Warn Residents Of Mail Barrage

ALBANY—New York state residents are urged by the superintendent of insurance to avoid companies "not licensed to do business in the state." He specifically mentioned a mail campaign for Missouri auto insurance firm to sell a limited-type accident and health insurance policy. It is reported that the Hicksville area has been saturated in recent weeks by this particular campaign.

379 Fire Call Set Record

HICKSVILLE—The fire dept during 1953 answered a total of 379 alarms, an all-time record for the community and an increase of 28 over the previous record year of 1952, it was noted today as the term of office of Chief Edward E. Schuiter, Jr., concludes. The department has answered more than 135 calls for assistance during the first three months of this year. The new chief will be installed at the department meeting next Monday night.

During the past week, ten calls were received, three for grass fires and four for oil burner alarms. A box alarm shortly after midnight, Tuesday, called the vamps to the McKeran home at 78 Cliff Dr. where flames damaged the attic.

AGREES TO RUN FOR BOARD:

Mrs Sutton To Seek Re-Election

HICKSVILLE—Edna Kuhne Sutton of Lee Ave., vice president of the Board of Education, will be a candidate to succeed herself as a trustee of the school district in the May 5 election, it was learned today. Mrs. Sutton's decision to be a candidate for a third term was generally anticipated.

While personal considerations had made it difficult for Mrs. Sutton to make an earlier announcement, she has been besieged with appeals by her many friends in the district to agree to the circulation of a nominating petition in her behalf, the Herald learned. Friends noted that her personal popularity has resulted in the absence of any other candidates for her position on the board.

Mrs. Sutton is concluding six years as a member of the

Board. She was largely responsible, during her early tenure, for the Columbia Survey of the school district needs and requirements at a time when the community was first beginning to feel the impact of post-war new home building.

The mother of two children and a former teacher, Mrs. Sutton has been active in Parent-Teacher and other community affairs.

Larry Roman and Joseph Cawley are candidates to fill the vacancy caused by the expiration of the term of Henry C. Bregel, who is not running after serving for 20 years.

All voters must register personally on either Apr. 24 or 27 to be eligible to vote for board candidates on May 5.

Town Decides Lebkuecher Gas Station Plea On Apr 20

OYSTER BAY—The decision of the Town Board upon a plea to permit another gasoline station in Hicksville, strongly opposed at a public hearing on Tuesday by residents, is anticipated following the Board meeting on Apr. 20, according to Councilman Frank Chlumsky.

The application of Anna Lebkuecher for permission to build a gasoline station on Old Country Rd. at Lee Pl. was heard Tuesday. Judge Joseph P. Lebkuecher appeared at the hearing to represent his mother's application.

Opposing the application were residents in the vicinity, including the Southern Homes and the Duffy Park Area. George O'Brien of 26 Burkland Ave. appeared to speak in opposition for the Duffy Park Civic Assoc. and present a petition with 200 signatures.

SCHOOL DISTRICT OBJECTS
Mrs. Robert Best of 32 Washington St. also spoke and presented the petition of residents of the Southern Homes. It was also reported that the school district objects since the site is almost opposite the Old Country Rd. Elementary School.

Objectors cited the hazards to children of the area which would develop, depreciation of property values and pointed to the fact that there are no gasoline service stations in the Hicksville area of 6 square miles.

The hearing was closed and the Town Board reserved decision. Action is anticipated at the Apr. 20 session.

New School Budget Indicates Tax Rise

HICKSVILLE—While the official school district tax rate for 1954-55 will not be established until after Aug. 1, informed sources indicated today that the rate may rise to about \$3.65 per \$100 upon the basis of a net budget of two million dollars. The gross budget of the district coming before the voters at the annual meeting on May 4 will exceed three million dollars with estimated revenues, including state aid, above a million.

School Board Goes on Record

HICKSVILLE — Responding to a plea from Walter Scheiber, president of the Duffy Park Civic Assoc. who appeared with three other residents of the area, the School Board on Wednesday night went on record as opposed to the construction of a new gasoline station on Old Country Rd. at Lee Pl. The potential hazards for children of Old Country Rd. school who cross the busy highway at the same point was stressed.

School Board members are unwilling to be quoted on the anticipated tax rate. The present rate is \$3.14 per \$100 of assessed valuation and if it rises to \$3.65, it would add about \$25 to the tax bill on a home assessed for \$5,000.

The cost of instructional service continues as the largest single category of the proposed budget and is expected to top \$1,700,000. Debt service, which provides for the payment of bonds and interest due on new buildings in the district, will run better than a half million dollars.

The Board of Education continued its work on the proposed budget at a special meeting, Wednesday night.

Dedicate New Church This Sunday

PLAINVIEW—The Church of the Good Shepherd, Lutheran, Central Park Road, just north of Old Country Road, here, will dedicate its new \$65,000 Church building and Parish House this Sunday, Palm Sunday, at 3:30 p.m. The ceremonies will climax an exceptionally rapid growth for the Congregation which was first organized as a mission in early 1952 by Trinity Evangelical Lutheran Church of Hicksville.

The new Congregation which now numbers almost 500 souls, has invited the Rev. Edward H. Stammel, pastor of the "mother" church to give the dedication sermon. The Rev. John Hirsch, pastor of the Church of the Good Shepherd-Lutheran, will officiate at the ceremonies.

Birth of the Church of the Good Shepherd-Lutheran took place just about three years ago. In the Fall of 1951, Pastor Stammel of Trinity was surveying the growth of the Plainview area with the thought in mind of establishing a mission here when he heard that "the Forsythe" property of 10 plus acres and residence was available for purchase.

This was one of the last pieces of desirable property not already sold to building development companies. Numerous buyers were interested in purchasing this property which had a price of \$42,000. The Rev. Stammel realized this.

Dear Jean:

CLIFFORD PLACE of W. John St., Hicksville, left this morning
 for Washington, D. C. to attend the Post Office Dept. ceremonies in
 connection with the issue of the new eight-cent "In God We Trust"
 stamp. It goes on public sale in Hicksville Post Office on Saturday.
 We hear that there is talk of forming a local "Last Man's Club" for
 the veterans of World War II. . . . Town Board got a bid of \$875 on
 Tuesday for the vacant house on the property between Marie St and
 Nicholas, Hicksville, which will soon be a public parking field. The
 new field in the rear of the Professional Bldg is nearly completed.
 It will open with a two-hour parking limit, thus closing the gate to
 commuter use. . . . Many motorists fail to stop when they approach
 a school bus which is discharging or taking on young passengers. The
 law requires you to stop, in either direction, when the bus is halted
 and the red signal lights are flashing. Stiff fines are imposed. . . .
SAUSMER'S HARDWARE at 70 Bway, Hicksville, is again giving
 away, without charge, copies of a 1954 Fishing Almanac which fish-
 ermen find most useful. . . . Chamber of Commerce Directors will
 meet this week at **HENNINGSEN'S Restaurant** instead of the Mille-
 ridge Inn in Jericho. . . . **FRANCIS J. DONOVAN** of Duffy Ave.,
 Hicksville, who is deputy county attorney, announces that 32 of 42
 bills introduced in the New York State Legislature this year in be-
 half of Nassau County were passed by both houses and are now
 awaiting executive action. . . .

A report from the L.I.R.R. this week reveals the shocking in-
 formation that a total of 510 trains were stoned by children last year
 with 300 windows broken and 64 passengers injured. In addition, 97
 obstructions were found on tracks. . . . Hicksville Rotary club had 100
 per cent attendance during March. The club is planning to send eight
 boys to Camp Grant for two weeks this year instead of six. . . .

New, giant water storage tanks in both Hicksville and Bethpage,
 upon which construction started about the same time, are going to be
 put in service almost on the same day also. The Hicksville tank is
 now undergoing leakage and sanitary tests, following which it will be
 put into use—probably within the week. . . . New members of the
 Hicksville Home Bureau include Mrs. **JAMES GALLAGHER**, Mrs.
CHARLES McWEENEY and Mrs. **MARIE WOLD**. . . . **FRANK MAL-
 LETT** is building a new studio for his growing photography business.

Parents Responsible For Children

By JOHN DOWLING
An interesting situation developed last week when two responsible officials publicly presented opposite views on delinquency. The first came to the public's attention when Children's Court Judge James Gehrig in an annual report to County Executive Patterson blamed school boards for delinquency because they are not paying enough attention to reading disabilities.

The second, and by far the more objective because it went to the heart of the matter, was the speech made by District Judge Paul Widitz who told the members of the Lewittown Memorial High School P.T.A. that irresponsible and unthinking parents are primarily responsible for delinquency. Judge Gehrig's attempt to lay the cause for delinquency on school boards is ridiculous, and his charge that lack of remedial reading programs is a principal factor in the

anti-social behavior of problem children has some merit but by no means can it be singled out as the major cause for delinquency.

His statement, to say the least, is a weak one because it overlooks the real reason for delinquent children—the lack of parental interest and example.

On the other hand, Judge Widitz, who, probably is not a very popular person with some groups because of his pointed remarks brought the delinquency problem right out in the open.

He said that institutions of all sorts of recreational and planned programs are good things to have but if children lack self discipline to do something worthwhile you can't make them do it.

Self discipline and responsibility comes only from parental interest in children's activities and studies and not from remedial reading classes as Judge Gehrig says.

All the remedial reading classes in the world cannot take the place of parental love, guidance and help.

The school boards and their administrators do everything possible to institute proper programs

for children but its not within their province to pry into the home affairs of the students to determine the kind of training or example parents set for the children.

You've probably all heard of the case of the irate parent who complained to the teacher "you're giving my child too much homework and I don't have the time to help." Well if the parents don't have the time to help after the child leaves the schoolroom, we wonder who has? The school boards? The school administrators?

They've families of their own to take care of after school hours.

No matter how you look at it, the primary responsibility lies with the parents and no one else. Any attempts to place the blame on others is completely unrealistic.

The school boards, school administrators and teachers can never supplant home training. And, of course, that's not their job.

Expecting More Candidates

By RAE CANTILLI
Hi Folks:

I guess there will be quite a hassle for the position of school board trustee. John Hartmann's term of three years is expiring, and it is not known whether or not he will seek re-election. Thomas Payne, John Nees and Solomon Newborn have announced their school board aspirations. However, I feel somehow or another—and this is just my opinion—that there will be more candidates.

I think that this election may prove very interesting—and news worthy. Don't forget however these important events; and come out: April 20, 8 p.m.—Budget Discussion Meeting at the Manetto Hill School, May 4—7:30 p. m. Annual District Meeting at Manetto Hill School to approve 1954-55 school budget, May 5—7 p.m. to 10 p.m.—School Board election.

PLAINVIEW CIVIC ASSN.
Don't forget to attend the Civic Meeting on the 20th. Plans for the June 18th spring dance are coming along. The Picture Room in Huntington will be the place and tickets will be on sale soon. More details will come later. Just keep June 19th in mind.

CHURCH OF THE GOOD SHEPHERD—LUTHERAN
If it is at all possible, you are cordially invited to attend the Dedication Service of the new Chapel on Central Park Rd. this Sunday, April 11 (Palm Sunday) at 3:30 p.m. A supper will be served by the Priscilla Guild. Mrs. Shirley Davidson of Island St. is Chairman of Supper. This is a milestone of the Church, one which the Pastor, and the Congregation would like to share with one and all.

PLAINVIEW FIRE DEPT:
Just a reminder also that the Annual Spring Dance of the Plainview Fire Dept. will be held on April 24th at the Fire House. As always, you are sure to have a good time.

BLESSED EVENTING:

DEDICATE

(Continued from Page 1)
was no time to lose if this was to be placed in the service of the Lord.

Without seeing the property, he immediately placed a \$100.00 personal check with the seller as a binder, he then called together about 60 members of his congregation, explained the proposition to them and asked their support. Even though the Hicksville congregation was seeking to raise sufficient money for a school building at the time, it voted to purchase the Forsythe property in order to establish the mission in Plainview. This took place in Nov., 1951.

In February of the next year, the first dedication ceremonies took place. Pastor Stammel served as minister to the mission, then known as the "Plainview Chapel" until a year later when the new congregation was able to call the Rev. John Hirsch as its pastor on Feb. 1st, 1953.

Until the present time, the former Forsythe residence has served as a Chapel, after the dedication it will become the Parsonage.

PLAN HIGH SCHOOL

Although only a small portion of the ten acre plot of land is now being used, the thought of the local Church leaders is that an elementary school, serving Plainview, and later a High School serving all of Nassau, will be built there.

The modern styled church building was designed by Robert A. Green of Tarrytown, N. Y., designer of the parochial school building of Trinity, Hicksville, and the Walt Whitman elementary school of Woodbury. The building was constructed by the firm of Arthur Funfgeld, Hicksville.

Green recently was awarded first prize for his design of this school in national competition for better school buildings.

Officers of the Congregation are: President, Anthony C. Ocker; Vice President, Alfred Bergmann; Recording Secretary, Robert Zwery; Corresponding Secretary, Wilford

School Board President Resigns; Moving To Fla

PLAINVIEW—Leland L. Baker, a member of the Board of Education here and president of the Board since July 1953, has announced his resignation from the Board of Education effective April 5.

Baker, who is a Certified Public Accountant and senior accountant on the staff of the Arthur Young Co. one of the country's largest and leading public accounting firms, has accepted a position as general auditor with the Southeastern Public Services Company which has its headquarters in Orlando, Florida. He will move his family to Orlando within the next few months.

When informed of Mr. Baker's resignation, the other members of the Plainview Board of Education expressed sincere regret at the loss to the district. Mr. Baker has done a tremendous job in re-organizing the district finances and since his election two years ago by an

overwhelming majority of Plainview voters, he has continually stressed the need for qualified people on the Board of Education. "The district's numerous pressing problems, many of which demand a financial solution, point up the need for the continual presence of an individual with a financial background on the district's Board of Education," Baker said. This is in line with the thinking of many of the district's residents. It was pointed out.

Since Baker's election approximately two years ago, the Plainview School District has acquired about forty acres of school sites and has under construction two schools. One of these is expected to be ready within the very near future and plans are already taking shape to transfer the students from lower Melville and Old Bethpage to the school on Central Park Road as soon as its ready for occupancy. Mr. Baker plans to leave for his new position within the next week and his family will follow as soon as the necessary travel and living arrangements are completed.

Dinner; Treasurer, Edmund Ocker; Financial Secretary, Joseph Weber; Assistant Financial Secretary, Joseph Dejmaj; Advisor to the Financial Secretary, Louis Fricke; Chairman of Finance Committee, Willy Rau and Chairman of the Building Committee, Herman Schmidt.

LADIES TO SEVRE

The Priscilla Guild of the church at their last regular meeting, on Apr. 2 made plans for the light supper that they will serve after the ceremony. Mrs. Lisette Weber, president of the Guild, announced that the Dorsal Curtain, a gift of the organization, would be ready for the dedication.

CURRENT COMMENT: Schools Take Spotlight Now

By Fred J. Noeth

THIS IS THE TIME of year when interest is sharply focused upon the affairs of our school districts. Besides the fact that budgets are being prepared for a new fiscal year, starting July 1, there are also varying degrees of interest in the election of board members.

Because there are so many new homeowners in the mid-island area who are having their first contact with this phase of real home rule government, a few comments might be of interest.

School Board members receive no compensation for their services. They are usually elected for three-year terms of office, the exception being when an unexpired term is to be filled as in the case of Plainview where Leland Baker has resigned because he is moving out of the district.

The naming of candidates is a fairly simple matter. Just draw up a petition containing signatures of 25 people who are qualified to vote in the district. The candidate must of course be a qualified voter, also. There is a slight change in the law this year requiring that the petition state the name of the last incumbent. In other words, petitions must now nominate candidates for a specific vacancy.

Hicksville and Bethpage school districts require advance personal registration of voters. On the dates set by the Boards of Education, within a span of time fixed by the State Education Law, all persons who wish to vote on the budget on May 4 and vote for candidates to the Board on May 5 must in these districts present themselves personally at the voting places and be registered.

Those failing to register at this time will not be allowed to vote. Personal registration is not established as yet in Jericho and Plainview.

The annual school meeting on Tuesday night, May 4, on occasion becomes an exciting evening. At this time the budget for the coming year's operation of the entire school system, as prepared by the School Board, is offered for your consideration. It may be voted upon as a single question, or it may, as sometimes happens, be voted upon item by item.

Annual meetings sometimes become long drawn-out propositions and—sad to relate—the number of persons voting upon the budget at the end of a long evening is seldom more than a handful compared with the vast numbers who line up to vote for board candidates.

The budget vote and the annual meeting is the one statewide occasion when every taxpayer can exercise a great American privilege. He can question in detail the various items and sums which make up the budget and eventually becomes a tax rate. This rate determines the cost to the individual homeowner, conditioned by the amount for which his property is assessed.

The Education Law requires that a summary of the proposed budget must be available for inspection by all qualified voters at least seven days prior to May 4. Usually you can get a copy at the office of the school principal during regular business hours.

The things you approve—or disapprove—at the annual meeting on May 4 will determine the kind of educational program you get, and its cost, for the year 1954-55. Plan to be present at the annual meeting this year—you'll find it an informative, interesting and perhaps rewarding experience.

In People's Corner

By ADGEN S. CARPENTER

Is it true that we have become a race of cynics? Daily headlines seem to bear out that trend of thought. Our everyday experiences seem to confirm it at every turn.

But for those of us who have faith in the basic tenets of justice, freedom, and Democracy—there is hope. To those of us who know that God rules the Universe, there can be no doubt but that justice will prevail. We, acting with all the strength of our belief, may not be able to bring it about. But we may be able to keep the faith alive so that some one stronger than we, may succeed.

In the age since 1900 the Democratic principals of our country have been rejuvenated. Do you doubt it? Then listen! Labor is no longer unmercifully treated, we have food and drug laws that the public can depend upon, financial transactions are regulated so that nationwide swindles have been done away with, our public lands are fairly safe from theft, our public utilities have become the most honest and trustworthy of our industrial citizens, big city political machines are falling on all sides.

If you doubt that our country's Democratic conscience is revival bound—listen a little longer. Banks can no longer beggar our people, the aged no longer need rely entirely on charity, homes are available to the masses, the right to earn an honest living need no longer be argued.

Written in the Interest of
Better Local Government . . .

If you doubt that our land is growing stronger in its appreciation of our American Heritage—listen a little longer. Only within the past generation have our public school reached all our people. Today, in twelve short years, our children are acquainted with knowledge that took our human family 10,000 years to accumulate. We ourselves, the Fathers and Mothers of this great new generation, are more familiar with American history, and American tradition, than any generation before us. We are the best educated generation our country has ever seen. Only our children will outstride us in achievement. Do you think that anything but good can come of this?

If you doubt that our land is growing stronger in its moral consciousness—listen a little longer. All church membership is growing by leaps and bounds, our parents are more aware of educational needs, youth organizations receive more support and encouragement than ever before. Our people's sense of personal obligation, to our youth, to our community, and to our country, and to our God is increase, each and every day.

Only with genuine faith, can man or woman, the courage to stand and fight for the right. And let us forget—"We will be able to sing of the land of the free, only as long as it continues to be the home of the brave".

Spring Dance For Softball Team

By GENE MALJEAN
Hicksville 3-5515

This is your last chance to obtain tickets to the Woodbury Gardens Softball Team Spring Dance at the Amvets Hall (opposite the firehouse) on Saturday Evening. Phone us if you would like to go and I'll see that you receive tickets. Here is April 10. Refreshments will be served, and there will be a dance orchestra. Your chance to get out and meet some of the neighbors, and at the same time help one of the local softball teams.

I had occasion to speak to Mr. McCaffrey, the Plainview attorney who is circulating the petition for investigation of LI Lighting Co. rates. He informs me that Mr. Knecht of 15 Hope Drive, Plainview, has arrived at the percentage the rates here are higher than city rates. As has been pressed previously, the rate is 40 percent higher here than in the city.

We would like to wish happy birthday to Bunny Klee, of Vincent Road, who had a party last Saturday. Sorry to hear that Richard Lee, of Vincent Road, was not able to attend as he wasn't feeling well. Hope he is better soon. We also want to wish Elizabeth Ghaldi of Wilfred Blvd, a very happy birthday. She also had a party last week.

Patty Stise, of 86 Vincent Rd., was five years old last Monday. She celebrated by having a birthday party. Attending were: her sister, Carol, her two brothers Steve and Michael, Bunny Klee, Kenneth Hogan, Dolores Maljean, Leslie Worley, and Roy Sopko. Congratulations to Mr. and Mrs. Millett, of Ketcham Ave. on the birth of a son, Robert Bruce. Also congratulations to Mr. and Mrs. John Maniscalco, of 10 Well-ealy Lane, on their wedding anniversary, which they are celebrating

next week by attending a formal dinner at the Waldorf. He already gave her candy and beautiful roses, etc. Grace Maniscalco had asked the following girls over to "bink," she held at her home last week: Jean Laino, May Maljean, Stella Markowitz, Marge Jazwinski, Toni Christopher, Rose Vinci, Lillian Coyle, Betsy Mogavero, Connie Smiley, Marie Butt, and Lynn Niebuhr.

Joseph Bayer, assistant cashier of the Long Island National Bank of Hicksville, called on us in reference to the Cancer Drive in Hicksville, of which he is chairman. He needs volunteers to help in the fight against cancer. Please phone him at the bank if you can collect. If you do only one street you will be doing a great service, for it may be left undone due to lack of helpers. Woodbury Road section is badly in need of volunteers—Phone me if you can help me in this section. HI 3-5515 is my number.

Our recipe for this week: Zabaglione—3 egg yolks, ¼ c granulated sugar, 2 t grated lemon rind, 1 t lemon juice, ½ c sherry or marsala wine.

Partly fill base of double boiler with water; bring to boil. Beat egg yolks slightly in double boiler top; add rest of ingredients. Set in place over boiling water, beat constantly with egg beater until thick and fluffy like whipped cream. Remove at once from water. Serve

hot, or chilled in parfait, sherbert, or champagne glasses as dessert. Or use to top sponge cake or fruit. Makes 4 servings. This is also known as Zabaglione.

To the party that asked why branches of trees are placed on roofs of houses being built—we received answers from Tom Laverrac and Sam Mogavero: When a roof structure is finished the men place a branch or a flag on the completed roof to signify same. After this is done the boss taps a keg of beer and serves sandwiches for the crew. Sounds like fun. I'm given to understand that this is an old custom.

HAPPY BIRTHDAY

Adolph Groner, of 18 Lantern Road, Hicksville, celebrated his 85th birthday on Sunday, Apr. 4 with a party. Mr. Groner, who lives with his son, George Groner, welcomed over 35 friends and relatives who visited him throughout the day.

Mrs. Marguerite Schmidt of 68 Woodbine Dr. shared her birthday with her son-in-law Mr. Ambrose Clements of Levittown, on March 28. At a double family party on that day Mrs. Schmidt's granddaughter Joyce Clements made her a cake and 8 year old John Schmidt Jr. and 9 year old Robert Clements made a cake for Mr. Clements.

HICKSVILLE GABLES:

You Can Strike Back At Killer

By CONSTANCE GIBSON
Hicksville 4-1482

Again this year the American Cancer Society is asking for its great work. Compared to the few centers of research the Society had ten years ago, it now helps support the work of some 900 investigators in approximately 100 universities, laboratories and hospitals in 36 states. The funds that are collected this year must go towards the education of doctors for this work, the education of the public in matters concerning the discovery and cure of the disease and of course the actual care of people suffering from it.

April is cancer month, your neighbors will be calling on you, asking that you do your part in this struggle to end a killer. Fighting Cancer is everyone's job—We Must All Strike Back! In our own Gables development Mrs. A. G. Solinien of 8 South Elm St., Mrs. William D. Bolla of 23 South Elm St. and your reporter will be calling at your homes for contributions. Please do open your doors and your hearts for a good cause.

Sunday, March 28, television channel 13 carried a telenon the funds of which are to be used by the Committee for the Help of Retarded Children. We are very proud to announce that Jerry D'Amura of 15 South Elm St. in honor of his sister Irena Rose collected \$20 from his neighbors for the fund. After phoning in the contribution Jerry phoned some of his friends asking them to listen for his name to be called out. He then sat by the T.V. set in expectation only to be disappointed, for they never mentioned him. We would like to congratulate a fine young man who would take the time to gather funds for his sister. We most certainly appreciate it Jerry.

We were very happy to hear that

James Brown of 45 Gables Rd. on the road to Tuxbury and might be home in a month or so. We certainly want you to hurry up and return.

Special congratulations go to Mrs. Ernest G. Weller and her daughter Janet of 18 South Elm St. who passed their tests for American citizenship on Friday, March 25 at the courthouse in Mineola. Mrs. Richard Evers of 24 South Elm St. and Mrs. Atteberry acted as sponsors for the two. Three months from now they will be officially sworn in as citizens. The Wellers formerly of Great Britain have lived in the United States for some five years now.

Clifford Goeff of 289 Plainview Rd. has resigned his job with the Sperry Gyroscopes Co. and will be employed here in town. After resigning, Mr. Goeff drove up to the Catskills to visit his sister, Mrs. Ruth Roe.

We would like to send a welcome to Mr. and Mrs. Stanley Zemcek and daughter Holly formerly of the city who have moved into Mr. and Mrs. Schulz home on Gables Rd. The Schulz family have moved to a new home in Melville away from the bustle of things. We do again want to welcome the Zemceks and to send our best wishes for happiness in their new home.

The last of March and the First of April have seen quite a few birthdays.

Jean Donalds, daughter of Mr. and Mrs. A. Donalds of 26 Gables Drive celebrated her seventh birthday on March 29. A party held in the beautifully halloon and streamer decorated enclosed porch of the Donalds home made the occasion an especially festive one. A high cake, ice cream and many games added to the fun. Each one of the guests, as a remembrance of the day took home a game from the grab box.

Our Neighbor Finds Missing Boy

By DOROTHY E. BROWN
Hicksville 4-0128

Martin Schlueter of 40 Woodbine Dr. said, "the biggest reward he could have received was the satisfaction that he got when he saw the boy in his father's arms."

After a search of 3 days by the state police, Nassau police, Coast Guard by air and sea, local residents and fellow workers at Grumman Aircraft Co. where Doukas is a foreman, had failed, an ex-marine followed a hunch of his own and found 10 year old William Doukas of Massapequa Park.

Little William was found at 6:15 P.M. Saturday on Main St., Farmingdale, with two empty milk bottles in his hands. He had spent his days hunting empty bottles to collect the deposit money for food. Since his disappearance, he had slept in an excavation near St. Raphael's Catholic Church at night.

A confused William ran away cause everything he did seemed to be wrong and he didn't want his parents sick worrying over him. Felt that he would not be missed. As a result of his disappearance his mother was taken to Brunswick General Hospital, Amityville suffering a shock.

Mr. Schlueter, having two children, a girl 12 and a boy 7, and knowing how much the boy was doing shopping etc. decided that the others had been using the wrong technique. He told his wife "that he was going to look in the stores and doorways for him."

Mr. Schlueter went through some Hicksville stores and then drove through another town before he arrived in Farmingdale. After parking his car, he saw this boy with a blue jacket and cap on. Feeling that he wasn't the one to find William, he hesitated and followed the boy a ways before asking him his name. When asked, he gave his first name as Jackie, but seemed confused when asked his last name and ended by saying "Doukas". Asked if he knew his mother was in the hospital, William said, "that was why he had run away, as he did not want his mother to get sick."

Mr. Schlueter took William home. When his father saw him he cried, "My boy! My Boy! and ran and put his arm around William.

The Millwood Gate Property Owners Assn. met last week with Eugene Mares presiding in the absence of Thomas N. Murphy who was home sick with the virus.

At the meetings of the Civic Information Exchange, Optimism on park improvements was high after the meeting with Supervisor Waters on March 27. Town of Oyster Bay has map of park areas with numbers from 1 to 76. Millwood Park is numbered 12. As soon as the deed is recorded, we hope to have

the area grassed and fenced in all suitable places for the children to play.

A petition was passed around for those interested in signing to detail the number of gas station permits granted by the Town of Oyster Bay in the Hicksville area.

In a brief discussion on utility bills we learned that some families with gas refrigerators paid almost twice the amount for gas here as they did in Queens or other sections of Nassau County using the same facilities as before. What is the reason for this? Certainly transportation of gas within the same county couldn't account for all this increase.

Mrs. McVay announced that the school budget would be voted on at a meeting to be held in the high school on May 4 at 7:30 P.M. Voting for the school committee members would take place on May 3 from 4 P.M. to 10 P.M.

Everyone must register in his district to vote on school questions during the coming year. All previous registration is void as of May 1. Under the district division one couple will register and vote at the high school. Registration will take place April 24 from 2 P.M. to 10 P.M. and on April 29 from 4 P.M. to 10 P.M.

Mr. Mulholland announced that the dance committee had made arrangements for the V.F.W. hall on Fourth Street for a Spring Dance on May 29. Music will be provided by the Tony Bell Trio. Admission at \$3.00 a couple includes refreshments. We hope to have a large turn out for the first social event by our Civic Association.

ATTENTION DOG OWNERS

Please keep your dogs on leashes or in a fenced yard. Is it fair to make the neighbors put up fences to have a safe place for their children to play? There is hardly a day goes by that at least 2 or 3 dogs don't go through our yard and I hear that other sections have even more. This past week Miss Diane Schmidt of Woodbine Dr. was out playing in her own back yard when one of the neighbors dogs loose with his little mistress bit Diane. Fortunately this was not a serious bite but could have been. Do we have to wait till a severe accident happens before action is taken?

Mrs. Warren Nathan of Fordham Rd. wishes to publicly thank Charles Koback of Birchwood Lane for the trouble he went through to return her wallet of money etc. which was found in the local public phone booth.

One of the neighboring clubs which meet every Wednesday at the homes of the different members for crocheting call themselves the "Jolly Seven". On Friday March 27, the Jolly Seven went to the Sunrise Village on Sunrise Highway in Bellmore for dinner and floor show. They reported that this village has very nice food at reasonable prices. The dining room is decorated in a Bavarian tone and is very homey. The floor show was very interesting with all the waiters, busboys, and other personnel taking part.

Gerard Schmidt, 5 year old son of Mr. and Mrs. Henry Schmidt of the Bronx, has been visiting with his aunt and uncle, Mr. and Mrs. John Schmidt of 88 Woodbine Dr. N. for the past week.

Mrs. Thomas Killeen of Farmdale Dr. had a reunion of several of her former Associates at the N. Y. Tel. and Te. Co. on April 3. Some of these came from as far away as New Jersey for the evening. The nearest guest was Mrs. Theresa Nathan of Fordham Rd. This is the get together for the girls in over three years so they had a great time getting up-to-date.

Mr. and Mrs. Frank Szymanski of 4 Greenbair Lane celebrated their tenth anniversary on April 1 with several of their friends and relatives. A light buffet supper was served during the evening. Mrs. Szymanski received beautiful lamps for her newly decorated living room.

Cancer Crusade Now Underway

BETHPAGE—Val Mihic, Chairman for the Cancer Crusade, here announces the start of the Cancer Drive.

Mihic urges that the residents not only give their wholehearted support to this cause, but to carefully read and safeguard the pamphlets the volunteers will deliver. Many lives can be saved, and the spread of cancer curtailed if everyone remembers and watches for cancer's seven danger signals; as outlined in this educational pamphlet that is being delivered.

Serving as Deputies for the Cancer Crusade here are: Mrs. Erika Kirschner, 49 Cheshire Rd.; Mrs. Claudine Preisz, 201 Fourth St.; Mrs. Elaine Calisi, 360 Central Ave.; Curt Fels, 30 N. Violet St.; William Ericsson, 10 N. Zoranne Dr.

Mrs. Joan Heinrich, 50 Devon Rd.; Mrs. Ruth Armstrong, 3 Center Court; Mrs. Harriet Gulden, 78 Broadway; and Richard Guido, 2 Schubert Lane.

Mihic asks that everyone join in the move to control cancer, the number two mortality disease in the nation.

Anyone interested in serving with the Crusade or making a donation may contact Mihic at H1 4-4518 or any of the Deputies.

Comets, Trojans Foil Each Other in Deadlock

HICKSVILLE—A sharp 1-1 deadlock between the hosts Comets and Garden City displayed late season form, here Tuesday, in a fog-enshrouded non-league game.

Frank Crum of the visiting Trojans allowed just three hits while the ace of the Hicksville staff, Tom Valentine, turned in a sound four hitter.

Each hurler issued just two free passes to ease his own task but Crum struck out a lone Comet to keep his fielding mates on their toes. Valentine was less concerned with work for his mates and met the storm early season challenge by striking down nine Trojans.

FIRST BLOOD

Bill Heil carried over the Hicksville marker. He walked to open the first frame. Lou Millevoite was hit by the next pitch and Martin Katz used the sacrifice to move

both runners up. Ed Scott was thrown out on an infield grounder but Heil scored on the play.

Valentine walked Don Clark in the third and Crum contributed a timely single to get the tying run on third. It scored when Charlie Bocklet forced Crum at second. Crum responded to pressure in the sixth when the Comets had runners on second and third and only one gone. He used that one precious strikeout to retire Paul Patterson and closed down the inning by grounding out Bob Payton. Payton had previously singled twice.

Neither club threatened in the seventh and with the fog hurrying darkness the game had to be called at the end of seven innings. It will be replayed at a latter date if the schedule can be arranged to fit it in.

Want More Cooperative Puppies

By BETTY HOGAVERO
Hicksville 4-4771

A number of our residents in Hillside Terrace are rather distressed by the faulty curbing of dogs on the part of dog owners. Most of us have a fondness of dogs, but it is disheartening to see your lawn matted up after so much effort and labor was made to create a decent-looking patch of green. It is probably not at all intentional but perhaps if our canine-owning folk would get their pups to cooperate a trifle bit more it would make a lot of people happy.

Well, it seems as if we have a velocity in our midst. John Drury of Stanley St. is an important opera star. He sang the leading tenor role in "Cinderella" at City Center on April 3rd besides making several classical recordings. For any neighbors that would like to hear Mr. Drury at his best, John will perform in "La Traviata" at the City Center on April 17.

The president of the Boy Scouts Mothers Auxiliary, Troop 64, called to inform one of the most urgent need of additional mothers. To have eligibility, Mrs. Engle of Park Ave. relates, a mother needs only to have a son in Troop 64 past the tenderfoot stage. Mrs. Engle feels with the entry of new young mothers the auxiliary would obtain the lift that all organizations find necessary every so often. The auxiliary was most happy to welcome three new members who live in Hillside Terrace. They are Marion Carlucci and Stella Thompson of Cambridge Drive and Mrs. Gomez of Vassar Lane. Incidentally, this mothers auxiliary is sponsoring a card party on April 23rd at the Masonic Temple in Hicksville.

Congratulations to Mr. and Mrs. V. D'Angelo of Wellesley Lane who will celebrate their 13th wedding anniversary on April 19th.

There has been an urgent request from the athletic committee to please refrain your children from throwing rocks when playing in our park area. Residents in homes surrounding the park are duly worried as to all the rocks being strewn about and are fearful lest a broken window result.

The first softball game was played last Sunday between the senior ball team and the junior team. The youngsters had brought shovels to dig the graves of the "old men" they were that confident of beating the oldsters to "death", and the seniors had to admit the juniors were pretty keen competition. The score? Twenty-one to three in favor of the seniors. Beginners luck, say the juniors. Nonetheless, Ben Berkowitz proclaims after this suspicious beginning there will be ball-playing every Sunday starting at 11 o'clock for the men, with the afternoons reserved for the boys games.

A get-together was held at the home of Honey Skolnick March 29 with Alma Porzio, of Dartmouth Drive, Sydell Weissman and Marion Garguilo of Hunter Lane and Marilyn Friedman of Wellesley all in Attendance.

Sorry to hear of little Dom D'Angelo's broken foot but understand he's become quite agile in hopping and gets around all over the place. Leave it to these youngsters ingenuity. Sorry, too, to learn that Frank Granek of Wellesley Lane is in Nassau Hospital after having had an operation.

Judy Kasindorf and Elyse Aaronoff both of Vassar Lane will perform along with other members of their dancing class at the Levittown Hall on April 10th on behalf of a polo drive. We think it's wonderful of these youngsters to give of their time and effort for a most worthy cause.

A baby shower was given Miriam Ruggino of Campus Place by her mother-in-law residing in Hempstead. Present were Marie and Carol Pellechia of Cambridge Drive and Mrs. Parker of Campus Place (Miriam's mother).

Tempus Yagita, people. It is now only less than a month away to our dance of May 7th and there

are far too many tickets available. Joe Huddy of Cambridge Drive would be most happy to supply anyone with any number he requires. Why not call in for your tickets. Today?

Happy birthday greetings going out to Jerry DeLorme of Dartmouth Drive who was 7 years old on April 6th. Jerry celebrated with a party for his little friends. Rose Sepanski of Ardsley Gate was 10 years old on March 30th and had her friends and family over to help make it a happy day for her. Sheila Anglin of Wellesley Lane was 5 years old March 30th and as a treat the Anglin family went to Vynmont to see Mr. Anglin's family for one week. Don't forget your Hillside Terrace Civic Organization meeting this coming Tuesday, April 13th, at the East St. School. The time is 8 o'clock.

Any volunteers to head the junior boys soft-ball team? Call HI 4-3864. Vince D'Angelo will be most anxious to hear from you.

Congratulations to Mr. and Mrs. Norman Duffy of Hollins Road on the birth of a baby girl named Cathy Ann born March 16th at Nassau Hospital. Cathy Ann was christened at Our Lady of Mercy Church with her aunt Mrs. Coyte

Carpenter as godmother and cousin Joseph Gries as godfather.

Two baby showers were given for Mrs. Eleanor Hardy of Haverford Rd. for their new baby, Susan Marie. The first was held last Saturday night when Mr. and Mrs. Oz Sinisi, Mr. and Mrs. David Komives, Mr. and Mrs. Ted Strickroth, Mr. and Mrs. Clifford Danielson, and Mr. and Mrs. Ed Coyle paid a surprise visit to the Hardys with a beautiful gift for Susan.
