SPECTACULAR FIRE in a former barn on Bloomingdale Rd. in Bethpage Fire District, Saturday afternoon, brought out Bethpage, Hicksville and Levittown Fire Depts. and did an estimated \$15,000 damage. Former farm building was stocked with new building materials including lumber, paints and shingles. Vamps laid long lines of hose to fight the flames and had it under control in couple of hours. Intense heat hampered volunteers. Top view shows some of the spectators drawn to the scene. Below, roof and walls aflame. (Herald photos by Frank Mallett).

False Alarm Earns Vamp 10 Day Jail Sentence

HICKSVILLE—William Danda, 37, of 6 Gables Rd. is serving a 10-day sentence in Nassau County Jail. He was sentenced Tuesday by Judge Joseph P. Lebkuecher on the specific charge of giving a false alarm of fire. The complaint was made by Chief Edward R. Schluter.

Danda, now under suspension as a member of co. no. 2, was arrested on Monday afternoon after he phoned fire headquarters at 12:15 PM that the firemen were required at 120 Woodbury Rd., a bar and grill. When the vamps and equipment arrived, it is claimed, Danda was waiting at the door and announced he had some friends who wanted to "go for a ride" on the fire trucks.

Arraigned before Judge Lebkuecher in court on Monday, his attitude toward the court led to his being held in jail for the night. On Tuesday he declined an attempt by his wife to obtain a lawyer in his behalf and after hearing was sentenced to spend 10 days in jail.

IF EMERGENCY LAW HOLDS:

No Increase In School Debt Tax Rate For 4 Additions

HICKSVILLE—What will be the effect of the proposal to enlarge four elementary schools at a cost of \$2,400,000 upon local taxes and the school tax rate? Voters of the district will vote on the four new bond issue proposals on Mar. 6. The following is an unedited statement of official views by the Board of Education:

It is impossible for the Board of Education to forecast with certainty the effect on the tax rate and on the individual homeowner's tax burden resulting from the building of the proposed additions. There are too many factors which influence the tax rate and which are subject to change for better or worse within the next year or the next five years. Among the variable influences which cannot be foreseen with certainty are the assessed valuation in the School District for each year, increase or reduction of State Aid or Federal Aid, and the interest rate to be paid on the money borrowed.

WITHOUT ANY AID

To give some degree of guidance to the people of the District, we here set forth the actual mathematical effect on the District tax rate that would be produced in the absence of any State aid for building construction. These are the amounts that the taxpayers of the District would have to be prepared to pay if the economy of the State as a whole were to cause an elimination of the present program of State Aid for building advances.

The figures have been computed on a possible interest rate of 3.10 per cent and a constant assessed valuation of \$50,000,000. The present assessed valuation of \$49,203,793 is in excess of the assessed valuation forecast for the District by the Governmental Statistical Corp. in 1950. It is expected, therefore, that future increase in assessed valuation will not be nearly so rapid as the increase experienced in the last three years. It is also deemed advisable to use a constant assessed valuation of \$50,000,000 because of the expected change in the state equalization ratio on assessed valuations which could adversely affect our School District's tax rate.

It should be borne in mind in reading the following estimates

that every increase in assessed valuation under the present equalization formula will result in a reduction of the tax rate indicated.

RATE FOR 5 YEARS

In the following table, showing tax rate for debt service for the next five years, it should be noted that the first column indicates the tax rate for debt service already voted and committed by the School District. The figure in this column will in no way be affected by the vote on the four new additions. The second column shows the total debt service tax rate with the new additions. The total effect on the debt service tax rate is an increase of 31¢ per \$100 of assessed valuation during the first year (1955-56) in which the effect may be felt. This amounts to \$12.60 on a house with an assessed valuation of \$4,000. The amount will decrease by 7¢ per \$100 each year because of reduced interest payments.

In the table, corrections have been made to the nearest 1¢ per \$100.

It should be borne in mind in reading the following estimates

Year	Present Debt Service	Debt Service with new Additions	Cost per year on \$4,000 Assessed Valuation
1955-56	\$1.13	\$1.44	\$87.60
1956-57	1.11	1.41	86.40
1957-58	1.09	1.39	85.60
1958-59	1.07	1.36	84.40
1959-60	1.04	1.32	82.90

ent time (for the school year 1953-54) and as it is being rescheduled for the school year 1954-55, there is a movable ceiling on debt service for a district such as ours which begins at 70¢ per \$100 and goes to 95¢ per \$100 of assessed valuation. As

Triple Class Sessions Seen Real Possibility

HICKSVILLE—Triple sessions for children of the school system is a "real possibility", School Board member Richard School told a group of "The Dutch Lane School, Tuesday night. Attending were members of the speakers' committee promoting the Mar. 6 referendum on \$2,400,000 for new school additions, PTA and civic assoc. representatives.

"At the present time," he said "85% of our children are on double sessions in this school district. What this means to our children and to our family life is a well worn tale by this time." He added that with the opening of the new Woodland Ave. School late this spring, three still will be 80% on double session in Sept. He distributed an official statement of the School Board on what the proposals will mean in tax cost.

Neighbor Makes News Headlines

By MAY MALJEAN
Hicksville 3-5515
If you've been following the daily news headlines lately, you've undoubtedly read of the young vet-

eran, Jack Kieyling 24 and his 14 year old girl friend—Loretta Snow. These are the two who were off to Maryland to get hitched, and—as you may have read—the

elopement was over all too soon for them. They were found by Charles Betancourt, a transit policeman.

Reason for this column's interest in the affair is that Charles Betancourt is one of our neighbors on Ketcham Ave., Woodbury Gardens. He found the couple sleeping on the subway platform on a bench. His picture appeared in the Daily News.

WOODBURY GARDENS CIVIC MEETING

It would be a pleasure to meet some of the newer residents of Woodbury Gardens at the next meeting of the Woodbury Gardens Civic Association on Thursday, Feb. 18. Get out and meet the neighbors. Of course, all of the older residents are invited as usual. Let us all be present, as it is the annual incorporation meeting at which we should have a big turnout. There will be a speaker at the meeting who will discuss the new school vote. Time: 8:30 Feb. 18 at East St. School.

HAPPENINGS AT WOODBURY GARDENS

Two new babies here—Mr. and Mrs. Harry Schmellenberger, of Wilfred Blvd. are blessed with a boy and Mr. and Mrs. Steve Pendergast, of Wilfred Blvd. are hearing the patter of the little feet of a baby girl. Patricia Murray is a birthday girl this week on Feb. 8 and her father Paul Murray celebrated his 60th birthday on Feb. 9. At Rosalie Leary's party were: Helen Branham, Gladys Blaser, Ann Becker, Eleanor Catter, and Doris Kelly. The party was given at Eve Roth's, and Mrs. Roth's mother was also present. They had a bingo game. Mr. and Mrs. Alison of Ketcham Ave. have a 1960 Nash as their family car, now.

RETARDED CHILDREN

The Assoc. for the Help of Retarded Children has elected new officers in Nassau: President Robert G. Seaman, 1st Vice President Norman Lazarus, 2nd Vice President Dr. Alan Jacques, 3rd Vice President Jannings Dennis, Recording Secretary Mrs. John Nicholas, Corresponding Secretary Mrs. Herbert L. Kulp, Financial Secretary Mrs. Nicholas Smith, Treasurer Charles Zwickler.

This organization has made great strides in the help for children whose education and physical progress heretofore were limited. They have made it possible for countless parents and children to look toward a brighter future where before it was an impossible situation. Our hats are off to this wonderful group.

They are seeking volunteers to help in some small way to staff its offices in order to cut down on expenses, at the present time, and—of course—when they are raising funds, all the help they can possibly obtain will be greatly appreciated. We have, locally, a man who is always offering his time

Dear Jean:

BOB MANGELS, who is a busy fellow as president of the Police Boys' Club sponsoring committee; in addition to his activity with the Legion Post, has reluctantly suspended authorship of The Legionnaire column which has been a well-read standard feature of the Herald for nearly three years. . . . We hope he returns with it soon. . . . We see CONNIE PIUS is riding the streets of our town these days in a classy new green Dodge he had bought her. . . . WALTER BALDWIN has firmly rejected nomination for his re-election as secretary of the fire Dept and has opened the way for other candidates. Already in the running are WALTER (Bud) WERNER and DEREN HEALEY. . . . GEORGE COOKE, 16, of 2 Lynn Court, Hicksville, was pulled from the wreckage of a stolen car in Queens this week and booked on grand larceny charge. Police said the car had been stolen from Sunnyside and was brought to a halt after a 70 mph chase which ended in a collision with another auto. . . . Apologies are due the REV. HOWARD ROGERS. Report of the Co. 5 installation dinner in Tuesday's Herald missed the most important fact that REV. ROGERS, chaplain of the fire dept, was the installing officer. . . .

It is rumored that THOMAS ABBOTT of Massapequa, chairman of the Township Democratic organization, may resign the position which would put vice chairman THOMAS POWELL of Hicksville in line of the leadership. POWELL is former president of the local Democratic club, an attorney, and was his party's candidate for assembly and tax receiver in various elections. . . . We hear that JIM MONVIES of Hicksville who ran for highway superintendent on the Democratic ticket last November has moved to Connecticut. . . . It is reported that the NLEOA, hard core apparently not even satisfied with the pro-Levitt position of the Levittown newspapers, will put out its own circular starting Feb. 19. Shares in the project are being sold door to door and anyone mentioning card proofing will be banished from Levittown Hall. . . . Chemical Co. No. 3 of Hicksville Fire Dept. will hold its installation dinner at the Music Lounge, Main St., Farmingdale, on Feb. 27. . . . Co. No. 2 will have its dinner this Saturday, Feb. 13, at the firehouse. A new chairman was hurriedly selected Monday night when it became apparent that the previous chairman was being "detained" out of town. . . .

BILL LEVITT is getting plenty of publicity in Bucks County, Pa. A headline in the Feb. 4 issue of the Delaware Valley Advance states: "Supervisors Plan Close Surveillance on Levitt Building". The report on a township board of supervisors meeting shows that Levitt was permitted to reduce street widths from 32 to 26 feet and sub-surfaces from 8 to 5 inches. The Board was told that "present streets in Levittown constitute a hazard to children, that buses find it difficult to travel when cars are parked." There is also some reference to the fact that a newly appointed town attorney had formerly done legal work for the building firm. . . . Eighteen were present at a meeting of the Hicksville Civic Information Exchange, Tuesday night. Plans of one civic group to launch a campaign in March to get volunteer ambulance service in Hicksville were outlined. . . .

for this organization, Mr. Ed Mastella, of Vincent Road.

LIGHT THE OVEN

Sultana, or White Raisin Cake is today's dish, contributed by Mrs. J. Paskie, of Vincent Road: 12 oz. butter or marg., 10 oz. sugar, 16 oz. flour, 5 eggs, well beaten, 1 t baking powder, 1 lb. white raisins. Beat sugar and butter for 15 min. and fold in flour and eggs alternately. Add fruit and add baking powder last with a little flour. Bake in very slow oven 250 degrees for 2 1/2 to 3 hours.

A FEW "THANK YOUS"

We wish to thank all of you fine people who contributed to the Mothers March on Potio. You gave generously and unselfishly, and—of course those who collected have our indebtedness. . . . I may say

the same for the Boy Scout Fund, adding a postscript. I recently read that it costs each family \$495 yearly to pay for crime, according to J. E. Hoover. It seems to me that our contribution to boy scouts are a small figure compared to the cost of a misguided child who turns to a life of crime.

Duffy Pk Looks Into Civil Defense

HICKSVILLE—All civic organizations of the community are being invited to attend a meeting of the Duffy Park Civic Assoc. on Thursday night, Feb. 25, when Civil Defense will be the major topic of the evening. The County CD has promised to provide a speaker and all interested are cordially invited to attend.

Henry Schreiber, president of the civic group, asks all Duffy Park residents to turn out for the meeting. "It is our hope," he said, "to re-interest the people of Hicksville in Civil Defense. Let's reactivate the 900 who enrolled in CD here and now stand dormant on the rolls."

The group now holds all regular meetings the last Thursday of every month. More than half the Duffy Park residents are now paid up members and there is thought being given to extending the membership area to include the Southside area of the Duffy Park homes along Duffy Ave.

School children safety is one of the major projects of the group. Anyone interested in helping is asked to contact Chairman O'Brien of 26 Burkland Lane (HI 5-3792) or President Schreiber at HI 4-2192.

The civics hope to secure a traffic light at Old Country Rd. school and sidewalks along Old Country Rd. leading to the school.

Audience Likes Piano Quartet

HICKSVILLE—An appreciative audience heard the Philharmonic Piano Quartet, Tuesday night, in the high school auditorium present a comprehensive concert which included music from many of the immortal composers. Practically every seat was filled at the concert, one of the series sponsored by the local Community Concert group.

Vigorous applause was won by the four musical artists, Ada Kopetz, Emmett Vokes, Morland Korkkama, and Herbert Rogers, during their well rounded program.

An outstanding number, partly because of the clever arrangement, was Tchaikovsky's Excerpts from "The Nutcracker" Ballet, which included "Dance of the Sugar Plum Fairy," "Mirliton," and "Waltz of the Flowers."

The program was opened with the colorful overture to "The Marriage of Figaro" by Mozart. From then on through the music of Brahms, Chopin, Strauss, Liszt, Stravinsky, Debussy, Ravel, Tchaikovsky, and Jacques Offenbach, the talented pianist had won their audience.

Encore included "Spinning Song" by Mendelssohn; "Perpetual Motion" Strauss; "Falling in Love" and "The Still of the Night."

We Can Use Some Light Industry

By JOHN DOWLING
The Town Board could do itself and the residents of the Plainview community a great favor by looking into the possibilities of establishing some light industry within Plainview's borders.

As late as last week that legislative body denied in turn applications by the Skouras Theatre Corp. to open a movie palace in Syosset and the U. S. Dredging Corp. to erect a warehouse and processing plant in Oyster Bay.

Of course, we don't mean to

suggest that all business and light manufacturing plants seeking to start operations in the Oyster Bay Township would be desirable. Some by the very nature of their business or product just wouldn't fit into the community scheme of things.

On the other hand, with all of these applications passing through the town council's hands, wouldn't a better distribution of industry be more beneficial to the entire township?

The reason for denying the Skouras Theatre application is unknown to us. Possibly, it stemmed from protests by the residents of Syosset. If that be the case, perhaps our township officials might give consideration to the idea of suggesting to Skouras Theatres and other desirable firms the possibility of setting up shop in Plainview.

Our latest tabulations indicate that Plainview's present population is somewhere

around the 10,000 mark and still rising with many new homes currently being occupied or under construction.

This gives you an idea of Plainview's future purchasing power in addition to the excellent labor market that will be able to fulfill the needs of any business organization moving into the area.

Furthermore, a smattering of light industry helps to give the community financial balance. It assists the residents in their efforts to build up a school system by placing a portion of the tax burden on business and cuts down to some extent the need for a constant building program.

At the present time, our good neighbor to the west across South Oyster Bay Road is the favored son as far as industry goes, while Plainview is beginning to feel like Cinderella before she met the fairy queen. How about it town fathers? Give us a high dab of your magic wand before it's too late!

Chevrolet OK Caravan Due

HICKSVILLE — The famous Chevrolet OK Used Car Caravan will be here next week, starting Monday, Feb. 15, at MacPherson Chevrolet on First St., off South Broadway. It is a complete operation put on the road by Chevrolet to acquaint dealerships with the latest and best methods and equipment for reconditioning used cars.

Only one such van is available for each of five regions of the country and only 50 dealers in each region have access to the van this year. Everyone interested in the procedures is invited to visit MacPherson's during the week.

Obituary Rosa Aracil

HICKSVILLE — Requiem mass was held Feb. 11 at 11 A.M. in Holy Trinity Episcopal Church for Rosa Aracil, late of 15 Underhill Ave., who died on Feb. 8. Interment was in Long Island National Cemetery. Arrangements were by the Henry J. Stock Funeral Home, Newbridge Rd., here.

She is survived by her husband, Francis; a son, Francis; a daughter, Charlene; her father, George Spaulding; a brother James, and two sisters, Mrs. Isabella Davidson and Mrs. Kathleen Walton.

SCHOOL DEBT

(Continued from Page 1)
the law now stands, therefore, our debt service tax rate is limited to 95¢ per \$100. This rate is subject to slight increase, dependent upon the cost of the buildings, but such increase would be very small.

Under the present State Aid laws, therefore, the district has already assumed obligations for construction which exceed the ceiling placed by the law and therefore if the emergency law remains unchanged, the new additions will result in no increase in tax rate. Part of the money advanced by the State will be repaid at some future date. Such repayment, however, will be made by increasing the years of payment, not by increasing the tax rate. The stabilized tax rate of 95¢ per \$100 on a house with \$4,000 assessed valuation amounts to \$38.

PLAIN-VUES:

Theatre Guild Changes Dates

By RAE CANTILLI
Hi Folks:
I'm finally back to normal after a hectic "after-vacation" two weeks. I haven't got too big a column, but here goes:
PLAINVIEW THEATRE GUILD
Because of misunderstanding and very bad weather the first meeting of the Plainview Theatre Guild was postponed until Feb. 17. A sincere apology goes out to all the people that came out in such weather and were disappointed. However, neither rain, hail, dark of night (or school) will prevent the next meeting which will be on Wednesday, Feb. 17th at the Manetto Hill School at 8:30 p.m. The School will be opened and we will meet in one of the classrooms. Anyone interested in any phase of theatre is most cordially welcome to attend.

PRISCILLA GUILD
The regular meeting of the Priscilla Guild was held last Friday night at the Plainview Chapel on Central Park Rd. Mrs. Weber, President, presided.
Flights for the Cornerstone Ceremony were made in which the Guild were to serve the refreshments. A Social Night was planned for Sunday evening Feb. 21 at the Chapel for members of the guild, the congregation and friends. The evening will also be in celebration of the second anniversary of the Priscilla Guild. The

Award Charter To New Post

PLAINVIEW — The American Legion Post of this community was formally presented with its charter Monday evening in ceremonies held at the Charles Warner Post Club House in Hicksville.
Nassau County Comdr. Fred Bertram made the presentation to Plainview Post Comdr. Al Schupp. On hand to witness the affair were many local Legionnaires and their wives. A buffet supper was served following the presentation of charter which will be signed by Post's forty-seven charter members.

The Post, since its inception last year, has been one of the fastest growing legion posts in Nassau County. The membership roster reveals that a 20 per cent increase in memberships has been experienced since the beginning of the year.

Holy Name Society Forms

PLAINVIEW — Members of the newly formed Holy Name Society of Our Lady of Mercy parish met in the church Monday evening to enroll new applicants for membership in the Society.
Nominations for the society's first officers will be held at the March 8 meeting and elections will be held Monday evening April 12 at the church, according to William Brennan, 22 Vassar Lane, Hicksville, who is acting chairman. The Rev. L. J. Schwebius, pastor of Our Lady of Mercy, is the Holy Name Society moderator.

CD Shinnegans Are Old Story

By Fred J. Noeth

SENSATIONAL EXPOSURES regarding the paid administration of the Civil Defense organization in Nassau, publicized earlier this week in *Newsday*, came as no surprise to mid-Island residents. Fourteen months ago when Frank Sutter, Hicksville volunteer CD director, and the local CD council resigned after serving for 26 months, the strong-handed attitude of Cyril J. Ryan was regrettably put before the public.

"Ryan's Action Hampers CD" was the title of an editorial in the *Herald* on Dec. 25, 1952—over a year ago—in which we said: "Speaking for myself, I have resigned as deputy director and I know full well the importance of this program. I feel, however, that some other individual will be better able to cope with some of the difficulties encountered in dealing with upper levels of the CD organization. If I had any doubts about the soundness of my decision to withdraw, they were dispelled Friday night by the poor example of the man employed by the County of Nassau to give leadership, guidance and sound administration."

The Hicksville-Plainview CD unit (since separated into two distinct units by Charles Eggrington who succeeded Sutter) under Sutter's capable direction became one of the outstanding units in the county. Sutter resigned after 26 months of unselfish service with more than 900 volunteers registered, photographed, fingerprinted and enrolled.

The local experience with the county CD did not end there. Less than six months later, the volunteer police auxiliary led by Thomas Cullen also resigned in a body as a result of difficulties in getting cooperation from the county CD administration.

For a period of months thereafter, *Herald* readers learned the story of the auxiliary police experience as George McCarthy, a lieutenant in the unit, wrote a series of articles. Appeals to the State Director won promises of action but resulted in exactly no progress.

Sutter and his CD council of volunteers, including the leaders of the air raid wardens, fire liaison, welfare, housing, supply, shelter, etc., had resigned in hopes of drawing official township, county and state attention upon local difficulties.

And while taxpayers' money is being used to keep Ryan on the payroll, a fine volunteer organization was permitted to disintegrate without an official finger being lifted to stop it.

Allen S. Carpenter wrote in the Nov. 17 issue of the *Herald* in his column "In the People's Corner" that "Our paid CD personnel are all political appointees of our local town and county officials. Our officials can put an end to this buffoonery within 24 hours, merely by demanding that their appointees really earn their salaries. Until the use of CD money for political patronage is stopped, we are allowing a vital part of our country's defense to be sabotaged. Unless our officials 'face up' to their responsibilities, they are in effect constituting a 'fifth column' all their own."

Apathy on the part of the public toward CD has been shamefully encouraged by the consistent refusal of public officials to recognize failures and demand action. The safety of each and everyone of us is the pawn.

SAID LINCOLN

"I know that there is a God, and that He hates the injustice of slavery. I see the storm coming, and I know that His hand is in it. If He has a place and a work for me,

and I think He has, I believe I'm ready. I am nothing; truth is everything. I know that I am right, because I know that liberty is right, for Christ teaches it, and Christ is God."

In People's Corner

By ALLEN CARPENTER

The following is quoted verbatim from the last published report of the New York State Auditor General on the Town of Oyster Bay.

"Employees were paid on individual claim forms in a number of instances. Such payments for services should be processed as regular payroll items, subject to certification by the County Civil Service Commission.

"A number of payments were made upon resolution of the town board without certified claims to support the disbursements." (pg. 14-N.Y.St. Auditor's Report).

In reference to the above report, the Auditors went on to say: "Section 103 of the Town

Law requires that all payments be supported by certified claims, with the exception of claims for fixed salaries, debt service and amounts due on contracts for periods exceeding one year." (pg. 14-N.Y.St. Auditor's Report).

With the excellent town attorney's services, our Town Board could not have acted in ignorance of the law—could they? But let's look only at the sunny side shadows are depressing.

Without shadow you cannot see the holes in road, before you. We all know that where there are shadows—there must be light. Where there is no shadow—there is no truth, or reality. "They say and do not."

Great American

We are celebrating Friday the 145th anniversary of the birth of one of America's greatest leaders. Abraham Lincoln led our nation through what was probably its most difficult days. Ninety years after the Civil War, it is difficult for us to understand and appreciate the differences that split the country. It is difficult indeed for us in this day, to really appreciate the problems that faced Lincoln as President. We are sometimes in danger of being a bit smug about a man like him, and we must avoid it.

A Real Man

Anyone who has studied the life of Abraham Lincoln knows that he was a very real person. He had the same joys and sorrows as anyone else. He had ambition and courage to learn and to rise above his fellow man. At the same time, he remembered that he was one of them and he always understood their needs. He was deeply shocked that one man could enslave another. Later in his life, he was able to do something about it. For this, we should all be grateful.

Gettysburg Address

Lincoln was invited to speak at the dedication of the cemetery at the Gettysburg cemetery in Pennsylvania. On the same program were other distinguished citizens and many able orators. After the fashion of the day, at that time, the Union fortunes were at a low ebb and Lincoln was particularly downcast as he prepared his speech on the train to Gettysburg. The speech was to be a brief one, barely three minutes in length. After having heard the glowing and lengthy words of the other speakers, according to the records, Lincoln felt even more downcast. How could he equal the fine oratory!

Immortal Words

Such was Lincoln's humbleness. But the words he spoke struck the nation. They were brief, but very much to the point. They have not been equalled, or even approached, to this day. It is the only talk of its kind which is required learning for our children in school. And by the looks of things, it will be in the curriculum for a long time to come.

'Of The People, By The People, And For The People'

The brief talk concluded with the words "and that government of the people, by the people, and for the people, shall not perish from the earth". These words are probably the most significant ever uttered by any President.

HILLSIDE TERRACE HAPPENINGS:

3 Sets Of Twins On Cambridge Dr.

By BETTY MUGAVIRO
Hicksville 4-6771

It's disheartening to learn after talking to many of our neighbors that one or two members of each family are down with the "virus." Here's hoping that by the time you read this they will all be up and around again.

New for the good news: It looks like the population of Terrace is growing fast. Mr. and Mrs. George Walsh of Vassar Lane have a new daughter named Barbara Ann, born in Nassau Hospital on Jan. 26, weighing 8 lbs. and 4 ounces, their fourth child.

Twins, a boy and girl were born to Mr. and Mrs. Leon Long of 117 Cambridge Drive at North Shore Community Hospital, Glen Cove, on Jan. 29, and have been named: Janey and James Francis. The baby girl weighed 6 lbs. and 14 ounces and James Francis 6 lbs. and 2 ounces. This makes the third set of twins on Cambridge Drive. A daughter, Nancy was born to Mr. and Mrs. John McDermott of Haverford Rd. Jan. 18 in Nassau Hospital, weighing 8 lbs. and 1 ounce.

Mr. and Mrs. Charles Marabella had their son, Charles Louis, Jr. christened at Our Lady of Mercy Church on Jan. 31. Charlie's sister, Rosemarie Wehly was god-mother, and Ray Carrano, Marthe's brother was godfather. After the christening many unexpected guests dropped in, making it a very happy affair. Among them were Mr. and Mrs. Anthony Marabella of Utica, N.Y.

Let's welcome another new neighbor, Mr. and Mrs. Rodney James, who moved to 88 Vassar Lane from Buffalo, N. Y., with their two months old daughter. Glad to see you folks, hope you will like us.

Deborah Ann Kinkella of Vassar Lane was two on Feb. 2nd and celebrated with her family and friends. Her grandmother, Margaret Broderick had a birthday Jan. 21 and celebrated with Mrs. Bauer and Mrs. Basel of Adelphi Rd. Patricia Ann Mirabella was 7 on Feb. 3; Millie Perricone of

Vassar Lane was 24 on Jan. 30, while her son, Richard was 8 on Jan. 19.

I want to wish our son, Jeffrey who will be 4 years old Feb. 26 the best of birthdays, and also our dear friend, Gene Maljean of 16 Fulton Rd. who will also observe his natal day on Feb. 26.

Mr. and Mrs. Meyer Kasindorf of Vassar Lane marked their 10th anniversary Feb. 5 with Mr. and Mrs. Perricone. Mr. and Mrs. William Aronoff of Vassar Lane, all of them going to New York to celebrate.

Ruth Aronoff was the star collector for the March of Dimes, collecting \$44 of the total of \$165 from the residents here.

Jimmy De Vincentis, 10, of Dartmouth Dr., underwent an operation last Monday, in New York Hospital. His dad, Harold will celebrate his birthday Feb. 17 on here's hoping Jimmy is up to help celebrate. Eric Lonschein of Haverford Rd., who recently underwent major surgery, is home and doing fine. . . sorry to hear that Mrs. Fuller, Captain Tom Thompson's mother is in North Shore Community Hospital. Stella tells me that she is improving. All of us send Mrs. Fuller our warmest "get - well" wishes.

The Tuesday Night Women's Sewing Club's ten members all went out to the Town Club in Great Neck to mark the birthdays of Mary Collea of Dartmouth Dr. (Feb. 5) Peggy Brohm of Dartmouth Dr., (Feb. 6) and Rose Sepanski of Ardley Gate (Jan. 30), all members of the club.

All had a gay time. The other members are: Evelyn Alberto of Dartmouth Dr., Marge Basel of Adelphi Rd., Lillian Coyle of Haverford Rd., Eleanor Hardy of Haverford Rd., Kay Kinkella of Vassar Lane, and Rose Steinmetz of Dartmouth Dr. The club held a baby shower for Rose Steinmetz of Dartmouth Dr. Her new daughter has been named June Marie, and for Jenny Alvino, who has named her daughter, Jean Marie.

Mr. and Mrs. Cecil Bier of Haverford Rd. had a pleasant visit from their niece and husband, who

came here by plane from Pittsburgh, Penna., for a visit.

Mr. and Mrs. Robert Thompson of Adelphi Rd. held an open house last week with 20 guests present.

Late news flashes bring Happy Birthday Greetings to Sylvia Kamet of Dartmouth Dr., who will be 21 on Feb. 20. John Drury of Stanley St. marked his birthday this month. He is an opera star and has sung professionally at the City Center and the Chicago Theatre of the Air. Sue Ellen Gerchik was 7 on Feb. 1 and had a party for her neighborhood chums.

Ernie Gosay is home on a two week vacation from his job in Syracuse.

Margaret Broderick of Vassar Lane was given a 20 lb. turkey at the first card party held by Our Lady of Mercy Church. Another party will be held the last Friday on this month.

Mr. and Mrs. Howard Warren of Dartmouth Dr. held a bagel and lox party Saturday night. Those attending were: Ruth Gosay, Mr. and Mrs. Aaron Blaustein, Mr. and Mrs. Abraham Peck, Mr. and Mrs. John Drury, Mr. and Mrs. Norman Corenhoir and Mr. and Mrs. William O'Donnell.

MISS BETTY HUCKSTEIN

Mr. and Mrs. Paul Huckstein of 12 West St., Hicksville, have made known the engagement of their daughter, Betty to Paul Pikuritz, son of Mr. and Mrs. Joseph Santos of 27 Gables Drive, Hicksville.

There will be prizes for the most beautiful, most original and most comical costumes. The Mardi Gras King and Queen will be crowned and a floor show will feature some of Hicksville's most colorful talent. Table reservations are now being made. Those attending are urged to wear costumes. Teenagers under 18 will not be admitted to the dance which starts at 9 to the music of the Tri-tones.

At a general meeting of the Catholic Daughters on Feb. 4, chairladies Lucille Looney, Therese Manelski and Joyce Quinn and their committees were given a rising vote of thanks for the excellent job they did on the recent card party and fashion show. It was pronounced a social and financial success.

SEES NO DEPRESSION

"If those who persist in taking a pessimistic view of the future succeed in planting fear in the minds of the public, those seeds of fear could take root and the result might be the very condition we seek to avoid. . . In my opinion the pessimists are again mistaken. No depression is in my vision. It is my belief that the national economy will be strong and healthy throughout the year."

Calvin Glecklers On Trip To Washington

FRANKLIN SQUARE — Following a honeymoon spent in Washington, D. C., Mr. and Mrs. Calvin Gleckler, who were married Jan. 30 at St. Catherine of Sienna R. C. Church, here, will be at home at 134 Debevoise Ave., Roosevelt, Mrs. Gleckler is the daughter of Mr. and Mrs. Albert F. Conlin of 104 Grange St., Franklin Square, and Mr. Gleckler of Mr. and Mrs. Harry E. Gleckler of 19 Sterling Place, Hicksville.

The nuptial mass was celebrated by the bride's uncle, The Rev. William T. Gannon who used the double ring ceremony.

The bride wore a gown of white Chantilly lace over tulle, styled with a long lace tunic over tulle worn entrain. Her fingertip veil was held by a crown of seed pearls and applied matching lace. White orchids marked the white prayer book she carried.

Her maid of honor, Evelyn Versapoli wore changeable taffeta combining a dominant electric blue shade with cherry red, and a headband of flowers accentuating the colors of her gown. The three bridesmaids, Mrs. Joseph Donlan, Mrs. Charles Martin and Miss Lois Reinertsen, all wore changeable taffeta with the colors reversed and cherry red becoming the dominant shade. All wore similar headresses and carried shower bouquets of roses.

The bride's cousin, Jeanne Gannon of Bellmore wore shrimp colored taffeta and carried a basket of flowers.

The bridegroom had as his best man his brother, Harry Gleckler, Jr. Ushering were: Frank Conlin, a brother of the bride; Charles Demarest, and Jack Kearns, the

latter a member of the Hicksville Junior High School faculty.

The bride's mother wore turquoise taffeta with accessories in black and white. Mrs. Gleckler chose a wheat colored crepe dress with a matching sequin hat for her son's wedding. Both wore corsages of orchids. The bride's grandmother, Mrs. M. E. Gannon wore powder blue crepe with matching hat and white gloves.

To travel the bride wore a gray suit in a British tweed, a rose felt

hat and gloves with matching earrings and necklace.

A reception at the Stewart Manor Country Club followed the ceremony.

Mr. Gleckler is an accountant with Charles Pfizer and Co. in Brooklyn. He was graduated from Hicksville High School and Pace Institute, N. Y. City. His wife was graduated from Sewanahaka High School, Floral Park, and is employed in New York City with the Bell Telephone Co.

Teaching Wives To Make Good Pie

"All the world loves apple pie but all wives can't make it," declared Rose Seretan Tuesday night as she presented a "Pastry Demonstration," at the home of Mrs. Leslie Schwartz of 143 Spindle Rd., Hicksville. Mrs. Seretan, who lives at 1265 Pleasant Rd., Wantagh, is copying single handedly throughout Long Island with the "ignorance" of many in the fine art of pastry making.

She loses no time in her demonstration, rolls up her sleeves (figuratively that is) and goes right to work showing groups of women, how to shelter those tart, spicy apples in a crust that "will always be flaky." She can also make cookies in the shape of Santa Claus, snowmen, bunnies with Easter eggs, and flower cookies that look too pretty to eat.

Mrs. Schwartz's guests included: Mrs. Theodore C. Roseberry, Mrs. Craig Walsh, Mrs. Jack Springer, Mrs. J. H. Saffron, Mrs. Tom D. Cherry, Mrs. Michael Leonard, Mrs. Hyman Gorenstein and Mrs. Harold M. Baker.

Mrs. Schwartz devoted her share of the party's proceeds towards the purchase of a tape recorder for the Junior High School by the PTA of which she is an active member.

Among the new general medical practitioners who have settled in Hicksville recently is Dr. E. Barrett Hecht of 2 Murray Rd., Hicksville. Dr. Hecht formerly served with the Army Medical Corps and was stationed in Atlanta, Georgia.

MISS JOAN KOGAN who received a medal for ability is the daughter of Mr. and Mrs. Sol Kogan of 68 Sackett St., Hicksville. The honor was won when she was graduated from the Mt. Sinai Hospital School of Nursing in New York on Feb. 2nd. Miss Kogan, a graduate of Hicksville High School in the class of 1950, is remaining at the hospital as a staff member.

Three Infants Christened Here

Three infants were christened at Trinity Lutheran Church, Hicksville, on Sunday, Feb. 7, at the 11 A.M. service by the Rev. Edward H. Stammel.

They included: Walter Raymond, son of Mr. and Mrs. William Wohlska, Jr., 18 Salem Rd., Hicksville; godparents, William and Ruth Atwell.

Kurt Robert, son of Mr. and Mrs. Howard W. Spears of 51 Hollyhock Rd., Levittown; godparents, Mary M. and Theodore J. Schwartz. Mrs. Spears is the former Eleanor Schwartz.

Catherine Ann, daughter of Mr. and Mrs. Clifford Heinzerling of 11 Straight Lane, Hicksville; godparents, Ralph H. and Ann H. Heinzerling.

WEEKEND VISITORS

Mr. and Mrs. William Conrad of E. Lansdown, Penna., were weekend visitors at the home of Mrs. Conrad's sister and husband, Mr. and Mrs. Frank Mallett of 183 Plainview Rd., Hicksville, and at the home of another sister and husband, Mr. and Mrs. Thomas Stephenson of 14 Gables Dr., Hicksville. The Conrads are taking a trip up through New England.

Bill Haynes of Hicksville had a number of his pictures entered in Arma Corporation's first employee art show. Mr. Haynes is an illustrator in the plant's technical publications department. The art show was held the week of Feb. 1 in the cafeteria of the Roosevelt Field plant.

The Hicksville Town Girl Scout Committee will meet Wednesday night, Feb. 17, in East St. School.

MILITARY BRIDGE

The annual Military Bridge will be held Friday at 8:30 P.M. in the auditorium of the Holy Family R. C. Church, sponsored by the Rosary Altar Society. Men are invited to attend the event which will be featured by entertainment under the direction of co-chairmen: Mrs. Arthur Reill and Mrs. Harry Dura Durdaller, by numerous prizes and refreshments. Other types of games including canasta and buncie will be played.

The Independent Art Society will meet in Hicksville High School Tuesday, Feb. 16 in room 126 at 8 P.M. A discussion of contemporary painting will follow the business meeting. Anyone interested in the arts and wishing to join is invited to attend.

CP Campaign Goes Over Top

The total amount of \$301,219 was collected in Nassau County during 1953 for the benefit of the Nassau County United Cerebral Palsy association, it was announced at a report meeting held last week at the CP Diagnostic and Treatment center in Roosevelt by State Senator Edward P. Larkin, 1953 fund drive chairman. He stated that the goal had been set at \$275,000, and the sum raised during the campaign is about ten per cent above this amount.

In reviewing the year's fund-raising activities, Mack Markowitz of Hempstead, association president, stated that special gifts totalled \$107,899 and that \$88,000 was raised through an intensive door-to-door campaign waged throughout the county by some 10,000 volunteer workers.

An additional \$195,899 was raised through special events, the annual Cerebral Palsy telethon, bank enclosures and commerce and industry drives. The largest single contributor was Roosevelt Raceway, with a donation of \$25,000.

Senator Larkin pointed out that the major portion of the funds raised in the 1953 drive will go toward support of the Roosevelt Palsy center, which is currently providing over 600 palsied children their first opportunity for diagnosis, treatment and education. The operation is the most extensive of its kind in the United States and probably in the world, he said.

In addition to the diagnostic services at the center include physio, occupational, speech and hearing therapy; podiatry, dentistry and psychological services. Through the cooperation of the Roosevelt School District, qualified children attend regular classes conducted at the center five days a week by specially trained teachers.

AMVETS ALLEY Saturday evening at the AMVETS hall the Officers of the post and auxiliary of the Col. Robert McHale AMVETS, Levittown, were installed at a very nice installation ceremony. Installing officer was James Reilly, former State Commander, and for the ladies' was State President Adele Eisnitz. Among other guests invited was Lou and Mrs. Hutter, Larry Marshall Stan and Mrs. Klein of Rockville Centre Post 27, Al Mattioli, past country commander; Joe Russell, County Commander of AMVET. George Honoski, Fred Blackley, John Swicki, Ellen Swicki and Helen Schneider of Post 44. Presented with a Citation and an Award was Mrs. McHale, mother of the Standard Bearer of Post 99. Remember the name Post 99? you will be hearing more about them as time goes by.

DATES TO REMEMBER: Feb. 13, post's Sweetheart Dance; Feb. 19 regular meeting of the post. BIRTHDAY DEPT. Happy birthday to Felix Pesinkowski and Mike Parish on Feb. 13... don't give your real age fellows.

PREDICTION DEPT. A Veterans Organization will be sharing our club house before long. Levittown post to be the largest in the State of New York. HI-LITES HERE AND THERE: At the installation Johnny Swicki looking for two pieces of sponge??? Whaaa you say John? Incidentally, fellow, I found a member with three hands Yaki!

yaki Gave Dick Huebner, former member of post a hard time with that red tie he was wearing.

WASHINGTON, D. C. AMVETS National Commander Henry J. Mahady today urged all Amvets posts to refrain from "Vigilante Tactics" which can virtually affect the basic freedom of American Citizens and reminded Amvets that as a Congressionally Chartered (July 23, 1942) Veterans Organization it is dedicated to three major aims: "To promote World Peace. To preserve the American way of life and to help the veteran help himself."

Quoting Judge Learned Hand, Commander Mahady condemned "... That community ... Where each man begins to eye his neighbor as a possible enemy, where non-conformity with the accepted creed ... is a mark of disaffection; where denunciation, without specification or backing, takes the place of evidence ... "The most effective way that AMVETS can promote Americanism is to understand fully and practice the precepts of our American Democracy," Commander Mahady a La-trobe, Pa., Attorney, told his members.

AMVETS pride themselves on their positive approach to Americanism, the World War II-Korea Veterans Leader said, citing as an example the AMVETS National Americanism Committee—which is currently embarked on a "Know Your Government Campaign". AND THATS THAT FOR NOW. Have faith in me regardless of your race and creed. Tell me of all your wants and needs. And when you find your days on earth are done Fear not my guiding hand my Son I Am Your God.

Mike Caruso To Provide Teens With Motor Course

HICKSVILLE—The Teen Center will inaugurate a six weeks automotive course next Monday evening, Feb. 16, under the direction of Mike Caruso at his service station, Wycoff and West John St., here. The course will be informal with boys watching Mike work on his famous Offenhauser motors and his new experimental super-charged job that he has developed himself.

The boys will do work themselves such as filing, cutting and measuring on a motor that Mike

has set up for them. He hopes to show a film on the Indianapolis races at the first meeting.

Caruso is a long time resident of Hicksville, who has been a prominent figure in national racing circles for more than 15 years. His racers have gone all over the country, winning Mike fame for their fine performance. One of his most famous drivers was the late "Wild" Bill Schindler, who participated in races although he only had one leg. Mike hopes to have "Wild Bill" trophies and pictures for the teen-agers to see.

The teen-age members and advisors feel most appreciative of "Mike's" giving his services.

LITTLE TOO EARLY!

There is still too much of the winter left to do anything now about outdoor sports. But, every once in a while a good day comes along. Then, we can't help looking ahead a bit. Soon the old fishing pole will be out and tried for size.

The golf clubs will be taken out of hiding and fondled. Maybe, even the catcher's mitt will be making its appearance. All of this is preliminary to the not too distant future when we'll once more be out in the air doing something we thoroughly enjoy.

Never mind the future, you motorists! Here's something very important for now. Take advantage of our BANNER ANNIVERSARY SALE. Gas sold at cost, plus a small service charge of 25¢ a car. BE SURE TO TELL YOUR FRIENDS ABOUT THIS. Broadway Service Station, Broadway and James Street, Hicksville. Phone HI 3-9702.

Late Surge Crushes Comets By Hair

HICKSVILLE—St. Dominic's of Oyster Bay poured six points through the nets in the final 43 seconds here Tuesday afternoon, to edge a plugging Hicksville five, 60-59, in one of the most sensational games in recent years.

The defeat crushed the embattled Comets who were trying to upset the heavily favored visitors and tip the scales in the direction of a winning campaign.

As it was, amazing shooting merely served to leave the roaring crowd limp and moved the season's mark to 5 wins and 9 losses.

Some of the early leavers and even the Comets themselves did not know of the defeat until ten minutes after they left the court.

Mike Constant hit the ball fly fraction of a second after the game ended. The goal which would have produced a 61-50 win was not allowed after the officials conferred

at length with the timers.

The late rush wiped out a thrilling rally generated by the Comets that deadlocked the score 58-53 and forced a three minute overtime. The Orange trailed 29-25 at half-time and 38-33 after three periods. With three minutes gone in the last period, it was 43-37. Joe Pepe then dribbled the length of the court twice and two sharp passes to Bob DeLay resulted in goals.

Pepe came back with a three point play and De Lay, Pepe, Ed Scott and Richard Evaschuk knotted it 50-50.

Evaschuk broke it with a foul shot but in the final 60 seconds the deadlock resulted.

Barry Williams pushed a one hander to start the Comets right. Evaschuk dumped three of four fouls and Williams hit from the stripe to easily offset a single Saint foul conversion.

It was 59-54 with those fatal 43 seconds left. Two steals and quick baskets closed the gap and an intercepted pass caused the downfall. Dan Glasco was fouled and coolly sailed home the two winning points.

Hicksville had five seconds left but it took six to shake Constant free.

PBC Keeps Trim In 117-53 Romp

HICKSVILLE—Working easily, PBC Alumni assured itself of a playoff berth in the Alliance League with an 117-53 verdict over Bethpage, here, Monday night.

Combining ten players to an even two quarters each Steve Ruggiero's crew reached the loop's high water scoring mark for the fourth season

in a row. His championship club of last year soared over the century mark five times.

Next Monday night the Alumni will entertain its arch rival, Hempstead, on the home boards in the climax to the regular campaign. The biggest crowd of the season is expected to see them square off. Hicksville won the first outing 57-52 after the Hub team had scored nine straight wins.

Wally Menten, league's leading scorer, registered 20 points for Bethpage and gave a fine account of himself, but he was up against far too many odds, last Monday.

Stan Kellner had 30 points, Ted Schwarting 22 and Mort Rosner 13 to lead Hicksville. Dick McCarthy had 12, Gary Puccio and Ruben Callas 11 each, Dick Kerbs nine, John Econopouly five and Pat Enos 4.

OUR PUBLIC LIBRARY:

Book Circulation Shows Increase

More than 6,000 books are available to local youngsters in the Children's part of the Hicksville Public Library according to a report by Kenneth Barnes, librarian. Children who use the library, mostly those from 5 to 13 years of age, also enjoy 15 periodicals which are a part of the reading material offered.

Last year, 87,484 books were circulated, Mr. Barnes said, which represented about 9.7 books per registered borrower, a sizeable increase over figures for the previous year. With book borrowers numbering 3,155, an increase of nearly one-third over 1952 has been recorded.

The children's library is in a separate building with Bernice Hill as the special librarian for children. She encourages the children to use their minds to the fullest advantage through reading to stimulate their imaginations.

Although the greatest number of books are fiction, there is also an ample supply of stories about

animals and space. Parents are urged by the staff to bring their children in to register for a library card. Pre-school children must have their parents sign for their books, but children from kindergarten age up may have their own cards.

Bess Porter Adams has written an excellent book entitled: "About Books and Children," which parents who wish to see that their children read the right books will find of interest. It is a historical survey of literature for children with much analysis about the reading habits and needs of the child. She mentions many books in the text and also includes an extensive list of suggested books in the appendix.

"THE SECOND SEX"
Simone de Beauvoir, author of the much discussed "The Second Sex," about the position of women in life today and in the past, has written her impressions of America during her recent coast to coast lecture tour. Kenneth Barnes, librarian, recommends this book for "a look at what one of the outstanding intellectuals of France" thinks about America.

Also added last week were several good novels: "The Doctors" by Andre Soubiran (about to become a best seller apparently); "Rainbow on the Road," by Esther Forbes and Maso de la Roche's latest book in his long series about "The Whiteoak Brothers," also the title of the book.
