

ORGANIZED HERE IN 1917:

# 528 Girl Scouts Celebrate

HICKSVILLE—Five hundred and twenty-eight local girls are celebrating a birthday on Mar. 12, according to Mrs. Merton Wilbur, Girl Scout Town Committee Chairman. That day is the 42nd birthday of Girl Scouting, and the theme of the entire week is "Know your Neighbor—Know your Nation".

The history of Girl Scouting here, Girl Scout Laws and Promises will be demonstrated by window displays throughout the town during the coming week, Mar. 7 to 13. There will be visual displays in Eisemann Buick, Braun's Market, Stop 'N' Shop, Sunrise Food Market, George and Cliff's Market, the Herald and the Free Public Library.

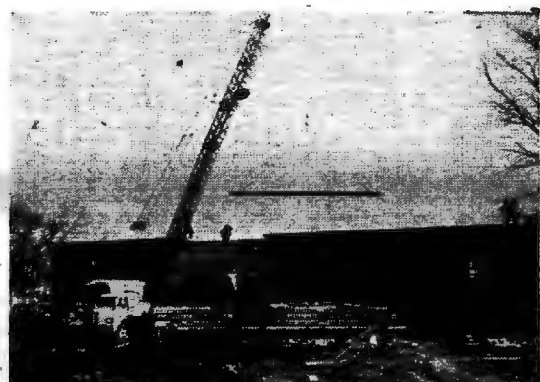

Girl Scouting was organized here by Mrs. Joannia Tallafiero in 1917. This was just five years after Juliette Low organized the first troop of Girl Scouts in Savannah, Ga. In 1923 the first town council was organized here and its members who assisted Mrs. Tallafiero were Miss Louise Augustin, Mrs. E. A. Van Slyke, Mrs. Charles Voigt and Miss Mabel R. Farley. There was one troop with a registration of about 20 girls.

Hicksville has played an important part in the development of Scouting in Nassau. In 1939 Hicksville joined with Bethpage, Farmingdale, Jericho, and Westbury to form Mid Island Council. The council membership is now 14 towns, of which Hicksville is the second largest.

In contrast with one troop in 1923, there are now 24 troops meeting in the schools and churches in town with an enrollment of 528 Brownies and Scouts, and over 110 registered adult workers. The scouts are in every section of the community and the affairs of the local organization are directed by the town committee, which meets once each month and comprises the leaders of each troop, the elected town officers and the chairmen and members of the committees.

## 3-Car Crash

HICKSVILLE—A woman was treated for shock and contusions following a three-car collision at Broadway and Old Country Rd. at about 5 o'clock Saturday, Feb. 27. Drivers involved were Paul Carliota of Floral Park, Ernest Reinacher of 146 W. Marie St. and Eugene Miller of 159 Miller Rd., both Hicksville, police said. Elsie Carliota, 51, was treated at the nearby office of Dr. Arthur O. Swick for shock, contusion of the right hip and head, and permitted to go home.

CONSTRUCTION on the Parochial School of Trinity Evangelical Lutheran Church, 40 West Nicholas St., Hicksville, is rapidly nearing completion due to the use of new type construction methods.

Here a 29 foot section of the roof made up of 47 concrete blocks bound together by steel rods being lowered into place over the auditorium-gymnasium. The entire roof was assembled in just 23 hours. Another construction feature is the one unit all-steel window frames providing a wall-to-wall and floor to ceiling window for all rooms.

The school will accommodate 250 children. Application are now being accepted for the fall term. (Giess photo).

## Tragic School Bus Accident Shocks Entire Community

HICKSVILLE—Religious funeral services will be held at 1 o'clock Friday afternoon, Mar. 5, for eight-year-old Paul A. Jud in Trinity Evangelical Lutheran Church on W. Nicholas St. with the Rev. Edward H. Stammel officiating. Paul, a first grade student at the Lutheran Parochial School, lost his life in a tragic accident in front of the Church on Tuesday morning.

The children of the school will attend the services in a group. They will join in the singing of "Beautiful Saviour".

### STRUCK BY BUS

Paul, the son of Mr. and Mrs. August Jud of 74 East St., was struck down by a school bus on W. Nicholas St. at about 8:30 Tuesday morning, Mar. 2. Police reported the child was crossing from the south to the north side of the street when bus No. 19, owned by Bonkert and operating under contract with the school

district, passed over him. Driver of the bus was Ralph J. Fox, 58 of 4843 Ava Rd., Bethpage. After an investigation by police and detectives of the second precinct under Capt. Vincent Chimenti, no police action was taken. Fox was visibly shaken by the unfortunate accident. He is widely admired by the parents of his regular youthful passengers on the route of bus 19.

## Vote This Saturday On More Schools

HICKSVILLE—Nearly 3,500 local adults are registered for the special referendum of the school district this Saturday, Mar. 6, at the high school on Jerusalem Ave. Polling hours are from 10 AM to 8 PM on four propositions for expansion of elementary school buildings at a cost of \$600,000 each. Also purchase of five acres of property for another school off Newbridge Rd. near the Holy Family R. C. Church for \$42,000 out of surplus funds, and a question on division of the school district into voting areas. A two-third favorable vote is necessary on the first four questions, school authorities warn, urging a large vote.

The final two dances scheduled are on April 3, and May 1.

## Two Men Hurt in Same Accidents

Two men were hurt in falls in the mid-Island area Thursday afternoon, Feb. 25 in accidents, within 5 minutes of each other. Robert J. Dunlap, 50, of Hempstead, was taken to Nassau Hospital in Mineola with a brain concussion following a fall at the L. I. Lighting Co. plant on Old Country Rd., Hicksville at 2:45 P.M. Five minutes later it is reported that Max D. Berman, 62 of the Bronx, fell off a ladder at 3 Florgate Rd., Bethpage, and suffered a cut scalp. He was taken to Meadowbrook Hospital.

## Karran Home From Hospital

HICKSVILLE—Edward T. Karran of 39 Grove St., here, who was injured when a pumping station exploded at Centereach, on Feb. 24, returned home Wednesday, Mar. 3 from the Mather Memorial Hospital, Port Jefferson, where he had been a patient since the accident. His condition was described as "much improved."

Karran, well-known here, foreman on a job for C. W. Lauman Co. of Bethpage, at the time of the accident escaped with injuries described as "serious." A fellow worker, Leonard Cocker, was killed at the time when he was buried in the rubble of the blasted pumping station.

## Mothers March Raised Bulk Of Polio Money

HICKSVILLE—A total of \$3,874.00 was contributed by the community to the 1954 March of Dimes, it was reported today by Mrs. Thomas Bergin, chairman. The bulk of the total, \$2,414, was received from the Mothers March, she stated.

"I am sorry to say that 280 of the appeal letters which we did send to business and industry were either lost, strayed or dumped into waste baskets," she stated. "We never heard from them. I am so grateful to those who did more than their share. May they have good luck, always."

The final summary of collections follows: clubs, \$35; special donations, \$128.14; coin boxes, \$468.11; business and industry, \$248.00; schools, \$847.66; St. Ignatius, \$193.66; St. Ignatius Confraternity, \$183.40; Pack 64 of Cub Scouts, \$10.60; Mothers March \$2,414.00, to make a total of \$3,874.00.

CURRENCY EXHIBIT held recently at the Long Island National Bank attracted the interest of many, particularly local students. Here the 8th Grade of St. Ignatius School with Sister Rose Madeline finds the exhibit of interest. In the background are, at left,

Cashier Joseph Reinhardt and (right) Assistant Cashier Raymond Haner. Eighth graders of public and parochial schools made group visits to see the display. (Herald photo by Frank Mallett).

A week ago Saturday night, Feb. 28, there was a Washington Birthday Dance held in the Legion Hall in Queens Village. A few of our neighbors here in Hicksville helped fill the hall and those people out for an evening of celebration included: Mr. and Mrs. Walter Koebels, 23 Albert Street; Mr. and Mrs. Angelo Esgro, 11 Somerset Avenue; Mr. and Mrs. George Block, 18 Mineola Avenue and Mr. and Mrs. William Kraus, 26 Power Street. In addition to celebrating Washington's Birthday, Mr.

and Mrs. Koebels celebrated their fourth Anniversary with their friends at the affair and a happy time was had by all.

Some of the women on Mineola Ave. have formed a Koffee Klatsch which will meet every Wednesday evening. Their initial meeting was held last Wednesday, February 24th, at Mrs. Patricia Maurison's home, 3 Mineola Avenue. The other members of the Koffee Klatsch are: Mrs. Chris. Moscato, 5 Mineola Avenue; Mrs. Adalino Rohan, 7 Mineola Avenue; Mrs. Pearl Aiello, 9 Mineola Avenue and Mrs. Ann Fitzgibbons, 2 Mineola Ave-

Barclay St. on Woodbury Rd. near West St. on Saturday afternoon, Feb. 27. Bruce was treated by Dr. C. Kaminester for contusion of the left knee and permitted to go home. Driver of the car was Joseph Gravina of New York City.

The meeting for this week took place at Mrs. Moscato's home.

We all know that it is the job of Engineers for electric-appliance makers to improve upon already existing apparatus and also to develop new and better equipment for our daily living. I have been reading of one new development that is very intriguing. It is the new two-way door being introduced in the 1954 line of Philco refrigerators. This will enable the housewife to save many steps as the door can open from either side and it also makes it possible to fit the refrigerator into any kitchen arrangement.

Lent is here and hot cross buns are on the menu once again. Better let the beginning of March be your reminder that the deadline for filing your 1953 Income Tax is close at hand.

**Dear Jean:**

If you are annoyed by those "greasy" operators of motor-powered on a truck or a "fire truck" side the machine, check if the operator displays a 1954 metal pedicle's license from the Town of Oyster Bay. If not, you can call the police HI-8-7700. . . . Federal govt has cracked down on a local dress firm which employ about 40 persons, charging violations of the Fair Labor Standards Act in failing to pay time and a half for overtime in excess of 40 hours a week. The manufacturer is located at 3 East Marie St. It is reported. . . . Regular training drills for members of Emergency Co. 5 in the use of the Emerson Resuscitator and Inhalator are now scheduled the week of Mar. 22 under the direction of Ex-Captain ED GLINKA. . . .

GEORGE H. HAUSER of Garden City was re-elected chairman of the Hofstra College Board of Trustees. He was first elected to the Board in 1944 and was named chairman in 1945. SAM WEISS and KITTY leave for Florida, to visit his sister, on Saturday, Mar. 13. They will return on Apr. 5. . . .

## In People's Corner

Written in the Interest of  
Better Local Government . . .

By ALLEN CARPENTER

Political parties spend a great deal of their time and energy trying to sell to the public the idea that their candidates, and their elected officials, are not only the best—but the only good men.

If anyone seriously tried to convince us that all good men were tall, dark and handsome, we would merely laugh. Such a statement is so obviously false, and since only fools could believe it, we would laugh in his face.

Anyone who relies solely upon political parties to provide him with all his information about candidates, issues, etc., must do so at his own risk. We must never fail to realize that the party's point of view will always be presented in a light most favorable to the promotion of its cause.

Since we voters, cannot possibly come to know all the candidates, we must to some extent rely upon a party label. There is nothing wrong with this practice as long as we realize that it is not entirely reliable. But when a party does its utmost to keep its candidates, and its officials, under cover, when it avoids all open and public discussion at election time, they are depending entirely upon the party label to elect their men. When this happens, as it has happened here, the public should beware. The public should demand to know more than that he's a Republican.

Men are never so likely to settle a question rightly as when they can discuss the matter freely and openly with all parties concerned.

When the interchange of information is free, the expression of individual or group opinion is sometimes gently but always firmly discouraged, by our public officials, or by any powerful political group, we are having our freedom of choice, our rights and privileges openly challenged.

## Kiwanis Club Reports Active Year

**HICKSVILLE**—The Kiwanis Club, in its Annual Achievement Report, announced this week that 58.1 per cent of its total expenditures for 1953 "went directly toward Community Service in the Hicksville area."

In presenting the club's report, Past President Jay Schwartz and President James Walters pointed with pride to the large sum which went into community activities.

Largest single expenditure for the Club was spent to send 21 boys and girls to camp for a period of 10 days. Financial assistance was given to help organize and sponsor a boy scout troop. The Club also is supplying aid in the form of advisory support and sponsorship.

### SAFETY POSTERS

Other community activities throughout the year for which Kiwanis funds were appropriated were the safety poster contest under the direction of Harold Fleisch who presented Savings Bonds to the boys and girls for the best posters.

Another large appropriation of the club was its annual scholarship award made to William Cotter, a graduate of Hicksville High School.

The club celebrated National Kids Day in September by holding a Hobby Show at the High School Athletic Field, entertaining approximately 175 children and presenting prizes for their hobbies.

The club also sponsored and ran a Teen Canteen Dance, held a Father and Son Dinner entertaining 35 children, gave a Halloween Party for the Junior High School Students in conjunction with the PTA. This event entertained 300 children with prizes and refreshments. The following week a Halloween party with prizes and refreshments was given to the first six grades of the elementary schools, 400 children participated.

### JONES INSTITUTE PARTIES

Other projects covered by the 1953 budget were the Christmas and Easter parties given to the residents of Jones Institute, and many Thanksgiving Baskets to needy families in cooperation with the Junior Red Cross. Christmas baskets were given as a club project.

Other work done by the club in-

cluded free medical and dental treatment by its professional members, 2,160 pints of milk supplied to the Schools for needy children, and the mailing of letters for the Salvation Army in its Christmas Fund Drive.

NEIGHBOR DOWLING VIEWS NEWS:

# Rumors Become Sordid Story

By JOHN DOWLING  
Well neighbors, I guess you now must of you have read the sicken- ing and sordid story currently being featured in the New York Daily News—"From the Public Schools to Public Enemies."  
That newspaper, which has the largest circulation in America, recently assigned several of its top news reporters to the task of unearthing the truth about the long-existing, ugly rumors concerning the New York City school system.  
What they found and what they are still writing about has shocked everyone except the New York City officials who have known the truth and have deliberately suppressed it for many months.

It is these same individuals who have been devoting all of their energies toward convincing Nassau residents how wonderful it would be for all if the county was annexed and integrated into the city scheme of things. You're all familiar with the high-sounding drivel about one Board of Education, one Mayor and one this and that. Apparently the city scheme of things isn't working so well except to further enlighten county residents of the foolhardiness of such a move.

When the schools fall apart—and that's what has happened in New York City—then the rest of the city is tottering in the edge of moral and economic disaster.

The Daily News' revealing account of this sad condition should serve as a sharp warning to Nassau and Suffolk Boards of Education, administrators, teachers, residents and local and county officials that now is the time to enact measures in order to prevent this "reign of terror" in New York City schools from overflowing into the suburbs.

Local school officials, residents and leaders have done a tremendous job thus far in eliminating possible danger spots but the battle to keep our schools free of dope, hoodlumism and delinquency is a continuing one and any let up might prove fatal.

The Daily News' expose' is a timely one and it establishes further proof that a community with

home rule is the possessor of a wondrous gift.

**Mid-Island Data:** Plainview to have Post Office to be located just north of Old Country Road in Morton Village shopping center . . . Manetto Hill P.T.A. has committee planning similar organizations for new schools . . . Citizens advisory group to meet Friday night, Mar. 5, at Manetto Hill.

**Ed. Note:** Several weeks ago writer John L. Dowling told mid-Island residents that conditions in N. Y. C. public schools were shocking.

## First Father and Son Dinner

PLAINVIEW—The first annual Father and Son dinner for the Boy Scouts of Troop 13, here, was held Friday evening, February 25, at Manetto Hill School, according to Dr. E. A. Treacy, 546 Old Country Road, who is a scout committee man.

One of the highlights of the evening was the impressive candle-light ceremony conducted by Scoutmaster Frank Vernon.

In addition, Committee Chairman Joseph Arena introduced David LeFeber, district boy scout executive, who complimented the troop and presented Mrs. Marie Funfgeld, P-T A president with the renewal of Troop 13's charter. The Manetto Hill P.T.A. sponsors the troop.

The committeemen of the troop sincerely thank the P.T.A. for their cooperation in preparing and serving the dinner which consisted of baked ham and other delicacies.

## HILLSIDE TERRACE HAPPENINGS:

# Making Plans For Outdoor Sports

By BETTY MOGAVERO  
Hicksville 4-0772

Now that it's March, and Spring is almost upon us, we begin to anticipate outdoor activities. You Hillside Terrace "he-men" who have athletic aspirations, as well as the girls in the younger set, and boys take heed of the following:

Vincent D'Angelo of Wellesley Lane who is chairman of the local Athletic committee has appointed Leo Berkowitz of 77 Cambridge Drive as manager of the senior softball team. Experienced in this field, he should make an excellent manager. Any local resident is welcome to join. Ben would like a word from you as soon as possible so that teams may be formed. Contact him by calling HI 4-1582. Playing will be in our very own park area: Call Ben today so that all you ball players who have been looking for an opportunity to take part in this sport won't miss the chance.

Mr. D'Angelo also wishes to form five teams for junior softball in the different sections of our development. The idea is to have the different section teams participate in a tournament in our park. Parents who feel that their boys would enjoy this may contact Vinnie at HI 4-2864. There is no doubt that much, clean, wholesome fun can be gained in this sport, so there should be no reason for hesitation in signing up. Volunteers are needed to head the teams. Anyone feeling confident of this work may call Vinnie.

The younger girls have not been

forgotten. An athletic program for them is under discussion and if any women are interested in managing girls' teams, Mr. D'Angelo will be glad to assist.

Don't let Vinnie or Ben down. They are unselfishly devoting much work and time to this project for our benefit. Now it's up to you to see that it becomes an actuality.

The Spring Fling will be held May 7 at Olen Cove in the K. of C. Hall.

Hello to new neighbors: Mr. and Mrs. Stanley MilBaver who have moved to 29 Cornell Lane with their two daughters, Karen and Jean: Beth. Glad to see you.

Birthday greetings to Tommy Manesalco of Wellesley Lane who was 9 on Mar. 2.

Commander E. F. McDonald, Jr.  
The Zenith Corporation  
Chicago, Illinois

Dear Commander:  
May we say, right off, that we plan to tell our friends and customers, in an open letter, the same thing we're telling you. We want them to know exactly how we stand where your company is concerned and how proud we are to be selling Zenith Hearing Aids.

We go all out for Zenith. We can't say enough about the new tubeless, 3-transistor "Royal-T" Hearing Aid and Zenith's policy. We do a lot of talking about Zenith's low price and 10-day money-back guarantee and 5-year service plan. But we shout loudest (even when a customer isn't hard of hearing!) about what you call Zenith's "hear-better features." They add up to the greatest combination of electronic and engineering achievements that any of us has ever run across in one hearing aid!

What we also want to compliment you about is something you emphasize in your ads all the time. You say to people, again and again, "see your physician before buying any hearing aid." We wish everyone would take that advice.

We have folks who come in our store and want a hearing aid, when all they really need is to have a little wax taken out of their ears. We have many folks come in who really do need a hearing aid, and they think we're some kind of doctors or ear-specialists. We're not. But some hearing-aid ads give the impression that a dealer is practically a doctor or an ear-drum specialist or a mastoid-master. That just isn't true... which brings us right back to the best and most honest advice a hearing-aid manufacturer ever gave the public: see your physician first.

And here's something else we thank Zenith for. It's that 10-day money-back guarantee. It let's a hard-of-hearing person try out his Zenith Aid under all hearing conditions in his home, with his family, in church, in the theater and at work. And he can check with his physician at the same time.

Because of the low selling price and our low margin of profit on Zenith Hearing Aids, we do not accept used instruments in trade—moreover, we don't believe in selling secondhand instruments to anyone. Our customers like the fact that they can buy the Zenith "Royal-T" for only \$125, keep their vacuum-tube hearing aid for a spare and have two hearing aids for less than what some other transistor aids would cost even with a trade-in allowance of \$50.00 or so. And our customers really go for that unbelievably low battery operating cost of 15c a month!

And now, Commander, we'd like to ask you a favor... although we know it isn't necessary: keep up the good work. Stick to your policy of better hearing at lower cost. Stick to your policy of better hearing through sound advice to the readers of your ads. We're 100% back of your principles and policies because they are what have made our business grow by leaps and bounds. They've sold more Zenith Hearing Aids for us and made our business more successful on small-profit Zeniths than it could ever be by selling far less high-profit hearing aids. We feel proud of the fact we have helped you in your crusade to lower the cost of hearing.

Are we happy? Well, we're as happy as our Zenith-wearing customers. And that's plenty happy!

Sincerely,

**BROADWAY REXALL DRUGS**

NEIGHBOR DOWLING VIEWS NEWS:

# Rumors Become Sordid Story

**JOHN DOWLING**  
Well, neighbors, I guess by now you have read the sickening and sordid story currently being featured in the New York City News—"From the Public Schools to Public Enemies."  
That newspaper, which has the largest circulation in America, recently assigned several of its top news reporters to the task of unearthing the truth about the long-existing, ugly rumors concerning the New York City school system.  
What they found and what they see still writing about has shocked everyone except the New York City officials who have known the truth and have deliberately suppressed it for many months.

It is those same individuals who have been devoting all of their energies toward convincing Nassau residents how wonderful it would be for all if the county was annexed and integrated into the city scheme of things. You're all familiar with the high-sounding drivel about one Board of Education, one Mayor and one this and that. Apparently the city scheme of things isn't working as well except to further enlighten county residents of the foolhardiness of such a move.

When the schools fall apart—and that's what has happened in New York City—then the rest of the city is tottering in the edge of moral and economic disaster.

The Daily News' revealing account of this sad condition should serve as a sharp warning to Nassau and Suffolk Boards of Education, administrators, teachers, residents and local and county officials that now is the time to enact measures in order to prevent this "reign of terror" in New York City schools from overflowing into the suburbs.

Local school officials, residents and leaders have done a tremendous job thus far in eliminating possible danger spots but the battle to keep our schools free of dope, hoodlumism and delinquency is a continuing one and any let up might prove fatal.

The Daily News' expose is a timely one and it establishes further proof that a community with

home rule is the possessor of a wonderful gift.

**Mid-Island Data:** Plainview to have Post Office to be located just north of Old Country Road in Morton Village shopping center... Mannetto Hill P.T.A. has committee planning similar organizations for new schools... Citizens advisory group to meet Friday night, Mar. 5, at Mannetto Hill.

**Ed. Note:** Several weeks ago writer John L. Dowling told mid-island residents that conditions in N. Y. C. public schools were shocking.

## First Father and Son Dinner

**PLAINVIEW**—The first annual Father and Son dinner for the Boy Scouts of Troop 13, here, was held Friday evening, February 25, at Manetto Hill School, according to Dr. E. A. Tresey, 548 Old Country Road, who is a scout committee man.

One of the highlights of the evening was the impressive candle-light ceremony conducted by Scoutmaster Frank Vernon.

In addition, Committee Chairman Joseph Arns introduced David LeFeber, district boy scout executive, who complimented the troop and presented Mrs. Marie Funfgeld, P.T.A. president with the renewal of Troop 13's charter. The Manetto Hill P.T.A. sponsors the troop.

The committeemen of the troop sincerely thank the P.T.A. for their cooperation in preparing and serving the dinner which consisted of baked ham and other delicacies.

## HILLSIDE TERRACE HAPPENINGS: Making Plans For Outdoor Sports

By BETTY MOGAVERO  
Hicksville 4-9772

Now that it's March, and Spring is almost upon us, we begin to anticipate outdoor activities. You Hillside Terrace "he-men" who have athletic aspirations, as well as the girls in the younger set, and boys take heed of the following:

Vincent D'Angelo of Wellesley Lane who is chairman of the local Athletic committee has appointed Leo Berkowitz of 77 Cambridge Drive as manager of the senior softball team. Experienced in this field, he should make an excellent manager. Any local resident is welcome to join. Ben would like a word from you as soon as possible so that teams may be formed. Contact him by calling HI 4-1659.

Playing ball is in our very own park area. Call Ben today so that all you ball players who have been looking for an opportunity to take part in this sport won't miss the chance.

Mr. D'Angelo also wishes to form five teams for junior softball in the different sections of our development. The idea is to have the different section teams participate in a tournament in our park. Parents who feel that their boys would enjoy this may contact Yinnie at HI 4-3884. There is no doubt that much, clean, wholesome fun can be gained in this sport, so there should be no reason for hesitation in signing up. Volunteers are needed to head the teams. Any one feeling confident of this work may call Yinnie.

The younger girls have not been

forgotten. An athletic program for them is under discussion and if any women are interested in managing girls' teams, Mr. D'Angelo will be glad to assist.

Don't let Yinnie or Ben down. They are unselfishly devoting much work and time to this project for our benefit. Now it's up to you to see that it becomes an actuality.

The Spring Fling will be held May 7 at Glen Cove in the K. of C. Hall.

Hello to new neighbors; Mr. and Mrs. Stanley MilBaver who have moved to 29 Cornell Lane with their two daughters, Karen and Joan; Beth. Glad to see you.

Birthday greetings to Tommy Manescalco of Wellesley Lane who was 9 on Mar. 2.

"Hicksville's Rexall Drug Store"

108 Broadway      Hicksville 3-0077

Commander E. F. McDonald, Jr.  
The Zenith Corporation  
Chicago, Illinois

Dear Commander:

May we say, right off, that we plan to tell our friends and customers, in an open letter, the same thing we're telling you. We want them to know exactly how we stand where your company is concerned and how proud we are to be selling Zenith Hearing Aids.

We go all out for Zenith. We can't say enough about the new tubeless, 3-transistor "Royal-T" Hearing Aid and Zenith's policy. We do a lot of talking about Zenith's low price and 10-day money-back guarantee and 5-year service plan. But we shout loudest (even when a customer isn't hard of hearing!) about what you call Zenith's "hear-better features." They add up to the greatest combination of electronic and engineering achievements that any of us has ever run across in one hearing aid!

What we also want to compliment you about is something you emphasize in your ads all the time. You say to people, again and again, "see your physician before buying any hearing aid." We wish everyone would take that advice.

We have folks who come in our store and want a hearing aid, when all they really need is to have a little wax taken out of their ears. We have many folks come in who really do need a hearing aid, and they think we're some kind of doctors or ear-specialists. We're not. But some hearing-aid ads give the impression that a dealer is practically a doctor or an ear-drum specialist or a mastoid-master. That just isn't true . . . which brings us right back to the best and most honest advice a hearing-aid manufacturer ever gave the public: see your physician first.

And here's something else we thank Zenith for. It's that 10-day money-back guarantee. It let's a hard-of-hearing person try out his Zenith Aid under all hearing conditions in his home, with his family, in church, in the theater and at work. And he can check with his physician at the same time.

Because of the low selling price and our low margin of profit on Zenith Hearing Aids, we do not accept used instruments in trade—moreover, we don't believe in selling secondhand instruments to anyone. Our customers like the fact that they can buy the Zenith "Royal-T" for only \$125, keep their vacuum-tube hearing aid for a spare and have two hearing aids for less than what some other transistor aids would cost even with a trade-in allowance of \$50.00 or so. And our customers really go for that unbelievably low battery operating cost of 15¢ a month!

And now, Commander, we'd like to ask you a favor . . . although we know it isn't necessary: keep up the good work. Stick to your policy of better hearing at lower cost. Stick to your policy of better hearing through sound advice to the readers of your ads. We're 100% back of your principles and policies because they are what have made our business grow by leaps and bounds. They've sold more Zenith Hearing Aids for us and made our business more successful on small-profit Zeniths than it could ever be by selling far less, high-profit hearing aids. We feel proud of the fact we have helped you in your crusade to lower the cost of hearing.

Are we happy? Well, we're as happy as our Zenith-wearing customers. And that's plenty happy!

Sincerely,

**BROADWAY REXALL DRUGS**

# Our Children Needs Schools

By Fred J. Noeth

**YOUR FAVORABLE VOTE** for the bond issue to cover the cost of increasing facilities to provide education for the children of Hicksville is urgently requested. The need for the construction of 36 more classrooms at this time is readily apparent. There are today thousands of boys and girls just under school entrance age who will require these classrooms in the very immediate future.

The statistics speak for themselves. The School Board can plot with some accuracy the number of classrooms needed as of today, next September and succeeding years. Each year about 1,000 children are reaching school entrance age. A leveling off period is also forecast, but we are assured that the proposed additions to four schools will not exceed our minimum requirements. In other words, there does not at this time appear to be even a remote possibility of "overbuilding."

**The need is definite and urgent. We urge your vote in favor of the propositions.**

However, at the risk of criticism for daring to raise the question, we must take exception to the technique used in selling these proposals to the community. Our complaint is with some "official" statements made in regard to the cost of the program. The careless reader would get the impression that these schools will be built at practically no cost to the property owner.

Herald readers were given the full text of the material supplied speakers of the "Referendum Committee" on the "effect of proposed additions on taxes and tax rates". It was all there, but a hurried reading could leave only one impression: We are going to build two million dollars worth of more schools and the tax rate will not change—in fact, it may go down.

True enough, there were plenty of qualifying expressions to be found in the text: "impossible for Board to forecast with certainty", "too many factors which influence the tax rate", "variable influences which cannot be foreseen", etc.

But, what has not, in our opinion, been made plain in data fed the public in recent weeks about the cost to the taxpayers is that the "experts" are now talking about school taxes as a double-decker proposition. There is the generally understood "school tax rate", which is today \$3.14 per \$100, and there is a new line of thought which divides this total tax into "operational" and "debt service" costs.

We make a point of this because while we are told there is a ceiling, under existing State Laws, on the "debt service" part of the tax rate, there is no ceiling on the "operational" part of the tax and that this portion of the cost is likely to keep rising. For example, we are told the presently committed (1955-6) debt service rate is \$1.13 per \$100 of assessed value or \$45.20 on a house assessed at \$4,000. But the actual tax rate for schools on a \$4,000 house right now is \$125.60 with our rate \$3.14. The \$30.40 portion of the tax bite is not even mentioned.

**The need for these additional facilities is staring us in the face. We think the people of Hicksville recognize this need and will vote for these proposals on Saturday. We don't think it is necessary to paint a "pie in the sky" picture and lead taxpayers to think they are going to get all this while taxes hold firm or decline.**

### Care Of Public Grounds

South Hicksville residents attending the NLHOA meeting last week heard about the future plans for the grounds deeded to taxpayer ownership as part of the dicker on the creation of the Pool Hall Joint District. Councilman Frank Chlumsky, told the group that the grounds may fall into three different categories.

### Three Categories

It seems that the situation is far from simple. The grounds apparently come into three different categories. There are the grounds surrounding the swimming pools, one on Levittown Parkway and the other at the West Village Green. The responsibility for cutting the grass and picking up trash there belongs to the Pool Hall Joint District. Then there is the "park" extending from Levittown Parkway to Wantagh State Parkway between Arrow and Abbott Lanes. It looks like this grass is to be cut by a crew employed by the Hicksville Park and Parking District. And there is the land adjoining Levittown Parkway where the grass got out of control last year through neglect. It appears that this grass will be cut under the direction of the township highway department.

### How Do You Like That?

This situation, dear readers, point up with great clarity the dubious advantages of the hamlet, or no local government, status of our community. Three grass-cutting crews with three sets of equipment for one job! This is just grass cutting. Think of all the other possibilities.

### Justly Concerned

The owners of homes adjacent to the long, narrow park grounds between Arrow and Abbott Lanes are concerned about what may be done there. The configuration of this park is such that almost any activity will invade the privacy of neighboring residents. It is hard to understand the reasons for such a long, narrow shape. Any satisfactory solution will undoubtedly be difficult to achieve, and the neighboring residents present at the meeting assured Councilman Chlumsky that they have a strong interest in what may be done.

DONALD IS COMING HOME

# Marine's Parents Get Good News

PLAINVIEW — There's wonderful happiness and high excitement in the home of Walter and Theresa Reynolds this week. In all stems from the fact that they've received definite word that their son Donald, 20, is coming home after almost two years on the Korean battlefields.

Another reason for the Reynolds' exhilaration is the personal letter they received Feb. 18 from His Eminence Francis Cardinal Spellman, Archbishop of New York. In his letter Cardinal Spellman told the Reynolds that during his recent trip to the Far East he met young Donald and told him that as soon as he arrived back in the United States he would write his parents bringing to them affectionate greetings from their son.

Donald, who is graduate of La Salle Academy in New York, went overseas as a Corporal with the 1st Marine Division, 5th Battalion, and saw action on Pork Chop Hill, Bloody Nose Ridge and Vegas Hill. As soon as he returns he plans to complete his education at Adelphi College where he will major in Business Administration.

Mrs. Reynolds, who described her feeling about Donald's homecoming as "I'm just too thrilled to say anything," is busy seeing to it that his room is fixed the way he liked it before he left and is planning many surprises for the returning hero. Another member of the family who is overjoyed at the news is Donald's 13-year old sister, Arlene, who has been waiting a long time to see her big brother.

Mr. Reynolds, who served with the U. S. Navy in the south Pacific during World War II, expressed his feelings by saying: "We overjoyed beyond words and we hope that all of the young men in our armed forces will eventually be able to return home to their loved ones."

The Reynolds family reside at 27 Blanche St., Plainview. Cardinal Spellman's letter to the family follows:

"Dear Mr. and Mrs. Reynolds:

"I have recently returned from a visit to the Far East where I was privileged to meet thousands of American boys in the Army, Navy, Air and Marine Corps in Japan and Korea. Among those I visited was one very dear to you from whom I received a commission to bring you affectionate greetings which I am happy to do with this letter.

DONALD REYNOLDS

"The spirit of our boys was deeply inspiring as they perform their duties as soldiers in defense of our beloved country. I assured them of the admiration the love and support of all of us at home, and reminded them that they are not only soldiers of the United States, but also soldiers in Christ's Army with the obligation of living good lives and winning the battle of their souls' salvation. I implored them to be faithful to the teachings of their religion and to try always to walk in God's Holy Presence.

"Uniting myself in prayer with you I ask, in turn, that you send my greetings to your loved one.

"Faithfully yours in Christ,  
"(Signed) Francis Cardinal Spellman

COPIAGUE—Our Lady of Assumption R. C. Church, here, was the scene of a pretty wedding on Sunday, Feb. 28, when Josephine Tanzola, daughter of Mr. and Mrs. Frank Tanzola of Millpage, became the bride of Barney Ruggiero, who has made his home with his sister and husband, Mr. and Mrs. Peter Perricchio of 12 Maple St., Hicksville. Miss Tanzola designed her own wedding gown which was made by her mother. It was of white Chan-

tilly lace in ballierin length. A crown of matching lace held her fingertip veil, and she carried an old-fashioned bouquet of white roses.

Joyce Coty, a cousin of the bride as maid of honor, wore a ballerina length gown of yellow mousseline de soie and carried an old-fashioned bouquet of yellow roses.

Angelo Pugliardo of Copiague was best man. The bridegroom is stationed in Seattle, Wash., with the U.S. Army. He and his bride left from LaGuardia Field by plane on their honeymoon, planning a stop-over in Chicago enroute to Seattle, where they will make their home during the bridegroom's period of military service. The bride wore a navy gabardine suit with matching accessories to travel.

**NORTH WEST NOTES:**

**Civic To Show Religious Film**

By JAMES CUMMINGS  
Members of the North West Civic Assoc. were informed at the meeting last Tuesday evening that W. B. Lundman of 12 Indiana St. will show a feature length film in color and sound by an outstanding cast of professionals from Hollywood, at the April 6th meeting. It is the greatest story ever filmed... "The Life of Jesus Christ", the running time of the film is 90 minutes.

The Executive Board of the Association will announce in its bulletin the details regarding this showing at a later date. Mr. Lundman is Long Island representative of Visual Aids Service. During the Lenten season this timely portrayal of the life of the Savior is an enabling experience.

**LEAVE IT TO THE GIRLS!**  
The "Kaffee-Klatch" club consisting of See Schult, Marcella Gregory, Helen Lowry and Dolores-Cummings, treated their husbands to a night out... on them. Reservations were made at Sunrise Village, Bellmore, and off we

went, including carnations for the fellows... A very delightful and enjoyable evening was spent at the Village plus a stop at the Boots 'n' Saddles on Jericho Tpke... The group even got into the act during the show with assistance from the m.c., excellent performance by Helen and Al Lowry. Our thanks girls for a most entertaining evening.

We hear of more damage to property by youngsters in the vicinity of Burns Ave., School and elsewhere in the development with youngsters throwing things at parked cars—what next? Don't forget to vote this Saturday at the High School on the \$2,500,000 expansion program, between 10 A. M. and 8 P.M., cast your ballot as early as possible to avoid delays... Get out and vote, it concerns each and everyone of us.

Lucky winner of the Motercia Radio awarded at our meeting was Joseph R. Bruck, 90 Gardner Ave. His son, Richard in the service two years, is on the way over to Korea.

By HOWARD FINNEGAN

Elimination of West Hempstead in the Alliance playoffs requires that Steve Ruggiero get his strongest and soundest players in the game during the last ten minutes.

There can be no quarrel that his bench provides him with plenty of service in the first three periods but the final session needs the poise and fight that isn't always there.

The old master really never worries until the final two minutes and his club responds to the touch with the hectic winning baskets, but many think he is really cutting it a little thin these days.

Pat Enos may not have another chance to be the hero for the PBC Alumni in the playoffs. He is scheduled to go in training at Vero Beach, Florida, with the Brooklyn Dodger Farm teams on a moment's notice.

He played up in Hornell, New York, last season in the Pony League and it is expected he will start in that fast stepping loop again this year.

Farmingdale High just isn't considered in its match with Mineola for the North Shore Championship but the matter of fact attitude of our friends to the East might be the factor that will seed an upset.

Mineola is reported to have a disdain for the press and the Dalers work very effectively if it is not used against them. In a game of set plays it will be a close issue and since Farmingdale has had a diet of two-point wins we think they can sneak through.

A vote for our Eastern Division comrades, 54-51.

Meenan Oil, whose plant is on Duffy Ave., Hicksville, has signed Ed Coleman, Bill Brodick and Herman Rigby for its softball club which will operate in Jones Beach and ASA this year.

These boys of course are familiar names on the Hicksville softball scene. Others from last year's Botto club, since defunct, are Brain Masterson, George Fowler and Ken Sommers.

The team will operate under the direction of Doc Linnehan and is expected to be a strong contender in both phases of competition.

Now that we have a Dad's Booster Club for Hicksville High it looks as though the new Woodland Avenue gym will have to be used for varsity basketball games until the new high school is ready.

If the hope for support from parents is genuine, the best gym with the most advantageous seats should be used.

Many persons are skeptical that Roy Stephenson will meet with any success in trying to promote a night softball league in that stadium out in Lindenhurst.

However, if those managers presently dreaming of the Jones Beach title think carefully of how many inconsistencies must be overcome to take that championship they would take more kindly to the operation of an independent league.

The biggest argument proponents of a softball team in Hicksville used to lure a sponsor was that \$200 to \$500 would gain the person shelling out almost \$5,000 worth of advertising.

The response was always "Who needs the advertising?" The Republicans can't be doing so bad after all.

## PBC Cuts Gloom, Wins First Test

HICKSVILLE—The curtain of gloom shrouding the PBC Alumni's chances for a fourth straight Alliance championship snapped up to reveal a stage of even odds this week and sharp passing provided the snap.

It was three periods of give and go and the man passing that vaulted the Alumni to a 78-68 opening playoff round win over West Hempstead early in the week.

Steve Ruggiero's troupe must repeat the win on the Hub team's home court Monday night or move to neutral Locust Valley where the rubber game is booked.

Victory in this series earns the

right for a berth in the best of three finals against the Glen Cove-Port Washington bracket winner. West Hempstead was installed as the heavy favorite to cop the 1954 bunting and most of its backing still remains despite the reverse at Hicksville.

### ENOS SAVES ALL

Loyalty to the taller Hub crew is founded on the PBC's unsound defensive fourth periods and the shocking undercoring of that factor in the first game.

Ted Schwawing's classic nine point spurts in both the first and third ignited the gas for Hicksville to take a 68-38 lead.

Hempstead altered its attack then, spreading its big men out wide from under the basket, and came with a rush.

The bold fact was that with just three minutes left the Alumni had only a 69-66 lead and was folding badly.

Pat Enos deftly stole three passes and he hit with a basket and three foul conversions.

The 74-68 took Hicksville's win out of peril.

Hicksville supporters are lifted since the club proved not to be the soft touch the smart sheets tabbed it but the quick shrinkage of the 20 point lead has left them far from sure.

**URGE LETTERS OF PROTEST:**

**Commuters: This Is Your Week**

ROSLYN—Mass action by Long Island Commuters to oppose any further increase in Long Island Rail Road fares is being taken throughout the Island this week, according to Nathan M. Klein, president of the North Shore Commuters' Assoc.

Action is expected simultaneous-

ly throughout the Island this week, Klein said. Petitions will be circulated through cooperating organizations, and individuals will be urged to back these up with letters and telegrams. Objectives of the campaign will be (1) To send letters and telegrams to the Interstate Commerce Commission in Washington, D.C. opposing any fare increase for the Long Island Rail Road on the Pennsylvania Railroad's application for a 25 per cent fare boost; a hearing on this before the Commission takes place Wednesday; and (2) To send petitions, letters and telegrams to Governor Dewey urging the passing of laws needed so that the state can buy the L.I.R.R. and let the Long Island Transit Authority run it.

Klein said interest is high throughout the area in this plan for giving "long-suffering commuters" an opportunity to express their desire "to say good-bye to the unsafe, uncomfortable and inadequate transportation they have had to tolerate so long."

**HICKSVILLE DOWNS:**

**Lucky Irene Wins Another Prize**

By JOAN DOWD  
Hicksville 4-1957

Here we are again . . .

Our telephone only rang twice during the past week in answer to our request for newsworthy items. Frankly, we're disappointed. We finally took to phoning people we don't even know up and down the street. It seems no one thinks that anything they do would be of interest to anyone else. Guess the next thing is pecking in windows. Come on, now — CALL!

The card and bunco party at Our Lady of Mercy Church on Feb. 26 was very successful. Five of our local citizens came home with prizes. Marge Mashburn of 6 Juniper St. and Grace McKernan of 78 Cliff Dr. won door prizes of a sack of 50 pounds of potatoes each. Mrs. LaFontaine of 1 Ward St. won a garden rake—also a door prize. Millie Haas of 15 Stanley St. won a very attractive apron, and Irene Esteridge of 78 Cliff Dr. took home a ~~delicious~~ set as a table prize. Irene, in the past few months, has won about three prizes at various times. Call her "Lucky".

On March 1 a Miraculous Medal and Infant of Prague Novena was started at Our Lady of Mercy Church to be held every Monday evening hereafter at 8 o'clock.

Feb. 24 marked the eighth wedding anniversary of Theresa and Charles Barhold of 90 Cliff Dr. However, they celebrated a double

occasion on February 21st with Theresa's brother, who had just returned from active duty in Korea, and his wife. They all went to Manhattan to see "The Glen Miller Story" at the Capitol Theatre, and had dinner in the Grill Room of the Hotel Taft where Vincent Lopez and his orchestra are currently appearing.

Mr. and Mrs. Charles Nass of 91 Cedar St. had Miss Francis Appel of Middle Village, Queens, as a weekend guest recently.

Mr. and Mrs. John Murray of 85 Cedar St. had their son, Thomas christened on Sunday, Feb. 21 at St. Ignatius Loyola Church. The Godparents were Mr. and Mrs. John Flatley, of Meridian Road, Levittown.

I'll bet you didn't know we have an author living in Hicksville Downs. Jack Woodworth of 97 Cedar St. and his father Walter collaborated on a book for J. Moore & Co., Bridgeport, Conn. The name of the book is "Precision Hole Location For Interchangeability In Tool Making". Of course, I haven't read it yet. I haven't had time.

There was a meeting of the entertainment committee of the Cedar-Cliff Civic Assoc. Monday and from the scraps of information we gathered this spring affair is going to be a great success and should not be passed up.
