

Another School Vote, Aug 16:

East St Addition, Three School Sites to Cost Half Million Dollars

Vol. II.—No. 27 Wednesday, July 19, 1950 Single Copy 5c

CIVILIAN DEFENSE:

Name County Director, Local Interest Grows

MINEOLA—Lt. Gen. Cornalium W. Wickerham of Lawrence, a top military leader of the last war, was today named Director of Civilian Defense for Nassau County by County Executive J. Russel Sprague. The Board of Supervisors is expected to confirm the appointment, Monday.

Gen. Wickerham has refused to accept the \$12,000 salary permitted by law. He intends to start at once to reactivate the county civilian defense forces.

Most war council and civilian defense leaders of the last war in the mid-Island area are ready to go back to work, the Herald learned this week, and are awaiting orders from Mineola. Thousands of hours were given by

Hicksville, Bethpage, Plainview and Jericho residents in CP air raid drills, bond sales, salvage and other projects during the last war.

Frank Satter, head of Hicksville auxiliary police, admitted he has been following developments in the press and is prepared to serve again. CD activities were discussed at the Island Trees Civic Assoc. meeting on July 10.

Appoint Wennagel Business Manager

HICKSVILLE — Gustave F. Wennagel of 31 McKinley Ave. assumed his duties Monday as the first business manager of the school district, a position created at the annual school meeting last May, when voters approved expenditure of \$3000 a year for this new official. He was named from six applicants at the Board of Education meeting last Thursday night.

Wennagel, a resident of the community since 1923, retired on Jan. 1 of this year after 35 years with the New York Naval Shipyard in Brooklyn. He was supervising marine engineer and naval architect with the design section of the shipyard, a highly responsible executive position, where he prepared technical specifications and recommended awards to the supply department. His background is believed to particularly qualify him for the task of arranging public bidding for supplies for the district.

He was a member of the Hicksville School Board from 1929 to 1944, serving as president of the board during his last two years.

HICKSVILLE—Four propositions will be offered for the approval of the voters of the school district on Wednesday night, Aug. 16, between 8 p. m. and 12 midnight. One proposal is for a \$400,000 expansion of East St. grade school and the other three cover purchase of 47.4 acres from Levitt & Sons for new school sites at a cost of \$148,000, District Clerk Andrew B. Heberer announced today.

While there are now 1,565 voters registered and qualified to vote on Aug. 16, the registration board will meet at Nicholas St. School on Saturday, Aug. 5, from 3 to 9 p. m. for those not as yet registered. Qualifications for voting will be published in detail by the Herald prior to this date.

The expansion of the East St. School is expected to increase the capacity of this building to over 700 students, about double its present student enrollment. The building has an emergency capacity of 410 pupils, according to the Columbia Survey recently completed at the request of the Board of Education.

Anticipate Controversy
The three land purchases are expected to become a highly controversial question. The sites and their locations are:

(a) Tract of 18.8 acres on Dutch Lane (also known as Hempstead Ave.) at the corner of the proposed Levittown Parkway. This parcel is in the south west corner of the district in the middle of the Levitt home construction in Hicksville. This plot is known as the site for the Dutch Lane School.

(b) Parcel of 18.8 acres fronting on Old Country Rd. and adjacent to the Norbrook Development and across the street from the Country Life Homes.

(c) Smallest of the three, this plot consists of 9.8 acres mid-way between Newbridge Rd. and Jerusalem Ave. in the Levitt home area where many dwellings are already occupied. It will become the South Hicksville School.

Plans Have Approval
Immediate expansion of East St. School was also urgently recommended in the Columbia report. Last week the State Education Dept. gave its approval to the plans as prepared by Knappe and Johnson, architects engaged for the job by the School Board.

The three land purchase propositions, in each case former farm acreage now owned by Levitt & Sons and all within the Hicksville School District, add up to a bill of \$148,000 including the fees for preliminary costs of surveys, maps, plans and costs "incidental". Dividing the acreage into the total price brings the price to \$3,144 an acre. This price is \$30,500 more than the Columbia Report estimate.

If the qualified voters approve on Aug. 16, the district must then appropriate the money for the three elementary schools which the Columbia Report estimated at a cost of \$600,000 each.

Appears on TV

NEW YORK CITY — Miss Olive Lauchs of 99 East St., Hicksville, appeared on Television station WPIX, channel 11, yesterday afternoon (Tuesday) at 3:30 on the Ted Sessie Amateur Show. She sang "Some Day" from Prim's Vagabond King.

Levittown School District Don't Want 2300 Levitt Houses In Hicksville Area

HICKSVILLE—Levittown doesn't want the 2300 homes Levitt is building in this school district. At least, School District No. 5 (Levittown) has advised the local school board "it would not be possible at this time to take the 2300 homes which Levitt will build in the southern part of your district into our school district."

Architects Preparing Lee Ave. School Plans

HICKSVILLE—The Board of Education has engaged Knappe & Johnson of New York City as the architects for the new 20-room Lee Ave. elementary school building, it was learned this week. The same firm is preparing the plans for the East St. School extensions which will be voted upon on Aug. 16.

Purchase of the Lee Ave. site of 10 acres was approved by the voters on June 21. When plans for the building are completed, the voters will be asked to vote an appropriation to cover the cost. The Columbia Report estimates the cost at \$600,000.

At the Board meeting last Thursday night, it was decided to limit the enrollment of children in kindergarten to those who will be five years of age as of Dec. 1 in the year they enroll.

Study 3 Types Of Parking Meters

HICKSVILLE — Representatives of three parking meter concerns demonstrated their machines at a special meeting of the Citizens' Advisory Parking Committee held Thursday night. The meeting was called by Councilman Frank Chumsky and Rev. Howard Rogers, chairman of the citizens' committee.

Bids received by the Town Board by the meter concerns range around \$25,000 for the installation of meters for 600 car spaces, Chumsky disclosed. It is anticipated the gadgets will be in operation here by Labor Day.

Jay Schwartz Opens New Law Office Here

HICKSVILLE — Julius (Jay) Schwartz opened his law office at 152 Bway, corner of Cherry St., Monday.

A native of Hicksville, he graduated from local grade and high school and then took pre-law at Columbia University Extension. He graduated from law school in 1933.

Jay Schwartz was associated with Joseph P. Lebkuecher in his law office from 1935 to 1938. In that year he opened an insurance office at 67 Bway. In October of 1942 he entered the Army and left the service four years later.

He took review courses at the Brooklyn Law School after leaving the service and was admitted to the bar in April 1946. He has been practicing law since.

He is a charter member of the Kwanis Club and a member of the Masonic Order. He is mar-

Hicksville school board asked the Levittown Board about the possibility of such action, which was suggested to the local board by the Civic and Community Assoc. after a meeting the Civics held with Dr. Schmitt of the State Education Dept. at Albany.

Lyle Smith, president of the Levittown board, has informed Henry C. Brengel, local president, "we find our school buildings will be filled to capacity when school starts in Sept."

Super Market, Gas Station Pleas Made

OYSTER BAY—A super market on South Broadway and a dry cleaning plant on North Broadway, Hicksville, will be among the requests for variances sought at a meeting of the Zoning Board of Appeals tomorrow night (Thursday) at 7:30 p. m.

Stop and Shop Markets, Inc., of 243 Main St., Huntington, will ask the board for a variance to use the property on the west side of Broadway, 101 feet south of First St., Hicksville, for stores and parking lot.

Philip and Morris Sinitar of 82 North Broadway, Hicksville, will ask for a variance to conduct a dry cleaning plant on the west side of Broadway about 200 feet south of Thorman Ave.

Another new gas station is planned on the southeast corner of Jerusalem Ave. and 11th St., Hicksville. Anthony Marino of 11th St., Hicksville, will ask the board for a variance.

Dear Jean...

A \$10,000 exhibit house for the Vinmar Construction Corp. was scheduled to open last weekend, the first of 40 dwellings planned for Vinmar Homes at Oak St., off Plainview Rd., Hicksville. . . . GERT TRUDE WETTERAUER, Hicksville High School teacher and president of the Classroom Teachers Assoc., sailed yesterday (Tuesday) for the Mediterranean and Rome. . . . Thirteen doctors have leased space in the two-story professional and business office building in Levittown Centre on Division Ave. off Hempstead Tpke. The building opens in Sept. . . . Post card received from ROLAND HEBERER, en route to Wyoming, is postmarked Vail, Iowa. He reports passing within 24 miles of the second-best known Hicksville in the nation, the one in OHIO. . . . KATHERINE BOTTO of Bethpage was treated at Mary Immaculate Hospital, Jamaica, after receiving head injuries from unknown assailant who slugged her on the stairway of the Union Hall, LIRR station. . . . The first annual Art Exhibit opens to the public tomorrow (Thursday) at Bethpage State Park Clubhouse and continues through Saturday during the hours of 10 a. m. to 9 p. m. The subject has been limited to Long Island scenes.

With several new election districts due for Hicksville, there is a great deal of running about by certain individuals who would like to be named Committeemen—Republican, that is. The County Election Board advises us that data about the boundaries of new districts will not be available until Oct. 1. . . . D. EDWARD SCHEIDEL of 54 E. John St., Hicksville, has been promoted from patrolman to sergeant in the Nassau County Police, effective at noon last Sunday.

According to the July NASSAU FARM BUREAU News, the next meeting of the LI Dairy Goat Assoc. will be held Sunday afternoon, July 30, at 2 o'clock at the farm of DR. ALWYN RAND of New South Rd., Hicksville. The meeting is open to the public and all interested in goat keeping are invited to attend. . . . NAT POLAN of 2 Cooper La., Hicksville (Island Trees), is scheduled for the reporter role tonight (Wednesday) in NBC's "Big Story" . . . Cornerstone for the enlarged Meadowbrook Hospital will be placed on July 24. . . . Hicksville Library expects to be receiving books from vacation borrowers at its new address, 169 Jerusalem Ave., on Sept. 12.

The Editor interviewed a long-stemmed American beauty, Saturday, who is a Hicksville resident. Watch for the story and picture, probably next week. . . . LAWRENCE A. ROMAN got a new Ford this week. . . . AL BARLOW swings a wicked hammer at 2 o'clock in the morning, but it was all in the interest of civic pride and "holding the line". . . . ANNA S. QUICK of 31 Grove St., Hicksville, was listed as purchaser this week of 194,158 square feet of Cold Spring Harbor property from the LERR this week for \$1,000. There were no opposing bids. . . . Locust Grove voted to change from a common to union free school district last week and then elected a seven-man board. . . . Many alumni attended the 4th annual commencement dance of Farmingdale High Alumni at Bethpage Country Club, June 20. ALICE LUDWIG WEST, class of '43, traveled all the way from Ferndale, Mich. to renew old friendships. . . . Wonder what happened to the Hicksville Alumni Assoc? . . . Nassau County Health Dept. reports a case of Rocky Mountain spotted fever, in June, a resident of Bethpage. It was caused by ticks. . . . Trinity Lutheran Church, Hicksville, was left \$300 in the will of THEODORE E. GRANZ of East Meadow, who died on June 17. . . . Judge LEBKUECHER in Hicksville Court today (Wednesday) will sentence HOMER CASHION of 9 Penny Lane (you know where), on his plea of guilty to assaulting JAMES DOHERTY Jr. of 173 Oriole Rd., Hicksville, on July 11. . . . RUDY BOUSE and family expected home yesterday from brief upstate vacation trip.

A Herald Want-Ad can do a job for you.

Shall We Incorporate?

Merged Service

The HERALD, in cooperation with the Information Division of the Committee for the Incorporation of Hicksville, will publish this department regularly in an effort to bring its readers a full discussion of this question. The HERALD invites comments and questions on this subject in writing.—Editor.

Ques. — How would incorporation rearrange our various agencies of government?

Under an incorporated village government, a number of layers of government would be efficiently merged. It is likely that the water, fire, street lighting, park and parking, and garbage districts would be merged and directed by a Village Board consisting of a locally-elected Mayor and five trustees.

A number of services would be redistributed locally; i.e., in place of the town highway system there would be created a village public works department which would be concerned not only with streets, but also with sidewalks, water works, and possibly refuse collection.

Police, health, public welfare—which are under the county at present—would probably continue as county functions.

The schools would continue under the present independent five-man non-paid board of trustees in a village set-up. The School Board would continue to prepare its own budget, set its own tax rate.

Sound Off News and Views of VFW Post 3211

The wheels of our membership drive are gaining momentum each and every day. One need but attend a meeting to witness all the new faces present as well as those of former members, and all because you guys are talking VFW. Keep it up, men, and before long 3211 will be the most powerful VFW post in Nassau County. In the eyes of some VFW members in the county, we have been dormant for years, and thus failed to get from them the whole-hearted cooperation so justly deserved. However, the tables are turning and in the not too far distance our Post will be in a position to ask and justly receive what we desire. Mark these words on your calendar, fellas, because we of 3211 are on the march and intend to see to it that our goal, "the biggest VFW Post in the county," is reached.

No organization could ever ask for a finer bunch of guys than those of you who come out to meetings regularly; take an active part in our affairs, perform your various jobs to the best of your ability, and last but not least aren't afraid to say that you are a staunch rooster and ardent supporter of the VFW. The future is bright for us, so let's take advantage of all opportunities.

I was wondering if our Commander and Adjutant would be in accord to have placed on our regular meeting notices a reminder that reads something like this: "Read 'SOUND OFF' in the Mid-Island Herald (a Hicksville weekly), the column by the Old Sarge, and for YOUR information." It might act as a shot in the arm for some of the now inactive members.

When the members lined up for the last formation, five new faces were present, namely, Bill Norris, John McDonald, Lawrence McCaffery, Marcus Dodge and Bob Clarkin. You know, men, one of the privileges of belonging to our Post is the pleasure of being able to "fall in" at all formations. Nice seeing you.

Glad to see a few of the officers wearing their caps to the last meeting. Why not make it a must at all meetings, especially for the officers?

Did you see or notice the sign that Artie Rettberg made for our clubhouse? Swell job, Artie, and I know that it will be put to good use.

Word has come to my ears that Comrades Darling and Wangenheim are about to take off on their annual vacations. Howard is heading for the Poconos in Penn., while 'Al, the Mrs. and children are heading up to the White Mountains, New Hampshire. Good luck, fellows, and a safe trip. I chose a winter vacation this year, so have to sit back and wait until the snow flies.

Let us all hope that those of our members who belong to the active reserves will never have to be called. To all of us the memories of the last war are too fresh, and the horrors of hell that prevailed are still visible in our minds. The world soon forgets the promises it made to all of our fallen buddies, but never let it be said that we forget them, let us all, wherever you may be, say a special prayer that peace may yet come to the troubled world.

COLUMBIA REPORT:

Room for 1015 Pupils in High School In Emergency Thru More Utilization

The present Hicksville High School on Jerusalem Ave. at the corner of Second St. has a reasonable capacity of 828 pupils and an emergency capacity of 1,016 pupils. In September 1949 there were 770 pupils in the high school, according to the studies of Columbia University, Teachers College, Institute of Field Studies. The Columbia Report notes that "during the next few years, owing to the anticipated increase in enrollment, this plant will have to be utilized more completely than at present."

The Columbia Report, considering the facilities of this building, states:

Hicksville High School was erected in 1924 and enlarged in 1929. (See page 11 for former Superintendent Van Slyke's recollection of this expansion—Editor). It is an attractive building located on a 15-acre site which, while reasonably satisfactory, is not so large as might be desired. The National Council on Schoolhouse Construction recommends that a secondary school site should have at least 10 acres of land PLUS one additional acre for every 100 pupils enrolled. On the basis of this rough formula, the local high school could use to advantage from 18 to 20 acres of land.

The building has a reasonable capacity of 828 pupils and an emergency capacity of 1,016 pupils, based on class sizes generally ranging from 20-30 pupils, depending on room size and specialized facilities, and allowing for an 80 per cent utilization factor to care for difficulties in scheduling a secondary school program consisting of the upper six grades. Under extreme pressure, using the auditorium for study and some recitation purposes and pressure, using the auditorium for study and some recitation purposes, and forcing a higher percentage of room utilization, a temporary capacity of 1,100 might be achieved, but this exceeds a reasonable capacity rating.

In Sept. 1949 this plant cared (continued on page 12)

Need Extra Classroom Space Sept '51 With 1,979 Pupils Expected This Fall

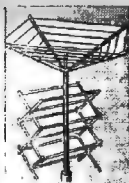

The present Hicksville school buildings have a reasonable capacity of 1,888 pupils and an emergency capacity of 1,900 - 2,000 pupils. The estimate of future school enrollment indicates that even the emergency capacity may be reached in Sept. 1950, or shortly thereafter, when 1,979 pupils are expected to enroll in grades from kindergarten thru high school (K-12). There is no doubt that additional class rooms will be needed by Sept. 1951, according to the Columbia Report.

This is the fifth installment of the Columbia Report on the School Building requirements of Hicksville School District being published by the HERALD as a public service. It discusses in detail the facilities of the present high school. Previous articles have considered the two grade schools: East St. and Nicholas St.

This table from the report shows the reasonable and emergency capacity of the three school buildings today:

School	Reasonable Capacity	Emergency Capacity	Sept. 1949 Enrollment
East St.	340	410	324
Nicholas St.	415	500	385
High School	828	1,016 - 1,100	770
TOTALS	1,883	1,926 - 2,010	1,479

Miss Rita Dianda, daughter of Mr. and Mrs. J. Dianda of 104 Central Ave., Bethpage, became the bride of Harry Sudwischer Jr., son of Mr. and Mrs. H. Sudwischer, Sr. of Cambridge Ave., Bethpage, on Sunday, July 9, at 4:30 p.m. The Rev. Michael Hartigan officiated at the ceremony held at St. Martin of Tours Church.

MR. AND MRS. DONALD ROSENCRANS are now residing in Babylon following their marriage on June 18 at St. Ignatius Church, Hicksville. The bride is the former Miss Nannette Migliore, daughter of Mr. and Mrs. Edward Migliore of 12 Marvin Ave., Hicksville. The groom is the son of Mr. and Mrs. Clarence Rosencrans of Babylon. (Hallock Photo)

The bride, given in marriage by her father, wore a gown of white mousseline de soie with a sweetheart neckline and a train trimmed with Queen Anne lace. Her French illusion veil fell from a crown of seed pearls and rhinestones. She carried a white prayerbook with white orchids.

Miss Dolores Defanis was the maid of honor. She wore a gown of pale pink lace and a crown of pink roses. She carried a basket of assorted flowers.

George Titten of Farmingdale was the best man. The ushers were Vito DeFanis and James Gilleson of Bethpage.

A reception for 100 guests was held at Anselmi's Bethpage.

Following a honeymoon to Atlantic City, the newlyweds are now residing in Bethpage. The bride is employed at Grumman's and her husband is employed at Newbridge Lumber Co., Hicksville.

his mercy and his truth" (Psalms
57:3).
SERMON: From the King James ver-
sion of the Bible; (Luke 18: 9-14):
"And he spake this parable unto certain
which trusted in themselves that they
were righteous and despised others: Two

KINDERGARTEN graduates receive their diplomas from the Rev. George M. Bittermann, pastor, during the first kindergarten graduation held in June at St. Ignatius Parochial School, Hicksville. (Boglioli Photo)

men went up into the temple to pray:
the one a Pharisee, and the other a pub-
lican. The Pharisee stood and prayed
thus with himself, God, I thank thee,
that I am not as other men are, cari-
catures, unjust, adulterers, or even as
I give thanks of all that I possess. And
the publican, standing afar off, would
not lift up so much as his eyes unto heaven,
but smote upon his breast, saying, God
be merciful to me a sinner. I tell you,
this man went down to his house justify-
ed rather than the other; for every one
that exalteth himself shall be abased;
and he that humbleth himself shall be
exalted."

Miss Bierling Wed At Home Rites

Announcement has been made of the marriage of Miss Jeanne Bierling, daughter of Mr. and Mrs. G. T. Carolan of 224 Harrison Ave., Bethpage, to Salvatore Catapano, son of Mr. and Mrs. Michael Catapano of Broadway, Bethpage, on June 24. The ceremony took place at 5 p.m. in the garden of the home of Mr. and Mrs. George Kiebel, Marilyn Ave., Amityville, with the Rev. Samuel Scales of the Levittown Baptist Church officiating.

The bride wore a gown of white nylon net over taffeta with a lace trimmed train. Her fingertip veil fell from a crown of orange blossoms and seed pearls. She carried an old-fashioned bouquet of white roses.

Mrs. George Kiebel of Amityville was the matron of honor. She wore a gown of blue nylon net over taffeta and a large blue picture hat. She carried a bouquet of blue dyed roses.

The bridesmaids were Miss Marie Wallace of Roosevelt and Miss Joyce Matland of East Meadow who wore pink nylon net gowns and small Juliet caps with short veils. Their bouquets were of pink roses.

The flower girls were sisters of the bride, Adrienne who wore blue organdy, and Beverly who wore yellow organdy. They wore floral headpieces and carried old-fashioned bouquets.

George Kiebel of Amityville was the best man. The ushers were Bud Carolan, brother of the bride, and Robert Byrnes of Flushing.

School Bus Group Calls Upon Board

HICKSVILLE — A delegation of the Citizens School Bus Committee called upon the Board of Education on July 5, led by Chairman James J. Condon, to offer several recommendations regarding bus service when it resumes in the Fall.

The Bus Committee had campaigned actively for the passage of an appropriation from anticipated surplus funds of the district to guarantee school bus service in the Fall after a vote at the annual meeting in May had deleted the item from the budget.

The committee recommended for the Board's consideration that (a) standees be permitted, thus increasing the capacity of vehicles since older children could stand; (b) children from kindergarten thru sixth grade be transported as last term; (c) uniform closing hour for the grade schools be established to avoid duplicate runs on buses (East St. closes at 3 o'clock and Nicholai at 3:30); and (d) service be given from a half mile radius.

The answers to everyday insurance problems
By JOSEPH E. DOCKOW

QUESTION: My daughter has a saddle horse which is usually stabled at a riding club but which we recently kept overnight in our back yard. The horse got out of the yard and damaged a neighbor's yard and garden. We've paid for the damage but I understand there is an insurance policy which would protect us from having to pay damages of this kind in the future. Can you tell me about this policy?

ANSWER: The type of insurance you have in mind is called Comprehensive Personal Liability and it covers the acts of the person insured and those of his family, including all minor children. You are also protected from damages resulting from acts of your dogs, horses or other animals. It is an excellent policy and no one should be without the protection it affords.

A SUPERINTENDENT RECALLS: East St. School Building Cost \$200,000

By E. A. VANSLYKE
(Hicksville School District experienced tremendous expansion and growth between 1923 and 1936, during the period when Mr. Van Slyke was first superintendent of schools. This is the 3rd and final article in a series.—Ed.)

In the first Report of the Superintendent of Schools of December 1923 which the Board of Education published and had 1,000 copies distributed among the citizens of Hicksville, are many statistics and graphs showing the graphs showing the phenomenal growth and development of the Hicksville Schools.

The new East St. grammar school was erected in 1927 at a cost of approximately \$200,000 dedicated Nov. 20, 1927 but occupied on Oct. 24, 1927. Miss Nina Plantz was elected principal of this second grammar school and is the present principal.

Then about 1928, \$200,000 was voted for a new addition to the high school. This provided the much needed room at that time and later woodworking, auto, electric and print shops were equipped and courses offered. A new large well-equipped cafeteria was opened and hot lunches served on larger scale than ever before. Also the new large high school library was opened.

It is impossible in this space to enumerate all the many changes

and improvements made during the great growth and development of this period, 1923-1936. People of Hicksville gave wonderful cooperation to the Board of Education and to the Superintendent and teachers of the entire system.

Beginning in 1923 and later on during this period, the following organizations in the school were started and the following activities stressed: Students Cooperative Assoc., School Clubs, the Honor Society, Alpha Society, Junior Citizens League, Fire Department, Intelligence tests throughout the schools, visual education, pre-school clinic, health council, all kinds of athletics, athletic field developed with the aid of a state representative, orchestra, chorus and school bands.

The following men served the community on the Board of Education during this period and some for many years prior: John Puvogel, George A. Duke, Arthur Crosley, William Duffy, Frank Chlumsky, Dr. Edward A. Curtis, Joseph J. Ulmer, Gustave Wenzel and John Herzog.

Those who were president during this period included: Mr. Duke, Mr. Chlumsky, Dr. Curtis and Mr. Wenzel.

Mrs. Harry Darling was secretary to the superintendent and had served several years before 1923. Andrew Heberer was clerk and Charles E. Colthirst was the treasurer of the district.

Columbia Report

for 770 pupils in grades 7 thru 12.

Suggest Study Halls

In making this study it was found that neither the auditorium nor the cafeteria was being used for study hall purposes. It is true that the auditorium, owing to the lack of suitable writing surfaces, is not a satisfactory space for study purposes. On the other hand, the cafeteria with its tables and chairs can be developed into a fairly adequate study hall, thereby increasing the utilization and capacity of the plant.

An analysis of weekly room utilization in Nov. 1949 reveals that most of the academic rooms were being utilized to a high degree, with the average academic room being used 83.9 per cent of the time. The music room (room 116), the wood shop (room 8), the science laboratory (room 200), the science room (room 250) and the posture room were being used less than one half of the time.

The gymnasium and library were used 100 per cent of the available time, and this fact, in light of the high pupil station utilization for these spaces, indicates congestion in these areas. On the other hand, the auditorium and cafeteria were not utilized as fully as they might be. The auditorium was utilized only 33 per cent of the available time. This (apparent) low percentage of pupil station use should not be misinterpreted as indicating extremely low usage, since an auditorium cannot be filled many periods during the week and it accounts for a disproportionately large number of actual stations.

Propose 8-Period Day

During the next few years, owing to the anticipated increase in enrollment, this plant will have to be utilized more completely than at present. Some thought might be given to the possibility of increasing the effective capacity of the plant by instituting an eight period day with a double lunch period. This would tend to increase the capacity of the plant by making room spaces available for a greater number of periods. Of course, if this were done, some arrangement to care for the extra pupils in a study hall would have to be provided. The cafeteria could serve this purpose, during some periods and the auditorium, although not so highly desirable for study hall purposes, could be used in an emergency.

A study of 125 class groups which met five periods per week during Nov. 1949 shows that groups ranged in size from . . . pupils in a French IIB class to 40 pupils in both an American History I and a General Biology class. The average class group enrolled 23.9 pupils, a desirable class size educationally.

Thirty-eight, or 30.2 per cent of the class groups, enrolled more than 30 pupils and 41 classes (32.9 per cent) enrolled fewer than 20 pupils. Twenty classes (16 per cent) enrolled fewer than 15 pupils.

THE HOME HANDYMAN'S CORNER

By TOM CASHEL

WE FOUND A BARGAIN IN EXTRA ROOMS—SAYS JOE.

Our Tommy was 10 last month. He's quite the little man now, so we weren't a bit surprised when he asked for a special present—a room of his own. Lucky thing our house was built with extra space in the attic "to grow in." So we finished off a bedroom just for Tommy, with Gold Bond Gypsum Grain board. Boy, what a beautiful job we did... and you'd be surprised how little it cost.

If you want to add a new room, or do any kind of interior remodeling, you'll get best results at low cost with fire-proof panels, of knotty pine, bleached walnut, or dark walnut.

Don't miss up on this now, as Joe says—they're terrific.

The plain color panels are easily decorated with Gold Bond Sundryflex, the low cost wall paint that dries in one hour—ain't that something? Comes in six charming colors. Don't forget too—it is one of the few wallboards that can be wallpapered. That's because it's moisture resistant, won't expand, contract, warp, peel, and all that sort of stuff. We're here to please yuh.

Give us a chance... HUHNN?

**MOVIE AND TV 'STAR':
Lt. James Condon of Hicksville in Active
Army Recruiting Office at 39 Whithall St**

HICKSVILLE—A local resident who is an important figure in the stepped-up Army recruiting program in New York City since the start of the Korean war this week appeared on the motion picture screen of Hicksville and other local theatres.
Lt. James J. Condon of 47 McAlister Ave., who is better known locally as the chairman of the

chairman of the Citizens' School Bus Committee, was shown in the newsreels administering the oath to new recruits at 39 Whitehall St., New York. One evening during the past week he was seen on NBC-TV in connection with the Army recruiting program also and his picture has appeared frequently of late in the New York City newspapers.

Lt. Condon, who commutes daily to New York, is a resident of the Hicksville Park Homes off Duffy Ave. He is active in local affairs and was recently elected vice president of the Civic and Community Assoc.

American Legionnaire

NEWS FROM WASHINGTON, D.C.—Any vets who are getting schooling under the GI Bill and would like to read the final version of the Veterans' Education and Training Amendments of 1950 may contact me at the Hicksville Legion Clubhouse, 24 E. Nicholas St.

Veterans separated from Federal jobs in recent years will gain all-important rehiring preference . . . if US Court of Appeals decision last week stands up. Court ruled that Federal agencies must rehire ALL VETERANS . . . including those without permanent status . . . before it rehires any non-veterans similarly dismissed.

When is a farm not a farm? . . . That confusing question was raised when the VA issued another ridiculous bulletin redefining "farm" as "any place on which the basic activities is the cultivation of the ground and the raising and harvesting of crops, including fruits, vegetables, pastures, etc." . . . It is ridiculous because VA has approved hundreds of on-farm training applications for chicken-farming, fur-farming, etc.

Quick action by House of Representatives in over-riding 213-72, President's veto on HR 87 . . . bolsters hope of 100,000 vets affected by bill that Senate may muster two-thirds vote necessary to follow suit. Senate vote will be very close.

ATTENTION ALL VETERANS who have not received checks or notification from the VA about their GI insurance dividend. YOU SHOULD immediately write to E. G. JOSEPH, director, Special Insurance Projects Service, Veterans Administration, Washington 25, D. C., and BE SURE to include complete identifying information.

NEWS AND VIEWS from Charles Wagner Post 421 . . . For the benefit of all members who do not attend our meetings, I wish to report that a very important step toward organizational security was taken last week when your aggressive Executive Committee met with the Directors of Legion Hall, Inc. . . . Another reminder that we are having our joint installation with the Auxiliary on Saturday, July 22 . . .

Also, your membership officer, ED BECKER, is ready to take your 1951 dues . . . Our little kitten, GUS GUS, may not have been killed if we had that long-promised curb along the Legion property instead of the logs that he was jumping over. My only worry is that some day it may be someone's child . . . Congratulations to Commander BOB BEARD on conducting his first meeting (and a very torrid one) in perfect order . . . Do you know that the Legion Bar is open to all members and their guests on weekdays from 4 p. m. on . . . Saturday we open at 10 a. m. and on Sunday at 1 p. m.
Yours for the Legion,
BUDY BOUBE.

By HOWARD FINNEGAN

The topic for today is self respect.

Although he won't discuss the subject with the press, it is known that Manager Bernie McGunnigle of the Botto Brothers softball team received a sharp note from Jones Beach officials to the effect that they were displeased with the attitude of his club and that expulsion from the loop would be the penalty if it were not changed.

The note followed Botto's 9-3 loss to Bellmore. In that game, the Hicksville players took issue with the umpires on two occasions. With the score 9-3 against them in the sixth inning, Bottos had a rally brewing with none out. Two runners were on base when the count went to 2 and 0 on Stan Smith.

The third pitch appeared to be a foot over Smith's head and when it was called a strike the stands erupted, to say nothing of the Hicksville Players.

The argument availed nothing and thereafter the Hicksville batters, filled with anger and uncertainty, swung wildly at everything and the game was hopelessly lost.

Another tempest developed in the ninth inning. Mel Voorhies was caught flatfooted by a quick pitch by Orville Carmen. So quick was the pitch that Voorhies could not get out of the way of it and was struck in the leg. He was not allowed to take his base, however, since he did not move out of the way of the pitch.

Under normal conditions, it would not have been cause for much of a beef, but in the big inning Bellmore had Joe Smith hit two batters and they both took their base. It was not hard for the Hicksville side to remember that one of those hit just had his loosely dangling shirt nicked as he leaned over home plate.

We really weren't supposed to know about the note. McGunnigle passed the word around to his boys to go easy, no matter what comes in the Beach league. As anything will when a dozen or more persons know about it, the story of the letter got out.

Which brings us to the subject for the week. The position of the Jones Beach league must be appreciated first.

The league is operated as part of a State Park. The Park is there for enjoyment of all who come to the beach. It cannot be considered a purely local league, and brawls which are associated with such are taboo.

Those responsible for its operation are rightly charged with providing an attractive, interesting program. Game delaying arguments, profanity and other outlandish acts should not be tolerated.

We have no idea of championing their cause here, but the manner in which an attractive and interesting program is attempted confuses this corner.

And before going any farther, there is another viewpoint to consider. That is the one of those watching the games. Be they rooters of either contestants or just transit observers.

Most fans have seen enough games to know what it is all about. They are intelligent and want a fair, impartial game so that the ultimate winner can truly be regarded as such.

Now the first thing the teams in the softball league at the Beach are told is "Do not protest." Absolutely not! No matter how badly the umpires interpret the rules of the game, and some corkers are pulled now and then, the feeling is given that it will be better for your team to take it and shut up.

That in itself is an overbearing attitude. The league does owe something to the clubs which organize teams and take the time to try and help make an attractive program.

Be that only that the league provide competent officials with a desire to run the game according to all rules.

The claim that pitching delivery, which is one of the most important phases of the game, is not carefully watched has oft been made, to point up just one angle.

But for the question of sounding off when you think something has been called wrong against you, we frankly feel that the threat of expulsion is a bit severe.

It is a normal reaction to yelp when you're stepped on or think you have been, and the Beach league would be more in line with its purpose if it treated all its participants like men instead of puppets.

Perhaps Hicksville and many others will not find themselves in the beach loop if they continue to complain about that segment of the officiating which is so obviously poor, but expulsions will not correct it.

Some of those persons in charge of the league have full time jobs in charge of high school athletics and have been known to raise a rumpus when they thought they were wronged, and have done so when they were supposed to be setting an example to the younger generation.

It is just plain old-fashioned Americanism to let loose when you think you are being stepped on.

It has to do with self respect.

As for the Grumman Yankee-Botto Brothers game, we have not yet found those words of contempt with which we could describe the proceedings in Glen Cove City Stadium a week ago tonight.

Near Riot As Grumman Wins

GLEN COVE — Close to 900 fans were on the verge of rioting as the fabulous Grumman Yankees, Kingspins of Easter United States softball, defeated the Botto Bros. club of Hicksville, 3-2, in the second game of a double-header here, Wednesday, after taking the first verdict 11-5.

Seven Hicksville errors and the fine pitching of Ollie Johnston helped to beat Joe Smith in the sloppy first game but it was the second contest that provided the fireworks.

Bill Bordiuk pitched a brilliant game for Hicksville but two punts, an error and a single gave Grumman two runs and Frank Jagello's hurling looked to be good enough to hold Bottos at bay.

However, the Hicksville club came to life in the last innings. Ralph Ferrara tied up the game with only one out and men were

on third and first. Stephenson to Rescue Here Manager Bernie McGunnigle pinch hit Jerry Kiesel who had been sidelined with an injured ankle.

At that point Grumman rushed the ace of its staff, Roy Stephenson, into the game without even a warmup.

Kiesel looked at a ball and then had two ankle low deliveries called strikes. Led by fifty or so persons seated right behind home plate the fans screamed and thundered their disapproval.

Kiesel finally struck out but the fans weren't quite even after Joe Laskowski whiffed to end the threat after fouling off six pitches.

Real Trouble The real trouble developed in the next inning after Bordiuk had set the Grumman batters down in order in the seventh.

With a runner on first and two out Bordiuk smashed a drive down the first base line. It bounced off first baseman Welser's glove, skipped over the bag and went into the right field corner.

The base umpire gave the fair motion all the way but when the smoke cleared with Hicksville runners the home plate umpire ruled it a foul ball.

In the heated argument that followed Joe Smith was ejected from the game when the base umpire yielded to the plate official and the crowd set up a din for fifteen minutes.

Bordiuk struck out to end the frame and Grumman pushed over a tally in the last of the ninth to win.

Most of the crowd stayed on to cheer the winners, and the umpires in particular, as the players left the field.

Syosset, Hicksville Tie in Meet

HICKSVILLE — The Second Precinct Police Boys Club held a track meet Saturday, July 15, at the high school grounds. The Lions Club trophy was shared by Syosset and Hicksville clubs with 32 points each.

Pt. Robert Reynolds and Pt.

Vincent Baumer presented the trophy. PBC directors wish to thank Louis Millevoite and Chester Jaworski, athletic directors of the Hicksville School System, for their aid in conducting the meet and to the Lions Clubs of Hicksville, Syosset, Farmingdale and Oyster Bay.

In the 80-pound group points were scored as follows: 40-yard dash, McGunnigle (H), Reardon (S), Jeransky (F); Broad Jump, C. McGunnigle (H), C. Miller (O. B.), C. Hicks (S). 100-yard dash: Syosset, Oyster Bay.

In the 95-pound group points were scored as follows: 50-yard, F. Sekelsky (S), T. Kessinger (F), F. Tagariello (F), Broad Jump, E. Oleschnowicz (O.B.), Tagariello (F), Sekelsky (S). 200 yard relay, Farmingdale, Hicksville, Syosset.

In the 110-pound class points were scored as follows: 50-yard, T. Hicks (S), Scott (H), May (F). Broad jump, Scott (H) and D. Frey (S), Gajewski (H), Hicks (S). High jump, T. Knipfing (H), C. Hicks (S). 440-yard relay, Syosset, Farmingdale.

Total points were: Hicksville 32, Syosset 32, Farmingdale 15 and Oyster Bay 11.

Ralph Ferrara Hurt as Botto Loses 2-1

JONES BEACH — Catcher Ralph Ferrara sustained a head injury in a third inning collision at home plate, here in the Stadium, Friday night as the Botto Bros. team lost a 2-1 decision to Wright's Hardware.

Ferrara was attempting to block homeplate following a long blast to left field by Jim Nick of the winners when the accident occurred. The plucky Hicksville backstop had the runner beaten but shortstop Ray Halleran's throw was wide and Ferrara had to lunge toward the infield for the ball.

Nick apparently was aware of a dangerous situation and didn't go into a slide. Instead he tried to hurdle Ferrara but his foot caught him in back of the left ear and immediately rendered

him unconscious.

A crowd of over 500 persons sat patiently for a half hour before Ferrara was removed from the field in a State Patrol Car and later transferred to a Meadowbrook Hospital Ambulance.

After a comfortable night he was released Saturday morning when no fracture was disclosed.

Was Winning Run The run Ferrara tried so hard to prevent turned out to be the winning run for Wrights. An error by Billy Byrnes a moment before enabled Nick's home run blow to score two runs and Bottos could never get both back.

Richie Berghauer was the winning pitcher even though hit for nice safe blows combined with one walk. He struck out five.

Jim Barone tolled in a thankless task for Bottos. He walked six men but allowed just two hits.

The only Hicksville run was scored in the fifth inning. George Karmar doubled, moved to third on an error and scored when Byrnes was safe at first when Wright failed in a double play attempt.

It was the second league loss for Bottos as against as many wins.
