable jewelry in jewel boxes left in obvious places. Burglars expect to find money in dresser drawers. Police also advise leaving a light up in the house if you are going to be away during the night. Always double check doors to be sure they are locked, and let a neighbor know if you're going to be gone for hours at a time.

It was pointed out that West Birchwood homes, with their large glass areas, especially with doors of glass, are extremely easy to break into.

 Ben Weizel, Leon Schaffer and Daniel Danilopou concerning additional STOP signs and crowded

conditions of streets in front of model homes were made. These facts will be forwarded to the local police, who will verify recommendations prior to final action when streets are dedicated.

What's Cooking?

By Mary Ellen Lazare
 With the holiday season almost upon us, most of us will be planning some "home-made" goodies. To supplement your own favorites, here is a recipe from JEAN LUBER of 31 Craig St. Jean, who is so talented with a unique name for these wonderful delights.

THIMBLE COOKIES

3 C. sifted flour
 1/2 C. sugar
 1/4 lb. butter
 2 egg yolks
 1 tsp. vanilla
 1/4 tsp. salt

seeds jam
 Cream butter and sugar. Add sifted flour, salt and egg yolks. Take all the dough and form into a large ball. Then take small amounts of the dough (about the size of a teaspoon) and roll into balls. Or help if you flour your hands while rolling this. Press a thimble into the middle of each ball, and fill this indentation with your favorite seed jam. Bake on ungreased cookie sheets in a 350 degree oven for golden brown. Makes about 40 cookies.

Ed Greenberg was elected chairman of the committee for 1960. John Nason was voted co-chairman. Muriel Bernstein was again chosen secretary.

The next meeting of the Community Welfare Committee will take place on Friday, Jan. 8, in the home of Dorothy Rindler, 17 Craig St. at 9 p.m.

See feature articles for more reports on the work of this committee.

LITTLE THEATER

The newest member group of our Civic Assoc. will have its first meeting on Monday evening, Jan. 4th at 8:30 p.m. All interested in any phase of the theater are invited to attend at Blinn Winthrop's home, 18 Warren Lane.

There were no reports from Taxation Committee, Builders Committee, Youth Affairs and Membership Committees.

Spending \$2400 Cash Bonus at Mid Island Plaza

ANNE DOUGHERTY of the Bronx watches her husband, Charles, being fitted for shoes by Howard Brown, manager of Thom McAn, during a shopping spree at Mid Island Plaza in Hicksville. Lynn Blair of the Plaza Assoc. was also an interested spectator. Mrs. Dougherty won a \$2400 cash bonus to spend at the

Plaza during "The Price is Right," television show, Nov. 25. Mr. and Mrs. Dougherty took up temporary residence at Meadowbrook Motel and spent the next few days in a whirlwind shopping tour here. They bought everything from clothes and toys to appliances. (Photo by Frank Mallett.)

West of Bway

by GERDA MILLER

The Assoc. For The Help Of Retarded Children held a membership tea on Dec. 15, at the home of Barbara Marder, 41 Orange Drive. A card party, also sponsored by the Assoc. will be held on January 13th at the Syosset High School. Anyone interested in obtaining tickets please contact Barbara Marder OV 1-1611 or Eleanor Fried WE 8-6718. Everyone is welcome.

Villa Victor was the scene of a wonderful luncheon and fashion show given by ORT. West Birchwood members attending were Mary Ellen Lazare, Anita Platt and Jean Lubet, all of Craig Street.

Mark Elowsky, son of Mr. and Mrs. Larry Elowsky, recently celebrated his 7th birthday at a party in his home at 30 Orange Dr.

The Jericho Conservative Jewish Center held a fund raising bazaar in the Mid-Island Shopping Center from Dec. 12th through Dec. 16th.

The Herb Harfenists of 22 Craig

St. have a new addition in the family — a tomato red Renault — Ditto the Dave Serkos of 26 Craig St. who are also sporting a shiny new Pontiac.

Dr. Larry Marder of 41 Orange Dr. was installed into Omicron Kappa Upsilon, Honorary Dental Society. Congratulations.

The Bourgeois of 44 Orange Drive were hosts at a party in their home for a few members of the Pepsi Cola Co. The party lasted until the wee hours and a wonderful time was had by all... drinking Pepsi.

Bridle Men's Lodge-Jericho Country Club-Regular meeting-Entertainment and cards-8:30 p.m.

The Jericho Players of the Birchwood Civic Assoc. are presenting one of the outstanding events of the season - "All My Sons" written by Arthur Miller. Tickets for this Friday and Saturday, Dec. 18 and 19, are \$2.00 each - all seats reserved. Don't be left out of the social swim. Buy your seats now by calling OV 1-1243 or WE 8-8048. (Teen-age seats for Friday are \$1.50) Tickets will be sold at the door.

Come see the star-studded cast - your neighbors - Barry Jeffrey, Leon Zlatner, Dave Kassen, Betty Goldstein, Adele Zorn, Miriam Refi, Jerry Neuhaus, Dale Berg, Larry Singer, and introducing young David Kessler making his debut in the footlights.

Honor Fund Workers

The Tri-Town (Jericho, Syosset, Plainview) Auxiliary of the Assoc. for the Help of Retarded Children will hold its next meeting Tuesday evening, Dec. 22, 8:30 PM at the South Grove School in Syosset, to pay tribute to all their Fund Drive collectors, who gave so much of their time and energy to make this a banner year. Refreshments will be served. All are welcome.

For the 3rd consecutive year the Tri-Town (Jericho, Syosset, Plainview) Auxiliary of the Association for the Help of Retarded Children will play the part of Santa Claus' Assistant. On Dec. 22 in the Syosset schools, and on Dec. 23rd in the Plainview schools, Tri-Town will distribute gifts to all the retarded children in the special classes. This is their way of saying "Merry Xmas" to their retarded children.

Observes Holiday

The regular meeting of the Robb's Lane P.T.A. was held in the school auditorium on Tuesday, Dec. 15th, at 8:30. The annual Christmas program was presented.

There was a holiday play, instrumental solos and glee club songs under the direction of Mr. Robert [unclear] music teacher at Robb's Lane School.

This performance will be repeated for the children.

HISTORY WAS MADE on Tuesday, Dec. 8, when members of the Jericho Jewish Center met with William E. Koutensky, President of the Long Island National Bank of Hicksville, and concluded building loan and mortgage arrangements for its new Temple.

This occasion marks the rise of the first new religious institution in Jericho in 150 years. The rapid growth of this community paralleled the equal growth in education, cultural and social activities, and the Jericho Jewish Center has met this challenge.

The Long Island National Bank of Hicksville, aware and concerned with the local needs of Jericho, has made the realization of a beautiful building, housing

ing the Jericho Jewish Center, possible, with the help of its active and devoted members.

The quarter-million-dollar structure now under construction, will meet the needs of the religious, school, youth group and social activities of its Sisterhood and Men's Club.

The members of the Jericho Jewish Center, standing from left to right are Alexander Storman, Chairman of the Building Finance Committee; Louis Forman, Vice President; Judah Modansky and Joseph Berliner, Co-Chairmen of the Building Committee; and Max Koutensky, President. Seated, center, is William E. Koutensky, President of the bank.

Woodland Fair Great Success

The Woodland Ave. Parent Teachers Assoc. of Hicksville is happy to announce that the County Fair of Dec. 5 was a social and financial success.

The Nike Missile was at the school as the P.T.A. promised and everyone was able to see it up close. The Army personnel on hand were very gracious, and delighted in speaking to everyone about their missile.

Dedication

Cont. from Birchwood front Page
stituted a survey to correct a potentially dangerous condition which exists at the school, bus pick-up points. Several of the bus stops are situated at heavily-trafficked corners, and the young children have been seen to step off the curb. There are various plans being advanced to correct the condition, such as changing pick-up locations and the establishment of a parent-

monitor system to supervise at each stop. Murray Kahne, of the Committee, will meet with the School Board at the Robert Seaman School on Dec. 17th to determine remedies, at which time any interested residents are welcome to attend.

Obituaries

Antoinette Montana

HICKSVILLE—Antoinette Montana (nee Gazzera) of 41 Hertz Pl., here, died on Thursday, Dec. 10. She was buried at the Henry J. Stock Funeral Home until Monday morning when a Solemn Requiem Mass was offered at St. Ignatius Loyola R.C. Church at 10 a.m. Burial followed at Holy Rood Cemetery.

Mrs. Montana, born in Italy, had been a local resident for 45 years. She died at Nassau Hospital following a long illness. She was the widow of the late Domenick who died Oct. 23.

She is survived by a son, Charles J., and three daughters, Beatrice Montalbano, Lucille Blanc and

Catherine Montana, also seven grandchildren.

Ellsworth Wagar

HICKSVILLE—A Solemn Requiem Mass was offered at Holy Family R.C. Church, Wednesday at 10:15 a.m. for Ellsworth Wagar of 26 First St., here, who died Monday, Dec. 14. Burial followed at Holy Sepulchre Cemetery, Coram, under the direction of the Henry J. Stock Funeral Home.

Mr. Wagar, who was the husband of the late Florence (nee Androsch), is survived by six nieces and four nephews.

Ignatius Capo

DEER PARK—Ignatius Capo of 86 East Sunrise St., here, died, Dec. 10. He was a former resident of Hicksville, having operated a shoe repair shop on Broadway in former years. He resided at the Henry J. Stock Funeral Home, Hicksville, until Monday when a Solemn Requiem Mass was offered at St. Raphael's R.C. Church. Burial followed at St. John's Cemetery.

Mr. Capo is survived by his wife, Antonina (nee Stabile) and a granddaughter, Mary Agnello.

Henry F. Moltzen

HICKSVILLE—Religious services were held at the Thomas F. Dalton Funeral Home, Wednesday at 10 AM for Henry F. Moltzen of 40 Beech Ln., here, who died Sunday, Dec. 13 at the age of 85. Interment followed at Mt. Olivet Cemetery.

Mr. Moltzen, a retired accountant, is survived by his son Henry J. and four grandchildren.

Mary A. Marx
WEST ISLIP—Mary A. Marx (nee Elliott) of Bay Shore Rd., here, died Tuesday, Dec. 8. She was a former resident of Hicksville and resided at the Henry J. Stock Funeral Home there until Friday, when a Solemn

HELEN R. PENNER, daughter of Mrs. Sylvia Penner of Elm St., Woodbury, has been named to Who's Who in American Colleges and Universities. Miss Penner, a 20 year old senior at Hofstra College was also inducted in her junior year into Hofstra's highest honor society for co-curricular activities, Bovenman. Miss Penner, is a 1956 graduate of Hicksville High School.

Requiem Mass was offered at St. Ignatius Loyola R.C. Church at 10 a.m. Interment followed at St. Vincent's Cemetery, Madison, N. J. Mrs. Marx was the widow of the late Jerome J. Marx and is survived by two sons, Elliott and Robert; two daughters, Rita Burnham and Agnes Coles, eleven grandchildren and one great grandchild.

Harriet Fallon

HICKSVILLE—Harriet Fallon of 301 Richard Ave., here, died Friday Dec. 11 at Meadowbrook Hospital, at the age of 76. She resided at the Thomas F. Dalton Funeral Home until Monday when a Solemn Requiem Mass was offered at St. Ignatius Loyola R.C. Church at 9:30 AM. Burial followed at Calvary Cemetery.

Mrs. Fallon is survived by her husband Charles A.; two daughters, Julia Reardon; a son, John and five grandchildren.

Julius Dietch

HICKSVILLE—Religious services were held at the Warner Funeral Home Wednesday at 2 PM for Julius Dietch of 7 Lofie Ave., here, who died Sunday, Dec. 13. Rev. Edward Stummel officiated. Burial followed at Pinelawn Memorial Park.

Mr. Dietch is survived by his widow, Helen; three daughters, Helen Armstrong, Dorothy Reid and Evelyn Cornell; a brother, Oscar and six grandchildren.

Another Busy Week for Vamps

Another false alarm was among the calls answered by the Hicksville Fire Dept. for the period of Dec. 9, thru Dec. 15. The 10 calls answered included three ambulance cases.

First call of the period was to the Hicksville Sweet Shop, 92 B'way, on Dec. 10, when grease on the grill caught fire. The second call of the day was from Box 243, Jerome Ave., and Aster Dr., a false alarm. Sam Siegel of 8 Aster Dr. was taken by Dept ambulance to Meadowbrook Hospital, East Meadow, also on Thursday, while William J. Mulligan, 78, of 125 Cortland Ave. was taken to Nassau Hospital, Mineola.

School Board Takes Holiday Recess

Hicksville Board of Education will not hold another regular meeting until next year. With the second December meeting scheduled for Dec. 25th, the Board voted this week not to meet again until Friday, Jan. 8th.

The meeting last Friday night was bracketed about a two-hour executive session on proposed salaries for the new fiscal year, among other matters. The public session concluded shortly before 2 a.m., with a total of 54 motions acted upon, a new high for the current fiscal year.

At the conclusion of the Session, the Board formally went on record wishing the greetings of the holiday season to all

LEGAL NOTICE

PUBLIC NOTICE
LONG ISLAND LIGHTING COMPANY
Pursuant to the Public Service Law, Long Island Lighting Company hereby gives notice that it has issued and filed with the Public Service Commission amendments to its Electric Rate Schedule No. 8, consisting of Third Revised Leaves Nos. 54, 59 and 60, Fourth Revised Leaf No. 55, Fifth Revised Leaves Nos. 59 and 62, Sixth Revised Leaf No. 58, Seventh Revised Leaf No. 48 and Eighth Revised Leaf No. 49, each effective January 1, 1960, to provide for the following changes:

- (1) Residential Service—Classification No. 1
Rate (per meter per month):
First 10 KW or less \$1.05
Next 10 KW or less \$1.42 per KW
Next 10 KW or less \$1.42 per KW
Next 10 KW or less \$1.42 per KW
Excess of 40 KW \$2.56 per KW
Special Provisions:
(a) Where water heating is done solely by the use of an electric water heater having automatic thermostat control, the price per KW for consumption in excess of 200 KW in any month will be reduced by 0.44 per KW, provided the aggregate amount of such reduction shall not exceed \$1.00 per month.
(2) General (Commercial) Service—Classification No. 2
Rate (per meter per month):
Block Rate, applicable where demand is not determined:
First 10 KW or less \$1.05
Next 10 KW or less \$1.42 per KW
Next 10 KW or less \$1.42 per KW
Next 10 KW or less \$1.42 per KW
Next 10 KW or less \$1.42 per KW
Excess of 40 KW \$2.56 per KW
Energy Rate, applicable where demand is determined:
First 1,000 KW or less \$1.42 per KW
Next 10,000 KW or less \$1.42 per KW
Next 10,000 KW or less \$1.42 per KW
Next 10,000 KW or less \$1.42 per KW
Excess of 40,000 KW \$2.56 per KW
Provided, (a) When the billing demand is less than 200 KW, the consumption in excess of the first 22,000 KW shall be billed at 0.44 per KW.
(b) When the billing demand is 200 KW or more, the consumption in excess of the first 300 hours use of demand shall be billed at 0.44 per KW.

- (3) Power-Wholesale Service—Classification No. 4
Rate (per meter per month):
Demand Charge:
Per KW of demand \$1.05
Energy Charge:
First 10 KW or less \$1.42 per KW included in Demand Charge
Next 10,000 KW or less \$1.42 per KW
Next 10,000 KW or less \$1.42 per KW
Excess of 40,000 KW \$2.56 per KW
Provided, (a) When the billing demand is less than 200 KW, the consumption in excess of the first 22,000 KW shall be billed at 0.44 per KW.
(b) When the billing demand is 200 KW or more, the consumption in excess of the first 300 hours use of demand shall be billed at 0.44 per KW.

- (4) Power-Tech. Voltage—Service—Classification No. 8
Rate (per meter per month):
First 1,000 KW or less \$1.42 per KW
Next 10,000 KW or less \$1.42 per KW
Next 10,000 KW or less \$1.42 per KW
Excess of 40,000 KW \$2.56 per KW
Determination of Demand:
The monthly demand shall be the highest fifteen minute integrated demand during the month as shown by a demand meter of standard type to be installed and maintained by the Company. For billing purposes, the demand shall not be less than 20% of the monthly demand determined during the preceding 11 months, and in no case less than 50 KW.

- (5) Private Street Lighting—Service—Classification No. 1
Rate:
Flat Rate:
\$1.25 per month for each No. C. P. lamp connected
\$2.50 per month for each No. C. P. lamp connected
\$2.50 per month for each No. C. P. lamp connected
\$2.50 per month for each No. C. P. lamp connected
Demand Charge (per meter per month):
First 10 KW or less \$1.42 per KW
Next 10,000 KW or less \$1.42 per KW
Next 10,000 KW or less \$1.42 per KW
Excess of 40,000 KW \$2.56 per KW
Special Provisions:
(a) For service from underground distribution lines in the Town of East Hampton (except the incorporated Village of Blue Point), the above rates for all equipment in excess of the first 10 KW shall be increased by 1.00 per KW.

- (6) Breakdown Service—Service—Classification No. 10
Rate:
Demand Charge (per meter per month):
First 10 KW or less \$1.42 per KW
Next 10,000 KW or less \$1.42 per KW
Next 10,000 KW or less \$1.42 per KW
Excess of 40,000 KW \$2.56 per KW
Special Provisions:
(a) For service from underground distribution lines in the Town of East Hampton (except the incorporated Village of Blue Point), the above rates for all equipment in excess of the first 10 KW shall be increased by 1.00 per KW.

- (7) Private Street Lighting—Service—Classification No. 1
Rate:
Flat Rate:
\$1.25 per month for each No. C. P. lamp connected

Friends Arrange For Testimonial

A committee of 50 friends of Nassau County Clerk Francis J. Anderson of Hicksville is making plans for a testimonial dinner in honor of the county official to be held at Garden City Hotel on Jan. 25. Details of the affair were arranged at a meeting of the Committee at the Old Country Manor, Tuesday.

General chairmen are Malcolm Pierce, Albert Schackner and Patrick Caputo who, by coincidence, all happen to be past presidents of the Hicksville Chamber of Commerce.

Henry G. Eiseemann of Hicksville, well-known insurance broker, is honorary chairman of the committee. Co-chairmen are County Executive A. Holly Patterson, Thomas Pynchon of East Norwich and Norman C. Penny of Manhasset.

Seating will be limited to 1,000 persons, the committee explained, and nearly half of the tickets for the event have been taken.

Close Commercial Office on Dec. 31

The Hicksville Commercial Office of the L.I. Lighting Co. will be closed after Dec. 31, 1959, it was announced by the company this week.

Complete facilities for the discussion of customer accounts will be available at the district office at 309 North Newbridge Road, Levittown.

Bills may be paid by LILCO customers at the Long Island National Bank of Hicksville, 60 Broadway, or any of its three branches located at Plainview, Manetto Hills or Mid-Island Shopping Plaza.

L.I. Lighting Co. Plans Rate Cut

Long Island Lighting Company filed a proposed \$1,200,000 electric rate reduction with the New York Public Service Commission last week, effective Jan. 1, 1960, according to an announcement by John J. Tushy, President. He said, "the Company is pleased to make a reduction which would result in an annual saving of \$1.56 to \$4.36 to the average LILCO residential customer depending upon the extent to which electricity is used."

"Commercial customers, under their rate schedules would get rate reductions as would also industrial users. However," he said, "a few industrial electric customers, because of their large but intermittent demands for power requiring substantial investment by LILCO in equipment that isn't being used economically, would see increases under the adjusted rates."

Moving Office

The office of Nassau County Clerk Francis Anderson, files, books, maps, records of all kinds, spent the past week-end moving into the first and second floors of the new Nassau County Office Building on Old Country Road, Mineola. Great new automatic machines for speeding up business preceded them. Hardly were the 130 in personnel out of the west building of the New Courthouse when carpenters, plumbers and electricians moved in to start alterations for Nassau Colleges classrooms and laboratories. The College opens around Feb. 1st.

Herald Sportslight

By Howard Finnegan

Hicksville High's basketball team, which listened to perfection in defeating strong Massapequa, 74-61, Friday night, played as if no one knew each other for the greater part of 27 minutes, Tuesday, and labored in winning a 51-46 verdict over Westbury.

The issue is very clear. If Hicksville plays as a team it will go very far this year but if teamwork succumbs to individual performances everyone is going to finish third rate.

The win over Massapequa was a big one and the clicking of the teamwork made it impressive. Hicksville shot off to an 8-0 lead and at one point early in the third quarter held a 22-point advantage.

It wasn't until four minutes were left in the last period that the Comets played as a team and overcame a three-point Green Wave lead.

Up until then, the passing was hesitant and the free man hardly ever got the ball. It was strikingly evident since Westbury used a moderate press and fell back into a zone.

Of course the Comets have won four straight and have a fine start. They were tighter than knots Tuesday and should come back to the five and go game that has carried them to attention this early in the season.

This Friday at Hicksville, Great Neck North invades for the first league game of the year. This is an assignment of worth and the Comets will have to be at their best for it.

Tuesday night the Orange and Black plays at Island Trees. This quick start has gotten everyone excited about the Comets and their chances and we know they are going to loosen up and merit the good support Hicksville fans give the team.

Hicksville 62, Great Neck North 57
Hicksville 43, Island Trees 40

In all frankness the fine work of the Hicksville Booster Club in giving the two dinners annually to the students of participation in athletic endeavors at Hicksville High is in peril.

The cost of the dinner although it is held on school property is rising rapidly each year and cuts into the club's ability to present a scholarship.

There is not an official statement from the leaders of the fine group but it is known that they are not happy about getting socked with a 700 dollar bill for the one a few weeks ago.

The labor charge alone ran over 300 dollars with the forced hiring of a host of cafeteria personnel on an overtime basis. Mothers of the students used to handle this chore on a voluntary basis and high girls did the major share of the serving—which they did again this year.

In Hicksville it is getting increasingly discouraging to undertake ventures that show interest in the youth. The needling attendant to acquiring facilities (Taxpayers) and the punitive cost which increases all the time, makes many a good man throw up his arms and quit.

The Booster club is not about to do that but a meal which costs more to have in the school than it would elsewhere is a discouraging blow for any organization.

210 Register For Little League

By George J. Nathan

The Dec. 9th meeting of the Hicksville International Little League resulted in our registering an additional 110 boys for a total of 210 boys registered.

Registration for new boys wishing to play next year will be held on Saturday Jan. 16, from 9 A.M. to 12 Noon at the Senior High School on Division Ave.

Since we annually register a minimum of 100 new boys, our league for 1960 should total better than 300 boys. This is quite a handful and you can appreciate why we must have a substantial amount of adult supervisory personnel to assist in running the league properly.

The Ladies Auxiliary reports that

the Christmas toy party held for the benefit of the league was a success both socially and financially. An extremely pleasant evening was enjoyed by the ladies and we thank them for their cooperation in arranging this party.

The ladies plan on correlating and arranging for distribution of chance books in their January meeting and are requesting additional help from the mothers of our Little Leaguers. If you can help, please call Mrs. H. Bergholtz at We. 5-2886. We are sure she will appreciate any help you can give her.

Attention Managers
A good deal of equipment checked out by the managers of the 1959 teams have not been returned. It is requested that this equipment be returned as quickly as possible since we must make plans for the purchasing of new equipment and cannot start until all the old equipment has been returned.

Skating Available When Temperature Drops

THE RED BALL, the signal that ice skating is available, will be raised at six locations in Hicksville during the coming weeks.

Hicksville School District plans to provide ice skating, provided the weather is cold enough at Burns Ave., Old Country Rd., Fork Lane, Lee Ave and Woodland Ave. Schools, according to Edward Lewondowski, director of buildings and grounds. The above picture was taken at one of the school rinks last winter.

Night skating under floodlights will be available at Fork, Lee and Burns Ave.

Oyster Bay Town Park Dept. crews have prepared the park area at Glenbrook Home, Glenbrook Rd. and Blvd. Dr., Hicksville, for ice skating also. Other Town Park locations in this area are Richmond Park (Elizabeth Dr. and Dennis Lane) and Eileen Gardens (Floral Ave.), both Bethpage, and Knickerbocker (Woodway Rd. and Easley Rd), Plainview, also depending on weather conditions.

Cager Tourney During Holidays

Hicksville School District Recreation Dept. is organizing the Second Annual Holiday Community Basketball Tournament. Teams representing Police Boys' Club, St. Ignace, C.Y.O., Holy Family C.Y.O., Trinity Lutheran, St. Stephens Lutheran and some unattached groups will compete. Holy Family

C.Y.O. was last year's winner.

The Hicksville Athletic Assoc. will assist in the tournament. The games will be played on Dec. 28, 29 and 30.

Seven elementary school teams will compete in double elimination contest at the High School Girls Gym. These games will be played in the afternoon.

At the same time at the Junior High School eight teams will be competing in a Jr. High tournament.

A Senior tournament will be held at the High School Boys' Gym on

the afternoons of Dec. 28th, 29th and the evening of Dec. 30th. Eight teams will participate.

The Athletic Assoc. will supply the officials for the Senior Tournament and provide trophies for the winning teams. Team trophies and individual prizes will be awarded.

The climax of the tournaments will take place on the evening of Dec. 30th at the High School Gym. The public is invited to attend.
