N. Y. Press Assoc Cites Herald for 'Excellence

SYRACUSE — The Mid-Island Herald was twice cited here at the 98th annual Convention of the New York State Press Association for general excellence among weekly newspapers of the state. Fred J. Noeth, Herald editor-publisher, was present for the convention, Friday and Saturday Judging in the competition was upon the basis of issues appearing

during 1949, during the first year of the Herald. The Herald achievement was noteworthy since all the competing papers were established for longer periods. In general exre established e competition for papers with more than 2,000 circulation in which it was cited, the Merald earned the same point score as the Petchogue Advance which is in its

79th year of publication.

Besides general subcliance, which
included scoring upon such publication. as editorial, news and features contents, cypography and production, makeup and layout, the Herald also was cited in a separate content considering editorial pages

Winning recognition for our standing editorial work is not nev experience for Noeth who, while editing another Long Island week ly, won the Sigma Delta Chi New York State Community Service Award for two successive years. (1939-1940) and the National Editorial Association Community Service Plaque at the NEA Conven-cion in Jacksonville, Fla., in 1941.

Incorporation vs Town Govt. Next Civic Topic

HICKSVILLE — A forum discussion on local government, including unincorporated and incorporated forms, will be the main topic of the Civic and Community Association when it holds its next meeting on Thursday night, Feb. 23, in the firehouse auditorium, E. Marie St. Robert Witt of Gerald Ave is chairman of the incorporation committee of the Civics. He is being assisted in arrangements for the meeting by Stephen Smatlak, program chairman

Because there is a great local interest in the subject of incorporation, we plan to have two prominent, speakers bring us talks approaching the topic from two directions," Witt said last night. One speaker will discuss town government for unincorporated areas with special districts providing specialized local services. The other speaker will talk about government as an incorporated village. Both men are prominent in their respective fields. Neither is a local resident, Witt pointed out.

"Incorporation of our community is one of the platforms of the civic group," President Lawrence A. Roman explained. "When the Civic Association was organized three years ago a 16-point platwas developed to give us a

HICKSVILLE - The Board of Fire Commissioners today has a petition from the residents of Hicksville Park, new home development off Duffy Ave., for the oreation of an additional fire company of volunteers in that section. The petition carries 46 signatures of residents of the area.

There are five companies in the local fire department, all housed in the headquarters on E. Marie St. The last company was organized 21 years ago.

The petition seems to suggest a w fire headquarters be estab lished for the sixth company in the Hicksville Park area. It states "there are sufficient male person-nal in Hicksville Park and adjaent ared to form this company

It has been suggested, informalone or two companies of volunteers with apparatus might be located somewhere along Newbridge Rd., south of Old Country Rd. anticipating the construction of 3,000 or more Levitt houses in that re-

Hicksville Centre Of New BS District

HICKSVILLE-Creation of a ew Nassau County Council District of the Boy Scouts, to be known tentatively as the Tri-Parkway District, is scheduled to take place "within the next sixty days," members of the Lions Club were informed this week. Joseph E. Desmond, North East District scout executive, was guest speaker at the Lions meeting last Wednesday night at the Rainbow.

The tremendous growth of Scouting - in membership and number of units during recent months has led to the decision to create the new district out of the present North East District. It would be bounded by Parkways on north, west and south sides and by the county line on the east. It

will embrace the mid-Island communities of Hicksville, Levittown, Island Trees, Bethpage and Plain-

This community will be the centre or hub of the new , district, mond said. There are seven districts in the county at present. He spoke at the Lions meeting in observance of Boy Scout week and reported that 1,232 boys joined scouting in Nassau during Janaary, more than the total for all of

He concluded with the state ment that "kids today are as good as they ever were. There are so many people kicking kids around condemning youth. Kids

HICKSVILLE - An immediate 12-room addition to East St. School is urgently recommended to the Board of Educast. Sendon is nightly report of Columbia University experts, it was revealed this week. The School Board made public the third and final portion of a letter from Prof. H. H. Linn of Columbia commenting upon the argent problems facing the district.

School Board Acts On Library Bonds

HICKSVILLE - The School Board adopted a resolution on the sale of \$40,000 in bonds for the purchase of the Duerk property as home for the public library at a home for the punis norary at its meeting last Wednesday night. The text of the resolution appears in this issue of the Herald as a legal edvertisement. (See page 14).

Tentative plans for alteration of the 10-room house at Jerusalem Ave. and Second St., for use as a library haxe been prepared, in-cluding reinforcement of the lower floor and removal of several room walls. Mr. and Mrs. Franklin Duerk, owners, have not been given removal notice as yet, pending

The letter, dated Dec. 30, 1949, was given to the Herald for publication in three weekly ments. It represents the first release of information from Columbia which is making a 4-month study of the district. The detailed study and recommer expected to be filed with the School Board shortly.

Expansion of East St. School is contemplated, Herald readers learned three weeks ago. School Trustee Lawrence C. McCaffrey indicated such a step in answering questions about the district prob lems at the Civic and Com Association meeting on Jan. 26 and reported in the Herald on Feb. 1.

The Bosary Society of St. Martin of Tours R. C. Church, Bethpage, a young organization in a comparatively young parish, is most appropriately directed by a very young president, Mrs. Dorothy Guelpa.

Mrs. Guelpa took over her duties as president from Miss Catherine Seits only two months ago, but Rosary Society work is new to her She was a member of the Rosary Society at St. Jo-seph's parish, Garden City, and served as secretary there for five

She and her husband moved to 4 Center Court in the new Miller Homes development a year and a half ago from Garden City. She joined the Rosary Society soon after they were settled and was pleased to find an organization much more active than the one in her former homt town.

"I really look forward to our little meetings," she smiled, "we have lots of fun and by all the working together in a group like this we're able to do some work for the church."

torate of Father Sennett, but it was only active for a year. It was was only active for a year. It was reorganized eight years ago by Mrs. Molly Scherer, who served as the president. The Society is primarily dedicated to greater de-votion to the Blessed Mother and her favorite form of prayer, the Rosary, but with increased member enrollment during recent years, the ctub has been able to take on small responsibilities to financially assist the parish.

"So far we haven't attempted too much, but the card parties that we have every second .Wednesday of the month have been very successful," Mrs. Guelpa said, and some of our future plans, which are still in the formative stage, are a little more ambitious."

"We meet on the first Wednesdays of each month in the parish house," the young president explained. "Our business meetings usually last about an hour and The Rosary Society was first usually last about an hour and organized in 1980 during the pas- then we have refreshments and play cards—seems like people in Bethpage play cards at the drop of a hat, but it certainly makes an

enjoyable club meeting.
"Small, inexpensive prizes are awarded at each table and the hostesses of the evening serve good coffee and cakes," she said. "Everyone looks forward to this part of the meeting, especially if it's Mrs. Joseph Walsh's turn to bring a cake. She bakes the most delicious cakes."

Last year the Rosary Society started a group devotion, that of receiving Holy Communion on the first Saturday of the month in honor of Our Lady of Fatima.

The ladies also hold an annual Communion Breakfast in the spring. They receive Holy Communion at the 8:30 a. m. Mass and then enjoy a breakfast party at the Pine Lodge. Both Mr. and Mrs. Guelpa are

active in the Bethpage Scouting programs. Frank, who works for a printing company in New York City, is assistant leader for the Bethpage Boy Scouts Troop 118. shrine, or, as was currently fest. The couple have three children-

Born in Garden City, Mrs. Gueipa is a graduate of Garden City High School and was for-merly a junior supervisor at the Garden City Telephone Exchange. She is town chairman, representing Bethpage, in the Mid-Island Council of Girl Scouts and also serves as program chairman for the Council. A Senior Girl Scout troop meets at her home every Thursday and on Saturdays, she's charge of the Brownie Girl Scout troop that meets at the Bethpage School.

She also belongs to the Bethage P-TA, but right now she is giving all her attention to a fashow and square dance to be held next month as a Girl Scolut

Although membership in the Asthough membership in the Rosary Society is open to all women of the parish throughout the year, a very pretty ceremony is held for new members in the fall. Long stemmed roses are blessed by Father Reilly, the pastor, and each new member is preed with a rose as she is officially welcomed into the Rosary

Dr. LePener, a native of Vi-enna, graduated from the famed medical school of the University of Vienna, and took his licens examination for practice in N. Y. State with the University of Albany. He interned at the State Sophia Hospital, Vienna, and then took a position as assistant in charge of a 100-bed ward in the State Tuberculosis Sanitorium, "Heilanstalt Alland."

Continuing post-graduate work at the X-ray department of the Medical School Hospital of Prof. Wenkenbach, noted heart specialist, he opened a private practice in Vienna. He was on the staff of the department of Laryngology at the Vienna General Polyclinic and for many years was on the of the Department of Internal Medicine at the same hospital. He did research work on the staff of Prof. Moll's State Hospital for the Care of Young Mothers and Infants.

Always interested in the prom tion of the basic knowledge of the physiology of the human body among laymen, and especially the adolescent, Dr. LePener served as a part-time instructor for hygiene and industrial hazards at the State Engineering School in Vienna for about 12 years,

Convinced that the general public-health as well as good medical care for the people depends upon a highly scientific and economica standard of the medical profes sion. Dr. LePener devoted much effort to the improvemennt these standards. He worked for such improvements as general sec-retary of the Vienna Medical As-

Tuberculois, and as member of Lee
Austrian Commission for Economics Dept. Health Insurance,
where he fervently opposed state
controlled socialised medicine.

As an ardent protagonist for independence of his native Austria and opponent of the Nazi Dr. LePener movement, forced to leave his country after Hitler invaded Austria.

Musical Program At High School By BOB LUKEMAN

HICKSVILLE - The HS Music Department, under the direction of Norman Seip and Miss Spink, gave their program on Monday morn ing Feb. 6.

The first number on the program was "Zenith Overture" by Harold Bennett, played by the Band under the direction of Mr. Seip. Next came the Glee Club under the leadership of Miss Spink. they sang "The Green Cathedral" by Hahm, "Bali Hai," which was a solo by Marie Haymes and written by Rodgers and Hammerstein; "Swing Along" by Cook, and "Onward Christian Soldiers" which was arranged by Fred Waring.

After this came more band mu-Sic consisting of the "Magnus Overture" by Ted Mesang and the "Dolores Waltz" by Waldteufel, transcribed for band by Maurice Gardner.

After this we had the "oppor tunity" of seeing as the last of this exhibition the "Terrible Trio" consisting of Thomas Fellenz, Richard Magii and Le Roy Part who favored us with a few sones.

Civics Take Stand On Two Local Bills

HICKSVILLE -- The Civic on Community Association is on record this week with its legislative representatives regarding bills now pending in the State Legisla-ture at Albany. At the executive meeting, last week, the Civics directors went on record as favoring one bill and opposing another.

Opposed by the civics is the pro-posed amendment to the County Charter which would prevent any unincorporated areas, which incorfrom establishing its porates. own police department. Favored is the bill which would require developers to build sidewalks along highways adjacent to develo ments as well as within the develomments.

Explain Tagliavini Columbia Parting

HICKSVILLE - The re the parting of Ferruccio Tagliavini, the Italian tenor, and Columbia Artists was revealed this week by the local Community Concerts Association. Tagliavini, it is allege wanted to renew his contract with Columbia on terms including methods of evading federal incom es in the future. Negotiations were terminated after the company's refusal to do so.

News and Views of Sound Off VFW Post 3211

NOW HEAR THIS: If a poll were to be taken on the question, "Would you like to have the clock on East Marie Street next to the Elickwille—Theatre put back into working union." I'm positive that 95 per cent of the people so asked would be in favor of such a move. With that thought and possibility in mind, I visited Louis Roth, owner of the clock, and asked him if it could be fixed and at what price. He told me that it could be repaired reasonably, but that it wasn't the expense that has caused the postponement of it being fixed before now, but rather the lack of manpower to assist him, and the need for a temporary platform upon which he could stand and make the necessary repairs.

The thought then came to my mind that perhaps the members of the three local veterans organizations, namely: The American Legion, Amvets and the Veterans of Foreign Wars, would be willing to undertake the task of restoring this famous time symbol to working order a gesture of civic pride and good will to the people of Hicksville. The three organizations could, I'm sure, get a few volunteers to work with Mr. Roth and at the same time would be willing to share equally any expense that might be incurred. Do you think the idea feasible, Commander Hanlon, and if so, would you be willing to contact the other commanders?

In my daily travels, I heard that VFW Post No. 601 in Brooklyn was making a special plea over the radio for old Christmas cards. I wrote to this particular Post under my own personal name and as a member of 3211, and told hem that I had collect several thousand cards for distribution by our Post, but would be more than willing to share some with them. The other day I recelved a reply from one of their Trustees and Imagine my surprise when I opened the letter and read "We suggest that you contact 'Old Sarge' at 162 Broadway, Hickaville, L. L. He ma old cards and it would be more convenient for you to di them through him." How about that!

If you would like to spend an evening playing bunco, bridge or pinochle be sure to get your tickets to the VPW card party to be held on Saturday evening, March 11 in the Masonic Temple. You will not only have a very enjoyable time playing cards, bunco and meeting old friends, but will in all probability get a look at the plane and drawings of our new headquarters to be erected within a very short

Why Should a Dollar's Worth of Travel

'S THIS TRIP NECESSARY?" you were asked in 1941, when every inch of space was needed for troops and war supplies.

To discourage travel then, a tax was added on your travel dollar, a tax that grew to 15% during the war. The Federal Government collected it through the railroads. The Government still collects it, though your travel need not be ra-

Today, the original purpose of this tax is as obsolete as an Air Warden's helmet. But, four years after the war's end, YOU are still paying the Government at the rate of \$250,000,000 a

And, of the billion and three quarters collected since 1941, over balf came out of your pocket after the green light on travel went on again.

You don't have food rationing today ... you don't have gasoline rationing today.

Yet, a very real brake is still being put on travel. On a coach trip from New York to Chicago, for example, YOU are still paying \$4.61 in Federal tax.

And the same with the goods that are shipped to your home community. On every dollar you pay for freight, you pay the Government an extra 3 cents (4¢ a ton on coal). That means YOU are still paying over \$300,000,000 a year -freight tax alone.

This tax should be repealed NOW. There is no longer any reason you should pay \$1.15 for every dollar's worth of travel . . . \$1.03 for every dollar of railroad freight.

By HOWARD FINNEGAN

The main thing protecting basketball officials is the fact that once the game is over there is no way in which to bring up for exhibition their errors in conducting contests — except vocal description.

Therein you have a weak case, since it is impossible to produce actual fact

However, the use of a technical foul by an official is taken all too lightly by the men with whistles and when they do they only make their lot all the more subject to criticism.

It is perhaps an unconscious but never-the-less breach of neutrality when an official calls a technical foul for a ball thrown backwards and sidewards right to another player on one bounce and doesn't call one when the ball is kicked clear across the gym floor in anger at another ruling.

And it can make a big difference in a game which is won by ONLY THREE POINTS.!

We have heard a lot of sad stories lately in the county press about what a tough stime basketball officials have

and how little they are appreciated.

Well, figuring on two high school games and four Amateur League games a week, the boys with the whistless gross (mostly tan free) over fifty dollars for about twelve hours work.

That is a good deal of appreciation for work perfraned incompetently 75 per cent of the time.

And when we say 75 per cent we mean 75 per cent.

Everyone is tickled pink with the work of the Hicksville High School basketball team this season. Only eight times before in the 25 year court history of HHS have ten victories

in one season been achieved.

It is still possible that the Comets could surpass the all-time mark of 4 victories and 3 losses recorded by the '34-'35 club, but with Oyster Bay coming to town Friday night we fear such a possibility is remote.

The Baymen have one of the truly great scholastic teams this county has ever seen and even though the Comets have not been beaten on the homeboards this season, it seems too great a task for the Orange to cut them down all the way.

We like the Baymen 63-48 and for the home same with Roslyn, Tuesday, we take the Comets 58-52.

Our pick of Hicksville over Jericho 59-54 was wrong so our season's mark is 17 and 3 For Alds week we like Jericho over Mineola tonight at MINEOLA 67-61 and for the invasion of the County Scaters on the Kiwanis court tomorrow night we like the home team 68-57.

The Kiwanis should dump Lecust Valley 45-41 at the

Seniors In Win Over Daler PBC

By DOUG JONES

The Senior PBC eked out a 43-41 win over a strong Farmingdale Precinct team. Matgin of Farmingdale took high honors with 16 points. Eisemann and Gajewski of the winning team racked up 12 each to lead Hicksville.

Highlight of the game came in the last few seconds when Matt Tringali swished a long set from half court to break the tie.

Hicksville has a 7 win and 1 loss record. They are in first place in their division. Oyster Bay travels to Hicksville conight (Wednes-

did hold back the Hicksville Kiwams for the Jericho Firemen here, Thureday night, in a fast Northern Division NCARL contest by a 57-54

Only after a bitter struggle did the Vamps keep their pennant dropes alive as eighth place Hicksville fought a tight battle the full forty

A crowd of two hundred was mostly in support of the Kiwanis cause and spent most of the hight in giving vigorous vocal disapproval to the rulings of officials Chippy Murtha and Ed Carty. Always Pressed

The visitors used a zone defens they were ahead from start to finish they were always pressed by the Kiwanians who employed a

man defense and switched to an all over the court press in the last period.

Jerich, with George Assmus hitting from the pivot, gained a 15-7 lead at the period. Hicksville worked the ball well against the Jericho zone, but misfired on the easy shots, which hampered its progress all night

However, Don Lang and Bob Tabasco hit with consistency in the second period and the Vampa half-time edge was reduced to 31-27

Technical Foul

In the third period, Hicksville was moving up

Pabasco. Tabasco had, after being called for a the second violation, thrown the ball on one box backwards to Geveles out of bounds, where he

waiting to put the ball in play.

The crowd reared its dissatisfaction with the call and was made still unhappier when the Vamps parlayed the ruling into a three-point gain.

Jericho led, 42-36 as the last period started and

Hicksville pushed in its second team to work with Chet Jaworski.

The pressing tactics paid off and a cripple shot by John Econopouly brought the home team to 49-48 with five minutes left.

Jerry Stahurski popped in a set to pull the Vamps together and three minutes later they were

Then Billy Byrnes was fouled as he attempt a shot and the roof fell in on Murtha. The Jericho player called for fouling kicked the ball clean off the court into a waste basket in the corner of the gym and the crowd screamed for a technical foul.

Byrnes get only one shot for the foul and that

ended the issue as the Vamps held to a three point margin when Hicksville fouled in an attempt to gain possession, to the finish.

Lang was high man for the night with 16 points while Jarowski had 13. Jerry Stahurski had 13 for the winners and Assmus had 11.

Comets Score Tenth Court Victory By Routing Sea Cliff High 59-37

Hicksville High Comets swarm all over Sea Cliff, here, Friday night, to score a 59-87 win for their tenth victory against three osses on the season.

By winning over the Cliffmen whom they just inched 36-32 in the campaign's first meeting, the Comets gained third place in the Eastern Division NSAL standings.

This time it was center Charlie Rosengren who paced the scoring for the Orange and Black with 19 coints garnered on six field goals and seven foul shots.

Alcock tallied his con-Dick sistent 14 points to run his ses son's total to 221 points. If he maintains his average of 17 points a game against visiting Oyster Bay this Friday night, he will top the school acoring record of 234 points established in 1943 by Charlie Van Wickler.

Second Precinct Upsets Mineola

Playing with an all-star c bination composed of outstanding from the Bethpage Hicksville, Syosset and Oyster Bay PBCs , the Second Police PBC quintet upset the highly regarded Mineola team, 52-39.

With Michael Scuito of Bethpage showing the way with 12 points, the home club took the lead in the third quarter and thereafter were completely in command.

Hicksville's additions to squad, Robert Lang, Roy Eise-mann and Edward Miller, aided immeasurably in the victory with their fine floor play and offensive ability.

The squad is coached by Harold Manuskie, Jr., of Hicksville. The squad travels to Albertson tonight (Wednesday) to engage the local PRC unit.

This permanent building, which has many attractive features, can be extended at both ends, adding the equiv alent of 12 classrooms. In all prob-ability it would be cheaper to add 12 classrooms at this point than to build a new 12-classroom building at any other location, and the time element would be shorter.

IN OUR OPINION:

Census Breakdown Is Important

THE OCEANSIDE Board of Trade has taken the lead in a campaign which appears to be of distinct importance. This is the year the Federal government makes a count of the human beings in the nation and the results of this 10-year-interval counting is important in many respects.

The Beard of Trade has found out, accorde their letter that "all unincorporated we meet letter that "all mineseperated com-mentities are to be threwn together as a single them in the comme about to be taken by the Fuderal Government. We will all be considered as "the orburban area of New York." as "the enburban area of New York City' without any individual identity whatsoever.

"While this may seem an easy way to solve the problem as far as census planners may go, the effects upon our local communities are quite

"If this is to be prevented," the letter conthans, "we sumt not at once. It is urged that you write your Congressman (W. Kingsland Many, House Offine Bidg., Washington, D. C.) pointing out the detrimental effect this may have upon business people of your community." The letter was received from Oceanside yesterday by the Hicksville Business Men's Association.

This writer has reason to remember the 1940 federal census because he had fund, short-lived hopes that it would establish into facts the certain local sates about the population of Hicksville, Bethpage, etc. However, he recalls that it was not until that enestimated breakdown on unincorporated areas was available and we always had the opinion that the figures were nothing more than an "educated guess."

The importance of correct census information was

brought to our attention very recently by a case in Bellmore. There a local business man found it impossible to get needed fiscal assistance for his busingss because Dun and Bradstreet had Bellmore listed with a population of a little over SIX HUN-

The Hicksville RMA has since written to Dun and Bredstreet to find out what kind of figures they have for our community!

The community population report is very importent since it is being used more and more as the basis for the appropriation of various benefits and funds. For example, during the last War Hicksville was unable to get any Civilian Defense equipmen directly from Washington because it was not re garded by the Federal Government as an official community. Farmingdale, on the other hand, got its material without delay and Hicksville finally got a share, from Supervisor Harry Tappen, of a lump assignment for the entire township of Oyster Bay.

We are almost daily receiving inquiries about the population of our community from people who plan to establish businesses here and even from the post office — the source which many people first ap-

We had hopes that the 1950 census would clear up the estimates and make our guesses and calculations legitimate.

There is no reason to doubt the information which has come to the attention of the Oceanside Bea Trade. Oceanside, like communities in the mid-Island area, is likewise unincorporated. In any event the possibility that a breakdown of the population report to show community reports may not be made is enough for us to direct an immediate protest to our Congressman. We suggest that all, interested do likewise, withour delay, -FRED J. NOETH
