Hook And Ladder Wins; Bigger Event June 20

HICKSVILLE—With a time of 11.9 seconds, the Hook and Ladder Co. of the fire dept. defeated Emergency Co. 5 in a challenged efficiency contest on McAllester Ave., Sunday afternoon. The contests were witnessed by more than 100 spectators. Both teams "fluked" and made no time in the third run of the afternoon. A five-way competition between all companies of the department has been set for Sunday afternoon, June 20, it was announced at the conclusion of the events. Another inter-company competition with five events is also being planned for late summer.

Henry A. Gebhardt, ex-chief and a county firemen's association judge, was chief judge at the events last Sunday assisted by Chiefs Arnold Jeanson and 1st Asst. Larry Huttie, Ex-Chiefs Fred Masters and George Engel. Ernest (Kraft Cheese) Dieterich was at the microphone.

Hook and Ladder Co. made the run in 12 seconds the first time and shaved the mark to 11.9 the second time. Emergency Co. ran 14 and 13 seconds in their two tries.

Record Attendance Here For Memorial Day Services

Memorial Day exercises in the mid-Island area on Monday morning, favored by ideal weather conditions, were among the best attended in local history.

The Hicksville parade was brightened by the attendance of hundreds of youngsters, marching as uniformed teams, from the Central Nassau Little League. The high school band in new uniforms was under the direction of Anthony Pollera. The school choir, led by Miss Harriet Spink, provided musical accompaniment for the program with Dr. E. H. LeBarron, superintendent of schools, as master of ceremonies.

The Civil Defense auxiliary police took part in the parade, led by Chief Clifford Goff, wearing CD shoulder patches on their uniforms for the first time. Seventy fire dept. members led by Chief Arnold Jeanson paraded, followed by their gleaming fire apparatus.

Veteran organizations, school children, boy and girl scout units and Gold Star mothers were all represented in the line of march at Hicksville. Rabbi Irving Grossman, as principal speaker, delivered an inspiring and timely address.

BRINGING 4,000 EMPLOYEES:

Administration Building Next Unit For Lighting Co.

HICKSVILLE—A new \$2,700,000 administration building to accommodate 800 employees will be added by Long Island Lighting Co. to its Central Operating Headquarters site on Old Country Road, here, according to an announcement made today by the company.

It was a little over three years ago that Henry G. Eiseemann, prominent banker and realtor first interested LILCO in making the initial purchase at the site and convinced the utility company officials of the advantages of locating here.

Early this year Mr. Eiseemann was elected a director of Long Island Lighting Co. to succeed the late Col. Charles G. Blakeslee.

START BUILDING JULY 1
The new building, construction of which will start July 1, is a further step in the company centralization program which is expected to bring a total of 4,000 employees to

this community. Present buildings here accommodate about 1,200. The new building is expected to be completed in about a year.

Designed by Francisco and Jacobus, New York architects who developed the existing facilities at this site, the new building will be located at the east end of the 77-acre plot, facing Old Country Road.

According to the plans, there will be 101,000 square feet of office space and 17,000 square feet of storage space in the T-shaped building. It will be 262 feet across the front and two stories high. A single wing will extend 120 feet to the rear.

The building will be constructed of colonial red brick with limestone trim, completely landscaped with a special parking lot for 600 cars. Inside features will include complete acoustical treatment, air-conditioning, movable bank-type metal and glass partitions and fluorescent lighting.

Mercadante Sees Swing To Democrats This Year

HICKSVILLE — The reasons why "people from the city who always enrolled as Democrats except as Republicans when they move to Nassau County" were discussed by Luke Mercadante, former Democratic Mayor of Glen Cove, at a

meeting of the Democratic Club at the Legion Hall here last Wednesday.

Mercadante, a candidate for the nomination of Lieutenant-Governor in the November election, traced the history of Republicanism in Nassau back to the early part of the century, when the establishment of the millionaire estates on the North Shore brought business and laborers into the county who, he said, had to share the political views of their employers to get a contract or a job.

"By the time of the Hoover depression," said Mercadante, "J. Russell Sprague had made himself a virtual dictator as county leader having the final say on all patronage and becoming manager of all political campaigns.

"You couldn't get a job or a civil service position," he continued, "or even a day's work shoveling snow or relieving payments without his approval or that of his investigators."

He pointed out that this "made it easy to convince the newcomers that their problems with the garbage collection, traffic laws, assessments, building permits, etc., would be solved to advantage if they were Republicans."

He expressed hope for the Democrats this year because of the war between Sprague and Leonard W. Hall for the GOP leadership of Nassau County.

"The Republican Party has become a multi-headed organization," he asserted, "with the heads fighting."

NEXT TIME, MAYBE A TICKET: Plan Friendly Notes On Overtime Parking

HICKSVILLE — Hundreds of overtime parkers at local public parking fields will soon receive a gentle reminder letter from the Chamber of Commerce, following a one-week checkup campaign. License numbers of all who have been found overstaying the two-hour time limit have been recorded, it was announced at the Chamber Directors' meeting, Friday afternoon at Henning-sen's.

Sam Pace, chairman of a special parker education-information committee, will send out the letters.

Commenting upon the survey, Pace told the directors "People just don't believe in signs. We have beautiful signs at the new field on E. Barclay St., warning motorists that the time limit is two hours. Yet the field is nearly full of commuters who are there for more than the limited period."

President Albert Schachner announced the appointment of William E. Koutensky, president of the Long Island National Bank, as chairman of the membership committee of the chamber.

Sees Swing

(Continued on Page 1)
ing each other and the loyal party hacks not knowing which one to back. It is no longer fashionable to be a Republican. It is no longer a must to be a Republican to earn a livelihood in Nassau. The days of the feudal estates are over.

"The boss is now too busy apologizing for his fabulous windfall to worry about the GOP organization itself, and the newly made Republicans have had their eyes opened to the scandals of their leaders."

"They are overcoming the old fear and are returning into the Democratic fold," he concluded. "Right now, it's a determined trickie; but by the next election, it will be a stampede, and I predict that's when we'll win in Nassau County."

TWO EVENTS JUNE 14
HICKSVILLE — Monday, June 14, will have double significance. This community will participate in the Civil Defense test alert which will require public cooperation, including a halt to traffic and pedestrians taking cover. The same day is Flag Day and a count of the number of flags displayed will be made and published.

Dear Jean:

The new BRENGEL (Empire) Storage Warehouse on Duffy Ave., Hicksville, was just about completed and they had to start taking it apart again. Saturday night. Two ladies were accidentally locked in a rest room and until the door lock was taken apart, it was feared that a ladder rescue from the second-floor window might be necessary. The new warehouse is a huge place and was a wonderful place for the Charis Wagner Legion Post square dancing. The 18-foot high ceiling was just about right for BOB WATHEY who entertained non-dancers by his feat of balancing cans higher and higher and higher. . . . Silver wedding anniversaries were being celebrated this week by the Sol ROTHSTEINS of Magin's Liquor Store and the GEORGE ENGELS of E. Nicholas St. Ex-fire Chief ENGEL and Mrs. Engel held open house on Sunday evening. . . . Mr. and Mrs. ERNEST FRANCKE are leaving on a vacation trip. . . . Hicksville Chamber of Commerce directors will meet once monthly during June, July and August. . . . Committee led by FRANCIS ANDERSON of the Chamber will meet this Wednesday with Supervisors WATERS and Councilman CHLUMSKY at Oyster Bay regarding the over-all traffic problem in Hicksville. . . . Town will soon demolish that row of garages and a house on the property bounded by E. Marie St., E. Nicholas St. and the R.R. to become Parking Field No. 4. . . . Emergency Co. 5 disbands say they lost the contest to the Lumber Co. on Sunday due to "a technicality". The No. 1 boys were a little faster, that's all. . . .

A sterling silver identification bracelet has been left at the Herald office where it may be identified and claimed by the owner. . . . It would seem that lawyers have greater lung power than insurance men. Prudential insurance men were meeting at HENNINGSEN'S restaurant last Friday for lunch and separated by a curtain were the directors of the Chamber of Commerce. Competition for audiences got a little tough for a time until reports were rendered by two attorney members of the Chamber. They outshouted the insurance men. . . .

That chorus of voices in the Twinlawn Ave section, Monday afternoon, was the choir of the fire dept wishing a very vocal "happy birthday" to EVALYN NOETH. . . . Did you ever hear of St. John's Ave in Hicksville? We didn't until a young boy came in Saturday with the address, attempting to find the new home of his parents. It's off Old Country Rd. . . . Army Major FRED FLUCKINGER was in Hicksville for Memorial Day having completed special studies at the Command General Staff College at Fort Leavenworth, Kansas. County police and PSC inspectors stopped 1,940 trucks on Old Country Rd at the Parkway bridge, plus Jericho Tpks, Northern Blvd, Sunrise Highway and Merrick Rd last week in a surprise two-day check. A total of 121 summons and 160 warnings were issued for ineffective brakes, lights, etc. . . .

Doctor Jones Says

By PAUL B. BROOKS, M.D.

"The Tonsil and Adenoid Question" — that was the subject of a symposium at a medical meeting in Boston. Four outstanding specialists discussed it: an internist, a pediatrician, an ear specialist, and a nose and throat man.

Parents that've raised children in recent years, have sensed there was some sort of a question. As one mother said: "One doctor says 'Take 'em out'; another says 'Leave 'em alone.' How're we to know?" So when to do which—that was the question they were trying to settle, as of 1954.

Babies are born with tonsil and adenoid tissue. Ordinarily it increases up to 3 to 5 years, then gradually gets less. But they don't always do it that way. This question, it seems, goes back to a thousand years B.C. "Asiatic Indians" then, removed tonsils surgically. Hippocrates, 500 years later, advocated medical treatment; local applications and poultices.

The prevailing idea, when I was starting in practice: if they're causing trouble, take 'em out. Although the specialists questioned it, us general practitioners that'd had surgical training considered ourselves competent to do it. We called it a simple operation. Some of the kids, mouth breathers because they were all clogged up with adenoids—getting 'em so they could breathe freely, their general health improved. But, sometimes the adenoids eventually came back. Then the throat specialists got 'em. They said we hadn't done a thorough job.

Several years later the idea got around that the tonsils, maybe, were a protection against infection: filtered out disease germs. That slowed 'em down.

Well, the specialists were in agreement on several points. Among others: we used to be too ready to take out tonsils but there are conditions that definitely call for it. It shouldn't be done just because the tonsils "don't look good." Only after a careful physical examination of the child and in the interest of his general health. When the operation is done it should be done by a skilled operator who can do a thorough job. Only in such hands is it a "simple operation"—if it is.

Carreau To Head Fall Campaign \$7 From Auction

MINEOLA—Lawrence W. McKeown of Baldwin, Nassau County Democratic Leader, today announced the appointment of Rene A. Carreau of Merrick, his predecessor as county chairman, to serve as Campaign Manager for the entire county during the 1954 election campaign. McKeown said the party's basic campaign organization will be formulated according to the new Assembly District area boundaries, with Carreau directing and coordinating campaign activities for all districts.

In accepting the appointment, Carreau expressed a strong belief that 1954 will be a winning year for Nassau Democrats, and added, "My only instructions from the county chairman are to get our campaign on the streets, into the houses and before the people in every corner of every community in the county. It's a big assignment, but our organization is ready, willing and able to undertake it. Democratic workers in every block in Nassau will be hammering home the basic fact that the Republican organization

is presenting the voters with one choice: they can approve and condone the past acts of Republican leadership, particularly J. Russell Sprague, by voting the straight Republican ticket; or they can voice their disapproval of that type of leadership by voting Democratic."

HICKSVILLE — Youngsters in Mrs. Berning's home room 108 in Junior High collected \$7 by an auction in their class, recently and turned the proceeds over to the cancer fund. Among those who assisted with arrangements was Eileen Walter, daughter of Mr. and Mrs. Martin Walter.

Our Firemen Serve Gladly

By Fred J. Noeth

WE DO NOT wish to single out the Hickville Fire Dept. for special attention in connection with the Memorial Day parade because all groups participating made wonderful showings and by their attendance demonstrated their community spirit and respect for the men and women who have served the nation in all wars.

However, at this time the fire department is conducting its annual door to door canvass for the welfare fund. Therefore, it is appropriate that we call attention to the fine appearance made by this group of volunteers.

The Sunday News carried a timely report on just what kind of a job our volunteer firemen are performing for the people of Nassau County and their home communities.

There are 9,040 volunteer firemen in Nassau County while New York City has a paid department of 11,000 men. And yet, the News points out, fire insurance rates in Nassau are lower than they are in the five boroughs of New York.

County Fire Marshal George Clough answers the question as to why the volunteers in Nassau—and right in your own community—are willing to get up at all hours of the night, rush to the firehouse, and take off in response to a call for help. "Practically all vamps are community-minded men", Clough points out, "who know that somebody has got to do the job. So they go ahead and do it."

Many newer residents are amazed to find that the local firemen are just volunteers—they get nothing for their time and services, except the satisfaction of doing a job to the best of their ability.

THE SCHOOLS ARE YOURS:

The Board Of Education

By ROBERT E. TUTTLE
PRINCIPAL

PLAINVIEW SCHOOLS

My neighbor, John Q. Public and I were discussing education.

"Just what is the Board of Education?" asked John.

"The Board of Education occupies a place similar to the Board of Directors of a company," I answered.

"The Board of Education in a union free school district may have from three to nine members.

Fifteen qualified district voters can petition to increase or decrease the number of Board members at the annual meeting in May. According to section 1703 of the Education Law a majority vote taken by recording the ayes and nays is sufficient to change the number on the Board providing the petition has been circulated beforehand.

"Just how are they added then?"

"Following the election new Board members are added at a

special meeting called not less than thirty or more than sixty days after the annual meeting. At this time the new members are divided into three classes: first class, one year term; second class, two year term; third class, three year term. If a decrease in the number on the Board is voted no election is held until the number is reduced through the expiration of a term thus creating a vacancy."

"How are they selected?"

"The voters at the annual meeting of the school district elect the board members. All candidates, beginning with a law passed a few years ago, must be nominated by a petition signed by 25 qualified district voters. Board members are elected in such a way that the terms of each overlap. Thus there is never, except in cases of mass resignation, a complete change of the Board of Education in any one year."

"When do the newly elected Board members take office?"

"When elected at the annual school meeting in May the new board members assume office on July 1st. When appointed or elected to fill a vacancy, a board member serves until the next annual meeting. By State Law the first Tuesday in July is designated as the time for the reorganization of the board for the school year from July 1st to the following June 30th."

"What do you mean by reorganization?"

"Officers of the board are chosen from its membership for one year and the appointment of the District Clerk and Treasurer is made for one year. The Clerk and Treasurer can be chosen from the qualified voters of the district. In addition to a President a Vice President is chosen. Often individual board members are designated as a committee on buildings and grounds, transportation, publicity, finance, personnel, insurance etc. However, the best practice is for the Board of Education to act as a committee of the whole on these important matters in reaching decisions."

"Is there any other business transacted at this meeting?"

"Yes," I answered, "the District Clerk, Treasurer, Census Enumerator, Attendance Officer and school physician are appointed. The date and time of the regular monthly

Need Two-Story Additions?

By CHARLES DESHAW
To The Editor:

IT SEEMS TO ME, that since work on the expansion of the four Elementary Schools is not expected to begin until next year, now is the time to do some pertinent thinking on the subject.

We are at the "Crossroads" and must decide which way to go. Our decision will effect the entire Community, and must be made now to guide our School Board toward the fulfillment of our desires.

We are committed to the building of one story nine-room additions to these schools, but we need to get the matter rest there. It is vitally important that we analyze which would give us greater benefits—one story, nine room additions; or two story, twenty room additions. We must consider which would give us greater facilities, convenience, and least expense, not only from the immediate but from the long range view.

Since the initial cost of construction is always the least, compared to the annual maintenance expense, it is imperative that we get the most for our Tax Dollar.

It is my belief that two story expansions would solve our school session problem. This is based on a statement by our Superintendent of Schools, Dr. E. H. LeBaron to the Board of Education on April 28th. He stated that since the Woodland Ave. School opened earlier that month (a two story, twenty room school) the number of pu-

pils on full time session had increased 22% over last year, being now 42%. This means that for every classroom in that School 1 1/10% more pupils went on full time session. Thus with 80 additional classrooms, it makes sense that with allowances for the new pupils entering our schools annually, the number of pupils on full time session would undoubtedly reach a minimum of 98%. The remaining 1% would be the Kindergarten pupils; and these would be able to go on full session with the completion of the new High School.

With these facts before them, it would appear that the "Fear Group" with their chants of "More and more schools or else triple sessions" would be silent and the Arabs "quietly fold their tents and silently steal away in the night". Unfortunately they are like the Biblical quotation of "Being so blind they cannot see", and are already making plans to push through another referendum to purchase additional land for another new school. They must be stopped.

Before going any further, it is necessary to consider the 5 Acres of land purchased behind the Holy Family R. C. Church on Newbridge Road. Since the building of two story expansions will solve our problem, it is unnecessary to use this land, and it can be sold or even given to the Church as a site for the Parochial School they wish to build.

IT SEEMS TO ME, in conclusion, therefore, that one story expansions will not solve our problems. This is agreed by the School Board, who also agree that additional expansions will be called for as soon as the construction begins on the expansions already voted. This means that at least 50% of the pupils will remain on double session until the latter is completed. This is senseless, when it can be seen that the present construction of two story expansions will prevent this. Besides which the amount of Tax Dollars saved through the elimination of a Referendum will be considerable. 118 Brittas Lane Hicksville, N. Y.

Ask the CPA

By SOLOMON NEWBORN

Certified Public Accountant

Mr. Newborn will answer questions in this column. Address Herald, Box 93, Hicksville.

Q. What expenses on my home can be deducted on my Federal Income Tax Return?

A. The answer depends in part whether your home is used for your residence only or whether you rent out part of it. The law allows certain deductions in connection with real estate to all taxpayers. The two deductions so permitted are your real estate taxes and interest on your mortgage. This is true regardless of whether it is your personal residence or whether it is a building from which you derive income from rents.

Then, there are certain expenses which can be deducted only for property from which you derive rental income. Among these are the following:

1. Light, heat, and power
2. Repairs, painting, wallpapering
3. Depreciation (building, new roof, burglar system, fixtures, new furnace, partitions)
4. Interest
5. Taxes
6. Insurance
7. Salaries; commissions (for rent collection)
8. Water
9. Telephone
10. Any other business expense

In connection with both rental property and real estate held for personal use there are certain items which may only be added to the cost of the property to be considered only in computing gain or

- loss upon sale. Among these are:
 1. Legal fees in acquiring property
 2. Landscaping
 3. Title costs
 4. Architects fees
 5. Commission for buying or selling
 6. Cost of defending title to property

Sometimes the owner of a personal residence rents out one of his rooms or even an entire floor to serve as an apartment. In this case he is entitled to deduct a proportion of his expenses of operation. The allocation of these expenses may be either on the ratio of the number of rooms producing income to the total number of rooms or on the basis of the square footage rented to the total square footage. In any event, once a method is selected it must be used consistently.

Occasionally a homeowner uses part of his home for business purposes. Accordingly, he may use the methods outlined above in determining what proportion of the expenses of upkeep to deduct from his gross income.

In other cases a taxpayer may use his house as a residence for part of the year and lease it out for the remainder. Suppose a taxpayer goes to Florida for January, February, and March and for that period of time rents his house out. If he spent \$600 for the year for repairs and other expenses he may deduct one quarter, or \$150 against rental income.

Gym Party Held At East Street

By **CONFSTANCE GIBSON**
Hicksville 4-1482

We were very glad to learn that the Pastry Party held at the Holy Trinity Episcopal Church was a huge success and everyone attending had a wonderful time.

Friday, May 21, East St. School presented a Gym Party under the direction of Robert Whearty. More than 800 parents, teachers and friends attended. Janice and Susan Sawell of 295 Plainview Rd., Beverly Harrigan of 298 Plainview Rd. and Edward Feurstein of 81 Gables Drive took part in the show. Mrs. Feurstein who teaches kindergarten at East Street and Mrs. John Olson who is employed in the school office were among the spectators. A good time was had by all and everyone hopes to see many more sports events at the school.

We were happy to hear that James Byron of 17 Gables Rd. is home and walking around after his accident of some months ago.

Happy Birthday wishes go to Arthur Baldwin Sr. of 13 Gables Rd. who celebrated his day Friday, May 20, with a small evening party at home.

Also to Debra Cerone, daughter of Mr. and Mrs. James A. Cerone of 271 Plainview Rd. who was 5 years old Tuesday, May 18. At a small family party Debbie received a much wanted "cowgirl" suit complete with hat and boots.

Little Carl DeAngelis, son of Mr. and Mrs. Fred DeAngelis of 291 Plainview Rd., marked his first birthday Wednesday, May 19. Carl's grandparents, Mr. and Mrs. Carl Ronisi of Lakeview, his aunt and uncle, Mr. and Mrs. Gene Gaeta and his cousins, Gene, Richard and Fred Gaeta of East Meadow spent the evening with him and his parents. One of his presents was a Motion picture camera with which the DeAngelis family recorded the event.

Mrs. Angelina DeVito of 4

Prince St. celebrated her birthday on May 17 with a family party. Mrs. George Giammarino of 2 Prince St. Mrs. Bianco of 4 Prince St. and Mr. and Mrs. Vincent DeVito of Brooklyn helped to make the evening a memorable one.

Mr. and Mrs. John Olson and daughter and Mrs. William Horn of 303 Plainview Rd. took the train up to Mount Vernon where they attended a party in honor of Mr. and Mrs. Wayburn and Family who are visiting from Miami, Florida. They traveled up with Mr. and Mrs. Bunker, Mr. and Mrs. Swanson and family, Mr. and Mrs. Kenny and family, Mr. and Mrs. Klever, Mr. and Mrs. William Klever Sr. all of the Bronx and were met by the host and hostess, Mr. and Mrs. Howard Newell.

Mr. and Mrs. Olson attended Hicksville Amvet's dance at Post 44 on E. Marie St., Saturday, May 22. The dance was enjoyed by all.

Thursday, May 20, the Ladies Auxiliary of Hicksville Jewish War Veterans Post paid host to Dorothy Wakeman at a going-away party. Miss Wakeman is leaving for Miami, Fla. The girls gifted Dorothy with a check.

Miss June Olson attended the fourth birthday party of Jean Quinn of Sussex St. Saturday, May 22.

We would like to urge everyone to open their hearts to the current drive for funds to combat CP. This is a terrible illness and we trust you will all do your part.

Archie McCord Post No. 86
American Legion, Bethpage

By TOM OLIVERI

Balancing the election of officers to lead the Archie McCord Legion Post of Bethpage in its activities for 1954-1955 brought the following results at a well attended meeting held on Thursday, May 13:

Elected were: Commander, Al Garruba; First Vice Commander, Mike Kallnyak; Second Vice Commander, Matt Russell; Third Vice Commander, Joe Budd; Adjutant, Andy Erdley; Finance Officer, Joe Ellinger; Sergeant-at-arms, Bill Horn; Hist-

orian, Charles Schwarz; and Chaplain, Bill Demmer.
No date has been set for the installation of officers.

The May 16th Spring Dance under the Chairmanship of Carl Bertan brought out a good crowd for a wonderful time. Walter Davis was the winner of the Garden Tools and Tom Oliveri, the Cooler of Cheer. Oliveri also drew the winning ticket on the G.E. Table Radio which he donated to the Post and it was auctioned off to the highest bidder (Frank McMackin).

Recent contributions made to Boy Scout and Cancer Drives... On the receiving end, the Post gratefully acknowledges a \$25.00 contribution from the Talamets; and a plane from Mrs. Cantelmo. The officers and members say

"thanks".... Nice to see Charlie Schwarz, up and around again. By the way, Charlie is Chairman of the Memorial Day Parade. Bob Purcell (Legion) and Ed Kollegher (VFW) are Vice-Chairmen.

The Bethpage Blood Bank sponsored and administered by the Post, has been in operation for years handling the needs of all residents of Bethpage. Blood is available irrespective of membership. Contact Cliff Daley at HI 3-3469 if the need should arise.

meetings are set. In the judgement of the board an attorney and an auditor may also be appointed. It is necessary for the Board to designate a bank or other depository of school funds.

"What are the President's duties?" asked John. "Are they not similar to those of the president of any organization?"

"Yes, he presides at the meetings of the board. He is a member of all committees. The President as well as any Board member may call a special meeting of the board. Of course, the Vice President acts in the absence of the President.

"What is the main function of the Board of Education?"

"A Board of Education has delegated or enumerated powers given to it by the state. Under these powers the Board determines the general educational program to be followed in the district. Boards in many counties of the state are concerned at present with school building problems in addition to other administrative or routine matters. Greatly increased enrollments bring a resulting multitude of problems ranging from the selection of trained personnel to matters of finance."

"What other duties or powers does the board have?"

"The Board of Education sets policies regarding the school system. It hires teachers, principals and other personnel; approves the school calendar; determines salaries of all employees in accordance with the mandated provisions of the law. Special district meetings are called by the board. Usually the..."

"What are special district meetings for?" interrupted John.

"They may be held to appoint or elect a board member to fill a vacancy due to death or resignation. A special district meeting may be called to vote on moneys to purchase school sites or for building construction or for transportation. This type of meeting may be called to change a district from a common to a union free. Usually the board delegates authority of an administrative nature to the Superintendent or Principal."

"How often does the board meet?"

"The regular meetings are usually held as often as once each month. Other special meetings may be held as often as once a week or even more frequently."

"Are Board of Education meetings open to the public?"

"Certainly. Interested citizens are entitled to attend board meetings. If the Board wishes to discuss confidential matters it can go into executive session and request that visitors leave the meeting. However, a Board of Education is required to take formal action on a matter at an open meeting."

Cooley To Form Amvets Post

Jimmy Cooley, Hicksville World War II veteran, who organized the first American Veterans Post (AMVETS of WW 2-Korea) on Long Island, is seeking veterans who may be interested in forming a Bethpage post, it was learned this week.

Cooley organized the Robert O. Ulmer Post 44 of Hicksville in Oct. 1949 and since then, Plainview, Central Islip, Bay Shore, Rockville Centre, Elmont and Levittown have formed their own.

Cooley, having served in the capacity with his post as Adjutant, Service Officer and Publicity Officer, also served as Nassau-Suffolk County 2nd. Vice Commander and Nassau County 3rd. Vice Commander. He was the As-

sociated Editor of New York State AMVETS newspaper and has served two years as State Publicity Committeeman.

He asks that any veterans who are interested in hearing about AMVETS, America's fastest growing veterans organization to come out of World War II, please contact him by letter or card at 86 W. Nicholas St., Hicksville, or by calling him at HI 3-3127. At present time there are at least five or six men from Bethpage who belong to the Hicksville post, and with the large number of vets living in Bethpage and who do not belong to any major big four, the prospects look very good, he said.

Ice Cream Social For Kids June 26

By **DOROTHY R. BROWN**
Hicksville 4-8128

Millwood Gate P. O. Assn. had an excellent business meeting Thursday at the Lee Ave. School. Frank Szymanski reported on an Ice Cream Social for children to be held on June 26, in the area behind Shady Maple Restaurant.

Also it was announced that the following people were donating refreshments for the affair. Lou Hart, the manager of Shady Maple, Mr. Marcantonio of Mercury Oil Co., and Tom's Shell Service Station on Broadway. Let's patronize these people, and show our appreciation of their gift. Cookies are to be donated by different mothers in the Assn.

Elections were held to fill vacancies on Board of Directors. Joseph Brown of Woodbine Dr. S. was elected to fill vacancy of Jaci Henn and Jack Marcantonio of Woodbine Dr. E. to fill vacancy of Gene Cody.

Thomas Killeen reported on progress, if it can be called that, on the work of the Civic Information Exchange in getting the playground areas fixed up in the different parts of town. Our letters to Supervisor Walters go unanswered, time and time again, and these areas are used as a dump and collect all. The discussion of the group seem to end by stating that if the area was seeded and fenced in that it would be more useful to the children of the area.

Also after a discussion and opinions of neighbors around the store area were heard, it was decided that the Assn. would do all in its power to obtain a fence along the back of the area along Woodbine Dr. S. for many reasons. A picnic to be held in July will be announced via a newsletter to each one in the development. Each month one of these newsletters will be sent to you preceding the meeting giving the important points to be covered at the meeting.

Also a resolution was passed to go along with the movement which is promoting a ticket or tag system for all commuter's cars using the parking facilities in and around the Railroad Station. This would help spread the payment of these parking areas to everyone using them whether they live in town or out.

The May Dance which was the first social event of the Millwood Gate Assn., held at the V.P.W. on Saturday May 29 was a huge success with over 100 couples attending. Much of the success of this event was due to the hard work of the Chairman, Mr. Eugene Magee and all his capable assistances.

Many of our people entertained this past week. Mr. and Mrs. Joseph Brittain of 18 Mayflower Dr. entertained Mrs. Brittain's Mother from Brooklyn over the weekend. Mrs. Robert Nelson was the guest of her daughter, Mrs. Ernest Bernard and family of 5 Ferndale Dr. this past week. Mrs. Laurent's sister, husband and son, Mr. and Mrs. Frank Angelic formerly of Pennsylvania are visiting with the Laurent's of Woodbine Dr. S. till they can find a suitable apartment. Mrs. Tarnell's mother and sister are visiting the Tarnell's of 21 Woodbine Dr. S. over the weekend.

On the cheer list this week are several of the young fry. We just heard that Phillis Murray of 10 Mayflower Dr. is now home after being in Nassau Hospital under observation for the past three weeks. We sincerely hope that she will soon be feeling better and back to school. She appreciated the cards that her friends have sent to her. Also Gregory Cooney of 10 Greenbriar Lane was confined to bed with a virus last week but we are glad to report that he is well again. Little 3 months, old James Hellriegel of 12 Mayflower Dr. is recuperating from the chicken pox caught from his older brother and sister.

Birthday greetings to Catherine Reilly of 6 Greenbriar Lane. She celebrated her sixth birthday on Monday, May 24 with a few of her friends and cousins to play games

and have cake and ice cream in the game room. She received many gifts which she had wished for, including a toy typewriter.

Also birthday wishes go to Karen Enmlaw of 65 Fordham Rd. who was 2 years old on May 27. Robert Boenerrmann of 26 Woodbine Dr. S. was four years old on May 28. Michael Masciello of 61 Fordham Rd. celebrated his fifth birthday on May 29.

Dorothy Travers, daughter of Mr. and Mrs. Dennis Travers of 5 Greenbriar Lane, received her first Holy Communion at St. Ignatius Loyola Church from Father Bitterman at 8:15 Mass on Saturday May 29. Later that same day a Buffet Luncheon was served in her honor at her parent's home. Guests included Grandpa Travers, Mr. and Mrs. William Orton, Mr. and Mrs. George Travers, Mr. and Mrs. J. Farrell and Family, and Mr. and Mrs. R. Leibold all from Brooklyn. Besides Ham and other fancy cold cuts, a lovely Communion Cake with a gold cross was served.

Among those who were confirmed on Sunday, May 30, at the St. Stephen's Lutheran Church was Mildred Ruth Klein, daughter of Mr. and Mrs. Jack Klein of 37
