SCHOOL ELECTION RESULTS:

Cawley, Mrs. Sutton Win; Board Control Goes South

HICKSVILLE—Joseph F. Cawley of 2 Glow Lane won election to the Board of Education for a three-year term starting July 1, succeeding Henry C. Brengel, in a closely contested election by defeating Lawrence A. Roman, Wednesday. Cawley received 1,078 votes and Roman 920 ballots. Roman carried both voting districts on the north side of the community, but lost ground in the two districts south of Old Country Rd.

In the second contest, incumbent Edna Kuhns Sutton was re-elected for her third three-year term by defeating Jerome Zettler nearly two to one. She received 1,267 ballots and Zettler got 671.

It was one of the most hotly contested elections in recent years with more than 2,000 voting and a final registration of 2,242, according to District Clerk Andrew B. Heberer. The name of Charles DeShaw also appeared on the voting machines, although he had withdrawn from the race. However, the lever above DeShaw's name was locked.

Results of the voting by districts were:

	CAWLEY ROMAN		SUTTON ZETTLER	
Burns Ave. (1)	122	154	120	146
Old Country Rd. (2)	496	222	642	146
High School (3)	292	262	352	184
East St. (4)	168	292	253	193
TOTALS	1,078	920	1,267	671

When the reorganization meeting of the School Board takes place after July 1, the entire membership will be located in the south end of the community. It was being forecast today that Mrs. Sutton may become president of the Board by reason of seniority on the Board, succeeding Brengel who leaves after 20 years of service to the district. All candidates thanked the people who supported them in the election.

The possibility of an interesting technical question developed during the voting. Cawley, who had filed his petition as "Joseph F.", appeared on the voting machines as "James F." District Clerk Heberer said it was a "printer's error".

Newborn, McCaffrey Victors

PLAINVIEW—Solomon Newborn and William McCaffrey were elected to the Board of Education, Wednesday, as more than 600 persons voted for the largest turnout in the district's history. Newborn received 362 votes to defeat John Nees who got 257, for election to a three-year term. McCaffrey won 427 votes to defeat Thomas Payne who got 198, to decide the winner of the one-year term. Newborn will succeed John A. Hartmann, who was not a candidate, and McCaffrey will fill out the unexpired term of Leland L. Baker who resigned.

Bethpage Ousts Incumbents

BETHPAGE—Two incumbent members of the School Board here were defeated in their bids for re-election, Wednesday, as 1,055 votes were cast with 1,255 registered. William Benintendi received 599 votes to defeat Peter Curcio, and Mrs. Charles Melone polled 616 votes to defeat Thomas Roazi who received 425 ballots. In an uncontested election, Robert Glasser was re-elected to the Library Board for a five-year term, receiving 596 votes.

Jericho Firemen Invite Public

JERICHO—The public is invited to inspect the firehouse and equipment here between 2 and 7 PM this Saturday, May 8, when uniformed firemen will be in attendance. The Dept. will hold its annual inspection at 7:30 PM. Installation of officers and dinner will follow at Henningsen's, Old Country Rd., Hicksville. Installing officer will be Arthur Kaye, fire district attorney.

Family Reunited After 20 Years

HICKSVILLE—Mr. and Mrs. Gustav Ressel of Hamburg, Germany, arrived here yesterday (Wed.) to visit their son and his family, Mr. and Mrs. Gustav Ressel of 29 Sleepy Lane. It is the first time in 20 years that Gustav has seen his parents. It is also the first time that the elder Ressels have seen their daughter-in-law and their two grandsons, Alfred and Robert. The Ressels expect to be staying with their son and his family for two months.

EXACT LOCATION WITHHELD:

Army Plans Latest Type Anti-Aircraft Post Here

NEW YORK CITY—The Army today confirmed the fact an anti-aircraft installation will be located "in Hicksville" but was unable to provide the exact location. It will be a half-million dollar project and will probably require several acres of ground. The Dept. of Army Corps of Engineers was expected to receive construction bids from contractors by May 18.

The project includes, according to informed sources, construction of three underground concrete structures, "missile assembly test building", generator building, pump station, fueling platform, grading gravel access road, water supply, "launching area".

The Army spokesman declined to comment regarding the type of installation proposed but admitted it would include "the latest type of anti-aircraft defensive" equipment. There was speculation that the installation would be provided for guided missile operation.

An official of the Town Board said he knew of no property in the immediate Hicksville area which is owned by the Army, although there is some property under Navy ownership. There were indications that the Army might acquire the site for the operation thru condemnation.

Seen as possible general locations for the anti-aircraft defense posts were either a portion of the vast Press Wireless acreage in the north west section of Hicksville or a portion of Plainview which is in the Hicksville Postal District. There are still some large undeveloped and wooded areas in Plainview.

CLOSE HICKSVILLE VOTE:

Delay On Recreation; Bethpage Votes Cut

The controlled reading program and plans to hire a business manager were knocked out of the Bethpage School Budget, Tuesday night, while Hicksville voters turned down a last-minute attempt to add \$15,000 for a recreational director. Bethpage voters shaved \$23,000 from their budget in a line-by-line vote which kept the meeting going until 2:30 Wednesday morning.

The Hicksville meeting found only 108 present to vote on the budget for the schools and library. In one of the shortest meetings in recent years, the entire business was concluded by about 10:30.

WILSON'S LETTER

Lawrence A. Roman offered a successfully passed motion to make the starting time of the annual meeting at 8:30 next year, instead of 7:30. He also obtained the reading of the annual letter from Lewis A. Wilson, state education commissioner, providing a copy of the letter when the school board and administrators could not recall getting one.

Wilson's letter urged a careful study of the school budget and expressed appreciation for the active interest that the lay public is taking in education.

Maurice Postley was elected chairman of the meeting which began with about 20 people in the audience. A motion to add \$15,000 for a recreational director, although the school board is currently having a survey of recreational program costs made, was defeated by a vote of 52 no, 49 yes. It was indicated that a special referendum on recreation, coupled with a northeast site land purchase question, may come in Sept.

The Bethpage school budget was 93 yes, 15 no, 2 blank, representing a record-breaking \$3 million budget. Vote on the library budget was 76 yes, 8 no, 24 blank. Roland Heberer was re-elected library trustee with 92 votes.

BETHPAGE MARATHON

James "Happy" Norman was

chairman of the Bethpage meeting which started out with an audience of 400 and dwindled down to 10 per cent of that number by its conclusion. Deleted by the voters was \$16,500 for continuation of the controlled reading program, and \$6,500 for a proposed business manager.

The final vote on the budget was 80 yes, 11 no and 1 void ballot.

The Jericho meeting, conducted by Arthur Kaye, was lightly attended and the net budget of \$228,675 was increased to \$233,675 by the addition of transportation funds.

Recreation Panel Discussion Set

"Recreation Needs Of This Community" will be the subject of a panel discussion at the next meeting of the Dutch Lane P-TA of Hicksville on Tuesday, May 11, at 8:15 P.M.

Milton J. Leavitt, School Education Chairman of the Dutch Lane P-TA, will act as moderator. Among the panelists will be Miss Edward Kist, Director of Teen Center; Edward Jaworski, School Physical Education Director; Peter Russell, Director of Recreation at the Oyster Bay High School; and Julius Zechko, Guidance Director of the Belmont Blvd. School, Elmont. Members of the School Board as well as members of all P-TA units in the district are invited to attend.

Lions to Elect Officers May 12

HICKSVILLE—Election of officers of the Lions Club will be held at the Rainbow Restaurant on Wednesday night, May 12 at 7 o'clock. Clifford Freitag has been nominated for president; Gerard Braun, 1st vice pres.; Howard Heberer, 2nd vice pres.; James M. Bell, 3rd vice pres.

Also, V. Kenneth de Jongh, secretary; Harry Ermenweitz, treasurer; Lawrence C. McCaffrey and Paul Smedley, 2-year directors; Jack Weber, 1-year director; William Jones, tall twister and Henry A. Gebhardt, Lion tamer.

Earns Medal

HENRY STEINMANN, son of Mr. and Mrs. Henry Steinmann of 208 Ohio St., Hicksville, and a student in the 6th grade at Burns Ave. School will be the first Hicksville boy to receive the Automobile Club's Distinguished Service Medal on Wednesday, May 12. The presentation will be made by County Executive A. Holly Patterson at the Old County Courthouse, Minicola, and is made in recognition of "outstanding student safety patrol service", according to Frank Berk, Burns Ave. teacher and safety patrol supervisor of the school.

Hicksville and Plainview Legion Plan Joint Carnival

HICKSVILLE—In a combined effort, members of the Plainview Post No. 1812 and the Charles Wagner Post No. 421, American Legion, are cooperating in presenting a gigantic carnival and show to start Memorial Day, May 31, following the traditional parades and services in both Plainview and Hicksville.

Both Commander William Barnett of Hicksville and Commander Alfred Schupp of Plainview have worked hard and long in completing the many necessary details of such a tremendous undertaking. The Show will feature the usual imposing array of carnival booths and games in addition to rides for both children and adults, plus a special show still in the formative stage. Refreshments will be available at all times.

The carnival will be held at the boundary line of the two villages, the corner of Old Country and South Oyster Bay Roads, on property belonging to the builders of the Hillside Terrace Development, who have allowed its use by the

Legion Posts. Arrangements for parking facilities are being made.

Everyone is welcome to attend the first of the outdoor activities and there will be six evening performances and two matinees, the first of which will be on opening day, May 31st at 1 P.M.

Open Second Postal Office

HICKSVILLE—Residents of the Old Country Rd. area may now conduct their postal business at the Penal Drug Centre in the Centre Shops at Old Country and Newbridge Rd. which has been designated postal contract station No. 2, according to Postmaster William C. Mollitor. Money orders and stamps may be obtained there as well as Station No. 1 in the West Village Green drug centre which opened last July. The station at Penal opened for business on May 5.

NAT ADLER

Lumber Trade Elects Adler

Nat Adler, president of the Argo-Schildknecht Lumber Corp., of Hicksville and one of the most popular men in the lumber industry, was recently elected vice-president of the New York Lumber Trade Assoc. At the induction ceremonies, he was commended for his activities in the industry as well as in other civic, service, fraternal, charitable and community endeavors. At present he is serving as treasurer of the Lumber, Millwork, Woodwork and Allied Industries on behalf of the American Fund for Israel Institutions.

Mr. Adler has been affiliated with Schildknecht Lumber Co. for more than 28 years. He was

vice-president for the past 15 years and vice-president of Argo-Schildknecht since its inception.

Following the passing of Charles Schildknecht, who was president of both firms, Mr. Adler was elected to the presidency of Argo-Schildknecht Lumber Corp. with office and main yards at 50 Bethpage Rd., Hicksville. The other officers of the firm are the three daughters of the deceased Mr. Schildknecht. Rita S. McCloy is vice-president, Rosemary Ahern is treasurer and Veronica Schildknecht is secretary.

In an interview, Mr. Adler stated, "We are consolidating all of our deliveries to the builders through our Hicksville yard. This is proving of great advantage to us and to our best of customers. It facilitates delivery, since most of the new building developments are going on in Nassau and Suffolk counties. This fact makes our yard more accessible, and cuts the cost of trucking, which is reflected in our selling price."

Mr. Adler is a member of the Ridgewood Lions Club, and is affiliated with the Masonic Fraternity, Odd Fellows, B'nai B'rith and various organizations connected with the lumber industry.

Dear Jean:

Since the first of the month, ED FREIBACH has been on the township payroll as a kind of "house doctor" for the Township Supervisor, working out of LEW WATSON'S office. Ed is president of the Bethpage Republican Club. The June issue of Esquire, on sale May 7, features an interesting piece on Long Island auto travel in 1900, written by a man who had the first car. Hicksville is not mentioned, but there is a great deal said about highways, lack of gas stations, etc. out Suffolk way at that time. Now is the time to protect your lawn and grub-proof for Jap beetle control, the County Farm Bureau warns. Apply one of the following insecticides: 5% chlordane powder using 10 oz. in enough water to cover 1,000 sq. ft., or 75% chlordane emulsion using 4 liquid oz. in enough water to cover 1,000 sq. ft. Chlordane is poisonous, so avoid inhaling the dust or wettable powder. Believe it or not, the Exempt Firmers at their last meeting saw motion pictures by CLIFF PLACE on Santa arriving in town last Xmas! House to house canvass by Hicksville firemen may start in about two weeks. You'll get a form letter in advance. WNBC-WNBT will salute Long Island on May 14 and 15 as the LI Industry million dollar hospital fund drive starts. GOV. DEWEY will be in Floral Park on May 16 to dedicate the LI Jewish Hospital there. Chauffeurs must produce a doctor's statement when they apply for renewals of licenses which expire May 31. Medical requirement will probably be extended to cover operator license renewals soon. Plans and specifications for Parking Field no. 4 which will be across the tracks in the triangular section between Nicholas and Marie St. have been drafted and call for bids will be made shortly. A \$30,000 restaurant is planned for the south east corner of Harrison Ave. and Bway, Bethpage, we hear. Three members of Emergency Co. 5, Hicksville, were initiated on Monday night. They included WILLIAM STOEFFEL, JOHN R. McGRANAHAN and THOMAS KREMER. Adding insult to injury, McGranahan was in charge of refreshments for the evening. Planning officials reveal that smaller and smaller plots are being proposed for Nassau developments as builders try to scare up odd shaped tracts—for a price. Mrs. WILLIAM J. SCHMIDT has been appointed chairman of the Multiple Sclerosis Campaign in Hicksville, now underway.

Posters of PERMIT PETE, cartoon character, are being used again in local schools to stress that teenagers must obtain working papers before they start summer employment. Work is scheduled to start on a roller skating rink at Hempstead Tpke. and Waningh State Pkwy, Levittown. And C. M. JOHNSON, Inc., plant of Bethpage is scheduled for a \$70,000 one-story addition on South Bway, opposite Grumman's. Shopping centre at the north east corner of Woodbury Rd. and South Oyster Bay Rd., Plainview, will consist of two supermarkets and 48 retail stores "and post office," according to reports. First three units are on brick work. HARRY THOENS is renting agent for Berger & Tiles, builders of Levittown Centre shopping centre.

High School Problem Looms: Join Bethpage Or Go It Alone?

PLAINVIEW—At the recent meeting of the Legion Post, Robert Tuttle, principal of the Manetto Hill School, was the guest speaker and told of the rapidly changing structure of the local school district.

During his very interesting talk, Tuttle commented on how there were only a small number of students enrolled in the little two-room schoolhouse at that time and how it has increased over the years to its present high enrollment necessitating the erection of new schools.

He pointed out how the State Dept. of Education sets the number of days required for attendance; how teachers must be approved and certified by the state department thus generally controlling the school districts.

On the local level, Plainview with a general area of 3.7 square miles is hard pressed to meet its ever increasing school enrollment.

He went on to explain how the local Board of Education is the chief policy-making group for the district, charged with the responsibility of employing a satisfactory teaching faculty; selecting books for study use by the various grades and in general acting as the governing agency selected by the local residents.

"In Turn," he said, "This is a good indication of the democratic system in action and it is the duty of all local residents to select and elect the members of the Board of Education."

During the years Tuttle has been at Plainview, he has seen the enrollment grow steadily until it was necessary to send some of the students to other districts for their

education. In 1951 it was necessary to lease the old Bethpage school for Plainview students.

At present, most of the students are housed in the geographical confines of Plainview and he believes many advances have been made, which in turn is helping to alleviate the serious situation.

During his most interesting address before the local Legion Post, Tuttle pointed out that several good men were seeking election to the school board this year.

In June 1953, the new school on Jamaica Ave. was started and it is expected to be completed by August this year. The new Central Park Road School was dedicated on Sunday and started regular classes on Monday of last week. Proper planning, good management and the cooperation of the builders, construction workers and the local school board resulted in this school being completed two months earlier than was expected. In September of 1953, there were only four teachers on the Plainview school staff. Today this number has increased to 33 with 2 custodians, 3 office or clerical workers and another principal comprising of the staff.

On the financial side of the picture, the principal pointed out that the budget since 1950, when it amounted to \$60,000 has steadily risen to an estimated \$692,000 or ten times the original amount. He went on to say that the school board here is unique in making the concerted effort to keep the residents informed as to what is going on and added a compliment for Leonard Baker, who has since resigned, for many suggested gains.

He pointed out that the total local assessed valuation is now

estimated at \$14,320,000 thus indicating the possibility that the tax rate will remain at this year's level despite having to build additional schools.

Estimates also indicate that Plainview has reached a saturation of 30 to 35 per cent in building, in turn causing other problems which will be met as they arise.

The high school problem is the most serious at present. Arrangements have been made to send this year's graduates to Bethpage for their four year academic studies. Levittown is accepting a few and there are 101 students at Oyster Bay High School.

This in turn presents a costly problem in the way of transportation. We are now faced with one of two possible courses of action; one, to merge with Bethpage, or two, to go it alone. A high school will cost in the neighborhood of \$2,000,000 and will take two years to build. Plainview now has a 27-acre tract set aside for a senior high school, but merger presents the best possible solution at the present time, helping to reduce the tremendous cost by sharing.

It is hoped that a meeting with the Bethpage Board of Education can be arranged for possible explanatory talks. Tuttle pointed out that the Bethpage High School is as good if not better than some of the other schools thus assuring our students of a well rounded course in high school education.

Following the very interesting address, a question and answer period was held with Tuttle patiently discussing various facts with the Legion membership.

He also stated that the Board used voting machines for the first time for the purpose of deciding whether or not to increase the present number of members on the school board from 5 to 7.

A Chamber of Commerce for Plainview may soon take form. Joseph Arena is a director of the new group which has applied for a charter.

Voters Reject 7-Man Board

PLAINVIEW—A petition to increase the Board of Education of this community from its present five members to seven was defeated at annual meeting, Tuesday, by a vote of 84 to 24. Observers felt that the vote was an expression of confidence in the district's present Board of Education and its accomplishments over the past two years. In addition, the taxpayers approved the new school budget of \$696,410 for the 1954-55 school year.

Sisterhood Sets Dance On May 8

There will be professional radio and television entertainment consisting of Count Gregory, Rita Soral (known to us as Rita Newborn formerly of WEVD) and some new talent from the Sisterhood.

The Sisterhood will hold its next regular meeting on May 11 at Manetto Hill School, Plainview, when elections will take place, starting at 8:30 P.M.

Mrs. Gertrude Keute was hostess for the evening with Mrs. Hazel Lave, Mrs. Keeler and Mrs. Keller at the meeting of the Ladies Auxiliary of the Plainview Volunteer Fire Co. Inc. held Apr. 28 at the firehouse. Mrs. Grace Berry presided.

Change Zone Plea To Variance

By MARY M. O'NEAL
HI 3-6515

In my last column, I covered a story about the possible re-zoning of a parcel of land on Miller Rd. Recent news is that the request was withdrawn and a variance is now being sought to permit trucks to be parked inside the property.

At the Woodbury Gardens Civic meeting last Thursday, a letter from Mr. and Mrs. Pompa, property owners involved, was read which explained that the re-zoning request was for the purpose of allowing their trucks to be parked on their property.

Since re-zoning was objected to by local residents, the Pompas explained that they will withdraw the request in favor of a variance which would cover their need.

Census taker, take note: one more resident on Briggs St. John Becker was born to the family of Mr. and Mrs. Robert Becker, last

week. He weighed 9 lbs. 9 oz. Eve Roth, of Ketcham Ave. joined her mother, Mrs. Olsson, as a guest for a week at her home. . . . Mr. and Mrs. Leon Laino, of 42 Hunter La. celebrating their 18th wedding anniversary. . . . And a happy birthday to Dexiano Meroy, of Adelphi Rd. . . . Mr. and Mrs. Lloyd Smiley, of Wellesley La. are proud parents of a daughter. . . . We tried to get in touch with them for details but were unable to at press time, so we print what news we heard from Grace Maniscalco.

I wish to thank the following girls for the surprise birthday party they gave me: Rosalie Leary, Gladys Blaser, Eve Roth, and her mother Mrs. Olsson, Helen Branham, Ann Becker, Eleanor Carter, Doris Kelly and her mother, Sandy.

Mr. and Mrs. James Poitras, of Hollins Rd., had a visit from Jim's parents, Mr. and Mrs. Paul E. Poitras from Montreal, Canada, for

the group—Theima, Jim, and children and grandparents went to visit Jim's brother, Dr. Jean Maurice Poitras at Beverly, Mass. Their son, Richard, celebrated his fifth birthday on May 5th with a party including: Ralph and Stephanie Simon, Cathy Clair and Louise and Peet Kumlauder.

The recipe given us this week should prove unusual: Cocktail Niblets:

1 box Cheerios, 1 box rice Chex, 1 box wheat Chex, ½ tsp. onion salt, ¼ tsp. garlic salt, 1 box thin pretzels, 1 cup nuts as desired, 1 lb. butter or margarine, ½ tsp. celery salt, 4 tbl. Worcester sauce. Melt butter or margarine. Add seasoning. Stir into cereals. Bake in 225 degrees F. oven two hours stirring well every ½ hour.

We missed Vera McIntosh at the rehearsal for our forthcoming play, since she is co-directing it. All the cast of the Theatre Guild hope her illness will be short-lived. We still could use a few men in the cast—any applicants?

Nice of you folks to phone to ask why Gene isn't writing the column at this time. He's not ill, just busy as a bee with his eggs. . . .

Had a good time at the card party at Our Lady of Mercy. . . . Met a lot of old friends. Also met Lillian Coyle for the first time. Lillian went to school with our cousin, Margie Maljean. Margie still waiting for your phone call, Margie.

Woodbury Garden Civic Notes

At the last meeting of the Woodbury Gardens Civic Assoc. on Friday, Frank Hamilton took over the presidency left vacant by the resignation of Donald Drummond. Thomas Hogan replaced Mr. Hamilton as secretary.

A letter from Mr. and Mrs. Pompa, of Miller Rd. was read, explaining that they had requested re-zoning as a means of keeping their "trucks parked inside their property." Since it was not acceptable in this form, they explained that they will ask for a variance, instead, for the same purpose.

Nicholai to Elect Officers on May 20

Election of officers of the Nicholai St. School P-TA of Hicksville will take place at the next regular meeting on May 20.

Nominated at the last meeting were: Mrs. Michael Karlan, president; Mrs. Frederic Pegley, vice president; Raymond Walker, treasurer; Mrs. Kenneth Bay, recording secretary; Mrs. Morris Beinsook, corresponding secretary; Miss Lillian Goldkranz, historian; William Wood, delegate to P-TA Council.

Mrs. Robert Healy presented the nominating committee report.

The program of the evening included a Variety Show directed by Mrs. Martini. Names of the participants will appear in Tuesday's Herald.

Mothers Auxiliary of Boy Scout Troop 64, Sea Scout Ship 18 held their annual card party April 23 at the Hicksville Masonic Temple. Mrs. Gail Engel, President, and her committee wish to thank the business men of Hicksville and all those who participated towards this card party, making it a great success.

Breakfast Held For Mothers

The third annual communion breakfast of the St. Ignatius Loyola Auxiliary of Christian Mothers was held on Sunday morning, May 2. After attending eight o'clock Mass, members were served breakfast in the school cafeteria. A vote of thanks goes to Mrs. Louis Cortis, chairman of the communion breakfast, and her committee for their lovely table decorations.

Mrs. Charles Montana, president, introduced the Very Rev. George M. Bittermann, Pastor, who was guest speaker for the morning.

GUEST OF HONOR

Mrs. Charles Zolnosky of Myers Ave., Hicksville, was guest of honor at a party on Saturday evening at the home of Mr. and Mrs. Fred J. Noeth, Twinlawns Ave., Hicksville.

Guests included Mr. and Mrs. Charles Shafratt, Mr. and Mrs. Benjamin Vryn, Mr. and Mrs. Cummings, Charles Zolnosky, Mrs. John Raucensfus, and Mr. and Mrs. Noeth.

Trains Still Creak Along

By Fred J. Noeth

START OF CONSTRUCTION on the new four million dollar high school for Hicksville last week, without fanfare, recalls to mind the Hicksville of 29 or 30 years ago when the present high school was built and dedicated.

Hicksville had a population of exactly 4,762 people when the high school was dedicated on May 29, 1925. Today the population is 35,649.

Frank Chlumsky, today a councilman for the town of Oyster Bay, was a member of the Board of Education back in 1925 together with Dr. Elwood A. Curtis. The late George A. Duke was president of the Board. Other Board members, since deceased, were William Duffy and Joseph J. Ulmer. Both of these men, when they passed away a few years ago, were respectively presidents of the two Hicksville banks.

In many ways the Hicksville of 1925 faced many problems confronting the community of today. In the news today are expressways and superhighways cutting north and south, east and west in our vicinity. Back in 1925 they were discussing the widening of Jericho Tpke. from 60 to 90 feet, Northern State Parkway running just north of Hicksville was in the planning stages, and Southern State Pkwy. was being mapped.

A faded newspaper of 1925 recalls: "Business property on Broadway is booming. Lots in the business section are selling at \$350 and upwards a front foot. An offer of \$50,000 has been refused for the former John Hahn Dept. store, 85x150 on the east side of Broadway near the railroad." This is the Spiro building including the present-day A & P, next to the Bank of Hicksville.

The newspaper also notes that local bank resources were \$822,851 for the LI National and \$2,520,000 for the Bank of Hicksville. Last week the Herald reported resources of the two banks today combine to more than \$37 million.

The new high school which was then being dedicated was built at a cost of \$365,000.

Back in 1925 there were about 500 commuters on the LIRR from Hicksville (compared with more than 2,000 today) but strangely enough the running time for trains to New York was 50 minutes. That is about the only thing that has not changed. It still takes an hour to get to New York by train.

Recognition Comes At Last

The merchants of West Village Green have at last recognized that we live in Hicksville. Another bit of confusion was eliminated recently when a large sign adjoining West Village Green proclaims to motorists on Newbridge Road near the water tank that "This is Hicksville". Congratulations to those responsible.

Cleanup Needed

As long as the West Village Green gets bouquets for a desirable change, it also receives a few brickbats for the filth and trash surrounding the stores. It is sadly out of keeping with the surrounding homes which are very attractive in appearance. In back of the drug store, for example, there is a disgraceful pile of trash that hasn't been disturbed for weeks. Old papers, beer cans, and broken bottles are scattered over the area. Also, the playground area, where children are supposed to play removed from danger, is strewn with broken glass and other debris. Whoever may be responsible for these dangerous eyesores should clean them up without delay. If the Town Board is responsible through the Park and Parking District for cleaning up the playground, the need for urgency is great. We don't want any injured children and we don't want the costs of damage suits added to our tax bills.

By ALLEN S. CARPENTER

Spiritual forces cannot be conjured up to fight communism, or any other evil, just because it would be convenient or helpful. Such a hope, is paramount to turning to God only because of our physical fears. Such a hope is as forlorn as expecting strength from a union with cowards.

Spiritual force grows out of faith, in spite of suffering. Spiritual force and strength grows because of suffering. Our troubles will give us the maturity, necessary to comprehension, necessary to courage, the necessary basic ingredients of all strength.

The greatest hope for our enemies, lies in our own failures, in our own self-imposed limitations. Fear itself is our greatest weakness. Out of fear grows hasty and immature action. Because of fear we are tempted to abandon our heritage of social justice, our sense of national unity, our appreciation of the dignity of man. Out of fear grows such expediences, the loss of personal rights, the destruction of our conception of freedom and democracy. Fear breeds distrust and suspicion, as deadly to democracy as is cancer, to the body.

One way to encourage the enemies of our way of life is to embrace the belief that all evil, can be replaced with all good, if only we could use the right combination of global diplomacy, armed force, and

the dollar. This belief is soul shattering to our basic faith in freedom and democracy. Anything that tends to weaken our faith, weakens us, and strengthens our eternal enemy.

"The right combination of global diplomacy, armed might, and the dollar" is not the American philosophy—is not the American way. Those who would make it so, are a greater threat to our way of life than all the communists in the world—for they are tearing down the basic structure of our faith. They would substitute for our free democratic philosophy an expediency that could in the end mean our own national destruction.

Our strength lies in our ideals. Our power lies in the spiritual force of our convictions. As long as our way of life embraces and fosters for ourselves and all mankind, social justice, freedom, friendliness and respect for the dignity of individual man of all races, we shall live with purpose. Our purpose will not be merely to survive, but to live in unity for the good of the whole.

If ever our purpose degenerates to merely maintaining existence without freedom, without democracy, then we will have no good reason left for national survival.

HICKSVILLE GABLES:

Gardens Show Individual Care

By CONSTANCE GIBSON
Hicksville 4-1462
Now that its May we see more and more of the Gables people out working on their lawns and gardens, and quite a lot of improvements are being made. Each home is taking on its own personality. Each bush and flower shows care and preparation. It will be interesting to see what will be added or subtracted this season.

May 2, Sunday marked the 18 birthday of Miss Mildred (Pat) Harrigan of 293 Plainview Rd. Her parents, Mr. and Mrs. Edward F. Harrigan took this occasion to announce her engagement to Robert Stiehler, son of Mr. and Mrs. Conrad Stiehler of 65 Meadow Lane, Hicksville. Mr. Stiehler is employed by his father in the Merchall Lumber Co. Miss Harrigan is a typist and file clerk at Grumman's.

The double event was celebrated by a party in the celebrant's home attended by relatives and friends. The center of attraction was a huge, festive cake baked by Mrs. Sidney Volk, Mr. Stiehler's aunt, and presented to the couple as an engagement present. Mrs. Volk who resides at Meadow Lane in Hicksville takes as a hobby. Among those attending the af-

fest were Mr. and Mrs. E. Harrigan, Pat's sisters, Eunice, Beverly and Charlene. Mr. and Mrs. C. Stiehler, Mrs. Gable of Connecticut, Mrs. Mackenzie of Morristown, N. J. Mr. and Mrs. John Mackenzie of Walter Avenue and son Niles, Mr. and Mrs. Frank Hackett of Polock Place and children Ruth Ann, Donna and Dennis, Mrs. Pat Neumeyer of Brooklyn, Mr. and Mrs. Arthur McCutchan of Brooklyn, Mr. and Mrs. Tom McCutchan of Mineola, Mr. and Mrs. Chester McCutchan and daughter Grace of Brooklyn, Mr. and Mrs. William Holland of Wyandanch, Mr. and Mrs. Charles Estes of Bellmore, Mr. and Mrs. Frank Degan of Syosset, Pat Pohley of Plainview, Jerry Berlino of East Marie St., Mickey Esposito of Hicksville and of course Mr. Robert Stiehler. A good time was had by all. As yet no date has been set for the wedding by the couple.

Related birthday wishes are in order for Mrs. John Ketchum whose day was Sunday, April 25. Mrs. Ketchum had a little gathering to mark the day at which her husband, Mr. and Mrs. Sam Weller of 801 Plainview Rd. and Mr. and Mrs. Richard Evers of 24 South Elm St. were present. The Ketchums live at 18 South Elm St.

JANET WELLER, daughter of Mr. and Mrs. Ernest G. Weller of 13 So. Elm St., Hicksville, who graduated from the Methodist Hospital in Brooklyn as a registered nurse on Sunday, May 2. The 19-year-old girl was president of the student body for the class. Graduation was held in Hapsom Pl. Central Methodist Church, Brooklyn, followed by a reception at the Harding-Kennedy Hall. Present for the event were her parents, Mr. and Mrs. Sam Weller of 801 Plainview Rd., and Marian, Audrey and Eric Weller of 13 So. Elm St.

HILLSIDE TERRACE HAPPENINGS:

Civic Meeting, Election, May 13

By BETTY MUGAVERO
Hicksville 4-9771

The Cancer drive got off to a fine beginning in Hillside Terrace and within a matter of a week \$156.21 was collected by 14 of our most considerate and unselfish women in Hillside. They gave me the most wonderful cooperation and immediately undertook the task each was assigned to. For myself, I could not find words great enough to praise them, but I know others would like to join in with me to say thanks from the bottom of my heart.

Joseph Bayer of the Long Island National Bank is chairman of the cancer drive in Hicksville and the enthusiasm he displayed was certainly contagious. He is surely one of the nicest persons I have ever met, and from all reports doing a grand job on a project that involves much time and labor but which is so worthwhile.

Now to mention the names of the woman who donated their time by going from door to door: Trudy Arnold of Wellesley Lane, Muriel O'Donnell of Dartmouth Drive, Kay Kinkella of Vassar Lane, Barbara Staraki of Vassar Lane, Sylvia Kammen of Dartmouth Drive, Jean Laino of Hunter Lane, Anne Palmer and Valerie Palmer of Amherst Lane, Terry Matienzo of Haverford Road, Selma Berman of Lehigh Lane, Genevieve Sabanos of Hollins Road, Rose Garth of Haverford Road, Bea Merritt of Berkshire Street and Anne Rasmussen of Wellesley Lane.

Just a reminder to you folks that there will be Hillside Terrace Civic Assoc. meeting on Wednesday, May 13, at the East St. School at 8 p.m. There will be elections of new officers as well as new block captains so select a dependable person in your immediate area for this important job and come down and cast your vote for him.

Also a reminder about our days which will be held on the same day that you are reading this column. If you find that you can attend the

dance after all, which is to be held in Glen Cove at the Knights of Columbus Hall, why then tickets will be available at the door so don't let anything else deter you except to don your dancing shoes and hurry on down to an evening of fun.

A bridal shower was held for Miss Carol Marie Pellicchio of Cambridge Drive at the home of her aunt, Mrs. Carl Bloise of Franklin Square. Carol will be married on June 5 at Our Lady of Mercy Church to Robert Finnau with a reception to follow. Hillside folk attending the shower were Mrs. Dorothy Hoops, Elsie and Marion Rader of Cambridge Drive, Ursula Romca of Haverford Road and Marion Rugno of Camorus Place.

Wedding anniversary congratulations are sent to Mr. and Mrs. Finn Hoff of Cambridge Drive who observed their anniversary April 14th and Mr. and Mrs. Leon Laino of Hunter Lane who celebrated their 16th anniversary on April 23. Incidentally, Finn's sister, Liv Arendsen is now on a trip to Norway to visit some of their relatives and friends.

Another softball league is in the offing. Vincent D'Angelo of Wellesley Lane and Gene Magee of Woodbine Drive North, Millwood Gate Homes would like to form an additional league in Hicksville. They are at the discussion stage and are anxious for all interested civic groups to contact them. Mr. Magee can be reached at HI 4-9760.

Welcome to new neighbors Mr. and Mrs. Joseph McCauley of Columbia Road who have recently moved in to Hillside Terrace with their three children. Mr. McCauley is an agent for the Prudential Insurance Co.

Well, now the menies scourge is upon us. Patricia Marabella of Cambridge Drive and Geraldine Beach of Cambridge Drive are both down with it. Let's hope they are both up and around by now. Geraldine was a pretty sick little girl.

Two of our Hillside Terrace families welcomed blessed events recently. They are Mr. and Mrs. Frank Rugno of Campus Place who have a brand new daughter named Lisa Marie. She was born at Mercy Hospital and weighed 6 lbs. A girl named Joan Eleanor was born to Mr. and Mrs. Ed Smiley of Wellesley Lane at the Nassau Hospital. Joan Eleanor weighed 8 lbs. 1 ounce. Congratulations to all!

Hillside Terrace Elects Wednesday

HICKSVILLE — The Hillside Terrace Civic Assoc. will hold a most important meeting of the year on May 13 at the East St. school, at 8 p.m. Election of officers will be held.

Vincent D'Angelo of Wellesley Lane is one of the nominees for president. Much is known of Mr. D'Angelo's fine work and effort of improving the community since he has resided here. He is a member of the Hicksville Civic Information Exchange, Hicksville Chamber of Commerce and chairman of the Hillside Terrace Athletic committee.

D'Angelo has devoted his every effort to helping his neighbors and many agree that he is the man to lead the Hillside Terrace Civics for the coming year.

A regular meeting of the Men's Club of the Plainview Jewish Community Centre will be held on Tuesday, May 11 at the Centre. Paul Arak has been appointed publicity chairman for the club.

To Mother

Bless her heart . . . and what a flood of memories that word brings. In all the world there is no name so precious, no love so deep, no faith more abiding.

And today, as guardian of the family pocketbook her slender shoulders bear a burden in a way most men envy.

We're proud of any help we can give to Mother. Remember, it's HER day next Sunday.

Operetta Features Local Youths

By DOROTHY GUELPA
A charming and interesting program was given at the Broadway School Auditorium, Bethpage, on Saturday evening. Gilbert and Sullivan Operetta, "Trial By Jury," augmented by a one act play "Afterward," a solo, "The Lost Chord" was sung by John Erwin.

Noteworthy in this program was the work done by several youths: Eddie Rowe, 17, who played the part of the Judge in the Operetta. His make-up was a work of art. He attends Amityville High. Also Dolores Tacharone, 17, was very lovely and did a nice job as the daughter in "Afterward." She will be graduated from Hicksville High this June. Jane Hayes, 18, one of the beautiful Bridesmaids in the Operetta, is a newcomer to the Tala-Mets. She is a graduate of Hicksville High and will attend Drama School.

Ileen Gleason, 15, is an accomplished musician and played the flute in the orchestra. Ileen is also a singer and—with her twin sister, Arleen, does a harmony duet. The twins attend Oyster Bay High and are members of the Band. James Goethe, 18, gave a smooth performance of the "Uber" in the Operetta. He sings bass in the Methodist Church Choir, Bethpage.

Mrs. May Strong, director, was presented with a beautiful brooch and carrying set from all the members of the cast. Presentation was made by Mrs. Chester Webb, prima donna of the operetta, supported by Burt Bennett, the Defendant. Hostess, Mrs. Grant Doll, presented.

TOP CANCER QUOTA
With one week to go, Bethpage has attained 113 per cent of its quota for the Cancer Crusade. Val Mihic, local Chairman, expressed desire of reaching at least 160 per cent of the quota. This figure Mihic stated, would not only be a natural percentage, but could easily be exceeded if everyone made at least a nominal donation.
The residents, businessmen and merchants are to be commended however, for their contributions, and sincerity displayed in perpetuating the advancement towards the cure of cancer.

ELECT NEW OFFICERS
The Mothers Club of St. Martin's met on Apr. 20 to elect Mrs. Martin Hayes, as their new president. Her new staff of officers includes: Mrs. Rita O'Shea, vice-president; Mrs. Lillian Auer, treasurer; Mrs. Virginia Strong, recording secretary; and Mrs. Walter Spielman, corresponding secretary.

Always lively, Mrs. Jenkins continued to do her own housework and gardening up to the age of 101 when the doctor ordered her to bed. At 100 years of age doctors were sent to examine her, when they arrived they found Grandma busily working among her flowers. After the examination they presented her with a plaque for being in good health. We regret she had to pass on and we send our sincerest sympathy to her family and many friends. May God bless her.

OFFMILLWOOD GATE:

Civic Dance At VFW On May 29

By **GEORGE E. BROWN**
Hicksville 4-3128

At the last meeting of the Millwood Gate Property Owners Assn. it was decided that the dance committee with several volunteers would distribute personally to each family some time this week. Guests will be welcomed. Tickets will be \$3 a couple including refreshments and music will be by Tony Bell Trio. Dance will be held in the V.F.W. Hall on Grand Ave., May 29.

They voted to hold a summer picnic in July or August for the Assn. families. Date and location to be decided by the committee headed by Eugene Magee.

Frank Szynski and 4 Greenbriar Lane would like lots of volunteers to help run games and keep order, on Saturday, June 26, at an Ice Cream social for the Millwood children. If you have any ideas or would like to help, please contact Skaymansi at HI 4-5291.

Several of the members are greatly concerned over the fencing used around the new store area. Cellars are poured and there is no satisfactory fence to keep children away from the stores.

PARENTS PLEASE help by keeping your children away from there and we hope that some arrangement will be made for better fencing very shortly before any serious accident happens.

In a talk with John Ventreau, it was learned that the Vision Stores on the corner of Broadway and Bloomingdale Rd. are expected to be finished in a couple of months. This would make it around the end of June or first of July. The stores which are rented so far include a stationery and newspaper store, bar and grill, hardware, drug store, bakery, and negotiations are still pending on a super-market.

There are two vacancies still to be rented. He stated that there would be parking for about 100 cars and that while deliveries would be made at the back of the stores, regulations are such that the stores should have a neat appearance on the back. Trucks will enter from Broadway and not from Woodbine Dr. It is expected that they will eventually put up a fence around the area to keep children out of the parking area. This will mean that we will have to go out Millwood Gate and walk down Broadway to the entrance to do any shopping as there will not be a gate in the fences.

THIS AND THAT

Several new cars. Mr. Lo Joie's new Ford and Mr. Kuczniski across the street from Lo Joie's has a pretty new Cadillac. Others with new cars include the insurance broker, Mr. Yannotti of Greenbriar Lane and Dr. Alson the dentist, on Millwood Gate.

Hear that Millwood baseball team is shaping up very nicely. By the way have any of you other Civic Leaders entered your team in the Hicksville Interecommunity League yet? Eugene Magee of 67 Woodbine Dr. N. would appreciate any calls at HI 4-3760.

Please note that grass and other such unburnable rubbish as old washing machines etc. will be collected on Thursdays from now on.
