Lawyer Gets \$5,000 Fee For Legal Fee Defense

HICKSVILLE—Charles H. Stoll, attorney who was engaged by the Board of Education to defend the School Board in the taxpayer appeal taken before the Commissioner of Education on the question of attorney fees, has been paid \$5,000 for his services.

Stoll presented his bill at a special meeting of the Board of Education, Monday night. Board President Henry C. Brengel read the decision of Acting Commissioner James C. Allen which said, in effect, that the question of the fees paid the school attorney is a matter for the local Board of Education to determine.

A three-page typewritten explanation of services rendered by Stoll in defending the Board of Education was then read as well as the invoice for his services in the sum of \$5,000. The Board approved the payment with Trustee Emil Szendy recording himself as present but not voting. Stoll was not present.

Lawrence A. Roman, as a taxpayer, had taken the appeal before the state commissioner a year ago charging that the fees paid by the School Board to School Attorney Michael J. Sullivan were "excessive". Roman had been joined in his appeal by Trustee Szendy.

Duffy Ave. Plans Taking Shape

HICKSVILLE—Construction plans for the repaving of Duffy Ave., here, from Newbridge Rd. west for a mile or more to Charlotte Ave. are now being developed by the Oyster Bay Township Highway Dept., it was learned this week. The project includes development of a 60-foot right of way, drainage and possibly curbing, a spokesman said.

83 Protest Gas Station Plea

OYSTER BAY—Armed with a petition bearing 83 signatures, residents of Dove St. and vicinity in Hicksville, appeared at a town board hearing, here, Tuesday evening, to register opposition to a gas station permit application. James Mohl of 5 Dove St., Hicksville, presented the petition and a letter from the pastor of the Catholic parish which commented on the hazard to children which already exists at the five-corner intersection of South Oyster Bay and Old Country Roads, Hicksville.

Mohl told the Board that the diner at this corner, now under construction, has already contributed to the hazards for small children of the neighborhood. Edwin Lynn, who is executive Republican committeeman for Massapequa and an attorney, appeared to represent the applicant, builder Harold Roth.

Others who spoke in opposition included James Boylan, Mrs. Larson, Mrs. William Nester and Mr. McMahon.

The town board closed the hearing and reserved decision. Councilman Frank Chlumsky said he would meet with the objectors to go over the proposed site.

SPECIAL REPORT ON SCHOOL TRANSPORTATION:

Who Shall Ride Remains Constant Issue

HICKSVILLE—Large-scale transportation for the children of this school district was first established four years ago and has been the subject of considerable debate, study and discussion. Today thousands of children are transported to and from classes and the annual cost for taxpayers is nearing the \$100,000 mark.

The proposal to provide transportation began late in 1949 when the School Board, acting upon a petition from voters of the district, offered two propositions. The vote was held on Oct. 10, 1949. First proposition, transportation for elementary children, was carried with 397 yes and 228 no. The second question, transportation for high school children, was rejected 396, no, 108 yes.

Service was commenced January 1950 and appeared to be well established until the annual meeting of that year when a second year appropriation of \$45,000 for such service was voted down.

A special vote was then held on June 21, 1950, and the appropriation was returned as 725 voted.

WELFARE APPEAL OPENS:

Fire Dept. To Start Ringing Door Bells

HICKSVILLE—The house to house fund appeal of the fire dept. here will start next Monday evening, May 24, according to John Jeanson, chairman of the annual Labor Day Parade and Tournament Committee. Ernest Dieterich, co-chairman, is in charge of the house to house appeal which is expected to be completed by uniformed firemen in about two weeks.

The drive will start in the 45 and 46th Election Districts, in the south west section of the district, and continue each evening Monday thru Thursday, in a clockwise movement.

At a meeting of the Tournament committee, Monday night, it was announced that Co-Chairman Charles Saurer will be in charge of the block party on Saturday night, Sept. 4.

Other officers and committee chairmen named are: Clifford Erdman, recording secretary; Robert Wathey, corresponding secretary; Walter Werner, financial secretary; George Frey, treasurer.

Also, Sam Weiss, insurance; Jack Williams, soda and beer; Vincent Braun, frankfurters; Harold Minsky, trophies.

MEN IN UNIFORM

Firemen will be in uniform as they make their door to door canvass. They will issue numbered receipts which will entitle householders to the opportunity to win a free awro at the vamps' Labor Day weekend block party on Saturday night, Sept. 4.

The dance, open to the public without charge, will be held in the public parking field opposite the firehouse on E. Marie St. There will be dancing to the music of a band.

Plans are now being made by the Tournament Committee for the Labor Day parade which will be held in the morning and annually attracts thousands of firemen and hundreds of pieces of fire apparatus from all over Long Island and upstate.

Tentative scene of the firematic contests on Labor Day will be Levittown Parkway, off Old Country Rd., Jeanson said.

Another False Alarm Of Fire

HICKSVILLE—Five calls were answered by the fire dept. this week, including a false alarm at Metalab factory on Duffy Ave. on Tuesday morning.

Grass fires called vamps to Boehme St. and South Broadway, Thursday, May 12, at 6:10 P.M. and to Broadway and Hazel St., near the fire district line, on May 12 at 8:00 P.M.

A washing machine on fire called firemen to 59 Vassar Lane on May 11 and an oil burner caused concern for the Atta household at 182 Blueberry Lane on May 10.

COUNTY EXECUTIVE A. Holly Patterson presents the Automobile Club of New York's Distinguished Service Medal to 12-year-old Henry Steinman, 208 Ohio St., Hicksville, at ceremonies on May 12. The youngster, a student at Burns Ave. School, is one of 12 members of the safety patrols from Nassau County who received the medal for exceptional alertness and attention to duty.

School Trustees Debate Student Transportation

HICKSVILLE—A special meeting of the School Board with Stanton Miller, administrative assistant to the superintendent of schools, on the overall school transportation question was scheduled for Thursday night, May 20. Miller has been directly in charge of school transportation in the district.

Members of the Board went into the transportation question at some length at a special meeting, last Monday night. Trustee Emil J. Szendy charged that some areas have been "slighted". His motion to provide the children of Robert Conlin of 29 Leigh Lane, junior high students, with bus service was not seconded.

Conlin has been before the County's Children's Court Judge on charges since he has refused to send his two daughters to school.

increased the proposed appropriation of \$63,000 for transportation to \$100,000 by a vote of 68 yes and 58 no. The increased appropriation was taken as a demand from the taxpayers that they wished to see student transportation continued and, if possible, expanded.

In April of last year a transportation survey for the Hicksville School System was made by the Bureau of Field Financial Services of the State Dept. of Education. Little or no publicity has been given to this report but it apparently resulted in adjustment of the School Board's attitude toward the transportation question. Problems of hazard for pupils thereafter became more important than strict mileage distances.

The state experts' survey covered these points: (1) when is transportation necessary, (2) how much transportation may a district provide, (3) is the present transportation adequate from the standpoint of safety, efficiency and economy, and (4) in the light of findings, what transportation should the

NORTH WEST NOTES:

Nearly 1000 New Homes In Area

by James Cummings

Jerry Spiegel, builder of homes in North West Hicksville, plans to open a new section of ranch homes at the end of Kuhl Ave shortly. The last section of homes built adjoining Princess and Ohio St at the rear of Nevada have been completed and several are already oc-

cupied. In the last three and one half years we have watched this section develop with many growing pains and problems that beset new home-owners, to an area today occupied by close to 1,000 families alone in the Spiegel development.

The Civic Association formed in

those early days has weathered many storms including road improvements, street lighting, street signs, safeguards at the hazardous Charlotte St grade crossing to name a few.

The officers past and present have endeavored to work for the best interests of the people in our section of town and will continue to do so with your cooperation. We hope shortly to see another program completed with the installation of street signs by the Fire District.

However, one of the initial improvements sought for the last three years remains "in the air" for the present—the drainage project.

Surveys have been completed as we understand, and work is scheduled to start during the summer months on correcting this drainage problem. How this work can be started when the town drainage district (covering only unincorporated areas) has not been established is beyond many of us.

Dear Jean:

Word reaches us that the R.R. Station Plaza at Hicksville is definitely up for sale. Unless the powers-that-be act with dispatch, this commuter field may soon be occupied by some kind of buildings. Town fathers are keeping it mum, but we hear they will make a tour of the various park and recreation areas around the township this Friday. This is probably a result of the Herald report about such areas and the disappointment of various neighborhood civic groups in the lack of progress made to put these areas into shape. . . . Someone is out soliciting photographs of children, claiming they represent the Herald. Such is not the case. This paper has no one in the filed authorized to take baby pictures. Authorized representatives of the Herald carry official credentials and will be glad to show them. There was not a whisper of opposition on Tuesday morning on the Town Board hearing for permission to build another gas station, this one at James St and North Broadway, Hicksville. The request was made by ALVIN SCHMIDT, represented by EUGENE FLANAGAN, Jr., son of the former Town Board member Judge FLANAGAN. . . . Town approved the plea later the same day. . . . Do you remember who first brought up the question of Attorney Fees? It was none other than ROBERT BAIRD, former NLHOA president, who stated while he was a candidate for the school board in 1951: "I feel that the taxpayers' money should not be spent on such exorbitantly high legal fees as is now being done." BAIRD ran the year EDNA SUTTON and HENRY BRENGEL were re-elected, three years ago. . . .

Meeting of Tournament officials of Nassau and Suffolk Counties was held at Hicksville Inn a couple of weeks ago. HENRY A. GEBHARDT of Hicksville was chairman of arrangements. . . . Exhibited in the window of the MacCAFFREY Agency at 162 Broadway, Hicksville, is a model house the work of two junior high students: ERIC ERIKSEN and ROBERT MILLER. Model was constructed as a club project and took the boys three months. . . . Mr. JACKSON, night dispatcher at the firehouse, was stricken with a heart attack Monday and was taken to Meadowbrook Hospital where, we hear, his condition is critical. . . . Home recuperating is ANDREW B. HEBERER, clerk of the Hicksville School District for over 30 years. . . . Hicksville firemen had another false alarm at the Metalab factory on Duffy Ave on Tuesday morning. An automatic fire alarm signal in the plant has been giving false calls for the past couple of weeks. . . . The Hicksville Firehouse is draped in mourning for WILLIAM KUNZ, former member and brother of Ex-Chief GEORGE KUNZ, who was buried Wednesday. An honor guard of uniformed firemen was present at the cemetery. . . . The Park Community gas station fight is due to go back into court the first week of June. Town turned down the application a year ago, the applicant won a reversal in court and now the case is being appealed by the town. . . . Meeting of retailers division of Hicksville Chamber takes place Wednesday night, May 26 at the new Chamber office, 75 Broadway, to make plans for a July sales promotion and Christmas program. . . .

**Set Dedication
Of School Gym**

MINEOLA—Members of Trinity Evangelical Lutheran Church of Hicksville, The Rev. E. H. Stammel, pastor, will join with 15 Nassau congregations of the Lutheran Church—Missouri Synod this Sunday, May 23, in dedicating an \$80,000 Auditorium Gymnasium on the grounds of the Nassau Christian School, Washington Ave. here, in a four o'clock Vesper service.

The Rev. Dr. Otto A. Geissaman, S.T.D., Pastor of Grace Church, River Forest, Ill., will deliver the principal address, and the Rev. Arthur J. Doege, M. A., Pastor of Our Saviour Church and Supervisor of the Lutheran School, will officiate at the rites and will offer the dedication prayer. The Rev. Otto J. Fink, B. D., Pastor of Redesemer Church, Westbury, and the Rev. Ernest K. Scherer, Pastor of St. John's Church, Williston Park, will serve as liturgists.

The Nassau Christian School is chartered by the New York State Board of Regents and has an eight grade enrollment of 260 pupils, representing most of the major Protestant faiths. The Lutheran Church maintains some 1500 day schools.

Institute New Aerie For Eagles At Initiation Sunday Afternoon

HICKSVILLE — Approximately 200 persons are expected to be present at the institution of the newly formed Mid-Island Aerie, Fraternal Order of Eagles, which is to take place at the Hicksville Inn, Broadway and St. John Street here on Sunday, May 23.

Plans to organize the new Aerie were first made public here less than two months ago when John

Gabriel of Schiller St., announced that he had been commissioned by the Grand Aerie to organize a local lodge here.

Starting with a committee of seven men, the lodge has attained a charter membership of 100. The charter members will be initiated at 1 o'clock on Sunday.

Taftold F. Crawford, New York

State Vice President, will preside as instituting deputy for the Grand Aerie. He will be assisted by a ritual team made up of members of other Aeries throughout the State.

The Fort Hamilton Aerie, of which Herbert K. Old of Elmont is President, is sponsoring the institution and has extended invitations to neighbor Aeries throughout New York, New Jersey, Pennsylvania and Connecticut.

The mass initiation and institution of the Mid-Island Aerie will be open only to members of the Order. Any residents of the neighborhood who are members of any Eagles lodge whatsoever are invited to attend. At 3:30 P.M., the public is invited to attend the installation of officers of the new lodge. After the installation, a buffet lunch will be served and it is expected that music will be available.

The officers nominated to serve until June 1955 are: Past Worthy Pres., Elbert T. Linscott; Worthy Pres., John J. Gabriel; Worthy Vice Pres., Vincent Antonelli; Worthy Chaplain, Edgar W. Donovan; Secretary, Frank J. Petkevitz; Worthy Conductor, Edward Schumacker; Treasurer, Malcolm C. Gertzen; Inside Guard, Joseph Brodawchuk; Outside Guard, Daniel Maragni; Trustees, Frank H. Petkevitz, Robert Doering, and George Ritzler.

The house to house drive is now underway, led by Mrs. Rose Leahy, president of the CP Auxiliary and co-chairman of the appeal.

Twelve Hicksville children are now receiving treatment at the Roosevelt Treatment Centre and School which is supported largely by contributions to the current appeal. More volunteers are needed to assist in the campaign this month. Montana can be reached at HI 3-2280 and Mrs. Leahy at HI 4-3139. Donations may be mailed directly to Montana at 115 North Broadway.

Charles Montana is chairman of the CP fund campaign and is leading the canvass of businesses.

Cerebral Palsy Appeal Gets CD Cops' Treasury

HICKSVILLE — The Cerebral Palsy fund campaign now in progress here today received a contribution of \$13 from the Center Civics representing the balance of funds in the treasury of that organization. The group, consisting of members of the Civil Defense Auxiliary Police who had banded together in protest over the management of CD affairs, this week disbanded feeling that the efforts had been achieved.

Charles Montana is chairman of the CP fund campaign and is leading the canvass of businesses.

physical education and health of the school district, discussed the summer recreation program and facilities available. Playground under supervisor will be open from 9 to 12, Monday through Friday, between July 6 and Aug. 20. Registration will be held on July 6.

Mrs. Foran presented a gift to each member of the executive committee of the P.T.A. Miss Nina Plantz, principal, gave a report on the Cornell Institute Workshop which she attended in April.

Clever circus decorations in the auditorium were arranged by Miles Clift's, Mrs. Pearce's and Miss Santamaria's 4th grades. Mrs. Grace Dondero, reading consultant for the school system, accepted a gift of \$100 from the P.T.A. which will be used to purchase additional reading equipment for East St. School.

Coming events were announced: May 21, school night; June 4, music night; June 6, Woodland Ave. school dedication; and June 10, 8th grade party.

Officers installed were Mrs. Lawrence Foran, president; Mrs. Merton Wilbur, vice president; Mrs. Clinton Foster, treasurer; Mrs. John Pearce, recording secretary; and Mrs. William Bean, corresponding secretary.

Mrs. Norman Starin, historian, gave a report on activities of the P.T.A. for the year. Mrs. Foran told the members that a communication had been received from Capt. Vincent Clementi of the County Police stating that a survey was made at the East St. School crossing and it revealed "there was adequate protection provided."

Neufeld, director of the Cana Society, will be the guest speaker on subject pertaining to the Catholic marriage. All mothers of children who attend St. Ignatius School are invited to attend.

SCOUTS GO TO CAMP
Boy Scouts of Hicksville Troop 91 spent last week-end at Camp Waupesep, Wading River. The scouts, under the supervision of Scoutmaster Kerf Walz, assisted by Tim Bergin, took a training course. Those who attended were Paul Giannino, James Bruno, Eugene McNamara, William McLaughlin, Jim Moran, Dennis O'Connor, Howard Tomey, Richard Mackley, and Howard Schatz.

TO VISIT VETERANS
Members of the Hicksville Ladies Auxiliary of the Jewish War Veterans will visit Northport Hospital veterans on Sunday, May 30. A recent visit to the hospital was made by Betty Mogavero, Hospital Chairman, and Blanche Gladlow, providing the veterans with refreshments.

A panel discussion on the "Recreation Needs of This Community" followed the business meeting. Among the panelists were Chester Jaworski, School District Physical Education Director; Irving Ruckel, Recreation Director for the Oyster Bay Community; Julius Zecchio, Guidance Director of the Belmont School in Elmont; Mrs. Edward Kist, director of the Teen Canteen at Burns Ave. School; and Mrs. William Orton, Director of the Teen Canteen at Dutch Lane School.

Milton J. Leavitt acted as moderator for the discussion. Several different methods for approaching the problem of providing recreation for the young people were introduced.

In addition to the Teen Canteens in our own community, a program of extracurricular activities such as clubs for crafts, music, cooking for boys, etc., plus regular evenings of basketball or dancing has been successful at the Belmont School in Elmont.

Irving Ruckel outlined the progress of a community project in Oyster Bay to engage the young people in plans for decorating the community for Christmas. On this score it was demonstrated that a recreation director would first make a creative survey of the community. Next he would unite the clergy of the community and speak to every service unit possible. It is absolutely essential that the community work as one group, he said. All the ideas submitted were aimed to supplement the work of Scout groups and church youth groups.

Julius Vecchio cautioned that recreation alone could not solve the problems of delinquency. Parent-child—school relationships must be evaluated and an understanding of unity be established by the community as a whole.

CURRENT COMMENT:

Traffic Grows Steadily Worse

By Fred J. Noeth

AMONG THE ANNOYING problems which have been steadily accumulating along with the skyrocket growth of Hicksville and vicinity — coupled with the development of motor cars, etc. — is traffic.

The effect of traffic congestion is felt in all elements of the community. We have it in relation to local student transportation, which is largely required because our streets are jammed with autos and trucks in great numbers. We have it even on weekends, with the many attending church services. It is also apparent in such matters as fire protection and the movement of emergency equipment.

Part of the mess is of course parking. Another is the arrangement of traffic signals, the directional movement of traffic, etc. Taxi cab regulations are part of the picture.

Although there have been repeated efforts to obtain an overall study of our traffic problems, little has been achieved. There are any number of independent efforts on one phase or another of the entire problem but they are ineffectual without a total appraisal.

Parking fields are now being developed, but there appears to be little conception on the municipal level as to which fields are "planned" for shoppers, which are for commuters and which are for the people who must park because they are employed locally.

The predicament in which we find ourselves was pointed out at a recent Hicksville Chamber of Commerce directors' meeting. Little hope of action progressing the rail road grade crossing elimination program here can be expected unless and until the community demonstrates that it has taken steps to solve its traffic problems.

In other words, the community cannot go before the Public Service Commission and cry that crossings at grade are throttling the town unless it can demonstrate that it has done something to solve other portions of the total problem.

The time has come, for example, for a clear statement on parking fields. Parking fields are a direct tax charge upon the Hicksville Park and Parking District, an area of 6.5 square miles, identical with the school district. If fields are to be opened to commuters, shall the people of Hicksville be assessed the full cost of providing nicely paved and lighted fields for non-taxpayers from Plainview, Syosset, Levittown, etc.?

Not that we wish to oust our friendly neighbors, but we believe that their sense of fair play would win their agreement that costs should be paid by those who benefit most.

Traffic problems cannot be solved merely by requesting another traffic count from the Public Works Dept. or by the Police Dept., although such information and assistance is appreciated. Traffic must be studied by all levels of community government including police, fire, schools, public works, highways, merchants, civic, township, county and state. Only then we will begin to bring some order out of a chaotic condition which gets progressively worse and will never, never solve itself.

Engage Recreation Expert

HICKSVILLE — The Board of Education is anticipating a formal report on recreational needs and facilities of the community about the middle of next month. Dr. John Hutchinson, director of recreation, Teachers College, Columbia University, was engaged at a special Board meeting, Monday night, to make the study which is expected to take about 10 days. The Board authorized his employment and specified that the cost is not to exceed \$1,000.

HERALD READER OPINION

Support For Attorney Fees

By ROBERT W. CORCORAN

To The Editor:

Much has been written and said within this community in past years upon the subject of school board attorney fees, and normally I would not be inclined to add anything to the total of expressed opinion concerning it. The extremity of the attack recently made upon Michael J. Sullivan in your issue of May 11th, 1954, however, and the injustice done to him constrain me to speak in his behalf.

Having served as a member of the School Board during a period in which Mr. Sullivan was School Board Attorney, I know the extent and perplexity of the problems which have been handled by him in the course of his duties. The rapid expansion of this community has made those problems numerous and the responsibility of his work extreme. As an attorney myself, I can attest to this man's competence and ability, both of which qualities he possesses in great measure, and can say, without reservation, that he has served the community well.

It should go without saying, that upon the question of Mr. Sullivan's fee each person is entitled to his own opinion. The expression of that opinion, should not, however, take the form of an unreasonable personal attack upon either his ability or integrity. Upon this question the Hicksville Board of Education, variously constituted during the past several years, has passed judgement. The majority of the Board has always concluded that the fee arrangement is beneficial to the School District. The acceptance of such majority judgement is in keeping with our democratic spirit, and I submit that it is improper for those whose opinions have been rejected to disturb the community with tantrums and tirades.

It is interesting to note, too,

upon the question of the reasonableness of the attorney's fee each person is entitled to his own opinion.

The acceptance of such majority judgement is in keeping with our democratic spirit, and I submit that it is improper for those whose opinions have been rejected to disturb the community with tantrums and tirades.

In any event, it does seem elemental that injudicious attacks upon a person because of his acceptance of a fee legally and properly fixed by elected officials in the exercise of their discretion can only lead to the discouragement of qualified people from acceptance of public office and result in eventual and serious harm to the community.

I trust that you will find my opinion on this subject of such interest as to warrant its publication.

Letters to the Editor

Vince of the local school board.

Lastly, the question of the reasonableness of the attorney's fee was a major issue in the recent school board election. It would seem to me that the failure at the polls of those candidates who opposed the present fee arrangement is a rejection of their position, and an expression of the voters' satisfaction with the existing condition.

The Citizens Advisory Committee on Education last fall was given the assignment by the Board of Education to look into the transportation question. A report was made, adopted by the Committee, and forwarded to the Board of Education in January of this year.

The second part of this special report on school transportation will appear in Tuesday's HERALD, including the recommendations of both the State expert and the Citizen's Advisory Committee—Editor.

Special Report On School Bus Question

(Continued from Page 1)
district provide. There also were recommendations.

As to necessity, the State report said: "The law provides that a district meeting may authorize transportation wherever, in any school district, pupils of school age shall reside so remote from the school house therein, or the elementary or high school they legally attend, within or without the district, that they are practically deprived of school advantages during any portion of the school year."

"In case where the Commissioner of Education has been required on appeal to determine what it meant by the status relative to 'unreasonable distance', the general rule which has been laid down in such cases, is that for high school pupils, if the distance to be traveled is more than three miles, transportation at the expense of the district is ordinarily necessary. In the case of transportation for elementary pupils, the general rule which has been laid down in such cases is that two miles or more constitute an unreasonable distance."

"Transportation to non-public schools must be provided under the same conditions as transportation to the public schools, except that it need only be provided to the nearest such school involved and that no such transportation need be provided if the district is eight miles or more."

"If the voters of the district", the report continued, "vote the

necessary funds and the Board sets up a policy of providing transportation for children who live one-quarter of a mile or three-quarters, or any distance, or because of hazardous walking conditions within the two and three miles limit stated above, the Board of Education is required to treat all pupils alike."

Name School Dedication Speaker

HICKSVILLE—Doris Corwith, supervisor of Public Affairs programs for the National Broadcasting Co. radio and television networks, will be guest speaker at the dedication of the new Woodland Ave. elementary school, here, on Sunday afternoon, June 6, at 3:30 PM. She is a resident of Rockville Centre and was a national president of the American Legion Auxiliary.

Grass Cutting Interests NLHOA

HICKSVILLE—The frequency of grass cutting and the general maintenance schedule for parkway and park areas in the Levitt section of Hicksville Park and Parking District will be reported when the North Levitt Home Owners Assoc. meets next Tuesday night, May 25, at Levittown Hall, here.

Grass cutting along Levittown Pkwy., it has been learned, is now done under private contract with the charges against the Hicksville Park and Parking District.

The operation and management of swimming pools by the Oyster Bay - Hempstead Joint Pool-Hall District will be the major topic of discussion for the evening. An official of the joint district is expected to be present. Also scheduled is a speaker describing the work of the Mid-Nassau Guidance Clinic which is now temporarily housed in the Parkway Community Church, Hempstead Ave., here.

Doctor Jones Says

By PAUL B. BROOKS, M. D.

All that ruckus, years ago, about women's suffrage — votes for women and all that — you probably weren't old enough to've been much interested. But, did it ever occur to you that it might well have been the other way around? I mean the women in control and the men having to fight for their alleged "rights". Well, sir, that's the way it might've been if science'd moved fast, er and Dr. Ashley Montagu'd come out, a few hundred years earlier, with his new book, *The Natural Superiority of Women*. (I read about it in the Maternity Center Association Briefs.)

It goes back, it seems, to the sex chromosomes in the body cells. The chromosomes — magnify 'em enough and they're little specks in the nucleus of the cell. They're supposed to carry hereditary characteristics. Mostly they're X or female. When they find a lonely one that looks like a runt in the litter, that's likely to be a Y or male chromosome.

From fertilization on, according to the doctor, the male "is biologically inferior to the female." Records show that life expectancy at birth is higher for females than males practically all over the world. And that's true for most animals. Starting with the unborn fetus, males have higher death rates "for every year of age." Even comparing longevity rates of "bachelors with jobs" with those of "spinsters with obs", the advantage is with the females. There're five male stilltters or every one female. Baldness, stomach ulcers and so on are far more common in men.

On the emotional side—yes, females are more timid than males. But fear, within bounds, is a normal protective instinct. It helps the organism to "negotiate its way through life." Lack of all fear may mean sluggish imagination. Dr. Montagu doesn't aim to discourage the males. But he hopes knowing the facts may lead to "a better appreciation of the sexes for each other."

Anyway, I'm not greatly startled. I've sort of sensed it, ever since I got married, fifty-odd years ago. I don't think I ever did, really, take so much stock in that old "better half" idea.

30th ANNIVERSARY FOR DAUGHTERS.

Election of officers took place at the recent meeting of the Court Queen of Angels, Catholic Daughters of America. The following were elected: Dorothy Retberg, Grand Regent; Rita Schlosser, vice Grand Regent; Rita Hanifan, prophetess.

Also Kay Kennedy, historian; Dorothy Tanner, lecturer; Frances Aettberg, financial director; Louise Wetterauer, treasurer; Kay Dunne, monitor; Jay Ziegler, sentinel; May Whalen, organist; Father Leo Goggin, Chaplain; Margaret McQuillen and Caroline Klevanovsky, three-year trustees.

The court is having its 30th anniversary Dinner Dance at Reinhardt's in Bayville this Saturday, May 22.

Cub Pack Plans For Memorial Day

Cub Pack 91 committee of Hicksville held their regular meeting at St. Ignatius hall on Wednesday evening, May 19. Plans for the cub's participation in the annual Memorial Day parade were made.

Returns were made on the sale of the salt water taffy and it was announced that 1,200 lbs. of the candy was sold in two weeks. Names of the winning cubs will be announced at a later date.

The committee wishes to thank the people of Hicksville who helped make this cub endeavor successful.

Mr. and Mrs. Thomas W. Wenzel, of Woodbury Rd., announces the engagement of their daughter Dorothy, to George Hamre, Jr., son of Mr. and Mrs. George Hamre, Sr. of St. Albans, Queens.

Parents Attention: Monday, May 24, will be registration day for all children eligible for kindergarten next fall. Those children who are eligible must be five now or before Dec. 1, 1954. Also any children who did not go to kindergarten this year but who are six or will be before Dec. 1, 1954 should be registered at the same time. This is the only day available for registration. Registration for Hicksville School District children will be at the Lee Ave. school on May 24 from 8 A.M. to 5 P.M.

The first softball game of the season is now over and the boys will be better relaxed and ready to conquer the next opponent. Sunday May 16 Millwood Gate team put up a valiant attempt to defeat the Hillside Terrace Team on their opponent's home field. Final score was 10 to 2. It is unfortunate that our pitcher, John Barthet of Port Washington, broke his thumb during the game. We hope he will not be

too long. Let's get out and cheer the boys on at the next game.

If you have been unable to get yours truly on the phone last week, there has been a good reason. She and her husband, Lee, and baby, Susan, were visiting Mrs. Brown's parents in Hingham, Mass. as part of the vacation. In going to and fro, we stopped at the half way mark in Newton, Conn., at Mr. Brown's parent's. Lee's brother, Roderick who teaches in Exeter, New Hampshire, was also in Newton last Saturday thus making the family circle complete.

Last Saturday, May 15, Judith Fallon of Woodbine Dr. E. and Arlene Oanski of 23 Ferndale Dr. made their first Holy Communion at St. Ignatius Loyola R.C. Church. Following the ceremony, there was a party held in Arlene's honor at her home. Besides her folks other guests included Mr. and Mrs. Frank Szymanski and family of 4 Greenbriar Lane and Mr. and Mrs. Nalback and family of 4 Birchwood Lane.

Congratulations to Mr. and Mrs. Gerard George of 15 Birchwood Lane on the birth of their daughter, Barbara, last Thursday, May 13, at the Mercy Hospital in Rockville Center. Barbara weighed in at seven pounds and five ounces and has a sister Susan three years old.

This week birthday greetings go to Diana Lang of 46 Woodbine Dr. E. who was one year old on Thursday, May 13. Also to Charles Brady Jr. of 4 Mayflower Drive who was two years old on Friday May 14. Charles had to forego a party due to sickness. Better luck next year and may you soon be out in this spring air again.

Hear that the stork visited the Anstey home of Mayflower Dr. leaving their lovely cocker spaniel with seven puppies. Both Beauty, the mother and the puppies are doing fine.

Interested in Cats! Blackie, Mrs. Mary Coyle's pet cat would like any one interested in giving one of her kittens a nice home with affection and of course food to give her mistress a visit at 48 Woodbine Dr. N. Mrs. Coyle has six kittens about

five weeks old ready to seek shelter elsewhere.

Next meeting of Millwood Gate Assn. will be held on May 22 in Lee Ave. school at 8 P.M. There will be a special election held to fill the occurring vacancies. Please come and bring a neighbor.

Please help the dance committee out by buying your tickets for the May Dance from your local representative as soon as possible. Flyers have been mailed to each one with the names of ones with tickets. To be sure a dance is successful a certain number of tickets need to be sold in advance. It is going to be a great success and those who miss it will be sorry.

Seek Loveliest Festival Lady

LEVITTOWN—Guy Lombardo, nationally famous bandleader and producer of this year's Jones Beach open-air musical "Arabian Nights", will head an all-star group of judges selecting the annual Levittown Festival Queen.

Included in the group of judges are: Helena Scott, starlet of the "King and I" and "My Fair Lady"; Miss Slavenska, prima-ballerina of the Ballet Theatre; and Ralph Herbert of the San Francisco Opera Co.

This year's "Levittown's Loveliest Lady" will reign as queen of the Festival to be held July 1 through July 5 in addition to receiving many beautiful gifts.

The contest is open to all Levittown and vicinity females 17 and up. Entrants should send one or more photographs accompanied by a contest blank giving their name, address, occupation, height, weight and color of hair to "Levittown's Loveliest Lady" Contest, Levittown Festival, Inc., 64 Division Ave., Levittown, N.Y.

Outdoor Show Of Local Art

HICKSVILLE — The Independent Art Society is showing an exhibition of paintings on the lawn of the Public Library here until Saturday. The paintings will be on display from 10 A.M. until early evening.

The Public Library has recently purchased two volumes that will gladden the heart of many interested in local history. "Long Island: a history of two great counties, Nassau and Suffolk," a two volume set edited by Paul Bailey, has just arrived at the library. This work, published in 1949, has an imposing list of contributors and is a detailed study of many aspects of Long Island life. Some of the many topics are Archaeology, Geology, English Governors, Whaling and a history of the various townships. Volume II is a social history and has such topics discussed as Long Island's Shellfisheries, Agriculture, Churches, Education, Banking and many other topics. Bailey also publishes Long Island Forum, a monthly magazine of interest to persons interested in Long Island history.

Sunbeam Party This Saturday

HICKSVILLE—A Sunbeam Factory representative will be at Botto Bros., 231 Broadway, near Stop 'N' Shop, this Saturday, May 22, to demonstrate the many Sunbeam products including the new controlled Heat Automatic Fry Pan. All who attend the demonstration will be served coffee.

NOTICE TO BIDDERS
 Pursuant to Resolution adopted
 May 17, 1954.
CONTRACT NO. 787-N8

Sealed Proposals, invited by the County of Nassau, will be received by the County Executive of Nassau County in the Chambers of the Board of Supervisors, First Floor, Old County Court House, Franklin Avenue, Mineola, Long Island, at 10:30 A.M., June 3, 1954 at which time they will be publicly opened and read, and the contract awarded as soon thereafter as practicable, for the Landscaping of Meadowbrook Hospital, East Meadow, Town of Hempstead.

Forms for qualifications of bidders giving evidence of sufficient facilities, equipment, experience, and financial ability to insure the completion of the work will be provided by the County Commissioner of Public Works and must be properly filled in, sworn to and filed in the office of the County Commissioner of Public Works on or before the time at which the proposal is required to be submitted.

A charge of ten (\$10) dollars will be required for a copy of the plans, specifications, proposal sheet and form of contract. This money will not be refunded.

Plans and specifications may be seen at or procured from the County Commissioner of Public Works on and after 9:00 A.M., May 21, 1954 and not later than 3:45 P.M. on May 28, 1954.

Each proposal must be accompanied by a certified check on a solvent Bank or Trust Company, in an amount equal to not less than five (5%) per cent of the amount bid, made payable to the County of Nassau or the Bidder, as assurance that the bid is made in good faith; (i.e. - County of Nassau or John Smith, Inc.).

The Contractor will be required to comply with all provisions of the Labor Laws of the State of New York.

The County reserves the right to reject any and all bids and to accept the one which it deems most favorable to the interests of the County after all bids have been examined and checked. No bid will be accepted if it exceeds the total estimated cost of the work. The County reserves the right to reject any bid if the unit price proposed for any item in the bid exceeds by more than fifteen (15%) per cent the unit price of that item as estimated by the Commissioner of Public Works, or if any lump sum item bid exceeds by more than twenty-five (25%) percent the estimate of the Commissioner of Public Works for such lump sum item.

Public Liability and Property Damage Insurance and Construction Bond will be required.

Grumman Provides Big Community Playground

BETHPAGE — Over a thousand Little League enthusiasts turned out Sunday afternoon for the colorful dedication ceremonies which marked the official opening of the new Community Playground.

The beautiful, 40-acre athletic field, which includes four Little League baseball diamonds, and a football and soccer field, was built for the community by the Grumman Aircraft Engineering Corp. on its property at the intersection of South Oyster Bay Road and Stewart Ave. here.

The new fields will afford over 350 youngsters an opportunity to enjoy the national pastime on diamonds which have been groomed

P-TA Donates To Class Trip

BETHPAGE — The P-T.A. at its May meeting donated \$25 for each of the four 6th grade classes toward some educational trip which they will take. Since this is the last year in which all their activities are in one class, it was felt the 6th grade would benefit most from such a gift.

It was brought before the meeting that it might be well for the P-T.A. to encourage a teachers college on Long Island. At present New York State has 11 colleges, all upstate. Over 1,000 students from the Long Island area are attending these schools each year.

Mrs. Sam Merlin, delegate to the state P-T.A. conference at Cornell University, gave her report. She brought back some thoughts including, from: Dean Helen Canoyer of Cornell University, "The establishment of a strong and healthy family is important. If the nation is to be strong and enduring, the family must be. It is up to us to provide good, sufficient, and equal opportunities in education to all who will benefit by it. We should assume the responsibility for government on the local as well as the state and national levels."

From: Dr. William Olsen, Dean of the University of Michigan: "Our task is to grow children, not preserve standards. We are now emphasizing growth, not marks. We must give children time to grow." According to Mrs. Harold Brod, immediate past president of New York State School Boards Association, Education is the biggest business of a community and we need wide community participation in this business."

The June meeting will have as a guest speaker Prof. Ralph von Guerard of New York University. Music will be furnished by the school band.

After the regular business was transacted the meeting was turned over to Cliff Shortman and Pete Castellucci for the annual Father's Night program.

Party Leader Going to Florida

BETHPAGE — Thomas Abbott, Oyster Bay Township leader of the Democratic party confirmed reports that he is selling his home and business in Massapequa and moving to Florida. Mr. Abbott, speaking at the first open meeting of the Bethpage Democratic Club, Tuesday night, said that he would not be leaving until the Fall, possibly after elections.

He congratulated the members of the executive committee in their large enrollment of paid members in the short period the club has been in operation.

Victor Guelpa, temporary chairman, introduced some of the guests present who included James McAlliff, President of the Glen-Sea Democratic Club, who is also club co-ordinator; the Town of Oyster Bay, and Thomas Granite, President of the Plainview Democratic Club, which has recently been formed.

The next meeting of the Club will be held in one month at a date to be announced in two weeks.

STAR REHEARSAL

St. Martin of Tours to start rehearsals on Friday, May 21, for the Gay Nineties Revue. This year's show promises to surpass the excellent performances of last year. Walter Spielmann will direct as usual.

Performances will be held Oct. 30 and Nov. 6. All persons interested in joining the cast should report to the Church Hall, Friday evening, May 21st.

Look for a split in this area soon. Tentative plans show District 49 split down Farmers Ave. and a three way split in District 51.

Remind Drivers Of License Date

Mid Island residents have been reminded to check the expiration dates on their chauffeur licenses by Henry Chimenti, chief clerk of the Motor Vehicle Bureau in Mineola. He said that about 11,000 chauffeur licenses in Nassau county will expire on May 31 and very few have been renewed to date. Actually the remaining license holders have only until noon of Saturday, May 29 to renew them, because Monday, May 31 is a holiday and the Motor Vehicle Bureau offices will be closed.

Mr. Chimenti reminded license holders of the new state requirement that a physician's certificate of "safe driving ability" must be included with the renewal application for anyone who's suffered fainting spells, diabetes stroke, Bright's disease, excessive high blood pressure or any heart ailment.

Applicants must have a doctor's certificate if they've suffered a mental ailment or physical injury since their last license was issued.

The same requirements will be in effect for operators' licenses that must be renewed this September. Applications will be available Aug. 1.

Softball League Already Has Eight

Final arrangements for the Hicksville Community Softball League will be drawn up in Chet Jaworski's office at the high school this Friday night, May 21, at 8 o'clock.

Already Cedar Cliff, Amperex, Breen's All Stars, Woodbury Gardens, Frank Homes, Hillside Terrace, Post Office and Millwood Gate have enrolled. The Hicksville Inn has reported that it will also submit a team.

Managers of additional teams, as well as those already enrolled, are requested to attend this important meeting.

Mr. Jaworski's office is in the northeast wing of the high school and can be reached by the door that faces the Girl's Hockey Field and Baseball diamond.

To balance competition two divisions are planned for the league. One will be classified as a Civic Sector and the other Commercial or Industrial.

A three division basketball league will be incorporated in the Hicksville Summer Playground League and will feature two-light activity.

Boys 13-15 will compete in one group, 15-18 in another and there will be an unlimited class.

Team entries only will be accepted so neighborhood or friendly groups should organize teams and call Mr. Jaworski at the high school listing the team name and group it wishes to play in.

Tommy Valentine's fine pitching at Oyster Bay brought the Comets a 6-1 victory in the Eastern Division diamond race last week but seven errors in the first three frames at Roslyn, Monday, ended their pennant hopes.

Valentine tried mightily in this one too but lost a discouraging 9-4 battle to the Hilltoppers.

Hicksville High is not in the running for the 1954 North Shore Track and Field Championships which will be staged at Great Neck, Saturday. The Comets aren't even extended much of a chance of annexing a first place medal, but two lads are given an outside look.

Richard Evaschuk could win the Discus if his late season form continues to improve.

Alex Pravendek's startling victory in the 440-yard dash at the Port Washington Invitational hasn't got too much backing for a repeat performance.

Hicksville supporters would be a bit hopeful if he had just a little more practice time.

Alex was a complete outsider in a fast field at the Port Meet and he may urge himself to the maximum effort to upset everyone's applecart again.

Bill Bordiuk had to come on to save the Oilers in their Jones Beach opening softball league contest against snappy Merrick, Sunday. The score was 6-3. Bordiuk did not give up a run in three innings of relief.

Dodgers Present Bats, Sunday

HICKSVILLE—Managers were appointed this week for the Central Nassau Little League farm teams which will consist of 14 squads of 20 youngsters each, and all 280 boys have been notified as to the team to which they have been assigned. Several practice sessions were conducted this week, according to Ray E. DeCoster, Jr., commissioner.

Meantime the Major and Minor League teams in both divisions continued workouts in preparation for the official opening games which have been set for Monday afternoon, May 31.

PARADE ON SATURDAY

Council members will meet this week to iron out final details for the huge parade which will be held on Saturday, May 29, or in the event of rain, on Monday, May 31. Several school bands along with other local youth organizations and all the CNLL players will swell the total number of youngsters taking part to more than 1,000. Invitations are being extended to many school and county officials to take part in the festivities and witness the flag raising ceremony which will usher in the 1954 season. Final details concerning the parade will be announced next week.

Representatives of the Central Nassau Little League have been invited to be guests of the Brooklyn Dodger Baseball Club on Sunday, May 23. The CNLL, along with other Long Island Little Leagues, will receive an allotment of bats and balls donated by the Dodgers out of proceeds from their Annual "Sandlot" Game with the New York Yankees.

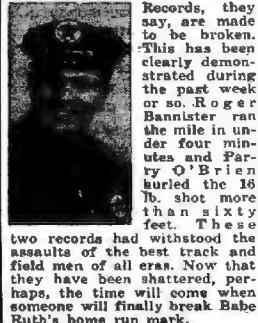

At the general membership meeting held at Levittown Hall here last Wednesday the importance of securing additional active members in the organization was highlighted. Associate membership cards are now being sold for one dollar each and the funds raised therefrom will be used principally to defray the cost of "T" shirts, caps, and equipment for the 14 farm teams. Coaches are still needed in the farm team group because of the league expansion and heavy registration this year. Each farm team manager can use two or more coaches per team.

RECORD BREAKERS!

Records, they say, are made to be broken. This has been clearly demonstrated during the past week or so. Roger Bannister ran the mile in under four minutes and Parry O'Brien hurled the 16 lb. shot more than sixty feet. These two records had withstood the assaults of the best track and field men of all eras. Now that they have been shattered, perhaps, the time will come when someone will finally break Babe Ruth's home run mark.

Establish a new record for the economical operation of your car by joining our Dollar-A-Month Club. Once you enroll, you get gas at cost and share in a monthly service special. In addition, there is free pick-up and delivery and free road service within a five mile area. Broadway Service Station, Broadway and James Street, Hicksville. Phone HI 3-9702. BE SURE TO READ, "One Customer Tells Another" in Tuesday's Herald!

NEW YORK YANKEES' former trainer, Dr. Earle Painter (in light jacket) was guest speaker at the Hicksville Kiwanis Club meeting in the Milleridge Inn, Jericho, recently. He told some interesting behind the scenes stories about the Yankees. Left to right are James Walters, president; Dr. Painter, Fred Sutter, vice president; and Dr. George Loucks. There is a new drive on which is as equally as important and worthwhile as all our past drives which is called the veterans march for Korea which is being sponsored by all veterans organizations.

This American-Korean foundation's main purpose is to ease the suffering and hardships of the Korean people and their slogan is "so much for so little".

To elaborate, 50 cents will provide a day's complete care for an orphan. If there is anyone that feels it in their heart to further this march please contact me for additional details.

Our softball athletic team vied against their first opponents who were the Millwood Gate softball team and the resulting score was 6-2 in favor of our players. With this new gain of confidence, our boys are next scheduled to oppose the Woodbury Garden athletic team this coming Sunday.

Happy Birthday Greetings going out to: Susie Comlosy who had a birthday May 15 and was 7 years old and her dad Walter Comlosy of Cambridge Drive who observed his natal day May 18; Patricia Turkel of Wellesley Lane who was 6 years old celebrated her birthday on May 14 with a party for her little friends; Alex Kinkella of Vassar Lane who enjoyed his natal day on May 3 by dining with relatives; William O'Donnell of Dartmouth Drive who had a birthday on May 14; Marie Pellechia of Cambridge Drive who observed her natal day on May 5; Paul Matienzo of Haverford Drive was 2 years old May 8 and Mary Trohan of Haverford who will have a birthday on May 29.

There is junior girls club composed of very sweet and very young ladies who have asked me to mention them, which I am very happy to do. They call themselves "The Gals" and the members are: Sandy Berkowitz of Cambridge Drive, Linda Proies and Jill Altman both of Hollins Road, Linda Farone of Dartmouth Drive, Judy Jeffery of Hunter Lane and Joan Middlemiss of Haverford Road.

The Jewish War Veterans Ladies Auxiliary is holding a barn dance box lunch affair at the Veterans of Foreign Wars Hall on June 29. There will be two callers et al with your box lunch which will be auctioned to the year's admittance. Sounds like lots of fun.

Marie Ann Campbell and Philip A. Hoelle, both of Dartmouth Drive, have just become engaged. They expect to marry in the fall. Much happiness to you both.

Well, elections are over and the new slate runs this way:

Vincent Hilly of Haverford Road, president; Ernest Gossy of Dartmouth Drive, vice-president; Grace Maniscalco, financial secretary; Louise Fischer, treasurer.

I have omitted recording secretary because I have just been informed, much to my surprise, that it was I who had been elected for this post and it would certainly be very unfair to undertake this most important job on my part, at present, since I could not possibly devote enough time to this task to do any good for the organization. But I will certainly help in other capacities where it will do most beneficial to all. However, good-luck to all the new officers from us at Hillside Terrace.

The Dartmouth Drive sewing circle which consists of Muriel O'Donnell, Pearl Blaustein, Mary Pronevitz, Betty Drury are all set to step out to the big city to see "Teahouse of the August Moon" and later have dinner. Their husbands aren't aware of this as yet, but the lucky boys will be invited along.

We have two blessed events in Hillside Terrace this week. Mr. and Mrs. Pat Simons of Vassar Lane welcomed a boy that weighed in at 8 lbs. 14 ounces. He was named Eric Lee and was born at the Glen Cove Hospital. Linda Marie Neibaur made her debut at the Roslyn Park Hospital, weighing 8 lbs. 1 ounce. Her mom and dad Mr. and Mrs. Fred Neibaur of Wellesley Lane are very proud. Freckles, part terrier and pointer dog owned by the Friedmans of Wellesley Lane is to be congratulated on upon the birth of eight pups. Marilyn tells me anyone of them is yours just for the asking or by phoning Hicksville 3-2371. A neighbor of hers, Mary Neff, also had some additions—6 baby bunnies that were born and then deserted by their mother in Mary's backyard. This came as quite a surprise to the

Neffs as they had no idea there were any rabbits anywhere around.

Happy birthday to May Maljean who had a birthday May 1st. Stephen Newman of Vassar Lane had a birthday party April 24. The two local junior set attending were Bonnie Aronoff, Roger, Donald and Steven Starksi, Frank and Joseph Beltrani Jeffrey Mogavero. Sheila Diane and Barbara Higgins.
