Memorial Day Services, Parade Next Tuesday

Memorial Day exercises will take place in all Mid-Island communities next Tuesday morning under the auspices of local ex-servicemen and their organizations. In Hicksville, services will take place at the Memorial Mall on the high school campus at Jerusalem Ave. and Fourth St.

In brief, the schedules follow:

HICKSVILLE—All organizations are invited to assemble on E. Nicholas St. in front of the Legion Hall for a parade which starts promptly at 9 a. m. Rudolph Bouse, Legion Post Commander, is chairman this year.

The parade to the high school grounds will go north on Broadway from Nicholas St. to Herzog Pl., west to Jerusalem Ave., south on Jerusalem to the High School grounds. Two bands will take part, the high school musicians and Eastern Military Academy Band.

At the Memorial Mall, the Rev. Lawrence F. Ballweg of St. Ignace Church will give the principal address. Rev. Edward H. Stammel of Trinity Lutheran will give the invocation, and Rev. M. G. Goswami of First Reformed Church, the benediction. The Choral Society will sing, with Sidney Volk as soloist.

The Legion, VFW and Amvets are cooperating in arrangements with Fred J. Sutter as parade marshal. Wreaths will be placed at the two war monuments by various organizations. All residents are urged to attend.

Bethpage Exercises

BETHPAGE—The parade here will start from Park Ave. in back of the firehouse at 9:30 a. m. sharp. Legion VFW Posts and auxiliaries, scouts, firemen, school children and societies will march to the music of a 60-piece band.

The parade route is north on Stewart Ave. to Eness Ct., then to Broadway and back to Bethpage School. Services will be held at the school monument. (Continued on Page 3)

Jericho Firemen Install Officers

HEMPSTEAD—The new officers of the Jericho Fire Department were installed into office Sunday evening at a dinner dance held at the Paraglide Restaurant here.

State Assemblyman David S. Hill, Jr., was the installing officer, and Town Clerk Leale C. Disbrow presented poet chief Pat Mille with a wrist watch on behalf of the firemen.

The Ladies Auxiliary of the fire department were also guests of the evening.

Those installed were: Anthony Sidorski, chief; Rene Maufroy, first assistant chief; Stanley Klobakowski, assistant chief; Joseph Mayz, captain; Philip Zulkofski, first lieutenant; M. L. Chittenden, treasurer; Francis Davis, secretary, and Ernst Page, sergeant-at-arms.

ATTENDS CONVENTION

Mrs. Margaret M. Ofenlich, Grand Regent of Court Queen of Angels, attended the 22nd bi-annual convention of the Catholic Daughters of America, held at Hotel Syracuse, May 15 to 18.

HICKSVILLE—The Board of Education has set Wednesday night, June 21, as the new date for a special meeting of the district when two propositions will be offered. The first proposal is for the purchase of 9½ acres of property at Lee Ave. and So. Bway for a new grade school site at a cost of \$35,000, and the second proposal calls for expenditure of not more than \$20,000 out of expected surplus funds for transportation of elementary students next fall.

The school bus vote had been expected since the annual meeting in May when funds for such service was deleted from the 1950-51 budget. Advocates of the service have been pressing for a new vote on the question.

Columbia Recommended

Purchase of property near Lee Ave. for a grade school was recommended a couple of weeks ago by Columbia Institute, which is currently conducting a survey of present and future educational needs of the district. The School Board has in mind the Daniel Lee property at the corner of Broadway with frontage on Lee Ave. The house on this tract, next to the C. T. Kelly property, is excluded from the purchase.

The full text of the propositions is stated in this issue of the Herald as a legal advertisement on page 16.

At a special Board meeting, Monday, a resolution was adopted to present the land purchase question and to offer the new bus proposal to the voters on June 21.

Voters will cast "yes" or "no" ballots upon each question separately on the same evening.

The Board has set two registration dates for those who have not registered as yet. Nearly 900 persons are already in the books, having signed up for the annual meeting last May. The registration will take place on two Saturdays, June 3, from 10 a. m. to 8 p. m., and June 10 from 8 p. m. to 9 p. m.

Architects engaged by the school board were present at the meeting, Monday night, and submitted several preliminary sketches on the proposed additions to East St. School. Dr. H. H. Linn of Columbia was also present to advise the board on the proposed plans. The East St. extension question will be submitted to voters at a later date.

Levitt Picks School Site in Hicksville

HICKSVILLE—A school, presumably to be built at the expense of Hicksville School District taxpayers, is proposed by William Levitt of Levitt & Sons in the middle of the section of houses he is building just north of the Oyster Bay-Hempstead Town Line. First occupancy is expected in this section next week.

This bit of information was given nation-wide circulation during the week when Life magazine published a five-page picture article on "Levitt's New Houses" in the May 22 issue. Curiously, this data was not generally circulated right here where the voters must first make a decision and give approval.

An aerial photograph of the Levitt Colony, showing most of the present homes and the area now being developed in Hicksville, designates a "school area" which (continued on page 3)

Town to Jack Up Zoning in Jericho

OYSTER BAY—A large section of Jericho is being rezoned from Class D residential to Class C in what is believed to be an attempt to bar the area to low cost, mass produced homes. The section in question is bounded on the north by Jerich Tpke. and on the south by Northern State Parkway, running from the Township line on the west (near Cantiague Rd.) to Robbins Lane at the Airpark on the east.

A public hearing upon the proposed rezoning which limits home construction to plots 100x100 will take place in the Town Hall here on Tuesday morning, June 6. A legal notice of the hearing appears in this issue of the Herald.

There have been persistent but uncorroborated reports that Levitt and Sons has acquired extensive acreage in this portion of Jericho for home construction next year. Also within the area is the former Bestwick property of 238 acres on the east side of Hicksville-Jericho Rd., north of the Parkway, which at present is zoned about 75 per cent in class D. This has been acquired by Marcel Welsa of Queens for the construction of about 1000 houses.

Keen Interest in Bus Panel Discussion Tomorrow Night at Civic Assoc Meeting

HICKSVILLE—The fullest possible discussion of the school bus question which comes to a public vote next month will feature the Civic Assoc. meeting tomorrow (Thursday) night at the firehouse auditorium on E. Marie St. All residents are invited to the session which starts at 8:30 p. m.

A panel discussion on school buses will take place with two

known spokesmen in favor of the proposal and two generally opposed. When the panel members have finished presenting their views, the meeting will be opened for questions from the audience.

Members of the panel will be Lawrence Eisenbauer, Lawrence McCaffrey, James Condon and Louis Uhlstein. They have been busy during the past couple of weeks collecting data for the discussion.

Mruz Is Nominee For Civic Leader

HICKSVILLE—Stanley Mruz of Bay Ave. is the nominee for president of the Civic and Community Assoc. to succeed Lawrence A. Roman. Election of officers will take place tomorrow (Thursday) night at the May meeting of the Civics in the firehouse auditorium.

Mruz is at present financial secretary of the Assoc. Roman is completing his second year as president, and under the by-laws of the group is not eligible for re-election. Other nominations from the floor before the voting will be in order.

William L. Geyer is chairman of the nominating committee, assisted by Harry Ermenwein, Benjamin Smith, Lawrence C. McCaffrey and Robert Botto.

Other nominees include James Condon, vice-president; Fred J. Noth, secretary; John Jansson, financial secretary; George Blackley, treasurer; William Botto, Louis Reinacher, William Allman, Lawrence A. Roman and Elery Bean, trustees.

A panel discussion on the question of school transportation in the district will be the featured program of the evening.

The Citizens' School Bus Committee led by Condon met Monday night at the Legion Hall to plan for the district vote on the bus question on June 21. Vigorous plans are being made to obtain the fullest possible turnout for registration of voters on the dates set, June 3, from 10 a. m. to 3 p. m. and June 10 from 3 to 9 p. m. at Nicholas St. School.

Eighteen residents attended the committee session Monday, representing all sections of the district. The school district has been divided into zones to speed distribution of data and to remind voters of their registration dates.

LI National Bank Wins Library Bond

HICKSVILLE—The Long Island National Bank won the bond issue for the public library purchase when bids were opened Wednesday by the Board of Education. The National bid 1.40 per cent interest and \$40,040. The Bank of Hicksville bid 1.5 per cent and \$40,016. There were seven bids ranging from 1.7 for Franklin National Bank to 1.40.

The bond issue covers the purchase of the Duerk house on Jerusalem Ave. at Second St., which will be remodeled to house the Free Public Library.

PLAINVIEW COUNTRY HOMES: Important Date At School, Friday

Hi Folks:
What's happened to all the news I was going to get from Briar Park?? Come on, gang, let's have some. The number's Hicksville 8-0233M.

Here in this section things are pretty quiet.

Marty and Mary Ford had Mr. and Mrs. Joe Ward and their family from Brooklyn as visitors, Sunday. Joe is Marty's brother.

We were sorry to hear that Mrs. Marx on Plainview Rd. was in the hospital. She is now recuperating, and we all hope that she will be up and around again.

Also on the sick list was Kathleen Harnett. I certainly hope she is much better.

By the way, Mrs. Fesselmeier of Plainview Rd. is our Fuller Brush representative. She is representing the Cosmetic Division.

The MacAllisters had Mrs. Mac Allister's parents down for the week. They are Mr. and Mrs. Herbert Harnbridge from Elmhurst.

The Gessners also had Ruth's mother and dad, Mr. and Mrs. Donaldson, and her sister and brother-in-law, Mr. and Mrs. Joe Lanza from Flushing, for Sunday dinner.

I want to remind you that the meeting on the Union Free District question is going to be held on May 26 between 8 and 10 o'clock at the Marnetto Hill School. Let's get out folks and have a wonderful representation not only from here; but from you people in Briar Park also.

On June 2 at the same place the meeting on the school bus situation will be held. It should prove very interesting. The report from the committee on that subject will be read. Don't forget these meetings, they are very important.

See you next week!
RAE CANTILLI.

is about half-way between Jerusalem Ave. and Newbridge Rd., three blocks north of the district line.

It is safe to assume, one local observer commented this week, that all of Hicksville will pay toward such a school since Levitt built none of the schools in Jerusalem District (Levittown).

The entire article fails to mention Hicksville. It does admit existence of Oyster Bay Township, calling Levittown "a six-square-mile, 10,000 Levitt home area, which is actually part of Hempstead and Oyster Bay townships but is recognized as a separate entity on maps." Life reports that by last week's end "2,400 of the 4,000 houses to be built this year were sold, a third of them to people already occupying Levitt houses."

WILLIAM J. LEVITT
President of Levitt & Sons who has already built 11,000 homes in Hempstead Township, and is now constructing 2500 homes in Hicksville, donated \$12,000 to protect Ringling Bros and Barnum & Bailey Circus against transportation losses in coming to Westbury, June 9 and 10.

Plan Big Review

HICKSVILLE—The Swoboda Dance Studios of Hicksville, Farmingdale and Amityville announce their 11th annual spring dance review on Saturday, June 3, at 8 p. m. The Hicksville and Farmingdale studios will present the program at St. Ignatius Auditorium, on Nicholas St. here.

Approximately 100 pupils will participate in the program, which will consist of six scenes under the following titles: Kampus Kids, In an Old Dutch Garden, Picture Gallery, Ballet of the Seasons, Little Red Riding Hood, and On an Island With You.

Back New Route For Local Bus

MINEOLA—Approval for a proposed bus route from Hicksville to Westbury stations along Old Country Rd. was registered last night (Tuesday) at a public hearing of the Nassau County Transit Commission by the Hicksville Business Men's Assoc. and the Hicksville Civic Assoc.

Empire in Key Spot at Hub

HEMPSTEAD—Empire Diner won its fight to gain a commanding position in the first round softball race here, last week, as Jim Barone pitched it to a 2-0 victory over the Levittown Clippers.

Victory in the taunt struggle gave Empire its fourth win and put the Diner club well ahead of the pack, since everyone else in the division has lost at least once. Two wins will give Empire the flag.

Sid Rigby scored both runs for the winners. He walked in the fifth inning and stole second. He came home on two infield outs and a pass to him in the seventh led to the other Hicksville run. This time he came home on a wild pitch, a passed ball and a long fly off the bat of Frank La Marca.

American Legionnaire

I received quite a bit of comment on the article about Senator Claude Pepper which appeared in last week's column. I would like all of my readers to know that any NEWS that I write about VETERANS' AFFAIRS comes to me directly from Washington, D. C., from various service agencies. My readers think that the new Senator, who is a World War II Marine veteran, will do a better job. I sincerely hope so . . .

This week's NEWS from Washington, D. C. . . Taft-Teague bill in a hardly recognizable form—and of doubtful value to the GI Bill students or private vocational schools—passed House of Representatives late Thursday, by dint of strong Democratic support against strong Republican opposition. The T-T bill was transformed into legislation to CONTROL veteran education—a far cry from the original intent to prohibit VA from issuing arbitrary regulations. One good phase of this bill gives VA absolute authority to deny additional courses or training to veterans who have completed or discontinued one course—when requested course is not in "same general field" as original course.

House Committee, on Veterans Affairs this week approved, unanimously, HR7634, granting presumption of service connection to all World War II veterans who, at any time up to Jan. 1, 1950, developed psychoses to compensable degree . . . If passed by House and Senate, bill would add thousands to VA compensation rolls and to hospital rolls.

I was amazed to find that there still is plenty of legislation being tossed around with regards to Spanish American War vets and World War I vets . . . House committee approved HR6217, granting out-patient benefits to Spanish American War vets, also approved HR 7739 granting active wartime service status, for purpose of benefits, to cadets and midshipmen of service academies during Spanish American War and World War I.

Inconsistent House of Representatives this week followed up recent action in directing VA to spend \$237 millions for 16,000 additional beds—by refusing to increase, by \$50 millions, VA medical care budget for 1951.

The House—which usually completes long hours in senseless debate on issue of daylight saving time for District of Columbia—limited, to 30 minutes, debate on \$5,802 million budget for VA, but tentatively approved huge outlay for 1951, without foggiest notion as to whether it was too little or too much. Total budget includes nearly \$5 billions for mandatory expenditures fixed by law—such as compensation and pension, tuition and subsistence, etc.—with less than \$1 billion, earmarked to cover all VA administrative costs, including operation of hospitals and medical services.

NEWS and VIEWS from the Charles Wagner Post 421:—With another successful dance tucked away, plans are now being made for two picnics this year, the first one is on Sunday, June 18, and the other Sunday, August 13 . . . I am making one more request for all Legionnaires to come out and march with us on Memorial Day. Let us beat last year's attendance! . . . Fairly good turnout at the Social Nite last Friday. Now, if we could double the attendance for the next one? . . . CIRCUS tickets are getting very scarce. Only \$5 and \$6 tickets for reserved seats are left, BUT we do have a few \$2 general admission tickets . . .

Regionally yours,

RUDY BOUSE, Commander,
 Charles Wagner Post 421, American Legion.

PLAINVIEW TO DECIDE:

Union Free School Vote This Friday

PLAINVIEW — Voters of this school district will have the opportunity this Friday night (May 28) at 8 o'clock at the Mannetto Hill School to provide for future expansion in the school system and establish the businesslike machinery for running a large organization. This Friday the district will vote on whether or not to change from a Common School District to a Union Free School District as the result of a petition recently presented to the trustees.

Within the past two new home developments have started, and recent sales of large parcels of land give promise of more large-scale building. All signs point to a rapid growth of the school population during the next few years. Changing to a Union Free School District is an important move and an encouraging sign that the residents of the locality are looking into and planning for the future, according to most district residents.

Perhaps one of the most important, though least recognized, results of such a change would be the fact that a board of education is established which is regarded in the sight of the law as a corporate body and thereby allowed to follow business procedures in its operation. As a corporate body, the board of education would be entitled to lower rates on the bond required for the treasurer of the school district.

Get Transportation Aid

Plainview has the problem of transporting its pupils from a large area. In a Union Free School District, state aid is granted for the transportation of school children under certain conditions which are not recognized in a Common School District.

When the size of the school population permits and the board so rules, a union free school is permitted to hold its budget meeting and its voting separately. As those who spent almost four hours discussing the budget can testify, it would be to the interest of the voters to be able to discharge these different items of business at pre-determined and separate times.

If Plainview becomes a Union Free School District, it will be possible for the board to have three, five, seven or nine members instead of its current limit of three members. The present trustees, together with the committee on buildings and grounds, spent innumerable hours investigating the two locations recently offered as possible school sites.

HERALD MAKES SURVEY:

Commuters Fill Parking Field by 8 AM

HICKSVILLE—Commuters, not shoppers, are jamming up the Robert Williams Municipal Parking Field on E. Marie St., opposite the firehouse, a survey by the Mid-Island HERALD proved this week.

The field has a capacity of about 120 cars. On a recent Wednesday morning, it was found that there were 46 cars in the field at 7 o'clock. By eight o'clock, more than an hour before most stores open, the field was three-fourths filled and by nine o'clock in the morning there was hardly a single space available for shoppers.

The Business Men's Assoc. and Civic Assoc. last January requested that the Town Board enact a regulation to prohibit parking in the field for more than three-hour periods in an effort to discourage use of the area by commuters. During the intervening four months the town has been preparing such a regulation for enactment.

With the contemplated building program there will be many times the amount of work already done and lightening the load carried now by the overburdened members should hasten the completion of the much-needed grammar school.

To Continue Election

If the meeting decides to change to a Union Free District, the next item of business will be to determine how many members will compose the board. Some residents of the district believe five members to be a group small enough to be wieldy and large enough to distribute responsibility during the coming expansion program. If this size board is approved by the voters, two board members will be selected for a three-year term, two for a two-year term, and one for a one-year term. If the district decides not to become Union Free, the business unfinished at the adjourned May 2 annual meeting of selecting a trustee for three years, and a clerk and treasurer for one year will be concluded this Friday night.

It is hoped that Plainview residents qualified to vote will be present to signify their choice in the important decision before them. The principle qualifications

of a voter are that he must be a citizen who has been a resident of the state for one year, the county for three months, and the school district at least 30 days prior to the election.

In addition to all these qualifications, a voter must possess any one of the three following qualifications: either own, lease or hire property in the school district; or be the parent of a child who attended at least eight weeks during the last school year; or have a child permanently living with him who attended school at least eight weeks during the last school year.

Cite Achievements of East St. P-TA At Installation of New Officers

New officers of the East St. School P-TA, Hicksville, were installed by Miss Helen Ross, principal of Columbia Ave. School in Freeport and chairman of Legislation of the County Executive Committee. The ceremonies took place at the recent May meeting.

Miss Ross complimented the outgoing president, Mrs. John Acker, her officers, and members of the association for outstanding work accomplished and in the fulfillment of P-TA aims during the past two years.

Each new officer was presented with a ribbon: Mrs. Charles Schaeffler, president, purple ribbon, signifying wisdom.

Mrs. William Giannelli, vice-president, blue ribbon for loyalty; Mrs. Walter Tolles, recording secretary, red for strength; Mrs. William Nichols, treasurer, green for growth.

Mrs. Acker presented each new officer with a corsage and gave the gavel to Mrs. Schaeffler, the new president.

Accepting the gavel, Mrs. Schaeffler thanked Mrs. Acker for her good wishes, remarking, "I have always been interested in P-TA and though new to such a responsible position, I plan to learn all I can about it and with the knowledge of wonderful cooperation of officers, parents and teachers, continued success is assured."

Before the new officers were installed, gifts of appreciation were presented to retiring officers and chairmen: Mrs. John Holst, vice-president; Mrs. Louis Saueracker, corresponding secretary; Mrs. Charles Nygren, program; Mrs. Arthur Ferro, membership; Mrs. Clinton Foster, magazine; Mrs. Albert Martin, refreshments; Miss Roana Russell, publicity.

Mrs. Holst presented Mrs. Acker with a Rontson table lighter, expressing the deep appreciation of the organization for her splendid work during two years in office.

Mrs. Schaeffler welcomed Mrs. Wilson Sutton and Lawrence McCaffrey, board members; and Robert Coreoran, board member-elect, to the meeting. Miss Nina Plants, principal of East St., showed motion pictures of the Halloween parade staged last October. The large crowd present

was greatly interested and amused by the costumes and antics of the paraders. Naturally, parents and teachers tried hard to find their own children or groups.

After the meeting, the classrooms were visited and parents and teachers enjoyed mutual interests. Refreshments were served in the auditorium, where 12 attractively decorated tables representing each month of the year had been set. Everyone present was requested to find the table representing the month of their birth. Sandwiches, homemade cake and coffee or tea were served.

The Ladies Auxiliary of the Hicksville Fire Department will meet on Tuesday, June 6, at the firehouse. Plans are being made for a card party to be held at the firehouse on Friday evening, June 16. Tickets may be obtained from the members of the Auxiliary.

An open air square and folk dance, sponsored by the Hicksville Classroom Teachers Association, will be held at the Hicksville High School Athletic Field on Saturday evening, June 10, at 8:30. Stan Gallowin and his orchestra will play for dancing.

In case of rain, the dance will be held in the high school gymnasium.

Mrs. Johanna Crew of 221 Lee Avenue, Hicksville, was hostess in her home to members of the Wanderers Club. Mrs. Evelyn Buckholz won the prize for the evening.

SERMON: From the King James version of the Bible: (Mark 4:1-9, 2:11): "Then was Jesus led up of the spirit into the wilderness to be tempted of the devil. And when he had fasted forty days and forty nights, he was afterward an hungered. And when the tempter came to him, he said, If thou be the Son of God, command that these stones be made bread. But he answered and said, It is written, Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God. . . . Again, the devil taketh him up into an exceeding high mountain, and sheweth him all the kingdoms of the world, and the glory of them; And saith unto him, All these things will I give thee, if thou wilt fall down and worship me. Then saith Jesus unto him, Get thee hence, Satan: for it is written, Thou shalt worship the Lord thy God, and him only shalt thou serve. Then the devil leaveth him, and behold, angels came and ministered unto him."

CURRENT COMMENT:

Why Not Enforce Topsoil Law?

WHY THE TOWNSHIP feels it is necessary to amend its Topsoil Ordinance at this time it is a little difficult to understand. We attended the conference at Hicksville Court-house on Friday morning, when there were almost as many builders present as there were home owners. Councilman Frank Chlumsky presided.

Several persons tried to make the point that they felt the township should enforce its present ordinance, through courts if necessary. We were not at the Town Board meeting a couple of weeks back when the petition from Hicksville homeowners was presented asking for enforcement of the ordinance, but we have been informed that Supervisor Harry Tappen felt personally that the present law is strong enough, and he publicly so stated.

A principal objector to enforcement of the code seems to be Town Attorney Theodore V. Summers who, on Friday morning, kept repeating that the law was designed to restrict "commercial topsoil stripper." That may be a fact, but the ordinance as it now stands does not say the person removing topsoil must be "commercial" before he can be charged with violating the law and despoiling the natural resources of the community.

To amend the code at this point, with special reference to developments, in our opinion is practically surrender. It would be an admission that the present ordinance lacks the strength to halt the stripping by builders and developers.

There were efforts made, rather unsuccessfully, to focus attention Friday morning upon the amendment rather than "what has gone before." It becomes almost

Who Makes Up Quotas?

WE HAVE NOT been able to follow the reasoning in assignment of various and assorted fund raising quotas in this section. We have all been impressed with the fact that the Levitt section in Island Trees numbers some 10,000 dwellings, presumably all occupied. By comparison, we find Hicksville proper numbers around 3,000 dwellings.

But the Levitt section, which boasts of its size (bigger than Hempstead, according to one source) manages to rate tiny fund drive quotas.

	Quotas Assigned	Hicksville	Levitttown
Boy Scout Drive	\$1,500	\$ 700	
Cancer Drive	1,900	2,000	
Red Cross Drive	2,500	2,140	
3-Drive Totals	\$5,900	\$4,840	

And these are just during the past couple of months.

Our Readers Say

HERALD AS A DAILY?

I wish to thank you for the courtesy and privilege you are extending to me to continue as a subscriber to the Mid-Island HERALD. I have enjoyed reading the complimentary issues I have received during the last two months and I can honestly say that I look forward to receiving by copy each week.

I do not wish to miss any issues of your splendid paper, therefore would you kindly put me down for a year's subscription.

May I take this opportunity to offer my congratulations for the splendid efforts you are making to keep the Mid-Island community informed of current and local activities. The articles are very well written and presented and I sincerely hope in time to see the HERALD a daily paper. With best wishes for your continued prosperity.

A READER who is sure the Herald hasn't "the guts" to criticize a Levitt house wrote this week and declined to sign his name. If "Observer" will sign his letter, we'll be glad to print it. We do respect confidences, but prefer to know whose name we are withholding. Main substance of the letter is a charge that Levitt does sell off topsoil.

impossible to separate the two.

As it stands now, the builders have been invited to submit briefs in writing stating their suggestions on the amendment. And apparently the homeowners have the same opportunity.

As it stands now, the builders have been invited to submit briefs in writing stating a "solution" through conferences with the builders and developers.

The reluctance of the township—or at least a part of the Town Board—to put the present ordinance to the test in court in behalf of its residents and property owners is incomprehensible. Councilman Daniel Wall of Massapequa offered this comment at the session, Friday "We are pledged to try and rectify the situation with the builders. We will try to do just that."

It may be that the barn is being locked after the horse has been stolen, but it comes to our attention that one of the newest developers in this area—since the fuss about topsoil began—has hesitated to move a single wheelbarrow of soil off his property. What a contrast to the steady movement of heavily laden trucks off Lee Ave. about a year ago!

Congratulations, Echo

MANY, MANY HAPPY returns of the day to the Glen Cove Echo, which is observing its 75th anniversary with a mammoth Diamond Jubilee issue appearing tomorrow (May 25). The Echo is being published by the third generation of the Davis family. Fremont G. Davis, president of the firm, is well-known in Hicksville as a frequent visitor. He is the son-in-law of Mr. and Mrs. August P. Deppisch of W. Cherry St., Hicksville.

The venerable age of the Echo gives the Herald something for which to strive. We hope that upon our 75th birthday we will enjoy a fraction of the prestige today held by this contemporary, an independent newspaper which has become such a substantial part of the community it serves.

And if we may be pardoned, a special greeting personally to Fremont, who is active in the Nassau Press Assoc. today as he was in previous years; to Editor Eric Krabel, who remembers Angus and dozed with us through City Council hearings; to Mrs. Ruth Stone, who didn't like to have us wandering about the shop; to Mrs. Howard Wansor, who almost always told us when Eric was in the office on Wednesday mornings; to Earle Cresser, who marched in many a Labor Day parade at Hicksville with the Glen Cove firemen; to Frank Howland, Tom MacDonald and to Velma Banner, who came on the scene later but appears to exercise influence for good upon E. Robert.

What's Your Problem

A.—At the Oyster Bay Town Clerk's Office, Oyster Bay, or at the Hicksville Firestone Store, 114-116 Bway, which is an authorized agency of the State Conservation Dept.

- Q—Who are the members of the Hicksville School Board and what is their salaries?
A.—Members of the Hicksville Board at present are Henry C. Brengel, president; Lawrence O. Eisenbauer, Edna Kuhne Sutton and Lawrence C. McCaffrey. They receive no financial compensation for serving on the Board. After July 1st, the Board will consist of Brengel, Mrs. Sutton, McCaffrey, Harry Ermenwein and Robert Corean. The latter two were recently elected for three-year terms. The president, vice-president and secretary of the Board are elected from among the members at the organization meeting around July 1st.

Memorial Day, May 30, 1950, will once again find friends, loved ones and true-loving Americans throughout our country and overseas, honoring those men who in the line of duty, died so that the freedoms of America, so cherished by all, might live.

It is a day consecrated to the soldiers; it is dedicated to patriotism, around this sacred day cluster precious memories of our fallen brave. Over the silent chambers of our sleeping comrades we wreath the garlands of flowers—symbols of love and gratitude. These graves are the Nation's shrine, the Mecca to which patriots journey to renew their devotion to the cause for which these patriots died. This is a sacred heritage purchased by their valor and sealed by their blood.

While you are listening to speakers praising the heroic deeds of our fallen comrades and hearing the buglers blowing taps in their honor, will you not pause for a moment of silent tribute to all these men, but remembering especially those fellows of our own community of Hicksville who made this supreme sacrifice, namely: 1917-1918, Joseph Barry, Charles Wagner and Walter Wheeler; 1941-1945, Fred Anderson, Henry A. Gebhardt Jr., John Habibowicz, John Haughey, John Looney, James Madden, Andrew Manelaki, Robert Matuschak, Arthur F. Noeth, William J. Pakaluk, Jr., Anthony Petrone, William Remy, Melvin Röhrbach, Wallace Schaefer, Ellsworth W. Steiner, Gregory Stock, Robert Ulmer, Raymond Zeltmann and John Zeiler.

Everyone who is physically able should attend and participate in any and all services or parades to be held next Tuesday, because to remember the dead is to enable our lives.

It is a good thing to have one day a year set aside to pay our homage to these men, because the world today is indeed forgetting all too quickly the sacrifices and hell these fellows went through in order that we might carry on. On the morrow men and machines alike will again be producing tanks, planes, ships, ammunition, etc., for the next world conflict which today seems too imminent.

As my tribute to all fallen comrades, I quote the vow that they silently made while in the service of their country and so ably written by Cecil Spring Rice:

I vow to thee, my country—all earthly things above—
Entire and whole and perfect, the service of my love.
The love that asks no questions; the love that stands the test,
That lays upon the altar the dearest and the best;
The love that never falters, the love that pays the price
The love that makes undaunted the final sacrifice.
THE OLD SARGE.

HICKSVILLE PARK: Merry-Go-Round Brings Summer

Hi Neighbors:

This is my first attempt at writing a column, so I do hope you will read and enjoy it. Any information or news you can give me will be greatly appreciated—telephone me at Hicksville 3-2497W.

You can tell summer is really here when the merry-go-round makes its appearance, and that's just what happened yesterday. The children had a wonderful time. However, it was hard on the mothers' pocketbooks, as most of them have two or more children, who want two rides apiece, at ten cents per ride. I can remember when a ride cost three cents. Perhaps I really shouldn't admit that, as it is a sign of old age.

The Friendly Circle Club had Saturday night out last week. They had dinner at the Champlain Restaurant in New York, and saw "Clutterbuck." Those who attended were Susan Alba, Dorothy Bonhard, Rosalie Butler, Frances Carpenter, Betty Condon, Eunice Reidel, Dot McMahon, Lois Locketo, Doris Werner, Carrie Williams. What the husbands would like to know is: where they were from the time the last train arrived in Hicksville until the time they arrived at their respective homes—but we won't tell.

Friday, May 19, little Stephen Huron of 24 Mead Ave., had a party to celebrate his 3rd birthday. Congratulations, Stephen, and many happy returns. Mrs. Agnes Murphy is now con-

volescing at the home of her sister, Mrs. George Chapman, 39 McAlester Ave., after undergoing an appendectomy at Nassau Hospital in Mineola. We all wish her a speedy recovery.

Now that winter has passed and spring (?) is here, competition among the amateur gardeners is very keen. Each "farmer" is positive his crop will be the largest. I'll keep you informed of their progress and give you the name of the winner later on in the season.

Do hope you will look for this column next week.

BE NOW, DORIS WERNER.

The answers to everyday insurance problems
 By **JOSEPH E. DOCKOW**

QUESTION: Why do I always have to buy fire insurance for three year periods when I buy other insurance coverage for one year at a time?

ANSWER: It isn't a question of your being forced to buy fire insurance for three year periods. It's just that the fire insurance companies have worked out a plan whereby you can obtain three years' protection at a cost of approximately two and a half times what you'd pay for a one year coverage. It's easy to see that the wisest and most economical way to buy your fire insurance is on the three year plan.

By HOWARD FINNEGAN

We should like to publish the complete schedule of the Hicksville Softball League and just as soon as one is available we will be glad to pass it along to our readers.

For the present, however, the best we can do is to inform those interested that the league is operating every weekday night, Monday thru Friday, at the high school field.

The match of play is currently being done on a night-by-night basis until the League can clear up the old buffer that always crops up in a thing of this sort.

At the last organizational meeting, the schedule argument got hot and heavy when some of the managers wanted their nights of play to conform to their activities in leagues outside of Hicksville.

We can speak personally on just how involved this problem can be and what a headache it is for those trying to run a league smoothly. There has always been the need to consider Jones Beach, Rockville Center, ASA and other leagues that have Hicksville teams entered.

The thought has always been that if it is possible, the Hicksville League should do its best to help the clubs when they engage in contests with other communities.

This can no longer be adhered to. This year even the Hempstead twilight league is involved to complicate the matter. Where once you had just Jones Beach to consider, now four or five more angles are thrown in.

And the players' line of thought is very funny when it comes to the Hicksville League or other toops. They regard the other leagues as far more important, but once the local season gets rolling their emotions whip up a high frenzy, but are calm when they visit the outer lands.

Plainly it gets down to one question. The players must decide which they consider more important and arrange to work along that line.

It is apparent that the Hicksville League heads are going ahead and drawing up a schedule at random and letting the chips fall where they may.

It would seem that they have little choice. It has been reported that the league will seek contributions from interested business concerns to help the clubs have easier financial worries.

If that be the case, loyalty to Hicksville should be of paramount importance.

HOLD THAT LINE

Jones Beach officials have announced the draw for the elimination games for 32 teams seeking admission to the 12-team beach loop planned for 1950.

Botto Bros. has drawn Fairchild Aircraft for its contest on Sunday, June 4th. When it is realized that Fairchild was formerly Ranger in beach play, it can be seen what a big chore Bottons has to undertake.

Bill Bordiuk will be on the hill for the opposition and the local club is well aware of his prowess.

The same afternoon the Long Island Nationals will face Roosevelt Rotaries in their elimination game.

HOLD THAT LINE

When the Nassau County Championship Track and Field Meet is held, Harry O'Mack will be the lone representative of Hicksville's Orange and Black.

Hicksville Beats Westbury, 8-2

By DOUG JONES

HICKSVILLE — The highly touted local PBC kept right on rolling Saturday as they trounced Westbury, 8-2.

Hicksville care right back in their half of the third, when Herb Small reached first on an error. Art Foster singled to center, Ray Guckenberger and Dick Swain reached first on errors that brought in two runs to tie the score at 2-2. Hicksville scored two more in the fifth, when Foster was hit by a pitch. O'Mack Second In NSAL 880

PORT WASHINGTON — The late season development of Harry O'Mack in the 880-yard dash saved Hicksville High from an all but complete blanking in the annual NSAL Track and Field Championships, here Saturday.

O'Mack ran second to Billy Goring of Mineola in the closely contested event with the County Seat boy winning in the fine time of 2:04.7.

Competing in the senior division Charlie Elder was involved in an eightway tie for fifth place in the High Jump, adding an additional 1-8th of a point to the Orange and Black's total score, which was good for tenth place in a 12-school meet.
