Millshire Takes Protest On Fire Area to Albany

BETHPAGE — Proposed annexation of the Millshire Park section of Island Trees to the Levittown Fire District — now being organized by the Town of Hempstead — is being strongly protested by residents of the Miller homes section. It was learned this week. They are taking their objections to Albany.

Representatives of the 300 homes in Millshire Park section near the intersection of Hempstead Turnpike and Wantagh Ave. came to the local Fire Commissioners some months ago and asked permission to be included in the Bethpage Fire District. The District now embraces territory in the Town of Hempstead, covering both sides of Wantagh Ave. (McCordville) south to the former Motor Parkway.

The Millshire Park area is below the old Parkway.

Made Two Requests

A spokesman for the Bethpage Fire Board told the Herald this week that "twice the folks from that area came to us and asked to be included. They don't want no part of Levittown."

Last week, Hempstead Town Board held a public hearing on the proposed formation of the Levittown Fire District. At that time a group headed by George W. Marthen presented a petition signed by 152 of the 267 home owners in Millshire Park requesting that they be left out of the new Levittown district.

Marthen said the residents feel they can better be served by Bethpage Fire Department since it would be "just as close" and "more economical."

Harbes Claims Site no. 2 Will Cost Over \$71,000

PLAINVIEW — Charging that the proposals being offered Plainview voters this Friday night on the question of school sites "are very misleading," John G. Harbes, a member of the school board, today gave his views on the proposition.

The facts on site No. 1, he says in a letter to the Herald, are substantially correct with the cost about \$33,000. The true cost of alternate site No. 2, however,

Harbes charges, will be actually more than \$71,000, although advertised at about \$38,000.

Harbes' statement follows: "You have received a notice of a special meeting and such notice was also in the Mid Island Herald. You will be called upon to vote on school sites this Friday evening. SCHOOL ELECTION WEDNESDAY:

879 Qualify to Vote for Trustees

(Pictures on Page One) HICKSVILLE—A total of 879 persons jammed the Board of Registration and Census of the school district, Saturday, at Nicholas School to qualify for the election of two school trustees next Wednesday and to vote upon the budget next Tuesday. Both votes take place at the high school.

More Than Last Year With a previous enrollment of

4 Seek Election To School Board

BETHPAGE—There are at least four candidates in the field for two vacancies on the School Board to be filled at the annual district election next Wednesday, May 3, with polls open from 4 to 9 p. m. in the schoolhouse. The annual district meeting for consideration and vote upon the proposed budget will take place next Tuesday night.

Frederick Kramer and Joseph Ellinger are incumbents seeking re-election to the Board of Education. They are being opposed by two newer residents of the district, Frederick Willard of 373 Stewart Ave. and Charles F. Pendlebury of 7 East Court St.

Strauber Gives Support

Henry Strauber, former member of the school board and active in community affairs, this week issued a statement supporting the candidacy of Kramer and Ellinger. "Both Mr. Kramer and Mr. Ellinger have worked hard and continuously for the best interest of the residents of the district and they surely deserve the support of the community if they seek re-election and accept the nominations."

Friends of Willard and Pendlebury provided the Herald with data about their candidates. Willard is 36 years of age, attended Phillips Academy and Yale. He spent five years in the Army, is a member of the American Legion, sergeant-at-arms of the Archie McCord Post and chairman of the Boy Scout Committee. He is a resident for three years.

Pendlebury is a veteran of three years naval service during the war, 26 years of age and vice-president of the Community and Civic Assoc. He attended CONY.

Election of a trustee of the Public Library for a five-year term will take place on Tuesday night, May 2, at the school. The term of Victor Miller expires this year.

Jericho Budget Up; Elect Two Trustees

JERICHO — A slightly higher budget for School District 15 will be presented to taxpayers at the annual school meeting and election this Tuesday, May 2, at 7:30 p. m. in Jericho school. The proposed budget of \$108,010 is an increase of \$1,835 over the amount appropriated last year.

The major increase is an additional \$3,000 for teachers' salaries, which is in accordance with the mandatory increases incorporated in the salary schedule, according to William H. Scoble, president of the Board of Education.

Two trustees for the Board will be elected at the same meeting to fill the office of Mrs. George Little, whose term of office expires, and the office of Douglas Falchild, who is moving from the

206, there are now 879 voters qualified for this election compared with 609 qualified a year ago when there were two candidates for a single vacancy on the board.

This election sees three candidates for two vacancies. Since none are teamed together, the race is wide open.

Robert W. Corcoran of 74 Twinlawn Ave., local resident since 1947, is a veteran of the last war. Thirty-one years of age, he is the father of two pre-school age children. He was an honor graduate of St. John's University School of Law and was associated with a New York City law firm for six years before joining the sales department of Metropolitan Life in 1948. He is active in civic affairs and was one of the organizers of the Twinlawn Civic Assoc.

Harry Ermenwein of 265 Jerusalem Ave., second candidate to file, is a ten-year Hicksville resident and the father of two children, a son in high school and a daughter in college. He is a charter member of the Civic and Community Assoc., an officer of the group, and active in Parent-Teacher Assoc. programs here. He operates Keystone Glass Mfg. Co. on Duffy Ave. and prior to coming to Hicksville was associated with the National City Bank in an official capacity. He has a sponsoring committee of seventeen residents, led by Lawrence A. Roman, which represents all sections of the community.

George McIntosh of 129 Bay Ave. has been a local resident for 25 years. He attended local schools and Polytechnic Institute. He is a graduate mechanical engineer with 15 years' experience in the construction of industrial equipment, maintenance of equipment and buildings, purchase of materials, etc. He is employed by Long Island Lighting Co. as an engineer in the gas operating department. He has been president of the Alumni Assoc. of Hicksville High and the Youth Council.

See Tax Increase in Bethpage Budget

BETHPAGE—A tax rate of nearly \$20 per \$1000 is unofficially forecast for this community on the basis of the tentative budget being offered to the voters next Tuesday night, May 2. The present rate is \$10.50 per \$1000 of assessed valuation.

A gross budget of \$263,781.25 will be presented to the voters, compared with the \$157,561 budget adopted last year. A major item in the proposed budget is the sum of \$80,151.25 for bonds and interest in connection with the new school building now under construction.

Deducting \$41,248 estimated state aid and vocational aid and \$20,000 from estimated balance, it is estimated \$202,533.25 will have to be raised by local property taxation.

The tentative library budget for the coming year is \$4,066.

2 in 25 Answer Poll; Call Budget 'Fair'

HICKSVILLE — Twenty-five residents were asked their opinion of the proposed 1950-51 school district budget in a post card survey by the Herald. Only two replied to the inquiries and both felt the budget is "fair" although one confessed not having read it. The one reply approved employment of a business manager for \$3000 a year and the other expressed disapproval "unless a really good man could be got for that" amount. The results were also divided on the question of summer school, yes and no with the "no" qualified by "at this time."

Voters will cast their ballots on the budget, after discussion, next Tuesday night at the high school. An increase in the tax rate of \$10 per \$1000 has been unofficially estimated.

Candidacy was published in the Herald last week.

Corcoran's statement follows:

"An interest in the school problems of the district has prompted me to be a candidate for election to the Board of Education. I share the opinion of those members of the community who believe that the education of the children is one of the most important tasks with which we are faced today. I feel that the welfare of the state hinges not as much upon the amount of aid that people can obtain from the government as upon the quality of education we can give our youngsters. I realize at the same time that the method of financing the best education poses a big problem. I am frank to admit that I have no ready answer to the questions raised by recent and proposed construction of new dwelling units here. I don't believe that the problem is one capable of quick solution. The situation calls for a great deal of 'spade work', study and cooperation on the part of the different segments of the community. If elected to the Board of Education I shall do my utmost to help ease the situation with which we are now faced."

Ermenwein has publicly pledged that if elected he will "continue his efforts to further the best interests of the property owners and residents" of Hicksville. His sponsoring committee adds: "His past experience and knowledge of our community, schools and educational affairs and problems eminently qualifies him to serve you ably and efficiently."

Lang Asks Re-election To Water Board May 1

BETHPAGE—Albert A. Lang of 36 Central Blvd. today addressed an open letter to his neighbors, asking their support next Monday night, May 1, for his re-election to a seventh term as a commissioner of Central Park Water District. Voting takes place at the firehouse between 7 and 9 p. m. and is limited to resident taxpayers.

Asking voters "Do you want to change horses in the middle of the stream?" after he had given years of loyal service, Lang cited the growth of the district. When he first assumed office there were 200 consumers; today there are over 1400 and a "going half-million dollar public utility."

Do not be misled that it is an easy job. I stand on my record for accomplishment in over 20 years as a duly elected public official in the community."

He defies "my two opponents to show any good reason why either of them should be elected to succeed me. What have they done? What can they offer?" It has been reported that he is opposed by Pete Cuccio and William Stempel.

Lang has long been active in community affairs and was largely responsible for bringing the Grumman plant to the community. He is a former fire commissioner and now serves the district as fire inspector. He under took the assignment of house numbers to get home postal service started in Bethpage.

American Legionnaire

It seems that our social events hold the spotlight in this week's column. First and foremost is our Spring Dance on Saturday night, May 13. This looks like a sell-out affair, so buy your tickets immediately and reserve a table for your party. Chairman of this dance is Elias Jabour and his committeemen are Al Carpenter, John Nees, Ed Becker and Bob Beard.

Those of you that are planning to see the Ringling Bros. Barnum & Bailey Circus at Westbury on June 8 and 9 can make advance reservations with me. This sounds like a terrific thing—it's a chance for many of us to see our first BIG circus under the canvas tents.

There have been many inquiries as to our plans for a CARNIVAL this year. Well, I have good news for all of you. Start saving your nickels and dimes, because we will definitely run a CARNIVAL in June or July.

Membership chairman Bob Beard tells me that there are about ten regulars who have continued membership in the Legion. But have fallen behind in their 1950 dues. Don't discontinue your Legion membership now, because in future years you will be proud to say that you are a 20 or 25-year man in the American Legion!

Those of you who missed the White Elephant Sale that we had a few weeks ago, had better plan to come to the next one, some time in July. Everyone who attended had an enjoyable evening listening to our auctioneer, Walt Schlichting. Out of possibly 50 to 60 articles that we had, only five received no bidding. My sincere thanks to all the good people who contributed various things.

Fellas and gals, if you haven't joined a Service Organization as yet, make an important contribution to your past GI life by joining the largest Service Organization in the world—the American Legion. Call Hicksville 3-0421 for information.

Legionally yours,

(James 4:8). **SERMON:** From the King James version of the Bible: (Jonah 3: 1, 2, 4, 5, 10): "And the word of the Lord came unto Jonah the second time, saying, Arise, go unto Nineveh, that great city, and preach unto it the preaching that I bid thee. . . . And Jonah began to enter into the city a day's journey, and he cried and said, Yet forty days, and Nineveh shall be overthrown. So the people of Nineveh believed God, and proclaimed a fast, and put on sackcloth, from the greatest of them even to the least of them. . . . And God saw their works, that they turned from their evil way; and God repented of the evil, that he had said that he would do unto them; and he did it not."

Gov. Dewey Names
Christ As Judge

MINEOLA — Nassau County Attorney Marcus G. Christ, twice before appointed by Gov. Thomas E. Dewey to important state commissions, has been named the second County Judge of Nassau. The judicial position urged by the Nassau County Bar Assoc., was created by the Legislature in its recent session. Salary is \$20,000 annually.

The appointment will expire on Dec. 31, 1951. Election for a full six-year term will be in November of next year, the Constitution providing that county judges shall be chosen in odd-numbered years.

Recommended to the Governor by Nassau GOP Leader J. Russel Sprague, Judge Christ will resume an old title, one which he held for 10 years while New Hyde Park's village police judge.

Nice Weather Also
Brings Road Repairs

MINEOLA — Public Works Commissioner John C. Guibert says that Department is concentrating on expediting construction work, either by contract or by its own forces, now that weather most favorable to highway and incidental improvements is approaching.

"We regret," Guibert emphasized, "the fact that the best construction weather and the best beach-to-home motoring weather arrive at the same time. A definite object in road construction is to keep workdone roads open whenever it is possible and to lessen annoyances either by dust or oil to vicinity residents."

These will be the same type as used by the village of Farmingdale. The design was approved at the last meeting of the Association. Steps have already been taken to have the Town Board of Oyster Bay officially designate the streets as recently approved by the community members.

Attendees of the last meeting were rewarded by a 30 minute colored sound movie on canning. The title was "As You Like Them" and was secured through the courtesy of Ball Brothers.

Mr. and Mrs. Charles W. Kopf welcomed a new son to their home on Round Swamp Road. The blue-eyed boy was given the name Kevin.

Mrs. George Thorman won the first door prize. Mrs. Matthew Maxim was the first sweepstakes winner and was awarded a ham. Mrs. Lawrence Braun was chairman of the affair.

William Alexa of Plainview is confined to Meadowbrook Hospital.

Attention is called to the annual school meeting of the Old Bethpage School District (No. 20), which will be held on Tuesday, May 2, at the school house on Round Swamp Road, at 8:30 p. m. The school budget will be presented for the coming year and a new trustee, treasurer and clerk will be elected. All residents are urged to attend.

The Board approved the request of Gennaro Iervolino of Jerusalem Ave., Hicksville, for a variance to erect a farm stand on the east side of Jerusalem Ave. about 720 feet south of 11th St., Hicksville.

Levitt Section Fights Business

HEMPSTEAD — The Town Board at its meeting Apr. 11 heard bitter opposition to the proposal of Samuel Leider and Son for change of zoning from "residential" to "business" on Gardiner's Ave. near Abbey Lane, Levittown. Decision was reserved.

Residents contended that they purchased homes in the belief that the residential character of the zone would be maintained; that a shopping centre would increase traffic and not only its noise would be annoying but it would be hazardous to neighborhood children.

Paul J. Leach, attorney for Leider, said that about 200,000 square feet will be available for auto parking, that traffic will be lightened on Gardiners Ave. because an entrance was proposed from Hempstead tpke; that it was proposed to invest about \$1,500,000 in the shopping centre.

LISTEN TO THE DOCTOR: Antihistamines—Sure Cure for Colds?

By Joseph A. LePenser M.D., Hicksville

Antihistaminic preparations are nothing new to the medical profession. They have been used by doctors in certain strictly indicated conditions with more or less good success for some years; new is only their use in the prevention and "cure" of colds.

Since these drugs lately can be purchased over the counter without prescription, and especially since the publication of an article in "Readers' Digest" in December, 1949, millions of dollars have been spent by the public, including millions of dollars spent by the manufacturers of these drugs on advertising. By posters, newspaper ads and over the air, readers and listeners are urged to buy these preparations, and emphasis is placed on the "fact" that these drugs are safe, free from all harm and danger and certain to prevent and cure promptly the common cold and its discomforts.

Of interest to the purchasing public is the answer to three questions: first, are the claims made for the antihistaminic drugs as cold cures valid? Second, are they free from harm and danger? Third, are they worth the money spent for them?

Let's hear what the doctors have to say! New York State Journal of Medicine takes issue with the question of antihistaminic drugs in an editorial in the March 1950 issue. It quotes an article in the Journal of the Amer. Medical Association in which it is stated that the Council on Pharmacy and Chemistry warned against the indiscriminate use of antihistaminic substances for prevention and treatment of colds, and that in contrast to the Readers' Digest authority, it is not convinced that the data is sufficient to support the positive statement and claims being made. Cases have been reported in which users of these drugs became drowsy and even fell asleep while driving cars or operating machinery. The Civil Aeronautics Administration also has warned pilots to be careful about operating airplanes after using antihistamines. New York Medicine in its February 1950 issue stresses especially the dangers to children. The Child Welfare Committee warn parents that these drugs may be even more highly toxic to children than to adults, and they should not be left in places where children can reach them. Three instances of death in children due to these drugs are cited.

Summarizing, it may be said: the antihistamines are not a cure-all and not a sure cure for "colds." They are valuable drugs in certain strictly indicated conditions; indiscriminately taken, they are often worthless, in some cases even dangerous. Do not take them without advice and supervision of your doctor, and don't give them to small children on your own judgment.

PLAINVIEW COUNTRY HOMES: Don't Forget School Vote This Week

Hi Folks:
There is plenty of excitement going on in these parts nowadays. All of us are wondering where the new school is to be, and when it will be up. What about it, folks, let's get out and vote this week.

Over on Vernon St. there are certainly a lot of doings!

The Stetters had a double birthday celebration this week with a small family party.

Dick and Doris Hubbard's little fellow, Greg, had a wonderful second birthday party with lots of friends and relatives present, and of course, Greg's brand new little sister, Lee.

The Feeneys had guests for the weekend. Mr. Feeney's grandmother, Mrs. Mary Feeney and daughter, Marie, all the way from Van Cortland Park were the guests.

A new addition to our neighborhood are Mr. and Mrs. Walter

O'Donnell, and one-year-old Pat. Welcome to the community from all of us.

Diane Baum and Jeffrey Kovite are off to art school in Hicksville. Here's hoping you two kids are a big success.

The Baum's had Mrs. Sadie Kahi and grandchild Denny, from Palisades, New Jersey, for the week.

Pat Achue celebrated her fifth birthday with a big party for her relatives and friends. What a lucky lady to be five and have such a wonderful time.

The Achues also had John Carlo, Mrs. Achue's father, from Brooklyn for a day or two this week.

Those mighty busy Arenas had dinner guests last week. They were Mr. Tillman from Bridgeport, Connecticut, and Mr. and Mrs. McAuliffe from the Bronx.

By the way, Ann Arena will be knocking on our doors this week for the Cancer Drive. Let's give her all the support we can for a worthy cause.

Frank Leight celebrated his birthday with a dinner party at home. Congratulations, Frank!

By the way, ave you taken a look at the Leights' front yard? It looks real snazzy! In fact the community should be proud of the grand work done by the people around here trying to fix up the front yards that were muddy and full of stones to begin with. There must be an easier way of getting grass? Hmmm—

Mrs. Betty Cytron and two children from Scarsdale were the weekend guests of Frank and Pat Leight.

Little Dennis Wakeman celebrated his third birthday this week with a party for friends and relatives, including his grandparents. Happy birthday, Dennis.

Our speed demon, "Happy Bob Gessner," started stock car racing at Islip, last Sunday. Any of you people interested in stock cars should get out to Islip or Freeport and cheer our "boy" to victory.

Little Dickie Gesener spent a week with his maternal grandparents, Mr. and Mrs. Donaldson from Flushing.

Tommy and Ginny Payne had a wonderful night out to dinner and the circus in New York. They had a grand time, those lucky Paynes. Flo and Sonny Myrick arrived home from a two-week vacation in Alabama. When asked why they didn't stay longer — they replied: "It's mighty cold down there!"

My husband and I have been pretty blue this week. Our daughter, Dona-Rae, went to the hospital last week. For a while it was touch and go, but latest reports are that she is much better and will be home very soon.

So in closing I quote Will Rogers by saying: "All we know is what we see in the papers!" Call me at Hicksville 3-0233-M. RAE CANTILLI

NEW ARRIVALS

Mr. and Mrs. James Looney of 400 Broadway, Bethpage, are the parents of a daughter, Joan Alice, born on Apr. 10 at Mercy Hospital, Rockville Centre.

Mr. and Mrs. William Bolton of 7 Russel Ave., Bethpage, are the parents of a daughter, Anna Marie, born on Apr. 13 at Mitchell Field Hospital.

Mrs. Robert Corsbie Again Heads P-TA.

The recreational needs of the child was discussed at a meeting of the Nicholas St. School P-TA Thursday night, Apr. 20, at the school. Election of officers was also featured at the meeting.

Mr. John Trauth, Jr., who was in charge of the program, said that no one child is like another and that there is a wide variation between their needs and capacity. She quoted from Rousseau's Confessions, who wrote "I am not made like anyone I have ever known, yet if I am not better at least I am different."

Louis Millevolte showed two groups of slides on the summer playground activities and the behaviour problems encountered. He outlined the kinds of activities that playgrounds offer.

Miss Lucilla Montana spoke to the group on the national and international activities of Girl Scouts. Miss Montana, who directs a group of 34 girls, urged more adults to interest themselves in Scout work. She said that the Hicksville Kiwanis Club will send 25 youngsters to camp this summer.

Mrs. Marion Cecil, local librarian, discussed the passive recreation of reading for children. She urged the parents to help their children to enrich their lives thru the use of books.

Mrs. Robert Corsbie was re-elected conducted by Mrs. Robert Ferdinand. Her officers are: Mrs. Everett Lehmann, vice-president; Mrs. Kenneth Dorwood, recording secretary; Mrs. Lloyd Butler, corresponding secretary; and Mrs. Harold Kremp, treasurer.

Miss Margaret Koster of the County Firemen's Assoc. Ladies' Auxiliary was guest speaker at the Plainview Fire Dept. Ladies' Auxiliary meeting on Friday, Apr. 21. She explained the function of the group. Five new members were welcomed into the Plainview Auxiliary at the session. The Rev. Anthony J. Quevedo, S. J., was the toastmaster. The salutation was given by Miss Helen Madden, who is president of the Nurses' Sodality.

Discuss German Schools at P-TA

Dr. Lucille Allard, supervisor of Garden City Elementary School, was the guest speaker at a meeting of the East Street School P-TA Thursday night, Apr. 20, at the school. Dr. Allard had been given a leave of absence in 1948 to serve as director of the Educational Service Center in Berlin, Germany.

Under Dr. Allard's direction, the Germans wrote their own book under the supervision of the Americans. She said that the German books are few and unattractive compared to the beautiful books published in America.

"Reading, writing and arithmetic are all in one book, which is printed in a fine print," Dr. Al-

lard said. She said that the kindergarten is not connected with the public school, for it is believed the informal procedure in kindergartens is a poor introduction to the formality required in the grades.

Records, films and American books were used in Dr. Allard's work. She believes that much good can be accomplished for the Germans by continuing the Educational Service Center for education is the basis of peace.

She said that the Russians are afraid of education and truth. Many Germans leave the Soviet Zone in Berlin for the American sector. During her stay she was arrested by the Russians and detained for five hours.

Installed by Sorority

Lorraine Ernenwein, daughter of Mr. and Mrs. Harry Ernenwein of 265 Jerusalem Ave., Hicksville, was installed as president of the Phi Delta Sorority at Adelphi College, Garden City, on her 21st birthday, on Apr. 19.

A Mother and Daughters' Theatre Party for "Kiss Me Kate" was sponsored on Saturday by the sorority.

A successful Penny Auction was conducted by the Blessed Virgin Sodality of St. Ignatius Church, Hicksville, in the Paschial School. Miss Joan McGunnigle, president, wishes to thank the local merchants who donated prizes and all who attended to make the auction a success.

Over 200 attended the annual card party sponsored by the Hicksville Boy Scout Mothers Auxiliary recently in the Masonic Temple. The committee wishes to thank the merchants who donated prizes and to all who contributed to the success of the affair.

Applicants will be limited to teams within the boundaries of the Hicksville School District.

Entrance to the meeting will be the North East Door of the school building.

All parties will be glad to hear that as this edition of the Herald went to press, Hicksville High shortstop Ernie Everchuck was resting comfortably in his home following the injury to his head, he sustained in the Comet's 8-7 diamond victory over Glen Cove, Friday.

Ernie was struck in the side of the head as he was running to third base in the fifth inning. He was carefully checked but did not seem to suffer any ill effects even after the game.

However, late Friday night he suffered intense pain and was bedded with a brain concussion which lessened as the week-end progressed.

The Hicksville High Athletic Department informed the Herald that Ernie was coming along but is not expected to play for the rest of the season.

The New York Ranger Hockey team has no more loyal fans than Miss Ann McIntosh and her brother, Ken, of East Marie St., Hicksville, as most people in the Hicksville sports set know.

They have season's tickets for the Ranger games at Madison Square Garden and are faithful in attendance so their consternation upon arrival at Maple Leaf Gardens in Toronto a week ago Saturday night can be realized.

The Circus pushed the Rangers and the Stanley Cup Playoffs out of Madison Square so Ranger home ice for the finals with the Detroit Red Wings was in Toronto.

Along with some 60 other persons, Ann and Ken applied for tickets for the third game to be held in Toronto at the New York Garden. They had their names put on the Ranger fan list and were told that they could pick up their tickets at the Maple Leaf boxoffice.

However, on arrival in Canada they found that the Maple Leaf boxoffice had no record of their reservations and that 4,000 persons had already been turned away.

They got to see the game though when they went to the New Yorker's hotel and had some friends on the Rangers in tercede for them.

Once in their seats, after a harrassing afternoon, they watched the Rangers lose a 4-0 game and to make matters worse history will relate that that was the game that cost New York the Stanley Cup and the Hockey Championship of the World.

This is the time of the year that baseball becomes the major topic and all arguments in the sports sphere revolve around it. Not the least of them concerns the worth of individual greats and the Foundation for Economic Education, Inc., has come up with some figures to prove in monetary terms just who was the greatest of them all.

The reported \$125,000 Boston Red Sox are paying Ted Williams this season seems a colossal figure but the Foundation has compared that amount with the \$80,000 paid to the immortal Babe Ruth in 1931 and has deduced that the Babe had much the better of the bargain.

According to a report in the financial section of the New York Herald Tribune, after Federal income taxes Ruth had \$68,535 left but when Uncle Sam takes his bite next March Williams will have only \$62,028 to show.

So Ruth, although making \$45,000 less, actually came out ahead by some \$6,500. Add to this fact that the dollar in 1950 can only purchase 57 per cent of what it did in 1931 and you have a better picture.

The Foundation concludes that for Williams to be equal in salary with Ruth and his era he would have to be paid \$327,641 in 1950.

That should settle the question as to whom the highest paid player in baseball was for the local hot stove league but there are many more arguments left to keep it going.

Comets Defeat Glen Cove 8 - 7

HICKSVILLE—Seventh inning wildness on the part of the Glen Cove High pitching staff produced the run by which Hicksville scored its first diamond win of the 1950 campaign, here, Friday, by an 8-7 score.

With the score tied 7-7, John Sucharski started Hicksville off with a walk to Milasek. Elias Stetz contributed a single for his third hit of the day and a walk to Dick Scott filled the bases.

After two balls were delivered to Ernie Everchuck, Fred Vetrone relieved for Glen Cove and completed the job with two more and the winning run was forced in.

The victory scored behind the pitching of John Kelley avenged a 6-3 verdict by Glen Cove in the season opener three days before.

Kelly allowed eight hits in the non-league tilt and was damaged by a lone Hicksville error in the field.

THE MIDDLES . . . By Bob Karp

Sound Off . . . News and Views of VFW Post 3211

"No Communist, no matter how many votes he should secure in a national election, could, even if he would, become President of the present government. When a Communist heads the government of the United States—and that day will come just as surely as the sun rises—the government will not be a capitalist government but a Soviet government, and behind this government will stand the Red Army to enforce the dictatorship of the proletariat." That is a sworn statement of William Z. Foster, head of the Communist party in the United States, as published in the booklet "100 Things You Should Know About Communism," prepared and released by the Un-American Activities Committee, U. S. House of Representatives, Washington, D. C., and should serve as a warning to every true loving American that "it's later than you think."

May 1, 1950, is again set aside by the Veterans of Foreign Wars of the United States as LOYALTY DAY, a day to stimulate and inspire a great love of country and flag; to accentuate our confidence in support of our national government and the Constitution.

Admiral Leland P. Lovette, USN (Ret.), VFW Director of Public Relations once said, "We must face realistically the fact that there are subversive and espionage activities in high places of our government and body politic, and it is high time that would-be traitors and fellow-travelers (those who sympathize with the Communist Party's aims and serve the Party's purposes in one or more respects without actually holding a Party card), should learn that the great mass of the American People are loyal to the principles of Americanism."

We should never become unmindful of the fact that our freedom so proudly represented by the American Flag, is a heritage that none of us today can afford to accept as a perpetual thing. World conditions are changing; America is changing. Our government is under attack. The enemy is Communism. If Communism were to win, there would be no United States Constitution, Courts, President, or Congress.

The American Republic would be wiped out and in its place there would be a system with which freedom cannot live.

Let us make LOYALTY DAY, May 1, 1950, a day of re-dedication to the responsibilities that give us the privilege of being an American. Avail yourself of the opportunity you have of publicly displaying the American Flag at your home, shop or place of business. You can be assured that if and when, as may God forbid, the Communists should ever take over our government and country, you will display the flag of the USSR not INDIFFERENTLY, but openly by law and force.

Incorporation Debate, Topsoil Plea Among Civic Topics Tomorrow Eve

(continued from page 1)
 considerable data on the question. The topic is one of major interest for the civic group which has thus far devoted two monthly meetings to incorporated versus town government.
 On the "pro" side of the question tomorrow night will be Mrs. Janet Schumacher, Mrs. Lawrence Weber and Stanley Mruz. The "con" side will be handled by Mrs. Eleanor Schneider, Charles Krummacker and Mrs. Alice Lehmann.
 Representatives of all local organizations have also been invited to attend the session. The meeting is open to all interested residents.

A full program is ahead for the civics tomorrow, besides the debate.
Review School Budget
 There is expected to be a consideration of the tentative school district budget, presented by William J. Botto, education chairman.
 Lawrence A. Roman, president, will outline the progress of the Executive Committee in its efforts to obtain assistance for the school district in the face of tremendous home building by Levitt and Sons and other large-scale developers. He will report upon the conference held by a delegation of the Civics with Dr. A. W. Schmidt, Assistant

Commissioner of Education for the State, at Albany last week.
 Petitions signed by residents of new developments, asking the town board to take action against the stripping of top soil, are due tomorrow night at the meeting and William L. Geyer, chairman of this activity, will present his report on the campaign.
 Selection of a nominating committee for the election of officers at the May meeting is also on the calendar for the session.
 The debate on incorporation was arranged by Stephen Smatlak, program chairman, and Robert Witt, incorporation chairman.

Harbes

(continued from page 1)
 facts as I have always done all the years I have served you. Here are the facts about these two propositions. As the notice reads it is very misleading and the true facts are not brought out and I feel it is my duty to bring the following information before you for your consideration so you can vote intelligently on a new school site next Friday evening.
 "The notice that you received was supposed to have attached to same a letter from the district surveyor and engineer setting forth the following facts, but somehow same was not done and such letter not submitted.
 "In proposition One or Site One money added to the expected expected purchase price for sale of back surveying, legal fees etc. to bring the total estimated amount to \$33,000. But on proposition Two or Site Two the notice does not even show enough money to purchase the 16 1/2 acres of land because at \$2500 per acre that would be \$41,250 and the notice calls for \$38,000 for the land and the grading and improving of same, etc.
 "Now here are the facts: all improvements are on or at two sides of site 1 such as water, sidewalks etc. and the grade is good and the Plainview Country Homes Inc. have agreed to surface the proposed road on the westerly side of Site One and we have a letter to prove that fact. So you see in Site One your total cost of the site with all improvements such as water and a road along the westerly side of the site and water and sidewalks and approved road adjoining or leading right to the site on the north side of the site, and the total cost will be as agreed upon and advertised not to exceed \$33,000 or maybe a little less.
 "The true cost of Site 2 will be \$41,250 for the land only, plus \$8,250 estimated by the attorney

Seek 'Compromise' On Jericho Issue

JERICHO—"We are trying to effect a compromise," Councilman Frank Chlumsky said this week regarding the proposed construction of over 1,000 homes in this community by Marcel Weiss, which is protested by the recently formed Taxpayers Association.
 Present at a recent conference about the development with the County Planning Commission were Councilmen Chlumsky and Lewis Waters, Henry G. Eisenmann, and William Jackson, attorney representing the Taxpayers group.
 Proposed construction of a 30-store shopping centre on Hicksville-Jericho Rd. in connection with the development is also strongly opposed by local residents.

for site one, for sale of bonds, surveying, legal fees, etc., plus \$21,123.25 as the estimated cost for improvement as submitted by letter by the surveyor and engineer for road, water, etc. which does not include bringing the land to proper grade. This is a total of \$70,623.25.
 "So you can see that the true figures should be for Site One—\$33,000 and for Site Two perhaps over \$71,000. And also for your information the surveyor has informed us that the Nassau County Planning Commission has approved Site 1 but they will not approve Site 2. Also Site 2 will lead the district into a tremendous transportation problem which will be here every year.
 "Friends, you are all taxpayers and many of you know that I have always tried to avoid high taxes and I have made many personal sacrifices to keep taxes down but everything comes to an end and the day of low taxes for District 19 is gone because we must buy a site and build a school for the children of our district. The houses are being built and more farms are being sold and the children will be here. So check your maps and come out and vote the way you think is best for the interest of the children and the taxpayers of School District 19."

COOLEY WRITES JEAN

Dear Jean,
 As a subscriber to your paper, I find your column excellent and enjoy it very much, but in your issue of the 19th I saw among your odds'n ends a write-up about VFW officials warning local merchants of a certain person soliciting money for tickets, etc., and claiming to represent Hicksville Veterans and Bethpage Veterans.
 It is possible that it is just a coincidence but I was around town two weeks ago selling tickets for our Post show. I sold exactly six tickets and those to merchants who have known me for at least 15 years or more. I do not claim to represent veterans from this town or Bethpage but can prove it. There are members from both towns in my post. The saying "If the hat fits put it on," I have put it on and it fits. I am not writing this in a fit of anger but to let you know in the six months we have been organized we have run into many tank traps that have been laid for us.
 Any time there is any merchant who wishes to ask for my identification he may do so. I believe that if one buys and shops in his town at least there should be no harm in asking some help in a small way. If people expect to co-operate then they, too, must co-operate. Continue your fine work and success. Thanking you, I remain,
 JAMES C. COOLEY,
 Nassau Co. Membership Officer,
 AMVETS of World War II.
