## School Tax Rate Zooms

HICKSVILLE—Original estimates of the school tax rates for 1954-55, were revised today as final figures on the proposed budget became known. First estimated at \$3.66 per \$100 compared with a present rate of \$3.14, it now appears the rate may reach \$3.79 per \$100 on an assessed valuation of \$66 million for the district. The new rate would increase the tax bill on a home assessed for \$6,000 by \$82.50. The tentative gross budget is \$3,136,916 to which is added \$51,170 for the public library. With estimated state aid and revenues at \$1,064,791, the net amount to be raised by taxation will be \$2,123,285. With an enrollment of 8,000, the cost per child will be \$265 a year.

## Crossing Bill Okayed

ALBANY—Gov. Thomas E. Dewey has signed the bill raising the priority of the Hicksville Rail Road grade crossings to the point where the Public Service Commission is empowered to order the drafting of preliminary plans, it was learned today. State Senator William Hults, co-sponsor of the bill requested by the Hicksville Chamber of Commerce and other community groups, said he would call upon PSC Chairman Benjamin Feinberg to include the Hicksville preliminary work in the 1954-55 planning program of the State Public Works Dept.

## Seek Bull Dog And Owner

HICKSVILLE—Mrs. James Schulte of 89 Benjamin Ave. is anxious to locate the owner of a dog which bit her six-year-old daughter, Lee Schulte, on Wednesday afternoon, Apr. 14, at about 4:30 while the child was playing on the slide at the Levittown Pkwy. Green. "It is necessary that we locate the owner and the black and white bull dog immediately. Kindly call HI 4-4588 if you have any information", Mrs. Schulte asks.

## High School Grad at WAC Centre

FORT LEE VA.—Private Anne L. Legee, the daughter of Mrs. Elsie Reimers Legee, 6 Marion St., Hicksville, has just completed basic training at the Women's Army Corps Center, here.

Private Legee, a graduate of Hicksville High School entered the WAC Feb. 18, 1954 and has been transferred to Co. L Leader's Course for further training as a potential non-commissioned officer. Prior to entering the WAC, Private Legee was employed by General Motors Corp. of New York City.

## Zone Change Hearings Today

OYSTER BAY—A proposed zone change from residential to business use for property with a frontage of 165 feet on the north side of Old Country Rd., Hicksville, will be the subject of a public hearing this morning (Tuesday) at the town hall. The application is made by Wanda Bliss and a representative of the Duffy Park Civic Assoc. expects to be present to protest the request.

The Town Board, later today, is expected to make a decision on the Anna Lebkuecher application for permission to operate a gasoline service station on Old Country Rd at Lee Pl., Hicksville, which was the subject of a public hearing two weeks ago. At that time, opposition was registered by adjacent property owners led by the Duffy Park Civic Assoc.

## Jericho Civics Back Candidates

JERICHO—The Jericho Civic Assoc. Inc. has endorsed Ray Van Nostrand and Mrs. Francis Davis for re-election to the School Board. The Civics will hold elections of their own on May 20 and an installation dinner-dance May 22 at the Hempstead Elks. Present at a recent meeting of the nominating committee were E. Powers, P. Cohen, J. DeFalco, P. Dykstra, M. Farber and M. Peen, chairman.

## State Aid Here 3rd Highest For Nassau School Districts

ALBANY—Hicksville School District received \$378,387.34 or the third largest amount among village superintendency districts in Nassau County, as the State Comptroller announces a record distribution of state financial aid. The sum represents the final payment of aid on the basis of the 1952-53 school year statistics.

Checks have been mailed to county treasurers who will distribute the money to fiscal officers of the individual districts. Topping Hicksville was Levittown which got \$562,742.28 and Hempstead with \$401,582.68. Following Hicksville was East Meadow with \$397,773.50 and Baldwin with \$368,438.40.

## HINTS AT LIBEL ACTION:

# Szendy Demands Apology From Two Board Members

HICKSVILLE—Emil J. Szendy, member of the Board of Education, today publicly called upon two other members of the board for a "public apology" and the answers to three questions regarding the preparation and circulation of a report on himself.

"The presumptuous, insolent, callous intrusion upon privacy which this report and its circulation represents; the circulation of such a report within the School Board, surely not with the intention of promoting objective, unbiased, impersonal consideration of public problems before the Board; the very extreme nature of the action taken where, presumably, no gain should accrue to those involved; are now, and should continue to be, matters of public concern", Szendy asserted in a prepared statement released last night.

"The justifications and explanations should come from Mr. Brengel and Mrs. Sutton", he insisted.

Szendy said that Henry C. Brengel, president, and Edna Sutton, vice president of the Board, "have admitted circulating the report". The questions he wants answered are:

"1. Was this report procured at the behest, suggestion, or with the prior or concurrent knowledge, of either Mr. Brengel or Mrs. Sutton.

"2. Was this report procured by anyone employed in any capacity by the School District or School Board.

"3. Does the possibility exist that the cost of procuring this report has been paid or will be paid indirectly by the School District as part of a charge for other services to the District or the school Board."

The text of Szendy's statement, which he says he has served on each Board member, follows:

"Within the past two weeks an unknown person left at my residence a three-page Statement dated November 6, 1953 contained within inner and outer envelopes. The inner envelope bore the imprint of the Henry C. Brengel Empire Storage Warehouse and the typed name of the addressee, Mrs. Edna Sutton. The outer envelope had in the upper left hand corner the typewritten name and address of Mrs. Sutton and the handwritten notation, 'For the President. Thanks a lot.'

"It appears from these envelopes and from admissions made publicly at a School Board meeting on April 7th that the statement was given by Mr. Brengel to Mrs. Sutton who acknowledged it with 'thanks a lot' in her own handwriting, and that Mrs. Sutton showed the statement to Mr. Elrich, also a Trustee.

"The statement purports to be a report, presumably made by an investigation agency, covering my entire life under the headings—Identification—Residential—Business—Reputation—Financial Status—Court and Credit Record.

"Some person has gone to a great deal of trouble in covering my entire life and activities from my birth to the present time and undoubtedly this report represented substantial expense because the investi-

## ACCIDENTS INCREASE:

# Motorcyclist Killed, 3 Pedestrians Injured

Highway accidents increased sharply this week in the mid-Island area with a motorcycle operator killed, three pedestrians sent to the hospital and three people injured as automobiles smashed into roadside trees and poles.

Lawrence M. Feeley, 27, of 187 Spindle Rd., Hicksville, was killed shortly before midnight, Thursday, when his motorcycle was in collision with an auto driven by William F. Maher, 26, of 13 Mayfair Lane. It was raining at the time and the pavement was wet.

Scene of the accident was Jericho Ave. and Spindle Rd. Feeley, an employee of Republic Aviation, was pronounced dead by Dr. S. L. Phillips of Bethpage. Both vehicles were northbound on Jericho Ave. at the time of the collision.

A Hicksville attorney and his wife, Mr. and Mrs. Philip Robinson of 24 Bamboo Lane, suffered back injuries in a collision at Jericho Pkwy. and Hicksville-Oyster Bay Rd., Jericho, Wednesday afternoon. Their car was in collision with one driven by Perry A. Martinson of Stamford, Conn. Mrs. Robinson was driving at the time of the collision.

**PEDESTRIANS INJURED**  
Nineteen year old Harold Wissinger of Rego Park suffered a compound fracture of the left leg, fractured left elbow and was taken

## Dear Jean:

GLENBROOK CIVIC Assoc. made some final plans for its Square Dance set for May 1 at a meeting last night (Monday). Dance takes place in the Masonic Temple. . . . BILL BENINTENDI is scheduled to speak tomorrow (Wednesday) night before the North Bethpage Civic Assoc. in his campaign for election to the Bethpage School Board. Organizations who would like to hear him can contact his campaign committee chairman, HOWARD GRANDJEAN, at HI 3-9902. NLHOA is scheduled to meet at Levitt's White Elephant Hall on Tuesday night, Apr. 27. . . . Southern New York Firemen's Assoc. tournament takes place June 24 thru 26 at Oyster Bay this year. . . . VESTER McFATHER of 28 Cynthia St., Plainview, was hurt in a two-car crash recently in Corona and was taken to Flushing Hospital. . . . Boy Scouts—including cubs and explorers—will soon be selling tickets for the June 13 benefit Polo Game at Meadowbrook Club. Local units will retain 75 cents on each \$1 ticket sold for their local treasuries. Take the children over to Zorn's Poultry Farm on Bethpage Tpk., Bethpage, where they have raccoons, goats, peacocks, rabbits and many kinds of chickens and turkeys. They are open seven days a week. . . .

WILLIAM KROEMER of the firm of Williams Kroemer & Sons, Inc. has been elected president of the L. I. Agricultural Marketing Assoc. at Riverhead. HENRY A. POLLAK of the firm of the same name in Hicksville is a member of the executive committee. . . . North West Civic Assoc. is quietly going forward with its campaign to win support for a Hicksville ambulance. More than 15 appearances before civic associations and other groups have been made with endorsements of the plan won in each case. . . . ANDY FERRARA is back from the south lands and has resumed editorship of the Hicksville Kiwanis Club bulletin. JOHN OLSON of the Bank of Hicksville had been pinch-hitting in the job. . . . It is reported that the Telephone Co. plans to enlarge its present building on West Cherry St., going up. . . . SAM KELLNER has been granted a change of zone on that Plainview property fronting on Central Ave. and Southern Pkwy. where he plans to build stores and possibly the proposed Plainview post office. . . . Gruman is building a \$20,000 addition on Plant 2. . . . A store and office building costing \$50,000 is scheduled for Bayway and Ray St., Hicksville. JOSEPH LEOZZI of Douglaston is the property owner. . . . A new diner is scheduled for the south side of Old Country Rd., 150 ft west of South Oyster Bay Rd., Hicksville. . . . The enlargement of GEHARITY'S Store on Main Pkwy., Plainview, is coming along rapidly. Lefty says he is still going to retain that "ole crackin' barrel", however. The original store opened in 1938. Main Pkwy. was a sea of mud last Friday as the crown of the hill was scooped off. . . .

There are rumors of more candidates running for the Hicksville School Board. The last day for filing petitions to get on the voting machines is this Friday. . . .

Good luck to ANDY YATRAS who is driving a new red and cream Ford station wagon these days to accommodate his growing family. The Yatras live on Twinlawns Ave., Hicksville. . . .

## Szendy Demands Apology

(Continued from Page 1) "Such investigation was ordered by some person and I do not know his motives but I assume that he hoped to obtain some facts which might be derogatory to me and could use this information to curtail or impede my activities on behalf of the people in School District No. 17. In my opinion, it may not be just merely coincidental that this report was being prepared at a time when I was especially active in opposing the preposterously high fees still being paid the School Attorney and questioning the method pursued in securing bids for bus transportation. It further appears that this report must have been received last November and that it has been circulated from hand to hand and how widely I do not know at the present time. Clearly, at least three members of the School Board have seen this report and it is almost certain that a considerable number of other persons in and about Hicksville have also seen it.

"I have consulted my attorney and I am advised that portions of this report are libelous of me and I hereby state that said material and conclusions in such report are untrue and have no basis in fact."

"The motives of those who retained the investigator and have circulated this report are wholly malicious in my opinion and I am considering such action as I may take. The report deals entirely with my personal life and affairs and strangely does not even mention my civic activities in Nassau County. This is not an inquiry into my official acts but was clearly instigated to 'get something' on me for such use as the perpetrator might scheme up thereafter. The factual portions of the report are actually very complimentary to me. However, malicious gossip not founded in truth and unwarranted conclusions have been included to which I object strenuously as they tend to defame me just as any

basic 'bulldog' group will do. Persons concerned in procuring and circulating this report should be ashamed of themselves. My public activities are wide open for the scrutiny of any person, but my private life, insofar as it has no relation or effect whatsoever upon my public life, or upon public security, and violated neither the latter nor the intent of the law of the land, is nobody's business but my own, and information regarding it, collected with obvious malicious intent, should certainly not be passed around by people in positions of public trust with such freedom and carelessness that they do not recall when or where they had it last and it comes to me unexpectedly from a stranger with its interim travels unexplained but easy to conjecture."

"From Mr. Brengel and Mrs. Sutton, fellow-members of the School Board who have admitted circulating the report, I demand public acknowledgement of the fact and public apology therefor."

### Club in Syosset

SYOSSET—A meeting of the Young Democratic Club of the Town of Oyster Bay will be held at the Paddock Inn Jericho Turnpike, here, on Monday, April 26, at 8:30 p.m., according to an announcement by Carlton H. Bentley, president of the club.

The purpose of the meeting is to help organize a Democratic Club here to serve that area.

NEIGHBOR DOWLING VIEWS NEWS

## Advance Comments On Budget

By JOHN DOWLING

Tonight, Tuesday evening, April 20, the Plainview Board of Education will hold an "Advance Budget Discussion" meeting in the Mountain Hill School.

This year the educational expenditures required to operate the Plainview schools for the 1954-55 school year approximate \$682,060.00. Although it is extremely difficult to estimate the tax rate for the coming year at this time, the Board of Education in its advance report to the residents published late last week indicates that the rate will be somewhere between last year's \$8.16 per \$100 of assessed valuation and \$8.47 per \$100 of assessed valuation. It was

pointed out that the \$8.47 rate is based only on information available at this time.

Factors such as total assessed valuation which is now \$13,986,000, and will probably rise above that figure, and the amount of emergency state aid the district will get are not known at this time. Therefore, the Board of Education can only provide an estimate of the forthcoming tax rate based on information available. In all probability, the rate will be lower than the \$8.47 estimate as the district should acquire additional assessed valuation an certain emergency state aid before the tax rate is set in August.

The biggest chunk of the Plainview school budget is that portion allocated for Instructional Services. This category includes teachers' salaries, principals salaries, instructional expenses, instructional supplies and miscellaneous related items. This item totals approximately \$379,650. The almost

50 percent jump over last year's amount in this category is primarily due to large increase in the number of teachers necessary to staff our new buildings.

The next largest item in this year's proposed budget is the amount set aside for the district's bonded indebtedness. This is known as Debt Service and includes amounts necessary for redemption of bonds, interest on bonds and other debt payments. These are fixed charges and total \$131,410 for the coming year. Other fixed expenses in addition to the district's Debt Service include the residents' contribution to the teachers' pension funds and insurance and a few minor items. This amount is \$44,475.

Other major expenditures in the proposed 1954-55 school budget come under the heading of Operation of Plant and Transportation and Related expenses. These total \$114,920 and represent the money needed to operate our schools and provide transportation.

The Operation of Plant category, for example, includes wages of custodians, fuel, water, electricity, custodial supplies and like expenses.

There are other items in the budget which will be explained fully at the "Advance Budget Discussion" meeting. This column was only intended to give you an outline of the budget and those items that make up the major sections of it.

"Self-Evaluation" will be the topic of discussion at a meeting of the Central Nassau Section, National Council of Jewish Women at Levittown Hall, Hicksville, on Wednesday, Apr. 21 at 8:30 P.M. Election of officers is also scheduled.

## Lutheran Church Is Beautiful

By RAE CANTILLI

The dedication of the new Chapel-Auditorium building of the Church of the Good Shepherd Lutheran took place on Palm Sunday. It is, in my opinion, one of the most beautiful buildings I've ever seen, both on the outside and inside. Well over 350 people attended the dedication service and the supper served after. Rev. John Hinsch, Pastor, of the new house of worship officiated with Rev. Edward Stammel, Pastor of Trinity Lutheran in Hicksville, gave the dedication sermon.

Letters of congratulations from many Lutheran Parishes and groups were read by Anthony C. Ocker, Jr., Chairman of the Congregation. After the service a supper was served by the Priscilla Guild. Congratulations to the Church of the Good Shepherd Lutheran.

### SCHOOL BOARD ELECTION

As everyone probably knows, Leland Baker, who has served well the District as a member of the School Board, was forced to resign as Chairman and members of the Board due to the fact that his company transferred him out of the district and out of the state. Mr. Baker's loss to the community is a great blow. His financial wizardry has been of extreme importance to all of us.

As it stands now, there are four candidates running for election. Three are running for John Hartman's expired term on the Board. John Nees, Tom Payne and Sol Newborn have announced their intention to run. William McCaffrey, Jr. has announced his intention to run for the one year unexpired term of Mr. Baker.

Mr. Newborn, who has been extremely active here in Plainview, is a member of the Board of Directors of the Civic Assn. and a guiding light in his particular religious group. He has worked with the current Citizen's Advisory Committee on the School Budget and worked very closely with Mr. Baker on the financial end on this committee. He was formerly a member of the old Building and Grounds Committee. Mr. Newborn is a Certified Public Accountant and is self-employed.

Mr. Nees is the Board of Education District Treasurer and is a member of several professional societies. Mr. Nees is an assistant insurance manager for Robert Guir Co.

Mr. Payne has been a resident for 4½ years in Plainview and is employed by the New York Telephone Co. as a repairman. Mr. Payne has been active as a member of a previous School Board Building-Grounds Committee and is working now on a sub-committee on Adult Education.

William McCaffrey, Jr. is a comparative new-comer, but is no

stranger to people in Plainview. From the moment he moved into Plainview he has worked diligently for all. He is a member of the Civic Assn. and has worked on several committees to serve Plainview. He has been the champion of the people in pressing the investigation by the P.S.C. of alleged overcharging of utility bills of the L. I. Lighting Co. McCaffrey is an attorney as you probably know and is presently self-employed. Mr. McCaffrey is from South Morton Village and Mr. Newborn is from North Morton Village.

### CIVIC ASSN.

As I previously stated the Civic Assn. meeting has been postponed until Thursday, April 29, at the School because of a School Budget Discussion Meeting. At this meeting the Nominating Committee will report and many interesting subjects will be discussed. The tickets for the Spring Dance of the Civic Assn. will be available at this meeting. The Dance will be held on June 19th at the Picture Lounge in Huntington (Walt Whitman Rd.). I do urge everyone to come out. It will be a real gala affair.

### PLAINVIEW FIRE DEPT.

Don't forget the Annual Spring Dance of your Fire Dept. on April 24th at the Fire House. Come out and enjoy a wonderful evening. If you haven't got a ticket you can give me a call or you buy them at the door. There will be a drawing on 3 wonderful prizes which are on display at the X-L Cleaners (Plainview Shopping Center). Door prizes will also be given away. See you there.

That's all for now! See you next week.

## Grants Reveals Plans for Store

PLAINVIEW—Plans of the W.T. Grant Co. call for completion of the big new store in Plainview shopping Center in the late fall of 1954, according to word received from company officials in New York. The new store, now under construction, is located on the northeast corner of South Oyster Bay and Woodbury Roads.

Designed along the lines of the shopping center by A.H. Salzkowitz of Jackson Heights, the new Grants will be a 2-story and basement building with a brick facade and Seamstone bulkhead. Main entrance will face South Oyster Bay Road with a secondary entrance to a parking area in the rear. The building will be completely air-conditioned and lighted with day-bright fluorescent fixtures. Selling will be done on both street and downstairs levels with offices and reserve stock rooms on the second story.

The new Grants will be merchandised by the company's famous "Four Stores in One" plan. This modern merchandising method brings under one roof what the customer would ordinarily find in four separate stores. The new Grants will be a complete Fashion Center, Home and Hardware Store, Dry Goods Store, and Variety Store—all in one, officials state.

## Civics to Hear Candidates

PLAINVIEW—Peter McIntosh, president of the Plainview Civic Assoc., today told the Herald that "due to the conflict with the 'Advance Budget Discussion' meeting to be held by the Board of Education on Mennetta Hill School on April 20, the regular monthly meeting of the Civic Association will be held on Thursday evening April 29 at Mennetta Hill School." McIntosh has extended an invitation to all school board candidates to attend the April 29 civic meeting in order that the residents may hear their views.

Also on the agenda for the civic meeting, according to McIntosh, is the report of the nominating committee for the Association's slate of officers and directors for the new year. The Civic Association urges everyone to attend the Board of Education's budget discussion meeting and the April 29 meeting to meet the school board candidates.

## Plainview to Dedicate School

PLAINVIEW—This Sunday afternoon, April 25 at 2 P.M., the new Central Park Road School, located at Central Park Road and Old Country Road, will be dedicated. The school will be open to the district's children on the following day, it was announced by the Board of Education.

The opening of this school, it was noted, means that the formerly outside rented facilities of Lower Melville and Old Bethpage will be closed.

The Central Park Road school was erected in a six month period and cost the Plainview School District \$200,000. For this low cost, it was pointed out, the residents have taken ownership of a Class-A fire proof, 10-room school building.

Invitations to all residents to attend the dedication ceremony have been extended by the Board of Education which plans to open the school for inspection by the residents following the dedication exercises.

## McCaffrey Seeks Baker's Place

By LUKE V. FARLEY  
A School Board is, according to state law, the policy-making branch of our school system, charged with the tremendously important responsibility of complete administration of the schools, teachers and property, subject only to certain legal and moral restrictions as specified by the State Education Department.

The Board can hire principals, teachers and other employees, acquire school sites, erect and maintain schools, arrange for pupil transportation and purchase buses, if deemed advisable; it is responsible for the levying of property taxes to maintain the school system and for the spending of the taxpayers' money thereby raised.

Members of the Board of Education are elected by the taxpayers for three year terms, save for those instances where a special election is called to fill a resigned member's unexpired term. They serve without compensation and give generously and selflessly of their time.

Participation by the taxpayers is an essential ingredient of effective management of our school system. Each and every one of us should be deeply concerned about whom is elected to the Board, how our money is spent, whether the teachers are up to our standards, how the various Board members think and operate, and ad infinitum. We can only exercise this privilege and right by becoming sufficiently interested to attend public meetings, such as the Budget hearing on April 20, the budget voting on May 4, the Board election on May 5 and any other interim meetings by various organizations to which the list of candidates may be invited to introduce themselves, such as at the Civic Association meeting on April 20.

The two all important points each taxpayer should be considerably concerned about are: 1) the disbursing of his monies, which has a direct relationship to the school tax rate; 2) the power and efficient education of his children, which may well be the molding period of their entire future.

In effect, the responsibilities resting upon the Board Members' shoulders are immense. In addition to the basic requirements, a legal and/or financial background is practically a requisite, but must be melded with a good portion of common sense.

In the writer's opinion, our present Plainview School Board has performed its functions decidedly to the advantage of the taxpayer. Two important incidents automatically come to the fore when evaluating the members' performance of

their duties to date: the land acquisition policy in the face of rising land costs, resulting ultimately (Continued on Page 6)

## LIRR Gives Leastest For Mostest

If the L.I.R.R.'s latest request for a whopping 34 percent increase in commuter fares goes through, it will probably be the most expensive railroad in the entire nation, and most certainly the costliest in the New York area. The proposed rate from Hicksville to New York is \$22.45 a month or \$341.40 a year. That's \$81.36 more per year than we pay now. A survey of commuter fares around New York show that the L.I.R.R. gives the leastest service for the mostest money!

## Top This, If You Can

The L.I.R.R. takes an hour and three minutes to get commuters from Penn Station (5:12 train) to Hicksville, when it's on time, a distance of 28.8 miles. The New Haven Railroad needs only 40 minutes to get its commuters from Grand Central to Port Chester on a comparable trip of 25.7 miles. Add to that, the L.I.R.R. wants \$28.45 from us each month compared with the New Haven's monthly fare of \$17.85. Thus, the L.I.R.R. is slower by 57 percent and they want 62 percent more money than the New Haven. Hard to believe, isn't it?

## What The Others Charge

Here are some of the monthly commutation fares charged by other railroads for trips very much the same as ours: New York Central to Philips Manor (26 miles), \$20.92; New York Central to Mount Pleasant (27 miles), \$21.84; Lackawanna to Madison, N. J. (26.5 miles), \$21.30; New Jersey Central to Dunellen (26.9 miles), \$21.20; and we mustn't forget the L.I.R.R.'s stepmother, the Pennsylvania which carries commuters the 27.2 miles to Metuchen, N. J. for \$22.35 from Penn Station or \$20.85 from Hudson Terminal. And, the running time is only 36 minutes.

## The Old Saw

Apologists for the L.I.R.R. continually pull out the old saw that they have no freight business to make up for commuter deficits. Well, don't you believe it. The L.I.R.R. has been for many years an integral part of the Pennsylvania System, undoubtedly the largest, wealthiest, and most profitable railroad in the world. The L.I.R.R. is inextricably an extension of the Pennsylvania into Long Island, and only because it suits the financial convenience of the Penn. was it put into the stepchild status. The L.I.R.R. serves an area of about 6,000,000 people at the eastern end of the Pennsylvania System. Much of the Penn's freight is destined for these people and if the L.I.R.R. doesn't carry it, someone in the Penn. System is to blame. The Long Island should claim its just share of the Pennsylvania's freight business to help carry its load, or it should be broken completely free of the Penn. and run by people who can do a good job.

## All Or Nothing

As long as the Penn has a finger in the Long Island, it must be called upon to treat it as an integral part of the overall System. It must remove the L.I.R.R. from the stepchild status. Equipment, operating procedures, and schedules must be made equal to those of other railroads serving New York commuters. If the Pennsylvania System will not do this they should of necessity be removed from any control of the Long Island. If private ownership cannot be arranged under equitable terms to all concerned, including the customers, then it should be operated by a public corporation such as the Long Island Transit Authority or similar group.

### PUBLIC NOTICE

**PLEASE TAKE NOTICE**, that pursuant to the County Law, the County Government Law of Nassau County, the Nassau County Administrative Code and Amendments of said laws, also a resolution of the Board of Supervisors of the County of Nassau adopted March 29th, 1954. **NOTICE IS HEREBY GIVEN**, that map showing real property to be acquired for the Layout and Extension of Peninsula Boulevard, Section 7 Ocean Avenue to North Village Avenue and Ocean Avenue from Peninsula Boulevard Section 7 to Merrick Road at Rockville Centre, Town of Hempstead, dated December, 1953, was prepared by order of the Board of Supervisors of the County of Nassau approved by the Commissioner of Public Works of said County, and is on file in the office of the said Commissioner of Public Works of Nassau County.

Said map shows real property to be acquired for the Layout and Extension of **PENINSULA BOULEVARD, SECTION 7**, Ocean Avenue to North Village Avenue and Ocean Avenue from Peninsula Boulevard, Section 7 to Merrick Road at Rockville Centre, Town of Hempstead, distinctly indicating the several parcels of real property to be acquired, the purported owners thereof and the dimensions and bounds of each of said parcels.

**PLEASE TAKE FURTHER NOTICE** that a hearing will be held in respect to such map in the Meeting Room of the Board of Supervisors in the Old County Court House, Mineola, Nassau County, New York, at 11 o'clock in the forenoon on April 26th, 1954, at which hearing said Board will afford a reasonable opportunity to all persons interested to make objections thereto or suggest changes therein.

## 2 CONTESTS

(Continued from Page 1)  
ported me during the past six years. My Board membership has given me an understanding of our school situation and a very valuable background for continued service. It is upon my record as a Board Member that I stand in this election.

**De SHAW'S PLATFORM**  
DeShaw, in announcing that he is opposing Mrs. Sutton, stated "My platform is to work for more schools while saving as much of the tax dollar as possible; to make certain that only the best qualified teachers are secured to teach our children; to work for an outstanding Youth Program which will set an example for the other districts. My slogan is 'The Best for Less'."

He also gave the following information regarding himself: "I am employed as a Dept. Mgr. for Sunrise Supermarkets at their West Village Green Store; and have been quite active in civic and youth affairs over a number of years; being a former Superintendent of the Young Peoples' Baptist Union of Brooklyn and L.I.; serving as a councilor for two consecutive years at the Sunshine Acres Fresh Air Home in Commack, L.I.; served two terms as president of the Queens Junior Chamber of Commerce; Republican county committeeman for Queens County for 10 years; former president of the Young GOP Club of Richmond Hill; former secretary of the Woodhaven Patriotic League.

We earnestly beseech your support.

As his campaign manager, the writer is committing Bill McCaffrey and himself to an honest and clean campaign. There will be no defamatory of any opposing candidate's character, no politics in our campaign. We respectfully solicit the help of the opposition, whenever they may be, in maintaining this level.

"I was proprietor of my own business until 1949, when I sold same and migrated to California. During the three years I was a resident of California, I was active in civic affairs, being a trustee of the East San Diego Home Owners' Assoc.", DeShaw stated.

# In People's Corner

By ALLEN G. CARPENTER

If good ever grows out of evil, that most fortunate deviation from the natural result of "cause and effect," must be credited to God, not man.

Communism's purposes are often made to sound both good, and practical. Fascist's goals can also be made to sound equally convincing. Their ultimate aims, their theoretical goal, must sound good to the ignorant, to the irreligious, to the cynic, else there would be no willing converts.

All popular foreign "isms" sound off loudly and regularly, claiming that they stand for the good of their people and their country. They claim that they want peace, equality, justice, and freedom, for themselves and all the world. All these things that they claim to stand for, we must admit art good. They are good, for each of these qualities are cherished by good people all over the world.

In my opinion, their claim to those good goals are a deceit, their claims constitute the "Biggest Lie". Even if their claims were honest ones, there way of life would still be wrong. Because the methods they use to achieve their avowed goal are evil.

Communism and Fascism because they suppress those freedoms, which they claim to foster, embrace the "Big Lie". Without shame they claim that their ultimate purposes are no good, that say means they use is justified.

Even as they deprive their people of peace, equality, justice, and freedom, they claim that it

is done only for the people's ultimate good. That this evil is only temporary, and will result in great good for all the world. Even as they establish a dictatorship, that rules with total force, that rules by deceit, by intimidation and by fear, they proudly proclaim that the "end justifies the means". Their "Big Lie" tells all the world that the way to freedom and justice is through the death of liberty.

Since all established churches teach that, no end justifies, murder, immorality, and deceit — communism and fascism have done their utmost to discredit and to destroy the church. We know that morality cannot be temporarily suspended, anymore than you can temporarily suspend the activity of God, or the teachings of His church. The "Big Lie" is immoral and evil, and any man or any government that uses its deceitful methods is evil and entirely untrustworthy.

The real difference between our way of life and communism and fascism lies not in what each of us claim our goal to be, but primarily in the methods we use to attain our goal. Our way of life grows out of respect for God and man. Their way grows out of fear and deceit, grows out of atheism and the total disregard for the dignity of man.

Our way of life will prevail only so long as we continue to follow the laws of God, and the democratic philosophy of our heritage. If we desert our moral and political principles, for expediency — we shall sing to the degenerate level of our most antagonistic.

## Ask the CPA

By SOLOMON NEWBORN

Certified Public Accountant

Mr. Newborn will answer questions in this column.

Address Herald, Box 95, Hicksville.

Q. How can I get maximum tax benefits from my donations to your charity you will be taxed on the gain . . . which may be avoided if you follow the proper procedure?

A. As you now know the individual taxpayer may deduct up to 20% of his adjusted gross income for contributions to a recognized, organized charity. A corporation may not deduct more than 5% of its net income. The individual taxpayer has a choice of the optional standard deduction or itemization. If you plan to use the standard deduction this year or if you have reached your percentage limitation defer any charitable contributions to next year. As an individual you may deduct only those contributions actually paid during the year. Thus, if the above situation exists you may make pledges to be paid the following year. In this manner you will get the maximum benefit of deductions. An accrual basis corporation can get the benefit of a charitable contribution at its year end even if not paid in that year, provided the contribution is authorized by the board of directors in that year. However, payment must have been made on or before the 15th day of the third month following the close of the taxable year.

The fact that contributions are deductible whether made in cash or property opens the door to a real tax saving opportunity where you have property which is now worth more than its original cost. You may contribute your appreciated property and take a deduction for its full market value. At the same time you are not taxed on the profit. If you first sell the property and then contribute the proceeds

Let's say you have stock which cost you \$100 and is now worth \$500 and you wish to make a \$500 contribution to your church. There is also a possibility that the stock may decrease in value shortly. If you contribute the stock, you avoid the tax on the \$400 profit and you get a charitable deduction of \$500. Here's another way of making the same \$500 contribution only let's assume that now you wish to hold on to the stock. You make the contribution as above and have a \$500 deduction. Then you buy identical shares of stock for \$500. This is what has happened — you are not taxed on the gain of \$400, you have a tax deduction of \$500, and you have changed the basis of your stock from \$100 to \$500. Assuming that you now sell your stock for \$550 you pay tax on a gain of \$50 instead of \$450 as you would have had to do and had you given cash instead of the original stock.

It follows, that if you have property which has decreased in value which you wish to donate to a charity you should first sell the property so that you will have the benefit of the loss deduction. Then, when you turn the proceeds of the sale over to the charity you will also get a deduction for that.

## Shoo Fly Pie And Single Sessions

By MAY MAJEEAN

Due to business pressures, my husband, Gene, will not be able to get out the column henceforth, but I'll cover the news for him until such time as he has more time for writing the news.

Mr. and Mrs. Maniscalco, of 10 Wellesley Lane, Hillside Terrace, have been invited to a combination Easter Party and birthday party for Alice Entura, Grace Maniscalco's sister, in Wyandanch. Grace was telling me that her son, Tom, 9 years old, won a silver medal for winning first place in the 220 yard relay race at the high school, representing St. Ignatius Loyola, for the CYO.

Jimmy Poitras, of 38 Hollins Rd., Hillside Terrace, had a 12 year old birthday party . . . happy birthday-Jimmy.

The Long Island School of Music and Dance held an Easter party with such local performers as: Genevieve Neff, 18 Wellesley Ln.; Susan Levine, 62 Wellesley Ln.; Patricia Turko, 11 Wellesley Ln.; and Anna Marie Maniscalco, 10 Wellesley Ln., all of Hillside Terrace.

The Wedding Ring Club visited the Jones Institute at their last meeting, the children entertaining and presenting candy to the folks there. The whole show came off wonderfully—and after this affair the regular meeting was held at St. Stephen's Church.

Look for our benevolent mailmen to volunteer to make another collection for charity. This comes as a scoop from a very authentic source . . . There was an accident on Wilfred Blvd. and Fulton Ave., Woodbury Gardens, involving a learning driver and a parked car, according to Charles Anasta . . . Charlie is a driving instructor . . .

You may have noticed the recent expose of the house siding racket in the L.I. Press. About four weeks ago we exposed the very same deal right here in the column.

Mrs. Cox, of 15 Boulder Ln., Hicksville, contributed this wonderful dish. Pennsylvania Shoo Fly Pie: 1 c boiling water, 2 tbs. shortening, ½ c molasses, 2 c flour, divided, 1 t baking soda, ½ c sugar, ¼ c butter, ¼ c nutmeg, ¼ t cinnamon, ¼ t ginger, ¼ t salt.

A great many mothers who live in our development are overjoyed at the fact that our children are enjoying the same privileges that we enjoyed—going to school on full session—however — this ecstasy will last only a term, so we hear.

Did you remember the snacks we packed for the kids? Our daughter, Dolores used to ask for certain cookies that would have a high trading value. It seems that the kids have to trade, no matter what the mother packed for snack. When the time comes—for snack, that is, all of the children race for one another to see what harts he or she can make. Very often—a wise trader can get home made cookies for soda crackers. This urge to trade supersedes quality of parent donated snacks. Now, at least—under the noonday meal—we know that what we prepare the children eat. This should not be construed as a complaint as many

School received its certificate last year.

## 'Trial by Jury' Here on May 1

Madeline Lee-Singleton, who has spent most of her life in the theater, will run the gamut of emotions from the sublime to the ridiculous—when she plays first, the part of Margaret Forsyth in the one act play "Afterward", and then the role of The Rich Attorney's Elderly Daughter in the Finale of Gilbert and Sullivan's Operetta, "TRIAL BY JURY" at the Broadway School Auditorium, Bethpage, on Saturday evening, May 1.

When you see her you will agree that she knows her theatre. Mrs. Singleton was born practically on the stage, her father being owner and manager of his own company. Mothers always played the leading lady parts in all the plays except at times like when Madeline was born and when Madeline's sister was born.

Madeline's christening was a great event in the Lee Family—her Godfather being none other than the famous John L. Sullivan.

is a photograph of that great personage.

She played her first professional part at the age of five in "The Charity Nurse" portraying the character of Ruth. The villian in that play was portrayed by D. W. Griffith who later became THE Mr. Griffith. She has a son, Martin, and is corresponding Secretary of the Archie McCord Unit No. 86, American Legion Auxiliary.

## Aviation Group Organized Here

BETHPAGE — Alfred Warwick, Queens aviation enthusiast, has announced the objectives of The Long Island Association's newly formed Aviation Committee following an organization meeting at Beau Sejour here on April 15.

Pointing out that one out of every four persons employed in Nassau and Suffolk Counties receive their livelihood directly from the aviation industry, Warwick revealed that the first objective of his committee would be to promote "better community understanding" of Long Island's aviation industry and its importance to Long Island residents and businessmen.

George McSherry, Airport Manager of New York International Airport, has been named Chairman of a Sub-Committee on Research and Public Information. Other members of this sub-committee are: David Gillmor, Gillmor's, Inc.; Edwin Lyons, Zahn's Airport; Eugene Henkel, Stratocrafts Airport; Eugene Henkel, Stratos Division of Fairchild Engine & Airplane, L. I. Lighting Co.; and Lt. Col. Paul Halstead, Civil Air Patrol and Nassau County Civil Defense.

A second objective of the Aviation Committee, according to Warwick, is to cooperate with local communities and public officials in the establishment of sound programs for the advancement and regulation aviation activities within these communities.

**SPEAKER ON LANDSCAPING**  
The next meeting of the Sisterhood of the Midway Jewish Community Center will be held on April 21, at the ICC on the Hempstead Tpk at Jerusalem Ave., Levittown, and will feature a talk on Landscaping by Michael Miller of the Flower Lane Nursery.

## HICKSVILLE GABLES:

### Now Is Time to Fight Cancer

By CONSTANCE GIBSON  
Hicksville 4-1482

Here it is almost the end of April, Easter of 1954 just a page in the memory book. With the end of the month there is also the final stages of the Cancer Fund drive. Really we doubt that it is necessary to go into the importance of this committee and its work since most people have come in contact with it at one time or another.

It stands to reason that this disease that strikes one out of every five Americans, that killed more men than women last year, that claims the lives of more children from three to fifteen years of age than any other disease and that will claim 23,000,000 Americans now living, is bound to have come up somewhere in your life. It is through the attack on a friend or on someone in your own family.

The American Cancer Society formed in 1913 is making headway in its battle against the dread disease. It has set up numerous clinics, public information centers and is training men for research and patient care. Now it is our time to help out with our dollars. As we stated before it could crop up in your family or among your friends, so when your local committee member calls at your home please respond. Here in the Gables working for the Society are Mrs. A. G. Soisinen of South Elm St., Mrs. William DiBella of South Elm St. and your reporter on Plainview Rd.

We were very happy to learn that Lee McCoy of 8 Gables Drive has at last established her mimeographing business at home. Mrs. McCoy did the mimeograph work on the Hicksville Gables Neighborhood club newspaper, the funds of which went to the Polio Drive. Those of us who received this paper during its publication can testify to the fact that Mrs. McCoy's work is well done.

Mr. and Mrs. J. Parker of 11 Gables Rd. celebrated their ninth wedding anniversary on April 16. The Parkers took their oldest son, Kenneth, and Mark Cerone of 271 Plainview Rd. to the Ringling Bros., Barnum and Bailey Circus at Madison Square Garden April 15. Young Mark's birthday, his sixth. Mr. and Mrs. Parker were thrilled with the performances but the children enjoyed the subway ride the best.

**MR. AND MRS. JAMES A. CERONE** had a small family party for Mark on April 16 attended by Kenneth Parker, Mr. and Mrs. Frank Cerone also of Hicksville and the celebrant's sisters and brother, Brownyn, Debra and Darren.

Happy Birthday greetings go also to Lynda Ann Byron, daughter of Mr. and Mrs. James Byron of 17 Gables Rd. who was seven years old on Monday, April 12.

Ralph LaPlace, son of Mr. and Mrs. LaPlace of 319 Old Country Rd. celebrated his ninth birthday with a family party on Monday, April 12.

Mr. and Mrs. M. Fernandez and their three daughters went to dinner on Easter Sunday at the Downtown Athletic Club on the Battery.

The LaPlace boys, Joe and Ralph of Old Country Rd. celebrated the Easter holiday in advance by finding a white bunny in the fields by their home.

Mr. and Mrs. John Olson and daughter June along with their friends Mr. and Mrs. Ducecas and their twin sons visited the Bronx Zoo on Sunday, April 11. While watching the elephants June had the misfortune of being thoroughly soaked by a playful pachyderm. Of the entire outing the children seemed to enjoy the train ride through the Zoo the best. When the group returned home the adults were completely fagged out but the youngsters were brimming with vitality.

Best wishes for a quick recovery go to Little June Olson who entered Roslyn Park Hospital, Tuesday, April 20 for a tonsilectomy.

James Montalto and daughter Elaine of 69 Rim Lane, attended a night game between the Dodgers and the Giants at the Polo Grounds on Wednesday, April 14. It looked like rain at first but everything turned out fine even to the Dodger's victory.

### Sisterhood Again Schedules Mart

The women of the North Shore Synagogue will hold a Merchandise Mart, 9 East Main St., Oyster Bay, on Wednesday, April 21, from 11 a.m. to 8 p.m. Among the many, many items on sale are stockings, costume jewelry, magazine racks, hassocks, ceramics, children's bathing suits, handkerchiefs, greeting cards, baby items, and for you gardeners, seeds for flowers and vegetables.

Special thanks to Mrs. Miles Libin and her committee for arranging this marvelous sale and to Mrs. Sally Kline of Huntington who is graciously allowing the Sisterhood the use of the vacant store.

### Vet Daughters Collect Funds

HICKSVILLE — At the last meeting of the Daughters of Veterans, it was decided to help collect money for the Cancer Fund. The three girls collecting the most money will receive a hand tooled leather pocket book. These bags were donated by R. Arauso of the Dominican Republic.

Due to the Easter holidays there were only 35 members in attendance. Three new members were enrolled: Janet Martarello, Carol and Pat Finamore. The last two girls are twins. Almost every section of Hicksville is now represented in the club plus members from Bethpage and Huntington. Total membership is now 56.

It was decided that an annual picnic be held on June 22. There will be no charge for members. The price of admission for parents will be set at the next meeting.

Pictures of the Hicksville fire tournament and a comedy featuring Abbott and Costello were shown by Joe Stankowitz of Garden City. Mrs. Edna Ney of Woodbury Gardens, an expert ping pong player, is now giving instructions to members. It is help from people like them who make the club a

#### COUNTRY SLAUGHTER!

When the Yanks bought Enos' Country Slaughter from the Czechs they may or may not have insured their sixth straight American League pennant. That, however, is not a matter of prime importance to the nation at large.

What is important is the man himself. He is a tireless worker who plays each game as if it is his last. That has been his philosophy ever since he broke in many years ago. In this approach to his job is a lesson of great value to all the youth of the land. To apply it to their chosen field of work will be to guarantee success.

In these days of high prices, it is important that you save whenever you get the chance. That's why we urge you to join our Dollar-A-Month Club. Membership entitles you to gas at cost and a monthly special in service. Free pick-up and delivery and free road service within a five mile area. ### Final Little League Tryouts For Bethpage

BETHPAGE — On March 31, Frank Drinkwater, Manager of the C. W. Lauman Little League team was host to his Little Leaguers at his home, at which time uniforms were fitted for the coming seasons. Cokes and cake was enjoyed by all.

success. Other new parents at the club were Mr. and Mrs. Stillwagon and Mrs. Finamore.

Refreshments from the soda bar were served by Pat Jones, Barbara Elias, Virginia Paski and Ruth Hackett.

There will be no meeting next week due to the holidays. Next meeting Wednesday, April 28, at AMVETS Hall, 26 East Marie St. Bring the money for the Cancer Fund.

Elaine Callasi, President of the Ladies Auxiliary of the Bethpage Little League is recuperating at home after an operation. All members of the Little League wish her a speedy recovery.

All boys, 12 to 15, interested in playing ball this summer in the newly formed Babe Ruth League, must fill in their applications within the next two weeks. When properly filled out, please return to Dominick Agiesta, 394 Broadway. Final Tryout Date for Little League candidates here is Sunday, April 26.
