Prepare List Of Streets To Get Brand New Signs

HICKSVILLE—Installation of about 100 new street signs in the community is expected shortly. A committee of the Board of Fire Commissioners is now preparing a list of the signs needed. Long Island Steel Co., low bidder of three, who received the award for the job, is pledged to delivery of the signs six weeks after the order is placed, according to Chairman Vincent Braun. Installation will be by the town highway department.

Fire Board also disclosed that additional fire alarm sirens are now operating at the Burns Ave School property and on the pumping station grounds on Jerusalem Ave. Two more sirens are scheduled.

The Fire Commissioners are preparing to take title to the locations for three sub-firestations. One will be on Woodbury Rd., a little east of Miller Rd; and other on the west side of Newbridge Rd and the third on John St near Sackett. Propositions for the construction of stations on the site will have to be submitted to the voters for approval of a bond issue.

HICKSVILLE—Election of officers will take place at the Woodbury Manor Civic Assoc. meeting tomorrow (Wednesday) evening, Mar. 3 at the East St. School cafeteria. BETHPAGE—A referendum will be held March 12 by Union Free School District 21, here, when voters will assent or dissent to the proposed purchase of 6 acres of land at a cost of \$38,000 for the construction of an elementary school. The proposed acreage adjoins land now owned on the west side of Central Park Rd. Construction of a new school is estimated at a cost not to exceed \$1,720,000 is a second question before the voters.

Voters may register on March 5 and 6 from 9 AM to 7 PM at the school house, North Broadway, to enable them to cast their ballot on Mar. 12, providing they are not already registered voters.

HICKSVILLE—An all-time peak registration of over 3,300 voters was recorded in advance of the school district voting this Saturday, Mar. 6, at the high school between 10 AM and 8 PM on a two and a half million dollar expansion program for the system. There were 1035 additional voters registered last Saturday as the books closed.

HICKSVILLE — All the PTA members in the area have been invited by the Dutch Lane PTA to attend the next meeting this evening, March 2, at the school at 8:15 P.M. when Dr. Roma Gans, professor of Education at Teachers College, Columbia University, will discuss "Modern Methods in Education."

From her contacts with children of all ages, she has developed a concern for a program of education in all schools to help children and adults to face the important problems of life, which when adequately solved improves life for all.

Dr. Gans is a reputedly fine speaker and her appearance here is expected to draw a large attendance of interested parents.

Fire Damages Glass Works

HICKSVILLE — Considerable damage to the furnace room of the Conlon Glass Works and its equipment on Bethpage Rd. resulted from fire, Sunday morning, which almost levelled the auxiliary building. The alarm was sounded at 9:45 Sunday, Feb. 28. Prompt action by volunteers under Chief Edward Schluter prevented the fire from spreading to the adjacent Argo-Schmidknecht Lumber yard. The ramps were on the scene for nearly two hours.

Suggests Town Buy RR Plaza

JERICHO—Strong recommendations that the Oyster Bay Town Board be urged to act and acquire the Long Island Rail Road plaza property next to the station for auto parking before it is purchased by a private individual for other purposes were voiced at a Hicksville Chamber of Commerce Board of Directors meeting here Friday.

"I suggest the town forget about any free offer which may be made regarding this property," remarked Ernest Francke. "That's water of the dam."

He also urged that action be taken on acquiring, also for public parking, the so-called Privogel property on the west side of Broadway between Cherry and Carl St.

Aaron Roehman, chairman of the parking committee of the chamber, told the directors there has been "no extensive activity" on parking since the Chamber meeting earlier in the month. He estimated that the township would take title to the former Griffin and Rushmore properties on Heitz Pl for new parking fields "early in April or May."

Regarding the proposed expansion of the field on W. Marie St. and the acquisition of the Lebkeucher property at Marie St. and Jerusalem Ave., it was reported that a traffic survey of the vicinity has not been completed.

Al Schackner, president of the Chamber, expressed the confidence that he thought the town board would act on further development of Hicksville parking fields at its meeting today (Tuesday).

All registered voters are being urged to cast their ballots as early as possible this Saturday at the high school at Jerusalem Ave. and Second St. to avoid delays.

The registration books have been divided into two groups to speed checking voters. One group covers names from A through M and the other from N through Z.

There will be three voting machines in use this Saturday, according to District Clerk Andrew B. Heberer. Voters will decide on six questions four of which cover bond issues for enlargement of four elementary schools, one on the purchase of land using \$42,000 in surplus funds of the district, and a sixth on sub division of the school district or "village" into sub-districts to speed voting and registration.

On the sixth question, it is hoped to have the new system in effect for the annual election of trustees in May if approved by the voters next Saturday. It is proposed to divide Hicksville area into four units, using a school building in each sector for future registration and voting. At present one central place, the high school, is used.

A stirring plea for support of the six propositions was voiced in a four-page circular mailed to about 10,000 householders over the weekend.

"Your Board of Education is asking you to vote Yes on all of the projects," the circular states. "If you vote 'Yes' the Board will be able to speed up completion of final plans for construction, advertise for bids and award contracts to builders. Also, the new site will be bought, and we can start planning to build a new school on it."

A revision in statistics was noted in the circular. Remarks of speakers for the proposals have in recent weeks dwelt upon the fact that "85 per cent of our children are on double sessions" and "that triple sessions are a real possibility". The circular just states: "80 per cent (.5 per cent less) of our elementary children are now attending school only part-time".

The circular concludes with reference to (Continued on Page 6)

ON AND OFF MILLWOOD GATE:

Property Owners Meet Thursday

By DOROTHY R. BROWN
Hicksville 4-9123
This Thursday evening, March 4, at 8 o'clock, The Millwood Gate Property Owners Assn. will hold its monthly meeting at the Lee Ave. School. This is the first meeting in which the new officers will officiate so let's show them we are 100 per cent behind them by a large attendance at this meeting. The new officers have been working and we expect a good lively business meeting.

Let's not fall down on the soft ball team. Everyone including the wives should support this project. Men need their family to cheer them on to victory.
On Sunday Feb. 21, James Francis Hellriegel, son of Mr. and Mrs. Jacob Hellriegel Jr. of 12 Mayflower Drive was christened at St. Ignatius Church, with his aunt, Alvinna Rapp of Glendale, as Godmother and his grandfather, Jacob Hellriegel of Woodhaven, as his Godfather. Mrs. Hellriegel was in the hospital and there was no party at that time. James and his brother Thomas have been staying in Woodhaven at their grandparents. We are glad to report that Mrs. Hellriegel is now home, and is recuperating nicely.

February seems to have been a great a month for birthdays as January. Joann, daughter of Mr. and Mrs. Anthony Yannotti of 1 Greenbriar Lane was 3 years old on Feb. 23. At her party held on Sunday Feb. 21 her two grandmothers, Mrs. Yamotti of Brooklyn and Mrs. Forni of Ozone Park were present. Besides other rela-

tives her guest included Daniel and Lucille Marini of Greenbriar Lane, Susan Drake of Birchwood Lane and Deborah De Stefano of Woodbine Drive. The usual refreshments of ice cream and cake were enjoyed by all.
Little Denise Murray of 10 Mayflower Drive was 1 year old on Saturday, Feb. 27. Phyllis, her sister, Linda and Carol Koberk of 17 Birchwood Lane, Anita Foster of 17 Birchwood Lane, and Mary Jane and Jimmy Antista Jr. of Massapequa helped Denise celebrate the occasion.

Mrs. Evelyn Caruso of 2 Millwood Gate celebrated her birthday on Sunday, Feb. 28, with many friends visiting.
The Jolly Eight will hold their weekly meeting at Mrs. Evelyn Caruso's on 2 Millwood Gate on Tuesday evening, March 2. Mrs. Vicky Cantone of 69 Woodbine Dr. North is teaching the girls sewing. (I hear she will hem up dresses and do other sewing for anyone interested.) The members include Mrs. Mary Coyle, Mrs. Jerry Cody, Mrs. Mary Killeen, Mrs. Vicky Cantone, Mrs. Nancy Martancantonio, Mrs. Marjorie Coleman, Mrs. Evelyn Caruso, and Mrs. Rose Sinone.

THIS AND THAT

Spring is surely here. The crocus are in full bloom and other spring bulbs are sprouting through the ground. Hear that M. Yamotti of 1 Greenbriar Lane is pretty busy helping people fill out their income tax forms. Have you filed yours yet? March 15 is the dead line for the Federal Tax. New York State tax must be filed by April 15, 1954. — VOTE Saturday March 6 between hours of 10 A.M. and 8 P.M. on the special school propositions.

Let's keep those dogs on leashes and curb them. Loose Dogs are a dangerous hazard with all the young children out playing in their yards, and a menace to grass and shrubs which are budding. — March is the Month for our donation to the Red Cross.

Brilliant Concert by Quartette

By ALICE M. WELLS
The Hicksville Community Centric Assoc. presented on Feb. 9, at Hicksville High School Auditorium, The Philharmonic Piano Quartette comprised of Ada Kopetz, Moreland Kortkamp, Emmett Vokes and Herbert Rogers.
After the first number, Overture to "The Marriage of Figaro" by Mozart, it was evident that these four musicians who, incidentally carry their own four pianos along with them, were not only sound from a musician's point of view, but well equipped as a team to render the delightful repertoire they had chosen.
We were successively treated to the Brahms "Variations on a Theme of Haydn, Op. 46", the ever precise, yet flowing G Sharp minor Chopin Etude (Thirds) which cascaded the full gamut of the pianos in delightful crescendo and diminuendos, The Wiener Blut Strauss (Johann) Waltz, the ever popular and embellished Liszt "Liebertraum", and the staunch Stravinsky Russian Dance from "Petrouchka".
A tremendously enthusiastic, warm audience applauded generously and sincerely.
Following the intermission, we delighted in Debussy's "Fetes", full of oriental innuendos, and "Gollwog's Cake Walk", well known to concert audiences, and in this instance a veritable outpouring of great delight, the sensuous, yet poignant simplicity of Ravel's "Pavane".

Korean Children Say Thanks To Mid-Island Gift Donors

KOREA — "Kombosoonnida"—meaning "thank you" in the Korean language—is the word which the children here have sent to the people of Hicksville and vicinity in response to "Operation Santa Claus", first publicized in the Herald on Nov. 3.

A story that date told how Marine Capt. John Zulkofsky, son of the senior Mr. and Mrs. Zulkofsky of Oyster Bay Rd., Jericho, was appealing to local people to send toys, candy and clothing so that the First Marine Regiment of the First Marine Division in Korea could give a Christmas party for Korean children, who had no conception of what the word "Christmas" could mean.

Mr. and Mrs. George J. Wright of 35 Leonore Ave., Hicksville, who were among the many who responded to the appeal, have received a letter from Chaplain Samuel D. Chambers, U. S. Navy and written for the First Marine Division, P.O. San Francisco, California, which speaks for itself as follows:

Dear Friend:
In behalf of all our men, I express my sincere appreciation to you for the packages which you sent for our Korean Christmas "Party". I need hardly say that if the children could speak our language, they would say "Thank You" many times over.

Three separate "parties" were held. The First Battalion of the Regiment entertained the children of the Kyo Hai Grammar School. The Third Battalion cared for the Kum Chon Grammar School; and the Four Point Two Mortar Company, Anti-Tank Company, Regiment Headquarters, and Second Battalion joined in a party for the children of the Injin Refugee Village.

It is impossible for us accurately to estimate the amount of food, clothing, toys, and other gifts sent to us through your kindness. Suffice it to say the value was somewhere in excess of \$12,000 for all that we presented. It would have required at least 16 large Marine Corps trucks to move it had we attempted it at one time. The total number of children cared for at the various activities was about five thousand.

It was all through your cooperation and generosity, however, that this was possible. The enclosed pictures show only a few scenes from the events. Would that you could have been there to appreciate more fully what this meant to the Korean people not only in material worth of what was presented, but in the spirit of generosity arising out of the American expression of Christmas.

We are grateful for your patience in awaiting this reply for the packages mailed. I wish I could pen a personal note to each one of you. But we have close to six hundred return addresses to thank for one or more contributions. I do hope that you will feel that you played a real part in our Christmas activity. Indeed, it was

more your "Party" than ours. In their own language the children of Korea say to you "Kombosoonnida".

Very sincerely,
SAMUEL D. CHAMBERS

HICKSVILLE — Assemblyman Joseph Carlino of Long Beach will be the speaker this Sunday, Mar. 7 when Joseph Barry Council, Knights of Columbus, holds its annual Communion Breakfast at Henningsen's Restaurant, Old Country and Newbridge Rds., here. The announcement was made by Grand Knight Francis Donovan at a meeting Tuesday, Feb. 23 of the council in VFW Hall, Grand Ave. The Diocesan Debating League discussed the pros and cons on the Bricker Amendment at the Tuesday meeting. Taking part were: Jud Paddock and Joseph Parilli of St. Jerome's Holy Name Soc., and J. Nugent and Gerard Lavin of St. Vincent's Holy Name Soc., both teams from Brooklyn. The judges were: Charles Carroll, Herbert Purick, and James McLaughlin, all council members.

Because there has been so much discussion of the amendment by the press, and on radio and TV, the members were able to learn more and understand this important topic, it was said.

Council will meet again on next Tuesday, Mar. 9, in VFW Hall, when the Second Degree will be conferred upon new members following a short business meeting.

NEIGHBOR DOWLING VIEWS NEWS: Slow Down In Home Building?

By JOHN DOWLING
The report of the State Housing Commissioner covering the month of January 1954 revealed that home building activity throughout the state had declined 19 per cent compared to the same period last year.

This report holds special significance for Nassau School boards particularly since it shows that home building in Nassau County has fallen off while Suffolk is experiencing an almost 100 per cent increase in the number of units constructed or currently under construction.

If the Housing Commissioner's report can be construed to mean

that home building activity in Nassau has already passed peak construction and is leveling off or coming to halt in the period ahead, it might possibly indicate that mid-island school officials will have to re-examine their present building expansion programs.

Of course, the majority of these districts are still faced with the problem of providing facilities for the high enrollments brought about by non-stop home building during the past five years. But beyond that, school boards will be faced with the highly complex problem of having to decide whether to pursue a policy of "watchful waiting" and building only when necessary or take the gamble of over building.

Another factor involved is the acquisition of land. It is a well known economic fact that the demand for a commodity often has a ballooning effect on the price of the item. And this holds true for land values, too. When builders and land speculators are in search of every saleable parcel the price per acre usually soars. At least, this has been the case in the mid-island area.

However, if a definite downward trend in building activity has been forecast for the mid-island area the demand for land should be similarly affected. And that is something that undoubtedly will be greeted with open arms by school district

officials, who in recent years have been forced to pay fantastically high prices for badly needed land.

Francke Speaks To Republicans

PLAINVIEW—Nassau County Clerk Ernest Francke spoke before the Republican Club here last week and gave the membership a detailed report on the functions of his office. Francke also extended an invitation to the club members to visit the County Clerk's office to see first hand the many services that are provided for Nassau residents.

Coast Guard Recruits Here

HICKSVILLE—Supply Officer Lieut. (jg) Joseph M. Sloane of the United States Coast Guard, resident of 83 Nevada St. here has announced that there are many new vacancies for youths—of 17, as well as for former servicemen—with entrance offered at the last rating held.

The Coast Guard invites parents of interested recruits to visit the unit in Freeport, on regular drill nights and see what Coast Guard service has to offer.

Those interested may write to Lieut. Commander John P. Finnerty, 24 Community Rd., Bay Shore, or phone FReeport 8-2500 between 7 and 10 P.M. Thursdays. The unit meets each Thursday from 7:30 to 10:30 P.M. at the U. S. Naval Training Center, 112 Hanse St., Freeport.

350 At Dance

HICKSVILLE—"The Sweetheart Swing", one of the monthly dances held for Junior High students, drew 350 teeners to the high school gym, Friday night. Principal Leon Galloway and a number of mothers chaperoned the affair.

The dance program included the Lindy, Tango, Rhumba, Fox Trot, Mexican Clap, Waltz, Jessie Polka and the Bunny Hop. The latter dance seemed to consist of one jump backwards, three jumps forward and some side kicks.

No student's energy appeared to diminish during the dance which began at 7 PM and ended at 9. Dancing was continuous with a short pause for fruit punch and doughnuts, plain, frosted, sugared and crusted with nuts, hundreds of which were consumed.

Invest School Building Funds To Earn Interest

PLAINVIEW—Leland Baker, president of the Board of Education here reports that \$400,000 of the district's school building funds have been invested with the Long Island National Bank of Hicksville in interest bearing time deposits covering a 60 to 180 day period.

Baker pointed out that the investment was made in accordance with existing state laws governing the financial operations of school

districts whereby school trustees are permitted to invest certain public funds. Previously, moneys approved by taxpayers for school needs and allocated to a district's building fund could not be invested and would lay idle until used, it was pointed out.

"This temporary investment of \$400,000," said Baker, "will earn \$906.25 for the school district within the next 180 days."

It is believed that Plainview is one of the first school districts in the mid-island area to institute a fiscal program of this nature. The first step was taken last year when Baker, who is a C.P.A., and assisted by John C. Dowling, a public relations counsel, revised the district's budget-reporting procedures. At that time, the budget was revised and more accurate and descriptive terms employed in order to give all taxpayers a better understanding of budget items and expenditures.

Sisterhood Meets At School Tonight

PLAINVIEW—The Sisterhood of the Jewish Community Center will meet tonight (Tuesday, Mar. 2) in Mannetto Hill School at 8:30 P.M. A reading of the prospective by-laws is on the agenda. Three members will be named to the nominating committee. A social hour will follow when refreshments will be served.

Not Spring Yet

The Spring Fling of the Hillside Terrace Civic Assoc. will be held on May 7, not March 7 as was reported in a recent issue. The affair will take place at Glen Cove.

Democrats Study Their Set-Up

MINEOLA—The Nassau Democratic party today announced the formation of a committee to study political organization and activity in every election district and community in the county.

Headed by Sherwin E. Allen, Baldwin attorney, the Election District and Club Committee is still another phase of "Operation Twelve-month," the project launched by County Leader Larry W. McKeown to promote party action on a year 'round basis.

According to Allen, his committee will survey the present Democratic organization in Nassau, prepare material for the guidance of committeemen and party workers, form new clubs and endeavor to make more active, socially and politically, clubs already in existence and urge the publication of monthly newsletters to report party news in each community.

A series of sub-committees will be formed to assist in drives for membership, funds, promotion and education, Allen declared. One of these sub-committees, on club organization, has already been formed with Julius R. Lippman, of New Hyde Park, as Chairman.

Others named by Allen, who will be remembered for his exposé

charges that Republicans registered hundreds of names from Meadbrook Hospital, illegally, previous to the last election, are:

Hempstead Town: Ray M. Brand, Town Leader, East Meadow; Dorothy Popkin, South Hempstead; Jack Fitzgerald, Valley Stream; William J. Deady, Jr., Merrick and Joseph N. Miller, Bellmore.

Oyster Bay Town: Tom Abbott, Town Leader, Massapequa; Mary C. Carroll, Massapequa; Ashford Smiley, Levittown.

North Hempstead Town: Carl T. Sigman, Manhasset Town Leader; Betty McCollister, Roslyn Heights and Sylvia Grossman, Roslyn Heights.

ALONG WOODBURY ROAD:

Let's Give Marion Helping Hand

By MAY MALJEAN
Hicksville 3-5515

Red Cross is asking for your help again—and Marion Ginnell of 29 Crown St. has quite a job on her hands. She's looking for volunteers from this huge section of Hicksville. It is certainly too much for her to handle by herself, although, she won't have too much help from the looks of things so far. Do you suppose you could help her out by offering to do one street only? If so contact her at HI 3-6058 after 5 P.M. Do not phone before then because she goes to business. You may contact her through us if you wish.

CIVIC MEETING

The civic meeting for Woodbury Gardens was held last week and two speakers, Mr. Cawley and Mr. Grutney talked about the school vote. It was the annual incorporation meeting. For those of you who aren't aware of the times that the club meets — it is every third Thursday.

COMING HOME

We want to welcome back from the Marine Corps, Jack Turner, for whom a welcome home party last week. Present were: Mr. and Mrs. R. Maljean, Mr. and Mrs. E. Maljean, Mr. and Mrs. J. Turner, Mr. and Mrs. Andrew McGowan, Mr. and Mrs. J. McGowan, Mr. and Mrs. Austin. (Mrs. Austin is Mary Austin—Miss Rheingold of 1953. Mary looked as lovely as ever, expecting the stark momentarily. She brought a suitcase to the party just in case.

HINGO

It was nice having the girls

over the other evening for a visit. We had a wonderful time playing Bingo. Among those present: Rosalie Leary, Galdys Blaser, Eleanor Carter, Ann Becker, Grace Maniscalco, Eve Roth, and Helen Branham.

A surprise party was held for Ann Becker at the home of Gladys Blaser on Briggs St. the 22nd of February. Coincidentally — the names of guests present reads the same as the last paragraph, so I'll dispense with that. Happy Birthday, Ann. She and her hubby — Bob celebrated their anniversary the day after her birthday, to make an even fuller week. . . . Another anniversary last week was for the Learys of Ketchum Ave. . . . and TWINS to Eleanor Carter of Ketchum Ave. . . . These twins are not children but — TWIN WASHER AND DRYER. . . . Gene Maljean's birthday Feb. 26th. . . . Who's he? **BLESSED EVENT**

Daisy Mullery, of Dartmouth Drive, Hillside Terrace was the proud mother of a baby girl named Ennie. The Mullerys were hoping for four to be called Ennie Meenie, Mienie and Moe, but — alas! Only one puppy for the family dog. (Had you going for a minute, didn't I?)

CONVALESCING

Al Mecklenburg has been sick at home for a week with the flu, and we're hoping that he has rid himself of that nasty bug long before this reaches print. . . . Al lives on Vincent Rd. . . . Mumps has given the Branham of Ketchum Ave. a hard time—hope the children are all well and around by this time. . . . Mr. and Mrs. James Matthews, of

Miller Rd., recovered from a siege of food poisoning. . . . Glad to see that they're much better. . . .

NOODLE SOUP

After church last Sunday, the Poitras' of Hillside Terrace invited us to breakfast. Gene really appreciated Thelma's making him the bowl of Chicken Noodle Soup for breakfast. Gene claims, "Who ever proclaimed that we eat eggs and bacon in the morning? Why not steak or veal cutlets? Or some other dish—it's only a habit."

While on this visit, Mrs. Clair of Hollins Rd. from next door spotted our car, and telephoned Thelma to deliver a reprimand that Gene spelled her name wrongly. . . . In a kidding way, of course. . . . Hope Emily Eisner, of Sleepy Lane, will forgive us for not attending the barn dance last Friday. As usual, I had my appointments mixed up and had also promised Mary Golman—of Hillside Terrace—that we'd attend the card party at Our Lady of Mercy. After rushing home from Jeffrey Mogavero's birthday party (who is—incidentally 4 years old—happy birthday, Jeff) Gene reminded me that we had invited guests for dinner. Just a mixed up kid.

LOST AND FOUND

We wish to thank the many people who phoned asking where in the heck the column is. For two weeks we were out of the paper due to unavoidable circumstances, but our plans are to appear in every issue here on in.

FEW ANNOUNCEMENTS have stimulated so much speculation and discussion as the announced plans for the vast Mid-Island Shopping Plaza on the former St. John's Rectory property on both sides of North Broadway, Hicksville. Leonard Frank of the firm of Stackler and Frank, developers of this tremendous centre, gave some interesting and timely comment regarding this huge project at a meeting of the Chamber of Commerce directors this week.

He made it plain that construction will start this year, probably by the middle of the year. He also gave reasons for what, to the sideline observer, appears to be lack of visible progress. Every step of this operation is being carefully planned and developed. The best authorities in the nation have made detailed studies, surveys and recommendations which have led to several revisions of the original plans—and successive revisions have each resulted in a bigger project than was first contemplated.

Stackler and Frank have been across the nation, studying shopping centres—big and small. They are determined to avoid the errors made in Boston and on the West Coast. Mr. Frank said "we aim for a department store operation here", but he would not mention names.

The location of the multi-million dollar Mid-Island Shopping Park—which will number 93 stores in its first unit on the west side of Broadway—provides a unique opportunity to develop it in cooperation with "downtown" Hicksville, he said. Mr. Frank pointed out that the first area alone will do \$50 million business a year, and if it does, it will bring \$30 or \$40 million more business to the "down town area".

These are not off hand comments at a luncheon. He was speaking with a vast background of research data of all kinds which has represented an investment to date of \$100,000.

Fundamental to the success of the Mid-Island Shopping Plaza planning, it becomes apparent almost at once, is the importance of smooth traffic movement north and south, east and west for miles around the site of this vast project. Railroad grade crossing elimination comes pretty much at the top of the list.

ference to "the contemplated reduction in the percentage for Nassau County" under the state equalization and assessment ratios. It makes the comment that such reduction "will result in an increase in debt service even under present state Aid."

Authorities in educational and financial circles have privately been expressing concern regarding an anticipated change in the equalization ratio. They note that a 50 per cent reduction, would mean an increase for the taxpayer of \$60 a year in taxes on a home assessed for \$4,000.

It is noted that the State Equalization Board recently changed the ratio for New York City.

In Manhattan and Bronx boroughs where the old rate was 100 and 96, respectively, there was little change to 99 and 93. How-

ever, Brooklyn dropped from 98 to 83, Queens from 93 to 69 and Richmond from 96 to 59.

Written in the Interest of Better Local Government

By ALLEN S. CARPENTER

"Be as good as your word. Don't be a living counterfeit."

When good people withdraw from local political activity, and leave "that dirty work" to others, they are inviting trouble not avoiding it.

Unless we are willing to exercise our rights and our obligations as democratic citizens we cannot expect to retain those rights. Human nature being what it is, there will always be some, willing to exercise our privileges, for their own purposes.

To perform our obligations at the polls, it is not enough to just vote. It is not enough to read the papers, listen to the radio, and watch our TV sets. After hearing "all three" sides of a story, we must make up our minds—each must make up his own mind.

If you take my word, or another's word, without thinking for yourself, you are failing in the performance of the primary function of citizenship. When

you vote another's conviction, or when you vote without conviction, it is because you have failed to make up your own mind.

Any voter who can honestly say to himself, "I've considered this matter, I've come to a decision, and if it turns out wrong it will be partly my fault," is an earnest American who is trying to perform his full duty of citizenship. Any voter who casts a ballot for a person or a proposition, with the feeling that he has just assumed part of the responsibility for future developments, is a voter who has made up his own mind.

True American Democracy will last only so long as we are willing to encourage it. This is our country, this is our town, this is our government, and above all, it is our business.

All of our citizens must tend to our country's business, or we will get the business, from those few who do!

Concert

(Continued from Page 2)
vanne" (a caressing rendition) and the real barnyard appeal in the Watson "Square Reel." The Reel gave each pianist the opportunity to appeal to the audience with its successive geometric patterns used to develop the contagious rhythms.

In conclusion we were rewarded with an utterly sheer and beautiful rendition of the Nutcracker Suite of Tchaikovsky—three excerpts, "Dance of the Sugar Plum Fairy," "Mirliton," and "Waltz of the Flowers." These arrangements were particularly shining and sympathetic.

As a finale, the relaxing yet alive arrangements of Offenbach melodies gave the audience more pleasure and depth of tonal beauty.

As has been mentioned, teamwork of the finest degree was a keynote added to the musicianship and the warm enjoyment these four pianists derive from playing together. Their own pleasure in performance projected to the audience as did their charm and personalities.

Whenever Hicksville music lovers will be so rewarded again is a matter of conjecture but judging by our high standards of programs, Community Concerts are entrenched deeply as a great cultural need in our community, and shall be with us for many more years.

Yes, Community Concerts are the best buy of the year. But even more important, they feed our musical audiences the food which can only bring more people to feel this bond of union which we all are bound to know in sharing this medium. What can better promote "Brotherhood" among our community, our world—our country?

By SOLOMON NEWBORN

Certified Public Accountant

Mr. Newborn will answer questions in this column.
Address Herald, Box 95, Hicksville.

In reporting your wages you must report the gross amount. Union dues, insurance, old age benefits taxes, pension fund contributions, etc. which have been deducted are still part of your wages. Tips, gratuities, and bonuses are income and must also be reported as must payments in merchandise and stock. Meals and living quarters pose an interesting problem. Generally speaking taxpayers who receive meals and lodging as part of their salaries must include their fair market value as income. However, where you accept these services "for the convenience of the employer" you do not include them in your income. This means that if in order to properly perform your duties you are required to accept board and lodging then they are not taxed to you.

Traveling expenses in connection with your employers business may be deducted from your gross income on page one. Traveling expenses must be "away from home." This means going away from the city or town where you normally work and remaining away overnight. These expenses include meals, lodging, fares, tips, telephone, telegraph, baggage charges, gasoline, chauffeur, depreciation on car, etc. They do not include personal expenses such as laundry and cleaning. The expenses of traveling between home and the place of business or employment is nondeductible. If your employer reimburses you for these expenses, you must add them to your wages and then subtract your actual expenses but not more than the reimbursements. If there is a balance it is deducted on page three under the caption "Miscellaneous." If you take the standard deduction you lose the benefit of deducting this excess.

LOCAL WOMAN RECALLS:

European Trip Becomes Reunion

Mrs. Marco Loave of 70 Willoughby Ave., Hicksville, has written an interesting account of her trip to Europe last year with her husband. She writes:

"On Sept. 23 we boarded the Queen Mary in New York and docked at Southampton, England, Sept. 28. Our daughter, Marguerite Burt with her husband, Robert and their son, David, met us and we visited them in Cirencester for a week.

"During that week we saw much of interest in England, and also visited Cardiff, Wales, not to mention our chance to get acquainted with our first grandchild. On Oct. 5 we toured London and at 11:30 PM crossed the English Channel by ferry from Dover to Dunkirk, France.

DROVE THRU FRANCE

"For six days we drove across France by car passing through Calais, Boulogne, Paris, Fontainebleau, Briare, Lyon, and Chamberry, and finally across 20,000 foot Mt. Bianco into Italy. After spending the night in Turin, we proceeded to Alessandria where

we were both born. It was our first visit back in 25 years. Once more we met brothers and sisters we had sometimes felt we would never see again, and also my brother who had returned to Italy after living in Buenos Aires, Argentina, for 41 years. It was a happy occasion for all.

"During our stay in Italy, Sergeant and Mrs. Burt had their son christened in the church where my husband and I were married 25 years ago. Then due to Sergeant Burt's limited furlough he and his wife left Italy on Oct. 29. They travelled back by way of Savona, Genoa, San Remo, Monte Carlo, Cannes, Aix, Lyon, Paris, etc., and arrived home in England on Nov. 5.

"We remained in Italy until Nov. 29, sailing home from Genoa aboard the liner USS Constitution, docking in New York on Dec. 7.

"Needless to say we are glad to be home again, but sincerely thankful to have had the privilege of making such a wonderful trip and meeting all our loved ones once more."

World Day Of Prayer

The Women's Guild of the Parkway Community Church on Hempstead Ave., Hicksville, is having a World Day of Prayer Service on Friday Evening, Mar. 5 at 8:15 p.m. The women of the Protestant Churches of Hicksville and Levittown have been invited to attend the service.

The World Day of Prayer started in 1887 when President of the Presbyterian Board of Home Missions set aside a special day for their women to pray for Home Missions. The response was greater each year. Until in 1927 a world wide Day of Prayer was called for Home and Foreign Missions. The first Friday in Lent was the day chosen for this service.

This year the Parkway Church would like to invite all interested Protestant women to join them in this traditional Community service.

Daughters Plan For Initiation

could dampen the spirits of 200 men and women who attended the Mardi Gras sponsored by the Hicksville Catholic Daughters in St. Ignatius Auditorium on Sunday, Feb. 21. The affair was proclaimed a social and financial success and all who attended enjoyed dancing to the "sweetest music this side of Hicksville" provided for by the Tri-tones.

Stanley Klevanosky was chosen as King of the Mardi Gras and Olive Skelly was chosen as Queen. Jane Ziegler as Bo Peep won the prize for the most beautiful costume. Eileen Riley as "Good-Nite Irene" won the most original costume prize and Larry Kennedy as clown was chosen by the judges as wearing the funniest costume.

The Daughters are planning for initiation of new members on Mar. 11 and for a Communion Breakfast on Mar. 28 at Henningson's. Chairlady for the initiation is Mrs. Mary Sheehan. Chairlady for the Breakfast is Margaret Ofenloch.

200 Enjoy Party For Valentine Day

Two hundred people danced to the music of Frank Eschbach's orchestra at the Valentine Party held Friday evening, Feb. 26 in the St. Ignatius auditorium, according to the Pellet, T. B. HENNINGSON Lane, who is publicity chairman of the Auxiliary of Christian Mothers.

Mrs. Marge Montana, president of the organization, and co-chairman Mrs. Marge Brown and Mrs. Anne Breschard, wish to express their thanks to the committee and members who contributed to make the affair a success.

FARMERS, HUH?
The Oyster Bay Town Board has revised its ordinance to get tough with the "Farmers' Markets" which are just about as rustic as the "Stork Club". There'll be no more pushcarts outside buildings, no all-night floodlights, more parking and increased land scraping. A "farmer" can't make a decent living these days!

To climax the exciting occasion they all dined at the automat nearby for birthday refreshments.

school management, and their methods of coping with them. Fathers especially are urged to attend the March meeting and join the P-TA, thereby adding their names and strength to an organization devoted to "Better homes, better schools, and a better community through interest, cooperation, and action".

Form Dad's Booster Club For Hicksville High School

HICKSVILLE—Twenty-seven charter members formed a Dad's Booster Club for Hicksville High School during Father-Son Night at a meeting of the Parent-Teachers meeting here, Thursday night.

Dalers Stop Comets 50-43

FARMINGDALE — Hicksville's Comets moved to the new Weldon E. Howitt court, here Friday night, to prove that they were pretenders in the Eastern Division throneroom only to find that the rule was absolute.

The newly crowned Dalers edged past Hicksville's vastly improved five, 59-43, in the season finale before 700 fans.

Mitch Jaworski's crew will carry the Eastern Banner against Mineola this Friday night for North Shore honors while Hicksville has already put away the uniforms.

The Orange and Black's final record stands 8 wins and 10 losses overall and 6 wins and 4 losses in league play.

Farmingdale had a perfect loop record of 10-0, Hicksville with 6 and 4 finished a surprising second while Oyster Bay balanced off at 5 and 5 in third.

On the final night Bob Paton was the shooting star with 14 points. His three baskets in the second period erased a 14-7 deficit and gave Hicksville a 24-23 lead at halftime.

Baskets by Dick Evaschuk and Bob DeLay spurred the Comets to a five point edge but the Dalers commanding height asserted itself to recoup the lead 37-36 after three periods.

Anxious and unwise shooting offset the good work the Comets did with their set plays and inability to adhere to them cost the win in the fourth period.

The tally was 42-39 with two minutes left, but some sound out and out basket hanging by the Dalers blasted the issue wide open.

Invite Public To EM Session

HICKSVILLE—A special program at the next meeting of the East Meadow Levitt Home Owners Assoc. will be devoted to discussion of the question, "What Does Levittown Owe It's Youth?" by a sociologist, a religious leader, and a spokesman for teenagers. The meeting will be held Wednesday, March 3, at 8:30 p.m. in Levittown Hall, here, and the public is invited.

Featured speakers are Prof. Meyer Brash, head of the Dept. of Sociology of Hofstra College and formerly a member of the faculties of Champlain, Sampson, Brooklyn and City Colleges and Rutgers University; and Rev. Charles E. Bermingham, Nassau-Suffolk Director of Catholic Charities, formerly national director of the Catholic Youth Organization. Third member of the panel is Jerry Rosenthal, Levittown teenager who is vice president of the General Organization of Levittown Memorial H.S. and serves as a teen-age columnist.

It's probably true that hard work is a tonic—but many people never get sick enough to try the medicine.

Responding to the call of High School Athletic Director Chet Jaworski, who was guest speaker for the evening, to broaden the interest in the activities of the youth of the community the group of parents started formation of the club.

E. Irving Jesser and Henry Yost will take the leading parts in organizing the club which will take interest in all activities of the school.

There are many such Booster Club's in Nassau County with Freeport, Oceanside, Mineola, Baldwin and other south shore villages prime exponents of the benefits of such undertakings.

There are annual sports dinners staged by the Booster Club's providing a common ground for the parents and the students to meet and foster interest in athletics.

Coach Jaworski stressed in his address that the teachers do all they can to help mould growing children but need the constant attention of parents to the efforts since they have them so short a time in the day.

He indicated that number of children in the community grows each year and that to avoid youthful delinquency problems, both teacher and parent must work ever closer together.

The purpose of the Booster Club will be to show parental appreciation for those who use their youthful energies along sound lines.

Not only athletics are the concern of the Booster Club but musical productions plays and other activities of the student body will be actively supported.

Healthier Bodies, Better Citizens

BETHPAGE — "Better citizens for tomorrow can be built through healthy bodies" in the opinion of Ray Maddock, president of the Long Island Weight Lifting Club with a Health Gym located opposite the Grumman Plant, Hicksville Rd., here.

Long Island's rapidly increasing population, Maddock told a HERALD reporter, has naturally brought with it increasing problems concerning juvenile delinquents. Parents may know where their children are but they are also interested in what they are doing, he said.

A sound mind should be strengthened by a sound body, and it is this accomplishment which is the aim of the Weightlifting Club, he says. A sub-conscious uneasiness is strong in many boys who are underdeveloped physically and who develop an envy of a boy whose vigor and build enable him to build athletic prowess.

CP Auxiliary Gets 3 Members

HICKSVILLE — Three new members joined the Hicksville Cerebral Palsy Auxiliary at the meeting held Wednesday, Feb. 17 at 8:30 P.M. in Legion Hall. They are Mrs. Harry Friedman of 17 Lenox Ave., Miss Cecilia and Miss Frances McGunnigle, both of 17 Lee Ave., all of Hicksville.

It was reported that the recent cake sale had proved successful. The next meeting will be held Wednesday, Mar. 17 at 8:30 P.M. in American Legion Hall, Hicksville.

Maddock is a firm believer in father-son participation in a physical improvement program, feeling that this joint participation can bring the father and son closer together. Too many fathers are content to come home and fall in a chair in front of the TV set, neither knowing or caring where their boy may be "hanging out."

The gym helps men who wish to gain weight as well as those who wish to lose, while others seek to retain their youthful vigor through proper exercise.

Instructors at the gym are champs and ex-champs who know all the body-building secrets. Ap-

paratus used is the most complete of its kind and the best.

From school boy to school teacher, carpenters, doctors, policemen, firemen, pilots, salesmen and college students, all types have enrolled in the body-building program to their advantage. Each night they get a little closer to their goals, adding a few pounds or losing a few pounds.

Maddock feels that when a boy is anxious to build his vitality and health, he has an interest that will keep him off the streets at night, so he thinks a good slogan for the gym is: "Build better bodies and you build a stronger America."
