Seniors May Take Trip To Washington By Air

HICKSVILLE—The Senior Class of the high school may get its annual Washington trip, after all. Miss Mabel R. Farley, principal, obtained the approval of the Board of Education at a special meeting last week for her proposal that the class made the trip in one day, flying by airline both ways. The decision to discontinue the traditional trip had been made in February by the Board due to the increasing size of the class and the need for more adult supervisors to accompany the group.

The air trip will be made in a single day—years ago, as many as four days were taken during Easter recess by the Seniors when the class was smaller—flying direct from New York to Washington, covering the points of interest by bus, and winging back to New York in the evening. The date of the trip has not been set, pending consideration of the flying trip by the seniors, Miss Farley said. There are 160 boys and girls in the class this year.

Tela-Mets Present Operetta

BETHPAGE—The Gilbert and Sullivan operetta, "Trial by Jury", will be presented in the auditorium of the Broadway School here, on Thursday night, May 1, starting at 8:45 P.M. by the Tela-Mets Drama Club. HICKSVILLE—Annual election of officers of the Lions Club will take place tomorrow (Wednesday) night at the Rainbow Restaurant at 7 o'clock. Fred C. Birk is chairman of the nominating committee which will propose Clifford Freitag for president to succeed J. Gordon Ulmer, Rod Braun for first vice president, Howard Heberer for second vice president and James Bell for third vice president. Named for re-election are Harry Ernenwein for treasurer and Kenneth DeJongh for secretary. Other nominations may be made before balloting.

NEW YORK—Stephen Murphy, age 10, of 184 Scooter Lane and George Gleckler, age 3, of 92 Seventh St., both of Hicksville were selected as preliminary prize winners in the Charming Child Contest which is run annually by the New York Daily Mirror. They were awarded cash prizes and toys.

Two years ago, Gary Martens of Division Ave., Hicksville, was selected as the 2nd prize winner and received a \$500.00 award.

General building requirements, equipment specified and form of proposal, together with information concerning the provisions of the lease, may be obtained from the Postmaster. Patterson was host to the Nassau County Press Assoc. and made the presentation for the weekly publishers of the county to Noeth as retiring president of the association. ROMAN AND ZETTLER TEAM UP:

DeShaw to Leave Race, Give North Side 'Voice'

HICKSVILLE—There were unexpected last minute developments in the School Board election, over the weekend as Jerome G. Zettler filed a petition to run against incumbent Edna Sutton and Charles DeShaw, who had earlier filed for the same vacancy, withdrew in favor of Zettler. At the same time it was announced that Lawrence A. Roman and Zettler will run "as a team" in the May 5 election.

Zettler is well known for his civic activity, particularly in the North West section where he is vice-president of the civic group and chairman of its drainage committee.

Roman who lives on Notre Dame Ave. is a candidate for the vacancy caused by the expiration of the term of Henry C. Brengel. Joseph Cawley of 2 Glow Lane is running for the Brengel vacancy also and has teamed with Mrs. Sutton and Lee Ave. for election.

Two team-ups are now in the field. Roman and Zettler have teamed, running against Cawley and Mrs. Sutton.

Zettler, is 38, the father of two girls, Diane, age 9, and Christine, age 3. Diane attends the 3rd grade. He has been a life long Nassau County resident, being born in East Williston. He has made his home at 70 Gardner Ave. here since 1930.

Zettler, in addition to his activity in the Civic Assoc., is a member of the Sea Cliff Yacht Club, past president of the Chaminade Alumni Assoc., former first vice president of Burns Ave. Parent Teacher Assoc. He attended Fordham University and Columbia Business School. He is Long Island representative for the U. S. Cordage Co. of New York and has been with the firm for 10 years.

All five candidates for the School Board are expected to be present at Hicksville High School auditorium tonight

Start Pool Tag Issue

HEMPSTEAD—Rules for the distribution of swimming pools in Hicksville and Levittown, which come under joint district management, were announced today by the Board of Commissioners. Distribution starts on Saturday, May 1, and applicants must produce proof of residence. Automobile driver-licensed or car registrations will not be considered sufficient proof this year, the Commissioners warn.

"Official identification tags will be distributed to residents and/or taxpayers of the Joint Community are on Saturdays and Sundays at each pool during the month of May until May 29, which is the official opening date for all of the pools and from that day on tags will be distributed daily at each pool", the official statements reveals.

"Official tags will also be distributed at Levittown Hall and at the Levittown Park District office, Jerusalem Ave. and Meridian Ave.'s daily, starting May 1 between 10 A.M. and 3 P.M."

Residents are urged to go to the office or pool nearest their homes for tags. "The basis for proof of residence for the distribution of the official tags will be:

"1. An electric or telephone bill for the month of April, 1954, or later. 2. A current lease. 3. A deed to the property."

Persons under 18 years of age will not be issued pool tags, the warning continues.

Two of the pools involved are in the Levitt-built section of Hicksville which will be under municipal management for the first time this year. Last summer they continued under the operation and control of Levitt and Sons.

Roman said last night he was "delighted to team up" with Zettler and that he feels the voters now have the opportunity to "give representation to all sections of our growing school district." Roman added that he has found Zettler's views and reasons for seeking election to the Board of Education are in harmony with his.

The teaming-up was announced by Florence Vry and William Olitsky, co-chairman of the Committee of 100 for the Election of Larry Roman.

DeShaw who lives at 118 Brittle Lane, in announcing his intention to withdraw and urge support for Roman and Zettler, stated:

Initial Registration Day Brings Out 1,170

HICKSVILLE—"Disappointment" in the initial registration of voters for the School District election on May 5 was voiced today by friends of all candidates. This Thursday, Apr. 29, is the last day to register. A total of 1,170 enrolled on Saturday.

District Clerk Andrew B. Heberer reported the registration breakdown as follows: 318 at the high school, 447 at Old Country Rd School, 202 at East St School and 203 at Burns Ave. School.

Voter registration continues on Thursday, Apr. 29, from 4 to 10 P.M.

It was noted that last year's first day registration was only 275 when there were six candidates running for two vacancies. There are five in the field for two vacancies this year and reports that one of them may withdraw from the race. There were three registration days last year compared to two this year.

Last year a total of 1,502 persons voted in the annual election with a 2,000 total registration. The use of four voting districts for the first time this year was credited with the heavier early registration compared with last year.

All voters must register again in person for the May 5 election, regardless of previous registrations. Thursday, Apr. 29, is the last day, candidates reminded their friends.

500 Register in Bethpage

BETHPAGE—About 500 voters are enrolled for the school district election here on May 5 with a final registration set for Thursday, Apr. 29, at the Broadway School between 1 and 9 P.M.

There are four candidates for two vacancies on the Board with the incumbents seeking re-election.

Personal registration went into effect here for the first time last year when a total enrollment of 307 was recorded. With no contests for the School Board only 81 persons voted.

Vet Groups Start Plans For Memorial Day Events

Memorial Day observance programs are taking shape in mid-Island communities. The Hicksville program will be held on Monday morning, May 31, with the Jewish War Veterans in general charge of arrangements this year, cooperating with the VFW, Legion and Amvets posts. Plainview organizations will meet at the Manetto Hill School tonight (Tuesday, April 27) to make plans.

All Plainview organizations delegates are requested to attend the meeting tonight starting at 8 o'clock.

Seymour Lang, commander of the Hicksville J.W.V. and chairman of the Hicksville program, announced today that Rabbi Irving Grossman will be the principal speaker this year. Dr. E. H. Le-Barron, superintendent of schools, will be parade marshal.

Letters are going out to all Hicksville organizations advising them of details of the program on May 31. The parade will form in front of the Legion Hall on E. Nichols St. at 9:30 AM and the parade moves promptly at 10 o'clock.

The parade route is expected to be the same as previous years with the exercises scheduled for the Memorial Mall on the high school campus at Jerusalem Ave. and Fourth St. at the conclusion of the parade.

Organizations which have not been contacted and wish to participate are invited to contact any of the following veteran organization members of the committee: Seymour Lang, L'Ervitown 9-2056; Edward Becker, Legion IVanhoe 6-5542; Harry Strembel, Amvets, Hempstead 7-3978; and William Froehnefer, VFW, Hicksville 3-1067.

How Clean Up Week Got Started

Living in Cleveland, Ohio, today in later years came to embrace nearly every American community at least once a year. Her name is Bertha Chapman. The movement unwittingly started a movement that

which she started in "Clean-Up Week"—a week that has been lengthened in many communities into a year-round campaign in order to promote health, thrift, fire prevention, and civic pride.

It started when Miss Chapman one fine spring day, in 1909, presented a bright blue pinrose to a particularly ragged pupil. Thus attracted the girl went joyfully home. Her mother, so the story goes, decided then and there to do a little cleaning up around the home, an act which shamed the neighbors into doing something about their places. Soon the activity spread throughout the city and other communities—among them St. Louis and Cincinnati—also undertook clean-up drives.

These campaigns do much more than help to reduce fire losses. They develop, for instance, community spirit, with the result that streets are cleaned, homes are beautified and repaired, and accumulated waste and rubbish (one of the major causes of fire disposed of. In addition, public buildings often are renovated and vacant grounds improved.

A further result of this activity is its effect on the economy of the community. It is advertised by visitors as a neat and orderly place in which to live and business there is stimulated as a result of the demand created for everything needed to make homes clean, attractive, and safe from fire.

Induct 6 Men

GREAT NECK—Six Hicksville and Bethpage men were inducted into the armed forces on Apr. 6, according to Local Selective Service Board No. 3, here.

They include: Roy J. Eisemann, 211 Second St.; Anthony R. Szymanski, 3 Layton Ave.; Ernest W. Doolin, Box 372; Bruce E. Cromm, 44 Oak St., all of Hicksville. Also, Norman R. Schatzel of 123 Windhorst Ave., Bethpage, and Henry F. Carlson of Lorain, Ohio, formerly of 84 East St., Hicksville.

Dear Jean:

We hear that new street signs have arrived in our community and installation of them may start shortly. Fire Department Chairman VINCE BRAUN reveals that the actual installation will be performed by the town Highway dept. . . . The Plainview Legion Post celebrates its first anniversary of founding tomorrow, Apr. 28. The originators were ALFRED B. SCHUPP, JOHN J. O'KEEFE and JOHN MARRAPOLI. . . . Latest reports on Red Cross fund collections show Hicksville \$2,307.89 under JOSEPH REINHARDT and HENRY MEINNESS; \$505 in Plainview under EDMUND OCKER, \$1,160.56 for Bethpage under JEAN MAZZARA and MRS. ELMER NORMAN. . . Tremendous turnout in Hicksville last Saturday morning for PBC baseball, according to HAROLD MANASKE. Seventy-five more members were enrolled. . . Co. 5 went thru home practise on Sunday for its forthcoming contest in efficiency with the Hook and Ladder Boys. Events will be held, at place yet to be announced, starting at 2 o'clock Sunday afternoon, May 30 with the day's trophy going to the team with the best time in three runs. BILL STOFFEL got wet again, to keep his weekend fire drill record perfect. . . We heard this week about a Roman or Greek emperor who must have given local boys as a lesson to follow. He believed in the posting of public notices, as the law required, but put them ten feet off the ground so that no one could read them. Publishing them in periodicals of limited local circulation has the same effect. . .

NEIGHBOR-DOWLING VIEWS NEWS

Avoiding Educational Suicide

By JOHN DOWLING

Approximately 150 New York City school teachers have been discharged for subversion or insubordination which in this particular case means they flatly refused to answer questions regarding their affiliations. A few managed to get under the wire by hurriedly resigning or retiring. This information comes from a highly-placed source within the city school system who has been closely associated with the investigation of this solid bloc of persons of questionable loyalty or proven disloyalty. For years, some of them have been subjecting impressionable youngsters to poisonous doctrines that are indisputably adverse to our form of government. Their workshop has been the classroom.

I bring this up now because it's proper to assume that not too few of these rotters, having been unmasked for what they are by city school authorities, will undoubtedly attempt to purvey their malignant wares in school systems outside the city. They are a crafty corps of educated thugs unalter-

ably devoted to one end to destruct, disorganize, demoralize and eventually destroy a school system.

There is no question that in order to carry on their wholly undesirable efforts the fact that they got the boot from one school system will not deter them seeking similar employment elsewhere. And the fact that they are what they are shouldn't cause their conscience any perturbation by wilful falsification of their records or concealment of their past employment history in order to further their objective. You can bet they are staying awake nights to devise some method of gaining re-entry to the teaching profession or related occupations.

This places an even greater responsibility on mid-island school trustees and educators who are in the process of increasing their teaching and clerical staffs because of sharp rising student enrollments. They must continue and increase their present commendable efforts to prevent the entrance of any of these detestable people in mid-island school system. They must keep in mind that this group having gotten the boot from another school system for subversion will use any and every surreptitious means to obtain teaching jobs.

They must remember that attempts by these persons to gain admission to the school system will be made frequently and each time the modus operandi will be different. They must keep uppermost in their minds that any relaxation of the applicant screening procedures is another way of inviting discredited individuals into the school system. And this is the first step toward educational suicide.

Republicans Elect Officers

PLAINVIEW — Members of the Republican Club here met last Wednesday evening at the firehouse and elected three new officers, according to Anthony Opair, president.

Robert Hunt was elected 2nd vice president, Bernhardt Sattig will serve as treasurer and Mrs. Edith Voorhees was elected financial secretary. In addition, the membership heard a brief address by Town Councilman James Happy Norman.

Charles Voorhees won the Club's dark horse prize which is a regular monthly feature of the organization and presented to a member present at the meeting.

Values Rising

PLAINVIEW — The assessed valuation of this community took another upward jump this past week according to latest figures obtained from the assessor's office. The present valuation is \$14,320,000 and it was pointed out that this figure will probably rise again before May 1.

DR. GEDRGE RUBIN

HICKSVILLE—The latest professional man to move here from New York City is Dr. George Rubin, podiatrist.

His new office is at 87 Broadway. He's buying a home in the North Village Green section.

Dr. Rubin, 29, received a doctor of podiatry degree from Long Island University last June and is a graduate of Clark University, Worcester, Mass.

An aerial gunner during World War II, his plane, the "Oh Miss Acres," was shot down over Germany. Staff Sgt. Rubin spent four months in a prisoner of war stalag. A 110-mile forced march under German guns gave him a clinical demonstration of how sick a foot can get. He made care and treatment of foot ailments his profession.

Dr. Rubin is a member of the State Podiatry Society, Nassau division, and the Nassau Dept. of Welfare medical panel. He is joining the Roosevelt Cerebral Palsy Center podiatry staff.

In Hicksville, he plans to join a service club and other groups.

"Podiatry and chiropody are not too well understood by the laymen," he said. "Podiatry is a medical science which treats not only growths and discomforts.

Arthritis, circulatory conditions and other diseases may directly affect the feet and such manifestations in the feet must be treated."

Dr. Rubin was graduated from Erasmus Hall High School, Brooklyn, in 1939. His father, William, is a dentist.

POOL TAGS

(Continued from Page 1) which resulted in many headlines on Long Island for a couple of seasons—is very much in the news. Strong objections were voiced at a Civic Assoc. meeting in the Pennsylvania community last week by one Peter A. Santoro to the six dollars per family per year fee for the pools there. The six dollar fee had been announced by Levitt and Sons to "cover operating and maintenance costs." Santoro cited—and this has such a familiar ring—"advertisements which had promised 'free use' of the pools. He also brought out that eight pools had been planned, which "have dwindled to five."

On another front in Levittown, Penna., a group of residents are petitioning President Eisenhower to include the Levitt and Sons projects on Long Island and in Penna. in the current investigation of FHAA practices.

Dorothy Sager Killed by Car

HICKSVILLE—Funeral services were held yesterday (Monday) afternoon at Trinity Evangelical Lutheran Church for Dorothy Sager, 17-year-old, who was run down by an auto and killed at East Meadow Friday.

Police reported Miss Sager whose home was at 54 Willoughby Ave. was waiting for bus at the corner of Newbridge Ave and Hempstead Tpke., East Meadow, when she was struck by a car driven by Arthur Eckert, 45, a mechanic, of 32 McKinley Ave.

Miss Sager was on her way to her job as a clerk at the Sunrise Food Market in North Bellmore. She was identified at Meadowbrook Hospital by her mother, Mrs. Julia Johnson.

Eckert was released after questioning by police.

The Rev. Edward H. Stammel officiated at funeral services in his church. Burial followed at Nassau Knolls Cemetery, Port Washington, under the direction of Archie Mowen Funeral Home.

Miss Sager is survived by her parents, Mr. and Mrs. Louis Johnson; four sisters, Mrs. Frederick Gauck, Mrs. John Zix, Peggy Sager and Janet Johnson.

Arthritis, circulatory conditions and other diseases may directly affect the feet and such manifestations in the feet must be treated."

CURRENT COMMENT:

What's Legal On Notices?

By Fred J. Noeth

WE FIND OURSELVES in a unique and somewhat difficult position these days. We have been designated one of the two official newspapers of Nassau County, the choice of the county Democratic organization, for which selection we feel honored. The distinction of being named an "official newspaper for the County" is flattering. The other "official newspaper" is Newsday, the choice of the Republican organization.

This designation automatically produces a large number of legal notices, publication of which is directed by the Nassau County Charter and Administrative code to appear in the two official newspapers.

On the other hand, we had sometime previous to receiving this high honor managed to earn the displeasure of the local political boss to the extent that we are "black listed" when it comes to certain vital notices concerning the people of the mid-island area.

So here we have a curious state of affairs. We publish by official designation a number of very important county-wide notices. We also publish all the notices of school, fire and water districts, when such notices are released by our local authorities. But when it comes to the Oyster Bay Town Board, we are taboo. For example, a forthcoming Bethpage Water Commissioner election is announced by the Town Board which conducts the election. We don't get that notice. But other notices of that same water district involving bid proposals, etc., are directed to the *Herald* columns when the commissioners of the district have the authority to give the notice.

Instead of publishing notices in the *Herald* of proposed mid-island zoning changes, expenditures for parking fields, gasoline station permits and amendments in traffic ordinances, the Town Board takes political dictation in its worst form and shuns the *Herald*. Instead, such notices are to be found in newspapers of limited circulation, frequently remote from the area directly concerned, or pinned to convenient poles and trees.

The business of posting notices on trees and poles has been the subject of humor—but it is a serious business. For example, a resident of the north east section had occasion one evening recently to get a lift home from the RR depot. He took a short cut over the fields from the main highway to his home and, cutting thru the lots, he came upon a posted tissue-paper notice of the Town Board. To his horror he discovered that the notice called for a public hearing on a zone change on a date approximately two weeks before he found it.

This morning in Oyster Bay Town Hall, the town board will hold a public hearing on a whole series of changes and amendments in the parking ordinance "for the hamlet of Hicksville". How a hearing can be held upon such an important matter is difficult to understand when it is discovered that relatively few of the people to be affected even know of the changes proposed.

Whenever we find posted notices or tissues on trees we attempt to give our friends and readers a summary warning of the action proposed. Such brief publications in the *Herald* have frequently protected the rights of many homeowners.

So actually the "punishment" being doled out to the *Herald* by the political machine is rebounding constantly to the discredit of the dear town fathers. People get inadequate notice, they complain, they are sometimes advised to subscribe to another paper (imagine, in this day of freedom of the press), or they just miss the notice entirely—and learn all too late that another gas station or rabbit hutch will occupy the vacant lot next to their home.

Supervisor Lou Waters told the representatives of a dozen Hicksville civic groups in January that they can expect to find important notices of proposed gas stations, zone changes, in the Mid-Island *HERALD* since it is their local newspaper. We got news for you, Mr. Waters,

Written in the Interest of
Better Local Government

ONLY ONE DAY NOW REMAINS

"Our public school system constitutes one of democracy's greatest achievements, and its strongest link with the future."

Education of the general public is feared in all countries that are not basically democratic. The first thing a dictator does is to take the schools away from the people. Education fosters knowledge and thought, thought fosters freedom.

Our democracy entrusts our schools to us, the people. The schools are our to support, to run, and to regulate. But like many other things, they will not remain ours, unless we actively participate in the rights and privileges of this trust.

The first citizen of Athens—Pericles—over 400 years before the birth of Christ said, "We regard a man who takes no interest in public affairs, not as a harmless man, but as a useless character". Democracy is the living proof of this sage truth.

The Union Free School District is Democratic Government in its oldest relationship to its people.

Each family and every child is affected. Those people who "are not interested" are not only setting a bad example for their children—they are neglecting their children and their community, for things of much less importance. The "Let George Do It" attitude will be their undoing.

Those of us "who are too busy" to exercise our basic democratic rights, should not complain when things do not go in the way, or in the direction, we would prefer. When facilities become too large or remain too small, when taxes become too high, the fault will be ours. Our right to complain may always remain, but the time to vote will have passed.

Our freedom used with mature judgment, will prove a blessing. Freedoms used like a wild lad when first relieved of parental restraint, can be disastrous—disastrous to a community or to a nation. You must register—or you cannot vote. Be sure to register, Thursday, April 29.

Saga Of Gift Horse Hall—A Drummer

SCENE: Levittown Parkway near Gift Horse Hall, TIME: Any time now, CAST: First Grass Cutter (Costumed in the distinctive uniform of the Joint Pool Hall Guard), Second Grass Cutter (Costumed in the distinctive uniform of the Highway Department), and Third Grass Cutter (costumed in the distinctive uniform of the Park and Parking District).

As the scene opens the sun is shining brightly on the beautiful facade of Gift Horse Hall. The three grass cutters arrive, each on a white horse and bearing a brand new lawn mower. One white horse carries the proud banner of the Township of Hempstead. The other white horses bear the banner of the Township of Oyster Bay. The three horses dismount, exchange greetings, and shake hands.

First Grass Cutter: "Well, boys, this is the first time I ever cut grass in Hicksville, but I guess it's about the same as we have in Levittown."

Second Grass Cutter: "Yeah, I guess it's the same all over. But how come you're cutting grass in Hicksville when you work for Hempstead? I thought charity begins at home. (Enjoy a quiet laugh to himself.)

Third Grass Cutter: "It's nice to have you here so we can shoot the bull once in a while, but I don't get it."

First G. C.: "Well, you got me! I asked the boss, but I couldn't figure it out. It's something about the Hempstead Town Board running things up here now. I don't think the boss knows himself what it's all about. But if he wants me to cut grass here, and I get paid for it, then I'll cut grass here. Lion's care where it is."

Third G. C.: "It looks awful screwy to me. One grass cutting job, but three departments gotta handle it. Big deal! It's not for us to say, I only work here, but I think it's costing somebody some money."

Second G. C.: "The trouble with you is that you're too practical, and besides, why worry, you don't pay taxes. C'mon, let's get busy, or we might have three bosses on our tails."

Magnificent Municipal Mess

We are just beginning to see some of the fruits of the magnificent municipal mess popularly called the Joint Pool Hall District. This was railroaded through when our elected public officials kowtowed to Bill Levitt's demands a year ago, despite a public referendum to the contrary. The grass cutting is very minor by itself. That's not going to break us. But the important thing is that it is typical of the expensive and wasteful duplication of services in many parts of the horse-and-buggy government we are forced to accept, at least for the present. This setup is antiquated for a community the size of Hicksville and efficient, economical government is highly unlikely based on past performance. Such being the case, it is high time for a change to Home Rule.

Register For School Vote

Our school system is one instance where we enjoy Home Rule. The members of our School Board are elected from our own neighbors and we have good schools. Your vote in the School Board election on May 5 is important, perhaps more important than you think. To cast your vote for the candidate you think best qualified, you must register. Even if you voted in school elections during the past year, you must register. The final date is this Thursday, April 29.

Young People Here for Weekend

By CONSTANCE GIBSON
Hicksville 4-1482

Over the weekend of April 25, the Methodist Church of Hicksville, on Old Country Rd., played host to 300 young people, members of the Methodist Young People's Club. The Gables was represented at the day affair by Eunice Harrigan of 298 Plainview Rd. and Eric Weller of 18 South Elm St. The boys and girls were divided into two groups, those for discussion and those for interest. Each group was guided by a visiting or local minister. On Saturday, April 24, officers were chosen followed by a spaghetti dinner. After that the groups were taken either skating or bowling. The day was terminated with a turkey supper and square dance. Sunday, April 26, the final day of the meeting, was taken up by a Church Service in the morning, a business meeting and then Communion, after which all participants returned home. These youngsters belong to the Methodist Young People's group of North Brooklyn and Long Island.

Very special congratulations go to Ed Harrigan of 298 Plainview Rd., who celebrated his twenty-fifth year with the Banker's Trust Co. on Wall St., Thursday, April 22. In recognition for his service, Mr. Harrigan received a solid gold Hamilton wrist watch. From his fellow workers, Mr. Harrigan was gifted with a three-way, RCA Portable radio. Friday evening, April 22, his co-workers treated him to a night at Sheesee's which is in the vicinity of Wall St.

Friday, April 22 also saw the annual card party of the Mother's Auxiliary of the Boy Scouts. This year the affair was held in the Masonic Temple. Many lovely prizes, platters of luscious doughnuts,

steaming cups of coffee, plus the fun of Bunco, Pinochle, Bridge and Canasta made the evening a delightful one. The funds from this evening of entertainment go entirely to the Scout Troop's fund for scouting equipment. Last year the money provided for tents and other much needed items.

Miss Loretta Wilson, daughter of Mr. and Mrs. G. Wilson of 24 Gables Rd., celebrated her 18 birthday Tuesday, April 20 by attending a show with her father. Saturday, April 17, Loretta visited Patricia Gogan, formerly of Cherry St. now of Stony Creek, N. Y. Miss Wilson returned home Monday, April 19. Though Pat had to leave her Senior year at Hicksville High, she will return to Hicksville around the first of May to resume her work and take her final exams and graduate with her brother Clifford, who took his exams in January. While in Hicksville Pat will stay with the Wilsons.

Stanley Baldwin, son of Mr. and Mrs. Arthur E. Baldwin of 13 Gables Rd., celebrated his eighth birthday on Wednesday, April 21 with a party at his home. Attending were Mrs. Cornelius Riley and children Cecilia, Jannett and Dennis of Elmhurst, Cathy, Margie and Donald McGee of 27 Gables Rd., Mr. and Mrs. Edwin Baldwin and children, Rita Marie, Jimmie and Michael of East Meadow and Peter, Jonathan and Timothy Baldwin the celebrants brothers. A good time was had by all.

Mrs. William J. Oates of 22 South Elm St. drove into the city Saturday, April 24 with her mother, Mrs. Baird and her brother Bill, to attend a home voyage party for her sister Mary Baird, all of whom are from Bayville, on board the liner, *Liberate*. Miss

Baird, will spend seven weeks touring Europe and then return home on the *Isle De France*.

The father of the boy in the picture wants him to grow up more rapidly than he can and the mother longs to keep him a baby as long as possible. The damaging effects of either approach are clearly shown, along with simple effective ways to avoid both.

Joseph H. Reid, director of the Child Welfare League of America will lead the discussion afterward. Herbert Cavarash, principal of the Fork Lane school, will give a short talk on scouting before the film is shown. Refreshments will be served by the men of the P-TA.

News for Weary-Go-To-Towners

SHELDY HENNBERGER

The tulips, daffodils and crocus are really bursting out all over but that isn't all that is sprouting.

A "Carvel" custard stand is taking form out on South Broadway not far from Plant No. 4 of Republic Aircraft.

There is also more good news for you "weary-go-to-towners". On Broadway, corner of Lewis St. ground is being cleared for a new group of stores that are to be erected by builders, Norman Rappaport and Samuel Schafrazen. The group is referred to as a "Drive-In Shopping Center" to consist of seven or eight stores with parking facilities for 200 or more cars in front of the buildings. The service entrances for the stores are to be in the rear. Maxfield Blaufeux of Brooklyn is the architect and according to his plans the project will be quite attractive.

Happy Anniversary to Mr. and Mrs. J. Taylor of 27 Albert St. who celebrated their ninetieth anniversary on Friday, April 23rd. To honor the occasion, they were entertained at the home of Mrs. Taylor's brother and sister-in-law, Mr. and Mrs. Crossdale of Merrick.

Week before last, Mrs. A. Mandala, 22 Albert St., had the distinction of being class mother and accompanying Mrs. DeMico, kindergarten teacher, and Miss Ryan, second grade teacher, and their classes on a visit to the Hicksville Firehouse. The firemen obliged the children by sliding down the pole and conducting a tour through the firehouse. The children were quite impressed to say the least.

Congratulations are in order—On Wednesday, April 21, The Robert McCann's of 19 Mineola Ave. welcomed a first child, a son, born at Mercy Hospital, Rockville Center, and weighing 8 lbs. 7 ozs.

Easter vacation from school pro-

vided a good time to take the children on extra special outings. Last Wednesday, April 21, several mothers around here took advantage of this opportunity by taking their children on a trip to Bronx Zoo. Mrs. A. Mandala and her three children made the trip as did Mrs. Bosch and her son, Mrs. Francis and her two children, Mrs. Hennberger and her three children, Mrs. Baumann and her two little girls and Mrs. McGowan and her three children. According to the mothers, the children really enjoyed their outing and remained well-behaved the entire day.

On Friday evening, April 23, Mr. and Mrs. George Blech of 18 Mineola Ave. and Mr. and Mrs. William Krauss of 26 Power St. were among those who enjoyed themselves at a Barn Dance held at the New Hyde Park Inn on Jericho Turnpike.

Another Easter Trip that must go un-noted is that of the A. Esqros of 11 Somersett Ave. This past weekend, Mr. Angelo Esqro, his wife, Naucy, and his daughter, Karen, took a trip to Mayfield, Penna. to visit Mrs. Esqro's mother, Mrs. H. Lachanin. While there they also stopped off to visit Mr. Esqro's sister and husband, Mr. and Mrs. P. Conserett of Archibald, Penna.

Only an automatic GAS Water Heater has the speed to match today's increased hot water need, and only GAS can do the job so well at economical cost.

Three-times-faster heating action means all you want-right when you want it...for loads of wash, stacks of dishes, heavy bath or shower "traffic." You get carefree, rust-free, automatic service all year 'round...with fingertip controls to regulate hot water for any special wish or need.

And amazing new advances in construction and design mean an automatic GAS Water Heater costs less to buy because a smaller unit produces more hot water...less to use because it's more efficient...less to maintain because it's built for long-lasting, trouble-free service. Ask for the facts today.

OFF MILLWOOD GATE:**School Election Is Important**By DOROTHY R. BROWN
Hicksville 4-3128

No change of date for the meeting of the Millwood Gate Property Owners Assn. to this Thursday, April 29, at 8 o'clock at the Lee Ave. school. Members, dues for the ensuing year are due and will be collected at this meeting. Other items of business will be discussed. Tickets will be on sale at the meeting for the dance which will be held May 29 at the V.F.W. hall with the Tony Bell Trio providing the music. The next social event in the offering is the possibility of a children's party at the close of school.

Volunteers for this project or to work on a summer picnic committee would be appreciated. Come to the meeting and offer your ser-

vices. The Directors may start the ball rolling with good plans but it takes the whole membership body to make a success of any event planned by the Assn. Give your support and attend Thursday's meeting.

Is there any development or local community with a team or willing to form a softball team interested in joining the Hicksville Inter-community League. Eugene Magee of 67 Woodbine Dr. N. is organizing this league and would like anyone interested to call him at HI 4-3760. Chet Jaworski of the High School Athletic Dept. will help arrange the schedule using the high school field for this league Saturday afternoons. Millwood Gate players started practice at the high school this last Saturday. There will be trophies awarded at the end of the season. Magee would like to have as many different sections of Hicksville represented as possible, so please call him as soon as possible.

VOTING is the privilege that many Americans take for granted. Many people in other lands would give their life that their fellowmen might be able to vote freely. Please take the voting for the school board seriously and look into the qualifications of the candidates.

How do they stand on important school policies? How are your children learning under the present school form used? The school Board is the body which determines the form used—whether progressive or some other type.

The School board is a body of people which do not receive pay for their work but spend the taxpayers money. Do we tax payers know where all this money goes, especially on these new

school buildings which we vote for? How about Lawyers Fees? Are they reasonable? Should one lawyer receive as much as 8 teachers? (Perhaps even more) salaries put together for one year? Is this giving the taxpayers the most for their tax money which is appropriated toward the education of our children? These are questions we should know the answers for when we vote for our school board members.

THIS AND THAT

Miss Catherine and Raymond Reilly Jr. spent the weekend at their Grandparents Mr. and Mrs. Ryan.

Did you know that the Good Bar ice cream truck is operated by one of the development? Mr. Marcano of 61 Woodbine Dr. E. is the driver.

Miss Janice Simons of 71 Woodbine Dr. N. is recuperating from a tonsillectomy.

Birthday Greetings to Miss Ellen McCreevy of 68 Fordham Rd. who was seven years old on Sunday April 25.

With spring here, everyone is out working on his place. The houses are beginning to take on a little more personality as people plant shrubs, paint with new color schemes and erect fences.

Mrs. Margaret Schmidt of Woodbine Dr. N. spent the weekend with a friend, Mrs. Schmitt in Elmont.

REMINDERS—For those who missed Saturday's school registration there will be a final one held Thursday, April 29, from 4 to 10 P.M. at High school for our district.

School budget meeting¹ May 4 Tuesday at 7:30 at the high school. May 5 is school election day for two new school board members.

Sitter Service For School Vote

BETHPAGE—In an effort to "get out the vote" for this year's election of members to the local school Board the North Bethpage Civic Assoc. has formed a "sitter service" and a "motor pool" to supply transportation to the polls on Wednesday, May 5th.

This action was recommended by the School Board Committee of the Association after discussion of the relatively small vote cast in the school registration day held from 4 to 10 for our district.

This action was recommended by the School Board Committee of the Association after discussion of the relatively small vote cast in the school registration day held from 4 to 10 for our district.

President of the NBCA, Robert F. Feuss, urges all registered voters to be certain to cast his ballot. "Let us show that we really do care who runs our schools. It is too late to complain if you've permitted incapable persons to serve on your Board of Education", he stated.

viding transportation and a place in which to leave the children, more voters will be able to get to the polls during the day. The few hours left to vote after the man or the house returns from work has proven a drawback to a large vote.

The Clubhouse of the North Bethpage Civic Assoc. will be open during voting hours, 12 noon to 9 P.M., on May 5. Members of the Association will be on hand to watch children while voters go to the polls. If transportation is needed, telephone either Hicksville 3-9140 or Hicksville 3-9002 and a car will be sent to pick you up.

John J. Gabriel of 1 Schiller St., Newbridge Organiser announced to the following had applied for membership: Vincent Kearney, 8 Ida Ave.; Bernard J. Romaine, 47 Spruce St.; Frank Varak, 1 Westerly Ave., Bethpage; Eugene J. Glennan, 5 Grand Ave., Bethpage; James Pucci, 26 Cordon Crescent, South Bethpage; Raymond Schoenfeld, 41 Farmer Ave., Bethpage; and Alfred Nicholson, 299 Jerusalem Ave.

Gabriel also announced that the next meeting of the Aerie will be held at 8:30 P.M., Tuesday evening, April 30 at the Hicksville Inn.

Men between the ages of 18 and 55 are eligible for membership in the Order of Eagles. Interested men are invited to attend the meeting or to call Gabriel at Hicksville 4-8043.

April Fool Start for Assembly

HICKSVILLE—Mrs. McIntyre's sixth grade class presented an assembly, Club 215, to the fifth and sixth graders of the Lee Ave. School and the parents of the class. The setting was that of any night club with patrons, band and entertainers.

Behind the scenes of an assembly goes much hard work. Committees formed by the students, chairmen chosen, and work planned for completion on time. Programs are arranged and printed, scenery planned, made and hung, and posters advertising the event, planned, done, and strategically placed are all important to round off a successful experience of behind stage actions.

Every act was rehearsed sufficiently, put in its proper place and on Friday, March 26, everyone knew exactly their spot. The element of surprise was used by telling the audience that the assembly had to be cancelled. This caused many groans of disappointment. In the meantime the curtain opened with a huge sign reading "April Fool!" The laughs and applause were pleasing to the ears of the performers. It inspired them to give forth their best efforts in their acts that followed, such as: a short satire on a commercial, singing of popular songs, the dancing, pantomiming different records of singing and the Spike Jones Band.

Roman, Zettler Run As Team

(Continued from Page 1)
withdrawing my candidacy for the Hicksville Board of Education for the three-year vacancy caused by the expiration of the term of Edna Sutton, and urge all my neighbors and friends in the district to give their support to the election of Mr. Lawrence A. Roman and Mr. Jerome Zettler on May 5. Mr. Zettler is a candidate to succeed Mrs. Sutton.

"I have taken this step, not because of fear or concern regarding the outcome of the election, but because I am sincerely interested in the election of Mr. Roman and Mr. Zettler whom I feel will provide the school district with broader district-wide representation and because these gentlemen are pledged to the same type of program aimed at consideration for the taxpayer which prompted me to run in the first place.

"We only get what we as taxpayers pay for. We get nothing for nothing and we must live within our means. In addition to the position of Mr. Roman and Mr. Zettler as men conscious of the taxpayer and parent problems, they are residents of the north east and north west sections of the district and will bring to the school board a more representative view point in behalf of all residents," DeShaw concluded.

Easter Show At Nicholai St

Several hymns and Easter songs were sung by the class Glee Club and a sprightly Mexican Dance culminated the program. The presentation was under the direction of Miss Anne Marie Steidling with musical arrangements by Mrs. Myra Martini. The children of the class were: George Altomese, Ronald Arundell, Joseph Baggett, Raymond Baggett, George Balsiero, Allen Court, Carol De Carlo, Marie De Stefano, Carol Devine, Brian Dillon, Daniel Dolson, Janice Boreneberger, Diane Egeland, Frederick Eichhorn, Norma Fantom, Raymond Forman, William Goeller.

Central Nassau Completes Little League Tryouts

By RAY DE CHESTER, JR.
LEAGUE COMMISSIONER

Tryouts were concluded Saturday for nearly 600 community youngsters who will participate in the Central Nassau Little League activities this year. League officials expressed considerable satisfaction over the enthusiastic turnout and cheered the excellent weather which permitted completion of the grading of all the youngsters on schedule.

Over the weekend player auditions were also completed in the major leagues of the eastern and western divisions and boys selected for this group have already been notified to report for practice this week. The second phase of the tryout system is already in operation. Minor league supervisor Ed Arandell and the team managers are reviewing the list of available boys and their ratings. After the second group consisting of 120 additional youngsters have been assigned to minor league teams, each will be notified within the next two weeks by his respective team manager. All boys in the major and minor league groups will receive uniforms.

All boys not selected in the foregoing groups will automatically be assigned to farm teams which are under the general supervision of Hy Rosenberg. Farm team boys will all receive a Central Nassau Little League "T" shirt and baseball cap.

League Officials point out that C.N.L.L. tryouts have been based on a modified "Fairmont Plan" which is a complex system of ratings designed to assure each boy a fair and equal chance in the selections. Every possible effort has been made to select the highest rated boys for major league competition. However, due to the heavy registration, league age and other factors must be considered and as a result there are many equally good ball players who will play in the minor leagues.

Under the Central Little League progressive system all major league openings during the season will be filled by top minor league boys and in turn, minor league opening will be filled by top rated farm team youngsters.

Parents are again urged to at-

tend all the games in which their young stars team participates.

Farm team coaches are still needed in order to keep the number of boys of each team to a minimum. Smaller farm team units will promote more interesting activity in this group which is the largest in the league. If you are an adult with some baseball experience who enjoys working with boys for a few hours each Saturday morning or afternoon your assistance will be appreciated.
