Great, Great Grandmother 100 Years Old, Baby Is One

HICKSVILLE—Saturday, Apr. 3, is a day of special significance for Mrs. F. L. Parr of Charles St. It will be her grandmother's 100th birthday and her grand daughter's first birthday. Grandmother Minerva Ferris of Millbrook, N. Y., is passing the century mark. On the other side of the world, in Japan, little Sharon Lee Firth, will be a year old. Sharon Lee is the daughter of Army Lt. and Mrs. Henry O. Firth, son-in-law and daughter of Mr. and Mrs. Parr.

Mr. and Mrs. Parr returned this week from a month's vacation trip to West Palm Beach, Fla., and the west coast. On the day of their departure for the south, Mrs. Firth and her infant daughter left for Japan to join her husband.

Local Buying Power Soars

HICKSVILLE—Today's buying power of the 6½ square mile area of Hicksville exceeds \$84,000,000 compared with \$25,000,000 only four years ago, or an increase of \$69,000,000. These calculations were announced by Stackler & Frank, home builders who have an office at 218 No. Bway, based upon new local population figures for Hicksville estimated by the L. L. Lighting Co. and published in the Herald, Tuesday. The buying power is figured on a \$2,361 per capita annual income for Nassau County, according to the State Dept. of Commerce. The 1950 U. S. Census gave Nassau a per capita income of \$2,285.

The Hicksville population today is 35,649 or a gain of 112.5 per cent since the 1950 census of 12,070. The area is defined by the Lighting Co. as bounded on the north by Northern State Pkwy, on west by Wantagh State Pkwy, on the east by So. Oyster Bay Rd and on south by Hempstead-Oyster Bay Township line.

Pet Ran Away During Vacation

HICKSVILLE—Mr. and Mrs. Donald Fry of 78 Scooter Lane here had a disappointment when they returned from an otherwise pleasant vacation. Their seven months old Beagle, "Maerie" had managed to escape by digging out from a runway at a kennel where she had been boarded during her family's absence. She became lost in the Westbury-Hicksville vicinity, is black, tan and white with speckled chest and legs. The Frys whose phone number is LE 9-7675, are offering a reward for her return.

Knights Study Clubhouse Sites

HICKSVILLE—Several sites for a Knights of Columbus Clubhouse here are under consideration by the Building Fund Committee of the Joseph Barry Council. The Committee met Tuesday afternoon, Mar. 20, at the Wheatley Hills Golf Club to discuss sites and the general organization of the Building Fund drive. Recommendations of the group will be presented at the April 13 meeting of the Council in the VFW Hall. Present for the meeting were William E. Koutensky, Chairman; Judge Joseph P. Lebkuecher, Michael J. Sullivan, Vincent McGunnigle, Charles Montana, James Cummings and Francis Donovan, Grand Knight of the K of C Council.

Home Bureau Discusses Fabrics

HICKSVILLE—"Know Your Fabrics" will be the topic, a talk by Mrs. Janet R. Terhune, assistant Home Demonstration Agent, at the meeting of the Home Bureau next Tuesday, April 6 at 10 A.M. in the Legion Hall. She will show the new fabrics on the market today and how they may be used in the home.

Plans will be made for the County Achievement Day Exhibit to be held April 29 in Garden City. All those interested in attending the Achievement Day Luncheon may purchase their tickets at the business meeting Tuesday.

New High School Bids Found Within Budget

HICKSVILLE—Bids on the new high school were opened by the Board of Education and a board spokesman announced that it was found the bids are "within the budget." Voters had approved an appropriation of \$3,000,000 for the project a year ago. No bid figures are available until after Knapp & Johnson, architects on the project, complete a summary.

BRENGEL NOT RUNNING:

Contest For Vacancy

HICKSVILLE—Larry Roman, well-known civic leader, will be a candidate for the Board of Education in the May 5th election, it was revealed last night by the Home Owners Committee for the Election of Lawrence A. Roman. He will be a candidate for the three-year vacancy to succeed Henry C. Brengel who told the Herald he will not seek election.

A contest for the May 5 voting is assured since Joseph Cawley of Glow Lane has also announced his candidacy for the Brengel vacancy. A new requirement of the State Education Law now requires Board candidates to state the specific person they seek to succeed.

The term of Edna Kuhne Sutton also expires this year. She has not stated whether she will seek another three-year term but friends hope that she would consent to re-election.

Roman who is 38 lives on Notre Dame Ave. He has practically been a life long resident, being born in Jericho.

"His enthusiastic community-wide interest in Hicksville is well established," the sponsoring committee points out. "He has been actively identified with various civic projects and has been president of the Civic and Community Assoc. He has fought vigorously on the question of fees paid the attorney for the school district. Failing to obtain the cooperation of the School Board majority on this question, he has taken an appeal as

LAWRENCE A. ROMAN

a taxpayer before the state commissioner of education in Albany." A decision on the question of whether the attorney fees paid by the district are "reasonable" is now being awaited.

Fix Voting Districts, Dates

HICKSVILLE—The establishment of four voting districts and revisions in the Education Law will result in changes for local voters in connection with the annual school meeting and election of two trustees next month.

All voters who wish to vote for trustees at the next school meeting must again register in person. They may do so on either Saturday, Apr. 24, from 2 to 10 P.M. or Thursday, Apr. 29, from 4 to 10 P.M. They will register at their respective voting places as listed below.

The annual meeting will start at 7:30 P.M. on Tuesday night, May 4, at the high school auditorium. The vote on the budget, election of a library trustee and the library budget will take place at the same place on the same evening.

Election of two trustees to fill two vacancies on the School Board will take place on Wednesday, May 5, at the four district polling places (listed below) between 4 and 10 P.M.

Designating petitions for a specific vacancy on the school board must be filed with District Clerk Andrew B. Heberer not less than 10 days prior to the vote. Dates and hours regarding the annual meeting and election were set at a meeting of the Board of Education last night.

The School Board has set the boundary lines of four voting districts in the school district as follows:

Funeral Services Monday For Annapolis Graduate

HICKSVILLE—Funeral services will be held Monday morning, Apr. 5, at 11 o'clock at St. Stephen's Lutheran Church, South Bway, and Fourth St., for Naval Lieut. John J. Entstrasser, Jr. who was killed in an aircraft training flight crash in Florida last Monday.

Accompanied by an escort of Naval officers, the body is expected to arrive here Saturday and will lay in state at the Henry J. Stock Funeral Home on Newbridge Rd until the funeral.

Lieut. Entstrasser, son of Mr. and Mrs. John J. Entstrasser of 13 Spruce St., was the first Hicksville boy to graduate from the United States Naval Academy at Annapolis. He received his Ensign's commission on June 3, 1953.

WORK ON DEVELOPMENT PARKS:

Town Warns Rubbish Dumpers

HICKSVILLE—Installation of a four-foot chain link fence around the small park area in the Glenbrook Homes section off Newbridge Rd. has been ordered by the Oyster Bay Town Board, according to Councilman Frank Chlumsky, and the bid for the job has been awarded.

Chlumsky also reported on other park areas. The township, he said, has put up a backstop at the 4 acre park in the Hillside Terrace development and is building

three sand play areas.

"After the town went to the trouble and expense of cleaning up the Hillside Terrace park," he added, "people are still throwing rubbish and debris in the area. Unless this is stopped at once, the town board will send over the police and issue summonses to violators."

He also announced that the town has hired a worker for the Park and Parking District to keep park areas trim, and that the town this

week cleaned up the Abraham Levitt Little League ball field on Hempstead Ave. next to Dutch Lane school.

Representatives of local civic associations met with Supervisor Lewis Waters at Oyster Bay, Saturday morning, regarding the development of park areas, as a follow up of a meeting with Waters on the same problems last January.

Junior High Busy on Operetta

HICKSVILLE—Students of the Junior High School are busily preparing for their spring operetta. This year's production will be "Martha," or "The Fair at Richmond," by von Flaton, and will be presented on June 4 and 5 at the high school auditorium.

According to Anthony Pollera, Junior High music teacher who is in charge of the production, approximately eighty students have volunteered to participate. Final casting will be held this week.

William Feigin, science teacher, is in charge back stage. Students working with him will handle lighting, stage setting, and properties. Mr. Jacobs and Mr. Ferrara of the Industrial Arts dept. will super-

vised construction of necessary scenery, and art students will put on the finishing touches under the direction of Leatrice Glickman.

Distribution and sale of tickets will be handled by the mathematics dept., publicity by the English dept., and background material for the play itself will be gathered by the citizenship education dept. All of the work connected with the production will be done by students themselves, making this a cooperative effort of the entire Junior High student body.

Eagles to Form Mid Island Aerie

HICKSVILLE—The Fraternal Order of Eagles has announced that a local aerie will be established in Nassau County. The new lodge will be known as the Mid-Island Aerie and is being sponsored by the Fort Hamilton Aerie of which Herbert K. Old, 47 Caroline Ave., Elmont, is President.

John J. Gabriel of One Schiller St. here, has been commissioned by the Grand Aerie to organize the local lodge.

The Eagles were established in 1898 and now claim more than a million and a quarter members. There are 2,000 subordinate lodges in the United States. In addition to the lodge being established in Nassau County, other lodges on Long Island are located in Northport, Bay Ridge and Flushing.

Anyone interested in becoming a charter member should contact Gabriel or telephone Hicksville 4-3043.

Dear Jean:

RUTH SCHULZ of Hicksville Gables, who was a contributor of a column for the arena for sometime, has moved with her family to Melville. . . . Condolences are expressed to School Principal JOHN CHASE whose mother passed away over the weekend. . . . **PHYLLIS H. GOLDSMITH** has been engaged as a new kindergarten teacher for Woodland Ave School which will probably open on Apr. 12. When it does, all classes except kindergarten will be on single sessions, East St. School, as a result, will have single sessions from third thru sixth grades. . . . You know it is against the law, now, to permit your dog at large without a leash. You are subject to a fine and the dog warden can take away your pet. . . .

Dutch Lane P.T.A. has invited all candidates for the Hicksville School Board on May 5 to speak at a meeting on Apr. 6. Thus far only **JOSEPH CAWLEY** has filed an candidacy petition. . . .

ANDREW B. HEBERER has been clerk of the Hicksville School District since 1922. In that year the **TOTAL BUDGET** for the district was \$44,380. Today it may exceed \$3,000,000. . . . During that period of 32 years that HEBERER has been clerk, there have been only 36 members on the Board of Education. **HENRY C. BRENGEL**, whose term is expiring, has been serving for 20 years. He states he is not seeking reelection. Second longest tenure of current members is **EDNA SUTTON**, whose term also expires, concluding her sixth year. . . . **E. H. LeBARRON**, superintendent of schools, estimates that state educational aid to the district next year may exceed a million dollars. It was \$750,000 for 1953-54. . . . Among the other interesting things heard at a recent Board meeting: Cost of transporting children in the district has been reduced from 25c to 14c per child (apparently, per school day). District spent \$18,000 last year on its summer recreation program, serving a total of 3,295 children. Easter recess for children starts Apr. 14. . . .

Interesting developments on the reported theft of dynamite and blasting caps in February, but we have been asked to cooperate with authorities to aid their investigation. . . . **Ladies Auxiliary** of Congregation Shaarei Zedek will hold election of officers on Apr. 6. **ADA BIER** has been nominated for president. . . . Did you know that there are a total of 13 park areas which have been set aside by builders in Hicksville Park and Parking District area? Few have reached the stage where they can be used by the residents—but some folks find they make "wonderful" rubbish dumping grounds. . . . Rotary club heard a talk by **JERRY STEIBEL** of Radio Free Europe last week. Speaker was provided by **HOWARD LINDSAY**, member and script writer for TV and radio. . . .

OYSTER BAY—At least four public hearings concerning mid-island residents will come before the Town Board here, starting at 10 o'clock next Tuesday morning, Apr. 6, according to notices tacked on various poles and trees in the area. The Town Board does not believe in giving the public notice of the proposals by publication in the Mid-Island Herald which has the largest circulation in the area and is an official newspaper for the publication of Nassau County legal notices.

The various proposals include an application of Anna M. Lebkuecher for permission to build and operate a gas station at the corner of Old Country Rd. and Lee St., Hicksville, which is almost opposite the Old Country Rd. School.

Judge Joseph P. Lebkuecher is asking for a zone change from residential C to business G on property on the south side of Woodbury Rd., starting 1056 feet from the corner of Woodbury and Plainview Rds., Hicksville. It has a frontage of 370 feet on Woodbury Rd.

Three owners are asking for a change from residential D to business F zoning for a parcel about 60 by 100 feet at Table Lane and Newbridge Rd., Hicksville, almost at the township boundary. The applicants are Paul J. R. Schlessinger, Ann Schlessinger and Charles Hoffman.

Henry C. Brengel seeks a zone change from residential to business F zoning on a parcel starting at the corner of Sheridan Ave. and Central Ave., Bethpage.

NEIGHBOR DOWLING VIEWS NEWS

Plaudits For Senator Hendrikson

By JOHN DOWLING
 Senator Robert C. Hendrikson (Rep., N. J.) deserves the special plaudits of every parent.

The legislator, who is chairman of a special committee investigating juvenile delinquency, has announced his intention to introduce a bill providing for a mandatory sentence of not less than one year for all those convicted a second time of dealing with lewd, immoral or licentious material.

He said that an extensive investigation by his subcommittee staff

showed that our youth are the targets of banders of filth. He disclosed that teen-agers in virtually every city in America are being exposed to indescribable snot by shameless and evil merchants of pornography. "An immediate solution to this wicked and disgusting problem must be found," he added.

While Senator Hendrikson's bill is designed to cover only the District of Columbia, the door has been left open for inclusion of a provision to cover the entire country.

In addition, his committee's investigation reveals the need for a job to be done by the citizenry of local communities.

Civic groups and others by setting up special watch-dog commi-

tees can prevent the introduction of written and pictorial sewage in their home villages. They can track down the sources and make an immediate report to law enforcement agencies. They can keep a sharp eye on the type of pocket books being sold in community stores and enlist the support of the proprietors to eliminate them from the bookshelves.

Every organized community group should assume the responsibility for keeping the community's mind clean as well as its streets.

MID-ISLAND DATA

In all probability a new Town Attorney will not be appointed for two or three months. Instead, special counsel will be temporarily employed to handle several specific cases. Look for an additional deputy town attorney to be appointed within the next 14 days.

PLAIN-VUES:

Drama Guild and Civic Dance

By RAE CANTILLI
 PLAINVIEW DRAMA GUILD

The Plainview Drama Guild is in full swing. As you all probably know, the Guild, sponsored by our Civic Assn. is presenting three one Act Plays in the late Spring. The next meeting of the Guild will be April 14 at Manetto Hill School at 8 P.M. according to Stephen Thomas, President. At this meeting, the final casting will be completed. I'm so glad I can once again be with the group. It's a lot of fun working together. There are so many parts of the theater besides acting. With everyone working at their particular jobs, it brings forth a feeling of harmony. We all can't be Helen Hayeses or John Barrymores. It's that feeling of being able to be a part of the theater that is so rewarding.

CIVIC ASSN. DANCE

Plans for the big Civic Assn. Dance to be held on June 19 are in full swing. Although a lot of planning is going on, quite a few details have to be cleared up first. Bernard McCaffrey of 161 Manor St. is the Committee Chairman. Later on I will inform you of the place and a few more of the details. Just keep June 19th in mind.

PRISCILLA GUILD

The regular meeting of the Priscilla Guild of the Church of the Good Shepherd Lutheran will be held Friday (April 2) at the Chapel on Central Park Rd.

PLAINVIEW FIRE CO.

The Annual Spring Dance of the Plainview Volunteer Fire Co. will be held on April 24 at 9 p.m. at the Fire House on Old Country Road. Music is by Steve Hladki and his orchestra. Donations are \$1.25 with a Door Prize. Here is a chance to support your Fire Dept. and help keep it one of the most efficient ones in Nassau. Award of Regina Twin Brush Floor Polisher and Scrubber, a R.C.A. 2 way Yachtman Portable Radio and a Universal Coffeemaker will also take place at that time. Come out and have a good time.

PLAINVIEW CIVIC ASSN.

Plans are in the making toward a huge membership drive. Cards will be given to every Block Captain as well as to the Board of Directors. The yearly booklet "This Is Plainview" will be worked upon by a Committee as a summer project and will be bigger and better than ever. The next meeting of the Executive Board will be April 14 and the regular meeting of the Civic Assn. will be the 3rd Tuesday which is April 20 at 8:15 p.m. at the School.

It is expected that candidates for the post of Board of Education will be the guest speakers of the evening. There are a lot of things on the fire. So do make an effort to come out.

CONGRATULATIONS

I'm very proud to be the one to announce that the United States has a brand new citizen living in Plainview. . . . one whose enthusiasm and love for this country is something that even native born Americans fail sometimes to realize.

Mrs. Peter Curran of 46 Nassau Ave. became a United States citizen at Mineola on March 12. She was sworn in by Judge Huntington in the Supreme Court. Dr. Adams of Hofstra College spoke to the 106 people who became citizens. Mr. Peter Curran and Mrs. Mary Arendt were witnesses at the first hearing. I wish to congratulate her and wish her well.

GET WELL QUICK

I was very sorry to hear that Mrs. Marion Sheels of 21 Wendell St. was injured in an automobile accident March 29. I hope that she will recover soon. The accident took place at Old Country Rd. and New South Rd.

PLAINVIEW VAMPS REPORT:

17 Men Getting Gifts From Home

It is with great pleasure that the Comfort Committee reports the following. We wish to thank publicly all the organizations and people who have made it possible for us to carry on our primary function. The committee on the 25th of March mailed 17 packages to service men from Plainview. The majority of men who have served know the pleasure one receives from a package from home. We feel that most of the men will enjoy this one a little more, since it comes from the community and proves to them that those at home have not

forgotten the boys who are awayed by us will revert back to the fire service.

The Fire Co. wishes to announce the date of the Spring Dance: Saturday, April 25. Admission will be charged. You may obtain tickets from the firemen in your section or at the firehouse Sunday mornings. In conjunction with the dance there will be awards given, a Regina floor-waxer, a coffee maker and a portable radio. The cost is the same as usual. The prizes are on display in the cleaner's window on Old County Rd. The Fire Company would appreciate it if just as many people would attend as possible because the monies received

will be discussed at this time.

AUXILIARY TO MEET
PLAINVIEW — Mrs. Dorothy Schupp, president of the Ladies Auxiliary Unit No. 1812, of the American Legion here announces that the next meeting will be held on Monday evening, April 5 at the Manetto Hill School, starting at 8:00 P.M.

Mrs. Schupp asked that all members make an earnest effort to attend as items of importance will be discussed at this time.

CURRENT COMMENT:

Let's Continue Pre-Hearings

By Fred J. Noeth

WE CAN'T HELP express disappointment in the reported decision of the Hicksville Board of Education not to hold a preliminary discussion on the proposed budget of the school district for 1954-55.

The lack of attendance—estimated at about 70 last year—was given as the reason for deciding to discontinue this practice which had been started only a few years ago. Underlying the determination to drop the preliminary hearing, we suspect, is the fact that the Board is of no mood to make any changes in the budget as the result of recommendations which may be offered at such a hearing. Certainly in years gone by it has not changed a single decimal point, even when a preliminary hearing was held.

The annual budget gets bigger and bigger—and it is unofficially estimated that the budget for the coming year will be in excess of three million dollars, gross. This would be nearly one-third as great as the previous year.

We have no quarrel with the size of the budget. The community is growing, the student enrollment continues to climb, we have more schools, more activities, more teachers, etc., etc.

However, it becomes almost impossible for the property owner to get acquainted with the details of the budget on the evening of the annual meeting. On the other hand, a well-advertised preliminary hearing with copies of the budget available well in advance would permit taxpayers the opportunity to intelligently consider it. Such a system would almost eliminate the need for further prolonged discussion on the night of the annual meeting.

We are well aware of the fact that preparation of the budget is a task which consumes a great deal of time and effort on the part of the Board and officials of the district. Every appropriation is weighed and discussed. On the other hand, the preliminary hearing device has proven its value in other school districts and has resulted in broader informed interest on the part of the taxpayers. We dislike seeing this practice discontinued.

We have noted the trend away from discussion in the matter of voting upon new school expansion projects here. Whereas at one time the public had a chance to question authorities in open hearing before being asked to vote on a new bond issue, in recent bond votes there has been a tendency to let informed citizens carry the ball—speaking to civic and P-TA groups. This trend began with Board members carrying the story. In the last referendum not a single public appearance in behalf of the propositions was made at an advertised meeting or hearing by a Board member.

It is a fine thing that we have capable citizens willing to do the selling job on these propositions. But we have also noticed that when the questions of the audience concern specifics—matters which only Board members can answer—there are some spur-of-the-moment replies or downright evasions.

Hicksville may grow in size and our costs and expenditures may increase, but we trust we will never reach the point where the public is deprived of the opportunity to ask questions and satisfy its desire for information before making a decision involving the taxpayer's obligations. The brief interval at the annual meeting just before votes are cast hardly seems the time to ask those questions.

Public opinion is like the tide in our familiar ocean. It is always moving, and no human power can stay its course. Unless it is unusually high or low, it excites no special attention. Vain attempts have been made to harness the tide, but largely men have been more successful at adapting themselves to its regular ebb and flow.

Unlike the tide however, public opinion, cannot be calculated or predicted with any degree of accuracy by either mathematicians or men of science. Only through an understanding of our American temperament, our American tradition, can the people's opinion be gauged.

Probably largely due to our American tradition of respect for honest differences of opinion, we are tolerant, sometimes even beyond reason. As a natural result, we are prone to allow action, or the lack of action, on the part of our public officials to go, apparently, unchallenged.

This lack of viscus excitement and turbulence, is one of the things that distinguishes our land from many another. This tolerance is an indication of the mature strength of our basic faith in our own Amer-

ican way of life. American public opinion, although seldom expressed in turbulence, has a force as strong and as irresistible as the ocean's tide.

All of us have, at one time or another, witnessed the power of public opinion. Most of us can bring to mind the plight of a public official or party boss, when to his dismay, he found that the strength of our peoples' opinion was far more powerful than that of the deepest entrenched of his political enemies. We can remember his utter collapse when he discovered that the people were stronger than any political machine.

Like a slip on a carelessly dressed woman, our public's opinion is beginning to show. Those of you who can remember back even only a few years, will recognize the signs of change. You can see the change, the change that grows out of the reaction which always comes after a prolonged appeasement has failed. The point at which our tolerance, our watchful waiting was of value, has been reached and passed. Here in our Towns and hamlets the tide has begun to turn.

Hard To Believe

The Long Island Railroad is reported to be carrying about 40 million fewer passengers annually now than it did in 1930. That figures out to be about 110,000 fewer each day. We don't doubt the figures at all, but that's a lot of people. And we can't figure out where the dickens they put them all back in 1930. Right now, for example, there are 29 trains leaving Pennsylvania Station between 5 and 6 o'clock each evening. That's almost one train every two minutes, and they are all jammed. It's very, very hard to believe.

Money To Improve Service

The L.I.R.R. just saved more than a million and a half dollars in back taxes in their deal with Nassau County. In addition, they will save about two thirds of in future taxes because of reduced assessments. This is certainly a tidy little sum and we hope that most of it will go for improved service, either in new facilities or more efficient use of present facilities.

Could Pay For Electrification

Electrification of the L.I.R.R. from Mineola to Hicksville, a distance of 6 1/2 miles, should be one of the first improvements on the agenda. The tax savings would go a long way toward paying for this. And further, electrification would result in many operating economies to help ease the railroad's financial troubles. For instance, electrification would permit trains to operate directly between Hicksville and Penn Station. As it is now, space for Hicksville passengers must be provided on trains from New York to Jamaica. After discharging them at Jamaica, many trains continue half empty to their destinations along the electrified lines. That could be eliminated, and some electric cars used on the Hicksville line.

**NORTH WEST NOTES:
 Local Peddlers Need Licenses**

By JAMES CUMMINGS
 It has been brought to the attention of this column that certain peddlers and hawkers have misrepresented the product or products they have been selling in the North West Section. Quoting one price to a customer as selling elsewhere for much higher, "out if you buy it from me you will get it at great savings."

Several such cases have been reported and with that in mind I would like to call to the attention of the readers the following Ordinance, Rule and Regulation for Hawking and Peddling in the Town of Oyster Bay: "Sec. 1. No person shall solicit the sale of, or hawk, peddle, vend, sell or dispose of any goods, wares or merchandise of any description in or upon the public streets or places of the Town of Oyster Bay, or in or upon private property by calls from house to house within said Town, without having first obtained a license therefor as herein-after provided. "Sec. 2. License fee for such license is hereby fixed at the sum of

Thirty Dollars (\$30.00), and an additional Thirty Dollars (\$30.00) for each additional vehicle used." The ordinance further states: "Every applicant for a license is required to submit to the Town Clerk, a written application supplying under the following certain pertinent information required by the Town of Oyster Bay." Sec. 3. The said forms: "Any person who solicits the sale of, hawks, peddles, vends, calls or disposes of goods, wares or merchandise, without having obtained a license as provided, or who refuses to produce such license to any Peace Officer, who demands inspection of the same or who violates any provision of this ordinance shall be liable to a penalty of One Hundred Dollars (\$100.00) recoverable by the Supervisor of the Town, in any court having jurisdiction thereof."

If you are in doubt about the approach of any peddler or hawker, ask for his license, protect yourself from the many fast-talking operators who are looking to turn over a quick buck. Know the person you are dealing with. The best example of such are your community merchants who stand behind the products they sell. You may obtain a copy of the "Hawking and Peddling Ordinance" by writing or calling the Town Clerk's office in Oyster Bay.

102 Daughters At Breakfast

HICKSVILLE — One hundred and two members attended the 8 o'clock Mass and Communion Breakfast sponsored by the Catholic Daughters of St. Ignace Church. Following the mass in the church, the breakfast was held in Henningsen's Restaurant, here.

A special guest was District Deputy Helen Robinson of Oyster Bay.

"Friendship with God," was the topic of an interesting talk by the guest speaker, Mrs. Francis Dunne of Great Neck.

The general chairman of the affair was Mrs. Margaret Ofenloch.

Miss Albrecht On Dean's List

Miss Imogene Albrecht, Jericho Road, Hicksville, has been named to the Dean's List at State University Teachers College at New Paltz.

Eligibility for the honor is based on achievements of superior scholarship during the preceding semester of course work.

Miss Albrecht, a freshman at New Paltz, is the daughter of Mr. and Mrs. Frank Albrecht and a graduate of Hicksville High.

The Glen Cove—Hicksville League of Mercy Hospital will meet at the home of Mrs. Michael Dunne of 34 Glen Cove Ave., Sea Cliff, Tuesday, April 6 at 2 P.M.

Fork Lane P-TA To Show Film

HICKSVILLE — An unusual film, "The Closed Book," will be shown at the April 6 meeting at 8:15 P.M. of the Fork Lane PTA at the school. The subject matter of the film is so different that Carl Nelson, chairman of the Safety Committee, will not give any hint as to its content. All he would say was "Suspense is the keyword of the program."

Officers for the next PTA year will be elected at this meeting and refreshments served during the social hour.

Spring Dance Is 'Dress-Up' Event

HICKSVILLE—A Spring Dance will be held at the high school this Saturday night, April 3, one of a series which have been sponsored during the school year by the P.T.A. with Mrs. John Fallon in charge. It will be a "dress-up" affair with dungarees strictly out of order. She will be assisted by Jessie DeMonaco and E. Irving Jessor, P.T.A. president.

Macion Arthofel, general student chairman of the dance, placed posters which she made herself around the school Tuesday to advertise the affair. She has made posters for all the dances all through the school year. She will be graduated this year and plans to matriculate at Hofstra College as a pre-medical major.

State Revokes Local Licenses

ALBANY—Motor Vehicle Commissioner James R. Blodgett has made known names of Hicksville people who have had revocations of their operator's licenses or suspensions for major causes during the first half of March.

The license of Lawrence Oliveri of 83 Kansas St., has been suspended for "persistent violation" under the point system. Suspended for the same cause have been the licenses of Phillip B. Neilson of 11 Hamlet Rd., and of Charles J. Maggio of 20 Boulder Lane.

The license of Cornelius Gallagher of 31 Fourth St., has been temporarily suspended "pending investigation of an unlicensed operator conviction."

William H. Schweigert of 54 Virginia Ave., Plainview, has had his license revoked on a charge of "driving while intoxicated."

Red Cross Near Plainview Goal

PLAINVIEW—The community Red Cross goal of \$500.00 has passed the 80 per cent mark. Edmund Ocker, chairman of the drive here, revealed this week. Ocker said that the community's Red Cross volunteers will intensify their efforts during the next two weeks in order to insure reaching the quota. He also pointed out that most of the credit is due the volunteers who gave freely of their time in order that the community might take its place along side other Nassau's districts that have reached their Red Cross quota for this year. Those who weren't home when the volunteers called may send their Red Cross contributions direct to him at P.O. Box 296, Hicksville.

William V. Cash, engineer first class, USN, husband of the former Miss Catalina M. Pascoe, of 7 Willy lane, Hicksville, is among the 158 submariners who were graduated Mar. 12th from Class 101 of the enlisted basic submarine course.

Orchids To Fire Rescue Squad

By DOROTHY GUELPA
Orchids to the men of the Fire Dept. Rescue Squad who continued to supply oxygen to Richard Monroe, late residents of 40 Cambridge Dr., when, seriously ill, he was being taken to the hospital in an ambulance. A short circuit caused a fire in the motor of the ambulance.

Another ambulance was hurriedly summoned from Farmingdale, while the Bethpage vamps extinguished the fire. At no time was Mr. Monroe disturbed, although the men were in constant danger from the combination of flowing oxygen and fire.

Mr. Monroe succumbed later to his illness in Meadowbrook Hospital. Our sympathy is extended to his widow.

Yes, he's gone but not forgotten, That little "Pooch" of mine, He was always ready to welcome you Every day, and at any time.

He was just like one of the family Shared with everything we had, Our affections and attention He really made you feel glad.

For the past seven years we had him Each day he grew more attached to you, Now I know, we will surely miss him He was obedient and true blue.

Now I have laid him away in a sleeping place A sleep that will be quite long, May he reach his place in "Dog Heaven" Where each bark will be a song. JACK GIFFORD

**CANTEN GURGLES:
Burns Ave Bulges at Seams**

JOANIE SULLO
Burns Ave. Canteen is going to be bulging at the seams pretty soon. Two weeks ago 90 teenagers attended the Canteen and this week found 99 socializing to smooth dance music and guzzling soda provided at cost by Mr. Hill of the Hicksville-Levittown Beer Distributors. We sure appreciate this financial windfall 'cause that means we make more soda profit for our treasury which is doing very well, thank you.

Speaking of generous people, the 55 teenagers who had such a swell time at the skating rink Saturday night really had warm regard for the Young Republican Recruits who paid for the bus and insurance thus reducing the total cost of the skating party to 60 cents for each teenager.

"Miracles Can Happen" Dept.—on the ride home from the skating party, 55 voices were raised on the chorus of the SAME song at the SAME time. Never before in the history of Teen Canteen has such a thing happened. Usually five songs are rendered at the same time. Our chaperones, Mr. and Mrs. Kist seemed to enjoy hearing one song for a change.

A big ping pong tournament scheduled to start at Burns Ave. with the best girl player and boy player scheduled to challenge the best players at Dutch Lane Canteen. Winners of the Inter-Canteen Tournament will take their favorite dates to see the EDDIE FISHER TV SHOW. Did I see someone faint then?

Sign up for the tournament at Burns or Dutch Lane Canteen. Play-offs will start next week. Dick O'Mara, associated with Coca Cola, is obtaining the tickets which

makes him the Man of Distinction on our list.

CAN YOU IMAGINE DEPT
How Barbara Segal plays the accordion so well with only a year's instruction?

Joan Sullo the size of Jackie Dempsey and vice versa?
Big Betty Neal without Little Betty Miller?
Joe Sittler without his perpetual comb?
Bob DuCosta not insulting his brother Joe and vice versa?

Teen Canteen without their wonderful chaperones, "Little Betty" Miller, "Big Betty" Neal, petite Mrs. Siler, smiling Mrs. Kletka, friendly Stan Jastemah and sweetest Joe Bruck and "Wardens" Ed Kist? Teen Canteen wouldn't be Teen Canteen without them.

Marty Watkins not thinking up interesting activities like "leap-frog"?

That's all for this week—see you in two weeks.

**Recruit Office
Closed for Week**

HICKSVILLE—The Army and Air Force Recruiting Office in the Herald will be closed next week from Monday until Saturday.

T/Sgt. Dey, local recruiting representative, is taking a week's leave to entertain some house guests who have returned from duty overseas. Sgt. and Mrs. Dey's guests are Sgt. First Class and Mrs. Barney Long and their three children, Ann, Chuck and Karen.

The Longs has been living in Thailand for the past two years where Sgt. Long was assigned to the Military Advisory Group there. Sgt. Long's branch of service in the Army is Artillery.

Sgt. Dey announces that anyone from his area (Hicksville, Bethpage, Westbury, Levittown, Farmingdale or East Meadow) may reach him during the week by calling his home, (IVanhoe 3-5122), or anyone desiring information can call the Hempstead Recruiting Station, (IVanhoe 3-6140), address 260 Front Street, Hempstead.

ANNUAL CARD PARTY

The annual card party of the Mother's Auxiliary of Boy Scout troop 64 will be held in the Masonic Temple on Nicholas St. Friday, April 23. This event is anxiously looked for each year by the whole of Hicksville for its gaiety. Many lovely prizes will again be awarded this year.

SPORT-O-GRAMS

By Nat Ferraro
FISHERMAN'S LUCK!

It won't be long until millions of fishermen will be trying to outwit the inhabitants of streams, lakes, brooks, rivers and oceans. Exhibiting a patience that they reserve for their favorite sport, they will be content to stay for hours in an attempt to lure the big one. Some will be lucky, others won't. However, their good fortune is not to be measured by the number of fish they catch but by the fact that they are able to get outdoors and lap up the good Spring air.

It will be your good fortune to join our Dollar-A-Month club. You'll benefit by getting gas at cost and you'll save on the monthly special. Stop in tomorrow and get all the details. HILLSIDE TERRACE HAPPENINGS

Block Captains Select Officers

By BETTY MOGAVERO
Hicksville 4-0771

Well, it certainly is reassuring to see our park area taking shape. A backstop was erected Monday and this is only the beginning. A big note of thanks goes out to Vincent D'Angelo for his tireless efforts on the athletic committee. The Millwood Gate Softball Team has offered to be the first opponent of the Hillside Terrace ball players. There is still time for those interested to be on the team. Contact Ben Berkowitz at HI 4-1002.

It seems that a fine is to be imposed on anyone throwing or burning rubbish in the now-clean park but it's certain that all of us will cooperate in this respect. It has also been requested that all ball-playing done in the park be limited to softball, as it has been learned that the harder balls are extremely dangerous.

There were two "Blessed Events" in our area this month. Mr. and Mrs. Jules Lonschein of Haverford Rd. now have a second child, a son named Gary, born Mar. 22, weighing seven lbs. and Mr. and Mrs. James Murphy of Dartmouth Dr. were blessed with a daughter, Patricia Ann on Mar. 28, weighing seven lbs. and 2 ounces. Congratulations.

Happy to hear that Joe Simons of Hollins Rd. is home from the hospital after undergoing two op-

erations. Also that Freddy Arnold's mother is having a speedy recovery after her operation, and that Richard Laino of Hunter Lane is home from the hospital and "doing nicely." Richard suffered a freak accident in his home which could have resulted in his losing one or both eyes. But as it turned out, Richard's eyesight is now normal.

A meeting of the block captains, who are also the nominating committee, was held Wednesday night to choose new officers of the Hillside Terrace organization for the oncoming year. The members of the committee are: Harold Nelson of Hollins Rd., James Murphy of Dartmouth Dr., Thomas Thompson of Cambridge Dr., Vincent D'Angelo of Wellesley Lane, Gerald DeBorne of Dartmouth Dr., Sam Mogavero of Cambridge Dr., Anthony Vinci of Hunter Lane, John Wieboldt of Hollins Rd., John Palmer of Amherst Lane, Albert Kralstein of Hollins Rd., Henry Goldman of Froelich Farm Rd., John Prokopek of Haverford Rd., and Mr. Schenick of Cambridge Dr. The next regular meeting Tuesday, April 13 at 8 P.M. will be a most important one, as we will learn the names of the newly-nominated officers, so please try to attend the meeting in the East St. School. Our organization has now been incorporated under the charter laws of the State of New York

and a certificate stating this will be forthcoming in two weeks.

A very nice social evening was enjoyed at Grace Maniscalco's home last Wednesday night. Invited were: Lillian Coyle of Haverford Rd., Toni Christopher, Rose Vinci and Jean Laino, all of Hunter Lane; Betty Mogavero, Marie Butt and Lynn Neibuhg of Wellesley Lane.

Nice to see the Evan Hunters of Cambridge Dr. home after their most delightful trip through Miami and Nassau.

Valerie Palmer of Amherst Lane was 12 years old on Mar. 26 and celebrated with a party for her young friends. Happy Birthday too to Lillian Coyle whose birthday was Mar. 30.

Well it looks like those old troublesome "mumps" are certainly the prevalent thing here. Mark Spector of Dartmouth Dr., Jerry Friedman of Wellesley Lane and Bruce Pellechia of Cambridge Dr. are all down with mumps. Hope they are up and around by now.

GOOD NEIGHBORS FOR 28 YEARS

Shhh . . . he's photographing a phone call!

Taking baby pictures is child's play compared to this! Even though there were billions of phone calls made in New York State last year, it's hard to get one to sit still for its picture.

For example, how do you focus? A phone call can be an intimate close-up if you're talking to your young son, or a quick snap if you're calling the movie to see what's playing. And do you take a telephone call smiling—like when you hear, "It's a girl"? Or serious,

like when you need a plumber fast?

Hard for a photographer, sure. But easy for you to picture your phone calls. Easy to see, in your own mind's eye, how much it means to have the telephone right at your side—any time of day or night.

It's always ready to melt the miles, to run your errands, to bring your faraway loved ones right into your home. And few things that serve so well cost so very little.
